

ANNUAL REPORT
1967

COVER

Designed 1950
Helen D. Foster

Authorized by vote of the town on March 18, 1950,
and approved by the Board of Selectmen on August 8,
1950.

*John J. Moore
Pres. W. Bailey
Clerk H. Sgarzi*

In Memoriam

MARION L. LENARI

Born: February 22, 1897
Plymouth, Mass.

Died: January 7, 1967
Plymouth, Mass.

Mrs. Lenari first served Kingston as a substitute Librarian at the Frederic C. Adams Public Library from December 1, 1949 to June 1, 1950 at which time she was appointed permanent Librarian and served in that capacity until her death. Her devotion and cheerful personality combined with her ever willing manner to grant assistance to young and old who used the facilities of the Library was ever present. Her passing has caused our community the loss of one of its most loyal and dedicated servants.

FRANCIS L. WHITE

Born: March 26, 1887
Weston, Mass.

Died: August 3, 1967
Plymouth, Mass.

In March of 1957 the Selectmen appointed Mr. White to the Fish Committee. The following year this committee elected Frank as Chairman, a position he held continuously thereafter. He was extremely interested in the work of this committee and through his knowledge and associates was instrumental in seeing that our town benefited materially. His gracious and kindly manner reached out to all who came in contact with him. He was a most sincere and devoted friend to the community he loved so well.

ROBERT H. RIEDEL, SR.

Born: October 13, 1896
Kingston, Mass.

Died: December 25, 1967
Plymouth, Mass.

A life-long resident of the town. Henry, a World War I veteran, became the town's first Plumbing Inspector in March 1966, at which time he was also appointed Alternate Gas Inspector. He ably held these positions continuously up to the time of his death. A conscientious and devoted employee, he was always willing to offer his assistance whenever it was needed. His cheerful manner will be missed by all.

ANNUAL TOWN MEETING

March 1967

March 18, 1967

The adjourned meeting was called to order at 1:07 P.M. by the Moderator, Horace C. Weston. By unanimous approval of the meeting, the warrant was not read.

The Moderator appointed the following persons as tellers and administered the oath of office to them:

Earle M. Zahn

Arthur T. Hand

Stanley J. Kuzborski

Joseph L. Robinson

Article 2. The following officers were chosen:

Measurers of Wood and Bark — Robert L. Davison and Robert L. Goad. (Nominations made by Roy L. McLean.)

Director of Plymouth County Extension Service — George E. Fraser. (Nomination made by Roy L. McLean.)

Article 3. Roy L. McLean moved: That the reports of the town officers as printed in the 1966 town report be accepted.

June Ballinger moved to amend: That it is the consensus of this meeting that the report of the Industrial Development Commission be accepted by special recognition for their excellent performance of service to the Town of Kingston. The amendment voted unanimously.

Then a vote was taken on the motion as amended and it was Voted: That the reports of the town officers as printed in the 1966 town report be accepted and it is the consensus of this meeting that the report of the Industrial Development Commission be accepted by special recognition for their excellent performance of service to the Town of Kingston.

Article 4. On the motion of Ernest H. Cote Voted: That the salaries of the several elected officers of the town be

retroactive to January 1, 1967 and be fixed as follows:

Moderator	\$25.00
Treasurer	1,612.00
Collector	3,484.00
Town Clerk	\$32.00
Chairman, Board of Selectmen	500.00
Other members Board of Selectmen, each	175.00
Chairman, Board of Health	500.00
Other members Board of Health, each	175.00
Chairman, Board of Public Welfare	500.00
Other members Board of Public Welfare, each	175.00
Chairman and Clerk, Board of Assessors	4,836.00
Other members Board of Assessors, each	520.00
Chairman, Water Commissioners	150.00
Other Water Commissioners, each	125.00
Tree Warden	2,000.00

Before a motion was made under Article 5, Roy L. McLean, Chairman of the Board of Selectmen gave a resume of town projects and Ernest H. Cote, Chairman of the Finance Committee spoke on the financial aspect of the town — tax rate for 1967, changes that have been recommended in the budget, the recommendations made in their report and other pertinent matters. Mr. Cote also read a memorandum from the Department of Corporations and Taxation in reference to the Cherry Sheet. He also spoke briefly on the sales tax.

Article 5. On the motion of Ernest H. Cote Voted: That budget items 1-111 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled and discussed separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote; and that salary increases for full-time employees as recommended in various budget items be retroactive to January 1, 1967.

The following items were tabled and discussed separately:

Items	Departments
19	Industrial Development Commission: Expenses
20	Finance Committee: Clerical Wages
21	Finance Committee: Expenses
26	Police: Salaries and Wages

Article 6. On the motion of George W. Cushman, Voted: That the Treasurer with the approval of the Selectmen be authorized to borrow money from time to time in anticipa-

tion of the revenue for the financial year beginning January 1, 1967 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17.

Article 7. On the motion of Ernest H. Cote Voted: That the town establish a Local Government Committee composed of five members all to be appointed by the Board of Selectmen, for the purpose of studying all phases of local government structure, and municipal positions and duties; and said committee to recommend to the town at the next annual meeting whether or not a Charter Commission should be formally established as outlined by the "Home Rule Amendment" of the General Laws; and that the sum of \$100.00 be raised and appropriated for expenses of the committee.

Article 8. On the motion of Roy L. McLean Voted: That the sum of \$700.00 be raised and appropriated for the purpose of installing a drainage system on Standish Avenue, a private way, a distance of approximately 830 feet, more or less as laid out by the Selectmen, a plan thereof having been filed in the office of the Town Clerk in accordance with the General Laws.

Article 9. Roger L. Lane Moved: That the sum of \$7,000.00 be raised and appropriated for the purpose of extending the water main from its present terminus on Grove Street along Lake and West Streets for a distance of 800 feet, more or less. The portion of installation under the railroad tracks to be a 14-inch main and the remainder an 8-inch diameter.

Harley S. Cadenhead moved an amendment. That the sum of \$6,700.00 be raised and appropriated for the purpose of installing 200 feet of 14-inch main from the present terminus on Grove Street under the railroad tracks.

AMENDMENT WAS DEFEATED

A motion was taken on the original motion and that motion was also defeated.

Article 10. To see if the town will vote to amend Section 3, Paragraph (g) Sub-section 2 of the Zoning By-Laws so as to delete the words "so used."

NO MOTION WAS MADE UNDER ARTICLE 10

Article 11. Kenneth J. Cram Moved: That the town vote to accept the way known as Ring Road, beginning on the southwesterly side of Wapping Road and continuing in a southwesterly direction to the Kingston-Plympton line, a distance of 6,520 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws.

A discussion followed regarding the legalities of this motion without an appropriation.

Mr. Cronin moved and it was voted to lay this article on the table until later in the meeting.

Following the ironing out of technicalities, on the motion of Mr. Cronin, voted to withdraw the motion to lay on the table.

Ernest H. Cote moved an amendment to Article 11 by adding the words "and raise and appropriate \$100.00 therefor."

AMENDMENT WAS CARRIED

A vote was taken on the original motion as amended and it was Voted: That the town vote to accept the way known as Ring Road, beginning on the southwesterly side of Wapping Road and continuing in a southwesterly direction to the Kingston-Plympton line, a distance of 6,520 feet, more or less, subject to receipt of releases from all property owners as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws and raise and appropriate \$100.00 therefor.

Vote Yes — 156 No — 13

This does meet the required $\frac{2}{3}$'s vote.

SPECIAL TOWN MEETING

The special town meeting scheduled for 3:00 o'clock was called to order by the Moderator at 3:09 P.M. By unanimous consent the warrant was not read.

Article 1. To hear the report of the Vocational Regional School District Planning Committee.

Article 2. To vote "Yes" or "No" by ballot in answer to the following question:

Shall the town accept the provision of Section 16 to 16-I, inclusive, of Chapter 71 of the General Laws, providing for the establishment of a Regional School District, together with the towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke, Plymouth, Plympton and the construction, maintenance and operation of a regional school by the said district in accordance with the provision of a proposed agreement filed with the Selectmen.

Article 3. To see if the town will vote to raise and appropriate a sum of money for the initial operating and planning budget for the Regional Vocational District for the balance of the year.

On the motion of Ernest H. Cote Voted: That the three articles in the warrant for the special town meeting be postponed indefinitely.

Meeting adjourned at 3:10 P.M.

GEORGE W. CUSHMAN,
Town Clerk

3:10 P.M. On the motion of Roy L. McLean voted a ten-minute recess.

The meeting again called to order at 3:23 P.M. by the Moderator.

Mr. Weston informed the voters that the press was finding it difficult to hear from the side room and requested permission to enter the meeting. There being no objection, permission was granted.

Article 12. On the motion of Norman E. Thomas Voted: that the sum of \$11,000.00 be raised and appropriated for the installation of an 8-inch main from Smith's Lane to the Industrial Development area on Route 3, a distance of 2,200 feet more or less.

Article 13. On the motion of Roscoe A. Cole, Jr. Voted: That the sum of \$20.00 be raised and appropriated, being the amount ordered by the Plymouth County Commissioners at a special meeting holden at Plymouth on the first day of October, 1966, to be paid to sundry persons on application therefor; the amounts named as awards for damage caused by the taking of land on Linden Street, under the provisions of Decree No. 1341.

Article 14. Roy L. McLean Moved: That the sum of \$7,000.00 be raised and appropriated for the purpose of conducting a complete hydraulic water study for the town, said study to be under the jurisdiction of the Board of Selectmen.

John R. Hamilton, Jr. moved an amendment that "said study be under the jurisdiction of the Board of Water Commissioners instead of the Board of Selectmen."

AMENDMENT WAS CARRIED

Then a vote was taken on the motion as amended AND IT WAS DEFEATED.

Article 15. To see if the town will vote to adopt as a

by-law, certain fees for Plumbing Permits as provided by Chapter 142 of the General Laws.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 16. On the motion of Roscoe A. Cole, Jr. Voted: To amend the regulations on Coastal Fisheries by adding the following regulations: Regulation 9A: No person shall introduce, plant or transplant shellfish in any waters or onto shellfish areas within the Town of Kingston without first obtaining a special permit therefor from the Selectmen.

Article 17. On the motion of Roy L. McLean Voted: That the sum of \$2,500.00 be raised and appropriated for the purpose of continuing the cleaning of the Jones River and restoring the stonewall beginning at a point near the great bridge on Main Street and proceeding downstream: said funds to include the cleaning of the river under the bridge at Wapping Road and for excavation of the river north of said bridge.

Article 18. To see if the town will vote to accept a by-law regulating disabled motor vehicles within the limits of the town as follows:

No person shall permit a disabled motor vehicle or parts thereof to remain on his property for more than three months unless permission to do so is given in writing by the Board of Selectmen after an inspection and a written report thereof by the Board of Health. The foregoing shall not apply to motor vehicles stored inside buildings where they cannot be used as breeding places for mosquitoes and other insects or as harborage for rodents.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 19. Kenneth J. Cram Moved: That the following section be added to Article VI of the by-laws of the town which refers to the Finance Committee:

Section 7. No person who is an elected officer, a member

of another board, or committee, or municipal employee, shall be eligible for membership.

On the motion of Joseph F. Glass Voted: That Article 19 be postponed indefinitely.

Article 20. To see if the Town will vote to dissolve the lease between the Town of Kingston and the Kingston Yacht Club, and to raise and appropriate a sum of money for the purchase of the building now owned by the Kingston Yacht Club located on town property.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 21, Kenneth J. Cram Moved: That Sections 1, 2 and 3 of Article VI of the By-Laws of the Town regarding the selection of members of the Finance Committee be repealed and the following sections be inserted in place thereof, in accordance with Chapter 39, Section 16 of the General Laws:

Section 1. Finance Committee: There shall be nine members constituting the Finance Committee. The members shall be elected at the annual town election. When the members are first elected three shall be elected, each for a term of three years. The incumbents shall not be affected by the aforesaid. The members shall serve without compensation.

Section 2. Vacancies: Whenever any vacancy shall occur in said committee, by resignation, removal from town, death, failing to qualify, or otherwise, said vacancy shall be filled as provided in the General Laws, Chapter 41, Section eleven.

Section 3. Term of office: The term of office shall be for three years. All terms of office shall commence on April first.

On the motion of Joseph L. Robinson, Voted: That Article 21 be postponed indefinitely.

Article 22. On the motion of Roy L. McLean Voted: That Section 8 of the Zoning By-Laws be amended to read as follows:

"Section 8.

PENALTIES.

Any person violating any of the provisions of this By-Law shall be fined not more than Fifty Dollars for each offense. Each day that such violation continues shall constitute a separate offense."

Vote Yes — 165 No — 2

This does meet the 2/3's required vote.

Harvey C. LeSueur informed the voters that the Planning Board has unanimously approved the change in the Zoning By-Law.

ARTICLE 23. On the motion of Roscoe A. Cole, Jr. Voted: That the sum of \$5,000.00 be raised and appropriated to meet the town's share of the cost of Chapter 90 Highway Construction, and that in addition the sum of \$15,000.00 be transferred from unappropriated available funds in the Treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored, upon their receipt to the Excess and Deficiency Account in the Treasury.

Article 24. On the motion of Roscoe A. Cole, Jr. Voted: That the sum of \$1,000.00 be raised and appropriated to meet the town's share of Chapter 90 Maintenance, and that in addition, the sum of \$2,000.00 be transferred from unappropriated available funds in the Treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored, upon their receipt, to the Excess and Deficiency Account in the Treasury.

The use of available funds under Articles 23 and 24 was approved by the Finance Committee.

Article 25. On the motion of Roy L. McLean Voted: That the sum of \$6,500.00 be raised and appropriated for the purchase of a Dump Truck for the Highway Department.

Article 26. Roy L. McLean Moved: That the sum of \$13,000.00 be raised and appropriated for the purchase of a street sweeper for the Highway Department.

MOTION WAS DEFEATED

Article 27. On the motion of Kenneth J. Cram Voted: That the town accept the way now known as Maple Avenue Extension, a distance of 282 feet, more or less, said way to be known as Maple Avenue, subject to receipt of releases from all property owners, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws and that the sum of \$100.00 be raised and appropriated for the construction thereof.

Vote Yes — 139 No — 10

This meets the 2a's requirement

Article 28. On the motion of Roscoe A. Cole, Jr. Voted: That the sum of \$5,368.00 be raised and appropriated for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in one 1966 Ford cruiser-ambulance now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicles.

Article 29. On the motion of Roscoe A. Cole, Jr. Voted: That the Selectmen be authorized to transfer one of the 1966 Ford cruiser-ambulances now owned by the Police Department, to the Highway Department.

Article 30. On the motion of Roy L. McLean Voted: That the sum of \$1,447.00 be raised and appropriated and be added to the account entitled "Survey of Lot 26A and Major Portion of Lot 26B, Block 13," which is known as the new dump site.

Article 31. On the motion of Kenneth J. Cram Voted: That the Board of Selectmen be authorized to dispose, either by trade or public sale of certain highway equipment that is no longer needed.

Article 32. Kenneth J. Cram Moved: That the sum of \$4,000.00 be raised and appropriated for the purchase of a front-end loader for the use of the Health Department.

MOTION WAS DEFEATED

Article 33. To see if the Town will vote to authorize the Board of Selectmen to purchase Lot 28, Block 4 and Lots 37, 41 and 42, Block 1, as shown on the Assessors' plan on file in the Town House and said proceeds to be deposited to the Edna Maglathlin Charity Fund and raise and appropriate a sum of money for the purchase of said parcels of land, and authorize the Selectmen to take any other legal action necessary to accomplish the foregoing.

NO MOTION WAS MADE UNDER THIS ARTICLE

On the motion of Manuel P. Souza Voted: That this meeting be adjourned to Monday evening, March 20, 1967 at 7:30 P.M. in the Reed Community Building.

Number of Voters Present:

Men — 171 Women — 145 Total — 316

Vote Checkers were: Catherine J. Bartlett, George Andrew Walsh, Grace B. Buhl and Marjorie A. Benassi.

Adjourned at 5 P.M.

The following notices have been served on the Town Clerk in accordance with the By-Laws of the Town in reference to re-consideration of votes taken at the Annual Town Meeting:

Date Filed	By Whom	Item or Art. for Re-consideration

Fire Department — Air Compressor	1,000.00

Article 39. On the motion of Roscoe A. Cole, Jr. Voted: That the sum of \$4,196.57 be appropriated for the permanent construction of Crescent Street and Green Street, and to meet said appropriation the sum of \$4,196.57 be transferred from the proceeds received or to be received from the State under the provisions of Chapter 679, Acts of 1965.

Roscoe A. Cole, Jr. moved for re-consideration of Item 56, Article 5 of the Budget (Health: Expenses).

Before a vote was taken on this re-consideration, the Moderator appointed the following tellers: Arthur T. Hand, Joseph L. Robinson, Stanley J. Kuzborski and Lawrence B. Westgate. The oath of office was administered to Mr. Westgate by the Moderator.

A vote was taken on the motion by Mr. Cole and it was so voted for re-consideration of Item 56 of the Budget:

Yes — 138 No — 67

MOTION WAS CARRIED

On the motion of Roscoe A. Cole, Jr. Voted: That Item 56 of Article 5 of the Budget Health: Expenses be changed from \$11,563.00 to \$13,563.00.

John J. Goslin moved for re-consideration of Item 26 of Article 5 of the Budget (Police: Salaries and Wages).

MOTION WAS DEFEATED

Article 40. On the motion of Robert A. Jones Voted: That the town vote to transfer for Library purposes from the Account entitled "State Aid for Libraries — Reserved for Appropriation" the sum of \$1,075.50, said funds having been

received from the Commonwealth of Massachusetts during 1966.

Roger L. Lane moved for reconsideration of Article 9 (Extension of the Water Over the Railroad Crossing at Kingston-Plympton line).

MOTION WAS DEFEATED

Article 41. On the motion of John B. West Voted: That the sum of \$42,000.00 be raised and appropriated to the use of the Fire Engineers for purchase of a piece of fire equipment, and to provide for payment of said equipment, \$1,994.65 shall be raised by tax levy, and transfer the balance of \$5.35 remaining in the account entitled Fire — Purchase of Fire Truck — 1954, and the balance of \$40,000.00 be raised by a loan, under clause (9) Section 7, Chapter 44, and the treasurer is hereby authorized with the approval of the Selectmen, to borrow said balance of \$40,000.00 and to issue notes of the town therefor, said notes to be payable in accordance with the provisions of Section 19, Chapter 44 of the General Laws so that the whole loan shall be extinguished in not more than five years from date of issue or at such earlier date as the Treasurer and Selectmen shall determine. And further authorize the Selectmen to dispose of the 1942 Maxim truck.

VOTE Yes — 165 No — 53

This meets the $\frac{2}{3}$'s required vote

Article 42. Kenneth J. Cram Moved: That the town accept the way running from the end of Smith's Lane to the end of the property of the Town of Kingston, a distance of 7408 feet, more or less, subject to receipt of releases from all property owners, and said way to be known as Cazale Way, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws and raise and appropriate \$100.00 for the construction thereof.

Vote Yes — 99 No — 105

MOTION WAS DEFEATED

Article 43. On the motion of James R. Goonan Voted: That the town accept Chapter 786, Acts of 1965 which provides that certain police chiefs who are on duty on certain holidays shall be granted an additional day's pay.

Article 44. Arthur Vantangoli Moved: That the sum of \$600.00 be raised and appropriated for the purpose of installing a hot water system in the restrooms and concession stand at Gray's Beach.

John J. Coffey moved an amendment to delete the words "in the restrooms."

AMENDMENT WAS CARRIED

Then a vote was taken on the motion as amended that the sum of \$600.00 be raised and appropriated for the purpose of installing a hot water system in the concession stand at Gray's Beach.

