In Memoriam

WILLIAM H. BROWN

Born: August 15, 1893
Scituate, Massachusetts

Died: April 3, 1969
Kingston, Massachusetts

Chief Brown came to Kingston as Police Chief on November 9, 1931. He had formerly been employed by the Boston Police Department and for nine years prior to coming to Kingston, he had been employed by the Scituate Police Department. He was a veteran of World War I, U.S. Army, Yankee Division. Chief Brown saw the department he loved so well, grow from two permanent members to its present force. He was a dedicated police officer and was deeply conscientious of his duties as a law enforcement officer. He retired as Chief of Police on November 6, 1951 and up to his death had a keen interest in town government.

EDMOND H. DANDENEAU

Born: January 8, 1922
Providence, Rhode Island

Died: July 18, 1969
Marshfield, Massachusetts

The sudden death of 'Eddie' on July 18, 1969 came as a distinct shock to our community. He was a veteran of World War II, having been a member of the U.S. Navy. He was elected to the Kingston School Committee in March, 1969 and the following month was appointed to the Silver Lake Regional School Committee. He was extremely interested in this work and was ever willing to offer his services and assistance to all. The community has lost one of its most loyal and dedicated servants by his untimely death.

CHARLES G. MCCARTHY

Born: June 23, 1915
Kingston, Massachusetts

Died: July 23, 1969
Plymouth, Massachusetts

A life-long resident of Kingston, Charlie or "Mac" as he was more familiarly known, joined the Kingston Fire Department as a callman on September 17, 1942. He was also employed for short intervals by the Highway and Tree Departments. He was a veteran of World War II, having been a member of the U.S. Marine Corp. Upon his return to civilian life he joined the Kingston Fire Department as a permanent member, which position he ably held until shortly before his death. His devotion to his work and his cheerful manner, even when seriously ill, was typical of his nature. He was a sincere and devoted servant to the town he loved so well.

EUGENE C. MERRY

Born: October 14, 1882
Albany, Nova Scotia

Died: October 11, 1969
Plymouth, Massachusetts

Gene, as he was known to his countless friends, came to Kingston as a young man. He became a special police officer in this town in 1912 and continued as such until 1960. In January, 1952 he retired as a call fireman from the Kingston Fire Department after forty years of faithful service and in return was made an Honorary life member. During his later years of service to the town he acted at various times as a Police Officer and Parking Attendant for the Park Commission. In January, 1955 he took over the duties of custodian at the Town Hall, and what began as a temporary position, continued until his retirement in February, 1968. His dedicated devotion to the community and his cheerful manner is missed by all.

SPECIAL TOWN MEETING
February 8, 1969

A special town meeting was called to order at 1:10 P.M. by the Moderator, Mr. Horace C. Weston.

Tellers appointed by the Moderator were: Robert A. Randall, Joseph L. Robinson, Norman E. Steere and Harvey C. LeSueur. The oath of office was administered to the tellers by the Moderator.

The warrant was read by the Town Clerk, George W. Cushman.

Article 1. Roger C. Sturtevant moved that the sum of \$1,500,000. be appropriated for constructing and originally equipping and furnishing a new elementary school, and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, be authorized to borrow \$1,500,000. under Chapter 645 of the Acts of 1948, as amended, and that the Kingston Elementary School Building Committee be authorized to take the necessary action to carry out this vote.

On the suggestion of Mr. Sturtevant, it was voted to grant permission for the architect to enter the meeting for the purpose of answering questions pertaining to the proposed elementary school.

Mr. Lydon, Chairman of the Finance Committee informed the meeting that his committee recommended this article and that the bond issue be for 15 years.

After a long discussion and on the motion of Mr. Emerson S. Tewksbury voted for the question without any further debate. This was voted by over a 2/3's vote.

On the motion of Mr. Emerson S. Tewksbury voted to use paper ballots for voting on this article.

The results of the vote were: Yes - 122 No - 79.

This vote did not meet the 2/3's requirement and therefore Article 1 was defeated.

The total number of voters present were 206.

On the motion of Kenneth J. Cram voted to adjourn. 2:30 P.M.

The tellers were: Catherine Joan Bartlett and George Andrew Walsh.

GEORGE W. CUSHMAN
Town Clerk

ANNUAL TOWN MEETING
MARCH 1969

March 15, 1969

The annual town meeting was called to order at 1:10 P.M. by the Moderator, Horace C. Weston. By unanimous approval of the meeting, the warrant was not read.

The Moderator appointed the following persons as tellers and administered the oath of office to them:

Joseph L. Robinson
Russell E. Holmes

Eugene B. Kirby
Gustavo Guidaboni

Article 1. The following officers were chosen:

Measures of Wood and Bark - Robert L. Davison and Robert L. Goad. Nomination made by Lawrence B. Westgate.

Director of Plymouth County Extension Service - George E. Fraser. Nomination made by Lawrence B. Westgate.

Before a motion was made under Article 3, Roscoe A. Cole, Jr., Chairman of the Board of Selectmen gave a brief explanation of pertinent town matters and Maurice J. Splaine, Jr., member of the Finance Committee spoke on the financial aspect of the town, tax rate for 1969, changes that have been recommended in the budget, the recommendations made in their report and other pertinent matters. He also spoke of the "free cash" account.

Article 2. On the motion of Kenneth J. Cram voted: that the reports of the Town Officers as printed in the 1968 Town Report be accepted.

Article 3. On the motion of Raymond R. Chaves, it was voted as amended: That the salaries of the several elected officers of the town be retroactive to January 1, 1969 and be fixed as follows:

Moderator	\$ 25.00
Treasurer	2,000.00
Collector	4,000.00
Town Clerk	1,080.00
Board of Selectmen, each	
Roscoe A. Cole, Jr. moved an amendment that the salary of the members of the Board of Selectmen be fixed at \$850.00 each.	
AMENDMENT IS CARRIED	850.00
Chairman and Clerk, Board of Assessors	5,720.00
Other members, Board of Assessors, each	600.00
Chairman, Water Commissioners	150.00
Other Water Commissioners, each	125.00
Tree Warden	2,000.00

Article 4. The following amendment to the Personnel By-law under Article 4 was approved by the Kingston Finance Committee and the Wage and Personnel Board:

Schedule A

Tree Dept. Foreman (part time) Misl.

Schedule C

Assistant Harbor Master (part time)	\$200.00 Annually
Assistant Shellfish Constable (part time)	200.00 annually
Building Inspector	880.00 annually
Call Firefighter (part time) \$2.75 per hour plus	60.00 annually
Caretaker (Seasonal) (part time)	1.80 per hour
Custodian - Reed Community Building	100.00 weekly
Dog Officer	220.00 annually
Forest Fire Warden	480.00 annually
Harbor Master (part time)	880.00 annually

Inspector of Animals	250.00 annually
Senior Supervisor - Playground (seasonal)	600.00 annually
Shellfish Constable	880.00 annually
Tree Dept. Foreman	2.75 per hour
Veterans Agent	1,750.00 annually

and, in addition, the entrance steps of employees on the annual and hourly salary schedules B & B-1 shall be in accordance with the budget salary items voted under Article 5.

On the motion of David W. Gavlign voted: that the town accept and adopt the recommendations of the Wage and Personnel Board as printed on Pages 276-294 inclusive of the 1968 annual town report effective as of January 1, 1969 with the changes as noted above.

Article 5. On the motion of Raymond H. Chaves voted: that budget items 1-100 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled and discussed separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote; and that salary increases for full-time employees as recommended in various budget items be retroactive to January 1, 1969.

The following items were tabled and discussed separately:

Items	Departments

Roger Craig Sturtevant suggested to the voters present that they give a rising vote of thanks to the Wage and Personnel Board for the fine services they gave and rendered and for the many hours spent in preparing a fine Wage and Personnel report.

Article 6. On the motion of George W. Cushman voted: that the Treasurer with the approval of the Selectmen be authorized to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1969 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17.

Article 7. On the motion of Roscoe A. Cole, Jr. voted: that the sum of \$6,000.00 be raised and appropriated to meet the town's shares of the cost of Chapter 90 Highway Construction, and that in addition, the sum of \$12,000.00 be transferred from unappropriated available funds in the Treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored upon their receipt to the Excess and Deficiency account in the Treasury.

Article 8. On the motion of Roscoe A. Cole, Jr. voted: that the sum of \$1,000.00 be raised and appropriated to meet the town's share of Chapter 90 Maintenance, and that in addition, the sum of \$2,000.00 be transferred from unappropriated available funds in the Treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored upon their receipt to the Excess and Deficiency account in the Treasury.

Article 9. On the motion of Irma A. Ruffini voted unanimously: that the sum of \$6,604.74 be raised and appropriated for the payment of certain unpaid bills of prior years for the following departments:

Police-Maintenance - Salaries & Wages	\$ 8.19
Fire-Maintenance - Salaries & Wages	44.00
Forest Fires-Prevention and Extinguishment - Salaries & Wages	88.00
Insurance-Municipal Buildings & Property	71.00

Legal Expenses and Other Contingencies	2,191.72

Water-Maintenance - Expenses	1,697.90
Veterans' Benefits - Assistance & Expenses	69.35
Medical Assistance - Assistance	2,514.58

Article 10. On the motion of Robert A. Jones voted: that the town vote to transfer for library purposes from the account entitled "State Aid for Libraries-Reserved for Appropriation" the sum of \$1,075.50, said funds having been received from the Commonwealth of Massachusetts during 1968.

Article 11. On the motion of Irma A. Ruffini voted: that the following appropriation balances be closed to Surplus Revenue:

Police-Radio Base Station	410.50
Fire-Radio Base Station	11.89
Highways-Four-Wheel Drive Vehicle	718.03
Highways-Braintree Ave. Construction	1.04
Council for the Aging	85.17
Replacing Water Main on Foster Lane	1,386.22
Water Supply Needs-Engineering Study	200.00

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Old Cemetery-Repairing Stone Wall	20.00
Equipment for Library	81.93

Article 12. On the motion of James R. Goonan voted: that the sum of \$1,450.00 be raised and appropriated for the purchase of two combination mobile radio telephone units for installation in the police cruisers and that the Selectmen be authorized to turn in the present radio units and apply the allowance thereof to the purchase price of the new radio units.

Article 13. James R. Goonan moved: that the sum of \$4,350.00 be raised and appropriated for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and that the Selectmen be authorized to turn in the present vehicles now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicles.

Manuel P. Souza moved an amendment that \$2,380.00 be raised and appropriated for the purchase of one vehicle to be used as a cruiser-ambulance by the Police Department and that the Selectmen be authorized to turn in one vehicle now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicle. AMENDMENT WAS DEFEATED

A vote was taken on the original motion and it was voted: that the sum of \$1,350.00 be raised and appropriated for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and that the Selectmen be authorized to turn in the present vehicles now owned by the Police Department, and apply the allowance thereof to the purchase price of the new vehicles.

Janet Smith moved for re-consideration of Item 25 of the Budget.

MOTION WAS DEFEATED

Article 14. George W. Cushman moved: that the Article 14 in reference to the Silver Lake Regional School Agreement be by-passed.

THIS MOTION WAS QUICKLY SECONDED

The Moderator suggested to Mr. Cushman, if he had no objection, that he make no motion under this article. Mr. Cushman agreed; therefore, withdrew his motion.

Article 15. On the motion of Robert A. Mulliken voted: that the sum of \$1,000.00 be raised and appropriated and be added to the account entitled "Conservation Commission-Purchase of Land or Down Payment Therefor".

Article 16. Roscoe A. Cole Jr. moved: that the town vote to accept the recommendations made by the Trustees of the Elizabeth B. Sampson Memorial Fund; that the following sums of money be allocated from the Income Account of the Elizabeth B. Sampson Memorial Fund, the expenditures to be under the supervision of the respective departments:

Town House Copying Machine	
Library Charge Desk	1,000.00
Playground-Backstop	1,000.00
Park Department-Band Concerts	1,634.00
Old Burial Ground-Preservation of Head Stones	500.00
Police-Siren-Light Amplifier System	500.00
Fire-Control Panel Alarm System	600.00
	1,800.00

Maurice J. Splaine, Jr. moved an amendment to delete two items:

Police-Siren-Light-Amplifier System	600.00
Fire-Control Panel Alarm System	1,800.00

AMENDMENT IS CARRIED

A vote was taken on the original motion as amended and it was voted: that the town vote to accept the recommendations made by the Trustees of the Elizabeth B. Sampson Memorial Fund; that the following sums of money be allocated from the Income Account of the Elizabeth B. Sampson Memorial Fund, the expenditures to be under the supervision of the respective departments:

Town House Copying Machine	1,000.00
Library Charge Desk	1,000.00
Playground-Backstop	1,634.00
Park Department - Band Concerts	500.00
Old Burial Ground-Preservation of Head Stones	500.00

James R. Goonan moved for re-consideration of Item 26 of the Budget: Police Maintenance.

MOTION WAS DEFEATED Yes - 87 No - 112

Article 17. To see if the town will vote to authorize the appointment of an Elementary School Building Committee of five members, one member to be appointed by the Moderator, one member to be appointed by the Selectmen, one member to be appointed by the Finance Committee and two members to be appointed by the School Committee, and that a sum of money be raised and appropriated or transferred from unappropriated available funds in the treasury and that the unexpended balance remaining in the account for the Elementary School Building Committee voted under Article 38 of the 1966 annual town meeting be transferred, all for the use of said Committee in selecting a site and securing preliminary plans, specifications, engineering services and cost estimates for the construction of additional elementary school building facilities.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 18. On the motion of Richard W. Loring, voted unanimously: that the action taken at the annual town meeting in March, 1968 under Article 49 be amended by adding thereto; and that the Selectmen be authorized to purchase an easement or fee from the Penn Central Railroad or their nominee and transfer the unexpended balance of \$1,005.82 remaining in the account "Replacing Water Main on Mazzilli Avenue" to the "Water-Pottle Street" account.

Article 19. Lawrence B. Westgate moved: that the sum of \$2,500.00 be raised and appropriated for the purpose of continuing the cleaning of the Jones River and restoring the stone walls where needed beginning at a point beyond the Great Bridge on Main Street and proceeding downstream.

MOTION WAS DEFEATED

Article 20. On the motion of James R. Goonan, voted: that the town accept the provisions of Chapter 286, Acts of 1967, as amended, an act regulating the compensatory time off or pay for certain police officers who attend as witnesses in certain criminal cases.

Article 21. On the motion of Roscoe A. Cole, Jr. voted: that the sum of \$40.00 be raised and appropriated, being the amount ordered by the Plymouth County Commissioners at a meeting holden at Plymouth on the second day of July, 1968, to be paid from the treasury of the Town of Kingston to sundry persons on application therefor; the amounts named as awards for damage caused by the taking of land on Pine Street, under the provisions of Decree No. 1389.

Article 22. To see if the town will vote to amend the Zoning By-Laws, Section 6 paragraph (b) by changing said paragraph to read as follows: Front Yards in this district where the way is 40 or more feet in width, no building or roadside stand shall be erected or placed within 50 feet of the way line. Where the way line is less than 40 feet in width the building or stand shall be placed not less than 50 feet from the center of the way.

Where present buildings on adjoining lots are less than 50 feet from the way line, new buildings may be placed as near the way line as the average of the buildings on said adjoining lots. A vacant lot shall be treated as though occupied by a building set back 50 feet.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 23. Stanley J. Kuzborski moved: that the phrase "fur farm, poultry farm or piggery" in Section 3, Paragraph (f) of the Zoning By-Laws be deleted and that the following phrase be substituted therefor: "fur farm, poultry farm, piggery, the raising or keeping of a flock of poultry not greater in number than (12) livestock, or other farm animals, a total of which shall not exceed (2)."

Mr. Harvey C. LeSueur, Chairman of the Planning Board informed the voters that his board recommends that this article be turned down.

A vote was taken and the motion was defeated.

Article 24. On the motion of Charles T. Sanderson III voted: that Section 4A of the Zoning By-laws be amended by adding after paragraph C, Paragraph D, which reads as follows:

DENSITY REGULATIONS INDUSTRIAL ZONE

A building or structure other than a dwelling or a private garage appurtenant thereto hereafter erected in the Industrial District shall be located on a lot having not less than the minimum requirements set forth below.

Minimum Lot Dimensions	Minimum Set Back	Maximum % Area
Area in Sq. Feet	Front in Ft.	Coverage including
40,000	50	Accessory Bldg
Frontage in Feet	Side in Ft.	
200	50	25%
	Rear in Ft.	
	50	

No existing lot shall be changed as to size or shape so as to result in the violation of the requirements set forth above.

Harvey C. LeSueur, Chairman of the Planning Board reported to the voters that his board had held a legal meeting and had voted unanimously to accept this article.

Howard B. MacFarlane moved that this article be postponed indefinitely.

MOTION WAS DEFEATED

Robert A. Jones was appointed teller and administered oath of office by the Moderator to replace Mr. Kirby who had left the meeting.

The vote on the original motion was: Yes - 108 no - 51.

THIS MEETS THE 2/3's REQUIREMENT

Article 25. On the motion of Charles T. Sanderson, III voted unanimously: that the Zoning by-laws and the official zoning map of the town be amended by changing a parcel of land presently classified under Section 3 as Residential District Use to an Industrial District use as classified under Section 4A. Said parcel contains approximately 112 acres of land and is situated on the westerly side of Summer Street between the Kingston-Duxbury town line and Winthrop Street. Said parcel is substantially bound and described as follows:

Easterly	by Summer Street, 3160 feet, more or less;
Northwesterly	by owners unknown, 3650 feet, more or less;
Southwesterly	by owners unknown, 5300 feet, more or less.

Said parcel is shown as Lot 7, Lot 7B, Lot 19, Lot 27B, Lot 28, Lot 30A and Lot 30B on Block 3 of Assessors' Plans of the Town of Kingston.

Harvey C. LeSueur, Chairman of the Planning Board informed the voters that a legal meeting was held on this article and that his committee had voted unanimously to accept this article.

Article 26. Anthony R. Caldera moved: that the Zoning By-Laws and the official Zoning Map of the Town be amended so as to change the following described land from residential zoning to business zoning:

Land located on Keith Ave. and a certain street known as Lawrence Street, being Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10 and Lot 31 according to a plan recorded in Plan Book 1, Page 67, Plymouth Registry of Deeds, Assessors' Plan, Division 6, Plan A Block 3.

Harvey C. LeSueur, Chairman of the Planning Board informed the voters that his committee does not favor this article.

MOTION WAS DEFEATED

Article 27. On the motion of Lawrence B. Westgate voted: that Section 2 of Article 1 of the town by-laws be rescinded.

