## REPORT OF TOWN CLERK

### ANNUAL TOWN MEETING, MARCH, 1915

March 12, 1915

The adjourned meeting was called to order at 7:00 o'clock P. M. by the Moderator, Albert H. Holmes. No demand for the reading of the warrant.

Article 2. The following officers were chosen:

*Measurers of Wood and Bark*—Russell C. Loring, Henry F. Balboni.

*Director of Plymouth County Extension Service*—Eugenia B. Trow.

*Fish Committee*—Samuel C. Bonney, Dr. Arthur B. Holmes, Walter R. Davis, Frank H. Shaw, Albert W. Douglas.

Article 3. On the motion of Harold J. Weston, Voted: That the reports of Town Officers as printed in the Town Report be accepted.

Article 4. Orfeo H. Sgarzi moved that the salaries of elected officers be fixed as follows:

Moderator	\$25.00
Town Clerk	200.00
Treasurer	600.00
Collector	700.00
Chairman of Selectmen	275.00
Other Selectmen, each	137.50
Chairman of Board of Health	165.00
Other Members of Board of Health, each	27.50

Chairman of Public Welfare	385.00
Other Members of Board of Public Welfare, each	110.00
Chairman of Board of Assessors	900.00
Other Assessors, each	300.00
Water Commissioners, each	50.00

Harold J. Weston moved an amendment to increase the salary of the Town Clerk, Treasurer, and Collector by 10 per cent. and to substitute the following:

Town Clerk	\$200.00 to \$220.00
Treasurer	600.00 to 660.00
Collector	700.00 to 770.00

A vote was taken on the amendment, and it was carried unanimously. A vote was taken on the original motion as amended, and the salaries of the elected officers were fixed as follows:

Moderator	\$ 25.00
Town Clerk	220.00
Treasurer	660.00
Collector	770.00
Chairman of Selectmen	275.00
Other Selectmen, each	137.50
Chairman of Board of Health	165.00
Other Members of Board of Health, each	27.50
Chairman of Public Welfare	385.00
Other Members of Board of Public Welfare, each	110.00
Chairman of Board of Assessors	900.00
Other Assessors, each	300.00
Water Commissioners, each	50.00

Article 5. Before a motion was made under this article Mr. Sgarzi informed the voters that it was necessary to make a few changes in their recommendations on the following budget

items: Item 25, from \$2,030 to \$2,730; Item 31, from \$2,500 to \$6,000; Item 42, from \$165 to \$70.

On the motion of Orfeo H. Sgarzi, Voted: That budget items 1 - 10 inclusive be raised and appropriated as recommended by the Finance Committee, each item to be considered separately.

### General Government

1. Moderator, Salary	\$ 25.00
2. Selectmen, Salaries and Expenses	987.00
3. Accountant and Auditor	1,842.00

On the motion of Orfeo H. Sgarzi, Voted: That budget items 33-39 inclusive be raised and appropriated as recommended by the Finance Committee.	

*Charities*

33. Public Welfare—Administration	1,105.00
34. Public Welfare—General Relief	5,500.00
35. Aid to Dependent Children—Administration	100.00
36. Aid to Dependent Children—Assistance	1,650.00
37. Old Age Assistance—Administration	750.00
38. Old Age Assistance—Assistance	19,500.00
39. Soldiers' Relief	500.00

On the motion of Orfeo H. Sgarzi, Voted: That budget items 40-42 inclusive be raised and appropriated as recommended by the Finance Committee.

*Schools*

40. Schools—Including Salaries, Maintenance, ordinary Repairs and School Lunches—Labor Only	60,609.17
41. Vocational Education	400.00
42. Retirement Pay for Teachers	70.00

On the motion of Orfeo H. Sgarzi, Voted: That budget items 43-44 inclusive be raised and appropriated as recommended by the Finance Committee.

*Library*

43. Library—From Dog Fund	531.83
44. Library—From Tax Levy	1,368.17

On the motion of Orfeo H. Sgarzi, Voted: That budget items 45-56 inclusive be raised and appropriated as recommended by the Finance Committee.

*Recreation and Unclassified*

45. Playground Maintenance	2,792.00
46. Playground—Extraordinary Repairs to Building	250.00
47. Parks	125.00

48. Town Green and War Memorial Plot  
 Frank A. Randall moved an amendment that the amount \$75 be changed to read \$175, this additional amount to be used for painting and repairing the flag pole. After some discussion regarding the condition of the flag pole, it was the opinion of the Selectmen that a new flag pole should be erected. A motion was then taken on the amendment.

*Amendment is not Carried* 75.00

49. Care of Other Municipal Property	25.00
50. Observance of Memorial and Armistice Days	200.00
51. County Aid to Agriculture	100.00
52. Town Reports—Preparation and Distribution	750.00
53. Legal Expenses and Contingencies	600.00
54. Census	200.00
55. Reserve, from Overlay Surplus	1,500.00
56. Reserve, from Tax Levy	2,000.00

On the motion of Orfeo H. Sgarzi, Voted: That budget items 57-60 inclusive be raised and appropriated as recommended by the Finance Committee.

*Enterprises*

57. Water Department—Maintenance	6,650.00
58. Water Department—Equipment	200.00
59. Water Department—Survey of Fixtures	300.00
60. Alewife Committee	60.00

On the motion of Orfeo H. Sgarzi, Voted: That budget items 61-63 inclusive be raised and appropriated as recommended by the Finance Committee.

*Maturing Debt and Interest*

61. Maturing Debt	3,000.00
62. Interest on Maturing Debt.	157.50
63. Interest—Temporary Loans	25.00
Total Budget Items Voted	\$161,775.72
Less Amounts to be Transferred	2,031.83
Amount to be raised by taxation.	\$159,743.89

At this point Mr. Sgarzi announced that due to the changes in the budget the rate would now stand at \$27.26.

Article 6. On the motion of George W. Cushman, Voted: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1945, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 7. On the motion of John J. Moore, Voted: That the Selectmen be and hereby are authorized to convey or discharge any interest the Town may have in and to the land described in a deed or mortgage from August Anderson to the Town, dated July 3, 1935 and recorded with the Plymouth County Registry of Deeds, in Book 1688, Pages 415—416, upon such terms as the Board of Selectmen may determine.

Article 8. On the motion of Ralph F. Santoro, Voted: To raise and appropriate \$75,000 for the purpose of increasing the water supply system by developing additional wells, installing pipes and pumping station equipment and installing approximately 21,000 feet of water main not less than six inches in diameter; and to meet said appropriation the treasurer, with approval of the Selectmen, be and hereby is authorized to borrow \$75,000 and issue notes or bonds of the town therefor, payable in not more than 15 years in accordance with the provisions of Chapter 44, General Laws. As this required a two-thirds vote, it was not legal. Mr. Isaac Hathaway cast the only vote in the negative.

Article 9. On the motion of John J. Wright, Voted: To raise and appropriate \$15,000 for the purpose of installing approximately 6,000 feet of 10" pipe on Wapping Road, starting at the junction of Wapping Road and South Street. (Unanimous vote)

Article 10. On the motion of Gustavo Guidaboni, Voted: That the sum of three hundred dollars be raised and appropriated for the purpose of extending water main approximately 215 feet from Gray's Beach to property of Gustavo Guidaboni, also known as the Kennedy Cottages. (Unanimous vote)

Article 11. To see if the town will vote to raise and appropriate, or transfer from available funds, a sum of money for the purpose of extending the water main approximately 1,800 feet on Sylvia Place Road, starting from the corner of the property of Horace C. Weston, to and including the property of Arnold M. and Charlotte Alander, or take any action relative thereto.

Mr. Santoro informed the voters that the extension of this water pipe would be taken care of under Article 8. Therefore, no motion was made under Article 11.

Article 12. On the motion of Dorothy Hathaway, Voted: That the town transfer from available sums in the treasury the sum of \$10,000 and authorize the School Committee to purchase a parcel of land which is a portion of the land owned by Everett Malaguti at 159 Main Street, Kingston; said parcel to be a strip of land 400 feet wide bordering on Main Street, between the present driveways, and running straight back with side lines parallel and at right angles to Main Street, extending in a north-easterly direction across the railroad and to the Jones River; this land to be used as a future school site.\*

Article 13. Dorothy Hathaway moved that the town have a committee consisting of the School Committee and one member

\* As this required a two-thirds vote, it was not legal.

to be appointed by the Selectmen, and two members to be appointed by the Finance board, and one member to be appointed by the moderator, to act as a building committee for the purpose of preparing plans for a new school or school buildings.

Myron S. Holman moved an amendment that the town vote to have a Committee of seven consisting of three members of the School Committee, and one member to be appointed by the Selectmen, one member to be appointed by the Finance Committee, and two members to be appointed by the Moderator, to act as a building committee for the purpose of preparing plans for a new school or school buildings. After a great deal of discussion a vote was taken on the amendment. *Amendment is not carried.*

A vote was then taken on the original motion, and it was voted: That the town have a committee consisting of the School Committee and one member to be appointed by the Selectmen, and two members to be appointed by the Finance Board, and one member to be appointed by the Moderator, to act as a building committee for the purpose of preparing plans for a new school or school buildings.

Article 14. On the motion of Dorothy Hathaway, Voted: That the town authorize the building committee to employ an architect and an educational adviser to draw up plans for a new school or school buildings, and raise and appropriate the sum of \$1,000 for employing such services, and for the necessary expenses of this committee; this committee to report at the next annual town meeting or at a special town meeting if conditions warrant. (Unanimous vote).

Article 15. On the motion of Dorothy Hathaway, Voted: That the town raise and appropriate the sum of \$2,325 to be used to install a new boiler and to make other necessary changes in the heating system of the high school.

Article 16. On the motion of Percy W. Bailey, Voted: That the town raise and appropriate \$1,500 for the purpose of building and maintaining sidewalks.

Article 17. On the motion of William M. Post, Voted: That the town raise and appropriate \$1,500 to be used in conjunction with any money which may be allotted by the State or County or both for Chapter 90 Highway Maintenance work and transfer from available funds \$3,000 to the account of State and County share, the reimbursement received to be credited back to surplus revenue.

Article 18. On the motion of Percy W. Bailey, Voted: That the town raise and appropriate \$300 for the purpose of maintaining during the ensuing year the mosquito control work as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

Article 19. On the motion of Ralph F. Santoro, Voted: To transfer the unexpended balance in the Extension of Water Main on Grove Street appropriation, amounting to \$1,234.61 to the appropriation made at the Annual Town Meeting, March, 1944, for the purpose of replacing the 4" water main on Summer Street, from the property of Frederick Nava, 129 Summer Street, to the property of Jane N. Anderson (Houston), 161 Summer Street, with a 6" water main.

Article 20. To see if the town will vote to raise and appropriate a sum of money for the purpose of extending water mains up Grove Street, through Lake Street, or up Pembroke Street (Route 27) through Lake Street, which ever deems to be to the best interest of the town. Mr. Robert O. Lee made a motion under this article, but it was not seconded; therefore, no action was taken.

(This article was acted on after Articles 21 and 22).

Article 21. To see if the town will vote to raise and appropriate a sum of money to install approximately 3,000 feet of water main, in land hereinafter described, and to appropriate approximately \$6,750 to cover the cost of said installation. Such installation to start on Loring Avenue (which is shown on a plan recorded as "Ah-De-Nah"), connecting to the water main in River Street and to run along Loring Avenue to Arrow Street; thence easterly in Arrow Street about 210 feet to a proposed road to be known as Jones River Drive, which is outlined on a plan attached hereto, in a southerly direction about 300 feet; thence curving to a westerly direction for about 600 feet, thence curving northerly about 10 degrees west and continuing approximately in this direction to River Street, at a point about 600 feet west of the starting point. It is understood that a condition to the granting of this petition is that title holders of property over which these water mains will run will grant a proper easement along the course to be followed in laying the mains. *No motion made under Article 21.*

Article 22. Edgar W. Loring moved to raise and appropriate the sum of \$2,700 to install approximately 1,200 feet of water main, in land hereinafter described. Such installation to start on Loring Avenue, (which is shown on a plan recorded as "Ah-De-Nah"), connecting to the water main in River Street and to run along Loring Avenue to Arrow Street; thence easterly in Arrow Street about 210 feet to a proposed road to be known as "Jones River Drive", which will be a continuing of Franklin Street; thence along the proposed Jones River Drive in a southerly direction about 300 feet. It is understood that a condition to the granting of this petition is that title holders of property over which these water mains will run will grant a proper easement along the course to be followed in laying the mains.

