Designed 1950

Helen D. Foster

Authorized by vote of the town on March 18, 1950,
and approved by the Board of Selectmen on August 8,
1950.

John J. Moore
Percy W. Bailey
Orfeo H. Sgarzi

In Memoriam

EMIL SAUER

Born: December 7, 1889
Russia

Died: June 13, 1970
Kingston, Massachusetts

All of his life "Pete" maintained a deep interest in the Kingston Fire Department. He first served as Captain of Hose No. 3 in the Rocky Nook Company until it was dissolved in 1935. In May, 1954 he completed 42 years of service with the Fire Department, the last 18 years as a member of the Board of Fire Engineers. He also served as the Town House Custodian for a number of years commencing in November, 1944.

FRANCIS V. TURA

Born: November 7, 1929

Died: July 26, 1970

Plymouth, Massachusetts

Plymouth, Massachusetts

A U.S. Navy veteran, the swift and sudden death of Francis shocked the town. His cheery manner in greeting everyone was typical of him. He was elected as a Park Commissioner in 1961 for a three-year term and served as its chairman in 1963. Although continuing an ardent interest in the town and its history, he chose not to run for re-election. By his passing the community has lost one of its most loyal and conscientious citizens, and his memory will live long in the hearts of the townspeople.

IRENEE THIBODEAU

Born: June 28, 1908
Lynn, Massachusetts

Died: July 27, 1970
U. S. Public Health Service
Hospital, Brighton,
Massachusetts

"Tibbie" served the U.S. Coast Guard for 20 years, and upon his return to Kingston and civilian life indicated an interest in town affairs. In 1955 he was appointed the town Harbor Master which position he resigned from in September, 1957. He also served as a local school bus driver and just prior to his sudden death had retired as Custodian at the Maple Avenue Elementary School. His buoyant approach was an encouragement to those persons with whom he came in contact.

In Memoriam

ALVIN L. GOULD

Born: July 14, 1916

Died: August 12, 1970

Kingston, Massachusetts

Kingston, Massachusetts

A member of the Kingston Industrial Commission "Allie" had been appointed by the Selectmen for a five-year term which would have expired in 1971. A local businessman, he was very much interested and active in a number of civic affairs in the town. He was always interested in assisting his fellow man. His pleasant smile and cheery manner is sadly missed.

HERBERT W. WEBER

Born: November 24, 1893

Died: October 18, 1970

Des Moines, Iowa

Plymouth, Massachusetts

A member of the Kingston Park Commission, Mr. Weber served as its chairman during 1956 and 1957. His term expired in 1958 at which time he chose not to run for re-election. Mr. Weber continued to maintain a genuine interest in town affairs and was ever willing to give of his help and knowledge. His gracious manner contributed much to the community.

RALPH W. COX

Born: June 30, 1896

Died: October 20, 1970

Boston, Massachusetts

Plymouth, Massachusetts

Ralph lived in Kingston for 38 years and was a former local businessman in the Rocky Nook section of Kingston, and also of the center of town. He was one of the original members of the committee appointed in 1953 to investigate the need for zoning in our town. He also served on the Kingston Finance Committee for a three-year term ending in 1960, and for a number of years served the town as a Fence Viewer. Ralph was intensely interested in town affairs and civic progress and had a deep respect for Kingston.

Respectfully submitted,

GEORGE W. CUSHMAN, Town Clerk

ANNUAL TOWN MEETING

MARCH 1970

March 21, 1970

The annual town meeting was called to order by the Moderator, Horace C. Weston at 10:07 A.M. By unanimous approval of the meeting, the warrant was not read.

The Moderator appointed the following persons as tellers and administered the oath of office to them:

John J. Goslin	Edgar W. Loring, Jr.
Joseph L. Robinson	Stanley J. Kuzborski

Article 1. The following officers were chosen:

Measurers of Wood and Bark — Robert L. Davidson and Robert L. Goad. Nominations were made by Lawrence B. Westgate.

Director of Plymouth County Extension Service — George E. Fraser. Nomination made by Lawrence B. Westgate.

Article 2. On the motion of Charles L. Farrington, Jr. voted: that the reports of the town officers as printed in the 1969 town report be accepted.

Article 3. On the motion of Maurice J. Splaine, Jr. voted unanimously: that the salaries of the several elected officers of the Town be retroactive to January 1, 1970 and be fixed as follows:

Moderator	\$25.00
Treasurer	2,200.00
Collector	4,300.00
Town Clerk	1,166.00
Chairman, Board of Selectmen	1,200.00
Other Selectmen, each	960.00
Chairman & Clerk, Board of Assessors	6,500.00
Other Members, Board of Assessors, each	600.00
Chairman, Water Commissioners	250.00

Other Water Commissioners, each
Tree Warden

225.00
2,300.00

Mr. Roscoe A. Cole, Jr., Chairman of the Board of Selectmen gave a brief explanation of pertinent town matters and Maurice J. Splaine, Jr., Chairman of the Finance Committee spoke on the financial aspects of the town, tax rate for 1970 and certain recommendations.

Article 4. On the motion of Roscoe A. Cole, Jr. voted that the town accept the provisions of Chapter 40, Section 61, as amended, of the General Laws, authorizing the town to appropriate money for the lease or rental of work clothes for its employees.

Yes—79 No—71

Article 5. On the motion of Richard D. Elwell voted: that the town accept and adopt the recommendations of the Wage and Personnel Board of amended sections of the Personnel By-law as printed on Pages 187-195 inclusive of the 1969 annual town report effective as of January 1, 1970 except that Section 13, Paragraph C shall read "8 years" instead of "3 years."

Before a vote was taken on Article 5, Mr. Maurice J. Splaine, Jr. moved a secret ballot on this article.

MOTION WAS DEFEATED

Article 6. On the motion of Maurice J. Splaine, Jr. voted: that budget items 1-105 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled and discussed separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote; and that salary increases for full time employees as recommended in various budget items be retroactive to January 1, 1970.

The following items were discussed and tabled separately:

Water Main — Industrial Development area 10,392.50
and that the following appropriation balances be returned to the income account of the Elizabeth B. Sampson Fund:

Town House copy machine	\$66.85
Playground blacktop and fence	187.00
Library Charge desk	19.61

Orfeo H. Sgarzi moved an amendment to eliminate "water main — Industrial Development Area" \$10,392.50.

AMENDMENT WAS CARRIED

A vote was taken on the motion as amended and it was voted: that the following appropriation balances be closed to surplus revenue:

Police — two sirens, lights and amplifying system	\$30.00
Highways — Automatic sander	89.35

Playground — Purchase of power driven mower with attachments	102.53
--	--------

Town Wharf Pilings	95.00
--------------------	-------

Study Committee — Acquisition of Kingston Inn Property	200.00
--	--------

Water — Survey of property adjacent to South St. Wells	180.50
--	--------

and that the following appropriation balances be returned to the Income Account of the Elizabeth B. Sampson Fund:

Town House Copy Machine	\$66.85
Playground backstop and fence	187.00
Library charge desk	19.61

Article 10. On the motion of Irma A. Ruffini voted unanimously: that the sum of \$1,312.94 be raised and appropriated for the payment of certain unpaid bills of prior years for the following departments:

Police — Maintenance Expenses	\$732.24
Trimming shade trees — Expenses	321.70
General Highways — Expenses	259.00

Article 11. On the motion of Roscoe A. Cole, Jr. voted: that the sum of \$914.61 be raised and appropriated and added to the appropriation entitled "Highways — Repairing Town Grader."

Article 12. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain bills incurred for architect's services relative to the new elementary School or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 13. On the motion of Charles L. Farrington, Jr. voted: that the sum of \$6,000.00 be raised and appropriated to meet the town's share of the cost of the Chapter 90 Highway Construction and that in addition the sum of \$18,000.00 be transferred from unappropriated available funds in the treasury, to meet the State and County's shares of the cost of the work, the reimbursements from the State and County to be restored upon their receipt to the Excess and Deficiency account in the Treasury.

Article 14. On the motion of Charles L. Farrington, Jr. voted: that the sum of \$1,000.00 be raised and appropriated to meet the town's share of the cost of the Chapter 90 Highway Maintenance, and that in addition, the sum of \$2,000.00 be transferred from unappropriated available funds in the treasury, to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored upon their receipts to the Excess and Deficiency account in the treasury.

Article 15. On the motion of Charles L. Farrington, Jr. voted: that the sum of \$4,732.19 be appropriated for the permanent construction of Green Street, Crescent Street, Shore Drive, Leigh Road and East Avenue, and to meet said appropriation the sum of \$4,732.19 be transferred from the proceeds received, or to be received from the State under the provisions of Chapter 763, Acts of 1969, as amended.

Article 16. On the motion of James R. Goonan voted: that the sum of \$4,909.00 be raised and appropriated for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and that the Selectmen be authorized to turn in one 1969 Dodge and one 1965 Ford and apply the allowances therefore to the purchase price of the new vehicle.

Article 17. Lawrence B. Westgate moved: that the sum of \$6,700.00 be raised and appropriated for the purchase of a dump truck for the Highway Department and that the Selectmen be authorized to turn in the 1961 Dodge Dump Truck and apply the allowance therefore to the purchase price of the new vehicle.

MOTION WAS DEFEATED

Article 18. On the motion of Roscoe A. Cole, Jr. voted: that the sum of \$4,200.00 be raised and appropriated for the purchase of a catch-basin cleaner for the Highway Department.

Article 19. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a street sweeper for the Highway Department, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 20. John B. West moved: that the sum of \$7,990.00 be raised and appropriated for the purchase of a four-wheel drive truck for the Forest Fire Department and that the Selectmen be authorized to dispose of the 1948 Dodge Powerwagon. Yes—63 No—90

MOTION WAS DEFEATED

Article 21. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a truck with attachments for the Water Department and authorize the Board of Water Commissioners to turn in the present 1965 Chevrolet truck with attachments, and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 22. Charles L. Farrington, Jr. moved: that the sum of \$2,000.00 be raised and appropriated for the purchase and installation of air conditioning units in the offices at the Town Hall.

Maurice J. Splaine, Jr. moved an amendment that a study committee be appointed to make recommendations at the next annual town meeting; committee to be composed of three members, one appointed by the Moderator, one by the Board of Selectmen and one by the Finance Committee.

AMENDMENT WAS CARRIED

A vote was taken on the motion as amended and it was voted: that a study committee be appointed to make recommendations at the next annual town meeting committee to be composed of three members, one appointed by the Moderator, one by the Board of Selectmen and one by the Finance Committee.

Article 23. On the motion of Robert A. Mulliken voted unanimously: that the sum of \$5,375.00 be raised and appropriated for the purchase of approximately 22 acres of land situated west of Basler's Lane turn-around, being Lots 109B, 109C, 109D, and 110, Block 11, as shown on the Assessors' plan of the Town of Kingston, and is to be acquired for conservation purposes under the provisions of Chapter 40, Section 8C, as amended, of the General Laws, and is contingent upon receiving certain funds from the Common-

wealth of Massachusetts, the Elizabeth B. Sampson Memorial Fund and from the appropriation entitled "Conservation Commission — Purchase of Land or Down Payment Therefor."

Before action was taken on Article 42, June A. Ballinger moved for re-consideration of Article 23.

MOTION WAS DEFEATED.

Article 24. On the motion of Robert A. Mulliken moved, that the sum of \$2,000.00 be raised and appropriated and added to the account entitled "Conservation Commission — Purchase of Land or Down Payment Therefor."

MOTION WAS DEFEATED.

Article 25. Roscoe A. Cole, Jr. moved: that the town vote to accept the recommendation made by the Trustees of the Elizabeth B. Sampson Memorial Fund; that the following sums of money be allocated from the Income Account of the Elizabeth B. Sampson Memorial Fund, the expenditures to be under the supervision of the respective departments:

Land at Basler's Lane for Conservation purposes	\$5,375.00
Gray's Beach Concerts	500.00
Elizabeth B. Sampson Trustee's Bond	300.00
Playground Concrete Field House	2,050.00

Maurice J. Splaine, Jr. moved an amendment that the town accept the recommendations made by the Trustees of the Elizabeth B. Sampson Memorial Fund in the amount of \$6,175.00, that the following sums of money be allocated:

Land at Basler's Lane for Conservation purposes	\$5,375.00
Gray's Beach Concerts	500.00
Elizabeth B. Sampson Trustee's Bond	300.00

AMENDMENT WAS CARRIED.

A vote was then taken on the motion as amended and it was voted: that the town vote to accept the recommendations made by the Trustees of the Elizabeth B. Sampson Memorial Fund; that the following sums of money be allocated from the Income Account of the Elizabeth B. Sampson Memorial Fund, the expenditures to be under the supervision of the respective departments:

Land at Basler's Lane for Conservation purposes	\$5,375.00
Gray's Beach Concerts	500.00
Elizabeth B. Sampson Trustee's Bond	300.00

Article 26: Richard W. Loring moved: that \$500,000.00 is appropriated for constructing and laying aqueducts and water mains of sixteen inches or more in diameter and lining such mains with linings of not less than one-sixteenth of an inch, for constructing a reservoir and for acquiring land or any interest in land necessary in connection with the said reservoir; that to raise this appropriation the balance of \$54,078.70 remaining after completion of the project authorized under Article 35 of the warrant for the March 22, 1966 town meeting is appropriated, the sum of \$921.30 shall be included in the 1970 tax levy and the treasurer with the approval of the selectmen is authorized to borrow \$445,000.00 under Chapter 44 of the General Laws as amended; and that the selectmen are authorized to contract for Federal aid which shall be spent for the project, provided that the amount of the borrowing authorized hereby shall be reduced by the amount of any such grants.

As a quorum of 150 is required for action under this motion, the Moderator asked the tellers to make an actual count of the voters present. The actual count was 181 and this was taken at 2:22 P.M.

Mr. Loring asked permission from the voters to allow Mr. Paul Bucknam of Whitman and Howard, Inc. to enter the meeting and to explain the proposed water project. There were no objections and Mr. Bucknam presented some inter-

esting facts with the aid of a chart that he had prepared of the water problems in Kingston, its present problems and what the Water Commissioners could do in the future to provide an adequate water supply for this growing town.

MOTION WAS DEFEATED.

Yes—76 No—91

Article 27. On the motion of Richard W. Loring voted that the sum of \$5,000.00 be raised and appropriated for the purpose of making studies for additional wells.

Article 28. To see if the town will vote to authorize the Selectmen to acquire for dump purposes by gift, purchase or eminent domain, certain parcels of land adjacent to the present dump site being portions of Lots 116, 188, 133A, Block 11 containing approximately twelve acres, as shown on the Assessors' Plan of the Town of Kingston, and raise and appropriate, or transfer from unappropriated available funds in the treasury, the necessary funds or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 29. To see if the town will vote to accept the way running northwesterly from the termination of Smith's Lane to property of the town, a distance of 7408 feet, more or less and said way to be known as Cazale Way, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring land by gift, purchase or eminent domain, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 30. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for site development of the dump area, including water facilities, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 31. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of heavy equipment for highway and/or dump maintenance purposes, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Robert L. Pooler moved for re-consideration under Article 25.

MOTION WAS DEFEATED.

Article 32. On the motion of Roscoe A. Cole, Jr. voted that the town vote to rescind the action taken under Article 4 of the Special Town Meeting held on October 14, 1968, relative to the construction, equipping and furnishing of a new elementary school building.

Article 33. On the motion of Roscoe A. Cole, Jr. voted that the Selectmen be authorized to appoint a committee of 15 persons for the purpose of making plans and preparations for the appropriate observance of the 250th anniversary of the incorporation of the Town of Kingston, and that the sum of \$100.00 be raised and appropriated for committee expenses.

Article 34. On the motion of Roger C. Sturtevant voted unanimously that the town vote to amend the Protective Zoning By-laws of the Town of Kingston by striking from Section 3, paragraph (a) the words "or a detached two-family."

Article 35. On the motion of Harvey C. LeSueur voted that the town accept the following earth removal by-law pursuant to Chapter 40, Section 21, Paragraph 17 of the General Laws:

The removal, commercial or otherwise, of earth from any premises, shall be prohibited except when incidental to and in conjunction with the construction of a building or street.

DEFINITIONS:

1. "Earth" shall include soil, sand, clay, gravel and rock.

2. "Board" shall mean the Board of Selectmen or any legally authorized representative thereof.

PROCEDURES:

All applications for permits shall be accompanied by exhibits and documentation deemed necessary by the Board for the proper issuance of a permit, which may include the following:

The application shall include the following specific information and supporting documentation:

- a. The location of the proposed excavation
- b. The legal name and address of the owner of the property involved.
- c. The legal name and address of the petitioner.
- d. Names and addresses of all abutting property owners including those across any streets
- e. Plan of land involved prepared by a registered land surveyor or professional engineer, showing all man-made features, property lines, vegetative cover, and the topography by five-foot contours 100' beyond the limits of the property where the proposed excavation is to take place.
- f. A plan of the land showing five-foot contours of the site after the proposed completion of the excavation.
- g. Estimated quantity of material to be removed and top soil to be replaced, to be calculated by a registered land surveyor or professional engineer.
- h. A proposed form of bond to be used.