Article 28. Kenneth J. Cram moved: that Section 3 of Article VIII of the town by-laws be amended to read as follows: Any board or committee having the authority to contract, shall be subject to competitive bidding if in excess of \$2,000.00 (Such contracts shall be in writing.)

Ernest H. Cole moved an amendment to substitute the figure \$1,500.00 instead of \$2,000.00.

AMENDMENT WAS DEFEATED

Then a vote was taken on the original motion and this was defeated.

Article 29. Weldon A. Thomas moved: that the sum of \$4,500.00 be raised and appropriated for the purchase of a catch-basin cleaner for the Highway Department.

This motion was defeated. Yes-77, No-78. Mr. Thomas asked for a recount. The vote was then: Yes-75, No-82.

Article 30. On the motion of Weldon A. Thomas voted: that the sum of \$3,200.00 be raised and appropriated for the purchase of an automatic sander for the Highway Department.

Article 31. Roscoe A. Cole, Jr. moved: that the sum of \$22,000.00 be raised and appropriated for the purchase of a bucket-dozzer for the use of the Highway Department.

MOTION WAS DEFEATED

Article 32. On the motion of John A. Cloud, voted: that a Kingston Housing Authority be organized and established under the provisions of Massachusetts General Laws (Ter. Ed.) Chapter 121, Section 26K and Acts in amendment thereof as there exists in the town a shortage of safe, sanitary dwellings available for families or elderly persons of low income at rents which they can afford.

Article 33. On the motion of Roscoe A. Cole, Jr. voted: that the wiring by-law be amended by deleting the text of Article 14, Section 5 inserting in place thereof: Fees for permits shall be established and may be, from time to time, amended by the Board of Selectmen.

Article 34. On the motion of George E. Cobb, voted that the sum of \$2,400.00 be raised and appropriated for the purchase of a power driven mower and attachments therefor for the use of the Playground Department.

Article 35. On the motion of Roscoe A. Cole, Jr. voted: that the Selectmen be authorized to establish a committee to study the advisability of entering into an agreement for the acquisition of the property and building located at the intersection of Summer and Green Streets, commonly known as the Kingston Inn, and that the sum of \$200.00 be raised and appropriated for committee expense.

Article 36. To see if the Town will vote to replace the two inch water main with a water main not less than six inches in diameter on the way known as Marsh Road, beginning at the southerly side of River Street and running in a southerly direction to Arrow Street, for a distance of 750 feet, more or less, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 37. To see if the town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a backhoe to be used by the Water and Highway Departments and other town departments, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 38. On the motion of Robert F. Melville voted: that the town authorize the appointment of a Government Organization Study Committee of seven members, one member from the Board of Selectmen, one member from the Finance Committee and five members to be appointed by the Selectmen, and that the sum of \$100.00 be raised and appropriated for committee expenses; said committee to report its recommendations at the next annual town meeting.

Article 39. Joseph F. Glass moved: that the Board of Assessors be authorized to petition the State Tax Commission for the installation of the State Assessment System as provided in Chapter 58, Section 7A of the General Laws.

On the motion of Kenneth J. Cram voted: to lay this article on the table.

Article 40. Lawrence B. Westgate moved: that the Selectmen be authorized to raise the former railroad station and to fill and pave the excavation thus created, and further be authorized to dispose of any salvageable materials in a manner to be in the best interest of the town.

On the motion of Joseph L. Robinson voted: to indefinitely postpone action on this article.

At this point, Roscoe A. Cole, Jr. moved for re-consideration of Item 46-Care of Other Municipal Property of the Budget. For the records, pertaining to this action, see Item 46 of the Budget.

At 4:58 P.M., George P. Malone moved that this meeting be adjourned to Monday, March 17, 1969 at 7:30 P.M.

THIS MOTION WAS DEFEATED

At 5:50 P.M. Robert L. Pooler questioned whether a quorum was present.

On the motion of Joseph L. Robinson voted: that this meeting adjourn until Monday, March 17, 1969 at 7:30 P.M. in the Community Building.

There were 296 voters present.

Vote checkers were: George A. Walsh and Catherine J. Bartlett.

GEORGE W. CUSHMAN
Town Clerk

The following notice has been served on the Town Clerk in accordance with the by-laws of the town in reference to re-consideration of votes taken at the annual town meeting:

Date Filed	By Whom	Item or Article for Reconsideration
3/16/69, 11:20 A.M.	Joseph F. Glass, Chairman Board of Assessors	Article 39 March 17, 1969

The adjourned Town meeting was called to order at 7:38 P.M. by the Moderator, Horace C. Weston.

Article 41. On the motion of Lawrence B. Westgate voted: that the Board of Selectmen be authorized to dispose of the building known as the Kingston Yacht Club.

Previous to this vote, moved an amendment that the committee authorized under Article 35 be empowered to study the matter of the Yacht Club and to report at the next annual meeting.

AMENDMENT WAS DEFEATED

Article 42. Kenneth J. Cram moved: that the town accept the way running from the end of Smith's Lane to the end of the property of the Town of Kingston, a distance of 7,408 feet, more or less, said way to be known as Cazale Way, subject to receipt of releases from all property owners, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and that the sum of \$1,140.00 be raised and appropriated for engineering services.

Harvey C. LeSueur informed the voters that the Planning Board was opposed to this article.

The Moderator appointed the following tellers to administer the oath:

Joseph L. Robinson	Paul P. Sullivan
Richard J. Thomas	Amelio E. Ruffini

MOTION WAS DEFEATED Yes - 57 No - 55

Article 43. On the motion of Kenneth J. Cram voted unanimously: that action under Article 48 of the annual town meeting in March 1968 be amended to read as follows: That the town take by eminent domain the private way known as Delano Avenue, beginning at the westerly side of Howland's Lane and Holmes Avenue and running to Grandview Avenue, a distance of 600 feet more or less, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and to meet said appropriation that the sum of \$3,000.00 be transferred from the account entitled "Highways - Delano Avenue Construction"

Article 44. To see if the town will vote to accept the way known as Off Kennedy Road, beginning at the southerly side of Kennedy Road and continuing in a southerly direction to Braunecker Avenue, a distance of 850 feet, more or less, and to be known as Union Street, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury a sum of money for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE

On the motion of Joseph F. Glass that action of the town under Article 39 be taken from the table.

Article 39. On the motion of Joseph F. Glass, voted unanimously: that the Board of Assessors be authorized to petition the State Tax Commission for the installation of the State Assessment System as provided in Chapter 58, Section 7A of the General Laws.

Article 45. On the motion of Gladys Johnson voted unanimously: that the town accept the way known as Braeburn Road, beginning on Pembroke Street and running in a northeasterly direction to Montclair Avenue, a distance of 225 feet, more or less, and the way known as Montclair Avenue, a distance of 485 feet, more or less, or a total distance of 710 feet, more or less and that a turn-around be installed at the easterly end of Montclair Avenue, subject to receipt of releases from all property owners, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$475.00 be raised and appropriated for engineering services.

Article 46. George A. Peters moved: that the town accept the way known as Peter's Lane beginning at the southerly side of Grove Street and running in a southerly direction for a distance of 750 feet, more or less, at which end a turn-around shall be installed, subject to receipt of releases from all property owners, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$4,125.00 be raised and appropriated for engineering services and for the construction thereof.

MOTION WAS DEFEATED Yes - 62 No - 39

This vote does not meet the 2/3's requirement.

Article 47. To see if the town will vote to accept the way known as Meadowbrook Road, beginning on the westerly side of Main Street and running in a westerly direction for a distance of 630 feet, more or less, and to include a turn-around, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 48. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the Stabilization Fund.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 49. To see if the town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

NO MOTION WAS MADE UNDER THIS ARTICLE

On the motion of Ernest H. Cote, voted: to adjourn this meeting to Saturday, March 22, 1969 at 7:00 AM at the Kingston Elementary School for the purpose of choosing all necessary town officials.

5:30 P.M. Number of voters present - 145.

Vote Checkers were: Catherine J. Bartlett and George A. Walsh.

Town Clerk

SPECIAL TOWN MEETING

June 2, 1969

A special town meeting was called to order by the Moderator, Horace C. Weston, at 7:45 P.M. By unanimous consent of the meeting, the warrant was not read, a copy of which had been given to each voter as they entered. The Moderator appointed the following persons as tellers and administered the oath of office to them.

Richard W. Loring
Harley S. Cadenhead

Russell E. Holmes
Warren M. Axford

Article 1. On the motion of Roscoe A. Cole, Jr. voted: that the action under Article 7 of the annual town meeting in March 1969, be amended as follows: that the sum of \$6,000. be raised and appropriated to meet the town's share of the cost of Chapter 90 Highway Construction, and that in addition, the sum of \$15,000 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares of the cost of the work, the reimbursement from the State and County to be restored upon their receipt to the Excess and Deficiency account in the treasury.

Article 2. On the motion of Irma A. Ruffini voted unanimously: that the sum of \$53.79 be raised and appropriated for the payment of certain unpaid bills for 1968 for Police - Salaries and Wages.

Article 3. On the motion of Lawrence B. Westgate voted: that the sum of \$4,000. be raised and appropriated for repairing the town grader.

Article 4. On the motion of James R. Goonan voted: that the sum of \$600. be raised and appropriated for the purchase of two combination siren-flashing lights and amplifying systems for installation on the police cruisers and that the Selectmen be authorized to trade in the present equipment used by the Police Department and apply the allowance thereof to the purchase price.

Article 5. Roscoe A. Cole, Jr. moved: That the following sums of money be raised and appropriated and added to the amounts voted at the last annual town meeting, and that each item be acted upon separately:

Town Clerk - Expenses	\$ 400.00
Election and Registration - Expenses	300.00
Interest in Anticipation of Revenue	2,000.00
Assessors - Salaries and Wages	150.00
Police - Maintenance - Salaries & Wages	1,500.00
Trimming Shade Trees - Salaries & Wages	1,500.00
Trimming Shade Trees - Expenses	2,000.00
Health - Insect Control - Salaries & Wages	750.00
Health - Insect Control - Expenses	900.00

The items as follows were defeated:

Town Clerk - Expenses	400.00
Election & Registration - Expenses	300.00
Interest in Anticipation of Revenue	2,000.00
Assessors - Salaries & Wages	150.00
Police - Maintenance - Salaries & Wages	1,500.00
Trimming Shade Trees - Salaries & Wages	1,500.00
Trimming Shade Trees - Expenses	2,000.00

Mr. Harley S. Cadenhead moved: reconsideration of the Town Clerk's appropriation.
MOTION WAS DEFEATED

The following items under this article were voted:

Health - Insect Control - Salaries & Wages	750.00
Health - Insect Control - Expenses	900.00

Article 6.A. Violet Berry moved: that the sum of \$1,690,000.00 be appropriated for constructing and originally equipping and furnishing a new elementary school, and that to meet this appropriation, the treasurer with the approval of the Selectmen, be authorized to borrow \$1,690,000.00 under Chapter 645 of the Acts of 1945, as amended, and that the Kingston Elementary School Building Committee be authorized to take the necessary action to carry out this vote.

Mr. Splaine, Chairman of the Finance Committee, informed the meeting that the Finance Committee recommends this article and the bond issue not to exceed 15 years.

After a long discussion, it was voted the question at this time. The vote was over the 2/3's requirement.

On the motion of Mr. Splaine, voted: that the vote to be taken under Article 6 be taken by written ballot.

The vote was then taken under Article 6 and the vote was: Yes - 203 No - 145

THIS DOES NOT MEET THE 2/3'S REQUIREMENT.

Therefore, the motion was defeated.

SECOND MOTION UNDER ARTICLE 6

Roger Craig Sturtevant moved: that the sum of \$1,545,000.00 be appropriated for constructing and originally equipping and furnishing a 15 room elementary school, and that to meet this appropriation, the Treasurer with the approval of the Selectmen, be authorized to borrow \$1,545,000.00 under Chapter 645 of the Acts of 1948, as amended, and the Kingston Elementary School Building Committee be authorized to take the necessary action to carry out this vote.

On the motion of Joseph L. Robinson voted: that the vote taken under this motion be on a standing vote.

The vote was: Yes - 189 No - 102

Then a vote was taken under Article 6 and the vote was: Yes - 143 No - 166
Motion was defeated.

Article 7. To see if the town will vote to authorize the Selectmen to acquire for school purposes by eminent domain, a certain right of way, which right of way is approximately 16 feet in width and runs for approximately 1889.37 feet along the southeasterly boundary line of a certain parcel of land owned by the town of Kingston; all as shown as Parcel "A" on Plan numbered 21034A, Sheet 1, and filed with Certificate of Title number 13503, and duly recorded with Plymouth County Registry of Deeds, said right of way being for the benefit of Teresa M. Warrenner, and to further authorize said Selectmen to relocate said right of way over remaining land of the town of Kingston and to change the relocation thereof from time to time, and to raise and appropriate or transfer from unappropriated available funds in the treasury, the necessary monies, and to take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE

Article 8. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for providing additional school space for the elementary school, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE

On the motion of Manuel P. Souza voted to adjourn. (10:20 P.M.)

There were 358 voters present and the vote checkers were: George A. Walsh and Catherine J. Bartlett.

GEORGE W. CUSHMAN
Town Clerk

GEORGE W. CUSHMAN
Town Clerk

REPORT of the BOARD OF SELECTMEN

Two Special Town Meetings were held on February 8 and June 2 - both called to consider new elementary school construction and both left the question unresolved. It is interesting to note that the second of these meetings was called at the request of voters exercising their right of petition provided in the General Laws of the Commonwealth.

The Selectmen used emergency powers twice in late December, when the Reserve Fund had been depleted, to authorize expenditures from available funds and in excess of departmental appropriations for the purpose of snow removal made necessary by the storms of December 18, 23, 26, 27 and 28. For this reason \$5,728.64 will be added to appropriations assessed in the determination of the 1970 tax rate by the Assessors. An additional appropriation of \$914.61 will be sought in the 1970 Annual Town Meeting to supplement the 1969 money voted to repair the town's grader. This amount was needed to complete repairs when x-ray examination revealed hairline cracks in the engine crankshaft. The grader is now back on the job, available for heavy snow plowing needs as we experienced in February of 1969 when it made the difference in keeping town roads open.

The Selectmen are pleased to report completion of survey work preliminary to improving the mooring area and channel in the Jones River. Authorized by the 1968 Annual Town Meeting, the project was delayed until matching funds were available. We can now proceed with the Commonwealth and the Waterfront Improvement Committee to develop improvement plans and apply for financial assistance to implement them.

Inspection fees under the Building, Wiring and Plumbing Codes were revised in August in an effort to establish fees generally in line with surrounding towns and to allow the fees instead of the real estate tax to support the costs of inspection. Future revisions will be made as necessary to satisfy these objectives.

Growth of the town and changing times continue to add to the problems of local government.

Collective Bargaining for municipal employees, other than school employees, was introduced in Kingston when the permanent police officers were recognized as a bargaining unit by the Selectmen in April, with the Selectmen representing the town. Bargaining on wages, fringe benefits and working conditions is under way. Close liaison with the Finance Committee and the Wage and Personnel Board has been the rule. It is expected that the latter board will be in a position to handle future negotiations of this nature.

Coincident with our population increase is the problem of finding interested candidates for appointment to the growing number of boards and committees essential to our method of town government. The Selectmen, with many appointments to fill, feel that many interested candidates are unidentified, particularly among the newer residents and ask your help in finding those with the talent and time to fill the jobs. Interested voters are asked to contact the Selectmen.

The Board of Selectmen continues their regular meetings on Tuesday evening at 7:30 P.M. Anyone wishing to talk with the Board is requested to contact the Selectmen's clerk at the Town House for an appointment. This advance contact, with a brief statement of the nature of the business to be discussed, permits the Selectmen to conduct meetings with an agenda and greatly reduces any waiting time for those who wish to talk with the Board. In many instances, it allows the Selectmen time to get the information needed to answer a question or act on a request that might otherwise be delayed to a subsequent meeting.

We take this opportunity to recognize the cooperation and assistance of the many boards, committees and town officers during the year. These are the essence of any success we achieve and without which the Board of Selectmen cannot function. We thank you.

Respectfully submitted,

ROSCOE A. COLE, Jr., Chairman

REPORT of the ELIZABETH B. SAMPSON MEMORIAL FUND

In our last annual report the trustees emphasized the necessity for periodic review of the policy adopted in determining the type of expenditure that should be recommended to the town meeting for approval. Further discussion on this question has led, not to any radical departure from past practice, but to the decision to more strictly interpret the distinction between ordinary and extraordinary expenditures. The trustees continue to feel that the monies available from this fund should not be utilized to cover items that would customarily appear in departmental budgets, not those items of capital expense that are recurrent or appear only as a result of the necessary expansion of services currently available.

To state this policy affirmatively it is proposed that the trustees should confine their approval for recommendation to those projects the town might otherwise consider beyond its means. Of course, this would in no way diminish the fundamental consideration that any undertaking should benefit the community as a whole.

This year, in contrast to a year ago, departmental requests substantially exceeded the available funds. While all of these requests appeared to the trustees worthy of community support with equal certainty only a few appeared to qualify for recommendation to the town in the terms of the newly defined policy. In any case the sums involved required elimination of some otherwise acceptable projects and the following seemed most appropriate.

- 1 To continue for one more year support of band concerts at Gray's Beach Park with a recommendation of \$500.00. However, the trustees feel that continuation of this program beyond 1970 should be dependent on budgetary appropriation.
- 2 To erect a concrete block field house at the Captain Fred Bailey Playground for the more convenient storage and protection of equipment and supplies \$2,000.00
- 3 As a contribution toward the acquisition of 22 acres of land lying west of the Rader's Lane turnaround which would constitute a valuable area for recreation and conservation purposes in the southerly section of the town \$6,000.00. Purchase of this property would require in addition a separate appropriation by the town of \$6,000.00, an assignment of \$3,000.00 by the Conservation Committee from funds already appropriated, and receipt of matching funds from the state if the required total of \$30,000.00 is to be realized.

Respectfully submitted,
HORACE C. WESTON, Chairman

Respectfully submitted,

JOSEPH F. GLASS, *Chairman*

FRANCIS P. McMANUS, *Member*

HARLEY S. CADENHEAD, *Member*

Board of Assessors

REPORT OF THE PLANNING BOARD

Our activity was as follows:

- 17 Lots approved in subdivisions
- 77 Lots approved under subdivision approval not required
- 71 Lots under consideration.

Arthur E. Beane, Jr., after many years of service elected not to run for re-election.
John A. Cloud was elected to the Board for a five year term.

