Annual Report
1962

ANNUAL REPORT

OF THE

TOWN of KINGSTON

MASSACHUSETTS

1962

COVER

KINGSTON HIGH SCHOOL

Photo by Loren St. Onge, Kingston, Mass.

The Kingston High School was built on Main Street on land then owned by Cornelius Bartlett. Building was started in 1866 and was formally dedicated in March, 1867, the original school cost being just under \$10,000. Subsequent additions were not added until the 1920's at an approximate figure of \$60,000. In 1951 action was begun for a regional school and the abandonment of the Kingston High School. Since the 1955-56 school year the High School housed the first and second grade Kingston students; and during its last years served as "The Silver Lake Annex" for seventh grade students from the four towns in the District. On September 24, 1962 \$3500 was appropriated for the demolition of the Kingston High School. The razing of this building was begun and completed during October 1962 at a cost of \$1,075.00.

In Memoriam

JOHN T. RANDALL

BORN: August 22, 1875

DIED: December 28, 1962

Pembroke, Mass.

Plymouth, Mass.

From 1935 to July 24, 1945, Mr. Randall served as Tree Warden and Superintendent of Moths. He also served as member of the Board of Assessors from 1938 to 1949 and again from 1957 until his death on December 28, 1962. The town has, by his death, been deprived of a faithful servant and an honorable citizen.

PLYMOUTH TOWN MEETING March, 1963

March 27, 1963

The adjourned meeting was called to order at 7:30 p.m. by the Moderator, Enoch C. Weston. By unanimous approval of the meeting the Warrant was not read.

The Moderator appointed the following person as readers and administered the oath of office to them:

Gavin J. Stair
Foster A. Glass
Warren M. Arfani
Norman C. Steery

Remarks were made by the Moderator in regard to the procedure to be followed during this meeting.

Article 1. The following officers were chosen.

Masters of Ward and Sack — Charles L. Cherry, nomination made by William A. MacPhail and Robert L. Duveson
nomination made by John J. Moore

Director of Plymouth County Extension Service — Florence M. Lavelle nomination made by Hubert S. Lachance

Article 2. On the motion of William A. MacPhail, moved

Unanimously That the reports of Town Officers as given in the 1962 Town Report be accepted.

Article 3. On the motion of Ernest H. John, moved That the salaries of the several elected officers of the town be retroactive to January 1, 1962 and be fixed as follows:

Moderator	\$25.00
Treasurer	150.00
Collector	150.00

Article 6. On the motion of George W. Cushman, Voted Unanimously: That the Town Treasurer, with the approval of the Selectmen, be authorized to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1962 and to issue a note or notes therefore, payable within one year and renew any note or notes as may be given for a period of not more than one year in accordance with Section 17, Chapter 44, General Laws.

Article 7. On the motion of John J. Moore, Voted: That the sum of \$5,000.00 be raised and appropriated to meet the Town's share of the costs of Chapter 90 Highway Construction and that in addition, the sum of \$15,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored, upon their receipt to the Excess and Deficiency account in the Treasury.

The use of available funds under this article was approved by the Finance Committee.

Article 8. On the motion of John J. Moore, Voted: That the sum of \$2,000.00 be raised and appropriated to meet the Town's share of Chapter 90 Maintenance and that in addition the sum of \$4,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt to the Excess and Deficiency account in the Treasury.

The use of available funds under this article was approved by the Finance Committee.

Article 9. On the motion of William A. MacPhail, Voted: That the sum of \$1,500.00 be raised and appropriated for the purchase of a pick-up truck for the Highway Department, and that the Selectmen be authorized to turn in the present 1957 Ford pick-up truck, now owned by the Highway Department, and apply the allowance thereof to the purchase price of the new vehicle. YES, 122; NO, 69.

Article 10. Harley S. Cadenhead, Moved: That the sum of \$14,000.00 be raised and appropriated for the purchase of a bucket-loader for the Highway Department.

Motion was defeated.

Article 11. On the motion of William A. MacPhail, Voted: That the sum of \$2,500.00 be raised and appropriated for the purchase of a vehicle to be used as a cruiser-ambulance by the Police Department and that the Selectmen be authorized to turn in the present 1960 Dodge cruiser-ambulance now owned by the Police Department and apply the allowance thereof to the purchase price of the new vehicle.

Article 12. On the motion of Irma A. Ruffini, Voted Unanimously: That the sum of \$402.08 be raised and appropriated for the payment of an unpaid bill of the Soldiers' and Sailors' Benefits Department for the year 1961.

Article 13. On the motion of Laurence P. Reid, Voted Unanimously: That the portion of the Old Burial Ground located on the northerly side of Main Street abutted by the properties of Eugene C. Merry and P. Cabot Rushton, be assigned as a burial ground for indigent veterans and be known as The Kingston Veterans' Burial Plot, in accordance with a plan thereof filed with the Town Clerk.

Article 14. On the motion of Harley S. Cadenhead, Voted: That the sum of \$5,000.00 be raised and appropriated for the continuation of the reconstruction of Howland's Lane.

Article 15. On the motion of William A. MacPhail, Voted Unanimously: That the Town vote to accept the layout of the corners of Howland's Lane and East Avenue as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws.

The Planning Board gave its approval to this article.

Article. 16 On the motion of Harley S. Cadenhead, Voted Unanimously: That the Town vote to re-affirm the acceptance of the layout of Winthrop Street, beginning on the westerly side of Summer Street between the properties of Josie Pratt and Charles Nava and running in a westerly direction to Brookdale Street, a distance of 6,500 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws.

The Planning Board gave its approval to this article.

Article 17. John J. Moore, Moved: That the town vote to accept the recommendations made by the Trustees of the Elizabeth B. Sampson Memorial Fund; that the following sums of money be allocated from the income account of the Elizabeth B. Sampson Memorial Fund, the expenditures to be under the supervision of the respective departments:

1. Municipal Radio Band	\$2,500.00
2. Improvement and Repairs of the Library	2,500.00
3. Portable Air Compressor and Necessary Attachments for the Water Department	1,250.00
4. Storage Building at Capt. Fred L. Bailey Playground	700.00

Robert T. Ward moved an amendment that Item 3 — the Portable Air Compressor and Necessary Attachments for the Water Department be eliminated from the list of recommendations.

Amendment was carried.

Mr. Edward F. Malone moved an amendment that the remaining items be voted on separately.

Amendment was carried.

A vote was then taken that the following sums of money be allocated from the income of the Elizabeth B. Sampson Memorial Fund, each item voted on separately:

1. Municipal Radio Band	\$2,500.00
-------------------------	------------

YES, 123; NO, 100

2. Improvement and Repairs of the Library	2,500.00
---	----------

Voted

3. Storage Building at Capt. Fred L. Bailey Playground	700.00
--	--------

Voted

On the motion of Alice F. Greisch, Voted: That the Trustees of the Elizabeth B. Sampson Memorial Fund be requested that a fair portion of the net income from the Elizabeth B. Sampson Memorial Fund be used as a scholarship or to be added to the Kingston Educational Fund.

Article 18. On the motion of John J. Moore, Voted: That the sum of \$2,500.00 be raised and appropriated and be used in conjunction with the money provided for under Article 17 for the purchase and installation of a municipal radio band.

Article 19. On the motion of Roland S. Bailey, Voted: That the sum of \$5,000.00 be raised and appropriated and be used in conjunction with the money provided for under Article 17 for the permanent improvement and repair of the library building and for the repair and replacement where necessary, of the heating, lighting, plumbing and other furniture and fixtures in the Frederick C. Adams Public Library Building.

Article 20 Richard W. Loring, Moved: That the sum of \$2,500.00 be raised and appropriated for the purchase of a portable air compressor for the Water Department.

Motion was defeated.

Article 21. John R. Hamilton, Jr., Moved: That the Town amend Sections 1, 2 and 3 of Article VI of the By-Laws of the Town of Kingston, effecting a change in the selection of members of the Finance Committee, as authorized in the General Laws, Chapter 39, Section 16, so that members of said committee shall be elected by the voters of the Town at the regular Town Election, as follows:

"Be it enacted that Sections 1, 2, and 3 of Article VI of the By-Laws of the Town of Kingston, be amended by striking out the aforesaid sections of said Article VI and inserting in place therein, the following sections:

Section I. Finance Committee: There shall be nine members constituting the Finance Committee, three shall be elected each year for three years. The members shall serve without compensation.

Section II. Vacancies: Whenever any vacancy shall occur in said committee by resignation, removal from town, death, failing to qualify, or otherwise, said vacancy shall be filled by said committee until the next annual election, wherein the unexpired term shall be filled by the electorate of the Town.

Section III. Incumbent Members: Incumbent members shall not be affected by the aforesaid Section 1 and 2. This amended By-Law to take effect at the 1963 regular Town Election."

Motion was defeated.

Article 22. John R. Hamilton, Jr., Moved: That the Town amend the By-Laws of the Town of Kingston as follows:

"The Board of Selectmen shall consist of five (5) members each to be elected for a term of three (3) years at the regular Town Election and the term of office so alternated that no more than two (2) Selectmen shall be elected at one time, except that upon acceptance of this article, at the next regular Election, three Selectmen will be elected, two Selectmen for a term of three (3) years and one (1) Selectman for a term of 2 years."

Janet Smith moved that the vote on Article 22 be taken by written ballot.

Motion was not carried.

Then a vote was taken on Article 22 and the *Motion was not carried.*

Article 23. On the motion of Harley S. Cadenhead, Voted: Pursuant to General Laws, Chapter 90B, Section 15, that the Town of Kingston adopt the following By-Law:

The speed and operation of motor boats through and within the Kingston Yacht Basin located at the mouth of Jones River shall be reasonable and proper so that the lives, safety and property of the public shall not be endangered.

Article 24. On the motion of George W. Cushman, Voted: Whereas the voters of the Town of Pembroke and the Town of Plympton voted not to accept the proposed amendment to the agreement establishing the Silver Lake Regional School District whereby district school transportation would be furnished by the Regional School District, and whereas an amendment to the said agreement shall not be effective if more than one town votes not to accept it, action on Article 24 was indefinitely postponed.

Article 25. On the motion of Harley S. Cadenhead, Voted: Unanimously: That the Town vote to accept the provisions of Section 17B of Chapter 147 of the General Laws which provides for a forty hour week and overtime compensation for Police officers.

Article 26. On the motion of John J. Moore, Voted: That the Town authorize the Selectmen to appoint a committee of three members to make a study of the Zoning By-Laws of the town and submit a report of their recommendations at the next annual town meeting and raise and appropriate the sum of \$100.00 for administration expenses.

Article 27. William A. MacPhail, Moved: That the Town accept the recommendations of the Commission established under Article 21 of the 1961 Annual Town Meeting thereby accepting the Building, Electric Wiring and Plumbing Codes as published on pages 55-77, inclusive, in the 1961 Annual Report of the Town of Kingston and to raise and appropriate the sum of five hundred dollars for the administration thereof.

William A. MacPhail Moved to Amend the Building, Electric Wiring and Plumbing Codes as published in the 1961 Annual Report, pages 55-77, inclusive, by striking out the first paragraph under the section entitled "Scope" and inserting in place thereof the following:

"These regulations are limited in application to new residential construction throughout the Town including that intended for seasonal occupancy, all construction or renovation on buildings used for commercial purposes, and all construction or renovation undertaken as the result of variances granted by the Board of Appeals."

Amendment was carried.

Mr. Vernazzaro moved an amendment that action on Article 27 be indefinitely postponed.

Vote YES, 115; NO, 88

This amendment was defeated because of the two-thirds vote requirement.

Then a vote was taken on Article 27 as amended and it was voted: That the Town accept the recommendations of the commission established under Article 21 of the 1961 Annual Town Meeting thereby accepting the Building, Electric Wiring and Plumbing Codes as published on pages 55-77, inclusive, in the 1961 Annual Report of the Town of Kingston, as amended, whereby said codes will become by-laws of the Town of Kingston and to raise and appropriate the sum of five hundred dollars for the administration thereof.

Article 28. To see if the Town will vote to accept the provisions of Chapter 40, Section 8C of the General Laws and establish a Conservation Commission for the promotion and development of the natural resources and for the protection of watershed resources of the town, and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the use of said Commission.

No motion was made under this article. ♦

Article 29 On the motion of George E. Cobb, Voted: That the sum of \$7,000.00 be raised and appropriated for the replacement of the heating and hot water systems in the Reed Community Building.

On the motion of John J. Moore, Voted: That this meeting be adjourned to Wednesday evening March 21, 1962 at 7 p.m. in the Reed Community Building. Adjourned 4:55 p.m.

Number of voters present 281 (Men 186 — Women 95)

Vote checkers were Catherine J. Bartlett and William H. Paul.

—GEORGE W. CUSHMAN,

Town Clerk

THE ADJOURNED ANNUAL TOWN MEETING

March 21, 1962

The adjourned annual Town Meeting was called to order at 7:10 p.m. by the Moderator, Horace C. Weston.

The following tellers were appointed and the oath of office was administered to them by the Moderator:

Fred C. Newhall

Parker A. Glass

Gobin J. Stair

Norman C. Steere

Article 30. Earl S. Sampson, Moved: That the Town appropriate the sum of \$50,000.00 for the purpose of installing a gravel-packed well on a parcel of land purchased from George Havey and for installing and housing the necessary pump, equipment, pipe, fittings and appurtenances and to connect the pipe lines to the main on Summer Street for the new gravel-packed well on the Havey property, so-called, off Winthrop Street, and to meet said appropriation that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow \$50,000.00 and to issue bonds or notes of the Town of Kingston payable in not more than 10 years under the authority of and in accordance with the provisions of Chapter 44 of the General Laws.