Before this motion was voted on Curt Gosnell of Duxbury was permitted to speak. After further discussion a vote was taken and the motion was not carried.

Article 23. On the motion of Irma A. Ruffini, Voted: That **\$4.99** be raised and appropriated to pay an unpaid bill of the Playground Department. (*Unanimous vote*).

Article 24. On the motion of William M. Post, Voted: That the Town accept as a town way the private way now known as Second Brook, beginning at the property of Edna M. Schrager to the property assessed to Ruth D. Northey, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate \$3,000 for the construction thereof.

Article 25. John J. Moore moved that the sum of \$10,000 be transferred from available funds in the treasury for the purchase of war bonds or other bonds that are legal investments for savings banks, to be added to the Post-War Rehabilitation Fund in accordance with the provisions of Chapter 5, Acts of 1943. *Motion is Not Carried.*

Article 26. On the motion of Irma A. Ruffini, Voted: That the following appropriation balance be closed out to Surplus Revenue:

Chapter 90—Wapping Road—Maintenance      \$297.47

On the motion of William M. Post, Voted: To adjourn (10:25 P. M.).

The vote checkers were George T. Pratt and Francis P. McManus.

269 voters present—166 men and 103 women.

GEORGE W. CUSHMAN,  
Town Clerk.

## SPECIAL TOWN MEETING, APRIL 4, 1945

A special Town Meeting was held at the Reed Community Building on Wednesday, April 4, 1945. The meeting was called to order at 7:03 P. M. by the Moderator, Albert H. Holmes. The warrant was read. As it was necessary to have 150 present, the Moderator declared a recess of ten minutes. There were 134 present at 7:10 P. M. The meeting came to order at 7:13, and there were not enough there to vote, but the following tellers were appointed:

Ivan W. Cole	Henry L. Hayford
George A. Walsh	Harold J. Weston

At 7:18 P. M., there being enough voters present, the following was voted:

Article 1. On the motion of Ralph F. Santoro, Voted: To raise and appropriate \$75,000 for the purpose of increasing the water supply system by developing additional wells, installing pipes and pumping station equipment and installing approximately 21,000 feet of water main not less than six inches in diameter; and to meet said appropriation the treasurer, with approval of the Selectmen, be and hereby is authorized to borrow \$75,000 and issue notes or bonds of the town therefor, payable in not more than 15 years in accordance with the provisions of Chapter 44, General Laws.

134 persons voted in the affirmative, and 5 in the negative.

On the motion of William M. Post, the meeting adjourned at 7:30 P. M.

The vote checkers were Gladys L. Reidenbach and Paul E. Tobin.

158 voters present—108 males and 50 females.

GEORGE W. CUSHMAN,  
Town Clerk.

## SPECIAL TOWN MEETING, JUNE 18, 1945

A special Town Meeting was held at the Reed Community Building on Monday, June 18, 1945. The meeting was called to order at 7:45 P. M. by the Moderator, Albert H. Holmes. The warrant was read. The reason for the delay in starting the meeting was due to the line of voters entering the hall.

Article 1. Richard R. Gessner moved: That the town transfer from available funds in the treasury the sum of \$10,000 and authorize the Selectmen to purchase a parcel of land which is a portion of the land owned by Everett Malaguti at 159 Main Street, Kingston; said parcel to be a strip of land 400 feet wide bordering on Main Street, between the present driveways, and running straight back with side lines parallel and at right angle to Main Street, extending in a northeasterly direction across the railroad and to the Jones River; this land to be used as a future school site.

A lengthy discussion was held, lasting about an hour and fifteen minutes.

Harold F. Battles moved that paper ballots be used in voting on this article. *Motion Was Lost.*

The discussion continued for another five minutes, at which time the voters asked for the question. In order for this article to pass, a two-thirds vote was required. Therefore, it would be necessary for an actual count. The following tellers were appointed:

Roland S. Bailey, Henry Kritzmacher, Edward E. Freeman, Eliot B. Verney, Frank L. Antonioti, Edmund F. Cavanaugh, Karl Reidenbach, Jr., George W. Bosworth.

When the question was put to vote, 165 voted yes, and 120 no. *As this was not a Two-thirds Vote, Motion was Not Carried.*

Article 2. On the motion of John J. Moore, Voted: That the sum of \$1,250 now in the Account of Insurance Collected on the Hudson Police Car, be transferred for the purchase of a new car for the Police Department

On the motion of John J. Moore, the meeting adjourned at 9:06 P. M.

The vote checkers were Gladys L. Reidenbach and Paul E. Tobin.

308 voters present—172 males and 136 females.

GEORGE W. CUSHMAN,

Town Clerk.

## SPECIAL TOWN MEETING, NOVEMBER 26, 1945

A special Town Meeting was held at the Reed Community Building on Monday, November 26, 1945. The meeting was called to order at 7:30 P. M. by the Moderator, Albert H. Holmes. The warrant was read.

Article 1. On the motion of Katherine E. Nava, Voted: That there be transferred from available funds now in the treasury, and appropriated, the sum of \$18,000 for the purpose of extending the water main from the end of the present main on Pembroke Street to the junction of Brookdale and Winter Street, or approximately 7, 377 feet. (*Voted Unanimously*).

Article 2. On the motion of Ralph F. Santoro, Voted: That there be transferred from available funds now in the treasury, and appropriated, the sum of \$6,000 for the purpose of replacing the present 4" main on Pembroke Street with a 10" main, starting from the junction of Wapping Road and Pembroke Street to the junction of Grove and Pembroke Street, or approximately 2,200 feet. *(Voted Unanimously).*

Article 3. On the motion of John J. Moore, Voted: That the sum of \$500.50 now in the account of Insurance Collected on Police Radio and Equipment, be transferred for the purchase of a new radio and equipment for the Police Department. *(Voted Unanimously).*

Article 4. On the motion of William M. Post, Voted: That the town accept as a gift from Genevieve V. Hanly, a certain parcel of land, being a portion of Lot No. 141 of the Rocky Neck Beach Lots as shown on a plan dated June 25, 1919, recorded at the Plymouth County Registry of Deeds, Plan Book 2, page 924, and to be used by the town for any municipal purpose for which the town may acquire land. That the Selectmen have prepared deeds for the transfer of this land to the town to be signed by Genevieve V. Hanly, and that the thanks and appreciation of the town be expressed to her for this gift. *(Voted Unanimously).*

On the motion of William M. Post, Voted: To adjourn at 8:05 P. M.

The vote checkers were: Gladys L. Reidenbach and Roland D. Elwell.

122 voters present—81 males and 41 females.

GEORGE W. CUSHMAN,

Town Clerk.

## MARRIAGES RECORDED IN KINGSTON FOR THE YEAR 1945

## REPORT OF THE SELECTMEN

Several times during the past few years your Selectmen have been given authority by vote of the town to dispose of the town's interest in various parcels of real estate. At last year's annual meeting authority was voted for the disposal of our interest in the Anderson property on Maple Avenue. At a public sale, held in the Selectmen's office on April 3, 1945, the town's interest was auctioned off to Thomas C. Randall for \$2,000.00. At the 1946 annual meeting authority will be asked to sell the Rocky Nook Horse House property. We strongly urge affirmative action on this article so that this property may be put on the taxable list.

At the coming annual meeting the town will be asked to adopt the Provisions of Chap. 723 of the Acts of 1945. Briefly, this act, allows the establishment in the town of a Department of Veterans' Services. If voted, the officer in charge must be a Veteran appointed by the Selectmen and shall be known as the Director of Veterans' Services. He will act in close co-ordination with the State Department of Veterans' Services and under the supervision of the Commissioner of that department.

A long felt need was fulfilled this year in the building of a hard surface sidewalk between the Town House and the residence of Dr. Carl W. Stegmaier.

Labor and materials are both a little easier to obtain, so we hope that the Main Street Drainage project, voted in 1942, will be done this year.

Three suits against the town for injuries, alleged to have been caused by a defective highway were brought to trial during the year. Damages requested totaled \$14,000.00. In each in-

stance the town was found not guilty. Mr. A. Perry Richards of Plymouth very ably defended the town.

On May 16th, our police cruiser was destroyed by fire while in Prouty's Garage. We collected \$1,250.00 insurance on the car and \$500.50 on the police radio. When a new car is available we hope that the \$1,250.00 will be sufficient for its purchase. Late in the year we were able to purchase a radio that has been installed in the old police car. In the interim, we were provided with a police radio through the kindness of Chief Dearborn of the Plymouth Police. The loss of our car demonstrated very vividly the good policy of keeping the older car on hand. This unforeseen loss necessarily burdened the Police Department with expenses over and above what their budget called for. It became necessary to re-condition the older car at quite considerable expense, and two articles are being inserted in this year's warrant to cover these items. When we obtain a new car the older one will again be ready for ambulance work.

WILLIAM M. POST, Chairman  
JOHN J. MOORE,  
PERCY W. BAILEY.

Board of Selectmen.

## REPORT OF POLICE DEPARTMENT

Honorable Board of Selectmen  
Kingston, Massachusetts

Gentlemen:

The report of the Police Department is herewith respectfully submitted. This report is from January 1, 1945 to December 31, 1945.

## LIST OF OFFENCES

Abandonment	
Adultery	
Assault and Battery	
Assault and Robbery	
Breaking and Entering in the Day Time	
Cruelty to Animals	
Desertion	
Defrauding Inn	
Drunkenness	22
Driving a Motor Vehicle while Intoxicated	
Driving a Motor Vehicle so as to Endanger Life	
Driving a Motor Vehicle Not Being Licensed	
Larceny	
Non Support	
Other Motor Vehicle Laws Violated	27
Total	75
Motor Vehicle Operators Booked and Warned	75
Motor Vehicle Operators' Licenses Suspended on Complaint of Police	

## DISPOSITION OF CASES

Amount in Fines Imposed	\$600.00
Amount Returned to Town	\$310.00
Dismissed on Request of Complainant	1
Placed on File	3
Placed on Probation	4
Sentenced to House of Correction	1
Suspended Sentence to the House of Correction	4
Released	1

## MISCELLANEOUS

Automobiles Tagged for Town Traffic Laws	11
Complaints Investigated	226
Motor Vehicle Accidents Investigated	15
Messages Delivered	21
Notices of Intended Sale or Transfer of Motor Vehicles Issued	72
Summons Served for Out of Town Police	7
Stray Dogs Destroyed	15
Use of Police Ambulance	21
Vacant Cottages Inspected	250

To get the Police call Plymouth 132, message will be sent over the radio, or call Kingston 445, 524 or 520.

Respectfully submitted,

WILLIAM H. BROWN,

Chief of Police.

## REPORT OF INSPECTOR OF ANIMALS AND INSPECTOR OF SLAUGHTERING

---

Honorable Board of Selectmen:

Gentlemen:

From March 20th to December 31st of 1945, fifty-two shipments of cattle arrived in Kingston from Canada, Vermont, and New Hampshire. These shipments totalled 806 cows and 4 bulls. These animals were all inspected and reported to the State Director of Livestock Disease Control.

Two pigs were inspected during the year.

Three dogs were quarantined on suspicion of Rabies. No disease developed and after fourteen days, permission was granted for the dogs release.