After holding interviews the Board selected Charles Downe Assoc. to proceed with the town's Master Plan. The Federal Government matched Kingston's \$5,000.00 appropriation with a \$15,000 grant. Contracts were signed and the fifteenth month project was started on August 1, 1969.

An Advisory Committee was formed to review the progress of the Master Plan and make suggestions to insure that the plan would become a responsible guide to our future growth and development. The members of the Advisory Committee are as follows: Charles L. Farrington, Jr., Ernest H. Cote, Roger C. Sturtevant, Amelio Ruffini, Bartholomew A. Vernazzaro, Abraham A. Ruffini, Charles T. Sanderson, III, Oswald W. Stewart, Russell E. Holmes, Gertrude B. Babbitt, Pauline S. Marvin and Richard C. Codrington.

Respectfully submitted,
ROGER C. STURTEVANT, *Chairman*
FREDERICK J. SMITH, *Secretary*
HARVEY C. LÉSUEUR
WILLIAM R. FAIRWEATHER
JOHN A. CLOUD
 Planning Board

REPORT OF THE ZONING BOARD OF APPEALS

Sixteen petitions received and two petitions pending from the previous year received the following dispositions:

	<u>Variances</u>	<u>Special Permits</u>	<u>Extensions (Spec. Permits)</u>
Granted	2	5	..
Denied	4	6	..
Pending	1	..	1
Decisions appealed to Superior Court	..	1	..

There was an increase of one petition over the previous year. The Board's decision of one case where a Special Permit was granted to allow construction of a Nursing Home was appealed to the Superior Court and was reversed by the Court. The other appeal pending from the previous year was withdrawn.

Stanley J. Kuzborski was re-appointed to the Zoning Board of Appeals for a three year period and continues as Clerk of the Board.

Resignations were received from members George T. Pratt Jr., Gerald S. Barclay and David W. Gavigan. Their vacancies were filled with the appointments made by the Board of Selectmen as follows: James E. Shay as full member, Larry Hybertson and David A. Cushman as alternate members.

The Board of Appeals extend their thanks to Town Clerk George W. Cushman and his staff, Chairman of Assessors Joseph E. Glass, his Board and staff, for their cooperation and assistance rendered us throughout the year.

Respectfully submitted,
NORMAN C. STEERE, *Chairman* 1971
STANLEY J. KUZBORSKI, *Clerk* 1972
JAMES E. SHAY, *Member* 1970
LARRY HYBERTSON, *Alt. Member* 1972

TOTAL RECEIPTS

\$1,904.50

Inspections made	495
Complaints investigated	35
Miles travelled	3000

For comparison purposes, 195 permits were issued in 1969 with an estimated cost of \$2,337,789.00, or an increase over 1968 of \$1,085,076.00. The income for 1969 was \$4,904.50 or an increase over 1968 of \$3,031.50.

Building applications may be obtained at the office to the Clerk of the Selectmen and at the office of the Building Inspector, daily, and I will be available at the Town House every Tuesday evening, and will be of service at other times if the duties of my office require it.

I wish to thank the personnel in the offices of the Town Clerk, Board of Selectmen, and Board of Assessors for their continued fine cooperation during the year. Their assistance has been greatly appreciated.

Respectfully submitted,
GEORGE A. WALSH
 Building and Health Inspector

REPORT of the INDUSTRIAL DEVELOPMENT COMMISSION

Your Industrial Development Commission has had a busy year with regularly held meetings wherein we have kept in close touch with developments within our area.

We have let ourselves be known and Kingston's potential as a desirable industrial site has been duly publicized.

While we have nothing concrete and explicit to report at this time, we are exploring several possibilities which could have far-reaching effects on Kingston's future economy.

During the coming year, we will work with continued effort to bring you results which go beyond preliminary negotiations - an Industrial Park duly noted with an impressive signpost, and an actual physical evidence of progress.

Respectfully submitted,

CHARLES T. SANDERSON, III, *Chairman*

NORMAN E. THOMAS, *Clerk*

MANDO J. ALDROVANDI

ALVIN L. GOULD

ROBERT A. JONES

Industrial Development Commission

REPORT of the WIRING INSPECTOR

On July 1, 1969 the Board of Selectmen voted that fees, as recommended by the Wiring Inspector be adopted. These were advertised in the newspaper and became effective on August 1, 1969.

The following inspections were made during 1969:

Total number of inspections	238
New dwellings, rough-ins, or services	127
New Bedford Gas & Edison Light Company permits	176
Water heaters	49
Office building inspections	3
Restaurants	2
Bog Pumps	2
Signs	1
Dry Cleansers	1
Apartment inspections	8
Barber Shops	2
Garages	4
Swimming Pools	1
Lumber Yards	1
Clubs	1
Rest Homes	1
Church Schools	1
Gas or Oil Burners	7
Dryers or Stoves	9
Gas Stations	4
Alterations	6

Inspections by alternate Wire Inspector, Maurice Fernez 17

I wish to express my appreciation to the Town Accountant, Mrs. Irma Ruffini and her personnel and the Building Inspector, Mr. George A. Walsh for assistance in issuing permits and aid to this department.

Respectfully submitted,

ARTHUR R. DAVIS

Inspector of Wires

REPORT of the PLUMBING INSPECTOR

On July 29, 1969 the Board of Selectmen voted to establish a fee of \$2.00 per fixture for Plumbing Permits. This was advertised in the newspaper and became effective on September 1, 1969. With the setting of these fees we hope to cover the expenses of this department and not add them to our tax base.

I wish to thank Irma A. Ruffini and her office personnel, and George A. Walsh for their assistance in the issuing of permits and their aid to this department.

Respectfully submitted,

FRANK TRIFFLETH

Plumbing Inspector

REPORT of the GAS INSPECTOR

I hereby submit my report starting January 1, 1969 to December 31, 1969.

Number of Inspections: 189

It is important that application for permits be made *prior* to commencing the work, and that the Inspector be notified when the work is ready for inspection.

I wish to express my appreciation to the Town Accountant, Irma A. Ruffini, and the personnel in her office for assistance in issuing permits and aid to this department.

Respectfully submitted,

JAMES A. ROBARE

Gas Inspector

REPORT of the POLICE DEPARTMENT

Honorable Board of Selectmen
Town House
Kingston, Massachusetts
Gentlemen:

The report of the activities of the Police Department is respectfully submitted for the year ending December 31, 1969.

As in years past the members of my department and myself have spent a tedious year of waging a never-ending struggle against housebreakers, vandals and young offenders in the community. There is no possible way of putting into dollars and cents the amount of property damage and destruction that has taken place in the Rocky Nook section of Kingston. The Labor Day weekend generally ends the summer occupancy in the Nook and from that weekend on, cottages are found maliciously destroyed, both outside and interior, beyond repair.

We have been fortunate on several occasions to apprehend the wilful intruder only to conclude these acts are done "without thinking", "on a bet" or "for kicks". This type of vandalism is alarming and we urge all citizens to be conscious of suspicious "goings on" in the community.

1969 brought our district a new problem to face-it is the dilemma of drugs. To keep up with the latest laws and effectively put them to use and further to fully understand the problem of the use of drugs, our department sent an officer to school on Narcotic Drugs conducted by the Massachusetts State Police. Future classes and courses will be attended and a concentrated attempt is being made by the department to curtail drug usage in Kingston.

I am pleased to report fewer motor vehicle accidents were investigated in 1969 (42 less than in 1968). This statistical fact is encouraging inasmuch as we feel that the enforcement program has paid off by safer driving citizens, those who are now "Stopping, Looking and Listening". There were no fatal accidents in 1969.

Our thanks to the Board of Selectmen for their cooperation in 1969 and hope for the same cooperation and understanding in the new year.

My thanks to the CD Auxiliaries and the CD Director for their assistance during the year and to the Traffic Supervisor who continues to do an excellent job getting our young people safely to and from school.

REPORT of the FIRE ENGINEERS

The past year was one of fires in the outlying sections of the town - a hunting camp at Indian Pond and a summer cottage at Smelt Pond were destroyed in night fires. As no one lives in the areas, they were not discovered until well advanced.

Firefighter Charles G. McCarthy, a capable and willing worker and one of the three original permanent firemen, died in July. The loss of his services has a lasting effect on the entire Department. The vacancy caused by the death of Firefighter McCarthy was filled with the appointment of Michael F. Cavicchi.

Deputy Chief Wallace C. Holmes and Firefighter Jon H. Alberghini again attended classes at the Fire School Division of the Massachusetts Community College.

The Permanent Firefighters Association purchased aluminum x. arm and screen windows from the owner of a building being demolished and installed them on the office and living quarters at no cost to the town.

To clarify the policy on basement pumping during heavy rains, we will attempt to clear the water only if the heating or electrical systems are in danger.

At this time we wish to thank the members of the Department for their continuing fast response that keeps fire loss at a minimum.

CONDITION OF APPARATUS

Engine 1	1958 International	500 g. d. per min. pumper	(Good)
Engine 2	1954 International	750 gal. per min. pumper	(Fair)
Ladder 1	1968 F.W.D.	75 Ft. Aerial	(Good)

REPORT of FOREST FIRES DEPARTMENT

Honorable Board of Selectmen
 Town House

Gentlemen:

Please accept the following as a report of the Forest Fire Department for the year 1969.

The landfill at the Town Dump proved very effective during 1969, only once was it necessary to extinguish a small fire outside the dumping area, while in the past there were as many as fifteen each year. The number of trips that show on the records were to stand by while elm wood and brush was burned.

The largest fire of the year was one of incendiary origin in the beautiful evergreen forest near Route 80, where ten acres were consumed. Due to dry conditions several days of wetting down were required before final extinguishment. Highest number of calls in any one day was six, with several days having four or five.

CONDITION OF APPARATUS

Brushbreaker	1948 Dodge Power Wagon	(Poor) Replacement Requested	1970
Brushbreaker	1954 Dodge Power Wagon	(Fair) Possible Replacement	1974
Brushbreaker	1965 Dodge W-300	(Good) Possible Replacement	1985

Mutual Aid	9
Non-permit	14
Smoke Investigations	19
Woods	43

TOTAL 204
 4,512

Burning Permits Issued

Respectfully submitted,
 JOHN B. WEST
 Forest Fire Warden

REPORT of the SHELLFISH CONSTABLE

Considerable time and money were expended on our shore line this year, for the purpose of removing horseshoe crabs. This program will be continued next year to protect the clam growth, which is producing well along our shore line.

A total of 123 bushels of quahogs were transplanted on our flats and the winter grant.

The shore line from Delano's Wharf north to Holmes Avenue was opened to the digging of clams on Saturdays and Sundays only. Good results were reported by persons digging clams, providing proof that the cultivation of the ground is beginning to show good results.

Sincere thanks and appreciation are extended to my Assistant, Paul I. Vantagoli, and to all persons who have willingly given their time.

Respectfully submitted,
 ANTOINE J. CAZALE
 Shellfish Constable

REPORT of the HARBOR MASTER

There were approximately 150 boats moored in Kingston waters this year, specifically at the Jones River and along the Kingston shore to the Plymouth line. This is a definite increase over the previous year.

Kingston residents still have first preference to moorings on the town racks and in the basin.

Five boats were towed back to the landing after they had broken free from the moorings, after which the owners were then notified.

Eighteen boat owners reported that equipment valued at a total amount of \$2,500.00 had been stolen from their boats. It is hoped that there will be a satisfactory method of eliminating this problem. One party was arrested and found guilty in one of these breaks.

Complaints of residents at Smelt Pond were investigated. These consisted of water skiing on the pond and violation of the Massachusetts Motor Boat Laws.

I would like to express my gratitude to all persons using the facilities who cooperated to make the Kingston waters a safe boating area, and to all town departments for their help whenever needed.

I extend my thanks and appreciation to my Assistant, Gabriel Costa, for his faithful assistance to me in the duties of this Department.

Respectfully submitted,
 ASA W. GLASS, Jr.
 Harbor Master

REPORT of the TREE WARDEN

I would like to thank the citizens of Kingston for their understanding and cooperation during my first year as Tree Warden.

Just prior to my election the truck owned by this department was involved in an accident and it was not returned to the department from the repair shop until May.

In the Spring two men were hired who started cleaning up the storm damaged trees, which work continued until spraying season arrived.

Twenty-four new trees were planted this year along various town roads. It is my hope that additional funds will be available next year to make twice as many plantings.

My sincere thanks go to Mrs. Irma Ruffini and her two assistants for their help and cooperation this past year.

Respectfully submitted,
FRED E. NAVA
Tree Warden

REPORT of the MOTH SUPERINTENDENT

I received my appointment as Moth Superintendent in April, 1969, and shortly thereafter obtained my license to apply pesticides in accordance with the State Law.

Spraying commenced in May and continued, weather permitting, as long as the season lasted. During this time numerous patches of Poison Ivy were sprayed in various sections of the town. In addition, a total of 72 diseased Elm trees were removed. There remain considerable more diseased trees to be removed, for which it will be necessary to request additional funds next year.

I wish to extend my thanks and appreciation to the Board of Selectmen, the Highway Department, the Finance Committee and other departments who have assisted me this past year.

Respectfully submitted,
FRED E. NAVA
Moth Superintendent

REPORT of the DIRECTOR of CIVIL DEFENSE

In keeping with national policy, Kingston Civil Defense agency has retained protection against possible nuclear fallout as its Number One priority this year. This past fall, pamphlets outlining how civilians can protect themselves against radioactive fallout were distributed throughout the town by pupils at the Kingston Elementary School. For this effort we are grateful to Superintendent Moran, Principal Miss Esther DiMarzio, and members of the teaching staff. We in Civil Defense believe that alert citizens must be prepared to protect themselves as far as possible against a nuclear attack, no matter how remote a possibility such an attack may seem.

As part of such protection, the federal government's 24-hour alert warning system is being tested through to local communities at regular intervals. Kingston is linked to this warning system through Civil Defense, state police and county radio systems, with 24-hour coverage at the Kingston fire station.

Spurred by last winter's snow storms, Kingston, CD has cooperated with Old Colony Chapter, American Red Cross, to improve its preparedness for emergency shelter. At least one building, Sampson Hall, may now be used for temporary housing during a disaster.

Loren St. Onge of Kingston has organized a radio communications net among several neighboring Auxiliary Police organizations, operating on a public safety band. The group now includes Kingston, Halifax, Whitman and Hanson, with Norwell, Abington, and Middleboro expected to join shortly. Mr. St. Onge is to be commended for his energy and vision in this new activity.

During 1969 this office made five trips to CD headquarters in Hannon on official business, and six to Taunton Surplus Depot keeping previously made appointments. Seven regularly scheduled monthly meetings of Sector 2B were attended in Hannon, Brockton and Bridgewater.

Mr. Vernon Cushman, radio officer, has maintained his contact with Sector 2B net control station on the two-meter band whenever sector-wide radio drills have been scheduled. Thus, with the auxiliary police net described above and the amateur net already present in Kingston under the direction of Mr. Cushman, emergency communications can be readily handled. The radios of both nets can be conveniently powered either through automobile electrical generating systems or by separate auxiliary supply units owned by the volunteer operators or Kingston CD.

The remarkable CD film on the Alaskan earthquake has been supplied to Silver Lake Regional High School science classes through this office. The Science Department at the high school has requested the film for showings again this year. In addition, a supply of CD pamphlets entitled "The Way to Go," dealing with alcohol and driving, has been turned over to the Silver Lake Driver Education classes.

We wish to thank all town officials and private citizens who have assisted the Kingston CD program this year. For Civil Defense, the basic concept remains: This is an existing government. In other words, in an emergency the town would make use of its own available manpower, but a quick call to sector or area headquarters would bring additional equipment or manpower without delay.

Respectfully submitted,
ROBERT A. MULLIKEN, *Director*
JOHN B. DREW, *Deputy Director*

REPORT of the CONSERVATION COMMISSION

It has been gratifying to see an interest on the part of our townspeople in Sampson Common and Memorial Forest, particularly among our Boy and Girl Scout troops. Even church groups of young people have hiked through the trails. The Conservation Commission had hoped for this interest, knowing that it will be up to the younger generation to carry forward an interest in Conservation in the coming years.

Most of the Commission's efforts during the past year have been directed towards improvement of the first seven acres of Sampson Common adjacent to Elm Street. This area now has varied plantings of perennial trees and shrubs. A parking area has been developed, and important problems of drainage corrected. A stone monument has been placed in the ground at a point readily visible to passersby, and is awaiting a bronze plaque memorializing those who helped make Sampson Common and Memorial Forest possible.

The Commission is most grateful to Mr. George Frazer of Silver Lake Regional High School and his group of Future Farmer students for their important part in cleaning up the damage from last year's vicious snowstorms.

The Commission is now considering the possibility of acquiring 22 acres of open land west of the Basler's Lane turn-around. A second area of approximately 52 acres near the westerly intersection of Indian Pond Road and Elm Street is also being considered. In view of the projected rapid growth of the town, the Commission and others interested in planning for the town feel it desirable to acquire these parcels of land as simple open space conservation areas.

Another project by the Conservation Commission now almost complete is the erecting of a monument with plaques marking the passage of the 42nd parallel line of latitude through Kingston. This marker is located off Bay Road just before the intersection of Park Street. For this project the Commission is most grateful to Mr. Chester Heckman for use of his land for the marker, and to Mr. Robert Burban of the Kingston Aluminum Foundry for casting and donating the plaques. Special thanks are offered to Abraham A. Ruffini and his co-workers in the Highway Department for moving the concrete marker from Southeastern Concrete to its permanent site.

The 42nd parallel is the one which has been used most for state boundaries in the United States. It marks the boundary between California, Utah, Nevada and Idaho as well as between New York and Pennsylvania. As the imaginary line passes around the world, other familiar points are Ajaccio, Corsica; and Rome, Italy. Perhaps some may remember their American history studies and the "54-40 or Fight" slogan. This was a slogan of the Democratic party after the election of President Polk in 1844, when the party was pursuing a policy of territorial expansion. The question was one of the boundary between the United States and Great Britain in the Northwest, more specifically the Oregon territory, which lay between the 42nd parallel on the south and the parallel at 54°40' on the north. The question was resolved agreeably to both countries in 1846, when the United States accepted the 49th parallel for the northern limit of its territory west of the Rockies to the Pacific coast and Puget Sound.

Respectfully submitted,
 ROBERT A. MULLIKEN, *Chairman*
 P. CABOT RUSHTON, *Secretary*
 RICHARD W. LORING
 RICHARD J. THOMAS
 BARTHOLOMEW A. VERNAZZARO
 Conservation Commission

REPORT of the BOARD of HEALTH

The year 1969 was a busy year for your local Board of Health. The town of Kingston is growing and with its growth the activities of the Board have increased.