YES, 18; NO, 174

Motion was defeated.

Mr. Bartholomew Vernazzaro moved that Article 27 be reconsidered. After a brief discussion, Mr. Ernest H. Cote moved the previous question. This was voted on a two-thirds vote. Then a vote was taken on the motion of Mr. Vernazzaro and the motion for reconsideration of Article 27 was defeated.

Article 31. On the motion of Earl S. Sampson. Voted: That the Town raise and appropriate the sum of \$2,500.00 for the purchase of a truck and attachments for the Water Department, and authorize the Board of Water Commissioners to turn in the present 1958 G.M.C. truck and attachments now owned by the Water Department and apply the allowance thereof to the purchase price of the new truck.

Article 32. On the motion of Laurence P. Reid, Voted: That the sum of \$6,000.00 be raised and appropriated for the purpose

of extending the water main, not less than 6 inches in diameter, on School Street, beginning at a point on the northerly side of Pembroke Street and continuing for a distance of approximately 1,200 feet, more or less.

Article 33. On the motion of Earl S. Sampson, Voted Unanimously: That the Selectmen be authorized and that the sum of \$10,200.00 be raised and appropriated for the purpose of acquiring by purchase or taking by eminent domain as provided in the Enabling Act, Chapter 239, Acts of 1885, as amended, a portion or all of the land known as Lot 6, Block 10 and owned by George B. Drew, Ralph L. Drew, Arthur W. Drew and John E. Drew, and a portion or all of the land known as Lots 3, 4, and 5, Block 10 and owned by John E. Ruprecht and Albert P. Ruprecht, and a portion or all of the land known as Lot 12, Block 10 and owned by Fannie E. Constable or the heirs of Fannie E. Constable, said lots and block being shown on the Assessors plan for the Town of Kingston, and being for the purpose of improving the water system.

Article 34. To see if the Town will vote to authorize the Selectmen to acquire by purchase or otherwise certain parcels of land, designated as Lots 217A and 220, Block 11 as shown on the Assessors' plan on file in the Town House, for waterfront purposes and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the necessary expenses involved in acquiring said parcels.

No motion was made under this article.

Article 35. To see if the Town will vote to authorize the Selectmen to renew the lease to the Kingston Yacht Club for a period of five years, or the active existence of said club, whichever is the lesser, the plot of land adjoining the Town Landing, designated as Lot 100, Plat G., Block 7 as shown on the Assessors' plan recorded in Book 1730, Page 476, Plymouth County Registry of Deeds.

No motion was made under this article.

Article 36. Alvin L. Gould, Moved: That the Town grant permission to the Kingston Lions Club to improve the area at Bates Pond located in the rear of the Kingston Highway Barn, said improvements to be completed not later than March, 1965

and to be considered a gift; all improvements to be at the expense of the Kingston Lions Club.

William A. MacPhail moved an amendment that the following words be added to the motion "and the location and extent of said improvements to be with the approval of the Board of Selectmen."

Amendment was carried.

Then a vote was taken on Article 36 as amended and it was voted: That the Town grant permission to the Kingston Lions' Club to improve the area at Bates Pond, located in the rear of the Kingston highway barn, said improvements to be completed not later than March of 1965 and be considered a gift; all improvements to be at the expense of the Kingston Lions' Club, and the location and extent of said improvements to be with the approval of the Board of Selectmen.

Article 37. To see if the Town will vote to amend the present Zoning By-Law of the Town of Kingston by changing Lot 179-2, Block 6, of the Town of Kingston Assessors' Plans from its present business use classification to residential use classification.

No motion was made under this article.

Article 38. On the motion of James Souza, Jr., Voted Unanimously: That the Town vote to accept that portion of the street known as Off Evergreen Street from the end of the town accepted portion which runs in a northwesterly direction for a distance of approximately 386 feet, more or less, and the entire street be re-named Pilgrim Street, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$2,200.00 for the construction thereof and for acquiring titles.

Article 39. On the motion of Hazel M. Pease, Voted: That the Town vote to accept the way known as Basler's Lane, extending from Main Street to the property of William D. Resnick, a distance of 425 feet, more or less, said way to be 20 feet in width, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$2,400.00 for the construction thereof and for acquiring titles. YES, 245; NO, 1.

Article 40. On the motion of Robert T. Ward, Voted Unanimously: That the Town vote to accept the ways now known as Maple Street in the Rocky Nook section of Kingston beginning on the northerly side of Atwood Street and continuing to Spruce Street, a distance of approximately 420 feet, more or less, and be re-named Alden Street; and that portion of Spruce Street beginning at the southeasterly corner of Spruce Street and Alden Street, and continuing in an easterly direction to Delano Avenue, a distance of approximately 146 feet, more or less, both as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$4,200.00 for the construction thereof and for acquiring titles.

Before a vote was taken under this article, Clarence R. Drew moved that Article 40 be indefinitely postponed.

Motion was defeated.

Article 41. On the motion of Bartholomew A. Vernazzaro. Voted: That the sum of \$2,200.00 be raised and appropriated for the installation of a water main not less than 6 inches in diameter on Washburn Avenue, for a distance of 520 feet, more or less.

Article 42. On the motion of Bartholomew A. Vernazzaro. Voted Unanimously: That the Town vote to accept the way known as Washburn Avenue beginning at a point on the easterly side of Smith's Lane between the properties of Louis W. and Marjorie J. Nogueira and Bartholomew Vernazzaro to the properties of Frank L. and Charlotte M. Antoniotti and Mary Henry and Sarah D. Perry, a distance of approximately 520 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$2,900.00 for the construction thereof and for acquiring titles.

Article 43. On the motion of Robert W. Crosscup, Jr., Voted Unanimously: That the Town vote to accept the way known as Hillcrest Road beginning at a point on the westerly side of Main Street between the properties of Raymond Russo and Robert W. and Catherine D. Crosscup, Jr., a distance of 520 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and

raise and appropriate the sum of \$3,700.00 for the construction thereof and for acquiring titles.

Article 44. On the motion of Leroy A. Ruffin Voted: That the following appropriation balances be closed to Surplus Revenue:

Highways Construction:	
Brammer Avenue	\$851.00
Grey Avenue	945.96
and that the \$800.00 appropriated in 1961 for the purchase of an arc welder for the Water Department be returned to the income account of the Elizabeth B. Sampson Memorial Fund.	

Article 45. On the motion of Ernest H. Cole Voted: That the sum of \$50,000.00 now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax rate.

On the motion of Ernest H. Cole Voted to Adjourn. 1:35 p.m.

Number of Voters present. (Men: 114 Women: 106 Total: 220)

Vote checkers were Catherine J. Bartlett and William J. Paul.

SPECIAL TOWN MEETING

September 24, 1962

The Special Town Meeting was called to order at 8:08 p.m. by the Moderator, Horace C. Weston. By unanimous approval of the meeting, the Warrant was not read.

The Moderator appointed the following persons as tellers and administered the oath of office to them:

Earle M. Zahn	Richard J. Thomas
Charles W. Smith	Winston A. Howe
Robert L. Pooler	John H. Durgin

In addition to the above tellers the following police officers were chosen to assist in tallying the vote:

Chief James R. Goonan	Officer Kenneth J. Cram
Sgt. Alfred D. Darsch	Officer John L. Cram
	Officer John F. Cushman

The vote checkers were:

Catherine J. Bartlett	George A. Walsh
John C. McCann	Eva Rossi

Remarks were made by the Moderator in regard to the procedure to be followed during this meeting.

Article 1. To see if the Town will vote to amend Article 44, paragraph (b), of the Building, Plumbing and Wiring Codes of the Town of Kingston whereby the sentence in said paragraph (b) which presently reads:

"Commercial and all other buildings, a minimum fee of (\$15.00) fifteen dollars, plus one dollar (\$1.00) for each one thousand dollars (\$1,000.00) and fraction thereof cost of construction in excess of one thousand dollars (\$1,000.00) such cost to be estimated by the Building Inspector."

will be amended to read:

"Commercial and all other buildings, a minimum fee of (\$15.00) fifteen dollars, plus one dollar (\$1.00) for each one thousand dollars (\$1,000.00) and fraction thereof cost of construction in excess of ten thousand dollars (\$10,000.00) such cost to be estimated by the Building Inspector."

The purpose of this article is to correct the printing error in the original publication. *No Motion was made under this Article.*

(Change in Town By-Laws can only be made at the Annual Town Meeting.)

Article 2. John J. Moore moved: That the Town vote to amend the protective Zoning By-Law of the Town of Kingston so as to change a parcel of land presently classified under Section 3 of said By-Law as a Residence District Use to a Business District Use as classified under Section 4 of said By-Law. Said parcel contains approximately 5 acres of land located at the junction of Main Street and Route 3 and is shown on the Town of Kingston Assessors' Plans as Lot 137A and a portion of Lot 136A on Block 11, owned by Enis M. T. Andrada, and Lot 137A—1 on Block 11, owned by James A. Leland and Gena Leland. Said parcel is substantially bounded and described as follows:

EASTERLY by the Plymouth-Kingston By-pass, 850 feet, more or less;

SOUTHWESTERLY by Main Street, 410 feet, more or less;

NORTHWESTERLY by land of Enis M. T. Andrada, 128 feet, more or less;

SOUTHWESTERLY by land of Enis M. T. Andrada, 105 feet, more or less;

NORTHWESTERLY by land formerly of Everett Malaguti, known as Kingston Heights, 600 feet, more or less

As outlined by Mr. Weston the following persons spoke:

1. Mr. Mitchell Toabe, Chairman — Planning Board — read the majority report of the Kingston Planning Board.
2. Mr. Arthur Beane, a member of the Planning Board, read the minority report of the Kingston Planning Board.
3. Mr. Ernest H. Cote, Chairman of the Finance Committee, informed the voters that the Finance Committee by a majority vote recommends favorable action on Article 2.
4. Mr. Edward J. Lydon, Attorney for Howard Johnson and for Enis Andrada, spoke in favor of Article 2.

5. Mr. Harvey C. LaSueur spoke for the several citizens in the Kingston Heights Development in opposition to Article 2.

(Mr. Harvey LaSueur is not a registered voter due to the fact that he has resided in the state only 10 months; therefore, it was voted on the motion of Mr. Francis E. Felt that Harvey LaSueur be allowed to enter the meeting and speak. This vote was taken immediately following the opening of the meeting.)

6. The meeting was then opened up for discussion.

On the motion of Edward H. Schott, Jr. it was voted to close the debate and to vote on the Article at this time. This vote required a two-thirds vote; therefore, an actual count was taken.

The vote was: YES, 459; NO, 11.

On the motion of Robert T. Ward it was voted to use paper ballots for Article 2.

Five hundred and nineteen (519) ballots were passed out by the tellers, with an actual count of 381 ballots remaining from a total ballot of 900 brought to the meeting.

The meeting proceeded to vote, and it was voted on the motion of John J. Moore: That the Town vote to amend the protective Zoning By-Law of the Town of Kingston so as to change a parcel of land presently classified under Section 3 of said By-Law as a Residence District Use to a Business District Use as classified under Section 4 of said By-Law. Said parcel contains approximately 5 acres of land located at the junction of Main Street and Route 3 and is shown on the Town of Kingston Assessors' Plans as Lot 137A and a portion of Lot 136A on Block 11, owned by Enis M. T. Andrada, and Lot 137A—1 on Block 11, owned by James A. Leland and Gena Leland. Said parcel is substantially bounded and described as follows:

EASTERLY by the Plymouth-Kingston By-Pass, 850 feet, more or less;

SOUTHWESTERLY by Main Street, 410 feet, more or less;

NORTHWESTERLY by land of Enis M. T. Andrada, 128 feet, more or less;

SOUTHWESTERLY by land of Enis M. T. Andrada, 105 feet, more or less;

NORTHWESTERLY by land formerly of Everett Malaguti, known as Kingston Heights, 600 feet, more or less

The vote was: YES, 395; NO, 122 (This vote meets the $\frac{3}{4}$ requirement.)

Article 3. On the motion of John H. Durgin, Jr., Voted: That the sum of \$3,500 be transferred from unappropriated available funds in the treasury for the purpose of razing the former Kingston High School building on Main Street, the work to be done under the direction of the School Committee.

The use of available funds under this article was approved by the Finance Committee.

On the motion of Earl C. Paulding, Voted to adjourn (10.00 p.m.).

Number of voters present (Men, 282; Women, 237) Total 519.
GEORGE W. CUSHMAN, Town Clerk

SPECIAL TOWN MEETING

December 3, 1962

The Special Town Meeting was called to order at 7:30 p.m. by the Moderator, Horace C. Weston. The warrant was read by the Town Clerk.

Article 1. On the motion of George Palmer Holmes, Voted: That the sum of \$2,200.00 be transferred from unappropriated available funds in the treasury for the purpose of defraying emergency payroll expenses of the Fire Department for the balance of the year.

The use of available funds under this article was approved by the Finance Committee.

Article 2. On the motion of John J. Moore, Voted: That the sum of \$2,000.00 be transferred from unappropriated available funds in the treasury and be added to Article 23 of the Annual Town Meeting held on March 18, 1961, for payment of land purchased from Howard B. and Ruth MacFarlane, as authorized under said Article 23.

On the motion of Earl C. Paulding, Voted to adjourn (7:50 p.m.)

Number of Voters present (Men, 89; Women, 30; total, 119).

Vote checkers were Catherine J. Bartlett and William H. Paul.

