### IN MEMORIAM

### ROBERT L. MERRY Died April 24, 1978

Served as a Fire Engineer for five years. Started as a substitute fire call man in February 1945, made a regular call man in July 1947 and a permanent fire fighter December 1962.

### LAWRENCE H. BURNHAM Died June 11, 1978

Served as a member of the School Committee for a number of years, member of the Ration Board during the war and served as State Guard for the town.

### JANET A. GIAMMARCO Died July 7, 1978

Served as Librarian of the F. C. Adams Public Library from 1943 through 1949, trustee from 1951 to 1978 and its secretary from 1954.

### ELSPETH HARDY Died September 23, 1978

Was a teacher in the Town of Kingston from 1908 to 1909, 1915 to 1920 and from 1926 to 1958 - 39 years. Also served as substitute teacher after retirement.

These were all great town officials and for many years supported and worked in the interest of the town. We will miss them and our sincere and heartfelt sympathy is extended to their families.

"They walked through life and left their impress here:
They still live on in ways we cannot know.
Their love of life and living is not lost;
Their spirit carries on in those they loved
And reaches out to touch humanity.
A heritage continuing through the years."

### ANNUAL TOWN MEETING MAY 6, 1978

May 6, 1978

The annual town meeting was called to order by the Town Clerk, George W, Cushman at 10:24 A.M. Mr. Cushman welcomed the voters to the annual town meeting and recognized Mr. Richard P. Cretinon, Chairman of the board of Selectmen who nominated Mr. Lawrence t. Winokur Moderator.

Mr. Cushman asked for other nominations and there being none.

Mr. Winokur was unanimously elected Moderator for the annual town
meeting. Mr. Cushman administered the oath of office.

Mr. Winokar thought it was proper and fitting that we have a moment of silence for the late Ernest H. Cote who was elected Moderator in May of 1977.

The Moderator appointed the following persons as tellers and

John Joseph Goslin	Michael J. Ricciardi
Edward H. Holmes	Charles F. Wehner

Mr. Cretinon moved that the annual town meeting for the transaction of business be adjourned until June 24, 1978 at 10.00 A.M. with the exception of the election and the ballot question which shall be held on Saturday the 13th of May 1978 as published in the warrant.

Mr. John E. Jessup moved to amend to July 15, 1978; therefore, it was voted as amended that the annual town meeting for the transaction of business be adjourned until July 15, 1978 at 10:00 A.M. with the exception of the election and the ballot question which shall be held on Saturday the 13th of May 1978 as published in the warrant.

It was unanimously voted to act on Article 6 out of order.

On the motion of George William Cushman voted unanimously that the town authorize the treasurer with the approval of the selectmen to borrow in anticipation of the revenue for the fiscal year beginning July 1, 1978 and in accordance with the provisions of the General Laws. Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws. Chapter 44, Section 17

There were 130 voters from Precinct II and 114 present from Precinct I, making a total of 244.

On the motion of Mr. Cretinon voted to adjourn this meeting is accordance with the previous vote. (11:14 A.M.)

Vote checkers were: Catherine J. Bartlett, George A. Walsh, Mark A. Ruel and Phyllis P. Ponte.

### ANNUAL TOWN MEETING July 1978

July 15, 1978

The adjourned annual town meeting was called to order at 10:25 A.M. The voters present stood for a moment of silence in the memory of Janet Cronin Giammarco who died July 6, 1978, Janet served the town for many years as Librarian and Trustee of the F. C. Adams Public Library.

Mr. Winokur, the Moderator, informed the voters of rules and regulations he would use in conducting the annual town meeting and asked the voters for their cooperation. He displayed to the voters a large gavel which he hoped he would not have to use in the conducting of the inecting.

The Moderator appointed the following persons as tellers and administered the oath of office to them:

Adam Stein III Cleta L. Dobson June A. Ballinger Edward H. Holmes	George D. Cravenho
Cleta L. Dobson	John J. Goslin
🞚 June A. Ballinger	Charles W. Pickett
Edward H. Holmes	Charles E. Wehner

Bernice A. O'Neil was appointed to replace John J. Goslin who had to leave the meeting early.

Article 1. The following officers were chosen:

Measurers of Wood and Bark: W. Chadwick Maurer, John E. Ruprecht and Michael F. Cavicchi.

Nominations made by Charles L. Farrington, Jr.

No nomination was made for Director of Plymouth County Extension Service.

Article 2. On the motion of Richard P, Cretinon voted that the reports of the town officers as printed in the 1977 town report be accepted.

Article 3. William E. Twohig moved that sections of the Wage and Personnel Bylaw be amended as recommended by the Wage and Personnel Board and as printed in the 1977 town report.

