# ANNUAL REPORT

# 1966

COVER

Designed 1950  
Helen D. Foster

Authorized by vote of the town on March 18, 1950,  
and approved by the Board of Selectmen on August 8,  
1950.

*John J. Moore  
Ray W. Bailey  
Orlando H. Sgarbi*

## In Memoriam

ALBERT H. HOLMES

Born: October 27, 1886  
Kingston, Massachusetts

Died: May 2, 1966  
Plymouth, Massachusetts

"Bert," as he was familiarly known to those closest to him, was born and educated in Kingston and was a lifelong resident. His record of service to the town he loved so well is enviable. He first served the town as a member of the School Committee for the years 1920 and 1921. In 1921 he was elected to the Board of Selectmen and served in that capacity to 1928 inclusive. In 1932 he was elected Moderator and competently conducted his duties as such until 1953 at which time he announced he would not be a candidate for re-election. He was also an active member of the Board of Fire Engineers from 1935 to 1945. At the time of his death he was in his eighth consecutive year as a member of the Fish Committee. "Bert" was vitally interested in current affairs and was a recognized authority on the history of the town. He was ever ready to give willingly and freely of his knowledge and assistance to all persons. His familiar figure, green felt hat, walking cane and cheerful greeting to all are sadly missed.

---

## In Memoriam

GEORGE T. PRATT, SR.

Born: February 3, 1890  
Kingston, Massachusetts

Died: April 9, 1966  
Kingston, Massachusetts

George was a lifelong resident of Kingston. He ably served the town as Sealer of Weights and Measures from 1940 to 1959 inclusive. He was ever ready to accommodate those persons who needed his assistance and many times inconvenienced himself in order to satisfy a request for his services. He was a call fireman for the Kingston Fire Department from 1918 to 1953. In ill health the past few years George still kept in contact with his many friends. His jovial spirits and quick wit remain fond memories for those who knew him.

### ANNUAL TOWN MEETING

March 1966

March 21, 1966

The adjourned meeting was called to order at 7:05 P. M. by the Moderator, Horace C. Weston. By unanimous approval of the meeting, the warrant was not read.

Article 2. The following officers were chosen:

Measurers of Wood and Bark — Robert L. Davison and Robert L. Goad (nominations made by Harley S. Cadenhead).  
Director of Plymouth County Extension Service — George E. Fraser (nomination made by Kenneth J. Cram).

Article 3. On the motion of Ernest H. Cote Voted: That a motion to reconsider any vote must be made before the final adjournment of the meeting at which the vote was passed, provided, however, that such motion to reconsider shall not be made at an adjourned session of the meeting unless the mover has given notice of his intention to make such a motion, either at the session of the meeting at which the vote was passed or by written notice to the Town Clerk not less than twelve hours before the hour to which the adjournment has been voted and not more than forty-eight hours after the hour of adjournment of such session; a vote shall not be reconsidered a second time or after a motion to reconsider has failed to pass.

Before a vote was taken under Article 3, Mr. Joseph L. Robinson offered an amendment to substitute the word six hours for twelve hours.

### MOTION WAS DEFEATED

Article 4. On the motion of Harley S. Cadenhead Voted: That the reports of the Town Officers, as printed in the 1965 Town Report be accepted.

Article 5. On the motion of Ernest H. Cote Voted: That the salaries of the several elected officers of the Town be retroactive to January 1, 1966 and be fixed as follows:

Moderator	\$25.00
Treasurer	1,500.00
Collector	3,200.00
Town Clerk	780.00

Chairman, Board of Selectmen	500.00
Other members Board of Selectmen, each	175.00
Chairman, Board of Health	500.00
Other members Board of Health, each	175.00
Chairman, Board of Public Welfare	500.00
Other members Board of Public Welfare, each	175.00
Chairman, Board of Assessors and Clerk	4,400.00
Other members Board of Assessors, each	520.00
Chairman, Water Commissioners	150.00
Other Water Commissioners, each	125.00
Tree Warden	2,000.00

Before a motion was made under Article 6, Harley S. Cadenhead, Chairman of the Board of Selectmen gave a resume of town projects and Ernest H. Cote, Chairman of the Finance Committee spoke on the financial aspect of the town tax rate for 1966, changes that have been recommended in the budget, the recommendations made in their report and other pertinent matters.

Article 6. On the motion of Ernest H. Cote Voted. That budget items 1-107 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled and discussed separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote.

Article 7. On the motion of George W. Cushman Voted Unanimously: That the Town Treasurer, with the approval of the Selectmen be authorized to borrow money from time to time, in anticipation of the revenue for the financial year beginning January 1, 1966, and to issue a note or notes as may be given for a period of not more than one year in accordance with Section 17, Chapter 44, General Laws.

Article 8. Ernest H. Cote Moved: That the town adopt the following by-law: "A Committee to be known as the 'Capital Outlay Committee' be established, composed of two (2) members of the Finance Committee appointed by and from it, one (1) member of the Planning Board appointed by and from it, two (2) members to be appointed by the Moderator, and two (2) members appointed by the Selectmen. One member from the Finance Committee and one member appointed by the Moderator and one member appointed by the Selectmen shall be appointed for one year terms. The other appointees and all replacements shall be appointed for two year terms and in the manner of the original appointments. The Committee shall annually, before November first of each year, prepare a Capital Budget Program for use by the Finance Committee, the voters, other town boards and officials in their deliberations. The Committee shall publish such report or a summary thereof in a suitable manner and deposit the original with the Town Clerk. The objective of the Committee shall be: 1. To anticipate and schedule capital improvements over a period of not less than six years according to priority of need and consistent with the town's fiscal procedures and ability to pay. 2. To forecast necessary borrowings and their probable impact on the operating budget and tax rate of the town. 3. To maintain the town as properly balanced with business, industrial and civil uses."

Kenneth J. Cram moved the following amendment: "Two members to be appointed by the Industrial Commission; to delete two (2) members to be appointed by the Moderator."

On the motion of Mr. Robinson voted the previous question as amended.

Yes 180 No 1 MOTION WAS CARRIED

Then a vote was taken on the motion as amended and this motion was defeated.

Mrs. June Ballinger moved an amendment that in place of the two members appointed by the Moderator, two members to be elected from the floor of the annual town meeting and that the words following "shall be appointed" be added "or elected" and the words following "original appointments" be added "or election": so to read:

That the town adopt the following by-law: "A committee to be known as the 'Capital Outlay Committee' be established, composed of two (2) members of the Finance Committee appointed by and from it, and one (1) member of the Planning Board appointed by and from it, two (2) members from the floor of the annual town meeting and two (2) members appointed by the Selectmen. One member from the Finance Committee and one member appointed by the annual town meeting and one member appointed by the Selectmen shall be appointed for one year terms. The other appointees and all replacements shall be appointed or elected for two year terms and in the manner of the original appointments or election. The committee shall annually, before November first of each year, prepare a Capital Budget Program for use by the Finance Committee, the voters, other town boards and officials in their deliberations. The committee shall publish such report or a summary thereof in a suitable manner and deposit the original with the Town Clerk. The objectives of the committee shall be: 1. To anticipate and schedule capital improvements over a period of not less than six years according to priority of need and consistent with the town's fiscal procedures and ability to pay. 2. To forecast necessary borrowings and their probable impact on the operating budget and tax rate of the town. 3. To maintain

the town as properly balanced with business, industrial and civil uses."

# THIS AMENDMENT WAS ALSO DEFEATED

A vote was taken on the original motion made by Mr. Cote and it was voted: That the town adopt the following by-law: "A committee to be known as the 'Capital Outlay Committee' be established, composed of two (2) members of the Finance Committee appointed by and from it, one (1) member of the Planning Board appointed by and from it, two (2) members to be appointed by the Moderator, and two (2) members appointed by the Selectmen. One member from the Finance Committee and one member appointed by the Moderator and one member appointed by the Selectmen shall be appointed for one year terms. The other appointees and all replacements shall be appointed for two year terms and in the manner of the original appointments. The committee shall annually, before November first of each year, prepare a Capital Budget Program for use by the Finance Committee, the voters, other town boards and officials in their deliberations. The committee shall publish such report or a summary thereof in a suitable manner and deposit the original with the Town Clerk. The objectives of the committee shall be: 1. To anticipate and schedule capital improvements over a period of not less than six years according to priority of need and consistent with the town's fiscal procedures and ability to pay. 2. To forecast necessary borrowings and their probable impact on the operating budget and tax rate of the town. 3. To maintain the town as properly balanced with business, industrial and civil uses.

Mr. Joseph L. Robinson moved that this meeting be adjourned to Wednesday evening, March 23, 1966 at 7:00 P. M. in the Reed Community Building.

Mr. Cadenhead moved an amendment that this meeting be adjourned to Tuesday evening, March 22, 1966 at 7:00 P. M. in the Reed Community Building.

AMENDMENT WAS CARRIED AND SO VOTED  
(10:12 P. M.)

Number voters present:

Men 150 Women 104 Total 254.

Vote checkers were: Catherine J. Bartlett, George Andrew Walsh, Grace B. Buhl and Ben J. Iannucci.

March 22, 1965

The adjourned Annual Town Meeting was called to order at 7:05 P. M. by the Moderator, Mr. Weston.

Article 9. On the motion of Ernest H. Cote Voted: That the sum of \$50.00 be raised and appropriated for the expenses of the Capital Outlay Committee.

Article 10. On the motion of Kenneth J. Cram Voted: That the sum of \$5,000.00 be raised and appropriated to meet the Town's share of the cost of Chapter 90 Highway Construction and that in addition the sum of \$15,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored, upon their receipt, to the Excess and Deficiency account in the treasury.

The use of available funds under this article was approved by the Finance Committee.

Article 11. On the motion of Kenneth J. Cram Voted: That the sum of \$1,000.00 be raised and appropriated to meet the Town's share of the Chapter 90 Maintenance, and that in addition, the sum of \$2,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored, upon their receipt, to the Excess and Deficiency account in the treasury.

The use of available funds under this article was approved by the Finance Committee.

Article 12. On the motion of Harley S. Cadenhead Voted: That the sum of \$1,000.00 be raised and appropriated for the purpose of conducting an engineering study of the water supply needs of the town; said study to be under the jurisdiction of the Board of Selectmen.

Article 13. On the motion of Harley S. Cadenhead Voted: That the sum of \$10,000.00 be appropriated for the permanent construction of Maple Avenue and Crescent Street, and to meet said appropriation the sum of \$10,000.00 be transferred from the proceeds received or to be received from the State under the provisions of Chapter 679, Acts of 1965.

Article 14. On the motion of Kenneth J. Cram Voted: That the sum of \$5,699.84 be raised and appropriated for the purchase of a dump truck for the Highway Department, and authorize the Selectmen to turn in the present 1950 GMC dump truck now owned by the Highway Department and apply the allowance thereof to the purchase price of the new truck.

Article 15. On the motion of Roy L. McLean Voted: That the sum of \$4,077.10 be raised and appropriated for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in the present 1965 Ford Cruiser-Ambulance and the 1964 Dodge Cruiser-Ambulance now owned by the Police Department and apply the allowances thereof to the purchase prices of the new vehicles.

Article 16. On the motion of Irma A. Ruffini Voted Unanimously: That the sum of \$4,394.93 be raised and appropriated for the payment of certain unpaid bills of prior years for the following departments:

Selectmen — Expenses	\$1,989.00
Town House — Main. Expenses	11.75
Police — Main. — Expenses	399.74
Trimming Shade Trees — Expenses	29.35
Civil Defense — Expenses	37.91
Health — Expenses	96.25
Health — Insect Control — Expenses (Mosquito Control)	4.50
Road Machinery — Operation, Equipment and Repairs — Expenses	152.10
Snow Removal — Sanding of Roads and Incidentals and Removal of Sand — Expenses	273.35
Public Welfare — Gen. Relief and Expenses	678.48
Veterans' Benefits — Expenses	498.50

Conservation Commission — Expenses	164.25
Water — Main. — Expenses	59.75

Article 17. Earl C. Paulding Moved: That the sum of \$3,208.10 be raised and appropriated for the purchase of a chipper for the Tree Department.

Ernest H. Cote moved an amendment that the chipper for the Tree Dept. be referred to the Capital Outlay committee.

**MOTION WAS DEFEATED**

A vote was taken on the original motion and it was Voted: That the sum of \$3,208.10 be raised and appropriated for the purchase of a chipper for the Tree Department.

Yes 115 No 59

Article 18. On the motion of Roy L. McLean Voted: That the sum of \$2,500.00 be raised and appropriated to meet the Town's share of the cost of making a study of dredging a main channel in Kingston Bay and that in addition, the sum of \$2,500 be transferred from unappropriated available funds in the treasury to meet the State's share of the cost of the work, the reimbursement from the State to be restored, upon its receipt to the Excess and Deficiency account in the treasury.

The use of available funds under this article was approved by the Finance Committee.

Article 19. On the motion of Roy L. McLean Voted: That the town assume liability in the manner provided by Section 29, Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Article 20. On the motion of Irma A. Ruffini Voted: That the following appropriation balances be closed to Surplus Revenue:

Fire Service and Rescue truck with equipment	\$13.42
Forest Fires — Brush Breaker and Appurtenances	3.28
Health — New Sprayer	5.00
Library — Construction, Equipment and Addition	1.00
Water — Truck with attachments and radio	2.92
Water Main — Curtis Avenue	89.33

and that the following appropriation balance be returned to the Road Machinery Fund:

Highways — Automatic Sander	183.33
-----------------------------	--------

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Dug-outs for the Playground Department	500.00
Master File for Assessors	160.15
Tone control system for the Fire Department	43.50

Article 21. On the motion of Robert A. Jones Voted: That the town vote to transfer for Library purposes, from the account entitled State Aid for Libraries — Reserved for Appropriation the sum of \$1,075.50; said funds having been received from the Commonwealth of Massachusetts during 1965.

Article 22. James R. Goonan Moved: That the town accept Chapter 786, Acts of 1965 which provides that certain police chiefs who are on duty on certain holidays shall be granted an additional day's pay.

**MOTION WAS DEFEATED**

Harley S. Cadenhead Moved: That item 24 of the Budget Police — Salaries and Wages be re-considered.

**MOTION WAS DEFEATED**

Article 23. On the motion of Roy L. McLean Voted: That the sum of \$1,000.00 be transferred from the Road Machinery Fund for the purchase of mowing equipment for the Highway Department.

Article 24. On the motion of Harley S. Cadenhead Voted Unanimously: That in accordance with Chapter 180 of the Legislative Acts of 1960 accepted by the town at the Annual Town Meeting in 1960, the sum of \$25,000.00 be appropriated from the principal of the Elizabeth B. Sampson Fund to establish a permanent memorial to the late Elizabeth B. Sampson.

This memorial to take the form of a public park including within its limits the present Town Forest, land acquired by gift from the Lot Phillips Co., Inc. land purchased by the Conservation Commission from Louis H. Glass and such other land in the same area as may be made available by gift or purchase. The same to be developed and improved under direction of the Trustees of the Elizabeth B. Sampson Fund and when completed to be placed under the jurisdiction of the Conservation Commission.

Mr. Weston temporarily relinquished his chair as Moderator at which time Mr. Cushman, Town Clerk presided. Mr. Weston made a fine report on this motion.

Article 25. On the motion of Harley S. Cadenhead Voted: That the town vote to accept the recommendations made by the Trustees of the Elizabeth B. Sampson Memorial Fund; that the following sums of money be allocated from the income account of the Elizabeth B. Sampson Memorial Fund, the expenditures to be under the supervision of the respective departments:

- |  |            |
|--|------------|
| 1. Tone control radio alerting system for Fire Dept. | \$1,500.00 |
| 2. Library equipment                                 | 2,000.00   |
| 3. Restoration of stones in Old Burial Ground --     |            |
| Selectmen  | 500.00     |
| 4. Two-way Radio for Tree Department Truck           | 650.00     |
| 5. Christmas lights and decorations — Selectmen      | 500.00     |
| 6. Furnishings and Equipment for Police Dept.        | 500.00     |

and that the following sums of money be allocated from the income account of the Elizabeth B. Sampson Memorial Fund, the expenditures to be under the supervision of the respective departments and said items shall be contingent on the appropriation of a like amount by the town from tax levy under Articles 26, 27 and 28:

- |  |          |
|--|----------|
| 1. Furnishings and Vault for Town House — Treasurer,<br>Collector and Town Clerk | 1,500.00 |
| 2. Boat, complete with motor, radio and necessary<br>equipment for Harbor Master | 1,250.00 |

3. Sidewalk Tractor for Highway Department 2,500.00

Article 26. On the motion of Harley S. Cadenhead Voted: That the sum of \$1,250.00 be raised and appropriated and be used in conjunction with funds that have been allocated from the income account of the Elizabeth B. Sampson Memorial Fund for the purchase of a boat and motor, complete with radio and appurtenances needed for the Harbor Master Department

Article 27. On the motion of Harley S. Cadenhead Voted: That the sum of \$1,500.00 be raised and appropriated and be used in conjunction with funds that have been allocated from the income account of the Elizabeth B. Sampson Memorial Fund for the purchase of equipment and furnishings for the offices of the Town Clerk, Treasurer and Collector.

Article 28. On the motion of Harley S. Cadenhead Voted: That the sum of \$2,500.00 be raised and appropriated and be used in conjunction with funds that have been allocated from the income account of the Elizabeth B. Sampson Memorial Fund for the purchase of a sidewalk tractor for the Highway Department

Article 29. On the motion of Roy L. McLean Voted: That the sum of \$2,500.00 be raised and appropriated for the purchase of equipment and furnishings for the Welfare Department.

Article 30. On the motion of Harley S. Cadenhead Voted: That the sum of \$199.36 be raised and appropriated and be added to the account entitled "Town House and Town House Annex — Renovation and Extraordinary Repairs thereto, including Architects Fees, Two Vaults, Equipment and Furnishings" said sum to be used for necessary changes beyond the specifications originally called for.

Article 31. On the motion of P. Cabot Rushton Voted: That the Town Forest created under Article 41 of the Annual Town Meeting held on March 31, 1956 be placed under the jurisdiction of the Conservation Commission pursuant to the General Laws, Chapter 40, Section 8C.

Article 32. On the motion of Harley S. Cadenhead Voted: That the Board of Selectmen be authorized to appoint a committee composed of three (3) members to study Kingston's fu-

ture role in the Silver Lake Regional School District; said committee to report at the next annual or special town meeting.

Article 33. On the motion of Roy L. McLean Voted: That the town accept the provisions of Chapter 40, Section 8B of the General Laws, which provides for the establishment of a council for the aging, and that the sum of \$100.00 be raised and appropriated for expenses therefor.

Article 34. On the motion of Richard W. Loring Voted: That the town authorize the Board of Water Commissioners to apply for any Federal assistance for planning or construction or other costs associated with the improvements and additions to the water system and further that said Board be authorized to furnish information or material required in connection with any application for Federal assistance.

Article 35. Richard W. Loring Moved: That the town appropriate the sum of \$208,000.00 for the purpose of replacing the existing water main from the Indian Pond Road Reservoir, along Indian Pond Road, Elm and Brook Streets to Main Street; and to lay a new main from the end of the present main on Winthrop Street in a westerly direction to the corner of Winthrop Street and Brookdale Avenue and to meet said appropriation that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow an amount not to exceed \$200,000, and to issue bonds or notes of the Town of Kingston payable in not more than 10 years under the authority of and in accordance with the provisions of Chapter 44 of the General Laws and transfer an unexpended balance of \$4,144.47 from the appropriation "Replacement of main on Howland's Lane" and that the sum of \$3,855.53 be taken from the current tax levy and that the Board of Water Commissioners of the Town of Kingston be authorized to act for the Town in making application to any Agency under the Federal Assistance Public Laws in the form of a grant to aid in the construction of additions or replacements to this line of pipe and to act as a responsible agent of the Town in matters concerned with the application and with subsequent responsibilities in this matter. The amount authorized

to be borrowed on serial bonds or notes under this vote shall be reduced by any amount received as a Federal Grant toward the cost of the project. However, if the application for Federal Funds is denied, the vote under this article shall be in full force and effective in reference to the appropriation made.

Mr Ernest H. Cote moved an amendment by adding the following sentence: "No work shall be undertaken on this project until it is definitely determined that the application for a Federal Grant has been approved or denied."

#### AMENDMENT WAS CARRIED

Then a vote was taken on the motion as amended and it was Voted Unanimously: That the Town appropriate the sum of \$208,000.00 for the purpose of replacing the existing water main from the Indian Pond Road Reservoir, along Indian Pond Road, Elm and Brook Streets to Main Street; and to lay a new main from the end of the present main on Winthrop Street in a westerly direction to the corner of Winthrop Street and Brookdale Avenue and to meet said appropriation that the of a grant to aid in the construction of additions or replacements with the approval of the Selectmen be and hereby to issue bonds or notes of the Town of Kingston payable in not more than 10 years under the authority of and in accordance with the provisions of Chapter 44 of the General Laws and transfer an unexpended balance of \$4,144.47 from the appropriation "Replacement of main on Howland's Lane" and that the sum of \$3,855.53 be taken from the current tax levy and that the Board of Water Commissioners of the Town of Kingston be authorized to act for the Town in making application to any Agency under the Federal Assistance Public Laws in the form of a grant to aid in the construction of additions or replacements to this line of pipe and to act as a responsible agent of the Town in matters concerned with the application and with subsequent responsibilities in this matter. The amount authorized to be borrowed on serial bonds or notes under this vote shall be reduced by any amount received as a Federal Grant toward the cost of the project. However if the application for Federal Funds is denied, the vote under this article shall be in

full force and effective in reference to the appropriation made. No work shall be undertaken on this project until it is definitely determined that the application for a Federal Grant has been approved or denied.

