Total Amount to be Raised by Taxation \$920,288.27

Article 6. On the motion of George W. Cushman voted: that the Town Treasurer, with the approval of the Selectmen, be authorized to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1964 and to issue a note or notes therefor, payable within one year and renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 7. On the motion of John J. Moore voted: that the sum of \$5,000.00 be raised and appropriated to meet the share of the costs of Chapter 90 Highway Construction and that in addition, the sum of \$15,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored, upon their receipt, to the Excess and Deficiency account in the Treasury.

The use of available funds under this article was approved by the Finance Committee.

Article 8. On the motion of John J. Moore voted: that the sum of \$1,000.00 be raised and appropriated to meet the Town's share of Chapter 90 Maintenance, and that in addition, the sum of \$2,000.00 be transferred from unappropriated available funds in the Treasury to meet the State's and County's shares of the cost of the work, the reimbursements

from the State and County to be restored, upon their receipt to the Excess and Deficiency account in the Treasury.

The use of available funds under this article was approved by the Finance Committee.

Article 9. On the motion of John J. Moore voted: that the sum of \$9,464.38 be appropriated for the permanent construction of Grove Street, and to meet said appropriation the sum of \$9,464.38 be transferred from the proceeds received or to be received from the State under the provisions of Chapter 882, Acts of 1963.

The use of available funds under this article was approved by the Finance Committee.

Article 10. On the motion of Harley S. Cadenhead voted unanimously: that the town vote to accept the intersections of the corners of Smith's Lane and Crescent Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$1,000.00 for the construction of the road and sidewalk and for acquiring titles.

Article 11. On the motion of John J. Moore voted: that the sum of \$14,000.00 be raised and appropriated for the purchase of a bucket-loader for the Highway Department and that the Selectmen be authorized to turn in the 1956 Oliver 1/2-yard bucket-loader now owned by the Highway Department, and apply the allowance thereof to the purchase price of the new equipment.

Article 12. To see if the town will vote to amend Section III, Sub-Section I of the Zoning By-Laws so as to include "Municipal use."

No motion was made under this article.

Article 13. On the motion of Richard W. Loring voted: that the sum of \$2,530.85 be raised and appropriated for the purchase of a compressor and attachments for the Water Department.

YES—98; NO—96

The Moderator appointed the following persons as tellers and administered the oath of office to them:

Arthur T. Hand	Ernest H. Cote
Edgar W. Loring, 3rd	Richard J. Thomas

Article 14. Richard W. Loring moved: that the sum of \$1650.00 be raised and appropriated for the purchase of a truck or a suitable motor vehicle with attachments to be used by the Water Department in addition to the present water truck.

Motion was defeated

Article 15. On the motion of Richard W. Loring voted: that the town appropriate the sum of \$2500.00 to be added to the present appropriation for "Water—Additional Wells" for the purpose of making a further study of additional wells.

Article 16. On the motion of Robert A. Jones voted: that the action taken under Article 17 of the Annual Town Meeting held in March 1962 be amended so as to read "Improvement, Repairs and Additions to the Frederic C. Adams Library."

This vote was approved by the Trustees of the Elizabeth B. Sampson Fund.

Article 17. On the motion of Robert A. Jones voted: that the action taken under Article 19 of the Annual Town Meeting held in March, 1962 be amended so as to read "for the repair and replacement where necessary of the heating, lighting, plumbing and other fixtures and to make any additions in or to the Frederic C. Adams Public Library Building."

Article 18. On the motion of William A. MacPhail voted: that the sum of \$2,500.00 be raised and appropriated for the purchase of a vehicle to be used as a cruiser-ambulance by the Police Department and that the Selectmen be authorized to turn in the present 1962 Dodge cruiser-ambulance now owned by the Police Department and apply the allowance thereof to the purchase price of the new vehicle.

Article 19. On the motion of Irma A. Ruffini voted unanimously: that the sum of \$1,173.90 be raised and appropriated for the payment of certain unpaid bills of prior

years for the following departments:

Welfare—General Relief.....	\$814.65
Veterans' Benefits.....	150.00
Legal Expenses & Other Contingencies.....	209.25

Article 20. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a mist blower for the Moth Department, and authorize the Selectmen to turn in the present 1953 Campbell Mist Blower now owned by the Moth Department, and apply the allowance thereof to the purchase price of the new equipment.

No motion was made under this article.

Article 21. On the motion of Earl C. Paulding voted: that the sum of \$8,000.00 be raised and appropriated for the purchase of a platform dump truck and attachments for the Tree Department and for use in insect pest control.

Article 22. On the motion of William A. MacPhail voted: that the sum of \$160.00 be raised and appropriated, being the amount ordered by the Plymouth County Commissioners at their regular meeting holden at Plymouth on the twenty-first day of December, 1963 to be paid from the treasury of the town of Kingston to sundry persons on application therefor; the amounts named as awards for damage caused by the taking of land on Station Street under the provisions of Decree No. 1319.

Article 23. On the motion of Harley S. Cadenhead voted: that the town accept Chapter 190 of the Acts of 1963 which authorizes cities and towns to purchase stormy weather work clothes and rubber boots for certain employees.

Article 24. On the motion of John J. Moore voted: that the town accept the recommendations made by the Trustees of the Elizabeth B. Sampson Memorial Fund, that the following sums of money be allocated from the income account of the Elizabeth B. Sampson Memorial Fund, the expenditures to be under the supervision of the respective departments.

1. Improvement of Old Burial Ground \$1,000.00
2. Two sirens for Police Cruisers 500.00

3. Extension of Water Main from Street to Town Dump 2,600.00
4. Mist Blower for Moth Department 3,800.00
5. Purchase of Land—Conservation Commission 150.00

YES—217; NO—4

Article 25. On the motion of George William Cushman voted: that the town accept with thanks the bequest by the late Luthera M. Leach for a trust fund to be known as the Frances Leach Bagnell Fund establishing a scholarship for Kingston students and that the Trustees of the Kingston Educational Fund be authorized to supervise the Frances Leach Bagnell Fund.

Article 26. Irma A. Ruffini moved: that the following appropriation balances be closed to Surplus Revenue:

Basler's Lane.....	\$325.40
Hillcrest Road.....	78.80
Pearl Street.....	811.65
Pilgrim Street.....	29.44
Howland's Lane, Decree 1181.....	174.50
Municipal Radio Band.....	8.30
Water-South St. Takings.....	35.10
Water-Main on Washburn Ave.....	806.16

and that the following appropriation balance be returned to the Income Account of the Elizabeth B. Sampson Fund:

Municipal Radio Band.....	8.30
---------------------------	------

Mrs. Beatrice A. Souza moved an amendment to eliminate the appropriation "Howland's Lane, Decree 1181, \$174.50."

Amendment was carried.

A vote was taken on Article 26 as amended and it was voted: that the following appropriation balances be closed to Surplus Revenue:

Basler's Lane.....	\$325.40
Hillcrest Road.....	78.80
Pearl Street.....	811.65
Pilgrim Street.....	29.44
Municipal Radio Band.....	8.30

Water-South Street Takings.....	35.10
Water-Main on Washburn Ave.....	806.16
and that the following appropriation balance be returned to the Income Account of the Elizabeth B. Sampson fund:	
Municipal Radio Band.....	8.30

On the motion of John J. Moore voted: that at 3:00 P.M. this meeting stand adjourned in order that the Special Town Meeting called at that hour may convene and that the regular annual meeting resume on the completion of the special meeting or any adjournment thereof.

SPECIAL TOWN MEETING

March 14, 1964

3:00 P.M.

The Special Town Meeting was called to order at 3:00 P.M. by the Moderator, Horace C. Weston.

Article 1. George W. Cushman moved: Whereas the voters of the Town of Plympton voted not to approve the authorization of \$35,000.00 bonds or notes of the Silver Lake Regional School District by the Regional School Committee on February 13, 1964 for paying architect fees and other preliminary expenses in connection with an addition to the Silver Lake High School and whereas an authorization of a bond issue must be made unanimously by the member towns that no action be taken under Article 1.

Harley S. Cadenhead moved to amend "however—that the Kingston Regional School Committee members be instructed to seek a more equitable formula for financial apportionment of regional capital cost which would be more beneficial to the Town of Kingston.

Amendment was voted unanimously.

Therefore a vote was taken on the motion as amended and it was voted: Whereas the voters of the Town of Plympton voted not to approve the authorization of \$35,000.00 bonds or notes of the Silver Lake Regional School District

by the Regional School Committee on February 13, 1964 for paying architect fees and other preliminary expenses in connection with an addition to the Silver Lake High School and whereas an authorization of a bond issue must be made unanimously by the member towns, that no action be taken under Article 1; however, that the Kingston Regional School Committee members be instructed to seek a more equitable formula for financial apportionment of regional capital cost which would be more beneficial to the Town of Kingston.

Article 2. On the motion of Harley S. Cadenhead voted unanimously: that the town amend Section III of the Zoning By-Laws by adding sub-section C1 "Municipal Use as Voted at a Town Meeting."

Mr. Mitchell Toabe, Chairman of the Kingston Planning Board informed the voters that this proposed amendment was approved by the Planning Board on March 5, 1964.

The Special Town Meeting adjourned at 3:35 P.M.

The Annual Town Meeting was again called to order by the Moderator, Mr. Weston.

Article 27. On the motion of Irma A. Ruffini voted: that the town accept Chapter 478 of the Acts of 1963 which will increase pensions and retirement allowances of certain former employees who at the time of retirement had attained age sixty and had completed at least fifteen years of creditable service.

Article 28. On the motion of John H. Durgin, Jr. voted: to approve the expenditure of \$20,000.00 by the Silver Lake Regional School District Committee for the purpose of constructing and equipping a building to be used for administrative purposes, the said money to be taken by the District Committee from surplus funds which the regional school district has on hand.

Article 29. On the motion of Robert A. Mulliken voted unanimously: that the town accept with thanks, in memory of the late Dr. Arthur B. Holmes, the gift of Joseph

A. Holmes and Frank Holmes, namely, a portion of the area known as the Fishing Rocks, consisting of 9,000 square feet, more or less, Block 7, Plat H as shown on the Assessors' map on file in the Town House, said area to be under the supervision of the Conservation Commission.

Article 30. On the motion of William A. MacPhail voted: that the town accept with thanks the gift of a parcel of land from Leola Hamilton designated as Lot 72, Block 7, Plat C, as shown on the Assessors' plan on file in the Town House.

Article 31. On the motion of Harley S. Cadenhead voted: that the town accept Chapter 401 of the Acts of 1956, as amended, which authorizes the purchase of insurance coverage for Civilian Defense personnel.

Article 32. Edward J. Lydon moved: that the town vote to raise and appropriate the sum of \$1,000.00 for the relocation and equipping of the Police Department to the former caretaker's apartment consisting of four rooms located at the southwest portion of the Fire Station on Maple Street.

Ernest H. Cote moved an amendment "for a period not to exceed 5 years".

Amendment was defeated.

A vote was taken on the original motion and was defeated.

Article 33. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction and operation of a multiple car garage for the use of the Police Department, on town-owned property on Maple Street adjacent to the Fire Station.

No motion was made under this article.

Article 34. Edward J. Lydon moved: that the sum of \$2,500.00 be transferred from unappropriated available funds in the treasury for architectural services and remodeling to the former Faunce School on Green Street, for the purpose of relocating and equipping the offices of the Veterans' Benefits and Welfare Department, and that the Selectmen be authorized to petition the appropriate State and Federal authorities for

their participation in said project.

Motion was defeated.

Article 35. William A. MacPhail moved: that the town vote to change the name of Smelt Pond Road to Second Brook.

Clinton T. Keith moved an amendment that it be changed to Second Brook Road.

Amendment was defeated.

A vote was taken on the original motion and it was voted: that the town vote to change the name of Smelt Pond Road to Second Brook.

Article 36. On the motion of James R. Goonan voted: that the town accept Chapter 19 of the Acts of 1963 which reads "An act establishing an alternate schedule of minimum annual compensation for police officers in certain cities and towns. Be it enacted, etc. as follows: Chapter 41 of the General Laws is hereby amended by inserting after Section 108F, inserted by Chapter 520 of the Acts of 1962, the following section:—Section 108G. Notwithstanding the provisions of any general or special law to the contrary, the minimum annual compensation of each regular police officer of the police department of any city or town which accepts the provisions of this section shall be not less than the following: for the first year of service fifty-five hundred dollars. For the second year of service six thousand dollars. For the third and each succeeding year of service sixty-three hundred dollars.

On the motion of June A. Ballinger voted: that this meeting be adjourned to Tuesday evening, March 17, 1964 at 7:30 P.M. in the Reed Community Building. (4:55 P.M.)

Number of voters present: Men—187; Women—108; Total—295.

Vote checkers were: Catherine J. Bartlett, Grace Buhl, William H. Paul and George Andrew Walsh.

March 17, 1964

The adjourned Annual Town Meeting was called to order at 7:32 P.M. by the Moderator, Mr. Weston. By unanimous consent of the voters Mr. Newhall presented a brief statement of facts connected with business conducted during Saturday afternoon's session, during which he noted that a tax increase was inevitable and again urged that a careful review be made by the assessors of the assessing process before another year.

Budget Item 14. On the motion of James R. Goonan voted that budget item # 14 — Police — Maintenance be increased from \$45,024.00 to \$51,600.00.

Article 37. Bartholomew A. Vernazzaro moved that the town amend Item C, Section 4A, Zoning By-Laws, by deleting the words "sewage" as it pertains to Lot 22A, Block 14, as shown on the Kingston Assessors' plan on file in the Town House.

Mr. Mitchell Toabe, Chairman of the Planning Board advised the voters that they recommend no change.

Motion was defeated.

Article 38. On the motion of Thomas N. Motte voted: that the town amend the Zoning By-Law by amending the "Map of the Town of Kingston, Mass." being the official zoning map of the town so as to change the following described land from a residence district to a business district: A certain parcel of land situated on the Northeasterly side of Pembroke Street in said Kingston, bounded and described as follows: Beginning at a stone bound in the Northeasterly line of said Pembroke Street on a curve of said street at the Westerly corner of the premises; thence running Southeasterly by said Northeasterly street line by a curve having a radius of 443.0 feet to a stone bound, 100.2 feet, more or less; thence running Southeasterly still by said street line 108.83 feet to a point marking the Easterly corner of the premises, said corner being 127.00 feet Northwesterly from the Westerly corner of land now or formerly of Walter C. Hammond; thence turning and running by a line perpendicular to said street line 250.00 feet to the Northerly corner of the premises; thence turning at

a right angle and running Northwesterly a distance of 155.00 feet; thence turning and running Southwesterly by a straight line by land now or formerly of Wright 235.25 feet to a stone bound in the Northeasterly line of Pembroke Street marking the point of beginning; said parcel of land is shown as Lots 19-3, 19-4 and 19-5, Block 6 on the Assessors' map.

Immediately following the motion, the Moderator informed the voters of a printing error which appeared in the warrant for this article—the last sentence should have read "this parcel of land is shown as Lots 19-3, 19-4 and 19-5, Block 6 on the Assessors' map." The motion was made accordingly. No objections were raised from the voters. (The error was Lots 19-2 instead of Lots 19-3.)