MOTION WAS DEFEATED

Article 4. Ronald R. Godfrey moved that the salaries of the search elected officers of the Town be fixed as follows, effective July 1, 193

MODERATOR	\$ 100,00
TREASURER	4,622.00
COLLECTOR	7,704.00
TOWN CLERK	2,910.00
CHAIRMAN, BOARD OF SELECTMEN	1,500.00
OTHER SELECTMEN, EACH	1,200.00
CHAIRMAN, BOARD OF HEALTH	1,065.00
OTHER HEALTH MEMBERS, EACH	852.00
FULL-TIME ASSESSOR	10,946.00
OTHER ASSESSORS, EACH	1,598.00
CHAIRMAN, WATER COMMISSION	426.00
OTHER WATER COMMISSIONERS, EACH	399.00
TREE WARDEN	3,248.00

Edmund J. King, Jr., moved that the Chairman of the Board-Selectmen read \$100.00 and that the other Selectmen each read \$100.00

### MOTION WAS DEFEATED

A motion was taken on the original motion and that was defeate 10:55 A.M. A recess was called for 10 minutes.

The meeting again came to order at 11:15 A.M.

Ronald R. Godfrey moved that budget items 1-122 for the for year 1977-78 inclusive be raised and appropriated as recommended the Finance Committee and be recited individually, and those new questioned, if any, be tabled and discussed separately from the floafter the entire budget has been read and those items not questioned voted upon as one group and one vote.

In addition to Items 1-122 Mr. Godfrey included in his more these items:

Public Lightitus L	-	
Public Liability Insurance	\$ 2,500,00	ŀ
Self-Insurance	36,000.00	
Highway, Out-of-State Travel	25.00	
Snow Removal		
Capital Outlan C	00.000,01	
Capital Outlay Committee	75.00	
Water Loan, 1977		:
Assessors, 1977	13,000.00	٠
Water Loan, Interest 1977	4,290.00	
Assessors, 1977	3,718.00	
	5,7.6.00	:

The consensus of opinion was that the voters wanted each item of the budget acted on separately and the Moderator announced that lie would proceed accordingly.

The vote was as follows:

### MODERATOR:

1, Salary 100.00

#### SELECTMEN:

2. Salaries & Wages 22,331.61

Assessors, 1977 Interest
William B. Martin moved an amendment to read
\$371.80.

Action on Item 31 was postponed until later in the evening after this figure had been finalized.

(Due to certain votes in reference to Article 5, it appeared that it was too late to take action on this item. Suggested by the Moderator that this could be brought up at a special meeting.)

Article 5. Ronald R. Godfrey moved that Budget Items I through 130 inclusive be raised and appropriated as approved by town meeting.

This motion came after a long discussion and explanation between the Moderator and the voters after which Paul Souza moved for the question. Motion was carried by a Yes vote — 310, No — 96. Then a vote was taken on the original motion made by Mr. Godfrey and it was voted that Budget Items 1 through 130 inclusive be raised and appropriated as approved by town meeting.

Mr. Ronald R. Godfrey. Chairman of the Finance Committee. informed the voters that he deferred opening remarks last Saturday, as was the custom, for various reasons but he said he would like to take the opportunity this evening to make remarks regarding the budget and review the action taken by the voters under Article 5. He referred to the salaries of elected officers which should be voted and gave other pertinent facts.

9:55 P.M. Paul W. Reed moved that this meeting be adjourned to Saturday, July 22, 1978 at 10:00 A.M. at the Kingston Intermediate School.

#### MOTION WAS DEFEATED

William B. Martin moved for re-consideration of Article 4, William J. Twohig moved to defer action on Article 4 until action on Article 3 had been reconsidered.

### Yes - 161 -- No - 234 MOTION WAS DEFEATED

Then a vote was taken on Mr. Martin's motion and it was voted to reconsider Article 4.

On the motion of William B. Martin voted that the salaries of the several officers of the town be fixed as follows effective July 1, 1978 and that each officer's salary be voted on individually:

Moderator	\$ 100.00
Treasurer	4,360.00
Collector	7,268.00
Town Clerk	2,745.00
Chairman, Board of Selectmen	1,500.00
Other Selectmen, each	1,200.00
Chairman, Board of Health	1,065.00
Other Health Members, each

Grand Total to be raised by taxation for the year 1978-79 due to annual town meeting

3,952,148,38

The net amount appropriated for 1979 over the fiscal year 1978 is less by

71,099,37

It is to be noted in the records a slight change was made in the proposed bylaw changes 1978. Page 2, J Mobile Home Park — 12th sentence, second word — in place of "they", "it", 14th sentence — delete words "systems, whether or not". 15th sentence — delete words "the subject proposal is a subdivision".