The permit issued by the Board shall state all the conditions imposed, including but not limited to:

- a. The finished level and grading (no slope to exceed a grade of two feet horizontal distance and one foot vertical).
- b. No excavation below the natural grade of any boundary line shall be permitted closer than fifty feet to such

boundary. Boundaries of the property and the proposed excavation shall be set on the ground.

- c. The placing of topsoil to a depth of not less than six inches, seeding, and planting necessary to restore the area.
- d. The petitioner agrees by acceptance of the permit to allow the Board access to the property to conduct inspections to determine compliance with the conditions of the permit.
- e. The duration of the removal operation (renewable annually with a hearing.)
- f. The construction of necessary fencing and other protections against nuisances may be required.
- g. Method of removal.
- h. Temporary structures.
- i. Hours of operation.
- j. Routes of transportation of material.
- k. Control of temporary and permanent drainage.
- l. Disposition of boulders, tree stumps and other waste material.
- m. Vegetation to remain as visual barrier.
- n. Posting of security or bond.

Any permit issued by the Board shall automatically expire upon the termination date stated therein. A special permit for any earth removal shall not be issued for more than one year's duration and may be renewed thereafter with a public hearing legally advertised 14 days prior to the hearing.

No permit for earth removal shall be issued if such removal will

- (1) endanger the general health or safety or constitute a nuisance.
- (2) will result in detriment to the normal use of adjacent property by reason of noise, dust or vibration.
- (3) result in traffic hazard in residential areas, or congestion and physical damage on public ways.

No permit for earth removal shall be approved by the Board if the work extends within 300 feet of a way open to public use, whether public or private, nor will a permit be issued if there is an insufficient vegetative barrier to remain on the property upon completion of the project to prevent view of this project from a way.

VALIDITY:

The invalidity of any section or provisions of this by-law shall not invalidate any other section or provision thereof.

PENALTY:

Penalties shall be in accordance with Chapter 40, Section 21, Par. 17, as amended. The Board may revoke or suspend the permit of any person, firm, or corporation holding a permit under this by-law if such person, etc. violates, disobeys, or fails to comply with any of the provisions of this by-law.

Article 36. To see if the town will vote to amend the Protective Zoning By-laws of the Town of Kingston by striking from Section 3, Paragraph (i) in the first sentence the words "gravel, clay, loam, sand or stone removal" and by striking the last sentence in its entirety which provides conditions to be imposed by the Board of Appeals, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 37. To see if the town will vote to amend the Protective Zoning By-Law of the Town of Kingston by adding thereto Section 6A titled Business Area-Regulations which will include the following use regulations: minimum lot sizes front side and rear line set backs and off street parking with related entrances and exits thereto, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 38. To see if the town will vote to amend the Building, Wiring and Plumbing Code so as to increase mini-

mum construction standards, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 39. Roscoe A. Cole, Jr. moved: that the Selectmen be authorized to sell at public auction or private sale, the former railroad station including a portion of the land on which it is situated.

Mitchell Toabe moved an amendment that a condition of sale would require the purchaser to submit plans of any proposed changes in the design of the building and use and these plans and use would require the approval of a majority of the Selectmen and Planning Board meeting as a committee.

AMENDMENT WAS CARRIED.

On the motion of Joseph Franklin Glass voted: to postpone this article indefinitely.

Article 40. George W. Cushman moved: to accept the amendment of the Silver Lake Regional School District agreement proposed by the Regional District School Committee on December 11, 1969 providing that the incurring of indebtedness by the District shall be approved by the registered voters of the member towns pursuant to the provisions of the General Laws, Chapter 71, Section 16 (n).

MOTION WAS DEFEATED.

Article 41. On the motion of George W. Cushman voted: to accept the amendment of the Silver Lake Regional School District Agreement proposed by the Regional District School Committee on December 11, 1969 providing that amendments to the agreement may be initiated either by proposal of the Regional School District Committee or by petition of at least 10 per cent of the registered voters of each of the member towns.

Article 42. On the motion of Roger C. Sturtevant voted: that the sum of \$5,000.00 be raised and appropriated for the use of the Elementary School Building Committee in accord-

ance with Article 33 of the 1960 Annual Town Meeting, said Committee to select a site and secure the necessary preliminary plans and cost estimates for the construction of additional elementary school building facilities.

Article 43. On the motion of Richard W. Loring voted: that the sum of \$5,000. be raised and appropriated for the purpose of replacing the two-inch water main not less than six inches in diameter on the way known as Marsh Road, beginning at the southerly side of River Street and running in a southerly direction to Arrow Street, for a distance of 750 feet more or less.

Article 44. Rosece A. Cole, Jr. moved, that the sum of \$3,500. be raised and appropriated for the purpose of installing a drainage system under Ring Road and for acquiring the necessary easements, located at a point adjacent to the cranberry bog of Domingo Fernandes.

MOTION WAS DEFEATED.

Article 45. On the motion of Rosece A. Cole, Jr. voted: that the sum of \$2,000. be raised and appropriated for the purpose of reconstructing a present drainage system and installing a new drainage system running in a generally Westerly and Southwesterly direction from Jones River Drive, a distance of approximately 325 feet, subject to receipt of releases and easements from all property owners.

Yes—122 No—3

MOTION WAS CARRIED

Article 46. On the motion of John C. Veracka voted: that the sum of \$6,050. be raised and appropriated for the purpose of replacing the two-inch water main with a water main not less than six inches in diameter on the way known as Standish Avenue, beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and running in a northerly direction for a distance of 160 feet more or less, thence to Cedar Street and running in an easterly direction for 300 feet, more or less to Bagnell Street.

Article 47. John C. Veracka moved: that the town accept the following ways: a portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and thence running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 300 feet, more or less, to Bagnell Street, and that portion from the beginning of Cross Street to Bagnell Street to be known as Elliot Street, subject to receipt of releases from all property owners, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$5,800. be raised and appropriated for the construction thereof, including engineering services and for acquiring titles.

MOTION WAS DEFEATED

Article 48. Beverly J. Winkley moved that the town accept the way known as Peter's Lane beginning at the southerly side of Grove Street and running in a southerly direction for a distance of 750 feet, more or less, at which end a turn-around shall be installed, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$4,025. be raised and appropriated for the construction thereof, including engineering services and for acquiring titles.

MOTION WAS DEFEATED

Article 49. Phillip B. Pascoe moved that the town accept that portion of Mazzilli Avenue beginning at the end of the town accepted way and continuing in a westerly direction to Braunecker Avenue, a distance of 550 feet, more or less, subject to receipt of releases from all property owners, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$4,400. be raised and appropriated for the construction thereof, including engineering services and for acquiring titles.

MOTION WAS DEFEATED

Article 50. On the motion of Maurice J. Splaine, Jr. voted: that the unexpended balance of \$738.97 in the account entitled "Post War Rehabilitation Fund" be transferred to the Stabilization Fund.

Article 51. On the motion of Maurice J. Splaine, Jr. voted: that the sum of \$55,000. now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax rate.

On the motion of Roscoe A. Cole, Jr. voted: to adjourn this meeting to Saturday, March 28, 1970 at 7:00 A.M. at the Kingston Elementary School for the purpose of choosing all necessary town officials. (4:30 P.M.)

Total number of voters present: 229 at AM session (from 10 to 12:30) and 65 voters that were not present in the morning session, present in the afternoon, making a grand total of 294 voters attending the annual town meeting.

GEORGE W. CUSHMAN, Town Clerk

SPECIAL TOWN MEETING

June 15, 1970

A special town meeting was called to order by the Moderator, Horace C. Weston, at 7:40 P.M. By unanimous consent of the meeting, the warrant was not read, a copy of which had been given to each voter as they entered. The Moderator appointed the following persons as tellers and administered the oath of office to them:

Kenneth J. Cram
Edgar W. Loring II

Joseph L. Robinson
Harvey C. LeSueur

Article 1. Lawrence B. Westgate moved that the Selectmen be authorized to acquire by eminent domain, purchase, or otherwise, for dump purposes, certain parcels of land adjacent to the present dump site, being portions of Lots 116, 118 and 133A, Block 11 containing approximately twelve acres, as shown on the Assessors' Plan of the Town of Kingston and that the sum of \$26,500 be raised and appropriated for acquiring titles thereto.

Thomas N. Motte moved an amendment that action under Article 1 be indefinitely postponed until a report can be made to a future town meeting on the merits of alternative sites by a committee of five in number, to be appointed by the Selectmen and the Moderator.

MOTION WAS DEFEATED.

A vote was taken on the original motion — Yes 78, No 41.

THIS DOES NOT MEET THE 75's REQUIREMENT

Therefore, the motion was defeated.

Article 2. Charles L. Farrington, Jr. moved: that the town take by eminent domain, purchase or otherwise, the way running northwesterly from the termination of Smith's Lane to property of the town, a distance of 7,403 feet, more or less, and said way to be known as Cazale Way, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws; and that the

sum of \$100,000 be raised and appropriated for engineering services, the construction thereof and for acquiring titles.

MOTION WAS DEFEATED.

Lawrence B. Westgate moved and it was voted for reconsideration of Article 1.

James J. O'Halloran moved that the vote under Article 1 be taken by secret ballot.

THIS MOTION WAS DEFEATED.

Article 1. On the motion of Lawrence B. Westgate voted: that the Selectmen be authorized to acquire by eminent domain, purchase, or otherwise, for dump purposes, certain parcels of land adjacent to the present dump site, being portions of Lots 116, 118 and 133A, Block 11 containing approximately twelve acres, as shown on the Assessors' Plan of the Town of Kingston; and that the sum of \$26,500 be raised and appropriated for acquiring titles thereto.

The Vote was Yes — 92 No — 28.

THIS MEETS THE 75's REQUIREMENT.

Article 3. On the motion of Charles L. Farrington, Jr. voted: that the sum of \$12,000 be raised and appropriated for site development of the present dump area, including water facilities.

Article 4. Charles L. Farrington, Jr. moved: that the sum of \$23,870 be raised and appropriated for the purchase of a Traxcavator for highway and/or dump maintenance purposes.

MOTION WAS DEFEATED.

Article 5. On the motion of Harley S. Cadenhead voted: that the sum of \$3,500 be raised and appropriated for the purpose of installing a drainage system under Ring Road, located at a point adjacent to the cranberry bog of Domingo Fernandes, and for acquiring the necessary easements.

Yes — 97 No — 15.

THIS VOTE MET THE 75's REQUIREMENT.

Prior to a vote under Article 5, Manuel P. Souza moved an amendment to substitute \$2,200 instead of \$3,500.

MOTION WAS DEFEATED.

Article 6. On the motion of Lawrence B. Westgate voted: that the town accept the provisions of Chapter 140, Section 188, 189, and 190 of the General Laws, relating to the operation of picnic groves.

Article 7. Harley S. Cadenhead moved: that the sum of \$6,000 be raised and appropriated and added to the appropriation entitled "Addition to Town Barn."

MOTION WAS DEFEATED.

Article 8. To see if the town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of \$45,000 for the purpose of making an engineering study of the future requirements of the Water Department of the Town of Kingston, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 9. On the motion of Richard W. Loring voted unanimously: that the sum of \$6,000 be raised and appropriated and added to the appropriation entitled "Water-Purchase of Land, Etc. off Wapping Road," as established under Article 53 of the 1967 annual town meeting.

After action on Article 9 in the proceedings of the meeting, Manuel P. Souza, Chairman of the Finance Committee informed the voters that the Finance Committee will accept the report of Whitman and Howard for future water needs.

Article 10. John J. Donnelly moved: that the town accept the way known as Peter's Lane beginning at the southerly side of Grove Street and running in a southerly direction for a distance of 750 feet, more or less, at which end a turn-around shall be installed, as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$4,100 be raised and ap-

propriated for the construction thereof, including engineering services and for acquiring titles.

Yes -- 61 No -- 37.

MOTION WAS DEFEATED.

THIS DOES NOT MEET THE 25% REQUIREMENT

(Mr. Sturtevant informed the meeting that the Planning Board does approve this article).

Article 11. To see if the town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of approximately 22 acres of land situated west of Basler's Lane turn-around, being Lots 109B, 109C, 109D and 110, Block 11, as shown on the Assessors' plan of the Town of Kingston, and is to be acquired for conservation purposes under the provisions of Chapter 40, Section 8C as amended, of the General Laws, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 12. To see if the town will vote to rescind the action taken under Article 53 of the annual town meeting in March 1970.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 13. On the motion of Robert A. Mulliken voted: that the sum of \$13,750 be raised and appropriated for completing the purchase of approximately 22 acres of land situated west of Basler's Lane turn-around, being Lots 109B, 109C, 109D and 110, Block 11 as shown on the Assessors' plan of the Town of Kingston, and is to be acquired for conservation purposes under the provisions of Chapter 40, Section 8C as amended, of the General Laws, and further, that said purchase of land is contingent upon approval by the Commonwealth of Massachusetts, Department of Natural Resources, pursuant to Chapter 132A, Section 11 of the General Laws and utilizing the funds voted under Article 23 of the annual town meeting in March, 1970.

Yes -- 95 No -- 3.

THIS MEETS THE 3/4 REQUIREMENT.

Joseph W. Stewart moved and it was voted for reconsideration of Article 10.

Yes — 57 No — 43

Article 10. John J. Donnelly moved that the town accept the way known as Peter's Lane beginning at the southerly side of Grove Street and running in a southerly direction for a distance of 750 feet, more or less, at which end a turn-around shall be installed as laid out by the Selectmen, a plan thereof having been filed with the Town Clerk in accordance with the General Laws, and that the sum of \$4,100 be raised and appropriated for the construction thereof, including engineering services and for acquiring titles.

Yes — 58 No — 29

THIS DOES NOT MEET THE 3/4 REQUIREMENT

MOTION WAS DEFEATED

On the motion of Lawrence B. Westgate voted to adjourn the meeting at 9:55 P.M.

Vote checkers were: George A. Walsh and Catherine J. Bartlett.

SUMMARY OF TOWN MEETING

Article 1. Dump purposes. Purchase of land, etc.	\$20,500
Article 3. Development of present dump area	12,000
Article 5. Drainage — Ring Road	3,500
Article 9. Water — Purchase of Land — Wapping Road	6,000
Article 13. Conservation — Purchase of Land — Basler's Lane	13,750
Total	\$61,750

GEORGE W. CUSHMAN, Town Clerk

SPECIAL TOWN MEETING

November 23, 1970

A special town meeting was called to order at 7:32 P.M. by the Moderator, Horace C. Weston. The warrant was not read on unanimous vote of the meeting.

The vote checkers were: George A. Walsh and Catherine J. Bartlett.

Police officers on duty at the request of the town clerk and paid from the election and registration account of the town clerk's department were: Robert A. Randall, Dennis R. Facchini and John L. Cram.

The Moderator appointed the following tellers and administered the oath of office to them: Edward C. Warnsman, Jr., Warren M. Axford, Francis M. Moran and Roscoe A. Cole, Jr.

Mr. Lawrence B. Westgate, Chairman of the Board of Selectmen spoke briefly on the contents of this special town meeting, reviewing the seven articles in reference to the monies that are available in the free cash account.

Article 1. James R. Goonan, Chief of Police moved that the sum of \$7,545 be transferred from unappropriated available funds in the treasury, and added to the account entitled "Police—Salaries and Wages."

Mr. Manuel Souza, Chairman of the Finance Committee moved that the sum of \$5,000 be substituted for the amount of \$7,545.

A long and extensive discussion followed this motion. The amendment was defeated.

Yes — 75 No — 140

Before a vote was taken on the amendment, Mr. Cornelius Donovan moved an amendment that was unanimously voted that we act on the previous question. A gentleman voter moved for a secret ballot. This motion was defeated.

Then a vote was taken on the original motion and it was voted that the sum of \$7,545 be transferred from unappropriated available funds in the treasury, and added to the account entitled "Police—Salaries and Wages."

Article 2. On the motion of Chief James R. Goonan voted: that the sum of \$2,200 be transferred from unappropriated available funds in the treasury, and added to the account entitled "Police - Expenses."

Article 3. Chief James R. Goonan moved: that the sum of \$4,000 be transferred from unappropriated available funds in the treasury and added to the account entitled "Police--Uniforms"

Mr. Manuel R. Souza, Chairman of the Finance Committee moved an amendment to substitute \$500 for the amount of \$4,000.

MOTION WAS DEFEATED

Warren E. Berube moved that the sum of \$1,650 be substituted for the \$4,000.

MOTION WAS DEFEATED.

Then a vote was taken on the original motion and it was voted: that the sum of \$4,000 be transferred from unappropriated available funds in the treasury and added to the account entitled "Police--Uniforms."

Article 4. Chief James R. Goonan moved: that the sum of \$3,000 be transferred from unappropriated available funds in the treasury for the purchase of a new vehicle to be used as a police cruiser.

MOTION WAS DEFEATED.

Article 5. To see if the town will vote to transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new two-way radio to be installed in the new police cruiser, or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 6. To see if the town will vote to transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled: "Snow Removal--Expenses," or take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 7. On the motion of Lawrence B. Westgate voted: that the sum of \$3,403.41 be transferred from unappropriated available funds in the treasury for the purpose of paying the final judgments in the case of Carleton et al vs. the Town of Kingston.

