---

Population according to the last census, 2,505.

---

At the annual town meeting held March 5, 1921, the following officers were chosen and business transacted, viz.:

Voted and chose—

Selectmen and Overseers of the Poor—George E. Fogg,  
Albert H. Holmes, Walter H. Faunce.

Town Clerk, Treasurer and Collector—Henry S. Everson.

Auditor—Edward E. Bird.

Assessor for 3 years—Howard L. Baker.

Water Commissioner—Winthrop D. Ford.

Highway Surveyor—Philip S. Rogerson.

Constables—Louis F. Bartz, Howard L. Rushton.

School Committee—Fred G. Brackett, Paul H. Delano,  
Harold G. Kite, Mary Trow.

Trustees of Public Library—Frank W. Maglathlen, Ar-  
thur W. Pierce.

Tree Warden—Charles H. Childs.

The following offices were filled by nomination:

Pound Keeper—Charles E. Low.

Field Driver—Thomas Killiher.

Surveyors of Lumber—George B. Holmes, Thatcher Baker, Stillman D. Small.

Surveyors of Wood—George B. Holmes, Fred G. Brackett.

Fence Viewers—Alexander Holmes, Truman H. Fuller.

Fish Committee—George E. Cushman, Leander Raymond, Edward S. Bird.

Voted, That the Treasurer, be authorized to hire money with the approval of the Selectmen, in anticipation of taxes of the current year, the same to be paid therefrom.

Voted, To appropriate the sum of \$100 for the Farm Bureau.

Voted, That the salary of the Highway Surveyor should be \$1,000; and that \$4 per day shall be paid for the labor of men and \$3 per day for each horse.

Voted, That there be appropriated the sum of \$15,000 for the purpose of erecting (including the cost of original equipment and furnishings) an addition to, or to an extension of the High School building; such addition to increase the floor space of said building and that the School Committee be and hereby is authorized and empowered to enter into and execute all contracts and to do all things necessary to complete said work within the sums herein appropriated; and to meet said appropriation that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$15,000, and to issue notes or bonds of the town therefor, said notes or bonds to be payable in accordance with the provisions of Section 14, Chap. 719 of the Acts of 1913; so that the whole loan shall be paid in not more than 20 years from the date of issue of the first bond or note; or at such earlier date of issue as the Treasurer and Selectmen may determine.

Voted, That there be appropriated the sum of \$5,600 to pay this town's share of the cost of the Plymouth County

Tuberculosis Hospital in accordance with the provisions of Chap. 286 of the General Laws of 1916, and to meet said appropriation there be raised by tax a loan of the current year the sum of \$600 and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$5,000, and to issue bonds or notes of the Town therefor, said bonds or notes to be made payable in accordance with the provisions of said Chap. 286, so that the whole sum shall be paid in not more than ten years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine.

Voted, That there be appropriated the sum of \$10,000 for the purpose of extending water mains and improving its distributing facilities through Howland's Lane and adjacent territory and that the Treasurer with the approval of the Selectmen, be and is hereby authorized to borrow said sum of \$10,000, and to issue bonds or notes of the Town herefor, said bonds or notes to be denominated Kingston Water Loan, Act of 1920, and to be made payable in accordance with the provisions of Section 19, Chap. 41, of the General Laws so that the whole loan shall be paid in not more than ten years from the date of the first issue or at such earlier date as the Treasurer and Selectmen may determine.

Voted, That the Water Commissioners be instructed to secure a satisfactory guarantee of income from proposed water takers on said Lane and territory before proceeding with any part of the proposed extension.

Voted, That the Selectmen and Highway Surveyor be authorized to change the foot path across the Green to the side on Green Street, at an expense not exceeding \$500.

Voted, To accept the laying out of a town way made by the Selectmen from Main Street past the house of John Lang to the Old Colony Railroad.

1170 5

Voted, To accept the laying out of Oak Street at Rocky Nook Park by the Selectmen as a Town way.

Voted, That the sum to be paid on account of the layout of the two Town ways be taken from the appropriation for highways.

Voted, That the sum of \$433.84, the balance on hand on account of water loan of 1920 be appropriated for the extension of water service by the Water Commissioners.

Voted, That the sum of \$1,500 be appropriated for the repairs upon the Town House.

Voted, That there be appropriated the sum of \$500 for furnishing the Town House.

Voted, That the election of Town officers be held on the first Saturday in March, 1922, and that the polls be opened at 6.15 o'clock a. m., and that the meeting for business purposes be held at adjournment to second Saturday in March.

Voted, That the voters of the Town be provided with seats before other persons are accommodated.

Voted, And the following appropriations were made:

|                              |             |
|------------------------------|-------------|
| For Schools,                 | \$23,000 00 |
| For Library,                 | 1,300 00    |
| For Highways,                | 10,000 00   |

| For Farm Bureau,      | 100 00      |
| For Highway Surveyor, | 1,000 00    |
| Total,                | \$56,470 00 |

At a special town meeting, held Sept. 6, 1921, upon the question, To see if the Town will appropriate an additional sum for the maintenance of schools.

Voted, That a committee of three be appointed to investigate the financial condition with relation to school affairs and that they report to the Town with definite recommendations at a future meeting, and Herbert F. Sollis, Alexander Holmes, Samuel B. Nobbs were chosen to serve on that committee.

At a special meeting held Sept. 27, 1921, the committee appointed at the meeting held Sept. 6, 1921, made their report and recommendations and the following votes were passed:

Voted, That there be appropriated the sum of \$8,500 for the purpose of paying the land damages incident to the widening of Main and Summer Streets and to meet said appropriation that the Treasurer with the approval of the Selectmen be and hereby authorized to borrow said sum and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chap. 41 of the General Laws, so that the whole loan shall be paid in not more than ten years from the date of issue of the first bond or at such earlier time as the Treasurer and Selectmen may determine.