### J. Mobile Home Park

### i. Intent and Purpose

It is the intent and purpose of this bylaw to provide for the construction of Mobile Homes in the zone to which this section applies after (1) the approval of a preliminary site plan by the Planning Board; (2) the issuance of a special permit by the

Board of Appeals; and (3) subsequent approval of a definitive site plan by the Planning Board. A special permit issued hereunder is only an authorization for a specific use and does not exempt that particular parcel of land from conformance with the Zoning Bylaws of Subdivision Regulations of the Town of Kingston unless specified hereunder or in said permit. It is intended that any complex proposed hereunder will have Mobile Homes placed on individual lots, which in turn have continuous frontage on a private way. Subsequent approval by the Planning Board and any other town agency as it may choose will be required as set forth in the Subdivision Regulations including approval of street, utility and sanitary disposal systems, whether or not the subject proposal is a subdivision as defined by the Subdivision Control Law. A favorable recommendation by the Planning Board that a special permit be issued shall not, therefore, be deemed to either constitute approval or imply that such approval will be given

All other conditions remain the same

### SPECIAL TOWN MEETING December 6, 1978

The special town meeting was called to order at 7:44 P.M. by the Moderator, Mr. Lawrence I. Winokur. By unanimous consent to

Mr. Winokur appointed the following persons as tellers for ba meeting and administered the oath of office to them:

Adam Stein III Edward H. Holmes

Charles E. Wehner Jennie L. Glass

Article 1. On the motion of Richard A. Ottino voted that the sun of \$8800, be transferred from the "Revenue Sharing" account and addit to the "Fire Maintenance Salaries and Wages" account.

Before a vote was taken under Article I moved that Articles ! ? and 3 be taken by secret ballots.

### MOTION WAS DEFEATED

Mr. Bernard H. Sampson moved for reconsideration of Article MOTION WAS DEFEATED

Article 2. On the motion of Charles L. Farrington, Jr., voted to the sum of \$27,465, he transferred from the "Revenue Sharing" account and added to the "Police Salaries and Wages" account.

Mr. Dennis Patrick O'Brien moved for reconsideration of Article?

### MOTION WAS DEFEATED

Article 3. To see if the town will vote to transfer from unappropriated available funds in the treasury or to borrow under authority of Chapter 44 of the General Laws a sum of money for Police Career Incentive Pay programs or to take any other action relative thereto

# NO MOTION WAS MADE UNDER THIS ARTICLE

Article 4. To see if the town will vote to transfer from unappropriated available funds in the treasury or to borrow under the authority of Chapter 44 of the General Laws a sum of money for Kingston Fementary School salaries and wages, expenses, maintenance, and order nary repairs, or to take any other action relative thereto.

Mr. Paul W. Reed, Chairman of the Kingston School Committee offered several motions under Article 4 but was ruled out of order under every motion made; therefore no action was taken under Article 4

Article 5. On the motion of Richard J. Arruda voted that the sum of \$4130, be borrowed under the authority of Chapter 44 of the General Laws to be used by the Board of Health for the purchase of a Lif V Acrosol Generator for mosquito control.

The vote was Yes - 208 No - 98. THIS VOTE MEETS THE 2-3'S REQUIREMENT

Before a vote was taken under Article 5, the chairman of the Finance Committee informed the voters that they were opposed to Article 5.

Article 6. On motion of Paul A. Tura voted that the sum of \$19,126, be borrowed under the authority of Chapter 44 of the General Laws to be used by the Board of Health for improvements to the sanitary landfill.

The vote was Yes - 214 No - 3 THIS VOTE MEETS THE 2-35 REQUIREMENT

Before a vote was taken under Article 6. Mr. Tura moved that Mr. Philip Spath of Whitman & Howard, a non-voter, be permitted to attend this meeting for the purpose of discussing Article 6

### THIS MOTION WAS DEFFATED

Finance Committee recommended favorable action

Article 7. To see if the town will vote to transfer from unappropriated available funds in the treasury or to borrow a sum of money ondet the authority of Chapter 44 of the General Laws to be added to the Board of Health, Health and Sanitation 1: xpenses account, or to take any other action relative thereto.

### NO MOTION WAS MADE A NDER THIS ARTICLE

Article 8. Richard A. Cretinon moved that the town authorize the Selectmen to convey to New Bedford Gas and Edison Light Company a perpetual and exclusive easement for the transmission and distribution of gas under and across a strip of land 100 feet in width, being Parcel 84 on a plan recorded in the Plymouth County Registry of Deeds in Plan Book 10, Page 715, said strip being a portion of Lot 9 and Lot 10, Block 14 of the Assessors' maps.

Mr. Charles E. Wehner moved an amendment to be added to the motion "and the consideration therefore to be determined by the selectmen".