The Board has tried to follow the State Law as stated in the State Sanitary Code in the best interests of the health of the townspeople. The use of a Registered Sanitarian to make inspections of all food establishments has resulted in an increased vigilance in the correction of violations of the Sanitary Code. We will continue to use this program.

The contract with the Plymouth Community Nurse Association was continued in 1969. We feel the continuation of this service to assure the well-beings of infants and pre-school children is a most necessary program for 1970. Well-Child Clinics will be held as in previous years, and visits to Kingston residents will be continued as in the past. We have enjoyed the cooperation of the Nurse Association this year.

A Mobile X-ray Clinic was held at the Town House on Friday, November 7, 1969 in cooperation with the Plymouth County Health Association. Participation of the

townspeople was most gratifying with 260 x-rays taken by the x-ray technician. This number was the largest in the history of the program in the town of Kingston. We shall offer this program as often as it is available to us.

Analyses of the various bathing areas in the town were made several times during the course of the season. All tests were forwarded to the State Department of Health to determine the bacteriological content of the water samples. All tests were returned as safe for bathing purposes.

The Insect Pest Control Program, in conjunction with the Plymouth County Mosquito Control Project, continued in 1969 as before. In addition a one-shot spraying program by air used to control mosquitoes in late June. The combination of fogging and aerial spray seemed to give most of the town a comparatively free summer from insect pests. We plan to expand our aerial spray to two applications at proper intervals in 1970. (We will use NO D D I.)

Townspeople are reminded that communicable diseases and dog bites must be reported to the local Board of Health, who in turn must submit this information to the State Department of Public Health.

One of the most pressing problems of the Board is the need for more space for disposal of solid waste. We explored the many alternatives available to us and will have recommendations to the 1970 Annual Town Meeting to solve this space problem.

The Board will try to provide the best estimates available to us on the costs of these proposals and, hopefully, with the help of the voters come to an agreement on the best procedures to follow to solve our mutual problem.

We wish to thank all town officials, employees and townspeople who have offered their assistance and cooperation to us in the past year.

Respectfully submitted,
 LAWRENCE B. WESTGATE, *Chairman*
 ROSCOE A. COLE, Jr.
 CHARLES L. FARRINGTON, Jr.
 Board of Health

REPORT of the PLYMOUTH COMMUNITY NURSE ASSOCIATION

The Annual Nursing Service Report of the Plymouth Community Nurse Association for the year 1969 is herewith submitted.

During the year, a total of 1263 visits were made to patients in Kingston by our nurses. Of this total, 524 visits were made in behalf of the Kingston Board of Health.

The nursing service breakdown is as follows:

739	General Nursing Care
208	Maternity
	(22 - Antepartum)
	(93 - Postpartum)
	(93 - Newborn)
*115	Tuberculosis follow-up
15	Other Communicable Disease
8	Infant Health Guidance
13	Preschool Health Guidance
42	Adult Health Guidance
73	State Immunization Surveys
50	Unclassified (Not at home or not found)

* (Not included in the TB follow-up: 13 Mantoux Tuberculin skin tests given to TB contacts residing in Kingston Rest Home).

Eleven Well Child Conferences were held at the Beal House, during 1969, at which 276 infants and preschool children were seen and examined by our W.C.C. pediatrician, Richard O. Elliott, M.D. A total of ninety-one Tuberculin skin tests were applied and 246 various immunizations (DPT, Polio, Measles and Smallpox), were given by the physician and the P.C.N.A. nurses.

In our report, you will find 42 Adult Health Guidance visits; the largest percentage of these visits were for Maternal health-in other words, to Mothers of young children, regarding nutrition, immunizations, follow-up visits from Well Child Conferences, etc. Our W.C.C. in Kingston is a popular and well attended clinic, which we feel is of value to the community.

The Plymouth Community Nurse Association continues to be certified by our Federal Government as a Home Health Agency, qualified to provide Public Health Nursing to our communities.

In July of 1969, we extended our nursing services to the Town of Duxbury.

The Easter Seal Society continues to provide its services through us for the total rehabilitation of patients served by our agency.

We are pleased to be designated as the provider of Public Health Nursing to the Town of Kingston and wish to thank all the Kingston Selectmen and the Kingston Health Department for their support and interest in our organization.

Respectfully submitted,
(MRS.) MARION A. TERRY, R. N.
Supervisor

REPORT of INSPECTOR of ANIMALS and SLAUGHTERING

During the past year we have witnessed a profound drop in the number of cattle shipped into Kingston. There has been a corresponding increase in the number of riding horses in Town.

This year, 15 dogs were quarantined on suspicion of rabies because of bites imposed. However, all of these dogs were released after the customary 10 day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the proper State authorities.

The annual inspection of animals was made and the report forwarded to the Division of Livestock Disease Control.

I wish to thank Mrs. Irma Ruffini and the members of the Board of Health for their cooperation in organizing these inspections.

Respectfully submitted,
RAYMOND RUSSO, D.V.M.
Inspector of Animals and Slaughtering

REPORT of the PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

In reporting the Project's activities for 1969, we have been able to continue our primary objectives in each town or city. Namely, the reduction of the mosquito population at source of breeding. This was accomplished either by trenching of breeding areas, or periodic treatment of waters where larvae were found.

As areas are located or reported with an abundance of adult mosquitoes, mist spraying or fogging is practical, affording temporary relief in troublesome sections. Fogging is extremely costly, but an effective weapon against the biting mosquito.

Many breeding areas which require continuous alert control and pre hatch treatment weekly, come under some of the following: municipal sewer areas, dumps and disposal areas used by commercial waste pumping concerns, and in residential developments where inefficient septic tanks are leaching into streams and ponds. Storm basins are also a continuous breeding source all season. As all of these specific places represent breeding of both nuisance and vector type mosquitoes, they are the number one priority for each district crew leader.

The excessive rains this fall, coupled with normal snows and rainfalls during this winter, will in all probability be the cause of an abundance of mosquitoes in the spring.

Two aerial applications of Dibrom were applied at shoreline areas for Greenhead Fly Control, and mosquito abatement. This insecticide is harmless in our dosage to fish and wildlife. Catch basins in thickly populated areas were treated twice during the summer. As in the past, salt marsh ditches were cleared of debris using hand labor. Our larvaciding program and pre-hatch treatment will continue as before. DDT has been phased out by this Project for some time, and will not be used in the future.

I cannot over-emphasize the obligation of the homeowner and commercial entities regarding the elimination of breeding sites on their properties. A few minutes spent ridding properties of containers holding stagnant water during the summer months will reduce the mosquito population by millions. Any water container is suspect, old tires, wading pools, car bodies, clogged gutters, sewage violations, and open disposal receptacles are just a few of the breeding sites of the Culex, or summer mosquito. A frequent changing of water in birdbaths and other beneficial water containers will accomplish the same purpose.

We wish to again thank the town officers, your highway supervisors and health officers for their concern and cooperation.

Respectfully submitted,
M. CURRIE BEATON, Jr.
Superintendent

REPORT of the DIRECTOR of PLYMOUTH COUNTY EXTENSION SERVICE

The 4-H Clubs of Kingston have completed another successful year, and the town may well be proud of the youth who have participated in this worthwhile program.

The aim of the 4-H Club is to train and educate young people to function intelligently in a democratic society, and over 100 girls and boys between the age of 10 and 19 years have shared in both the educational and recreational programs.

Outstanding community activities during the year were: rabbit show, skating party, Christmas party, turkey whist, cookout, fishing derby, square dance, fair, banquet achievement night and a spaghetti supper. The Town Committee entered a float in the Duxbury and the Plymouth 4th of July parades for which they received two first prizes. The Town Committee also awarded its first scholarship to Jo-Ann McDonald who is now attending University of Massachusetts. Ten campships were awarded and several members won trophies at the Fairs.

The following Town Committee members and leaders should be commended for their assistance in participating and supervising the 4-H Club activities:

Chairman: Shirley Cavacco
Co-Chairman: Ann McDonald
Secretary: Paul Sullivan
Treasurer: Miriam MacInnis
Historian: Vickey Heath

Leaders and Members: Manual Cavacco, William McDonald, Viola and Richard Cretinon, Judi Marey, Dolores and John Tura, William Heath, Helen Chaves, Phyllis Sullivan, Jean Sullivan, Evette L. Collier, George E. Fraser.

I wish to express my gratitude to the local merchants who generously donated gifts for the whist party. A special thanks goes to the Playground Commission and Edward Cadwell for making the facilities of the Reed Community Building available to the Club.

All who have aided the 4-H Clubs must feel a sense of satisfaction knowing that they have had a part in the development of future good citizens and leaders.

The 4-H Club of Kingston welcomes anyone who is interested in the work of the Club to contact any one of the members if they desire to help this good cause.

Respectfully submitted,
GEORGE EDWIN FRASER
Director

PLYMOUTH COUNTY AID TO AGRICULTURE (Plymouth County Extension Service)

The office of the Plymouth County Extension Service is located in the former nurses' home of the Plymouth County Hospital, High Street, Hanson, and can be reached by calling 293-3541 or 447-5946.

Our legal title is Plymouth County Aid to Agriculture, but we are better known as the Plymouth County Extension Service or the Cooperative Extension Service. Funds from three levels of government - county, state and federal support the Extension Program and that's why it is called "Cooperative" Extension Service. We are also known as the Educational Arm of the U.S.D.A., which indicates that our work is in the field of education.

Staff members have access to resources at the University of Massachusetts and the U.S.D.A. which aids them in conducting their various programs.

4-H Club Work has much to offer young people between 9-19 years of age in the broad areas of Careers, Citizenship, Clothing, Conservation, Crafts, Foods, Animal and Plant Science, Recreation, Science and Junior Leadership.

The 4-H Club Agents coordinate the efforts of the 4-H Club Leaders, Parents, 4-H Town Committees, Civic organizations and others in offering to the young people of Plymouth County an excellent Program of Club Meetings, Local and Regional Activities and Special Programs pertaining to the above-mentioned list of areas of interest.

Programs conducted by the Extension Home Economists for families in the county are in the field of Consumer Education, Human Relations and Human Development, Management, Nutrition, Leadership Development and Homemaking Techniques. The Home Economists also cooperate with other organizations by teaching or coordinating educational programs for homemakers in underserved families, including those in low-income housing developments and the elderly.

This year, at the request of the U.S.D.A., the Extension Home Economists have developed a special Nutrition Program for low-income families in Brockton, which will eventually include the towns in Plymouth County.

The Regional Agricultural Specialists who have specific agricultural commodity responsibilities (i.e. Dairy and Livestock; Fruit and Vegetables; Floriculture, Nurseries; Poultry and Turkey) service the commercial farmers in the Southeast Extension Region consisting of Barnstable - Bristol - Norfolk and Plymouth Counties.

Other Regional Specialists are cooperating with local and regional groups interested in land - air - and water resource development.

The Board of Trustees appointed by the Plymouth County Commissioners administers the Extension Service Program and is composed of:

Arthur Chaffee, Jr., *Chairman*, Bridgewater
John Duffy, *Vice Chairman*, Halifax
Mrs. Mary Mullen, *Secretary*, Hanson
Robert Chisholm, West Bridgewater
Fred Freidenfeld, Middleboro
Philip Gibbs, West Wareham
Joseph Marchesiani, Hingham
George A. Ridder, Whitman
Mrs. Paul Sturtevant, Halifax

Respectfully submitted,
ROBERT B. EWING
County Agent - Manager and Regional
Coordinator

REPORT of the HIGHWAY DEPARTMENT

Late March of this year brought the resignation of the Superintendent of Streets, Weldon A. Thomas, who had accepted this position in August of 1964. Due to personal reasons, Mr. Thomas deemed it necessary to leave this work. He contributed much to the department and to the town as well, and it was with regret that his department saw him leave. In April the Selectmen appointed the writer as Acting Superintendent of Streets.

The following projects were completed by your Department from April through December.

During the Spring and early Summer the town roads were swept of winter sand and debris with the use of rented equipment, after which extensive patching was done on the streets. The following roads were sealed: Tarklin Road, School and Chapel Streets, a portion of Winthrop Street, a portion of Grove Street near the Lake Street railroad crossing and the remaining unfinished portion of West Street.

Applications of Type I mix were placed on Bay View Avenue, Brewster Road, Foster Lane, Kennedy Road, a portion of Oak Street and Maple Avenue. Extension Type I mix was also placed on Delano Avenue from Howland's Lane to the bottom of the hill, where it became necessary to dynamite ledge for proper construction. However, due to the time element, it was not possible to complete this work during the current year, and it is planned to complete the remaining work next year.

A long time drainage problem in the area of Cole and Cedar Streets to the Howland's Lane outlet was corrected by the appropriation of funds for the purchase and installation of the necessary pipes and catch basins.

In an effort to eliminate roadway surface water draining onto private property, berms were constructed in various locations on the following streets: Anderson Avenue, Elm Street, Frank Street and Smith's Lane.

This year saw the completion of the Chapter 90 Construction program on Grove Street, with the exception of work on the shoulders. Construction began at the railroad bridge and continued to Lake Street. The Chapter 90 Maintenance funds were applied to Elm Street which consisted of an application of Type I mix from Brook Street to the intersection of Indian Pond Road. It is intended to continue work on Elm Street with any Maintenance monies received in 1970.

The Caterpillar Grader was repaired and at this writing has not yet been returned to the town.

A new sander was purchased with funds appropriated at the last town meeting and has proven to be satisfactory.

For the past few years the personnel in the Highway Department have been making street name signs for accepted town ways. This work continues and signs are erected when needed.

Considerable time has been spent by this department at the town dump with town equipment. Bids were accepted by the Selectmen for the purchase of sand and rental of supplemental equipment. During the period that work was progressing on the Chapter 90 Construction program on Grove Street, a considerable amount of fill was hauled from there to the town dump, thereby creating a saving to the town in the land-fill program at the dump. The present site is rapidly filling and running out of space.

I wish to extend my thanks and appreciation to the Board of Selectmen, the personnel in the Highway Department and to all other departments and persons who have granted assistance to me during the year.

Respectfully submitted,
ABRAHAM A. RUFFINI
Acting Superintendent of Streets

REPORT of the FREDERIC C. ADAMS PUBLIC LIBRARY

To the Citizens of the Town of Kingston:

The 1969 operating expense from Town appropriations was the following:

Salaries and Wages	\$12,832.48
Books and Periodicals	9,170.44
Equipment and Supplies	1,213.62
Repairs & Miscellaneous	581.11
Heat and Lighting	1,411.04
Telephone & Fire Alarm	217.88
Total	\$25,435.57

For the benefit of its public library the Town received the following income:

From Dog Licenses	\$ 1,104.28
Over-due Book Fines	503.12
State Aid to Libraries	1,075.50

From endowed funds and from special gifts, the income was received and disbursed as follows:

	Income	Payments
From 1968 Balance	\$4,288.73	
Dividends	57.00	
Savings Bank Interest	1,050.00	
Special Gifts	65.31	
Disc records from gifts		39.35
Treas. Salary & Bond		117.00
Misc. Postage and Supplies		93.13
Returned to F.C.A. Principal		2,000.00
Income Balance Forward		3,213.03
	\$5,462.54	\$5,462.54

Respectfully submitted,

ROBERT A. JONES, *Chairman*
 JANET A. GIAMMARCO, *Secretary*
 ROLAND S. BAILEY, *Treasurer*
 THEODORE J. MITCHELL
 ALVIN G. BLUMH
 DORIS M. MELVILLE
 Library Trustees

REPORT of the LIBRARIAN

The Library presents a new appearance with the installation of the counter-height charging desk that was made possible by the Elizabeth B. Sampson Memorial Fund. Statistics indicate that the additional work area has made our service more efficient. The number of persons using the library remains about the same, averaging eighty each day. The number of books, periodicals and recordings borrowed has increased from 42,234 in 1968 to 47,533 in 1969.

Students using the Library for reference and research, as well as quiet study, have increased from 1037 in 1968 to 1298 in 1969.

There have been 395 new persons registered during the year; 143 in the Young People's Room and 252 in the Adult Department. The number of borrowers registered at the end of 1969 is 3202. The Young People's Room accounts for approximately 42% of this total registration figure.

Books added during the year number 2149, making a new total of 23,270 books now in the Library collection. The Young People's Room has 6305 of this number. Some 533 books have been replaced by new and more up-to-date material. There have been 52 gifts of books and recordings made to the Library by generous patrons.

Classifying and sorting material in the Historical Room is progressing as time allows, and the facilities have been used by 27 visitors, who are asked to sign the guest register.

In June a chess set was added to the attractions of the Young People's Room, for those who enjoy this quiet and contemplative game.

An average of six Inter-Library Loans has been made each month, as our borrowers become more familiar with this extension of our service.

In reviewing the past year, it appears the Library is being well used by approximately 64% of the Kingston population. We hope that even more townspeople will take advantage of their Library during the coming year.

Respectfully submitted,
 ETHEL J. SHIVERICK
 Librarian

REPORT of the DIRECTOR of VETERANS SERVICES

I hereby submit the annual report of the office of Veterans Services for the year ending December 31, 1969.

GEORGE W. CUSHMAN, Chairman
PHILLIP S. CRONIN, Secretary
ARTHUR T. HAND
LUCY M. STEIN
HORACE C. WESTON

REPORT of the PARK COMMISSION

The 1969 season at Gray's Beach revealed once again that with major improvements and additional recreational facilities, this area could become more beneficial than ever to the residents of the Town of Kingston.

Already the accomplishment of transferring the road directly to land apart from the beach area, has well served its purpose. Children and adults, alike, can now enjoy their moments of relaxation without cause to worry about the problem of moving vehicles.

The lifeguards' duties with respect to babysitting were greatly improved this past year. Many thanks should be extended to all who participated in this tremendously important responsibility. The lifeguards' undivided attention to their own specific duties resulted in an accident-free swimming season, of which we can all be justly proud.

A series of evening band concerts through the generosity of the Elizabeth B. Sampson Fund, were conducted throughout the summer season and were well attended and very much appreciated. It is hoped that this portion of the recreational program can be continued for another year.

Vandalism decreased sharply this year; possibly, due to the new high intensity street light system and the continued strict surveillance of the area.

A horseshoe pit was added this year and also new picnic tables and benches were added to the beach area. It is still the Commission's desire to add a Bocce Court for the many people who enjoy this type of activity.

Colorful red geraniums were again distributed to various parts of the Town in observance of Memorial Day.

The Commission wishes to thank all the Town officials and Personnel for their assistance and continued co-operation.