On the motion of Harley S. Cadenhead, voted to adjourn. 9:10 P.M.

Total number of voters present -- 254.

GEORGE W. CUSHMAN, Town Clerk

REPORT OF THE BOARD OF SELECTMEN

The year 1970 was one with many hard decisions by your Board of Selectmen. We are in an era of fast changes; demands of events require adjustments and deep consideration of the rights of all Kingston people. We have attempted to listen to all ideas and thoughts presented to us. From this counsel we feel we have done our best to be fair and consistent.

Your Board was required to call two Special Town Meetings during 1970. On June 15th, 1970 the Special Town Meeting agreed to purchase additional land adjacent to the present dump site for much needed space. It, also, approved money to develop the site. A sum of money was appropriated to install drainage on Ring Road and to add to money appropriated for purchase of land on Wapping Road for the Water Department. Finally, the meeting accepted Chapter 140, Sections 188, 189 and 190 of the General Laws which regulate the operation of Picnic Groves.

The second Special Town Meeting was called on November 23, 1970 to consider the addition of six patrolmen to the Police Department, and the appropriations to implement this change. In essence, the Special Town Meeting appropriated money for Salaries, Expenses and Uniforms to provide for the new officers. An article to provide a new cruiser was defeated. In addition an article to pay for a court decreed judgment was approved.

Neither of these two Special Meetings will be reflected as adding to the 1971 tax rate since the June 15 meeting was before the 1970 rate was computed, and the November 23 meeting used unappropriated available funds in the treasury.

The Board was forced to declare an emergency for funds to pay snow removal costs during December. As you know, we also had early winter storms in January and Feb-

ruary which made for hazardous driving conditions. We hope 1971 will be better weatherwise but must anticipate the maximum needs for this operation.

In November two town-owned buildings were damaged by fire, one of which had extensive damage. As a result the insurance on all town buildings was cancelled in December and with the assistance of our Insurance Agents the Town was assigned to a Fair Plan type of insurance for one year at a cost of \$9,891.00. Permission was obtained from the Director of Accounts to over-draw the account, which amount will be included in the 1971 tax levy. At no time was the town without insurance coverage on their buildings.

The Town is faced with the responsibility to provide additional space for our elementary school population and the decision to solve an increased Regional School population. These problems must be resolved soon if we expect to provide the educational opportunities our youth require to succeed in life.

The Board is sponsoring an article in the 1971 Warrant to accept the provisions of the General Laws to set up a Youth Commission. We feel the need for this type program is evident. By accepting the law, the town will be eligible for State and Federal reimbursements which will allow the Commission to provide more supervision and facilities to the youth of our town.

We are aware of the increased growth of housing in town but we will try to control this growth so that it is healthy rather than burdensome. Planning for the future is most necessary and we are pleased to see the results of the Planning Board's work. We think their Master Plan will help to keep growth orderly and controlled.

The Waterfront Improvement Committee will continue to try to secure funds for improvements at the mooring area and channel of Jones River. We will, hopefully, have some answers in 1971 to help this project.

The Selectmen extend their thanks to the elected officials, personnel of other town departments and to our citizens for their help and cooperative attitude throughout the year.

Respectfully submitted,

LAWRENCE B. WESTGATE, Chairman

CHARLES L. FARRINGTON, JR.

HARLEY S. CADENHEAD

Board of Selectmen.

- 21 Lots approved under subdivision approval not required.
- 191 Lots under consideration.

The Planning Board regretfully accepted the resignation of John A. Cloud. Howard B. MacFarlane was elected to fill Mr. Cloud's unexpired term, and Frederick J. Smith was re-elected for a five-year term.

During 1970 the Planning Board and the Advisory Committee completed the Master Plan. Many hours were spent on this project and the Board extends its appreciation to all those who participated.

Subdivision control laws have been adopted and hearings have been held on new Zoning By-Laws to be acted upon at the next annual town meeting.

Respectfully submitted,

ROGER CRAIG STURTEVANT, Chairman

WILLIAM R. FAIRWEATHER

HARVEY C. LeSUEUR

HOWARD B. MacFARLANE

FREDERICK J. SMITH

JOHN A. CLOUD

(Resigned January 16, 1970)

Planning Board.

REPORT OF THE BUILDING AND HEALTH INSPECTOR

Types of Permits	Estimated Cost	No. of Permits
New dwellings	\$1,715,226.00	87

Septic tanks, leach beds, etc., permits	399.00	
Plumbing permits	1,494.00	
Electrical permits	1,313.00	
TOTAL RECEIPTS	\$5,661.00	

New dwellings constructed over a five-year period:

1966	1967	1968	1969	1970
87	33	59	107	89
Inspections made				401
Complaints checked				44
Miles travelled				3,238

Building applications may be obtained at the office of the Clerk to the Selectmen and at the office of the Building Inspector, daily, and I will be available at the Town House every Tuesday evening, and will be of service at other times if the duties of my office require it.

I wish to thank the personnel in the offices of the Town Clerk, Board of Selectmen, and Board of Assessors for their continued fine cooperation during the year. Their assistance has been greatly appreciated.

Respectfully submitted,

GEORGE A. WALSH,
Building and Health Inspector.

REPORT OF THE WIRING INSPECTOR

The following inspections were made during 1970:

Total number of inspections	237
New dwellings, rough-ins or services	144
New Bedford Gas & Edison Light Co. Permits	178
Water heaters	27
Parish Hall	1
Temporary services	11
Electric dryers	1
Fire damage inspections	9
Apartment inspections	19
Business establishments	3
Oil or gas burners	2
Bog pumps	1
Nursing homes	1
Alterations	1
Electric heat inspections	1

Inspections by Alternate Wire Inspector,
Maurice Fernez

19

I wish to express my appreciation to the Town Accountant, Mrs. Irma Ruffini and her personnel, and the Building Inspector, Mr. George A. Walsh for assistance in issuing permits and aid to this department.

Respectfully submitted,

ARTHUR R. DAVIS,
Inspector of Wires.

REPORT OF THE PLUMBING INSPECTOR

During the year 1970 the following permits were issued and inspections made:

Plumbing Permits Issued	134
Rough Inspections	102
Completion or Final Inspection	132

Cooperation of plumbers working in the town of Kingston and their compliance with the Plumbing Code has been very good. There have been very few violations with corrections of these being made promptly.

I wish to thank George A. Walsh, Irma A. Ruffini and the personnel of her office for their assistance to this department.

Respectfully submitted,

FRANK TRIFFLETTI,
Plumbing Inspector.

REPORT OF THE GAS INSPECTOR

I hereby submit my report starting January 1, 1970 to December 31, 1970.

Number of Inspections 178

It is important that applications for permits be made prior to commencing the work, and that the Inspector be notified when the work is ready for inspection.

I wish to express my appreciation to the Town Accountant, Irma A. Ruffini, and the personnel in her office for assistance in issuing permits, and aid to this department.

Respectfully submitted,

JAMES A. ROBARE,
Gas Inspector.

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

In its report for 1970 your Commission can truly state that it was extremely discouraging. The reason must be obvious to everyone, for despite some encouraging inquiries in the last quarter of 1969, they soon evaporated as 1970 developed. Under present conditions, the chances of industrial development in Kingston, or anywhere in the Commonwealth, have just simply disappeared. Needless to say, it is our sincere hope that conditions will improve and that by 1972, if not sooner, industry will be again back in full swing.

The past year was a sad one, not only for your Commission but for everyone, with the passing of Alvin Gould. Al was not only a tremendous force on this Commission but was always working hard for the benefit of the town he loved so well. He will be sorely missed by all. In addition, your clerk was out of action for the year due to illness, thereby leaving the Commission with but three active members, making working conditions most difficult. We again point out our regular meetings are the third Thursday of the month at 7:30 P.M. at the Town House.

We offer our sincere thanks to all town departments, committees and individuals for their cooperation with the Commission during the year.

Respectfully submitted,

CHARLES T. SANDERSON, III, Chairman

MANDO J. ALDROVANDI

ROBERT A. JONES

NORMAN E. THOMAS, Clerk

ALVIN L. GOULD (to August 12, 1970)

Industrial Development Commission.

REPORT OF THE POLICE DEPARTMENT

Honorable Board of Selectmen
Town House
Kingston, Massachusetts

Gentlemen:

The report of the activities of the Police Department is respectfully submitted for the year ending December 31, 1970.

Since the last annual report of this department it has literally doubled in size, thanks to the support of your Board and the citizens of our town. At a Special Town Meeting in November, 1970, the people of Kingston, after much discussion and debate, agreed that more officers were needed to care for the needs of this growing community. Five officers have been appointed to this department, and are working full time in that capacity enabling us to give more complete coverage than ever before. It is hoped that one additional man will be appointed after the annual town meeting in March, 1971, in accordance with the wishes of the voters last November. We shall then be able to more efficiently cover the streets and the desk, and respond to the calls of our citizens for help and assistance more rapidly.

An article in the Annual Town Warrant for 1971 requesting the voters to appropriate monies for an additional cruiser and radio equipment will enable us to further add to the effectiveness of your Police Department. It is most gratifying to me to know that the Board of Selectmen and the citizens of our town are in sympathy and support of our problems and needs.

As you examine this report, you will note that crimes of violence, such as Assault with intent to Murder, Assault by means of Dangerous Weapon, Arson and Rape are among those crimes which were not present with any regularity in reports of past years. In 1970 three police officers of this department were shot at; two of them escaped injury

and the third fortunately, was not seriously injured. This reminds each and everyone of us that "it can happen here."

Motor vehicle accidents increased over last year by nine. Two of these accidents were fatalities; one a pedestrian, the other an operator. In each case the evidence indicated excessive speed. Therefore, it is my desire to purchase a Radar Unit for the Police Department enforcement program this coming year. It is my hope and belief that the use of Radar in our town will be responsible, in part, for the lowering of the motor vehicle accident rate.

It is regrettable that our School Traffic Supervisor, Mrs. Viola Cretinon, found it necessary, for personal reason, to resign from that position, effective December 31, 1970. I extend to her my thanks for having done an outstanding job in seeing that our young people got to and from school safely for the past two years. Until a replacement is appointed, our officers will continue to assist the school children at the Elementary School Crossing.

My thanks and appreciation to the Board of Selectmen for their cooperation and support in 1970, and I anticipate similar cooperation and understanding in 1971.

Sincere thanks, also, to the Civil Defense Auxiliary Police Officers and the Director of Civil Defense for their assistance during the year, and to the Town Accountant and her clerks for their help and cooperation over the years.

REPORT OF THE FIRE ENGINEERS

The following is the report of the Board of Fire Engineers for the year 1970:

Fire loss for the year was unusually high. Although no buildings were lost to taxation, extensive damage was sustained by several private structures and three town-owned buildings, bringing the figure up to a much higher level than in former years.

During the year Emil Sauer, one of the old-time fire-fighters died. "Pete" took a keen interest in the department having served as Captain of Hose No. 3, the Rocky Nook Company, from 1929 to the time it was discontinued in 1935. He then accepted an appointment on the Board of Engineers, a position he held for a number of years.

Three valuable men were lost by retirement, Edmond C. Dube who set a record with 45 years of service; Louis H. Glass, Company Clerk for many years, completed 31 years and Lino G. Zaniboni, who moved to another town after serving 16 years in this department.

In spite of crowded conditions, the combined efforts of the school personnel and the firefighters have made it possible to maintain school fire drills in a fast and orderly fashion. Average clearance time as follows: Silver Lake Regional 99 seconds, Sacred Heart High 75 seconds, Kingston Elementary 50 seconds, Sacred Heart Elementary 70 seconds and Maple Avenue 39 seconds.

Engine No. 2, the 1954 International, had a complete engine overhaul by the Fire Department mechanic which is expected will add a few more years to its usefulness.

The Board of Engineers are requesting funds for station repairs, as the roof needs a complete re-covering, and rusted out metal frame windows need replacing.

At this time we wish to thank the members of our own

department for their prompt responses and to the surrounding towns who respond to our calls for mutual aid.

Board of Fire Engineers

REPORT OF THE FOREST FIRES DEPARTMENT

Honorable Board of Selectmen
Town House

Gentlemen:

The following is the report of the Forest Fire Department for the year 1970.

The past year was about average with woods fires showing a slight decrease and grass fires indicating an increase due to improper handling of incinerators.

As there is some confusion in regard to the new outdoor burning regulations I will try to explain briefly.

Permits are required for all burning in the open and can be obtained at the Fire Station.

Townpeople on clear days may burn household and garden rubbish.

Agriculturists may burn prunings and brush that is overgrowing their fields.

The Tree Department may burn infected elm wood at the Town Dump.

These regulations will be in effect until July 1, 1971, at which time all out door burning must cease. After that date an increased use of the town dump is to be expected.

I am once again asking for the replacement of the 1948 Dodge Powerwagon Brushbreaker, as I do not feel that apparatus that old should be used for emergency work.

CLASSIFICATION AND NUMBER OF CALLS

Woods	32
Grass	30
Smoke Investigations	26
Unattended Permits	3
Eliminate Fire Hazards	2
Check Previous Fires	16
Town Dump	32
Illegal Burning	15
Burning Permits Issued	4780
Assists to other Departments	8
Mutual Aid	10
Check Legal Burning	9
False	2
Gasoline Washdown	1
Automobile Tires	1
Total	187

Respectfully submitted,

JOHN B. WEST,
Forest Warden.

REPORT OF THE SHELLFISH CONSTABLE

A total of 145 bushels of quahog seed was transplanted on to our flats this year.

For the first time in a number of years, Ichabod's Flat has shown a growth of clams. It is our hope that they will spread out in larger areas on this flat. The closing of this flat will come as soon as more results of the seed growth is taken in the area.

The Department of Public Health conducted a test on our shellfish and no indications of mercury deposits were found.

I extend my thanks and appreciation to my Assistant, Paul Vantangoli, for his assistance in the duties of this department.

Respectfully submitted,

ANTONE J. CAZALE,
Shellfish Constable

REPORT OF THE HARBORMASTER

There were approximately 175 boats moored in Kingston water this year, and were located in the Jones River and along the Kingston shores to the Plymouth line. Local residents maintain a privileged preference to moorings on the town racks and in the basin.

Following is a summary of the calls received and answered during the year:

Coast Guard	42
Boat Violations	28
Missing skiffs	12
Recovered skiffs	7
Mutual Aid to Duxbury	1
Police	2
Aid to Fire Department	2
Search for Missing Persons	3
Stolen Outboard Motor Boats	2
Boats Broken into	6
Sunken Moorings	5
Disabled Boats Towed	14
Complaints at Smelt Pond	2

Despite the vandalism of the past summer, records indicate there was a marked decrease over the previous year.

Our Kingston waters continue to be an attraction, not only for those persons using the river and bay, but also to the many who enjoy driving down to the waterfront to observe the activities during the summer months.

I extend my appreciation and thanks to my Assistant, Gabriel J. Costa, for his faithful assistance in the operation of this department. I also extend my sincere gratitude to the many persons who have cooperated in making the Kingston waters a safe boating area and to all town departments for their help and cooperation.

Respectfully submitted,

ASA W. GLASS, JR.
Harbor Master.

REPORT OF THE TREE WARDEN

During the past year your Tree Department has planted 46 trees in replacement of some of those we have lost due to Dutch Elm Disease. In an effort to prevent further gigantic loss of trees, such as we are experiencing with our Elms, five or six different varieties have been planted. It is my sincere hope that the requested 1971 budget will be sufficient to continue the tree planting program and also fill the many requests for trees in front of residences along town roads.

The clearing of brush to afford improved vision on the traveled ways and curves has been done at various times. The cutting of this brush also facilitates the plowing of snow during the winter months.

The hydraulic hoist on the Tree Department truck was repaired and is now in good condition. It is hoped that this will be of good service for the future. However, the truck itself is in poor condition and extensive repairs will have to be made, unless favorable action is taken by the voters at the 1971 annual town meeting on the purchase of a new vehicle.

I wish to thank Mrs. Irma A. Ruffini and her two assistants for their assistance and cooperation.

Respectfully submitted,

FRED E. NAVA,
Tree Warden.

REPORT OF THE MOTH SUPERINTENDENT

The spraying program commenced in May and continued through September. An abundance of Oak Leaf Skeletonizer and Japanese Beetles were in evidence this year, however, in contrast, there were less Tent Caterpillars.

During July the roadsides were sprayed to control the Poison Ivy. Spraying of Poison Ivy on private property was also done when requested.

A total of 126 diseased elms were removed in the town. Unless an effective preventative measure is soon found for Dutch Elm Disease, we will lose the remaining Elm trees within two or three years.

The hydraulic sprayer and mist blower have been overhauled and are in good condition to begin the work next year.

I wish to express my appreciation to the Board of Selectmen, the personnel of the Highway Department, and the men in my department for their ever-ready assistance.

Respectfully submitted,

FRED A. NAVA,
Moth Superintendent.