After a discussion of the amendment, Mr. Wehner withdrew it

Mr. Edward H. Valla moved a substitute motion "that the test authorize the selection to negotiate a conveyance to the New Bedforf Gas and Edison Light Company a perpetual and exclusive easements; the transmission and distribution of gas under and across a strip of larg 100 feet in width, being Parcel 84 on a plan recorded in the Plymort County Registry of Deeds in Plan Book 10, Page 715, said strip beings portion of Lot 9 and Lot 10, Block 14 of the Assessors' maps."

### THIS MOTION WAS VOTED

Mr. David Delaney, Assistant Town Counsel, explained to  $\epsilon_Z$  voters the meaning of Articles 8 through 13 inclusive.

On the motion of Richard A. Ottino voted unanimously for recosideration of Article 8.

Mr. Richard A. Ottino moved an amendment to authorize the selectmen to convey to New Bedford Gas and Edison Light Company a perpetual and exclusive easement for the transmission and distribution of gas under and across a strip of land 100 feet in width, being Parcel 4 on a plan recorded in the Plymouth County Registry of Deeds in Pas-Book 10, Page 715, said strip being a portion of Lot 9 and Lot 10, Block 14 of the Assessors' maps.

### AMENDMENT WAS CARRIED

A vote was then taken on the original motion and the vote was Yes - 188 - No - 3.

### THIS VOTE MEETS THE 2/3'S REQUIREMENT

During the discussion of Article 8, Mr. William B. Martin asked Mr. Cronin a question which he requested the Town Clerk to record in the records: "Does this in any way restrict the right of the town to lay our streets, install water lines or other utilities as needed for the development of the Industrial Park?"

Mr. Cronin's answer was No.

Article 9. On the motion of Charles L. Farrington, Jr., voted unanimously that the town authorize the Selectmen to convey to New Bedford Gas and Edison Light Company a perpetual and exclusive easement for the transmission of gas across and under a strip of land 50 feet in width, said strip running from the northeasterly line of a certain easement granted by the Town of Kingston to Plymouth County Electric Company by instrument dated May 12, 1953, recorded in Book

2281, page 133; in a northeasterly direction to the southwesterly extension of Smith's Lane, said strip being a portion of 1 ots 0 at a 10. Block 14 of the Assessors' maps.

### THIS YOTE MEETS THE 2/3's REQUIREMENT

Article 10. On the motion of Richard A. Ottino voted unaumously that the town authorize the Selectmen to convey to New Bedford Gas and Edison Light Company a perpetual and exclusive easement for the transmission and distribution of gas across and under a strip of land 100 feet in width, which strip is a portion of Parcel 86 on a plan recorded in Plan Book 10, page 715, and a portion of Lot 14 and Lot 17. Block 14 of the Kingston Assessors' maps acquired by the town by virtue of a taking for water supply purposes dated May 30, 1978, recorded in Book 4461, page 234.

### THIS VOTE MEETS THE 2. IS REQUIREMENT

Article 11. On the motion of Richard A Cretinon voted unaramously that the town authorize the Selectmen to convey to New Bedford Gas and Edison Light Company a perpetual and exclusive easement for the transmission and distribution of gas and electric energy for light, power, heat, telephone, telegraph or any other purpose over, under and across a strip of land 100 feet in width, which strip is a portion of Parcel 87 on a plan recorded in Plan Book 10, page 715, and a portion of Lot 25, Block 14 of the Kingston Assessors' maps acquired by the town by virtue of a taking for water supply purposes dated May 30, 1978, recorded in Book 4461, page 234.

### THIS VOTE MEETS THE 2 PS REQUIREMENT

Article 12. On the motion of Charles I. Farrington, Jr., voted unanimously that the town authorize the Selectmen to convey to George W. Dixon, Charles F. Dixon, both of Squantum. Robert E. Dixon, Eugene Dixon, both of Quincy, Claire Boyce, Helen Connors, both of Milton, and Marion Lundfelt of Hanover, the Fown's interest in lot 25. Block 14 of the Kingston Assessors' maps, excepting that portion thereof acquired by the Town by virtue of a taking for water supply purposes dated May 30, 1978 recorded in Book 4461, page 234, which interest was acquired by the Town by deed of the Plymouth National Bank, as Trustee under the Will of Charles S. Davis, dated March 9, 1953, recorded in Book 2261, page 100.

THIS VOTE MEETS THE 2-3'S REQUIREMENT

Article 13. On the motion of Richard A. Ottino voted uses mously that the town authorize the Selectmen to grant to New Beder, Gas and Edison Light Company an easement for the purposes of the installation of gas mains — fifty feet in width across the Northesportion of a parcel of land of the Town of Kingston shown on a parentitled, "Plan of Land in Kingston, Mass. to be conveyed to Lowder Kingston Scale; 1780' Nov. 12, 1976 Delano & Keith, Inc." which pass is recorded in Plan Book 19, page 681, at the Plymouth County Registrof Deeds, said parcel being designated as 133A-2 on said plan

Said easement is to run in a generally westerly direction from pane 133A-1 on said plan to a portion of the said pareel of the Town of Kingston designated on said plan as N.B.G. & E.L. Co. casement thence turning and running in a Northeasterly direction 50 feet in widar within said easement to the Southwesterly line of said parcel 133A-1 ct said plan.