GEORGE W. CUSHMAN, Town Clerk

BY-LAWS

The Town of Kingston By-Laws of Building, Plumbing and Wiring Codes were adopted March 17, 1962 and were approved June 26, 1962 and a copy of the By-Laws was delivered to every occupied dwelling and apartment in accordance with Section 32 of Chapter 40 on July 28, 1962. The vote adopting these By-Laws reads as follows:

Voted: That the Town accept the recommendations of the commission established under Article 21 of the 1961 Annual Town Meeting thereby accepting the Building, Electric Wiring and Plumbing Codes as published on pages 55-77, inclusive, in the 1961 Annual Report of the Town of Kingston, as amended whereby said codes will become By-Laws of the Town of Kingston and to raise and appropriate the sum of five hundred dollars for the administration thereof.

ZONING BY-LAWS

Amended — September 24, 1962

Approved — October 2, 1962

I, George W. Cushman, Town Clerk of the Town of Kingston, hereby certify that the following is a true copy of a portion of the records of the Special Town Meeting duly called and held on September 24, 1962.

Voted, on the motion of John J. Moore: —

That the Town vote to amend the protective zoning By-Law of the Town of Kingston so as to change a parcel of land presently classified under Section 3 of said By-Law as a Residence District Use to a Business District Use as classified under Section 4 of said By-Law. Said parcel contains approximately 5 acres of land located at the junction of Main Street and Route 3 and is shown on the Town of Kingston Assessors' Plans as Lot 137A and a portion of Lot 136A on Block 11, owned by Enis M. T. Andrada, and Lot 137A-1 on Block 11, owned by James A. Leland and Gena Leland. Said parcel is substantially bounded and described as follows:

EASTERLY: by the Plymouth-Kingston Bypass, 850 feet, more or less;

SOUTHWESTERLY: by Main Street, 410 feet, more or less;

NORTHWESTERLY: by land of Enis M. T. Andrada, 128 feet, more or less;

SOUTHWESTERLY: by land of Enis M. T. Andrada, 105 feet, more or less;

NORTHWESTERLY: by land formerly of Everett Malaguti, known as Kingston Heights, 600 feet, more or less.

The vote was: YES, 395; NO, 122. (This vote meets the 2/3 requirement).

A true copy, Attest:

GEORGE W. CUSHMAN, (Signed)
Town Clerk

Boston, Mass., October 2, 1962

The foregoing amendments to zoning By-Laws are hereby approved.

E. J. McCORMACK, JR. (Signed)
Attorney General

Respectfully submitted,
 GEORGE W. CUSHMAN,
 Town Clerk.

requested the County Commissioners for a new lay-out of Station Street, thereby making said road adaptable for the use under Chapter 90 programs.

Continued progress has been made in the overall plan for rehabilitating the former Grange Hall to provide additional space for town operations. The next logical step is the provision of modern quarters for the Police Department. Architects plans have been procured which meet with the approval of the Police Chief, the Planning Board and the Selectmen. Following this report is a letter from the Planning Board to the Selectmen relative to this program.

Respectfully submitted,

JOHN J. MOORE, *Chairman*

WILLIAM A. MacPHAIL

HARLEY S. CADENHEAD

Board of Selectmen

Board of Selectmen
Town House
Kingston, Massachusetts

Gentlemen:

The Planning Board at its last regular meeting carefully considered your letter of December 18th and the material you forwarded for our examination.

(1) It is our opinion that the plan and estimates submitted by the architect for the conversion of the Grange Hall into a police station are in all respects consistent with the long range plan originally proposed by this Board for the improvement of the town offices and facilities. It would appear to us that the first step as suggested would provide the necessary essential elements for a police office for a reasonable outlay. It is our further opinion that this step should be taken as expeditiously as possible and the Board would expect to support such a move. If a warrant article is provided for it at the annual Town Meeting.

(2) We believe we should point out, however, that it was the original purpose in accordance with the long range plan that

the Grange Hall should also provide space for voting. We are not clear as to whether this will be available under the present plan, and we have heard informally from the Town Clerk that the space provided is not adequate under the law. If this is the fact, we would hope that the plan might be modified to remedy this shortcoming even on the original renovation. We urge this since we feel the establishment of a voting center outside the Town Hall is essential to the rearrangement of offices in the Town Hall itself, and that any delay of long duration might interfere with the provision of adequate office operating room to all the Town's agencies.

(3) We would prefer not to join in any meeting with the Chief of Police, or with the architect, or with the Town Clerk, not through any unwillingness to cooperate in furthering these plans to improve our municipal facilities, but because we are particularly anxious not to assume any administrative role. It is our conviction that over a period of time the Planning Board will prove more valuable to the other officers of the Town if it confines its work to the analysis and formulation of long range plans, and abstains from participation in the working out of these plans, leaving that to the officer or agency properly charged with that work.

MITCHELL TOABE, *Chairman*

Kingston Planning Board

1962 JURY LIST — TOWN OF KINGSTON

Name	Age	Residence	Business or Occupation or Previous Employer of Business

ELIZABETH B. SAMPSON MEMORIAL FUND

It is apparent from the diversity of projects offered for consideration of the trustees and from the number of departments tendering suggestions that the Town is now well acquainted with the mechanics of administering the Elizabeth B. Sampson Memorial Fund. Already it is possible to record a fairly impressive list of contributions made to the welfare and improvement of the community from funds made available from the income account and it is gratifying to realize that the future can provide infinite additions. The citizens are unlikely to forget the generosity of their benefactor, but they may also take pride in having established this fund on a basis which makes this continuing benefit possible.

Two years ago the Library Trustees formally suggested the construction of an addition to the Frederic C. Adams Public Library, in the form of a childrens' room, as a suitable special memorial, as provided in the legislative act setting up the Elizabeth B. Sampson Memorial Fund. It was immediately evident that a comprehensive study would be essential before any determination might be made, and as this study progressed it became evident that extensive renovations of the present library building would be a prerequisite for any addition. Accordingly, appropriation from the income account was recommended and voted by the Town in 1961 and 1962 to further this project.

This year the Library Trustees were able to present a completed plan with accompanying estimates for the entire contemplated work. It also developed at this time that a substantial federal grant might be obtained for a project of this type. Since bequests to the library are already available, and either unrestricted or earmarked for building purposes, would with a federal grant and other funds at their disposal cover the entire estimated building and renovation expense, it was eventually decided not to recommend this project as the special memorial. However, in acknowledgment of the outstanding value of the undertaking to the Town, the trustees do recommend an additional appropriation from the income account in the current year toward equipping the expanded library and anticipate further recommendations toward the same end in future years.

The trustees hope that a suitable project to serve as the permanent memorial will be forthcoming before too many years have passed. It is eminently desirable that this should be of such a nature that it may be handled as an individual undertaking, since the legislative act creating the fund requires that its construction must be under the authority of the trustees. If the project is in fact a separate undertaking this authority would be exercised with minimum interference with the authority normally exercised by the Town's officers and departments.

There follows a list of recommendations the trustees presently intend to offer for action at the annual Town meeting. It must be understood that events occurring prior to that meeting may make some modifications necessary or desirable.

(1) The sum of \$750.00 for initiating a program for the proper marking of, establishing access to, and otherwise improving the Town Forest to be expended under authority of the Town Forest Committee.

(2) The sum of \$500.00 for use in initiating a program of repair to the vaults, gravestones, monuments, and lot dividers in the Old Burial Ground under jurisdiction of the Selectmen. This recommendation is contingent upon an equal appropriation by the Town for this purpose.

(3) The sum of \$1,000.00 to be expended under the authority of the Park Commissioners for procuring plans, estimates, and professional counsel with respect to the proposed conversions of the railroad station property, the former South Shore Branch right-of-way, the mill pond upstream from Maple Street (all presently the property of the Town) together with any adjacent land that might be made available to the Town into an area that might best serve the Town functionally and improve the appearance of the center.

(4) The sum of \$5,000.00 to continue the program already begun for the establishment of the Police Department quarters and voting facilities in the former Grange Hall. This recommendation is contingent upon the appropriation of an equal amount by the Town and is to be expended under the authority of the Selectmen.

(5) The sum of \$500.00 for the purchase of a public address system for the Reed Community Building, this expenditure to be made under the authority of the Playground Commissioners.

(6) The sum of \$2,500.00 toward the purchase of equipment for the library to be made available at such time as the projected renovations and additions are substantially complete, and to be expended under authority of the Library Trustees.

Respectfully submitted.

REPORT OF THE PLANNING BOARD

There has been very little activity in the subdivision of large areas in our town during the past year. There have been some requests for approval of subdivisions of small numbers of lots, but most of the building of new homes has taken place on lots requiring no approval. The Planning Board is ever mindful that we must carry out the laws applying to Planning Boards to maintain the kind of community we live in; but this must be done with as little inconvenience as possible for those who have business with the Board. The availability of the Board's agent, Town Clerk George W. Cushman, has been helpful to those having business with the Board between regular meetings.

The Board plans to simplify one of the previous requirements. It has formerly treated divisions of any lot as a subdivision. It is the Board's intent to treat as a special situation any proposed division of one lot into two lots which conform to our zoning regulations, and not require the usual notices and public hearings on such a division.

One of the duties of the Planning Board is to study and make recommendations on layouts of streets to be accepted by the town. There were a number of these at the annual meeting of last year; and our recommendations were not based on need but rather on the effect that such a new town way could have on the future development of the area in which the proposed street is located. The decision to accept or reject a new street rests with the voters at a town meeting, but careful consideration should be given by the voters of the future influence the acceptance of a particular street could have in the development of the town.

Another duty of the Planning Board is to call a public hearing whenever a proposed change in the Zoning By-Laws is to be considered in Town meeting. This past year a very important situation arose when such a change was to be voted on in the matter of re-zoning an area of land owned by Mrs. Enis M. Andrada. This was for the purpose of re-zoning a piece of residential area to a business area. The Howard Johnson Company was interested in the property for a motel and restaurant complex. This was the first such change, and the Planning Board was aware that certain precedents were being established. A very careful ob-

jective study was made of the problem, with every consideration given the matter of the welfare of the abutters, the benefit to the town, and the avoidance of "spot zoning." The Board recommended the change, and at a special Town Meeting the voters approved the change.

This procedure should be followed in the consideration of any future changes in the Zoning by-laws, and it is our hope that townspeople requesting a change in the zoning of any lot or lots use the same evaluation before submitting it for action by the Board and the Town Meeting.

The Board has, by invitation, consulted with the Selectmen on matters of benefit to the town, and has made recommendations in an advisory capacity, leaving the decision to execute any recommendations to the administrative heads of the departments involved.

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

We are pleased to report that our study and work on the brochure is now completed. Subject to unforseeable delays, it is expected that you will receive a copy with your town report.

At this writing the sign for our proposed Industrial Park has been ordered, and it is hoped will be completed and erected by town meeting time.

The most significant area move in 1962, concerning economic growth was the formation of the Plymouth Industrial Development Corporation. This Corporation is made up of the towns of Kingston, Plympton and Plymouth, whose representatives act as directors of the Corporation. Your Chairman was nominated by the Corporation as the director for Kingston and so approved by your Board of Selectmen.

Our principal project in 1963 will be the distribution and exploitation of our brochure throughout the entire country via organized professional channels, to those types of industry and business we feel will find Kingston a good place to locate their plant, warehouse or business operation.

We wish to thank the Selectmen, Finance Committee and all town departments for their excellent co-operation, and without whose help the brochure and sign would still be on the drafting board.

We wish to advise we meet the third Thursday of the month at 7:30 p.m. at the Town House and visitors will be indeed welcomed.

Respectfully submitted,

NORMAN E. THOMAS, *Chairman*

REPORT OF THE FINANCE COMMITTEE

To the Citizens of Kingston:

During the fiscal year 1962, the following amounts were approved for transfer from the Reserve Fund:

Chap. 90 Construction 1961 Account	\$850.00
Water Department — Repairs	2,106.00
Town Clerk — Printing Building Code	550.00
Forest Fire Account	400.00
Shellfish Account	75.00
Police — Uniforms	250.00
Suppression of Moths — Dutch Elm	500.00
Trimming Shade Trees	628.00
Election and Registration (including re-count)	285.00
Insurance — Municipal Buildings & Property	739.60
Total Amount Transferred	\$6,383.60

The use of the Reserve Fund is strictly for unexpected, emergency expenditures. Four requests totaling \$3,148.40 were refused because they failed to meet this requirement. Departments are cautioned that the Reserve Fund will not be used for over-drawn budget items or changes in departmental policy unless a definite emergency exists.

At a meeting with the Board of Selectmen on July 10, it was agreed that the Town Clerk arrange for the printing and distribution of the Kingston Building Code voted at the Annual Town Meeting.

On November 6, the Committee appointed Mr. Wilbert Cingolani to a committee established by the Silver Lake Regional School District Committee to study the future needs of the Silver Lake Regional High School.

The Committee met jointly with the Board of Selectmen and Fire Engineers on three occasions concerning the establishment of a permanent force of men at the Fire Station. It was suggested by the Committee that the Selectmen should call a special Town Meeting for this purpose.

The Committee met with all Town Officers, Commissioners, Commissions and Department Heads during the year. We wish to thank all Town officials for their excellent cooperation.

Respectfully submitted,

Chief

REPORT OF THE SHELLFISH CONSTABLE

Planted on Ichabod's Flat this year was a total of 122 bushels of quahogs, after which the area was closed for the remainder of the year. It is expected that this area will be opened during the coming year for those persons holding family shellfish permits only.

Further tests for the growing of shellfish are expected to be made through the co-operation of the Department of Natural Resources, Division of Marine Fisheries.

The new growth of quahog seed on our flats this year has been very satisfactory.

It is with grateful appreciation that I extend my thanks to my assistant, Asa W. Glass, and to all those persons who have contributed their support and assistance to me this year.