OAKLEY A. CHANDLER,

Inspector of Animals and Slaughtering.

## REPORT OF FOREST FIRE WARDEN

---

During 1945 your Forest Fire Department answered eighty-one calls, as follows: Kingston, 74; Plymouth, 3; Duxbury, 2; Plympton, 1; and Marshfield, 1. There were 1,025 permits granted for fires in the open.

The mutual aid system which has been put in effect between Marshfield, Duxbury, Kingston and Plymouth has shown its worth many times, as no city or town can afford to maintain a department or equipment large enough to cope with any and all emergencies.

Kingston has been fortunate in having the use of the State Department of Conservation trucks and personnel available at all times, which contributed largely to our keeping our fires the past year to less than two acres for any one fire.

Respectfully submitted,

GEORGE P. HOLMES,

Forest Fire Warden.

## REPORT OF THE TREE WARDEN

During the past year there have been no tree removals of a controversial nature.

Four large trees, (all elms) in dangerous condition were taken down and many loose branches overhanging streets and sidewalks have been removed.

Had more money been available several other trees should have been removed as a safety measure. This work should be done during the coming year.

Respectfully submitted,

EARL C. PAULDING,

Tree Warden

## REPORT OF SHELLFISH CONSTABLE

After the close of the war, little interest was shown in the digging of shellfish and the taking of seaworms. For the year there were only five commercial digger's permits issued against 50 in 1938, and 23 in 1939, the last two years prior to our entering the war.

There were a few offences, during the summer, against our digging regulations, but these were of a minor nature and were not prosecuted.

The following is the report of operations for the year. The receipt figures are estimates based on the best information available.

Commercial digging (Razor Clams):	
80 bushels @ \$4.00 per bushel	\$320.00
Commercial digging (Quahogs):	
13 bushels @ \$4.00 per bushel	52.00
Commercial digging (Seaworms):	
50,000 @ .04c ea.	2,000.00
Family digging (Clams):	
141 bushels @ \$6.00 per bushel	\$846.00
Total	\$3,218.00
Commercial diggers permits issued, 5 at \$5.00 each	\$25.00
Family diggers permits issued, 271 (No Charge).	

Respectfully submitted,

COLICE C. TISON,

Shellfish Constable.

## REPORT OF THE KINGSTON SALVAGE COMMITTEE

Honorable Board of Selectmen:

Gentlemen:

As chairman of the Kingston Salvage Committee, I make this final report to the people of Kingston. This is the same report that was made to the State Salvage Committee.

Collections consisted of:

6,095 lbs. of Paper  
400 lbs. of Rags  
6,470 lbs. of Tin Cans

The sale of the above brought \$271.75 which was distributed as follows:

To the Red Cross	\$25.00
To the Boy Scouts	25.00
To the Salvation Army	25.00
To the American Legion	110.00
Banquet for those who helped with the collections and members of the State Salvage Committee	40.00
Labor	3.00
Publicity	15.75
Postage	2.50
Telephone Calls	8.50
Miscellaneous	17.00

Total

\$271.75

I wish to thank all of my committee for their faithful work and special thanks to Alton Chandler and Melbourne Merry who drove the trucks for the many collections.

I also wish to thank the people of Kingston for their splendid co-operation in the paper and tin can drives.

Kingston's record in salvage work compared very favorably with that of other towns in the state of similar size.

Respectfully submitted,

OAKLEY A. CHANDLER,

Chairman,

Kingston Salvage Committee.

## ALEWIFE COMMITTEE REPORT

The annual report of the Fish Committee is hereby submitted for the year 1945.

The alewife rights were not sold in either Jones River or Smelt Brook.

About 3,500 alewives were carted to Smelt Pond, Foundry Pond, Crossman Pond and Blackwater.

There was a fair run of smelt averaging 6 inches to 16 inches in length, which came with the alewives in Jones River. A normal run of alewives from Jones River went to Constable Pond, Barnes Pond, Silver Place, and Russell Pond.

Two (2) shad, 14 inches long, were caught with alewives at Smelt Brook.

Early in the year one member of our committee, Walter Davis, passed away.

Respectfully submitted,

ALBERT W. DOUGLAS, Chairman  
ARTHUR B. HOLMES,  
SAMUEL C. BONNEY,  
FRANK H. SHAW,

Kingston Fish Committee.

## REPORT OF THE WELFARE DEPARTMENT

The downward trend of the expenditures of this department, which has prevailed since 1938, reversed during the year 1945.

While there was not any marked change in the number of recipients receiving aid, we were responsible for the expense involved in the hospitalization of several unfortunates.

No requests for aid by employables were made during the year.

As of December 31, 1945 aid was being extended to the following cases:

Physically unfit	7
Low mentality	2
Aged (not eligible for O. A. A.).	4

Respectfully submitted,

JOHN J. MOORE, Chairman  
WILLIAM M. POST,  
PERCY W. BAILEY,

Board of Public Welfare.

## REPORT OF BUREAU OF OLD AGE ASSISTANCE

Active cases January 1, 1945	62
Cases opened during the year	9
Cases closed during the year	9
Active cases December 31, 1945	62
Expended 1944	\$29,235.16
Expended 1945	\$33,980.03

The State laws governing Old Age Assistance have been, and presumably will continue to be, subject to many changes and additions.

The most striking change during 1945 was in the law pertaining to the liability of children for the support of their aged parents. The mandatory aid previously demanded from children, in certain instances, was practically eliminated.

Respectfully submitted,

JOHN J. MOORE, Chairman  
WILLIAM M. POST,  
PERCY W. BAILEY,

## REPORT OF AID TO DEPENDENT CHILDREN

Active cases January 1, 1945	4
Cases opened during year	1
Cases closed during year	1
Active cases December 31, 1945	4
Expended 1944	\$2,149.95
Expended 1945	\$1,873.12
Average monthly rate per family	\$42.36

Respectfully submitted,

JOHN J. MOORE, Chairman  
WILLIAM M. POST,  
PERCY W. BAILEY,

## REPORT OF HIGHWAY DEPARTMENT

The main emphasis of this department during 1945, as in the previous war years, was in trying to save our surfaced roads from excessive deterioration. Due to the difficulty in obtaining material for the seal-coating of these roads, we have been obliged to use the more expensive method of continual patching. Now that restrictions have been lifted on the needed materials, it is our plan to seal-coat many of these roads during 1946. To do this work will require a somewhat larger budget for the coming year.

As there are no restrictions on materials for Chapter 90 Maintenance, we were able to give asphalt seals to the following primary roads:

Pembroke Street, from Winter Street to the Pembroke line.  
Elm Street, from Sylvia Place Road to the Plympton line.  
Landing Road.

The project of applying a new mix-in-place surface on Wapping Road was completed this year.

Also under the provisions of Chapter 90, we have been informed by the Massachusetts Department of Public Works that new construction will be commenced in 1946, and that a request will be made for the continuation of the work previously started on Pembroke Street. All new road construction was necessarily halted during the world conflict.

Because of the additional highway work which will develop from now on, we plan to request the purchase of a new heavy duty road grader in 1946. Our present light duty grader was purchased in 1938, and has given an excellent account of itself,

but is now in poor shape. The original cost of this grader was \$3,500.00.

Outside of the work done throughout the town with this grader, we are able to report an income of \$5,283.00 in rentals from other towns.

It is a pleasure to report that Mr. Abraham A. Ruffini has returned to work with this department after nearly three years in the armed service of our country.

Respectfully submitted,

G. PALMER HOLMES,

Superintendent of Streets.

## REPORT OF BOARD OF HEALTH

During 1945 there were fifty-one cases of Scarlet Fever reported. Most of these cases were during the first three months and practically all very mild. We wish to thank our school nurse and school physician for their splendid co-operation in helping us to keep this disease under control. Daily check-ups of school children were made by them during this period. The parents were also very co-operative in helping us to enforce the quarantine regulations. There were very few other contagious cases reported.

As in the past, a number of cases were sent to the Plymouth County Hospital for x-rays and physical examinations. Two of these cases were confined as having pulmonary tuberculosis.

We would like to ask the townspeople to comply with the following requests:

1. Please see that your sewerage system is in good condition so that no sewerage matter appears on the surface.
2. Please see that all rubbish is properly disposed of either by burning or taken to our Town Dump. If you are unable to take it yourself there are licensed collectors who will take care of this for you at a very small cost. Our dump is open each Wednesday and Saturday from 8 A. M. to 5 P. M.
3. To help control the rat menace please dispose of your garbage properly. Either burn it, or have it taken away by a licensed garbage collector. Please do not put your garbage in any dump.

Respectfully submitted,

PERCY W. BAILEY, Chairman  
JOHN J. MOORE,  
WILLIAM M. POST.

Kingston Board of Health.

## REPORT OF FIRE DEPARTMENT

During 1945 the Fire Department answered forty-seven calls, namely—twenty-five building fires, ten chimney fires, two automobile fires, four oil burner fires, one drowning, one call for the inhalator, and assisted Duxbury once, Plymouth twice, and Plympton once.

On August 19 the Seagrave pumping engine developed pump trouble and it became necessary to make an outlay of money; your Fire Engineers had not anticipated in their budget. It was also thought advisable to install a new floor in the control room, as several people narrowly escaped serious injuries coming in and out. In order to do this work, your Fire Engineers were forced to go before the Finance Committee for sufficient funds over the amount voted by the town to operate the Department for the year.

Respectfully submitted,

MYRON S. HOLMAN,  
ALBERT H. HOLMES,  
G. PALMER HOLMES,  
EMIL SAUER,  
EDGAR W. LORING, Chairman

Board of Fire Engineers.

## ASSESSORS' REPORT

1945

1945 Tax Rate, \$30.00 per thousand	
Valuation of Real Estate as of January 1, 1945	\$4,347,750.00
Valuation of Personal Property as of January 1, 1945	277,000.00
Total valuation as of January 1, 1945	\$4,624,750.00
Increase in valuation over January 1, 1944	\$46,950.00

## APPROPRIATIONS AND ASSESSMENTS

Town Appropriations:	
March 1945	\$200,940.32
	<u>\$200,940.32</u>
State Assessments:	
State Tax	\$5,032.00
State Parks	143.37
State Audit	629.32
	<u>5,804.69</u>
County Assessments:	
County Tax	\$8,751.17
County Hospital	3,137.24
	<u>11,888.41</u>
Additional Amounts to Be Raised:	
Overlay 1945	\$3,198.91
Overlay Deficit	3.29
	<u>3,202.20</u>
Total of All Appropriations and Assessments	\$221,835.62

Total deductions (estimated receipts and authorized transfers)	81,011.12
Total to be raised by local Taxation	<u>\$140,824.50</u>
Raised as follows:	
Real Estate (\$4,347,750.00 at \$30.00 per thousand)	\$130,432.50
Personal Property (\$277,000.00 at \$30.00 per thousand)	8,310.00
Poll Taxes (1,041 at \$2.00 each)	<u>2,082.00</u>
Total raised by Local Taxation	\$140,824.50

Respectfully submitted,

FRANCIS P. McMANUS, Chairman  
 JOHN T. RANDALL,  
 HENRY L. BARKER,

Board of Assessors.

## WATER DEPARTMENT 1945

To the Citizens of the Town of Kingston:

It is with pleasure that we submit the following report on collections:

Balance, January 1, 1945	None	
Commitments during 1945	\$16,204.04	
Abatements and payments refunded	12.00	
		\$16,216.04
Amount Collected	\$16,142.87	
Abatements	73.17	
Outstanding, December 31, 1945	None	
		\$16,216.04

## GRAY'S BEACH

The water was extended from Gray's Beach to property line of Kennedy Cottages, so-called, or approximately 247 feet, at a cost of \$260.94. This was made possible through the accumulation of pipe and fittings over a period of time.

