Total Amount to be raised by Taxation - - \$289,105.31

Article 6. On the motion of George W. Cushman, Voted: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1950, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 7. On the motion of Orfeo H. Sgarzi, Voted: That the town raise and appropriate the sum of \$400 for the purpose of maintaining, during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

Article 8. On the motion of John J. Moore, Voted: That the sum of \$4,000 be transferred from unappropriated available funds in the treasury to meet the town's share of the cost of Chapter 90 highway construction, and that, in addition, the sum of \$12,000 be transferred from unappropriated available funds in the treasury to meet the state's and county's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to unappropriated available funds in the treasury.

Article 9. On the motion of John J. Moore, Voted: That the sum of \$500 be transferred from unappropriated available funds in the treasury to meet the town's share for the maintenance of roads constructed under Chapter 90 provisions, said money to be used in conjunction with any money which may be allotted by the State or County for this purpose, and that, in addition, the sum of \$1,000 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to unappropriated available funds in the treasury.

Article 10. On the motion of Percy W. Bailey, Voted: That the sum of \$4,500 be transferred from unappropriated available funds in the treasury for the purchase of a tractor for the Highway Department. (Yes - 92; No - 86)

The following tellers were appointed before the vote could be counted on Article 10, and were sworn in by the Moderator: Horace C. Weston, James Clark, Warren Dewing, and Henry Hayford.

Article 11. Orfeo H. Sgarzi moved that the town take by release and purchase, or lay out, or both, land necessary for the establishment of a town dump, and transfer from unappropriated available funds in the treasury, the sum of \$3,700 to be used for the purchase of said land and for starting operations for said dump, said land to be part of lots 7 and 8 in Block 6 of Town Map.

Kerton E. Seaver moved an amendment that a committee of four be nominated from the floor today to work in conjunction with the Board of Health in the picking of a new site for a town dump, outside of the residential limits of the town, and that the Committee report at a Special Town Meeting. AMENDMENT WAS CARRIED; therefore, no vote was taken on the original motion.

The Moderator asked for nominations, and the following were nominated and voted individually: Edward S. Schilling, James D. Clark, Nerton E. Seaver and Nerton D. Streeter.

Article 12. On the motion of Percy W. Bailey, Voted: That the sum of \$3,310.03 be raised and appropriated for the payment of certain unpaid 1949 bills of the Welfare Department. (Voted unanimously)

Article 13. John J. Moore moved that the sum of \$3,800 be transferred from unappropriated available funds in the treasury, for the erection of a bathhouse, and improving the facilities at Gray's Beach.

Edward S. Howe moved an amendment that the following words be added to the original motion: "and in no way deteriorating from the park portion of Beach property." AMENDMENT WAS LOST.

Horace C. Weston moved an amendment that the words "raised and appropriated" be inserted in place of the words "transferred from unappropriated available funds in the treasury". AMENDMENT WAS LOST.

A vote was taken on the original motion, and it was unanimously Voted: That the sum of \$3,800 be transferred from unappropriated available funds in the treasury, for the erection of a bathhouse, and improving the facilities at Gray's Beach.

Article 14. On the motion of Percy W. Bailey, Voted: That the town vote to accept the layout of the discontinuance of part of Evergreen Street as provided in the proposed layout #1087 of the Plymouth County Commissioners. (Voted unanimously)

Article 15. On the motion of John J. Moore, Voted: That the town accept the lots M & M1 and N & N1 as shown on Plan #4, Rocky Nook Beach, Kingston, Massachusetts, owned by Henry A. Brown Corporation, August 12, 1949, Delano and Keith, Surveyors, and deeded to the Town of Kingston by Henry A. Brown, President of aforesaid corporation on December 21, 1949. (Voted unanimously)

Article 16. Orfeo H. Sgarzi moved that the sum of \$2,500 be raised and appropriated for the purpose of collecting garbage within the town, said work to be under the supervision of the Board of Health. MOTION NOT CARRIED - Yes - 136; No - 141.

Article 17. On the motion of Ralph F. Santoro, Voted: That the sum of \$650 be raised and appropriated for the purpose of making necessary repairs to the dam and apron at the pumping station on Elm Street. (Voted unanimously)

Article 18. On the motion of Ralph F. Santoro, Voted: That the sum of \$4500 be raised and appropriated for the purpose of replacing the present water main (now for summer use only) on Standish Avenue, North Street and Rocky Nook Avenue, from Cole Street to North Street, or approximately 1,200 feet, with six inch water main, the same to be replaced for winter service.

Article 19. Ralph F. Santoro moved that the sum of \$1,600 be raised and appropriated for the purpose of extending the water main on Post's Court, so-called, for a distance of approximately 500 feet. MOTION WAS LOST - Yes - 78; No - 82.

Article 20. On the motion of Ralph F. Santoro, Voted: That the sum of \$3,500 be appropriated and transferred from available funds for the purpose of cleaning the water main on the following streets: Summer Street, starting from the Old Stony Brook Hill School to Main Street at the junction of Routes 106 and 3; Green Street, from Summer Street to Main Street; Indian Pond Road, starting from Sylvia Place Road to Elm Street; Elm Street, starting from the junction of Indian Pond Road and Elm Street to Brook Street; Brook Street from Elm Street to Main Street, or approximately 12,500 feet.

Article 21. On the motion of Ralph F. Santoro, Voted: That the sum of \$2,000 be raised and appropriated for the purpose of extending the water main on Center Hill Road, starting at Main Street, or approximately 700 feet.

Article 22. On the motion of Ralph F. Santoro, Voted: That Article three (3) of the special town meeting held May 26, 1947, be amended to read as follows: That the sum of \$5,000 be appropriated and transferred from available funds for the purpose of extending the water main on River View Avenue, approximately 1,000 feet of 6" pipe.

Article 23. On the motion of Ralph F. Santoro, Voted: That the following unexpended balances: Water - Pembroke Street - \$984.01; Water - Winter Street - \$21.89; and Water - Wright Court - \$21.45, be transferred to the appropriation made at the Annual Town Meeting on March 12, 1938, for additional wells.

Article 24. On the motion of Antone J. Spath, Voted: That the town transfer the unexpended balance

of \$832 now in the account entitled "Playground - Regalvanizing Fence", to the appropriation entitled, "Playground - Repairs to Building". (Voted unanimously)

Article 25. On the motion of Franklin W. Zwicker, Voted: That the town appoint a permanent water front committee of three members to serve, one for three years, one for two years, and one for one year, members to be appointed by the Moderator, and thereafter one member is to be appointed annually by the Moderator to serve for three years; and raise and appropriate the sum of \$1,000 to be used at the discretion of this committee for the purpose of formulating plans and making such minor improvements as may be feasible. (Voted unanimously)

Article 26. On the motion of John J. Moore, Voted: That the town accept the way known as Riverside Drive as laid out by the Selectmen to be 40 feet in width, beginning at a point on the northeasterly side of Main Street and running to the Jones River, a distance of approximately 2,500 feet, together with a landing at the Jones River, or approximately 2,600 square feet. (Voted unanimously)

Article 27. On the motion of John B. West, Voted: That the town instruct the Selectmen to grant permission to the Kingston Fire Department, Engine Company #1, for the use of the plot of town owned land at the junction of Main and Summer Streets, as a memorial plot. (Voted unanimously)

Article 28. On the motion of Warren H. Kriegel, Voted: That Article 20 of the warrant at the annual town meeting held on the 15th day of March, 1947, be amended to read as follows: That the Selectmen be authorized to sell the Rocky Nook Schoolhouse to the American Legion, Harold F. Govoni Post, No. 387, for the sum of \$1.00.

Article 29. George A. Peters moved that the sum of \$16,388 be raised and appropriated for the purpose of

extending the water main from the end of the present main on Grove Street, near the property of Earl C. Paulding, approximately 5,757 feet. MOTION NOT SECONDED.

Article 30. On the motion of Christine King, Voted: That the sum of \$2,100 be raised and appropriated for the purpose of extending the eight inch water main along Grove Street, starting at the end of the present main on Grove Street, to the property assessed to Christine King, or a distance of approximately 700 feet.

Article 31. Henry L. Hayford moved that the sum of \$10,000 be taken from free and unappropriated cash now in the treasury, and the sum of \$14,000 be raised and appropriated by tax levy, a total of \$24,000, for the purpose of extending the 10" water main on Pembroke Street, starting at the property assessed to George J. and Mary G. Gauquier to the corner of Pembroke and Lake Streets, thence along Lake Street to the property assessed to Ann H. Weber, a distance of approximately 6,000 feet.

Horace C. Weston moved an amendment that the sum of \$10,000 and the sum of \$14,000, a total of \$24,000, be raised and appropriated for the purpose of extending the 10" water main on Pembroke Street, starting at the property assessed to George J. and Mary G. Gauquier to the corner of Pembroke and Lake Streets, thence along Lake Street to the property assessed to Ann H. Weber, a distance of approximately 6,000 feet. AMENDMENT WAS CARRIED - Yes - 93; No - 78. Then a vote was taken on the original motion, as amended, and the MOTION WAS NOT CARRIED. Francis M. Moran and Lincoln C. Bartlett were appointed tellers, releasing Horace C. Weston and Henry L. Hayford.

Article 32. On the motion of Percy W. Bailey, Voted: That the town accept the way known as Prospect Street beginning at approximately the line of property of Arthur M. Bonney, to the new State road, a distance of approximately 1,845 feet, as laid out by the Selectmen to be 40 feet in width, and raise and appropriate

the sum of \$2,500 for the construction thereof. Yes - 99; No - 22.

Article 33. On the motion of Orfeo H. Sgarzi, Voted: That the town accept the way now known as Pine Street in the Rocky Nook section of Kingston, beginning at a point on the westerly side of Howland's Lane and running approximately 1,100 feet to the Jones River, as laid out by the Selectmen to be 40 feet in width, and re-named Atwood Street; and raise and appropriate the sum of \$1,500 for the construction thereof. Yes - 103; No - 4.

The meeting now reverted back to Article 31. On the motion of Horace C. Weston, Voted: That a committee, consisting of two residents of the Silver Lake section, selected by the Moderator, and the Water Commissioners examine the possibility of obtaining an independent source of water and the installation of a separate water system in that area, and that \$500 be raised and appropriated for the expense of this study, and that the committee be directed to report at the next annual meeting.

Article 34. On the motion of John J. Moore, Voted: That the town authorize the Selectmen to establish an official town seal. (Voted unanimously)

Article 35. On the motion of John C. McCann, Voted: That the town establish a World War II Memorial Committee composed of seven members to be appointed by the Moderator, three from the American Legion Post #108, three from the Harold F. Govoni Post #387, and one from the Board of Selectmen; said committee to report at the next annual town meeting.

Article 36. On the motion of Irma A. Ruffini, Voted: That the following appropriation balances be closed out to Surplus Revenue:

New Doors for Vault	\$3.00
New Police Cruiser	4.95
Highway - 2 Ton Truck	2.95

On the motion of John J. Moore, Voted: To adjourn (4:45 P. M.)

Number of voters present - 256 (163 men and 93 women)

Vote checkers were N. Catherine Bartlett and Paul E. Tobin.