REPORT OF THE DIRECTOR OF CIVIL DEFENSE

Since its inception in 1950, U.S. Civil Defense has been aimed chiefly at procedures which might reduce loss of life resulting from possible nuclear attack. In recent years Civil Defense has proved its worth also in coping with natural disasters, and as a result of these successes the grass roots organizations have been clamoring for greater Federal and State support. Many of these organizations are in small towns such as Kingston, where the necessity for locating and stocking fallout shelters is difficult to perceive. Thus the major aim of the Federal government, that of reducing losses during a nuclear attack, probably means very little to Kingstonians. However, we are vulnerable at any time to fires, storms, and other disasters. In 1971 much effort will be placed on adopting legislation on a national level to enable Civil Defense to provide support in the areas of disasters not related to thermonuclear attacks.

Locally, Kingston's auxiliary police force with 12 active men under Captain Louis Nogueira, has logged more than 600 hours in assisting the regular force on traffic and desk duty. Three men of the auxiliary, Fred A. Staples, Peter J. Alsheimer and Daniel L. Salvucci attended a Basic Rescue Course at the Massachusetts Civil Defense Agency Training Academy at Topsfield. All three received certificates for successful completion of the course.

Seven regularly scheduled monthly Civil Defense Sector 2-B meetings were attended at Bridgewater during the year. Also, six appointments at the Taunton Surplus Property Depot were kept. Purchases at the latter included such items as large coils of copper wire, heavy-duty electrical cables, a large tarpaulin, styrofoam storage boxes, and live voltage indicators.

Again the office applauds Vernon B. Cushman for his continued faithful participation in Sector 2-B radio drills during 1970.

Loren H. St. Onge of the auxiliary police has kept active the Citizens' Band network between several of the nearby town auxiliary police units.

We are most grateful to all town officials and departments who have assisted us during 1970.

Interested members of the Fire Department and Civil Defense have agreed to share CD-purchased scuba equipment in training a scuba rescue squad.

Respectfully submitted,

ROBERT A. MULLIKEN, Director

JOHN B. DREW, Deputy Director

REPORT OF THE KINGSTON CONSERVATION COMMISSION

The principal activity of the Conservation Commission during 1970 has centered around the acquisition of the approximately 22-acre Basins Lane property formerly owned by Martin R. Brock. This property is a green belt area for the south end of Kingston. This property will grow in importance over the years. The Conservation Commission feels that this area should remain as much as possible in its natural state. Parks now existing actually need little improvement. Possible tree plantings in certain areas could be valuable. The rolling topography of this area, and the presence of a pond and overflowing brook, provide beauty and natural interest in abundance.

We are pleased to report the presentation of a check for \$125,000 from the Massachusetts Department of Natural Resources to the town of Kingston covering 40 per cent reimbursement of the cost of the Basins Lane area purchase. The Commission is delighted to name this area Patuxet Park in memory of its first inhabitants. Artifacts found in the tract have established the early presence of Indians in this area.

We have been most gratified by the interest shown in the 42nd Parallel marker at Day Farm near Park Street. Not only our own townspeople and citizens of neighboring towns, but also many tourists and visitors have stopped to read and even photograph the plaque.

The Commission is also pleased to report continued use of Sampson Common and Memorial Forest by groups — particularly of young people — from schools, churches and Boy and Girl Scout troops. These have been not only Kingston young people, but some out-of-town groups who have requested use of the area through their adult supervisors.

During 1971 the Commission will work on its next important project — that of acquiring approximately 30 acres of

Beaver Dam and Pond, Patuxent Park — Photograph by Jeff Mulliken, Rooden Island Section of Oregon

Field and Woods, Patuxet Park — Photograph by Jeff Mulliken Rhode Island School of Design

Bay Farm property for open space and waterfront conservation. We consider this area extremely important in the overall conservation effort for Kingston. This project will require considerable work by the Commission and active support by our citizens.

We are grateful for assistance given us this past year by so many town officials who are, as we, concerned with conservation problems. What conservation progress has been made could not have come about without their help. The Commission applauds Kingston's newly-formed Junior Chamber of Commerce, whose members have, in cooperation with the Tree Department, initiated a program to replace the many fine elms lost to disease along Main and Summer Streets with 8 to 10-foot deciduous trees best suited for roadside ornamentation and shade.

We earnestly appeal to those in town who own large acreages to consider the possibility of turning over a part of it to the conservation program, either under direct jurisdiction of the Kingston Conservation Commission or by an easement to insure that such land will remain in open space.

Respectfully submitted,

ROBERT A. MULLIKEN, Chairman

MRS. THOMAS J. BREWER, Secretary

DELIA N. FERREIRA

RICHARD W. LORING

P. CABOT RUSHTON

RICHARD J. THOMAS

BARTHOLOMEW A. VERNAZZARO

Conservation Commission.

REPORT OF THE BOARD OF HEALTH

The activities of your local Board of Health for the year 1970 showed an increase in all areas under its jurisdiction.

The Board has taken an active and diligent approach to all applications for new dwellings, viewing the sites and reviewing the various tests prior to granting approval for the applications as pertains to this Board.

All food establishments were inspected by a registered sanitarian. Follow up was made for all major violations of the State Sanitary Code to insure that corrective action was taken.

The Well-Child Conferences held monthly for infants and pre-school children has continued with the excellent cooperation of the Plymouth Community Nurse Association who is under contract with our town Health Board. We are fortunate to have been given permission to use the facilities of the Elizaoeth B. Sampson Memorial Hall for conducting the clinics. We again express our thanks to the Trustees for their generosity.

The bacteriological analyses of the bathing areas in the town were made periodically during the summer months. All samples collected were forwarded to the State Department of Public Health and in all cases the areas tested were considered safe for bathing purposes.

The Insect Pest control program was operational in 1970 in conjunction with the Plymouth County Mosquito Control Project. We plan to expand this operation in 1971 pending approval of the voters at town meeting.

Once again the public is reminded that communicable diseases and dog bites are reportable to the local Board of Health who, in accordance with the General Laws, must submit the information to the State Department of Public Health.

The land purchase for our town dump expansion has been consummated, and the clearing of the land has been started, as can be noticed either on the dump site or from the highway. The old dump is being contoured and seeded to blend into the overall area.

An article will be presented to obtain a heavy piece of equipment to provide the necessary filling and compacting of our landfill operation.

We extend to all town officials, department personnel and citizens our appreciation for their assistance and cooperation.

Respectfully submitted,

CHARLES L. FARRINGTON, JR., Chairman

LAWRENCE B. WESTGATE

HARLEY S. CADENHEAD

Board of Health.

REPORT OF
INSPECTOR OF ANIMALS AND SLAUGHTERING

Recent years have witnessed a profound change in the makeup of our animal population. There has been a marked decrease in the number of cattle, with a corresponding rise in the number of riding horses in town. This reflects a change in the basic makeup of our community from what was formerly semi-rural, to exurbanite.

Twenty-seven dogs were quarantined, during the year, on suspicion of rabies because of bites imposed. However, all of these dogs were released after the customary ten-day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the state authorities.

The annual census of animals within the town was completed and the report forwarded to the Division of Animal Health.

This year witnessed the termination of the position of Inspector of Slaughtering for all of the townships in the Commonwealth. Effective December 1, 1970, the State Department of Public Health assumed the functions pertaining to slaughtering, and inspection of meat and poultry products within the state.

I wish to thank Mrs. Irma Ruffini and the members of the Board of Health for their cooperation in organizing these inspections.

Respectfully submitted,

RAYMOND RUSSO, D.V.M.
Inspector of Animals.

REPORT OF THE
COMMUNITY NURSE ASSOCIATION

To The Honorable Board of Selectmen
Town of Kingston

The Annual Nursing Service Report of the Plymouth Community Nurse Association, for the year 1970, is herewith submitted.

The PCNA has served the communities of Plymouth, Kingston and Duxbury with a broad public health nursing service in 1970. Our function is two-fold. First, we provide skilled nursing care and other rehabilitative services under a physician's direction, to the sick in their homes; and second, we attempt to prevent disease in cooperation with the Boards of Health, by staffing immunization clinics, Well-Child Conferences, Tuberculosis control clinics and making necessary home visits to follow up a broad maternal and child-health program.

Since this is a voluntary non-profit agency, our support comes from private fees for service, insurance plans, Medicare, Welfare, contracts with the Boards of Health of the three communities served, the United Fund, and the PCNA membership dues.

During the year, a total of 1,548 visits were made to patients in Kingston, by the PCNA nurses. Of this total, 806 were made in behalf of the Kingston Health Department.

The nursing service breakdown is as follows:

691	General Bedside Nursing Care (Home Visits)
53	General Nursing Care (Office Visits)
194	Maternity:
3	Antepartum
96	Postpartum
95	Newborn
77	Tuberculosis Follow-up

Nine Well-Child Conferences were held in Kingston, at the Elizabeth B. Sampson Memorial Hall, in 1970. A total of 243 physical examinations were made by our WCC pediatrician, Richard O. Elliott, M.D., to infants and preschool children. Seventy-two Tuberculin skin tests were applied at these conferences and 264 immunization (DPT, Polio, Smallpox, and Measles Vaccine), were given by the physician and the PCNA nurses.

In June, our nurses assisted at the Rubella Clinic, held at the Kingston Elementary School, at which 381 children received the German Measles vaccine.

In December, the nurses also assisted at the Heaf testing program at the Kingston Elementary and Intermediate Schools.

A contract with the Easter Seal Society makes available to our patients, physio-therapy, speech therapy, occupational therapy and medical social services, to patients at home under a physician's direction.

We are fortunate in having available, the Greater Plymouth Homemaker-Home Health Aide Service, to help care for the ill at home. This service was launched in June, 1970.

A PCNA staff member works closely with the Jordan Hospital staff, to plan continuity of care for patients being discharged.

In December, our agency was recertified by the Massachusetts Department of Public Health as complying with the regulations under Medicare as set by the Social Security Administration.

Mrs. Marion Hedge Terry, R.N., resigned as supervisor of the PCNA in September, and has been replaced by Margaret L. MacGregor, R.N.

We wish to extend our appreciation to the Kings Board of Selectmen, the Kingston Health Department, Board of Public Welfare, and our many friends for their cooperation and support during the past year.

Respectfully submitted,

MARGARET L. MacGREGOR, R.N.
Supervisor

REPORT OF THE DIRECTOR OF VETERANS' SERVICES

I hereby submit the annual report of the office of Veterans' Services for the year ending December 31, 1970:

Active cases, January 1, 1970
New cases during 1970
Cases closed during 1970
Disability pensions processed and received
Widows pensions processed and received
Veterans' hospitalized
Miscellaneous contacts (legal, loans, insurance, bonus, education, pension questionnaires, etc.)
Active cases, December 31, 1970

The Veterans' Services office is now located in the local section of the Town Hall. The Veterans Agent may be reached week days by dialing 585-4341. The facilities of this office are also available Tuesday evening between the hours 7 to 9 P.M.

Respectfully submitted,

RUSSELL B. PROUTY,
Director

REPORT OF THE PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

In reporting the Project's activities for 1970, we have been able to continue our primary objectives in each town or city. Namely, the reduction of the mosquito population at source of breeding. This was accomplished either by trenching of breeding areas, or periodic treatment of waters where larvae were found.

The bulk of our efforts during July, August, and September were concentrated in areas and wetlands adjacent to encephalitis locales. Fifty-two horses were reported as contracting the disease. Although only seven of these cases were confirmed, we had to assume that all were probables, and responded as we did to confirmed reports. There was only one report of virus in humans. As these reports were received, our fogging units responded, treating these areas and others having numerous horses. The Encephalitis Field Station monitored both adult and larvae populations. We like to feel that we, along with the State Department of Public Health, numerous veterinarians involved, and the Department of Agriculture, aided in some part in trying to avert what might have been an outbreak of more serious proportions. Kingston had two cases of Eastern Equine Encephalitis in horses reported to this office from the Department of Communicable Diseases.

Many drainage areas were cleared by hand labor and our trenching unit. Areas involved were Rocky Nook, Gray's Beach, off Jones' River Road, Oak and West Streets to Howland Lane, off Smith's Lane, Resnick pasture area, and backhoe trenching on Route 27.

Next spring will, in all probability, have an abundance of mosquitoes. Fall rains and present snows are filling the swamplands. We do not have the capacity to control these large wetlands. Consideration of possible harm to the environment will always limit us as to areas treated and meth-

ods of control. We will continue to work closely with the Field Stations, Pesticide Board, and the Department of Natural Resources regarding methods of control. Our efforts will be pointed towards possible encephalitis activity in 1971. This will have priority over some past practices.

Again we wish to thank your superintendent of highways, the tree superintendent, health and town officers for their interest and cooperation.

Respectfully submitted,

M. CURRIE BEATON, JR.

Superintendent.

REPORT OF THE DIRECTOR OF PLYMOUTH COUNTY EXTENSION SERVICE

The Plymouth County Extension Service which is the educational arm of the University of Massachusetts and U.S.D.A. at the county level has its office located on High Street, Hanson, Massachusetts.

In Plymouth County we have agents who specialize in agricultural commodities and who service commercial farmers in the southeast extension region. In addition, there is a Natural Resource Development agent who works with individual towns and conservation commissions. There are also two Home Economists and two 4-H agents.

In Kingston we have one of the most active 4-H programs in the county for youths between 9 and 19 years of age.

The outstanding community and county activities during the year were: Achievement Night, Cock-Out, Duxbury and Plymouth Fourth of July Parades, Fishing Derby, Roller Skating Party, 4-H Sunday, Crafts Show, Rabbit Show, Kingston Fair, Fashion Show, "Rid Litter" Day and County Demonstration Day. Many members won trophies at the County Fairs and eighteen members attended 4-H Camp Farley in Mashpee on Cape Cod.

The following town committee members and leaders should be commended for their assistance in participating and supervising the local 4-H Club activities:

Chairman: Shirley Cavacco

Co-Chairman: Viola Cretlin

Secretary: Vicky Heath

Treasurer: William Heath

Leaders and Members: John Tura, Richard Cretlin, Shirley Cavacco, Patricia Paronich, Diane Cavacco, Evette Pascoe, Helen Chaves, Dolores Tura, William McDonald, Manuel Cavacco, Jean Sullivan, George E. Fraser, Mr. and Mrs. John McSherry, Mr. and Mrs. Donald Weeks, Mr. and Mrs. Paul Sullivan.

I wish to thank the Town Committee members, leaders and friends, the Kingston Playground Commission and William E. Cadwell for assistance at the Reed Community Building. I know that all who assisted the 4-H Clubs of Kingston must feel a sense of gratification in knowing that they have contributed toward the morals of 150 young people in Kingston.

Respectfully submitted,

GEORGE EDWIN FRASER,

Director.

REPORT OF THE HIGHWAY DEPARTMENT

The frequent snow and ice storms beginning on January 3, 1970, and continuing through the month of March caused a considerable expenditure in the Snow Removal account. Then with the snow and sleet storms commencing early in December, the 1970 appropriation was depleted by December 11th, the date of still another storm. The Board of Selectmen, in accordance with the General Laws, declared an emergency and permission was received from the Director of Accounts to create an overdraft in the Snow removal account to an amount not exceeding \$8,200.00, in order to complete any necessary snow or ice work to the end of December.

During April the town roads were swept of winter sand with the use of rented equipment, which was followed by a considerable amount of patching. Later in the year white lines were painted on town roads. However, due to the rising costs and the amount of funds allocated for this work it was not financially able to complete the painting on all of the roads.

A total of some 8,600 feet of Type I re-surfacing, consisting of a 1 1/4 inch application, was completed on town roads.

A re-construction and resurfacing project was completed on Green Street, and East Avenue was re-surfaced; both streets being funded by monies allocated to the town under Chapters 616 and 769, Acts of 1969.

The work on Delano Avenue which had been curtailed in 1969 because of inclement weather was completed this year. The work on Holmes Avenue has been started and it is hoped to complete it in the Spring.

A berm 1,500 feet in length was constructed on Bay Path. Another 9,365 feet of berm were constructed on various other town streets.

Drainage systems were installed on the following streets: Jones River Drive and Ring Road, both of which had special appropriations; also, Smith's Lane, Howland's Lane, Maple Street, Oak Street and East Avenue, and Lake Street at the corner of West Street.

The Chapter 90 work was started late this year due to delays encountered in bids and other related circumstances. However, the Chapter 90 Construction work began by installing drainage at the Kingston-Pembroke line on Pembroke Street going in the direction of Lake Street. Work will continue on this in the Spring.

It had been intended to use the Chapter 90 Maintenance funds on Elm Street; however, because of the proposed water project along that street, it was thought best to do the highway work after the water work is completed. Consequently permission was obtained from the State and County to use the 1970 Chapter 90 Maintenance funds to re-surface a portion of Pembroke Street near the Silver Lake Regional High School and which was completed.

The necessary work and time required at the Town Dump continues to steadily increase. At various times of the year it became a necessity to rent heavier equipment to adequately perform the work. Sand at the site was used to partially landfill. The purchase of adjacent land at the town dump required the cutting out of lines.

Sand was hauled to Gray's Beach for the Park Commission and the rafts were set out. The floats and racks were set out in the Spring and taken in the Fall for the Waterfront Committee.

The following brooks were cleaned of debris: the brook between Oak Street and Howland's Lane; brook at Gray's Beach; brook on Pembroke Street.

The new catch-basin cleaner was purchased and has proved itself satisfactory. This purchase now enables the department to clean out basins in between other jobs, thus

eliminating an unavoidable delay in waiting time when the town had to rent the equipment.