### THIS VOTE MEETS THE 2/3'S REQUIREMENT

Article 14. The following officer was chosen:

George E. Fråser, Director of Plymouth County Extension Serice,

Nomination was made by Richard A. Ottino.

Article 15. To see if the town will vote to amend the Protector Zoning Bylaws of the town by amending Section 5, paragraph J. Moses Home Park Court, or to take any other action relative thereto (B) PETETION)

# REPORTS OF ELECTED OFFICIALS

## REPORT OF THE BOARD OF SELECTMEN

The 1978 town report covers the period-1 July 1977 to 30 June 1975. Wherea: this Board does not report vital statistics which may be used to comparative analysis, a break in tradition is made to allow a report up to the deadline of publishing the annual town report.

The 1978 annual town meeting broke all records in number adjourned meetings plus number of hours to vote the warrant for the present year. The meetings were well attended and produced loop interesting and intelligent discussions. The townspeople displayed a sincere interest of the why and where their tax dollars were being specified basic result, with few exceptions, was a holding of the line to make prior year's budget. The town is living with these restricted budgets with few, if any, hardships. It appears that the time has arrived to analyze what is absolutely essential, what is state mandated, and what is meeting have if we can afford it. To be realistic, a town budget with resexceptions should be operative as our household budget; set aside absolutely necessary items and be selective of the luxury items. Unfortunately, we have operated for two years now with no free cash available Good business practice (government is big business) would not sustable this. Hopefully, this will be corrected with all outstanding obligation settled: taxes, etc.

We have weathered 100 per cent revaluation. I assume we have the approximate percentage of happy, unhappy, and no-change categories as forecast by our assessors. Many of our senior citizens experienced a sharp increase in their taxes; therefore, the group showed a strong interest at the last annual town meeting. I am confident of their full attendance at the next annual meeting at which time decisions will have to be made as to priorities of services desired.

At the present time, this board is working with the finance committee to find viable ways to live with the Governor's proposed tax cap. We are, in effect, living with a tax cap at the present time, that of last years budget. The philosophy of a tax cap is to harness runaway local spend-

ing and the resultant increasing local property tax. We have made proposals, without cutting vital services, to live with the tax-cap proposal.

This board anticipates the closing of Maple Avenue School in the near future. The building is a basic, sound structure; however, the costs of utilities and maintenance are prohibitive. Relocation plans are being studied for all involved.

Route 44 relocation has generated a few more meetings than usual this year, probably resulting from new federal funds to restudy relocation. These studies have been in existence since the building of Route 3, better known as the expressway or bypass. Each year it becomes more apparent that any relocation route would be more difficult because of the construction of the prior year. This board has held firm. Route 44 is to service Plymouth. Let the new route come into Plymouth. We have spoken out strongly against any encroachment of the properties of Sacred. Heart School, Camp. Mishannock, Camp. NeKon, and the Smith's Lane interchange.

The board makes between 50 to 100 appointments to boards, committees and commissions on a yearly basis. Many hours are devoted attempting to find interested citizens willing to serve the community. We welcome volunteers that have the time, interest and community spiral Interested people need only to leave their names and position of particular interest with our office.

This year we are proposing a Sampson Fund transfer to replace the heating system in town half. The old system is costly and grossly ineffective. We would appreciate support for this worthwhile project.

Our regular meetings are Tuesday at 7:30 p.m. All residents are urged to attend at their will and pleasure. Anyone desiring to conduct business with the board is encouraged to make a prior appointment to allow for an orderly agenda and timely control of business.

Economy is the byword this year, thus this report is short and we have encouraged all other departments' reports to be likewise. Because of funds limitations and in the spirit of economy, the town reports will no longer be delivered. Copies will be available at the Town Clerk's office and at central locations in the town yet to be announced.

### ASSESSORS REPORT FOR 1978

We submit the Annual Report to the town for the year of 1928 and thanks to the taxpayers for their cooperation during the revaluation process. The revaluation was completed and went into effect for five 1979 beginning July 1, 1978 and cifding June 30, 1979.

We believe that time will show that the property assessments as so by the valuation team were fair and equitable. The total valuation is Real Property for the Town was set at the sum of \$104,929,650 fc. Personal Property valuation was set at \$5,080,934,00. The tax tate to fiscal 1979 was set at \$26.60 per thousand dollars of valuation. It was necessary to raise a total of \$2,926,265.57 to operate the Town for tax year.