MOTION AS AMENDED WAS DEFEATED

Article 45. Arthur Vantangoli Moved: That the sum of \$300.00 be raised and appropriated for the purpose of enlarging the parking area at the entrance to the Town House.

MOTION WAS DEFEATED

Article 46. On the motion of Roger C. Sturtevant Voted: That the sum of \$3,000.00 be raised and appropriated for architectural and engineering fees for the purpose of preparing plans and specifications for additional elementary school facilities on the adjoining or present Kingston Elementary School site.

Article 47. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of land to be used for educational facilities.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 48. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds

in the treasury, a sum of money for the creation of a Stabilization Fund as authorized by Chapter 40, Section 5B of the General Laws, as amended.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 49. To see if the town will vote to authorize the Selectmen to grant a right-of-way to privately-owned land in Block 7, as shown on the Assessors' map on file in the Town House.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 50. To see if the town will vote to rescind Sections 2, 3 and 4 of Article 11 of the "Agreement for a Regional School District for the towns of Halifax, Kingston, Pembroke and Plympton" and insert the following sections:

2. Selection

Two members from each town shall be elected at the Annual Town Meeting of each town. One other member from each town shall be appointed by the School Committee of each town. No person who is an elected or appointed officer, a member of another board or committee or a municipal employee in the member towns, or is a member or employee of any regional committee or district in which any or all of the member towns participate shall be eligible for membership on the Regional School District Committee.

3. Terms of Office

Elected members shall be chosen for terms of three years, except that the first members elected subsequent to the effective date of this amended section shall be elected for terms as follows:

Halifax	one member for 3 years
	one member for 2 years
Plympton	one member for 3 years
	one member for 2 years

Kingston	one member for 2 years
	one member for 1 year
Pembroke	one member for 3 years
	one member for 1 year

Appointed members shall be appointed to serve for a term of one year. All terms of office shall commence on April first.

4. Vacancies

Any vacancy occurring among the elected members, other than by the normal expiration of a term, shall be filled by the Board of Selectmen of the town concerned to serve until the next Annual Town Meeting at which time an election shall be filled by the School Committee of the vacancy occurring among the appointed members shall be held to fill the balance of the term. Any vacancy occurring among the appointed members shall be filled by the School Committee of the town concerned to serve for the balance of the unexpired term.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 51. On the motion of Richard W. Loring Voted: That the sum of \$2,800.00 be raised and appropriated for the purchase of a truck and attachments for the Water Department and authorize the Board of Water Commissioners to turn in the present 1962 Dodge truck and attachments now owned by the Water Department and apply the allowance thereof to the purchase price of the new truck.

Article 52. Richard W. Loring Moved: That the town raise and appropriate the sum of \$4,000.00 for the purpose of replacing the 2-inch water main on Adams Avenue (Rocky Nook Point) with a main not less than 6 inches in diameter for a distance of 325 feet, more or less.

MOTION WAS DEFEATED

Article 53. On the motion of Richard W. Loring Voted:

That the sum of \$5,000.00 be raised and appropriated for the purpose of purchasing land, to lease, to make necessary restriction, to take land by eminent domain, to accept land as a gift, or take any other action that deems to be to the best interest of the Kingston Water Department as provided in the Enabling Act, Chapter 239, of the Acts of 1885 as amended, any portion or all the land that is necessary to develop a well or wells off Wapping Road. This vote was unanimous.

Article 54. On the motion of Richard W. Loring Voted: That the town raise and appropriate the sum of \$5,000.00 for the purpose of replacing the 2-inch main on Loring Avenue and the 2-inch main on a portion of Arrow Street with a main not less than 6 inches in diameter for a distance of 978 feet, more or less, and to tie in the main at River Street and Jones River Drive.

Article 55. To see if the town will vote to replace the 2-inch water main with a water main not less than 6 inches in diameter on the way known as Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less, to Bagnell Street, and that a sum of money be raised and appropriated or transferred from unappropriated available funds in the treasury, for the installation thereof.

NO MOTION MADE UNDER THIS ARTICLE

Article 56. Elliot W. Chassey, Sr. Moved: That the town vote to accept the following ways: A portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 800 feet more or less, to Bag-

nell Street, and that portion from the beginning of Cross Street to Bagnell Street to be known as Elliot Street, subject to receipt of releases from all property owners, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk, in accordance with the General Laws, and that the sum of \$3,000.00 be raised and appropriated for the construction thereof and for acquiring titles.

Vote Yes — 69 No — 93

MOTION WAS DEFEATED

Article 57. Henry F. Sherwood Moved: That the town vote to accept the following ways: Diamond Street starting at Center Hill Road and extending to its intersection with Chestnut Street, a distance of 200 feet, more or less, and Chestnut Street from its intersection with Diamond Street, aforesaid, for its entire length to the intersection thereof with Willow Street, a distance of approximately 1,000 feet, more or less, and Willow Street between Chestnut Street and Riverside Drive, a distance of 250 feet, more or less, subject to receipt of releases from all property owners, all as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and that the sum of \$3,000.00 be raised and appropriated for the construction thereof and for acquiring titles.

MOTION WAS DEFEATED

Article 58. Anthony R. Caldera Moved: That the town amend the Zoning By-Law by amending the "Map of the Town of Kingston, Mass." being the official zoning map of the town so as to change the following described land from a residential district to a business district:

Land located on Keith Avenue and a certain street known as Lawrence Street, being Lots 6, 7, 8, 9 and 10 according to a plan recorded in Plan Book 1, Page 67, Plymouth Registry of Deeds, Assessors' Plan, Division 6, Plat A, Block 3.

Vote Yes — 87 No — 80

This does not meet the 2/3's required vote

MOTION WAS DEFEATED

Harvey C. LeSueur, Chairman of the Kingston Planning Board informed the voters that the Planning Board was unanimously opposed to this change in the Zoning By-Law.

Article 59. Thomas R. Van Moved: That the sum of \$3,250.00 be raised and appropriated for the purpose of replacing the present 2-inch water main with a main not less than 6 inches in diameter along Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 650 feet, more or less.

MOTION WAS DEFEATED

Article 60. On the motion of Manuel P. Souza Voted: That the town vote to accept a portion of the way known as Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 650 feet, more or less, subject to receipt of releases from all property owners, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$1,500.00 be raised and appropriated for the construction thereof and for acquiring titles.

Vote Yes — 117 No — 18

This meets the 2/3's required vote

Article 61. To see if the town will vote to accept the way known as Rocky Nook Avenue, a distance of 780 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles.

NO MOTION MADE UNDER THIS ARTICLE

Article 62. On the motion of Alton V. Morisi Voted Unanimously: That the town vote to accept the way now

known as Off Smith's Lane, a distance of 540 feet, more or less, said way to be known as Anderson Avenue, subject to receipt of releases from all property owners, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate the sum of \$2,000.00 for the construction thereof and for acquiring titles.

Article 63. Roscoe A. Cole Jr. Moved: That the town vote to accept the way known as Off Kennedy Road beginning at the southerly side of Kennedy Road and continuing in a southerly direction to Braunecker Avenue, a distance of 850 feet, more or less, and be known as Union Street, subject to receipt of releases from all property owners, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$4,100.00 be raised and appropriated for the construction thereof and for acquiring titles.

MOTION WAS DEFEATED

Article 64. Emerson S. Tewksbury Moved: That the Zoning By-law and the official Zoning Map of the Town of Kingston be amended so as to change the following lots of land from a residence district to a business district, being lots 23, 24, 25 and 26, Plat I, Block 11 as shown on the Assessors' Plan on file in the Town House; said lots being the property of Hugh R. Maraghy.

MOTION WAS DEFEATED

Harvey C. LeSueur, Chairman of the Kingston Planning Board informed the voters that the Planning Board was unanimously opposed to this change in the Zoning By-law.

Article 65. To see if the town will repeal Section 1 and Section 2 of Article I of the By-laws of the Town of Kingston and insert the following sections:

Section 1. The annual town meeting shall be held on the first Monday evening in March each year for

the transaction of all business of the town, other than the election of officers and the determination of such matters as by law are required to be elected or determined by ballot, and shall be held at an hour and a place determined by the Board of Selectmen; if the meeting does not complete the transaction of the business of the town on said evening, the meeting shall adjourn to the next and consecutive evenings until the business is concluded.

Section 2. The annual election of town officers and the determination of such matters as by law are required to be elected or determined by ballot, other than the transaction of all business of the town, shall be held on the second Saturday after the first Monday in March each year at an adjournment of the annual town meeting, and the polls shall be opened at an hour and a place to be determined by the Board of Selectmen, which is not earlier than fifteen minutes before six o'clock in the forenoon and not later than twelve o'clock noon; and shall be kept open for the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot, at least eight hours, and until such time specified in the warrant when they may be closed and until such later hour as the meeting may by vote determine, but shall in no case be kept open after eight o'clock in the evening.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 66. On the motion of Ernest H. Cote Voted: That the sum of \$25,000.00 now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax rate.

On the motion of Ernest H. Cote Voted: to adjourn. (11:15 P.M.)

Number of Voters present:

Men — 176 Women — 94 Total — 270

Vote Checkers were: Catherine J. Bartlett and George Andrew Walsh.

Respectfully submitted,

GEORGE W. CUSHMAN,
Town Clerk

with Main Street. Several other lights were upgraded in the town, also lights were installed at the Fire Station and the Highway Barn.

Your Selectmen have worked closely with the Committees and Departments of the town through joint meetings and frequent communication. This close association produced a harmonious effort and brought increased benefits to the town through the improved efficiency which resulted. Notice should be taken of those persons who give so much of their time, interest and knowledge to improve our town, usually without compensation but always with the interests of the town in mind.

This year brought the announcement that the State will assume responsibility of all categories of local Welfare departments as of July 1, 1968. Due to this, the Selectmen have made a change in the 1968 salary budgets for the elected Board members of Selectmen and Welfare. The Welfare Board members will request funds for the first six months of 1968 only, the remaining six months of the year will be combined in the budget of the Selectmen, along with that of the Board of Health.

The Selectmen express their appreciation to all town personnel and citizens for the cooperation extended to them.

Respectfully submitted,

ROY L. McLEAN, Chairman

KENNETH J. CRAM

TOTAL RAISED BY LOCAL TAXATION	\$1,007,241.31
Total Amount to be Raised by Taxation over 1966	\$203,923.96

We express our thanks to the Town Clerk, Town Accountant, Highway Department, Building Inspector and members of their departments, and to the people of Kingston that have in any way helped to make our duties a little more pleasant during the past year.

Respectfully submitted,

JOSEPH F. GLASS, Chairman & Clerk
FRANCIS P. McMANUS
RALPH F. SANTORO

Board of Assessors

REPORT OF THE INSPECTOR OF WIRES

I hereby submit my report for the year ending 1967:	
Total Number of Inspections	93
New Dwellings	53
New Bedford Gas & Edison Light Co. permits	62
Water Heaters	11
Restaurants	1
Fire Damage	2
Nursing Homes	4
Motels	1
Machine Shop	1
Rejected	2
Swimming Pools	1
Summer Camps	1

Ranger Station	1
Apartments	3
Funeral Homes	1
Bog Screen House	1
Oil Canning Plant	1
Printing Shop	1
Gas Station	1
Car Storage	1
Inspections by Alternate Wire Inspector	5

I wish to express my appreciation to the Town Accountant, Mrs. Irma Ruffini and her office personnel and the Building Inspector, Mr. George A. Walsh for assistance in issuing permits and aid to this department.

Respectfully submitted,

ARTHUR R. DAVIS.
Inspector of Wires

REPORT OF THE ZONING BOARD OF APPEALS

Twenty-two petitions received the following dispositions:

	Variances	Appeals	Permit For Special Use
Granted	1	—	9
Exempt	1	—	—
Denied	4	1	1
Withdrawn	—	1	1
Appealed to Superior Court	—	1 (Annuled)	1 (Pending)
Pending	1	1	3
Re-hearings	1 (Granted)	—	1 (Granted)

The year 1967 was a record year for petitions. It also resulted in two appeals of the Board's decision to Superior Court.

Roscoe A. Cole Jr. was elected to the Board of Selectmen

and resigned from his position on the Board of Appeals. Frank McArdle was appointed to fill his unexpired term.

David W. Gavigan was appointed as an alternate member to fill the unexpired term of Mr. McArdle and Stanley J. Kuzborski assumed the duties as Clerk of the Board.

Due to personal and business reasons, Mr. McArdle resigned from the Board and alternate member Charles Tirrell was appointed as a full member to fill the unexpired term of Mr. McArdle.

George T. Pratt, Jr. was appointed as an alternate member of the Board to fill the unexpired term of Mr. Tirrell.

The members and alternate members of the Board extend their thanks to Town Clerk George W. Cushman, his staff and Joseph F. Glass, Chairman of the Board of Assessors, for their assistance and cooperation submitted throughout the year.

Respectfully submitted,

	Term Expires
Norman C. Steere, Chairman	1968
Stanley J. Kuzborski, Clerk	1969
Charles L. Tirrell, Member	1970
David W. Gavigan, Alt. Member	1970
George T. Pratt Jr., Alt. Member	1969

Zoning Board of Appeals

REPORT OF THE POLICE DEPARTMENT

The report of the activities of the Police Department is respectfully submitted for the year ending December 31, 1967.

You will note that there were 996 complaints investigated by the department in 1967. Ten fewer motor vehicle accidents involving property damage and/or personal injury occurred in the past year than in 1966. One of the accidents investigated was a fatal which occurred on Route 3 in August, 1967.

There were 23 motor vehicles that had been stolen in towns and cities other than Kingston but were recovered in our town, whereas 9 vehicles were reported as stolen from Kingston. With this in mind, I would like to stress the importance of keeping your car locked and the ignition key removed from the car when leaving the vehicle unattended for any length of time. Remember that it is not impossible to start a car without a key.

I would like once again to remind the citizens of our community to be sure to notify this department when they are going to be away from their homes for an extended period of time, so that we may be able to check these homes on our patrols, and thereby reduce the possibility of illegal entry by unauthorized persons.

I want to thank the Selectmen for the cooperation that they have given to me during the past year and anticipate a continuation of this same understanding and cooperation in the year ahead.

My thanks to the Auxiliary Police Officers and the Civil Defense Director who are continuing to assist this department when called upon. Their cooperation has been outstanding.

REPORT OF THE FIRE ENGINEERS

The calls for 1967 were more numerous than a year ago, but the losses were much smaller. One dwelling, an unoccupied low-value building, was lost to taxation.

No cases of improper disposal of smoking materials were listed, which leads us to believe that the townspeople are becoming more aware of this problem.

Several new Automatic Alarms were tied into the Fire Station making a total of twenty-one. Included in this number are all Schools, Rest Homes, most of the Town-owned buildings, the larger manufacturing plants, one Church and one Historic house.

Alarms are regularly tested monthly and whenever we can gain entrance to the building.

Four firefighters attended Fire Schools, two at the Plymouth County School and two at the Barnstable County School.

As of this writing the manufacturer has received the chassis for the Aerial Ladder Truck. The Ladder is expected about January 1 which makes us hopeful for a May or June delivery.

A new Air Compressor was purchased with the cooperation of the Elizabeth B. Sampson Memorial Fund. This is a great improvement over the old one as we are now able to blow any given signal over the Air Horn. The new list of location signals has been put into operation and seems to be working well. A copy of the list may be obtained by calling at the Fire Station.

A Water-Vac has been added to our list of equipment. This apparatus is of material aid as it is used in removing excess water following a fire, thus helping to minimize the loss.

Classification and Number of Calls:

Oil Burner	2
Buildings	34
Automobiles	15
Assist to Other Departments	18
Needless	4
Animal Rescue	7
False	1
Fallen Wires	3
Cellar Pumping	55

School Fire Drills	50
Call Company Drills	8
Permanent Men Drills	30

Respectfully submitted,

JOHN B. WEST, Chief Engineer

WILLIAM A. MacPHAIL,

BRUCE F. SMITH

Board of Fire Engineers

REPORT OF THE TREE WARDEN

A total of thirty trees were planted in the town during the past year. Some of these trees were planted along the street in new home developments, and others were replacements for trees that were removed previously.

It is pleasing to report that the control of the Birch Leaf Minor was contained again this year.

During the latter part of the year an employee of this department entered the armed forces leaving me with only one other person. This, as a result, made it extremely difficult to operate efficiently. Due to this, not as much spraying as desired was accomplished and not as many trees were removed.

It is my recommendation that consideration be given to the election of a full-time Tree Warden in order to insure proper protection and more efficient service for the town.

Respectfully submitted,

EARL C. PAULDING,

Tree Warden

REPORT OF THE FOREST FIRE DEPARTMENT

One of the largest forest fires in several years occurred off of Route 80 near Camp Mishannock on May 17th. Three set fires converged into one, with the aid of dry weather conditions combined with a strong wind. Aid was rendered by surrounding towns, the State Correctional Institution and the Plymouth County Fire Service, however, before it could be contained, between forty and fifty acres were destroyed, ten acres of which were in the State Forest. The rocky and hilly terrain encountered at this fire necessitated some expensive repairs to the apparatus.

With reference to the Town Dump I wish to remind the citizens that only the Forest Warden and the Caretaker of the Dump are authorized to light any fires at that location. Due to the dumping area closing on the surrounding woodland the number of fires outside this area is on the increase and may eventually cause a major fire. You are therefore urged to take all precautions.

During 1966 a program was begun to clear out some of the brush-choked roads in the Smelt Pond, Route 80, area. Last year three-quarters of a mile was completed and this year we have completed an additional one and one-half miles. It is my hope to continue this project, as it is of immeasurable benefit in speeding up the response to calls in that remote section of the town.

Largest Fire	40-50 Acres
Total Acreage for the Year	68

Classification and Number of Calls

Woods and Brush	38
Grass	11
Town Dump (to wet down)	80
Checking Previous Fires	14
Smoke Investigations	9
Burning Without a Permit	8
Fires Left Unattended	4

Assist to Other Departments	7
Mutual Aid	3
Station Stand-By	2
Needless	1
To Wet Down Legal Burning	10
Total	187
Burning Permits Issued	4,371

Respectfully submitted,

JOHN B. WEST,
Forest Warden

REPORT OF THE HARBOR MASTER

The number of boats moored in the Kingston area totalled 162, which is a definite increase over last year.

As in past years, several requests for assistance were made to this department for boats which had broken loose from their moorings and also for locating persons who had been reported lost in the fog.

During the year this department replaced the 8-year-old chains for the racks and seven 1,000-pound moorings were installed. The Waterfront Committee furnished the materials for this work.

I regret to report that during July the Harbor Master boat, recently purchased with funds from the Elizabeth B. Sampson Fund, was sunk by vandalism. As a result, repairs were necessitated and a request for a transfer of \$639.89 was honored by the Finance Committee for the necessary work to put the boat back in operation. It is my hope that in the future some arrangement can be made to place under cover during the winter months, the boat, markers and other equipment of this department.

Passed by the Legislature during July was a statute placing all floats under the jurisdiction of the Harbor Master.

It is with pleasure that this department received a commendation from the Massachusetts Division of Motor Boats for the efficiency and cooperation extended to them.

I wish to recommend that poles be placed to secure the ramps and floats in position, rather than the present system. I believe that this method will be more effective in keeping the ramp and floats in place with the incoming and outgoing tides.

I wish to extend my thanks to all the departments of the town and in particular to my Assistant, Gabriel J. Costa, and also to the owners of boats for the cooperation granted me during the year.

Respectfully submitted,

ASA W. GLASS, JR.
Harbor Master

REPORT OF THE MOTH DEPARTMENT

Again this year the citizens are alerted to the fact that the Massachusetts statutes specifically provide for the storing of insecticide and equipment, and also states that no person without a license therefor shall have access to any insecticides. This department has not been able to comply with this law because of the inadequacy of our quarters. The Board of Selectmen are making plans to attempt to correct this situation and it is my understanding that an article to this effect will be inserted in the warrant for the Annual Town Meeting in March, 1968.