Voted, That there be appropriated the sum of \$6,500 in addition to the amount previously appropriated for the maintenance of schools for the current financial year, said

sum to be taken from free cash in the treasury received on account of the tax levies of the year 1920, and previous years.

Voted, That there be appropriated the sum of \$7,500 for the completion of the addition to the High School building and for the repair of the Old High School building, said sum to be paid from any unappropriated funds in the treasury.

Voted, Not to reduce the number of the School Committee.

Voted, That the Water Commissioners be authorized to lay a water pipe to the house of William Floekton.

Voted, That the matter of building laws referred to a committee of three, namely, Edgar W. Loring, Edward E. Bird, and John E. Wright, said committee to report at the next annual meeting.

We refrain from commenting upon the report of the committee and will simply say that the action of the few voters who took part in the meeting added \$15,000 to the permanent indebtedness of the Town, which debt, many now living will not see paid.

We are, like all people, suffering on account of a bountiful war harvest. Illegal acts, even to the highest crime, has left its spot upon our escutcheon and the Town is becoming more or less notorious.

It certainly is not a desirable way of bringing ourselves into the limelight. And financially it is not easy to find a place to drop from war prices without injury to ourselves or our neighbors. The demands made upon nearly every department have been excessive. Appropriations have been over run and resistance seemed useless even in a department in which the annual appropriation was increased nearly 50 per cent. by subsequent action of the Town, the total sum has been overdrawn. If we were sure that we got our money's worth in some of these cases we might have less reason to complain.

## RESIDENT TAX LIST, 1921.

|                              | Poll   | Personal | Real    | Total   |

The rate of taxation depends largely upon the action of the voters of the town at their Annual March meetings, and if the voters of the town would take an active part in those meetings, would raise their voice or raise their hands instead of sitting listlessly by there would be less occasion for fault-finding and grumbling later on.

#### OMITTED ASSESSMENTS.

Taxed in December as provided by Chapter 12, Section 85, of the Revised Laws:

|                                |             |
|--------------------------------|-------------|
| Value of Real Estate, taxed,   | \$22,480.00 |
| Value of Personal estate,      | 1,500.00    |
| Tax on Real estate,            | 674.40      |
| Tax on Personal,               | 45.00       |
| No. of dwelling houses, taxed, | 11          |
| No. of acres of land taxed,    | 31.2        |
| No. of Residents taxed,        | 8           |
| No. of Non-Residents taxed,    | 9           |

Respectfully submitted,

FRANK C. WOODWARD.

HOWARD L. BAKER.

WALTER H. FAUNCE.

Assessors.

## ASSESSORS' REPORT

### ASSESSMENT OF APRIL, 1921.

|                               |                |
|-------------------------------|----------------|
| Valuation of personal estate, | \$301,465 00   |
| Valuation of real estate,     | 1,648,905 00   |
| Total valuation,              | \$1,950,365 00 |

Rate of taxation, \$30 per \$1,000.00.

Number of polls assessed and not abated, 654.

Poll tax, \$5.00.

Sum raised for Town purposes, \$52,000 00

County tax, 3,439 38

State tax, 5,320 00

Special State taxes, 504 80

Overlay, 516 77

\$61,780 95

Taxed on polls, \$3,270 00

Taxed on personal estate, 9,043 80

Taxed on real, 49,467 15

\$61,780 95

Number of horses taxed, 108

Number of cows taxed, 210

Number of swine taxed, 8

Number of other cattle, 67

Number of houses, 805

Number of acres of land, 10,176

Number of fowl, 2,225

Number taxed on polls only, 280

Number residents taxed on property, 649

Number of non-residents taxed on property, 349

Number of taxes, 1,320

## ORDERS PAID.

For the following purposes the appropriations have been paid:

|                                               |          |
|-----------------------------------------------|----------|
| To Henry L. Emerson, Treasurer and Collector, | \$800 00 |
| To Treasurer of the Public Library,           | 1,300 00 |
| To John T. Thompson for Memorial Day,         | 150 00   |
| To Farm Bureau,                               | 100 00   |
| For Surety Bond,                              | 110 00   |
| To Main Street Drainage,                      | 21 70    |

Orders paid and charged to different departments as follows:

### FOR SCHOOLS.

|                                                 |             |
|-------------------------------------------------|-------------|
| Teachers' wages,                                | \$19,482 34 |
| School books,                                   | 1,439 29    |
| Repairs,                                        | 482 35      |
| Fuel and care,                                  | 3,492 14    |
| Incidentals,                                    | 1,520 80    |
| Conveyance,                                     | 1,280 50    |
| Music,                                          | 380 00      |
| Drawing,                                        | 488 00      |
| School Superintendent,                          | 893 50      |
| School Physician,                               | 150 00      |
| Total charged to School Department,             | \$29,608 92 |
| The appropriation made in March,                | \$23,000 00 |
| The additional appropriation made in September, | 6,500 00    |
|                                                 | \$29,500 00 |

### STREET LIGHTING.

There was appropriated for this purpose \$1,200.00.

There has been expended, \$1,272.81.

In addition to the ordinary expenses there has been paid and charged to this account the sum of \$63.94 for replenishing the lamps, globes and fixtures destroyed at the circle at the junction of Green and Summer Streets by automobile accidents or vandalism. There is and will continue to be demands for more lights upon our streets that cannot be supplied with the amount of present appropriation.

### SUPPRESSION OF CRIME.

The increase of auto travel during the tercentenary period rendered it absolutely necessary that the streets in some sections of the town should be guarded by a police force at times. Other things also have occasioned additional work for the police and in consequence the expense of this department is excessively overdrawn. The appropriation being \$850. The expenditure, \$1,286.11.