My thanks and appreciation are extended to the Board of Selectmen, the personnel in the Highway Department and to all town officials, employees and townspeople who have offered their assistance to me.

Respectfully submitted,

ABRAHAM A. RUFFINI

Superintendent of Streets.

REPORT OF THE

FREDERIC C. ADAMS PUBLIC LIBRARY

To the Citizens of the Town of Kingston:

Our annual report consists of the Librarian's summary, and the customary financial statement.

At the end of 1970 the Library contained approximately 24,500 volumes.

The recording collection has 339 items, with 40 new records added during the year.

Both departments registered a total of 472 new borrowers.

The number of individuals using the Adult Reading Room the study facilities of the Young People's Room and the Reference section has increased substantially.

The Historical Room was visited by 26 researchers.

Inter-Library Loan Service is gaining in popularity, with 111 requests filled, as compared to 73 requests in 1969.

The Bookmobile offered by the Eastern Regional Library System began regular visits in October. From this service we are borrowing primarily large-print books, to supplement our own collection. The advantage of this is the variety of popular books printed in the larger type, that many of our borrowers are enjoying.

An expanded "Library Page" program now includes four young people of High School and college age, who work a limited number of hours each week.

There is a continuing challenge to find ways and means of improving and expanding our facilities and services, and we are always glad to consider suggestions.

We are pleased to report a steady increase in the use of the Library over the past few years, and hope this trend will continue.

From Town appropriations, the 1970 operating expense was the following:

Salaries & Wages	\$17,048.64
Books & Periodicals	10,235.43
Equipment & Supplies	1,708.22
Repairs	393.07
Miscellaneous Costs	72.29
Heat & Lighting	1,286.20
Telephone & Fire Alarm	235.82
	<hr/>
	\$30,977.67

For the benefit of its public library the town received the following income:

From Dog Licenses	\$1,208.53
Overdue Book Fines	523.64
State Aid to Libraries	1,075.50

From endowed funds and from special gifts, the income was received and disbursed as follows:

	Income	Payments
From 1969 Balance	\$3,213.03	
Am. Tel & Tel Dividends	74.64	
Savings Bank Interest	1,178.71	
From Special Gifts	68.10	66.90
Treas. Salary and Bond		117.00
Misc. Postage & Supplies		58.50
Returned to F.C.A. Principal		500.00
Income Balance Forward		3,792.08
	<hr/>	<hr/>
	\$4,534.48	\$4,534.48

Respectfully submitted,

DR. ALVAN G. BLUHM, Chairman

JANET A. GIAMMARCO, Secretary

ROLAND S. BAILEY, Treasurer

THEODORE J. MITCHELL

MARY LOU COTTON

JOHN J. GAZZOLA

Library Trustees.

REPORT OF THE PARK COMMISSION

The past year proved to be a busy and productive year for the Commission.

Gray's Beach was once again a popular and well-attended spot during the summer season. Gate receipts exceeded previous records and the behavioral problem of other years was reduced to a minimum. Additional picnic tables and benches were distributed throughout the picnic area. The swings, seesaws, and the new horseshoe pits continued to provide extra recreational enjoyment.

The Beach, itself, was well patrolled by the lifeguards and all those who participated in the various swimming and beach activities and as a result, the season was once again accident-free.

Six band concerts were added to the Commission's program for Sunday evening entertainment at Gray's Beach. The Bands participating this year were the American Legion Band, the German Band, the Mayflower Band, and the U.S. Navy Band from the First Naval District in Boston. All the concerts were well attended and very much appreciated by the townspeople. One concert was held adjacent to the Town Hall property for the benefit of those unable to be present at the Beach programs. It is hoped that this summer Sunday night features will be continued from year to year.

The Memorial Day plantings, consisting of red geraniums, were arranged at the various Town monuments and memorial plots.

It is expected that in the near future other floodlights will be installed at Gray's Beach primarily for the benefit of these evening concerts and other evening programs, as well.

The Commission wishes to thank all the Town Departments and officials for their continued assistance and cooperation.

JOHN E. GORMAN, Chairman
GEORGE R. NAVA, Member
ROBERT MEICHNER, Member.

Park Commission.

PARTIAL REPORT OF THE KINGSTON ELEMENTARY SCHOOL BUILDING COMMITTEE

Your committee has spent a most frustrating period coming to grips with the pressing problem of presenting a solution to the school space needs of the School Committee. It is well known that proposals in the past were unsuccessful, and that this committee was appointed to bring a new proposal before the citizens.

We have met often, and have thoroughly diagnosed and discussed the reasons earlier proposals failed to be adopted by the required action. We feel that these can be categorized as follows: (1) the high costs of construction and bond interest; (2) the desire of many of our citizens for the "neighborhood school" concept; (3) the opinion of many of our citizens that the present site is large enough and should not be expanded. We have studied and discussed these major objections at length and turned our energies to finding a way of compromising the cost and the location to bring about a proposal which would be educationally sound and at the same time, one which would get the greatest support from the citizens of the town.

We have explored extensively the prospect of using a pre-engineered building which could be erected on a site at a substantial saving over conventional construction and which has been used in many communities successfully as additions to existing facilities. We were optimistic that such a building would, and could, provide the facilities to carry out the specifications of the School Committee and provide a sound educational program. We have discussed this with the School Building Assistance Bureau.

We have voted to recommend a site apart from the existing school, and we have conducted two engineering studies on sites on Pembroke Street and Wapping Road. One of these indicated that the Pembroke Street site would not be adequate for drainage. The other is favorable and under further

study at this time. We are in consultation with architects and professional educators, and we hope to bring a proposal to the town as soon as possible. This is an arduous undertaking, and there are no simple solutions or short cuts.

During the year we lost the services of Roger C. Sturtevant who resigned due to the pressures of other commitments. We of the committee were indebted to him for his knowledge of the project and the liaison he was able to bring from the prior committee. Mr. Hadley R. LeClair was appointed to fill this vacancy.

Our thanks to to all the departments of the town who have been most cooperative.

Respectfully submitted,

WARREN M. AXFORD, Chairman

LILIAS F. CINGOLANI, Vice Chairman

JANET I. WOJTOWICZ, Secretary

RAYMOND R. CHAVES

HADLEY R. LeCLAIR

Elementary School Building Committee

REPORT OF THE PLAYGROUND COMMISSION

The 1970 Kingston Playground year was a very rewarding and progressive year for the people of the Town. Improvements were made on the fields of the playground, such as the link fence and gates around the Little League field in May. The dugouts were completed in June, (one of the finest in the county), thanks to the generosity of merchants and organizations of Kingston and the volunteer labor of some of our fine craftsmen in town. There are so many fine people to thank that it is impossible to mention names without fear of missing someone.

This summer a Clay Turtle, Ark Model Slide and Rocking Horse were donated by the dissolved youth center, for our children's playground. We are planning to install more pre-school equipment and facilities in the swing area for Kingston mothers relaxing hours with their children.

In October, the land at Pottle Street was surveyed for a future softball field. Clearing and cutting was started in December.

The Playground Commission lost a fine person with the resignation of George E. Cobb, who initiated many of the completed innovations.

The 1970 highlight of the Kingston Playground was the dedication of the Alf C. Lootz Little League Field in July, in recognition of his many hours and devotion to the children of our area.

The Commission would like to acknowledge the cooperation and help from Town Accountant Irma Ruffini and her staff.

Respectfully submitted,

JOHN R. EDWARDS, Chairman

BARTHOLOMEW A. VERNAZZARO, Vice Chairman

ROBERT L. POOLER, Secretary

KENT R. RIDDEL

RUSSELL P. McADAMS

Playground Commission.

PARTIAL REPORT OF THE
GOVERNMENT ORGANIZATION STUDY COMMITTEE

The members of the Government Organization Study Committee have concluded that because Kingston is faced with an inevitable population growth, bringing with it the need for more governmental services in an increasingly complex society, that a permanent government study committee should be formed.

This committee would conduct a continuing review of the town's administrative organization and recommend changes as they are needed.

Accordingly, the committee has submitted an article in the 1971 annual town meeting warrant calling for such a committee. It would be composed of seven persons: one member from the Board of Selectmen, one from the Finance Committee and one from the Planning Board, plus four appointed by the Selectmen. It would also have two student associate members to be named by the Selectmen.

Towards the end of 1970, the committee arranged for staff members of the Southeastern Regional Planning and Economic Development District to compile basic information about Kingston's government as it now operates: personnel, equipment, functions and responsibilities of all town departments.

This information, being obtained by questionnaires, is to be compiled and analyzed by the planning staff and conclusions submitted to this committee. A survey of townspeople's thoughts and suggestions on town government operation is contemplated as a future project in this evaluation process.

The present survey is being conducted at no cost and the committee is pleased the town is taking some advantage of the services offered by the SERPEDD, to which the town annually provides funds as required by State law.

The committee has completed other background work.

It has researched the town reports back to 1886 and compiled a list of General Laws and special acts under which Kingston now operates. It has consulted or met with representatives of counterpart committees in Pembroke, Duxbury and Plymouth to benefit from their already completed research.

The committee was augmented during the year by the selectmen's appointment, at our suggestion, of two Silver Lake Regional High School students as associate members of the committee, in order to reap the mutual benefits of involving young people in the governmental process.

A careful, thorough and continuing review of Kingston's administrative structure and how it functions is seen as a primary obligation of the townspeople to insure a continuation of efficient municipal government in the days of change that lie ahead.

Government Organization Study Committee.

REPORT OF THE FISH COMMITTEE

It is the concern of the Fish Committee to maintain favorable conditions for the annual runs of fish for spawning in the suitable streams and ponds of the Town. Currently the fish migrations are: 1. those of the alewives, a variety of the herring family, in the lower parts of the Jones River and its Trout Brook tributary plus the ponds at its headwaters. 2. smelt in the brackish waters near the mouth of the river.

Again this year we had a good quantity of smelt spawn and also of alewife fry. The latter was accomplished in part by the natural run of spawning fish up the fish ladders, supplemented by several tank truck loads of spawn and sperm heavy alewives placed in Russell's Pond, through close cooperation with Mr. Arthur Dupuis, Maintenance and Construction Foreman of the Massachusetts Division of Marine Fisheries.

Careful observation of the fish runs at the Elm Street ladder over recent years has led to the conclusion that this ladder was not functioning adequately. Apparently certain earlier repair changes near the foot of the ladder had so changed the intersecting currents of water at that point that many migrating fish entered an adjoining natural resting pool instead of ascending the ladder. To correct this improper diversion there have been built four concrete piers to support a removable cross-river dam which will positively direct ascending fish to the foot of the ladder. The proof of the effectiveness of the new construction awaits the 1971 fish run.

This report seems to be an appropriate time and place to advise that the Massachusetts Division of Marine Fisheries is actively engaged in a coastwide effort to restore and enhance runs of anadromous fish such as alewives, shad, smelt and others. The term anadromous is applied to such fish which migrate from salt to fresh water to spawn.

Mr. Frank Grice, Director of the Division, writes that a complete statement of the project will be made public in the near future.

Included in the overall project will be the spring 1971 experimental stocking in the North River at Scituate, Massachusetts, of Coho Pacific Salmon for evaluation. If the experiment proves successful, it will influence priorities for introduction of Coho Salmon in such rivers as our Jones River.

Still other possibilities exist for local rivers with much improved fish stocking based on research results from recent years of fish hybridizing and selecting among species.

This study visualizes development of a future modern system of converting ocean nutrients into desirable food and sport products.

To sum up such an attractive future possibility, of course in parallel with good conservation practice and pollution controls, Mr. Grice writes:

"The Town of Kingston can and should play a vital role in the stewardship of present and future runs of anadromous fish. Local control and care is a necessary part of the team work required to make the Jones River or any other coastal stream produce its share of wealth from the sea. The Division of Marine Fisheries welcomes your interest and cooperation. Together we can help assure that our children will be able to experience the sight of a run of fish coming up from the sea."

Respectfully submitted,
O. WELLINGTON STEWART
ARTHUR VANTANGOLI
LOUIS E. DeMEULE

Fish Committee.

REPORT OF THE WATERFRONT COMMITTEE

Once again we report the usual maintenance of the floats and racks was accomplished during the year. We replaced chain where it was necessary. We have replaced some of the old type channel markers with new and modern markers. It is our hope to eventually replace all the old markers with this new type. We are investigating the possibility of replacing the old floats, as it becomes necessary, with new modern lightweight floats. The racks are beginning to lose their strength and have been a problem this year. We may experiment with another type rack setup.

The town building formerly occupied by the Kingston Yacht Club at the town landing has been turned over to the Waterfront Committee. This has been put to use as an office for the Harbormaster with emergency restroom facilities, and also as a storage area for our equipment and harbor boat.

We plan to grade the area around the building and seed it. This will enhance the beauty of the surrounding area.

Respectfully submitted,

DONALD C. GAULEY, Chairman

NORMAN OPACHINSKI, Secretary

EDWARD BURGESS, Agent

Waterfront Committee.

REPORT OF THE ELIZABETH B. SAMPSON MEMORIAL FUND

In more recent years it has admittedly proved a problem to achieve a list of recommendations for disbursing the income of the Elizabeth B. Sampson Fund, that met both the standards imposed by the trustees and gained the approval of the town meeting. The two principal factors basic to the differences of opinion evident from the debate at the meeting and the comment of the Finance Committee were:

--- (1) the difficulty of conscientiously determining whether or not a request was for an out of the ordinary expense or actually represented an item that should appear in the regular budget and, (2) the feeling on the part of a considerable number that the income should be retained for expenditure on a project of greater magnitude requiring the accumulation of a substantial sum.

The trustees have found no easy answer to these questions, but we have agreed to alter our policy in deference to these opinions. As of the current year we shall interpret more strictly acceptability as an extraordinary item, and the departments have been so informed. Furthermore, we are seeking suggestions for projects which might mean the commitment of the income over a period of some years. This is an opportune time to adopt this latter change as we already have an accumulation of income resulting from the failure to use the entire income in 1970 and we can count on an income of some \$10,000.00 in the current year.

While we are anxious to pursue this commendable goal, we caution the town that efforts to obtain suggestions for substantial projects have not proved any too successful in the past. We still must seek an undertaking that is beneficial to the town as a whole and that does not in practice create heavy maintenance expense that will prove a recurring burden for the taxpayer.

Respectfully submitted,

TOWN OF KINGSTON EDUCATIONAL FUND

Report of the Trustees

The Trustees of the Kingston Educational fund submit the fourteenth annual report covering the calendar year 1970.

INCOME

Fund established at the annual town meeting March 1957 under Chapter 40, Section 3

Balance, January 1, 1970	\$2,406.24
Dividends	156.08

Balance, December 31, 1970	\$2,562.32
----------------------------	------------

The trustees made a loan of \$134.74 to a student attending Bridgewater State College. The balance of the fund is on deposit at the Plymouth Five Cents Savings Bank.

Frances Leach Bagnall Fund

Principal

Balance, January 1, 1970	\$4,000.00
Balance, December 31, 1970	4,000.00

Income

Balance, January 1, 1970	\$165.98
Dividends	268.22
	434.20

Transferred to town for the payment of scholarships	381.70
---	--------

Balance, December 31, 1970	\$52.50
Ledger Balance	\$468.82

The trustees awarded a scholarship of \$200.00 from the Frances Leach Bagnall Fund for a student to attend Gettysburg College.

Edna Maglathlin Scholarship Fund.

Principal

Balance, January 1, 1970	\$13,251.22
Sold 88 rights of the American Telephone and Telegraph Co. at \$.40 net	35.20

Balance, December 31, 1970	\$13,286.42
----------------------------	-------------

Other Changes in Securities: Exchanged
18 shares Draper Corporation for 6 shares
of North American Rockwell
Corporation.

GEORGE W. CUSHMAN Town Clerk, Treasurer and Collector

WATER COMMISSIONERS' REPORT

The Water Department on the whole has been another year of progress throughout the department activities. The installation of the water main in the industrial area (off Smith's Lane) was completed and the installation on Potte Street was also completed. The old 6-inch water service on Green Street was replaced with a 10-inch main. The water main was replaced on Marsh Road in accordance with the vote under Article 43 at the town meeting in March 1970.

A total of forty-eight new service installations have been completed this year. Renewal of service in part or whole has been completed in thirty-one homes. Eight new hydrants were installed during the year.

The year produced no problems with the supply of water. The wells remained in excellent condition and the rainfall was sufficient at all times to maintain an adequate water table in the area of the wells.

A forecast of building in the immediate future however points out the necessity of planning for new wells and for additional storage facilities.

Again this year there will be an article in the 1971 warrant for an appropriation for the construction of a two-million gallon prestressed concrete tank at Pine Hill with a pipeline on Elm Street to connect it into the system. This will increase the total storage of the system to meet the needs of the town for many years to come. The estimated cost is \$545,000.00, an increase of \$45,000.00 over last year's estimate. We refer you to Page 91 of the 1969 annual town report for a more complete explanation for this additional storage of facilities.