Due to unsuitable storage facilities for the spraying equipment, one machine was being repaired at the time when spraying should have been at its height. This, needless to say, deterred the department's proper functioning for approximately three weeks.

Trees with Dutch Elm disease were not removed due to shortage of departmental personnel. This work will of necessity have to be done next year. The department should have a full-time supervisor, which cannot be accomplished until the necessary funds are provided.

I wish to extend my thanks to all those departments and persons who have contributed their assistance to me.

Respectfully submitted,

EARL C. PAULDING,
Moth Superintendent

REPORT OF THE DIRECTOR OF CIVIL DEFENSE

During 1967 there has been increased emphasis, from National Civil Defense down to local community agencies, on efforts to insure effective public warning in case of enemy action or any widespread emergency. A program is under way to provide individual householders with information on how to inexpensively convert basement areas into fallout shelters.

Following is an outline of Kingston Civil Defense activity during 1967:

1. Enrollment

Auxiliary police — active, 15 men; 2 men in service.
Radio operators — 5 men.
Underwater Rescue Team — 6 men.
Director and Deputy Director.

2. Training

- a. Rescue training at Bradley Palmer State Park in Topsfield — 3 men at two weekend courses.
- b. Radiological Monitoring — 6 men completing 16-hour course.
- c. Firearms Course — 12 men completing 7-hour course. Field training at Plymouth Rod and Gun Club, as well as Otis Air Base.
- d. First Aid (American Red Cross) given at Duxbury: 7 men completing 16-hour course.

3. Sector and Area Meetings, South Hanson and Bridgewater

Six scheduled meetings attended by Director, Deputy Director and interested members of the Auxiliary Police.

Ten additional official visits made by Director to South Hanson Sector 2B Headquarters.

4. Communications Drills

Seven scheduled Sector 2B radio drills answered by Kingston's radio officer.

5. Auxiliary Police — volunteer duty

- a. Crosswalk duty, Sunday services at Kingston churches — 416 hours.
- b. Desk duty at Kingston Police Station, evening and weekend coverage — 750 man hours.
- c. Holiday and special observances — 72 man hours.
- d. Cruiser duty — 366 man hours.
(If these men had been reimbursed for their services, the cost to the town would have been close to \$1,000.00.)

6. Major surplus property acquisitions via Taunton Surplus Depot

- a. First Aid supplies, assigned to Kingston Police Department — Government cost \$376.18; Cost to Kingston \$19.40.
- b. Shop and testing equipment, assigned to Highway Department — Government cost \$120.00; Cost to Kingston \$13.00.
- c. Duplicating machine, assigned to Kingston Civil Defense — Government cost \$1,000.00; Cost to Kingston \$25.00.
- d. Kingston Civil Defense also acted as agent in purchase of special Science equipment for Silver Lake Regional Junior High School.

7. Public Safety

- a. Dissemination of pamphlets concerning driving under the influence, entitled "The Way to Go."
- b. Purchasing and placing of invalid house markers, for possible emergency rescue operation.

We wish to thank all those with whom we were in contact during the past year, and appreciate their fine spirit of cooperation.

Respectfully submitted,

ROBERT A. MULLIKEN, Director

JOHN B. DREW, Deputy Director
Civil Defense

REPORT OF THE CONSERVATION COMMISSION

The notice sent to newspapers and radio station regarding the opening for initial inspection of the Elizabeth B. Sampson Memorial Park is reprinted below for the benefit of those who might not have seen it at that time.

P. C. Rushton, chairman of the Kingston Conservation Commission, announced today that the park in process of development as a memorial to Elizabeth B. Sampson will be open for initial inspection by Kingston citizens on Thursday, October 12th. On that day between 10:30 A.M. and 1:00 P.M. members of the Commission and trustees of the Sampson Fund will be at the entrance on Elm Street just beyond the Kingston Water Department pumping station to welcome visitors and answer questions concerning the project. Maps of the hundred-acre park will be available and Kingston Boy and Girl Scouts will be on hand to act as guides.

At the present stage the 7½ acres adjoining Elm Street have been cleared of brush, trash and deadwood and have received an application of chemical spray to eliminate poison ivy, briars and sucker growth. The Commission intends to use a portion of this area for parking, for picnic sites along the river bank, and possibly a natural swimming pool should present studies prove this practical.

A good portion of the park is accessible on roads already trimmed and cleared of trees, stumps and bushes. For the more venturesome, a trail has been cut along the park's interior boundaries and for some distance along Furnace Brook and Jones River. Mr. Rushton advised those wishing to explore the park to wear suitable clothing. "This isn't a place for high heels and expensive stockings, especially on the trails where there is some fairly rough going," he said. The Commission is certain that won't discourage those who are interested in a beautiful stretch of natural forest and expect it to be particularly appealing in the bright autumn foliage of early October.

Ambitious plans are in prospect that will make it available for nature and conservation classes from local schools, to identify and mark the many varieties of trees, to improve its appeal to bird-watchers, wild-flower enthusiasts, and those interested in wild animal life. To achieve all this will take some time, but as Mr. Rushton says, "We've always felt its basic value is as a peaceful, tranquil, natural forest and that we already have."

It is evident that Mr. Rushton and his Commission hope Kingstonians will come to explore on October 12th and to share their enthusiasm in this undertaking.

In case of inclement weather, the tour will be postponed to Sunday, October 15, 1967 at the same time.

P. C. RUSHTON, Chairman
Kingston Conservation Commission

October 3, 1967

The opening was very successful, with more than 200 attending, and everyone seemed enthusiastic.

An engineer has recently inspected the river bed on the site of the proposed swimming area and found it suitable for such use. This will be discussed in more detail at the next annual town meeting.

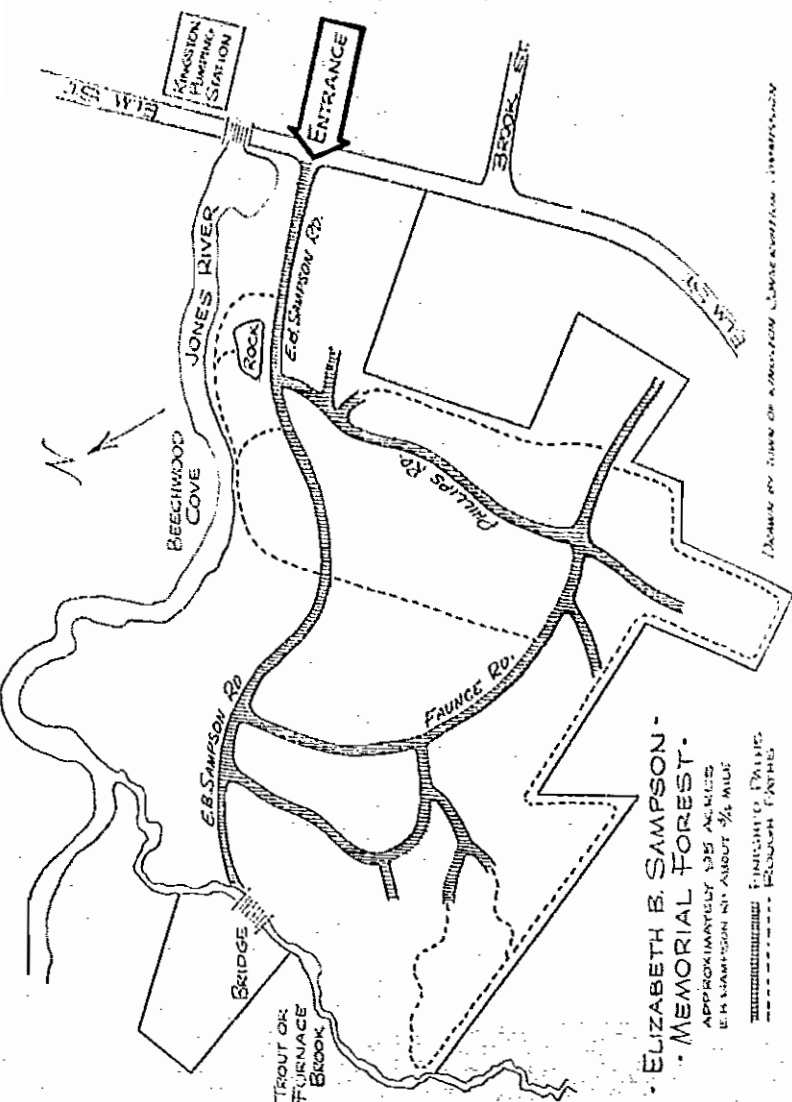

Material for four picnic tables and benches has been ordered, and these will be erected next summer.

We hope to clear additional trails, trim out more of the woods area, and plant shrubs and trees in the front portion of the park this year.

Several of the town departments have helped with spraying, building a bridge, and with erecting a road barrier. This has been a help and is much appreciated.

We wish to thank everyone for their help and interest throughout the year.

Respectfully submitted,
P. CABOT RUSHTON, Chairman

RICHARD THOMAS

REPORT OF THE PLAYGROUND COMMISSION

The year 1967 was a continuation of the long-term maintenance program at the Reed Community Building and the Capt. Fred L. Bailey Memorial Playground.

1. The tiling and reconstruction of the boys' shower room was completed.
2. The shower rooms and locker rooms were painted.
3. The fence along the length of the parking area was replaced.
4. Repairs of the roof and the gutters were effected.

The summer playground sponsored by the Commission had the best attendance ever. The extensive program was under the direction of Antone J. Spath and Miss Deborah Glass, with Edward Cole and Miss Stephanie Arruda assisting the directors.

The use of the building increased in 1967. There were 520 requests for the use of the building with the income for rentals being \$1,126.00. Organizations using the building under the free rental policy included the Girl Scouts, Boy Scouts, Cub Scouts, church organizations, Kingstowne Players, Hill-top Basketball League, Kingston Babe Ruth League Team, Kingston Civic Association, Reed Community Club, and a number of other non-profit groups.

The playground and outdoor facilities were widely used by different groups during the year. Among the groups using these facilities were the Kingston Little League, Kingston Babe Ruth League Team, Kingston Softball Team, Silver Lake Regional High School, Sacred Heart High School and the Kingston Sunoco Softball Team.

Maintenance projects proposed for 1968 are the completion the re-wiring of the building and the installation of new safety-lock doors on the principal exits.

Respectfully submitted,

GEORGE A. CANDINI, JR., Chairman
GEORGE E. COBB, Vice-Chairman ALF C. LOOTZ
JOSEPH A. GOVONI, Secretary ROBERT L. POOLER
Playground Commission

REPORT OF THE CAPITAL OUTLAY COMMITTEE

The Kingston Capital Outlay Committee began meetings in September 1967 to develop and implement plans for fulfilling the objectives in the enabling by-law (Article 8, 1966 Town Meeting Warrant). The committee proceeded to continue its policy of collecting data from the numerous town departments to facilitate the work of the Finance Committee in its attempt to maintain sound budget spending.

To reacquaint many with the scope of the Capital Outlay Committee, the following summarizes the limit of inclusion in to the town budget considered by said committee: (1) The purchase of property, (2) the construction of a new facility, (3) the improvement of an existing facility to increase its value, and (4) departmental equipment additions or replacements.

The committee will include almost any proposal within the above scope in the budget, however, those of doubtful merit will be deferred. Proposals for expenditures beyond six years will be included as future possibilities. The listing of possibilities is sufficient in itself to force the town and its leaders to think about them and examine them more closely as the date for the expenditure draws near.

Requests for proposals were sent out December 1, 1967 to all the boards, departments, committees and commissions of the town but there were no replies, whereupon the committee took it upon itself to visit individual department heads and amass the information for presentation to the Finance Committee prior to town meeting.

While a well designed capital budget affords a view of the town's needs with the impact of prospective expenditures spread more or less evenly over the future years, it is not the final approach to tax rate stability. An important partner of the budget in helping to achieve stability is forehandedness in putting money aside in the years when the demands are not too heavy. Therefore, again this year we are recom-

mending the creation of a Stabilization Fund, an article for which will appear in the annual town warrant, to accumulate money in advance of the needs.

In conclusion, we want to thank those departments who assisted us by submitting proposals this year, these are published in the accompanying chart. We will again attempt to forward to the various departments requests for proposals forecasting their future budgetary needs and submitting these to the Capital Outlay Committee by midsummer.

We urge appointing authorities to act promptly after town meeting to fill vacancies where terms of office have expired.

Respectfully submitted,

WILLIAM R. FAIRWEATHER, Chairman
LOUIS NEIMAN, Vice Chairman
ALTON V. MORISI, Secretary-Clerk
FRANCIS D. TALBOT

PARTIAL REPORT OF THE LOCAL GOVERNMENT COMMITTEE

The Local Government Committee was authorized by vote of the 1967 annual town meeting and was appointed by the Selectmen for the purpose of "studying all phases of local government structure, and municipal positions and duties; said committee to recommend to the Town at the next annual meeting whether or not a Charter Commission should be formally established as outlined by the Home Rule Amendment."

This is a large job and your committee, after fifteen meetings and many hours of research, has begun only to scratch the surface of our governmental fabric.

At this time, we are not in a position to recommend whether or not machinery should be set in motion to establish a Charter Commission.

To explain why we must give some of the background of the Home Rule Amendment (1966) to the Massachusetts Constitution and of its charter provisions.

The Amendment reaffirms the right of local self-government. Before its passage the towns had to obtain legislative approval for almost any governmental change. Now, in general, the towns may, if they are not specifically barred from doing so by the Constitution or the General Laws, make changes on their own. (Exactly how far the towns may go has not yet been tested in the Courts.)

The Amendment asserts that towns may adopt a charter—a plan for self-government with a local representative legislative body, a chief executive officer and other town officers.

(Towns with less than 6,000 inhabitants, however, and Kingston has approximately 5,000, are barred by statute from adopting a representative town meeting form of government such as is in effect in Plymouth.)

It has been noted, however, that some towns might use the charter procedure to prepare and adopt a plan for town administration with an executive officer, such as an executive secretary, serving under the Selectmen.

We have, accordingly at this time concerned ourselves more with questions of improving the existing government structure rather than exploring the charter commission possibilities.

We have interviewed many department heads and members and have arrived at several recommendations which are being presented to the 1968 annual town meeting.

These include a broader appointing authority for the Finance Committee, town meetings to be held before the town elections and longer terms for some elected officers in order to unclutter the election ballot.

We are really just getting our teeth into some of the larger problems. One of them is department consolidation. It appears, for example, that the tree department's functions could easily be transferred to the highway department. Such a change would require either an election ballot vote or a special town meeting vote. Consolidation also appears to be in order, in some combination, for the park, playground, waterfront and cemetery departments and commissions.

Other areas to which we have given consideration include: separate boards of Selectmen and Health; central purchasing agency; secretarial pool; communications center; and a master plan.

We have tried to think in terms of Kingston many years from now and not just of the immediate future . . . and of how to streamline the government to make it more responsive to the modern-day needs of its residents. This study has just begun.

The Committee has asked that expenses be appropriated

to continue this study, so that a final report can be given at the 1969 annual town meeting.

Respectfully submitted,

ROBERT F. MELVILLE, Chairman
EDWARD A. STANGHELLINI, Clerk
BRIAN B. FINNEGAN
JOHN J. GOSLIN
MANUEL P. SOUZA
Local Government Committee

REPORT OF THE SHELLFISH CONSTABLE

Planted on the "winter quahog grant" this year were 140 bushels, and an additional 25 bushels were planted in low-water areas for seeding tests.

The new growth of quahog seed on the "Fishing Rocks Flat" are showing good results.

Our shoreline is heavy with seed in some areas. It is my recommendation that these areas should be closed during 1968, giving them a chance to grow.

Further tests on our flats are expected to be made this coming year, through the cooperation of the Massachusetts Department of Natural Resources.

I wish to extend my thanks to my Assistant, Asa W. Glass, Jr., and to all those persons who have contributed their support and assistance to me this year.

Respectfully submitted,

ANTONE J. CAZALE,
Shellfish Constable

REPORT OF THE FISH COMMITTEE

It is the responsibility of your Fish Committee to promote the supply of sport and food fishes in our general waterfront area. This function is carried out by aiding the spring spawning of alewives (herring) up the Jones River and Trout Brook to Sylvia Place and Russell Ponds, and protecting the spawning of smelt in the downstream brackish water of the river.

There was a good run of alewives, mostly at night, and a heavy spawn of smelt this past year.

The alewife fry, as it proceeds downstream to salt water, forms an integral part of the chain of food for larger fish, such as mackerel, striped bass and others. With the effective cooperation of Mr. Arthur J. Dupuis, Foreman of the Massachusetts Department of Natural Resources, Division of Marine Fisheries, our long-range program of constructing well-designed, permanent fishways is nearing completion.

During 1967 the fish ladder on Trout or Furnace Brook at Constable's Pond was rebuilt and another segment of the sluiceway was added between Elm Street and Sylvia Place Road. The cost of any construction is shared between the Commonwealth and the Town. The State provides the labor and the Town supplies materials and maintains a clear stream channel. The entire expense to the Town for the year was \$311.97.

It is with deep feeling that we record the loss of our Chairman, Francis L. White, who passed away on August 3, 1967. Mr. White was a valuable member to this Committee and was most generous in his services. To fill the unexpired term, Louis E. DeMeule, Jr., was appointed.

Respectfully submitted,

O. WELLINGTON STEWART

Net Receipts	\$1,672.00
Inspections Made	512
Miles Travelled	2,344
Complaints Investigated	48

For comparison purposes, 132 permits were issued in 1967 with an estimated cost of \$1,260,990.00 or an increase of \$179,418.50. The income for 1967 was \$1,490.00 or a decrease of \$343.00 for 1967.

Building applications may be obtained at the office of the clerk to the Selectmen and at the office of the Building Inspector daily and I will be available at the Town House every Tuesday evening and Saturday morning, and will be of service at other times if the duties of my office require it.

Again, I wish to thank the personnel in the offices of the Town Clerk, Board of Selectmen, and Board of Assessors for their continued fine cooperation during the year. Their assistance has been greatly appreciated.

Respectfully submitted,

GEORGE A. WALSH,
Building and Health Inspector

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

The year 1967 was a disappointing one to this Commission. The failure of the Industrial Park to see its first prospect a reality was one of these disappointments. However, it is our understanding that the principals concerned still have every intention to build and move in as soon as they are in a practical position to do so.

Our real problem is that we do not have any land or buildings that are ready and available for immediate occupancy, and, until this obstacle is overcome we will continue to be at a disadvantage. We will be unable to move forward or in any way become competitive in enticing industry to move to Kingston until this problem is solved.

Despite these disappointments we still feel very strongly in the importance of this Commission, in the role it can and will play in the future growth of the Town.

Again, our thanks to all town departments and committees, and in particular the Selectmen, Water Department and Town Counsel for their cooperation and assistance throughout the year.

Respectfully submitted,

NORMAN E. THOMAS, Chairman

MANDO ALDROVANDI

ALVIN L. GOULD

ROBERT A. JONES

CHARLES T. SANDERSON, III

Industrial Development Commission

REPORT OF THE INSPECTOR OF ANIMALS AND INSPECTOR OF SLAUGHTERING

During the past year we have seen a profound drop in the number of cattle shipped into Kingston. There has been a corresponding increase in the number of riding horses in town.

This year 15 dogs were quarantined on suspicion of rabies because of bites imposed. However, all of these dogs were released after the customary 10-day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the proper State authorities.

There have been no cases of slaughtering in Kingston during the past year.

The annual inspection of animals and the premises in which they were kept was made and the report forwarded to the Division of Livestock Disease Control.

I wish to thank Mrs. Irma A. Ruffini and the members of the Board of Health for their cooperation in organizing these inspections.

Respectfully submitted,

RAYMOND RUSSO, D.V.M.