Article 36. On the motion of Richard W. Loring Voted: That the sum of \$5,000.00 be raised and appropriated for the purpose of replacing the present four-inch water main with a main not less than six inches in diameter along Foster Lane starting from Summer Street and continuing for a distance of 665 feet, more or less.

Article 37. On the motion of Richard W. Loring Voted: That the sum of \$5,000.00 be raised and appropriated and to be added to the present appropriation for "Water—Additional Wells" for the purpose of making a further study of additional wells or take any action relative thereto.

Article 38. On the motion of Alphonso J. Cavicchi, Jr. Voted: That the town authorize the appointment of an Elementary School Building Committee of five members, one member to be appointed by the Moderator, one member to be appointed by the Selectmen, one member to be appointed by the Finance Committee, and two members to be appointed by the School Committee, and that the sum of \$2,000.00 be raised and appropriated for use by said Committee in selecting a site and securing preliminary plans, specifications, engineering services and cost estimates for the construction of additional elementary school building facilities.

Article 39. On the motion of Lilius F. Cingolani Voted: That the town create a special unpaid committee to be known as a Vocational Regional School District Planning Committee, to consist of three members, including one member of the School Committee, all to be appointed by the Moderator in accordance with the provisions of Section 14, Chapter 71 of the General Laws, as amended; and that the sum of \$100.00 be raised and appropriated for the use of said committee.

Article 40. Kenneth J. Cram Moved: That the sum of \$1,000.00 be raised and appropriated for the purpose of combining and printing the various by-laws of the town.

Alphonso J. Cavicchi, Jr. moved an amendment that the amount be changed from \$1,000.00 to \$780.00

#### AMENDMENT WAS DEFEATED

A vote was taken on the original motion and it was Voted: That the sum of \$1,000.00 be raised and appropriated for the purpose of combining and printing the various by-laws of the town.

Article 41. On the motion of Robert A. Mulliken Voted: That the sum of \$780 be raised and appropriated and be added to the Account entitled "Conservation Commission -- Purchase of Land or Down Payment Therefor."

Article 42. On the motion of Harley S. Cadenhead Voted: That the sum of \$3,000.00 be raised and appropriated for the purpose of installing a drainage outlet from Smith's Lane northwesterly down a private way, for a distance of approximately 250 feet, more or less.

Article 43. On the motion of Ernest H. Cote Voted: That the town adopt the following by-law: A Board to be known as the "Wage and Personnel Board" shall be established, composed of three (3) unpaid members, who shall not be employees or elected officials of the town, responsible for the administration and maintenance of classification and compensation plans. One member of the Board shall be appointed by the Moderator, one member by the Finance Committee and one member by the Board of Selectmen. The three members of the Board shall be appointed for terms of one year, two and three years respectively and upon the normal expiration of these terms their successors shall be appointed by the same appointing authorities for terms of three years.

Original appointments to the Wage and Personnel Board under this by-law shall be made not later than thirty day following the effective date of the by-law; and subsequent appointments shall be made within thirty days following the expiration of the term of the Board member who is to be replaced.

The Board shall draw up and recommend to the town a proposal for classification and compensation plans for consideration as a town by-law, and shall from time to time recommend to the town any action deemed necessary to maintain a fair and equitable pay level.

The Board shall make an annual report in writing to the Finance Committee and the Board of Selectmen on or before October first of each year.

Article 44. On the motion of Ernest H. Cote Voted: That the sum of \$100.00 be raised and appropriated for the expenses of the Wage and Personnel Board.

Article 45. On the motion of Kenneth J. Cram Voted: That the town amend Section 3 of Article VIII of the town by-laws to read as follows: Any board or committee having authority to contract, shall be subject to competitive bidding if in excess of \$1,000.00 (Such contracts shall be in writing.)

Article 46. To see if the Town will vote to accept a by-law regulating earth removal within the limits of the town as follows:

1. The removal of sod and loam from any land in the Town, not in public use, to any location outside the Town is hereby prohibited under all circumstances; and the removal of sod, loam, soil, clay, sand, gravel or sub-surface rock from any land in the Town is also hereby prohibited except as may be authorized in any zoning district by a permit issued hereunder by the Selectmen, or authorized by an exception hereunder. No such permit shall be issued except upon written application therefor to the Board of Selectmen with a copy there to the Planning Board and after a public hearing before the Board of Selectmen. Such application shall include a topography plan to scale of the land concerned, indicating existing and proposed elevations in the area to be excavated and stating the ownership and boundaries of the land for which such permit is sought, the names of all adjoining owners as found in the most recent tax list, the approximate locations of existing public and private ways nearest such land, and the publication fee as required by the Board of Selectmen. Notice of such public hearing shall be given by publication in a newspaper having general circulation in the Town at least 7 days prior to the date of such hearing.

Prior to such hearing, or renewal of existing permit, an inspection party, comprising representatives of the Planning Board and Selectmen, shall inspect the locus under application, and shall submit a written report to the Selectmen with its recommendations.

2. A copy of any permit granted hereunder by the Selectmen stating any conditions imposed, or a copy of the denial by the Selectmen of any application for such, stating the reasons for such denial, shall be made forthwith to the applicant, Planning Board, and the Town Clerk. The conditions imposed in a permit may include, but are not limited to, the following:

- a. extent of time (not in excess of one year, except by renewal)
- b. area and depth of excavation
- c. steepness of slopes excavated
- d. distance between edge of excavation and neighboring properties or ways
- e. replacement of loam in excavated area
- f. temporary or permanent drainage
- g. the posting of security or bond stipulating conditions contained in permit
- h. the replacement of not less than the depth of topsoil required by the Selectmen over the whole of any area from which earth materials are removed where the location of such removal is afterward to become a residential sub-division.

3. The provisions hereto shall not be applicable to gravel pits which have been operated within five (5) years; and shall not prohibit the removal of such sod, loam, soil, clay, sand, gravel or sub-surface rock as may be required to be excavated for the purposes of constructing structure foundations for which building permits have been issued, or for the purpose of constructing on site streets, drive-ways, parking areas or paved surface installations. However all loam removed in conjunction with the foregoing shall be stockpiled until completion of the project, at which time the necessary loam shall be used for grading and the balance or remainder thereof may then be removed from

the locus. No earth removal shall be permitted below the level of any adjacent street within 200 feet of said street, unless in conjunction with any construction excavation authorized hereunder. These regulations shall not prohibit the transfer of sod, loam, soil, clay, sand, gravel or sub-surface rock from one part of a lot, tract or parcel of land to another part of the same lot, tract or parcel of land in the same ownership.

No motion was made under Article 46.

Article 47. On the motion of Harvey C. LeSueur, Voted Unanimously: To amend Section 3, paragraph (i) of the Zoning By-law by striking the words "within 300 feet of a highway line" and adding the following after the word "piggery":

In authorizing the removal of sod, loam, gravel, sand and or sub-surface rock the Board of Appeals shall impose conditions which it deems appropriate to insure the restoration of the land for future uses.

Mr. Cadenhead moved that this meeting be adjourned to Wednesday, March 23, 1966 at 7:00 P. M. in the Reed Commercial Building.

VOTED (10:05 P. M.)

Number of voters present: Men — 153 Women — 77  
Total — 236

Vote checkers were: Catherine J. Bartlett, George Andrew Walsh, Grace B. Ruhl and Ben J. Iannucci.

March 23, 1966

The adjourned Annual Town Meeting was called to order at 7:06 P. M. by the Moderator, Mr. Weston.

Article 48. On the motion of Harvey C. LeSueur Voted: That the town accept the provisions of Chapter 40A, Section 8 General Laws, which provides that no petitions to the town meeting for a change in any existing zoning by-law which has been unfavorably acted upon by the town meeting, shall be considered on its merits by the town meeting within two years after the date of such unfavorable action, unless the adoption of such proposed by-law is recommended in the final report of the Planning Board.

Article 49. On the motion of Harvey C. LeSueur Voted: That the town accept the provisions of Chapter 40A, Section 23 General Laws, which provides that no appeal or petition for a variance from the terms of the Zoning By-law and no application for a special exception to the terms of the Zoning By-law, which has been unfavorably acted upon by the Board of Appeals shall be considered on its merits by said board within two years after the date of such unfavorable action, except with the consent of all of the members of the Planning Board.

Article 50. John B. West Moved: That the sum of \$19,050.00 be raised and appropriated to the use of the Fire Engineers for purchase of a piece of fire equipment, and to provide for payment of said equipment, \$5,000.00 shall be raised by tax levy, and transfer the balance of \$5.35 remaining in the account entitled Fire-Purchase of Fire Truck-1955 and the balance of \$34,046.65 be raised by a loan, under clause (9) Section 7, Chapter 44, and the treasurer is hereby authorized with the approval of the Selectmen, to borrow said balance of \$34,994.65 and to issue notes of the Town therefor, said notes to be payable in accordance with the provisions of Section 19, Chapter 44 of the General Laws so that the whole loan shall be extinguished in not more than five years from date of issue or at such earlier date as the Treasurer and Selectmen shall determine. And further authorize the Selectmen to dispose of the 1942 Maxim truck.

Ernest H. Cote Moved: That the matter under Article 50 be referred to the Capital Outlay Committee.

AMENDMENT WAS CARRIED

Article 51. On the motion of Roy L. McLean Voted Unanimously: That the town accept with grateful appreciation the gift of Roger E. Bates, also known as Ethelbert L. Bates, being Lot 29, Block 6, as shown on the Assessors' plan on file in the Town House; said property to be for municipal use.

Article 52. On the motion of Harley S. Cadenhead Voted: That the sum of \$3,000.00 be raised and appropriated to make a survey of the land previously donated to the town by Lot Phillips Co., Inc., being Lot 26A and a major portion of Lot 26B, Block 13, as shown on the Assessors' plan on file in the Town House, said sum of money to include the layout of a road and any other necessary engineering services.

Article 53. On the motion of Roy L. McLean Voted: That the sum of \$2,000.00 be raised and appropriated for the purpose of cleaning out the Jones River beginning at a point near the Great Bridge on Main Street and continuing up-stream toward the Elm Street Pumping Station.

Article 54. On the motion of Kenneth J. Cram Voted: That the town vote to accept the way known as Crescent Street beginning on the westerly side of Main Street and continuing in a southeasterly direction for a distance of 1500 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws.

Article 55. To see if the Town will vote to accept the following ways: A portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less to Bagnell Street, and that portion from the beginning of Cross Street to Bagnell Street to be known as Elliot Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.

#### NO MOTION MADE UNDER THIS ARTICLE

Article 56. On the motion of Alfred J. Bevis Voted Unanimously: That the town vote to accept the way known as Curtis Avenue in the Rocky Nook section of Kingston, beginning on the northerly side of Leigh Road and continuing in a northeasterly direction to Cedar Lane, a distance of 540 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and that the sum of \$3,000.00 be raised and appropriated for the construction thereof and for acquiring titles.

Article 57. Sandra M. Ruprecht Moved: That the town vote to accept a portion of the way known as Mazzilli Avenue be-

ginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 400 feet more or less as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$3,000.00 be raised and appropriated for the construction thereof and for acquiring titles.

#### MOTION WAS DEFEATED

Article 58. On the motion of Edward R. Champignie Voted Unanimously: That the town vote to accept the following ways: A portion of Country Way from the end of the present town way and going in a northeasterly direction for approximately 355 feet, more or less; and the way known as White Pine Lane beginning on the easterly side of Country Way and running in an easterly direction for approximately 950 feet more or less, to Woodland Avenue; and a portion of the way known as Woodland Avenue beginning on the northeasterly side of Westerly Avenue and running in a northeasterly direction for a distance of approximately 325 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate the sum of \$2,700.00 for the construction thereof and for acquiring titles.

Article 59. Mario P. Alfieri Moved: That the town amend the Zoning By-law by amending the "Map of the Town of Kingston, Miss.," being the official zoning map of the town so as to change the following described land from a residence district to a business district: A certain parcel of cleared land and cedar swamp situated in Kingston, Plymouth County, Massachusetts, containing  $9\frac{1}{4}$  acres, more or less, and located on the Westerly side of Blackwater Brook, so-called, and adjoining land now or formerly of Helen W. McChesney bounded Easterly by Summer Street, said parcel of cleared land and swamp being bounded and described as follows: Beginning at said Brook (in the rear of the McChesney home) 20 links upstream from the Southerly side of the lane (the lane running along the freight depot); thence running South 65° West 5 rods to a stake and

stones; thence turning and running North 61 1/2° West 59 rods, 10 links to land now or formerly of Charles H. Drew; thence turning and running by said Drew land North 33 1/4° East 40 rods, 3 links to land formerly of Nathaniel T. Willis; thence turning and running by said Willis land South 59° East 24 rods to said Brook; thence turning and running downstream by said Brook to the point of beginning, together with all existing rights of way. There is granted as appurtenant to the above described premises a right of way 12 feet in width along the Southerly boundary of the adjoining land now or formerly of Helen W. McChesney situated between said Brook and Summer Street; said parcel of land is shown as Lot 14, Block 6 on the Assessors' Map.

MOTION WAS DEFEATED Yes—90, No—81

This does not meet the required 2/3's vote.

Mr. Theodore S. Avery was appointed a teller in place of Mr. Norman Steere who was absent this evening.

Article 60. On the motion of Mario V. Vernazzaro Voted: That the town vote to accept the way known as Frank Street beginning on the southeasterly side of Smith's Lane and running in said direction for a distance of 550 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and that the sum of \$4,000.00 be raised and appropriated for the construction thereof and for acquiring titles. Yes—159 No—3

Article 61. Earl C. Paulding Moved: That the town vote to amend Section 3, Paragraph 1 of the Zoning By-laws to allow Mobile Homes to be situated on Lot 60, Block 5, and to amend Article 16, Section 10 of the By-law for regulating Auto-trailers, as amended at the Annual Town Meeting of March, 1957 to allow the owners to remain on this property with no set limitation or residence.

MOTION WAS DEFEATED Yes—87, No—82

This does not meet the required 2/3's vote.

Article 62. John C. Santos Moved: That the town vote to accept the way known as Off Kennedy Road, beginning at the southerly side of Kennedy Road and continuing in a southerly

direction to Braunecker Avenue, a distance of 850 feet, more or less, and be known as Union Street as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and that the sum of \$6,000.00 be raised and appropriated for the construction thereof and for acquiring titles.

MOTION WAS DEFEATED

Article 63. To see if the town will vote to direct the Board of Health of the Town of Kingston to establish an area or areas for the purpose of disposal of refuse, commonly known as a dump; also due consideration to be given to the removal of the present so-called town dump as soon as possible and that a sum of money be raised and appropriated, or transferred from unappropriated available funds in the treasury, for the purpose of accomplishing the foregoing, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 64. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the use of the Board of Health of the Town of Kingston, to cover with fill and grade the dump site on Route 3.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 65. On the motion of Ernest H. Cote Voted: That the sum of \$81,000.00 now available in free cash be appropriated for the use of the Assessors in the reduction of the tax rate.

On the motion of Harley S. Cadenhead Voted to adjourn. (9:18 P. M.)

Number of voters present: Men—148 Women—17  
Total—218

Vote checkers were: Catherine J. Bartlett and George Andrew Walsh.

## REPORT OF THE BOARD OF SELECTMEN

This year no special town meetings were required, we are pleased to report, after the number we had last year.

Remodeling of the Town House and the Annex were completed, and the moves required by the several departments to their new quarters were made. We feel that the new facilities allow the several departments to serve the townspeople better. An open house was held in June at which time all were given the opportunity to inspect the new quarters.

The railroad bridge on Grove Street was rebuilt, and the reconstruction of Grove Street is being continued with the use of Chapter 90 funds. Chapter 679 of the Acts of 1965 monies were used to reconstruct Maple Avenue. The remainder of these funds will be used to reconstruct Crescent Street, and if any funds remain they will be used on Green Street.

The study of the water needs of the town made by the engineering firm of Whitman and Howard was completed and the resulting report was distributed to the various town departments for their examination. Based on the figure on this report it will be necessary to approximately double the source of water supply in the next twenty-five years and more than triple it in the next fifty years. The possible use of surface supplies and storage may be considered to help reduce the peak demands placed on the ground water supply as the town expands. Water for commercial use will be in addition to the foregoing. The firm recommended that a hydraulic study be made of our system and an article for this has been inserted in the annual town warrant for action by the voters. The storage facility is of paramount importance and this study will determine its location, in order that the peak demands in the immediate future can be met.

There were an exceptional number of petitions for the acceptance of streets presented to the Selectmen for action at our Annual Town Meeting in March, 1967. This, coupled with easements and existing roads which require layouts also, has caused this item in the Selectmen's budget to rise considerably.

The Selectmen met with various departments, to better enable them to set proposed salary and wage needs in relation with all departments, and to make adjustments in some individual positions, in the several departments. We feel that to keep the high caliber of personnel that we are fortunate to have employed by the town, this step was required.

The Home Rule Act was passed by the voters in the November elections, and it seems desirable to have this studied by a special committee, prior to the establishment of the Charter Commission as provided in the Act, since this is such a very important step in our community's future, and we wish to have it given the utmost attention and study.

Respectfully submitted,

HARLEY S. CADENHEAD, Chairman  
ROY L. McLEAN  
KENNETH J. CRAM

Board of Selectmen.

On March 22, 1968, former Superintendent of Streets and Chief of the Department of Public Health, George T. Pratt, Jr., was presented with a certificate of appreciation by the Board of Selectmen, William A. MacPhail, Chairman, Harley S. Cadenhead, Selectmen Kenneth J. Cram and Roy L. McLean, and Palmer Holmes, Francis W. Brown and George T. Pratt.

Reception Office of Welfare Department in  
Town House Annex.

Main Office of Treasurer and Collector and  
Town Clerk in Town House.

Communications Center, Police Department  
in Town House.

South Street Pumping Station and Garage

Two-Car Garage on South Street, built for  
the Water Department in 1966.

			Registered Pharmacist, Leon P. Tura, 85 Summer St., Kingston, Mass.
			In charge of Laboratory, Plymouth Cordage Co., Plymouth, Mass.

# ELIZABETH B. SAMPSON MEMORIAL FUND

It is a pleasure to report that the trustees have acquired the land regarded as essential for the creation of the Elizabeth B. Sampson memorial tract. This has been accomplished without expending all that had been set aside for this purpose. With the modest amount thus remaining available for land acquisition, further adjacent acreage will be added if the opportunity offers. The cooperative attitude displayed by other departments in the town encourage the conclusion that the improvements to the property will exceed that which we might reasonably expect from the \$15,000. allotted for that purpose. Working with the Conservation Committee, preliminary clearing has begun and plans have been approved that should ensure substantial progress on this project by the summer of 1957.

This year it has also been possible to recommend all requests for allotments from the income account without in any case suggesting that a portion be raised by appropriation. As in the past these items are deemed beneficial to the town, in no instance likely to produce substantial maintenance expense yet possibly beyond what the town might be expected to approve in regular departmental budgets.

(1) Counter, files and storage shelving for the Town Accountant's office. This would permit more efficient use of available space and replace inadequate and outmoded equipment that has been in service for many years. \$1,500.

(2) Children's recreational equipment to be installed by the Park Department along the southerly side of the Grays Beach Landing Park. 750.

(3) Radio communication unit for the Water Department to be installed at the Elm Street Pumping Station, further projecting our excellent inter-departmental communication system. 275.

(4) Repair the interior walls and install a suspended ceiling in the hearing room at the Town House. The acoustical properties of this room are at present unsatisfactory and these improvements.

should remedy an annoying defect. 1,900.

(5) Provide the library with funds sufficient to purchase two fireproof files available as used equipment but eminently suitable for preserving and protecting historical records in the room provided for that purpose by the recent addition to the library. 300.

(6) Provide the Selectmen with sufficient funds to further improve the Christmas decorations at the Town House and the Green and install a power cable to a point convenient for the lights placed at a distance from the building. 400.

(7) To purchase an air compressor for operation of the Fire Department's fire alarm system. Present equipment obtained as war surplus is no longer adequate to provide sufficient pressure should it become necessary to sound two alarms in a short interval of time. 1,000.

As in the past these recommendations are considered as final, but some modification might prove desirable if information not presently available affecting any of these items comes to the attention of the Trustees prior to the annual town meeting.

Respectfully submitted,

Trustees of the Elizabeth B. Sampson Memorial Fund

HARLEY S. CADENHEAD, Chairman  
HORACE C. WESTON  
GEORGE W. CUSHMAN, Clerk

The office of the Town Clerk, Treasurer and Collector is open daily, Monday through Friday from 8:30 A.M. to 5:00 P.M., Saturdays from 8:30 A.M. to 12:00 Noon and Tuesday evenings from 7:00 to 9:00 P.M.