Summary for 1970

	1969	1970	% of Change
Revenue from Operation other than water takers	511,402.44	55,783.21	49%
Revenue from water takers	35,728.70	56,989.40	13%
Total Revenue	66,631.14	62,772.61	(3.5)
Appropriated for Maintenance	49,812.00	53,870.00	12%
*\$91.01 returned to the E & D Account.		**\$3,519.96 returned to E & D account	
Water Pumped (gals.)	270,987,500	285,530,650	5.3%
Greatest Amount Pumped in any one day (gals.)	2,086,100 (6/30/69)	2,072,400 (7/25/70)	(0.6%)
Greatest Amount Pumped in any one week (gals.)	11,825,800 (6/10-7/5/69)	10,754,500 (7/19-7/25/70)	(10%)
Developers installed approximately 4,000 feet of transit pipe on Paradise Acres			

OTHER PROPOSED PROJECTS FOR 1971

1. An appropriation to continue the replacement of mains on a portion of Standish Avenue, Cross Street and Cedar Street to Bagnell Street.
2. To trade the 1965 Chevrolet truck.
3. To purchase the necessary land for the proposed tank.
4. To install a standby pump at the Winthrop Street Well.

The ever-increasing rate of water consumption will result in the daily recycling of the entire water supply in the United States within the next decade, according to a leading manufacturer of water pollution equipment.

A recent article in one of the Boston papers:

"Once the public gets over the shock that all fresh water doesn't and can't—come from babbling mountain streams, we will be far better off," said William C. Messinger, President of Rex Chainbelt, Inc. Technological improvements permit the treatment of presently discarded water sources, such as sewage, that could be made more potable than many community water supplies now in use, he said.

Since "rapidly escalating water-usage rates will have us reusing every 24 hours all the fresh water in the country by 1980" Messinger said, there must be both a technical and psychological effort to prepare for the change.

As we again approach the opportunities of the 1971's we pause to be grateful to everyone—our employees for their continued diligence and loyalty; to our town officials, especially the Finance Committee and Wage and Personnel Board for their guidance and friendship and our citizens who have jointly made possible the performance of the year 1970.

Respectfully submitted,

RICHARD W. LORING, Chairman
EARL S. SAMPSON
JAMES A. ROBARE

Water Commissioners.

REPORT OF THE KINGSTON HOUSING AUTHORITY

Since our last report to the citizens, the fifth member of our committee has been approved and appointed by the State, in the person of William J. O'Brien. Your committee then met and organized naming Kenneth J. Cram as Chairman and Harry R. Teets as Secretary and we are now a legally incorporated organization. Periodic meetings have been held during the year and at the present time we are in the process of conducting investigations for the purchasing of land for a housing project for the elderly.

Respectfully submitted,

KENNETH J. CRAM, Chairman

ELSIE E. NUNES

LEROY G. PECK

WILLIAM J. O'BRIEN

HARRY R. TEETS, Secretary
Kingston Housing Authority.

ANNUAL REPORT

OF THE

SCHOOL COMMITTEE

OF THE

TOWN OF KINGSTON

MASSACHUSETTS

INCLUDING A REPORT OF THE

SILVER LAKE REGIONAL SCHOOL DISTRICT

FOR THE YEAR ENDING

DECEMBER 31

1970

SCHOOL DIRECTORY

SCHOOL COMMITTEE

Mr. Ameho E. Ruffini, Chairman	Term expires 1973
Mr. Robert R. Barbieri, V. Chin. (resigned 12-5-70)	Term expires 1972
Mrs. Marion B. Opachinski, Secretary	Term expires 1971
Mrs. Barbara Balboni	Term expires 1972
Mr. John H. Durgin, Jr.	Term expires 1971

The School Committee meets at 7:30 p.m. on the second Monday of each month at the Elementary School.

ADMINISTRATION OFFICE

Mr. Francis M. Moran	Superintendent of Schools
Mr. Norman G. Donegan	Asst. Superintendent of Schools
Mrs. Neil S. Stegmaller (on leave)	Curriculum Coordinator
Mrs. Mildred M. Ford	Office Administrative Assistant
Mr. Gardner O. Howes	Business Manager

SCHOOL CALENDAR

Winter Term	January 4 thru February 12, 1971
Second Winter Term	February 22 thru April 16, 1971
Spring Term	April 26 thru June 22, 1971
Fall Term	September 9 thru December 23, 1971

In addition to all legal holidays, schools will be closed on the Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio stations WHDH, WBET, and WPLM between 6:35 and 8:00 a.m. In addition, the fire alarm signals will indicate no-school as follows.

6:30 a.m., no-school all schools, including high school.

7:00 a.m., no-school elementary only.

REPORT OF THE KINGSTON SCHOOL COMMITTEE

To the Board of Selectmen and
the Citizens of Kingston:

The pupil census in Grades I through VI stands this year end at 800 students. A review of previous years' enrollments will bear out the obvious; growth in demand for public schooling has been steady and predictable, as has been the case in virtually all of Southeastern Massachusetts. Yet for a variety of reasons our town has not yet come to grips with the one fundamental problem this growth has left in its wake. We do not have, nor have we had for several years past, sufficient classroom space to do the best job we could be doing in our schools. We are, to be frank, well beyond the point of diminishing returns and every new enrollment makes our classroom situation even more critical. Operating a crowded school is a tyranny of schedules: bus schedules, lunch schedules, through which the fabric of education must be woven. Time and time again we find our policy and administrative decisions constrained, not by personnel, who are superlative; not by operating funds, for the town has not once been other than generous; but by time and space considerations. Projects we would like to carry out as desirable for youngsters simply don't get started, or perhaps never seriously proposed anymore, for lack of space. The town must quickly build "catch up" space and must in addition provide for future classrooms.

During the year Mr. Robert Barbieri, Vice Chairman, left the Committee after more than two decades of service. In addition to regular duties he served for years as our representative on the Silver Lake Committee and on numerous school building committees. Those of us who have served with him will attest to his devotion as a schoolman. He did his share many times over and his friendly and valuable counsel over a long career will be missed by the entire town he served so long and so well.

Respectfully submitted,
KINGSTON SCHOOL COMMITTEE
AMELIO E. RUFFINI, Chairman
MARION B. OPACHINSKI, Secretary
BARBARA BALBONI
JOHN H. DURGIN, JR.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee
and the Citizens of Kingston;

I submit my eighth annual report as Superintendent of Schools of the Silver Lake Regional School District and the Union 31 elementary schools of Halifax, Kingston, Pembroke and Plympton.

THE DISTRICT

The year 1970 in our District can best be described as one almost universally beset with space and building problems. Locally and at the regional level, school space has received priority attention, although in several instances very little has been accomplished.

According to the recent Plymouth County census reports two of our towns, Halifax and Pembroke, rated among the highest in growth rate in the past five years. In this same five-year period our district pupils rose from 4267 to 5621, an increase of 1354 pupils, with an annual increase of about 275. However, the ratio of the total by towns changed very little, leaving us with the conclusion that our school growth is relatively constant.

Regionally the disparity in percentage of pupil population by various towns remains as the principal obstacle to the solution of what to do about our secondary school space needs. Politically, this must be resolved by the Town. Educationally, we must proceed. Some progress has been made. The Building Needs Planning Committee, composed of Selectmen and Regional Committee members, recommended a separate new high school. In accepting this recommendation the Regional Committee appointed a Building Committee to carry the program forward.

Hopefully the towns will have an opportunity to vote on the initial or primary stage this coming spring. At the same time recommendations should be studied to resolve the political and financial differences. To allow these dif-

ferences to interfere with progress of educational plans should be avoided at all cost.

SILVER LAKE REGIONAL HIGH SCHOOL

The most significant project at the high school in 1970 was the self-evaluation study of the Silver Lake curriculum by our faculty. This was followed by the October visit of the Evaluating Committee of the New England Association of Colleges and Secondary Schools, the regional accrediting agency for Massachusetts High Schools. In brief, Silver Lake was commended on its curriculum, staff, and student morale. It was criticized for lack of adequate facilities and school space commensurate with its program and enrollment.

A fully accredited high school is ordinarily granted a ten-year accreditation, with a progress report required at intervals of two to five years. Because of its physical plant deficiencies, Silver Lake was granted only a two-year extension of accreditation, with future accreditation dependent upon progress toward remedying these deficiencies. Of particular concern was the lack of library facilities. It was here that the committee placed the most emphasis and a two-year review was required. Shortcomings were noted in laboratory spaces, classrooms, departmental divisions, and vocational facilities. None of these came as a surprise. They are typical of what happens in a fifteen-year-old building in a rapidly changing society, with accompanying impact on the educational process. They are also typical of what happens when a school outgrows its physical plant. Silver Lake is 50 per cent overcrowded now. In five years it will be 100 per cent overcrowded. This situation, as well as the probationary position of our accreditation, should be of concern to our citizens as much as it is to the School Committee.

As predicted last year, the Silver Lake enrollment no longer can be accommodated in the normal school day. Sessions, at the high school for September, 1971, will be extended by an overlapping schedule. Classes will run from 7:45 a.m. until 3:45 p.m. Details are still incomplete at this writing but should provide the least degree of inconveni-

ence to both students and program. Each succeeding year, however, brings us closer to that critical point where double sessions would be unavoidable.

Much credit is due to the competency of Principal Paul Squarea and his staff for their efforts in behalf of students at Silver Lake. Also budgetary provisions have been made for the addition of a second assistant principal in September to help with the problems resulting from such a serious overcrowded condition.

VOCATIONAL SCHOOL

Director Ralph H. Binns reports no new programs were added this year. He points out that, while increased enrollment did occur in Home Economics and Distributive Education, for the most part all other programs remained unchanged. This condition is a by-product of inadequate space for increased enrollments.

Slightly more than 25 per cent of our total student body is enrolled in occupational courses, or a total of 398 full or part-time students. There are nine courses offered, four in Trade and Industry, five in the part-time programs allied with regular high school academic classes.

Silver Lake received \$49,000 in Federal Grants to support special programs. These were a stenographic laboratory and a 1971 program in child-care for the training of kindergarten and nursery school aides. The need for such aides will be realized in 1973 when Kindergartens will become mandatory in Massachusetts public schools.

Academically, vocational students are being brought closer to their academic friends. Ability grouping, instead of trade, was tried this year in English. Further study will be directed toward still greater correlation with academic classes in the total high school in 1971-72.

SILVER LAKE REGIONAL JUNIOR HIGH SCHOOL

Enrollment at the Junior High School is already 10 per cent over the rated capacity of the new building. By 1974

it will be more than 25 per cent over capacity. Classes are now beginning to feel the effects of overcrowding, i.e. reduction in the number of electives available, especially for the middle groups. It is reasonable to predict that in two years the junior high school will be on some form of extended school day, with the children being the principal losers.

An expanded reading program has been the principal academic highlight this past year. Teachers and pupils have been involved in the reading laboratory, located in the library balcony. There are two full-time reading teachers assisted by Mr. Wolpert, who was recently appointed Supervisor of Reading and Language Arts for the Union and District. Considerable progress has been made toward better correlation with our elementary reading program, as well as in-service training of our junior high staff in reading concepts.

Continued success is evident in programs for the special needs of children with learning disabilities. The Special Education class is both effective and exemplary in the way in which it is conducted. Similarly, the program with the Perceptually Handicapped is bringing remarkable results. Principal Arthur Hand emphasizes the need for more personnel and facilities for the growing number of children with emotional problems. This condition seems to be a product of a society beset with family problems, as well as the uncertainties of a war economy and social ills. The principal beneficiary of these problems is the child.

MASSACHUSETTS SUPERINTENDENCY UNION NO. 31

Problems and programs common to the four towns of Union No. 31 are becoming more difficult to solve and implement on the basis that small towns gain the benefits of large systems staffing. With the exception of Plympton, all towns are large enough to support full-time special subject teachers in almost all areas. However, there still exists the advantage of central supervision, as well as other benefits from such cooperative programs. I'm sure we can expect more and more questions as to the future of the Union and the

Region. It is my firm conviction that the future of the Union lies in its strengthening and expansion rather than its dissolution.

Union adoptions this year were the Palo Alto Reading Program and the pilot study of a Social Health curriculum. The Palo Alto Reading Program has been expanded from a pilot program in some towns and from a partial adoption in others. With the assistance of Reading Supervisor, Thomas Wolpert, in-service training programs for all elementary teachers were conducted from September through December. The role of the local reading teacher was also changed to more actively support the reading program of the classroom teacher. With a few exceptions the transition seems to be progressing satisfactorily.

The Social Health curriculum is a foundation program in drug education for elementary pupils. At the elementary level drugs, such as narcotics, are not included. Instead the curriculum covers the related behavioral attitudes of our society, safety with common household materials and medicines. Teacher volunteers will conduct pilot units in various classes starting in January. Evaluation will take place in late Spring and during the Summer. This curriculum is an outgrowth of several years study by our former curriculum coordinator, Mrs. Nell S. Stegmaier, and a group of teachers who have spent several weeks developing the units in a summer workshop. Their contributions are sincerely appreciated.

The Union program in pupil services, special education, and speech therapy are holding their own, even though Director William Quinlan is on a sabbatical leave. Programs in Art, Music, and Physical Education are the best examples of the value of union coordination that could be provided. Teachers and Supervisors in these subject areas meet frequently to formulate programs for better teaching of their respective special subjects.

KINGSTON ELEMENTARY

As the year 1970 ended, Kingston Elementary pupil enrollment reached 800 for the first time in its history. We have crowded these numbers into the 24 available spaces instead of the 32 classrooms they require. This condition represents the worst teaching situation in Kingston in the past 20 years. Without such a dedicated and understanding staff this accomplishment could never be carried off. With the addition of eight helping teachers, the average class size of 33 is being divided so as to provide extra teaching assistance in the critical areas of reading and arithmetic.

It is very difficult for special subjects and pupil services to be carried out in such limited spaces. Classes in music, physical education, and art are most difficult; as well as the special services in library, speech, and instrumental music. Every available space is being used to capacity, including some spaces never intended for this purpose.

A new building committee is hard at work to provide a solution to our school space problem. Hopefully, we will have something to vote on this Spring.

Apologetically I acknowledge that this report dwells solely on Kingston's buildings and space needs. It can only be justified in the light of the fact that future growth and education of the pupils in the Kingston Elementary Schools is directly dependent on the solution of this problem.

CONCLUSION

A special note of appreciation is extended to the staff and administration of all our District schools for their assistance during the past year. To members of the several school committees, I extend my thanks for their support and confidence in this administration. Public education is a community effort. I am grateful for the opportunity to be part of this effort in the Silver Lake communities.

Respectfully submitted,

FRANCIS M. MORAN,
Superintendent of Schools.

REPORT OF THE REGIONAL SCHOOL DISTRICT COMMITTEE

1970

To the Citizens of the Silver Lake
Regional School District:

The greatest problem facing the Regional Committee is, of course, that of providing adequate space for our increasing enrollment. A Regional School arrangement such as ours requires support from all four towns for any proposed building. We recognize that there are certain different interests, growth patterns, governmental philosophies, etc. in each of our four towns but we are also well aware that we need to find a solution to our building needs which will be beneficial to all of the towns.

With the desire of anticipating a building program which will have some possibility of acceptance, and with the desire of involving each of the towns in the planning as much as possible, we formed a Planning Study Committee this year, composed of four selectmen and five members of the Regional Committee. This group studied the various proposals which have been developed: first, an educational survey by Engelhardt, Engelhardt, and Leggett; and second, an architectural survey by Whitman and Howard. After a series of meetings, the Study Committee submitted its report, a portion of which reads as follows:

"There was general agreement that more space is urgently needed at both the High School and the Junior High School. There was, however, no agreement as to how much we can afford at this time. All seemed to agree we would have to compromise on a less expensive first phase of construction than any 19½ million dollar program.

The members were almost unanimously in agreement that our immediate planning should be for a new high school, though the group was divided as to the best location. It was thought that a smaller school for grades 10, 11, and 12 only, possibly of 1500 pupil capacity might be a means of

achieving a more reasonable figure. Along with the plan, as a means of getting some building programs initiated, was the thought of omitting, for the present, the Vocational School from the new plant. Some members felt that the Vocational School could expand without major expense into the present building, which would, of course, be used for grades 7, 8, and 9, as would our other Junior High Building."

The Regional Committee has adopted the recommendations of the Study Committee and has requested names from the selectmen for the formation of a building committee to study specific proposals in greater depth, to select an architect and hopefully to develop some proposal for approval in each of the towns. This committee has just been formed and will be starting its work soon after the beginning of 1971.

We cannot emphasize strongly enough, the need for space both at the High School and the Junior High School. We have been operating under extremely overcrowded conditions this year, and will be forced to consider some other type of scheduling for the coming year. We would expect to have to go to some sort of overlapping session to provide for the anticipated enrollment in the Fall.

This has been an important year for the District, as we have had an evaluation of the High School by a visiting committee, a team of educators representing the New England Association of Colleges and Secondary Schools. Our own school staff had spent a year in preparation for this, during which time they had an opportunity to develop a complete self-evaluation of the school system. The report of the Association grants Silver Lake High School continued membership for only a two-year period instead of the usual 10-year period. At that time further approval will be contingent upon progress made toward providing adequate facilities for present and future educational needs.

On the other hand, we were pleased that the Association found commendable the interest and enthusiasm of the staff and administration as they work for curriculum improvement. They were also favorably impressed by the gen-

eral atmosphere of the School and the attitude of the students, despite the critical shortage of space.