Mr. Mitchell Toabe, chairman of the Planning Board advised the voters that they recommend no change.

Dr. Samuel Swartz, a member of the Finance Committee, noted that this committee had reversed its earlier recommendations and that the majority of the Finance Committee members approved favorable action.

After a lengthy discussion, on the motion of Ernest H. Cote the previous question was voted.

YES—238; NO—53.

Article 39. On the motion of Alfred J. Bevis voted: that the town vote to raise and appropriate the sum of \$2,700.00 for the purpose of installing a water main not less than six inches in diameter for a distance of 540 feet, more or less, on Curtis Avenue in the Rocky Nook section of Kingston.

Section 40. Robert L. Pooler moved: that the town accept the way known as Curtis Avenue in the Rocky Nook section of Kingston, beginning on the northerly side of Leigh Road and continuing in a northeasterly direction to Cedar Lane, a distance of approximately 540 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$2,800.00 for the construction thereof and for acquiring titles.

Motion was defeated.

Article 41. Richard J. Benassi moved: that the town accept the way now known as Keith Avenue beginning on the northerly side of Winthrop Street and running in a northerly direction and the way now known as Lawrence Street running in an easterly direction to Summer Street, a total distance of 615 feet, more or less, and all to be known as Keith Avenue, both as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$4,000.00 for the construction thereof and for acquiring titles.

Motion was defeated.

Article 42. To see if the town will vote to accept the way now known as Off Kennedy Road, beginning at the southerly side of Kennedy Road and continuing in a southerly direction, to Braunecker Avenue, a distance of 850 feet, more or less, and to be known as Union Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.

No motion was made under this article.

Article 43. Joanne Pasteris moved: that the town accept the ways now known as Landing Road and Grandview Avenue in the Rocky Nook Point section, beginning at Atwood Street and continuing to Delano Avenue, all to be known as Grandview Avenue, a distance of 1,100 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$8,500.00 for the construction thereof and for acquiring titles.

Motion was defeated.

Article 44. To see if the town will vote to authorize the Selectmen to lease to the Jones River Village Club, Inc. the former railroad station to be known as the Kingston Historical Museum; said lease to be for a period not to exceed five years, or the active existence of the Museum, whichever is the lesser.

No motion made under this article.

Article 45. On the motion of Fred C. Newhall voted: that the sum of \$40,000.00 now available in free cash be appropriated for the use of the Assessors in the reduction of the tax levy.

For this adjourned meeting the Moderator appointed the following persons as tellers and administered the oath of office to them:

Arthur T. Hand	Lawrence B. Westgate
Ernest H. Cote	Robert N. Berglund

Time: 9:00 P.M.

Harvey C. LeSueur moved for reconsideration of the action taken under Article 36.

Motion was defeated.

Number of voters present: Men—220; Women—117; Total—337.

Vote Checkers were: Catherine J. Bartlett, Grace Buhl, William H. Paul and George Andrew Walsh.

On the motion of Earl C. Paulding voted to adjourn (9:18 P.M.)

GEORGE W. CUSHMAN, Town Clerk

SPECIAL TOWN MEETING July 22, 1964

A special town meeting was called to order at 7:50 p.m. by the Moderator, Horace C. Weston. By unanimous approval of the meeting the Warrant was not read.

The Moderator appointed the following persons as tellers and administered the oath of office to them:

Bruce F. Smith	Philip S. Barnes, Jr.
Stanley S. Elwell	Everett L. Warner

Article 1. Harley S. Cadenhead moved: That the town adopt the revised Zoning By-Laws as proposed by the Committee to Study the Zoning By-Laws as printed and entitled "Zoning By-Laws, Town of Kingston, Mass., 1964". The revised Zoning By-Laws and a map thereof being on file with the Town Clerk in accordance with the General Laws.

Mitchell Toabe moved an amendment: That the existing Zoning By-Law of the Town of Kingston be amended as follows:

SECTION 2 ESTABLISHMENT OF DISTRICTS

Classes of Districts: For the purpose of this Protective By-Law the Town is hereby divided into three classes of districts, to be known as:

- (a) Residence Districts as follows:
 - 1. Residence District I (R-I)
 - 2. Residence District II (R-II)
- (b) Business Districts.
- (c) Industrial Districts.

These districts are shown on a map entitled "Revised Zoning Map of the Town of Kingston dated July 9, 1964" which is on file at the Town Building and is hereby made a part of this Protective By-Law.

That paragraphs (a), (c) and (f) of Section 6 be amended as follows:

SECTION 6 RESIDENTIAL AREA REGULATIONS

(a) Lot Sizes:

(R-I): No building shall be erected on a lot containing less than 30,000 square feet in area or having less than 150 feet width at the building line. There shall be only one building for each lot of the required size and frontage above except for the accessory uses outlined in Section 3, paragraph (h).

(R-II): No building shall be erected on a lot containing less than 12,500 square feet in area or having less than 100 feet width at the building line. There shall be only one building for each lot of the required size and frontage above except for the accessory uses outlined in Section 3, paragraph (h).

(c) Side and Rear Yards: In an R-I Residence District no dwelling shall be built within 15 feet of the side or rear lot line; and no other building within 15 feet of such lines. In a R-II Residence District no dwelling shall be built within 12 feet of the side or rear lot line and no other building within 5 feet of such lines.

(f) Nothing in SECTION 6, more particularly items (a) and (b) therein, shall apply to a lot of land described in a deed or shown on a plan duly recorded in the Plymouth County Registry of Deeds when this By-Law becomes effective, the area or frontage of which is less than that specified in SECTION 6; however, in the case of sub-divisions so recorded, or in the case of two or more contiguous lots so recorded, title to which is vested in the same owner, his agent or straws, then and in the event such subdivisions shall be re-divided, or such lots shall be merged in such a way as to conform in area and frontage to said section and items.

Charles T. Sanderson III moves to amend the motion of Mr. Toabe by adding the following changes in the existing by-law:

1. By adding in Section II, Establishment of Districts, the words "Neighborhood Business Districts.
2. By inserting following Section III the words "Section IV, Neighborhood Business District Uses".
 - A. In a neighborhood business district, no building, premises or land shall be used for any purpose injurious, or offensive, to a neighborhood.
 - B. In a neighborhood business district no building shall be erected, altered, used or maintained, and no building or premises shall be used for any purposes, except:
 1. Any uses permitted in a residence district including permissive uses.
 2. Retail store.
 3. Personal service establishment.
 4. Motel.
 5. Restaurant.
 6. Recreation establishment and facilities.
 7. Bank.
 8. Office studios.
 9. Accessory uses on the same lot with and customarily incident to any of the above uses and not detrimental to a neighborhood."
3. by designating as neighborhood business districts on the Zoning Map of Kingston the areas so designated in the report of the Committee to study the Zoning By-Laws.
4. Finally, by changing the numbering of the remaining sections of the law in sequence following number IV.

Mr. Sanderson requested permission of the meeting for Attorney Quinn of Plymouth to speak on this amendment. The request was defeated.

A vote was taken on Mr. Sanderson's amendment which was defeated.

Bartholomew A. Vernazzaro moved to amend the amendment by extending consideration to the change of the designation of Lot 106, Block 11 on the Assessor's Map of the Town of Kingston from residential to business.

The motion was Defeated.

A vote was taken on Mr. Toabe's amendment and the amendment was carried; YES, 170; NO, 36. A vote was then taken on the original motion as amended and it was voted that the existing Zoning By-Law of the Town of Kingston be amended as follows:

SECTION 2 ESTABLISHMENT OF DISTRICTS

Classes of Districts: For the purpose of this Protective By-Law the Town is hereby divided into three classes of districts, to be known as:

(a) Residence Districts as follows:

1. Residence District I (R-I)
2. Residence District II (R-II)

(b) Business Districts.

(c) Industrial Districts.

These districts are shown on a map entitled "Revised Zoning Map of the Town of Kingston dated July 9, 1964" which is on file at the Town Building and is hereby made a part of this Protective By-Law.

That paragraphs (a), (c) and (f) of Section 6 be amended as follows:

SECTION 6 RESIDENTIAL AREA REGULATIONS

(a) Lot Sizes:

(R-I): No building shall be erected on a lot containing less than 30,000 square feet in area or having less than 150 feet width at the building line. There shall be only one building for each lot of the required size and frontage above except for the accessory uses outlined in Section 3, paragraph (h).

(R-II): No building shall be erected on a lot containing less than 12,500 square feet in area or having less than 100 feet width at the building line. There shall be only one building for each lot of the required size and frontage above except for the accessory uses outlined in Section 3, paragraph (h).

(c) Side and Rear Yards: In an R-I Residence District no dwelling shall be built within 15 feet of the side or rear lot line, and no other building within 15 feet of such lines. In a R-II Residence District, no dwelling shall be built within 12 feet of the side or rear lot line and no other building within 5 feet of such lines.

(f) Nothing in SECTION 6, more particularly items (a) and (b) therein, shall apply to a lot of land described in a deed or shown on a plan duly recorded in the Plymouth County Registry of Deeds when this By-Law becomes effective, the area or frontage of which is less than that specified in SECTION 6; however, in the case of subdivisions so recorded, or in the case of two or more contiguous lots so recorded, title to which is vested in the same owner, his agent or straws, then and in that event such subdivisions shall be redivided, or such lots shall be merged in such a way as to conform in area and frontage to said section and items.

YES, 179; NO, 20 (Meets the 2/3's requirement)

*see next page

* Voted way line. Moderator informed voters later that there was a typographical error and should have read building line. By unanimous approval of the voters this change was approved.

Article 2. On the motion of George W. Cushman voted: that the sum of \$200.00 be transferred from unappropriated available funds in the treasury and be added to the appropriation of the Town Clerk for the purpose of advertising the revised Zoning By-Laws.

The use of available funds under this article was approved by the Finance Committee.

Article 3. On the motion of Harley S. Cadenhead voted: that the Selectmen be authorized to appoint a committee to make a study of the Zoning By-Laws and that said committee submit a report of their findings at the Annual Town Meeting in March, 1965; also that the sum of \$250.00 be transferred from unappropriated available funds in the treasury for expenses of said committee.

The use of available funds under this article was approved by the Finance Committee.

Article 4. To see if the Town will vote to accept the provisions of Chapter 48, Sections 42 and 43 of the General Laws, which provides for the establishment of a fire department.

No motion was made under this article.

Article 5. On the motion of Irma A. Ruffini voted unanimously: that the sum of \$256.62 be transferred from unappropriated available funds in the treasury for the payment of a Welfare bill to the Massachusetts General Hospital.

The use of available funds under this article was approved by the Finance Committee.

Article 6. On the motion of George William Cushman voted unanimously: that the sum of \$500.00 be accepted from the Estate of Mary F. Eager and that the Town Treasurer be authorized to annually forward the interest thereof

to the officials in charge of St. Joseph's Cemetery, Kingston, Massachusetts, and be used for the perpetual care of the Eager family lot in St. Joseph's Cemetery, Kingston, Mass.

Article 7. On the motion of George W. Cushman voted unanimously: that the Town accept with deep appreciation the bequest made to the Town by the late Edna Maglathlin to establish a scholarship to be known as the Edna Maglathlin Scholarship for a Kingston student, recipient of said scholarship to be chosen in accordance with her will, and authorize the Trustees of the Kingston Educational Trust Fund to supervise said funds.

Article 8. On the motion of George W. Cushman voted unanimously: that the Town accept with deep appreciation the bequest made to the Town by the late Edna Maglathlin to establish a Trust Fund in her name for the purpose of granting financial assistance to needy and worthy widows, maiden women and children of Kingston. Said Trust Fund to be under the supervision of the Board of Selectmen.

Article 9. On the motion of George W. Cushman voted unanimously: that the Town authorize the Selectmen to sell at public auction any or all real estate of the late Edna Maglathlin and further authorize said Selectmen to set a minimum bid on any sale or sales. The proceeds of said sale or sales to be added to the Edna Maglathlin Trust Fund.

Article 10. On the motion of Harley S. Cadenhead voted: that the sum of \$6,000.00 be transferred from unappropriated available funds in the treasury and be added to the appropriation for Soldiers' and Sailors' Benefits for conducting the services of this department for the balance of the year.

The use of available funds under this article was approved by the Finance Committee.

Article 11. On the motion of Harley S. Cadenhead voted: that the sum of \$5,000.00 be transferred from unappropriated available funds in the treasury and be added to the appropriation for Disability Assistance-Assistance for conducting the services of this department for the balance of the year.

The use of available funds under this article was approved by the Finance Committee.

Article 12. To see if the Town will vote to transfer from unappropriated available funds in the treasury, a sum of money for the establishment of a police station at the former railroad station, or take any other action relative thereto.

No motion was made under this article.

Article 13. Ernest H. Cote moved: that the Selectmen be instructed to use the funds remaining in the Renovation Account, being \$2,166.96, for the further renovation and establishment of a police station in the former Grange Hall Building.

Motion was defeated.

Article 14. Evelyn N. Paulding moved: that the Town vote to allow the location of certain mobile homes for retired persons on Lot 60, Block 5, located on the southwesterly side of Grove Street on property owned by Earl C. and Evelyn N. Paulding; and at that location mobile homes may be set up to be resided in and occupied exclusively by retired persons and certain members of their immediate family. For purposes of this section the term "retired persons and certain members of their immediate family" shall be deemed to mean and be construed to include individual families none of the members of which shall be less than twenty-one years of age and of which the head of the household shall be at least fifty years of age. The right to retain a mobile home on said lot shall terminate forthwith if a person or persons under twenty-one years of age becomes an occupant or resident in said mobile home.

Mr. Mitchell Toabe moved an amendment: that the Town vote to allow the location of certain mobile homes for retired persons on that portion of Lot 60, Block 5, lying between the Jones River and a line lying 500 feet back and parallel to the line of Grove Street on lots of 50 ft. x 100 ft.

Amendment was carried. YES, 188; NO, 7.

A vote was taken on the following motion as amended:

that the Town vote to allow the location of certain mobile homes for retired persons on that portion of Lot 60, Block 5, lying between the Jones River and a line lying 500 feet back and parallel to the line of Grove Street on lots of 50 ft. x 100 ft. Further that in this area mobile homes may be set up to be resided in and occupied exclusively by retired persons and certain members of their immediate family. For purposes of this section, the term "retired persons and certain members of their immediate family" shall be deemed to mean and be construed to include individual families none of the members of which shall be less than twenty-one years of age and of which the head of the household shall be at least fifty years of age. The right to retain a mobile home on said lot shall terminate forthwith if a person or persons under twenty-one years of age becomes an occupant or resident in said mobile home.

The motion was defeated. YES, 129; NO, 94. (Does not meet the 2/3's vote requirement)

The Moderator informed the voters that this article, if voted, would be a change in the By-Laws.