Respectfully submitted,

GEORGE W. CUSHMAN

Town Clerk, Treasurer and Collector

## REPORT OF THE PLANNING BOARD

The year 1966 will be remembered as one where there was considerable activity in the first half, then with the advent of "tight money," our activity in subdivisions declined and the approval of lots on existing ways increased. We feel that this is a temporary situation and that when money becomes available, the activity in land and homes will again increase.

During the year we held a hearing on our Subdivision Control Laws and incorporated several minor amendments.

The Master Plan was discussed at several meetings and the following pertinent information was obtained. A Master Plan study incorporates the following items to be studied and presented to the town government:

1. Areas of influence—the town's present situation in relation to the region in which it lies and to its neighboring communities.
2. Existing land use—the uses to which the land is being put.
3. Population—present and future growth rates.
4. Community facilities—what we have and future needs.
5. Circulation—traffic flow in the town.
6. Utilities.
7. Future land use.
8. Zoning By-law and Subdivision Control Law.
9. Parks and/or Sanitary Landfills.

The Town of Kingston accomplished, with all Town Departments working together for the betterment of the community, many of the above on its own. For example, our zoning by-laws underwent continual changes with the action of town meeting. In this way our by-laws are being updated and improved as the need arises. A Capital Outlay Committee was formed this year and it is examining the town's large expenditures for the next five years. The Board of Health has gone to a modified type of sanitary landfill at the town dump which improves this problem. We also have, through the generosity of Mr. Lot Phillips, acquired a new dump site for future useage. A Wage

and Personnel Board was formed. We have acquired land, near the town forest, for the preservation of open space for future generations. The engineering firm of Whitman and Howard has studied our water needs up to the year 1970 and has submitted recommendations to the Board of Selectmen and Water Commissioners. We have an active Industrial Development Commission working not only for the Town but for the Plymouth area. As for taking a traffic survey of the town, we have little control over the main thoroughfares of the community because of the several state highways that traverse our town, i. e., Routes 3A, 27, 53, 106 and 80. The School Building Committee is very active at present trying to solve our future needs for elementary schools. One area we feel that should be studied by an outside engineering firm is the problem of sewerage disposal. It may be possible in the near future to construct small self-contained sewerage plants in the sections of the town that have the problems. From the above discussion we feel that the idea should be studied longer before we submit an article to town meeting.

Our former clerk, Kenneth J. Cram, resigned to devote more time to his position as Selectman. Frederick J. Smith was appointed to his unexpired term at a joint meeting with the Selectmen. Mr. Smith was appointed Clerk of the Board. Town Clerk, George W. Cushman, continues as our agent and is available between meetings to help those who have business with the Board.

Respectfully submitted,

HARRY C. LeSUEUR, Chairman  
FREDERICK J. SMITH, Clerk  
ARTHUR E. BEANE, JR.  
MITCHELL TOABE  
CLINTON T. KEITH

Planning Board

## REPORT OF THE ZONING BOARD OF APPEALS

Eighteen petitions received the following disposition in 1966:

	Variances	Appeals	Permit for Special Use
Granted	4	1	4
Denied	4		2
Pending	1		
Withdrawn			2

Stanley J. Kuzborski was appointed a member upon the expiration of the term of Mr. Francis E. Felt, and Mr. Charles L. Tirrell was appointed as an alternate member upon the expiration of the term of Mr. Orfeo H. Sgatzl.

Respectfully submitted,

Wiring permits issued by this office 44

Septic tanks, leach beds, etc. permits issued 123

## Income

Building permits \$1,765.00

Septic tanks, leach beds, etc. 250.00

Total \$2,015.00

Inspections made 504

Complaints investigated 70

Percolation tests 23

Water tests 2

Kindergarten inspections 4

Miles travelled 2,512

For comparison purposes, 115 permits were issued in 1965 with an estimated cost of \$331,526.00, or an increase of estimated costs of \$450,045.50. The income for 1965 was \$1,143.00, or an increase of \$840.00 for 1966.

Building applications may be obtained at the office of the Clerk to the Selectmen, and at the office of the Building Inspector daily and I will be available at the Town House every Tuesday evening and Saturday morning, and will be of service at other times if the duties of my office require it.

Again I wish to thank the personnel in the offices of the Town Clerk, Board of Selectmen, Board of Assessors for their continued fine cooperation during the year. Their assistance has been greatly appreciated.

Respectfully submitted,

GEORGE A. WALSH

Building and Health Inspector

# ASSESSORS' REPORT — 1966

"It is the function of the assessors to find valuations as they are — and not to make the value."

It is very difficult to determine in every case, what are proportional and reasonable assessments. This has probably never yet been perfectly done. Every system of taxation yet devised is liable to the charge of more or less injustice, and so many individuals will try to place burdens upon others which they themselves ought to bear.

We feel the most important point therefore for our town in the matters of taxation, as well as in all its procedure, relates to the honesty and unselfishness of its subjects.

# ASSESSORS' REPORT — 1967

1966 Tax Rate.....	\$66.00 per thousand
Valuation of Real Estate as of January 1, 1966.....	\$11,039,955.00
Valuation of Personal Property as of Jan. 1, 1966.....	1,131,520.00
Total valuation as of January 1, 1966.....	\$12,171,475.00
Increase in valuation over January 1, 1966.....	550,625.00

# APPROPRIATIONS AND ASSESSMENTS

## Town Appropriations:

March 15, 1966.....	\$1,292,322.47
Overdraft (Welfare, Library, School Lunches) .....	17,805.37
Overlay 1966 .....	54,328.62
	<u>1,364,456.46</u>

## State Assessments:

State Parks and Reservations.....	3,290.99
State Audit .....	266.30
Mosquito Control .....	3,371.06
Health Insurance .....	359.32
Motor Vehicle Excise Tax.....	470.85
	<u>7,758.52</u>

## County Assessments:

County Tax .....	32,848.41
County Hospital .....	10,095.59
	<u>42,944.00</u>

Total of all assessments and appropriations.....	\$1,415,158.92
Total deductions (estimated receipts and transfers) .....	611,841.57

Total amount to be raised by Local Taxation.....	803,317.35
Raised as follows:	

Real Estate (\$11,039,955.00 at \$66.00 per thousand) .....	728,637.03
Personal Property (\$1,131,520.00 at \$66.00 per thousand) .....	74,680.32
TOTAL RAISED BY LOCAL TAXATION.....	\$803,317.35

We would like to express our thanks to the Town Clerk, Town Accountant, Highway Department, Building Inspector and all other departments that have helped in any way to make our duties a little more pleasant during the year 1966.

Respectfully submitted,

JOSEPH F. GLASS, Chairman  
FRANCIS P. McMANUS  
RALPH E. SANTORO

Board of Assessors

# REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

By the time this report is in print our first client will have moved into our Industrial Park and by the town meeting time their building should be near completion. Hopefully this first venture will be followed by two more prospects so that we have every reason to expect 1967 to be our most rewarding year to date.

In addition to all the time devoted to the Industrial Park we were and still are involved in numerous committees, such as the "Re-location of Route 41," "Southeastern Massachusetts Transportation Study," "Southeastern Massachusetts Economic Development District." These are all by-products of economic development and with so many people coming up with ideas for this plan or that plan we feel it is our bounden duty to study them all carefully and ultimately we will come to you, our fellow townspeople, with our recommendations.

We wish to remind everyone that we meet regularly the third Thursday of the month at 7:30 P.M. in the Town House.

Our thanks to all town departments, committees and individuals for their cooperation with this committee during the year.

Respectfully submitted,

NORMAN E. THOMAS, Chairman  
MANDO J. ALDROVANDI  
ALVIN L. GOULD  
CHARLES T. SANDERSON III  
Industrial Development Commission

# REPORT OF THE INSPECTOR OF WIRES

I hereby submit my report for the year ending 1966.

Total Inspections	119
New dwellings	74
Plymouth County or New Bedford Gas and Electric permits	69
Water heaters	11
Restaurants	2
Moved houses	1
Electric signs	1
Garages	3
Electric shops	1
Fire alarm systems	2
Nursing homes	1
Bog pumps	8
Apartments	2
Dormitories	1
Banks	1
Manufacturing shops	2
Beauty shops	1
Clubs	1
Air conditioners	1
Offices	1
Inspections by alternate Wire Inspector,	7

All inspections were based on the National Electric Code as adopted by the Commonwealth of Massachusetts with its special rules.

I wish to express my appreciation to the Town Accountant, Mrs. Irma Ruffini and her office personnel and the Building Inspector, Mr. George A. Walsh, for assistance in issuing permits and aid to this department.

Respectfully submitted,

ARTHUR R. DAVIS

Inspector of Wires

# REPORT OF THE PLUMBING INSPECTOR

I hereby submit my report on plumbing inspections for the year 1966.

Number of plumbing permits for new construction	66
Number of inspections on completion	54
Number of inspections for permits issued	40
Number of gas inspections	11
Alternate Inspector - Frank Trifflett	1
Corrections of installations	4

I wish to call attention to the new plumbing code which went into effect August 15, which requires permits and inspections for new installations, remodeling, replacing of fixtures, water services, domestic water heaters and all appurtenances.

I wish to express my appreciation to the Town Accountant, Mrs. Irma A. Ruffini, Town Clerk George W. Cushman and Chief Inspector, George A. Walsh, for assistance in issuing permits and aid to this department.

Respectfully submitted,

ROBERT H. RIEDEL, SR.  
Plumbing Inspector

# REPORT OF THE GAS INSPECTOR

I hereby submit my report for the period starting January 1, 1966 to December 31, 1966.

Number of inspections	168
-----------------------	-----

I wish to express my appreciation to the Town Accountant, Mrs. Irma A. Ruffini, and the personnel in the office for assistance in issuing permits and aid to this department.

Respectfully submitted,

JAMES A. ROBARE  
Gas Inspector

# REPORT OF THE POLICE DEPARTMENT

The report of the activities of the Police Department is respectfully submitted for the year ending December 31, 1966.

Your police department once again had an active and busy year in 1966, as there were 1124 complaints investigated in this period. Despite continued effort and enforcement of the motor vehicle violators, there were 102 motor vehicle accidents involving personal injury and/or property damage. Kingston had 3 fatal accidents in 1966, one in which a pedestrian was victim, the other 2 involving motor vehicles.

Unfortunately, 3 persons were murdered in Kingston during the past year. These were the first such cases that have happened in the 17 years I have been on the department, and it is my prayerful wish that they are the last that we will have happen in our town.

With the changes in the laws and the recent Supreme Court Decisions being handed down to the law enforcement agencies, our job of enforcement and detection is becoming more difficult. Members of this department will attend the various seminars and lectures that are being planned for 1967 in an effort to become more familiar with the changes and enable us to do our job of apprehension and prosecuting criminals within the confines of our jurisdiction. The rights of the honest citizens of our community must be protected as well as the "rights" of the criminal element. All of the citizens can and should cooperate with their police department by coming forward with the information that they may be able to provide, when they have witnessed crimes of any nature. Without that cooperation, many a criminal who should be institutionalized, will be still walking the streets free, and be looking for the opportunity to "strike" again.

Our Auxiliary Police Officers continue to train and assist us whenever they are called upon to do so. Their cooperation has been excellent, and to them we owe a great amount of "Thanks."

### REPORT OF THE FIRE ENGINEERS

The year 1966 set a new record for the number of alarms with at least five fires of suspicious origin, also an unusual number of fires caused by improper disposal of smoking material, one of which led to a fatality.

Twelve new Tone Controlled Alerting Radios were purchased through the cooperation of the Elizabeth B. Sampson Memorial Fund to further speed the response of the call firefighters.

With the sharp increase in the number of alarms and the fact that the Building Inspector reported over one million dollars worth of building in the past year, the Board of Fire Engineers strongly recommend that the 1942 Ladder Truck be replaced this year in order to respond in a prompt and proper manner to all alarms.

Number of feet of hose laid in 1966 - various sizes - 25,600

Number of hours engines pumped 93

Classification and Number of Alarms	Hydrant Care Snow Removal
Buildings 57	Animal Rescue 2
Automobiles 25	School Sanitation Problem 1
Recreator 6	Oil Burner Plateups 2
Boat 2	Assistance to other Departments 8
Needless 2	Oven Fire 1
Falls 1	Fallen Person 1
Mutual Aid 11	Steam Demonstration 1
Cellar Pumping 10	Traight Car Fire 1
Smoke Investigations 7	Broken Water Pipe 1
Bomb Scare 1	Chimney 2
Gas Explosion 1	Propane Gas Leak 1
Gasoline Washdown 7	Refrigerator Gas Leak 1
Automobile Accidents 2	Fire Bombs Tossed from Cars 2
Sprinkler Alarms 6	Total 170
Building Moving Stand-by 2	
Lockout 1	

Periodic Inspections		Fire Prevention

Total Inspections	223		

Respectfully submitted,

JOHN B. WEST, Chief Engineer  
 BRUCE F. SMITH, Clerk  
 WILLIAM A. MacPHAIL  
 Board of Fire Engineers

# REPORT OF THE FOREST FIRE DEPARTMENT

After an active Spring and Summer the welcome rains of September and October held the number of forest fires to a more normal level. A decrease in calls to the Town Dump was noted during the time the land-fill operation was carried on.

The ease with which children obtain matches to play with continues to be a major problem as many of our backyard rush and grass fires are caused in this manner.

In 1966 a new water tank was installed on the 1954 Dodge Brushbreaker, a project that eliminated the danger of rust clogging the pump and nozzles.

At this time I wish to thank the town employees, also the Massachusetts Department of Natural Resources for their assistance during the past year.

Largest Fire in 1966	2 Acres
Highest number of calls in one day	7

## Classification and Number of Calls

Woods and Brush	49	Assist to Other Departments	1
Grass	29	Mutual Aid	8
Dump	71	Public Bonfire	1
Stand-by, Dry -- Windy	4	Needless	4
Incinerators	2	To Eliminate Fire Hazards	4
Burning Without a Permit	19	Total	240
Smoke Investigations	14	Outdoor Burning Permits	
Checking Previous Fires	34	Issued	4,410

Respectfully submitted,

JOHN B. WEST  
 Forest Warden

### REPORT OF THE SHELLFISH CONSTABLE

Planted on the "winter quahog grant" this year was a total of 150 bushels of mixed quahog seed, this area having been closed until the first of the year.

Further tests for the growing of shellfish are expected to be made through the cooperation of the Department of Natural Resources, Division of Marine Fisheries, this coming year.

The new growth of clam seed on our shoreline has been very good. Contaminated clam seed was transplanted in accordance with State regulations and good results have been forthcoming. This practice will continue next year.

For the first time in many years, the area at Gray's Beach was opened for the taking of shellfish.

It is with grateful appreciation that I extend my thanks to my Assistant, Asa W. Glass, Jr., and to all those persons who have contributed their support and assistance to me this year.

Respectfully submitted,

ANTONE J. CAZALE

Shellfish Constable

### REPORT OF THE HARBOR MASTER

This year the mooring space of the river was filled to capacity. Non-residents were refused mooring permission due to the fact of the overcrowded river, in which ninety boats were moored, and from the mouth of the river to the Kingston-Plymouth line sixty boats were moored.

The new Harbor Master's boat is very much appreciated, and the radio equipment served adequately when it was needed; to illustrate, one boy was rescued, which might well have been a tragedy without the boat and radio.

Two boats were towed ashore, due to sinking conditions, and three other small boats were found and returned to their owners.

Numerous calls were received from the Coast Guard.

This year channel markers were replaced with floating markers, formerly cedar bushes were used.

At this time I wish to thank my Assistant, Leo Vantangoli, for his services; also, those persons using boats for their cooperation with me to make Kingston a safe place for boating.

I also wish to thank all town departments for helping me fulfill my duties.

This department is licensed by the F.C.C. The call letters are K0A 4597.

Respectfully submitted,

ASA W. GLASS, JR.

Harbor Master

### REPORT OF THE TREE WARDEN

A total of thirty trees were planted along the roadsides this year, some of which were replacements and others were placed in newly developed areas. Several calls from residents were received requesting the planting of trees; however, due to the lack of funds I was not able to comply with these requests. It is expected that plans will work out during 1967 so that we will have a town nursery and in this way, better serve the public with a variety of trees. A request is being made in 1967 for a full-time Tree Warden so that the town will receive better service.

It is gratifying to report that the control of the Birch Leaf Minor was one hundred percent this year. If there is any resident in the town who has Birch trees on his property and would like to have them sprayed, it is requested that he call this department no later than April 1st.

I wish to report that the Chipper which was purchased last year at the annual town meeting has proven itself very satisfactory and has been jointly used to very good advantage by this department and the Highway Department.

I wish to express my appreciation to all those persons and departments who have offered their assistance to me during the year.

Respectfully submitted,

EARL C. PAULDING  
Tree Warden

### REPORT OF THE MOTH DEPARTMENT

This year approximately thirty-five Elm trees were found to be diseased and had to be removed. There are still six trees which have Dutch Elm Disease and which must be removed. However, because of the locations and the public utility lines, this work will have to go out to contract.

The Poison Ivy control along the road sides and also on public property is well under control due to the repeated spraying.

The Board of Selectmen were notified by this department that there has been enacted a new law relative to the storing of insecticides and equipment. The law states that no person without a license shall have access to any insecticides. At the present time we have no way to abide with this law due to the fact that our quarters are not adequate; larger quarters are very much needed.

Respectfully submitted,

EARL C. PAULDING  
Moth Superintendent

## REPORT OF THE DIRECTOR OF CIVIL DEFENSE

The most active segment of Kingston's Civil Defense continues to be the Auxiliary Police, with 18 members at the close of 1966. The principal duties of the force are night police desk work and church crosswalk supervision. The Auxiliary has also functioned well several times during the year when increased police vigilance seemed necessary.

For the first time the Auxiliary has had its own staff of officers, and this factor has facilitated duty assignment and dissemination of information. In the over-all picture, the Auxiliary Police provides a training ground for men appointed as Special Officers.

The Scuba team scheduled several drills during the summer months, and sufficient equipment has been purchased to outfit two men, with the exception of wet suits, which are more a matter of custom fitting rather than for general use.

Our Deputy Director, John B. Drew, completed an advanced course in Radiological Instruction at Bridgewater. Finally, through cooperation from Area and Sector headquarters, we have begun a course in Radiological Monitoring involving Auxiliary Police.

Our group of four licensed radio amateurs is ready for emergency operation at any time. "Vern" Cushman, our communications officer, has responded faithfully to all monthly Sector radio drills.

State-wide emergency test alert drills have been received and acknowledged promptly. We extend our thanks to Chief West and his men of the fire department for their cooperation in the drills.

All monthly Sector 2B meetings at South Hanson during 1966 have been attended by both the Director and Deputy Director. An additional special Sector meeting at Middleboro in October was also attended.

All appointments at Taunton Surplus Depot during 1966 were kept, with results better than in 1965. Approximately \$1,400 value of good equipment was purchased for \$100. This equipment was assigned to the highway and fire departments.

Going into 1967, Kingston CD has added an aerial observer to the program for use in possible emergencies. Bernard "Bud" Wrightington of Grove Street owns and pilots a low-wing Swift monoplane which he will operate in a volunteer capacity. Communication between plane and base station located at the police headquarters, plus contact with mobile ground positions will be possible with the use of one of our three portable transceivers.

We in Civil Defense will endeavor to continue volunteer operations as well as make surplus purchases which will prove to be of real benefit to our citizens. With regard to volunteer services, when the hours are added up for police duty performed during 1966, the cost to the town if the men were to be reimbursed would far exceed the total budget figure in the Civil Defense Fund.

We are most grateful for the cooperation shown us by the Police, Fire, and Highway departments, as well as by our Board of Selectmen and the Town Accounting department.

Respectfully submitted,

ROBERT A. MULLIKEN  
Director

## REPORT OF THE CONSERVATION COMMISSION

The purchase of additional land adjoining the 83.7 acres owned at the time of our last annual March meeting, has been completed.

The Town of Kingston Conservation Commission now owns 95.2 acres of land bordered by Elm Street, Jones River, Furnace Brook and abutters.

The area bordering Elm Street has had most of the trash cleared and piled up, and some of it has been burned. The main road leading into Furnace Brook has been cleaned out so that the area is accessible to fire trucks, or other vehicles necessary for the maintenance of the area. This is not a road for pleasure vehicles nor is it intended as such, but it does make a pleasant walk into the center of the property, should anyone enjoy looking it over. The Boy Scouts and Girl Scouts have started a path along the edge of the Jones River, but it is rather rough walking and continues for only a short distance. We hope to have this and several other paths completed and plainly marked before the end of another year. We have a committee of women who have volunteered to beautify the area along Elm Street by the addition of shrubs, flowers and trees as well as trimming out the objectionable briars and undergrowth.

We plan to open up the property adjoining Elm Street, so that cars can be parked there whenever anyone wishes to walk through the property.

This area belongs solely to the Town of Kingston, Conservation Commission and is a natural forest that we hope will remain that way forever. There are several plots owned privately bordering this land and although we feel that 95.2 acres is a very good start we certainly hope to enlarge it whenever possible. This can be accomplished by gifts, purchases or by eminent domain should the latter be necessary. There is a new law allowing Conservation Commissions to take land in this manner, but the town cannot pay more than 125% of the assessed value of the parcel in question. It is not our intention to enlarge the property in this manner unless it is absolutely necessary. We shall be asking for money at the next annual town

meeting for the purchase of land or down payment of same and certainly hope your votes will support us in the project.

