ARCHITECTURAL DESCRIPTION *see continuation sheet*

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings within the community.

The residence at 15 Center Street was built in 1993 in the cape style with a side gable roof. This 5 x 3 bay, wood frame, one-and-a-half story building is rectangular in plan and sits on a concrete foundation. The building is clad with wood clapboards. The side gable roof is covered with asphalt shingles. The entrance contains a wood door flanked by a single full sidelight with a plain surround. The windows contain 6/6 sash with flat surrounds. The cornerboards are thin and flat. The cornice is thin with a shallow molding. The house is designed in three parts, each set off slightly from each other. The main living space is connected to the entry space and that is connected to the garage.

HISTORICAL NARRATIVE *see continuation sheet*