Article 15. Ernest H. Cote moved: that the Town vote to amend the Zoning By-Law amending the "Map of the Town of Kingston, Mass." being the official zoning map of the town so as to change the following described land from a residence district to a business district: A certain parcel of land on the Easterly side of Prospect Street and the Westerly side of Foundry Pond in the Town of Kingston, Plymouth County, Massachusetts, bounded and described as follows: Beginning at a stake on the Easterly side of Prospect Street and on the Westerly shore of Foundry Pond, which point also marks a corner of land of Cobb and Drew, Inc.: thence running Southerly and Southeasterly by the shore of said Foundry Pond, 1200 feet, more or less, to a large peaked stone at the Northerly end of a stone wall; thence by said stone wall South 20° 10' East 66 feet to the end of said stone wall; thence turning and running South 68° 20' West by land now or formerly of William D. Resnick et al along the line of a fence, 1435 feet to a fence post at land of Robert

Hoffman, Jr., Albert Schofield and Elsie Schofield, Trustees; thence by said land and also by the land of Oman Realty, Inc. North 11° 45' West 200 feet to a stake on the Southeasterly side of Prospect Street; thence in a general Northeasterly direction along Prospect Street, 1110 feet, more or less, to a concrete bound at a corner of land of Leon F. and Marion P. Scott; thence by said land East 100 feet; thence also by said land North 60 feet, more or less, to land of Rupert F. and Isabelle T. Calkin at a concrete bound; thence by said land South 82° 13' 50" East 132.48 feet to a corner; thence also by said Calkin land North 1° 17' West 100 feet to a concrete bound at the Southeasterly corner of land of Albion C. Davis et al; thence by said land North 6° 13' West 225.43 feet to a concrete bound; thence also by said Davis land North 21° 40' West 85.55 feet to a concrete bound on the Southeasterly side of Prospect Street; thence by said Prospect Street North 30° 04' East 134.73 feet to the point of beginning. This parcel of land is shown as Lots 112B, 113B and 114 on the Assessors' map. The above description of Lot 114 shall not include a strip of land 125 feet wide bordering and running along the Easterly side of Prospect Street for a distance of 1100 feet, more or less, being presently zoned as a residence district.

Motion was defeated. YES, 72; NO, 65. (Does not meet the 2/3's requirement)

On the motion of Harley S. Cadenhead, voted to adjourn at 10:55 P.M.

Number of voters present: Men, 191; Women 105; total, 296.

Vote Checkers were: Catherine J. Bartlett and William H. Paul.

GEORGE W. CUSHMAN, Town Clerk

SPECIAL TOWN MEETING

November 5, 1964

A Special Town Meeting was called to order at 7:22 P.M. by the Moderator, Horace C. Weston. By unanimous approval of the meeting, the warrant was not read.

Article 1. On the motion of William A. MacPhail voted: that the sum of \$2,500.00 be transferred from unappropriated available funds in the treasury and be added to the account entitled Aid to Families with Dependent Children-Aid, for the purpose of defraying expenses for said department for the balance of the current year. (This vote was unanimous).

On the motion of Ernest H. Cote voted to adjourn (7:25 P.M.).

Vote checkers were: Catherine J. Bartlett and William H. Paul.

Number of voters present: Men—191; Female—161; Total—352.

This is the official count following the Second Special Town Meeting.

GEORGE W. CUSHMAN, Town Clerk

SPECIAL TOWN MEETING

November 5, 1964

A Special Town Meeting was called to order at 7:30 P.M. by the Moderator, Horace C. Weston. The warrant was read by the Moderator.

Robert R. Barbieri moved: that the authorization of \$2,308,000.00 bonds or notes of Silver Lake Regional School District by the regional district school committee on October 14, 1964, for constructing and originally equipping and furnishing an addition to the district school is approved.

Mr. Cadenhead moved for a ten minute recess. This was defeated. A lengthy discussion was held on the motion offered by Mr. Barbieri. Following the discussion a vote was taken on the motion and it was over-whelmingly defeated.

Mr. Weston asked for a concensus of opinion on whether town meetings annually should be held on Saturdays or on an evening. The concensus was that they liked evening meetings better. On the motion of Ernest H. Cote voted that the meeting adjourned. (9:25 P.M.).

Number of voters present: Men — 191; Female — 161; Total — 352.

Vote checkers were: Catherine J. Bartlett and William H. Paul.

GEORGE W. CUSHMAN,
Town Clerk

GEORGE W. CUSHMAN,

Town Clerk

REPORT OF THE SELECTMEN

We are able to inform the inhabitants that our Chairman, while serving under appointment by the Legislature to the Special Commission established for the purpose of studying and reporting on the City of Brockton's request to extend its source of water supply, was successful in his efforts to preclude the encroachment of Brockton on Kingston's vital water resources.

On June 6, 1964, our Superintendent of Streets George Palmer Holmes, retired after forty years of conscientious and dedicated service to the Town. We owe a debt of gratitude to him for this meritorious service, and for his willingness to be available for future consultations on matters pertaining to the welfare of Kingston.

On July 6, 1964 we acquired the services of Engineer Weldon A. Thomas, of the Mass. Dept. of Public Works, to fill the vacancy thus created. Mr. Thomas began his duties as Superintendent of Streets on August 1, 1964. However, we would be remiss if we failed to mention the able manner in which Foreman Abraham A. Ruffini operated the department during the period of transition.

Under the Chapter 90 Construction program the drainage and surfacing of Station Street has been completed. The available funds for Chapter 90 Maintenance were expended on resurfacing portions of Landing Road and Elm Street. Considerable progress has been made on the re-building of Grove Street from funds allotted by the State under Chapters 718 and 822. Work on this project will be resumed during 1965.

The Selectmen, in concert with other interested Town officials, have petitioned the Waterways Division, of the Mass. Dept. of Public Works, for a joint survey of the channel in Kingston Bay. The purpose of this survey is to establish the course of the channel and to estimate the cost of dredging same. A public hearing on this petition will be held by said Division early in 1965.

At the request of the Silver Lake Regional School Committee a Special Town Meeting was held on November 5,

1964 to act on whether the voters wished to see if the Town will approve the authorization of \$2,308,000.00 bonds or notes of Silver Lake Regional School District by the Regional district school committee on October 14, 1964, for constructing and originally equipping and furnishing an addition to the district school. Inasmuch as the vote was in the negative, the Selectmen together with the Finance Committee spearheaded a movement to have the Selectmen and Finance Committees of the four District towns hold joint meetings, in an effort to dissolve the impasse. As a result of these deliberations concrete recommendations were made to the Silver Lake Committee. On December 30th the Silver Lake Committee voted to submit articles, based on these recommendations, at Special Town Meetings to be held in the four District towns during the month of January 1965.

Respectfully submitted,

JOHN J. MOORE, Chairman
WILLIAM A. MacPHAIL
HARLEY S. CADENHEAD

ELIZABETH B. SAMPSON MEMORIAL FUND

The projects submitted by the various departments for consideration were in excess of \$20,000.00 for 1965. It is certainly gratifying to the trustees to see so much interest in the Fund and the requests made were in every case worthy of consideration and all would be of benefit to the town. However, as the Fund earned approximately \$8,000.00 during 1964 we restricted our recommendations as follows:

Equipment for Library	\$2100.00
Town Flag for flag pole on green	120.00
Dugouts for playground	500.00
Power Mower for Park Department	700.00
Fire Master File for Assessors	600.00
Tone Control Radio Alerting System for Fire Dept. to start a 10 unit system plus an encoder for transmit- ting signal.	1530.00
Half of cost to build two car garage on South Street for Water Dept.	2500.00

Total \$8050.00

We discussed with the Trustees of the F. C. Adams Library their worthy project which is about completed and their further requests for additional furniture and fixtures. As you note above, we recommend further funds this year.

We also discussed with the Chief of Police, James R. Goonan his proposed plans for a new police station and also with the Board of Selectmen an overall plan for further space for the various departments with the thought in mind that we might recommend the memorial, which has been set aside in an amount not to exceed \$25,000.00 in memory of the donor of the Fund, the late Elizabeth B. Sampson for this purpose. However, no official request has been made to the Trustees for such a memorial.

Our 1963 report stated that we had earmarked funds for the addition to the library until such time as Federal Government funds, for which they had made application were available to them for their addition. They have received their funds and the addition has been built. There-

fore, the Trustees again request suggestions from the various departments or any of our citizens of the town for the \$25,000.00 memorial. We are anxious to make the recommendation for this memorial and have it acted on by the voters not later than March 1966.

Respectfully submitted,

Trustees of the Elizabeth B. Sampson Memorial Fund,

JOHN J. MOORE, Chairman

HORACE C. WESTON

GEORGE W. CUSHMAN, Clerk

EDNA MAGLATHLIN CHARITY FUND

Eleventh paragraph of Miss Maglathlin's Will relating to the purposes of the bequest:

All other property of mine left in said residue after the death of the said Wallace L. Maglathlin, I also give and bequeath to the TOWN OF said KINGSTON in trust, the interest, dividends, and income thereof to be used by the proper officials of said TOWN for helping the needy and worthy widows, maiden women, and children of said Kingston; the further right and power being hereby given said Kingston officials to manage, transfer and sell said property and to re-invest same as the occasion and circumstances may require.

Article 8 of the Special Town Meeting of July 22, 1964: On the motion of George W. Cushman Voted Unanimously: That the Town accept with deep appreciation the bequest made to the Town by the late Edna Maglathlin to establish a Trust Fund in her name for the purpose of granting financial assistance to needy and worthy widows, maiden women and children of Kingston. Said Trust Fund to be under the supervision of the Board of Selectmen.

In accordance with a vote passed on July 22, 1964, the following real estate property of the late Edna Maglathlin was sold. A detailed statement of the proceeds received is as follows:

 Board of Assessors

RESOLVED:

Mr. Francis P. McManus completed twenty-five years as Chairman of the Board of Assessors this year. He was appointed to the board in 1947 and was elected Chairman two years later holding that position until he informed the present board that he would like to step down from his role as chairman.

His knowledge of laws and his system of keeping books has been of great value to the town. We wish to express our thanks to Mr. McManus for his many years of service as chairman of the Board.

Joseph F. Glass, Chairman
 Ralph F. Santoro, Member

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

Toward the end of 1964 we received a number of most encouraging replies to our brochure, advising us how attractive they are and what a pleasure it was to see a sincere effort being made to get away from the usual stereotype pamphlets that look alike. We had one verbal reply evincing a definite interest in Kingston, which inquiry we are now investigating most thoroughly.

In general, we found that the effect of the general political conventions and election seemed to produce the same "wait and see" attitude as with our work in the Plymouth Industrial Development Corporation. We are sincerely hoping for much greater activity and more definite action and firm results in 1965.

The Industrial Development Commission meets at the Town House every third Wednesday of the month at 7:30 P. M. and of course visitors will be most welcome.

In conclusion we wish to thank the Selectmen, Finance Committee, Board of Assessors, Town Accountant, Town Treasurer and all departments for their sincere co-operation.

Respectfully submitted,

Industrial Development Commission	

REPORT OF THE PLYMOUTH INDUSTRIAL DEVELOPMENT CORPORATION

We do not have much to report for the year 1964. Very early in the year new activity in Area Redevelopment Act slowed down to what seemed to us a complete halt. The writer discovered that in a national election year federal agencies of this type apparently are forced to take a "wait and see" attitude until the election and the ensuing inauguration are completed for another four years. We sincerely hope our report next year will show some definite affirmative and concrete accomplishments during 1965.

We feel that President Lyndon B. Johnson is definitely in favor of A. R. A. and his general well known attitude on the entire subject of Industrial Development will mean a step-up in the operations of A. R. A. and that our appeal will finally get a hearing.

Respectfully submitted,

NORMAN E. THOMAS
Plymouth Industrial Development,
Vice President
Kingston Industrial Development
Commission, Chairman

REPORT OF THE HARBOR MASTER

Our records show 197 boats moored in Kingston.

Several complaints of illegal water skiing were investigated.

Lost and found boats were checked.

At the present time the channel is filling rapidly. One place in particular, near Cripples Rocks on the west side of said channel. At low tide there is a scant 6 inches of water in this area. If this situation is not rectified by dredging, boats will be greatly handicapped moving to and from the river.

With the increase in number of boats, the present basin has reached its capacity.

I wish to thank all the boatmen for their cooperation in making it a safe boating season.

I wish to thank my assistant, Antone J. Cazale, for his untiring work and splendid cooperation.

I also wish to thank all Departments for helping when their assistance was most needed.

Respectfully submitted,

ASA W. GLASS,

Harbor Master

REPORT OF CIVIL DEFENSE DIRECTOR

The possibility of nuclear attack no doubt seems remote to us today, or perhaps we wish not to think about such an eventuality. In spite of public apathy, however, Civil Defense is not relaxing its vigil, and will continue to maintain an up-to-date and flexible program for survival, in accordance with scientific advance.

Your Kingston Civil Defense office is kept informed of all pertinent developments through close contact with Sector and State Civil Defense headquarters. We in Kingston are endeavoring to bring Civil Defense into present-day life, both in maintaining law and order and in readiness for natural disasters. One of our most valuable contributions to the citizens of Kingston is through the activities of 24 auxiliary police members. This group is an entirely voluntary one, in

which the members offer daily, 7 p.m. to midnight, desk duty at our police station, cross-walk traffic control at our churches on Sundays, and special duties during holidays and on other occasions calling for extra police protection. In line with this, two walkie-talkies and one base station transceiver radio were purchased this fall to provide efficient, rapid communication wherever needed.

During 1964 the auxiliary police unit received official Red Cross First Aid training. Also three members participated in a basic rescue training course at the Civil Defense training area in Topsfield. During the fall a start was made toward organizing a six-man radiological detection team according to recommendations of Civil Defense headquarters. This program is based more upon the possibility of a nuclear accident than upon enemy action.

Mr. Vernon Cushman, as CD radio officer, has faithfully participated in monthly sector radio drills.

All necessary program papers and progress reports have been submitted on schedule to Sector headquarters, and higher echelons, for approval. This approval is necessary in order for the town to receive full cooperation from Sector, State and National authorities.

It is planned that during the coming year additional members of the auxiliary police, the radiological detection team, plus others interested in volunteer CD activities will avail themselves of the various training courses in Civil Defense which are available to them.

During 1964 three official trips were made to the Taunton Surplus Depot and six to Hanson Sector 2B headquarters. Two government surplus trucks, previously purchased with CD authority, for use by the Highway Department have proved their usefulness.

Distribution of 3,000 Civil Defense book covers was made to the Silver Lake Regional High School and Kingston Elementary School.

CD pamphlets with information useful to our citizens, in case of emergency, were placed in the Kingston Post Office.

Plymouth National Bank and Plymouth Five Cents Savings Bank. In addition, CD posters have been placed at 12 business and office locations throughout Kingston at various times.

Respectfully submitted,
ROBERT A. MULLIKEN, Director

REPORT OF THE TOWN FOREST COMMITTEE

We have been unable to continue work on the Town Forest due to the lack of a definite right of way.

A search for a right of way is now being conducted.

Your committee recommends the following work be undertaken next year after said right of way has been established.