Respectfully submitted,

JOHN E. GORMAN, Chairman
JOHN J. COFFEY, Member
GEORGE R. NAVA, Member
Park Commission

REPORT of the PLAYGROUND COMMISSION

This past year was an extremely busy one with the Reed Community Building and the Captain Fred L. Bailey Playground seeing maximum use. During the year, the Girl Scouts, Boy Scouts, Hilltop Basketball, 4-H Club, Kingstowne Players, and church organizations received free use of facilities. There were 555 uses of the building with a rental income of \$1,674.00.

The field areas were widely used by the Little League, Babe Ruth Team, Silver Lake Regional High School, Softball League teams (2), and the Summer Program, thus keeping the play areas in peak usage. The summer playground program was very successful with over 3880 children in attendance during the summer. The supervision of the summer program was of the highest order with Antonio Spath being the General Supervisor, and Edward Cole and David Winter working with the boys. The girls were supervised by Deborah Glass and Stephanie Arruda. The additional staff member proved to be extremely helpful in developing a more complete program.

The maintenance schedule calling for new locks for the doors of the building consisted of four additional doors being equipped with the new locks and safety latches.

The new mower was a great asset in decreasing the grass-cutting time in the play areas, thereby enabling the Grounds and Building Superintendent, W. Edward Caldwell to sand and refinish the main floor of the building. This work was accomplished at a considerable saving to the town and reflects the value of the services of our Superintendent.

As the town grows, the need for additional recreational areas increases. The Commission has received permission to use town-owned land in the Bates Farm area. This land needs to be re-surveyed and cleared in order to be used. Part of the 1970 budget provides for a start on this development. The development of the new field is important to the growth of the recreational facilities.

The commission would like to note the retirement of Alf C. Lootz from the Commission after many years of dedicated service. His ideas and counsel were valuable to the functioning of the Commission.

Respectfully submitted,
GEORGE E. COBB, *Chairman*
JOHN EDWARDS, *Vice-Chairman*
ROBERT L. POOLER, *Secretary*
BART VERNAZZARO
RUSSELL McADAMS
Playground Commission

PARTIAL REPORT of the KINGSTON ELEMENTARY SCHOOL BUILDING COMMITTEE

Special Town Meetings were held in February and June on the question of building and equipping a 19 room elementary school. Each time the project failed to attain the 2/3 majority vote. Construction and interest costs have risen considerably since the project was initially presented to the voters in October, 1968. The committee is now investigating alternatives to see if there is a more economical way to solve our classroom shortage.

The Committee thanks Mr. Earle Zahn, Mr. Clayton Field, and Mr. Gerald Barclay for the great amount of time and effort they put forth, over the past three years.

Respectfully submitted,
ROGER CRAIG STURTEVANT, *Chairman*
CHARLES FARRINGTON, Jr., *Secretary*
WARREN AXFORD
RAYMOND CHAVES
LILIAS CINGOLANI

Kingston Elementary School Building Committee

REPORT of the KINGSTON HOUSING AUTHORITY

In September, 1969, your committee was appointed by the Selectmen in accordance with the vote of the townspeople under Article 32 of the warrant for the 1969 annual town meeting. Subsequently a meeting was held at which time Kenneth J. Cram was appointed as Temporary Chairman and Leroy G. Peck was appointed as Temporary Secretary.

We have had correspondence with Mr. Christopher J. McCarthy of the Massachusetts Department of Commerce and Development, however, your Committee has been unable to proceed until the fifth member is approved and appointed by the State. The Selectmen, in December, submitted their nomination to the State for action, and at this writing no reply has been received.

Respectfully submitted,
KENNETH J. CRAM, *Temp. Chairman*
ELSIE E. NUNES
LEROY G. PECK, *Temp. Secretary*
HARRY R. TEETS
Kingston Housing Authority

PARTIAL REPORT of the
GOVERNMENT ORGANIZATION STUDY COMMITTEE

The Government Organization Study Committee was authorized by vote under Article 38 of the 1969 Annual Town Meeting. The vote was that "the town authorize the appointment of a Government Organization Study Committee of seven members, one member from the Board of Selectmen, one member from the Finance Committee and five members to be appointed by the Selectmen."

The committee is a successor committee to the Local Government Committee, which operated in 1967 and 1968 and concluded with a recommendation that the town should not-at least not at this time-prepare a new town charter as provided under the Home Rule Amendment.

The committee was late in getting organized because of a difficulty in finding qualified residents who wished to serve. By the first of the year, however, it was in full swing and members are busy on several research projects to provide themselves with the necessary tools for a continuing study of town government.

One of these is the drawing of a town organization chart, showing all the town officers, elected and appointed, and the lines of authority between the various officials and committees. Another is a compilation of the various state statutes, special legislative acts and town meeting votes from which town officials derive their authority.

Committee members are also studying town government reorganization movements in other towns, including Duxbury, Pembroke and Plymouth, and plan to use the search conducted in those towns to help with the Kingston study.

Recommendations for fundamental changes in the structure of the town government will be made only after the committee thoroughly researches the present setup and the various alternatives.

Respectfully submitted,
ROBERT F. MELVILLE, *Chairman*
MARY LOU COTTON, *Clerk*

COMMITTEE TO STUDY THE ADVISABILITY
of
PURCHASING THE KINGSTON INN

In accordance with the vote under Article 35 of the 1969 Annual Town Meeting whereby the town voted that the Selectmen be authorized to establish a committee to study the advisability of entering into an agreement for the acquisition of the property and building located at the intersection of Summer and Green Streets, commonly known as the Kingston Inn and that the sum of \$200.00 was appropriated for committee expenses, the Board of Selectmen on April 8, 1969 appointed George W. Cushman, Robert E. Donovan, Howard B. MacFarlane, P. Cabot Rushton and Edward C. Warnsman, Jr. to serve on this committee.

At our first meeting, Mr. Donovan was elected chairman of the committee and Mr. Cushman, secretary. The committee held several meetings. We also met with Mr. Phillip S. Cronin, Town Counsel, had discussions with the Honorable Hugh R. Maraghy who was named Executor of the Will of the late Coley Hayes and with Attorney Enoch O'D. Woodhouse II of Boston who represented Mr. Hayes' brother. There have been problems involved in the settling of the estate. In the meantime, the Town of Kingston took a tax title on the property for non-payment of the 1966 taxes. The personal taxes have not been paid as of December 31, 1969 also and there is approximately \$6,800.00 due the town.

A price for the property was established, subject to many approvals. The committee, not questioning the value of the property, but what value it would be to the town, felt it to be somewhat excessive. We asked for an opinion from the Playground Commission, Library Trustees, Finance Committee, Board of Selectmen and the Board of Assessors if they had any idea as to what use the property would be to the Town of Kingston. No decision was definitely made on this matter. Therefore, the committee felt if they were to recommend it to the Town with the price that had been placed on this property, we should be in a position to tell you why we should purchase it and this we cannot do.

During the discussion period and during the contemplation of many of our town officials, it developed that serious negotiations for the estate were under way. It is anticipated that the offer will be accepted by a reputable party within the next 60 to 90 days. If the offer is accepted the hotel and barn will probably disappear and a building will be built of which every citizen will be proud; therefore, the committee is very pleased to make this report to you and it is unanimous in not recommending the purchase of this property at this time. We ask you to accept our report and the committee be dissolved with the provision that if negotiations to purchase the hotel are not consummated that this committee be given further authority to continue its study until some definite decision has been made.

We wish to thank each and everyone who worked with us in giving this matter the study that was required to come up with what we hope will be the right answer and the accomplishments that have been made for the future use of this property.

Respectfully submitted,
ROBERT E. DONOVAN, *Chairman*
GEORGE W. CUSHMAN, *Secretary*
HOWARD B. MacFARLANE
P. CABOT RUSHTON
EDWARD C. WARNSMAN, Jr.
Committee to Study the Advisability
of Purchasing the Kingston Inn

REPORT of the FISH COMMITTEE

The area of the Fish Committee's responsibilities cover those portions of Kingston streams, whether salt or fresh water flow, plus those ponds which are suitable for the annual reproduction of such migratory fish our ponds and waters can support. These fish are mostly alewives (herring), with smelt in tidewater only.

The alewife fry contribute to the regional supply of sport and food fish in Plymouth Harbor and beyond. As the fry proceeds into salt water it starts a marine food chain of successively larger fish which include mackerel, striped bass, tuna and others.

The Committee works in close cooperation with Mr. Arthur Dupuis, Maintenance and Construction Foreman of the Massachusetts Division of Marine Fisheries.

A 1969 example of this team work was the placing in Russell Pond of several tank truckloads of sperm-heavy alewives. The estimated count numbered 6000 to 8000. All were taken from the Bourneville, Massachusetts fishway.

It is expected that such annual spring fish transfers will be continued to supplement those fish travelling up the fish ladders. The 1969 quantity of fry was heavy.

The time cycle from fry to returning adult spawning alewives is three years.

In the Committee operation the Town bears the cost of any needed materials and that of maintaining clear channels. The State supplies any needed labor, planning and supervision.

Now that the concrete work of the local fishways, which include the five fish ladders, is largely finished from ponds to tidewater, the expected annual budget of the Committee should be on the order of only a few hundred dollars.

Respectfully submitted,
O. WELLINGTON STEWART
LOUIS E. DeMEULE, Jr.
ARTHUR VANTANGOLI
Fish Committee

REPORT of the WATERFRONT COMMITTEE

The usual repairs and painting of the floats was accomplished during the year. It became necessary to replace much of the chain on the racks and floats. The gangway to the main float was repaired and strengthened. It is our hope to, in the future, replace this with a stronger and lighter gangway.

More betterments are anticipated with funds being requested in 1970 for new floats, improved launching ramps together with new channel markers, a much needed item.

It is noted that more residents are, each year, enjoying the waterfront facilities. It is our desire to make this a fine recreational area.

Respectfully submitted,
DONALD C. GAULEY, *Chairman*
NORMAN J. OPACHINSKI, *Secretary*
EDWARD W. BURGESS
Waterfront Committee

WATER COMMISSIONERS' REPORT

The year 1969 was a year of frustration. It has been a year of unparalleled income, the amount of water pumped, the new services installed and in accordance with our inflationary environment, every cost rose sharply. Underlying all this, is the need for additional wells, reservoirs and pumping equipment. We told you in our 1968 report the future needs of the Water Department in relation to our economic growth. Many new homes were built in Kingston during the year and we are told that there are 300 to 400 new homes on the drawing board in the several "developments" that have been approved along with a new 120 bed nursing home, a large home for the aged and much talk about one or two shopping centers.

Your Water Commissioners are greatly concerned. The Commissioners promised you we would study the possibility of wells and reservoirs. We are pleased to inform you that a great deal of time was spent during 1969 attacking the problem at its source with the assistance of our consultants for 1970.

In 1966, the engineering firm of Whitman & Howard, Inc. prepared a report for the town on its water needs through the year 2015 based on present land use and past population and water records. Steps have been taken as a result of previous town meeting actions to acquire land needed for an additional ground water supply.

In order to provide full service and fire protection to the town, adequate storage facilities are required. At the present time, the total capacity of the town's two reservoirs is 900,000 gallons. In 1968 the Water Department pumped over one million gallons during each of nine days and during 1969 there were over 30 days in which the town exceeded that amount. In 1969 the peak day's pumping was over two million gallons with several other days approaching this figure. There are many factors used in analyzing a water system's capabilities and storage requirements, however, a general "rule-of-thumb" is to have at least the peak day's demand in storage. The Board's review of its water system indicated that additional storage was necessary to provide the proper service to the present system and allow for future growth of the town without detriment to the present users.

With the assistance of its consultants, the Board investigated several possible site locations and tank capacities. The site selected for the proposed structure is on Pine Hill and was recommended based on both hydraulic and economic considerations. The construction of a two million gallon prestressed concrete tank at Pine Hill with a pipeline on Elm Street to connect it into the system will increase the total storage of the system to meet the needs of the town for many years to come. Tanks at the other site studied, with their connecting pipelines, would have been only a million gallons in equivalent capacity and each with an estimated cost higher than that estimated for the site selected.

The recommendation of the Board to construct this facility on Pine Hill is based on providing the town with the most economic solution to the present water storage problem and provide the necessary requirements to meet the ever increasing growth and use of the water system.

The estimated cost for this tank on Pine Hill with pipeline from Pine Hill to the intersection of Indian Pond Road and Elm Street is \$500,000.00. An article will be in the 1970 warrant for action at the annual town meeting.

Summary for 1969 (Consolidated)

	1969	1968	Percentage of Change
Revenue from Operation - other than water takers	\$11,402.44	\$3,536.74	453
Revenue from Water Takers	55,228.70	51,459.78	7.33
Total Revenue	66,631.14	54,996.52	21.21
Appropriated for Maintenance	49,812.	44,026	131
*\$891.01 returned to the E & D Account.			
Water Pumped (gals.)	270,987,500	243,599,700	11.254
Greatest Amount Pumped in any one day (gals.)	2,080,100 6/30/69	1,714,600 7/23/68	217
Greatest Amount Pumped in any one week (gals.)	11,825,800 6/30 - 7/5/69	9,799,000 7/21 - 7/27/68	271

84 New Services were installed during the year.

21 Services were renewed.

Developers installed approximately 10,000 feet of transite pipe on West, Winter and Pine Streets and Brooklawn Drive and Kirkland Park.

The Water Department installed approximately 700 feet of 6" transite on Cobb Avenue to replace a 2" summer service.

14 New hydrants were added to the system.

Other Proposed Projects for 1970

1. To replace a 2" main with a 6" main on Marsh Road for approximately 750 feet
2. To trade the 1965 Chevrolet truck.
3. To purchase the necessary land for the proposed tank.
4. To ask for \$5,000. to explore the further study for additional wells.

The Water Commissioners studied the possibility of metering the town with the thought in mind that this would conserve the water supply. Additional study is required before we would be in a position to make a recommendation on a project of this nature.

Looking beyond the immediate, the outlook is immensely promising with your help and cooperation. Water has proved itself an integral part of the growth mechanism of the Kingston economy. The most remarkable change in your Water Department has been its increasing growth and this is certain to continue. Your Water Department has developed an able and progressive organization, as we believe the record attests and we have confidence that our future will live up to our past. We approach the opportunities of the 1970's we pause to be grateful to everyone-our employees, for their continued diligence and loyalty; to our town officials for their guidance and friendship; and our citizens who have jointly made possible the performance of the past year.

Respectfully submitted,
Richard W. Loring, Chairman
Earl S. Sampson
James A. Robare
Water Commissioners

REPORT OF THE TOWN ACCOUNTANT

Honorable Board of Selectmen
Kingston, Massachusetts

Gentlemen:

In accordance with Section 61, Chapter 41 of the General Laws, I present herewith detailed statements of the receipts and expenditures of the town for the fiscal year ended 1969.

ANNUAL REPORT
OF THE
SCHOOL COMMITTEE
OF THE
TOWN OF KINGSTON
MASSACHUSETTS

Including a Report of the
SILVER LAKE REGIONAL SCHOOL DISTRICT

FOR THE YEAR ENDING

DECEMBER 31

1969

SCHOOL DIRECTORY

SCHOOL COMMITTEE

Mr. John H. Durgin, Jr., Chairman	Term Expires 1971
Mr. Robert R. Barbieri, Vice-Chairman	Term Expires 1972
Mrs. Marion B. Opachinski, Secretary	Term Expires 1971
Mr. Frank Luongo	Term Expires 1970
Mr. Amelio E. Ruffini	Term Expires 1970

The School Committee meets at 7:30 P.M. on the second Monday of each month at the Elementary School.

ADMINISTRATION OFFICE

Mr. Francis M. Moran	Superintendent of Schools
Mr. John F. Maloney (resigned 8/8/69)	Asst. Superintendent of Schools
Mrs. Nell S. Stegmaier	Curriculum Coordinator
Mrs. Mildred M. Ford	Office Administrative Assistant
Mr. Gardner O. Howes	Business Manager

SCHOOL CALENDAR

Winter Term	January 5 thru February 13, 1970
Second Winter Term	February 23 thru April 17, 1970
Spring Term	April 27 thru June 23, 1970
Fall Term	September 10 thru December 23, 1970

In addition to all legal holidays, schools will be closed on the Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio stations WHDH, WBEL and WPLM between 6:35 and 8:00 A.M. In addition, the fire alarm signals will indicate no-school as follows:

6:30 A.M., no-school all schools, including high school.

7:00 A.M., no-school elementary only.

REPORT of the SCHOOL COMMITTEE

To the Board of Selectmen
and The Citizens of Kingston

The town has for two years needed more elementary school space to accommodate the unprecedented increase in pupil enrollments we have experienced. Class sizes are in some cases approaching 40 pupils. Additional teachers and aides have been hired in an effort to hold pupil-teacher ratios about where they have always been. But it would be a rare individual indeed who would agree that our over-crowded classrooms enhance his youngsters learning or that he is any longer getting optimum returns on his school tax dollar with this congested situation which now exists. More space is already over due, more space is essential if your schools are to operate with the high standards of the past.

As for day-to-day operations, our schools have been doing the job, albeit a bit less effectively perhaps for want of space. The best efforts of the staff are given with good will; this spirit was never more important or needed than now, let it be said to the credit of each member of the group.

During the year Mrs. Lilius Cingolani retired as a school committee member after considerable service including membership as our representative on the Silver Lake Regional High School Committee. She served as our secretary as well and was highly regarded for that more uncommon gift of common sense. The town owes her its thanks for her excellent work.

Mr. Edmond Dandeneau thereupon was elected to the committee and by us in turn to serve at Silver Lake concurrently. He was a popular choice and an enthusiastic new educational backer. His untimely passing so soon in his term was a loss beyond measure.

Mr. Frank Luongo, already experienced with school operations, was appointed to fill out the remainder of the year on our committee and to represent us at Silver Lake. We appreciate his willingness to carry on.

So much of the elementary school activities are well known by association-one out of seven Kingston citizens approximately is enrolled there as a pupil-that little need be said here or could be said that would be news in the homes from which these youngsters come. We do commend the Superintendent's report, which follows, to your reading.

For our part we feel it is worthwhile this year to stress only the need for school space; it is imperative, it is sensible. To use John W. Gardner's phrase-Here we have an opportunity brilliantly disguised as an insoluble problem. The town should solve this problem promptly and let the youngsters have full opportunity as a result.