GEORGE W. CUSHMAN,
Town Clerk

SPECIAL TOWN MEETING

May 4, 1950

The Special Town Meeting was called to order at 8 P. M. by the Moderator, Albert H. Holmes. The warrant was read by the Moderator.

Mr. James D. Clark made a complete report for the committee appointed at the Annual Town Meeting, on the matter of a new town dump.

Article 1. James D. Clark moved that the town take by purchase Lots 24 and 25, Block 9 and 10 on the south-east side of Elm Street, as shown on the Assessors plan, for the establishment of a town dump and other town use and transfer the sum of \$6,000 from available funds in the treasury for said land and for starting operations for said dump; said work to be done under the supervision of the Selectmen. MOTION WAS NOT CARRIED.

The following tellers were appointed and sworn in by the Moderator: Herbert G. Coar, Samuel C. Bonney, Warren Dewing and Raymond Parker. The vote on Article 1 was Yes - 33; No - 97.

Article 2. On the motion of Ralph F. Santoro, Voted: That the sum of \$3,000 be appropriated and transferred from available funds for the purpose of replacing the 2 1/2" water main along Shirley Avenue with a 6" main, with hydrants, services and other necessary fittings, beginning at Main Street, for a distance of approximately 1,000 feet.

Article 3. On the motion of Percy W. Bailey, Voted: That the sum of \$1,700 be transferred from available funds in the treasury for applying black-top penetration to Shirley Avenue, beginning at Main Street, a distance of approximately 1,000 feet.

Orfeo H. Sgarzi offered a substitute motion under Article 1: Mr. Sgarzi moved that the sum of \$1,500 be transferred from available funds in the treasury to the Board of Health budget for the purpose of establishing a new dump. MOTION NOT CARRIED.

On the motion of John J. Moore, Voted: To adjourn (8:58 P. M.)

Number of voters present - 181 (112 men and 69 women)

Vote checkers were Catherine J. Bartlett and Paul E. Tobin.

GEORGE W. CUSHMAN

Town Clerk

SPECIAL TOWN MEETING

October 10, 1950

The Special Town Meeting was called to order at 7:37 P. M. by the Moderator, Albert H. Holmes. The warrant was read by the Moderator.

Article 1. On the motion of Percy W. Bailey, voted unanimously: That the town accept the gift of Eliza H. Faunce of wood lots #41, 42 and 43 in Block 10, and a portion of Lot #375, Block 6, described as follows: The land in Kingston situated on the north-westerly side of Furnace or Trout Brook and lying southeasterly from the Mayflower Mills, containing 5 acres more or less and bounded and described as follows: beginning at said Furnace or Trout Brook at the easterly corner of land conveyed by Eliza H. Faunce to William A. Scherff et ux, thence running by said Scherff land now owned by one Faunce, north 36° 25' west 5

feet more or less to a concrete bound, thence still by said land conveyed to Scherff north $36^{\circ} 25'$ west 546.7 feet to a concrete bound, thence north 52° thirty-six feet east by remaining land of Eliza H. Faunce 242 feet more or less to a fence and land conveyed by said Eliza H. Faunce to Mayflower Worsted Co., thence south $48^{\circ}-00'$ east by the fence and said Mayflower Worsted Co. land 600 feet more or less to said Furnace or Trout Brook, thence southwesterly by said brook upstream to the point of beginning, said gift to be known as the Walter H. Faunce Memorial Grant.

There were sixty-one voters present when this article was acted on.

On the motion of Orfeo H. Sgarzi, Voted: That a recess be declared for ten minutes (7:50 P. M.), due to the fact that there was not a quorum present. The meeting was again called to order at 8:02 P. M., at which time there were only 49 men and 23 women, total - 72. Mr. Moore stated how important this town meeting is, and said it would have to be adjourned, with the hope that everyone present this evening would come and bring others with them, in order that we may have a quorum to act on the articles. On the motion of John J. Moore, Voted: That the meeting be adjourned until Friday, October 20, 1950 at 8 P. M. (8:05 P. M.)

Paul E. Tobin and Jessica Hayford served as vote checkers.

GEORGE W. CUSHMAN,

Town Clerk

SPECIAL TOWN MEETING

October 20, 1950

The adjourned special town meeting was called to order at 8:05 P. M. by the Moderator, Albert H. Holmes.

Article 2. On the motion of John J. Moore, Voted: That the sum of \$2,100 be transferred from available funds in the treasury, for the purpose of defraying the expenses of the Soldiers and Sailors Benefits account for the balance of the year. Voted unanimously.

Article 3. On the motion of John J. Moore, Voted unanimously: That the sum of \$846 be transferred from the Suppression of Moths account to the Tree Warden account.

Article 4. On the motion of John J. Moore, Voted unanimously: That the sum of \$400 be transferred from available funds in the treasury, for the purpose of defraying the expenses of the Road Machinery, Operations, Equipment and Repairs account for the balance of the year.

Article 5. On the motion of Richard W. Loring, Voted unanimously: That the sum of \$1,000 be transferred from available funds in the treasury to the reserve account for the purpose of providing for any unexpected and unforeseen emergencies that might arise during the balance of the year.

Article 6. On the motion of Clarence R. Drew, Voted unanimously: That the sum of \$400 be transferred from available funds in the treasury for the purpose of defraying the expenses of the Fire-Maintenance account for the balance of the year.

Article 7. On the motion of Emil Sauer, Voted unanimously: That the sum of \$2,250 be transferred from available funds in the treasury for the purchase

and installation of a new heating system in the Fire Station.

Article 8. Orfeo H. Sgarzi moved that the town authorize the Selectmen to sell the Cobb and Howland's Lane schools, including land, at private sale or public auction. Remido Tassinari moved an amendment that the property be sold at public auction. AMENDMENT WAS NOT CARRIED. Vote was taken on the original motion and it was voted: That the town authorize the Selectmen to sell the Cobb and Howland's Lane schools, including land, at private sale or public auction. As this required a two-thirds vote, the following tellers were appointed: Lincoln C. Bartlett, George A. Walsh, William A. Campbell, and Mario Tassinari. (Yes - 94; No - 5)

Article 9. On the motion of Percy W. Bailey, Voted: That the sum of \$100 be transferred from available funds in the treasury for the purpose of Civil Defense.

Article 10. On the motion of Ralph F. Santoro, Voted unanimously: That the sum of \$2,000 be appropriated and transferred from available funds in the treasury for the purpose of purchasing land under the provisions of Chapter 239 of the Acts of 1885, and amendments thereto, said land being a portion of the land owned by Clarence S. and Thalia M. Ertman, described as follows: northerly by South Street approximately 550 feet, thence south approximately 200 feet to a stake and 241.55 feet to a stake and thence south 514.00 feet, all along land of the said Clarence S. and Thalia M. Ertman; and thence from the point of beginning north 379.50 feet to a stake and thence south 344.50 feet to a stake and thence south 200 feet, all along the land of John E. and Albert P. Ruprecht, this being shown in complete detail on a plan of Delano and Keith dated August 8, 1950, and containing approximately eight acres; said land to be for the purpose of increasing the water supply. (Yes - 107; No - 0)

Article 11. On the motion of Ralph F. Santoro, Voted: That the sum of \$7,600 be appropriated and transferred from available funds in the treasury for the purpose of installing a gravel packed well on a portion of the land described in the plan of Delano and Keith dated August 8, 1950, being the land to be purchased from Clarence S. and Thalia M. Ertman.

Article 12. On the motion of Ralph F. Santoro, Voted unanimously: That the sum of \$3,500 be appropriated and transferred from available funds in the treasury for the purpose of replacing the 2" water main on Thomas Street for a distance of approximately 1,000 feet with a 6" pipe.

On the motion of Richard W. Loring, Voted: That a committee of seven members be appointed, consisting of the three Water Commissioners, two members to be appointed by the Selectmen, and two members to be appointed by the Finance Committee, to study the needs of the Kingston Water Department, and report at the next Annual Town Meeting.

On the motion of John J. Moore, Voted: To adjourn (9:02 P. M.)

Number of voters present - 115 (76 men and 39 women)

Vote checkers were Jessica E. Hayford and Paul E. Tobin.

GEORGE W. CUSHMAN,

Town Clerk

SPECIAL TOWN MEETING

December 7, 1950

The Special Town Meeting was called to order at 7:30 P. M. by the Moderator, Albert H. Holmes.

On the motion of Ernest H. Cote, Voted: To recess for fifteen minutes, due to the fact that there were only fifty-nine voters present. (7:33 P. M.)

The meeting was again called to order at 7:48 P. M., and the warrant was read by the Moderator. There were only seventy-nine voters present, and the meeting was adjourned at 7:50 P. M.

Paul E. Tobin and Catherine J. Bartlett served as vote checkers.

REPORT OF THE SELECTMEN

The persistent rise in the cost of material and labor throughout the nation is, of necessity, being felt in the operations of the various town departments. Every effort has been, and will be made, to hold these increases to a minimum.

TOWN SEAL

After these many years Kingston became the proud possessor of an official town seal. It is both interesting and pertinent and depicts the old anchors which were forged here; together with the brig Independence which was built along the Jones River. To carry out the nautical motif the seal is edged with rope.

POLICE DEPT.

As the year comes to an end we find our police department in a rather unusual condition caused by a combination of sickness and the needs of the national emergency. Officer Colice C. Tison, who had served you for 26 years was retired during 1950 because of disability. Chief William H. Brown was stricken early in December and at the time of this report was still convalescing, and one of our officers has been recalled to active service with the U. S. Marines.

SCHOOLS

By authority delegated to the Selectmen at the Special Town Meeting of October 20, 1950, the Howland Lane school was sold at public auction to the Hillside Club for \$2500. As yet, no progress has been made relative to the Cobb School.

GRAY'S BEACH

This project is gradually becoming of more and better recreational value to our inhabitants. The new

bathhouse, with modern plumbing, was completed in time for the summer season and a start has been made to extend the beach area by removal of stones.

STREET LIGHTING

The program of improving our highway illumination referred to in our town report of last year was partially completed by the installation of larger lights at various important intersections. Due to the shortage of vital defense materials we feel that further additions to this project should be temporarily postponed.

Respectfully submitted,

John J. Moore, Chairman
Orfeo H. Sgarzi
Percy W. Bailey

REPORT OF THE FIRE DEPARTMENT

Honorable Board of Selectmen:

During 1950 the Fire Department responded to 53 calls as follows: 15 building fires, 11 chimney fires, 6 automobile fires, 6 oil burner fires, 1 electric motor fire, 2 radio fires, 3 oxygen calls, 3 high tension wires down, 3 calls for serious automobile accidents, 2 calls standing by for other towns, and 2 false alarms.

Directly after the town meeting the Board of Fire Engineers established the present two-man system at the Fire Station. This consists of a caretaker who lives at the station and a second man, the Company Captain, who works six eight-hour days, and is on call at all times, except on days off. This system has proven its worth many times, both in a quicker response to fires, and in the routine work and inspections required by law.