This Fall we have invited members of the Student Council to join us at our School Committee meetings. We have been pleased to welcome several student representatives. We hope this will prove an effective means of communication. At the very best it should give the Committee, as well as the students, some better understanding of the problems which we both face.

We want to thank the staff and the students for their patience and cooperation during a year of crowded conditions. We urge continuing interest and active support from all of you, parents, taxpayers, and voters to help us in solving our space problem.

Respectfully submitted,

Silver Lake Regional School Committee

TOWN OF KINGSTON

MASSACHUSETTS

REPORT and RECOMMENDATIONS

OF THE

FINANCE COMMITTEE

TO THE

ANNUAL TOWN MEETING

1971

Together with a copy of the Warrant Articles
and Accompanying Recommendations

REPORT OF THE FINANCE COMMITTEE

Requests for transfers from the \$10,000.00 Reserve Fund during 1970 totalled \$16,178.21.

Approval for transfers was voted to the appropriations shown below:

May 20 — Snow Removal	\$103.53
May 20 — Conservation Commission	\$115.00
June 10 — Police — Uniforms	400.00
June 23 — Health & Sanitation — Expenses	3,141.95
Sept. 9 — Town Clerk — Expenses	149.64
Sept. 9 — Trimming Shade Trees — Expenses	600.00
Sept. 9 — Water: Replacement and Extension of the Water System — Expenses	1,000.00
Sept. 9 — Insurance: Municipal Buildings and Property	569.68
Sept. 9 — Wage and Personnel Board — Expenses	160.00
Sept. 9 — Health: Insect Control — Expenses	500.00
Oct. 7 — Conservation Commission	200.00
Nov. 4 — Dog Officer — Expenses	300.00
Nov. 4 — Police — Main. — Salaries and Wages	687.31
Dec. 9 — Planning Board — Expenses	125.00
TOTAL	\$7,952.11

A balance of \$2,047.89 was returned to the Overlay Reserve account.

Members of the Finance Committee appointed at Town Meeting direction to other committees were:

Elementary School Building Committee

Raymond R. Chaves

Government Organization Study Committee

Manuel P. Souza

Capital Outlay Committee

Robert J. Balboni

Warren B. Hirst

Wage and Personnel Board

Samuel B. Babbitt, Jr.

Town House Air Conditioning Study

Committee

Miss Mae E. Emond

In considering recommendations for the 1971 Annual Town Meeting, the Finance Committee was faced with substantial increases in departmental requests and an indefinite view of possible relief from pending legislative action. At this writing it does not seem likely that the "Cherry Sheet" will be on hand before the Town Meeting and without it any prediction of a 1971 tax rate would be sheer guesswork.

The Finance Committee recommends the following for 1971:

Attempt to hold to near 1970 spending levels.

No additions of personnel.

No additional equipment.

No increase in services.

Equipment replacements only where necessary to continued operating economy.

Since some budgets are held very close to 1970 levels, the Finance Committee is recommending an increase of the Reserve Fund to \$25,000. This is intended as relief to "provide for extraordinary and unforeseen expenses." It will, hopefully, eliminate the need for a Special Town Meeting for this purpose.

The recommended budget passes the \$2-million mark for the first time in Kingston's history.

So-called "mandatory" increases, those built in by school costs, and last November's action to increase the Police force add about \$195,000. In addition to budget increases,

the town has a 1970 overdraft for Snow Removal and bill for Elementary School Architects' Fees of about \$37,000 more. These costs alone require \$232,000.00 more revenue than was available in 1970.

The Finance Committee urges voters to attend the Town Meeting on March 20, 1971. Possible expenditures of near \$3-million should be of interest to every voter and taxpayer.

Respectfully submitted,

Terms Expire

Kingston Finance Committee

KINGSTON TOWN WARRANT
WITH THE RECOMMENDATIONS OF THE
FINANCE COMMITTEE

Saturday, March 20, 1971

ARTICLE 2. To hear and act upon the reports of the Town Officers.

Recommend favorable action.

ARTICLE 3. To fix the salaries of elected officers.

Recommend that the salaries of the several elected officers of the Town be retroactive to January 1, 1971 and be fixed as follows:

Moderator	\$25.00
Treasurer	2,200.00
Collector	4,300.00
Town Clerk	1,166.00
Chairman, Board of Selectmen	1,200.00
Other Selectmen, each	960.00
Chairman & Clerk, Board of Assessors	6,760.00
Other Members, Board of Assessors, each	700.00
Chairman, Water Commissioners	250.00
Other Water Commissioners, each	225.00
Tree Warden	2,300.00

ARTICLE 4. To see if the Town will vote to amend certain sections of the Personnel By-Law, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

Recommend that budget items 1-105 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled, discussed and voted upon separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote.

ARTICLE 6. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1971 in accordance with the provisions of the General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17, as amended.

Recommend favorable action.

ARTICLE 7. To see if the Town will vote to transfer for Library purposes from the account entitled "State Aid for Libraries — Reserved for Appropriation", the sum of said funds having been received from the Commonwealth of Massachusetts during 1970.

Recommend favorable action.

ARTICLE 8. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:
Highways — Drainage System:

Ring Road	394.04
Construction :	
Delano Avenue	84.15
Water:	
Equipment — Expenses	13.08
Industrial Development Area	967.54
Pottle Street	1,377.79

Recommend favorable action.

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

Recommend that a sum not to exceed \$3,020.73 be raised and appropriated.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain bills incurred for architect's services relative to the new Elementary School, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any other action relative thereto.

Recommend that the sum of \$6,000.00 be raised and appropriated to meet the Town's share of the cost and that in addition the sum of \$18,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares.

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any other action relative thereto.

Recommend that the sum of \$1,000.00 be raised and appropriated to meet the Town's share of the cost and that in addition, the sum of \$2,000.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's shares.

ARTICLE 13. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in one of the present cruisers and the Highway Department station wagon and apply the allowance thereof to the purchase price of the new vehicles, or take any other action relative thereto.

Recommend that the sum of \$6,000.00 be raised and appropriated for the purchase of two new cruiser ambulances and that the Town trade-in the present two police vehicles and apply the allowance to the purchase price.

ARTICLE 14. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new vehicle to be used as a Police cruiser, or take any other action relative thereto.

Recommend no action.

ARTICLE 15. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new two-way radio mobile unit to be installed in the new police cruiser, or take any other action relative thereto.

Recommend no action.

ARTICLE 16. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a Radar Unit and two Walkie-Talkie units for the Police Department, or take any other action relative thereto.

Recommend that a sum not to exceed \$3,250.00 be raised and appropriated.

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a Dump Truck for the Highway Department, or take any other action relative thereto.

Recommend no action.

ARTICLE 18. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of an automatic sander for the Highway Department, and authorize the Selectmen to turn in the present automatic sander and apply the allowance thereof to the purchase price of the new equipment, or take any other action relative thereto.

Recommend that a sum not to exceed \$2,700.00 be raised and appropriated.

ARTICLE 19. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the appropriation entitled "Addition to Town Barn", or take any other action relative thereto.

Recommend no action.

ARTICLE 20. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a truck with attachments to be used by the Water Department, and authorize the Water Commissioners to turn in the present 1965 Chevrolet truck and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

Recommend that a sum not to exceed \$2,400.00 be raised and appropriated.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of a stand-by engine for the Winthrop Street Pumping Station, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 22. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a four-wheel drive truck with attachments therefor for the Forest Fires Department, and authorize the Selectmen to turn in the 1948 Dodge powerwagon and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

Recommend that a sum not to exceed \$4,550.00 be raised and appropriated.

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a platform dump truck for the Tree Department and for use in Insect Pest Control, and authorize the Tree Warden to turn in the 1964 International truck and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

Recommend that a sum not to exceed \$5,000.00 be raised and appropriated.

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for repairing and re-shingling the roof of the Town House, or take any other action relative thereto.

Recommend that a sum not to exceed \$4,200.00 be raised and appropriated.

ARTICLE 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for building repairs to the Fire Station and the Hose House, or take any other action relative thereto.

Recommend that a sum not to exceed \$5,200.00 be raised and appropriated.

ARTICLE 26. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of air conditioners in the Town House, or take any other action relative thereto.

Recommend that a sum not to exceed \$2,500.00 be raised and appropriated.

ARTICLE 27. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds, in the treasury, a sum of money for repairing and re-shingling the roof of the Reed Community Building, or take any other action relative thereto.

Recommend that a sum not to exceed \$6,200.00 be raised and appropriated.

ARTICLE 28. To see if the Town will vote to grant permission to the Kingston Boys' Baseball League to erect a structure to be used as a Concession building, at the easterly side of the Capt. Fred L. Bailey Memorial Playground adjacent to the Alf C. Loatz Baseball Field; said structure not to exceed 14x20 feet and to be constructed under the supervision of the Playground Commission and upon its completion to become the property of the Town of Kingston; or take any action relative thereto.

Recommended favorable action.

ARTICLE 29. To see if the Town will vote to accept the provisions of Chapter 40, Section 8E, as amended, which provides for the establishment of a Youth Commission, and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for committee expenses, or take any other action relative thereto.

Recommend that a sum not to exceed \$1,000.00 be raised and appropriated.

ARTICLE 30. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of school zone signals in the area of the Silver Lake Regional School, in accordance with the provisions of Chapter 616, Acts of 1967, or take any other action relative thereto.

Recommend no action.

ARTICLE 31. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled "Conservation Commission--Purchase of Land or Down Payment Therefor," or take any other action relative thereto.

Recommend that a sum not to exceed \$3,000.00 be raised and appropriated.

ARTICLE 32. To see if the Town will vote to accept recommendations for the purpose of appropriating for the income of the Elizabeth B. Sampson Memorial Fund for various purposes, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 33. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the appropriation entitled "Replacement of the Water System on Standish Avenue", or take any other action relative thereto.

Recommend that a sum not to exceed \$5,000.00 be raised and appropriated.

ARTICLE 34. To see if the Town will appropriate a sum of money for the constructing and laying of aqueducts and water mains, not less than sixteen inches in diameter, and for lining such mains with linings of not less than one-sixteenth of an inch, for constructing a reservoir and for acquiring land or any interest in land necessary in connection with the said reservoir, and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 35. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of heavy equipment for the highway and/or dump maintenance purposes, or take any other action relative thereto.

Recommend no action.

ARTICLE 36. To see if the Town will vote to amend the By-Laws of the Town of Kingston, Article X, Section 2, so as to read:

Section 2. No person or persons shall loiter or continue to stand on any sidewalk, way or public place in the town, so as to obstruct the passage of or to impede or in any manner annoy other persons; and any such person or persons shall at once move after being directed by a police officer or constable to move on; and any such person or persons after being ordered to move by a police officer or constable may be arrested without a warrant, by a police officer or constable.

and to insert a new section to read:

Section 3. Whoever violates any of the provisions of the foregoing by-law shall be punished with a fine of not less than ten dollars nor more than fifty dollars.

or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 37. To see if the Town will vote to adopt a by-law prohibiting persons from riding or driving at a rate of speed inconsistent with public safety or convenience and who may be arrested without a warrant by an officer authorized to make arrests, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 38. To see if the Town will vote to amend Article XVII, Section 6, paragraph (a) to read as follows:

- (a) Any lawful sign or signs advertising only the sale or rental of the premises, not exceeding a total area of ten square feet; or, on the premises of any public building, public recreation ground, farm garden, tree-nursery or forest, any lawful accessory signs not exceeding all together fifteen square feet in area within the limits of said premises.

and to further amend Article XVII, Section 6, by adding hereto the following paragraphs:

- (e) Temporary signs, including those of a political nature not exceeding sixteen square feet may be erected for a period of twenty-one days, including Sundays and holidays after application to and permission by the Board of Selectmen; said sign or signs to be subject to all of the restrictions and prohibitions of this article.
- (f) One non-flashing sign for each family residing on the premises indicating the name of the owner or occupant or pertaining to a permitted accessory use, provided that each such sign does not exceed one square foot in area.
- (g) One non-flashing sign not over nine square feet in area pertaining to permitted buildings, structures, and uses of the premises other than dwellings and their accessory uses.
- (h) Unlighted directional signs not exceeding five square feet in area pertaining to churches, schools, institutions, and other public or non-profit uses.

and to further amend Article XVII by adding the following Sections 7 and 8 and renumbering the existing and remaining paragraphs accordingly:

Section 7. In Business or Industrial Districts, the following exterior signs are permitted:

- (a) Non-flashing signs attached flat against the wall of a building without limitation on the number or size thereof. In no case, shall a sign project above a parapet wall.
- (b) One other sign for each separate and distinct establishment on the premises, or for each 100 feet of lot frontage on a street. Each sign shall not exceed forty square feet in area.

Section 8. One exterior sign with an area not exceeding twelve square feet shall be erected on any non-conforming building or use.

and to re-number the remaining sections of Article XVII as follows:

Section 9. Administration

Section 10. Penalties and Enforcement

Section 11. Validity

Section 12. State Authority

or take any other action relative thereto.

Recommend favorable action.

ARTICLE 39. To see if the Town will vote to amend the Protective Zoning By-Laws of the Town of Kingston as adopted and approved by the Planning Board and as printed in pamphlet form entitled "Proposed Zoning By-Law." or take any other action relative thereto.

Recommend favorable action.

ARTICLE 40. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of indemnifying municipal officers designated by the Board of Selectmen for expenses or damages incurred in the defense or settlement of a claim against any such municipal officer, pursuant to Chapter 41, Section 100E of the General Laws or take any other action relative thereto.

Recommend favorable action.

ARTICLE 41. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of purchasing street and zoning maps of the town of Kingston as adopted and approved by the Planning Board, or take any other action relative thereto.

Recommend no action.

ARTICLE 42. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of \$12,000.00 for the purpose of inspections of subdivisions in the town of Kingston, or take any other action relative thereto.

Recommend that a sum not to exceed \$12,000.00 be raised and appropriated.

ARTICLE 43. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of acquiring a parcel of land by gift, purchase, or eminent domain, for the purpose of constructing a skating rink and acquiring titles thereto, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 44. To see if the Town will vote to authorize the Selectmen to enter into a lease with the Kingston Lions Club, Inc. to improve the area at Bates Pond, located in the rear of the Kingston Highway Barn; said improvements to be at the expense of the Kingston Lions Club, Inc., or take any other action relative thereto.

Recommend favorable action.

ARTICLE 45. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be used in conjunction with the Income of the Lucy P. Ames Memorial Fund, for the purpose of maintaining the Old Burial Ground, or take any other action relative thereto.

Recommend that a sum not to exceed \$1,200.00 be raised and appropriated.

ARTICLE 46. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of installing automatic traffic signals at the junctions of Routes 106 and 27 and Evergreen Street, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 47. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for committee expenses and establish a permanent committee to be known as a Town Government Committee composed of seven members and two non-voting student associate members; said committee to conduct a continuing review of the Town's administrative organization and to propose modifications based on administrative and growth needs, or take any other action relative thereto.

Recommend that a sum not to exceed \$750.00 be raised and appropriated.

ARTICLE 48. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of razing the Town House Annex, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 49. To see if the Town will vote to authorize the Selectmen to sell at public or private sale, land known as the former Bates property and being a portion of Block 6, Plat A, as shown on the Assessors' plan on file in the Town House, or take any other action relative thereto.

Recommend favorable action with no expense to the Town.

ARTICLE 50. To see if the Town will authorize the Selectmen, Silver Lake Regional School Committee and other appropriate officials to develop and present at a later date to the Town, specific proposals to effect Pembroke's withdrawal from the Silver Lake Regional School District, said plans to include tentative agreements for distribution of the capital assets of the District.

Recommend favorable action.

ARTICLE 51. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction of a sidewalk on the southwesterly side of Brook Street, for a distance of approximately 3,330 feet, more or less, or take any other action relative thereto.

Recommend no action.

ARTICLE 52. To see if the Town will vote to take by eminent domain or otherwise, a portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and thence running in a northerly direction for a distance of 160 feet,

more or less, thence to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less, to Bagnell Street, and that portion from the beginning of Cross Street to Bagnell Street be known as Elliot Street, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and that a sum of money be raised and appropriated, or transferred from unappropriated available funds in the treasury, for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

Recommend no action.

ARTICLE 53. To see if the Town will vote to take by eminent domain or otherwise, that portion of Mazzilli Avenue beginning at the end of the town accepted way and continuing in a westerly direction to Braunecker Avenue, a distance of 550 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

Recommend no action.

ARTICLE 54. To see if the Town will vote to take by eminent domain or otherwise, the way known as Peter's Lane beginning at the southerly side of Grove Street and running in a southerly direction for a distance of 750 feet, more or less, and to include a turn-around, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services and for acquiring titles, or take any other action relative thereto. (BY PETITION)

Recommend that a sum not to exceed \$4,500.00 be raised and appropriated.

ARTICLE 55. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of constructing a drainage system along White Pine Lane and for acquiring the necessary easements, or take any other action relative thereto. (BY PETITION)

Recommend no action.

ARTICLE 56. To see if the Town will vote to transfer any balance and any dividends accruing in 1971 in the account entitled "Post War Rehabilitation Fund" to the Stabilization Fund, or take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 57. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

To transact any other business that may legally come before said meeting.