We wish to thank the people who have helped to clear some of the land as well as the Boy Scouts and Girl Scouts for their help. This help is certainly appreciated, but there are many more hours of work needed to beautify the entire area. Should you wish to help or can offer any suggestions relative to the property the Commission would be glad to hear from you.

Respectfully submitted,

P. CABOT RUSHTON, Chairman  
ROBERT A. MULLIKEN, Secretary  
FRANK J. BOBBIS, JR.  
RICHARD W. LORING  
RICHARD THOMAS

Conservation Commission

## REPORT OF THE BOARD OF HEALTH

For a short period this year we entered into a land-filled operation at the Town Dump. In an effort to eliminate in a small way pollution from the atmosphere of our lovely town. We feel that it has brought some relief to those living in the neighborhood and in addition has removed an unpleasant association for motorists passing through Kingston. Many complimentary remarks were received in regard to our progressive action in being one of the first towns in the area to utilize the land fill operation. The budget for 1967 will include funds to continue this operation, should the voters at the annual meeting vote in the affirmative.

The Board has continued with its semi-annual inspection of eating establishments in the town through the use of registered sanitarians. In all instances they were graded as standard, or better. Your Board will continue to conduct these inspections during the coming year.

As the town continues to grow and its needs grow we must look forward to greater care of our health. The Board at this time calls your attention to the need for a municipal sewerage system and intends to work with our Planning Board for the development of the various plans.

This past Spring a special Diphtheria-Tetanus Immunization Clinic for adults was held with the co-operation of Dr. W. Vernon Mayo and the Plymouth Community Nurses. On May 25th the first of a series of three clinics was held. Following are the statistics:

May 25 — 75 immunizations administered  
June 28 — 110 immunizations administered  
Sept. 29 — 23 immunizations administered

It is again emphasized that communicable diseases must be reported to this Board, who in turn must report them to the State Department of Public Health.

Following is a list of duties that have been performed by the Health Inspector, George A. Walsh, for this Department:

Inspections made, 504; Complaints received, 70; Percolation tests made, 23; Kindergartens inspected, 4; Sewerage Permits issued, 123.

Respectfully submitted,

KENNETH J. CRAM, Chairman  
HARLEY S. CADENHEAD  
ROY L. McLEAN  
Board of Health

## REPORT OF THE INSPECTOR OF ANIMALS AND INSPECTOR OF SLAUGHTERING

During the past year we have seen a profound drop in the number of cattle shipped into Kingston. There has been a corresponding increase in the number of riding horses in town.

This year, 15 dogs were quarantined on suspicion of rabies because of bites imposed. However, all of these dogs were released after the customary 10 day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the proper State authorities.

There were 6 slaughtering inspections during the past year.

The annual inspection of animals and the premises in which they were kept was made and the report forwarded to the Division of Livestock Disease Control.

I wish to thank Mrs. Irma A. Ruffini and the members of the Board of Health for their cooperation in organizing these inspections.

Respectfully submitted,

RAYMOND RUSSO, D. V. M.  
Inspector of Animals and Slaughtering

## REPORT OF THE PLIMOUTH COMMUNITY NURSE ASSOCIATION

We are submitting the following Annual Nursing Service Report for the year, 1966.

During the twelve month period, January 1, 1966 through December 31, 1966, a total of 1,010 visits were made to patients in Kingston, by the P.C.N.A. nurses. Of this number of visits, 479 were made on behalf of the Kingston Health Department. The nursing service breakdown is as follows:

571 -- General Nursing Care

149 -- Maternity

( 3 -- Antepartum)

(74 -- Postpartum)

(72 -- Newborn)

126 -- Tuberculosis follow-up

13 -- Infant Health Guidance

22 -- Preschool Health Guidance

13 -- School Health Guidance

53 -- Adult Health Guidance

63 -- Unclassified (Not at home or not found)

Twelve Well Child Conferences were held during 1966, at which 235 infants and preschool children were seen and examined by Richard O. Elliott, M. D., our W. C. C. pediatrician. A total of fifty-two Tuberculosis skin tests were applied at these conferences.

Thirteen immunization clinics were held, twelve of which were combined with the Well Child Conferences and one special clinic for measles and smallpox vaccine only. A total of 304 infants and preschool children were immunized for Diphtheria, Tetanus, Pertussis, Polio, Measles and Smallpox, by the physician and the P. C. N. A. nurses.

Three adult immunization clinics were held in May, June and September. These were evening clinics, for Diphtheria-Tetanus only. A total of 207 adults were immunized by W. Vernon Mayo, M. D., Board of Health physician, assisted by our nurses.

The advent of Medicare proved the highlight of 1966 for our Association. From January through June, we made many changes in preparation for our survey by the State Department, which would certify our agency as one qualified to give care. One of the greatest obstacles to overcome, was to provide a second service in addition to our nursing service. We were extremely fortunate to have had the Easter Seal Society already established at the Jordan Hospital. We were privileged to obtain as our second service the resources of this society which provides Physical Therapy, Occupational Therapy, Speech Therapy and Medical Social Service.

On June 28, 1966, our Association was formally accepted by the Secretary of Health, Education and Welfare, as a provider of home health services.

We are pleased to serve the residents of Kingston in our capacity as Home Health Agency and wish to thank the Kingston Selectmen and Health Department for their support and interest.

Respectfully submitted,

(Mrs.) MARION A. HEDGE, R. N.  
Supervisor

## PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

I will briefly outline your Project's activities for 1966.

We are increasing expenditures in our budget for permanent control measures this past year, as we now have two power trenchers. The elimination of production areas and clearing waterways releasing stagnant waters, is proven mosquito control. Coastal areas that we have trenched to date show a marked decrease in the sollicitan mosquito. Larviciding with chemicals is the next positive approach to the elimination of larvae before emergence. This is costly and complex. Our appropriations will allow us to treat only a fraction of these wet areas. Some areas could not be treated even if funds were available. Wildlife sanctuaries, domestic watersheds, and fish producing waters are not treated. These areas will also produce mosquitoes.

The cul'x mosquito is the most serious inland problem after the spring brood emerges in May. Our truck-mounted units are primarily for this purpose. Scheduled treatments to filter systems, dumps, catch basins and recreation areas are a must. Backyard treatments are a constant pressure to this project and not accomplishing our purpose for being. The homeowner himself has an obligation. Any and all water containers are a potential and probable source of mosquito breeding. Old tires, auto bodies, toys, birdbaths, clogged gutters, open and overflowing sewage are all violators. Changing the water in birdbaths every three or four days will eliminate the breeding potential, as will emptying water from other containers. Oil of any kind poured in a catch basin will deprive the larvae of air, thus killing it. It is impossible for us to inspect and treat everybody's backyard. Our job is to eliminate breeding areas. Most towns supplement the efforts of this Project with additional programs for adult control. Contrary to understandable beliefs, new housing and road construction in wet areas increases rather than decreases breeding sites. Every new home is a potential and probable source of mosquito larvae, while highways ob-

struct natural drainage areas and surface waters are detoured into areas that would ordinarily be dry.

The marsh trenches were cleaned as in the past. This is a yearly necessity. Back-hoe work was accomplished in the Winthrop Street area to the Haver property, ditching at the rear of the pumping station, trenching between the Stop and Shop to the Kingston Lumber Company. Also ditches were cleaned and re-opened at the south side of Route 3A-Smelt Brook. The trench from Route 3A at Summer Street to the Kingston pumping station was also brushed and cleaned with our back-hoe.

Your project has responded to hundreds of calls. Numerous calls that were honored came from homeowners and commercial areas that were plagued by other than mosquitoes. Although we would like to honor all calls, our funds are fixed and will only allow for mosquito abatement practices in the future.

I wish to thank your town officials, and especially Mr. Earl C. Paulding and Mr. Weldon A. Thomas, for their interest and cooperation.

Respectfully submitted,

M. CURRIE BEATON, Jr.  
Superintendent

## PLYMOUTH COUNTY EXTENSION SERVICE

by Robert B. Ewing

County Agent-Manager and Regional Coordinator

The primary responsibility of the Cooperative Extension Service is as the law states "to aid in diffusing among the people of the United States useful and practical information on the subjects relating to Agriculture and Home Economics and to encourage the application of same."

Resources of the University of Massachusetts and the United States Department of Agriculture are available to the Staff of the Plymouth County Extension Service because of an assistance agreement. Members of the staff provide educational information pertaining to Agriculture, Home Economics and 4-H Club Work, through correspondence -- newspapers and radio -- meetings -- office and telephone calls -- and farm and home visits.

To make this service available to you, funds are provided by the Federal, State and County Governments. Thus the name -- Cooperative Extension Service.

Since 1963 when the Southeast Extension Region was organized the Agricultural Agents have conducted Regional Programs and activities for the commercial farmers in Barnstable, Bristol, Norfolk and Plymouth Counties.

Each Agent is responsible for specific commodity program(s), i.e. Dairy and Livestock; Fruit and Vegetables; Floriculture; Nurseries; Horticulture; Poultry and Turkeys. For this reason, the Agent can keep up-to-date with research, participate in advanced training at the University of Massachusetts and offer the farmers a more effective service.

The Extension Home Economists supply information, conduct meetings and programs that meet the need of homemakers in Plymouth County. At the request of social workers in the communities of Plymouth County, they have provided information pertaining to the many phases of the homemaker's life. They have also conducted programs for the elderly, blind and handicapped. The Extension Home Economists have been coordinators of programs for underprivileged families. In short, homemakers in just about every age group and walk of life have access to information from the Plymouth County Extension Home Economists.

4-H clubs are organized by the 4-H Club Agents for boys and girls 10-19 years of age and who are interested in projects in the broad areas of Careers, Citizenship, Clothing, Conservation, Crafts, Foods, Horticulture, Livestock, Recreation, Safety and Science.

With other youth programs, 4-H Club work contributes to the character building process of Plymouth County young people.

4-H Club members have the opportunity to participate in local 4-H Club Programs and through it, receive excellent training in conducting meetings; giving demonstrations; public speaking and committee work. They also receive training in preparing all types of exhibits in the community; at Fairs and at some statewide activities.

This year 4-H club members were enrolled in 26 of the 27 communities of Plymouth County.

Adult volunteer 4-H club leaders are to be commended for their contributions to the 4-H Club Program in Plymouth County for without their services, such a 4-H program would not be possible.

You are invited to make full use of the Extension Service but remember, that although the Extension Service furnishes the information, it is you who make the decision as to how the information may be used to best advantage.

Requests for information can be directed to the Plymouth County Extension Service, Court House, Brockton, Massachusetts 02401.

The Board of Trustees, appointed by the Plymouth County Commissioners, administer the Plymouth County Extension Service Program and is composed of the following members:

Mr. Gilbert Blackledge, Whitman, Chairman  
Mr. George Ridder, E. Bridgewater, Vice-Chm.  
Mrs. Mabel Chandler, Duxbury, Secretary  
Mr. Robert Chisholm, West Bridgewater  
Mr. Arthur Chaffee, Jr., Bridgewater  
Mr. John Duffy, Halifax  
Mrs. Gladys Gibbs, Hanover  
Mr. Philip Gibbs, Carver  
Mr. Fred Freidenfeld, Middleboro

## REPORT OF THE HIGHWAY SUPERINTENDENT

Chapter 90 Construction continued on Grove Street, and Chapter 90 Maintenance work was done on Wapping Road, Elm Street, Pembroke Street and Evergreen Street.

Maple Avenue was reconstructed with drainage and Type I Bituminous Concrete surface. Curtis Avenue, Frank Street, White Pine Lane and portions of Woodland Avenue and Country Way were accepted as town roads and constructed as such.

Drainage was installed in various locations on Maple Avenue, Main Street, the dump road, Howland's Lane, Gray's Beach, Shirley Avenue, Leigh Road, Jones River Drive and Smith's Lane. Type I surface was constructed on Shirley Avenue, Sylvia Place Road and a section of South Street.

Peck Street and a part of Ring Road were seal-coated with asphalt. The small section of road from the Elementary School parking lot to Second Brook, and the driveway in front of the new Town House Annex was excavated and constructed with a gravel road base, the surface to be put on next year.

New sidewalks were constructed along sections of Landing Road, Pembroke Street, Main Street and Summer Street.

Mr. A. Lewis Keene retired in January upon reaching the compulsory retirement age. Mr. Antone J. Cazale was hired as a permanent employee replacing Mr. Keene.

This has been a busy year and I would like to thank the men of the Highway Department and all other departments for their fine cooperation.

Respectfully submitted,

WELDON A. THOMAS  
Superintendent of Streets

# REPORT OF THE TRUSTEES OF THE FREDERIC C. ADAMS PUBLIC LIBRARY

To the Citizens of Kingston:

We begin with an accounting of operating expenditure from the March 1966 Article 6 and 21 Town appropriations, to which there was added in September a Reserve Fund transfer of \$600, by the Finance Committee. For the 1966 calendar year:

Librarians' salaries and wages	\$7,045.78
Janitor salary	840.00
Unexpended	68.22

Appropriation and transfer	\$7,954.00
Books and periodicals	\$6,835.67
Supplies	607.81
Repairs	129.44
Equipment	468.05
Telephone and fire alarm	224.85
Fuel (gas) and electricity	1,231.09
Unexpended	124.36

Appropriation	\$9,621.50
---------------	------------

The net cost to Kingston taxpayers was decreased by monies received from:

Dog Licenses	\$941.73
Library book fines	325.55
State Aid to Libraries	1,075.50

From the special Library Equipment appropriations; 1965 Article 14 and the 1966 Article 25, there were purchased catalog files, cabinets, tables, chairs, and some additional shelving. The cost of this new equipment totaled \$3,334.45; and \$81.93 remains available for such use.

From the special Repair and Improvement appropriations a total of \$2,291.63 was expended for interior painting, carpeting, and grading and seeding. Under the Article 26 voted in March 1965, there remains a balance of \$1,029.74 for completing these essential repairs and improvements.

From income from Endowed Library Funds:

	Received	Paid Out
Brought forward	\$2,164.19	
Am. Tel. & Tel. dividends	52.80	
Savings bank interest	532.65	
Treasurer's salary		100.00
Periodicals		83.00
Supplies and miscellaneous		16.22
Income balance carried forward		2,550.42
	\$2,749.64	\$2,749.64

Under the will of Julia M. Swopa we have received a \$5,000 bequest which provides income specifically for books.

## Librarian's Report

The library has been the scene of continued growth in use, as well as in the number of new books and periodicals made available during the year. Records show that 40,104 books and periodicals have circulated during 1966, as compared with 37,040 during 1965. The number of persons using the library in 1966 was 27,168, and in 1965 was 23,061.

Special effort has been made to enlarge the collection of books in the Art and Music section.

Increased attendance in the Young People's Room has made it necessary to establish study-hall rooms during the evening hours to make sure that the best use is being made of the room and its reference facilities. There were 1,034 students recorded in 1966, an increase of 294 over the 740 students recorded in 1965. These figures include only actual students, and is not the total attendance figure.

The Old Colony Library Association held its annual meeting at the library on May 26, using the additional facilities of the Reed Community Building to accommodate approximately 150 librarians who attended. The Friends of the Library group helped make this occasion a pleasant one by serving a coffee hour before the meeting.

Twenty new reference books were purchased with funds made available by the Division of Library Extension of the

Massachusetts Department of Education, under the Library Services and Construction Act, Title I, for the Book Collection Improvement Grant program of the federal government.

Sincere appreciation is extended to the many individual patrons of the library who have presented reading materials as well as gifts of flowers, and to the Reed Community Club, the Friends of the Library group, and the American Legion Auxiliary, Harold F. Govoni Post.

#### Statistics for 1966

Number of books in the library.....	19,980
Books added .....	1,510
Circulation .....	40,104
Attendance .....	27,168
Students .....	1,034
Total Registration .....	1,827
Books discarded .....	645

It is with a feeling of great loss that we record the death on January 7, 1967 of our Librarian, Marion Lenari. For over seventeen years she served in this capacity with a devotion and interest which was recognized by all who knew her. We know that the friendly and helpful atmosphere of the library was a reflection of her warm personality, and we hope that these fine attributes will be a source of inspiration to maintain the spirit of service which she achieved for so many years.

During the past year we have continued our efforts to improve the services and facilities of your Library. With funds from the Elizabeth B. Sampson Fund, we have completed the refurnishing of the upstairs reading room and have installed a new card catalogue file in this section. This room was also repainted and wall-to-wall carpeting was installed except for the stack area in which we hope to make some improvements during the coming year.

Through the efforts of Mrs. Elspeth Hardy, Mrs. Beatrice Ruffini and Mrs. Margaret Warnsman of Kingston, and Miss Louise Tosi of Plymouth, a fund has been given to the library in memory of Mrs. Mildred Bergonzoni Richter whose musical interests are dearly remembered by her friends in both towns.

This fund will be used to establish a collection of recordings which will be available to patrons of the library. We are grateful for this interest in bringing this service to Kingston and are pleased that it will serve as a memorial which will provide continuing pleasure to those who enjoy good music.

To the staff at the library, to the many town officials and to the citizens of Kingston who have helped in our endeavors in many ways, we express our sincere appreciation for their efforts.

Respectfully submitted,

The Board of Public Welfare has met the first Wednesday of each month at 7 P.M. at the Welfare Offices, with Special Meetings called when necessary.

We, as a Board, wish to express our thanks to the citizens of the town making it possible to move our employees to more adequate quarters. These quarters will meet our needs for many years. For those of you who were not able to come to our open house you are welcome to visit and see our facilities at any time.

This year brought many changes in our Department. Medicare came into operation beginning July 1, 1966. Effective September 1, 1966 the Medical Assistance Program under Title XIX of the Federal Social Security Act was initiated in Massachusetts. This brought about an entirely new concept of Assistance in Massachusetts, whereby, we have been instructed by the State Department of Public Welfare to make all our citizens aware of this program and the basic eligibility requirements so that people who are in need will get the necessary medical care essential to their well being. Although we are unable to cover all areas of eligibility we will give you the following highlights.

All persons are eligible for Medical Assistance who are currently receiving grants for Old Age Assistance, Aid to Families with Dependent Children and Disability Assistance. In addition all persons who are eligible for Old Age Assistance, Aid to Families with Dependent Children or Disability Assistance and children under 21 years of age except for the durational residence income or personal property, provided they meet the eligibility requirements for Medical Assistance.

### Financial Eligibility

**Personal Property Exemption** — Personal property is defined as the ownership of bank deposits, securities, cash surrender value of life insurance, cash on hand or similar assets readily convertible into cash. An individual is allowed personal property up to \$2,000. A married couple or family of two persons are allowed combined personal property up to \$3,000. An additional sum of \$100 shall be allowed for each additional dependent member of the family.

**Real Property** — An applicant may own real property used as a home or from which he is absent because of mental or physical illness.

**Income Exemptions** — The monthly net income exemption is \$150 for an individual and an additional exemption of \$56 for each additional family member.

**Exemptions in Licensed Facilities** — A person receiving care in a licensed nursing home, licensed chronic hospital, or approved medical institution who has income shall be allowed to retain the first \$23.00 a month of such income for personal needs. If the spouse is living outside of an institution there is an additional exemption up to \$225 per month from their combined total monthly income for the maintenance of the spouse.

**Relatives' Responsibility** — The financial responsibility of any person for any applicant or recipient of Medical Assistance will be limited to the responsibility of husband for wife, and of parents for children under 21 years, or blind, or permanently and totally disabled.

**Life Insurance** — There is no restriction regarding the amount of life insurance a person may have. However, in order to meet Federal requirements, the cash surrender value of life insurance must be considered in the determination of personal property.

**Place of Application** — Application for Medical Assistance is made with the Board of Public Welfare in the city or town where the applicant resides.

If you desire further information or feel you or a member of your family need these benefits you may contact our office between 8 A.M. and 4 P.M. Monday through Friday to discuss your problems.

We wish to report that we sent our Director of Public Assistance to represent our Town in the South Shore Community Action Council, Inc. of which 12 towns are involved. The meetings of this Council are held the second Thursday of each month at 8 P.M. This is a poverty program which has now been funded by the Federal Government in the amount of \$31,651.00. There is no direct cost to the Town for this program as our share in the program is being met by volunteer services, etc. These meetings are open to the public and interested citizens are welcome to attend. The Executive Director is Charles Reynolds, Jr., from Pembroke who now has a full working staff with headquarters at 8 Bay Road, Duxbury. Their job will be to study our total area to determine the needs in our affected areas and present programs acceptable to the Federal Government to give our citizens in need help to return to self-sufficiency. This could be the answer for some of our more unfortunate citizens. This Board does question, "Is this the right approach to our poverty problems?"

We wish to thank the citizens of our Town, other Town Departments, State Department of Public Welfare and other Social Service Agencies for their continued cooperation with this agency.

Respectfully submitted,

ROY L. McLean, Chairman  
HARLEY S. CADENHEAD  
KENNETH J. CRAM

## TOWN OF KINGSTON EDUCATIONAL FUND

### Report of the Trustees

The Trustees of the Kingston Educational Fund submit the tenth Annual Report covering the calendar year 1966:

#### INCOME

Fund established at the Annual Town Meeting March 1957 under Chapter 40, Section 3.