### SUPPRESSION OF MOTHS.

The appropriation for this department was \$1,000.00. There has been charged \$1,773.55.

A part of the work done was for private parties and there has been paid to the Treasurer of the Town \$200 by the State, and by individuals the sum of \$323.28, which sums should be credited to this account.

### TREE WARDEN.

There has been expended \$97.25 of the \$100.00 provided.

## FOREST FIRES.

There has been expended \$86.00 of the \$150.00 provided.

## FIRE DEPARTMENT.

The appropriation for this department was \$700.00

There has been charged to the account, \$742.91.

Of late the companies have responded to calls outside the Town, and losses have been sustained which will probably be made good to the credit of this department.

## HIGHWAYS.

At the annual March meeting \$10,000.00 was appropriated for highways and \$1,000.00 for salary of the Surveyor, or \$11,000.00 for highway purposes; \$10,129.59 has been expended, which leaves a balance of \$870.00 for use in case of necessity during the winter months. We now have several miles of solid road which will need but little repairing for some time. At the same time there are certain sections that are sorely in need of a special outlay, and we cannot well reduce the appropriation until those sections are provided for. The Town voted at the last annual meeting to pay \$4.00 per day for each man and \$3.00 for each horse, or to a man and double team \$10.00 per day. It may be well to discuss the advisability of paying such large prices in future. We find that in other towns a reduction has already been made. It would frighten people of former days to look at the books which show the liberal sums paid for work on the highway during the past year.

## TOWN HOUSE.

The Town voted to appropriate \$1,500.00 for the completion of work then in progress and \$500.00 for furnishing the hall. The amount appropriated was far from adequate to complete the work, the house being found to be in much worse condition than at first supposed to be. This was one of the worst problems of the year but it was such a case of absolute necessity the Selectmen decided to complete the work and the bills amounted to \$4,713.60. The house must be a source of great satisfaction to those who use it. The garage has lately given to the town additional accommodations and furnishings which has added much to its conveniences, and there has been paid into the town treasury \$363.50 for the use of the hall during the year.

## SPECIAL SCHOOL.

There was appropriated at the annual meeting

|                      |             |
|----------------------|-------------|
| in March, the sum of | \$15,000 00 |
|----------------------|-------------|

|                                    |          |
|------------------------------------|----------|
| At a special meeting held Sept. 6. | 7,500 00 |
|------------------------------------|----------|

|                   |             |
|-------------------|-------------|
| Making the sum of | \$22,500 00 |
|-------------------|-------------|

|                          |           |
|--------------------------|-----------|
| There has been expended, | 22,281 15 |
|--------------------------|-----------|

|                      |          |
|----------------------|----------|
| Leaving a balance of | \$218 85 |
|----------------------|----------|

## CONTINGENT.

|                                        |            |
|----------------------------------------|------------|
| The appropriation for this account was | \$2,500 00 |
|----------------------------------------|------------|

|                         |            |
|-------------------------|------------|
| There has been expended | \$3,231 39 |
|-------------------------|------------|

|                |          |
|----------------|----------|
| An overdraw of | \$731 39 |
|----------------|----------|

\$259.00 of this was occasioned by the amounts paid for certifying and preparing notes and bonds, and another \$100.00 on account of increase in price of printing.

For other payments made by the Treasurer, see Treasurer's report.

### WATER DEPARTMENT.

The appropriation was \$5,000.00.

There has been expended, \$5,771.46.

The water supply is being extended and of course we must expect increase in the running expenses from year to year. It is only a question whether the running expenses do not increase faster than the income.

### SPECIAL WATER.

The Town voted to raise and appropriate the sum of \$10,000 for the purpose of extending the water mains in and about Howland's Lane, and that the Treasurer and Selectmen issue notes or bonds of the town for that purpose. The bonds were issued and there has been expended and charged to this account \$8,429.79, leaving to the credit of the Town the sum of \$1,570.21. These bonds of this issue are described later on.

### POOR.

The office of Overseers of the Poor is no sinecure, though one might think as he witnessed the almost endless procession of automobiles that filed through our streets loaded with parties on pleasure bent, during the late summer, that the title of pauper was a misnomer. Nevertheless, we read "ye always have the poor with you," and the past year has been no exception. About the middle of January at the beginning of the year a bill for \$783.06 was presented by the Town of Duxbury for the support of one family that lived in this town just long enough to gain a settlement here, and which bill should have been paid in 1920. There has been paid to the several hospitals, Town, County and

State for the support of those in these several institutions that have a claim upon this town by derivation or otherwise, a little rising \$1,700.90. There has been paid for nurses about \$500.00 and for services of physicians \$450.00. And the expense attending the care of one person has been more than \$3.00 per day through the year. This last unusual expense is ended. The foregoing will explain in a measure the unusually large expenditure in this department. The outlay includes what has been expended in aid of persons leaving settlement in other municipalities, the sum of having been paid to the Town Treasurer and other bills are due. The appropriation was \$5,000.00, and the expenditure, \$9,209.30.

### STATE AID AND SOLDIERS' RELIEF.

The number of soldiers receiving State Aid has been reduced to five during the year by the death of John F. Hartin in August.

There has been paid to the six soldiers and nine widows of soldiers \$870, and charged to State Aid.

There has been paid to widows of soldiers and charged to Soldiers' Relief \$617.25, making the total sum paid to soldiers and their widows \$1,517.25. The appropriation was \$1,500.00.

### BOARD OF HEALTH.

The duties of this department cover a wide range of investigation and action, and if our town is to progress along sane and healthy lines its activities are bound to increase.