The major outlay by the department this year was the installation of a new heating system. The old boiler had given faithful service for over thirty years, and finally failed to pass the annual inspection required by law. This system has been installed and is in working order.

At the coming town meeting the Fire Department is requesting the purchase of an auxiliary lighting unit, and a second siren or alarm whistle.

The Board of Engineers wishes to take this opportunity to thank the men of the Fire Department for their fine spirit and co-operation during the past year.

Respectfully submitted,

Emil Sauer, Chairman
Clarence R. Drew, Clerk
G. Palmer Holmes, Chief Eng.

REPORT OF THE FOREST FIRE WARDEN

Honorable Board of Selectmen:

During 1950 the Forest Fire Department made 166 runs; 69 woods and grass fires, 35 trips checking fires, 57 calls to the town dump, 5 out of town calls, and 5 false alarms. Not one of these fires exceeded one acre. This fine record of extinguishment was made possible, to a large degree, by the new two-man system set up this year by the Fire Department.

During 1950, 2,761 permits were granted for fires in the open. I would like to take this opportunity to thank the citizens of Kingston for this fine co-operation, as it saves a lot of unnecessary runs and money if we know where the smokes are when the towers call.

A second two-way radio was purchased this year and has proven to be very beneficial to the department.

Respectfully submitted,

G. Palmer Holmes

Forest Fire Warden

REPORT OF THE SHELLFISH CONSTABLE

Honorable Board of Selectmen:

Once again it becomes necessary to report that the natural propagation and growing of shellfish has not been entirely satisfactory. We again made plantings and, as formerly, the seed came from other areas and was purchased through the co-operation of the Department of Conservation, Bureau of Marine Fisheries.

The figures given below are estimates with the exception of the number of shellfish permits issued:

Commercial digging (Quahogs):	
30 bushels @ \$4.00 per bushel - - - - -	\$120.00
Commercial digging (Seaworms):	
20,000 @ .06¢ each - - - - -	1,200.00
Family digging (Clams):	
16 bushels @ \$8.00 per bushel - - - - -	128.00
Family digging (Seaworms):	
4,000 @ .06¢ each - - - - -	240.00
Family digging (Quahogs):	
20 bushels @ \$4.00 per bushel - - - - -	80.00
Total	\$1,868.00

Commercial Diggers permits issued:

4 @ \$5.00 each - - - - - \$20.00

Family Diggers permits issued:

146 at no charge

Respectfully submitted,

Colice C. Tison

Shellfish Constable

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

Honorable Board of Selectmen:

The annual report of the Sealer of weights and Measures is hereby submitted for the year 1950.

	Adjusted	Sealed	Condemned
Scales over 10,000		3	
Scales 100 to 5,000	9	28	2
Scales under 100	15	51	5
Weights		161	
Liquid: 1 gal. or under		45	
Over 1 gallon		3	
Gasoline Pumps	7	36	
Vehicle Tank Meter		3	
Bulk Storage Meters		2	
kerosene and Grease Pumps	4	26	
Cloth Meters		1	
Yard Sticks		5	

A re-check has been made of merchandise in stores as required by Law, with sealing fees collected to the amount of \$169.55 and adjusting fees of \$3.00.

Office Hours: Tuesday Nights 7 - 9 P.M.

Respectfully submitted,
George T. Pratt

Sealer of Weights and Measures

REPORT OF THE TREE WARDEN

During 1950 there were 14 trees removed, 2 of which had Dutch Elm Disease.

The department has done considerable trimming of the Elm trees. A great deal of this type of work is planned for the coming year.

The new power saw which was purchased during the year has proved itself very efficient and satisfying.

The department is asking for a new power saw designed for trimming. This piece of equipment would eliminate a considerable amount of time in pruning large limbs.

Respectfully submitted,

Earl C. Paulding

Tree Warden

REPORT OF THE SUPERINTENDENT OF MOTH WORK

The department wishes to thank all the people of the town for their co-operation during the aerial spraying which was very successful. A constant check-up by the department is required in the sprayed areas to guarantee against any new infestation getting a foothold undiscovered.

The department found Red Spider to be very plentiful in the Rocky Nook section of the town.

Respectfully submitted,

Earl C. Paulding

Moth Superintendent

REPORT OF THE BOARD OF HEALTH

The good health record experienced by our town for several years continued during 1950 with nothing of a severe nature causing any alarm.

As a result of the appropriation made last March, a new bath house was built at Gray's Beach and together with the necessary toilets and sewage disposal, a serious health menace was eliminated. We are also planning to cover a portion of the brook at the beach, further improving the sanitary conditions and at the same time increasing the beach and auto parking areas.

A new town dump was established during the year on the property of Paul H. Delano, located on the Southwesterly side of the new Kingston bypass. This was made possible by the public spirited nature of Mr. Delano who gave the Board of Selectmen an option to purchase this land for a reasonable sum. We, of course, feel that this property should be acquired without delay.

We are pleased to report that the dental clinic is in operation at the new elementary school. Completely furnished with modern equipment we are now able to perform a better service than in the past. The clinic is in charge of Dr. Thomas D. Gorham, whom we appointed at the beginning of the school year.

Respectfully submitted,

Orfeo H. Sgarzi, Chairman
John J. Moore
Percy W. Bailey

Board of Health

REPORT OF INSPECTOR OF ANIMALS AND
INSPECTOR OF SLAUGHTERING

Honorable Board of Selectmen:

The past year there has been twenty truck loads of cattle shipped into Kingston from Vermont. These animals were all inspected and found to be in proper order, and free from disease. Charts and permits were checked and then reported to the States in proper form.

This year I have had to quarantine nineteen dogs. However, all were released after the 14 day period.

To my knowledge, there has been no slaughtering in the town during the past year.

Three cases were inspected for the State also.

Respectfully submitted,

Oakley A. Chandler

Inspector of Animals
and Slaughtering

REPORT OF THE HIGHWAY DEPARTMENT

Honorable Board of Selectmen:

The town accepted two streets as town ways this year, Atwood Street, formerly known as Pine Street, and the extension of Prospect Street. Both of these streets were excavated, gravelled and are ready for a penetration.

A portion of Grove Street and Wright Court received an asphalt seal. The extensive gravelling project improved Smith's Lane, South Street, Ring Road, West Street and Grove Street.

The Chapter 90 work consisted of a construction program on a portion of Evergreen Street and Wapping Road. The drainage on these two streets has been installed, but through lack of curbing, the completion of Evergreen Street was postponed until 1951. One mile on Pembroke Street received a stone and asphalt seal, under the Chapter 90 maintenance program.

The major portion of the sidewalk appropriation was used to build a sidewalk at the Howland's Lane railroad bridge, thus relieving a dangerous hazard to pedestrians at this point.

The Highway Department was called upon to help with the work of improving conditions at Gray's Beach, and also to help construct the driveways at the new elementary school.

In the 1949 report it will be noted we referred to the need of more adequate housing for our highway equipment, and that plans were being formulated for the erection of a more suitable building. We now feel, due to the general unrest of the country and the high prices of materials, it is unwise to enter upon this project at this time.

A request is being made at the town meeting for the

replacement of two trucks, which should be done this year.

The importance of Section 12 of Article 1A of the Town By-laws which pertains to parking on the highways during snow storms is called to the attention of car owners. This unlawful practice not only impedes the removal of snow, but also endangers the lives of the plow operators. The co-operation of the townspeople will be greatly appreciated.

Respectfully submitted,

G. Palmer Holmes

Superintendent of Streets

REPORT OF THE DIRECTOR OF CIVIL DEFENSE

To the Citizens of Kingston:

Herewith is submitted the first report of your Local Director of Civil Defense for the year ending December 31, 1950.

Kingston Local Civil Defense is being planned and organized in accordance with the state-wide basic law, Acts of 1950, Chapter 639 and plans of the State Civil Defense Agency. These are made to fit with the Federal Laws for Civil Defense, now enacted and in the process of being set up.

Since enactment of Chapter 639, approved on July 20, 1950, the general defense organization for the state has been set up with eight major divisions, listed below, and similar organizations in each of the nine regions of the state, and as far as possible with the same eight divisions on local levels, all for the necessary protections of life and property in the event of "disaster, calamity or catastrophe."

CIVIL DEFENSE IS FIRST A LOCAL PROBLEM AND DUTY

Civil Defense is first of all a local problem and duty. This is the basic idea of our state-wide plan and the Federal Government plan. If we can prepare, organize and take care of ourselves first, then we can call on others for some help, in an emergency.

Many of our citizens are enrolling in the various divisions which are listed below, to be ready to succor and aid in any catastrophe, and to help in the readjustments afterward. A very large proportion of our adult population will be needed in some capacity. All capable adults are urged to enroll.

The Local Civil Defense organizations are set up with the following divisions and heads:

DIVISIONSHEAD

- | | |
|--|---|
| 1. Administration | (Vacancy) |
| 2. Medical and Health | Dr. William C. Gould
Orfeo H. Sgarzi, Chairman
Board of Health |
| 3. Rescue, Transportation and Evacuation | G. Palmer Holmes
Abraham A. Ruffini, 1st. asst.
Kenneth O. Kite, 2nd. asst. |
| 4. Police | William H. Brown
Chief of Police |
| 5. Fire | G. Palmer Holmes
Chief of Fire Department |
| 6. Communications | (Vacancy) |
| 7. Utilities
(water, electricity
and gas supply) | Ralph F. Santoro, Chairman
Water Department |
| 8. Civilian War Aid | Percy W. Bailey, Chairman
Board of Public Welfare |

In addition to the above, the townspeople are asked by federal authorities to establish and maintain an airplane spotting station, which is to be one of a number of such stations for the Ground Observer Corps. This will be a necessary link in the reporting of aircraft and in the Air Raid Warning network.

Each of the above divisions has its special duties to perform competently and quickly. Further, they have the duty of co-operating with all other divisions, and with all of the town departments when in the exercise of their duties.

Persons who enroll in Civil Defense will normally

be assigned to one division only, where the need appears greatest. However, transfers can be arranged, as needs change.

Special bulletins are being issued to members of each division for their guidance and training. These are in accordance with state and federal defense plans.

I wish to acknowledge the co-operation and material help of the Board of Selectmen, the Board of Health, and Board of Public Welfare; of Mrs. Irma A. Ruffini, of Mrs. Maybelle B. Collingwood for clerical help, and of each department head listed above.

God forbid that we ever have to face the emergencies, with all of the sufferings and losses resulting from "disaster, calamity or catastrophe." Nevertheless, our wisest and our only policy for our survival is adequate and timely preparation. Every man and woman has duties and can contribute services, some heavily, and all some small part. Now is the time to prepare.

Respectfully submitted,

Charles W. Lawrance, Director

Local Civil Defense

OLD AGE ASSISTANCE

Due to the increase of Old Age and Survivors' Insurance, which began October 1st, we were able to complete the year without obtaining additional funds. As a direct result of this, approximately \$1200.00 was saved during the last three months of the year.

The Bureau of Internal Revenue is investigating cases in which the children claim their parents as dependents, and who are being supported at public expense. Therefore, children are commencing to consider supporting their parents and receiving income tax deductions rather than having them apply for Old Age Assistance.