Inspector of Animals and Slaughtering

REPORT OF THE GAS INSPECTOR

I hereby submit my report for the period January 1, 1967 to December 31, 1967:

Number of applications for gas permits	158
Number of inspections completed	140
Number of inspections pending	18

I wish to express my appreciation to the Town Accountant, Irma A. Ruffini, and the personnel in the office for assistance in issuing permits and aid to this department.

Respectfully submitted,

JAMES A. ROBARE,

Gas Inspector

REPORT OF THE PLYMOUTH COMMUNITY NURSE ASSOCIATION

The Annual Nursing Service Report of the Plymouth Community Nurse Association, for the year 1967, is herewith submitted.

During the year, a total of 1,026 visits were made to patients in Kingston, by our nurses. This is the largest number of visits made by this organization to Kingston residents, since we have kept this record. Of this total, 458 visits were made on behalf of the Kingston Health Department. The nursing service breakdown is as follows:

568	General Nursing Care
141	Maternity
	(3—Antepartum)
	(69—Postpartum)
	(69—Newborn)
145	Tuberculosis follow-up
2	Other Communicable Disease
13	Infant Health Guidance
16	Preschool Health Guidance
8	School Health Guidance
43	Adult Health Guidance
29	State Immunization Survey
61	Unclassified (Not at home or not found)

Eleven Well-Child Conferences were held during 1967, at which 253 infants and preschool children were seen and examined by Richard O. Elliott, M.D., our W.C.C. pediatrician. A total of ninety-five Tuberculin skin tests were applied and 226 various immunizations (DPT, Polio, Measles and Smallpox), were given by the physician and the P.C.N.A. nurses.

In March, two special clinics for Measles only, were held by the Kingston Health Department. These were held at the Kingston Elementary School and the Sacred Heart pre-primary and elementary schools respectively. A total of 249 preschool and elementary children received the vaccine.

In May, a special clinic for Smallpox only, was also held by the Board of Health, at the Kingston Town House. The P.C.N.A. nurses assisted at all the clinics.

The Plymouth Community Nurse Association continues to be certified by the U.S. Department of Health, Education and Welfare, as a provider of home health services. Our contract with the Easter Seal Society continues to provide direct Therapy services and we are very pleased with this beneficial arrangement.

In the latter part of the year, we commenced an immunization survey for the Massachusetts Department of Public Health, which thus far, has shown that Kingston is very well protected against the preventable communicable diseases.

We would like to note in this report, that 1967 is the 50th anniversary of the P.C.N.A.

We are pleased to serve the residents of Kingston and wish to thank the Kingston Selectmen and Health Department for their support and interest.

Respectfully submitted,

MARION A. HEDGE, R.N.
Supervisor

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The record rains in 1967 contributed to the most serious mosquito problem in years. The rising water table not only re-hatched what are normally one brood a year species, but also immersed dormant eggs deposited years ago. These conditions were responsible for an over-lapping of emerging adults throughout the warm season. Our budget is inadequate for satisfactory control under normal years. The rains in 1967 made conditions nearly hopeless.

The Project has extended itself during the past few years spraying individual properties of those who have had an acute problem. This has been accomplished both by aerial sprays and ground equipment. Continuation of this adult phase is becoming next to impossible, as calls compound annually. We are asked to provide insect-free cook-outs, weddings, and general outdoor living in the evenings. Most towns supplement the Project's efforts with an adult program of their own. These programs are usually in conjunction with this Project. Kingston has been very cooperative in this phase.

Our job is to seek out breeding areas and to destroy the larvae or to eliminate the areas where possible and feasible. Time and money spent in backyards spraying adult mosquitoes is accomplishing nothing toward a permanent abatement program. Our budget remains constant and does not allow for the increasing costs of wages, insecticides and equipment, nor rising fiscal expenditures. Towns are growing tremendously, and each home is a probable contributor to the mosquito problem in many ways. Catch basins, toys, open rubbish and garbage containers, flower pots, birdbaths, and open overflowing sewage are just a few of the breeding sites created by new construction. There are also old tires and car bodies plus drainage ditches plugged with leaves dumped by those who are to unconcerned with our problem to discard them in the dump. All too often, these same persons will call demanding individual treatment, informing us of their tax levy, and how little they are receiving from their tax dollar for

public service. The filling of trenches and waterways reclaimed and constructed by this Project is a violation of state statutes, and subject to prosecution. Adequate sewage disposal is also a must, but is already a serious problem in most towns.

As in the past, we reclaimed more salt marsh trenches as well as fresh water drainage areas. A few of the areas cleared were the Seminary area near Miramar 2,600 feet, Smith's Lane to Union Grove Club, 600 feet, off Maple Street, and east of Center Street, 600 feet. Both our backhoe and hand labor were involved. We will still continue our pre-hatch treatments during the winter months, plus our larvicide program during the breeding season. Aerial sprays for the control of the flying adult are only temporary measures. Insecticides are becoming too costly and complex, and we must respect the rights of those who do not wish insecticides on their properties. Blanket aerial sprays are the subject of numerous controversies, and becoming highly restrictive.

I wish to thank the town officials, especially the Highway superintendent, the Health Department for their sincere interest and cooperation.

Respectfully submitted,

M. CURRIE BEATON, JR.
Superintendent

REPORT OF THE HIGHWAY DEPARTMENT

Due to late winter storms and a very wet spring, summer and fall, good-weather days for construction were at a premium. I would like to thank my small force of men for their extra effort which enabled the department to accomplish most of their given tasks. My thanks also to the people who have equipment hired by the town for snow removal. They have been willing and ready to go anytime day or night.

Listed below are various work projects:

Chapter 90 Construction—

Grove St.—drainage, roadway and road surface constructed to railroad bridge. Next year's construction will start at Lake St. and work towards the bridge.

Chapter 90 Maintenance—

Asphalt seal coat on Pembroke St. and Wapping Rd.

Chapter 679—

Crescent St.—drainage system installed and surface applied. Sidewalk not constructed this year. \$2,000.00 allotted for this sidewalk will be used to build sidewalk when feasible.

Mazzilli Ave. accepted as town road but not constructed, pending outcome of petition for a new water main to be installed.

Anderson Ave. accepted as a town road—construction started—clearing and grubbing, some excavation and some gravel fill. Department had a late start on this project due to the delay in moving utility poles.

General Highway Maintenance—

Asphalt seal coated Ring Rd., Braunecker Ave., Reed St., Thomas St. and portions of West St., Second Brook, Pilgrim St., Home Park Court, Leigh Rd., and Indian Pond Rd.

Type I-1 Bituminous Concrete surface on Riverside Dr., Center Hill Rd. and Riverview Ave.

Type C-1 Mixed in place material put on sections of Nelson St., Cedar St., Second Brook, Shore Drive and South St.

Drainage—

Three metal cross culverts under Winthrop St.

Concrete cross culvert under Brookdale St.

Side drain along Oak St.

Rebuilding and repairing various catch basins and outlet pipes.

Plymouth County Mosquito Control cleaned out ditches off Maple St. and Landing Rd. to improve the water flow off in these areas.

Building Maintenance—

The roofs of two sheds housing equipment and materials were tar papered.

Garage roof insulated to try and reduce heating costs.

Fire alarm system installed and connected to fire station.

Dump Maintenance—

Men and equipment used frequently to help move material and cover dump site.

I would like to thank all other town departments for their excellent cooperation again this year.

Respectfully submitted,

WELDON A. THOMAS,
Superintendent of Streets

FREDERIC C. ADAMS PUBLIC LIBRARY

The 1967 Annual Report of the Library Trustees

To the Citizens of the Town of Kingston:

The operating expenditures paid from the March 1967 Town Appropriations were the following:

All salaries and wages	\$10,044.82
Books and periodicals	6,207.43
Equipment and supplies	1,129.70
Fuel and electricity	1,270.39
Telephone and alarm wire	240.80
Repairs and miscellaneous	116.08

Total	\$19,009.22
-------	-------------

In connection with its public library, the Town received the following sums:

From dog licenses	\$1,097.48
Over-due book fines	444.68
State Aid to Libraries	1,075.50

This year the Library was equipped with combination front door and storm-screen windows, at a cost of \$393.00 paid from a special 1965 appropriation.

1967 income from Endowed Library Funds, and from special gifts in memory of Mildred Richter were received and accounted for as follows:

	Received	Paid Out
From previous year	\$2,858.42	
Am. Tel. & Tel. dividends	52.80	
Savings bank interest	861.83	
Transfer from principal	1.00	
Special gifts	98.00	
Treasurer's salary & bond		\$134.00
Clock repair		15.00
Richter Memorial discs		300.17
Postage, supplies, etc.		63.10
Income balance forward		3,359.78
	<hr/> \$3,872.05	<hr/> \$3,872.05

REPORT OF THE LIBRARIAN

A Kingston Library Association was organized in 1871, and gathered together some 1,850 books. The Lend-A-Hand Club of Kingston, composed chiefly of school children, formed a free library in 1890, with money earned from the entertainments given by the club. These books were kept in a store "open every evening during business hours." Both of these organizations gave their collections to the town and disbanded when the Frederic C. Adams Public Library took their place in 1893.

Funds for the public library were made available by the will of Frederic C. Adams, after the death of his widow in 1895. The Library building was erected in 1897-1898, and dedicated August 4, 1898. It was designed by Joseph E. Chandler of Plymouth, a most competent architect, for the building still retains its original charm, and has not been dated by the years. The lot for the building was presented to the town by Mrs. George T. Adams and her son Horatio Adams, the sister-in-law and nephew of Frederic C. Adams.

The building, completely furnished, cost \$14,000.00. 3,809 books and 26 periodicals were installed. The town voted \$500.00 for the first financial year, and the following year voted \$600.00 for its support.

The six original trustees were Horatio Adams, Leander Cole, Charles H. Drew, Henry B. Maglathlin, Dr. Benjamin Barstow, and Harvey A. Soule.

The first librarian was Mrs. Jennie F. McLauthlin, who remained at her post for 38 years. She was succeeded by Mrs. Minnie Burke Figmic, who remained until 1943. Mrs. Janet Giammarco served from 1943 until 1949, followed by the late Mrs. Marion Lenari, who served from 1949 until 1967.

The population of the town in 1895 was 1,746. At present the population is nearly 5,000, and of this number approximately 3,000 have registered as borrowers of the library.

Since the original 3,809 books were placed on the shelves of the library many more have been added, and today number 20,659. Also added to the materials which may be taken from the library is a collection of recordings, made available through funds given in memory of Mrs. Mildred Bergonzoni Richter. A pleasant musicale was held at the library in March, presented by members of the Silver Lake High School orchestra, under the direction of Mr. Irving F. Wallace, Jr. During this first year, 720 recordings have been borrowed by adult patrons.

The use of the whole library has more than doubled since the Young People's Room opened in March of 1965. Attendance in 1964 was 11,596, and in 1967 was 24,835. The Young People's Room is being used more as a study hall each year, with a count of 720 students in 1965, and 1,095 students in 1967, and indicates a need being filled.

As a member of the Eastern Regional Library System, books are more easily available to our library, from the Thomas Crane Public Library in Quincy, and from the Boston Public Library. During the year, thirty special requests have been filled for individuals through this service.

The Library began to re-register all borrowers, for a more up-to-date record, in September of 1964. Since that date, 3,083 persons have applied for Library Cards.

All books are now loaned for a two-week period, with privilege of renewal except when in demand. This has proved to be more convenient for our patrons.

3,983 books have been purchased since 1964, and 2,063 have been replaced by newer or more recent material.

The Staff of the library has been increased to four, and work is going ahead to improve where needed, and to maintain the pleasant atmosphere of former years.

ETHEL J. SHIVERICK.
Librarian

REPORT OF THE TRUSTEES

The increasing use of the Library, especially by our young people, is a source of great satisfaction to us, and we trust that this results in part from our efforts to furnish a greater variety and depth of books and reference material to meet the need of our townspeople. We would again suggest to all patrons that they advise the Librarian of any type of reading material which is needed, and most requests can normally be filled within a short time.

We are indebted to the many friends of Mrs. Mildred Bergonzoni Richter for the funds which they provided in her memory to initiate the collection of recordings which is now available. We are sure that this living memorial will provide much pleasure to those who enjoy good music.

In the renovations which were completed in 1965, provisions were made for an "historical room" which would serve as a repository for important and interesting records of our town. Through the cooperation of the Trustees of the Elizabeth B. Sampson Fund, we have made a start in providing facilities in this room for the safe-keeping of such historical material. In order to further the value of this project to future generations and researchers, we are soliciting the donation of items of historical interest and will be glad to discuss the matter with any prospective donor.

For the many kindnesses of our patrons and friends, for the continued cooperation of other town departments, and especially for the excellent work of our library staff, we are sincerely grateful.

Respectfully submitted,
ROBERT A. JONES, Chairman
JANET A. GIAMMARCO, Secretary
ROLAND S. BAILEY, Treasurer

Library Trustees

REPORT OF THE DIRECTOR OF VETERANS' SERVICES

I hereby submit the annual report of the Office of Veterans' Services for the year ending December 31, 1967:

Active cases, January 1, 1967	13
New cases during 1967	20
Cases closed during 1967	10
Cases denied	4
Disability and widows pensions processed and received	4
Veterans hospitalized	5
Miscellaneous contacts (legal, education, insurance, loans, G.I. bill, etc.)	100
Active cases December 31, 1967	23

A new law just passed which classifies all servicemen who served from 1955 to the end of the Vietnam action, as veterans, is bound to impact the operation of this office, both in the service area and budget requirements. The facilities of this office are available each Tuesday evening at the new office (across from the Town House) between the hours of 8 and 10 P.M.

Respectfully submitted,

LAURENCE P. REID,
Director

REPORT OF THE PLANNING BOARD

A total of 69 lots were approved under our subdivision control law. As in the past years, there was considerable activity in "No approval required" lots on existing ways. A total of 35 were signed by our clerk. In conjunction with the Board of Appeals lots were approved and endorsed in Westerly Village.

Master plans were discussed and an article will be on this year's warrant.

We regretfully report that we lost the services of Mr. Clinton Keith, who chose not to run for re-election. Mr. Keith devoted a great number of years to the Planning Board and his counsel, knowledge and good judgment have been invaluable.

Mr. William Fairweather won election to the board.

Mr. Frederick Smith was elected clerk of the board.

Town Clerk, Mr. George W. Cushman, continues as our agent and is available between meetings to help those who have business with the board.

Respectfully submitted,

HARVEY C. LeSUEUR, Chairman

FREDERICK J. SMITH, Clerk

ARTHUR E. BEANE, JR.

WILLIAM R. FAIRWEATHER

The Board of Public Welfare will continue to meet the first and third Tuesdays at 6:30 P.M. with emergency meetings to be held as necessary until July 1, 1968.

On July 1, 1968 in accordance with Chapter 658 of the Acts of 1967 our Board will be dissolved and the State will assume the administration of Public Assistance in Massachusetts. At this time it appears that employees will remain at the Annex for a period of time and will be available for service to our Town.

We wish to assure our residents that even though the administration and costs will be assumed by the State that your Town Officers will still be interested in your needs and concerns. It is with reluctance that we bid adieu to local

welfare administration as it had always been our endeavor to give our citizens the best possible service, as well as meet their needs.

At this time we wish to thank all the other Town Departments, State Departments, and residents of Kingston for their excellent cooperation during the past year.

Respectfully submitted,

KENNETH J. CRAM, Chairman
ROY L. McLEAN
ROSCOE A. COLE, JR.

PARTIAL REPORT OF THE WAGE AND PERSONNEL BOARD

The Wage and Personnel Board has successfully completed approximately 60 per cent of the Personnel plan to date. Areas that have been of prime interest to Town personnel such as vacations, sick leave, compensatory pay for jury duty, etc., have been discussed and approved.

A great deal of work has yet to be done in the area of job classification, job evaluation, position description guides, and organizational clarification of work areas.

The Board has reviewed all personnel plans from towns in the area and incorporated some of the better guidelines that are in use at the present time.

During the next few months as data is collected from various town departments and consolidated, the rough draft of the completed report will be presented to the office of the Selectmen for initial approval of the contents and a determination that Massachusetts law and statutes have been abided by.

Respectfully submitted,

JOSEPH F. McGRATH, Chairman
LOUIS V. LAPINSKI, Secretary
PHILIP S. BARNES, JR., Clerk

Wage and Personnel Board

REPORT OF THE PARK DEPARTMENT

Though the parking receipts were low at Gray's Beach this past season, Kingston resident attendance was high. We, the Commissioners, are pleased to see more of our fellow Kingstonians using and enjoying the facilities available to them.

We would like to extend our thanks to the Trustees of the Elizabeth B. Sampson fund for making it possible for us to install swings and see-saws at the beach. Many enjoyable hours have been spent by our children on them.

During the storm in May, one of our rafts at the beach was severely damaged, fortunately it was the old one. We were able to expedite the construction of the replacement raft, and had it in use during the swimming season. We also put into service our new floats, used to mark off the swimming area.

There were occasional week-ends when we had to employ the services of a second lifeguard, due to the overcrowded condition of the beach. Even with this added protection, we still received numerous reports of near fatal accidents. The Commissioners urge all parents to be especially watchful of young children, while at the beach.

In our 1968 budget we have requested funds for the relocation of the lower portion of the road at Gray's Beach from its present location. It is our intention to move it behind the area of the swings. Our purpose for the foregoing is twofold. First and foremost is safety of our children. Presently the road lies between the beach and the playground area, necessitating the crossing of the road to go to and from the beach. It is near impossible for a vehicle to stop properly on this road in its present location, due to sand that is ever present on the road. With the parking relocated it will provide an unobstructed view for the parents with children, be they at the play area or on the beach. Secondly, by removal of the lower portion of the road this area can be filled with

beach sand thereby increasing the size of the beach in depth. With the crowded conditions that exist on week-ends, it is apparent that a larger beach is needed.

The Commission extends its appreciation to all those departments and personnel who have rendered assistance to us.

Respectfully submitted,

ARTHUR VANTANGOLI, Chairman
JOHN E. GORMAN
JOHN J. COFFEY

Park Commission

REPORT OF THE WATERFRONT COMMITTEE

During the past year the Kingston Waterfront Committee carried out the usual maintenance and repair work to keep the racks and floats safe for public use. The racks were supplied with new moorings and chains. The beach area was cleaned and sanded and minor repairs made to the launching ramp. New signs were installed and others were repaired and re-lettered.

It is our hope that sufficient funds will be made available in the near future to replace the ramp as it is steadily deteriorating.

Respectfully submitted,

BENJAMIN F. WALKER, Chairman
DONALD C. GAULEY, Secretary
LAWRENCE S. MORTON, Agent

WATER COMMISSIONERS' REPORT

As we survey the year completed and view the year to come, we are once more impressed with the need for humility in making forward predictions. The year 1967 produced pause and readjustment rather than the growth so widely predicted. There was a more confident economic note at year end, not altogether supported by tangible evidence. This was certainly true of the tax rate increase in 1967 while at the same time building in Kingston continued on a mild upbeat.

1967 was another year of further accomplishment from factoring operation. An imaginative system's approach resulted in important increases in output.

The water project mentioned in our 1966 report was done by Donahue and Flaherty of Boston. The project was started in March and was substantially completed at the end of the year. Various delays were encountered for many reasons which were most unfortunate. It appears most large projects encounter many problems during construction and this project was no exception. We hope that all these problems have been solved to the satisfaction of your Water Commissioners. This project replaced a 6-inch and 8-inch cast iron pipe with a 14-inch transite pipe from Main Street along Brook Street, Elm Street and Indian Pond Road to the water tank off Indian Pond Road. The 6-inch and 8-inch cast iron pipe was installed when the water system was first started in Kingston in the year 1886.