WAPPING ROAD, ADDITIONAL WATER SUPPLY,  
SUMMER STREET, AND EVERGREEN STREET

A 10" water main was laid from South Street to property of Mike Anderson on Wapping Road, and now is in service. An exceptionally good 12" gravel packed well was developed on the Constable property, so-called. This well was driven to a depth of 88 feet, with a maximum capacity of 800 G.P.M., although the State Board of Health advised us to pump 500 G.P.M.,

thereby allowing us a safe margin of draw down. The building and the installation of pumping equipment will be completed by May 1, 1946. We have laid 18,355 feet of 10" asbestos cement pipe on the following streets: Main Street, from Elm Street to the south end of Crescent Street; from Wapping Road along South Street and Mill Gate Road to the new well, and from the new well to Indian Pond Road, by way of Sylvia Place Road; from the north end of Crescent Street to Smith's Land.

On Summer Street 6" pipe was laid from Stony Brook School, so-called, to Prouty's Garage; on Evergreen Street a 10" pipe was laid.

There are some hydrants to be set, services to be connected, and also some cleaning up to do and patching of roads, all of the work to be completed by May 1, 1946. The reason for the delay in completing this work was the difficulty in obtaining pipe, hydrants and fittings.

The survey of fixtures, made this year, was worth while, because additional fixtures were found, making an increase in our annual revenue of \$1,207.00.

We are asking the town to transfer certain unexpended balances to the Equipment account, to purchase meters.

This year we are asking for an appropriation for the purchase and installation of an altitude valve to govern the level of the water in the old reservoir. Due to the present condition of this reservoir, we find it necessary to abandon the part above the ground and in order to save pumping cost and waste, and to control the height of the water pumped into this reservoir, we must install this altitude valve.

The amount of water pumped into the system during the year 1945 was 100,484,484.4 gallons.

Total number of new services during the year 11

Total number of services at end of year 1,051

We wish to express our appreciation for the splendid co-operation received from the several officials of the town.

RALPH F. SANTORO, Chairman  
FRANK A. SAMPSON,  
HENRY J. WALSH,  
Kingston Water Commissioners

#### REPORT OF SUPERINTENDENT OF MOTH WORK

The Gypsy Moth continues to be our great worry.

This pest is on the increase and last year most of our time and money were spent in efforts to prevent their spread.

With our very limited appropriation it was impossible to do any where near as much work as we would have liked to have done.

I am recommending the 1946 appropriation be \$1,600, instead of the \$1,350, of 1945.

Respectfully submitted,

EARL C. PAULDING,  
Moth Superintendent.

#### REPORT OF TOWN TREASURER

##### RECEIPTS AND DISBURSEMENTS FOR 1945

###### *Receipts*

Balance, January 1, 1945	\$81,039.69
Receipts	326 327.06
Total	\$407,366.75

###### *Disbursements*

Payments	\$294,198.17
Balance, December 31, 1945	113,168.58
Total	\$407,366.75

Respectfully submitted,

GEORGE W. CUSHMAN,

Town Treasurer.

## FREDERIC C. ADAMS PUBLIC LIBRARY

## TREASURER'S REPORT

*Income of Frederic C. Adams Fund*

January 1, 1945, balance on hand	\$8,191.02	
Income for the year	655.67	
	<hr/>	\$8,846.69
Paid for:		
Books, magazines, etc.	\$618.34	
Repairs	57.96	
Service charge	3.35	
Balance on hand	8,167.04	
	<hr/>	\$8,846.69

*Changes in the Fund*

Two fourteen shares certificates of the old \$100.00 par value common stock of the Plymouth Cordage Company have been exchanged for two fifty-six shares certificates of the new \$25.00 par value common stock of the Plymouth Cordage Company and with this change,

*The Frederic C. Adams Fund stands invested as follows:*

- 2 shares American Telephone & Telegraph Co.
- 6 shares Boston Elevated Railway Co.
- 112 shares Plymouth Cordage Co.
- 44 shares Plymouth National Bank.
- 2 shares Certificate of Participation, Plymouth National Bank, Trustee.

- \$500.00 Atchison, Topeka & Santa Fe Railway Co., 4% bond due 1995.
- \$1,000.00 Rio Grande Western Railway Co., 4% bond due 1939.
- \$1,000.00 on deposit in the New Bedford Five Cents Savings Bank.
- \$864.60 on deposit in the Plymouth Five Cents Savings Bank.
- \$2,121.61 on deposit in the South Scituate Savings Bank.
- \$2,000.00 on deposit in the Whitman Savings Bank.

*Income of Byron C. Quinby Fund*

January 1, 1945, balance on hand	\$145.77	
Income for the year	12.97	
	<hr/>	\$158.84
Balance on hand	\$158.84	
	<hr/>	\$158.84

The principal of this fund, \$500.00 and accrued interest, \$158.84 is on deposit in the Plymouth Savings Bank.

*Income of the Rosa A. Cole Fund*

January 1, 1945, balance on hand	\$189.59	
Income for the year	100.48	
	<hr/>	\$290.07
Paid for:		
Supplies	\$16.50	
Premium on Treasurer's Bond	25.00	
Rent of safe	5.00	
Fuel Oil	31.40	
Balance on hand	212.17	
	<hr/>	\$290.07

*The Rosa A. Cole Fund stands invested as follows:*

- \$1,241.05 on deposit in the Bridgewater Savings Bank.
- \$1,973.75 on deposit in the Plymouth Five Cents Savings Bank.
- \$1,785.20 on deposit in the Rockland Savings Bank.

*Income of the Annie C. Thomas Fund*

January 1, 1945, balance on hand	\$38.52	
Income for the year	22.50	
		\$61.02
Paid for:		
Treasurer's salary	\$25.00	
Balance on hand	36.02	
		\$61.02

The principal of this fund, \$1,000.00 is on deposit in the Fairhaven Institution for Savings.

*Book Fines*

During the year 1945, fines in the amount of \$138.27 were collected by the librarian, and paid to the Town Treasurer.

*Town Appropriation*

Expenditures from the Town Appropriation will be found in the report of the Town Accountant.

Respectfully submitted,

HENRY L. BARKER,

Treasurer.

December 31, 1945.

**LIBRARIAN'S REPORT**

To the Trustees of the Frederic C. Adams Public Library:

The statistical report sums up briefly the Library's activities for the past year showing a circulation of over 16,000, which proves its service to the schools and the townspeople. It is interesting to note that in the total circulation of 16,060 volumes, 4,080 were adult non-fiction. During the year 107 new applicants were added to the registration.

As would be expected the popular demand is for up-to-the-minute productions and a new book rarely remains in the library long. Two hundred and eighty-eight books were placed in the library during the past year.

Through the Inter-Library Loan patrons of the library have had access to many non-fiction books not available in this library.

Many of the current magazines are on the tables and during 1945, 2,500 people visited the reading room for recreational reading and reference work.

*Statistical Report for 1945*

Number of books in the Library	12,014
Added past year, 2,886 of which were gifts.	
Discarded, old and worn out books	42
Magazines, weeklies and dailies	40
Total attendance in reading room	2,500
Total circulation	16,060
Non-fictional circulation	4,080
Juvenile circulation	3,594
Circulation per capita	5
Total registration	1,922
New borrowers, 1945	107

December 31, 1945.

Respectfully submitted,

JANET CRONIN GIAMMARCO,  
Librarian.

NEWELL O. BLANCHARD,  
THOMAS F. CAVANAUGH,  
HARVEY A. SOULE,  
JOHN E. WRIGHT,  
CARL W. STEGMAIER,  
HENRY L. BARKER,

Trustees.

# REPORT OF THE SEALER OF WEIGHTS AND MEASURES

Honorable Board of Selectmen

Gentlemen:

The annual report of the Sealer of Weights and Measures is hereby submitted for the year 1945.

	Adjusted	Scaled	Condemned
Scales:			
Platforms	14	31	
Counter	5	12	
Beam	1	4	
Spring	13	44	4
Computing	3	8	
Person Weigher (Slot)		2	
Prescription		2	
Weights:			
Avoirdupois	6	174	
Metric		16	
Troy		13	
Volumetric Measures:			
Liquid		34	
Automatic Liquid:			
Gasoline Pumps	3	26	
Tank Truck Meter Systems		5	
Bulk Stations Meter Systems		3	
Kerosene Pumps		6	
Grease Measuring Devices	4	11	

## Linear Measures:

Yard Sticks	7
Cloth Measuring Device	1

A re-check has been made of merchandise in stores as required by Law, with sealing fees collected to the amount of \$65.95 and adjusting fees of \$4.60.

Office Hours: Tuesday Nights, 7-9 P. M.

Respectfully submitted,

GEORGE T. PRATT,  
Sealer of Weights and Measures.

## REPORT OF THE PLAYGROUND COMMITTEE

In making this report of your Playground Committee for the past year, we feel that the Reed Community House and the Playground have been used to very good advantage.

Some of the emergency organizations, including the Red Cross, the Surgical Dressing Classes and the State Guard have given up their activities and consequently the use of the building.

The Girl Scouts and the Boy Scouts have carried on as usual, confining their activities to the basement hall.

The building was used more than usual for basket-ball games. Football and baseball activities used the playground and building about as usual as did the girls with their field hockey.

The shower baths have been open to the public daily from 2:30 to 5:30 P. M. and were very well patronized.

At our last meeting, two members who have served in the armed forces were with us again. We are glad to have them back.

The building was inspected by the entire committee and we feel that the janitor has done well to keep it in as good condition as we found it.

The rentals for the Community Building for 1946 will be the same as for the past year, viz.:

Whole Building	\$25.00
Basement with use of kitchen	15.00
Basement without use of kitchen	8.00

Auditorium	15.00
Side room—Afternoon	2.00
Side room—Evening	3.00
Rehearsals	3.00

Respectfully submitted,

FRED L. BAILEY, Chairman  
 GEORGE A. CANDINI, Jr., Sec'y  
 ANTONIO J. SPATH,  
 LESTER F. ZAHN,  
 GEORGE J. TURA.

## REPORT OF THE DIRECTOR OF THE PLYMOUTH COUNTY EXTENSION SERVICE

The Plymouth County Extension Service is giving greater help to the individual towns each year. During the war and in the first year of peace, the County Extension has stood between the United States Department of Agriculture and the local farmer and Homemaker, relaying information and clarifying Government orders and regulations.

During the recent outbreak of fowl epidemic, Kingston was the center for a County meeting to take quick measures to curb the disease. The Dairymen, Poultrymen, Farmers and Homemakers, whose names are on the mailing list, receive notice of meetings in nearby centers, and almost daily letters in important subjects. Those desiring to have their names on this mailing list should send a request to the Plymouth County Extension Service, Court House, Brockton, Mass.

Through the Extension Service, 36 bushel of peaches and five bushel of pears were purchased at wholesale and delivered to Kingston women for canning. A Dressmaking project was attended by 16 leaders, who in turn conducted eight local classes. A Sewing machine clinic was held with 18 in attendance. More recently, two Reupholstery demonstrations have been given with 40 people attending. Mrs. George W. Bosworth has accepted the position of Kingston representative on the Women's Advisory Council and chairman of the Town committee, and under her direction a coatmaking project is being organized.

Respectfully submitted,

EUGENIA B. TROW,  
Director.

## REPORT OF THE KINGSTON SCHOOL BUILDING COMMITTEE

The Kingston School Building Committee, authorized by a vote of the town at the 1945 annual meeting, organized on July 5, 1945; which was soon after the last appointments were made by the authorized town officers. The committee proceeded to carefully examine the history of previous committee appointments, and were of the opinion that the town had attempted on at least two other occasions, to have the unsatisfactory school building situation corrected.

The committee was unanimous in feeling that only through the work of properly trained men, would Kingston be able to correctly analyze its school housing situation, and obtain adequate recommendations for a school building program, that would fit our needs for as far in the future, as it is possible to project.