The case load of this department has been low because of a number of deaths.

Respectfully submitted,

Percy A. Bailey, Chairman
John J. Moore
Orfeo H. Sgarzi

Board of Public Welfare

REPORT OF THE OFFICE OF VETERANS' SERVICES

Honorable Board of Selectmen:

The annual report of the Office of Veterans' Services for the year ending December 31, 1950, is hereby submitted:

Active cases, January 1, 1950	2
New cases	19
Cases closed during year	13
Cases denied	5
Active cases, December 31, 1950	8

The entire budget allowance was increased by the State Department this year to allow for the higher living costs. Due to the foregoing, together with certain unforeseen medical and hospital expenses plus a greatly increased case load, it became necessary to request additional funds to operate the department through the remainder of the year.

The work of this office is showing a steady increase each year. As a result of the unsettled times numerous problems which affect the veteran and serviceman, as to their rights and benefits, are being encountered. Veterans and their dependents of the present conflict have become eligible for Veterans' benefits. It is expected that in a very short time the addition of this new group will be reflected in the budgetary requirements of this department.

We wish to call to the attention of all Veterans of the Town of Kingston that this department is at their service to assist and advise them in any problems that they may have. The facilities of this office are at their disposal every Tuesday evening between the hours of 7:30 P.M. and 10 P.M.

Respectfully submitted,
Laurence P. Reid, Director
Office of Veterans' Services

PARTIAL REPORT OF THE SCHOOL BUILDING COMMITTEE

The efforts of this committee to solve the school building problems of Kingston have resulted in the erection of the new Elementary School. This school is an efficient, functional building that should adequately house the first six grades for many years. Only a large influx of population, unexpected and unforeseen at this time, would necessitate additional space for the lower grades. The school is so designed that new classrooms could be added at a minimum of cost.

We suggest that every citizen who has not inspected the building take the time to go through the school, and we are certain they will be convinced that Kingston has received excellent value for the money expended.

The Town appropriated \$457,000 for an Elementary School, but the building has been erected and completely equipped for approximately \$402,000. At this writing there are a few outstanding bills and commitments and we cannot give a final Financial Report. A summary of expenditures as of December 31, 1950, is included at the end of this report.

The committee has repeatedly advised the Town that the Elementary School solved part of the school problem, that the heavy pupil load will reach the seventh grade level in 1953, and cause a serious housing situation in the upper grades. The Town must face this situation realistically and bring about a permanent solution of that problem.

The Towns of Pembroke, Halifax, and Plympton have similar problems and this committee recommends that we join those towns in a co-operative study of common problems. A solution could result in a regional sec-

ondary school, providing educational and housing facilities far superior to those any of the towns would be able to provide if each erected its own building, and at a much lower cost.

Schools are an important part of the responsibilities of a community and this committee appointed by the Town, first to investigate School building needs, and then to erect a building approved by the citizens, has carried out these appointed tasks with the friendly co-operation of many of their fellow townspeople. We hope all future committees will have this same kind of co-operation.

Mr. Jacob H. Dries served as the Moderator's appointee to this committee, from its inception in 1945 until his death this past year. Mr. Dries was an able, public-spirited member of this committee and his community.

your co-operation

REPORT OF THE
WATER FRONT COMMITTEE

During the year a floating wharf, which extends beyond the permanent wharf, was installed enabling boats to land when the tide is low. Also, an electric light has been placed at the wharf for the convenience of boating parties landing after dark.

Through the kindness and generosity of Mr. Percy L. Walker and Mr. Chester L. Heckman, owners of the land north of the town property, we secured the gift of a tract of land containing 200 feet frontage extending to the channel and adjoining the present wharf on the north side.

A request of \$1500.00 is contained in the 1951 Budget to be used with a like amount from the State. This is to be used to dredge a basin large and deep enough to accommodate all of our present boats. Our plan is to use the material removed for the purpose of building a much needed parking area.

With your support the Jones River can be developed into a fine harbor. The State officials are very much interested in the development of this project and with your co-operation it will become a reality.

Respectfully submitted,

Fred L. Bailey, Chairman
Franklin W. Zwicker
C. R. Drew, Clerk

REPORT OF THE ALEWIFE COMMITTEE

Honorable Board of Selectmen:

We wish to report that in co-operation with the State authorities, 8,800 alewives were transported to the following ponds:

Grossman's Pond - - - - -	2,300
Champion Bog - - - - -	1,000
Chandler's Pond - - - - -	1,000
Black Water Pond - - - - -	500

The State placed 1,000 alewives in Chandler's Pond, 1,000 in Black Water Pond, and 2,000 in Grossman's Pond.

A new step was made at the Herring Run located at the pumping station on Elm Street.

During the summer we lost a member of this committee, through the death of Mr. Frank H. Shaw. He was a valuable member and is greatly missed.

Respectfully submitted,

Colice C. Tison, Chairman
Arthur B. Holmes
Fred L. Bailey
Samuel C. Bonney

REPORT OF THE LIBRARY TRUSTEES

To the Citizens of Kingston:

We submit the following report of complete fiscal transactions in the operation of the Frederic C. Adams Public Library during 1950. This includes an accounting of income received and expended from the library funds left to the Town by Frederic C. Adams, Rosa A. Cole, Annie C. Thomas, and Byron C. Quinby. The status of each of these library funds appears in the report of the State Auditor.

From Town Dog Fund and Tax Levy

1950	Receipts	Payments
Mar. 18 Town appropriation	\$2,425.00	
Librarian salary		\$1,240.00
Janitor salary		660.00
Fuel oil		242.52

	\$2,425.00	\$2,425.00

From Endowed Funds and Book Fines

1950	Receipts	Payments
Jan. 1 Balance of income from 1949	\$6,942.51	
Amer. Tel. & Tel. dividends		18.00
Ply. Cordage dividends		492.80
Ply. National Bank dividends		61.60
Atcheson, Topeka & Santa Fe interest		20.00
Denver & Rio Grande Western interest		49.50

Savings Bank deposits		
Interest	443.33	
Book fines, paid to		
Town	120.13	120.13
Books and periodicals		643.83
Repairs and equipment		81.80
Supplies and postage		23.86
Bank service and		
safe deposit		5.00
Treasurer's salary		50.00
Fidelity bond premium		10.00
Dec. 31 Bal. of income unexpended		<u>7,213.25</u>
	<u>\$8,147.87</u>	<u>\$8,147.87</u>

Of the unexpended income on December 31, \$6,400.69 was in Massachusetts Savings Bank, and \$812.56 was in the Merchants National Bank of Boston.

In our report to the Town we incorporate the following Librarian's Report by Mrs. Lenari to the Trustees.

The past year has been a continuance of the usual activities at the library.

There is always a great demand for the popular new books, both fiction and non-fiction, of which we have had a great many and a very varied selection.

The pupils of the Kingston Schools use the library daily, for reference work, book reviewing and general recreational reading, which is very gratifying. It is possible through the Mass. State Division of Public Libraries under the inter-library loan plan to borrow any books other than fiction which are not available in the library.

The number of new borrowers is steadily increasing. It is a pleasure to notice the increase in the circulation of periodicals.

Many favorable comments are received from the sub-

mer residents who use the facilities of the library during June, July and August.

We are fortunate in having the excellent service of Mr. William F. Carey as janitor at the library.

The Librarian wishes to express her appreciation to Miss Lillias Ford, Miss Elizabeth Zwicker, and Miss Mary Lawrance for giving so graciously their services in the library.

The trustees and the librarian wish to extend their sincere thanks to the following donors for their gifts of books, flowers, and periodicals: Kingston Reading Club, First Congregational Parish (Unitarian), Kingston, Mrs. Jay Ward, No. Carver, given in memory of the late Frank and Gladys Shaw of Kingston, Mrs. Fred L. Bailey, Mr. Roland S. Bailey, Mr. George B. Cushing, Mr. Harry A. Howe, Mr. Edward S. Howe, Mrs. Charles Farrington, Mrs. Irma Peterson, Mr. and Mrs. Ward C. Lovell, Mrs. John Wright, and the Plymouth Cordage Company.

REPORT OF THE PLAYGROUND COMMISSION

We present herewith the annual report of the Playground Commission to the citizens of Kingston.

BUILDING IMPROVEMENTS

1. The floors of the main auditorium, stage, side halls, and entrances were sanded and refinished.
2. The side rooms, halls, stairways and mens' shower room were painted.
3. The classroom used by the school department was vacated in June. The room is now reverted to its former use.
4. New curtains and shades were put in the side rooms.
5. All furnishings in the building were repaired.
6. Bubblers were installed in both shower rooms.

PLAYGROUND IMPROVEMENT

1. Both ball fields were regraded.
2. Outdoor basketball and tennis courts were put into playing shape.
3. Swings and see-saws were repainted.

The shower baths were open daily from 2:30 P.M. to 5:30 P.M. every day except Sundays and holidays during the year and were well patronized.

The activities held in the Community Building have been as usual.

SUPERVISED SUMMER PROGRAM

The summer program under the direction of a supervisor proved very satisfactory. There were 69 enrollments, both boys and girls, ages ranging from 6 to 16 years.

The activities were highlighted by the following:

1. Baseball
2. Arts and Crafts
3. Tennis
4. Field days
5. Baseball trips to Braves Field

RECOMMENDATIONS

1. Installation of water pipe line to tennis court.
2. Flag pole for playground.
3. Continuation of supervisor for summer playground activities.

RENTALS

The Rentals for the coming year are as follows:

1. The entire building	\$25.00
2. Main Auditorium	15.00
3. Basement with kitchen	15.00
4. Basement without kitchen	8.00
5. Sideroom, afternoons 2 - 5 P.M.	2.00
6. Sideroom, evenings	3.00
7. Rehearsals	3.00

Respectfully submitted,

Fred L. Bailey, Chairman
George A. Candini, Jr., Sec.
Lester F. Zahn
George J. Tura
Antone J. Spath

Playground Commission

REPORT OF THE DIRECTOR OF THE PLYMOUTH COUNTY EXTENSION SERVICE

During the summer twilight meetings were held at different farms in the County with demonstrations of farm machinery and procedures, and discussions of dairy problems. Conferences seem to be tending to the Regional meetings where a larger group may receive instructions at the same time. Laboratory testing for Mastitis, in an effort to eliminate this stubborn disease, has been carried out under a Mastitis Control program.

The Cranberry Festival and Chicken Barbecue held at Edaville, South Carver in October drew a record crowd. The 33rd annual Union Agricultural Meeting at the Worcester Memorial Auditorium, January 9-10 and 11, covered every phase of Agriculture and Homemaking. There were 44 co-operating organizations.

A meeting was held November 15 at the South Hanson County Hospital at which Legislators and County Commissioners were the principal speakers. Kingston women were represented on the "Coats for Beginners" project, held at the Plymouth Cordage Hall in the spring. A conference on "Meals for Many" was held at Hanson in October. The February meetings were on "New Ideas in Food Preparation" prepared by Miss May E. Foley, Extension Nutritionist.