Also under this project, 5,100 feet of 8-inch transite pipe was installed from the Winthrop Street Station to Brookdale Avenue with seven (7) new hydrants. Another step forward for the good of your Water Department. This installation forms a loop for the water system to the northwest section of the town for added fire protection. Also further—4 new hydrants were installed on Brook Street, five (5) new hydrants on Elm Street and five (5) new hydrants on Indian Pond Road.

Facts and Figures

	1967	1966	1965
Revenue from operation	\$54,527.04	\$51,767.93	\$48,027.56
Appropriated for			
Maintenance	\$43,326.00	\$41,500.88	\$42,134.75

			(6-11-67--6-17-67)

New Water Mains or Mains Replaced

350 feet of pipe replaced on Cedar Lane with 1 hydrant. 1,000 feet of pipe replaced on Loring Avenue with one hydrant. 650 feet of pipe replaced on Nelson Street with one hydrant. During the year 42 new services were installed into new houses. Fourteen services were installed into vacant lots that are already laid out so that the Highway Department could complete the roads. Seventeen services were renewed and fifteen services were transferred from old mains to new transite mains on Cedar Lane, Loring Ave. and Nelson Street. As of January 1, 1968, there were 1,989 services in use.

The Water Commissioners have not submitted any articles for the 1968 annual town meeting for your consideration. In our 1966 report we listed several items that must be considered in the near future depending on the future growth of the town. However, realizing the importance of always practicing strict economy and not losing sight of the increase in the tax rate for 1967 and to give the taxpayers a "break" for 1968, the Water Commissioners unanimously agreed to postpone any future expansion of the department for 1968. fully realizing as the town's population increases so must the

facilities of your Water Department in order that all our citizens may enjoy the finest water in the state as well as being well protected from fires.

Again, permit your Water Commissioners to thank you for the fine cooperation received in the use of water for outside purposes. With your cooperation, water is not abundantly wasted.

Respectfully submitted,

RICHARD W. LORING, Chairman

EARL S. SAMPSON

JAMES A. ROBARE

Board of Water Commissioners

REPORT OF THE BOARD OF HEALTH

Recent years have shown a decided increase in the activities of local Boards of Health, a prime factor being the creation of new State Laws. As reported previously, the State Sanitary Code has been in effect since 1961 and has, in the interests of health and sanitation, been followed closely by your local Board. Important among the subjects covered by this State law is the periodic inspection of food handling establishments by a Registered Sanitarian, employed by the town. Subsequent reports by the Sanitarian have indicated certain corrections and improvements for the protection of the public are to be made in some of these establishments. The violations found are in the process of being corrected.

This year, as usual, numerous complaints were received, some were unfounded and some were, in fact, problems. All were investigated and the necessary action taken when required.

In cooperation with the Plymouth County Health Association your Board held a Mobile X-ray Clinic at the Town House on November 14, 1967, the previous one having been held on November 22, 1963. We were pleased to offer the citizens the opportunity to receive the free chest X-rays.

Through the excellent cooperation of the Plymouth Community Nurse Association, who have been under contract with the town since 1961, Well-Child Conferences for infants and pre-school children of Kingston have been held monthly. We are indeed fortunate to have been given permission to use the facilities of the Elizabeth B. Sampson Memorial Hall (formerly known as the Beal House) for conducting the clinics. On behalf of the citizens of the town we take this opportunity to publicly express our appreciation for the generosity extended by the Trustees.

Bacteriological analyses have been made during the summer months of the various bathing areas in the town. The specimens were forwarded to the State for analysis within 24 hours of procuring same. In all tests made the State Department of Public Health has informed us that the areas

tested were considered safe for bathing purposes.

During the year the Board of Health deemed it necessary to make a change in the supervision of the town dump. It is our considered opinion that the dump has rapidly become more of an engineering rather than a health problem. Consequently, the 1968 budgets, if approved by the voters at the annual town meeting, will include funds in the Highway budget and as of April 1, 1968 the town dump will be under the supervision of the Superintendent of Streets.

The insect control program was continued this year with the mist blower in operation every night, weather permitting, during the past season. The Blackwater Swamp was sprayed by air through the cooperation of the Plymouth County Mosquito Control project, to further aid the pest control.

During December we were informed by the State Department of Public Health that all Retail Food Stores must be registered and that the local Boards of Health have the prime responsibility for enforcement of rules and regulations. We are presently in the process of submitting applications to all retail food establishments. Certificates are not to be issued unless the establishments comply with the rules and regulations. Periodic inspections must be made during the year and the results found will be forwarded to the State Department of Public Health.

The public is reminded that communicable diseases and dog bites are reportable to the local Board of Health who in turn submit this information to the State Department of Public Health.

Following this report is one prepared on Solid Waste Disposal which involved a considerable amount of time in research and study. We believe that you will find this report most informative.

Respectfully submitted,

ROSCOE A. COLE, JR., Chairman

ROY L. McLEAN

KENNETH J. CRAM

Board of Health

**TOWN OF KINGSTON
BOARD OF HEALTH
REPORT OF SOLID WASTE DISPOSAL
DECEMBER 31, 1967**

PURPOSE --

- To review operations and cost to date.
- To evaluate future life of the present facility.
- To recommend a plan for future disposal.

HISTORY --

Although Kingston's solid waste (rubbish) disposal problems are as old as the town itself, a continuous and formal record of disposal methods and cost does not appear in town reports until the early twenties. Duly recorded in 1921 is the closing of the dump on Stony Brook Hill between the Boston and Duxbury roads, and the opening of a temporary site off Bates Pond Road. Within a short time a more permanent facility was established at the site of the present Kingston Drive-In Theater and the year of 1950 saw the opening of the present dump west of the By-Pass and north of Smith's Lane.

Annual reports of the Board of Health carried pleas to citizens to use the town dump instead of resorting to roadside disposal and to help keep the dump as clean as possible. Uncontrolled burning and its by-products of smoke and smell were sources of complaint while the reduction of fires was, and still is, a source of business for the Fire Department.

In short, the dump has been an obnoxious necessity which the citizens would prefer to ignore — usually doing so with fair success.

Today, after at least 47 years of community effort to "get rid of the trash," we are still faced with the same problems of how and where, but the satisfactory solutions of the past are sufficient. It is no longer enough to convert the forest glen or picturesque ravine into a plague spot where trash and garbage are left to burn and decay. Legislated and moral

pressures dictate conservation of the land for use of our own and future generations. Insistent pleas of residents and taxpayers for relief from the malodorous smoke and its fall out of sooty debris have forced us to look for better means to reduce and end these nuisances.

The years 1966 and 1967 brought the first determined, if feeble efforts, to abate the fire, smoke and smell through a program of reduced burning during the summer months. Use of sand and fill material to cover the rubbish, increased surveillance by caretakers, restrictions of dumping hours and more accessible hydrant locations helped to reduce fire incidence and nuisance with boosting protection against forest fires.

The benefits were not without increased costs. Annual "Dump Maintenance" expenditures, which rose slowly from a few hundred dollars a year to the \$2,000 level in 1963, jumped to near \$5,000 in 1966. Land use, a near negligible factor in the burning dump, suddenly became a matter for concern. These factors are important considerations in discussion of future disposal.

PRESENT SITE STUDIES —

If we continue the year round, burning dump policy the need for immediate action by the town disappears. As long as old refrigerators, washers, etc., have sufficient junk value to warrant removal from the site, the remaining life of the present dump might be estimated at 5 to 8 years. However since there is little to support the pursuit of this policy and ample evidence to suggest that it would not be permitted, disposal by burning and decay is not recommended by Board of Health.

The modified landfill, i.e., covering instead of burning, offers an improved disposal method and the past two years have brought some first-hand experience in its operation and cost. For example, cover material in 1967 was excavated on the site, in contrast to the 1966 method where approximately

2,000 yards of material was purchased from an outside source, thus effectively increasing the capacity of the area. Some compaction before covering was achieved by a medium weight bulldozer — again, conserving the useable area. Measurements of land use and costs for contractor, excavating, hauling and covering were recorded from mid-June through September of 1967 to establish volumes and unit costs needed for future planning. Data obtained from the above, with published technical information on refuse composition, weight, etc., have been used to project costs for a year-round modified landfill. This projection for the year 1967 shows the following:

Volume of refuse, (solid waste material except brush stumps and large appliances) 3,680 tons.

Cost per ton for disposal \$4.07.

Land use (depth of 10 feet) 1.15 acres.

Approximate annual cost \$15,000.

The projection does not include caretakers' wages, expenditures for the water facilities, fencing and use of town personnel and equipment.

Despite the short study period the projected statistics on land use are comparable to those published in technical journals on the subject. Costs however, are higher than the \$1 to \$3 per ton published land fill data but less than the \$4.50 to \$10 per ton cost for incineration.

From the above, and from inspection of the site, it can be reasonably concluded that the year-round modified land fill will triple our current annual cost; that year-round operation will exhaust the site in as little as one year; and, that a 12-week summer land fill operation with burning during the rest of the year should provide for about 3 more years of use.

EVALUATION OF A NEW DISPOSAL AREA —

The 1966 Annual Town Meeting accepted a 20-acre parcel of land donated by Lot Phillips for solid waste disposal pur-

poses and voted \$3,000.00 for a survey of the parcel and the layout of a road (Cazale Way) to the site. The 1967 Town Meeting voted an additional \$1,447.00 for the survey project, but development of the facility came to a halt when the Town Meeting voted not to accept the extension of Smith's Lane (Cazale Way). As a result of the two town meetings a total \$3,510.50 was spent for the layout of the road. In the interim, additional information gained makes it necessary to re-evaluate our plan for the Lot Phillips land.

The remoteness of the site is recognized as a problem, the solution of which requires 7,200 feet of road construction and the development of a water source for fire prevention and control at costs of about \$40,000.00. In addition, future needs for the well site on the property as a source of public water supply must be determined. If it is to be conserved disposal area reduced by about one-half.

Finally the policies of the Massachusetts Department of Public Health regarding disposal areas are of prime importance in determining our future course. We are advised that the transfer of the dump to another location will make a full land fill operation mandatory while continuation, including enlargement, of an existing operation will be tolerated if the operation does not become a nuisance.

A full land fill operation on the Lot Phillips land would have the following requirements and/or end results:

1. No burning including brush and stumps.
2. Daily covering of rubbish with suitable cover material compacted to a minimum depth of two feet.
3. The probable need to dedicate heavy equipment to the operation for daily covering and compaction. Recommended equipment weighs about 20 tons, cost about \$40,000 and would not lend itself to operation by personnel other than experienced operators.
4. The probable need to limit most disposal to bulk loads and therefore make municipal collection necessary for

economical operation and for controlled land use. Municipal collection costs alone have been estimated at \$20,000.00 and up per year for a town of our size.

5. Full-time surveillance to insure disposal in relatively small designated areas with adequate measures to deny access during hours when surveillance is not available.

In summary, continuation of plans to utilize the proposed site will require, within two or three years, capital expenditures reasonably estimated at \$100,000.00 or more and annual operating costs comparable to those for a substantially larger community. There is little to favor the move beyond the facts that the dump will be hidden and the land is free.

RECOMMENDATIONS --

In view of the above, the Board of Health recommends the expansion of the existing location on adjacent land. Such an expansion will permit a disposal operation with less restricted requirements than those imposed by the Massachusetts Department of Public Health for a new site and, therefore, less costly.

The program to reduce the nuisances of fire, smoke and unsightliness should be continued and increased. A year-round modified land fill similar to the present summer operation can accomplish these objectives without the heavy costs required by relocation. Covering can be reduced substantially in both depth and frequency.

Equipment to accomplish the needed compaction and covering would be required two or three times per week rather than on a dedicated basis. The proximity of the present site to the Town Barn makes it feasible to transport the equipment to the disposal area as needed, thus making the equipment available for other town work, as required, as well as easing problems of maintenance and storage.

Construction work for access and water extension would be minimal and the surveillance job by caretaker and police would be less complicated.

Brush burning can be continued with controls to insure relief from prolonged, smouldering fires.

OUTLOOK —

Planned and controlled use of the area can be anticipated to provide for Kingston's solid waste disposal to at least 1980 when the volume of refuse will nearly double that of 1967. Advances in the development of disposal methods by that date may, hopefully, eliminate the need to use large land areas for solid waste disposal purposes. The town should watch these with interest and be prepared to take advantage of new techniques to eliminate forever the nuisance that is the dump.

TRUSTEES ELIZABETH B. SAMPSON MEMORIAL FUND

During the past year work on the Elizabeth B. Sampson Memorial tract has progressed steadily. Under the direction of the Conservation Commission a large area along the Elm Street border was cleared, paths cut to permit access to the interior of the park, roads provided for proper fire protection and picnic centers established. Present plans call for building a bathing area, installation of limited facilities for off-street parking, landscaping of the roadside along Elm Street, some additional clearing and equipping of the picnic centers.

Since the feasibility of providing a bathing area is still dependent on further investigation and reports, this portion of the project cannot yet be considered definite. However, by assigning a portion of this year's income and utilizing the balance remaining in the original appropriation from capital, sufficient funds are assured for substantial completion of all the work presently contemplated. As the work progressed the trustees' confidence in the value of the project has grown constantly greater and we are certain the town will appreciate the worth of this asset still more with each passing year.

Recommendations for appropriations from income for other purposes are confined this year to two relatively small sums. In one instance to continue to repair and improve the town cemetery, in the other to contribute again toward properly equipping the historical record room at the library. Several other requests, though sought for entirely worthy purposes, were not recommended since they appeared more properly as regular departmental maintenance expenses.

At the request of one of the town's departments the general policy pursued by the trustees was critically reviewed. Subsequently, the established policy was reaffirmed as in the opinion of the present trustees it appeared responsive to a variety of needs, originating in many segments of the community, and provided equipment or services the town might

have been reluctant to furnish through the added tax burden of regular appropriation.

Nevertheless, the trustees readily concede that no policy should be fixed in the face of changing times and conditions and suggestions, whether specific or general, are welcome from any department or individual citizen.

Respectfully submitted,

Trustees of the Elizabeth B. Sampson
Memorial Fund

REPORT OF THE DEPARTMENT OF CORPORATIONS
AND TAXATION
BUREAU OF ACCOUNTS

August 17, 1967

To the Board of Selectmen
Mr. Roy L. McLean, Chairman
Kingston, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Kingston for the period from November 12, 1963 to November 19, 1966, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

ARTHUR H. MacKINNON,
Director of Accounts

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Kingston for the period from November 12, 1963, the date of the previous audit, to November 19, 1966, and report thereon as follows:

An examination and verification was made of the financial transactions of the town as reported on the books of the several departments receiving or disbursing money for the town or committing bills for collection.

The town accountant's ledgers were analyzed and checked in detail. The receipts, as recorded, were checked with the

town treasurer's books, the recorded payments were compared with the treasury warrants and the treasurer's cash book, and the appropriations were checked with the town clerk's records of financial votes passed at town meetings.

The necessary adjustments resulting from the audit of the several departments were made, a trial balance was taken off, and a balance sheet showing the financial condition of the town on November 19, 1966 was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked. The receipts were compared with the records of the several departments collecting money for the town and with other sources from which money was paid into the town treasury, while the payments were checked with the warrants of the selectmen authorizing the disbursement of town funds. The cash balance on November 19, 1966 was proved by actual count of the cash in the office, by reconciliation of the bank balances with statements furnished by the banks of deposit, and by examination of the savings bank book.

The savings bank books and securities representing the investments of the trust and investment funds in the custody of the town treasurer and the trustees were examined and listed. The income was proved, and all transactions and balances were verified and checked with the books of the town accountant.

It is again recommended that withdrawals from the Elizabeth B. Sampson Memorial Fund be made prior to the payment of bills chargeable to the authorized expenditure accounts.

The deductions from employees' salaries and wages for Federal and State taxes, county retirement system, and group insurance premiums were audited and reconciled with the amounts paid to the proper agencies.

The recorded payments on account of maturing debt and

interest were verified by comparison with the accounts payable and checked with the cancelled accounts on file. The bond and coupon account was reconciled and the outstanding coupons were listed.

The records of tax titles and tax possessions held by the town were examined. The taxes transferred to the tax title account were compared with the collector's records, the reported redemptions were checked with the treasurer's cash book, and the tax titles and tax possessions on hand were listed and reconciled with the accountant's ledger and compared with the records at the Registry of Deeds.

The books and accounts of the town's Motor were examined and checked in detail. The poll, personal property and real estate taxes, and motor vehicle excise - outstanding at the time of the previous examination, as well as all subsequent commitment lists, were audited and checked with the warrants issued for their collection. The recorded collections were compared with the payments to the treasurer, the recorded statements were proved with the assessors' records of abatements granted, the amounts transferred to the tax title account were verified, and the outstanding accounts were listed and reconciled with the respective controlling accounts in the town accountant's ledger.

The commitments of departmental and water accounts receivable were examined and checked. The recorded receivables were checked with the payments to the treasurer and the outstanding accounts were listed and reconciled with the available records in the several departments.

The outstanding accounts were further verified by mailing notices to a number of persons whose names appeared in the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The surety bonds for the several town officials returned by law to furnish such surety were examined and found to be in proper form.

The town clerk's records of dog and sporting licenses issued and of miscellaneous receipts were examined and checked, the payments to the State being verified by comparison with the receipts on file and the payments to the town being checked with the treasurer's cash book.

The records of receipts of the board of selectmen, the scaler of weights and measures, the building inspector and the gas inspector, as well as of the police, health, school, and library departments, and of all other departments collecting money for the town, were examined, checked, and reconciled with the treasurer's and accountant's books.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of the tax, excise, tax title, tax possession, departmental, and water accounts, together with schedules showing the condition and transactions of the trust and investment funds.

During the progress of the audit cooperation was extended by all town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ.
Assistant Chief of Bureau

**A PARTIAL REPORT
KINGSTON ELEMENTARY SCHOOL
BUILDING COMMITTEE**

The Kingston Elementary School Building Committee met regularly during the year 1967. Progress was held up for eight months due to a State Department of Education study on the implementation of the Willis-Harrington Report.

In August the School Building Assistance Bureau approved the preliminary educational specifications. Final educational specifications were approved in November. The Committee is now studying land acquisition and the preparation of architectural plans and specifications.

Our final report will be submitted at a future special or regular town meeting.

Respectfully submitted,

ROGER C. STURTEVANT, Chairman
CHARLES L. FARRINGTON, JR., Secretary
GERALD S. BARCLAY
CLAYTON C. FIELD
EARLE M. ZAHN

REPORT OF THE PLUMBING INSPECTOR

Submitted herewith is the report on plumbing inspections for the year 1967:

Number of Plumbing Permits Issued 93

Between first inspection and completion inspection 105 inspections were completed.

I wish to express my appreciation to the Town Accountant, Mrs. Irma A. Ruffini, Town Clerk, George W. Cushman and Building Inspector, George A. Walsh for assistance in issuing permits and aid to this department.

Respectfully submitted,

By JAMES A. ROBARE,
for the late

ROBERT H. RIEDEL, SR.
Plumbing Inspector

ANNUAL REPORT OF THE SCHOOL COMMITTEE OF THE TOWN OF KINGSTON MASSACHUSETTS

Including a Report of the
SILVER LAKE REGIONAL SCHOOL DISTRICT

FOR THE YEAR ENDING

DECEMBER 31

1967

SCHOOL DIRECTORY

SCHOOL COMMITTEE

Mr. John H. Durgin, Chairman	Term expires 1968
Mrs. Lilius F. Cingolani, Secretary	Term expires 1969
Mr. Robert R. Barbieri	Term expires 1969
Mr. Amelio E. Ruffini	Term expires 1970
Mr. Lawrence B. Westgate	Term expires 1968

The School Committee meets at 7:30 p.m. on the second Monday of each month at the Elementary School.