Our committee was authorized to employ the services of competent advisors, and after correspondence with a number of leading educational advisors, engaged the services of the following group:

- Mr. Dana M. Cotton, Director of Placement, Harvard Graduate School of Education.
- Dr. Walter F. Bogner, Associate Professor of Architecture, Harvard School of Architecture.
- Mr. Ralph McLeary, Supt. of Schools, Concord, Mass.

This survey group, was recommended by Dr. Alfred D. Simpson, of the Harvard Graduate School of Education, and he, without compensation, agreed to act as survey advisor.

The cost of the survey to be \$1,000.00.

The survey will include:

1. A survey of the present school building to determine whether any action is necessary.
2. A study of school enrollment trends, home location of pupils; birth rate, growth of population, and home building trends.
3. A survey of centers of population, and analysis of possible sites, to determine most advisable location for new building or buildings.
4. Definite recommendations as to centralized or district schools.
5. Preparation of a schedule of rooms necessary in new buildings, and line drawings showing arrangements of rooms, central facilities, and play areas.
6. A study of costs of conversion to new buildings, and the stages of such conversion.

The survey group began its work, at once, and our committee has met with them on a number of occasions. It was our hope that we would be able to present a definite program to the town at the annual meeting of 1946 but will offer a complete report at a later meeting. We feel that only by most thorough and lengthy investigation and by proper study will the citizens of Kingston have the type of school buildings that they want for our school children.

The report of the survey will be a lengthy one, and will entail much study. It will be an outline of action, that will project itself for many years in the future, and deserves the permanency of all important documents. Our committee recommends that a sum of money sufficient to print this report, be

appropriated, and in that manner the citizens of Kingston will be able to study the report.

We plan to hold several public meetings to acquaint the townspeople with the results of the survey, and to give it the amount of publicity such a major project deserves. This will all be done prior to any requests for appropriations. We do not feel that any building would be practical before 1947, and possibly not until 1948. So important a matter should not be rushed.

We plan to report fully at a special town meeting, later this year, to lay the ground work for a real school building program, that will give Kingston citizens clear, definite recommendations.

The committee wishes to thank the town officials and citizens who have assisted the survey.

Selectmen's Appointee,  
MITCHELL TOABE, Chairman

Moderator's Appointee,  
JACOB DRIES,

Finance Committee Appointee,  
ALF LOOTZ

Finance Committee Appointee,  
ARNOLD FACCHINI

School Committee Members,  
MRS. RUTH H. BAILEY  
MRS. DOROTHY HATHAWAY  
ORFEO H. SGARZI  
RICHARD R. GESSNER  
ERNEST COTE, Secretary.

## REPORT OF TOWN ACCOUNTANT

Kingston, Mass., January 22, 1946

To the Honorable Board of Selectmen

Town of Kingston, Massachusetts

Gentlemen:

I submit herewith a report of the financial transactions of the Town for the year ending December 31, 1945.

IRMA A. RUFFINI,

Town Accountant.

accounts of the tow

**REPORT OF STATE AUDITOR**

---

January 22, 1946

To the Board of Selectmen

Mr. William M. Post, Chairman

Kingston, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Kingston for the period from December 17, 1944 to December 20, 1945, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts.

TNW:CFB

---

Mr. Theodore N. Waddell

Director of Accounts

Department of Corporations and Taxation

State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Kingston for the period from December

17, 1944, the date of the previous audit, to December 20, 1945, and report thereon as follows:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined and checked.

The books and accounts in the office of the town accountant were examined. The accountant's ledger was analyzed and it was found to be out of balance, and in order to prove the ledger, it was necessary to check all postings in detail for the period of the audit. It was apparent that a trial balance had not been taken off monthly to prove the accounts, as several errors were found in the posting of the ledger beginning with January, 1945.

After making the necessary corrections in the ledger, a trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on December 20, 1945. This balance sheet indicates that the town is in good financial condition.

The appropriations and transfers, as recorded in the appropriation ledger, were checked with the town clerk's records of town meeting votes and with the finance committee's authorizations of transfers from the reserve fund.

It was noted that a part of the salaries of certain officials or regular employees were unpaid at the close of the year due to the insufficiency of appropriations. It is recommended that departmental appropriations be divided to include an amount for salaries or personal services and an amount for expenses. If this arrangement is not followed, a sufficient amount of all appropriations should be reserved or encumbered by the accountant to meet the salaries and wages of all officials and regular employees for a full year.

Attention is called to Section 43, Chapter 44, General Laws, which provides that all accounting and other officials and custodians of public money of cities and towns shall fill out properly and return promptly to the Director of Accounts all schedules transmitted by him to them. A schedule providing for a return giving a detailed statement of all receipts classified by sources and of all payments classified by objects has been mailed at the close of each year to the town accountant, but no return has been made thereon for the years 1943 and 1944.

The books and accounts of the town treasurer were examined and checked. The receipts, as recorded, were analyzed and checked with the records of the several departments collecting money for the town, while the payments were checked with the selectmen's warrants authorizing the treasurer to disburse town funds.

The cash book additions were verified, and the cash balance on December 20, 1945 was proved by actual count of the cash in the office and by reconciliation of the bank balances with a statement furnished by the bank of deposit.

The recorded payments on account of maturing debt and interest were checked with the amounts falling due and with the cancelled securities and coupons on file.

The savings bank books and securities representing the investments of the trust and investment funds in custody of the town treasurer and the trustees and custodians of the trust and investment funds were personally examined. The income was proved and all transactions were verified and compared with the treasurer's and the accountant's books.

The tax title deeds on hand were examined and listed. The amounts transferred from the tax levies to the tax title account were reconciled with the collector's accounts, the tax titles redeemed were compared with the treasurer's reported receipts,

the tax titles disclaimed were verified, and the tax title deeds as listed were reconciled with the accountant's ledger and compared with the records in the Registry of Deeds.

The books and accounts of the town collector were examined and checked. The tax, departmental, and water accounts outstanding according to the previous examination, and all subsequent commitments, were audited and checked with the warrants for their collection. The recorded collections were checked with the treasurer's and the accountant's books, the abatements as recorded were compared with the records in the department authorized to grant such credits, and the outstanding accounts were listed and reconciled with the accountant's ledger accounts.

The outstanding tax, departmental, and water accounts were verified by mailing notices to a number of persons whose names appeared on the books and records as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The town treasurer and the town collector is to be commended for the efficient and accurate manner in which his work has been performed.

The records of licenses and permits issued by the selectmen, the town clerk, and the health department, were examined and checked, and the payments to the State and to the town were verified.

The surety bonds of the several officials required to furnish a bond for the faithful performance of their duties were examined and found to be in proper form.

In addition to the departments mentioned, the available records of all other departments collecting money for the town were examined and checked in detail.

There are appended to this report, in addition to the balance sheet, tables showing a reconciliation of the treasurer's cash, summaries of the tax, tax title, departmental, and water accounts, together with tables showing the condition and transactions of the trust and investment funds.

For the co-operation extended by the several town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts.

HBD:CFB

## REPORT OF SCHOOL COMMITTEE

For the Year 1945

---

As the time has once again come to render an account of our stewardship to the citizens of Kingston, we, the School Committee wish to thank each and every one connected with the School Department in any way whatsoever for the splendid co-operation and manner in which their duties were performed.

While the year 1945 has not been noted by any unusual events in the school department, yet it has been one of hard work and sometimes heartaches for the members of the Committee.

As Chairman, I take this opportunity to express my heartfelt thanks and appreciation to my colleagues on the Committee for the manner in which they assisted me and for the splendid way they all shouldered the burdens that confronted us. It was only this willingness on the part of the entire Committee that has made this year so successful.

Mr. Orfeo H. Sgarzi was elected in March to fill the vacancy for the 2 year term and his knowledge of Finance has been a wonderful aid to the Committee.

As voted by the town in March, your Committee made a survey of the necessary changes in the heating plant at the High School and after receiving specifications for those changes awarded the contract to the lowest bidder, Mr. Frank A. Sampson, of Kingston.

The High School now has a modern Boiler and it has proved the answer to a long felt need both from an economical and a heating standpoint.

One of the most pressing problems confronting the Committee is the matter of housing the Elementary pupils. After considerable study the Committee was obliged to make a change in the school set-up.

The present arrangement of Grade 1, 2, and part of 3 at the Cobb School, part of grade 3 and 4 in the Howlands Lane School and Grades 5 and 6 at the Maple Avenue School was adopted and it is felt that this set-up will take care of the need until September, 1947 when the pupil housing facilities will be taxed to the straining point. We cannot recommend too strongly the need for some action to relieve this overcrowded condition. The situation is well past the talking stage and is now entering the period for immediate action.

In connection with re-arranging the school population the facilities in the High School lunchroom were overtaxed and the committee made changes so that more efficient service could be rendered. This project has been a great help to parents who were either working in war plants or who were restricted in buying due to lack of abilities to purchase the proper foods due to shortages or lack of the proper amount of stamps and in buying rationed foods.

Your School Committee has been hard hit again this year by a large teacher turnover, due in large part by larger cities and towns offering salaries beyond our ability to pay. In view of this condition we have adopted a new Basic Salary Schedule covering a period of years plus dependents and qualifications that will give a teacher an insight as to what to expect in the way of salaries. This in our opinion is one of the most important moves in the right direction that the Committee could possibly make to settle this question for some time to come.

At the close of the school year the resignation of Miss Emma J. Mange as School Nurse was submitted to us. We would be most ungrateful for services rendered if we failed to make note of

it here, and express our heartfelt thanks to her for so many years of conscientious service to the Kingston School Department.

In order to fill the vacancy of School Nurse we were most fortunate in being able to secure Mrs. Mary C. Rushton, R. N., who is doing a good piece of work in that capacity.

Repairs to the buildings in the school system are becoming quite a problem. Your Committee, as trustees of these buildings, is obliged to maintain them in a safe, livable, and usable condition. This we try to do, but as business men and women we know that in carrying out these duties we are spending money in a hopeless cause and that each year the expense will greatly increase. However, the safety of our children is of paramount importance and until new buildings are available money must be provided for these repairs.

Your Committee has fulfilled the mandate given them at the March Town Meeting to be on a committee to plan a new school building or buildings. While a report of this Special Committee is printed elsewhere in this town report, we feel proud that we were able to work with the other members of this special Committee.

Your School Committee has long had problems relating to a condition arising out of our membership in a Superintendency Union of which Kingston has been a member for 45 years. This condition does not give Kingston the supervision which it should have for such a large appropriation as that expended by the School Committee. After making a thorough study of the situation we took up the matter of dissolving the union with Pembroke, Plympton, and Halifax, but our request was turned down. After discussing the situation further with the Commissioner of Education, on his suggestion a survey is now being made by the Mass. Dept. of Education and when completed we hope that

some solution will be reached that will benefit Kingston and its problems.

With the New Year again upon us and new problems face, we again extend our thanks to the Superintendent E. C. W. Lawrence; Mr. F. M. Moran; the Teaching Staff; all employees of the School Department; and the various Town Office and Townspeople for the cooperation extended to us, the Kingston School Committee, in carrying out our assigned duties.

Respectfully submitted,

RICHARD R. GESSNER, Chairman  
RUTH H. BAILEY, Secretary  
ERNEST H. COTE,  
DOROTHY HATHAWAY,  
ORFEO H. SGARZI.

## REPORT OF SUPERINTENDENT OF SCHOOLS

### The School Committee

Town of Kingston, Mass.

Ladies and Gentlemen:

Herewith is submitted the annual report of the Kingston School Department, for the calendar year 1945, for your consideration and approval.

The past year has been one full of mixed trends, often reflecting the strains of the war effort in the early months the sudden and hopeful uplift with the ending of military operations in Europe (V.E. Day in May), the buoyant relief from strain with the ending of the war in the Pacific (V.J. Day in August) and the gathering confusion of the first months of readjustment from September to December.