1. Bulldoze and rough grade access roads.
2. Clean unsightly and hazardous areas formerly used for unauthorized dumping.
3. Erect sign at entrance to Town Forest.

Respectfully submitted,
KENNETH E. PACKARD, CHAIRMAN
RICHARD J. THOMAS
LAURENCE P. MOONEY
Town Forest Committee

REPORT OF THE CONSERVATION COMMISSION

In his preface to the recent book *The Quiet Crisis* by Secretary of the Interior Stewart Udall, the late President John F. Kennedy stated, "The crisis may be quiet, but it is urgent. We must do what Theodore Roosevelt did sixty years ago and what Franklin Roosevelt did thirty years ago; we must expand the concept of conservation to meet the imperious problems of the new age. We must develop new instruments of foresight and protection in order to recover the relationships between man and nature and to make sure that the national estate we pass on to our multiplying descendants is green and flourishing. I hope all Americans understand the

importance of this effort because it cannot be won until each American makes the preservation of 'the beauty and the bounty of the American earth' his personal commitment—."

We have written the above quote into our report as it covers exactly what we are trying to do for you as Conservation Commission of the Town of Kingston. We are planning to ask for a small appropriation at the next annual town meeting—this money to be used for the purchase of land to be preserved in its natural state forever. Although the sum requested may not be sufficient to purchase any land this next year, it is accumulative and can be built up from year to year. Matching funds for acquiring such land are available from the Commonwealth of Massachusetts.

In the last year we have acquired one small lot near Indian Pond, and we have been fortunate enough to have a codicil added to a will so that the town, in the name of the Conservation Commission, will at some future date inherit one of the most beautiful sections of natural forest that is within this entire area.

Although progress seems slow, each parcel we do acquire is another small step toward preserving our natural resources. We are negotiating on several pieces at this time and will probably have something more definite at our annual town meeting.

Respectfully submitted,
P. CABOT RUSHTON, Chairman
ROBERT A. MULLIKEN, Secretary
RICHARD W. LORING
FRANK J. BOBBLIS
RICHARD J. THOMAS

Conservation Commission

REPORT OF THE SHELLFISH CONSTABLE

Quahog planted on Fishing Rocks Flat this year totalled 200 bushel. This planted area was made into a winter grant for the Town's people.

New growth of clam seed on our shore-line is showing very good results.

Much work is contemplated this coming year on the removal of clams from the closed area at Gray's Beach to other parts of our shore-line, which are uncontaminated areas.

Further tests for the growing of shellfish are expected to be made with the co-operation of the Department of Natural Resources, Division of Marine Fisheries.

It is with grateful appreciation that I extend my thanks to my assistant, Asa W. Glass, Jr. and to all those persons who have contributed their support and assistance to me this year.

Respectfully submitted,

ANTONE J. CAZALE

Shellfish Constable

REPORT OF THE PLANNING BOARD

Although a number of preliminary plans have been submitted to the Planning Board, there has been very little activity on the actual subdivision of land in Kingston. There seems to be some interest in obtaining information about the necessary requirements to obtain approval of proposed subdivisions, but formal submission of final plans have been limited. The Board feels that there will be no great increase in the number of available subdivision lots in the immediate future.

At the recent Special Town Meeting called for the purpose of changing the Zoning By-laws, the Planning Board recommended certain changes regarding the increase in the area of house lots in the undeveloped parts of the town from 12,500 sq. ft. to 30,000 sq. ft. and this recommendation was

adopted. It is the opinion of the Board that this change will prove beneficial.

We have imposed higher standards for construction of ways and now require that streets in subdivisions be 24 ft. in width, have a base of 6" rolled gravel, 2" of base course and 1" of finish course which meets State specifications.

It is not our purpose to discourage subdivisions but we propose to carefully control changes so that our community will grow in a well regulated manner.

Respectfully submitted,

MITCHELL TOABE, Chairman

ARTHUR E. BEANE, Jr.

CLINTON T. KEITH

HARVEY C. LeSUEUR

HORACE C. WESTON, Clerk

REPORT OF THE WATERFRONT COMMITTEE

As a safety precaution cement posts have been placed at the front of the parking area at the Town Landing, and chains have been purchased to place between them next season. Additional sand has been spread on the south beach to further improve this area, while a start at building up the north bank has been made with sand spread on the stones.

Necessary repairs to the floats have been made during the season along with the annual spring painting. The floats with one exception are found to be in fair condition.

Plans are underway to replace the piling around the stone wharf. The committee would like to have the parking area at the Jones River black-topped in the near future as this is an area increasing in popularity each year, particularly during the summer season.

We wish to express our appreciation to the Harbor Master and Highway Department for their excellent cooperation.

Respectfully submitted,

CLARENCE R. DREW, Chairman

CLINTON T. KEITH

BENJAMIN F. WALKER, Secretary

Kingston Waterfront Committee

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

Honorable Board of Selectmen:

The annual report of the Sealer of Weights and Measures is hereby submitted for the year ending December 31, 1964.

	Adjusted	Sealed	Not Sealed
Scales over 10,000		1	
Scales 100 to 5,000		30	
Scales under 100		42	
WEIGHTS			
Avoirdupois	2	110	
Metric		17	
Troy		13	
LIQUID MEASURE			
1 gal. & Under		4	
Over 1 gal.		2	
Gasoline Pumps		38	
Vehicle Tank Meter	3	8	
Kerosene, Oil, Grease Pumps		12	1
Yardsticks		4	
TOTALS	5	283	1

Adjusting fees collected to the amount of \$1.25 and sealing fees of \$142.30 totaling \$143.55. A recheck of scales were made as requested by owner.

Office Hours: Tuesday 7-8:30 P.M.

Respectfully Submitted,
 GEORGE T. PRATT, JR.
 Sealer of Weights & Measures

REPORT OF THE PARK COMMISSION

The Park Commission and the officials of the town wish to publicly express their deep appreciation to Daniel J. Hogan, the Lifeguard at Gray's Beach for the excellent and efficient manner in which he so ably performed his duties on July 12, 1964. On this day, Danny went to the rescue of Andrew Palantzas, an out of town visitor at Gray's Beach. A day which started out in a pleasurable manner, could well have been otherwise for Mr. Palantzas were it not for the alertness of the Lifeguard. For this act Danny received the American Red Cross Certificate of Merit and Gold Pin. A photograph of the presentation is included in this report.

This year, as in the previous one, the Board of Health and the Park Commission agreed to a residential automobile sticker entitling the bearer privileges to Gray's Beach Park and as a disposal permit at the Town Dump. The parking fees, which are charged to non-residents and persons not having stickers, amounted to \$1,836.00.

Considerable vandalism was experienced at Gray's Beach this year, despite the constant patrolling and inspection. The ticket booth was completely destroyed and the bathhouse needs painting. Fortunately, some recovery has been made through insurance reimbursement. Nevertheless, a new ticket booth will have to be made prior to the beaching season and the bathhouse must be repainted. The doors in the bathhouse also need to be replaced. The picnic tables are rapidly deteriorating and should be replaced shortly.

The Commission plans to bring more sand to the beach as it is continually washing away with the incoming and outgoing tides.

The usual work of fertilizing and liming all the memorial plots and the Town Green was carried out; also flowers were planted in several of the plots to enhance the attractiveness of the area.

The Park Commission has requested funds from the

Trustees
the pure
very me
given in
The
extended
given of

Trustees of the Elizabeth B. Sampson Memorial Fund for the purchase of a new riding mower. This equipment is very much needed in keeping all the various plots and Town Green in a presentable manner.

The thanks and appreciation of this Commission is extended to all persons and departments who have so ably given of their help.

Respectfully submitted,

EARL C. PAULDING, Chairman
ALPHONSO J. CAVICCHI, Jr.
ARTHUR VANTANGOLI
Park Commission

REPORT OF THE BOARD OF HEALTH

The new sewerage disposal area was developed and put into use late this Fall. In the short time it has been in operation, it seems to meet our needs very well. The first full year of operation will be followed with a great deal of interest by your Board.

Minimum requirement for food handlers was received from the Massachusetts Department of Health. These will be in effect January 1, 1965.

The Community Nurses have provided Well Child Conferences several times this year in conjunction with your local Board of Health. We have been most satisfied with the fine cooperation extended to us by the Plymouth Community Nurses Association. The combined program, we feel, has been beneficial to our community.

The usual number of dog bites and childhood diseases were reported.

It has been most helpful to the Board of Health to have a Health Inspector, Mr. George Walsh, allowing the Board more freedom from details so as to perform policy functions.

Mr. Francis W. Brown has signified that he intends to resign as Caretaker of the Town Dump early in 1965, a position he will have held for ten years.

Respectfully submitted,
HARLEY S. CADENHEAD, Chairman
JOHN J. MOORE
WILLIAM A. MacPHAIL
Board of Health

REPORT OF THE PLYMOUTH COMMUNITY NURSE ASSOCIATION

We are submitting the following Annual Nursing Service Report for the year, 1964.

During the twelve month period, January 1 through December 31, 1964, a total of 895 visits were made to patients in Kingston, by the P. C. N. A. nurses. Of this number, 330 visits were made on behalf of the Kingston Board of Health. The nursing service breakdown is as follows:

565 — General Nursing Care
145 — Maternity
 (1 — Antepartum)
 (72 — Postpartum)
 (72 — Newborn)
89 — Tuberculosis Follow-up
46 — Health Guidance
44 — Not at Home

Three Immunization clinics, for infants and preschool children, were held at the Kingston Town House during April, May and June of 1964. A total of 113 DPT injections, vaccinations and polio vaccine drinks were given by Dr. W. Vernon Mayo, assisted by a nurse from the P. C. N. A.

Two Oral Polio clinics were held during October and December of 1964. Polio drinks were given to forty-five adults, infants and preschool children. Assistance was given at these clinics by the P. C. N. A. nurses.

In March, 1964, we held our first Well Child Conference in Kingston. Six Well Child Conferences were held during the year at the Beal Meeting House, with Richard O. Elliott, M. D. as the attending physician. A total of 122 infants and preschool children were seen and examined at these conferences.

Our nurses continue to make visits to all Kingston mothers returning home from the Jordan Hospital with newborn babies. This is a service we particularly enjoy and which we feel is valuable.

We also continue to make visits to patients in Kingston with a problem relating to Tuberculosis.

Our nurses are happy to be of service to any Kingston resident, in any way in which we may be of assistance.

We wish to express our sincere thanks and appreciation to the Kingston Health Department for the fine cooperation given us during the past year.

Respectfully submitted,
(Mrs.) MARION A. HEDGE, R.N.
Supervisor

REPORT OF THE PLUMBING INSPECTOR

I herewith submit the report on plumbing inspections for the year 1964:

Number of inspections.....	44
Personal calls to give information.....	5
Correction of installations.....	4
Gas inspections.....	5
Mileage.....	307

A minimum of two inspections have been made for each permit issued.

Alternate Inspector, James A. Robare, made two inspections on new dwellings.

I wish to express my appreciation to the Town Accountant, Town Clerk and Building Inspector for assistance in issuing permits and aid to this department.

Respectfully submitted,
ROBERT H. RIEDEL, SR.

Plumbing Inspector

REPORT OF THE PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

In reporting on your Project's activities in 1964, I will briefly outline our efforts for the past year.

We are pleased with the results of our salt marsh efforts. Extensive reclaiming of miles of trenches was accomplished by our power unit and hand labor. There are still many more troublesome areas to open. Sewage deposits in our marsh areas are still a serious problem. Considerable upland work was also accomplished with our power unit.

Aerial spray activities are becoming extremely complex due to new regulations which bring to a minimum the application of DDT. Unlike the insecticides we are instructed to now use, DDT maintained a residue which could remain for several days. Also, a zero tolerance of DDT in milk prohibits us from spraying any forage land or areas that might contaminate dairy products.

As in the past years, our crews will hand-dust small breeding areas in the winter months. This work will be supplemented with aerial larvacide in larger swamp areas in early spring. Our truck units carry on a weekly schedule of treatments to sewage areas, public recreation sites, dumps and catch basins. We find that a good portion of complaints received from home-owners are the result of water containers hatching larvae on their properties. Wading pools, children's toys, overflowing sewage, old tires, abandoned autos and clogged gutters, are a few of the important breeding sites of the culex mosquito.

As new homesites arise and vacation areas develop, our workload becomes increasingly greater. New highways are prone to interfere with waterways, and new developments are usually constructed in close proximity to breeding wetlands.

The fine cooperation of your town officers and department heads has been most gratifying.

Respectfully submitted,

M. CURRIE BEATON, Jr.

Superintendent

TOWN OF KINGSTON EDUCATIONAL FUND

Report of the Trustees

The Trustees of the Kingston Educational Fund submit the eighth Annual Report covering the calendar year 1964:

INCOME

Fund Established at the Annual Town Meeting March 1957 under

Chapter 40, Section 3

Balance, January 1, 1964	\$1,820.59
--------------------------	------------

Receipts:

Dividends	<u>78.59</u>
-----------	--------------

Balance, December 31, 1964	\$1,899.18
----------------------------	------------

(Deposited in Plymouth Five Cents Savings Bank)

Frances Leach Bagnell Fund

Third paragraph of Miss Leach's will relating to the purposes of the bequest:

"The net proceeds of the sale or sales hereinbefore referred to in paragraph "Second", together with all money on deposit in the Brockton Savings Bank, the East Bridgewater Savings Bank, the Plymouth Savings Bank, and the Plymouth Five Cents Savings Bank, I give and bequeath as follows: One-third thereof to the Inhabitants of the Town of Kingston, in trust as hereinafter provided, and two-thirds thereof to the Inhabitants of the Town of Plymouth, in trust as hereinafter provided:

In each Town the fund is to be known as the "Frances Leach Bagnell Fund", is to be deposited in savings banks, and the income only to be used for the purpose of assisting needy and deserving children of either sex residing in their respective Towns toward obtaining a higher education. The children who are to receive assistance shall be selected by majority vote of the school committee in their respective Towns."

Annual Town Meeting, March 14, 1964, Article 25:

On the motion of George William Cushman Voted: That the Town accept with thanks the bequest by the late Luther M. Leach for a trust fund to be known as the Frances Leach Bagnell Fund establishing a scholarship for Kingston students and that the Trustees of the Kingston Educational Fund be authorized to supervise the Frances Leach Bagnell Fund.

Received from Robert M. Briggs, Attorney under the Will of Luther M. Leach, the sum of \$4,000.00 representing a partial distribution of the estate on August 15, 1964. The amount was deposited in the Plymouth Five Cents Savings Bank, Account No. 77448 on August 17, 1964.

Edna Maglathlin Scholarship Fund

Tenth Paragraph of Miss Maglathlin's will relating to the purposes of the bequest:

"All the bonds and shares of stock, the income of which I have left to my said brother for life, I give and bequeath, after the death of said Wallace L. Maglathlin, to the TOWN OF KINGSTON, MASSACHUSETTS, in trust, to establish a scholarship, to be known as the Edna Maglathlin Scholarship, the interest, dividends, and income of said bonds and stock to be used towards the education in a higher institution of learning of a graduate of the Kingston High School, such graduate to be selected by the principal and teachers of said High School by reason of his or her character and need; and the right and power is hereby given to the proper officials of said Town to manage, transfer, and sell, said shares of stock and bonds and to re-invest the net proceeds thereof as the occasion and circumstances require."