Respectfully submitted.

ANTONE J. CAZALE.

Shellfish Constable

REPORT OF THE HARBOR MASTER

There was a large increase in the number of boats at the Yacht Basin this year. The racks will accommodate forty boats and were filled most of the time. Again I wish to emphasize that Kingston residents have first preference for the use of these racks.

Dredging is urgently needed.

It is intended to have the channel markers all one color, this color being black.

During last Fall's major storm nine boats were sunk in the basin.

On several occasions I was called to aid other towns, and was very happy and willing to be of service to them.

I wish to express my appreciation to my Assistant, Antone J. Cazale, Radio Station WPLM, and all departments of the town for their assistance during the year.

Respectfully submitted,

ASA W. GLASS, JR.,

Harbor Master

REPORT OF THE FIRE DEPARTMENT

During 1962 the Fire Department answered 209 calls, including fifteen fires in buildings, four calls for the rescue boat and five calls for the resuscitator. In addition to the above emergency calls, the following inspections were made:

Oil Burners	68
Gas Installations	26
Schools and Kindergartens	15
Town-owned Buildings	60
Rest Homes	11
Churches	8

In addition to the above, 224 inspection checks were made on fire extinguisher equipment.

Due to the illness of the regular caretaker at the Fire Station, it became necessary to use members of the Fire Company to provide twenty-four hour coverage. A special Town meeting was called early in December, at which time funds were authorized to pay for these unexpected emergency costs, and to further allow this Board to hire three permanent firemen who would provide full-time coverage at the Fire Station.

The Fire Engineers wish to extend their thanks to the call men of Engine Company No. 1 and to Deputy John B. West for the full-time coverage maintained during the regular caretaker's illness.

Respectfully submitted,

G. PALMER HOLMES, Chief Engineer

WILLIAM A. MacPHAIL, Clerk

CLARENCE R. DREW

Fire Engineers

REPORT OF THE FOREST FIRES DEPARTMENT

The Spring of 1962 was unusually dry and thereby created a most serious fire hazard. Records indicate that a situation such as that had not occurred since 1957.

Following is a list of the calls made during the year:

Woods Fires	38
Grass Fires	19
Town Dump	112
Checking Fires and Complaints	77
Aid to Other Towns	4
Stand-By Calls at Station —	
Other Towns	3

A grand total of 4,348 permits was issued for burning in the open, which indicates clearly the continued fine co-operation of the residents of the Town, without which our fire losses would be far greater.

Respectfully submitted,

G. PALMER HOLMES.
Forest Fire Warden

REPORT OF THE TREE WARDEN

All side streets were trimmed again in spite of the heavy trimming the previous year. The growth of bushes along the side of the streets is fast becoming a problem and plans are being formulated to use a different method in order to effect better control.

All of the streets in Town were checked and a number of over-hanging branches were removed.

This year thirty-three trees were planted throughout the Town, and as usual, some were replacements and the balance were placed along the streets in various sections of the Town.

Respectfully submitted,

EARL C. PAULDING,
Tree Warden

REPORT OF THE MOTH SUPERINTENDENT

Again this year, there was a considerable amount of diseased trees in the Town. A total of twenty-seven trees were found necessary to be removed. Some of these were on private property.

During the year a number of trees were treated by chemical process for prevention of disease and for immunization of those not diseased.

A small sprayer was purchased in 1962 and is used for spraying after the regular annual work is completed, and the large sprayer removed from the truck. This small machine has proven particularly satisfactory in taking care of the late calls that are received.

Respectfully submitted,

EARL C. PAULDING,
Moth Superintendent

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

Honorable Board of Selectmen:

The annual report of the Sealer of Weights and Measures is hereby submitted for the year 1962.

	Adjusted	Scaled	Condemned
Scales over 10,000		2	
Scales 100 to 5,000	10	37	1
Scales under 100	6	53	
Weights:			
Avoirdupois	5	12	
Metric		16	
Apothecary Troy		13	
Liquid: 1 Gal. or under		5	
Pumps — Gasoline	2	32	
Vehicle Tank Meter		8	
Bulk Storage Meter		1	
Kerosene, Oil and Grease Pumps		18	
Cloth Measuring Device		1

A re-check was made of merchandise in stores as required by law, with adjusting fees collected to the amount of \$2.30 and sealing fees of \$144.70 with total amount collected \$157.00.

Office Hours: Tuesday Nights, 7 - 8:30 p.m.

Respectfully submitted,

GEORGE T. PRATT, JR.

Sealer of Weights and Measures

REPORT FOR CIVILIAN DEFENSE

Survival and Shelter were the key words in Civilian Defense during 1962. A National Fallout Shelter Survey Program was initiated early in 1962 by the Corps of Engineers, U. S. Army and the Bureau of Yards and Docks, U. S. Navy. Every city and town in the United States was surveyed to determine which structures if any were suitable as fallout shelters as presently constructed. The federal requirements were high and in Kingston only one building, Sacred Heart High School, was designated as meeting the standards. The survey in Kingston was conducted by the Clarkson Engineering Company.

The Cuban crisis demonstrated national willingness to engage in armed conflict and international reluctance to commit the world to nuclear destruction.

Throughout the year 1962 research conducted established the inadequacy of the present state of Shelter technology, resulting in an apparent apathy in Congress to support any shelter legislation.

The close of 1962 left us without a real Shelter program and more acutely aware that in the years to come Survival will be the primary objective of All Civil Defense planning.

It must be stressed that Survival begins before the attack and continues long after the fallout has settled; it is emphatically not life assurance during the immediate hours of peril.

Through the splendid cooperation of your Board of Selectmen excellent progress has been made in the basic Survival Program. We are also indebted to our Chief of Police for his tireless effort in organization of the Civil Defense Police. Survival requires, of course, programs for Health, Welfare and Education but perhaps the most important service required is Security. Protection of Persons and Property is the responsibility of Police. The Civil Defense Auxiliary Police Department under Sergeant Alfred D. Darsch numbers twenty loyal, able and true members. Should an unpleasant situation arise beyond the scope of our regular force, this reserve body stands ready to guarantee protection of persons and property in Kingston.

Disaster control requires efficient communication systems to expedite action and information reports and relay specific orders. Our RACES network with seven members under Radio Officer Vernon B. Cushman has been alert and ready at all times during the past year.

The Kingston Civil Defense Program was approved by the Massachusetts Civil Defense Agency on 3 December 1962.

The Town House Planning Committee and Board of Selectmen extended every courtesy in assignment of adequate space and performing the necessary alterations to establish Civilian Defense Control Center headquarters adjacent to the Police Headquarters in the Town House.

At various times certain surplus properties become available which can be obtained at nominal cost for use by the Town of Kingston in activities which are designated as Civil Defense oriented.

We added to our inventory of strategic equipment an excellent heavy duty truck which will serve to supplement engineering services performed for us by the Highway Department.

I wish to thank all members of the Civil Defense team, our town officials and all town people who, during the trying times, offered their services.

We have accomplished some things, but there is much more to do.

Respectfully submitted,

LAURENCE P. MOONEY.

Director of Civil Defense

REPORT OF THE PLYMOUTH COMMUNITY NURSE ASSOCIATION

We are submitting the following Annual Nursing Service Report for the year, 1962.

During the eight month period, May, 1962 through December, 1962, the nurses have made a total of 110 visits to patients in Kingston on behalf of the Kingston Board of Health.

The breakdown is as follows:

50—Post-Partum

53—New Born

4—Tuberculosis Nursing

2—Tuberculosis Contacts

1—Not at Home

During the early part of the year, representatives from the Plymouth Community Nurse Association met with Kingston Health Department in order to discuss the planning of Immunization clinics for the coming year. Definite objectives were established for the future. Plans for Well Child Conferences were also considered.

Extensive correspondence regarding Tuberculosis follow-up was carried out from this office on behalf of the Kingston Health Department.

We have enjoyed working with the Kingston Health Department and we look forward to another year of pleasant working relations.

Respectfully submitted.

MRS. MARION A. CORCORAN, R.N.

Supervisor

REPORT OF THE BOARD OF HEALTH

The Board of Health effected good mosquito control this past year, as a result of the local program carried out under the direction of Mr. Earl Paulding, Superintendent, and the Plymouth County Mosquito Control Project. Blackwater Swamp was again sprayed from the air with good results. The mist blower, which has given several years of good service, was reconditioned last winter.

Polio clinics were again held under the direction of Dr. W. Vernon Mayo, with the assistance of Mrs. Dorothy Felt and Mrs. Helen Peterson, school nurses. Sabin Oral vaccine types I and III were administered. Pre-school and elementary school children received the vaccine at the elementary school, while high school students and adults received theirs at the Town House. Several interested citizens gave generously of their time that all might receive the benefits of this program. We were happy to see the large attendance at these clinics.

The Plymouth Community Nurse Association is engaged in improving and extending the program which your Board has initiated. This program has increased the services within the town which this agency offers.

Activity at the dump increases each year, as do the associated problems of maintenance. Since this is more apparent in the spring, we bulldozed more frequently at that time and resumed later the once-a-month routine of the needed fill, grading, and bulldozer work. Our thanks to caretaker Mr. Frank Brown for this continued fine service.

Respectfully submitted,

HARLEY S. CADENHEAD

REPORT OF THE HIGHWAY DEPARTMENT

In 1960 the Town voted \$5,000 to rebuild a portion of Howland's Lane, with similar appropriations in 1961 and 1962. The 1962 appropriation completed the rebuilding of this street from Main Street to Atwood Street.

Several streets were accepted as Town ways in 1962; namely, Basler's Lane, Pilgrim Street, Washburn Avenue, Hillcrest Road, Alden Street and a portion of Spruce Street. The work of rebuilding these streets has been started and will receive further treatment in 1963.

The Chapter 90 program consisted of a resurfacing job on a portion of Pembroke Street. The Chapter 90 Maintenance appropriation was used to resurface a portion of Main Street from Green Street to Summer Street. Elm Street received a 2-inch mixed-in-place treatment for about a mile.

The sidewalk program in 1962 consisted of the construction of a four-foot walk on Main Street from Green Street to the junction of Route 3A, completing a very important link in our sidewalk system.

Grove Street, from the railroad bridge south, approximately 3,000 feet, was widened and is ready for resurfacing when funds are available.

The spring clean-up work is still a major item in the highway budget, and will continue as long as we are forced to use the amount of sand necessary to keep our roads safe in the winter months.

Respectfully submitted,

G. PALMER HOLMES,

Superintendent of Highways

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

In reporting on the project's activities and accomplishments in 1962, there have been successful advances made toward the program's main objectives.

We are always happy to report that no single case of equine encephalitis was recorded in the county. There was considerable concern in mid-July by the project and the U.S. Public Health Service as surveys indicated a heavy population of vector species mosquitoes and virus in bird life.

Again, this condition centered in and adjacent to the "Hockomock Swamp" and with adequate project funds always established for that area, we tripled our aerial spray efforts in the swamp over the previous seasons. This was a pre-hatch treatment the first week in August and all later surveys showed good control.

The co-ordinated efforts of the programs in Bristol, Norfolk and Plymouth counties have certainly reduced our hazards of an outbreak of this disease.

In all other areas our residual spray control and pre-hatch treatment of breeding wetlands was most successful this year. Several factors contributed to this effectiveness. 1: We did not have the frequent showers this summer to void the results of spray efforts. 2: In each town we have continued on our drainage program to eliminate stagnant breeding wetlands, while this is a slow and expensive method, it is positive mosquito control and the most economical in the long run. 3: The experience of our personnel and their added knowledge each season of mosquito problems in their district is very apparent.

With the increasing concern on the possible hazards of carelessness in the use of insecticides, your superintendent has just completed forty years of experience in the using of all pesticides and you may be assured that all of the project personnel have been thoroughly schooled in the proper and safe use of each insecticide involved in our program.

We appreciate and want to thank all town officials and personnel who have continued to cooperate with us in our program.

Respectfully submitted,
WARREN G. HARDING,
Superintendent

WATER COMMISSIONERS' REPORT

Once more it is our pleasant duty to report to you on the activities of your Water Department during the past year.

On balance, 1962 must be judged another year of solid growth. Water pumped throughout the year averaged 22,530,263 gallons higher than 1961. A substantial gain in income was noted this year. The steady growth of the department continued at a strong pace. We offered a number of innovations in service to our water takers. These are just the highlights; you will find the details as follows:

The Water Department turned over to the Town Treasurer \$38,607.01 as compared to \$35,415.12 or an increase of \$3,191.89. In 1960 the amount was \$33,745.50; 1959 \$32,520.93. This increase in revenue is gratifying and is of great benefit to the property owners when the tax rate is established each year by the Board of Assessors. During the year the rules of the Department in reference to a charge for the use of a sprinkler was put in effect and by the enforcement of that rule, the following facts are very interesting:

- (1) The water takers paid for 410 sprinklers.
- (2) 138 additional hoses were billed.
- (3) The use of their fixtures, not being charged was discovered.
- (4) Over 216 million gallons of water was consumed in 1962—the highest in the history of the Water Dept.
- (5) Surprising to the Water Commissioners it cost less to furnish this supply of water than in 1961 or 1960. The Power and Light bill in 1962 was \$2,866.59 compared to \$3,987.12 in 1960. This saving is brought about by a better control of the use of sprinklers and hoses. Another saving to the tax payers.

WATER EXTENSIONS AND REPLACEMENTS

1105 feet of 4-inch water main was replaced with a 6-inch and 8-inch water main on Cross and Center Streets from the Extension and Replacement of the Water System appropriation.

2100 feet of 8' water main was laid on School Street in accordance with Article 32 of the 1962 Annual Town Meeting.