For the Kingston School Department, the problems have been severe and have reached every person on the school staff. In addition to the usual problems of class-room instruction, there were increasing problems in the changing teacher personnel, in securing supplies and equipment, and the terribly pressing problem of school buildings, both for the high school students, and for the elementary school pupils.

Teacher personnel problems, which were most severe in securing teachers in high school level in fields of science and mathematics, English, Domestic Science and arts, shop and shop mechanics, were eased a bit after the schools had opened in September through the release from the Services of trained teachers. More candidates will probably be available for teaching on the high school levels. In the elementary school levels

(grades I through VI) teachers are still very hard to find. During the war emergency, the School Department modified its policy about hiring married teachers, and retaining teachers in service, who married and whose husbands were in the Service. A considerable proportion of our present staff, in these grades are married, and serving the schools energetically and with single minded devotion. However, a number of these teachers agreed to serve the schools for relatively short periods — as they have family obligations to meet also. It can not be expected that they will all become permanent teachers on the staff. Replacements will have to be secured for them, but the picture is not at all encouraging, for replacement teachers will not be graduated from the Teachers Colleges in sufficient numbers for several years to come.

The Massachusetts Teachers Federation recently reported among other items: "Do you know that one out of every ten teachers in our public schools were new to the system in 1945?" (In Kingston elementary, 3 new teachers out of 10 and 1 vacancy; in H. S., 5 new teachers out of 11). "Do you know that the birthrate of Massachusetts increased from 1939 to 1943 by forty per cent, and within a period of five years about three first grade teachers will be required where two now serve?" In Kingston the birthrate is rising. The requirements of first grade teachers are so changed that two first grades are in prospect, in the near future. "Do you know that in September 1945 there were 200 vacancies (all schools) in Massachusetts? Our Teachers College can fill but 200 of these vacancies." "Do you know that for every five graduates of our Teachers Colleges 1943, we are graduating but two this year (1945 also in 1946)?"

Therefore the problem of finding trained and competent elementary teachers will last for several years to come. To solve this problem, and to place elementary teachers on a more equitable basis with High School teachers, the School Committee

considered in December a plan for a teachers salary schedule, which will be discussed later.

#### ELEMENTARY SCHOOL GRADES—REGROUPED

The School Committee has been aware for some time of crowding in all grades, and that the plan of keeping the double graded rooms in Maple Avenue School did have some disadvantages. Further the over-crowding in grades I and II in Sept. 1945 would not only over-tax the rooms in Howland's Lane School, but the very weight of numbers (over 90 pupils for three teachers) in these poorly adapted rooms might seriously handicap the first learning steps for many children. It was decided to accomplish in one year the changes which had been planned for two or more years. All of grades I and II were moved to Cobb School, with about 28 children of grade III, and the building was staffed by four classroom teachers and a remedial teacher. The remainder of Grade III and all of grade IV were transferred to Howland's Lane School with two teachers, and all of grades V and VI were transferred to Maple Avenue School, with two teachers. It was planned that both Howland's Lane School and Maple Avenue School would share the time of a remedial teacher to ease the load of the class room teachers and speed the learning of the students who could profit by the special help thus afforded. Unfortunately, it was found that not enough teachers could be obtained at the opening of schools in September to complete our staff. Consequently we had no remedial teacher in the upper middle grades for three months. As soon as Mrs. Whol could be freed from her class-room teaching assignment, she began the work for these middle grade students, finished the testing phase and laid out the separate plans for the intensive drills to be done. Again unfortunately, this work was stopped as she found it necessary to ask for leave of absence, then to resign, to rejoin her husband recently returned from active service overseas.

## HIGH SCHOOL—GENERAL

In the Kingston High School, Mr. Moran and a strengthening teaching staff, have begun the reconversion of programs to the special war-needs patterns to those for peacetime operation. Special emphasis is placed on four important areas of learning:

(1) English and foreign language area, which includes drills in comprehension of thoughts, expression of thoughts, facility in vocabulary and grammar, and appreciation of literature.

(2) Social studies areas, which includes all of the courses and work in the history courses, advanced geography, and Problems of Democracy. These courses are fundamental to students in understanding the background of events and movements, which are so prominent today, and others which are arising as problems to be solved in the near future. The background understandings are most important for the citizen, especially as the social world is growing smaller and comes closer to nation, and the problems of one nation now become the concern of other nations.

(3) Science and mathematics areas, which include the college preparation requirements (for about 10% of our students) and also the requirements for commercial clerical work in business.

(4) And finally the vocational areas, which emphasize the commercial clerical courses, and some shop work for the boys and some sewing for the girls with a book-course in home making. The latter two fields are the ones which should be developed and expanded greatly, in our new high school. It would be desirable, even, to have some short courses in shop for the girls and in sewing and cooking for the boys.

To the occasional class-room visitor, there would seem to be little difference in subject matter or method of teaching, between the old "tightly compartmented" subject-matter courses and the new courses. However the emphasis is constantly present to keep the students conscious of the relation between the subject-matter taught and the usefulness of these topics in the future. The success in the beginnings of these newer emphases is shown clearly in the results of the Iowa Tests of Educational Development.

These tests were given in January and again in November 1945, and were aimed to determine two things, first how our teaching work showed Kingston High School to stand in relation to other schools in the country, and second to show us how each individual student stands in his learning in the special areas, when compared to others in his class, and to other students in the corresponding classes in schools over the entire country. The results are very interesting and most useful to the administration and the faculty.

The tests are rated in the following nine areas:

- (1) Social Studies, backgrounds.
- (2) Natural Science, backgrounds.
- (3) Correctness in Writing.
- (4) Quantitative thinking (mathematics and applications).
- (5) Reading, in Social Studies.
- (6) Reading, in Natural Sciences.
- (7) Reading, in Literature.
- (8) General Vocabulary.
- (9) Uses of Sources of Information.

These tests are proving of great value to the administrator in showing our standing, in strength and weakness, in these fields, for the school as a whole, for each class, and even for each individual. The first test was given in January 1945, and

showed a slight weakness in the area of correctness of writing. Mr. Moran and the faculty studied the situation thoroughly, and immediately instituted drills and emphases to improve our students in correctness of writing. The tests given in November showed a marked improvement of ten and more per cent over the 85th percentile and higher.

The greatest value of these tests appears to be in help in the individual guidance program. Here the principal, as is the main guidance person, attempts to guide student parents to understand the capabilities of each student, to lead him toward the field of work he or she is best suited for, and to choose the best courses in high school and beyond for the strongest preparation to enter the field chosen. The money and time spent on this work is proving to be invaluable.

Your attention is called to the report of the High School Principal, for his comments on important work, both old and new, being carried on in Kingston High School.

#### HIGH SCHOOL—FACILITIES ADDED

During the year, the School Committee has approved and added a full time shop teacher to the staff, and made some very useful changes in the shop arrangements especially in moving the shop downstairs. The shop work has been carried on a part-time basis for the past few years, the teacher being also assigned a heavy load in academic class-room instruction. It is our belief from several years of experience that this fuller program is needed and should be carried through grades 11 and 12 for those who can profit by it. Shop work is compulsory for grades 7 and 8, and has been available most of the time in grades 9 and 10. As fast as equipment is available and space can be found, the shop work should be expanded.

The School Committee also broke a "bottle neck" in the high school building by installing a boiler, large enough and

good and new design, to give ample heat to the entire building. This was made possible by the special provision in the 1945 appropriations. However it was not possible to secure any automatic stoker for soft coal, or oil burner with automatic controls, and this will have to wait for later action. The heating equipment is proving adequate to keep the building warm and provided with necessary changes of heated air.

Other repairs and changes will be required in the immediate future, if this building is to be kept in service. The roof is proving a costly burden, with frequent leaks, which are ruining plaster ceilings, and make it necessary to keep buckets to catch the drip of water after rain storms and during thaws. Not only is the "new roof" on the additions in need of major repairs or, better, total replacement, but also the old slate roof over the original building is weathered, cracked and chipped to the point where it is advisable to replace this entire roof with a modern one of heavy paper and slate-shingle. The whole prospect for roofs is for another heavy outlay of money, with doubtful gains in permanent plant values.

The School Committee authorized the moving of the High School lunch kitchen from the basement quarters, where the food has been prepared for the past years, upstairs to the well-lighted room formerly used as the shop. This is an improvement which makes it far easier to prepare the foods under more sanitary conditions, and serve it hotter and more quickly than ever before. In addition, better facilities for storing foods in a new refrigerator, which makes for economical buying, and much better facilities for washing dishes were made. Also improvements were likewise made in the kitchen lunchroom in Cobb School.

The pupils who now eat their hot lunches in these rooms totals between 60 to 75 per cent daily of the total. The lunches are well planned for balance of diet, well prepared and well served, in cafeteria style. This is proving an important addition

to the health program for our children, and should be continued by all means.

#### SCHOOL HEALTH PROGRAM

Kingston's school health program is strengthened by the services of Mrs. Mary C. Rushton, R. N., as school nurse. Mrs. Rushton succeeds Miss Emma J. Mange, who retired in 1942 after over a quarter century of service to the town in this capacity. Mrs. Rushton has been very attentive in her visits to the schools, and in laying ground work for health examinations and clinics. In the first four months of service, she is succeeding in making parents, pupils and teachers alert to avoid sickness and health conscious in daily health habits.

#### TEACHER CHANGES—For the Record

Changes in Kingston's Teaching Staff are recorded as follows:

Mr. Edward Booth left in June and is teaching in Boston. His classes in science and mathematics are taken over by Clyde W. Monroe, of Kingston, graduate of R. I. State College and New Hampshire State University.

Miss Margaret Dower resigned in June. Her classes in History fields are taught by Mrs. Anna McAvonia, of Groton, graduate of Sam Houston State Teachers College, Texas.

Miss Mary Sullivan resigned in July from her position teaching Domestic Science subjects. Her place is taken by Martha Vickery, of Plymouth, and graduate of Bridgewater State Teachers College.

Mr. Mahlon Leonard resigned his position in June. His classes in shop and science laboratory are taught by Mr. Doris Kreimer, of Everett, graduate of North Carolina State Teachers College.

Mrs. Ruth Mitchell resigned her position as teacher of Jr. High School Social Studies, which she had filled for many years acceptably and faithfully. Her classes are assigned to Mr. Henry W. DeRusha, of Whitman, Mass., graduate of Hyannis State Teachers College.

In the Grade Schools, Miss Barbara Haley resigned in June to teach in Wilmington, Mass. Her class is now taught by Mrs. Alice M. Peck, of Kingston, graduate of Boston Teachers College.

Mrs. Lucy Rae resigned in September to accept a position in Plymouth. Her room has been taught successively by Mrs. Ethel Phillips of Plymouth, Mrs. Rena Moran of Kingston and Mrs. Elizabeth W. Ingalls of Lawrence.

Mrs. Narda A. Whol, who for several years has successfully taught remedial groups, took the Grade III assignment in September, and carried this work until Mrs. Hansen could come in early December. Mrs. Sophie C. Hansen, of Hanover, is a graduate of Wheelock College, Boston. Mrs. Whol returned to the important work with remedial pupils, noted above, until her leave of absence and resignation at the Christmas holidays.

#### THE PLAN—PROGRESSING

The Town Meeting voted in March 1945 to form a Kingston School Building Committee, and gave this committee \$1,000 to employ expert consultants to study Kingston, its schools, its economic resources and probable future, and to prepare a plan for its school development. Elsewhere in this book will be found the report of progress of this committee.

The experts chosen by the Kingston School Building Committee are all experienced men, specialists in this work. They are widely sought and their work is recognized as highly competent. Their plans and advice has repeatedly proved sound when it has been put in practice. When their plans and report

are presented, they should be studied with the greatest care and put into effect as rapidly as possible.

I wish to thank every person whose thought and work has carried forward the school work of Kingston during this "Victory Year".