The Plymouth County Extension Service, with its County Agents, Home Demonstration Department and the 4-H Club stands ready to help with personal problems at any time and pamphlets can be had on any subject covered by these three departments. A letter addressed to the Plymouth County Extension Service, Court House, Brockton 49, will receive a prompt answer. Those who ask to have their names put on the mailing list will receive notice of meetings and classes. Specialists will visit the home or farm if necessary to iron out problems.

Respectfully submitted,
Eugenia B. Trow
Director

WATER DEPARTMENT

To the Citizens of the Town of Kingston:

The review of the operations of the Kingston Water Department in 1950 comes at a critical time in world affairs. It is a time when the energies of all Americans must be concentrated on the mobilization of all our resources to strengthen and safeguard our national security.

In common with other public agencies the Kingston Water Department has important duties to perform and essential services to render as its part in the vital program of preparedness.

1950 PROJECTS

The water main on Standish Avenue, North Street, and Rocky Nook Avenue, from Cole Street to North Street, was replaced with a 6" main, at a cost of \$4,412.68. The matter of cleaning the water mains on certain streets in Kingston was attempted, but during this process we were faced with many adverse conditions, and due to the hot, dry summer it was necessary to put an end to this project. The extension of the water main on Center Hill Rd. was completed at a cost of \$1,978.71. The water main was extended on Grove Street approximately 1,700 feet at a cost of \$1,687.62. Water pipe on Shirley Avenue was replaced at a cost of \$2,460.90. In addition to these projects, 44 new services were installed, and the usual amount of repair work was done.

ADDITIONAL WATER SUPPLY

Our water supply became frighteningly low during the summer, and it was necessary to curtail the use of hoses. With the continued growth of the town, and a bigger demand for water, your Water Commissioners deemed it advisable to explore the possibilities of a new well. This was done, after which it was the opinion of the Water Commissioners that a very suitable well

would be found on a portion of the Ertman property. Therefore, at a Special Town Meeting held in October 1950, the town appropriated an amount to buy this land. As this report goes to print, a new gravel packed well is in the process of installation.

PROJECTS FOR 1951

It will be necessary to appropriate a sum of money for the purpose of installing and housing the pump and equipment at the new gravel packed well. We are also asking for an appropriation to extend the water main off Main Street, between 103 and 105 Main Street, a distance of approximately 500 feet. We are asking for transfers of various unappropriated balances for further study and improvement of the Water Department, and for appropriations where additional funds are necessary. Due to our present world conditions, the Commissioners believe that a new truck should be purchased this year; therefore, an article has been inserted for that purpose.

Your Water Department believes that they have broken all records in the collection of water accounts, there being no water account outstanding after December 5, 1950. Following is a summary of the collections.

Balance, January 1, 1950	\$932.00	
Commitments	21,554.60	
Abatements and payments refunded	49.50	
		<u>\$22,536.10</u>
Payments to Treasurer	\$22,252.10	
Abatements	284.00	
Outstanding, December 5, 1950	None	
		<u>\$22,536.10</u>

The total number of gallons pumped into the system was 129,343,861.

We conclude this report with an expression of sincere appreciation to the employees and citizens of

Kingston, whose many evidences of good will have contributed to make 1950 a year of continued growth and broader usefulness.

Respectfully submitted,

Ralph F. Santoro, Chairman
Frank A. Sampson
Wilfred J. St. Amant

Board of Water Commissioners

SPECIAL WATER COMMITTEE
SILVER LAKE DISTRICT

To the Citizens of Kingston:

In accordance with the vote of the last annual Town Meeting, a committee, composed of the water Commissioners, together with two residents of the Silver Lake Section, appointed by the Moderator, have considered various means for supplying water to that part of the town. Mr. Forest Baker and Mrs. Dorothy Kirkland were the original appointees and when Mr. Baker resigned in September 1950, Mr. Leslie Smith was appointed in his place. This committee has carefully investigated three possible methods that might be adopted and by an article inserted in the warrant for the Annual Town Meeting of March 1951, has placed its recommended course before the citizens for appropriate action. The report that follows briefly summarizes the facts and figures that led the committee to its decision.

The Statutes covering the establishment of Silver Lake as a source of water for the City of Brockton retained for Kingston the right to an independent supply from the same source. This right is limited, however, by the necessity for obtaining approval from the State Board of Health. It developed that this approval would not be given unless the water were chlorinated and that an expensive installation would be necessary for withdrawing the water and treating it. It also appeared that Kingston might be assessed for any improvements undertaken by Brockton in developing the Silver Lake reservoir. Joint administration of water supply was not proved satisfactory in the past, and the fact that Brockton is already seeking additional supplies made it appear unlikely that a Kingston-Brockton arrangement would prove an exception. In addition to the items mentioned a pumping unit and storage tank would be required so that this seemed to the committee the most expensive and least satisfactory solution and was eliminated from further consideration.

As an alternative the erection of a separate system based on ground water in the Silver Lake Section was proposed. This would entail the erection of a pumping unit, development of a well with a storage tank as a reservoir. Although such a procedure eliminated any present necessity for laying pipe on Fembroke Street from Winter Street to Lake Street, it was, nevertheless essential that it should be planned to fit into the whole Kingston water system when the two were connected at some future time. This and the more obvious method of extending the present mains were submitted to Hayden, Harding and Buchanan, consulting engineers of Boston, for their opinion as to relative practicability and cost.

From their study it appeared that the independent system with elevated storage tank would cost \$113,500, and no adequate fire protection would be afforded without the tank which in itself accounted for over half the cost. In the engineers' report on extension of the present mains they also called for an elevated tank which, together with the laying of the pipe, would require an expenditure of \$118,000. Further study of the problem, however, indicated that the costly tank could be eliminated by increasing the diameter of the pipe with the whole project costing an estimated \$70,000.

Vital to the success of either system was the availability of an adequate volume of water. In the case of an independent system the location and development of ground water in the Silver Lake section posed a problem both as to cost and volume obtainable that could only be answered by actual drilling. When the committee first began its investigations the supply from the present town wells was demonstrably insufficient to carry this additional load. However, during the past summer new sources were discovered on South Street which can contribute ample volume to cover this extension.

Since the necessary volume of water is now assured and since the elevated tank can be eliminated it seemed apparent to the committee that the most practicable and least costly method of supplying water to the Silver

Lake section was by extension of the present mains, and that is the recommendation of the committee.

To place a minimum financial burden on the community for the undertaking it further recommends that \$10,000 be appropriated annually toward this work until the project is complete. The proposed extension would run from the corner of Winter Street along Pembroke Street to Lake Street, along Lake Street to the corner of Grove Street, and 3,000 feet down Grove Street. The total installation would be approximately 12,600 feet in length and service 32 present potential takers.

It is sincerely hoped that this report with its recommendations will form the basis for a solution to a problem which has vexed the community for many years.

It is our belief that by the plan we have submitted, an orderly program can be undertaken which will supply this vital service to an important section of the town within a reasonable time, and without any unreasonable imposition on the taxpayers. It is our pleasure in closing this report to add that the payment of \$75 in engineering fees has been the only expense entailed, and the balance of the \$500 originally appropriated is available for disposition by the Town.

Respectfully submitted,

Dorothy W. Kirkland
Wilfred J. St. Amant
Leslie B. Smith
Frank A. Sampson
Ralph F. Santoro

REPORT OF THE COMMITTEE TO STUDY THE NEEDS OF THE WATER DEPARTMENT

To the Citizens of the Town of Kingston:

Your committee has met regularly since its appointment pursuant to the action of the Town at the special meeting on October 20, 1950. We have studied the current and probable future needs of the Town for a sufficient water service and our report takes the form of a recommended general plan for accomplishment within five or six years.

An adequate water supply is our first need. It appears that, for the present, this need will be satisfied with the additional supply of water which we expect to get from the new well on the Ertman lot. Also, we understand, that the Town will be requested to appropriate \$20,000 (more or less) in 1951 in order to get this additional supply of water into the mains. We recommend this appropriation which is required for additional water supply.

Next in importance, we have in our existing water system at least six major problems; badly in need of repair, replacement, and consequent improvement. These are the following, not listed in order of importance.

The main reservoir off Indian Pond Road,
Stony Brook Hill,
Howland's Lane,
Maple Street and Landing Road,
Summer Street from Linden to Evergreen, and
Brook Street.

There are, of course, some other places in the present system which need correction (not extensions of the system), but the six above-listed would seem to be the largest projects and those which would benefit the greatest number of taxpayers and protect the greatest value of taxable property. We recommend that the Town commence in the year 1952 by making annual appropria-

tions of \$20,000 specifically for one or more of these six named projects, and to continue each year until all of them have been satisfactorily corrected.

In addition to the repair and improvement of the present existing system, there will be requests and petitions each year for extensions of our water mains. Some of this extension work should be done each year and it should be in addition to (it should not take the place of) necessary repairs and corrections needed for the existing system. It is impossible to know exactly what extensions or additions to the water system may be requested during the next five or six years, and we recommend that during this period of time one extension should not be carried out to the exclusion of all others. Also, we advise that extensions and additions should not be permitted to interfere with a regular annual program to achieve these very badly needed corrections in the present system.

THE COMMONWEALTH OF MASSACHUSETTS
 Department of Corporations and Taxation
 Division of Accounts
 State House, Boston 33,

February 6, 1951

To the Board of Selectmen
 Mr. John J. Moore, Chairman
 Kingston, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Kingston for the year ending December 31, 1950, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Line, Assistant Director of Accounts.

Very truly yours,

Francis X. Lang

Director of Accounts

FXL:MMH

Mr. Francis X. Lang
 Director of Accounts
 Department of Corporations and Taxation
 State House, Boston, Massachusetts

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Kingston for the year ending December 31, 1950, and submit the following report thereon:

The financial transactions as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection were examined, checked, and reconciled with the records and reports in the town accountant's office and with the records of the town treasurer.

The town accountant's ledger was analyzed, the receipts being checked with the treasurer's books and with the treasurer's records of payments. The appropriation accounts were checked with the town clerk's records of town meeting proceedings and the recorded transfers from the reserve fund were verified by comparison with the records of the finance committee. A trial balance was taken off, proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on December 31, 1950.

The books and accounts of the treasurer were examined and checked. The receipts, as recorded, were analyzed and checked with the records of the several departments collecting money for the town and with other sources from which money was paid into the town treasury, while the payments were compared with the selectmen's warrants authorizing the treasurer to disburse town funds. The cash book additions were verified, and the cash balance on December 31, 1950 was proved by actual count of the cash in the office and by recon-

ciliation of the bank balances with statements furnished by the banks of deposit.

The payments made on account of maturing debt and interest were compared with the cancelled securities on file and with the amounts falling due.

The savings bank books and securities representing the investment of the several trust and investment funds in the custody of the town treasurer and the trustees were examined and listed. The income was proved and all transactions were verified and compared with the treasurer's and the accountant's records.

The records of tax titles and tax possessions held by the town were examined and checked. The reported redemptions of tax titles were compared with the treasurer's receipts. The amounts transferred from the tax levies were reconciled with the collector's records. The tax titles and tax possessions on hand were listed, reconciled with the accountant's ledger and compared with the records in the Registry of Deeds.