Article 7 of the Special Town Meeting, July 22, 1964:

"On the motion of George W. Cushman, Voted Unanimously: That the Town accept with deep appreciation the bequest made to the Town by the late Edna Maglathlin to establish a scholarship to be known as the Edna Maglathlin Scholarship for a Kingston student, recipient of said scholarship to be chosen in accordance with her Will, and authorize the Trustees of the Kingston Educational Trust Fund to supervise said funds."

The following stocks were received from the estate of Edna Maglathlin during 1964 as a partial distribution:

Name of Stock	Book Value
2 Shares First National Bank of Boston Stock Certificate #440558, each \$93.75	187.50
2 Shares National Shawmut Bank of Boston Certificate #A5250, each \$71.12	142.24
9 Shares Draper Corp. Certificate #0129148, each \$40.00	360.00
23 Shares New England Electric System Certificate #B0228940, each \$25 5/8	611.80
4 Shares United States Smelting, Refining & Mining Co. Certificate #PO/50706 (Preferred), each \$68.60	274.40
15 Shares United Fruit Co., Cert. #HO370544, each \$27.25	408.75
37 Shares Mass. Investors Trust Certificate #H70308, each \$14.68	543.16
44 Shares American Telephone & Telegraph Co. Certificate #B277946, See Note Below	2,722.50
190 Shares The Reece Corp., Certificate #CU5470 (38 shares at \$111.00, Stock split 5 to 1)	4,218.00
8 Shares American Can Co., Certificate #NP/0 37074 (Preferred) Value \$42.25	338.00
44 Shares American Telephone & Telegraph. Certificate #B281862. See Note Below	2,722.50
Total 88 shares of American Telephone and Telegraph Co. The Estate was 44 shares — value at the time of Miss Maglathlin's death (Feb. 16, 1963) \$123.75 per share. Stock split since Miss Maglathlin's death 2 for 1	\$12,528.85
Total amount of stocks received during 1964	

Edna Maglathlin Scholarship Fund Income Account

Balance, January 1, 1964	None

REPORT OF THE HIGHWAY SUPERINTENDENT

Chapter 90 Program: Construction of Station Street, complete with Type 1 Bituminous Concrete surface, drainage and berms to Pembroke Line.

Chapter 90 Maintenance: Resurfacing with Type I Bituminous Concrete paver mix, Landing Road from Main Street to the end of Maple Street and Elm Street from the Plympton Line to Route 80.

River Street, Wright Court, Jones River Drive, Marsh Road, Baker Avenue, Prospect Court, Brightside Avenue, Leigh Road and portions of Winthrop Street, Elm Street, Indian Pond Road and Winter Street were surfacetreated with applications of sand and asphalt seal coat.

The following previously accepted streets were resurfaced with Type 1 Bituminous Concrete asphalt paver mix: Sunset Avenue, Wharf Lane, Rocky Nook Avenue, Washburn Avenue, Westerly Avenue, Linden Street, Alden and portions of Spruce Streets, Delano Avenue, Smelt Pond Road, Hillcrest Road and Country Way.

Drainage was installed in various locations on the following streets: Brookdale Avenue, Jones River Drive, Howland's Lane and Smith's Lane.

The sidewalk program consisted of construction of two sections of sidewalk on Crescent Street; also, a section on the south side of Main Street from Elm Street to the corner at Route 106 and Evergreen Street.

The citizens of the town will be asked to purchase the following equipment: A new dump truck to replace the 1958 G.M.C. dump truck which is now more practical to replace than maintain;

A truck mounted crane with catch basin cleaning attachments to be mounted on one of our present trucks. Each year more drainage is necessarily added to the present drains, requiring more maintenance in the future. Also, more sand is used each year in the process of keeping our pavements as safe as possible. When Spring arrives much of this sand is

deposited into our drains and must be removed. Previously, equipment has been hired to do this. With the increased demand I believe a town-owned machine would be less expensive and on hand at all times for emergencies as they arise;

An additional automatic sander is necessary to cover the entire road system efficiently, safely and economically.

Respectfully submitted,
WELDON A. THOMAS
Superintendent of Highways

WATER COMMISSIONERS REPORT

In 1964 the Kingston Water Department fulfilled every reasonable expectation and spun out another year of expansion.

The new well on Winthrop Street was placed in operation November 3, 1964. More water was pumped into the system than ever in the history of the department. More revenue was collected than in any previous year. In general, growth has been remarkably well balanced.

Mounting business activity and widespread optimism have generated strong demands for your water department.

A Year of Accomplishment

	1964	1963	1962
Revenue from Operations	\$45,216.43	\$42,178.58	\$38,607.01
Appropriated for Maintenance	36,691.50	32,573.00	27,598.00
Water Pumped	231,705,768 gals.	188,539,948 gals.	216,970,590 gals.
Greatest Amount Pumped in any one day	1,609,600 gal. 6/28/64	1,560,700 gal. 6/26/63	1,239,500 gal. 8/5/62

New Water Mains or Mains Replaced:

Keith Avenue.....	340 Feet
Curtis Street.....	540 Feet
Bagnell Street.....	500 Feet
Town Dump.....	600 Feet
Winthrop Street.....	1200 Feet
TOTAL.....	3180 Feet

New Services Installed..... 54

As of January 1, 1965 there were 1863 services in use.

NEW PUMP HOUSE BUILT IN 1961 ON WINTHROP STREET

INTERIOR VIEW OF THE NEW PUMP INSTALLED
1961 AT WINTHROP STREET.

Maintenance

34 Services replaced or renewed

7 New hydrants were installed

1 Hydrant replaced

3 Hydrants relocated for the Highway Department

The South Street Well was cleaned.

Searching for Additional Water Supply

There were twenty-2½" test holes driven during 1964 or 787 feet in several locations of the town at a cost of \$2,755.38. The results were not favorable.

Your Board of Water Commissioners congratulates Mr. John J. Moore who served on the Special Commission under Chapter 33 of the Acts of 1963 relative to the authorizing of the City of Brockton to extend its source of water supply. Mr. Moore's untiring efforts were successful to preclude the encroachment of Brockton on Kingston's vital water resources.

A Forward Look

1. To Continue The Study of Well Sites — This is a very important function for your Water Commissioners to continue this study. As we grow more and more, water is going to be needed and available spots for good wells are going to become scarcer and scarcer. This is the time to buy land that has suitable and favorable water sites for future wells.

2. To Purchase a Truck with Radio to be Used in Addition to the Present Truck — The activities of the Water Department, particularly during the spring to fall season are becoming so great that another truck should be made available to the Water Department in order that we may operate in a very efficient manner. We hope favorable action will be taken at the Annual Town Meeting, March 1965.

3. To Build a Two Car Garage at the South Street Location — We do not have a suitable building to store our truck and our large equipment. After a great deal of con-

sideration, it has been decided that a two car garage should be built on the South Street property. We have asked the Sampson Trustees to allot \$2500.00 from the Sampson Income Account upon which they have acted favorably and we are asking \$2500.00 from town funds. This \$5,000.00 will construct the building that will serve the department for a number of years.

The most sincere appreciation is due the Superintendent, his assistants and our citizens for the contributions which they have made to a successful year for your Water Department.

Respectfully submitted,

RICHARD W. LORING, Chairman

EARL S. SAMPSON

JAMES A. ROBARE

REPORT OF THE DIRECTOR OF VETERANS' SERVICES

I hereby submit the annual report of the Office of Veterans' Services for the year ending December 31, 1964.

Active cases, January 1, 1964	16
New cases during 1964	9
Cases closed during 1964	11
Cases denied	3
Out of Town cases processed	2
Disability pensions processed	3
Veterans hospitalized	4
Miscellaneous contacts (legal, insurance, education loans, GI bill, etc.)	60
Active cases 31 December 1964	14

Effective January 1, 1965 a mandatory 5% cost of living increase as established by the State will mean additional funds will be required during 1965. During 1964 we experienced extremely high medical expenses and due to the age of our veterans and their dependents this cost will undoubtedly increase with each year.

The facilities of this office are available each Tuesday evening at the Kingston Town Offices between the hours of 8 and 10 P.M.

Respectfully submitted,
LAURENCE P. REID
Director

REPORT OF THE INSPECTOR OF ANIMALS AND INSPECTOR OF SLAUGHTERING

During the past year approximately 60 cattle were shipped into Kingston from Vermont, New York State, and Canada. These cattle were inspected and found free of disease. Reports of these inspections were made and forwarded to the State Division of Livestock Disease Control in accordance with the General Laws.

This year 12 dogs were quarantined on suspicion of rabies because of bites imposed. However, all of these dogs were released after the customary 14 day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the proper State authorities.

There have been no cases of slaughtering in Kingston during the past year.

The annual inspection of animals and the premises in which they were kept was made and the report forwarded to the Division of Livestock Disease Control.

I wish to thank Mrs. Irma A. Ruffini and the members of the Board of Health for their cooperation in organizing these inspections.

Respectfully submitted,
RAYMOND RUSSO, D.V.M.
Inspector of Animals
and Slaughtering

REPORT OF THE INSPECTOR OF WIRES

I hereby submit my report for the year ending 1964:

Total Inspections.....	104
Plymouth County Electric Co. Permits...	69
New Dwellings.....	46
Water Heaters.....	14
Rest Homes.....	1
Nursing Homes.....	1
Services.....	55
Rough wiring.....	25
Kindergartens.....	3
Pumping Station.....	1
Saddlery.....	1
Green Houses.....	1
Iron Works.....	1
Auto Transmission Shop.....	1
Not ready for inspection.....	1
Locked out.....	1
Not approved.....	1
Library.....	1
Underground wires.....	1
Donut Shops.....	1
Bog Houses.....	2
Mileage.....	635

All inspections were based on the 1959 National Electric Code as adopted by the Commonwealth of Massachusetts, with no special rules. This is the second full year of operations for this department covering the inspection of new buildings only.

Alternate Inspector, Maurice Fernex, made one inspection of a new building.

I wish to express my appreciation to the Town Accountant, Town Clerk and Building Inspector for assistance in issuing permits and aid to this department.

Respectfully submitted,

ARTHUR R. DAVIS
Inspector of Wires

REPORT OF THE BUILDING INSPECTOR

To the Citizens of Kingston:

It is with pleasure that I present to you the third annual report of the Building Inspector for the year ending December 31, 1964. The activities of the department are as follows:

Types of Permits	Estimated Costs	No. of Permits
New Dwellings.....	\$581,733.00	53
Additions & Renovations.....	44,325.00	25
Repair (Commercial).....	51,500.00	6
Repair.....	13,485.00	13
Conversion.....	10,000.00	4
Storage.....	880.00	3
Garages.....	17,450.00	10
Patios.....	1,419.00	3

For comparison purposes, 120 permits were issued in 1963 with an estimated cost of \$479,939.00 - or an increase of estimated costs of \$405,983.00. The income for 1963 was \$1,114.00 - or an increase for 1964 of \$652.50.

Building applications may be made at the office of the Town Clerk daily and I will be available at the Town House every Tuesday evening and Saturday morning and will be of service at other times if the duties of my office require it.

I wish to thank the Board of Selectmen, Department heads and personnel for their cooperation during the past year.

Respectfully submitted,
 GEORGE ANDREW WALSH
 Building Inspector

REPORT OF THE FOREST FIRE DEPARTMENT

An extremely dry Spring, Summer and Fall increased the incidents of forest and grass fires during these periods.

The following activities of the department are shown below:

Woods and Brush.....	41
Grass	19
Town Dump.....	116
Burning without a permit	19
Permit fires left burning.....	3
Checking fires	24
Mutual aid to other towns.....	19
Checking permit fires.....	18
To assist other departments of the town..	6
Smoke checks.....	15
To cancel permit.....	1
Needless.....	2
Gasoline wash down	1
Standby public bonfire.....	1
To burn dangerous area.....	1
TOTAL.....	286

Outdoor burning permits totalled 3.844.

A decrease was noted in calls to the Town Dump following the installation of the new water system.

Respectfully submitted.

JOHN B. WEST
 Forest Fire Warden

REPORT OF THE PLAYGROUND COMMISSION

The Community Building and the Capt. Fred L. Bailey Memorial Field continue to be the center of the town's social, civic and sports activities. This is reflected in the increase in requests for use of the building, which was 389 as compared to 319 in 1963. Forty-five of these were paid rentals, resulting in a total income of \$739.00.

Organizations using the building under the free rental policy included Girl Scouts, Boy Scouts, Cub Scouts, church organizations, the Parent-Teachers Association, Hilltop Basketball League, Kingston Civic Association, Reed Community Club and a number of other non-profit organizations.

The summer playground program sponsored by the Playground Commission was again a worthwhile effort, with an average weekly attendance of 163, or a total attendance of 1,304.

Another successful summer evening basketball program was well attended, with four full teams making up an organized league.

In the maintenance department a program of renewing the building was started. The outside trim was painted, a new ceiling installed under the upper porch, and a new ten-burner kitchen stove installed.

The Commission meets the third Tuesday of each month at 7:30 P. M. in the Reed Community Building.

Respectfully submitted,

GEORGE A. CANDINI, JR. Chairman

GEORGE E. COBB, Vice Chairman

JOSEPH A. GOVONI, Secretary

ALF C. LOOTZ

JOHN F. CAULFIELD

Playground Commission

REPORT OF THE POLICE DEPARTMENT

Honorable Board of Selectmen
Kingston, Massachusetts

Gentlemen:

The report of the activities of the Police Department is herewith respectfully submitted for the year ending December 31, 1964.

It will be noted in the report that follows, that there has been an increase in the number of arrests made during the past year. The greatest increase was due to an additional 58 more people who were arrested for speeding this past year. Despite this effort to reduce accidents, Kingston had an increase in accidents over the previous year. One of these was an accident in which a pedestrian was killed. This was the first pedestrian fatality in this Town in the past 15 years.

There was an increase in crimes against person and property in 1964, namely Assault and Battery, Breaking and Entering and Larceny, and attempted Larceny.

I would like to urge the citizens of our community to be aware of the assistance they can provide their police department, by noting any unusual activities in their neighborhood, and letting the police know of these activities by noting the registration numbers of cars that look suspicious; by observing clothing and any unusual manners of suspicious persons, and last but not least, by calling the police immediately when these things are noticed and not a day or two later.

I would like to take this time to thank the Board of Selectmen for their cooperation in the past, and look forward to a continued understanding of our problems in the future.

My thanks to the Auxiliary Police Officers who have given of their time unselfishly in assisting us at our "desk" and at the Churches, and at the training programs.

And finally my thanks to the citizens of our Town for their understanding and support in our efforts to make Kingston a safer town in which to live.

REPORT OF THE PLYMOUTH COUNTY EXTENSION SERVICE

The primary responsibility of the Extension Service is as the 1914 law states "to aid in diffusing among the people of the United States useful and practical information on the subjects relating to Agriculture and Home Economics and to encourage the application of same".