Respectfully submitted,

JOHN H. DURGIN, Jr. Chairman
ROBERT R. BARBIERI, Vice-Chairman
MARION B. OPACHINSKI, Secretary
FRANK LUONGO
AMELIO E. RUFFINI
School Committee

REPORT of the SUPERINTENDENT of SCHOOLS 1969

To the School Committee
and The Citizens of the Town of Kingston

I submit my seventh annual report as Superintendent of Schools of the Silver Lake Regional School District and the member towns of Union 31.

The end of a decade in the Silver Lake District marks the end of a period of unprecedented growth and expansion of our school system. Three of our towns have built new elementary schools or additions, and one of these, Pembroke, has built two. It is now adding to the first building. At the District level an addition was built on the High School in 1962 and a new Regional Junior High School was completed in Pembroke in 1968. During this same 10 year period the pupil enrollment at the Junior-Senior High School rose from 1174 to 2156. Even more significant is the rise in the capital and operating budget of the Regional District, -- from \$514,521 for 1960 to \$2,190,495 in 1970. Pupils increased almost 100%. Costs increased 300%.

This building activity in the 60's did little to stem the tide of school building needs for the 70's. As our towns and District move into the 70's their building problems are greater than ever. Two towns, Kingston and Halifax, have rejected bond issues for new school spaces. Silver Lake has several proposals under consideration as a result of two professional surveys in the past 2 years. Add to this the prohibitive cost of interest in today's money market and it's easy to see why our towns are concerned and frustrated as to the best solution to school space problems.

This year a supplementary survey report was authorized by the Regional Committee in order to translate the recommendations of the Engelhart Report into a feasibility report, as well as a review of Engelhart's cost estimates. For this the committee engaged the architectural-engineering firm of Whitman & Howard. This report was presented to the towns on September 24, 1969. Two follow-up opinions have since been added to the report, so it now remains for the District to seek some solution from this information.

The most recent development is the appointment of a Building Needs Planning Committee composed of Selectmen and Regional School Committee Members to seek a possible solution for presentation at March Town Meeting. Whatever the solutions, region or local, our towns will experience difficult times during the next few years. The quality of educational opportunity cannot help but be effected. Our only hope is that a solution comes soon before students suffer ill effects from this impasse.

Silver Lake Regional High School

Once again the High School had to replace its Principal. In September Mr. Wilbur F. Stanton, after a stay of slightly more than a year, accepted the principalship of the new Weymouth High School. He was replaced by Mr. Paul Squarera, former principal of Oxford Hills Regional High School, South Paris, Maine. Mr. Squarera took over in December, hardly in time to meet the challenges which will be his in 1970.

Growth at the High School remains steady at about 100 pupils a year. This growth generally reflects the growth at the elementary level as it reaches the high school. In any case such a growth presents serious problems for the high school program. This is the equivalent of four classrooms a year, which do not exist. It can only reflect in larger classes and curtailment of program quality. By September, 1971 this growth can only be accommodated by some form of double sessions.

In spite of crowded conditions some significant improvements have been made in programs during the past year. All additions have been made without increase in space, mostly within the present staff. Course additions have been made in Music, Art, Business Management, Journalism, Chemistry and Physics II. Also a course in

Negro History, Sociology, and Philosophy. Data Processing continues to provide student training as well as service to our school district. Intensive and valuable work is being done in Drug Education, under the direction of Richard Bergeron, Chairman of the Social Studies Department.

The greatest challenge to be met by the High School in 1970 will be the 10 year accreditation survey by the New England Association of Colleges and Secondary Schools. Our staff is already involved in a self-evaluation in preparation for the visiting committee, which comes to Silver Lake in October. The importance of this evaluation cannot be overstated. Accreditation for a high school is a certification that a proper program of education is being carried out in an adequate physical plant by qualified teachers. It is also used by colleges as an indicator of the quality of preparation a student might be able to offer coming from that high school. It is understandable that we place such importance on this survey.

Vocational School

In this report to the Superintendent, Vocational Director, Ralph H. Burns, notes that the decade in vocational education at Silver Lake has seen the full time pupil population more than double, and the part time population more than triple. The significant point here is that this was accomplished with a minimum of added space. However, our ability to do this has run its course and further improvements in vocational educational opportunity must await new space, or possibly rental space outside the school campus.

A new course added this year was Auto Body, which is being conducted in rented space at Kingston Center. The addition of an automobile mechanic shop instructor has increased the capacity of that department. Home Economics was also expanded by the addition of a second laboratory in the former junior high home economics room.

Further plans call for expansion of vocational offerings for both boys and girls. So much needs to be done in this field.

Our vocational department continues to serve the adult needs of our district through the evening school program and the Manpower Development Training Program in Auto Mechanics and Auto Body. This year our evening, or E.P.A., adult enrollment was 570.

Junior High School

The Regional Junior High School has now completed its first full year of operation. Opening in March of 1968 did not give us a clear picture of what a complete year would be like until the close of school in June, 1969. Like so many schools built today we are already at the rated capacity with an enrollment of 812 for an 800-pupil school. We are also entering the second phase of faculty needs by adding teachers in the specialized areas of Music, Home Economics, Industrial Arts and Physical Education. This simply packs these areas to capacity and is an indication of what must occur in other academic sections as our population continues to increase. Principal Arthur Hand predicts a 1972-73 population of 968 students, 20% over rated capacity.

On the bright side, the pupil activity and curriculum growth at the Junior High School continues to be exciting. Musically, our band and choruses have shown tremendous growth and proficiency. Student activity in intermural athletics and club activities does much to harness the energy and interests of this teenage student.

Academically Mr. Hand reports emphasis in new methods of teaching English through the Roberts Series, and in Social Studies through the inductive method, emphasizing concepts, not merely facts. Emphasis is also being placed on special help for students with learning difficulties by the addition of a Learning Specialist to assist these pupils on an individual or small group basis.

Pupil Personnel Services

This is a new division of our school organization. Its purpose is to bring together all the special service personnel under one coordinator for more efficient use of specialists throughout our Union-District. Under its director, William J. Quinn, this reorganization has completed its first year of operation. While much remains to be done it can be reported that this phase of public education is now receiving the recognition it deserves.

Tangible evidence of success in one area is the Federal Aided Title VI Program, which ran for the months of September thru December, 1969. Funded by a grant of \$16,628.00, we were able to set up a pilot program of Learning Specialists providing for the identification of children with Perceptual Handicaps, as well as other difficulties which would interfere with normal learning. We expect to continue and expand this service, using the lessons learned in the pilot program. A total of 103 pupils have benefited from this project.

Other pupil personnel services which might be mentioned in this report are the program of mental health services with the Plymouth Area Mental Health Clinic, the speech therapy program, special classes for the educable, and placement services for pupils not provided in our own district. This is truly a complex and immense project, one that will take time to fully implement but is currently making a notable improvement in our service to the atypical child.

Union No. 31

Correlation of programs and policies is an important phase of our total educational system. All towns are served by the central administrative unit under the direction of Mrs. Nell Stegmair and an advisory board consisting of the Elementary School Principals. This past year saw a continuation of recent changes as well as the introduction of several new ones.

Perhaps the most personal change to pupils and parents was the new report card system. Placing the accent on pupil effort and progress in relation to others in the class, the new report seeks to provide all pupils with an opportunity to achieve in relation to their ability. To date the change-over has received rather widespread acceptance by parents. Results will receive careful evaluation at frequent intervals.

The teaching of Reading continues to receive a major share of our attention in the elementary grades. This year, after several pilot programs, we have added the Fda Alto multi-sensory approach in some of our first and second grades. The results are most encouraging. We expect to include all primary grades next year. Mathematics teaching has been refined to include homogeneous (ability) groupings in grades 3-6. The Addison-Wesley math series is in its fifth year, showing increased understanding of math relationship. Supplementary material is being added to aid skills in computation. The new Science Lab series is working out well. Texts and materials were added for Grades 1-3 under Title III, NDEA. Grade 3-6 science texts are supplemented by small portable laboratories. The Linguistics approach to the teaching of English is now universal - even into the junior high school classes.

This year our summer program under Title I was concerned with the identification of children with specific learning difficulties in preschool and primary grade children. This formed the basis for the Learning Specialist program mentioned earlier in this report.

A-B-C Summer kindergartens were as successful as past summers and are meeting the needs of our incoming first graders to the extent possible in the limited time available. This certainly is a valuable program until we have public kindergartens.

Physical Education, Music and Art provide another example of Union Correlation. Physical Education Director, Mrs. Jean Nummi, and her staff are emphasizing the need for home-school cooperation in the correction of deficiencies brought out by the Physical Fitness tests given to grade 5 & 6 in September. An alarming number of deficiencies were discovered which will take several years to remedy, but then only with parent follow-up at home. Music supervision through grades 1-12 is under Jack Wallace, Music Director. Classroom music and instrumental instruction have provided the base for the constantly expanding musical organizations at the secondary school level. The Spring Concert was an exciting and fitting tribute to the pupils and their instructors. Art Director, Hugh Sloan, is also in charge of the grades 1-12 program. Instructors meet elementary classes biweekly and provide instruction in several media of artistic expression.

Kingston Elementary School

Enrollment October 1, 1968 - 718

October 1, 1969 - 785

The elementary schools in Kingston have experienced a most unusual year in 1969. Basically we have lost the new elementary school, voted in 1968. Physically we have used every available learning space in both the Elementary School and the Maple Avenue School. Academically we have earned on a most unusual teacher-pupil operation in order to compensate, in part, for the lack of classrooms. This was the helping teacher program.

The helping teacher helps pupils in over-populated classes to receive the instruction in base subject areas that they would receive in normal size classrooms. While not nearly as effective this arrangement does relieve the situation considerably. We now face seven of these. Next year we plan to add two more. That will be the limit of this "stretching" device. Without more classrooms dual sessions will be the only alternative remaining.

This dreary picture of the status quo in our elementary school must concern all of us. Some solace may be found in the prediction that enrollment won't increase as much in the next two years as in the past. However this may be short lived. Kingston home building statistics show that Kingston is growing faster than any time in the past. There is at least a two year lag between planning and completion. There is no time left.

In conclusion I would like to thank members of my staff for their assistance, members of the five school committees for their confidence in our programs, and the citizens of all our towns for their support of the District school system. I hope we can continue to merit this support. We stand ready to assist in every way possible for the development and improvement of education in our School District.

Respectfully submitted,
FRANCIS M. MORAN
Superintendent of Schools

REPORT of the SILVER LAKE
REGIONAL SCHOOL DISTRICT COMMITTEE

To The Citizens of the
Silver Lake Regional School District:

The continuing growth of our school population is a matter of grave concern to the Silver Lake Committee. We received a report about a year ago from the firm of educational consultants, Engelhardt, Engelhardt & Leggett Inc. Admittedly, many of us in the Silver Lake towns felt stunned by the financial impact implied by the projected growth figures and by the recommendations of the Engelhardt report, which suggested the immediate construction of a new High School, and making the present High School and the present Junior High School into Middle Schools (grades 6, 7 and 8).

In fact realizing that the next step in our District's expansion might be a major one, a group of town officials in Pembroke became so concerned after the report was issued that a committee was formed to study Pembroke's future, either as a part of the Regional School District, or maintaining its own separate secondary school system. After considerable study the Committee reported to the Regional School Committee that they believed it to be in Pembroke's best interest to remain a part of the Region. Having this question resolved will help us to clarify this problem facing the Regional Committee and makes it possible for us to continue planning toward a practical solution for our space needs.

In order to study further the problem and to obtain more information as to the feasibility of the Engelhardt suggestions and other alternatives, the Regional Committee hired the architectural and engineering firm of Whitman & Howard Inc. for the specific purpose of having them survey our present facilities and give us comparative cost estimates on several proposals. Their report is enlightening but even more staggering, taking into account annual increases in construction costs. We know full well that some agreement within our member towns is essential to the success of any proposal of a solution to our growing space problem. We will need active support from local officials, parents, voters and taxpayers. We cannot express strongly enough the urgency of the problem which faces us all, since it now is apparent that no building project can possibly be ready in time to avoid some reduction of the educational program. Our Superintendent, Mr. Moran, expects we can survive the coming school year of 1970-1971 without major changes in scheduling, but it would be unrealistic to hope we can avoid some sort of scheduling revision such as multiple sessions the following school year. This fall both the Junior High and the Senior High will be filled beyond rated capacity.

Current high interest rates present an additional problem in any major capital outlay. This will be a much more significant factor than ever before. We have filed a bill in the Legislature requesting the State to reimburse for interest charges at the same percentage rate as for principal bond payments. We are not overly optimistic as to the passage of the bill, but we feel it could help to provide some minimal relief to the suffering real estate taxpayer.

We were disappointed to have Mr. Wilbur F. Stanton, our High School Principal, leave us to go to a new school being built in Weymouth after being with us for only a little more than a year.

We were, however, fortunate in having excellent candidates for the position, and we were pleased to have Mr. Paul A. Squarcia join us in December.

We also lost the services of Mr. John F. Maloney, our Assistant Superintendent, who left in August for a Superintendency in Western Massachusetts. As of the date of this report we do not have a replacement; this has added a burden to our already overworked Superintendent.

We hope that we can look forward to continuing cooperation and support from all of you in the four towns. The decisions which we face now will affect the future of your schools for a long time to come. You should take an active interest in these problems. Large amounts from your tax dollars will go for schools. There could be no more worthwhile investment than the education of a future generation. However, only you can provide needed facilities for your young people to insure that your investment is protected and that the students are not short-changed.

Respectfully submitted,

State Office Building, Government Center

100 Cambridge Street, Boston 02142

January 6, 1970

Silver Lake Regional District School Committee

Kingston

Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the Silver Lake Regional School District for the period from November 20, 1966 to September 27, 1969, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

Arthur H. MacKinnon

Director of Accounts

AHM:dm

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the Silver Lake Regional School District for the period from November 20, 1966, the date of the previous audit, to September 27, 1969, and submit the following report thereon:

An examination and verification was made of the recorded financial transactions of the district, as shown on the books of the departments receiving or disbursing money or committing bills for collection.

The books and accounts of the accounting officer were examined and checked in detail. The receipts, as recorded, were checked with the treasurer's books and with the departmental records of payments to the treasurer, while the recorded payments were compared with the treasury warrants and with the records of disbursements by the treasurer. The appropriations as entered on the ledgers were checked with the district clerk's records of financial votes passed by the district committee meetings.

An analysis was made of the general and appropriation ledger accounts, a trial balance was taken off proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the district on September 27, 1969.

The books and accounts of the district treasurer were examined and checked. The recorded receipts were analyzed and compared with records in the departments making payments to the treasurer and with other sources from which the district received money, while the payments, as recorded, were compared with the treasury warrants and the accounting officer's books.

The cash balance on September 27, 1969 was proved by actual count of the cash in the office and by reconciliation of the bank balances with statements received from the banks of deposit.

The records of payroll deductions for Federal and State taxes, the county retirement system, Blue Cross and Blue Shield, and group insurance were examined and checked. The deductions were compared with the treasurer's receipts, and the payments to the proper agencies were verified.

The recorded payments on account of maturing debt and interest were checked with the amounts falling due and with the cancelled securities on file. The outstanding bonds and coupons were listed and reconciled with the balance as shown by a statement received from the bank of deposit.

The records of assessments against the member towns to provide funds for operating and capital expenses of the district were checked. The payments to the treasurer were verified, and the outstanding accounts were listed.

The receipts from tuition, as well as from other miscellaneous sources were examined and checked, the payments to the treasurer being compared with the treasurer's cash book.

The records of receipts for school lunches, athletic activities, vocational education, practical arts, and driver training programs were examined and checked, the payments to the treasurer and the cash on hand being verified.

The several advances for petty cash were verified by actual count and by listing the memoranda in the office.

The surety bond filed by the district treasurer was examined and found to be in proper form.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash and summaries of the assessment and departmental accounts.

On behalf of my assistants and for myself, I wish to express appreciation for the cooperation received from the district officials while engaged in making the audit.

Respectfully submitted,
WILLIAM SCHWARTZ
Assistant Chief of Bureau

REPORT of the TREASURER and ACCOUNTING OFFICER

In accordance with Section 4 of Article 4, Regional School District Finance, we present herewith a detailed statement of the receipts and expenditures of the Silver Lake Regional School District for the Fiscal year ending December 31, 1969, and the methods by which the annual charges assessed each town for 1970 were computed.

GEORGE W. CUSHMAN, Treasurer
FRANCIS M. MOHAN, Accounting Officer

REPORT of FINANCE COMMITTEE

Since the writing of last year's report the 1969 Annual Town Meeting is just history. The high light of that meeting was the adoption of a Wage and Personnel by-law without any floor opposition. This, in itself, points out the work and effort displayed last year by all boards concerned as well as the confidence which was placed in their various town officials. We hope that this Town Meeting will run as smoothly.

In order that the Finance Committee will be able to make intelligent recommendations on all articles, numerous meetings have been held this year. All departments and boards have met with the Finance Board. Here we review the budget and hear their justification for this year's requests. Many questions are asked for greater understanding of their needs.

We have also worked closely this year with the Selectmen, School Committee, Board of Health and the Kingston Inn Committee to better understand the unique problems of each group.

To gain a first hand report of each department, the Finance Committee will tour the various Town Departments.

We have made appointments to the Government Organization Study Committee, Capital Outlay Committee, Wage and Personnel Board and the Elementary School Building Committee.

When all of the above meetings have been concluded, the Finance Committee will make its recommendations to the Town and will try conscientiously to strike a balance between priority and the ability to pay.

We would like to thank the various Town Departments and officials for their help and cooperation without which our task would be very difficult.

Respectfully submitted,

Term Expires

Classification and Compensation Plan and Personnel By-Law

(AMENDED)

1970

PERSONNEL BY-LAW

Section 1. Authorization

Pursuant to the authority contained in Sections 108A and 108C of Chapter 41 of the General Laws, there shall be established plans, which may be amended from time to time by vote of the Town at a Town Meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan; (c) providing for the administration of said classification and compensation plans, and (d) establishing certain working conditions and fringe benefits for employees occupying positions in the classification plan.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

"Town", the Town of Kingston.

"Civil Service Law," Chapter 31 of the General Laws of the Commonwealth, as amended and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31.

"Classification Plan," class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

"Class," a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

"Position Class," same as class (a class may include only one position, in which event it is defined as a "single position class");

"Group," an occupational group of classes appearing in Schedule A of Section 8.

"Department Head," the officer, board or other body having immediate supervision and control of a department;

"Employee," an employee of the Town occupying a position in the classification plan;

"Department," any department, board, committee, commission or other agency of the Town subject to this by-law;

"Administrative Authority," the elected official or board, or the appointed official having jurisdiction over a function or activity;

"Full-time employment," employment for not less than seven hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave, and other leave of absence;

"Part-time employment," employment for less than full-time employment, as defined above;

"Continuous employment," employment, uninterrupted except for required military service and for authorized vacation leave, sick leave, bereavement leave, or other leave of absence;

"Full-time employee," an employee retained in full-time employment.