Respectfully submitted,

CHARLES W. LAWRENCE

Superintendent of Schools

## REPORT OF THE PRINCIPAL OF THE HIGH SCHOOL

December 31, 1945

Mr. Charles W. Lawrence

Superintendent of Schools

Kingston, Massachusetts

Dear Mr. Lawrence:

I hereby submit my report as Principal of Kingston High School.

### ENROLLMENT

Kingston High School

December 31, 1945

Grade	7-11	7-12	8-14	8-25	9	10	11	12	Total
Boys	11	11	11	7	20	8	12	11	91
Girls	9	9	7	15	24	14	18	10	105
Total	20	20	18	22	44	22	30	21	196

There has been no appreciable change in the enrollment in the high school grades over last year. The difference between last year's graduating class of thirty-one and this year's Senior class of twenty-one has been compensated by several new students who have entered from other towns. The incoming seventh grade was no larger than the present eighth grade and the other grades have remained fairly constant. There have been fewer

boys leaving school for the armed forces and recent select service rulings indicate that no boys will be drafted before finishing school. The temptation of good paying jobs has been with us much of the year, but with reconversion this will be less effect in the future. Recent studies have concluded that more and more students will be remaining in high school beyond the "retirement" age of sixteen and the facilities of the high school will be taxed to provide a program which will adequately prepare them for useful living. Since some of these young persons were unsuccessful in the traditional courses of the past, it follows they will be no more successful in the future unless the traditional courses are tailored to fit their needs and capacities.

During the past year several changes have taken place in our program. A new course in General Mathematics is now offered to give those students who have not taken any mathematics since the eighth grade an opportunity to brush up on fundamentals and to learn new processes which will better prepare them for jobs when they leave school. Lack of interest has caused dropping Pre-flight Aeronautics but two other new induction courses, Fundamentals of Electricity and Radio, are still being taught. Since the government has abandoned the induction program, the future of such courses is problematic. Our Home Economics program has been somewhat curtailed due to the difficulty in obtaining a trained Home Economics teacher. At present only sewing is being taught in grades seven and eight. At the same time we were fortunate in securing a full time teacher and as a result have been able to expand our shop program to include the high school boys who have been unable to take shop their past few years. The need for shop and Home Economics for boys and girls of high school age is clear and it is hoped that the future may see an improvement in our ability to provide for them.

Perhaps the most promising new organization this year is the new Kingston Chapter of the National Honor Society. This club is sponsored by the National Association of Secondary

School Principals. Qualifications for membership are high and encourage excellence in Leadership, Scholarship, Character, and Service. Perhaps the greatest outgrowth of our new society will be a renewed emphasis on recognition of excellence in scholarship and a high type of school citizenship.

The program of guidance and testing has shown some interesting results, some of which I would like to report. The Iowa Tests of Educational Development were administered in January with a very satisfactory analysis of the results of our educational offering. In order to bring our school in line with the rest of the country using this test it was again administered early in November. The wisdom of this change will be noted in the fact that it gives our teachers the better part of the year to use these findings to improve teaching of weaknesses and to help solve individual student problems. In the short space of time elapsing between these two tests a marked improvement was shown with Kingston rating well among the leading schools of New England and throughout the country. We realize that such tests are valuable only if they are used to improve shortcomings and our teachers are doing a fine job.

The use of an educational plan for students in grades 9-12 proved very satisfactory. By this plan students plan their entire high school program in advance so that they may see where they are going and they make fewer mistakes in their choice of subjects. These were made out with help of home room teacher and a Parents Night was held to allow parents, of eighth graders particularly, an opportunity to discuss their child's program for his high school and post-high school years. The response was most gratifying and it is hoped that even more parents will take part next year.

Vocational interest tests have been administered in all high school grades as well as Social Adjustment Inventories in grades eleven and twelve. These tests are used to aid teachers and pupils to determine in what field the students' interests lie and

prove quite valuable in choosing the appropriate course of study which should be followed. In short, our guidance program attempts to determine, in so far as facilities and time permit, the educational, social, and vocational needs of the pupils in their care.

I feel that one of the greatest weaknesses in our school is the lack of a well defined physical education program. At a time when our national leaders bemoan the high percentage of physically-unfit young people rejected by the Army, we in Kingston are forced, by the lack of facilities, to depend upon our varied athletic teams as the only opportunity for our young people to develop those qualities of strong and healthy bodies and minds. Our high school building is totally inadequate even if we had the teaching staff available. One ray of sunshine in our bleak program is the fine job being done by Mrs. Mary C. Rosta, R. N., our school nurse, who keeps constant watch on the health of our boys and girls.

Our athletic program was back more nearly to normal at the opening of school this fall. Girls' hockey under the supervision of Miss Vickery, and boys' football under Mr. Spaulding, enjoyed a very successful year. Again the future of eleven-man football for Kingston presents a problem. Our small enrollment makes the continuation of this sport very difficult and uncertain. There is a movement afoot among the four or five smaller schools in the South Shore League to introduce a six-man football next year. I am sure that will be the answer to the small-school problem. Our basketball season is well underway; the girls' team this year being coached by Mrs. McAvonia, who came from Norwell. The use of buses for transportation to and from games is once more permitted and makes our interschool program much more feasible.

The school lunch program has taken new strides forward this year. We are serving more lunches than ever before and I am sure the benefits to the students of such a well-balanced

meal will more than compensate for the many headaches and heartaches of those whose hard work makes it possible. At present there are three full-time workers in the High School unit and two in the Cobb School. With the transfer of grades five and six to the Maple Avenue School the demands upon the High School facilities were increased, necessitating a change in location and an increase in personnel. New equipment has made the work in both units more efficient and more sanitary.

Lunches served in both units during the past year totaled 47,167, an increase of over 1,000 over last year. The effects of this year's increase from September on has not made itself felt as yet. The High School unit serves an average of 170 lunches a day and the Cobb School unit about 130. In addition to the complete lunches many pupils who bring their lunch from home purchase milk at a cost of two cents per bottle. In the High School building it is estimated that close to 85% of the students either buy a lunch or a bottle of milk each day. This program is operated under the Community Lunch Project sponsored jointly by the State Department of Education, the Department of Public Welfare, and the United States Department of Agriculture. Miss Dorothy W. Oliver, of the High School faculty, and the senior girls in her commercial classes have done a fine job in making this program a success.

The sale of war stamps, and later victory stamps has continued throughout the year. A total of \$2,300.25 worth of stamps have been purchased. This is somewhat less than was purchased last year but nevertheless it represents a major effort on the part of the pupils.

The end of the war has brought new problems into focus which cannot be ignored by educators and least of all by our local high schools. The liberal educational benefits provided by the G. I. Bill of Rights has impressed upon the returning veteran the value of education in preparing himself for the post-war world. Our State Department of Education has recognized the

needs of the veteran who lacks a High School diploma through his leaving school to join the services or to go to work. Realizing that the returned veteran would feel out of place in the regular High School, the department has established regional High Schools throughout the State where these young men may complete the work necessary to qualify for a High School diploma. At present, the nearest school to Kingston is the one at Bridgewater State Teachers College, but it is hoped one will soon be opened nearby, probably in Plymouth. A few Kingston veterans are taking advantage of this opportunity and it is hoped many more will soon. I would be very glad to offer our services to any veteran who may feel the need for help in beginning the program.

I want to thank you and the School Committee for the help and encouragement given me during the past year.

Respectfully submitted,

FRANCIS M. MORAN

Principal

# FINANCE COMMITTEE REPORT 1946

To the Citizens of Kingston:

Transfers were made from the Reserve Fund to the various Town departments during the year 1945 as follows:

Selectmen	\$85.41
Dog Officer	10.00
Fire Department	869.41
Insurance, Municipal Bldgs., Property	514.13
Public Welfare—Gen. Relief	1,271.91
Observance of Memorial and Armistice Days	75.00
Town Reports	21.75
Legal Expense and Other Contingencies	556.72
Soldiers and Sailors Benefits	84.00
Total	\$3,487.42
Balance	12.58
Total Fund	\$3,500.00

During the year the Kingston Finance Committee was represented at the quarterly meetings of the Association of Town Finance Committees. Discussions were had as to new legislation, new decisions, practical problems affecting all towns generally, and other matters pertaining to town government.

In 1945 a considerable outlay of Town funds was directed toward improving and extending the Water System. A demand prevails for Water Service from sections of the Town now without it. This fact, coupled with the demand for a new school building construction program, has been given constant study and attention by your committee throughout the year. We have been

particularly concerned from the financial aspect lest the Town become involved in obligations it might find difficult to handle in the years to come.

At the present time the financial condition of the Town is good. We can face our problems with confidence providing good judgment and careful planning is continuously exercised.

We commend the various Department heads and officials of the town for their excellent service and the manner in which they have administered the affairs of the Town during 1945.

Respectfully submitted,

ORRIN G. COLLEY, Chairman  
 LAWRENCE W. BAILEY, Secretary  
 FRED W. BAILEY  
 ROBERT DAVISON  
 ARNOLD FACCHINI  
 MYRON S. HOLMAN  
 RICHARD W. LORING  
 JOSEPH R. McMANUS  
 RICHARD W. O'BRIEN.

# **TOWN OF KINGSTON**

**MASSACHUSETTS**

---

## **REPORT AND RECOMMENDATIONS**

**OF THE**

**FINANCE COMMITTEE**

**TO THE**

**Annual Town Meeting, 1946**

---

**Together with a Copy of the Warrant Articles  
and Accompanying Recommendations.**

## REPORT AND RECOMMENDATIONS OF THE FINANCE COMMITTEE

To the Voters of the Town of Kingston:

The Finance Committee submits herewith its annual report and recommendations on appropriations and other matters come before the voters at the Annual Town Meeting.

In preparing recommendations of the Budget items the committee has had the full cooperation of all Town Departments in obtaining detailed information and explanation of requested appropriations. The amounts established should adequately provide for the proper and efficient transaction of Town business.

Among the larger requested appropriations of the State Articles we recommend favorable action by the voters to purchase a new road grader. This equipment should prove an excellent investment by materially increasing the efficiency of Repairs, Road Construction, and Snow Removal work as well as a source of income to the town by rental to neighboring towns and the State when not needed for local work.

In 1945 a large sum of money was appropriated and transferred from available funds, (\$90,300.00 appropriated, \$5,000.00 from free cash; total \$114,300.00) for expansion and improvement of the Water Service System. We view favorable continuance of this work this year, only in the Kingston Section, with the necessary sum to be raised and appropriated from the 1946 Tax Levy.

Any tendency at this time to further extend the Water Service by committing the town to a long range bonded indebted-

ness is not in our opinion justified. (Jan. 1, 1946 Town Indebtedness \$81,000.00.)

We recommend the appropriation of \$500.00 for the School Building Committee to publish and distribute a survey report. This report when available should be given careful consideration by all Townspeople. The need for a new School Building cannot be over emphasized.

To meet the requirements of the programs underway, and to assure real quality of civic well-being in the years to come involves the voters of the Town in a policy of careful spending now.

Respectfully submitted,

ORRIN G. COLLEY, Chairman

# FINANCE COMMITTEE RECOMMENDATIONS ON WARRANT ARTICLES

Art. 4. To see if the town will vote to fix the salaries of elected officers.

We recommend that under Article 4 the Salaries for elected officers shall be fixed as follows:

Moderator	\$25.00
Town Clerk	220.00
Treasurer	660.00
Collector	770.00
Chairman of Selectmen	325.00
Other Selectmen, each	137.50
Chairman of Board of Health	215.00
Other Members of Board of Health, each	27.50
Chairman of Board of Public Welfare	385.00
Other Members of Public Welfare, each	110.00
Chairman of Board of Assessors	1,200.00
Other Assessors, each	300.00
Water Commissioners, each	50.00

Art. 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

THE AMOUNTS REQUESTED BY THE DEPARTMENTS  
HAVE BEEN RECOMMENDED IN FULL  
WITH THE FOLLOWING EXCEPTIONS:

Item	Requested	Recommended
2	\$1,250.00	\$1,090.00
10	5,253.00	5,053.00

Art. 6. To see if the town will vote to authorize the town treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1946, and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chap. 44, General Laws.