We would like to remind all property owners that all applications for filing for abatements must be in the Assessors Office by October's or within 30 days from the date of the tax bill if mailed after September 1st. Applications for exemptions for those who are Veterans, Widows are 70 years old or more must be filed by December 15. Also, Woodiese and Farmland abatement applications must be filed by October 1st apprevious year of taxation.

As required by the General Laws of the State of Massachusen requests for Motor Vehicle Excise Tax abatements must be filed to December 31st of the following year. This type of abatement is allowed ble upon presentation of a bill of sale, Registry receipt or a letter from the Insurance Agent. If a Motor Vehicle is stolen, the local Polici Department must be notified within 48 hours. A letter from the Insurance Company or Agent must be submitted showing that the theft claim was paid and that the Vehicle was never recovered.

A new Boat Excise tax law has been put into effect which changes the date for assessment of such taxes from January 1st to July 1st and the Town to make assessment is to be the Town where the Boat is usually moored or docked.

We would like to take notice of the retirement of Joseph F. Glass effective December 29, 1978. Mr. Glass has served the Town for 15 years as a member of the Board of Assessors and as Chairman of the Board for 14 of those years of service. We wish him well in his Retirement.

We would like to express our appreciation to all Town Departments for their help and to all Taxpayers for their patience during a trying year.

# REPORT OF THE FREDERIC C. ADAMS PUBLIC LIBRARY

The fiscal year 1977-1978 Library operating expense from Town appropriation was divided as follows:

Books, periodicals &		
Audio-visual materials		\$12,745,32
Equipment & supplies		4,100.76
Repairs		2,054.41
Heat & Electricity		2,604.07
Telephone & alarm		546,46
Association expenses & travel		98.98
·		\$22,150.00
Salaries & wages		\$39,809.08
•	TOTAL	61,959.08

For the benefit of the Public Library, the Town received: --

From dog licenses	\$3,872.69
Book charges	145.14
State Aid to Libraries	2,541.00

From endowed funds and from gifts, the income is accounted as follows:

	RECEIVED	PAID QUI
From previous year	\$ 9,122.03 103.20	
Am. T. & T. dividends Interest from funds	2,206.80	
Special gifts account	7.72	120 00
Treasurer's bond & salary Postage & supplies		80.00
Returned to principal Balance forward		1.000.00
Balance forward	\$11,439.75	\$11,439,75

# REPORT OF THE LIBRARY DIRECTOR \_ FISCAL YEAR 1977-1978

The installation of the Gaylord charging system required the registration of our patrons, and a much needed up-dating of ear records. It has been interesting to note how rapidly this has taken place indicating the active, daily use of the Library.

In the six-month period, 24.5% of the population of the Ioaapplied for their new identification cards, averaging 299 persons each month.

Our membership in the Museum of Fine Arts makes available to passes for free admission to the Museum and to special exhibitions. These passes are loaned out to borrowers in the same manner as books and we hope more will take advantage of this exciting program.

It has long been a custom for books to be donated to the Library memory of individuals, identified by special book-plates. During the year the JANET CRONIN GIAMMARCO MEMORIAL FUND was established, as a lasting memorial to our former Trustee and libraria.

Janet Giammarco served as fibrarian from 1943 to 1949, 257 subsequently, as a member of the Board of Trustees, from 1951 to 1977 filling the position of Secretary to the Board from 1954 until her retirement.

The cooperation between neighboring libraries through the last ern Regional Library System gives each Town library the potential of extending its reach well beyond its own resources, and enables at specialize in materials frequently used by its particular patrons.

Inter-library to an requests filled amounted to 183, and 107 films were borrowed from the Boston Public Library audio-visual department. These films have been a great addition to programs for children, and have been used for some adult programs as well.

In this time of financial awareness it is interesting to note that the facilities of our library amounted to \$8.25 per capita from local taxation.

### REPORT OF THE BOARD OF HEALTH

We are presently operating in phase one of the three phase operational plan for the Sanitary Eandfill. The additional fund approved at the Special Town Meeting in December will enable us to complete the drainage and catchment areas in the phase one area. A schedule of fees has been instituted for commercial haulers using the Landfill. This was undertaken to reduce the operating costs of the landfill to the taxpayers.

An area of great concern to the board is the night soil pits. After years of neglect and possible abuse of the right to dump there, a major maintenance program must be undertaken. We have adopted new regulations and increased fees substantially for those vendors issued permits to use these town facilities. An article will be placed before the annual Town Meeting to begin the maintenance program, at which time a more detailed report will be given.

We are continuing our program of clinics with the Community Nurse, Improved attendance at the various clinics indicates the need for this service. A reduction in the home visits was necessary, hopefully with restructuring of the budget, we can bring this program up to its previous level.

A program of semi-annual inspections of all restaurants and stores by the Health Agent is now underway. All water samples taken at the bathing areas in town were all above acceptable levels.