600 feet of 6' water main was laid on Washburn Ave. in accordance with Article 41 of the 1962 Annual Town Meeting.

MAINTENANCE

- 5 Hydrants installed
- 23 New Services
- 37 Old services renewed
- 2 Meters installed
 - Repaired leaks in services
 - Located and repaired gate boxes
 - Repaired leaks in mains.
 - Located curb boxes for road construction.
- 3 Relocated hydrants for road construction.
 - Repaired gates.

Water pumped by: (1962)

Water power	44,884,090 gallons — metered
Diesel power	92,510,000 gallons — metered
Electric power	34,216,500 gallons — metered
Estimated for winter months	45,360,000 gallons
As of January 1, 1963 there were 1763 services in use.	

Greatest amount pumped per day: August 5, 1962—1,239,500.

RECOMMENDED PROJECTS FOR 1963

1. We should make every effort this year to develop a gravel-packed well and purchase necessary equipment; provide a building and install a pipe line to the main on Summer St. for an additional water supply in accordance with the recommendations made in the last four years. In this report we have told you the increased amount of water being pumped for our citizens in Kingston. Our pumping equipment is working hard and overtime to give you the water required. It is necessary for both pumps (the electric and diesel) to operate at the same time during the summer months.

Have you ever stopped to think what a serious problem this town would have if either of the pumps broke down, was struck by lightning or was destroyed by fire during the period

that a large amount of water is being used? This town could have a catastrophe! We must plan for tomorrow—do not wait until an emergency arises. Wells cannot be installed overnight. Therefore an article will be inserted in the warrant for the 1963 Annual Town Meeting for an appropriation to develop an additional well. Kingston is certainly blessed with excellent water and has a look of abundance of seemingly endless resources. Among them, the most valuable is water. You have read in the local papers recently whereby our neighboring city is asking for legislature to acquire some of our natural resources. This we will of course oppose to the utmost and do everything in our power to preserve our water supply. Our land is enriched with water. With all this before us we fail to see the shocking truth that over this lies a threat of thirst if citizens fail to provide equipment to give us a supply of water equal to our demands. We read of communities forced to ration water and the list is growing. In a recent year of normal rainfall, one quarter of our nation was rationed for water. For some it was a ban on washing cars and watering lawns. But for others the consequences were far more serious. Factories dependent on water were forced to close and the economic life of the community slowed to a mere standstill. In many areas it brought a direct threat to health and safety. Do you know that a housewife uses 60 gallons, four times her weight, of water each day? The average home uses at least 22 thousand gallons of water a year for each member of the family. A new home with a dish washer, washing machine, an extra bathroom and a well kept lawn may use twice as much. Do you know that it takes up to 60 thousand gallons of water to produce a ton of steel? Do you know that a single ear of corn needs 25 gallons to develop? As you know there are many other interesting facts about water supply but space does not permit us to continue these facts and they are given to you with the express feeling that you will give us your support at the Annual Town Meeting this year for the development of this well.

2. To purchase a heavy duty portable compressor.
3. To complete the laying of the water main on School and Chapel Streets.

CONCLUSION

To our employees, the several town officials and citizens of Kingston goes our appreciation for their continued assistance in helping to maintain and enhance the high caliber we have always sought for our services to the public.

Respectfully submitted,

RICHARD W. LORING, *Chairman*

EARL S. SAMPSON

RICHARD W. O'BRIEN

Board of Water Commissioners

REPORT OF THE WATERFRONT COMMITTEE

The floats were given one coat of paint during the year and plans are made to repaint them next year.

Gravel was placed on the river side of the parking lot, however, more is needed to properly condition the area which we hope may be done next season. The parking lot is very popular and each week finds it filled to capacity.

Plans are being formulated to improve the ramp during the coming year.

During the latter part of the year, the end of the stone wharf was raised. This necessary work was done through the excellent co-operation of the Board of Selectmen and the highway Department.

Respectfully submitted,

CLARENCE R. DREW, *Chairman*

GEORGE B. DREW

CLINTON T. KEITH

Waterfront Committee

PLYMOUTH COUNTY EXTENSION SERVICE

A review of last year's report would show that an attempt was made to answer the question—"What is the Extension Service?" The report stated that in 1914 Congress passed the Smith-Lever Law which clearly stated, that the Extension Service shall "aid in diffusing among the people of the United States useful and practical information on subjects relating to Agriculture and Home Economics, and to encourage the application of the same."

The Extension Service has always been known as "the educational arm" of the United States Department of Agriculture and the title "Cooperative Extension Service" is used because Federal, State and County Governments cooperate in furnishing this service to the citizens of Plymouth County. Each year agreements are written between the United States Department of Agriculture, the University of Massachusetts, and Plymouth County.

Since 1915, when the Plymouth County Extension Service was organized and established, educational information pertaining to Agriculture, Home Economics and 4-H Club Work has been given free to citizens of Plymouth County.

Although methods may change with the times, the basic job of the Extension Service remains the same, and that is, as the 1914 Law states, "to aid in diffusing among the people of the United States useful and practical information on the subjects relating to Agriculture and Home Economics and to encourage the application of the same."

The Extension Service office is located in the Court House, Brockton, Mass. and is staffed by agents who conduct programs in Agriculture, Home Economics and 4-H Club Work by furnishing educational information through farm and home visits, letters, newspaper articles, radio talks, meetings, office visits and telephone calls.

Federal, State and County government funds are used for conducting the Extension Service programs. Along with these funds, most towns in Plymouth County make an annual appropriation which is used for the general expenditures of the Plymouth County Extension Service. Town Directors are appointed in

those towns where an appropriation is made. These Town Directors are unpaid volunteer leaders who serve as the Extension Service representative in their respective town.

All citizens should make full use of their Extension Service as it is supported by the Federal, State and County Governments. It should be remembered that while the Extension Service furnishes the information it is up to the individual citizen who receives this information to decide how it can be used to best advantage.

Requests for information can be directed to the Plymouth County Extension Service, Court House, Brockton, Massachusetts, or Box 53, Kingston, Mass.

Respectfully submitted,

FLORENCE M. CAVALLINI.

Director

REPORT OF THE PLUMBING INSPECTOR

I herewith submit my report on plumbing inspection for the year 1962. Due to the lateness of the code going into effect, there were few inspections coming under new construction.

Number of inspections	3
A minimum of two inspections for each permit issued.	
Number of final inspections	1
Requests received for information	6
Warning for plumbing without license	1

I wish to take this opportunity to thank the Board of Selectmen and the Building and Wiring Inspectors for the cooperation and assistance given to me.

Respectfully submitted,

ROBERT H. RIEDEL, SR.

Inspector of Plumbing

ANNUAL REPORT OF KINGSTON PARK COMMISSION

Principal innovation made by the Commission this year was the employment of a fulltime attendant at Gray's Beach Park during the summer season. Edwin J. Carruthers filled this position in a fine manner and many compliments were received concerning the improved appearance of the grounds and the sanitary facilities at the bath house. In addition to dispensing parking tickets to out-of-town users of the park, he kept the big expanse of grass trimmed and did other maintenance and clean-up work formerly let out to private contract. The attendant's salary was \$1,114.20 and he collected \$1,554 in fees.

Removal of more large boulders from the lower part of the beach was continued in the spring by Robert E. Cherry, with the advice and assistance of Water Supt. Lincoln C. Bartlett. The broken up boulders were used to lengthen the groin at the south end of the beach.

Rules and regulations for the use of Gray's Beach were compiled, approved by Town Counsel Phillip S. Cronin, posted and placed into effect. Care of the small triangle at Elm and Brook Streets was instituted in addition to the other areas maintained in attractive appearance by the Commission, who wish to commend Roland Duperre for the capable manner in which he has carried out this work.

Several improvements were made to the concession stand, including the replacement of worn-out equipment. Renewal of the line of safety floats at the beach was also undertaken during the fall.

The Commission extends its appreciation to their clerk, the Highway Department, Tree Warden, the Selectmen and other town officials for their cooperation and assistance.

Respectfully submitted,

BRUCE F. SMITH, *Chairman*

PARTIAL REPORT OF THE COMMITTEE TO STUDY THE ZONING BY-LAWS

Pursuant to Article 26 of the Annual Town Meeting of 1962, this Committee respectfully submits a partial report of their activities to date. Your Committee has had various conferences relative to a study of the protective zoning by-law of the Town of Kingston.

In the near future we will confer with the Planning Board, Industrial Commission, Board of Selectmen and various other agencies of the Town relative to this matter. We will make our report and final recommendations at a special Town Meeting to be held during 1963.

Respectfully submitted,

December 31 — Income Balance	3,627.37
	<u>\$4,371.41</u>
	<u>\$4,371.41</u>

An average of nearly 100 books a day has been circulated at the library this year and as many as 121 people have used the facilities of the library in one day for research, recreation, education and information.

During the school year, Librarian Mrs. Marion Lenari averages one request for assistance every six minutes of the four hours daily that the library is available to the students.

Increased information from teachers as to the books thought necessary for their students has enabled Mrs. Lenari to order scores of new books to help the children.

During the past year, an organization known as the Friends of the F. C. Adams Public Library was formed and its members have performed many services for the library. It would be difficult to pinpoint their most important contribution. They instituted a weekly summer program for children that drew as many as 77 children to a session. Their successful book sale painlessly and profitably rid the library of upwards of 3000 discarded volumes. Most probably, the outstanding contribution is the support that many willing volunteers have made in assisting Mrs. Lenari with the many time consuming chores of library work such as typing, filing and preparing new books for circulation.

Stimulated by the increased use of the library, especially by the children, and frustrated by a lack of bidding on the project of renovation we had planned for last year, the trustees have—for the third year—consulted with the trustees of the Elizabeth B. Sampson Fund. We have requested that the \$25,000 Sampson Memorial Fund be applied toward construction of a 1600 sq. ft. wing to be known as the Elizabeth B. Sampson Memorial wing.

Extensive renovations to the present library, including a reference room and an historical room in the basement, are con-

templated in addition to the proposed Sampson wing. An additional librarian will be required.

Application has been made for Federal funds which could represent 50% of the proposed building and alteration costs.

Our thanks go to the many devoted patrons of the library who have contributed books, magazines and flowers.

REPORT OF THE TOWN FOREST COMMITTEE

The Town Forest is worth having and worth protecting. It is valuable for its growing timber and protection of our watershed.

The Town Forest requires some work to prevent loss by fire and other natural causes. We believe the following work should be accomplished during 1963:

Survey and mark boundaries of the Town Forest

Erect a suitable sign to identify the forest

Bulldoze fire lanes and rough grade access roads

Remove unsightly and hazardous areas used as unauthorized dumping ground

Girdle undesirable trees for later removal

Brush out trees and remove lower limbs

Protection of our Forests enhances the natural beauty of Kingston and materially increases real estate values. We ask your support in this program.

Respectfully submitted,

KENNETH E. PACKARD, *Chairman*

RICHARD J. THOMAS

LAWRENCE P. MOONEY

Town Forest Committee

REPORT OF THE PLAYGROUND COMMISSION

In accordance with a vote of the 1962 Town Meeting, the old coal burning boiler at the Reed Community Building was replaced by a new gas heating plant. After installation of the new plant a malfunction of the return water pipe in the lower hall was discovered. This we hope to correct by the wishes of the townspeople at the next town meeting, at which time it will be fully explained.

A cement block storage building was built on the playground. The money coming from the Elizabeth B. Sampson Fund. This building enables the commission to keep all equipment pertaining to the playground, such as bases, lye, fertilizer and especially gas operated mowers, out of the Reed Community Building.

The Community Building and Capt. Fred L. Bailey Memorial Field continues to be a center of social, civic and sport activities. Organizations using the building include Girl Scouts, Boy Scouts, Cub Scouts, Church Organizations, P.T.A., Hilltop Basketball League, Kingston Civic Association, Reed Community Club and many rentals.

The Playground Summer Program was carried out as usual. Mrs. Sylvia Butters (Loring) as girls supervisor and tennis instructor. Girls activities included arts and crafts and outdoor sports.

Mr. Antone J. Spath was again boys supervisor. The boys program included baseball, basketball, horseshoe, shuffleboard, ping-pong, checkers and whiffleball. The 1,000 point contest was again used.

The boys and girls both enjoyed cookouts and dances as special events. The program closed with a field day and parents night.

The Commission looks forward to a busy year on the playground. Plans are already started for a Boys Baseball Babe Ruth League. Lights are to be installed at the outdoor basketball court for organized night basketball, for all ages.

Respectfully submitted,

GEORGE A. CANDINI, *Chairman*

REPORT OF THE BUILDING INSPECTOR

To the Citizens of Kingston:

The Board of Selectmen gave me the distinct honor by appointing me Building Inspector for the Town of Kingston on October 2, 1962 in accordance with the By-Laws of the Building, Plumbing and Wiring Codes, adopted at the Annual Town Meeting March 17, 1962 and approved on June 26, 1962 by the Attorney General.

I hereby submit the activities of this department since my appointment to December 31, 1962.

Types of Permits	Estimated Cost	No. of Permits
New Dwellings	\$99,500.00	9
Additions & Renovations	22,250.00	6
Commercial	46,285.00	5
Barns	1,000.00	1
Club	7,800.00	1
Garages (Private)	3,000.00	2
Demolish		1
Renewal		1
	\$179,835.00	26

Plumbing permits issued 2
 Septic tanks, leach beds etc. permits issued 16
 Fees collected, less refunds: \$324.00

Building applications may be made at the office of the Town Clerk daily and I will be available at the Town House every Tuesday evening and Saturday morning and will be of service at other times if the duties of my office require it.

I wish to thank the Board of Selectmen, Department heads and personnel for their cooperation during the period that I served you during 1962.