Resources of the University of Massachusetts and the United States Department of Agriculture are available to the staff of the Plymouth County Extension Service because of a mutual assistance agreement.

To make this service available to you, funds are provided by the Federal, State and County governments. Thus the name — Cooperative Extension Service.

Since 1915, when the Plymouth County Extension Service was organized and established, educational information pertaining to Agriculture, Home Economics and 4-H Club Work by furnishing educational information through farm and home visits, letters, newspaper articles, radio talks, meetings, office visits and telephone calls.

Since 1915, when the Plymouth County Extension Service was organized and established, educational information pertaining to Agriculture, Home Economics and 4-H Club Work has been given free to citizens of Plymouth County.

The Extension Service office is located in the Court House, Brockton, Massachusetts, and is staffed by agents who conduct programs in Agriculture, Home Economics and 4-H Club Work by furnishing educational information through farm and home visits, letters, newspaper articles, radio talks, meetings, office visits and telephone calls.

You are invited to make full use of the services provided by the Extension Service but should remember that although the Extension Service furnishes the information, it is you who

makes the decision as to how the information may be used to best advantage.

Requests for information can be directed to the Plymouth County Extension Service, Court House, Brockton, Massachusetts.

ROBERT B. EWING,
County Agent-Manager

REPORT OF THE GAS INSPECTOR

I hereby submit a report for the period during which I have been appointed gas inspector, namely, the month of December:

School Fire Drills.....	40

One of the largest fires in the history of Kingston occurred on May 18, with the total loss of the Justice Aluminum Co. Also damaged were buildings of the Kingston Iron Works, Loring Cranberry Co., New Haven Railroad, and Toabe Hardware Co. Due to a quick response by our Fire Department and a much improved water system, it was possible to contain the fire to the aforementioned building.

In addition, the prompt assistance given under our mutual aid setup with the towns of Plymouth and Duxbury was of tremendous aid in battling this conflagration.

During the year this department, as well as the whole town, lost the valuable services through retirement of Chief George Palmer Holmes, who served the Kingston Fire Department in various positions for a period of forty years;

also, Fire Captain Abraham A. Ruffini who retired after twenty-five years of dedicated service.

Respectfully submitted, *

JOHN B. West, Chief Engineer

CLARENCE R. DREW

WILLIAM A. MacPHAIL

REPORT OF THE TREE WARDEN

The program of this department continues in the pruning and spraying of existing trees and the trimming of the bushes along-side the various roads where troublesome. With the acceptance of new roads during previous years, this department has been working in conjunction with the Highway Department in the removal of trees along the roadsides. Also, the consent of the voters this year in the purchase of a new platform dump truck with crane and boom, was a contributing economical factor; trees can now be removed by trained town employees that previously were done by outside contractors.

Twenty-five new trees were set out this year. These represent future shade trees along newly developed roads and also replacements where needed in several sections of the town.

This department will ask the consideration of the voters at the annual meeting in March, 1965 for the purchase of a Chipper. This equipment will be of material aid in several ways. It will save considerable time and labor and also eliminate the disposal problem in the Town Dump, as it effectively cuts into minute pieces all branches and brush up to 4-inches in diameter, which can then be used as a mulch along the roadsides.

Respectfully submitted,

EARL C. PAULDING,
Tree Warden

REPORT OF THE MOTH DEPARTMENT

Fortunately this year the diseased elms were not too prevalent and as a result, very few roadside trees necessitated being taken down. The Dutch Elm disease has been the lightest in several years, which can be attributed, in part, to the effective work of the new spraying machine, which the voters so generously voted to purchase.

It is recommended that an additional climber be employed next year as the work has substantially increased in regards to the trimming of the Elm and Maple trees. The one climber we now have is severely pressed to efficiently cover the entire town.

Respectfully submitted.

EARL C. PAULDING
Moth Superintendent

The Board of Public Welfare has met the first Wednesday of each month during the year with Special meetings held when necessary.

Due to the urgent need of more space for many of the Town Departments we are proposing to the voters the moving of our offices.

We presently have one office and in the past few years have been sharing another office with the Veteran's Agent. Generally, this arrangement has worked well but it is not satisfactory to have two entirely separate departments with different personnel in the same office.

We, therefore, propose to have the Welfare Office and the Veteran's Office moved to the former Grange Hall. By so doing we can take advantage of Federal and State reim-

bursement for additional alterations necessary, plus heat, lights, janitor service and fire insurance as it pertains to our Welfare apportionment of the space utilized. The cost of maintenance if the proposal is approved will be paid from our Administration funds.

It is anticipated that we can receive Federal Reimbursement through the claiming of our proportionate share for the alterations to the former Grange Hall which will defray the expenses of maintaining the building so that no further appropriation will be necessary in our Administration budgets.

We are cognizant of the fact that it is more logical and economical to house all Town Departments in our Town Hall, but to give us the space needed with the least cost to the taxpayers this would be an answer to our needs at this time.

In order for the Federal and State Departments to approve of our receiving reimbursement they have recommended that the Veterans Department be housed with us as the building is too large for our needs at the present time.

In our opinion we feel the moving of our Welfare and Veterans Departments is a feasible plan for the following reasons:

1. This will give the desired space in the Town Hall for expansion of the other departments.
2. Financially due to our being able to receive Federal and State funds for this proposed move would cost the taxpayers less money.
3. Our department deals largely with the elderly and disabled and the former Grange Hall would be more accessible to them.
4. Our department requires a person to be interviewed in private.
5. It now appears that by 1967 we are going to need larger quarters and we would have ample space then for our needs in the former Grange Hall.

You will note in our above financial report that we received approximately 58% of the cost of Administration from Federal Funds and 23% from State Funds for a total of 81% from Federal and State reimbursement. Under our proposed move the Federal and State share should increase to an estimated 90% reimbursement. The reason for this increase would be due to our claiming the cost of alterations.

We wish to thank the other Town Departments, the State Department of Public Welfare and citizens of the Town for their continued cooperation with this department.

Respectfully submitted,

WILLIAM A. MacPHAIL, Chairman

JOHN J. MOORE

HARLEY S. CADENHEAD

Board of Public Welfare

REPORT OF THE TRUSTEES OF THE FREDERIC C. ADAMS PUBLIC LIBRARY

To the Citizens of Kingston:

Presented first in this report is a summary of our finances for the year, followed by the report of our Librarian, Mrs. Lenari, on the activities at the Library.

1964 Operating Expenditures from Town Appropriation.

Librarians' Salaries.....	\$3,376.57
Janitor's Salary.....	840.00
Fuel.....	365.55
Electricity.....	214.00
Telephone.....	143.13
Books and Periodicals.....	2,312.88
Supplies.....	236.89
Repairs.....	9.75
Unexpended.....	1.23

March 16, 1964 Total Appropriation... \$7,500.00

The immediate net cost to Kingston taxpayers was reduced by receipts from,—

Dog Licenses.....	\$ 842.64
Library Book Fines.....	96.26
State aid to libraries.....	1,075.50

The 1964 Income from Endowed Library Funds was received and expended as follows;—

	Receipts	Payments
Balance from last year...	\$3,032.64	
24 sh American Tel. & Tel.....	69.92	
112 sh Plymouth Cordage.....	358.40	
108 sh Plymouth-Home		
Nat. Bank.....	216.00	
Atcheson, Topeka & Santa Fe		
bond.....	20.00	

Denver & Rio Grande		
Western bond.....	49.50	
Savings Bank Interest.....	1,071.57	
Anticipation dividend loan.....	900.00	\$ 900.00
Transfers from principal.....	15,612.59	
Transfers to building		
"Project 85G".....		16,358.55
Treasurer's salary and bond.....	1.88	110.62
Books and periodicals.....		29.48
Supplies and postage.....		40.87
Repairs and miscellaneous.....		137.00
Bank service and interest.....		11.81
Income balance forward.		3,744.17

\$21,332.50 \$21,332.50

From July of 1962 to the first of February 1965 our payments on account for the Library addition and other extensive improvements amount to,—

Architects.....	\$ 5,443.93
Construction.....	43,620.00
Survey & borings.....	420.00
Adv./Adm./Legal exp.....	590.74

\$50,074.67

For payment of these costs, to date, money has been obtained from the following sources.—

H.H.F.A. Federal grant.....	\$24,000.00
F. C. Adams Library Fund.....	21,806.65
Elizabeth B. Sampson bequest.....	2,000.00
Town appropriations.....	2,268.02

\$50,074.67

Toward completion, we can expect about \$8,000 more from the Housing and Home Finance Agency. In the F. C. Adams Fund we still hold the above listed Telephone and Cordage stocks, and 54 shares of the Plymouth—Home National Bank. At current market, these securities might be expected to realize approximately \$11,200. Savings bank deposits have been depleted.

LIBRARIAN'S REPORT

A great deal of excitement and activity has been going on at the Library during the past year. We are both happy and proud that the beautiful new addition will soon be open and provide better service to all of our patrons.

This room is completely equipped with all new facilities, modern and attractive. I am sure that it will bring a great many happy and productive hours to the many young readers and students who come to our Library. We are very fortunate in having the assistance of Ethel Shiverick as Librarian, and her experience in this field will be a great asset.

A very noticeable improvement in the main library room is the new lighting system.

It is gratifying to note the increase in circulation. Statistics show a marked increase in the number of both adults and children using the Library. Also, the teachers have been taking out more book deposits for their classrooms.

Re-registration of borrowers was started on September 25, 1964.

Our thanks go to the Friends of the Library and to our many devoted patrons who have so generously contributed books, magazines and flowers all during the year.

STATISTICS FOR 1964

Number of books in Library.....	18,182
New books added.....	630
Circulation.....	31,374
Attendance.....	11,596
Registration (Since 9/25/64).....	488
Books discarded.....	1,535

MARION LENARI

Librarian

TRUSTEE'S REPORT

Our efforts in the past year have been primarily concerned with the successful completion of the addition to the Library and the renovations to the basement of the old building, and we now feel quite certain that these new facilities will be open and in service by the time this report is published.

While we are pleased with the progress which has been made and with the prospects that your Library will now fulfill the increased needs of both the young and adult citizens of Kingston, we do regret that it has been necessary to curtail to some extent the plans which were prepared in January of 1963 and which were included in the application for Federal assistance which was filed at that time. With the delay of one year before initial approval of our application and six more months for final acceptance and bidding, the inevitable increase in costs made it necessary to omit some renovation work. To keep within the limits of the Federal Grant, we had to omit the originally planned painting of the exterior and complete refinishing of the interior of the original main Library building. It was possible to include the badly needed re-wiring and re-lighting of this building, and we have received much favorable comment on this improvement.

As is unfortunately common to those who undertake the renovation of older buildings, certain conditions have come to light which require further attention. The gutters, eaves and trim have rotted away in some sections, and some of the downspouts have corroded to such an extent that they must be replaced. While the original brick work is in fair condition, it should be pointed and waterproofed in the very near future, or we will soon have leakage through the interior walls. The Trustees hope that it will be possible to complete this work during the coming year.

We feel that we may count the year of 1964 as most successful in providing improved Library service to the Town, but this would not have been possible without the interest of many persons. To convey individual thanks to all who have helped us so much in this busy time would be almost impossible. We hope that each of you to whom we owe a sincere vote of appreciation will accept this acknowledgement of our gratitude for your help and co-operation during 1964.

Respectfully submitted,

ROBERT A. JONES, Chairman
 JANET A. GIAMMARCO, Secretary
 ROLAND S. BAILEY, Treasurer
 THEODORE J. MITCHELL
 CARL W. STEGMAIER
 DORIS M. WYMAN
 Library Trustees

REPORT OF THE TOWN ACCOUNTANT

Honorable Board of Selectmen
 Kingston, Massachusetts

Gentlemen:

In accordance with Section 61, Chapter 41 of the General Laws, I present herewith detailed statements of the receipts and expenditures of the Town for the fiscal year ending December 31, 1964.

IRMA A. RUFFINI

Town Accountant

Spring Term.....	March 29 thru June 18, 1965
Fall Term.....	September 8 thru December 23, 1965

In addition to all legal holidays, schools will be closed one day in October for Teachers' Convention, and on the Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio on stations WBZ, WBET, and WPLM, between 6:45 and 8:00 a.m. In addition, the fire alarm signals will indicate no-school as follows:

6:30 a.m., no-school all schools, including high school.

7:00 a.m., no-school elementary school only.

REPORT OF THE SCHOOL COMMITTEE

Operations for 1964 were again directed toward providing the best possible elementary education for our youngsters consistent with the resources available. We feel it was a very good year in this regard, one of real progress.

We have established the position of Curriculum Coordinator, a post we had considered for some time. Duties include an examination of how pupils are prepared for the final six years of public schooling, determination of what further emphasis is needed to strengthen the elementary curriculum and making the changes. We look forward to immediate practical returns from this staff addition.

Our First Grade reached a size to warrant four classrooms and we started the Fall Term on this basis. This takes us to nineteen regular classes plus one special class and a school enrollment over 90% of capacity. We plan the appointment of a building study group next to consider the prospects facing us.

Our curriculum remains about as it did a year ago. Uniform testing, which allows some comparison of towns to national levels, has led us to feel we are getting generally good results. However, the mathematics area is now under particular scrutiny and we do expect to make improvements there next.

The committee selected recipients for two sizeable grants, each in the amount of \$562.98 from the Sewall Allen Faunce Scholarship Fund. This has become an annual duty shared with the Superintendent of Schools and the Principal of Silver Lake Regional High School.

Working with the Regional School Committee, we have again leased the Maple Avenue School to them for the year as an overflow facility. Then, we supported the plan to remove the office of our Superintendent to new quarters near by the High School and much more central.

Three experienced members of our professional staff left during the year. Mr. Ralph Chouinard, Music Supervisor

for the Region over many terms resigned to join another system outside the state. Mrs. Margaret Jenkins retired, a lady with more than three decades of teaching experience, half of that here in Kingston. Mrs. Edith Shea, a teacher in our Elementary system for sixteen years, resigned to take a position nearer her home. All were valued members of our staff; they have left honorable service records behind them.

During the year this School Committee participated regionally and state-wide in many meetings aimed at educational excellence. With publication of the so called "Willis Report" recently we expect to be involved even more in the years ahead. Our preliminary reading of this comprehensive work suggests we will have much to consider for our own school.

Finally, we would like once again to remark on the competence of our staff. We are fortunate to have the number of excellent professionals and support personnel who have been attracted here. They are a major strength.

We are operating a school and in it we are helping youngsters to prepare themselves . . . partly for learning things not yet known and to apply that knowledge to uses as yet unimagined.