"Part-time employee," an employee retained in part-time employment.

"Position," an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

"Permanent position," any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

"Permanent employee," (1) any employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

"Temporary position," or "seasonal position," any position in the Town service which requires or which is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work week of its occupation group shall be considered as part-time;

"Temporary employee," (1) any employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

"Intermittent service," personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service.

"Casual service," personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through D in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B and B-1 of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

"Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar difference between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in a range of a compensation grade;

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

Section 3. Personnel Board

(a) There shall be a Personnel Board to be known as the Wage and Personnel Board, composed of three (3) unpaid members, who shall not be employees or elected officials of the Town, responsible for the administration and maintenance of classification and compensation plans. One member of the Board shall be appointed by the Moderator, one member by the Finance Committee and one member by the Board of Selectmen. The three members of the Board shall be appointed for terms of one year, two and three years respectively and upon the normal expiration of these terms their successors shall be appointed by the same appointing authorities for terms of three years.

Original appointments to the Wage and Personnel Board under this by-law shall be made not later than thirty days following the effective date of the by-law; and subsequent appointments shall be made within thirty days following the expiration of the term of the Board member who is to be replaced.

The Board shall draw up and recommend to the Town a proposal for classification and compensation plans for consideration as a Town by-law, and shall from time to time recommend to the Town any action deemed necessary to maintain a fair and equitable pay level.

The Board shall make an annual report in writing to the Finance Committee and the Board of Selectmen on or before October first of each year.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary and clerk. A majority of the Board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint; to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for a position, and/or such other variance in the compensation plan as it may deem necessary for the proper functioning of the services of the Town. No variance shall become effective unless, or until, the necessary funds have been appropriated therefor.

Section 4. Classification Plan

(a) All positions in the service of the Town except those excluded in Section 1

are hereby classified by titles appearing in Schedule A of Section 8 which is made a part hereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title of each class, as established by the Classification Plan, shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification and compensation plans.

Section 3. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through C in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly, semi-monthly, annual or other basis, as at present, except as provided in the compensation plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any employee in a position so classified except in accordance with the compensation plan.

(d) No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the classification plan under any title other than those appearing on Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

1. On January first or July first provided he has completed thirty weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.
2. Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of the compensation grade to which his position class is assigned.
3. Employees in continuous part-time employment eligible for increments under the provisions of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedule B, or B-1 of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B, or B-1 of Section 8 shall receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4(b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, or B-1 the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January or July first following completion of thirty weeks at the rate resulting from the promotion.

(i) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B, or B-1 of Section 8 this rate shall not be reduced, but shall become a personal rate applicable only to said employee as defined in Section 2.

(j) Each department head of a department to which is assigned an employee occupying a position in the classification plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing year and shall furnish a copy thereof to the Board.

(k) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The Classification Plan and/or the Compensation Plan and/or other provisions of this by-law may be amended by vote of the annual Town Meeting. Requests for such amendments shall be made to the Board in writing. All written requests of amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this by-law must be submitted to the Board no later than four months prior to the annual Town Meeting. Whenever such a petition is received, the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days written notice. Prior to the next annual Town Meeting the Board shall file with the Selectmen for insertion in the warrant for the next annual Town Meeting an article sufficiently stated to permit the Town to act upon the subject matter of any such petition. At the same time, the Board shall file with the Finance Committee a final report, with recommendations, pertaining to any such petition, provided that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of 2 of its 3 members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is supported by an affirmative vote of 2 of its members, the Board shall proceed according to the preceding sub-section to insert an article in the warrant and to report its recommendations to the Finance Committee.

Section 7. Continuing Review

The Board, from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions subject to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

PROPOSED AMENDMENTS of 1969 PERSONNEL BY-LAWS

The Wage and Personnel Board met with the Department heads and some employee groups to discuss many collective and individual requests for wage and fringe benefit improvements for 1970. In addition to these meetings, the Board has fully studied factors were used to develop the proposed changes for the coming year.

Our Board unanimously recommends the Town Meeting adoption of the amended sections as shown below and that these and unchanged sections shall become known as the Classification and Compensation Plan and Personnel By-Law - Amendment 1970.

Sections 1 through 7: No change in these sections.

Section 9. Work Week

The work week for full-time or seasonal employment in each occupational group shall be as follows:

Group	Work Week
Clerical	35 hours
Library	22 hours min. to 35 hours (as required)
Custodial	40 hours
Labor	40 hours
Police	40 hours
Fire	56 hours
Administrative	As Required (a)
Supervisory	As Required (a)
Others	As Required (a)

(a) "As Required" shall mean the total number of hours in the week needed to perform the duties of the position, as determined by the appropriate administrative authority.

Section 10. Overtime Compensation

- (a) Clerical Group - an employee shall be compensated at one and one half times his regular rate for hours in excess of thirty-five (35) hours per week.
- (b) Library Group - an employee shall be compensated at one and one half times his regular hourly rate for hours worked in excess of thirty-five (35) hours weekly.
- (c) Custodial and Labor Groups - an employee shall be compensated at one and one half times his regular hourly rate for hours worked in excess of forty (40) hours weekly. A minimum of two hours of overtime pay shall be guaranteed on call back.
- (d) Police Department - as specified by a contract between the Town and the Police Association which is subject to ratification by affirmative vote at Town meeting. Said agreements to be made a part of this By-Law by reference.
- (e) Fire Department:

1. A uniformed employee in Compensation Grades PS-1 or PS-2 in full-time employment who is required to work beyond his normal tour of duty, responds to a box alarm when off duty, or is called back for standby duty, forest fire fighting, snow shovelling or forest fire patrols shall be compensated at one and one half (1½) times his regular rate of pay. A minimum of two hours of overtime pay shall be guaranteed on call back.

2. The hourly rate of overtime pay for personnel covered in Section 10 (e) (1) shall be one fifty sixth (1/56) of the employee's regular week's pay times one and one half (1½).

(f) Administrative Group:

1. An employee normally is not entitled to overtime, but shall be granted compensatory time at the convenience of his department head for hours worked in excess of forty weekly except as indicated below.

(g) Supervisory Group - an employee is not entitled to overtime, as he has the authority to approve overtime compensation for his subordinates. He is entitled to take compensatory time which he shall report to the proper administrative authority if requested. He shall also make adequate provision for the supervision of his department in his absence.

Section 11. Clothing Allowances

- (a) Police Department - as agreed by contract referred to in Section 10 (d).
- (b) Fire Department - a full time member shall receive a clothing allowance of \$50. per year.

(c) Highway Department - a full time member shall receive a clothing allowance to be paid by the town for rental of work clothes for members of the department as designated by department head and approved by Wage & Personnel Board

(d) Rental work-clothes allowances to be made for other full-time town employees on individual recommendation of Dept. heads to Wage & Personnel Board

Section 12. Paid Holidays

(a) The following days shall be recognized as legal holidays within the meaning of this by-law:

New Years Day	First Day of January
Washington's Birthday	Third Monday of February
Patriot's Day	Monday, April 20th
Memorial Day	Monday, May 25th
Independence Day	4th of July
Labor Day	Monday, September 7th
Columbus Day	12th of October
Veteran's Day	11th of November
Thanksgiving Day	26th of November
Christmas Day	25th of December

on which days employees shall be excused from all duty not required to maintain essential town services.

- (b)
- (c)
- (d)
- (e) No change in these sections.
- (f)
- (g)

Section 13. Vacation Leave

- (a) No change.
- (b) No change.
- (c) An employee who has completed five (5) years of service shall, in the year during which this length of service has been completed be granted three (3) weeks fifteen (15) days of vacation with pay.
- (d) An employee who has completed fifteen (15) years of service shall, in the year during which this length of service has been completed be granted four (4) weeks (20) days of vacation with pay.

- (e)
- (f)
- (g) No change in these sections.
- (h)
- (i)
- (j)

Section 14. Sick Leave

- (a) No Change
- (b) An employee in continuous employment shall be credited with the unused portion of leave granted under subsection (a) without limit and may be accumulated as additional sick leave benefit.
- (c) No Change.
- (d) No Change.

(e) Sick leave must be authorized by the department head and must be reported on forms as provided. These records will be maintained by the Town Accountant for the Wage & Personnel Board and Town Accountant's use.

(f)

(g)

(h)

(i) No change in these sections.

(j)

(k)

Section 15. Bereavement Leave

No Change.

Section 16. Other Leave

(a) No Change.

(b) No Change.

(c) Two (2) personal days are allowed each year to full-time employees on request to, and approval of, supervisor and department head. Personal days are defined as days needed to attend weddings, funerals of relatives, family needs, etc., not otherwise provided for by the by-laws.

Section 17. Physical Examination

No Change.

Section 18. Operation of By-Law - Grievance Procedures

(a) This by-law shall be operative only as to employees whose positions are classified hereunder and for which positions minimum and maximum salaries, or single rated miscellaneous salaries as established under section 8 have been adopted by affirmative vote of the town at a Town Meeting.

(b) PERSONNEL BOARD TO ADMINISTER. -- The Personnel Board of the Town shall constitute the Personnel Relations Review Board of the Town, and in that connection shall have the powers and duties, and perform the functions, assigned to such Personnel Relations Review Boards by Section 21B of Chapter 40 of the General Laws; and said Board shall, in the performance of its duties as Personnel Relations Review Board, be subject to the limitations imposed by said Section 21B and by the by-laws of the Town.

(c) GRIEVANCE PROCEDURE. -- There shall be a grievance procedure available to those employees of the town whose rights under the wage and personnel classification plan have, in their opinion, been prejudiced and covering all other grievances except those that would properly be under the jurisdiction of the Civil Service Commission or other duly established appeal board. As used in this section, the word "grievance" shall be construed to mean dispute between an employee and his supervisors arising out of an exercise of administrative discretion by such supervisor or supervisors.

STEP I. The employee shall take up his grievance orally with his immediate supervisor who shall reach a decision and communicate it orally to the employee within two (2) working days.

STEP II. If the grievance is not settled at Step I, the employee shall within five (5) working days present his grievance in writing to his supervisor who shall forward it to the department head who shall hold a hearing within five (5) working

days if required. At this hearing there shall be present the employee and or representative if he requests it, his supervisor, the department head and the chairman of the Personnel Board.

STEP III. If the grievance is not settled at Step II, all records and facts in the case shall be referred to the Grievance Review Board for adjudication. Those present at Step II shall appear at this hearing. Within twenty (20) working days of the hearing, which shall be the next regular meeting of the board except in cases of emergency, the employee shall be notified in writing through the department head as to the decision of the board which will be final.

Section 19. Civil Service Law

No Change.

Section 20. Effect of Partial Invalidity

No Change.

Section 21. Publication of Personnel By-Law

The Personnel Board hereby is authorized and directed to compile and publish Personnel By-Law to be known as the 1970 Town of Kingston Personnel By-Law.

RICHARD D. ELWELL, Chairman
(Term expires 1972)

SAMUEL B. BABBITT, Jr., Secretary
(Term expires 1971)

ALAN N. MACINNIS, Clerk
(Term expires 1973)

Wage and Personnel Board

TOWN WARRANT COMMONWEALTH OF MASSACHUSETTS

Plymouth, ss.

Greeting

To either of the Constables of the Town of Kingston in the County of Plymouth:

In the name of the Commonwealth you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in elections and in Town Affairs to meet at the REED COMMUNITY BUILDING ON SATURDAY, THE TWENTY-FIRST DAY OF MARCH, NEXT, 1970 at 10:00 O'CLOCK in the forenoon for the following purposes:

ARTICLE 1. To hear and take action on such officers as are to be nominated from the floor.

ARTICLE 2. To hear and act upon the reports of the Town Officers.

ARTICLE 3. To fix the salaries of elected officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 40, Section 8L, as amended, of the General Laws, which authorizes cities and towns to appropriate money for the lease or rental of work clothes for its employees

ARTICLE 5. To see if the Town will vote to amend certain sections of the Personnel By-Law in accordance with the recommendations of the Wage and Personnel Board, or take any other action relative thereto.

ARTICLE 6. To raise and appropriated such sums of money as may be necessary to defray town charges.

ARTICLE 7. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1970 in accordance with the provisions of the General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17, as amended.

ARTICLE 8. To see if the Town will vote to transfer for Library purposes from the account entitled "State Aid for Libraries--Reserved for Appropriation", the sum of said funds having been received from the Commonwealth of Massachusetts during 1969.

ARTICLE 9. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Police - Two Sirens, Lights and Amplifying System	\$ 30.00
Highways - Automatic Sander	89.35
Playground - Purchase of Power Driven Mower with Attachments	102.53
Town Wharf Pilings	95.00
Study Committee - Acquisition of Kingston Inn Property	200.00
Water - Survey of Property Adjacent to South Street Wells	180.50
Water Main - Industrial Development Area	10,392.50
School - Purchase of Land	35,000.00

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Town House Copy Machine	\$66.85
Playground Backstop and Fence	187.00
Library Charge Desk	19.61

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

ARTICLE 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the appropriation entitled "Highways-Repairing Town Grader", or take any other action relative thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain bills incurred for architect's services relative to the new Elementary School or take any other action relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any other action relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any other action relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money received or to be received from the State in accordance with Chapter 76S, Acts of 1969, as amended, for the permanent construction of Green Street, Crescent Street, Shore Drive, Leigh Road, and East Avenue, or take any other action relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in one of the present cruisers and the Highway Department station wagon and apply the allowance thereof to the purchase price of the new vehicles, or take any other action relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a Dump Truck for the Highway Department and authorize the Selectmen to turn in the 1961 Dodge Dump Truck and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a catch-basin cleaner for the Highway Department, or take any other action relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a street sweeper for the Highway Department, or take any other action relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a four-wheel drive truck for the Forest Fires Department and authorize the Selectmen to dispose of the 1948 Dodge Powerwagon, or take any other action relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a truck with attachments for the Water Department and authorize the Board of Water Commissioners to turn in the present 1965 Chevrolet truck with attachments, and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of air conditioning units in the offices at the Town Hall, or take any other action relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be used in the purchase of approximately 22 acres of land situated west of Basler's Lane farm-around, being Lots 109B, 109C, 109D & 110, Block 11 as shown on the Assessor's Plan of the Town of Kingston, said land to be acquired for conservation purposes under the provisions of Chapter 40, Section 8C, as amended, of the General Laws, said purchase is contingent upon receiving certain funds from the Commonwealth of Massachusetts, the Elizabeth B. Sampson Memorial Fund and from the appropriation entitled "Conservation Commission-Purchase of Land or Down Payment Therefor", or take any other action relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled "Conservation Commission-Purchase of Land or Down Payment Therefor".

ARTICLE 25. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

ARTICLE 26. To see if the Town will appropriate a sum of money for the constructing and laying of aqueducts and water mains, not less than sixteen inches in diameter, and for lining such mains with linings of not less than one-sixteenth of an inch, for constructing a reservoir and for acquiring land or any interest in land necessary in connection with the said reservoir, and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of making studies for additional wells, or take any other action relative thereto.

ARTICLE 28. To see if the Town will vote to authorize the Selectmen to acquire for dump purposes by gift, purchase or eminent domain, certain parcels of land adjacent to the present dump site being portions of Lots 116, 188, 133A, Block 11, containing approximately twelve acres, as shown on the Assessor's Plan of the Town of Kingston, and raise and appropriate, or transfer from unappropriated available funds in the treasury, the necessary funds or take any other action relative thereto.

ARTICLE 29. To see if the Town will vote to accept the way running north-westerly from the termination of Smith's Lane to property of the Town, a distance of 7,408 feet, more or less, and said way to be known as Cazale Way, plans thereof and having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring land by gift, purchase or eminent domain, or take any other action relative thereto.

ARTICLE 30. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for site development of the dump area, including water facilities, or take any other action relative thereto.

ARTICLE 31. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of heavy equipment for highway and/or dump maintenance purposes, or take any other action relative thereto.

ARTICLE 32. To see if the Town will vote to rescind the action taken under Article 4 of the Special Town Meeting held on October 14, 1968, relative to the construction, equipping and furnishing of a new elementary school.

ARTICLE 33. To see if the Town will vote to appoint a committee for the purpose of making plans and preparations for the appropriate observance of the 250th Anniversary of the incorporation of the Town of Kingston, and that a sum of money be raised and appropriated for committee expenses, or take any other action relative thereto.

ARTICLE 34. To see if the Town will vote to amend the Protective Zoning By Laws of the Town of Kingston by striking from Section 3, paragraph (a) the words "or a detached two-family", or take any other action relative thereto.

ARTICLE 35. To see if the Town will vote to accept a By-Law regulating earth removal within the limits of the Town or take any other action relative thereto.

ARTICLE 36. To see if the Town will vote to amend the Protective Zoning By Laws of the Town of Kingston by striking from Section 3, Paragraph (a) in the first sentence the words "gravel, clay, loam, sand or stone removal" and by striking the last sentence in its entirety which provides conditions to be imposed by the Board of Appeals, or take any other action relative thereto.

ARTICLE 37. To see if the Town will vote to amend the Protective Zoning By Law of the Town of Kingston by adding thereto Section 6A titled Business Area Regulations which will include the following use regulations: minimum lot sizes, front, side and rear line set backs and off street parking with related entrances and exits thereto, or take any other action relative thereto.

ARTICLE 38. To see if the Town will vote to amend the Building, Wiring and Plumbing Code so as to increase minimum construction standards, or take any other action relative thereto.

ARTICLE 39. To see if the Town will vote to authorize the Selectmen to sell at public auction or private sale the former railroad station and all or part of the adjacent land, or take any other action relative thereto.

ARTICLE 40. To see if the Town will vote to accept the amendment of the Silver Lake Regional School District proposed by the Regional District School Committee on December 11, 1969, providing that the incurring of indebtedness by the District shall be approved by the registered voters of the member towns pursuant to the provisions of the General Laws, Chapter 71, Section 16 (n).

ARTICLE 41. To see if the Town will vote to accept the amendment of the Silver Lake Regional School District agreement proposed by the Regional District School Committee on December 11, 1969, providing that amendments to the agreement may be initiated either by proposal of the School District Committee or by petition of at least 10 percent of the registered voters of each of the member towns.

ARTICLE 42. To see if the Town will vote and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be used by the Elementary School Building Committee in accordance with Article 38 of the 1966 Annual Town Meeting, or take any other action relative thereto.