Recommend favorable action.

Art. 7. To see if the town will vote to raise and appropriate a sum of money for road construction under Chapter 90; said money to be used in conjunction with any money which may be allotted by the State or County, or both for this purpose, or take any action relative thereto.

Recommend an amount not exceeding \$6,000.00 be appropriated as the Town's share.

Art. 8. To see if the town will vote to raise and appropriate a sum of money for the purchase of a new road grader.

Recommend an amount not exceeding \$8,800.00 be appropriated.

Art. 9. To see if the town will vote to sell the present High-way grader at private sale. (By-Law, Sect. 6, Art. 8.)

Recommend favorable action if Article 8 passes.

Art. 10. To see if the town will vote that the Collector of Taxes be elected for a three year term.

Recommend favorable action.

Art. 11. To see if the town will vote to raise and appropriate the sum of \$300.00 for the purpose of maintaining during

the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

Recommend favorable action.

Art. 12. To see if the town will vote to accept the provisions of Chapter 723 of the Acts of 1945 authorizing the establishment and maintenance of a municipal department or district for furnishing information, advice, and assistance to veterans of World War II, or other veterans, and raise and appropriate a sum of money therefor.

Recommend favorable action.

Art. 13. To see if the town will authorize the Selectmen to sell at public auction the property (land and building thereon) known as the Rocky Nook Hose House.

Recommend favorable action.

Art. 14. To see if the town will vote to raise and appropriate the sum of Fifty Dollars for the use of the Old Coast Transportation Committee.

Recommend favorable action.

Art. 15. To see if the town will vote to accept as a gift a certain sum of money to be added to the Flag Fund.

Recommend acceptance.

Art. 16. To see if the town will vote to raise and appropriate, or transfer from available funds, a sum of money for the use of the School Building Committee, to publish and distribute an educational survey report.

Recommend an amount not exceeding \$500.00 be appropriated.

Art. 17. To see if the town will vote to accept as a town way the private way now known as Kennedy Road, beginning at the property assessed to Dekla Mistler to the property assessed to Severina Silva, a distance of approximately 600 feet, as laid out by the Selectmen, and appropriate therefor. (By Petition.)

Do not recommend Article 17.

Art. 18. To see if the town will vote to raise and appropriate, or transfer from available funds, a sum of money for the purpose of extending an 8" water main approximately 1,600 feet, from Pine Street down Howland's Lane 400 feet, and thence 1,200 feet down Leigh Road of the Kingston Shores development, so called; and that approximately 4,560 feet of 2" pipe be laid on the several streets in the Kingston Shores development, leading from Leigh Road.

Recommend an amount not exceeding \$8,500.00 be appropriated.

Art. 19. To see if the town will vote to extend the water main from the junction of Pembroke and Brookdale Streets to the corner of Pembroke and Lake Streets, thence through Lake Street to the railroad crossing, thence down Grove Street to property assessed to Ruby Hales, a distance of approximately 20,000 feet, and raise by loan or otherwise the necessary sum therefor; said main to be not less than 8" in diameter. (By Petition.)

Do not recommend Article 19.

Art. 20. To see if the town will vote to raise and appropriate by loan or otherwise, a sum of money for extending the

water main on Wapping Road from the end of the present main to the property of Andrew A. Rogers, or approximately 529 feet; said main to be 10" in diameter. (By Petition.)

Do not recommend Article 20.

Art. 21. To see if the town will vote to raise and appropriate a sum of money for extending the water supply on Kennedy Road, so called, from the property of Dekla Misher to the property of Severina Silva, or approximately 600 feet. (By Petition.)

Do not recommend Article 21.

Art. 22. To see if the town will appropriate the sum of \$389.51 to pay the overdraft of the Snow Removal account of 1945.

Recommend favorable action.

Art. 23. To see if the town will appropriate the sum of \$18.08 to pay the overdraft of the General Highway account of 1945.

Recommend favorable action.

Art. 24. To see if the town will appropriate the sum of \$112.36 to pay the overdraft of the Police maintenance account of 1945.

Recommend favorable action.

Art. 25. To see if the town will vote to transfer the expended balance of \$122.50 now in the appropriation made at the Annual Town Meeting, March 1945, for the Survey of Features to the Water-Equipment account.

Recommend favorable action.

Art. 26. To see if the town will vote to transfer the unexpended balance of \$39.06 now in the appropriation made at the Annual Town Meeting, March 1945, for the Extension of Water Mains—Gray's Beach, to the Water-Equipment account.

Recommend favorable action.

Art. 27. To see if the town will vote to raise and appropriate \$94.15 to pay unpaid bills and payroll of the General Highway Account of 1945.

Recommend favorable action.

Art. 28. To see if the town will vote to raise and appropriate \$210.79 to pay unpaid bills and payroll of the Police Maintenance Account of 1945.

Recommend favorable action.

Art. 29. To see if the town will vote that the sum of ten thousand dollars (\$10,000) now available in Free Cash, be appropriated for the use of the Assessors in the reduction of the tax levy.

Recommend favorable action.

Art. 30. To see if the town will vote that the following appropriation balances be closed out to Surplus Revenue:

Radio—Police Car	\$25.00
Forest Fires—Truck	29.78
Second Brook—Construction	14.00

Recommend favorable action.

## TOWN WARRANT

## COMMONWEALTH OF MASSACHUSETTS

PLYMOUTH, SS.

GREETING.

To either of the Constables of the Town of Kingston:

In the name of the Commonwealth you are required to warn and warn the inhabitants of said town who are qualified to vote in town affairs to meet at the TOWN HOUSE on

Saturday, the Ninth Day of March Next, 1946

for the following purposes, viz.:

Art. 1. To choose all necessary Town Officers, the following officers are to be chosen on one ballot—viz.: A Moderator, a Town Clerk, a Treasurer, a Collector of Taxes, two Constables, and a Tree Warden, all for one year. One Selectman, and one member of the Board of Public Welfare, each for two years. One Selectman, one Assessor, one member of the Board of Public Welfare, one member of the School Committee, two members of the Fireground Commission, two Trustees of the Public Library, and one Water Commissioner, all for three years.

Art. 2. At the close of the Election and after the announcement of the results of the election, the meeting will stand adjourned until SATURDAY, the sixteenth day of March, following, at 1:00 P. M. at the REED COMMUNITY BUILDING when such officers as are to be nominated from the floor will be chosen.

Art. 3. To hear and act upon the reports of the Town Officers.

Art. 4. To fix the salaries of elected officers.

Art. 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

Art. 6. To see if the town will vote to authorize the town treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1946, and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chap. 44, General Laws.

Art. 7. To see if the town will vote to raise and appropriate a sum of money for road construction under Chapter 90; said money to be used in conjunction with any money which may be allotted by the State or County, or both for this purpose, or take any action relative thereto.

Art. 8. To see if the town will vote to raise and appropriate a sum of money for the purchase of a new road grader.

Art. 9. To see if the town will vote to sell the present Highway grader at private sale. (By-Law, Sect. 6, Art. 8.)

Art. 10. To see if the town will vote that the Collector of Taxes be elected for a three year term.

Art. 11. To see if the town will vote to raise and appropriate the sum of \$300.00 for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

Art. 12. To see if the town will vote to accept the provisions of Chapter 723 of the Acts of 1945 authorizing the establishment and maintenance of a municipal department or district

for furnishing information, advice, and assistance to veterans of World War II, or other veterans, and raise and appropriate a sum of money therefor.

Art. 13. To see if the town will authorize the Selectmen to sell at public auction the property (land and building thereon) known as the Rocky Neck Hose House.

Art. 14. To see if the town will vote to raise and appropriate the sum of Fifty Dollars for the use of the Old City Transportation Committee.

Art. 15. To see if the town will vote to accept as a gift a certain sum of money to be added to the Flag Fund.

Art. 16. To see if the town will vote to raise and appropriate, or transfer from available funds, a sum of money for the use of the School Building Committee, to publish and distribute an educational survey report.

Art. 17. To see if the town will vote to accept as a gift the private way now known as Kennedy Road, beginning at the property assessed to Dekla Mistler to the property assessed to Severina Silva, a distance of approximately 600 feet, as laid out by the Selectmen, and appropriate therefor. (By Petition.)

Art. 18. To see if the town will vote to raise and appropriate, or transfer from available funds, a sum of money for the purpose of extending an 8" water main approximately 160 feet, from Pine Street down Howland's Lane 400 feet, and thence 1,200 feet down Leigh Road of the Kingston Shores development, so called; and that approximately 4,560 feet of 2" pipe be laid on the several streets in the Kingston Shores development, leading from Leigh Road.

Art. 19. To see if the town will vote to extend the water main from the junction of Pembroke and Brookdale Streets to

the corner of Pembroke and Lake Streets, thence through Lake Street to the railroad crossing, thence down Grove Street to property assessed to Ruby Hales, a distance of approximately 20,000 feet, and raise by loan or otherwise the necessary sum therefor; said main to be not less than 8" in diameter. (By Petition.)

Art. 20. To see if the town will vote to raise and appropriate by loan or otherwise, a sum of money for extending the water main on Wapping Road from the end of the present main to the property of Andrew A. Rogers, or approximately 5,200 feet; said main to be 10" in diameter. (By Petition.)

Art. 21. To see if the town will vote to raise and appropriate a sum of money for extending the water supply on Kennedy Road, so called, from the property of Dekla Mistler to the property of Severina Silva, or approximately 600 feet. (By Petition.)

Art. 22. To see if the town will appropriate the sum of \$389.54 to pay the overdraft of the Snow Ren.oval account of 1945.

Art. 23. To see if the town will appropriate the sum of \$118.08 to pay the overdraft of the General Highway account of 1945.

Art. 24. To see if the town will appropriate the sum of \$112.36 to pay the overdraft of the Police maintenance account of 1945.

Art. 25. To see if the town will vote to transfer the unexpended balance of \$122.50 now in the appropriation made at the Annual Town Meeting, March 1945, for the Survey of Fixtures, to the Water-Equipment account.

Art. 26. To see if the town will vote to transfer the unexpended balance of \$39.06 now in the appropriation made at the Annual Town Meeting, March 1945, for the Extension of Water Mains—Gray's Beach, to the Water-Equipment account.

Art. 27. To see if the town will vote to raise and appropriate \$94.15 to pay unpaid bills and payroll of the General Highway Account of 1945.

Art. 28. To see if the town will vote to raise and appropriate \$210.79 to pay unpaid bills and payroll of the Police Maintenance Account of 1945.

Art. 29. To see if the town will vote that the sum of 20 thousand dollars (\$20,000) now available in Free Cash, be appropriated for the use of the Assessors in the reduction of the tax levy.

Art. 30. To see if the town will vote that the following appropriation balances be closed out to Surplus Revenue:

Radio—Police Car	\$25.00
Forest Fires—Truck	29.73
Second Brook—Construction	14.00

To transact any other business that may legally come before said meeting.

The polls will be opened at 10:00 o'clock A. M. on Saturday, the ninth day of March, and may be closed at 6:00 o'clock P. M. and the adjourned meeting will be opened at 1:00 o'clock P. M. on Saturday, the sixteenth.

And you are required to serve this warrant by posting or tested copies thereof seven day at least before the time of said meeting.

Hereof fail not and make return of this warrant with your doings thereon at time and place of said meeting.

Given under our hands this twelfth day of February, 1946

WILLIAM M. POST,  
JOHN J. MOORE,  
PERCY W. BAILEY,

Selectmen of Kingston.