ADMINISTRATION OFFICE

Mr. Francis M. Moran	Superintendent of Schools
Mr. John F. Maloney	Assistant-Superintendent of Schools
Mrs. Nell S. Stegmaier	Elementary Curriculum Coordinator
Mrs. Mildred M. Ford	Office Administrative Assistant

SCHOOL CALENDAR

Winter Term	January 2 thru February 16, 1968
Second Winter Term	February 26 thru April 11, 1968
Spring Term	April 22 thru June 21, 1968
Fall Term	September 5 thru December 20, 1968

In addition to all legal holidays, schools will be closed on the Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio on stations WHDH, WBET, AND WPLM between 6:35 and 8:00 a.m. In addition, the fire alarm signals will indicate no-school as follows:

6:30 a.m., no-school all schools, including high school.

7:00 a.m., no-school elementary only.

REPORT OF THE SCHOOL COMMITTEE

To the Board of Selectmen
and Citizens of Kingston:

We ought to point out first that expansion has again been the keynote in our school system. In the past six years we have enrolled an additional 200 pupils in the elementary schools. Our total complement of youngsters now stands at 669.

This pressure has brought with it numerous problems, yet when we compare our situation with that of other towns it is evident we have come through much better by comparison. Kingston's people seem to have stood by their public schools very well indeed.

Our general program of studies is about as it was. The results on achievement tests and independent staff reports show us to be working well with the pupils, by and large. Reading and science curriculum will be updated next year now that the system has grasped and is comfortable with "new math" introduced earlier. We are reaching out more in special ways for youngsters who, by getting a better start early, will be able to keep up and get more out of school and life later on. A teaching specialist devoting full time to reading instruction, for example, is helping in this direction.

The major problem we now face is one of space. We are growing at a rate near two classrooms a year. A new elementary school facility is in planning and we urge its authorization without delay. As it is, space for the 1968-1969 school year will be on a "make do" basis.

During the summer of 1967, we held ABC School for scores of incoming First-Graders—to get them used to the school routine and for us to know better how to work with them during the school year. The State is becoming a force in requiring kindergarten as part of the regular school curriculum. Our present information is that in the early 1970's we will be required to open public kindergarten as part of the school program.

REPORT OF THE SCHOOL COMMITTEE

To the Board of Selectmen
and Citizens of Kingston:

We ought to point out first that expansion has again been the keynote in our school system. In the past six years we have enrolled an additional 200 pupils in the elementary schools. Our total complement of youngsters now stands at 669.

This pressure has brought with it numerous problems, yet when we compare our situation with that of other towns it is evident we have come through much better by comparison. Kingston's people seem to have stood by their public schools very well indeed.

Our general program of studies is about as it was. The results on achievement tests and independent staff reports show us to be working well with the pupils, by and large. Reading and science curriculum will be updated next year now that the system has grasped and is comfortable with "new math" introduced earlier. We are reaching out more in special ways for youngsters who, by getting a better start early, will be able to keep up and get more out of school and life later on. A teaching specialist devoting full time to reading instruction, for example, is helping in this direction.

The major problem we now face is one of space. We are growing at a rate near two classrooms a year. A new elementary school facility is in planning and we urge its authorization without delay. As it is, space for the 1968-1969 school year will be on a "make do" basis.

During the summer of 1967, we held ABC School for scores of incoming First-Graders—to get them used to the school routine and for us to know better how to work with them during the school year. The State is becoming a force in requiring kindergarten as part of the regular school curriculum. Our present information is that in the early 1970's we will be required to open public kindergarten as part of the school program.

Our staff is, we believe, as fine now as it has ever been. There are senior teachers along with newer ones. All are continuing to educate themselves toward doing a better job with our pupils. We are particularly proud of all our group and its leadership and are pleased to say so.

It is unusual for us to comment upon matters not directly within the department. Yet, since we are an appointing authority to the Silver Lake Regional School District, it is perhaps our privilege — and duty — to make a statement now and then. We feel an expanded Vocational School ought to be a major priority. We point out that though it is now well run, it is run on such a small scale that it excludes many times the pupils — girls as well as boys — that we should be able to educate there. It is our earnest hope Kingston citizens will support any move on the part of the Silver Lake leaders to give us the type of vocational school program many other communities are now providing.

Mrs. Edith Cobb, a valued member of the School Committee, and its secretary for many years, retired in March. Her work was always well done and of great benefit to the town. Mr. Amelio E. Ruffini was elected to fill the committee vacancy thus created.

A large number of people are at work to give us good schools and keep them that way. We can all be guided by Horace Mann's words in this effort: "No community should rest contented being superior to other communities while it is inferior to its own capabilities."

Respectfully submitted,

JOHN H. DURGIN, Chairman

LILIAS F. CINGOLANI, Secretary

Kingston School Committee

December 31, 1967

REPORT OF THE SUPERINTENDENT OF SCHOOLS — 1967

To the School Committee and
Citizens of the Town of Kingston:

It is with a deep sense of concern that I begin this report of the 1967 school year. This concern is not for the quality of our educational programs but rather for the steadily increasing costs of conducting this most important service in our town. The Superintendent and the School Committee take very seriously the responsibility for providing the best education at the most efficient operating level possible.

Several forces effect the level of education provided in our communities. One is the parent of the school-attending child. Every parent wants the very best — not what somebody thinks the town can afford. Another is the School Committee, Administrators, and teachers. These are the leaders and the professionals who have the responsibility for providing quality education to all children. The third party is the State Department of Education which is establishing quality levels, as well as increased state aid to implement these regulations. Lastly, are the present day demands by society for greater and greater competence from all of us if we are to meet the problems of the future, whether it be in industry, government or in our daily lives. The effort must be steadfast because the results will be the foundation of the future of our children and the world.

Silver Lake Regional School District

Silver Lake has had more than its share of problems, disappointments, inconveniences, and changes during the past year. Foremost of these is the yet uncompleted Junior High School which was scheduled to open in September and which, as of this writing, will not be ready for several months. The resulting double sessions have had far reaching effects on both junior and senior high school programs, as well as on the pupils and parents of the seventh and eighth grades. The waste in human resources is the greatest loss. Profes-

sionally the staff is handcuffed by the lack of time and space from doing the job they would like to do. Educationally the students have been shortchanged. Inconvenience is the least of our concern as we assess this double session experience. The losers are the children. Gratefully they will recover but should teach the lesson that double sessions are to be avoided at all costs. They are expensive and educationally non-productive.

Acting Principal of the High School, John Rock, reports from a rather limited tenure as Principal. He succeeded Arthur P. Silvester, who resigned in November to take a new position in Lakeville. Mr. Rock makes the following observations:

—Physically the high school program is adjusting well to the overcrowded situation although little can be done toward improving our program until the junior high moves out.

—Almost one-third of the staff are new to Silver Lake. He looks with concern on the new selective service regulations which no longer defer teachers, making recruitment and retention of staff more difficult next year.

—Public Law 763, has increased the administration's involvement in collective bargaining and the written contract. Lack of familiarity with requirements of labor contracts by both management and non-teaching personnel has required constant concern with this new problem on the public school scene.

—Introduction of a Data Processing course and I.B.M. unit record equipment opens up a whole new era in commercial education at Silver Lake as well as providing much needed mechanical assistance in central office procedures.

—Team-teaching experiments have worked successfully in the sciences and made necessary, in part,

by the use of the Little Theatre as a teaching station.

—Distributive Education brings together the facilities of the vocational and academic schools in a new work-experience program in distributive or sales occupations.

—Summer school continues to serve the needs of many students at Silver Lake and surrounding towns.

Vocational School

A significant change in the direction of Vocational Education at Silver Lake resulted from the Halifax town meeting vote rejecting the regional vocational proposal. While not permanently ruling out the regional possibility the vote had the effect of increasing the efforts of the Silver Lake Committee toward researching the possibilities at Silver Lake.

Ralph H. Binns, Director of the Vocational School makes the following observations on the 1967 school year:

—The new course in Distributive Education is working well with senior students.

—The course planned for September, 1967 in Electronics had to be postponed for lack of adequate space in which to conduct the course. Plans are ready for next September as space becomes available.

—M.D.T.A. Adult Training Courses in auto body and auto repair are continuing to provide a much needed service to our communities.

—Evening school also is providing community service and is expanding its offering.

—An expanded guidance program is scheduled for 1968, as well as remedial reading in the English-Social Studies area.

An interesting enrollment statistic shows 82 of the 153 boys and girls in vocational programs are enrolled in combination vocational-academic programs. Such a trend is commendable.

Junior High School

As mentioned earlier in this report the new Junior High School was the major problem of the Silver Lake year 1967. The unsung heroes of the year have to be the faculty and the Principal, Arthur T. Hand. In addition to carrying out their day-to-day assignments they helped plan the new school, prepared two master schedules—one for a regular session and one for the double sessions, and helped in so many ways to minimize the limitations of a reduced schedule.

Some of the items mentioned in Mr. Hand's report are as follows:

--Changes in curriculum follow the lead of curriculum committees and articulates with elementary programs in modern math, English linguistics, and Science concepts.

--1968 student enrollment projections indicate only a moderate increase allowing a welcome respite from problems of overcrowding.

--Of the 39 teachers assigned to the Junior High School, 19 are new to Silver Lake.

Every one concerned is looking forward to the opening of the new school. It is not expected that full use of the building can be achieved before September, 1968. However every effort will be taken toward occupation as soon as possible.

Union #31

Continuing improvement of the curriculum has been the objective of both teachers and administrators this past year. The goal of total unification is coming closer, but much remains to be done. That which has been accomplished has been so successful that future programs will take strength and purpose from the past. A brief statement on each changing program follows:

Modern math—now complete in grade one through

six, as well as in grades seven and eight. We have planned a workshop to write this program next summer.

Reading—Individualized reading has been introduced in nearly all classrooms and provides the fifth concept of our total reading program i.e., phonics, reading skills, individualized reading, remedial reading and library.

Science—one of the current recommendations of our curriculum committees. The union has adopted the series Concepts in Science which places strong emphasis upon understanding through observations, analysis and experimentations. This ties in nicely with the Junior High School programs.

English—also one of the recommendations of the curriculum committee. The union has adopted the Linguistic approach to the teaching of English composition. This also bridges the elementary—junior high school gap by having the same series used in the Junior High School.

Social Studies—now under study by the social studies curriculum committee. There are many exciting new approaches to this area of the curriculum and the committee hopes to have a report by the end of this school year.

Before leaving the subject of curriculum, I would like to acknowledge a debt of gratitude to the teachers who made such a significant contribution to our program as well as to Mrs. Nell Stegmaier, our Curriculum Coordinator, for her leadership.

Our Union Supervisory Program has shown significant growth and maturity this year. Growth because of steadily increasing pupil population. Maturity as a result of a better organized program, with more time given to pupils in each area. In addition to Art, Music, Physical Education, Speech,

and French we have added Guidance and Library service. Next year we have scheduled a full-time librarian and a guidance counselor. As it expands each year the union organization brings more educational service to each of its member towns, service which an individual town could not economically support.

Union activity under Title I of the ESEA was continued this past summer with a summer reading program. Under the direction of Mrs. Stegmaier and supervised by Mrs. Anne Hurley special reading help was given to underachievers in grades two through five in each town. Significant growth was measurable and the interest of children in reading for pleasure was most satisfying to the summer staff, as well as to the classroom teachers upon their return to school in the fall.

Kingston Elementary School

The population trend in our elementary grades has taken a sudden upward surge. What looked like a one classroom a year rate suddenly changed to two and we are faced next year with a need for two more classrooms and no place to get them. Plans to meet this issue are being formulated using larger class size with team or supplementary teaching arrangement to accommodate pupil needs.

The Maple Avenue School has served the town well this past year. All four divisions of the fourth grade are housed in this building. Extensive emergency renovation was necessary this past summer to prepare for the increased demand for two additional classrooms, one more than anticipated. Notwithstanding the inconveniences of being separated from the main building, the level of morale and achievement of both teachers and pupils at Maple Avenue is remarkable.

The addition of supervisory staff, a teacher aide, and a new program for the physically handicapped were matters of importance to the efficiency of our educational program. Each allows the classroom teacher more time for teaching

which is the goal of every school program. New state regulations seem to be aiming toward reducing the load of the classroom teacher while at the same time improving the services to the individual pupil. This trend is commendable.

I urge the citizens of Kingston to support the recommendation of the Elementary Building Committee. The need for space is immediate. Postponement can only aggravate the problems which result from overcrowded classes and reduced educational opportunity for our children.

Conclusion

In conclusion I wish to express my appreciation to the Principals and Staff of all our schools for their cooperation and assistance. In their behalf, as well as for those of us in the Administration Building, I should like to thank the School Committee and the Citizens of the town for their support during the past year.

Respectfully submitted,

FRANCIS M. MORAN,
Superintendent of Schools

**REPORT OF THE
SILVER LAKE REGIONAL SCHOOL DISTRICT COMMITTEE**

To the Citizens of the Silver Lake Regional School District:

It is bitterly disappointing to the members of the Regional School Committee to have to report to you that the new Junior High Building, which has been under construction for a year and a half, and which was to have been open in September 1967, is still not ready for occupancy. This 800-pupil building is to house all of the seventh and eighth grade pupils from the District. Various delays in construction have made it necessary to maintain a double session schedule for grades seven and eight until the new building is ready. As a result the students involved are getting less than a complete educational program.

Enrollment figures as of October 1, 1967 show 719 pupils presently in the seventh and eighth grades. It should be clear that the new building will not provide any long-term solution to our space problems. Also, when the Junior High pupils leave the High School Building, we will be faced with decisions as to how best to use the spaces available and what changes may be required to update the building in the light of present educational needs. This building was designed fifteen years ago as a Junior-Senior High School.

The problems of providing a planned approach to construction needs and curriculum needs of the District are matters which we will be continuing to study in the coming year. We plan to obtain professional assistance in this area by having an "Educational Building Needs Survey" done by the consulting firm of Engelhardt, Engelhardt and Leggett. We hope this will prove helpful in providing an objective outside viewpoint in evaluating our needs.

Another matter which has received considerable study by the School Committee this year is the Vocational program and the expansion needed in this area. We expect to complete a proposal at a later date for major additional offerings at Silver Lake.

In response to a request presented to the Regional School Committee by Finance Committee members and Selectmen of the District towns, we are offering a proposed amendment to the Regional Agreement for you to approve or disapprove at your Annual Town Meetings. Briefly, the change would provide that more members of the Committee be elected by the townspeople, and fewer be appointed by the Elementary School Committees. We know you will want to give this your careful consideration.

We wish to take this opportunity of thanking the administration and the staff for their efforts and cooperation. We wish to thank you, the parents, taxpayers and voters for your understanding of our mutual problems, and for your continuing support of our school.

Respectfully submitted,

BENJAMIN CONANT, Chairman
CHARLES F. BATCHELDER, III, Vice-Chairman
GEORGE W. CUSHMAN, Secretary-Treasurer
VIRGINIA M. CROSBY
HENRY D. HAMMOND, JR.

Silver Lake Regional School District Committee
December 31, 1967

REPORT OF THE TREASURER AND ACCOUNTING OFFICER

In accordance with Section 4 of Article 4, Regional School District Finances, we present herewith a detailed statement of the receipts and expenditures of the Silver Lake Regional School District for the fiscal year ending December 31, 1967 and the method by which the annual charges assessed each town for 1968 were computed.

GEORGE W. CUSHMAN, Treasurer
FRANCIS M. MORAN, Accounting Officer

THE COMMONWEALTH OF MASSACHUSETTS
Department of Corporations and Taxation
Bureau of Accounts

Silver Lake Regional District School Committee
Kingston, Mass.

Gentlemen:

May 31, 1967

I submit herewith my report of an audit of the books and accounts of the Silver Lake Regional School District for the period from November 12, 1963 to November 19, 1966, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

ARTHUR H. MacKINNON,
Director of Accounts

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts
Sir:

As directed by you, I have made an audit of the books and accounts of the Silver Lake Regional School District for the period from November 12, 1963, the date of the previous examination, to November 19, 1966, and report thereon as follows:

An examination and verification was made of the recorded financial transactions of the district, as shown on the books of the departments receiving or disbursing money or committing bills for collection.

The accounting officer's ledgers were analyzed and checked in detail. The receipts, as recorded, were checked with the district treasurer's books, the recorded payments were compared with the treasury warrants and the treasurer's cash book, and the appropriations were checked with

the district clerk's records of financial votes passed by the district committee meetings.

The necessary adjustments resulting from the audit of the several departments were made, and a balance sheet showing the financial condition of the district on November 19, 1966 was prepared and is appended to this report.

The books and accounts of the district treasurer were examined and checked. The receipts were compared with the records of the several departments collecting money for the district and with other sources from which money was paid into the district treasury, while the payments were checked with the warrants of the committee authorizing the disbursement of district funds. The cash balance on November 19, 1966 was proved by actual count of the cash in the office and by reconciliation of the bank balances with statements furnished by the several banks of deposit.

The deductions from employees' salaries and wages for Federal and State taxes, county retirement system, and group insurance were audited and reconciled with the amounts paid to the proper agencies.

The reported payments on account of maturing debt and interest were compared with the amounts falling due and checked with the cancelled securities on file. The outstanding bonds and coupons were listed and reconciled with a statement furnished by the bank of deposit.

The records of assessments against the member towns to provide funds for the operating and construction expenses of the district were checked with the articles of agreement. The payments to the treasurer were verified, and the outstanding accounts were listed.

The charges for tuition and rentals, as well as other miscellaneous charges, were examined and checked, the payments to the treasurer being compared with the treasurer's cash book.

The records of receipts from school lunches, athletic activities, vocational education, driver training, and practical arts were examined, checked, and reconciled with the treasurer's and the accounting officer's records.

It is recommended that an effective control of cash collections at the junior high school cafeteria be instituted in accordance with the recommended procedures of the office of School Lunch Programs.

The surety bond filed by the district treasurer was examined and found to be in proper form.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash and summaries of the assessment and departmental accounts.

While engaged in making the audit cooperation was received from the officials of the district, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ.

Assistant Chief of Bureau

SILVER LAKE REGIONAL SCHOOL DISTRICT

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

Plymouth, ss.

Greeting

To either of the Constables of the Town of Kingston in the County of Plymouth:

In the name of the Commonwealth you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in elections and in Town affairs to meet at the Elementary School on

SATURDAY, THE NINTH DAY OF MARCH NEXT, 1968

for the following purposes:

ARTICLE 1. To choose all necessary Town officials, the following officers are to be chosen on one ballot — viz: A Moderator, a Town Clerk, a Treasurer, a Tree Warden, a Playground Commissioner, all for one year. One Selectman, a Collector of Taxes, one Assessor, two Constables, one member of the Board of Public Welfare, two members of the School Committee, one member of the Silver Lake Regional School District Committee, two trustees of the Frederic C. Adams Public Library, one member of the Park Commission, two members of the Playground Commission, one member of the Water Commissioners, all for three years. One member of the Planning Board for five years.

ARTICLE 2. At the close of the Election and after the announcement of the results of the election, the meeting will stand adjourned until Saturday, the sixteenth day of March, following at 1:00 P.M. in the Reed Community Building, when such officers as are to be nominated from the floor will be chosen.

ARTICLE 3. To hear and act upon the reports of the Town Officers.

ARTICLE 4. To fix the salaries of elected officers.

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

ARTICLE 6. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1968 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17.

ARTICLE 7. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any action relative thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for repairing and painting the Town House and for replacement of the heating system in the Town House.

ARTICLE 11. To see if the Town will vote to transfer for library purposes from the account entitled "State Aid for Libraries—Reserved for Appropriation," the sum of said funds having been received from the Commonwealth of Massachusetts during 1967.