The books and accounts of the town collector were examined and checked. The tax, motor vehicle and trailer excise, departmental, and water accounts outstanding at the time of the previous examination and all subsequent commitment lists were audited and compared with the warrants issued for their collection. The payments to the treasurer were verified, the recorded abatements were checked with the records in the departments authorized to grant such credits, and the outstanding accounts were listed and reconciled with the accountant's ledger.

The outstanding accounts were verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The financial accounts of the town clerk were examined for dog and sporting licenses issued. The payments to the town treasurer were verified and the reported payments to the State were compared with the receipts on file.

The surety bonds of the town treasurer, town collector, and town clerk were examined and found to be in proper form.

The financial records of the sealer of weights and measures, the board of selectmen, the board of health, and of the police, school, and library departments, as well as of all other departments collecting money for the town or committing bills for collection, were examined and checked, the recorded collections being compared with the treasurer's recorded receipts.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax, excise, tax title, tax possession, departmental, and water accounts, as well as tables showing the condition and transactions of the trust and investment funds.

During the progress of the audit, co-operation was extended by the town officials, for which I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

Herman B. Dine

Assistant Director of accounts

Signal for all Schools	7:15 a.m.
Signal for Grades 1-6	7:30 a.m.

SCHOOL COMMITTEE REPORT

To the Citizens of Kingston:

Herewith is presented the Annual Report of the Kingston School Department, together with the reports of the Administrative Staff for the year 1950.

Mr. Ernest Cote resigned after 4½ years work to accept a teaching position in Plympton. Mr. Robert Barbieri was chosen at a joint meeting of the Selectmen and remaining School Committee members to fill the vacancy.

Your School Committee continued to serve as members of the School Building Committee, making the final plans and furnishing the new elementary building which was opened and dedicated on Labor Day afternoon and which was officially opened for school on the opening day for this term.

We are proud to have been able to serve the town on this most important project, especially now that the building is proving its worth even better than had been anticipated. However, the completion of this project, as has been pointed out so many times, takes care of only the elementary pupils and in a short period of time we will be confronted with the severe housing problems in the High School. This situation has been known for years, and your Committee, mindful of their duty, are constantly studying ways and means to relieve this situation at the least possible expense to the town.

Accordingly, there is this year an article in the warrant asking for the appointment of a three-man committee to study the possibilities of joining the towns of Plympton, Halifax, Pembroke and Kingston, the towns comprising our Superintendency Union in forming a Regional School District for the erection and operation of a six-year high school to be built under the Commonwealth of Massachusetts School Aid Program. This program appears to have such great advantages that we,

your School Committee, would be utterly remiss in our duties if we did not present this program to the town for their adoption or rejection. If this article is voted at town meeting, it will set up a committee who will report to the Selectmen at a subsequent meeting and then the town will have another opportunity to vote by ballot whether they wish to enter a regional district or not. This article appears to have so much merit that your School Committee is unanimous in their conviction that the town should have the opportunity to act on this matter.

The School Budget for 1950 was a budget pared to the bone and it took plenty of hard work and scrimping by our able Superintendent to stay within its limits. This is a job well done.

The budget for 1951, while showing an increase, is again a very tight budget but unless prices skyrocket beyond our expectations at the present time, we will again look to our Superintendent to keep us within our limits.

The year 1950 is gone. We are grateful to our entire staff for the spirit of co-operation shown to us; we face 1951 with the hope that bigger and better things will materialize, so that the children of Kingston will be able to take their proper places in this world of ours with an education to which they are entitled at a cost that the town will be able to pay.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and the Citizens of the Town of Kingston:

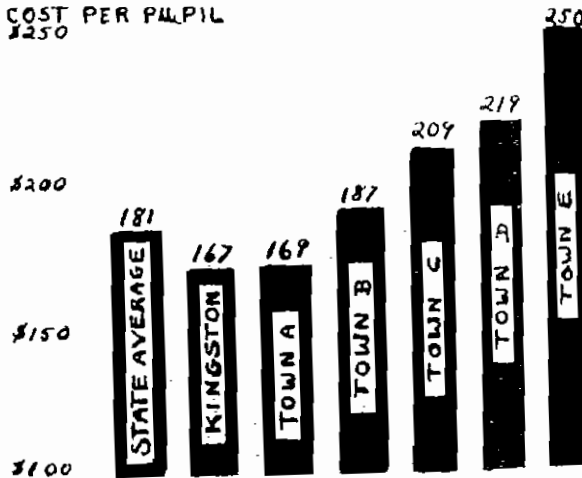

My third annual report is submitted for your consideration. The year just closed may be briefly summarized as one unique in Kingston history. It has seen the opening of the new elementary school, a real milestone in the functioning of our department. It has been a year of few personnel changes, and continuity is most essential to all school systems. Above all, we hope that our boys and girls have made true educational progress as well.

The only personnel changes this year have been in the High School. With the retirement in June of Miss Lottie G. Corneally, after years of most faithful service to the department, Miss Marion Braun, a graduate of Boston University, was elected to fill this vacancy. Mr. William McAuley resigned in July to enter business, and the vacancy created was filled by Mr. Leonello Bertocchi, a recent Fitchburg State Teachers' College graduate. Mrs. Norma Barbieri resigned as secretary to the High School Principal and School Union, -- this position has been filled temporarily by Mrs. Ralph Chouinard. Mr. Henry Kritzmacher, formerly janitor at the Cobb and Howland Lane Schools, is now at the new elementary school, as well as Mr. Edward Borgatti, who is dividing his time between the elementary and high schools.

Financially, our department is faced with submitting the highest budget for schools in our history. This, like the family budget, seems to be difficult to estimate. Normally, everything is at a 10-20% higher level than a year ago. It is no small wonder that our budget, running a school system larger than ever, must reflect this normal trend. Our department has held our costs to the lowest level possible during the past two years. The per-pupil costs in Kingston have been the lowest of all neighboring towns of less than

5,000 population, maintaining high schools in this area. Our per-pupil costs have been just below the average for the state for similar towns. It is safe to assume that, although our budget is higher for next year, we will be in approximately the same position when the final accounting for the year is made. These facts should be kept in mind when comparing our request for next year with our expenditures for 1950.

COST PER PUPIL

Cost Comparison - Annual State Returns - June 1950

By making a few changes in the old High School building this year and utilizing many items from closed schools, we were able to secure approval for this building from the Department of Public Safety. While it is relatively safe for school purposes for the number of pupils now enrolled, it is a long way from being an adequate building, and in the next few years will be much too small to cope with our increased elementary population.

I would be entirely negligent of my duties as a school superintendent if at least the facts regarding a regional or union high school were not brought to your attention. It is imperative that during the next two years careful study be given to the new laws of the Commonwealth in this regard. The present law granting increased aid to build regional schools and to aid participating towns to maintain them should be studied with all of its ramifications, as it is due to expire in June of 1953. I, therefore, recommend to all voters of Kingston that they allow the Moderator to appoint the committee of three, asked for in the annual warrant for the Town Meeting, that this study can be made. To me this is one of the most urgent recommendations to come from my office during my service with the Kingston Schools -- surely we would all be amiss not to at least get the facts.

Sometimes, in our enthusiasm for smooth running school buildings and physical advantages of our plant, we lose sight of our educational objectives. I sincerely hope that this criticism can never be leveled at our department. In line with this feeling, will you kindly read the following sections of this report, pointing out the accomplishments and suggestions for improvement for the year ahead.

HIGH SCHOOL

Housing conditions in Kingston High School have reached a stage which will probably hold without much change for the next three years. We have been able to absorb the increase of 16 pupils over last year's enrollment with the inevitable result. We now have study pupils in practically every class in the high school grades. In the past, we have been able to avoid the poor study situation existing in some classes but this is no longer possible. Today there is hardly a classroom, including typewriting and stenography, in which we do not have from five to twenty pupils with study assignments.

Curriculum

Two changes should be noted in the high school offerings for the past year. The first is the extension of the Rinehart System of handwriting to grades 7 and 8. The second is, at present, extra curricula. I refer to the Driver Training program.

The extension of the Rinehart System to grades 7 and 8 provides a valuable opportunity for emphasis, at the high school level, of this lost art. High School teachers have recognized this weakness in the past but, until now, have not had the opportunity to do anything about it. Once established in the Junior high, perhaps it may be extended to some high school departments.

Acceptance of Driver-Training Car, November 14, 1950

The light green Driver Training car is a familiar sight to many townspeople from three to five o'clock each afternoon of the last two months of the year.

This rather novel sight is but the culmination of a program started many years ago. We have taught Driver Education Courses in our high school for many years. This new addition merely carries the course to its logical conclusion - instruction with a car. The cost of such training is very small, the car itself being donated by the Bryantville Motor Sales. The only costs are its maintenance, operation and instruction. Even these costs are further reduced by the joint use of the car with Pembroke High School. The aim of this program is the development of safe and sane drivers who will not only know the mechanical movements required to operate an automobile, but will also know and appreciate the terrific responsibility faced by drivers on today's highways. This course is being conducted by a State Registry approved instructor, Mr. Arthur B. Hand, of the high school faculty.

We are making plans for the development of a more comprehensive Industrial Arts program under the direction of Mr. Leonello Bertocchi, our new instructor in that department. Along with our increased enrollment comes increased demands on this part of the school program. We have a present and future need for improved facilities for shop work which should take the form of more space and new equipment. Our present one-room shop is so inadequate as to be almost worthless. The provision of Shop facilities for boys and Home Economics facilities for girls is a must in a modern high school program.

School Lunch Program

Like Topsy our school lunch program just grows and grows. As might be expected, the greatest increase in the past year has been in the elementary grades and can be attributed in a great part to the excellent facilities provided in the new Elementary School. I am sure that it must be there that parents most appreciate the importance of such a program for their children and the reasonable prices charged for such a well-balanced menu.

ELEMENTARY SCHOOLS

At long last the elementary grades are housed in one building! This has been a decided advantage as it has aroused interest on the part of the children in what the other grades are doing. It has also developed a feeling of unity and co-operation in the youngsters.

The building has settled down to a good routine. The teachers have established fine work and high standards in the classrooms and good behavior in the halls, lunchroom and playground. About two-thirds of our total enrollment are transported and this number manages to get home on the correct bus every day.

Gym Class - All-Purpose Room

Perhaps the most popular spot in the building is the all-purpose room which is used as lunchroom, auditorium and gymnasium. This room may also be darkened in order to show a film on its built-in screen to a large group of children. Pupils gather here to put on programs and to play games. A physical education program would be most desirable and a beginning has already been made by the teachers. It is hoped that in the not too distant future, we may add a qualified physical education instructor to our staff.

Last year the teachers studied many textbooks in the field of reading in order to choose the one which they thought might show the best results. After much discussion and comparison, the Ginn Basic Readers were adopted and they are proving to be a valuable series. They contain fast moving, good stories and colorful pictures which have instant appeal for the youngsters.

Our search for a good history book still continues and will go on until we find one that is simpler and more attractive than the one we now have. We also hope to make a change in our music series, if possible.