Balance, January 1, 1966	\$1,981.17
Dividends	90.64

Balance, December 31, 1966	\$2,071.81
(Deposited in Plymouth Five Cents Savings Bank)	

#### Frances Leach Bagnell Fund

##### Principal

Balance, January 1, 1966	\$4,000.00
Balance, December 31, 1966	4,000.00

Prior to the 1957 Annual Town Meeting, your Town Treasurer requested that an article be inserted in the warrant for the 1957 annual town meeting asking the voters to accept Section 40 of Chapter 40 of the General Laws for the purpose of providing a Kingston Educational Fund.

At that time, your Treasurer was interested in a fund which was created by the graduating class of 1929 and also there was an amount in a fund known as the Kingston High School Alumni Association, Annie Carleton Woodward, Trustee. After the fund was established, the amount mentioned above with an additional gift of \$11.48, was the first fund established under the Educational Fund; therefore, the first year there was deposited a total of \$1,306.01. Ten years later the fund is now \$22,116.31. This has been made possible by our many friends and it is gratifying to see so many friends who are listed in this report who donated to the Educational Fund in memory of Annie Carleton Woodward who was one of the first who was interested in our fund in 1957.

There has been appointed from the trustees a sub-committee to make rules and regulations in the administering of this fund in order that we may go forward to help those students who need assistance to further their education. After the rules and regulations have been formulated, there will be an announcement to this effect and the trustees are hopeful that we can assist a graduate or graduates this year.

The trustees wish again to bring your attention in preparing your will that you remember the Educational Fund and gifts from individuals and organizations are most welcome.

We extend our thanks to our many friends for their continued support and we also extend our appreciation to all who have made it possible for this fund to grow from \$1,200.00 to \$22,000.00 in a short span of 10 years.

Mr. Horace C. Weston was re-appointed trustee on April 5, 1966 for a five year term.

Respectfully submitted,

GEORGE W. CUSHMAN, Chairman  
PHILLIP S. CRONIN, Secretary  
ARTHUR T. HAND  
LUCY M. STEIN  
HORACE C. WESTON

## REPORT OF THE DIRECTOR OF VETERANS' SERVICES

I hereby submit the annual report of the Office of Veterans' Services for the year ending December 31, 1966.

Active cases, January 1, 1966	12
New cases during 1966	14
Cases closed during 1966	13
Cases denied	3
Disability and widows pensions processed and received	7
Veterans hospitalized	6
Miscellaneous contacts (legal, education, insurance, loans, G. I. bill, etc.)	78
Active cases December 31, 1966	13

A new law just passed which classifies all servicemen, who served from 1955 to the end of the Vietnam action, as veterans, is bound to impact the operation of this office, both in the service area and budget requirements.

The facilities of this office are available each Tuesday evening at the new office (across from the Town House) between the hours of 8 and 10 P.M.

Respectfully submitted,

LAURENCE P. REID,  
Director

# REPORT OF THE PARK DEPARTMENT

The year 1966 had a good, dry summer, making Gray's Beach a busy place on week-ends with both local and out-of-town people. We feel that it is really unfortunate that more Kingston people do not use the beach. Sand was put on the beach only once during the year, which seemed to be enough to keep it in good condition. Usually the northeast storms wash out much sand, but a minimum of storms cut this expense down. The ticket booth was repainted because of vandalism.

The float blocks, rope, and one float were replaced late in the year. Another float is in the budget for 1967. These floats are more than ten years old and cost of repairs would be excessive. We also purchased three sets of flags. Most years we have to get along with only one or two sets and they get shabby rather quickly.

We have made application to the Trustees of the Elizabeth B. Sampson Fund for an amount to cover the cost of juvenile playground equipment for the younger children at Gray's Beach. Many people have requested swings, slides, etc. be made available there.

In the town warrant is an article requesting funds for the installation of hot water at the concession stand and wash basins at Gray's Beach. The local and state departments of health have requested that this be accomplished.

The culvert in front of the concession stand was repaired for us by the Highway Department and a few loads of fill were placed behind the stand. The Park Department wishes to express its thanks to the Highway, Police, Water and Fire Departments for their co-operation during this past year. We also wish to bring to your attention the fact that even a charcoal fire at the beach requires a permit, issued by the Fire Department.

We had a petition before us requesting the opening of the old boat-launching ramp at Gray's Beach. This ramp has been closed for the past six years and we voted to keep it closed. A representative of the Division of Motor Boats agreed with us and stated that if we opened it the ramp would create more police work for the town than would be practicable. It should be stated here that complaints relative to this department should

be made directly to this department and not by way of any other town department. Your Board of Park Commissions is elected by the people and answerable directly to the people. It seemed unfortunate that a petition listing 100 names, when presented for discussion at an open meeting, was attended by only five or six of the petitioners.

In Kingston Center a drinking fountain was installed which lasted only three weeks before destruction by vandals. It was enjoyed by many of the older folks during that brief duration. It seems a shame that a fountain will last indefinitely in Boston Common but not in Kingston Center. Whether the fountain will be repaired and replaced in operation is at the discretion of the 1967 Park Commission. Shrubbery was planted around the fountain and a new park bench installed there, which has been used quite a lot.

The Department has made every effort to serve the people well during the past year. We are always open to suggestion and welcome your presence at our monthly meetings.

Respectfully submitted,

ALPHONSO J. CAVICCHI, JR., Chairman

ARTHUR VANTANGOLI

JOHN E. GORMAN

Park Commission

# REPORT OF THE WAGE AND PERSONNEL BOARD

The Wage and Personnel Board has begun the process of interviewing the heads of the different service departments of the town. It is doubtful that any significant information can be compiled in time to be of any use at the approaching town meeting.

We are planning to have a complete report for you by this time next year. However, if at any time we can be of help with the information we now have, please notify us and we will be glad to assist in any way we can.

Respectfully submitted,

BRUCE E. BEAN, Chairman

PHILLIP S. BARNES, JR.

LOUIS V. LAPINSKI

Wage and Personnel Board

## REPORT OF CAPITAL OUTLAY COMMITTEE

The Kingston Capital Outlay Committee began meetings on September 7, 1966 to develop and implement plans for fulfilling the objectives outlined in the enabling by-law (Article 8, 1966 Town Meeting Warrant), but the closing months of the year afforded little more time than that necessary to organize the new committee and determine a course of action to get the work started. The preparation of a meaningful long range capital budget is a substantial undertaking that is dependent for its success on the efforts and cooperation of all the various departments, committees, commissions and boards of the Town who must identify most of the projects and research them sufficiently to furnish a broad picture of the projects' benefits and costs. Needless to say, this could not be accomplished in the short period available in 1966, and our report must be a report of progress that starts a foundation on which following committees can build.

The first task of the committee after organizing was to determine which item should be considered in the Town's budget program. A typewriter is, indeed, a capital item to the accountant but the cluttering of a budget with relatively small expenditures can mean losing sight of larger expenditures impact potential on the tax rate. After a review of past purchases and expenditures, the committee adopted an initial policy to limit items for inclusion in the budget to those costing \$5,000.00 or more for (1) the purchase of property, (2) the construction of a new facility, (3) the improvement of an existing facility to increase its value, and 4) departmental equipment additions or replacements.

The committee plans to include almost any proposal within the above scope in the budget, however, those of doubtful merit, in the opinion of the committee, will undoubtedly be deferred to five or six years hence to afford an opportunity for that merit to develop. Proposals for expenditures beyond six years will be included as future possibilities. The listing of possibilities is sufficient in itself to force the Town and its leaders to think about them and examine them more closely as the date for the expenditure draws near.

Requests for proposals were sent in late 1966 to all the boards, departments, committees and commissions of the Town, but the replies were few — perhaps understandably so since these requests were made at the time when deadlines for 1967 wages and expenses were pressing. Future requests will be made in early spring when department heads will have more time to give serious thought to their needs for the next five or six years, and allow the committee time to prepare a budget with recommendations which can be available to the Finance Committee and other interested parties by November 1st.

While a well designed capital budget affords a view of the Town's needs, with the impact of prospective expenditures spread more or less evenly over the future years, it is not the final approach to tax rate stability. An important partner of the budget in helping to achieve stability is forehandedness in putting money aside in the years when the demands are not too heavy. This is difficult a job for the Town in years of rising costs as it is for the family, but it is a job with rewards in either case. We are, therefore, recommending the creation of a Stabilization Fund (Article 48, 1967 Annual Town Meeting Warrant) to accumulate money in advance of the needs.

The advantages of using stabilization funds to smooth out the tax rate are obvious. There is, however, another important advantage which is seldom recognized. Additional school buildings assistance funds are available to the Town only when matching amounts from a Stabilization Fund are used in lieu of borrowing. Simply, this could mean reducing the Town's costs for Elementary School expansion by as much as \$100,000 if an equal amount were available in a Stabilization Fund.

Finally, we are indebted to those departments submitting proposals this year — these are published in the accompanying chart and we urge all departments to look ahead to their future needs and forward a proposal forecast to the Capital Outlay Committee before June 1, 1967. We also urge appointing authorities to act promptly after Town Meeting to fill vacancies where terms of office have expired.

Respectfully submitted,

**KINGSTON CAPITAL OUTLAY COMMITTEE**

**PARTIAL REPORT**  
**KINGSTON ELEMENTARY SCHOOL**  
**BUILDING COMMITTEE**

The Kingston Elementary School Building Committee held its first meeting on June 16, 1966. It has met regularly since that time. Population growth studies and possible Elementary School sites were investigated. During November the Committee interviewed architects for a study on the feasibilities of adding on to the present Elementary School or building separate classroom facilities. In December the Committee selected the firm of Alger & Gunn Associates of Hyannis, Massachusetts to make the study.

Our Final Report will be submitted at a Special Town Meeting, if completed, or at the next Annual Town Meeting.

Respectfully submitted,

# **PARTIAL REPORT OF THE COMMITTEE TO STUDY KINGSTON'S FUTURE ROLE IN THE SILVER LAKE REGIONAL SCHOOL DISTRICT**

During the year your committee held joint meetings with various departments of our school administration and attended meetings of the school committee. We have also met with laymen of the town who are in no way affiliated with the school system. All of these meetings have proven to be extremely informative. Plans have also been formulated to meet in the future with a group of professional persons in school administration, at no cost to the town. We have delayed this meeting in order that your committee can compile all the preliminary data and necessary information prior to this round-table discussion.

It is our considered opinion that this committee be continued for another year, during which time joint meetings can be held with similar committees in our neighboring towns of Halifax, Plympton and Pembroke.

At this time we extend our appreciation to all those persons and committees who have offered their assistance to us.

Respectfully submitted,

AMELIO E. RUFFINI, Chairman  
WILLIAM R. FAIRWEATHER  
MANUEL P. SOUZA, Secretary

## **REPORT OF THE REGIONAL VOCATIONAL SCHOOL DISTRICT PLANNING BOARD**

By a vote of the 1966 Town meetings Regional Vocational School District Planning Committees were authorized and duly appointed. Committees from the Towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke, Plymouth, and Plympton, acting under the provisions of Section 14 of Chapter 71 of the General Laws, formed the Regional Vocational School District Planning Board.

The Board has made the following findings:

1. The region under consideration will have by 1971, 4,344 students in grades 9 through 12.
2. The division of Vocational Education of the State Department of Education estimates that a co-educational Vocational school for 820 students would be required for this region.
3. 161 Towns within the Commonwealth already are operating Vocational High Schools either as a part of their own school system or as a member of a region, and 49 other towns are in the regional planning stage.
4. From 30% to 50% of all high school graduates in this region do not continue their education at the college level.
5. Capacity, limited entrance requirements, transportation, and course offering are at present denying students in this region a vitally needed vocational training experience.
6. Industrial growth in the area depends upon a reservoir of trained personnel having a degree of skill greater than heretofore and at present vocational school graduates are in great demand by industry.
7. The mobility of labor today will allow this region to include courses that previously could not be presented in a limited industrial area.
8. Greater education value at a lower pupil cost can be realized by the eight towns joining a regional district than would be possible by individual school vocational programs.

The Board therefore recommends:

1. That a Regional Vocational School District including the towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke, Plymouth, and Plympton be formed ac-

ording to the provision of the attached agreement which is a part of this report.

2. That the region be operated by an elected Regional School Committee with each town being represented as set forth in the attached agreement. That such Regional School Committee shall have all the powers and duties and responsibilities as set forth by law and this agreement. This agreement further sets forth the provision for Capital and Operating costs budgeting, amendments to the agreement for admission and withdrawal of member towns, transportation, admission of tuition students, employment of teachers and extension of tenure.
3. Further recommend the construction of Regional Vocational High School within the confines of the region described, for approximately 829 students at a currently estimated net cost of construction and financing of \$3,731,323.00. This capital cost will be shared by the member towns on the basis of pupil enrollment in the regional school. For the purpose of estimating apportioned costs per town the estimated pupil enrollment of the member towns in grade 9 through 12 for the year 1971 has been used. Operating costs are also estimated to be about \$800.00 per pupil at full enrollment and is similarly apportioned.

Town	% of Cost	Est. Share of Net Cost, Construc. and Finance	Est. Yearly Operating Costs
Carver	2.75	102,611	18,287.50
Duxbury	13.30	496,266	88,445.00
Halifax	5.78	215,670	38,437.00
Kingston	7.70	287,312	51,205.00
Marshfield	29.60	1,104,473	196,840.00
Pembroke	16.37	610,819	108,860.50
Plymouth	22.25	830,219	147,962.50
Plympton	2.25	83,955	14,962.50
	100.00	3,731,323	665,000.00

This sum of money to be raised by a Regional District Bond issue the cost of which will be prorated to the member towns substantially in accordance with above schedule.

The Vocational High School may include grades 9 through 14 covering courses in sixteen subject areas.

In addition the facilities may be utilized for adult education, trade extension courses and special training courses.

It is further recommended that an initial operating and planning budget of \$25,000.00 be provided the Regional Vocational District for the balance of the year. This amount to be raised by the member towns as follows:

Carver	\$687.50
Duxbury	3,325.00
Halifax	1,445.00
Kingston	1,925.00
Marshfield	7,490.00
Pembroke	4,092.50
Plymouth	5,562.50
Plympton	562.50
Total	\$25,000.00

It is recommended, that an article be placed in the Warrant of the towns to be Voted upon as prescribed by Section 15 of Chapter 71 of the General Laws and to read as follows:

Shall the town accept the provision of Section Sixteen to Sixteen I, inclusive, of Chapter Seventy-One of the General Laws, providing for the establishment of a Regional School District, together with the towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke, Plymouth, Plympton and the construction, maintenance and operation of a regional school by the said district in accordance with the provision of a proposed agreement filed with the Selectmen.

Respectfully submitted,

WALTER B. COLLINS, Chairman

#### BOARD MEMBERS:

Carver: Erwin K. Washburn, Oliver Harju, Walter Miller  
Duxbury: Walter B. Collins, Jeremiah J. Browne, Jr., Robert R. Walker

Halifax: Charles F. Batchelder, III, Arthur P. Silvester, Thomas Weathers

Kingston: J. H. Durgin, A. T. Hand, H. Hanelt

Marshfield: Laurence M. Hagar, John J. Clancy, Maurice

Coghlán

Pembroke: David F. Cronin, Wilson Whittaker

Plymouth: Carl C. Groetzinger, Kenneth Peck, John R. Fillebrown

Plympton: Jacqueline Ormsbee, Henry E. Bryant

#### EDUCATIONAL ADVISORY COMMITTEE:

Dr. Everett L. Handy, Superintendent of Schools, Duxbury

Mr. Francis M. Moran, Superintendent of Schools, Kingston

Dr. Laurence F. Greene, Superintendent of Schools, Marshfield

Mr. F. Edward Nicolas, Superintendent of Schools, Plymouth

#### REPORT OF THE FISH COMMITTEE

This committee and the town have lost a most loyal and conscientious worker through the death of Albert H. Holmes in May. Mr. Holmes was extremely interested in the work of this department and his advice and counsel were most instructive. Mr. Allan E. Vantangoli was appointed to fill the vacancy.

We had our regular run of Alewives and Smelt and judging from the bait in the bay, that is feed for the Stripers and Mackerel, fishing was very good.

The ladder at the Pumping Station was rebuilt, which was a difficult job as we had to join with the dam, however, with the Kingston Water Department and Mr. Arthur J. Dupuis of the State Department of Natural Resources, working together a good job was accomplished for which they deserve credit.

We have a few repairs to make next year, then the entire run will be in good shape from the Pumping Station to Sylvia Place pond.

Respectfully submitted,

FRANCIS H. WHITE, Chairman

ALLAN E. VANTANGOLI

O. WELLINGTON STEWART

Fish Committee

#### WATER COMMISSIONERS' REPORT

The year 1966 justified in the main the optimistic predictions with which it opened. It represented uninterrupted forward economic progress, almost unique in Kingston experience. No water department has ever enjoyed such material well-being; yet progress has not been devoid of problems against this background of plenty and with an increased supply of water, it has a bright promise for the future technological and economical progress for the water in Kingston.

The core of our problem in 1966 was to obtain Federal funds for the water project approved at the annual town meeting. The Water Commissioners contacted our Senators and Federal Agencies for their help and cooperation in obtaining a grant of approximately \$100,000.00 for the water project of replacing the main from the old reservoir, down Indian Pond Rd. Elm St. and down Brook St. and to extend the main from the present main on Winthrop St. to Brookdale Ave. Our efforts were disappointing when on June 27th, 1966 we received a letter from the U. S. Department of Agriculture, Farmers Home Administration informing the Water Commissioners that they were unable to take favorable action because the Farmers Home Administration can only make grants to towns or communities that are in financial difficulty or the cost of water per user is excessive; also where the primary use of water is for domestic use and not for fire protection. They went on to state further that the increase of water rates to the users of the system will result in a rate that would still be reasonable and much below the rate that is considered as meeting the criteria for Grant consideration. According to the 58th Edition Financial Statistics of Mass., 1966, it indicates Kingston is in a very sound financial condition with ability to issue bonds for the full amount of the project cost.

Your Water Commissioners discussed this problem with the Board of Selectmen and the Town Treasurer to see if any other avenues were opened for the purpose of obtaining a grant. Other Federal Agencies were called in as well as interested citizens and those that are connected with the Federal Government locally.

On September 16, 1966 a letter was sent to the Board of Selectmen enclosing a copy of a letter that had been received

from the Acting Administrator of the United States Department of Agriculture, Farmers Home Administration. There again the same information was made available to the Board of Water Commissioners—that a grant was not possible for our pending water project. Still being hopeful, arrangements to do the water project were delayed until late Fall, at which time the "green light" was given by all concerned to proceed with the borrowing of money for the project in its entirety; and as we begin a new year, bids were opened for the water project. As this report goes to print, an award for a contract has not been made; however, the Water Commissioners are hopeful that this project will be underway and completed sometime late in the spring. We are very sorry that we could not get this grant for our citizens and taxpayers in order to reduce the cost of this most worthy project but we give you the assurance that every avenue to Washington for a grant was taken but to no avail.

#### A Year For Accomplishment

	1966	1965	1964
Revenue from operation	\$51,767.93	\$48,027.56	\$45,216.43
Appropriated for Maintenance	41,500.88	42,134.75	36,691.50
Water Pumped (Gals.)	234,042,000	242,853,998	231,705,768
Greatest Amount Pumped in Any One Day (Gals.)	1,639,200 7-9-66	1,609,600 6-28-64	1,560,700 6-26-63

#### Greatest Amount Pumped in

Any Week (Gals.) 10,292,100 from July 3-9, 1966

#### New Water Mains or Mains Replaced

700 ft. 6" transite pipe and 1 hydrant replaced on Foster Lane.  
850 ft. 6" transite pipe added to the system by the Water Dept. replacing a 2" main.

Approximately 1,000 ft. of 6" transite pipe and 2 hydrants were installed off Prospect St. by the developer.

45 New Services.

41 Services Replaced.

1 New Hydrant on Howland's Lane

As of Jan. 1, 1967, there were 1947 services in use.

#### Report on New Facilities

The two car garage on South Street has been completed and we invite you to inspect it at any time. Your Water Department installed a telemeter system late in 1965, giving us

better control of our electric pumps which gave us the opportunity to conserve water and although we had one of the driest summers in 1966, you will note the total gallons of water pumped is less than in 1965.

#### Searching for Additional Water Supply

Again this year, we continued to search for additional water supply. We are of the opinion that we have located a good site for additional wells, off Waapping Road, and we are planning to ask the town to purchase the land at the 1967 annual town meeting.

#### The Future

At the request of the chairman of the Capital Outlay Committee your Water Commissioners on October 21, 1966 informed them of our present thinking in the future growth of your water system. Items listed in our letter were:

1. Land Acquisition.
2. Replacement of the pump at the so-called diesel well
3. Development of new wells.
4. A million gallon water tank.
5. Water meters.
6. Replacement of old mains, particularly that main on Landing Rd.
7. The extension of new mains.

#### The Use of Water for Outside

Water has become a critical problem for most Massachusetts communities. As population and the amount of water used per person continues to increase and with a continuing deficiency in precipitation, the problem will become more acute. Many towns have already imposed restrictions on outdoor water use. Citizens should be aware of the seriousness of the situation and strive to conserve water at every opportunity.