Recommendation to be made at Town Meeting.

REPORT OF THE
DEPARTMENT OF CORPORATIONS AND TAXATION
BUREAU OF ACCOUNTS

To the Board of Selectmen

Mr. Roscoe A. Cole, Jr., Chairman
Kingston, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Kingston for the period from November 20, 1966 to September 27, 1969, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

ARTHUR H. MacKINNON.
Director of Accounts

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the Town of Kingston for the period from November 20, 1966, the date of the previous audit, to September 27, 1969, the following report being submitted thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined, checked, and verified by comparison with the books of the town accountant and the treasurer.

The books and accounts in the office of the town accountant were examined and checked. The receipts, as recorded, were checked with the records of the departments making

payments to the treasurer and with the treasurer's books, while the payments were checked with the treasury warrants approved by the selectmen and with the treasurer's cash book. The appropriations and transfers were checked with the town clerk's records of the town meetings and with the authorizations of the finance committee for transfers from the reserve fund.

The town accountant's ledgers were analyzed, the necessary adjusting entries resulting from the audit were made, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on September 27, 1969.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were compared with the several departmental records of payments to the treasurer, with other sources from which the town received money, and with the town accountant's books. The payments, as recorded, were compared with the treasury warrants and with the accountant's books.

The cash balance on September 27, 1969 was proved by actual count of the cash in the office, by reconciliation of the bank balances with statements received from the banks in which town funds are deposited, and by verification of the savings bank deposits.

The payments made on account of maturing debt and interest were compared with the amounts falling due and with the cancelled securities on file. The bond and coupon account was reconciled, and the outstanding coupons were listed.

The transactions of the trust and investment funds in the custody of the town treasurer and the trustees were verified, and the savings bank books and securities representing the investments of these funds were examined and listed.

The records of tax titles and tax possessions held by the town were examined. The taxes transferred to the tax title account were compared with the collector's records, the reported redemptions were checked with the treasurer's cash

book, and the tax titles and tax possessions on hand were listed and reconciled with the accountant's ledger and compared with the records at the Registry of Deeds.

The records of employees' payroll deductions on account of Federal and State taxes, the county retirement system and group insurance were examined and checked, the payments to the proper agencies being verified.

The books and accounts of the town collector were examined and checked. The tax, excise, departmental, and water accounts outstanding according to the previous examinations, as well as all subsequent commitments, were audited and proved. The collections, as posted to the commitments, were compared with the cash book entries and with payments to the treasurer as shown by the treasurer's cash book. The abatements as entered were checked with the records in the departments authorized to grant such credits, the transfers to the tax title account were checked with the records of tax titles held by the town, and the outstanding accounts were listed and reconciled with the controlling ledger accounts.

Verification of the outstanding accounts was obtained by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The surety bonds on file for the several town officials required by law to furnish such surety were examined and found to be in proper form.

The town clerk's records of dog and sporting licenses issued and of miscellaneous receipts were examined and checked, the payments to the State being verified by comparison with the receipts on file and the payments to the town being checked with the treasurer's cash book.

The records of all other departments collecting money for the town or committing bills for collection were examined and reconciled with the town treasurer's receipts and with the accountant's records.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax, excise, tax title, tax possession, departmental, and water accounts, together with schedules showing the conditions and transactions of the trust and investment funds.

During the progress of the audit cooperation was extended by all town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ

Assistant Chief of Bureau

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

Plymouth, ss.

GREETING:

To either of the Constables of the Town of Kingston in the County of Plymouth:

In the name of the Commonwealth you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in Town Affairs and elections to meet at the REED COMMUNITY BUILDING ON SATURDAY, THE TWENTIETH DAY OF MARCH, NEXT, 1971 at TEN O'CLOCK in the forenoon for the following purposes:

ARTICLE 1. To hear and take action on such officers as are to be nominated from the floor.

Recommend favorable action.

ARTICLE 2. To hear and act upon the reports of the Town Officers.

ARTICLE 3. To fix the salaries of elected officers.

Recommend that the salaries of the several elected officers of the Town be retroactive to January 1, 1971 and be fixed as follows:

Moderator	\$25.00
Treasurer	2,200.00
Collector	4,300.00
Town Clerk	1,166.00
Chairman, Board of Selectmen	1,200.00
Other Selectmen, each	960.00
Chairman & Clerk, Board of Assessors	6,760.00
Other Members, Board of Assessors, each	700.00
Chairman, Water Commissioners	250.00
Other Water Commissioners, each	225.00
Tree Warden	2,300.00

ARTICLE 4. To see if the Town will vote to amend certain sections of the Personnel By-Law, or take any other action relative thereto.

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

Recommend that budget items 1-105 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled, discussed and voted upon separately from the floor after the entire budget has been read, and those items not questioned be voted upon as one group and one vote.

ARTICLE 6. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1971 in accordance with the provisions of the General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17, as amended.

ARTICLE 7. To see if the Town will vote to transfer for Library purposes from the account entitled "State Aid for Libraries — Reserved for Appropriation", the sum of said funds having been received from the Commonwealth of Massachusetts during 1970.

ARTICLE 8. To see if the Town will vote that the following appropriation balances be closed to Surplus Revenue:

Highways — Drainage System:	
Ring Road	394.04
Construction :	
Delano Avenue	84.15
Water:	
Equipment — Expenses	13.08
Industrial Development Area	967.54
Pottle Street	1,377.79

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain bills incurred for architect's services relative to the new Elementary School, or take any other action relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Construction, or take any other action relative thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Maintenance, or take any other action relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of two vehicles to be used as cruiser-ambulances by the Police Department and authorize the Selectmen to turn in one of the present cruisers and the Highway Department station wagon and apply the allowance thereof to the purchase price of the new vehicles, or take any other action relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new vehicle to be used as a Police cruiser, or take any other action relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a new two-way radio mobile unit to be installed in the new police cruiser, or take any other action relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a Radar Unit and two Walkie-Talkie units for the Police Department, or take any other action relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a Dump Truck for the Highway Department, or take any other action relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of an automatic sander for the Highway Department, and authorize the

Selectmen to turn in the present automatic sander and apply the allowance thereof to the purchase price of the new equipment, or take any other action relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the appropriation entitled "Addition to Town Barn", or take any other action relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a truck with attachments to be used by the Water Department, and authorize the Water Commissioners to turn in the present 1965 Chevrolet truck and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of a stand-by engine for the Winthrop Street Pumping Station, or take any other action relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a four-wheel drive truck with attachments therefor for the Forest Fires Department, and authorize the Selectmen to turn in the 1948 Dodge powerwagon and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of a platform dump truck for the Tree Department and for use in Insect Pest Control, and authorize the Tree Warden to turn in the 1964 International truck and apply the allowance thereof to the purchase price of the new vehicle, or take any other action relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for repairing and re-shingling the roof of the Town House, or take any other action relative thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for building repairs to the Fire Station and the Hose House, or take any other action relative thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of air conditioners in the Town House, or take any other action relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for repairing and re-shingling the roof of the Reed Community Building, or take any other action relative thereto.

ARTICLE 28. To see if the Town will vote to grant permission to the Kingston Boys' Baseball League to erect a structure to be used as a Concession building, at the easterly side of the Capt. Fred L. Bailey Memorial Playground adjacent to the Alf C. Looz Baseball Field; said structure not to exceed 14x20 feet and to be constructed under the supervision of the Playground Commission and upon its completion to become the property of the Town of Kingston, or take any action relative thereto.

ARTICLE 29. To see if the Town will vote to accept the provisions of Chapter 40, Section 8E, as amended, which provides for the establishment of a Youth Commission, and raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for committee expenses, or take any other action relative thereto.

ARTICLE 30. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase and installation of school zone signals in the area of the Silver Lake Regional School, in accordance with the provisions of Chapter 616, Acts of 1967, or take any other action relative thereto.

ARTICLE 31. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the account entitled "Conservation Commission—Purchase of Land or Down Payment Therefor," or take any other action relative thereto.

ARTICLE 32. To see if the Town will vote to accept recommendations for the purpose of appropriating for the income of the Elizabeth B. Sampson Memorial Fund for various purposes, or take any other action relative thereto.

ARTICLE 33. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be added to the appropriation entitled "Replacement of the Water System on Standish Avenue", or take any other action relative thereto.

ARTICLE 34. To see if the Town will appropriate a sum of money for the constructing and laying of aqueducts and water mains, not less than sixteen inches in diameter, and for lining such mains with linings of not less than one-sixteenth of an inch, for constructing a reservoir and for acquiring land or any interest in land necessary in connection with the said reservoir, and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto.

ARTICLE 35. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purchase of heavy equipment for the highway and/or dump maintenance purposes, or take any other action relative thereto.

ARTICLE 36. To see if the Town will vote to amend the By-Laws of the Town of Kingston, Article X, Section 2, so as to read:

Section 2. No person or persons shall loiter or continue to stand on any sidewalk, way or public place in the town, so as to obstruct the passage of or to impede or in any manner annoy other persons; and any such person or persons shall at once move after being directed by a police officer or constable to move on; and any such person or persons after being ordered to move by a police officer or constable may be arrested without a warrant, by a police officer or constable, and to insert a new section to read:

Section 3. Whoever violates any of the provisions of the foregoing by-law shall be punished with a fine of not less than ten dollars nor more than fifty dollars, or take any other action relative thereto.

ARTICLE 37. To see if the Town will vote to adopt a by-law prohibiting persons from riding or driving at a rate of

speed inconsistent with public safety or convenience and who may be arrested without a warrant by an officer authorized to make arrests, or take any other action relative thereto.

ARTICLE 38. To see if the Town will vote to amend Article XVII, Section 6, paragraph (a) to read as follows:

- (a) Any lawful sign or signs advertising only the sale or rental of the premises, not exceeding a total area of ten square feet; or, on the premises of any public building, public recreation ground, farm garden, tree-nursery or forest, any lawful accessory signs not exceeding all together fifteen square feet in area within the limits of said premises.

and to further amend Article XVII, Section 6, by adding thereto the following paragraphs:

- (e) Temporary signs, including those of a political nature not exceeding sixteen square feet may be erected for a period of twenty-one days, including Sundays and holidays after application to and permission by the Board of Selectmen; said sign or signs to be subject to all of the restrictions and prohibitions of this article.
- (f) One non-flashing sign for each family residing on the premises indicating the name of the owner or occupant or pertaining to a permitted accessory use, provided that each such sign does not exceed one square foot in area.
- (g) One non-flashing sign not over nine square feet in area pertaining to permitted buildings, structures, and uses of the premises other than dwellings and their accessory uses.
- (h) Unlighted directional signs not exceeding five square feet in area pertaining to churches, schools, institutions, and other public or non-profit uses.

and to further amend Article XVII by adding the following Sections 7 and 8 and renumbering the existing and remaining paragraphs accordingly:

Section 7. In Business or Industrial Districts, the following exterior signs are permitted:

- (a) Non-flashing signs attached flat against the wall of

of a building without limitation on the number or size thereof. In no case, shall a sign project above a parapet wall.

- (b) One other sign for each separate and distinct establishment on the premises, or for each 100 feet of lot frontage on a street. Each sign shall not exceed forty square feet in area.

Section. 2. One exterior sign with an area not exceeding twelve square feet shall be erected on any non-conforming building or use.

and to re-number the remaining sections of Article XVI as follows:

Section 9. Administration

Section 10. Penalties and Enforcement

Section 11. Validity

Section 12. State Authority

or take any other action relative thereto.

ARTICLE 39. To see if the Town will vote to amend the Protective Zoning By-Laws of the Town of Kingston as adopted and approved by the Planning Board and as printed in pamphlet form entitled "Proposed Zoning By-Law," or take any other action relative thereto.

ARTICLE 40. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of indemnifying municipal officers designated by the Board of Selectmen for expenses or damages incurred in the defense or settlement of a claim against any such municipal officer, pursuant to Chapter 41, Section 100E of the General Laws or take any other action relative thereto.

ARTICLE 41. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of purchasing street and zoning maps of the town of Kingston as adopted and approved by the Planning Board, or take any other action relative thereto.

ARTICLE 42. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of \$12,000.00 for the purpose of inspections of subdivisions in the town of Kingston, or take any other action relative thereto.

ARTICLE 43. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of acquiring a parcel of land by gift, purchase, or eminent domain, for the purpose of constructing a skating rink and acquiring titles thereto, or take any other action relative thereto.

ARTICLE 44. To see if the Town will vote to authorize the Selectmen to enter into a lease with the Kingston Lions Club, Inc. to improve the area at Bates Pond, located in the rear of the Kingston Highway Barn; said improvements to be at the expense of the Kingston Lions Club, Inc., or take any other action relative thereto.

ARTICLE 45. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money to be used in conjunction with the Income of the Lury P. Ames Memorial Fund, for the purpose of maintaining the Old Rural Ground, or take any other action relative thereto.

ARTICLE 46. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of installing automatic traffic signals at the junctions of Routes 106 and 27 and Evergreen Street, or take any other action relative thereto.

ARTICLE 47. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for committee expenses and establish a permanent committee to be known as a Town Government Committee composed of seven members and two non-voting student associate members; said committee to conduct a continuing review of the Town's administrative organization and to propose modifications based on administrative and growth needs, or take any other action relative thereto.

ARTICLE 48. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of rating the Town House Annex, or take any other action relative thereto.

ARTICLE 49. To see if the Town will vote to authorize the Selectmen to sell at public or private sale, land known as the former Bates property and being a portion of Block 6, Plat A, as shown on the Assessors' plan on file in the Town House, or take any other action relative thereto.

ARTICLE 50. To see if the Town will authorize the Selectmen, Silver Lake Regional School Committee and other appropriate officials to develop and present at a later date to the Town, specific proposals to effect Pembroke's withdrawal from the Silver Lake Regional School District, said plans to include tentative agreements for distribution of the capital assets of the District.

ARTICLE 51. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction of a sidewalk on the southwesterly side of Brook Street, for a distance of approximately 3,320 feet, more or less, or take any other action relative thereto.

ARTICLE 52. To see if the Town will vote to take by eminent domain or otherwise, a portion of Standish Avenue beginning on the northeasterly side of Howland's Lane and running in an easterly direction for a distance of 250 feet, more or less, to the way known as Cross Street and thence running in a northerly direction for a distance of 160 feet, more or less, thence to Cedar Street and running in an easterly direction for a distance of 800 feet, more or less, to Bagnell Street, and that portion from the beginning of Cross Street to Bagnell Street be known as Elliot Street, plans thereof having been filed with the Town Clerk in accordance with the General Laws, and that a sum of money be raised and appropriated, or transferred from unappropriated available funds in the treasury, for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

ARTICLE 53. To see if the Town will vote to take by eminent domain or otherwise, that portion of Mazzilli Avenue beginning at the end of the town accepted way and continuing in a westerly direction to Braunecker Avenue, a distance of 550 feet, more or less, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a

sum of money for the construction thereof, including engineering services, and for acquiring titles, or take any other action relative thereto. (BY PETITION)

ARTICLE 54. To see if the Town will vote to take by eminent domain or otherwise, the way known as Peter's Lane beginning at the southerly side of Grove Street and running in a southerly direction for a distance of 750 feet, more or less, and to include a turn-around, as laid out by the Selectmen, plans thereof having been filed with the Town Clerk in accordance with the General Laws; and raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the construction thereof, including engineering services and for acquiring titles, or take any other action relative thereto. (BY PETITION)

ARTICLE 55. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for the purpose of constructing a drainage system along White Pine Lane and for acquiring the necessary easements, or take any other action relative thereto. (BY PETITION)

ARTICLE 56. To see if the Town will vote to transfer any balance and any dividends accruing in 1971 in the account entitled "Post War Rehabilitation Fund" to the Stabilization Fund, or take any other action relative thereto.

ARTICLE 57. To see if the Town will vote that a sum of money now available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

To transact any other business that may legally come before said meeting.

FURTHER, you are hereby required to notify and warn the inhabitants of the Town of Kingston qualified to vote in elections to meet in the adjourned session at the

KINGSTON ELEMENTARY SCHOOL ON SATURDAY.

THE TWENTY-SEVENTH DAY OF MARCH NEXT, 1971
for the following purposes:

To choose all necessary Town officials. The following officers are to be chosen on one ballot—viz: A Moderator, a Tree Warden, one member of the School Committee, all for one

year; one Selectman, one Collector of Taxes, two Constables, one Assessor, two Trustees of the Frederic C. Adams Public Library, two members of the School Committee, one member of the Silver Lake Regional School District Committee, two members of the Playground Commission, one member of the Park Commission, one member of the Water Commissioners, all for three years; one member of the Planning Board for five years; four members of the Housing Authority.

The Polls will be opened at 7:00 o'clock A.M. on Saturday, the twenty-seventh day of March and shall be closed at 8:00 o'clock P.M. on Saturday, the twenty-seventh day of March, 1971.

And you are directed to serve the Warrant by posting up attested copies thereof at the main entrance to the Town House and at the Post Office in said Town, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this sixteenth day of February in the year of our Lord one thousand nine hundred and seventy-one.

LAWRENCE B. WESTGATE

CHARLES L. FARRINGTON, JR.