ARTICLE 12. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Cleaning of Jones River and Also Under Wapping Road Bridge and River north of Bridge	\$19.00
Combining and Printing Town By-Laws	10.50
Highway Dump Truck	21.82
Harbor Master Boat, Motor, etc. Complete with Radio	78.10
Water Truck and Attachments	358.67
Water-Replacing Main on Loring Ave. & portion of Arrow Street	1,259.79
Two-car Garage for Water Dept. and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:	1.63
Harbor Master Boat, Motor, etc. Complete with Radio	\$78.09
Fire Department Air Compressor	4.75
Park Commission Plans Adjoining Former Railroad Property	220.75
Two-Car Garage for Water Department	1.61
Water Department Radio Communication Unit	10.00
Christmas Lights and Decorations	2.45

ARTICLE 13. To see if the Town will vote to transfer from unappropriated available funds in the treasury, a sum of money received or to be received from the State in accordance with Chapter 616, Acts of 1967, for the permanent construction of Crescent, Green and Elm Streets, or take any action relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in the present

vehicles, both 1967 Fords, now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicles, or take any other action relative thereto.

ARTICLE 15. To see if the Town will vote to establish three-year terms for the office of Town Clerk and for the office of Town Treasurer.

ARTICLE 16. To see if the Town will vote to rescind Section 1 of Article VI of the Town By-Laws and substitute therefor the following:

Section 1. There shall be a finance committee of nine members, each of whom shall be appointed for three-year terms. Each year new members shall be appointed as follows: One each by the Moderator, the Chairman of the Board of Selectmen and the Chairman of the Finance Committee. The new appointments shall be made within 60 days of the adjournment of the annual town meeting.

ARTICLE 17. To see if the Town will vote to rescind Section 1 of Article I of the Town By-Laws and substitute therefor the following:

Section 1. The annual Town meeting shall be held on the third Saturday in March for the transaction of municipal business except for the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot.

And the annual election of such officers and the determination of matters of law as are required to be elected or determined by ballot shall be held on the fourth Saturday of March. At this election the polls shall open at 7 A.M. and remain open until 8 P.M.

ARTICLE 18. To see if the Town will vote to adopt a by-law relative to regulating the parking of motor vehicles at the town-owned property at the former railroad station.

ARTICLE 19. To see if the Town will vote to accept the provisions of the General Laws Chapter 90, Section 20C, relating to violations of parking regulations.

ARTICLE 20. To see if the Town will vote to accept the amendment of the Silver Lake Regional School District Agreement proposed by the Regional district school committee on December 14, 1967, which amendment further changes the agreement for the establishment of the Silver Lake Regional School District, as amended as follows:

1. By striking out paragraph 1 of Section II and inserting in place thereof the following paragraph:

1. *Composition*

Each of the Participating Towns shall be entitled to a minimum of two memberships on the committee, and to one additional member in any year provided the town has more than two hundred pupils enrolled in the Regional District School as of October 1 of the preceding year, and provided further that once a town is entitled to an additional member, its membership on the committee shall not thereafter be decreased.

2. By inserting after paragraph 7 of Section II the following new paragraph:

8. *Membership*

Notwithstanding the provisions of paragraph 2 of Section II to the contrary, commencing in 1969, only one member from each participating town shall be appointed by the school committee. Any town which is entitled to an additional member, as provided in paragraph 1 of Section II, shall elect such member at its annual town election held in 1969 and at its annual town election held every third year thereafter for a term of three years, such term to commence on the first day of April next following his election. Any town which is entitled to an addi-

tional member subsequent to the annual town elections in 1969 shall elect such member at its annual town election held in the year of such entitlement and at the annual town election held in every third year thereafter, for a term of three years, such term to commence on the first day of April following his election.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, or by borrowing, a sum of money for acquiring land adjacent to Block 11, Lot 115A by gift, purchase or eminent domain for the purpose of expanding the present town dump, or take any other action relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled "Conservation Commission — Purchase of Land or Down Payment Therefor."

ARTICLE 23. To see if the town will vote to amend Section 6 of the Zoning By-Laws, specifically paragraph (a) Lot Sizes, (R-1 and R-2) or take any other action relative thereto.

ARTICLE 24. To see if the Town will vote to amend Section 3, 4 and 5 of the Zoning By-Law to allow the removal of sod, loam, gravel, sand and sub-surface rock from excavations for building foundations without Board of Appeals approval, or take any other action relative thereto.

ARTICLE 25. To see if the Town will vote to amend Section 3, Paragraph (i) of the Zoning By-Laws to allow the keeping of horses, or take any other action relative thereto.

ARTICLE 26. To see if the Town will vote to amend the Zoning By-Law by amending the "Map of the Town of Kingston, Mass.," being the official zoning map of the town so as to change the following described land from residential zoning

to business zoning. Said land is located on Keith Avenue and a certain street known as Lawrence Street, being Lots 6, 7, 9 and 10 according to a plan recorded in Plan Book 1, Page 67, Plymouth Registry of Deeds, Assessor's Plan, Division 6, Plot A, Block 3.

(By Petition)

ARTICLE 27. To see if the Town will vote to amend the Zoning By-Law and the official Zoning Map of the Town of Kingston so as to change the following lots of land from a residence district to a business district, being Lots 1, 2, 3A, 21, 24, 25, 26, 27, Plat 1, Block 11 as shown on the Assessors Plan on file in the Town House.

(By Petition)

ARTICLE 28. To see if the Town will vote to amend the Zoning By-Law and the official Zoning Map of the town of Kingston so as to change the following lots of land from a residence district to a business district, these lots being shown as Lot 3B, Block 1, Lot 2, Block 1 of the town of Kingston Assessors' Plan, said lots being located on Pembroke Street between the Kingston-Pembroke town line and the street known as Country Way, said lots being the property of Francis E. and Rose G. Gordon and Amando Piconi and Doris Piconi.

(By Petition)

ARTICLE 29. To see if the Town will vote to adopt a by-law under the provisions of the General Laws, Chapter 142, Section 173, requiring that dogs be kept on a leash or otherwise restrained.

ARTICLE 30. To see if the Town will vote to accept the provisions of the General Laws, Chapter 140, Sections 183, 189 and 190, as amended, which authorizes the Selectmen to license groves to be used for picnics or other lawful gatherings and amusements for hire, gain or reward, or take any other action relative thereto.

ARTICLE 31. To see if the Town will vote to accept the provisions of the General Laws, Chapter 53, Section 9A, as amended, which refers to nomination papers for candidates for city or town office.

ARTICLE 32. To see if the Town will vote to accept Section 8A of Chapter 184 of the General Laws as amended by Chapter 611 of the Acts of 1967, which provides that the grantee of real estate shall notify the city or town Assessors of the name and address of the purchaser of such property.

ARTICLE 33. To see if the Town will vote under the General Laws (Ter.Ed.) Chapter 121, Section 26K, as amended, to establish a Housing Authority and in that connection to make any and all determinations and declarations deemed necessary or desirable, and take any action in relation thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for an addition to the Town Barn, or take any other action relative thereto.

ARTICLE 35. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a four-wheel drive vehicle for the Highway Department and authorize the Selectmen to turn in the 1962 GMC pick-up truck and apply the allowance thereof to the purchase price of the new vehicle, or take any action relative thereto.

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a catch basin cleaner for the Highway Department, or take any action relative thereto.

ARTICLE 37. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

ARTICLE 38. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the replacement of the Radio Base Station at the Fire Station and authorize the Fire Engineers to dispose of the present Radio Base Station, or take any other action relative thereto.

ARTICLE 39. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the replacement of the Police Radio Base Station, and authorize the Selectmen to turn in the present Radio Base Station and apply the allowance thereof to the purchase price of the new equipment, or take any other action relative thereto.

ARTICLE 40. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money not to exceed \$5,000.00 providing there are available matching funds in the amounts of \$10,000.00 and \$5,000.00 from the Federal and State governments respectively for the purchase of a Master Plan.

ARTICLE 41. To see if the Town will vote to authorize the Selectmen to lease a certain parcel of town-owned land located on the northwesterly side of Landing Road in said town, or take any other action relative thereto.

ARTICLE 42. To see if the Town will vote to authorize the Selectmen to acquire for school purposes, by gift, purchase or eminent domain, a certain parcel of land situated off the southwesterly side of Main Street and adjacent to the present Kingston Elementary School site, said parcel containing approximately 16 acres, and being shown as a portion of Lot 4, Block 11, of the Kingston Assessors' Plans, and to raise and appropriate or transfer from available funds, or by borrowing, the necessary funds, and to add to said amount the following unexpended appropriated funds:

Elementary School Construction, etc.	\$5,414.79
Elementary School Addition	21,262.62

and to take any other action relative thereto.

ARTICLE 43. To see if the Town will vote to authorize the Kingston Elementary School Building Committee to engage an architect for the purpose of preparing working drawings and specifications for an elementary school building, said working drawings and specifications to be suitable for competitive bidding under the provisions of General Laws, Chapter 149, and to raise and appropriate or transfer from available funds, the necessary funds, and to take any other action relative thereto.

ARTICLE 44. To see if the Town will vote to accept the way running from the end of Smith's Lane to the end of the property of the town of Kingston, a distance of 7,408 feet, more or less, and said way to be known as Cazale Way, plans thereof having been filed with the Town Clerk in accordance with the General Laws, or take any other action relative thereto.

ARTICLE 45. To see if the Town will vote to replace the two-inch water main with a water main not less than six inches in diameter on the way known as Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less, to Bagnell Street, and that a sum of money be raised and appropriated or transferred from unappropriated available funds in the treasury, for the installation thereof, or take any other action relative thereto.

(By Petition)

ARTICLE 46. To see if the Town will vote to accept the following ways: A portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a dis-

tance of 800 feet, more or less to Bagnell Street and that portion from the beginning of Cross Street to Bagnell Street to be known as Elliot Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 47. To see if the Town will vote to accept that portion of the way from Atwood Street to Delano Avenue, now known as Holmes Avenue, and which way shall hereafter be known as Howland's Lane, a plan thereof having been filed with the Town Clerk in accordance with the General Laws

ARTICLE 48. To see if the Town will vote to accept the private way known as Delano Avenue beginning at the westerly side of Howland's Lane and Holmes Avenue and running to Grandview Avenue, a distance of 600 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 49. To see if the Town will vote to install a water main, not less than six inches in diameter along Pottle Street beginning on the westerly side of Summer Street and continuing in a westerly direction for a distance of 1,450 feet, more or less, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation thereof.

(By Petition)

ARTICLE 50. To see if the Town will vote to accept the way off Boundary Lane beginning at the other side of the railroad crossing and running for a distance of about 400 feet, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 51. To see if the Town will vote to install a water main, not less than six inches in diameter in the property off Boundary Lane, beginning at the other side of the railroad crossing and running for a distance of approximately 1,000 feet, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation thereof.

(By Petition)

ARTICLE 52. To see if the Town will vote to replace the present two-inch water main with a water main not less than six inches in diameter along Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 650 feet, more or less, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation thereof.

(By Petition)

ARTICLE 53. To see if the Town will vote to accept the way known as Holmes Avenue, a distance of 700 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 54. To see if the Town will vote to accept the private way known as Braintree Avenue, beginning at the southerly side of Wharf Lane and running in a southerly direction to the road at Gray's Beach, a distance of 315 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 55. To see if the Town will vote to accept the way known as Joseph Street, beginning on the southerly side of Pembroke Street and continuing in a southerly direction for a distance of 800 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 56. To see if the Town will vote to accept the following ways located off Pembroke Street: Sheridan Drive, a distance of approximately 800 feet, and Barbara Road, a distance of approximately 800 feet, and the turnaround road connecting Sheridan Drive and Barbara Road for approximately 300 feet, said portion to be known as Barbara Road, and properly maintain same, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws, or take any other action relative thereto.

(By Petition)

ARTICLE 57. To see if the Town will vote to accept the way known as Off Kennedy Road, beginning at the southerly side of Kennedy Road and continuing in a southerly direction to Braunecker Avenue, a distance of 850 feet, more or less.

and to be known as Union Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 58. To see if the Town will vote to accept the way known as Blair Drive, beginning on the easterly side of Howland's Lane and continuing in an easterly direction for a distance of 680 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 59. To see if the Town will vote to accept the following ways: Diamond Street, starting at Center Hill Road and extending to its intersection with Chestnut Street, a distance of 200 feet, more or less; Chestnut Street, from its intersection with Diamond Street, for its entire length to its intersection with Willow Street, a distance of approximately 1,000 feet, more or less; Willow Street, between Chestnut Street and Riverside Drive, a distance of 250 feet, more or less; all as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

ARTICLE 60. To see if the Town will vote to accept the way known as Willow Street from its intersection with Chestnut Street, a distance of 500 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town

Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

ARTICLE 61. To see if the Town will vote to accept as a gift from W. Vernon Mayo, the private way known as Meadowbrook Road, beginning on the westerly side of Main Street and running in a westerly direction for a distance of 630 feet more or less.

ARTICLE 62. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the creation of a Stabilization Fund as authorized by Chapter 40, Section 5B of the General Laws as amended.

ARTICLE 63. To see if the Town will vote to accept the provisions of Chapter 383 of the Acts of 1967, an Act providing that a local government unit may pay one half the cost of a premium and the full amount of an additional rate for group accidental death insurance for policemen and firemen who are killed or who die from injuries received in the performance of their duties.

ARTICLE 64. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

To transact any other business that may legally come before said meeting.

The polls will be opened at seven o'clock A.M. on Saturday, the ninth day of March, and may be closed at seven o'clock P.M. on Saturday, the ninth day of March, 1968.

And you are directed to serve this Warrant by posting up attested copies thereof at the main entrance to the Town House

and at the Post Office in said Town, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this 30th day of January in the year of our Lord one thousand nine hundred and sixty-eight.

ROY L. McLEAN
KENNETH J. CRAM
ROSCOE A. COLE, JR.

Selectmen of Kingston

TOWN OF KINGSTON

MASSACHUSETTS

REPORT and RECOMMENDATIONS

OF THE

FINANCE COMMITTEE

TO THE

ANNUAL TOWN MEETING

1968

Together with a copy of the Warrant Articles
and Accompanying Recommendations

REPORT AND RECOMMENDATIONS OF THE KINGSTON FINANCE COMMITTEE

March 16, 1968

BUDGET SUMMARY

The following budget summary shows the relation of expenditures in 1967 to department requests and Finance Committee recommendations for 1968:

	% of Total	Expended 1967	Requested 1968	Recommended 1968
General Government	5.0	\$60,130.00	\$76,998.04	\$68,679.00
Protection of Persons & Property	12.5	163,145.00	205,728.15	155,559.00
Health and Sanitation	1.0	20,505.00	14,747.66	14,147.00
Public Assistance	3.5	95,562.00	65,725.00	50,925.00
Highways	9.3	122,225.00	138,208.98	130,597.00 (6 Mos.)
Veterans' Services	2.2	32,729.00	37,540.00	31,141.00
Schools & Libraries	55.5	665,167.00	774,374.39	773,264.39
Recreation	1.5	18,570.00	20,631.00	17,571.00
Pensions	1.7	19,228.00	22,869.00	22,869.00
Unclassified Items	1.8	17,935.00	34,590.00	23,575.00
Public Service Enterprises	3.3	46,316.00	50,147.30	46,541.00
Maturing Debt & Interest	2.7	50,212.00	49,817.00	49,817.00
Totals	100.	\$1,311,744.00	\$1,491,376.52	\$1,404,635.39

The amounts requested by departments together with requested and petitioned articles in the warrant total \$1,629,118.00. The Committee recommends budget and warrant articles for 1968 totaling \$1,442,162.00 or \$186,956.00 less. Each \$12,500.00 which the town may wish to appropriate IN ADDITION TO those recommended by the Finance Committee will increase the tax rate by one dollar.

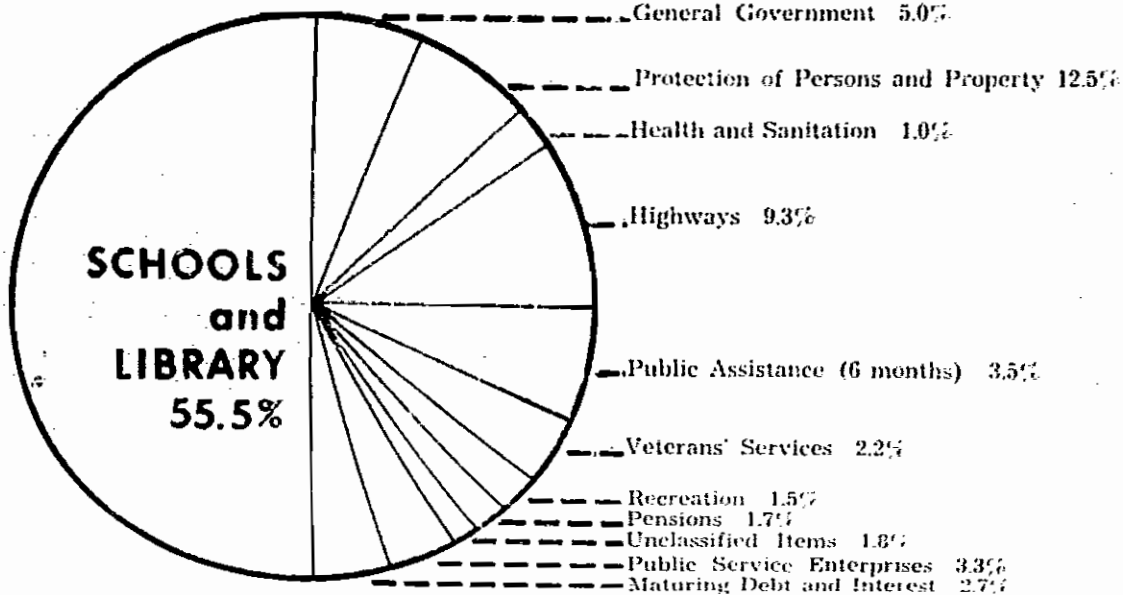

THE RESERVE FUND

Last year the Committee recommended an appropriation of \$10,000.00 for the Reserve Fund, cautioning departments to "live within" their budgets. Department Heads are to be congratulated on their operations during 1967 -- only five unforeseen requests were made for transfers. Once again we recommend the use of only \$10,000 for the Reserve Fund, \$3,500.00 from Overlay Surplus and \$6,500.00 from the tax levy.

During the fiscal year 1967, the following amounts were transferred from the Reserve Fund to the accounts listed below:

Board of Health — Salaries	\$249.22
Purchase of a Fire Truck	2,005.35
Harbor Master — Expenses	639.89
School Department — Operating Budget	3,600.00
Schools — Vocational Education	343.44
	<hr/>
	\$6,837.90

WHERE THE TAX DOLLAR GOES

THE TAX RATE

It has been the custom of the Committee in the past few years to predict an approximate tax rate in this report. However, because of a lack of State information contained in the "Cherry Sheet," an estimated rate cannot be made. Therefore, through the medium of the Press, the Committee will publish a tentative tax rate based on its latest information. Throughout the Annual Town Meeting, the Chairman will advise the voters as to the effect on the tax rate of each financial transaction to be voted upon as the meeting progresses.

THE EDUCATIONAL BUDGET

The cost of our educational program in the Kingston Elementary Schools and the Silver Lake Regional School District is listed below:

	Elementary	Silver Lake
Administration	\$10,948.00	\$64,500.00
Instruction	255,115.00	925,580.00
Other School Services	50,206.00	25,986.00
Operation and Maintenance	39,575.00	182,325.00
Fixed Charges		40,900.00
Acquisition of Fixed Assets	4,645.00	45,350.00
Vocational Education		129,050.00
Programs with Other Districts	3,800.00	
Total Operation Cost	\$364,289.00	\$1,413,691.00
Less Estimated Income	130,000.00	99,214.00
	\$234,289.00	\$1,314,477.00
Construction Costs	17,475.00	187,294.00
Total Costs	\$251,764.00	\$1,501,771.00
Kingston's Share to be raised by Tax Levy	\$251,864.00	\$395,029.39
Combined Totals		\$646,793.39
Increase over 1967		\$113,651.00

As in past years, the Committee recommends a survey of means by which a Vocational Training School could be provided within the region, and that vocational training should emphasize those skills most in demand in this area. The Committee also suggests that the yearly expense of \$1,720.00 per pupil in vocational training might be considered in such a survey, and that resulting recommendations reflect a more reasonable per capita expense.