We are very pleased that we did not have to curtail the use of water last year and this was due to the fact that our water takers cooperated 100% with your Water Commissioners. This is another reason less water was pumped. We cannot stress in words our appreciation for your fine cooperation. It is wonderful to have such fine citizens in our town.

#### Proposed Projects for 1967

1. To replace the Dodge truck.
2. To replace the main on Adams Avenue.
3. Land Acquisition.

4. To replace the main on Loring Avenue and to tie it in with River Street.

#### Conclusion

With acceleration of the technological rate of change in the operation of a water system, our ability to make effective use of new methods and equipment depends entirely on the capacity of our citizens and employees of our town. We are proud of the record we have achieved and the citizen satisfaction they have earned for the town, and we intend to take every step to maintain and augment this superior capability.

Respectfully submitted,

RICHARD W. LORING, Chairman  
EARL S. SAMPSON  
JAMES A. ROBARE

Board of Water Commissioners

#### REPORT OF THE WATERFRONT COMMITTEE

During the 1966 season the Kingston Improvement Committee placed into service an additional float at the Town Landing to enable boatmen to dock and depart at lower tides. Two new racks were constructed to replace those damaged beyond repair. Annual painting and general repairs to the remaining floats and racks were accomplished. Additional sand was purchased to further improve the southerly side of the wharf.

More betterments are anticipated with funds requested this year for improving the launching ramp and blacktopping the parking area.

Our membership feels that measures will have to be taken in the not too distant future to alleviate the parking problems which now arise at the Landing on summer weekends.

The Committee notes that more and more residents are enjoying the waterfront facilities and hopes to make the area one of the town's finest recreational spots. Appreciation is hereby extended to all who have assisted and co-operated with us in carrying out our program.

Respectfully submitted,

BENJAMIN F. WALKER, Chairman  
DONALD C. GAULEY, Secretary  
LAWRENCE S. MORTON, Agent  
Kingston Waterfront Committee

#### REPORT OF THE TOWN ACCOUNTANT

Honorable Board of Selectmen  
Kingston, Massachusetts

Gentlemen:

In accordance with Section 61, Chapter 41 of the General Laws, I present herewith detailed statements of the receipts and expenditures of the Town for the fiscal year ended December 31, 1966.

IRMA A. RUFFINI.

### REPORT OF THE COUNCIL FOR THE AGING

The first meeting was held on April 25th at 2:00 P.M. in the Reed Community Building. The number of persons appearing was fifteen. Also present were Kingston Selectmen Harley S. Cadenhead, Roy L. McLean and Walter Haskell of Plymouth. The meeting adjourned at 2:45 P.M. The second meeting was also held at the Reed Community Building on May 9th at 2:00 P.M. At this meeting twenty-one persons were present. Also present was the Kingston Chairman of Selectmen Harley S. Cadenhead and Walter Haskell of Plymouth. The meeting lasted for about an hour and a half. At the third meeting, held on June 13th at 2:00 P.M. in the Reed Community Building only ten persons appeared. For this meeting a card table and playing cards had been purchased with funds voted at the last annual town meeting. Whist was enjoyed by those present after which refreshments were served. The meeting adjourned at 4:00 P.M.

The fourth and final meeting was held the following month at the same time and place. For this meeting appetizing refreshments had been prepared. Your chairman and his wife, Mrs. Parker, arrived early and waited at length and not one other person appeared.

Shortly after this I submitted my resignation to the Board of Selectmen as I earnestly believe I had tried every angle possible to attract the elder citizens of the town with no concrete results.

I wish to express my thanks to Mrs. Irma A. Ruslini and her office personnel and to the Board of Selectmen for the assistance which they rendered to me.

Respectfully submitted,

RAYMOND L. PARKER, Chairman

Council for the Aging

## REPORT OF THE PLAYGROUND COMMISSION

A notable increase in the use of the Reed Community Building and playground facilities was noted in 1966. There were 475 requests for use of the building compared to 370 in 1965. Of this total 413 were free rentals to town civic, church and youth groups. There were 62 paid rentals totalling \$1,066.

A Kingston Youth Center, now under the sponsorship of the Playground Commission, was organized this year and makes its headquarters in the lower hall. This group meets every Saturday night from 7:30 to 11:00 and Sunday afternoons from 3:00 to 5:00.

With the organization of this youth group and all other activities the building is now being utilized seven days a week. A great deal of the success of all these activities both in the building and on the playground is due to the fine cooperation and faithfulness of our custodian, Mr. Edward Cadwell. We wish to rublicly thank him for his untiring efforts.

The summer playground program has grown to the point where assistants to the regular supervisors were needed in 1966. With the youth activities growing each year, the Commission anticipates in the very near future the need to engage a full time Recreational Director for the Town of Kingston.

The principal maintenance projects planned for 1967 include the modernization of the shower room and extensive repairs to the steps and walk at the main entrance of the building.

The Commission meets the third Tuesday of each month at 7:30 P.M. in the Reed Community Building.

Respectfully submitted,

GEORGE A. CANDINI, JR., Chairman  
GEORGE E. COBB, Vice Chairman  
JOSEPH A. GOVONI, Secretary  
ALF C. LOOTZ  
ANTHONY F. SIRRICO

In addition to all legal holidays, schools will be closed one day in October for Teachers' Convention and on the Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio on stations WBZ, WBET, and WPLM between 6:35 and 8:00 A.M. In addition, the fire alarm signals will indicate no-school as follows:

6:30 A.M., no-school all schools, including high school.

7:00 A.M., no-school elementary only.

## REPORT OF THE SCHOOL COMMITTEE

To the Board of Selectmen  
 and Citizens of Kingston

During 1966, the Kingston Elementary School system underwent further physical expansion with the re-opening of the Maple Avenue Annex for two Grade IV classrooms. Our enrollment reached 613 youngsters assigned in twenty-two classrooms plus a Special Class. Next year it is likely we will utilize a basement classroom at the annex. After that time we are hopeful the town will have built new school facilities to accommodate further growth of our school population.

It is now a matter of law that collective bargaining shall occur between school staffs and the School Committees, that sole and exclusive bargaining agents shall represent the staffs, and that contracts governing wages, hours and conditions of employment shall be entered into where it is the will of the staff so to do. We therefore have recognized the Kingston Teachers' Association, and as a result of several bargaining sessions have agreed on a three-year contract subject to annual review in the area of wages in particular.

The State Survey Report of the Kingston schools has been received. We were happy to have been singled out by the Commissioner of Education, Dr. Owen B. Kiernan, for commendation "for recognizing the need for both short and long-range planning, the dedication of the faculty, and the keen interest in providing quality education."

Pupils now enjoy a school library, put into operation late this year. All new schools are required to have such a facility and by taking this desirable step we have brought our own system into line. A gift of books from the Kingston PTA was accepted with thanks; the co-operation of the Adams Library should likewise be acknowledged.

Tests administered again this year showed our school to be preparing youngsters as well or better, generally speaking, when compared to national and regional results. As reported in the past, we have done some modifying of the curriculum and some teacher re-orientation, as well, in an effort to get just these results. It seems to us the program is being effective.

School operating costs have for a number of years increased about five percent per year on a per-pupil basis. This has been accounted for by increased charges in the form of salaries and supplies to some extent, but we have also been able to follow the policy of applying a bit toward making it a better school. Now it has been pointed out that there is a sizeable "gap" in Massachusetts Schools between what is and what ought to be. The authority is the Willis Report, supported and now being implemented by the State Executive and Legislature branches. We can expect, we think, some greater pressures to close this "gap" in a relatively short time. We feel this will result in somewhat larger increments in per-pupil costs throughout the State.

The characteristic of a free society is that there is no privilege that is not counterbalanced by an appropriate responsibility. Education is a privilege—and it implies the responsibility of a free society's full support.

Respectfully submitted,

JOHN H. DURGIN, JR., Chairman  
EDITH COBB, Secretary  
ROBERT R. BARBIERI  
LILIAS F. CINGOLANI  
LAWRENCE WESTGATE  
Kingston School Committee

December 31, 1966

# REPORT OF THE SUPERINTENDENT OF SCHOOLS — 1966

To the School Committee and Citizens of the Town of Kingston

A year ago at this time the School Department was awaiting the report of the Massachusetts Department of Education on a survey which they conducted of our elementary and secondary schools in the fall of 1965. While I am pleased to report a commendable rating in all schools it is my intention to point out areas listed as needing special consideration.

Elementary schools — provide more library space and services; re-evaluate the role of phonics; increase remedial reading services; continue in-service program in modern mathematics; consider kindergartens and an increased instructional day.

Secondary schools — increase and expand special facilities; reduce teacher turnover; increase space and personnel in guidance, physical education, and foreign language; improve science services to non-college students; extend correlation in all subject areas 1-12.

In general our Elementary efforts should be directed toward increasing services and quality of program. In the High School everything hinges on improving present space limitations and then expanding facilities and personnel. The opinions of outside experts and consultants are refreshing and objective. As a rule their observations are not limited by local inhibitions or tradition.

Union No. 31  
The Massachusetts Superintendency Union No. 31, of which our town is a member, has continued to grow and thus required more personnel. We are engaged in constant evaluation of program and procedures. This past year all towns have adopted an extended school day, uniform starting and closing hours, and a shortened day on Wednesday during which the Union staff attends central workshops, local in-service programs and local teachers meetings.

The total elementary staff participated in a reading workshop last spring during which we had the assistance of specialists from the Boston University School of Education and Boston College. While the purpose of this study was to up-date our reading techniques and background, a further dividend was the development of the Individualized Reading Program now being used in

all schools. The modern math program is still showing excellent results and is being evaluated by the math curriculum committee. Union programs in Music, French, and Physical Education have been expanded slightly to accommodate increased classes. Our Art program is undergoing a complete revision under the direction of our new Art Director, Mr. Hugh J. Sloan, Jr. In brief the new art program involves the classroom teacher more, with in-service workshops and strong supervisory assistance.

A new and vital service has been added this year in the area of speech therapy. Mrs. Lianne S. Harris has begun the monumental task of surveying and, in so far as possible, initiating the speech therapy program in all schools. I'm sure parents of children needing this help are appreciative of this new program.

#### Summer Program

Each town participated in a Title I Summer Reading Program under the federally sponsored Elementary and Secondary Education Act. Excellent results were realized with pupils from grades three through six in small-group reading classes for six weeks. Plans have been submitted for a continuation of this program in 1967. The total cost of this project is borne by Federal funds.

Another successful summer program conducted in some towns was the summer kindergarten, or ABC program. The success of this pre-school training project prompted the supervisors to recommend its continuance and recommend it to other towns. As of this writing it is budgeted and accepted in three of the four towns. Another year should produce sufficient evidence to justify the permanent acceptance of the kindergarten philosophy with the hope of future day-school programs in all towns.

#### Correlation

This past year saw the implementation of another recommendation of the State Survey Report. This is the Continuing Curriculum Committee which has been organized in each major subject area. Composed of teachers at all levels, grades 1-12, these committees have been meeting all year and hope to complete their recommendations by the end of this academic year. It is gratifying to see the time and effort which these committees have expended toward improving our curriculum correlation.

#### Silver Lake Regional High School

For the first time the secondary school takes on a divided image, a senior high school and a junior high school. The Silver Lake Regional School District has launched the new junior high school with the start of construction in May of 1966. Completion is scheduled for September, 1967. In the meantime Silver Lake is operating with 1753 pupils in grades 7-12. This is more than 300 in excess of rated pupil capacity. Some relief was provided by the leasing of five classrooms in the Central School in Halifax.

In his report Principal Arthur P. Silvester highlights the following observations for school year 1966:

- Introduction of new math in grade 7. This is a correlated program with the elementary grades started last year.
- Extension of the core curriculum to grade 12. This completes the cycle and provides special attention for poor achievers grade 9 through 12.
- Addition of five and one-half additional teachers but noting a replacement of nineteen teachers because of resignations. A search for causes of this turnover reveals a minimal salary schedule and distance from the urban center, Boston, as two of the contributing factors. We are in a sellers market for competent teachers and we must be able to compete with our neighboring towns.
- Participation in Title I Summer Reading project for a limited number of students. This will be expanded in 1967. The evening summer school continued as in the past under the joint sponsorship of the Silver Lake School Committee and the Division of University Extension of the Massachusetts Department of Education.
- Expression of concern over the limitations placed upon high school program by the present system of bus scheduling and contract control. Mr. Silvester points out that regional control of the high school transportation would permit independent scheduling for high school and junior high school activities as well as save the towns the basic five dollar (\$5.) per pupil cost since

the regional district would be reimbursed 100% on all transportation expenses. Such a proposal was rejected by the four town meetings several years ago but in the light of the junior high expansion perhaps it should be re-examined.

The junior high preliminary organization shows evidence of unusual interest and activity on the part of the core junior high faculty and administration. The Curriculum Committees have been working since last Spring. Department specialists have assisted in the design of the various special subject spaces included in the new school. This activity was recently strengthened by the appointment of veteran administrator, Arthur T. Hand, as Principal of the new Junior High School.

**Vocational School**

Ralph H. Binns, Director of the Vocational School reports as follows for school year 1966:

— Establishment of a new cabinet making shop. This program supplements the carpentry program which has been so successful since Silver Lake opened its doors in 1955. Significantly most of the equipment required for the new shop was provided under federal assistance. P. L. 88-210.

— Expansion of the mathematics offering to vocational students by the addition of a part-time teacher.

— Continuation of the MDTA program (Manpower Development Training Act) extending the facilities of our vocational shops for the training of adults in late afternoon and evening classes.

— Introducing a Student Work-Study program this past summer to help pupils who might need financial assistance in order to be able to continue in school.

For the first time in many years Kingston was forced to return to the Maple Avenue School for classroom space this September. A survey committee reported a need for a new building committee and this was appointed at the March town meeting. Their report will be ready for the March 1967 town meeting. A target date of September 1968 is the earliest we can expect relief if the town votes to build additional space. By

this time we will have from four to six classes in excess of rated capacity.

Of interest to citizens will be the recommendation to keep our central location for future expansion. Last year's report indicated administrative support of a school in the western section of the town. Further study has changed my opinion and I now feel the interests of both pupils and taxpayers can be served by using our present central location. It is my hope that the citizens will consider favorably the new space proposal of the Elementary Building Committee.

### Conclusion

There seems to be no end to problems of providing a quality program of education. The fact that so much emphasis is placed on the importance of quality education for our community, for our nation, and for the world is reason enough to make education the most important service we can provide. A start has been made with the Sales Tax toward relieving the towns of some of the burden of spiraling costs of this education. It is my hope that next year will bring greater assistance.

In conclusion I should like to express my appreciation to all who contributed to the achievements of this past year — school committees, administrators, and teachers. Their support and counsel made the past year a most enjoyable experience.

Respectfully submitted,

FRANCIS M. MORAN

Superintendent of Schools

## SILVER LAKE REGIONAL SCHOOL DISTRICT COMMITTEE

To the Citizens of the Silver Lake Regional School District:

Continuing growth of the Silver Lake District has brought our present Junior and Senior High enrollment to 1,753 pupils as of October 1, 1966, an increase of 141 over the previous year.

Planning for next fall is based on about 160 additional pupils in September 1967.

Even our present enrollment far exceeds the capacity of our building, but we have been fortunate to be able to use the five classrooms at the Halifax Central School for the school year 1966-1967 to house some seventh grade classes.

has been appointed Principal of the new Junior High, which will house all of the seventh and eighth grade pupils, and which is scheduled to open in September, 1967. We are pleased that this building should solve, at least for a short period, our space problems which have plagued us for some time; the effect has been felt to the greatest extent in the Junior High area. This should make it possible to offer an adequate and complete Junior High educational program.

The new Junior High School voted in December, 1964 is soon to be completed at the site on Route 27 in Pembroke. Plans and specifications were rendered for bidding and the contract was awarded to the low bidder, Tocci Corporation of Newtonville, according to all reports a reliable and conscientious contractor.

Faced with widely differing opinions from the separate town Finance Committees regarding the proposed bond issue, the School Committee finally voted to issue fifteen-year bonds. The general tight money situation and rising interest rates have also proved disappointing to the Committee, as the low bid on the bond issue was at an unusually high annual rate of 4%.

Future growth and population trends in our town will have to be studied continually in order to plan ahead for future construction. Future planning should consider changes in the Senior High building, which is now twelve years old, in order to make the most efficient use of the space in the light of current educational philosophy.

Another step which must receive attention in the not too distant future should again be in the Junior High area; one consideration would be to plan another Junior High building, possibly in Halifax. At that time both Junior High buildings could house the ninth grade, as well as the seventh and eighth.

We wish to thank the administrators and staff for their time and energy expended in behalf of the large and small tasks of education. We appreciate the continuing interest and understanding of the townspeople in the District. We shall all continue to strive to make your school one of which you can be justly proud.

Respectfully submitted,

BENJAMN CONANT, Chairman

CHARLES F. BATCHELDER, III

Vice-Chairman

GEORGE W. CUSHMAN, Sec.-Treas.

# TOWN WARRANT

## COMMONWEALTH OF MASSACHUSETTS

Plymouth, ss.

Greeting:

To either of the Constables of the Town of Kingston in the County of Plymouth:

In the name of the Commonwealth you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in elections and in Town affairs to meet at the Elementary School on

SATURDAY, THE ELEVENTH DAY OF MARCH NEXT, 1967 for the following purposes:

ARTICLE 1. To choose all necessary Town officials, the following officers are to be chosen on one ballot—viz: A Moderator, a Town Clerk, a Treasurer, a Tree Warden, all for one year. One Selectman, one Assessor, one member of the Planning Board, one member of the Board of Public Welfare, one member of the School Committee, two trustees of the Frederic C. Adams Public Library, one member of the Park Commission, two members of the Playground Commission, one member of the Water Commissioners, all for three years. One member of the Planning Board for five years.

ARTICLE 2. At the close of the Election and after the announcement of the results of the election, the meeting will stand adjourned until Saturday, the eighteenth day of March, following, at 1:00 P.M. in the Reed Community Building, when such officers as are to be nominated from the floor will be chosen.

ARTICLE 3. To hear and act upon the reports of the Town Officers.

ARTICLE 4. To fix the salaries of elected officers.

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges:

ARTICLE 6. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1967 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

ARTICLE 7. To see if the Town will establish a "Local Government Committee" to be composed of five members appointed by the Board of Selectmen, for the purpose of studying all phases of local government structure, and municipal positions and duties; and, from their conclusions, recommend to the Town at the next annual meeting whether or not a Charter Commission should be formally established as outlined by the "Home Rule Amendment" of the General Laws; and to raise and appropriate the sum of \$200.00 for the expenses of the committee.

ARTICLE 8. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of installing a drainage system on Standish Avenue, a private way, for a distance of approximately 830 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws.

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to extend the water main from its present terminus on Grove Street along Lake and West Streets for a distance of 800 feet, more or less. The portion of installation under the railroad tracks to be a 14-inch main and the remainder an 8-inch main.

ARTICLE 10. To see if the Town will vote to amend Section 3, Paragraph (g) Sub-section 2 of the Zoning By-Laws so as to delete the words "so used."

ARTICLE 11. To see if the Town will vote to accept the way known as Ring Road, beginning on the southwesterly side of Wapping Road and continuing in a southwesterly direction to the Kingston-Plympton line, a distance of 6,520 feet, more or

less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation of an 8-inch main from Smith's Lane for a distance of 2,200 feet, more or less, to the Industrial Development area on Route 3.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$20.00 being the amount ordered by the Plymouth County Commissioners at a special meeting holden at Plymouth on the first day of October, 1966, to be paid from the treasury of the Town of Kingston to sundry persons on application therefor; the amounts named as awards for damage caused by the taking of land on Linden Street, under the provisions of Decree No. 1341.

ARTICLE 14. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for a complete hydraulic water study for the town of Kingston.

ARTICLE 15. To see if the Town will vote to adopt as a by-law, certain fees for Plumbing Permits as provided by Chapter 142 of the General Laws.

ARTICLE 16. To see if the Town will vote to amend the Regulations on Coastal Fisheries by adding the following:

No person shall introduce, plant or transplant shellfish in any waters or onto shellfish areas within the Town of Kingston without first obtaining a special permit therefor from the Selectmen.

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for continuing the cleaning of Jones River and restoring the stone walls, at a point near the Great Bridge on Main Street and proceeding downstream.

Said funds to include also the cleaning of the river under the bridge at Wapping Road and excavating the River north of said bridge.

ARTICLE 18. To see if the Town will vote to accept a by-law regulating disabled motor vehicles within the limits of the town as follows:

No person shall permit a disabled motor vehicle or parts thereof to remain on his property for more than three months unless permission to do so is given in writing by the Board of Selectmen after an inspection and a written report thereof by the Board of Health. The foregoing shall not apply to motor vehicles stored inside buildings where they cannot be used as breeding places for mosquitoes and other insects or as harborage for rodents.

ARTICLE 19. To see if the Town will vote to amend Article VI of the by-laws of the town which refers to the Finance Committee, by adding an additional section as follows: Section 7. No person who is an elected officer, a member of another board, or committee, or municipal employee, shall be eligible for membership.

ARTICLE 20. To see if the Town will vote to dissolve the lease between the town of Kingston and the Kingston Yacht Club, and to raise and appropriate a sum of money for the purchase of the building now owned by the Kingston Yacht Club located on town property.