We expect delivery of the new ULV Mosquito Spraying Machine in early March, allowing us to begin our program of spraying very early in the season.

## REPORT OF THE HOUSING AUTHORITY

The Kingston Housing Authority has had all 48 units filled to as capacity since its beginning in 1976. There are 57 residents residing a "Meadowcrest" at the present time.

Because of the ever-increasing need of housing for the cideral applications were filed both to the State of Massachusetts and extended Government during 1978. The board is striving to expand in existing program in Kingston so that some of these needs can be met. The voters of Kingston voted to approve the establishment of additional low-income housing at the Annual Town Meeting, indicating that the residents of Kingston also recognize this need. Letters to the Kingston Housing Authority from the many Town Officials showed overwhelming approval for expansion of this program.

The residents of "Meadowcrest" have had a very active year wirmany functions held in the Leroy Peck Commons Room.

Joseph M. Palombo was re-elected to the Kingston Housing Authority for a five-year term on May, 13, 1978.

Applications and information may be obtained from the Executive Director at the office of the Kingston Housing Authority on Hillcrest Road. All applicants are placed on a waiting list until vacancies occur

The Authority wishes to express its gratitude to all Town Departments for their cooperation during the past year.

## THE PARK COMMISSION

The 1978 summer season at Gray's Beach and Park was very successful. It is always rewarding to see the steadily increasing number of Kingston residents enjoying their beach and park.

Under the auspices of highly qualified Water Safety Instructors, the free Red Cross swimming lessons were again well received. The third annual Gray's Beach Day, a family day of water and field events, games, cookouts, etc., was more successful than ever.

\$2140 (428 tickets at \$5 each) from non-residents' parking tickets was turned in to the town treasurer.

With the cooperation of the Finance Committee and the Silver Lake Regional High School, the concession stand is being reparted. The concession stand burned in late July due to an electrical fire

Red geraniums were planted at the various town monuments and memorial plots prior to Memorial Day.

We would like to thank all the Park Commission employees, the Boy Scouts, the residents, and the town departments and employees for their continued support and assistance in providing a safe place for residents of all ages to relax and or play

# REPORT OF THE PLAYGROUND COMMISSION

This past year saw both the Reed Community Building and the Captain Fred L. Bailey Playground receiving maximum use. Many organizations in town are granted use of the facilities without charge. We also receive rental income from other organizations to help offset the cost of maintaining the facilities.

A new ceiling was put in the main auditorium, thus saving money on future heating bills which continually escalate. This coming year we will attempt to improve the wiring in the building this adding to our continual policy of building improvements.

The field areas were used by the Little League. Farm League Porty League, Babe Ruth League, Girls Softball League, Mens Softball League and the Summer Program. The field area did cause a problem during the spring and early summer with major flooding caused by an abnormally high water table. The Highway Department were of great assistance in giving us help and to them we are grateful. Hopefully this will be solved by repairs to be undertaken as soon as the weather permits.

The Summer Program, as in the past, was very sectional with many children in attendance during the eight week period. The program was handled in a very professional and efficient manner aretic the direction of Kevin McAuliffe, ably assisted by Norman Browthard Donald Reynolds, Norann Teets, Cathleen Fonseca, Andrew Bettan Michelle Candini, Annette Lopes and Russell Bettassi elsel when the

an outstanding job. Many local merchants donated prizes and food to the annual season ending cookout. The commission wishes to public express its appreciation.

As the town grows, the need for additional recreational areas  $w_i$  increase. We bring this to the attention of the town for future consideration.

The commission would like to note the retirement of Robert Mage who served on the commission for many years giving the town dedicated service. His advice and counsel were very valuable to the commission-discharging its duties.

### REPORT OF THE PLANNING BOARD

During 1978 the Planning Board was busy for the first half of the year putting considerable time and effort into the By-law which would govern Retirement Mobile Home Parks in this Community; during the second half of the year the Planning Board was busy collecting beed money, supervising the progress being made with the subdivisions move town and at the same time trying to put some time aside to determine how the Board can better represent the town in the future. During the year the Planning Board also approved thirteen plans under Planning Board — Approval Not Required. All in all a somewhat productive year.

# REPORT OF THE TREE WARDEN AND MOTH SUPERINTENDENT

In an effort to aid the Selectmen in cutting the cost of the town report, for the first time I have combined the reports of my two departments.

A number of trees were planted along the sides of town accepted streets. Regretfully, the evergreens planted, apparently were an attraction to certain people, as they were stolen. The cost of operation continually rising and our budgets having been reduced to the previous year's level, makes it extremely difficult to stay abreast of even routing

matters. Therefore, at this writing, it is questionable as to whether the stolen trees can be replaced. The usual roadside and overhead trimming was conducted where needed.