Respectfully Submitted,

GEORGE ANDREW WALSH,

Building Inspector

REPORT OF THE INSPECTOR OF WIRES

I hereby submit my report for the year ending 1962.

Inspections	13
Plymouth Co. Electric Co., Permits	3
Rest Homes	2
New Dwellings	5
Clubs	1
Telephone Exchange	1
Saw Mills	1
Gas Burners	1
Temporary Services	1

All inspections were based on the 1959 National Electric Code as adopted by the Commonwealth of Massachusetts, with no special rules.

I wish to express my appreciation to the Honorable Board of Selectmen and the Town Accountant for their assistance; also, to the Town Clerk for his assistance in issuing permits and aid to this department.

Respectfully submitted,

ARTHUR R. DAVIS,

Inspector of Wires.

REPORT OF THE FISH COMMITTEE

With the new #4 Ladder in operation, and the several brooks leading to it cleaned and improved, it was possible to observe a much improved run of herring (alewives) during last April and May.

In an effort to increase the size and quality of our herring as they spawn in Russell's and Sylvia's Place ponds, the Dept. of Natural Resources, Division of Marine Fisheries had 8,000 large herringhauled in by tank truck from the Cape Cod Canal to Russell's pond.

The life span of herring is interesting. After they spawn in Russell's and Sylvia's Place, as tiny fry they go down the brook to the Jones River, thence down river to the Bay and open water. Just where they go is uncertain but those that survive find their way back up the same streams they went down three years before.

The #1 Ladder at the Pumping Station is fast wearing out. In fact, quite a hole developed at the time of the run last Spring. but again, Arthur J. Dupuis, construction maintenance foreman of the Department of Natural Resources, Division of Marine Fisheries, came to our rescue and plugged the hole so that it is holding perfectly. This #1 run is over forty years old. and has stood up well, but is showing signs of weakening in several places. Within a very few years it should be entirely rebuilt.

We hope the #3 run between the brook at Stewart's blueberry patch and Bryant's Mill pond can be rebuilt in 1963. It is a very short lift, is in poor repair and can be rebuilt for a very few hundred dollars.

Of particular interest to smelt fishermen should be the fact that last April we secured through the Marine Fisheries Division. with Mr. Dupuis' help, forty trays of smelt spawn which were placed on the bed of the Jones River to hatch, and the authorities feel they came along very well so it is hoped two years from now will make for mighty good smelting in our waters.

Respectfully submitted,

FRANCIS H. WHITE. *Chairman*

ALBERT H. HOLMES

O. WELLINGTON STEWART

Fish Committee

**REPORT OF THE INSPECTOR OF ANIMALS AND
INSPECTOR OF SLAUGHTERING**

During the past year approximately 125 cattle were shipped into Kingston from Vermont, New York State, and Canada. These cattle were inspected and found free of disease. Reports of these inspections were made and forwarded to the State Division of Livestock Disease Control in accordance with the General Laws.

This year 7 dogs were quarantined on suspicion of rabies because of bites imposed. However, all of these dogs were released after the customary 14-day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the proper State authorities.

There have been no cases of slaughtering in Kingston during the past year.

The annual inspection of animals and the premises in which they were kept was made and the report forwarded to the Division of Livestock Disease Control.

I wish to thank Mrs. Irma A. Ruffini and the members of the Board of Health for their cooperation in organizing these inspections.

Respectfully submitted,

RAYMOND RUSSO, D.V.M.

Inspector of Animals and Slaughtering

SCHOOL CALENDAR

Winter Term	January 2 to February 15, 1963
Second Winter Term	February 25 to April 11, 1963
Spring Term	April 22 to June 21, 1963
Fall Term	September 4 to December 20, 1963

In addition to all legal holidays, schools will be closed one day in October for Teachers' Convention, and on the Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio on stations WNAC, WBZ, WEEI, WBET and WPLM, between 6:45 and 8:00 a.m., in addition to the fire alarm signals.

REPORT OF THE SCHOOL COMMITTEE

During 1962, several events of significance took place which had an influence on school operation, one way or another:

New textbooks in some areas, purchased last year after a thoroughgoing curriculum study, are now being used to good advantage according to reports by our staff.

The former Kingston High School was demolished under the direction of this department with the permission of the town. The building had done excellent service in the 95 years past but was at the point where further maintenance as a school could not be justified.

The award of bus contracts for the next three school years, both for public and private school pupils was made. Routes have grown to the point that three of the seven buses on the public school runs are now of maximum practical capacity, 72-passenger.

At one time or another during the year, members of the School Committee attended conferences on local problems with the Commissioner of Education and the Committee on Education of the General Court, as well as a number of equally important functions locally where school interests were involved.

Maintenance of school property, in addition to routine measures, included continued re-tiling of floors and improvement of lighting in classrooms.

With the prospect of increased traffic in the vicinity of the school, the driveway was widened as a safety measure. The committee also pointed out to the Selectmen several hazards which it felt came in their view, requesting some action.

The committee was active in participating with other regional school committees in an effort to work along similar lines in matters where common problems existed. We found a number of instances where this practice can lead to more effective school operations and plan to continue the program next year. Mr. Orfeo H. Sgarzi of our committee has been honored with the chairmanship of this joint group.

Our school staff is excellent in our estimation, both on the professional and support level. Again we experienced very low

personnel turnover and in every case where a vacancy did occur took great care in selecting the best replacement we could obtain. To give but one example of the outstanding skill of our teaching staff, the Mathematics Fair conducted with every pupil involved, received wide favorable comment as an innovation.

Mr. Robert Barbieri replaced Mrs. Edith Cobb as a member of the Silver Lake Regional High School Committee during the year. Our other appointee, Mr. Benjamin MacFarlane is completing his third year.

The committee learned with great sorrow of the passing of Miss Dorothy W. Oliver on February 11, 1962. Miss Oliver, more recently on the Regional H. S. staff, had previously been in the Kingston system. Her total service amounted to thirty-six years. Decades of students can attest to the excellence of her teaching ability. We would add only that she will be missed and long remembered.

Looking ahead, the committee plans to seek out and evaluate ways to improve school operations. This long standing policy will be continued with one purpose in mind: Gaining maximum benefits for the pupils in our charge.

Respectfully submitted,

JOHN H. DURGIN, JR., *Chairman*

MRS. EDITH COBB, *Secretary*

ROBERT R. BARBIERI

ORFEO H. SGARZI

HOWARD B. MacFARLANE

REPORT OF SUPERINTENDENT OF SCHOOLS — 1962

Introduction—

A theme borrowed from the National Education Association this year is "Focus on Change." This can well be an extension of our 1960 town report brought up to date. Our opening teachers' meeting this Fall utilized a film strip reminding us of the great change that is taking place in education at all levels and in all areas. The last decade has seen more changes in teachings than in any similar time span of public education. Without question this trend will continue over the next ten years.

The tremendous need for new knowledge, for quicker utilization of teachings of the past, and for more efficient methods of presenting these facets of education are all responsible for these changes. We have also witnessed growth in this school district far beyond what anyone predicted ten years ago. Our schools must somehow meet the challenges that have been noted and be in a strong competitive position with all other school systems of the nation. Much more is expected of everyone if the resultant changes are to be met successfully.

A first great step was taken in regionalizing our secondary schools. Teachers and pupils alike have been given more and better tools for learning than ever before. How well we use our new teaching tools and expand our offerings to more and more pupils remains to be evaluated. However, we must provide more education for more pupils than we have ever experienced before. If costs were of no consequence, the job would be easier. A teacher for every ten, fifteen, or even twenty pupils would price the schools out of reach and yet, these were common ratios in small towns not too long ago.

In addition to change in organization, extensive curriculum changes have been made. Science, mathematics, foreign language, additions in the vocations, and other areas such as guidance and special education, have been made in our district. We have added summer school programs under Massachusetts University Extension, together with evening adult course offerings also. All of these changes have taken place during the past decade as improvements in the total educational picture. None of the values gained through improved offerings and organization should be compromised in the school planning for the next decade.

Long-range planning must include over-all district organization, must include necessary space, properly timed to house our anticipated big increase in pupils, as well as maintaining the gains already made and outlined above. The structure of our organization must likewise evidence more change and show more improvements to properly serve the boys and girls of the school district during the next decade. Suggestions to implement these changes have been made to our district school committees by your administration and will be recommended to the towns if finally approved.

HIGH SCHOOL

The high school continues to be concerned with shaping the curriculum to best meet the multiple requirements of our growing student body as well as the common needs of American society. It is generally recognized that amongst the several objects of the American school the following would be included:

1. the development in all youth of a common literacy.
2. the encouragement of the individual in keeping with his native abilities

The problems of curriculum planning are compounded by the very nature of the society in which we live. Ours is a time of tremendous growth in knowledge. Scientific and technological discoveries of the past fifteen years have exceeded all knowledge developed previously in recorded time. Even as this report is written new knowledge is being discovered at an explosive rate. John Gardner comments on our times succinctly in his book *Excellence*.

"The transformations of technology and the intricacies of modern social organization have given us a society more complex and baffling than ever before. And before us is the prospect of having to guide it through changes more ominous than any we have known. This will require the wisest possible leadership."

The past decade has seen the secondary school under attack from leaders in many walks of life. The charge has been made that the high schools were too soft intellectually and that American youth were being pampered. Students were not required to measure up to standards and the so-called educators were building a nation of young people who were dedicated to the philosophy of getting by in life with a minimum of effort. In those communities where such practices existed they ceased with the advent of sputnik. The National Defense Education Act of 1958 further accelerated schools toward the improvement of their programs, particularly in the areas of science, mathematics, language and guidance.

Surprisingly enough in recent months the pendulum of criticism has begun to swing the other way. "The school is too hard!" "Is homework necessary?" "Does there have to be so much?" "Children are only young once and they shouldn't have to work hard now." "I want my children to have it easier than I did in school." "I don't want Johnny accelerated—just assign him to a regular section." Such remarks are everyday common-places in the school business. Are they representative of the thinking of society? There is no question but that the schools are a reflection of society. A given school can be no better than the goal set by a particular community.

In curriculum planning surely one danger we in America must avoid in our schools is the creation of a two-caste system—one caste composed of the educated elite and the second composed of the balance. A democratic society cannot subscribe to this educational concept and hope to remain strong.

It is our philosophy at Silver Lake to provide curriculum offerings that afford a challenge to all students regardless of their differences in ability. Our enrollment is now sufficiently large to permit instruction in a wide range of subjects. It is our aim to continue to increase the qualitative character of our college preparatory subjects in keeping with the needs of American society. In pursuing this goal we have no intention of neglecting the average student to whom today a high school education is more important than at any time in our past history. Sociological studies of the unemployed today indicate a common pattern. Such persons are generally untrained and the extent of their formal education has been limited.

We must face the reality that as Americans we have a growing dependency upon science and technology. This increasing importance of science does in turn relate to increasing the educational demands upon the secondary school. Bowen Dees, a staff member of the National Science Foundation, indicates that "more and more students must be attracted to scientific and technical pursuits, and these students must be prepared to work increasingly sophisticated ideas and techniques." Without doubt the cold war has created the greatest scientific competition mankind has ever seen.

Two Silver Lake graduates in the class of 1962 vividly dramatize the changing pattern of America on the local scene. One, a boy, entered the University of Rochester to specialize in Optics. The other, a girl, entered the Pratt Institute in Brooklyn to specialize in Bio-Chemistry.

However, the availability of particular course offerings at the high school is not an end in itself. Parents must come to have a greater awareness of the times in which we live. Talented children must be actively encouraged to elect such courses knowing full well that they may look forward to a routine of hard work. Our country is yet a land of vast opportunities. While the scientific frontier is constantly being thrust forward our social sciences and skill in human relations have remained nearly static. It is a generally accepted truism that the world possesses the necessary tools for its own destruction. We need today to up-date the skills of the social sciences to keep pace with this age of technology. It may well be that some student now in secondary school will be responsible for the development of social practices that will insure a world that has both honor and sanity.

John Gardner speaks frankly on our responsibilities as citizens when he states:

"The importance of competence as a condition of freedom has been widely ignored. . . . An amiable fondness for the graces of a free society is not enough. Keeping a free society free—and vital and strong—is no job for the half-educated and the slovenly. Free men must be competent men. In a society of free men, competence is an elementary duty . . .

But excellence implies more than competence. It implies a striving for the highest standards in every phase of life. We need individual excellence in all its forms—in every kind of creative endeavor, in political life, in education, in industry, in short, universally."

It should be obvious from the foregoing brief summary that curriculum planning involves more than the insertion of a

course here and the deletion of some other elsewhere. The curriculum involves the state of mind of our people and their sense of ultimate values. Your educational leaders believe that we can go forward. This progress, however, will result more readily with the understanding and moral support of the citizenry.

VOCATIONAL SCHOOL

The Vocational division of the Regional High School continues to make steady progress. As in the past, its growth in numbers is limited by space and number of programs.

Listed below is the enrollment as of December 1, 1962:

	Grade 9	Grade 10	Grade 11	Grade 12	Sp.	Total
Automotive	7	9	7	7	—	30
Carpentry	9	8	9	9	—	35
Agriculture	7	7	9	5	1	29
Household Arts	16	18	Not offered	—	—	34
						128

These figures show the most regular balance in any year since our beginning in 1955. This balance also indicates that divisions are at or near maximum and also means that some students have had to wait another year to try again.

The placement survey of our June graduates show 100 per cent placement. Figures show that of the thirteen graduates from our program, four are in the service, eight are working at the trade, and one is at Stockbridge School in Amherst. It is very satisfying to watch our graduates find a placement in their field of training and take their place in the mainstream of our society. This is the purpose of vocational education but it is gratifying to see it work so consistently in our own program.