ARTICLE 21. To see if the Town will vote to repeal Sections 1, 2 and 3 of Article VI of the By-Laws of the town to effect a change in the selection of members of the Finance Committee, as authorized in the General Laws, Chapter 29, Section 16, so that members of said committee shall be elected by the voters of the town at the regular town election, and re-number the various sections as required or take any action relative thereto. The proposed amendments to be as follows:

Section 1. Finance Committee: There shall be nine members constituting the Finance Committee. The members shall be elected at the annual town election. When the members are first elected three shall be elected, each for a term of three years. The incumbents shall not be affected by the aforesaid. The members shall serve without compensation.

Section 2. Vacancies: Whenever any vacancy shall occur in said committee, by resignation, removal from town, death, failing to qualify, or otherwise, said vacancy shall be filled as provided in the General Laws, Chapter 41, Section eleven.

Section 3. Term of office: The term of office shall be for three years. All terms of office shall commence on April first.

ARTICLE 22. To see if the Town will vote to amend Section 8 of the Zoning By-Laws by deleting the word "Twenty" and inserting the word "Fifty."

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any action relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a dump truck for the Highway Department, or take any action relative thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a street sweeper for the Highway Department, or take any action relative thereto.

ARTICLE 27. To see if the Town will vote to accept the way now known as Maple Avenue Extension and be known as Maple Avenue, a distance of 282 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.

ARTICLE 28. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of two

vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in one or two of the 1966 Ford cruiser-ambulances now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicles, or take any other action relative thereto.

ARTICLE 29. To see if the Town will vote to authorize the Selectmen to transfer one of the 1966 Ford cruiser-ambulances now owned by the Police Department to the Highway Department.

ARTICLE 30. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury a sum of money to be added to the account entitled "Survey of Lot 26A & Major Portion of Lot 26B, Block 13" known as new dump site.  
**Recommend favorable action with an appropriation of not more than \$1,447.**

ARTICLE 31. To see if the Town will vote to authorize the Selectmen to dispose of certain Highway equipment that is no longer needed, either by trade or public sale.

ARTICLE 32. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a front-end loader for the use of the Health Department.

ARTICLE 33. To see if the Town will vote to authorize the Board of Selectmen to purchase Lot 28, Block 4 and Lots 37, 41 and 42, Block 1, as shown on the Assessors plan on file in the Town House and said proceeds to be deposited to the Edna Maglathlin Charity Fund and raise and appropriate a sum of money for the purchase of said parcels of land, and authorize the Selectmen to take any other legal action necessary to accomplish the foregoing.

ARTICLE 34. To see if the Town will vote to accept the provisions of Chapter 401 of the Acts of 1966 which authorizes cities and towns to cover certain elected or appointed officers under the Workmen's Compensation Act.

ARTICLE 35. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

ARTICLE 36 To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled "Conservation Commission — Purchase of Land or Down Payment Therefor."

ARTICLE 37 To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Town House and Town House Annex — Renovations and Extraordinary Repairs thereto, etc.	\$30
Highways — New Dump Truck	159.57
Equipment and Furnishings for the Welfare Dept.	1.09
Playground — Fire Alarm System	184.43
Council for the Aging	85.17
Cleaning of Jones River	110.00
Zoning Study Committee — 1964	250.00
Plans for Accommodation of Town Departments	1.00
Equipment and Furnishings for Office of Town Clerk, Treasurer and Collector	2.57
Sidewalk Tractor for Highway Department	45.45
Water — Compressor and Attachments	272.22
Improvement of Town Forest	375.00
and that the following appropriation balance be returned to the Road Machinery Fund:	
Highway — Mowing Equipment	\$5.00
and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:	
Equipment and Furnishings for Office of Town Clerk, Treasurer and Collector	\$2.56
Equipment and Furnishings for Police Department	9.15
Two-Way Radio for Tree Department Truck	55.00
Tone Control Radio Alerting System for Fire Dept.	15.90
Sidewalk Tractor for Highway Department	43.92
Improvement of Town Forest	375.00

ARTICLE 38. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

ARTICLE 39. To see if the Town will vote to transfer from unappropriated available funds in the treasury, a sum of money received or to be received from the State in accordance with Chapter 679, Acts of 1965, for the permanent construction of Crescent Street and Green Street, or take any action in relation thereto.

ARTICLE 40. To see if the Town will vote to transfer for library purposes from the account entitled "State Aid for Libraries — Reserved for Appropriation" the sum of said funds having been received from the Commonwealth of Massachusetts during 1966.

ARTICLE 41 To see if the Town will vote to raise, by loan or otherwise, a sum of money for the purchase of a piece of fire equipment. Payment for said equipment to be provided by transferring the balance of \$535 remaining in the account entitled "Fire — Purchase of Fire Truck — 1954," and authorize the Selectmen to turn in the 1942 Maxim Fire Truck and apply the allowance to the purchase price of the new vehicle, and the balance required by borrowing under Clause (9), Section 7, Chapter 44 of the General Laws.

ARTICLE 42. To see if the Town will vote to accept the way running from the end of Smith's Lane to the end of the property of the town of Kingston, a distance of 7408 feet, more or less, and said way to be known as Cazale Way, plans thereof having been filed with the Town Clerk in accordance with the General Laws.

ARTICLE 43. To see if the Town will vote to accept Chapter 726, Acts of 1965 which provides that certain police chiefs who are on duty on certain holidays shall be granted an additional day's pay.

ARTICLE 44. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for installing a hot water system in the rest rooms and concession stand at Gray's Beach.

ARTICLE 45. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for enlarging the parking area at the entrance to the Town House.

ARTICLE 46. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for architectural and engineering fees to prepare plans and specifications for additional elementary school facilities on the adjoining or present Kingston Elementary School site.

ARTICLE 47. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of land to be used for educational facilities.

ARTICLE 48. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the creation of a Stabilization Fund as authorized by Chapter 40, Section 5B of the General Laws, as amended.

ARTICLE 49. To see if the Town will vote to authorize the Selectmen to grant a right-of-way to privately-owned land in Block 7, as shown on the Assessors map on file in the Town House.

ARTICLE 50. To see if the Town will vote to rescind Sections 2, 3 and 4 of Article 11 of the "Agreement for a Regional School District for the towns of Halifax, Kingston, Pembroke and Plympton" and insert the following sections:

2. Selection

Two members from each town shall be elected at the Annual Town Meeting of each town. One other member from each town shall be appointed by the School Committee of each town. No person who is an elected or appointed officer, a member of another board or committee or a municipal employee in the member towns, or is a member or employee of any regional committee or district in which any or all of the member towns participate shall be eligible for membership on the Regional School District Committee.

3. Terms of office

Elected members shall be chosen for terms of three years, except that the first members elected subsequent to the effective date of this amended section shall be elected for terms as follows:

Halifax --	one member for 3 years
	one member for 2 years
Plympton --	one member for 3 years
	one member for 2 years
Kingston --	one member for 2 years
	one member for 1 year
Pembroke --	one member for 3 years
	one member for 1 year

Appointed members shall be appointed to serve for a term of one year. All terms of office shall commence on April first

4. Vacancies

Any vacancy occurring among the elected members, other than by the normal expiration of a term, shall be filled by the Board of Selectmen of the town concerned to serve until the next Annual Town Meeting at which time an election shall be held to fill the balance of the term. Any vacancy occurring among the appointed members shall be filled by the School Committee of the town concerned to serve for the balance of the unexpired term.

ARTICLE 51. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a truck and attachments for the Water Department and authorize the Board of Water Commissioners to turn in the present 1962 Dodge truck and attachments now owned by the Water Department and apply the allowance thereof to the purchase price of the new truck.

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money for the purpose of replacing the two inch water main on Adams Avenue (Rocky Nook Point) with a main not less than six inches in diameter for a distance of 325 feet, more or less, or take any other action relative thereto.

ARTICLE 53. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of purchasing land, to lease, to make necessary restriction, to take land by eminent domain, to accept land as a gift, or take any other action that seems to be to the best interest of the Kingston Water Department as provided in the Enabling Act, Chapter 239, of the Acts of 1845 as amended, any portion or all the land that is necessary to develop a well or wells off Wapping Road.

ARTICLE 54. To see if the Town will vote to raise and appropriate a sum of money for the purpose of replacing the two inch main on Loring Avenue and the two inch main on a portion of Arrow Street with a main not less than six inches in diameter for a distance of 978 feet, more or less, and to tie in the main at River Street and Jones River Drive.

ARTICLE 55. To see if the Town will vote to replace the two-inch water main with a water main not less than six inches in diameter on the way known as Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less, to Bagnell Street, and that a sum of money be raised and appropriated or transferred from unappropriated available funds in the treasury, for the installation thereof. (By Petition)

ARTICLE 56. To see if the Town will vote to accept the following ways: A portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less to Bagnell Street, and that portion from the beginning of Cross Street to Bagnell Street to be known as Elliot Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated

available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 57. To see if the Town will vote to accept the following ways: Diamond Street starting at Center Hill Road and extending to its intersection with Chestnut Street, for a distance of 200 feet, more or less, and for the acceptance of Chestnut Street, from its intersection with Diamond Street aforesaid, for its entire length to intersection thereof with Willow Street, a distance of approximately 1000 feet, more or less, and for acceptance of Willow Street between Chestnut Street and Riverside Drive, a distance of 250 feet, more or less, all as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 58. To see if the Town will vote to amend the Zoning By-Law by amending the "Map of the Town of Kingston, Mass.," being the official zoning map of the town so as to change the following described land from a residential district. Said land is located on Keith Avenue and a certain street known as Lawrence Street, being known as Lots 6, 7, 8, 9 and 10 according to a plan recorded in Plan Book 1, Page 67, Plymouth Registry of Deeds, Assessor's Plan, Division 6, Plot A, Block 3. (By Petition)

ARTICLE 59. To see if the Town will vote to replace the present two-inch water main with a water main not less than six inches in diameter along Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 650 feet, more or less, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation thereof. (By Petition)

ARTICLE 60. To see if the Town will vote to accept a portion of the way known as Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 650 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with

the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

Article 61. To see if the Town will vote to accept the way known as Rocky Nook Avenue, a distance of 780 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 62. To see if the Town will vote to accept the way now known as Off Smith's Lane for a distance of 540 feet, more or less, and said way to be known as Anderson Avenue, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 63. To see if the Town will vote to accept the way known as Off Kennedy Road, beginning at the southerly side of Kennedy Road and continuing in a southerly direction to Braunecker Avenue, a distance of 850 feet, more or less, and to be known as Union Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

ARTICLE 64. To see if the Town of Kingston will vote to amend the Zoning By-Law and the official Zoning Map of the town of Kingston so as to change the following lots of land from a residence district to a business district, these lots being shown as Lots 23, 24, 25 and 26 on Plat I, Block 11 of the town of Kingston Assessors' Plan, said lots being the property of Hugh R. Maraghy. (By Petition)

ARTICLE 65. To see if the Town will repeal Section 1 and Section 2 of Article I of the By-Laws of the town of Kingston and insert the following sections:

Section 1. The annual town meeting shall be held on the first Monday evening in March each year for the transaction of all business of the town, other than the election of officers and the determination of such matters as by law are required to be elected or determined by ballot, and shall be held at an hour and a place determined by the Board of Selectmen; if the meeting does not complete the transaction held at an hour and a place determined by the Board of Selectmen, the meeting shall adjourn to the next and consecutive evenings until the business is concluded.

Section 2. The annual election of town officers and the determination of such matters as by law are required to be elected or determined by ballot, other than the transaction of all business of the town, shall be held on the second Saturday after the first Monday in March each year at an adjournment of the annual town meeting, and the polls shall be opened at an hour and a place to be determined by the Board of Selectmen, which is not earlier than fifteen minutes before six o'clock in the forenoon and not later than twelve o'clock noon; and shall be kept open for the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot, at least eight hours, and until such time specified in the warrant when they may be closed and until such later hour as the meeting may by vote determine, but shall in no case be kept open after eight o'clock in the evening. (By Petition)

ARTICLE 66. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

To transact any other business that may legally come before said meeting.

The polls will be opened at seven o'clock A.M. on Saturday the eleventh day of March, and may be closed at seven o'clock P.M. on Saturday the eleventh day of March, 1967.

And you are directed to serve this Warrant by posting up attested copies thereof at the main entrance to the Town House and at the Post Office in said Town, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this 24th day of January in the year of our Lord one thousand nine hundred and sixty-seven.

HARLEY S. CADENHEAD

## TOWN OF KINGSTON

### COMMONWEALTH OF MASSACHUSETTS

#### SPECIAL TOWN MEETING

Plymouth, ss.

Greeting:

To either of the Constables of the Town of Kingston in the County of Plymouth:

In the name of the Commonwealth you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in elections and in Town affairs to meet at the Elementary School on

SATURDAY, MARCH 18, 1967 at 3 o'clock P. M.

#### REED COMMUNITY BUILDING

for the following purposes, viz:

ARTICLE 2. To vote "Yes" or "No" by ballot in answer to the following question:

Shall the town accept the provision of Section Sixteen to Sixteen I, inclusive, of Chapter Seventy-One of the General Laws, providing for the establishment of a Regional School District, together with the towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke, Plymouth, Plympton and the construction, maintenance and operation of a regional school by the said district in accordance with the provision of a proposed agreement filed with the Selectmen.

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money for the initial operating and planning budget for the Regional Vocational District for the balance of the year.

And you are directed to serve this Warrant, by posting up attested copies thereof at the main entrance to the Town House and at the Post Office in said Town, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this twenty-first day of February in the year of our Lord one thousand nine hundred and sixty-seven.

HARLEY S. CADENHEAD  
ROY L. McLEAN  
KENNETH J. CRAM  
Selectmen of Kingston

## TOWN OF KINGSTON

MASSACHUSETTS

### REPORT and RECOMMENDATIONS OF THE FINANCE COMMITTEE TO THE ANNUAL TOWN MEETING

1967

Together with a copy of the Warrant Articles  
and Accompanying Recommendations

## REPORT AND RECOMMENDATIONS OF THE KINGSTON FINANCE COMMITTEE

### THE TAX RATE

The major items of increase in the budget affecting the 1967 tax levy are:

Elementary School operation	\$40,217.
Silver Lake H. S. operation	53,393.
Silver Lake H. S. construction	13,026.
1966 Water loan	28,200.
Town salary increases	26,367.
	<hr/>
	\$161,203

Our items of income are considerably less than last year. On January 1, 1966 our "free cash" in the treasury was \$163,827; on January 1, 1967 "free cash" was only \$86,665. We therefore recommend the transfer of \$25,000. for use of the Assessors to reduce the tax levy (last year we voted \$81,000.). We cannot foresee any large amounts of increased funds from the State when Cherry Sheet arrives. We therefore predict, at this writing, an estimated increase of between \$14.00 and \$17.00 per thousand on the 1967 tax rate. The voters will be required to carefully follow the recommendations of the Finance Committee in order to even hold the 1967 rate to \$80.00. We urge the voters to attend the annual meeting on March 18, 1967, to work with us on the 1967 financial program.

### THE RESERVE FUND

Last year, we recommended an appropriation of \$20,000. for the Reserve Fund. This action was successful—no special town meetings were held and we were able to assist departments to carry on throughout the year. In 1967, because of our financial situation, we recommend the use of only \$10,000. for the Reserve Fund—\$2,000. from the tax levy and \$7,000. to be transferred from Overlay Surplus. Therefore, departments will have to "live within" their budgets except for extraordinary or unforeseen expenses—the normal operation of departments must be limited to the budgets.

### SALARY INCREASES

Town departments submitted salary schedules to the Committee which indicated an increase of 17% over last year's total. In the absence of a report from the Wage and Personnel Board, the Committee spent many hours considering the increases.

An over-all review of requests for 1967 showed a pattern of wage increases substantially favoring some departments or individuals while ignoring others. In view of this and its contribution to the development of additional inequities on pay treatment for the Town employees as a whole, the Committee voted to recommend pay increases as requested for full time employees. However, the Committee did not recommend individual increases exceeding 10%.

### UNACCEPTED STREETS AND WATER

The Committee considered petitions for accepting streets and the installation of water mains totaling \$54,050. It was decided to recommend the acceptance of all the streets with residences thereon including the lay-out and rough grading at a total cost of \$17,200. Property and street lines would be established, and the street would be gravel filled and rough graded—suitable for traffic this year. The installation of permanent water mains and final road surface would have to be programmed for a later date.

### IMPROVEMENTS IN TOWN GOVERNMENT

Volumes of words pour forth over the value of a Master Plan for the town, but no action is forthcoming. Each year the Finance Committee ponders over street acceptance, waterfront problems, zoning, industry, and so on, trying to justify recommendations which should be the basic pattern of a long range municipal Master Plan. Immediate steps must be taken to implement such a plan.

The town should authorize the Board of Assessors to enter into a contract for an expert appraisal of the taxable property within the town, placing all property on its full and fair cash value.

The Committee again suggests that the Board of Selectmen establish fees for use of the public facilities at the Town Landing on River Street for out-of-town visitors. The Committee cannot recommend the improvement articles in the warrant until some revenue is forthcoming.

The Committee unanimously recommends the establishment of a Regional Vocational-Technical School District with seven neighbor towns, and, in addition, the "phasing out" of vocational education at the Silver Lake High School.

## THE EDUCATIONAL BUDGET

The cost of our educational program in the Elementary and Regional Schools is listed below. The total cost to be raised by taxation is \$551,242.

	Elementary	Silver Lake
Administration	\$9,022.00	\$43,588.00
Instruction	212,485.00	775,085.00
Other school services	44,297.00	23,568.00
Operation and maintenance	34,700.00	132,710.00
Acquisition of fixed assets	4,960.00	37,433.00
Programs with other districts	2,100.00	
Fixed charges		35,800.00
Vocational education	150.00	97,520.00

Total Operation Cost	\$307,714.00	\$1,145,704.00
Construction cost	17,868.00	162,824.00

Operation and Construction	\$325,602.00	\$1,308,528.00
Less estimated income	130,000.00	49,202.00

\$195,602.00 \$1,259,326.00

### TOTAL AMOUNT TO BE RAISED IN

KINGSTON BY TAX LEVY	\$195,602.00	\$337,640.00
Combined Totals		\$533,242.00

### BUDGET SUMMARY

The following budget summary shows the relation of expenditures in 1966 to department requests and Finance Committee recommendations for 1967. The percentages of the total are those of Committee recommendations.

	% of Total	Expended 1966	Requested 1967	Recommended 1967
General Government	5.0	62,334	68,639	67,092
Protection of Persons and Property	13.0	154,576	183,795	176,111
Health and Sanitation	1.5	20,027	23,988	21,233
Highways	9.3	107,050	132,457	127,364
Public Assistance	7.0	99,908	95,500	95,500
Veterans Services	2.6	26,363	36,448	36,351
Schools and Library	49.0	555,200	664,335	664,236

— 5 —

Recreation	1.5	15,994	21,299	19,362
Unclassified	2.4	29,506	37,892	22,492
Pensions	1.4	17,173	19,228	19,228
Water	3.5	43,456	48,755	47,451
Maturing debt and interest	3.8	22,486	50,211	50,211

Totals	100.0	1,154,093	1,302,547	1,346,631
--------	-------	-----------	-----------	-----------

The amounts requested in the budget by departments together with requested and petitioned articles in the warrant total \$1,497,886. The Committee recommends budget and warrant articles for 1967 totaling \$1,419,900. Each \$12,500, which the town may wish to appropriate IN ADDITION TO those recommended by the Finance Committee will increase the tax rate by an additional dollar.

### RESERVE FUND TRANSFERS

During the fiscal year 1966, the following amounts were transferred from the Reserve Fund to the accounts listed below:

Fire Department — Wages	\$2,000.00
Fire Department — Expenses	1,100.00
Police Department — Salaries and Wages	1,360.00
Highways — Salaries	160.00
Highways — Expenses	200.00
Snow Removal — Wages	465.74
Town House Maintenance	1,480.00
Town Clerk — Expenses	36.50
Interest in anticipation of revenue	429.22
Health — Salaries and Wages	110.00
Assessors — Salaries and Wages	125.00
Building, Wiring and Plumbing Codes	510.00
Library — Salaries and Wages	800.00
Selectmen — Expenses	3,365.30
Trimming Shade Tree — Expenses	250.00
Water — Additional Wells	1,944.66
Street Lighting	160.00
Accountant — Expenses	595.00
Veterans' Benefits	2,500.00
Civil Defense — Uniforms	43.40
Water Department — Salaries and Wages	32.34
Vocational Education	175.00

\$17,842.16

## COMMITTEE ACTIVITY

The Finance Committee organized last May for the year, newly appointed members included Miss Mae Emond, Mrs. Barbara Riddell and Mr. Frank Luongo. For the first time in the history of the Town we have been privileged to serve with two women. Their financial background has contributed to the work of the Committee, and they are to be congratulated for their contribution to meeting discussions. Mr. Luongo, well versed in local and County affairs, has been a valuable member. The Committee held monthly meetings from May until November, and, during the months of December, January and February, 21 meetings have been held for work on the budget and warrant of the annual Town Meeting.

The policy of the sub-committee activity has continued with success.

The Committee is a member of the Plymouth County Finance Committee Association and the Association of Town Finance Committees of Massachusetts.