ARTICLE 43. To see if the Town will vote to replace the two-inch water main with a water main not less than six inches in diameter on the way known as Marsh Road, beginning at the southerly side of River Street and running in a southerly direction to Arrow Street, for a distance of 750 feet, more or less, or take any other action relative thereto.

ARTICLE 44. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of installing a drainage system under Ring Road at a point adjacent to the cranberry bog of Domingo Fernandes, and to acquire the necessary easements, or take any other action relative thereto.

ARTICLE 45. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of reconstructing a present drainage system and installing a new drainage system said system running in a generally westerly and southwesterly direction from Jones River Drive, a distance of approximately 325 feet; thence running in a generally northerly direction along said Jones River Drive to the intersection of River Street, a distance of approximately 370 feet; thence running in a generally westerly direction along said River Street, a distance of approximately 650 feet; thence running in a generally southerly direction to Jones River, a distance of approximately 280 feet, including the installation of certain catch basins and leaching pit on the southerly side of said River Street, and to acquire the necessary easements or take any other action relative thereto.

ARTICLE 46. To see if the Town will vote to replace the two-inch water main with a water main not less than six inches in diameter on the way known as Standish Avenue beginning on the northeasterly side of Howland's Lane and running in easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for 800 feet, more or less, to Bagnell Street, and that a sum of money be raised and appropriated, or transferred from unappropriated available funds in the treasury, for the installation thereof (BY PETITION)

ARTICLE 47. To see if the Town will vote to accept a portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and thence running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less, to Bagnell Street, and that that portion from the beginning of Cross Street to Bagnell Street be known as Elliot Street, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and that a sum of money be raised and appropriated, or transferred from unappropriated available funds in the treasury, for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

ARTICLE 48. To see if the Town will vote to accept the way known as Peter's Lane beginning at the southerly side of Grove Street and running in a southerly direction for a distance of 750 feet, more or less, and to include a turn around, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

ARTICLE 49. To see if the Town will vote to accept that portion of Mazzilli Avenue beginning at the end of the town accepted way and continuing in a westerly direction to Braunecker Avenue, a distance of 550 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

ARTICLE 50. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money, and transfer the unexpended balance in the account entitled "Post War Rehabilitation Fund" to the Stabilization Fund, or take any other action relative thereto

ARTICLE 51. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

To transact any other business that may legally come before said meeting.

FURTHER, you are hereby required to notify and warn the inhabitants of the Town of Kingston qualified to vote in elections to meet in the adjourned session at the

KINGSTON ELEMENTARY SCHOOL ON SATURDAY,
THE TWENTY-EIGHTH DAY OF MARCH NEXT, 1970

for the following purpose:

To choose all necessary Town officials. The following officers are to be chosen on one ballot-viz: A Moderator, a Tree Warden, one Trustee of Frederic C. Adams Public Library all for one year; One member of the School Committee for two years. One Selectmen, one Assessor, one member of the School Committee, two members of the Frederic C. Adams Public Library, one member of the Park Commission, two members of the Playground Commission, one member of the Water Commissioners, all for three years. One member of the Planning Board for four years. One member of the Planning Board for five years. Four members of the Housing Authority.

The polls will be opened at 7:00 o'clock A.M. on Saturday, the twenty eighth day of March and shall be closed at 8:00 o'clock P.M. on Saturday, the twenty eighth day of March, 1970.

And you are directed to serve the Warrant by posting up attested copies thereof at the main entrance to the Town House and at the Post Office in said Town, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this twenty-fourth day of February in the year of our Lord
one thousand nine hundred and seventy.

ROSCOE A. COLE, Jr.
LAWRENCE B. WESTGATE
CHARLES L. FARRINGTON, Jr.

A True Copy, Attest:

CONSTABLE

DATE:

TOWN OF KINGSTON

MASSACHUSETTS

REPORT and RECOMMENDATIONS

OF THE

FINANCE COMMITTEE

TO THE

ANNUAL TOWN MEETING

1970

Together with a copy of the Warrant Articles
and Accompanying Recommendations

KINGSTON TOWN WARRANT
WITH THE RECOMMENDATIONS OF THE
FINANCE COMMITTEE
Saturday, March 21, 1970

ARTICLE 2. To hear and act upon the reports of the Town Officers.
 Recommend favorable action.

ARTICLE 3. To fix the salaries of elected officers.

Recommend that the salaries of the several elected officers of the Town be retroactive to January 1, 1970 and be fixed as follows:

Moderator	\$ 25.00
Treasurer	2,200.00
Collector	4,300.00
Town Clerk	1,166.00
Chairman, Board of Selectmen	1,200.00
Other Selectmen, each	960.00
Chairman and Clerk, Board of Assessors	6,500.00
Other members, Board of Assessors, each	600.00
Chairman, Water Commissioners	250.00
Other Water Commissioners, each	225.00
Tree Warden	2,300.00

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 42, Section 6L, as amended, of the General Laws, which authorizes cities and towns to appropriate money for the lease or rental of work clothes for its employees.

Recommend no action.

ARTICLE 5. To see if the Town will vote to amend certain sections of the Personnel By-Law in accordance with the recommendations of the Wage and Personnel Board, or take any other action relative thereto.

Recommend no action.

ARTICLE 6. To raise and appropriated such sums of money as may be necessary to defray town charges.

Recommend that budget items 1-105 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled, discussed and voted upon separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote; and that salary increases for employees as recommended in the various budget items be retroactive to January 1, 1970.

ARTICLE 7. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1970 in accordance with the provisions of the General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17, as amended.

Recommend favorable action.

ARTICLE 8. To see if the Town will vote to transfer for library purposes from the account entitled "State Aid for Libraries-Reserved for Appropriation", the sum of said funds having been received from the Commonwealth of Massachusetts during 1969.

Recommend the transfer of \$1,075.50.

ARTICLE 9. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Police - Two Sirens, Lights and Amplifying System	\$ 80.00
Highways - Automatic Sander	80.35
Playground - Purchase of Power Driven Mower with Attachments	102.53
Town Wharf Pilings	95.00
Study Committee - Acquisition of Kingston Inn Property	200.00
Water - Survey of Property Adjacent to South Street Wells	180.50
Water Main - Industrial Development Area	10,392.50
School - Purchase of Land	35,000.00

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Town House Copy Machine	\$66.85
Playground Backstop and Fence	187.00
Library Charge Desk	19.61

Recommend that the amount of \$11,089.85 be closed to Surplus Revenue and that the amount of \$273.46 be returned to the Income Account of the Sampson Fund.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

Recommend that the sum of \$1,312.94 be raised and appropriated.

ARTICLE 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the appropriation entitled "Highways-Repairing Town Grader", or take any other action relative thereto.

Recommend that the amount of \$914.61 be raised and appropriated.

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain bills incurred for architect's services relative to the new Elementary School or take any other action relative thereto.

Recommendation to be made at Town Meeting pending legal advice.

ARTICLE 13. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any other action relative thereto.

Recommend that the sum of \$6,000.00 be raised and appropriated to meet the Town's share of the cost and that in addition the sum of \$18,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares.

ARTICLE 14. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any other action relative thereto.

Recommend that the sum of \$1,000.00 be raised and appropriated to meet the Town's share of the cost and that in addition the sum of \$2,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares.

ARTICLE 15. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money received or to be received from the State in accordance with Chapter 768, Acts of 1969, as amended, for the permanent construction of Green Street, Crescent Street, Shore Drive, Leigh Road, and East Avenue, or take any other action relative thereto.

Recommend that the sum of \$4,732.19 be transferred from unappropriated available funds in the treasury.

ARTICLE 16. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in one of the present cruisers and the Highway Department station wagon and apply the allowance thereof to the purchase price of the new vehicles, or take any other action relative thereto.

Recommend that the sum of \$4,909.00 be raised and appropriated for the purchase of two new cruiser-ambulances and that the Town trade-in one 1965 and 1969 vehicle and apply the allowances to the purchase price.

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a Dump Truck for the Highway Department and authorize the Selectmen to turn in the 1961 Dodge Dump Truck and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

Recommend no action.

ARTICLE 18. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a catch-basin cleaner for the Highway Department, or take any other action relative thereto.

Recommend that the sum of \$4,200.00 be raised and appropriated.

ARTICLE 19. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a street sweeper for the Highway Department, or take any other action relative thereto.

Recommend no action.

ARTICLE 20. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a four-wheel drive truck for the Forest Fires Department and authorize the Selectmen to dispose of the 1948 Dodge Powerwagon, or take any other action relative thereto.

Recommend no action.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a truck with attachments for the Water Department and authorize the Board of Water Commissioners to turn in the present 1965 Chevrolet truck with attachments, and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

Recommend no action.

ARTICLE 22. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of air conditioning units in the offices at the Town Hall, or take any other action relative thereto.

Recommend that a Study Committee be appointed to make recommendations at the next annual Town Meeting; the committee to be composed of three members one appointed by the Moderator, one by the Board of Selectmen and one by the Finance Committee.

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be used in the purchase of approximately 22 acres of land situated west of Basler's Lane turnaround, being Lots 109B, 109C, 109D & 110, Block 11 as shown on the Assessor's Plan of the Town of Kingston, said land to be acquired for conservation purposes under the provisions of Chapter 40, Section 8C, as amended, of the General Laws, said purchase is contingent upon receiving certain funds from the Commonwealth of Massachusetts, the Elizabeth B. Sampson Memorial Fund and from the appropriation entitled "Conservation Commission-Purchase of Land or Down Payment Therefor", or take any other action relative thereto.

Recommend that the transfer of \$6,000.00 from the Sampson Fund, the transfer of \$3,000.00 from available Conservation Funds, and that the Town raise and appropriate the sum of \$6,000.00, but contingent on the allocation of \$15,000.00 in matching funds from the State.

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled "Conservation Commission-Purchase of Land or Down Payment Therefor".

Recommend that action be deferred until next year.

ARTICLE 25. To see if the Town will vote to accept recommendations for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes.

Recommend that \$6,800.00 be transferred from the income of the Sampson Fund as follows:

Land at Basler's Lane for Conservation purposes	\$6,000.00
Gray's Beach Concerts	500.00
Trustees' Bond	300.00

ARTICLE 26. To see if the Town will appropriate a sum of money for the constructing and laying of aqueducts and water mains, not less than sixteen inches in diameter, and for lining such mains with linings of not less than one-sixteenth of an inch, for constructing a reservoir and for acquiring land or any interest in land necessary in connection with the said reservoir, and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto.

Recommend no action.

ARTICLE 27. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of making studies for additional wells, or take any other action relative thereto.

Recommend that the sum of \$5,000.00 be raised and appropriated.

ARTICLE 28. To see if the Town will vote to authorize the Selectmen to acquire for dump purposes by gift, purchase or eminent domain, certain parcels of land adjacent to the present dump site being portions of Lots 116, 188, 133A, Block 11, containing approximately twelve acres, as shown on the Assessor's Plan of the Town of Kingston, and raise and appropriate, or transfer from unappropriated available funds in the treasury, the necessary funds or take any other action relative thereto.

Recommend favorable action.

ARTICLE 29. To see if the Town will vote to accept the way running north-westerly from the termination of Smith's Lane to property of the Town, a distance of 7,408 feet, more or less, and said way to be known as Cazale Way, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring land by gift, purchase or eminent domain, or take any other action relative thereto.

Recommend no action.

ARTICLE 30. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for site development of the dump area, including water facilities, or take any other action relative thereto.

Recommend favorable action.

ARTICLE 31. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of heavy equipment for highway and/or dump maintenance purposes, or take any other action relative thereto.

Recommend no action.

ARTICLE 32. To see if the Town will vote to rescind the action taken under Article 4 of the Special Town Meeting held on October 14, 1968, relative to the construction, equipping and furnishing of a new elementary school.

Recommend favorable action.

ARTICLE 33. To see if the Town will vote to appoint a committee for the purpose of making plans and preparations for the appropriate observance of the 250th Anniversary of the incorporation of the Town of Kingston, and that a sum of money be raised and appropriated for committee expenses, or take any other action relative thereto.

Recommend that the sum of \$100.00 be raised and appropriated.

ARTICLE 34. To see if the Town will vote to amend the Protective Zoning By-laws of the Town of Kingston by striking from Section 3, paragraph (a) the words "or a detached two-family", or take any other action relative thereto.

Recommend favorable action.

ARTICLE 35. To see if the Town will vote to accept a By-Law regulating earth removal within the limits of the Town or take any other action relative thereto.

Recommend favorable action.

ARTICLE 36. To see if the Town will vote to amend the Protective Zoning By-Laws of the Town of Kingston by striking from Section 3, Paragraph (i) in the first sentence the words "gravel, clay, loam, sand or stone removal" and by striking the last sentence in its entirety which provides conditions to be imposed by the Board of Appeals, or take any other action relative thereto.

Recommend favorable action.

ARTICLE 37. To see if the Town will vote to amend the Protective Zoning By-Law of the Town of Kingston by adding thereto Section 6A titled Business Area Regulations which will include the following use regulations: minimum lot sizes, front, side and rear line set backs and off street parking with related entrances and exits thereto, or take any other action relative thereto.

Recommend favorable action.

ARTICLE 38. To see if the Town will vote to amend the Building, Wiring and Plumbing Code so as to increase minimum construction standards, or take any other action relative thereto.

Recommend favorable action.

ARTICLE 39. To see if the Town will vote to authorize the Selectmen to sell at public auction or private sale the former railroad station and all or part of the adjacent land, or take any other action relative thereto.

Recommend favorable action providing the words "Private Sale" be stricken from the motion.

ARTICLE 40. To see if the Town will vote to accept the amendment of the Silver Lake Regional School District proposed by the Regional District School Committee on December 11, 1969, providing that the incurring of indebtedness by the District shall be approved by the registered voters of the member towns pursuant to the provisions of the General Laws, Chapter 71, Section 16 (a).

Recommend no action.

ARTICLE 41. To see if the Town will vote to accept the amendment of the Silver Lake Regional School District agreement proposed by the Regional District School Committee on December 11, 1969, providing that amendments to the agreement may be initiated either by proposal of the School District Committee or by petition of at least 10 percent of the registered voters of each of the member towns.

Recommend favorable action.

ARTICLE 42. To see if the Town will vote and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be used by the Elementary School Building Committee in accordance with Article 38 of the 1966 Annual Town Meeting, or take any other action relative thereto.

Recommend that the sum of \$5,000.00 be raised and appropriated.

ARTICLE 43. To see if the Town will vote to replace the two-inch water main with a water main not less than six inches in diameter on the way known as Marsh Road, beginning at the southerly side of River Street and running in a southerly direction to Arrow Street, for a distance of 750 feet, more or less, or take any other action relative thereto.

Recommend that the sum of \$5,000.00 be raised and appropriated.

ARTICLE 44. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of installing a drainage system under Ring Road at a point adjacent to the cranberry bog of Domingo Fernandes, and to acquire the necessary easements, or take any other action relative thereto.

Recommend no action.

ARTICLE 45. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of reconstructing a present drainage system and installing a new drainage system, said system running in a generally westerly and southwesterly direction from Jones River Drive, a distance of approximately 325 feet; thence running in a generally northerly direction along said Jones River Drive to the intersection of River Street, a distance of approximately 370 feet; thence running in a generally westerly direction along said River Street, a distance of approximately 650 feet; thence running in a generally southerly direction to Jones River, a distance of approximately 280 feet, including the installation of certain catch basins and leaching pit on the southerly side of said River Street, and to acquire the necessary easements or take any other action relative thereto.

Recommend no action.

ARTICLE 46. To see if the Town will vote to replace the two-inch water main with a water main not less than six inches in diameter on the way known as Standish Avenue beginning on the northeasterly side of Howland's Lane and running in easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for 800 feet, more or less, to Bagnell Street, and that a sum of money be raised and appropriated, or transferred from unappropriated available funds in the treasury, for the installation thereof. (BY PETITION)

Recommend that the sum of \$6,050.00 be raised and appropriated.

ARTICLE 47. To see if the Town will vote to accept a portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and thence running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less, to Bagnell Street, and that that portion from the beginning of Cross Street to Bagnell Street be known as Elliot Street, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and that a sum of money be raised and appropriated, or transferred from unappropriated available funds in the treasury, for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

Recommend no action.

ARTICLE 48. To see if the Town will vote to accept the way known as Peter's Lane beginning at the southerly side of Grove Street and running in a southerly direction for a distance of 750 feet, more or less, and to include a turn-around, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

Recommend no action.

ARTICLE 49. To see if the Town will vote to accept that portion of Mazzilli Avenue beginning at the end of the town accepted way and continuing in a westerly direction to Braunecker Avenue, a distance of 550 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

Recommend no action.

ARTICLE 50. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money, and transfer the unexpended balance in the account entitled "Post War Rehabilitation Fund" to the Stabilization Fund, or take any other action relative thereto.

Recommend that the sum of \$738.07 be transferred from the Post War Rehabilitation Fund and in addition that the sum of \$10,000.00 be transferred from unappropriated available funds in the treasury.

ARTICLE 51. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

Recommend that the sum of \$75,000.00 be transferred from unappropriated available funds in the treasury for the use of the Assessors in the reduction of the tax levy.

To transact any other business that may legally come before said meeting.

FURTHER, you are hereby required to notify and warn the inhabitants of the Town of Kingston qualified to vote in elections to meet in the adjourned session at the

KINGSTON ELEMENTARY SCHOOL ON SATURDAY,
THE TWENTY-EIGHTH DAY OF MARCH NEXT, 1970

for the following purpose:

To choose all necessary Town officials. The following officers are to be chosen on one ballot-viz: A Moderator, a Tree Warden, one Trustee of Frederic C. Adams Public Library all for one year; One member of the School Committee for two years; One Selectmen, one Assessor, one member of the School Committee, two members of the Frederic C. Adams Public Library, one member of the Park Commission, two members of the Playground Commission, one member of the Water Commissioners, all for three years. One member of the Planning Board for four years. One member of the Planning Board for five years. Four members of the Housing Authority.

The polls will be opened at 7:00 o'clock A.M. on Saturday, the twenty-eighth day of March and shall be closed at 8:00 o'clock P.M. on Saturday, the twenty-eighth day of March, 1970.

And you are directed to serve the Warrant by posting up attested copies thereof at the main entrance to the Town House and at the Post Office in said Town, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this twenty-fourth day of February in the year of our Lord one thousand nine hundred and seventy.

ROSCOE A. COLE, Jr.

LAWRENCE B. WESTGATE

CHARLES L. FARRINGTON, Jr.

Selectmen of Kingston

A True Copy, Attest:

CONSTABLE