For the benefit of newcomers it might be well to state at this time, that the three members of the Board of Selectmen

likewise comprise the Board of Health and Overseers of the Poor. For the period covered by this report, Mr. Fannce has served as chairman of the Selectmen, Mr. Fogg for the Poor Department, and Mr. Holmes for the Board of Health.

Contagious diseases and proper use of public dump have been among the more troublesome matters dealt with by this department.

Since early Fall there has been frequent cases of scarlet fever, but fortunately without any serious results, although one quarantine involved four cases in one family. We believe the farther spread of this dreaded disease has been largely due to the co-operation of our Kingston doctors, who have invariably notified this department by telephone, immediately a case was determined, thus enabling us to put the place under quarantine with the least possible delay. Heretofore the dependence on a post card notice from the doctors which in some instances was several days in getting to this board, allowed a splendid opportunity for those not familiar with the disease to unintentionally spread it broadcast prior to quarantine being established.

A suitable public dump and its control along sanitary lines has proven very difficult. Over a period of years a location between the Boston and Duxbury roads at top of Stony Brook Hill was used for the purpose, but on account of its being very near these much travelled highways and the persistence of some people to dump not only loose papers but decayed animal matter, it became necessary to discontinue its use, and re-establish another on the Bates Pond Road off Evergreen street. This was a temporary move, however, and it is hoped another location more accessible by motor truck will be available soon.

If you will all bear in mind that loose papers should not be dumped but burned and that animal matter or any other matter subject to decay invariably buried instead of dumped, this problem will be 75 per cent. solved.

# THE ICHABOD WASHBURN BENEVOLENT FUND.

The trustees of this fund have made their annual report to the Selectmen of the Town as required by the will of Mr. Washburn. This report is on file and shows that there has been received an income of

|                                   |              |
|-----------------------------------|--------------|
|                                   | \$500 00     |
| That there has been paid for a    |              |
| surety bond                       | \$37 50      |
| Distributed among 23 widows       | 288 00       |

|                                                        | <hr/> \$345 84 |
| There has been paid for benefit of poor children,      | \$337 55       |
| Leaving a balance on deposit in Plymouth National Bank | \$ 29          |
|                                                        | <hr/> \$345 84 |

## THE LUCY AMES TRUST FUND.

|                                                      |                |
|------------------------------------------------------|----------------|
| There was on hand Jan. 1, 1921                       | \$293 18       |
| Income received April 1, 1921                        | 170 00         |
| Income received Oct. 1, 1921.                        | 170 00         |
|                                                      | <hr/> \$633 18 |
| There has been paid for labor on the burying ground, | \$290 75       |
| Leaving a balance on hand,                           | 342 43         |
|                                                      | <hr/> \$633 18 |

The income from the Washburn funds is distributed annually among persons of mature years; that of the Willis fund for the benefit of children whose parents find it difficult to supply all their needs, and the income of the Ames fund for the preservation of monuments and burial places of a noble ancestry long since passed away.

These funds are provided by those whose youthful days were spent in this old town. Let us hope that the wasteful and extravagant methods pursued by many at the present day will not discourage others from contributing like bequests.

## FINANCES OF THE TOWN.

January 1, 1922.

Town debt as follows:

Kingston Water Loan Bonds.

20 Notes of \$500 each at 5 $\frac{1}{4}$  per cent. int., payable one in each year, beginning with May 1, 1922, and until May 1, 1942. \$10,000 00

Kingston Water Loan:

10 Notes of \$1,000 each at 5 $\frac{1}{4}$  per cent. int., one note payable each year beginning April 1, 1922, and ending April 1, 1932. 10,000 00

Kingston State Highway Loan:

3 Notes of \$2,500 each, at 5 $\frac{1}{4}$  per cent. int., payable one in each year beginning Dec. 1, 1922, and ending Dec. 1, 1924. 7,500 00

Plymouth County Hospital Loan:

10 Bonds of \$500 each at 5 $\frac{1}{4}$  per cent. int., one payable in each year beginning with May 1, 1922, and till May 1, 1932. 5,000 00

Kingston High School Loan:

15 Bonds of \$1,000 each at 5 $\frac{1}{2}$  per cent. int., payable one in each year beginning with Aug. 1, 1922, and Aug. 1, 1937. 15,000 00

Highway Land Damage Loan:

8 Notes of \$1,000 each and one of \$500, at 5 per cent. int., payable one in each year beginning Dec. 21, 1922, and ending Dec. 21, 1931. \$5,000 00

Notes of \$18,000 held by the Plymouth Bank which should have been paid in December, 1921, 18,000 00

Making a total of \$74,000 00

To the credit of the town, we have

Uncollected taxes of 1919. \$319 83

Uncollected taxes of 1920. \$2,039 27

Uncollected taxes of 1921. \$12,948 92

Cash in the treasury. \$4,869 82

The President in his formal invitation to the Washington conference says:

"Productive labor is staggering under an economic burden too heavy to be borne unless the present vast public expenditures are greatly reduced."

Let us heed the admonition at our coming annual Town meeting.

Respectfully submitted,

WALTER H. FAUNCE.

GEORGE E. FOGG.

ALBERT H. HOLMES.

Selectmen, Overseers of the Poor, and Board of Health.

## REPORT OF WATER COMMISSIONERS

At the annual Town Meeting in March, 1921, we were authorized to extend the water mains in Howland's Lane and throughout the Summer colony at Rocky Nook Point provided a satisfactory guarantee of income from water rates was previously obtained. Most of the owners of cottages in that region, and some people who owned house lots but had not built upon them, signed an agreement to pay any part of \$1,000 annually until such time as the application of regular water rates should exceed that sum.

This was satisfactory to us, the extension was completed and water was turned on about as early in June as the takers wanted it.