In a critique of Town Reports for 1966, the Association of Town Finance Committees of Massachusetts awarded the Kingston Finance Committee an "Evaluation: Excellent" for its Report to the Town of Kingston, 1966, Particular commendation was given to the construction of the budget and for recommending improvements for Town government.

We again thank all who have cooperated with us in preparing recommendations for the forthcoming Town Meeting. Our meetings are open, with the exception of a few executive sessions, to all citizens of the town and the press, and you are most welcome to attend.

Respectfully submitted,

### KINGSTON FINANCE COMMITTEE

	Term expires
ERNEST H. COTE, Chairman	1967
ROSCOE A. COLE, JR., Clerk	1968
SAMUEL B. BABBITT, JR., Vice Chairman	1968
GERALD S. BARCLAY	1968
Miss MAE EMOND	1969
LOUIS V. LAPINSKI	1967
FRANK A. LUONGO	1969
GOBIN J. STAIR	1967
Mrs. BARBARA RIDDELL	1969

## KINGSTON TOWN WARRANT

With the Recommendations of the Finance Committee

March 18, 1967

ARTICLE 3. To hear and act upon the reports of the Town Officers  
Recommend favorable action.

ARTICLE 4. To fix the salaries of elected officers.

Chairman, Board of Public Welfare	500.00
Other members Board of Public Welfare, each	175.00
Chairman and Clerk, Board of Assessors	1,836.00
Other members Board of Assessors, each	520.00
Chairman, Water Commissioners	150.00
Other Water Commissioners, each	125.00
Tree Warden	2,000.00

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

Recommend that Budget Items 1-112 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled and discussed separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote; and that salary increases for full-time employees as recommended in various budget items be retroactive to January 1, 1967.

Recommend that the salaries of the several elected officers of the Town be retroactive to January 1, 1967 and be fixed as follows.

Moderator	\$25.00
Treasurer	1,612.00
Collector	3,484.00
Town Clerk	832.00
Chairman, Board of Selectmen	500.00
Other members Board of Selectmen, each	175.00
Chairman, Board of Health	500.00
Other members Board of Health, each	175.00

ARTICLE 6. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1967 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

**Recommend favorable action.**

ARTICLE 7. To see if the Town will establish a "Local Government Committee" to be composed of five members appointed by the Board of Selectmen, for the purpose of studying all phases of local government structure, and municipal positions and duties; and, from their conclusions, recommend to the Town at the next annual meeting whether or not a Charter Commission should be formally established as outlined by the "Home Rule Amendment" of the General Laws; and to raise and appropriate the sum of \$200.00 for the expenses of the committee.

**Recommend favorable action with an appropriation of \$100.**

ARTICLE 8. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of installing a drainage system on Standish Avenue, a private way, for a distance of approximately 330 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws.

**Recommend favorable action with an appropriation of not more than \$700.**

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to extend the water main from its present terminus on Grove Street along Lake and West Streets for a distance of 800 feet, more or less. The portion of installation under the railroad tracks to be a 14-inch main and the remainder an 8-inch main.

**Recommend no action (\$7,000. was requested)**

ARTICLE 10. To see if the Town will vote to amend Section 3, Paragraph (g) Sub-section 2 of the Zoning By-Laws so as to delete the words "so used."

**Recommend favorable action.**

ARTICLE 11. To see if the Town will vote to accept the way known as Ring Road, beginning on the southwesterly side of Wapping Road and continuing in a southwesterly direction to the Kingston-Plympton line, a distance of 6,520 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.

**Recommend favorable action without an appropriation or transfer of money.**

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation of an 8-inch main from Smith's Lane for a distance of 2,200 feet, more or less, to the Industrial Development area on Route 3.

**Recommend favorable action, not to exceed \$11,000.**

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$20.00 being the amount ordered by the Plymouth County Commissioners at a special meeting holden at Plymouth on the first day of October, 1966, to be paid from the treasury of the Town of Kingston to sundry persons on application therefor; the amounts named as awards for damage caused by the taking of land on Linden Street, under the provisions of Deette No. 1341.

**Recommend favorable action with an appropriation of \$20.**

ARTICLE 14. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for a complete hydraulic water study for the town of Kingston.

**Recommend no action (\$7,000. was requested)**

ARTICLE 15. To see if the Town will vote to adopt as a by-law, certain fees for Plumbing Permits as provided by Chapter 142 of the General Laws.

**Recommendation will be made following more complete information.**

ARTICLE 16. To see if the Town will vote to amend the Regulations on Coastal Fisheries by adding the following:

No person shall introduce, plant or transplant shellfish in any waters or onto shellfish areas within the Town of Kingston

without first obtaining a special permit therefor from the Selectmen.

**Recommend favorable action.**

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for continuing the cleaning of Jones River and restoring the stone walls, at a point near the Great Bridge on Main Street and proceeding downstream. Said funds to include also the cleaning of the river under the bridge at Wapping Road and excavating the River north of said bridge.

**Recommend favorable action with an appropriation of not more than \$2,500.**

ARTICLE 18. To see if the Town will vote to accept a by-law regulating disabled motor vehicles within the limits of the town as follows:

No person shall permit a disabled motor vehicle or parts thereof to remain on his property for more than three months unless permission to do so is given in writing by the Board of Selectmen after an inspection and a written report thereof by the Board of Health. The foregoing shall not apply to motor vehicles stored inside buildings where they cannot be used as breeding places for mosquitoes and other insects or as harborage for rodents.

**Recommend favorable action.**

ARTICLE 19. To see if the Town will vote to amend Article VI of the by-laws of the town which refers to the Finance Committee, by adding an additional section as follows: Section 7: No person who is an elected officer, a member of another board, or committee, or municipal employee, shall be eligible for membership.

**Recommend no action.**

ARTICLE 20. To see if the Town will vote to dissolve the lease between the town of Kingston and the Kingston Yacht Club, and to raise and appropriate a sum of money for the purchase of the building now owned by the Kingston Yacht Club located on town property.

**Recommend no action. (\$1,200. was requested)**

ARTICLE 21. To see if the Town will vote to repeal Sections 1, 2 and 3 of Article VI of the By-Laws of the town to

effect a change in the selection of members of the Finance Committee, as authorized in the General Laws, Chapter 39, Section 16, so that members of said committee shall be elected by the voters of the town at the regular town election, and re-number the various sections as required or take any action relative thereto. The proposed amendments to be as follows:

Section 1. Finance Committee: There shall be nine members constituting the Finance Committee. The members shall be elected at the annual town election. When the members are first elected three shall be elected, each for a term of three years. The incumbents shall not be affected by the aforesaid. The members shall serve without compensation.

Section 2. Vacancies: Whenever any vacancy shall occur in said committee, by resignation, removal from town, death, failing to qualify, or otherwise, said vacancy shall be filled as provided in the General Laws, Chapter 41, Section eleven.

Section 3. Term of office: The term of office shall be for three years. All terms of office shall commence on April first. **Recommend no action.**

ARTICLE 22. To see if the Town will vote to amend Section 8 of the Zoning By-Laws by deleting the word "Twenty" and inserting the word "Fifty." **Recommend favorable action.**

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any action relative thereto.

**Recommend that the sum of \$5,000. be raised and appropriated to meet the town's share of the cost and that in addition the sum of \$1,500. be transferred from unappropriated available funds in the treasury to meet the State's and County's share.**

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

**Recommend that the sum of \$1,000. be raised and appropriated to meet the Town's share of the cost and that in addition the sum of \$2,000. be transferred from unappropriated available funds in the treasury to meet the State's and County's share.**

ARTICLE 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds

in the treasury, a sum of money for the purchase of a dump truck for the Highway Department, or take any action relative thereto.

Recommend favorable action with an appropriation of not more than \$6,500.

ARTICLE 26. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a street sweeper for the Highway Department, or take any action relative thereto.

Recommend no action.

ARTICLE 27. To see if the Town will vote to accept the way now known as Maple Avenue Extension and be known as Maple Avenue, a distance of 282 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.

Recommend favorable action without an appropriation or transfer of money.

ARTICLE 28. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in one or two of the 1966 Ford cruiser-ambulances now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicles, or take any other action relative thereto.

Recommend trading in one cruiser-ambulance toward the purchase of two new ones and the appropriation of not more than \$1,706.

ARTICLE 29. To see if the Town will vote to authorize the Selectmen to transfer one of the 1966 Ford cruiser-ambulances now owned by the Police Department to the Highway Department.

Recommend favorable action.

ARTICLE 30. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury a sum of money to be added to the account

entitled "Survey of Lot 26A & Major Portion of Lot 26B, Block 13" known as new dump site.

Recommend favorable action with an appropriation of not more than \$1,117.

ARTICLE 31. To see if the Town will vote to authorize the Selectmen to dispose of certain Highway equipment that is no longer needed, either by trade or public sale.

Recommend favorable action.

ARTICLE 32. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a front-end loader for the use of the Health Department.

Recommend favorable action with an appropriation of not more than \$2,500.

ARTICLE 33. To see if the Town will vote to authorize the Board of Selectmen to purchase Lot 28, Block 4 and Lots 37, 41 and 42, Block 1, as shown on the Assessors plan on file in the Town House and said proceeds to be deposited to the Edna Magdalen Charity Fund and raise and appropriate a sum of money for the purchase of said parcels of land, and authorize the Selectmen to take any other legal action necessary to accomplish the foregoing.

Recommendation will be made following more complete information.

ARTICLE 34. To see if the Town will vote to accept the provisions of Chapter 401 of the Acts of 1966 which authorizes cities and towns to cover certain elected or appointed officers under the Workmen's Compensation Act.

Recommend referral to the Wage and Personnel Board.

ARTICLE 35. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

Recommend favorable action.

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled "Conservation Commission — Purchase of Land or Down Payment Therefor."

Recommend favorable action with an appropriation of \$2,000.

ARTICLE 37 To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Town House and Town House Annex — Renovations and Extraordinary Repairs thereto, etc	\$30
Highways — New Dump Truck	150.55
Equipment and Furnishings for the Welfare Dept	1.00
Playground — Fire Alarm System	184.43
Council for the Aging	85.17
Cleaning of Jones River	110.00
Zoning Study Committee — 1954	250.00
Plans for Accommodation of Town Departments	1.00
Equipment and Furnishings for Office of Town Clerk, Treasurer and Collector	2.57
Sidewalk Tractor for Highway Department	45.45
Water — Compressor and Attachments	242.22
Improvement of Town Forest	375.00

and that the following appropriation balance be returned to the Road Machinery Fund:

Highway — Mowing Equipment	\$5.00
----------------------------	--------

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Equipment and Furnishings for Office of Town Clerk, Treasurer and Collector	\$2.56
Equipment and Furnishings for Police Department	9.15
Two-Way Radio for Tree Department Truck	55.00
Tone Control Radio Alerting System for Fire Dept.	15.90
Sidewalk Tractor for Highway Department	43.92
Improvement of Town Forest	375.00

**Recommend favorable action.**

ARTICLE 38 To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

**Recommend the appropriation of \$6,125. from the Fund Income.**

ARTICLE 39. To see if the Town will vote to transfer from unappropriated available funds in the treasury, a sum of money received or to be received from the State in accordance with Chapter 679, Acts of 1965, for the permanent construction of Crescent Street and Green Street, or take any action in relation thereto.

**Recommend favorable action.**

ARTICLE 40. To see if the Town will vote to transfer for library purposes from the account entitled "State Aid for Libraries — Reserved for Appropriation" the sum of said funds having been received from the Commonwealth of Massachusetts during 1956.

**Recommend the transfer of \$1,975.53 from the account mentioned.**

ARTICLE 41 To see if the Town will vote to raise, by loan or otherwise, a sum of money for the purchase of a piece of fire equipment. Payment for said equipment to be provided by transferring the balance of \$5.35 remaining in the account entitled "Fire — Purchase of Fire Truck — 1954," and authorize the Selectmen to turn in the 1942 Maxim Fire Truck and pay the allowance to the purchase price of the new vehicle, and the balance required by borrowing under Clause (9), Section 7, Chapter 44 of the General Laws.

**Recommend approval by transferring \$5.35 from the account "Fire — Purchase of Fire Truck — 1954," by raising and appropriating \$2,000. from the Tax Levy, and by borrowing the sum of \$10,000. for a period of five years.**

ARTICLE 42. To see if the Town will vote to accept the way running from the end of Smith's Lane to the end of the property of the town of Kingston, a distance of 7408 feet, more or less, and said way to be known as Cazale Way, plans thereof having been filed with the Town Clerk in accordance with the General Laws.

**Recommend favorable action.**

ARTICLE 43. To see if the Town will vote to accept Chapter 706, Acts of 1965 which provides that certain police chiefs who are on duty on certain holidays shall be granted an additional day's pay.

**Recommend no action.**

ARTICLE 44. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for installing a hot water system in the rest rooms and concession stand at Gray's Beach.

**Recommend favorable action with an appropriation of \$600.**

ARTICLE 45. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for enlarging the parking area at the entrance to the Town House.

**Recommend favorable action with an appropriation of \$300.**

ARTICLE 46. To see if the Town will vote to raise and

appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for architectural and engineering fees to prepare plans and specifications for additional elementary school facilities on the adjoining or present Kingston Elementary School site.

**Recommend favorable action. Comment to be made at Town Meeting.**

ARTICLE 47. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of land to be used for educational facilities.

**Recommendation will be made following more complete information.**

ARTICLE 48. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the creation of a Stabilization Fund as authorized by Chapter 40, Section 5B of the General Laws, as amended.

**Recommend no action this year.**

ARTICLE 49. To see if the Town will vote to authorize the Selectmen to grant a right-of-way to privately-owned land in Block 7, as shown on the Assessors map on file in the Town House.

**Recommendation will be made following more complete information**

ARTICLE 50. To see if the Town will vote to rescind Sections 2, 3 and 4 of Article 11 of the "Agreement for a Regional School District for the towns of Halifax, Kingston, Pembroke and Plympton" and insert the following sections:

2. Selection

Two members from each town shall be elected at the Annual Town Meeting of each town. One other member from each town shall be appointed by the School Committee of each town. No person who is an elected or appointed officer, a member of another board or committee or a municipal employee in the member towns, or is a member or employee of any regional committee or district in which any or all of the member towns participate shall be eligible for membership on the Regional School District Committee.

3. Terms of office

Elected members shall be chosen for terms of three years, except that the first members elected subsequent to the effective date of this amended section shall be elected for terms as follows:

Halifax —	one member for 3 years
	one member for 2 years
Plympton —	one member for 3 years
	one member for 2 years
Kingston —	one member for 2 years
	one member for 1 year
Pembroke —	one member for 3 years
	one member for 1 year

Appointed members shall be appointed to serve for a term of one year. All terms of office shall commence on April first.

4. Vacancies

Any vacancy occurring among the elected members, other than by the normal expiration of a term, shall be filled by the Board of Selectmen of the town concerned to serve until the next Annual Town Meeting at which time an election shall be held to fill the balance of the term. Any vacancy occurring among the appointed members shall be filled by the School Committee of the town concerned to serve for the balance of the unexpired term.

**Recommend no action.**

ARTICLE 51. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a truck and attachments for the Water Department and authorize the Board of Water Commissioners to turn in the present 1962 Dodge truck and attachments now owned by the Water Department and apply the allowance thereof to the purchase price of the new truck.

**Recommend favorable action with an appropriation not to exceed \$2,800.**

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money for the purpose of replacing the two inch water main on Adams Avenue (Rocky Nook Point) with a main not less than six inches in diameter for a distance of 325 feet, more or less, or take any other action relative thereto.

**Recommend no action. (\$4,000 was requested.)**

ARTICLE 53. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of purchasing land, to lease, to make necessary restriction, to take land by eminent domain, to accept land as a gift, or take any other action that deems to be to the best interest of the Kingston Water Department as provided in the Enabling Act, Chapter 239, of the Acts of 1885 as amended, any portion or all the land that is necessary to develop a well or wells off Wapping Road. Recommend favorable action with an appropriation not to exceed \$5,000.

ARTICLE 54. To see if the Town will vote to raise and appropriate a sum of money for the purpose of replacing the two inch main on Loring Avenue and the two inch main on a portion of Arrow Street with a main not less than six inches in diameter for a distance of 973 feet, more or less, and to tie in the main at River Street and Jones River Drive. Recommend favorable action with an appropriation not to exceed \$5,000.

ARTICLE 55. To see if the Town will vote to replace the two-inch water main with a water main not less than six inches in diameter on the way known as Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, to Cedar Street and running in an easterly direction for a distance of 300 feet, more or less, to Bagnell Street, and that a sum of money be raised and appropriated or transferred from unappropriated available funds in the treasury, for the installation thereof. (By Petition)  
Recommend no action.

ARTICLE 56. To see if the Town will vote to accept the following ways: A portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 300 feet, more or less to Bagnell Street, and that portion from the beginning of Cross Street to Bagnell Street to be known as Elliot

Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)  
Recommend favorable action with an appropriation not to exceed \$3,000.

ARTICLE 57. To see if the Town will vote to accept the following ways: Diamond Street starting at Center Hill Road and extending to its intersection with Chestnut Street, for a distance of 200 feet, more or less, and for the acceptance of Chestnut Street, from its intersection with Diamond Street and extending for its entire length to intersection thereof with Willow Street, a distance of approximately 1000 feet, more or less and for acceptance of Willow Street between Chestnut Street and Riverside Drive, a distance of 250 feet, more or less, all as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)  
Recommend favorable action with an appropriation not to exceed \$3,000.

ARTICLE 58. To see if the Town will vote to amend the Zoning By-Law by amending the "Map of the Town of Kingston, Mass.," being the official zoning map of the town so as to change the following described land from a residential district. Said land is located on Keith Avenue and a certain street known as Lawn-nee Street, being known as Lots 6, 7, 8, 9 and 10 according to a plan recorded in Plan Book 1, Page 67, Plymouth Registry of Deeds, Assessor's Plan, Division 6, Plot A, Block 3. (By Petition)  
Recommendation will be made following the report of the Planning Board.

ARTICLE 59. To see if the Town will vote to replace the present two-inch water main with a water main not less than six inches in diameter along Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 650 feet, more or less, and raise and appropriate, or transfer from unappropriated available

funds in the treasury, a sum of money for the installation thereof. (By Petition)

**Recommend no action.**

ARTICLE 60. To see if the Town will vote to accept a portion of the way known as Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 650 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

**Recommend favorable action with an appropriation not to exceed \$1,500.**

Article 61. To see if the Town will vote to accept the way known as Rocky Nook Avenue, a distance of 780 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

**Recommend favorable action without an appropriation or transfer of money.**

ARTICLE 62. To see if the Town will vote to accept the way now known as Off Smith's Lane for a distance of 540 feet, more or less, and said way to be known as Anderson Avenue, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

**Recommend favorable action with an appropriation not to exceed \$2,000.**

ARTICLE 63. To see if the Town will vote to accept the way known as Off Kennedy Road, beginning at the southerly side of Kennedy Road and continuing in a southerly direction to Braunecker Avenue, a distance of 850 feet, more or less, and to be known as Union Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer

from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles. (By Petition)

**Recommend no action (\$1,100. was requested)**

ARTICLE 64. To see if the Town of Kingston will vote to amend the Zoning By-Law and the official Zoning Map of the town of Kingston so as to change the following lots of land from a residence district to a business district, these lots being shown as Lots 23, 24, 25 and 26 on Plat 1, Block 11 of the town of Kingston Assessors' Plan, said lots being the property of Hugh R. Maraghy. (By Petition)

**Recommendation will be made following the report of the Planning Board.**

ARTICLE 65. To see if the Town will repeal Section 1 and Section 2 of Article 1 of the By-Laws of the town of Kingston and insert the following sections:

Section 1. The annual town meeting shall be held on the first Monday evening in March each year for the transaction of all business of the town, other than the election of officers and the determination of such matters as by law are required to be elected or determined by ballot, and shall be held at an hour and a place determined by the Board of Selectmen; if the meeting does not complete the transaction held at an hour and a place determined by the Board of Selectmen, the meeting shall adjourn to the next and consecutive evenings until the business is concluded.

Section 2. The annual election of town officers and the determination of such matters as by law are required to be elected or determined by ballot, other than the transaction of all business of the town, shall be held on the second Saturday after the first Monday in March each year at an adjournment of the annual town meeting, and the polls shall be opened at an hour and a place to be determined by the Board of Selectmen, which is not earlier than fifteen minutes before six o'clock in the forenoon and not later than twelve o'clock noon; and shall be kept open for the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot, at least eight hours, and until such time specified in the warrant when they may be closed and until

such later hour as the meeting may by vote determine, but shall in no case be kept open after eight o'clock in the evening. (By Petition)

**Recommend favorable action.**

ARTICLE 66. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

**Recommend the transfer of \$25,000.**

## **SPECIAL TOWN MEETING**

ARTICLE 2. To vote "Yes" or "No" by ballot in answer to the following question:

Shall the town accept the provision of Section Sixteen to Sixteen I, inclusive, of Chapter Seventy-One of the General Laws, providing for the establishment of a Regional School District, together with the towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke, Plymouth, Plympton and the construction, maintenance and operation of a regional school by the said district in accordance with the provision of a proposed agreement filed with the Selectmen.

**Recommend favorable action.**

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money for the initial operating and planning budget for the Regional Vocational District for the balance of the year.

**Recommend an appropriation of \$1,965.**