Respectfully submitted,

MR. JOHN H. DURGIN, JR., Chairman
MRS. EDITH COBB, Secretary
MR. ROBERT R. BARBIERI
MRS. LILIAS CINGOLANI
MR. LAWRENCE B. WESTGATE

Kingston School Committee

REPORT OF THE SUPERINTENDENT OF SCHOOLS-1964

Events in the past year, and more particularly in the last few months, have vividly pointed up the educational advantages of the Union of four towns and the Regional High School District. This report will summarize the high points and problems of our joint operation but this introductory paragraph needs to remind our citizens of the lesson learned in the recent discussions concerning the proposed junior high school. Frequent references were made to "going it alone" but as such proposals were examined it became evident that no one town could afford independence. To be sure some towns could operate separate schools, and maybe for the same or less money, but no one would accept the responsibility for the quality of the education or the services to our youth which such an operation could provide. Walls and floors do not make an educational program and without a well rounded program the most expensive building is wasted and our children's generation is short-changed. Another lesson learned in the past few months is that when people of different convictions meet and discuss their mutual problems, the results are often gratifying, restoring one's faith in the strength-in-unity concept of group action.

A Junior High School and Agreement Change?—

The most recent, and probably the most important, development of the past year was the proposed agreement change and \$1,750,000 bond issue for a regional Junior High School in Pembroke which was voted by the Regional School Committee in the waning hours of the 1964 calendar year. This represented a victory for our children in that it offered hope of continued quality education under proper auspices and adequate plant facilities. Of course, this is only the first step. It remains for the towns to vote their confidence in this Regional School Committee proposal. As this program takes on this new form the towns of our District owe a debt of gratitude to the Study Committee for Future Needs of the Silver Lake Regional High School for their study and report which brought this project to the attention of the District. Though the structure has been

changed the need was established and the separate junior high school concept, whether by addition or separate building, remains to the credit of the Study Committee.

The Union--

Another development in educational '64 has been the acceptance of, and the implementation of, a curriculum coordination program for the elementary grades in all four towns of the Union. A curriculum coordinator, Mrs. Nell Stegmaier, has been added to our administrative staff, and charged with the responsibility for working with the principals and teachers toward the development of a coordinated program of studies by town, school, grade, and subject. This project is well on its way with special emphasis this year on revising our arithmetic curriculum and coordinating the subject content and time allotments in all our sixth grades. These two areas were considered most pressing and will be followed by similar studies in other areas. To their credit our teaching staff has responded most conscientiously to the increased demands made on their time and energy. All meetings, as well as course study requirements, come after school and place a definite burden on our teachers. I am most appreciative of their sacrifices.

Joint action in other aspects of the Union elementary structure has shown progress toward the goal of system-wide coordination. These include a shortened day for the first month for the first grade: - fall and spring parent-teacher conferences: - and uniform achievement testing procedures under the supervision of the Curriculum Coordinator. Supervisory time in Art and Music has been expanded. The concept of time of supervisors is now related to the number of class sections in each town and costs are pro-rated accordingly. Our special education division has been expanded to two classes in the elementary grades, one primary and one upper elementary. This is a much needed improvement and is bringing excellent results.

Silver Lake Regional High School --

Despite a theme of highlighting gains and new developments the High School Principal, Mr. Silvester, in his report finds little to exclaim about and much to be concerned about. Gains are listed in the area of guidance with the addition of another counselor, - in the extension of the Core program into grade 10 after a successful first year in grade 9, - in the continuation of the Oral-Aural approach to the teaching of French, placing emphasis on the spoken word instead of the traditional grammatical approach.

Areas of concern are founded in the problems which result from space limitations. They might also be classified as needs to be considered as soon as possible if the Principal and his staff are to be able to maintain acceptable standards of achievement in all areas of the high school program. Progress can only be achieved by moving ahead. To remain stationary in this fast moving world is to regress.

In addition to more general-purpose classroom space the following needs should be considered: - the library should have three times the space and three times as many volumes as is possible in the present limited area. - two general-purpose classrooms need to be converted into science rooms with laboratory equipment. - more space and equipment is required for mechanical drawing. - art instructional space needs to be doubled. These deficient areas have the immediate effect of limiting the number of students who can elect these special subjects thereby over-taxing non-specialized subject classes in other high school departments.

The Vocational School faces the same frustrations. Lack of space in which to expand the program has caused a standstill status for the past several years. Our total school population has doubled in the past nine years. Vocational enrollment should also double but space limitations have prevented this. Proposals are being prepared by the Director, Mr. Binns, to improve the utilization of the available area as well as long range proposals for future expansion when space becomes available.

The Vocational School has been cooperating with the President's Manpower Development Training Act (MDTA) for the training of adults in vocational skills. Afternoon and evening classes have been formed for clerical, outboard motor, and automobile occupations. Forty-three men and women are attending school under this program.

Of special interest to the Superintendent's office is the vocational carpentry building project for the year -- the construction of an administration building for the Union and District. Completion is hoped for by the close of school in June.

Kingston Elementary School -

For the past several years Kingston's elementary enrollment has shown a controlled, gradual increase, but well within our capacity to accommodate. This year, for the first time, we were forced into the fourth section of our first grade and next year the trend is expected to continue. Our school size will accommodate three divisions of each grade plus two, a total of 20 classrooms. As this four-division trend continues Kingston will be faced with space problems within two years. It would be my recommendation that a new study committee be appointed in the very near future and that this committee consider the next building in another section of the town.

This has been a busy year for our staff at all grade levels. All teachers are involved in one way or another in the arithmetic curriculum study project which makes unusual demands on their time and energy. Our sixth grade teachers have also been involved in the sixth grade subject and time allotment study. Their enthusiasm and cooperation is most appreciated.

Departmental work continues in grade six and ability grouping in Reading is still carried on in grades three, four, and five. The total act of reading is developed in the classroom by the teacher using a modern basal reader, supplementary readers and teaching aids including the Science Research Reading Laboratories. A start on a school library is incorporated in the development of a new display window

in the school lobby. This has been developing for several years and its completion has been expedited by the joint efforts of the Parent-Teachers Association and the School Committee.

Conclusion -

In conclusion I would like to pay tribute to my principals and supervisors for their part in this report but most importantly for their support and assistance during the past year. A special note of thanks is due to the staff of our elementary and high schools who participated so enthusiastically in our efforts to improve our program. And last, but by no means the least, I would like to pay special tribute to those school committee members who make up the District and Local Committees. Theirs is often a thankless task but this does not seem to dampen their enthusiasm or dedication to the job of providing the best possible education for the children of our towns.

FRANCIS M. MORAN

SILVER LAKE

REGIONAL SCHOOL DISTRICT COMMITTEE

To the Citizens of the Silver Lake Regional School District:

The events of the past year which saw the Committee's plans for the erection of a new Junior High at the present site rejected for reasons other than educational should be cause for concern for the future educational growth of our Regional School District.

The final solution, drafted in the closing hours of the year to avoid the loss of over \$200,000.00 in state reimbursement, changed the apportionment formula and permits the location of the school in Pembroke. Our administrators have assured us that an adequate Junior High educational program can be provided there.

Was there a lack of communication between the committee and our town officials which may have contributed to our failure to gain their support for our plans? We think not.

The goals we sought to accomplish had been clearly formulated by the professional staff, competent Study Committees, and all five school committees in the District. These reports were published and distributed throughout the region.

The inescapable conclusion to be drawn is that public apathy, rather than dissident groups, is responsible for the failure to win the support needed to bring our plans to fruition.

Are we alert to the educational needs of the children of the District?

Are we alert to the dynamic, revolutionary changes that are taking place in education today?

Are we alert to the long established principle that "local school boards are the legal instruments through which the state fulfills its responsibility for education"?

Are we alert to the great ideal that education is the greatest constructive force for the preservation of freedom and the advancement of the democratic way of life?

These are some of the questions each of us must answer courageously as well as correctly if we are to provide the best possible education for the children of our Silver Lake Regional School District.

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

Plymouth, ss.

Greeting:

To either of the Constables of the Town of Kingston in the County of Plymouth:

In the name of the Commonwealth you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in elections and in Town affairs to meet at the Town House on

SATURDAY, THE SIXTH DAY OF MARCH NEXT, 1965
for the following purposes:

ARTICLE 1. To choose all necessary Town officials, the following officers are to be chosen on one ballot—viz: A Moderator, A Town Clerk, a Treasurer, a Tree Warden all for one year. One Playground Commissioner for two years. One Selectman, one Collector of Taxes, two Constables, one Assessor, one member of the Silver Lake Regional School District, two members of the School Committee, one member of the Board of Public Welfare, two trustees of the Frederic C. Adams Public Library, two members of the Playground Commission, one member of the Park Commission, one member of the Water Commissioners, all for three years. One member of the Planning Board for five years.

ARTICLE 2. At the close of the Election and after the announcement of the results of the election, the meeting will stand adjourned until the fifteenth day of March, following, at 7:30 o'clock P. M. in the Reed Community Building, when such officers as are to be nominated from the floor will be chosen.

ARTICLE 3. To hear and act upon the reports of the Town Officers.

ARTICLE 4. To fix the salaries of elected officers.

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

ARTICLE 6. To see if the Town will authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning January 1, 1965, and to issue a note or notes as may be given for a period of not more than one year.

ARTICLE 7. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any action relative thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a vehicle to be used as a cruiser-ambulance by the Police Department and authorize the Selectmen to turn in the present 1963 Ford cruiser-ambulance now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicle.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a dump truck for the Highway Department, and authorize the Selectmen to turn in the present 1958 GMC dump truck now owned by the Highway Department and apply the allowance thereof to the purchase price of the new truck.

ARTICLE 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new catch-basin cleaner and crane for the Highway Department.

ARTICLE 12. To see if the Town will vote to transfer from the Road Machinery Fund a sum of money for the purchase of an automatic sander for the Highway Department.

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a truck with attachments and equipped with a radio to be used by the Water Department in addition to the present water truck, or take any other action relative thereto.

ARTICLE 14. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

ARTICLE 15. To see if the Town will vote to accept the recommendation of the Trustees for the purpose of appropriating from the income of the Elizabeth B. Sampson Fund for the construction of a two-car garage at the South Street Station property.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to be used in conjunction with any funds that may be allocated from the income account of the Elizabeth B. Sampson Memorial Fund for the construction of a two-car garage at the South Street Station property; and to further meet said appropriation that the unexpended balance of \$1,424.31 in the account for extending the main on School and Chapel Streets be transferred to said account.

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of renovating the former New York, New Haven and Hartford Railroad Station for the purpose of relocating and equipping the Police Department therein.

ARTICLE 18. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new four-wheel drive brush-breaker type truck, and appur-

tenances therefor, for the Forest Fire Department, and authorize the Forest Fire Department to transfer the 1941 Dodge truck to the Highway Department.

ARTICLE 19. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new service and rescue truck and equipment therefor for the Fire Department, and authorize the Board of Selectmen to dispose of the 1941 Chevrolet Fire Truck.

ARTICLE 20. To see if the Town will vote to accept Chapter 486 of the Acts of 1964 which will increase the amounts of pensions and retirement allowances to certain former public employees.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to install a drainage outlet from Smith's Lane northwesterly down a private way, for a distance of approximately 250 feet, more or less.

ARTICLE 22. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of replacing the pilings at the Town Wharf, located at the end of River Street and hard surface the area adjacent thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a chipper for the Tree Department.

ARTICLE 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available

funds in the treasury, a sum of money for the purchase of a sprayer to be used by the Health Department for the control of insect pests, and authorize the Selectmen to dispose of the Tifor Fog Machine now owned by the Board of Health.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for repairs and improvements to the Frederic C. Adams Public Library and grounds.

ARTICLE 27. To see if the Town will vote to transfer for library purposes from the account entitled State Aid for Libraries-Reserved for Appropriation, the sum of \$1,075.50; said funds having been received from the Commonwealth of Massachusetts during 1964.

ARTICLE 28. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation of a fire alarm system at the Reed Community Building; said system to be connected to the Kingston Fire Station.

ARTICLE 29. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the repairs, renovations equipment and furnishings of the Town Hall Annex, formerly known as the Grange Hall.

ARTICLE 30. To see if the Town will vote to amend the Plumbing and Gas Codes so as to place them under the jurisdiction of the Board of Health.

ARTICLE 31. To see if the Town will vote to amend the existing Plumbing By-Laws of the Town of Kingston so as to conform with the minimum requirements of Chapter 142 of the General Laws.

ARTICLE 32. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of improvements and repairs in the Town House and for the

purchase of necessary furnishings and equipment; said work to be done under the supervision of the Selectmen.

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money to be added to the present appropriation for "Water—Additional Wells" for the purpose of making a future study of additional wells or take any action relative thereto.

ARTICLE 34. To see if the Town will vote to amend the authorization granted the Board of Selectmen at the Special Town Meeting July 22, 1964 under Article 9 to sell the property of the late Edna Maglathlin, located in Turner, Maine, at private sale if deemed advisable.

ARTICLE 35. To see if the town will vote to adopt the following resolution: Whereas the General Court sitting as a Constitutional Convention, did on July 16, 1963, give initial approval to a Home Rule amendment to the state Constitution, and whereas this bill of rights for local governments requires a second approval by the members of the General Court during this legislative session, and whereas we, as members of this Town Meeting, feel competent to handle the affairs of our town without strict supervision by the Commonwealth of our every act and deed. Now therefore be it resolved that this town meeting hereby instructs its representatives to the General Court to vote in favor of the Home Rule proposal (H 1384 of 1963 as revised) when it comes before them, or take any other action relative thereto.

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of making a study of dredging a main channel in Kingston Bay in conjunction with the Department of Public Works of Massachusetts.

ARTICLE 37. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of

Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

ARTICLE 38. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of land, or as a down payment toward same.

ARTICLE 39. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Tree Department—Platform Dump Truck	\$283.11
Sewerage Disposal Area	59.19
Highway—Purchase of Bucket Loader	312.60
Highway—Smelt Pond Road Construction	12.90
Highway—Cor. Smith's Lane & Crescent Street Construction	2.23
Highway—Sunset Road Construction	.47
Highway—Washburn Avenue Construction	.16
Highway—Westerly Avenue Construction	.26
Shore Protection—Rocky Nook Avenue	22.47

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Rehabilitation of Old Burial Ground	\$0.74
Extension of Water Main from Prospect Street to Town Dump	24.41
Mist Blower for Moth Department	93.98
Public Address System in Reed Community Building	16.61

ARTICLE 40. To see if the Town will vote to accept the way known as Curtis Avenue in the Rocky Nook section of Kingston, beginning on the northerly side of Leigh Road and continuing in a northeasterly direction to Cedar Lane, a dis-

tance of approximately 540 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 41. To see if the Town will vote to accept the way known as Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction to Braunecker Avenue, a distance of 1,101 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 42. To see if the Town will vote to accept the way now known as Keith Avenue, beginning on the northerly side of Winthrop Street and running in a northerly direction, and the way now known as Lawrence Street running in an easterly direction to Summer Street, a total distance of 1,615 feet, more or less, and all to be known as Keith Avenue, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 43. To see if the Town will vote to accept the way now known as Off Kennedy Road, beginning at the southerly side of Kennedy Road and continuing in a southerly direction, to Braunecker Avenue, a distance of 850 feet, more or less, and to be known as Union Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 44. To see if the Town will vote to accept the way known as Frank Street, beginning on the southeasterly side of Smith's Lane and running in said direction for a distance of 550 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 45. To see if the Town will vote to install a water main of not less than six inches in diameter for a distance of approximately 325 feet, more or less, on Adams Avenue in the Rocky Nook Point section of Kingston starting at Delano Avenue, and raise and appropriate a sum of money for the installation thereof. (By Petition)

ARTICLE 46 To see if the Town will vote to reimburse the Vernazzaro Brothers in the amount of \$2,829.04 which was expended by them in the year 1963 for the purpose of making available a sewage disposal area after receiving unanimous approval from the Board of Health and the Board of Selectmen of the town of Kingston. (By Petition)

ARTICLE 47. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

To transact any other business that may legally come before said meeting.