Perhaps a review of some of the department developments will be of interest. The teaching program assignment in the Automotive Department has been changed from a vertical to a horizontal division. This means that each division stays with the one instructor in both shop and related work. This seems to be showing very satisfactory results. The Carpentry Department finished a house addition and interior remodeling project in Kingston last June and started an extensive remodeling of a barn into a home for Mr. and Mrs. Robert Andrews in Pembroke.

Agriculture continues its active Future Farmers of America winning ways. Once more we sent a state finalist to Waterloo, Iowa national competition and brought back a Gold Medal. Other honors include a State Superior Chapter Award, and a first in flower judging in a state contest. Their local project this year is a four acre forestry conservation project in the wood area of our school property. Household Arts continues its strong position as a follow up program for girls wishing further training in the home arts field as observed and screened from the Junior High school program. Hope still remains that one day we may be permitted by state regulation to provide training in practical nursing and other female occupations. In my opinion, this area of need, vocational training for girls, is most critical, not only at Silver Lake but all over the state.

In conclusion I would respectfully request that the new Study Committee for Future Needs for Silver Lake include a survey of the vocational needs of our students.

ELEMENTARY SCHOOL

Changes in the elementary school have been made to help prepare for the future when so many forward steps will be taken. Tape recorders, filmstrips and film projectors are being utilized to the fullest extent to help the teachers who are "Focusing on Change." The realization that in this day and age children learn by many different means must be strengthened and accepted.

Scientific knowledge is doubling every seven to ten years. The world of jet speed requires a knowledge of other nations and their languages. Science and social studies are presented to all grades and French to grades four, five and six, by television. Teaching by this method provides a form of team teaching where an expert teacher in a specific subject matter area presents the lesson and the classroom teacher follows it up with detailed instruction.

However, at the same time, the textbook is gaining in importance. The curriculum changes instituted last year up-dated the courses and strengthened the teaching. The changes in the English, spelling, phonics, and health textbooks and the addition of supplementary reading and arithmetic textbooks helped to invigorate the program. The following goals will be easier to

achieve as a result: provision for individual differences, better sequence of grade content, more unity for the four towns in the union and modern subject matter.

The curriculum is in the hands of the teachers. They meet at intervals to discuss the revisions, to keep abreast of new methods and to suggest new changes where needed.

Many tools and techniques must be available at all times for teachers so that they may use them at the time they need them. Hence, all kinds of books, filmstrips, films, science kits, tapes and reference material must be on hand.

Actually, it is the classroom teacher who has the means of effecting change. She has the class in which to try out new methods and to find out which one works with children. She can acquire new information and make it available to other teachers and pupils.

Changes in the staff have been few. Mrs. Olga Anderson in grade two replaced Mrs. Betty Tuttle who moved up to teach the third grade formerly taught by Mrs. Mary LeSueur who left to stay at home with her family. Miss Anne Whalen stepped in to a grade three position to take the place of Miss Jean Blessington, who, in turn, became a fourth grade teacher in place of Mrs. Ruth Bill who left to teach at Silver Lake. Miss Helen Reilly of grade four, who resigned to accept a position nearer home, was succeeded by Miss Mary Silva. Mrs. Anne Trim was engaged to teach fifth grade in place of Mrs. Ann Borsari who left to resume home duties.

In the future expansion of the teaching staff, it might be well to consider the addition of a reading specialist and a French supervisor to the group.

Each person in the system has a special contribution to make. Recognition and appreciation for the contributions of others and building upon these facts will help to provide the educational program that is needed for the future. A willingness to try new materials, techniques, and ideas will result in improved teaching.

ART

Art instruction as related to grade levels and child development levels is well under way and may have already gone beyond the point of diminishing return. Our difficulties in the art department do not arise from lack of materials, administrative cooperation or negative parental influence. They are becoming more evident because of the lack of additional staff in this department. If we are to make art a meaningful, integral part of the total school curriculum we must keep up with the steady increase of larger and additional class loads, otherwise we will become a "frill" or "soft" subject that will be used for "filling-in" a student's total education rather than providing conditions which will enhance creative learning.

The art program in the elementary school provides children with one of the few activities devoted to their creative development. Much of the knowledge a child acquires in classroom situations is based on factual material where one answer is acceptable. In most art lessons, however, the children are required to think out solutions to the problems themselves. Therefore, with given materials, and within certain structured situations, most children can develop their creative potentials. Many times children can find pleasing and exciting answers that may vary greatly from the accepted norm. This kind of divergent thinking will help these children solve some of our perplexing problems when they reach adulthood.

The fostering of their creativity cannot be adequately handled without the proper atmosphere. Each year, as the classroom load increases, it becomes more difficult to provide the children with the proper time to complete their lessons. To provide the time this year, eight classes were doubled together. Needless to say, there is less direct contact with children in a forty-five minute class with 48 pupils than the same time with 24.

MUSIC

This past year the elementary school in each of the four towns have been working for the continued preparation of the child, both musically and culturally. Through the medium of voice culture, music appreciation and listening, rhythmic activi-

ties and the study in the use of band and orchestral instruments, a program of varied musical experiences is available to all students.

The four towns ably sponsored the four-day music festival which was held at Silver Lake Regional High School. This program brought over 500 students from our New England states. It was a pleasure to see so many people who opened their doors and hearts to these fine children. The Silver Lake music department and the four towns owe a great deal of thanks to our hosts.

We hope this year to complete the outfitting of the Band with new uniforms. This past year the Band Parents purchased \$1700 worth of jackets for the Band.

Our schools will continue to sponsor and maintain the highest standards possible in order to make the finest program possible available to your children.

PHYSICAL EDUCATION

At the beginning of the school year all boys and girls in the fifth and sixth grades were given a physical fitness test. The test consisted of push-ups (modified for the girls), sit-ups (two minutes), squat thrusts (one minute), and the standing broad jump. Each person was scored in the four events. Toward the end of the school year all fifth and sixth grade students will be tested again to see if there is any improvement in the fitness of the pupil.

Because of the daily physical fitness program that has been set up in all grades, we hope to see improvement. During the school day all students participate in ten minutes of calisthenics consisting of push-ups, jumping jacks, deep knee bends, squat thrusts, neck and ankle exercises, trunk bends, leg raises with hand clasp, trunk twist,ers, shoulder pulls, hand strengtheners, touching toes, trunk bends with hand reach, up and down on toes, and arm swings.

It is hoped that by doing these exercises in school the student will carry over this newly acquired habit in his personal life. There is evidence that some parents have caught the spirit from their children and have started to become conscious of the importance of physical fitness.

HEALTH

86 children were enrolled for the first grade at our Spring round-up. Pre-schoolers were given the opportunity to pass through the lunchroom for a snack, visit and meet first graders and board a school bus.

72 students had complete physical examinations. These included first and fourth graders and transfers without proper health records.

All students were tested on the audiometer for possible hearing defects. 32 are now under observation and 10 under treatment.

All students were checked for visual defects. 50 are under optometrists' care.

135 fourth graders and 26 adults were tested during our tuberculin program. There were 3 positive tests.

All students were checked for dental defects. The dental clinic did not operate.

Our usual films on health and personal hygiene were shown, followed by discussion periods.

Facilities of State and County clinics have been used by some pupils. Others are receiving therapy and guidance from the psychologist and speech therapist.

Parents have been notified of all defects, test failures and questionable conditions discovered in all checks, as well as our daily observations. As always, through checking and instructing, we have tried to promote good health habits, cleanliness, and proper school attendance.

IN CONCLUSION

May I express my thanks to Mr. Silvester, Mr. Moran, Miss DiMarzio, Mr. Andrews, Mr. Folsom, Mr. Chouinard, Mr. Pierce and Mrs. Felt who have helped make this report possible.

Respectfully submitted,

CHESTER T. RAY,

Superintendent of Schools

ANNUAL REPORT

SILVER LAKE REGIONAL SCHOOL DISTRICT COMMITTEE

To the citizens of the Silver Lake Regional School District:

The continuing growth of your school in both the expansion of plant facilities and the broadening scope and quality of the curriculum offered is the direct result of the community's desire to provide every possible opportunity for all children to receive a sound education, consistent with each child's ability to learn, to grow, to mature.

We are now operating at peak capacity and a Study Committee has been appointed to analyze and evaluate our space needs in order that no untimely delay will be encountered in providing the class rooms that will be required to house our rapidly increasing school enrollment in the next two years.

Heraclitus, an ancient Greek philosopher, observed that a man cannot today cross the river which he crossed yesterday because both have changed. From that he concluded that all things are in a state of flux, and that the only reality is change and that nothing is permanent.

In the educational field, there is more than a grain of truth in the too broad generalization of the old philosopher.

Accordingly, our problem is the common one of continuous adaptation to meet the changing times.

The progress that has been made to meet the challenges posed is set forth in some detail in the report of our administrators and we urge your study of these reports.

Your committee is grateful for the splendid cooperation and assistance that we have received from all during the past year,

from the administrators, the faculty, Town officials, the parents and from perhaps the most important group of all, our students, a body of whom we can all be justly proud.

Silver Lake Regional School District Committee

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

Plymouth, ss.

Greeting:

To either of the Constables of the Town of Kingston in the County of Plymouth:

In the name of the Commonwealth you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in elections and in Town affairs to meet at the Town House on

SATURDAY, THE NINTH DAY OF MARCH NEXT, 1963
for the following purposes:

Article 1. To choose all necessary Town officials, the following officers are to be chosen on one ballot—viz: A Moderator, a Town Clerk, a Treasurer, a Tree Warden, all for one year. One Selectman, one Assessor, one member of the Board of Public Welfare, two members of the School Committee, two Trustees of the Frederic C. Adams Public Library, one member of the Playground Commission, one member of the Park Commission, one Water Commissioner, all for three years. One member of the Planning Board for five years. To vote on the following questions in accordance with Chapter 595 of the Acts of 1959 and Chapter 647 of the Acts of 1962:

1. Shall the town pay one half the premium costs payable by a retired employee for group life insurance and for group general or blanket hospital, surgical and medical insurance?

Yes

No

2. Shall the town extend contributory group hospital, surgical, medical insurance to elderly persons retired from the service of the town and to their dependents with fifty per cent of the premium cost and a portion of the administrative expense to be paid by the town?

Yes

No

Article 2. At the close of the Election and after the announcement of the results of the election, the meeting will stand adjourned until the sixteenth day of March, following, at one o'clock p.m. in the Reed Community Building, when such officers as are to be nominated from the floor will be chosen.

Article 3. To hear and act upon, the reports of the Town Officers.

Article 4. To fix the salaries of elected officers.

Article 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

Article 6. To see if the Town will authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1963, and to issue a note or notes as may be given for a period of not more than one year.

Article 7. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction or take any action relative thereto.

Article 8. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

Article 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a bucket-loader for the Highway Department, and authorize the Selectmen to turn in the 1956 Oliver ½-yard bucket-loader now owned by the Highway Department, and apply the allowance thereof to the purchase price of the new equipment.

Article 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a vehicle to be

used as a cruiser-ambulance by the Police Department, and authorize the Selectmen to turn in the present 1961 Ford cruiser-ambulance now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicle.

Article 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

Article 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the permanent construction of Grove Street, or take any action in relation thereto.

Article 13. To see if the Town will vote to raise and appropriate a sum of money for the purpose of installing a gravel-packed well on a parcel of land purchased from George Havey and for installing and housing the necessary pump, equipment, pipe, fittings and appurtenances and to connect the pipe lines to the main on Summer Street for the new gravel-packed well on the Havey property, so called, off Winthrop Street; and to determine whether the money needed should be appropriated and raised from taxation or transferred from other available funds in the treasury, or by borrowing under authority of Chapter 44 of the General Laws, and/or in conjunction with any Federal grants available or take any action relative thereto.

Article 14. To see if the Town will vote to raise and appropriate a sum of money to be added to Article 32 of the 1962 annual town meeting, for the purpose of continuing the water main on School Street or for a distance of approximately 600 feet, with an 8-inch water main and on Chapel Street for a distance of approximately 810 feet, with a main not less than 6 inches in diameter.

Article 15. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a compressor and attachments for the Water Department.

Article 16. To see if the Town will vote to authorize the Selectmen to dispose of the property (land and building thereon)

known as the Patuxet School on Green Street, at either public or private sale, or take any other action relative thereto.

Article 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the balance in the account Repairs to Former Grange Hall, Article 16 of the annual town meeting in March, 1961, for the purpose of providing suitable quarters for the Police Department.

Article 18. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money in conjunction with any funds that may be allocated from the income of the Elizabeth B. Sampson Fund, for the purpose of rehabilitating the Old Burial Ground.

Article 19. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money in conjunction with any funds that may be allocated from the income of the Elizabeth B. Sampson Fund, for the purpose of improving the Town Forest.

Article 20. To see if the Town will raise and appropriate a sum of money to be used in conjunction with a Federal Grant of money under the Accelerated Public Works Program of the Housing and Home Finance Agency, Community Facilities Administration; the sum total of appropriation and grant to be used for constructing and equipping an addition to the Frederic C. Adams Public Library and for the permanent alteration and improvement of the present building and grounds, including replacement where necessary, of the heating, lighting, plumbing, and other furniture and fixtures of the Frederic C. Adams Public Library.

Article 21. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

Article 22. To see if the Town will vote to revise the action taken at the annual town meeting in March, 1950 whereby the

Moderator was instructed to appoint the members of the permanent Water Front Committee, by voting to instruct the Selectmen to appoint said members.

Article 23. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for administration expenses of the Town Forest Committee.