Articles 42 and 43 in the Warrant are presented by the Elementary School Building Committee and request sums of money for (1) the acquisition of 16 acres of land at the pres-

ent Elementary School site area, and (2) the engaging of an architect to prepare working drawings and specifications for an elementary school building separate from the present building. As this report goes to press, the Finance Committee has not had the opportunity to discuss the financial requirements of this project as will be reflected in the tax rate for this year. Therefore comment must be made at the Town Meeting.

COMMITTEE ACTIVITY

The Finance Committee organized last April 19, 1967 for the year, newly appointed members were: Mr. Perry S. Lobdell, Mr. Edward J. Lydon and Mr. Dexter L. Gasper. Mr. H. Keith Peavey was appointed to fill the unexpired term of member Roscoe A. Cole, Jr. who resigned to run for the office of Selectman. Mr. Dexter Gasper resigned in October, and Mr. Raymond R. Chaves was appointed to fill his term until March.

Mr. Ernest H. Cote, member of the Committee for six years and former Chairman, was appointed Executive Secretary of the Committee for one year.

The Committee held regular meetings on Wednesdays throughout the year. As budget time arrived, meetings were held twice weekly to prepare for the Annual Town Meeting.

Members of the Finance Committee served on the Elementary School Building Committee, the Capital Outlay Committee and the Wage and Personnel Board, providing liaison between the Committees and the Finance Committee.

We want to take this opportunity to thank the various department heads, and most particularly Mr. George Cushman and Mrs. Irma Ruffini for the able assistance throughout the year.

Respectfully submitted,

GERALD S. BARCLAY, Chairman	1968
SAMUEL B. BABBITT, JR., Vice Chairman	1968
RAYMOND R. CHAVES	1968
MISS MAE E. EMOND	1969
PERRY S. LOBDELL	1970
FRANK A. LUONGO	1969
EDWARD J. LYDON	1970
H. KEITH PEAVEY	1968
MRS. BARBARA C. RIDDELL	1969
ROSCOE A. COLE, JR. — Resigned in March	1967
DEXTER L. GASPER — Resigned in October	1967

KINGSTON TOWN WARRANT

With the Recommendations of the Finance Committee

Saturday, March 16, 1968

ARTICLE 3. To hear and act upon the reports of the Town Officers.

Recommend favorable action.

ARTICLE 4. To fix the salaries of elected officers.

Recommend that the salaries of the several elected officers of the Town be fixed as follows:

Chairman, Board of Selectmen	\$534.00
Other members Board of Selectmen, each	371.50
Chairman, Board of Health	250.00
Other members Board of Health, each	87.50
Chairman, Board of Public Welfare	250.00
Other members Board of Public Welfare, each	87.50
Chairman and Clerk, Board of Assessors	4,836.00
Other members Board of Assessors, each	520.00
Tree Warden	2,000.00
Treasurer	1,612.00
Collector	3,484.00
Town Clerk	832.00
Moderator	25.00
Chairman, Water Commissioners	150.00
Other Water Commissioners, each	125.00

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

Recommend that budget items 1-112 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled and discussed separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote.

ARTICLE 6. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1968 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17.

Recommend favorable action.

ARTICLE 7. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any action relative thereto.

Recommend that the sum of \$5,000 be raised and appropriated to meet the Town's share of the cost and that in addition the sum of \$15,000 be transferred from unappropriated available funds in the treasury to meet the State's and County's share.

ARTICLE 8. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any action relative thereto.

Recommend that the sum of \$1,000 be raised and appropriated to meet the Town's share of the cost and that in addition the sum of \$2,000 be transferred from unappropriated available funds in the treasury to meet the State's and County's share.

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

Recommend the appropriation of \$3,694.95.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for repairing and painting the Town House and for replacement of the heating system in the Town House.

Recommend that the work be spread over a three-year period and that \$5,000 be appropriated this year.

ARTICLE 11. To see if the Town will vote to transfer for library purposes from the account entitled "State Aid for Libraries—Reserved for Appropriation," the sum of said funds having been received from the Commonwealth of Massachusetts during 1967.

Recommend favorable action.

ARTICLE 12. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Cleaning of Jones River and Also Under Wapping Road	
Bridge and River north of Bridge	\$19.00
Combining and Printing Town By-Laws	10.50
Highway Dump Truck	21.82
Harbor Master Boat, Motor, etc.	
Complete with Radio	78.10
Water Truck and Attachments	358.67
Water-Replacing Main on Loring Ave.	
& portion of Arrow Street	1,239.79
Two-car Garage for Water Dept.	1.63

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Harbor Master Boat, Motor, etc.	
Complete with Radio	78.09
Fire Department Air Compressor	4.75
Park Commission Plans Adjoining	
Former Railroad Property	220.75
Two-Car Garage for Water Department	1.64
Water Department Radio Communication Unit	10.00
Christmas Lights and Decorations	2.45

Recommend favorable action.

ARTICLE 13. To see if the Town will vote to transfer from unappropriated available funds in the treasury, a sum of money received or to be received from the State in accordance with Chapter 616, Acts of 1967, for the permanent construction of Crescent, Green and Elm Streets, or take any action relative thereto.

Recommend the transfer of \$9,464.38.

ARTICLE 14. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in the present vehicles, both 1967 Fords, now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicles, or take any other action relative thereto.

Recommend the appropriation of \$4,382.

ARTICLE 15. To see if the Town will vote to establish three-year terms for the office of Town Clerk and for the office of Town Treasurer.

Recommend favorable action.

ARTICLE 16. To see if the Town will vote to rescind Section I of Article VI of the Town By-Laws and substitute therefor the following:

Section 1. There shall be a finance committee of nine members, each of whom shall be appointed for three-year terms. Each year new members shall be appointed as follows: One each by the Moderator, the Chairman of the Board of Selectmen and the Chairman of the Finance Committee. The new appointments shall be made within 60 days of the adjournment of the annual town meeting.

Recommend no action.

ARTICLE 17. To see if the Town will vote to rescind Section 1 of Article 1 of the Town By-Laws and substitute therefor the following:

Section 1. The annual Town meeting shall be held on the third Saturday in March for the transaction of municipal business except for the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot.

And the annual election of such officers and the determination of matters of law as are required to be elected or determined by ballot shall be held on the fourth Saturday of March. At this election the polls shall open at 7 A.M. and remain open until 8 P.M.

Recommend favorable action.

ARTICLE 18. To see if the Town will vote to adopt a by-law relative to regulating the parking of motor vehicles at the town-owned property at the former railroad station.

Recommend favorable action.

ARTICLE 19. To see if the Town will vote to accept the provisions of the General Laws Chapter 90, Section 20C, relating to violations of parking regulations.

Recommend favorable action.

ARTICLE 20. To see if the Town will vote to accept the amendment of the Silver Lake Regional School District Agreement proposed by the Regional district school committee on December 14, 1967, which amendment further changes the agreement for the establishment of the Silver Lake Regional School District, as amended as follows:

1. By striking out paragraph 1 of Section II and inserting in place thereof the following paragraph:

1. Composition

Each of the Participating Towns shall be entitled to a minimum of two memberships on the committee, and to one additional member in any year provided the town has more than two hundred pupils enrolled in the Regional District School as of October 1 of the preceding year, and provided further that once a town is entitled to an additional member, its membership on the committee shall not thereafter be decreased.

2. By inserting after paragraph 7 of Section II the following new paragraph:

8. Membership

Notwithstanding the provisions of paragraph 2 of Section II to the contrary, commencing in 1969, only one member from each participating town shall be appointed by the school committee. Any town which is entitled to an additional member, as provided in paragraph 1 of Section II, shall elect such member at its annual town election held in 1969 and at its annual town election held every third year thereafter for a term of three years, such term to commence on the first day of April next following his election. Any town which is entitled to an additional member subsequent to the annual town elections in 1969 shall elect such member at its annual town election held in the year of such entitlement and at the annual town election held in every third year thereafter, for a term of three years, such term to commence on the first day of April following his election.

Recommend favorable action.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, or by borrowing, a sum of money for acquiring land adjacent to Block 11, Lot 115A by gift, purchase or eminent domain for the purpose of expanding the present town dump, or take any other action relative thereto.

Recommend no action.

ARTICLE 22. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled "Conservation Commission — Purchase of Land or Down Payment Therefor."

Recommend the appropriation of \$2,000.

ARTICLE 23. To see if the Town will vote to amend Section 6 of the Zoning By-Laws, specifically paragraph (a) Lot Sizes. (R-1 and R-2) or take any other action relative thereto.

Recommend favorable action.

ARTICLE 24. To see if the Town will vote to amend Section 3, 4 and 5 of the Zoning By-Law to allow the removal of sod, loam, gravel, sand and sub-surface rock from excavations for building foundations without Board of Appeals approval, or take any other action relative thereto.

Recommend favorable action.

ARTICLE 25. To see if the Town will vote to amend Section 3, Paragraph (i) of the Zoning By-Laws to allow the keeping of horses, or take any other action relative thereto.

Recommend no action.

ARTICLE 26. To see if the Town will vote to amend the Zoning By-Law by amending the "Map of the Town of Kingston, Mass." being the official zoning map of the town so as to change the following described land from residential zoning to business zoning. Said land is located on Keith Avenue and a certain street known as Lawrence Street, being Lots 6, 7, 9 and 10 according to a plan recorded in Plan Book 1, Page 67, Plymouth Registry of Deeds, Assessor's Plan, Division 6, Plat A, Block 3.

(By Petition)

Recommendation to be made at Town Meeting.

ARTICLE 27. To see if the Town will vote to amend the Zoning By-Law and the official Zoning Map of the Town of Kingston so as to change the following lots of land from a residence district to a business district, being Lots 1, 2, 3A, 23, 24, 25, 26, 27, Plat I, Block 11 as shown on the Assessors Plan on file in the Town House.

(By Petition)

Recommendation to be made at Town Meeting.

ARTICLE 28. To see if the Town will vote to amend the Zoning By-Law and the official Zoning Map of the town of Kingston so as to change the following lots of land from a residence district to a business district, these lots being shown as Lot 3B, Block 1, Lot 2, Block 1 of the town of Kingston Assessors' Plan, said lots being located on Pembroke Street

between the Kingston-Pembroke town line and the street known as Country Way, said lots being the property of Francis and Rose G. Gordon and Amando Pieroni and Doris Pieroni.
(By Petition)

Recommendation to be made at Town Meeting.

ARTICLE 29. To see if the Town will vote to adopt a by-law under the provisions of the General Laws, Chapter 140, Section 173, requiring that dogs be kept on a leash or otherwise restrained.

Recommend no action.

ARTICLE 30. To see if the Town will vote to accept the provisions of the General Laws, Chapter 140, Sections 188, 189 and 190, as amended, which authorizes the Selectmen to license groves to be used for picnics or other lawful gatherings and amusements for hire, gain or reward, or take any other action relative thereto.

Recommend no action.

ARTICLE 31. To see if the Town will vote to accept the provisions of the General Laws, Chapter 53, Section 9A, as amended, which refers to nomination papers for candidates for city or town office.

Recommend no action.

ARTICLE 32. To see if the town will vote to accept Section 8A of Chapter 184 of the General Laws as amended by Chapter 611 of the Acts of 1967, which provides that the grantee of real estate shall notify the city or town Assessors of the name and address of the purchaser of such property.

Recommend favorable action.

ARTICLE 33. To see if the Town will vote under the General Laws (Ter.Ed.) Chapter 121, Section 26K, as amended, to establish a Housing Authority and in that connection to make any and all determinations and declarations deemed necessary or desirable, and take any action in relation thereto.

Recommend no action.

ARTICLE 34. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for an addition to the Town barn, or take any other action relative thereto.

Recommend the appropriation of \$5,000.

ARTICLE 35. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a four-wheel drive vehicle for the Highway Department and authorize the Selectmen to turn in the 1962 GMC pick-up truck and apply the allowance thereof to the purchase price of the new vehicle, or take any action relative thereto.

Recommend no action.

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a catch basin cleaner for the Highway Department, or take any action relative thereto.

Recommend no action.

ARTICLE 37. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

Recommend favorable action as follows:

Old Cemetery (repairing stone wall)	\$500
Library (furniture in History room)	500
Sampson Memorial Park—improvements	7,000

ARTICLE 38. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the replacement of the Radio Base Station at the Fire Station and authorize the Fire Engineers to dispose of the present radio base station, or take any other action relative thereto.

Recommend favorable action not to exceed \$1,000.

ARTICLE 39. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the replacement of the Police Radio Base Station, and authorize the Selectmen to turn in the present Radio Base Station and apply the allowance thereof to the purchase price of the new equipment, or take any other action relative thereto.

Recommend favorable action not to exceed \$900.

ARTICLE 40. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money not to exceed \$5,000.00 providing there are available matching funds in the amounts of

\$10,000.00 and \$5,000.00 from the Federal and State governments respectively for the purchase of a Master Plan.

Recommend favorable action.

ARTICLE 41. To see if the Town will vote to authorize the Selectmen to lease a certain parcel of town-owned land located on the northwesterly side of Landing Road in said town, or take any other action relative thereto.

Recommend favorable action.

ARTICLE 42. To see if the Town will vote to authorize the Selectmen to acquire for school purposes, by gift, purchase or eminent domain, a certain parcel of land situated on the southwesterly side of Main Street and adjacent to the present Kingston Elementary School site, said parcel containing approximately 16 acres, and being shown as a portion of Lot 4, Block 11, of the Kingston Assessors' Plans, and to raise and appropriate or transfer from available funds, or by borrowing, the necessary funds, and to add to said amount the following unexpended appropriated funds:

Elementary School Construction, etc.	\$5,414.79
Elementary School Addition	21,262.62

and to take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 43. To see if the Town will vote to authorize the Kingston Elementary School Building Committee to engage an architect for the purpose of preparing working drawings and specifications for an elementary school building, said working drawings and specifications to be suitable for competitive bidding under the provisions of General Laws, Chapter 149, and to raise and appropriate or transfer from available funds, the necessary funds, and to take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 44. To see if the Town will vote to accept the way running from the end of Smith's Lane to the end of the property of the town of Kingston, a distance of 7.408 feet, more or less, and said way to be known as Cazale Way, plans thereof having been filed with the Town Clerk in accordance with the General Laws, or take any other action relative thereto.

Recommend favorable action provided there is no cost to the Town this year.

ARTICLE 45. To see if the Town will vote to replace the two-inch water main with a water main not less than six inches in diameter on the way known as Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less, to Bagnell Street, and that a sum of money be raised and appropriated or transferred from unappropriated available funds in the treasury, for the installation thereof, or take any other action relative thereto.

(By Petition)

Recommend no action.

ARTICLE 46. To see if the Town will vote to accept the following ways: A portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less to Bagnell Street and that portion from the beginning of Cross Street to Bagnell Street to be known as Elliot Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

Recommend favorable action provided there is no cost to the Town this year.

ARTICLE 47. To see if the Town will vote to accept that portion of the way from Atwood Street to Delano Avenue, now known as Holmes Avenue, and which way shall hereafter be known as Howland's Lane, a plan thereof having been filed with the Town Clerk in accordance with the General Laws.

Recommend favorable action provided there is no cost to the Town this year.

ARTICLE 48. To see if the Town will vote to accept the private way known as Delano Avenue beginning at the westerly side of Howland's Lane and Holmes Avenue and running to Grandview Avenue, a distance of 600 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with

the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

Recommend favorable action provided there is no cost to the Town this year.

ARTICLE 49. To see if the Town will vote to install a water main, not less than six inches in diameter along Pottle Street beginning on the westerly side of Summer Street and continuing in a westerly direction for a distance of 1,450 feet, more or less, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation thereof.

(By Petition)

Recommend no action.

ARTICLE 50. To see if the Town will vote to accept the way off Boundary Lane beginning at the other side of the railroad crossing and running for a distance of about 400 feet, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

Recommend no action.

ARTICLE 51. To see if the Town will vote to install a water main, not less than six inches in diameter in the property off Boundary Lane, beginning at the other side of the railroad crossing and running for a distance of approximately 1,000 feet, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation thereof.

(By Petition)

Recommend no action.

ARTICLE 52. To see if the Town will vote to replace the present two-inch water main with a water main not less than six inches in diameter along Mazzilli Avenue beginning on the southwesterly side of Crescent Street and continuing in a westerly direction for a distance of 650 feet, more or less, and

raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the installation thereof.

(By Petition)

Recommend no action.

ARTICLE 53. To see if the Town will vote to accept the way known as Holmes Avenue, a distance of 700 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

Recommend favorable action provided there is no cost to the Town this year.

ARTICLE 54. To see if the Town will vote to accept the private way known as Braintree Avenue, beginning at the southerly side of Wharf Lane and running in a southerly direction to the road at Gray's Beach, a distance of 315 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

Recommend no action.

ARTICLE 55. To see if the Town will vote to accept the way known as Joseph Street, beginning on the southerly side of Pembroke Street and continuing in a southerly direction for a distance of 800 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

Recommend no action.

ARTICLE 56. To see if the Town will vote to accept the following ways located off Pembroke Street: Sheridan Drive.

a distance of approximately 300 feet, and Barbara Road, a distance of approximately 300 feet, and the turnaround road connecting Sheridan Drive and Barbara Road for approximately 300 feet, said portion to be known as Barbara Road, and properly maintain same, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws, or take any other action relative thereto.

(By Petition)

Recommend no action.

ARTICLE 57. To see if the Town will vote to accept the way known as Off Kennedy Road, beginning at the southern side of Kennedy Road and continuing in a southerly direction to Braunecker Avenue, a distance of 850 feet, more or less, and to be known as Union Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

Recommend no action.

ARTICLE 58. To see if the Town will vote to accept the way known as Blair Drive, beginning on the easterly side of Howland's Lane and continuing in an easterly direction for a distance of 680 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

(By Petition)

Recommend favorable action provided there is no cost to the Town this year.

ARTICLE 59. To see if the Town will vote to accept the following ways: Diamond Street, starting at Center Hill Road and extending to its intersection with Chestnut Street, a distance of 200 feet, more or less; Chestnut Street, from its intersection with Diamond Street, for its entire length to its intersection with Willow Street, a distance of approximately 1,000 feet, more or less; Willow Street, between Chestnut Street and Riverside Drive, a distance of 250 feet, more or less; all as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take

any other action relative thereto.

(By Petition)

Recommend favorable action provided there is no cost to the Town this year.

ARTICLE 60. To see if the Town will vote to accept the way known as Willow Street from its intersection with Chestnut Street, a distance of 500 feet, more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof and for acquiring titles, or take any other action relative thereto.

Recommend favorable action not to exceed \$500.

ARTICLE 61. To see if the Town will vote to accept as a gift from W. Vernon Mayo, the private way known as Meadowbrook Road, beginning on the westerly side of Main Street and running in a westerly direction for a distance of 630 feet more or less.

Recommend no action.

ARTICLE 62. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the creation of a Stabilization Fund as authorized by Chapter 40, Section 5B of the General Laws as amended.

Recommend that the Town raise and appropriate the sum of \$10,000 to create a stabilization fund.

ARTICLE 63. To see if the Town will vote to accept the provisions of Chapter 283 of the Acts of 1967, an Act providing that a local government unit may pay one half the cost of a premium and the full amount of an additional rate for group accidental death insurance for policemen and firemen who are killed or who die from injuries received in the performance of their duties.

Recommend no action.

ARTICLE 64. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

Recommend that the sum of \$60,000 be used.