Owing to the presence of ledge rock it was not practical to lay pipe deep enough to escape frost, hence a summer service only is furnished at Rocky Nook Point, the water being shut off and all pipes emptied during cold weather. The decreased costs of material and labor enabled us to put in the extension at less than had been estimated and allowing the water takers the benefit of the saving, we called upon them to pay at the rate of \$900 annually for their water supply, which they have done. During the driest part of the past year the supply of water from the wells fell short of the demands upon it and investigation showed plainly that the flow was not as abundant as formerly, and that the difficulty was within the driven wells. It was the result of a collection of rust and silica that had been gathering 24 years, the wells having been driven in 1897. The same company that put down those pipes was engaged to clean them, they have evidently made a good job of it, and

the flow of water now seems to be about the same as it originally was.

One of the pumps at the Station has been almost continuously in operation day and night for more than 15 years, parts of it are so nearly worn out as to make it unreliable, and before another Summer there must be either a thorough and expensive overhauling and renewal, or a new pump. Conditions are such that we strongly recommend the purchase of a new pump of larger capacity than this old one because the demand for water is continuously increasing, there having been 90 new services connected during 1921, and more are already in sight for 1922. The Mayflower Worsted Co. has installed a comparatively large water wheel at their mill and when this is operated we expect to see conditions in the stream so changed that in order to obtain the greatest benefit of our water power there is no other way than by the use of a larger pump.

There is a balance of \$2,235.20 remaining from the special appropriation of 1921 and this sum will go a long way toward the purchase and setting up of such a pump as we shall recommend.

The receipts from water takers were \$861.82 more than in 1920 or a total of \$8,389.82, and from miscellaneous sources \$231.12.

For maintenance, for repairs and replacements, and for additions to the water system, including the piping of Home Park which was specially authorized by the Town, \$5,771.45 has been expended. For the extension through Howland's Lane and at Rocky Nook Point, \$8,429.79.

The water debt has been increased to a total of \$19,500 at the present time.

CHARLES H. DREW.  
WILLIAM C. HATHAWAY.  
WINTHROP D. FORD.

Water Commissioners.

### COMMITTEE.

|                            |                   |
|----------------------------|-------------------|
| Paul H. Delano, Chairman,  | Term expires 1923 |
| Harold G. Kite, Secretary, | Term expires 1922 |
| Fred G. Brackett,          | Term expires 1924 |
| Harvey A. Soule,           | Term expires 1922 |
| Mary L. Trow,              | Term expires 1924 |
| Ruth H. Bailey,            | Term expires 1922 |

The committee meets at the School Department office, 7.45 p. m., on the third Tuesday of each month.

Superintendent of Schools.

Julia Morton—Residence, Bryantville, Mass., telephone Bryantville 116-2.

Constance M. Holmes, Clerk.

School Department office, rear of Lower Center Primary School.

Office hours: 1-5 p. m., on school days.

### Staff.

Lee S. Merrill, A. B., Bates College, Principal, High.

Luey E. Treat, A. B., Colby College, Assistant, High

Ethel V. Thorburn, A. B., Boston University, Asst., High.

M. Blanche Milbery, Salem Normal School, Assistant, High.

May I. Letteney, Framingham Normal School, Center, Grades 7 and 8.

Elva L. Browne, Concord High School, Center, Grades 5 and 6.

Rachel L. Lydon, Bridgewater Normal School, Center, Grades 3 and 4.

Christine P. Holmes, Bridgewater Normal School, Center, Grades 1 and 2.

Florence B. Plume, Hyannis Normal School, Stony Brook, Grades 1-4.

Irene V. Houghton, North Adams Normal School, Rocky Nook, Grades 7 and 8.

Helen B. Cuhing, Bridgewater Normal School, Rocky Nook, Grade 6.

Isabelle K. Daley, Salem Normal School, Rocky Nook, Grade 5.

Mary A. Curran, Bridgewater Normal School, Rocky Nook, Grade 4.

Marcia N. Baker, Oswego, N. Y. Normal School, Rocky Nook, Grade 3.

Carrie L. Simmons, Hyannis Normal School, Rocky Nook, Grade 2.

Emily C. Noyes, Wheelock Kindergarten Training School, Rocky Nook, Grade 1.

Mary V. Harvey, Bridgewater Normal School, Silver Lake, Grades 1-6.

May Blair McClosky, Supervisor of Music.

Samuel Warner, Massachusetts Normal Arts, Supervisor of Drawing.

School Physician, Oscar C. Swope, M. D.

School Nurse, Emma J. Mange.

Attendance Officers, Louis F. Bartz, Howard L. Rushton, George W. Savery.

### CALENDAR 1922.

#### Winter Term—

High School opens December 28, 1921 and closes March 24, 1922.

Elementary Schools open January 3, close March 24, 1922.

#### Spring Term—

High School opens April 3, closes June 30, 1922.

Elementary Schools open April 3, close June 23, 1922.

#### Fall Term—

All schools open September 5, close December 22, 1922.

## REPORT OF SCHOOL COMMITTEE

The School Committee respectfully submits the following report for the year ending December 31, 1921.

The financial statement is as follows:

Dr.

|                           |             |             |
|---------------------------|-------------|-------------|
| Appropriation.            | \$23,000 00 |             |
| Additional Appropriation. | 6,500 00    |             |
|                           | <hr/>       | \$29,500 00 |

Cr.