Article 24. To see if the Town will vote to authorize the Selectmen to renew the lease to the Kingston Yacht Club for a period of five years, or the active existence of said club, whichever is the lesser, the plot of land adjoining the Town Landing designated as Lot 100, Plat G, Block 7, as shown on the Assessors' plan recorded in Book 1730, Page 476, Plymouth County Registry of Deeds.

Article 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money in full settlement of a certain personal injury claim brought by Rebecca Preston and Robert A. Preston against the Town of Kingston and now pending in the Suffolk County Superior Court, Boston, Massachusetts and noted as Docket Case No. 560368.

Article 26. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the balance in the account Playground — Replacement of Heating and Hot Water Systems.

Article 27. To see if the Town will vote to accept the provisions of Chapter 40, Section 8C of the General Laws and establish a Conservation Commission for the promotion and development of the natural resources and for the protection of watershed resources of the town, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the use of said Commission.

Article 28. To see if the Town will vote to rescind the action taken at the annual town meeting in March, 1934 under Article 3, instructing the Selectmen to issue licenses for shellfish grants.

Article 29. To see if the Town will vote to accept the way known as Mazzilli Avenue, beginning on the southwesterly side of Crescent Street and continuing in a westerly direction to Braunecker Avenue, a distance of 1,101 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Article 30. To see if the Town will vote to accept the way known as Westerly Avenue, and a portion of the way known as Country Way, beginning on the northeasterly side of Pembroke Street and continuing in an easterly direction to Station Street, a distance of 1,360 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Article 31. To see if the Town will vote to accept the way known as Sunset Road, beginning on the easterly side of Howland's Lane and continuing in an easterly direction to Wharf Lane, a distance of 700 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Article 32. To see if the Town will vote to accept the way beginning at the end of the 1945 layout southerly along the Old Smelt Pond Road to land of George Cretinon then leaving the Old Smelt Pond Road and running southeasterly along the northeasterly line of said Cretinon to the Elementary School lot, a distance of approximately 800 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and

appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.
(By Petition)

Article 33. To see if the Town will vote to accept the way known as Pearl Street, beginning on the northwesterly side of Center Hill Road and continuing in a westerly direction to Riverside Drive, a distance of 430 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.
(By Petition)

Article 34. To see if the Town will vote to amend the present Zoning By-Law of the Town of Kingston by changing Lot 179-2, Block 6, of the Town of Kingston Assessors' Plans from its present business use classification to residential use classification.
(By Petition)

Article 35. To see if the Town will vote to amend the present Zoning By-Law of the Town of Kingston by changing a portion of Lot 5B, Block 12 of the Town of Kingston Assessors' Plans from its present residential use classification to business use classification.
(By Petition)

Article 36. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Repairs to Former Grange Hall (1961 Account)	\$57.90
Highway — Pick-up Truck	32.90
Land Damages — Parting Ways, Decree #1148	74.00
Land Damages — Lake Street, Decree #1161	76.00
Reconstruction of Howland's Lane	4.80
Razing Former High School	2,409.20
Water — New Truck	1.85

Article 37. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

To transact any other business that may legally come before said meeting.

The polls will be opened at seven o'clock a.m. on Saturday the ninth day of March, and may be closed at seven o'clock p.m. on Saturday the ninth day of March, 1963.

And you are directed to serve this Warrant by posting up attested copies thereof at the main entrance to the Town House and at the Post Office in said Town, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon, to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this thirty-first day of January in the year of our Lord one thousand nine hundred and sixty-three.

JOHN J. MOORE
WILLIAM A. MacPHAIL
HARLEY S. CADENHEAD
Selectmen of Kingston

TOWN OF KINGSTON

MASSACHUSETTS

REPORT and RECOMMENDATIONS

OF THE

FINANCE COMMITTEE

TO THE

ANNUAL TOWN MEETING

1963

**Together with a Copy of the Warrant Articles
and Accompanying Recommendations**

REPORT AND RECOMMENDATIONS OF THE FINANCE COMMITTEE

To the Voters of Kingston:

A detailed study of Departmental Budgets has been made again this year. Scheduled budget meetings, a policy adopted by the Committee in 1961, have continued. Each Department was invited to present and explain their itemized budget items for 1963, the Committee acted on the requests following each interview, and the Department was notified in writing of the Finance Committee recommendation.

Meetings to discuss Warrant Articles presented by Departments and petitioners were scheduled and well attended. The Committee appreciates the interest and help given by the residents of the town.

An increase in the tax rate for 1963 seems inevitable. Costs in the areas of Education, Public Safety and Public Service Enterprises show an increase of nearly \$55,000.00. By careful cooperative planning in other Departments, we recommend a total budget figure of \$851,931.37. Therefore the Budget shows an increase over the 1962 appropriations of \$32,686.09. We further recommend the expenditure of \$33,748.75 for Warrant Articles attached to this report. Particular care must be taken by the voters in the consideration of Warrant Articles. We hope that the townspeople will closely follow and approve the recommendations of the Finance Committee.

On September 24, 1962, 517 Kingston voters appeared at a special town meeting to consider an amendment to a Zoning By-Law. This was a record attendance, yet represented only 21% of eligible voters. It is our sincere hope that you will exercise your right to participate in the financial affairs of the town at the annual town meeting.

Please make March 16, 1963 a special Saturday by attending your Annual Town Meeting!

Respectfully submitted,

ERNEST H. COTE, *Chairman*

FRANK J. MALONE, JR., *Vice Chairman*

SAMUEL SWARTZ, *Clerk*

TOTAL MATURING DEBT \$69,000.00

Interest — P.S. Loan	\$1,068.75
Interest — School Loan	720.00
Interest — Elementary School Addition Loan	4,675.00

TOTAL INTEREST \$6,463.75

*Includes Balance January 1, 1962, plus refunds and transfers.

**Includes payments from balance carried forward.

Article 6. To see if the Town will authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1963, and to issue a note or notes as may be given for a period of not more than one year.

Recommend favorable action.

Article 7. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction or take any action relative thereto.

Recommend favorable action — not to exceed \$4,500.00 by tax levy.

Article 8. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

Recommend favorable action — not to exceed \$2,000.00 by tax levy.

Article 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a bucket-loader for the Highway Department, and authorize the Selectmen to turn in the 1956 Oliver ½-yard bucket-loader now owned by the Highway Department, and apply the allowance thereof to the purchase price of the new equipment.

Recommend no action.

Article 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a vehicle to be used as a cruiser-ambulance by the Police Department, and authorize the Selectmen to turn in the present 1961 Ford cruiser-ambulance now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicle.

Recommend favorable action — not to exceed \$2,500.00 by tax levy.

Article 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

Recommend favorable action.

Article 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the permanent construction of Grove Street, or take any action in relation thereto.

Recommend favorable action — not to exceed \$9,464.38 from available funds.

Article 13. To see if the Town will vote to raise and appropriate a sum of money for the purpose of installing a gravel-packed well on a parcel of land purchased from George Havey and for installing and housing the necessary pump, equipment, pipe, fittings and appurtenances and to connect the pipe lines to the main on Summer Street for the new gravel-packed well on the Havey property, so called, off Winthrop Street; and to determine whether the money needed should be appropriated and raised from taxation or transferred from other available funds in the treasury, or by borrowing under authority of Chapter 44 of the General Laws, and/or in conjunction with any Federal grants available or take any action relative thereto.

Recommend favorable action — by a transfer of \$1,000.00 from Water Main on Braunecker Ave. Acct., a transfer of \$3,000.00 from Replacement of main on River St. and also by borrowing the sum of \$50,000.00.

Article 14. To see if the Town will vote to raise and appropriate a sum of money to be added to Article 32 of the 1962 annual town meeting, for the purpose of continuing the water main on School Street or for a distance of approximately 600 feet, with an 8-inch water main and on Chapel Street for a distance of approximately 810 feet, with a main not less than 6 inches in diameter.

Recommend favorable action — not to exceed \$6,000.00 by tax levy.

Article 15. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a compressor and attachments for the Water Department.

Recommend unfavorable action.

Article 16. To see if the Town will vote to authorize the Selectmen to dispose of the property (land and building thereon) known as the Patuxet School on Green Street, at either public or private sale, or take any other action relative thereto.

Recommend favorable action — by sale at public auction.

Article 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the balance in the account Repairs to Former Grange Hall, Article 16 of the annual town meeting in March, 1961, for the purpose of providing suitable quarters for the Police Department.

Recommend that the town establish a committee to study the re-allocation of space for various Town Departments including the Police Department, and to report at the next annual town meeting.

Article 18. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money in conjunction with any funds that may be allocated from the income of the Elizabeth B. Sampson Fund, for the purpose of rehabilitating the Old Burial Ground.

Recommend favorable action — not to exceed \$500.00 by tax levy.

Article 19. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money in conjunction with any funds that may be allocated from the income of the Elizabeth B. Sampson Fund, for the purpose of improving the Town Forest.

Recommend favorable action — not to exceed \$750.00 by tax levy.

Article 20. To see if the Town will raise and appropriate a sum of money to be used in conjunction with a Federal Grant of money under the Accelerated Public Works Program of the Housing and Home Finance Agency, Community Facilities Administration; the sum total of appropriation and grant to be used for constructing and equipping an addition to the Frederic C. Adams Public Library and for the permanent alteration and improvement of the present building and grounds, including replacement where necessary, of the heating, lighting, plumbing, and other furniture and fixtures of the Frederic C. Adams Public Library.

Recommend favorable action without town appropriation.

Article 21. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

Recommend favorable action to include: Town Forest \$750.00; Old Burial Ground \$500.00; Park plans adjoining Railroad Property \$1,000.00; public address system \$500.00; equipment for Frederic C. Adams Public Library \$2,500.00.

Article 22. To see if the Town will vote to revise the action taken at the annual town meeting in March, 1950 whereby the Moderator was instructed to appoint the members of the permanent Water Front Committee, by voting to instruct the Selectmen to appoint said members.

Recommend that the Waterfront Committee be appointed by the Board of Selectmen.

Article 23. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for administration expenses of the Town Forest Committee.

Recommend favorable action — not to exceed \$50.00 by tax levy.

Article 24. To see if the Town will vote to authorize the Selectmen to renew the lease to the Kingston Yacht Club for a period of five years, or the active existence of said club, whichever is the lesser, the plot of land adjoining the Town Landing designated as Lot 100, Plat G, Block 7, as shown on the Assessors' plan recorded in Book 1730, Page 476, Plymouth County Registry of Deeds.

Recommend favorable action.

Article 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money in full settlement of a certain personal injury claim brought by Rebecca Preston and Robert A. Preston against the Town of Kingston and now pending in the Suffolk County Superior Court, Boston, Massachusetts and noted as Docket Case No. 560368.

Recommendation to be made at Town Meeting.

Article 26. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the balance in the account Playground — Replacement of Heating and Hot Water Systems.

Recommend favorable action — not to exceed \$98.75 by tax levy.

Article 27. To see if the Town will vote to accept the provisions of Chapter 40, Section 8C of the General Laws and establish a Conservation Commission for the promotion and development of the natural resources and for the protection of watershed

resources of the town, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the use of said Commission.

Recommend favorable action — not to exceed \$50.00 by tax levy.

Article 28. To see if the Town will vote to rescind the action taken at the annual town meeting in March, 1934 under Article 3, instructing the Selectmen to issue licenses for shellfish grants.

Recommend favorable action.

Article 29. To see if the Town will vote to accept the way known as Mazzilli Avenue, beginning on the southwesterly side of Crescent Street and continuing in a westerly direction to Braunecker Avenue, a distance of 1,101 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Recommend no action.

Article 30. To see if the Town will vote to accept the way known as Westerly Avenue, and a portion of the way known as Country Way, beginning on the northeasterly side of Pembroke Street and continuing in an easterly direction to Station Street, a distance of 1,360 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Recommend favorable action — not to exceed \$6,300.00 by tax levy.

Article 31. To see if the Town will vote to accept the way known as Sunset Road, beginning on the easterly side of Howland's Lane and continuing in an easterly direction to Wharf Lane, a distance of 700 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate,

or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Recommend favorable action — not to exceed \$4,100.00 by tax levy.

Article 32. To see if the Town will vote to accept the way beginning at the end of the 1945 layout southerly along the Old Smelt Pond Road to land of George Cretinon then leaving the Old Smelt Pond Road and running southeasterly along the northeasterly line of said Cretinon to the Elementary School lot, a distance of approximately 800 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Recommend favorable action — not to exceed \$4,100.00 by tax levy.

Article 33. To see if the Town will vote to accept the way known as Pearl Street, beginning on the northwesterly side of Center Hill Road and continuing in a westerly direction to Riverside Drive, a distance of 430 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Recommend favorable action — not to exceed \$2,800.00 by tax levy.

Article 34. To see if the Town will vote to amend the present Zoning By-Law of the Town of Kingston by changing Lot 179-2, Block 6, of the Town of Kingston Assessors' Plans from its present business use classification to residential use classification. (By Petition)

Recommend unfavorable action.

Article 35. To see if the Town will vote to amend the present Zoning By-Law of the Town of Kingston by changing a portion of Lot 5B, Block 12 of the Town of Kingston Assessors' Plans from its present residential use classification to business use classification.
(By Petition)

Recommend no action.

Article 36. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Repairs to Former Grange Hall (1961 Account)	\$57.90
Highway — Pick-up Truck	32.90
Land Damages — Parling Ways, Decree #1143	74.60
Land Damages — Lake Street, Decree #1161	76.00
Reconstruction of Howland's Lane	4.80
Razing Former High School	2,409.20
Water — New Truck	1.85

Recommend favorable action.

Article 37. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

Recommendation to be made at Town Meeting.