The polls will be opened at seven o'clock a.m. on Saturday the sixth day of March, and may be closed at seven o'clock p.m. on Saturday the sixth day of March, 1965.

And you are directed to serve this Warrant by posting up attested copies thereof at the main entrance to the Town House and at the Post Office in said Town, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this sixteenth day of February in the year of our Lord onethousand nine hundred and sixty-five.

JOHN J. MOORE

WILLIAM A. MacPHAIL

HARLEY S. CADENHEAD

TOWN OF KINGSTON

MASSACHUSETTS

REPORT and RECOMMENDATIONS

OF THE

FINANCE COMMITTEE

TO THE

ANNUAL TOWN MEETING

1965

Together with a Copy of the Warrant Articles
and Accompanying Recommendations

REPORT AND RECOMMENDATIONS OF THE KINGSTON FINANCE COMMITTEE

To the Voters of Kingston:

During the fiscal year 1964, the following amounts were transferred from the Reserve Fund to the accounts listed below:

Town Clerk	\$ 225.31
Forest Fire Department	2,336.50
Fire Department	1,000.00
Zoning Study Committee	64.00
Town Clerk — State Census	1,000.00
Assessors	125.00
Veterans' Benefits	2,500.00
Building Codes	98.72
Police Department — Radio	900.00

Total \$8,249.53

The resignation of Mr. Theodore J. Mitchell was accepted with great regret, and Mr. Roy McLean was appointed to fill the vacancy until March 1965.

The Committee is a member and one of the founders of the Plymouth County Finance Committee Association and attended the winter meeting in Pembroke. The Committee joined the Association of Town Finance Committees of Massachusetts and has since received valuable materials and information. The new budget form presented at the Town Meeting in 1965 will permit comparisons with other member towns of comparable size.

Many meetings were held with the Regional District School Committee and also with the Finance Committees and Boards of Selectmen of the District Towns regarding the building of a Regional Junior High School in Pembroke. The Chairman represented the Committee and the Board of Selectmen at a meeting with the School Building Assistance Commission in Boston. Meetings were also held during the year with many Town Officers, Departments and Citizens: For their help and cooperation we give our thanks.

Included in the 1965 Warrant are nine items for the purchase of trucks and motorized equipment totaling \$32,235. It seems unfortunate that the Town is asked to provide such a sum in a single year — the Committee recommends the expenditure of \$24,555. The Committee further recommends the formation of a permanent Capital Outlay Committee to develop plans for all capital improvements and their financing, to project such plans on a long-range basis and to present to the Town each year a program of improvements with the approval of the Finance Committee.

There is a lack of coordination between Departments concerning duties of employees and their wage scales. The burden of recommendation rests with the Finance Committee based solely on individual Department requests. The Committee has recommended to the Board of Selectmen, in joint meeting, that a Wage Personnel Board be established to determine wage rates and job classifications for all Town personnel.

Also included in the 1965 Warrant are five articles for the construction or renovation of Town buildings totaling \$37,418. The Committee recommends the expenditure of \$8,100. only, to build a garage for the Water Department and to renovate the exterior of the Public Library. Study Committees have been formed and their suggestions discarded, and there is still no over-all plan for the proper housing of our Department's and offices. The Committee feels that such a project is now the responsibility of the Board of Selectmen who should immediately develop plans with the advice of the Department heads. The Committee cannot recommend individual requests until a master plan is forthcoming.

Petitioners have presented requests for the building of five streets during 1965 at a cost of \$64,500. Because of the dire need of capital improvements this year, the Committee recommends the acceptance of one street, Keith Avenue, at a cost of \$10,000.

The amounts requested in the 1965 Budget and Warrant items total \$1,253,595.25; the Committee recommends the sum of \$1,125,684.90. The Committee recommends a program of austerity in the budget expenditures of all Town Departments. These expenditures will have increased from 1962 - 1965 by over \$218,000. We cannot rely on additional help from the State or Federal Governments at this time, therefore Departments must conserve their equipment and properties, and spend cautiously. We have therefore voted to decrease the Reserve Fund to \$5,000.

Respectfully submitted,

KINGSTON FINANCE COMMITTEE

	Term Expires
ERNEST H. COTE, Chairman	1967
LEON H. BALBONI, Vice Chairman	1965
WARREN M. AXFORD, Clerk	1966
MANDO A. ALDROVANDI	1966
WILLIAM R. FAIRWEATHER	1966
LOUIS V. LAPINSKI	1967
ROY L. McLEAN	1965
FRED C. NEWHALL	1965
GOBIN STAIR	1967

KINGSTON TOWN WARRANT WITH THE RECOMMENDATIONS OF THE FINANCE COMMITTEE Monday, March 15, 1965

ARTICLE 2. At the close of the Election and after the announcement of the results of the election, the meeting will stand adjourned until the fifteenth day of March, following, at 7:30 P.M. in the Reed Community Building, when such officers as are to be nominated from the floor will be chosen.

ARTICLE 3. To hear and act upon the reports of the Town Officers.
Recommend favorable action.

ARTICLE 4. To fix the salaries of elected officers.
Recommend that the salaries of the several elected officers of the town be retroactive to January 1, 1965 and be fixed as follows:

Moderator	\$ 25.00
Treasurer	1,500.00
Collector	3,000.00
Town Clerk	762.30
Chairman of Selectmen	500.00
Other Selectmen, each	175.00
Chairman Board of Health	500.00
Other members Board of Health, each	175.00
Chairman Board of Public Welfare	500.00
Other members Board of Public Welfare, each	175.00
Chairman Board of Assessors and Clerk	4,000.00
Other Assessors, each	472.50
Water Commissioners, Chairman	100.00
Other Water Commissioners, each	75.00
Tree Warden	2,000.00

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges.
Recommend that budget items 1-120 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled and discussed separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote.

ARTICLE 6. To see if the Town will authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning January 1, 1965, and to issue a note or notes as may be given for a period of not more than one year.

Recommend Favorable Action.

ARTICLE 7. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any action relative thereto.

Recommend that the sum of \$5,000.00 be raised and appropriated to meet the Town's share of the cost and that in addition the sum of \$15,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's share.

ARTICLE 8. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

Recommend that the sum of \$1,000.00 be raised and appropriated to meet the Town's share of the cost and that in addition the sum of \$2,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's share.

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a vehicle to be used as a cruiser-ambulance by the Police Department and authorize the Selectmen to turn in the present 1963 Ford cruiser-ambulance now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicle.

Recommend favorable action.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of

a dump truck for the Highway Department, and authorize the Selectmen to turn in the present 1958 GMC truck now owned by the Highway Department and apply the allowance thereof to the purchase price of the new truck.
Recommend favorable action.

ARTICLE 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new catch-basin cleaner and crane for the Highway Department.
Recommend no action.

ARTICLE 12. To see if the Town will vote to transfer from the Road Machinery Fund a sum of money for the purchase of an automatic sander for the Highway Department.
Recommend the transfer of \$2,055.43 from the Road Machinery Fund for the purchase of an automatic sander.

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a truck with attachments and equipped with a radio to be used by the Water Department in addition to the present water truck, or take any other action relative thereto.
Recommend favorable action.

ARTICLE 14. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.
Recommend favorable action of the amount of \$5,550.00.

ARTICLE 15. To see if the Town will vote to accept the recommendation of the Trustees for the purpose of appropriating from the income of the Elizabeth B. Sampson Fund for the construction of a two-car garage at the South Street Station property.
Recommend favorable action of the amount of \$2,500.00.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to be used in conjunction with any funds that may be allocated from the income account of the Elizabeth B. Sampson Memorial Fund for the construction of a two-car garage at the South Street Station property; and to further meet said appropriation that the unexpended balance of \$1,424.31 in the account for extending the main on School and Chapel Streets be transferred to said account.

Recommend that the Town raise and appropriate the sum of \$1,075.69, and in addition, transfer the sum of \$1,424.31 from the School and Chapel Streets account.

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of renovating the former New York, New Haven and Hartford Railroad Station for the purpose of relocating and equipping the Police Department therein.
Recommend unfavorable action.

ARTICLE 18. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new four-wheel drive brush-breaker type truck, and appurtenances therefor, for the Forest Fire Department and authorize the Forest Fire Department to transfer the 1941 Dodge truck to the Highway Department.
Recommend favorable action not to exceed the sum of \$6,000.00.

ARTICLE 19. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new service and rescue truck and equipment therefor for the Fire Department, and authorize the Board of Selectmen to dispose of the 1941 Chevrolet Fire Truck.
Recommend no action.

ARTICLE 20. To see if the Town will vote to accept Chapter 486 of the Acts of 1964 which will increase the

amounts of pensions and retirement allowances to certain former public employees.
Recommend favorable action.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to install a drainage outlet from Smith's Lane northwesterly down a private way, for a distance of approximately 250 feet, more or less.
Recommend no action.

ARTICLE 22. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of replacing the pilings at the Town Wharf, located at the end of River Street, and hard surface the area adjacent thereto.
Recommend no action.

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.
Recommend favorable action.

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a chipper for the Tree Department.
Recommend no action.

ARTICLE 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a sprayer to be used by the Health Department for the control of insect pests, and authorize the Selectmen to dispose of the Tifor Fog Machine now owned by the Board of Health.
Recommend favorable action.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for repairs and improvements to the Frederic C. Adams Public Library and grounds.
Recommend favorable action not to exceed \$3,100.00.

ARTICLE 27. To see if the Town will vote to transfer for library purposes from the account entitled State Aid for Libraries — Reserved for Appropriation, the sum of \$1,075.50; said funds having been received from the Commonwealth of Massachusetts during 1964.
Recommend favorable action.

ARTICLE 28. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation of a fire alarm system at the Reed Community Building; said system to be connected to the Kingston Fire Station.
Recommend favorable action not to exceed \$1,650.00.

ARTICLE 29. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the repairs, renovations equipment and furnishings of the Town Hall Annex, formerly known as the Grange Hall.
Recommend no action.

ARTICLE 30. To see if the Town will vote to amend the Plumbing and Gas Codes so as to place them under the jurisdiction of the Board of Health.
Recommend favorable action.

ARTICLE 31. To see if the Town will vote to amend the existing Plumbing By-Laws of the Town of Kingston so as to conform with the Minimum requirements of Chapter 142 of the General Laws.
Recommend favorable action.

ARTICLE 32. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of improvements and repairs in the Town House and for the purchase of necessary furnishings and equipment; said work to be done under the supervision of the Selectmen.
Recommend no action.

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money to be added to the present

appropriation for "Water — Additional Wells" for the purpose of making a future study of additional wells or take any action relative thereto.

Recommend favorable action not to exceed \$2,500.00.

ARTICLE 34. To see if the Town will vote to amend the authorization granted the Board of Selectmen at the Special Town Meeting July 22, 1964 under Article 9 to sell the property of the late Edna Maglathlin, located in Turner, Maine, at private sale if deemed advisable.
Recommend favorable action.

ARTICLE 35. To see if the town will vote to adopt the following resolution: Whereas the General Court sitting as a Constitutional Convention, did on July 16, 1963, give initial approval to a Home Rule amendment to the state Constitution, and whereas this bill of rights for local governments requires a second approval by the members of the General Court during this legislative session, and whereas we, as members of this Town Meeting, feel competent to handle the affairs of our town without strict supervision by the Commonwealth of our every act and deed. Now therefore be it resolved that this town meeting hereby instructs its representatives to the General Court to vote in favor of the Home Rule proposal (H1384 of 1963 as revised) when it comes before them, or take any other action relative thereto.
Recommend favorable action.

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of making a study of dredging a main channel in Kingston Bay in conjunction with the Department of Public Works of Massachusetts.

Recommend that the sum of \$2,500.00 be raised and appropriated to meet the Town's share of the cost, and that in addition the sum of \$2,500.00 be transferred from unappropriated available funds in the treasury to meet the State's share.

ARTICLE 37. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.
Recommend favorable action.

ARTICLE 38. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of land, or as a down payment toward same.
Comment to be made at town meeting.

ARTICLE 39. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Tree Department—Platform Dump Truck	\$283.11
Sewerage Disposal Area	59.19
Highway—Purchase of Bucket Loader	312.60
Highway—Smelt Pond Road Construction	12.90

Highway—Sunset Road Construction	.16
Highway—Washburn Avenue Construction	.26
Highway—Westerly Avenue Construction	22.47
Shore Protection—Rocky Nook Avenue	

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Rehabilitation of Old Burial Ground	\$ 0.74
Extension of Water Main from Prospect	24.41
Street to Town Dump	93.98
Mist Blower for Moth Department	

Public Address System in Reed Community

Building

16.61

Recommend favorable action.

ARTICLE 40. To see if the Town will vote to accept the way known as Curtis Avenue in the Rocky Nook section of Kingston, beginning on the northerly side of Leigh Road and continuing in a northeasterly direction to Cedar Lane, a distance of approximately 540 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition).

Recommend no action.

ARTICLE 41. To see if the Town will vote to accept the way known as Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction to Braunecker Avenue, a distance of 1,101 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition).

Recommend no action.

ARTICLE 42. To see if the Town will vote to accept the way now known as Keith Avenue, beginning on the northerly side of Winthrop Street and running in a northerly direction, and the way now known as Lawrence Street running in an easterly direction to Summer Street, a total distance of 1,615 feet, more or less, and all to be known as Keith Avenue, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Recommend favorable action not to exceed \$10,000.00.

ARTICLE 43. To see if the Town will vote to accept the way now known as Off Kennedy Road, beginning at the southerly side of Kennedy Road and continuing in a southerly direction, to Braunecker Avenue, a distance of 850 feet, more or less, and to be known as Union Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Recommend no action.

ARTICLE 44. To see if the Town will vote to accept the way known as Frank Street, beginning on the southeasterly side of Smith's Lane and running in said direction for a distance of 550 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Recommend no action.

ARTICLE 45. To see if the Town will vote to install a water main of not less than six inches in diameter for a distance of approximately 325 feet, more or less, on Adams Avenue in the Rocky Nook Point section of Kingston starting at Delano Avenue, and raise and appropriate a sum of money for the installation thereof. (By Petition)

Recommend no action.

ARTICLE 46. To see if the Town will vote to reimburse the Vernazzaro Brothers in the amount of \$2,829.04 which was expended by them in the year 1963 for the purpose of making available a sewage disposal area after receiving unanimous approval from the Board of Health and the Board of Selectmen of the town of Kingston. (By Petition)

Recommend no action.

ARTICLE 47. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy. Recommendation to be made at Town Meeting.