By amounts expended as follows:

|                                                      |             |             |
|------------------------------------------------------|-------------|-------------|
| Teachers salaries.                                   | \$19,485 12 |             |
| Supervisors' salaries.                               | 868 00      |             |
| Superintendent of Schools, salary and cash expenses. | 1,233 10    |             |
| School Physician, salary.                            | 150 00      |             |
| Fuel and care,                                       | 3,493 24    |             |
| Repairs.                                             | 634 74      |             |
| Books and Supplies.                                  | 1,486 20    |             |
| Transportation.                                      | 1,219 00    |             |
| New Equipment.                                       | 220 88      |             |
| Miscellaneous.                                       | 562 02      |             |
|                                                      | <hr/>       | \$29,352 30 |
| Unexpended balance.                                  |             | \$147 70    |

As is shown by the unexpended balance, we have kept within our appropriation but some things have of necessity been neglected that must be attended to this year, especially in the nature of repairs to our elementary buildings and fences.

Also it will be noticed that our expenses have increased in several departments; and with the additional grade school opened in September, the extra expense for fuel, etc., at the High School, necessary equipment not yet purchased and provision for a school nurse, more money will be needed for 1922. A careful estimate for the coming year shows that \$37,000 will be needed for school purposes for the year 1922.

Pupils attended school during the year 1921 at a cost per pupil as follows:

|                                           |       |
|-------------------------------------------|-------|
| Teaching and Supervision.                 | 73%   |
| Repairs, care and fuel                    | 14%   |
| School Physician, Conveyance incidentals. | 7%    |
| Books and Supplies,                       | 6%    |
|                                           | <hr/> |
|                                           | 100%  |

In accordance with the votes of the town at the Annual Town Meeting and subsequent Special Town Meetings the amounts appropriated of \$15,000.00 and \$7,500.00, a total of \$22,500.00 for remodelling and enlarging the High School building have been expended as follows:

|                                               |             |
|-----------------------------------------------|-------------|
| Cost of building and construction,            | \$13,999 68 |
| Cost of Plumbing.                             | 1,720 20    |
| Cost of Heating and Ventilating.              | 4,980 00    |
| Cost of Equipment,                            | 1,000 25    |
| Cost of Architect's plans and specifications, | 500 00      |
| Cost of Incidental Expenses.                  | 89 75       |
|                                               | <hr/>       |
| Total,                                        | \$22,289 65 |
| Unexpended balance,                           | 210 35      |

In connection with this expenditure we would say that the alteration and additions as planned by the architect have been carried out in a satisfactory manner and we have ample accommodations for some years to come.

For a detailed report of the work of the schools, attention is directed to the reports of the Superintendent of Schools, High School Principal, School Physician, Drawing and Music Supervisors, which by vote of the School Committee are incorporated into and become a part of this report.

PAUL H. DELANO, Chairman.

HAROLD G. KITE, Secretary.

FRED G. BRACKETT.

HARVEY A. SOULE.

MARY L. TROW.

RUTH H. BAILEY.

## SUPERINTENDENT'S REPORT

To the School Committee of Kingston:

I herewith present this, my second annual report, as Superintendent of Schools, for the town of Kingston.

I would respectfully call your attention to the reports of the High School Principal, the Supervisor of Music, the Supervisor of Drawing and the School Physician as covering those particular phases of our work, which I shall not take up in detail, not caring to duplicate reports.

Probably the most vital factor in the successful operation of our schools is the health of the child.

Two important measures enacted in 1921, are given below:

Chap. 360. Acts of 1921.

An Act Providing for Physical Training for Pupils in the Elementary and Secondary Schools of the Commonwealth.

"Every town shall maintain, for at least one hundred and sixty days in each school year, unless specifically exempted as to any one year by the department of education, a sufficient number of schools for the instruction of all children who may legally attend a public school therein.

Such schools shall be taught by teachers of competent ability and good morals, and shall give instruction and training in orthography, reading, writing, the English language and grammar, geography, arithmetic, drawing, the history of the United States, the duties of citizenship, physiology and hygiene, good behavior, indoor and outdoor games and athletic exercises. In connection with physiology and hygiene instruction as to the effects of alcoholic drinks and of stimulants and narcotics on the

human system, and as to tuberculosis and its prevention, shall be given to all pupils in all schools under public control, except schools maintained solely for instruction in particular branches. Such other subjects as the school committee considers expedient may be taught in the public schools."

Chap. 357.

An Act Providing for the Appointment of School Nurses in the Public Schools.

"The school committee shall appoint one or more school physicians and nurses, shall assign them to the public schools within its jurisdiction, shall provide them with all proper facilities for the performance of their duties and shall assign one or more physicians to the examination of children who apply for health certificates required by section eighty-seven of chapter one hundred and forty-nine, but in cities where the medical inspection hereinafter prescribed is substantially provided by the board of health, said board shall appoint and assign the school physicians and nurses. The department may exempt towns having a valuation of less than one million dollars from so much of this section as relates to school nurses."

Last year I called your attention to the work being done in our schools to promote the physical well being of the child and can only say that the same activities have been emphasized this year.

In all schools setting up exercises are given and games organized indoors and out so far as our limited room and equipment permit. Not much can be done in the buildings as at present provided, but I would urge that more apparatus and equipment for the playgrounds be provided the coming year.

In the upper grades and at the High School a beginning has been made by the pupils themselves and these efforts should be encouraged and supplemented. In addition to

this and in compliance with the law, Miss Emma J. Mange, of this town has been appointed school nurse and has taken up her work with enthusiasm. Miss Mange is a graduate nurse of experience and has had several years experience as resident nurse at Tilton Seminary, N. H.

Through the efforts of the Parent-Teachers' Association, financed by money due the town of Kingston from the sale of Christmas seals, in previous years, a dental clinic was started for the schools and the preliminary examination of all children in the grades and High School made. This work is to be continued this year and followed up by the school nurse in connection with her other work.

Teachers.