In order to develop a more modern report card, we compared cards from many towns last year. We finally selected four which answered our needs. We adopted some of the ideas contained in these cards, added some of our own, and thus made up our new card. The changes have not been too radical but the cards do give the parents and the pupils an idea of what points are considered when a grade is given. They also inform the parents why better progress has not been made.

ART

During the past year, stress has been laid on the development of creativity and the significant role that art plays within the educative process.

All children enjoy expressing creatively their real or imagined experiences. As they experiment with a

variety of media, and learn the best method of handling them, their skill and their enjoyment increase.

The second phase emphasized this year has been the integration of art with other subjects. The student discovers in art a visual means of communicating his knowledge and conceptions and through research learns to visualize and express correctly the subject at hand -- whether it be animal life, a foreign country or costumes of an ancient era.

Children are idealists in their aesthetic appreciation of holidays and their observance has given opportunities for both creative work and research into traditional expressions.

There has been work on display constantly and the annual exhibition was held at the Reed Community Building on Class Night.

The two largest projects for the year were scenery for the Operetta and an elaborate setting for the Style Show of the Home Economic Department.

MUSIC

The Music Program that was outlined in last year's report has been carried out in the following manner:

ELEMENTARY Music

Introduction of Music Appreciation by records and vocal music. Introduction of note singing as well as rote singing. The establishment of a school instrumental program that numbers some fifty students taking weekly class lessons. The introduction of specialized Boy Choir training for boys who can pass various qualifications.

HIGH SCHOOL Music

A new choral group has been introduced, the all

girls' Glee Club. This group sang at Christmas programs and also put on the first Kingston all girl operetta "Dress Rehearsal". The mixed chorus as usual sang at Graduation. The instrumental program started in the Elementary School has also been established in the High School.

It is hoped that the general music program that now exists will be carried on and developed, always with the interest of the children in mind, to a greater proficiency.

SCHOOL NURSE

In addition to the usual health check-ups and home visits incidental to school absences, the facilities of the following state and county clinics were used:

Plymouth County Hospital: X-ray total - 262. Results of x-ray last November - all negative.

Plastic Clinic, Mt. Auburn Hospital, Cambridge - 1 child attending this clinic for plastic surgery.

Crippled Children's Clinic, Brockton Hospital: Examinations for curvature of the spine, poor posture, post infantile condition, ding-toes. Revisits second Thursday of each month. Follow-up by State Department of Public Health. 10 children.

Speech Clinic, Brockton: Recommendation - attending clinic until recovered or improved. 5 children.

Child Guidance Clinic, Brockton High School: 1 attending the clinic weekly for guidance.

Ears - Pure Tone: 176 pupils tested, 86 passed. 88 re-tested, 62 passed. 26 tested individually, 23 passed, 3 failed. Parents notified and were advised to see ear specialists. Large number of pupils that had to be re-

tested was due to the noise in the building.

Mass. Vision Test: 282 children tested in grades 1, 3, 6, 9, and 12. Partial failures in other grades were re-tested. Test #1 - 9 failures, 6 wearing glasses. 8 partial failures, 3 wearing glasses, 3 not necessary.

Dental Survey: Conducted in June by Mrs. Tassinari from the State Department of Health. It was found that much work was needed in our schools.

SCHOOL PHYSICIAN

An examination of all school children was made following the opening of schools in September.

Following is a list of physical defects and communicable diseases found during the year 1950 up to December 1.

Physical Defects: Tonsils and Adenoids -

First Degree	61
Second Degree	40
Third Degree	15

Posture	17
---------	----

Cervical Glands	67
-----------------	----

Heart	1
-------	---

Acne	53
------	----

Report and Recommendations

OF THE

FINANCE COMMITTEE

TO THE

Annual Town Meeting, 1951

Together with a Copy of the Warrant Articles
and Accompanying Recommendations.

FINANCE COMMITTEE REPORT

before the board of Selectmen:

The report of the activities of the Finance Committee for the year 1950 is hereby submitted.

Regular meetings were held on the first Tuesday of each month with the exception of the summer months. Several special meetings were held during the year to discuss appropriations with the various department officials.

The following sums of money were transferred from the reserve account:

Warrent's Compensation Insurance	\$ 1,100.00
Warrent Master	100.00
Health Committee	250.00
Water - Additional Wells	650.00
Police - New Uniforms	700.00
Soldiers' & Sailors' benefits	1,000.00
Fire - Maintenance	400.00
Treasurer & Collector	150.00
Election & Registration	115.00
Highway - Road Machinery, etc.	350.00
Street, Direction & Danger Signs	100.00
Playgrounds - Maintenance	200.00
	<u>\$ 5,000.00</u>

Respectfully submitted,

Richard A. Loring, Chairman
Henry J. Walsh, Vice-Chairman
Richard A. O'Brien, Secretary
William A. MacPhail

Alf C. Lutz
Thomas D. Gorham
Richard D. Mann
John C. Santos

Finance Committee

REPORT AND RECOMMENDATIONS OF THE FINANCE COMMITTEE

To the Citizens of Kingston:

After serious consideration your Finance Committee presents the following recommendations for action at the Annual Town Meeting.

In considering this year's budget the Committee has kept in mind the high cost of living, and the town budget represents an all time high. We have received the utmost of co-operation from all the departments and Board officials throughout the past year.

If the items in the budget and the warrant articles are passed as requested, the tax rate will be approximately \$45.00 per thousand. If your Finance Committee recommendations are followed and the transfers allowed by Henry F. Long, Commissioner of Corporations and Taxation, the tax rate will be approximately \$37.00 per thousand.

We emphasize the importance of all taxpayers attending both the Annual Election and the Annual Town Meeting.

Respectfully submitted,

Richard W. Loring, Chairman
Henry J. Walsh, Vice-Chairman
Richard W. O'Brien, Secretary
William A. MacPhail
Norman E. Thomas
Alf C. Lootz
Thomas D. Gorham
William A. Campbell
John C. Santos

*Includes balance January 1, 1950, plus transfers from Reserve and Refunds

#Includes payments from balance carried forward

Article 6. To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1951 and to issue a note or notes as may be given for a period of less than one year, in accordance with Section 27, Chapter 44, General Laws.

Recommend favorable action.

Article 7. To see if the town will vote to raise and appropriate the sum of \$400 for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Sanitation Board in accordance with the provisions of Chapter 124, Acts of 1951.

Recommend favorable action.

Article 8. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 20 Construction, or take any action relative thereto.

Recommend favorable action not to exceed \$5,500.

Article 9. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 20 Maintenance, or take any action relative thereto.

Recommend favorable action not to exceed \$1,000.

Article 10. To see if the town will vote to rescind its action taken at the Annual Town Election held on March 1, 1941, whereby the Board of selectmen and the board of Public Welfare are elected for a term of three years, and to elect three members of the Board of selectmen and three members of the Board of Public Welfare as provided for in Chapter 41, Section 1, of the General Laws, all to serve for one year, after the completion of their present term of office. (by Petition)

Serious consideration should be given.

Article 11. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new dump truck for the Highway Department, and authorize the selectmen to turn in a 1 1/2 ton truck now owned by the Highway Department, and apply the allowance thereof to the purchase price of the new truck.

Recommend favorable action not to exceed \$2,500.

Article 12. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a 1/2 ton pick-up truck for the Highway Department, and authorize the selectmen to turn in the present 1/2 ton pick-up truck now owned by the Highway Department, and apply the allowance thereof to the purchase price of the new truck.

Recommend postponement at this time.

Article 13. To see if the town will vote to purchase land necessary for the establishment of a town dump, and raise and appropriate, or transfer from unappropriated available funds in the treasury, the necessary funds for said land together with the funds needed for starting operations for said dump.

Recommend purchase of land.

Article 14. To see if the town will vote to accept Chapter 820 of the Acts of 1950 which provides for an increase of \$100 in the annual amounts of certain pensions for employees separated from the service by retirement prior to November 1, 1949 and at the time of such separation from service had at least fifteen years creditable service.

Recommend favorable action.

Article 15. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new Police cruiser, and authorize the Selectmen to turn in the 1949 Ford Police cruiser and apply the allowance thereof to the purchase price of a new cruiser.

Recommend favorable action not to exceed \$850.

Article 16. To see if the town will vote to accept the way known as Center Hill Road as a town way, a distance of approximately 1,275 feet as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof.

Recommend acceptance with an amount of \$1,100.

Article 17. To see if the town will vote to accept the gift of land of Percy L. Walker and Chester L. Heckman, said land being a portion of Lot A as shown on Land Court Sheet No. #1, Certificate No. 14792A-1, dated January 5, 1951, Delano and Keith, Engineers, and containing 31,000 square feet more or less.

Recommend favorable action.

Article 18. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of constructing a basin on the Jones River; said money to be used in conjunction with money allocated by the State or County, or both, or take any action relative thereto.

Recommend favorable action with an amount of \$1,500.

Article 19. To see if the town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws for all damages that may be incurred

by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of rivers, harbors, tide waters and foreshores, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Recommend favorable action.

Article 20. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of an electric generator for the Fire Department.

Consideration should be given.

Article 21. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of a new fire alarm system.

Not approved.

Article 22. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the erection and maintenance of a local observation post of the Ground Observer Corps of the United States Air Force.

Insufficient information available at this time.

Article 23. To see if the town will vote to authorize the board of water Commissioners to sell any standing timber on any or all properties under the direction of the water Department which the water Commissioners may deem advisable to have removed from time to time, either at private sale, public auction, or otherwise.

Recommend favorable action.

Article 24. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of installing and housing the necessary pump and equipment at the new gravel-packed well at the Ertman property, so-called, off South Street.

Figures not available at time of report going to press. Consideration should be given about a bond issue.

Article 25. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of \$10,000 to extend the water main on Pembroke Street, from the end of the present main.

Recommend favorable action.

Article 26. To see if the town will vote to raise and appropriate a sum of money for the purchase of a truck for the Water Department, and authorize the Selectmen to turn in the truck now owned by the water Department and apply the allowance thereof to the purchase price of a new truck.

Recommend favorable action not to exceed \$1,100.

Article 27. To see if the town will vote to transfer the unexpended balance of \$425 in the appropriation for the use of the Silver Lake Committee to an appropriation to be used by the Water Commissioners for "Engineering Services".

Recommend favorable action.

Article 28. To see if the town will vote to transfer the unexpended appropriation balance of \$539.10, made for Water-Shirley Avenue, at a Special Town Meeting held on May 4th, 1950, to the appropriation made at the Annual Town Meeting on March 12, 1938, for Addi-

tional wells.

Recommend favorable action.

Article 29. To see if the town will vote to transfer the unexpended appropriation balance of \$1,100, made for Water-Grove Street, at the Annual Town Meeting held on March 18, 1950, to the appropriation made at the Annual Town Meeting on March 12, 1938, for Replacement of hard Surface Roads.

Recommend favorable action.

Article 30. To see if the town will vote to raise and appropriate a sum of money for the purpose of extending the water main off Main Street (between 1st and 105 Main Street) for a distance of approximately feet with a 6-inch pipe.

Serious situation that should be rectified.