I am glad to report but few changes in our teaching force during the past year. The school that retains the efficient, interested teacher for a series of years is indeed fortunate. This teacher becomes acquainted with the town and its interests, with the pupils and the home environment and is better able to be a real live factor in the lives of the children entrusted to her care.

The skilful class room teacher is desirable—but the most successful teacher in the true sense of the term is not the teacher whose interest ceases when the hour of dismissal arrives—but rather that teacher who is vitally interested in the advancement of that child whether he be a first grade pupil or a senior in the High School. I am happy to say we have many of the latter type in this town.

At the close of the school year Miss Pierce of the High School, Miss West of the Howlands Lane School, Miss Eunice K. Lydon of the Stony Brook School resigned to accept positions in other towns. Each had served this town successfully for several years but felt a desire for a change.

Mrs. Elspeth Hardy of the Lower Center Primary School was granted leave of absence and Mrs. Maude Brackett de-

cided not to return to Maple Avenue. We were sorry to lose these successful teachers of experience.

To fill the vacancies thus caused, Miss M. Blanche Milberry, a graduate of Salem Normal School, was appointed to the High School. Miss Milberry is without experience but has specialized in commercial work and comes well qualified to fill this position. At Maple Avenue, Grades 7 and 8, Miss May J. Letteney, a graduate of Framingham Normal School with two years successful teaching experience was appointed. Miss Letteney is doing good work in what is probably the most difficult teaching proposition in this town.

At the Lower Center Primary School Miss Christine P. Holmes, a graduate of Bridgewater Normal School, with two years successful teaching experience, was appointed. The children in this room are making good progress and are very happy in their school.

Mrs. Florence B. Blume, who had taught successfully the Silver Lake School for several years, asked to be transferred to the Stony Brook School and Miss Mary V. Harvey was elected to take charge of the Silver Lake School. Miss Harvey is a graduate of Bridgewater Normal School and teaching her first school and gives promise of making a successful teacher.

One other teacher has been added to our corps of teachers. The failure of the town to provide for a Junior-Senior High School, as we had asked, made it necessary to take some steps to provide for the over crowded condition in the grades. The only available building appeared to be a one room building on Main street which had not been used for some years. This building was repaired, cleaned and furnished during the summer vacation and in September Grades 7 and 8 of the Rocky Nook section of the town were placed in this building with Miss Irene V. Houghton in charge.

Miss Houghton is a teacher of two and one half years experience, a graduate of Brockton High School with special study with the North Adams Normal School and is doing excellent work with this group of boys and girls.

Later in the year it was found that Maple Avenue Grades 5 and 6 room had 52 pupils and six of these who could easily attend Rocky Nook Intermediate building, were transferred. These measures, but makeshifts at best, do not sufficiently relieve the overcrowding, however.

As will be seen by the statistics given at the close of this report, we have too many pupils per teacher in most of the rooms. No teacher should have over 35 pupils as a maximum and 25 is a better number and preferably but one grade of work; but when one teacher must take from 45 to 52 pupils and carry two grades of work, the best results cannot be obtained.

Although we try to organize our program to be fair to all pupils in the division of time, it is impossible to adequately care for these children.

The High School building as remodelled will not help with the grades. It would appear therefore that the enlargement of one of the present elementary buildings, preferably Maple Avenue, would be the solution to the problem.

The location of this building near the High School building would make it possible for the 7th and 8th grades to benefit from departmental work, which is impossible at present.

#### High School.

By far the most important work attempted the past year has been the remodelling of the old High School building. As had been previously reported, this building had become wholly inadequate for school purposes.

By vote of the March Town Meeting an appropriation

was made for this purpose and work was begun as soon as school closed in June. Owing to various delays we were not able to get into the new building until October 17, 1921 and every effort is being made to make up for the delay and give the students as good a year's work as possible.

The new building is not yet provided with electric lights and there is further equipment which we expect to provide during the coming year. We can also now add the course in Home Economics and provision should be made for this in our appropriation.

For further details in regard to the High School I would refer you to the report of the principal of the School.

Your attention is also called to the reports of the School Physician, Drawing Supervisor, and Music Supervisor which are herewith submitted.

#### Attendance Statistics 1920-1921.

|                           | Elementary | High | Total |
|---------------------------|------------|------|-------|
| Pupils enrolled,          | 439        | 61   | 503   |
| Average daily attendance, | 390        | 59   | 449   |
| Average membership,       | 425        | 62   | 487   |
| Per cent of Attendance,   | 92%        |      |       |
|                           | 95%        |      |       |

#### Registration of minors April 1, 1921.

|                                                     | Boys | Girls | Total |
|-----------------------------------------------------|------|-------|-------|
| Persons 5 years of age or over and under 7 years,   | 35   | 35    | 70    |
| Persons 7 years of age or over and under 14 years,  | 190  | 189   | 379   |
| Persons 14 years of age or over and under 16 years, | 44   | 39    | 83    |
| Totals,                                             | 269  | 263   | 532   |

#### Enrollment.

|                 | Grades. |    |    |    |    |    |    |    |    |    |    |    | Total |
|-----------------|---------|----|----|----|----|----|----|----|----|----|----|----|-------|
| School,         | 1       | 2  | 3  | 4  | 5  | 6  | 7  | 8  | 9  | 10 | 11 | 12 |       |
| High,           |         |    |    |    |    |    |    |    | 23 | 18 | 12 | 13 | 66    |
| Maple Avenue,   |         |    |    |    | 31 | 22 | 21 | 24 |    |    |    |    | 98    |
| Upper Prim.,    |         |    |    | 24 | 21 |    |    |    |    |    |    |    | 45    |
| Lower Prim.,    | 24      | 14 |    |    |    |    |    |    |    |    |    |    | 38    |

## REPORT OF SUPERVISOR OF DRAWING.

To Julia Morton, Superintendent of Schools:

Kingston School workers were creditably represented at the exhibit held at Town Hall during week of High School graduation. This second showing of drawings proved of better quality than the previous exhibit. The teachers of the primary grades turned out very excellent work. The drawings done at Rocky Nook and upper Center Primary were especially good examples of the work designed. The High School workers as usual more than held their own. Conditions at this school are very favorable for good results. This year I hope to bring the work in the Grammar grades up to a higher standard in order to have more advanced workers enter the High School who will then be able to take up more difficult work. The High School possesses workers of professional calibre who can by persistent work accomplish much for themselves. However the best test of a method is to get good results from ordinary workers. The teachers of Kingston have been very successful in getting results from this latter class.