Article 31. To see if the town will authorize the Moderator to appoint a Regional School District Planning Board, under the provisions of Chapter 122, Acts of 1949, consisting of one member of the school committee and two other citizens; and to raise and appropriate a sum of money therefor. All are to serve without compensation.

Recommend favorable action.

Article 32. To see if the town will vote to raise and appropriate a sum of money for the purpose of replacing the present water pipes in the new community building.

Recommend favorable action.

Article 33. To see if the town will vote to accept the way known as Grandview Road beginning at a point on the southerly side of Deiano Avenue and running approximately 525 feet to a way now known as Landing

Road, said 525 feet to be laid out 30 feet in width, and the said way now known as Landing Road running approximately 644 feet to Atwood Street, said 644 feet to be laid out 40 feet in width, said new ways to be known as Grandview Avenue; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof. (By Petition).

Recommend favorable action not to exceed \$2,800.

Article 34. To see if the town will vote to accept the way extending from the present Maple Avenue to Shirley Avenue, a distance of approximately 350 feet, more or less as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, said continuation to be known as Maple Avenue and to be 30 feet more or less in width; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof.

Recommend postponement at this time.

Article 35. To see if the town will vote to accept the way known as Pleasant Street as a town way, a distance of approximately 600 feet as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof. (By Petition).

Recommend postponement at this time.

Article 36. To see if the town will vote to accept the private way beginning at a point on the northerly side of Prospect Street and running approximately 470 feet to Brightside Avenue, said road to be known as Brightside Avenue as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate,

or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof. (By Petition).

Recommend postponement at this time.

Article 37. To see if the town will vote to hard-surface King Road, extending from Wapping Road to the Plympton town line, a distance of approximately 12 miles; and raise and appropriate a sum of money for the surfacing thereof. (By Petition).

Recommend no action at this time.

Article 38. To see if the town will vote to amend Section 3 of Article VIII of the town by-laws to read as follows: "Any board or committee having authority to contract, shall be subject to competitive bidding, if in excess of \$500.00 (such contracts shall be in writing)".

Recommend no change be made.

Article 39. To see if the town will rescind the vote passed under Article 4 of the warrant for the Special Town meeting held on October 20, 1950, said article reading as follows:

To see if the town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money to the Road Machinery, Operations, Equipment and Repairs account, for the purpose of defraying the expenses for the balance of the year.

Recommend favorable action.

Article 40. To see if the town will rescind the vote passed under Article 6 of the warrant for the Special Town Meeting held on October 20, 1950, said article reading as follows:

To see if the town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money to the Fire-maintenance account for the purpose of defraying the expenses for the balance of the year.

Recommend favorable action.

Article 41. To see if the town will vote the following appropriation balances be closed out to Surplus Revenue:

Fire Station-Heating System - - - - -	\$10.00
Highway-New Tractor - - - - -	21.18
Highway-New Loader - - - - -	9.12
Fembroke Street-Decree #940 - - - - -	21.00
Fembroke Street-Decree #772 - - - - -	104.00
Winter Street-Decree #931 - - - - -	32.73
Wapping Road-Decree #680 - - - - -	24.80
New Flag Pole for War Memorial Plot - - - - -	8.00

Recommend favorable action.

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

Plymouth, ss.

Marshall

I, either of the Constables of the Town of Plymouth,

In the name of the Commonwealth of Massachusetts, do hereby direct to notify and warn the inhabitants of said Town, qualified to vote in elections in Town Affairs, to meet at the Town Hall,

on TUESDAY, the tenth day of March next, at 10 o'clock,

for the following purposes, viz:

Article 1. To choose six necessary Town Officers, the following officers are to be chosen: a Moderator, a Town Clerk, a Fire-warden, two Constables, a Tree Warden, and the Trustees of the P. O. Adams Public Library to fill vacancy, all for one year; one Selectman, one Assessor, one member of the Board of Public Welfare, one Water Commissioner, two members of the School Committee, two Trustees of the P. O. Adams Public Library, and one member of the Playground Commission, all for three years; one member of the Abington Housing Authority, for five years.

Article 2. At the close of the election and after the announcement of the results of the election, the meeting will stand adjourned until the seventeenth day of March following, at one o'clock P.M. at the NEW CATHOLIC BUILDING, when such officers as are to be nominated from the floor will be chosen.

Article 3. To hear and act upon the reports of the Town Officers.

Article 4. To fix the salaries of elected officers.

Article 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

Article 6. To see if the town will vote to authorize the town treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1951 and to issue a note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.

Article 7. To see if the town will vote to raise and appropriate the sum of \$400 for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

Article 8. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any action relative thereto.

Article 9. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

Article 10. To see if the town will vote to rescind its action taken at the Annual Town Election held on March 1, 1941, whereby the Board of Selectmen and the Board of Public Welfare are elected for a term of three years, and to elect three members of the Board of Selectmen and three members of the Board of Public Welfare as provided for in Chapter 41, Section 1, of the General Laws, all to serve for one year, after the completion of their present term of office. (By Petition)

Article 11. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new dump truck for the Highway Department, and

authorize the Selectmen to turn in a 1½ ton truck now owned by the Highway Department, and apply the allowance thereof to the purchase price of the new truck.

Article 12. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a 1½ ton pick-up truck for the Highway Department, and authorize the Selectmen to turn in the present 1½ ton pick-up truck now owned by the Highway Department, and apply the allowance thereof to the purchase price of the new truck.

Article 13. To see if the town will vote to purchase land necessary for the establishment of a town dump, and raise and appropriate, or transfer from unappropriated available funds in the treasury, the necessary funds for said land together with the funds needed for starting operations for said dump.

Article 14. To see if the town will vote to accept Chapter 820 of the Acts of 1950 which provides for an increase of \$100 in the annual amounts of certain pensions for employees separated from the service by retirement prior to November 1, 1949 and at the time of such separation from service had at least fifteen years creditable service.

Article 15. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new Police cruiser, and authorize the Selectmen to turn in the 1949 Ford Police cruiser and apply the allowance thereof to the purchase price of a new cruiser.

Article 16. To see if the town will vote to accept the way known as Center Hill Road as a town way, a distance of approximately 1,275 feet as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money

for the construction thereof.

Article 17. To see if the town will vote to accept the gift of land of Percy M. Walker and Chester M. Heckman, said land being a portion of Lot A as shown on Land Court sheet No. #1, Certificate No. 147,000-1, dated January 5, 1951, Deane and Keith, Engineers, and containing 31,000 square feet more or less.

Article 18. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of constructing a basin on the Otter River; said money to be used in conjunction with money allocated by the State or County, or both, or take any action relative thereto.

Article 19. To see if the town will assume liability in the manner provided by Section 29 of Chapter 71 of the General Laws for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of rivers, harbors, tide waters and foreshores, in accordance with Section 11 of Chapter 71 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Article 20. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of an electric generator for the fire Department.

Article 21. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of a new fire alarm system.

Article 22. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the erection

and maintenance of a local observation post of the Ground Observer Corps of the United States Air Force.

Article 23. To see if the town will vote to authorize the board of water Commissioners to sell any standing timber on any or all properties under the direction of the water Department which the water Commissioners may deem advisable to have removed from time to time, either at private sale, public auction, or otherwise.

Article 24. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of installing and housing the necessary pump and equipment at the new gravel-packed well at the Britman property, so-called, off South Street.

Article 25. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of \$10,000 to extend the water main on Pembroke Street, from the end of the present main.

Article 26. To see if the town will vote to raise and appropriate a sum of money for the purchase of a truck for the water Department, and authorize the Selectmen to turn in the truck now owned by the water Department and apply the allowance thereof to the purchase price of a new truck.

Article 27. To see if the town will vote to transfer the unexpended balance of \$425 in the appropriation for the use of the Silver Lake Committee to an appropriation to be used by the water Commissioners for "Engineering services".

Article 28. To see if the town will vote to transfer the unexpended appropriation balance of \$539.10, made for water-Shirley Avenue, at a Special Town Meeting held on May 4th, 1950, to the appropriation made at the annual Town Meeting on March 12, 1938, for Additional Wells.

Article 29. To see if the town will vote to transfer the unexpended appropriation balance of \$412.38, made for Water-Grove Street, at the Annual Town Meeting held on March 18, 1950, to the appropriation made at the Annual Town Meeting on March 16, 1946, for Replacement of Hard Surface Roads.

Article 30. To see if the town will vote to raise and appropriate a sum of money for the purpose of extending the water main off Main Street (between 103 and 105 Main Street) for a distance of approximately 500 feet with a 6-inch pipe.

Article 31. To see if the town will authorize the Moderator to appoint a Regional School District Planning Board, under the provisions of Chapter 638, Acts of 1949, consisting of one member of the school committee and two other citizens; and to raise and appropriate a sum of money therefor. All are to serve without compensation.

Article 32. To see if the town will vote to raise and appropriate a sum of money for the purpose of replacing the present water pipes in the Keed Community Building.

Article 33. To see if the town will vote to accept the way known as Grandview Road beginning at a point on the southerly side of Delano Avenue and running approximately 525 feet to a way now known as Landing Road, said 525 feet to be laid out 30 feet in width, and the said way now known as Landing Road running approximately 644 feet to Atwood Street, said 644 feet to be laid out 40 feet in width, said new ways to be known as Grandview Avenue; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof. (By Petition).

Article 34. To see if the town will vote to accept the way extending from the present Maple Avenue to Shirley Avenue, a distance of approximately 350 feet, more or

less as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, said continuation to be known as Maple Avenue and to be 30 feet more or less in width; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof.

Article 35. To see if the town will vote to accept the way known as Pleasant Street as a town way, a distance of approximately 600 feet as laid out by the selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof. (By Petition).

Article 36. To see if the town will vote to accept the private way beginning at a point on the northerly side of Prospect Street and running approximately 470 feet to Brightside Avenue, said road to be known as Brightside Avenue as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof. (By Petition).

Article 37. To see if the town will vote to hard-surface Ring Road, extending from Wapping Road to the Plympton town line, a distance of approximately 1 1/2 miles; and raise and appropriate a sum of money for the surfacing thereof. (By Petition).

Article 38. To see if the town will vote to amend Section 3 of Article VIII of the town by-laws to read as follows: "Any board or committee having authority to contract, shall be subject to competitive bidding, if in excess of \$500.00 (such contracts shall be in writing)".

Article 39. To see if the town will rescind the vote

passed under Article 4 of the warrant for the Special Town meeting held on October 20, 1950, said article reading as follows:

To see if the town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money to the Road Machinery, Operations, Equipment and Repairs account, for the purpose of defraying the expenses for the balance of the year.

Article 40. To see if the town will rescind the vote passed under Article 6 of the warrant for the Special Town Meeting held on October 20, 1950, said article reading as follows:

To see if the town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money to the Fire-Maintenance account for the purpose of defraying the expenses for the balance of the year.

Article 41. To see if the town will vote the following appropriation balances be closed out to Surplus Revenue:

Fire Station-Heating System - - - - -	10.00
Highway-New Tractor - - - - -	21.18
Highway-New Loader - - - - -	9.12