Thanking all concerned for their courtesy.

Respectfully yours,

SAMUEL WARNER, Supervisor of Drawing

## REPORT OF SUPERVISOR OF MUSIC.

The program this year for the music course in the Kingston Schools included a plan to work out a more systematized study of notation, having for its object not only sight reading but growth in musical understanding.

Progress in this direction has been more than satisfactory and the work outlined for the first four months well covered.

Special attention has been given to tone producing in each grade, the teachers having given the children individual attention.

During the remaining months, in connection with the regular work of sight reading and voice training special attention and time will be given to teaching the children an appreciation of better music.

This will be done through good songs also through victrola records.

Charts will be used showing the instruments of the symphony orchestra and records played showing the difference in each.

This will help in the work of creating a desire for and an appreciation of a better class of music.

Respectfully submitted,

MAY BLAIR McCLOSKEY, Supervisor of Music.

## REPORT OF SCHOOL PHYSICIAN.

---

To the School Committee:

The work of the School Physician during the past year has been carried on along lines similar to those followed in previous years.

All pupils have been examined individually once during the year, by the School Physician with the assistance of the School Nurse, while certain ones have had one or more subsequent examinations, according to the requirements of the individual case.

Although a few cases were found where the children appeared to be somewhat undernourished, the great majority appeared to be in very good physical condition.

There is a noticeable diminution in the number of pupils who are affected with decayed teeth, while the number suffering from enlarged and diseased tonsils is markedly less than a few years ago.

In February an epidemic of scarlet fever broke out in the schools, the spread of which was greatly facilitated by most of the cases being afflicted with a very light form of the disease.

In order to assist in checking the spread of the disease and to aid in determining what pupils, exposed to the disease, should be excluded and what ones might safely be permitted to remain in school, all pupils were catalogued as to contagious diseases, particularly in reference to those contagious diseases where one attack is believed to confer immunity from further attacks. This has now been carried a step further and all new pupils are so catalogued on admission to schools.

By the aid of these records and the follow up work of the School Nurse, it is believed that we have a means which should be very potent in preventing any outbreak of contagious disease from attaining epidemic proportions.

Children who are absent on account of illness due to any contagious or infectious disease, or absent for any unknown cause, will not be admitted until the teacher of the school has been furnished with a physician's certificate, stating that the danger of conveying such disease is passed. This certificate should be issued by the attending physician. In cases where no physician has been employed the School Physician will issue the required certificate.

Respectfully submitted,

OSCAR C. SWOPE, M. D., School Physician.

## HIGH SCHOOL REPORT

---

The following High School Report is respectfully submitted:

I should like to take this opportunity to make brief comments in regard to the new High School quarters. There are certain major requirements besides usefulness which every school building should meet. Among these requirements might be mentioned convenience and proper heating, ventilation, lighting and sanitary arrangement. I think that, without fear of being contradicted by the facts, I can say that the High School building meets all of these requirements.

It has been possible even under difficult weather conditions to maintain a comfortable temperature and at the same time have an adequate supply of fresh air. An abundance of light, supplied in the correct way, and the sanitary facilities are among the best features of the building. The toilet rooms placed above ground are light, clean and warm. The building has been found to be very workable. By this I mean that the rooms are so arranged that the school work can be conducted with the least possible waste of time and energy. While it is perhaps too early to draw any conclusions, the records for the past four months show very few absences from school on account of sickness such as colds and similar complaints. The whole school atmosphere is such that it ought to contribute to excellent results.

In response to an almost unanimous request from the parents of the pupils, the "one session plan" has been adopted in the High School. In determining the new hours an attempt has been made to meet the needs of a majority of the pupils.

The High School has been given an "A" classification by the State Board of Education. The school has also been placed for a period of three years on the list of those approved by the New England College Entrance Certificate Board.

As a citizen interested in young people, I should like to call attention to the fact that there is no adequate playground in Kingston. In spite of this heavy handicap we have been able to attain some results along the line of physical education for the High School pupils, and shall continue our efforts in this direction. However, it seems to me that such a situation affects not only our school population but the town as a whole. I believe this is a matter which should command the earnest attention of the people of Kingston and I am sure that if some place can be provided where young people can participate in organized athletics it will result in improved conditions in the community.

LEE S. MERRILL, Principal.

# HIGH SCHOOL GRADUATION PROGRAM

Class of 1921.

March

Orchestra

Chorus—"Land of Freedom"

Donizetti

Invocation

"Strive for a Certain End"

Second Honor—Ethelyn May Loring

Madam Curie's Discovery

\*Alice Arline Bartelli

Business Opportunities in South America

\*Terrence John McManus

Class Will

Third Honor—Dorothea Frances Corrow

Chorus—The Two Grenadiers

Schumann

The Library: An Educational Center

\*Mary Marguerite Hickey

Engineering Projects of the Panama Canal

\*Paul Cabot Rushton

Class History

Fourth Honor—Eleanor Louise Gorham

The Chemist in Modern Industries