In regard to the Moth work, at the risk of being repetitious, you are reminded that spraying for insects, etc., is effective only during certain periods of the year; and the Web worm is one of the most severe to control. We have experienced considerable difficulty with this pest during the year. Hopefully, we will be better able to control it in the future.

I am grateful for the assistance of the employees in these two departments and to the Selectmen and all town officials, departments and citizens for their conperation

#### REPORT OF WATER COMMISSIONERS

It is with pleasure that we report to you the complexities of the normal operation of the Water Department for the year 1978. We are presenting our report in the form of statistics in order to save space in the annual town report and to conserve costs in the printing of the report.

	1976	1977	1978
Water pumped (gallons)	336,140,400	361,212,500	410,290,800
Greatest amt. in any one day	2,258,800	2,191,400	2,260,300
	(6-23-76)	(5-23-77)	(6-28-78)
Greatest amt in any one week	(2,908,060	12,414,700	13,818,100
	(6-20-6-26-76)	(5-22-5-28-77)	(6-28-7:1-78)

22 new services were installed

40 new services were installed by developers

21 services were replaced on account of leaks

18 hydrants added to the system

Approximately 13,350 feet of pipe added to the system

2,569 services connected to the system.

#### THE INCOME

Fotal	96,273.53	103,156.96	4.1500 104,255 ii
Special accounts collected: New services			Store.
Water Takers			∵ . - 99,5*9 <sub>€</sub> .

#### PROPOSED ARTICLES FOR 1979

- 1. To purchase additional land for water purposes,
- 2. To replace the main from Smith's Lane tank to the Kingston. Plymouth line.
- 3. To paint the Smith's Lane water tank.

Our sincere thanks to all our citizens of Kingston for their fine cooperation and to our employees our thanks for their loyalty

# REPORTS OF APPOINTED OFFICIALS

# REPORT OF THE CIVIL DEFENSE DIRECTOR

During 1978 we attended nine regularly scheduled administrative meetings at Area II headquarters, two seminars and a special briefing session, following last year's storms. The end result was on-site inspection of South Shore coastal towns by a special Armed Forces team based in New Jersey.

A standby emergency CB radio net has been organized under the direction of Mr. Fred E. S. Woodworth. This volunteer unit has 25 members. Several test alerts have been held with operators dispatched to scattered important locations about town.

We have started to provide more civil preparedness information to households through distribution of the updated handbook, "In Time of Emergency."

Major acquisitions through the federal surplus and excess properties program included a weapons carrier truck and four work platforms. The dollar value given these items alone totals \$12,653, at a cost to the town of \$80. There are now available for emergency use 50 blankets, 42 folding litters and three folding cots.

Much has been said of crisis relocation planning for moving huge segments of the population in time of extreme international tension. As we understand at present, it may be four to five years before a workable plan is ready. Kingston's role would be to host thousands from towns at the northern fringe of Plymouth County.

Our thanks to Mr. Vernon Cushman for his faithfulness in maintaining the monthly RACES radio contact with sector and area headquarters.

# INTERIM REPORT OF THE CAPITAL OUTLAY PROGRAM

The Capital Outlay Committee has heard requests from various town departments and committees for proposed capital expenditures. We are pleased to report that most departments have been cooperative in discussing, and if requested, reducing their requests.

The Committee has revised the schedule of capital improvements to be considered by the town over the next ten years. It is anticipated that this revision will result in a lesser expenditure to the town. Approval of the expenditures as scheduled should help stabilize the burden on each of us while allowing town departments to efficiently perform the services we require of them.

# CAPITAL OUTLAY COMMITTEE REPORT March, 1979

The Capital Outlay Committee recommends that the following items be approved for purchase for the Fiscal Year beginning July I, 1979 (FY80).

Department	ltem	Cost	Replaces
Fire Highway Water	Pumper Pickup Truck Purchase Well Site Prepare and Repaint	\$64,000 6,000 6,800	1954 Pumper 1974 Chevy
	Water Tank	6,500	

The Capital Outlay Committee has tentatively scheduled the following items for purchases in the years indicated: (Costs in 1979 dollars).

Department	Item	Cost	<b>m</b>
FY 81		COST	Replaces
Fire	Brushbreaker	\$25,000	1954 Brushbreaker
Assessors Highway	Reval Update Sander	5,000	1965 Brushbreaker

Commission	• •	
	(1)21/11/19	analyze request

This Committee would like to make a comprehensive study of the report prepared for the Water Commission by the firm of Whitman and Howard on the Town's future water needs. After completing its study the Committee will be better able to report on the Water Commission's \$454,000 proposal for an improved water main on Spring Lane.

The Capital Outlay Committee foresees that the Town will be asked during the next 5 to 10 years to appropriate large sums of money for major capital items. Inflation will continue to increase the cost of each item. A stabilization fund presently exists and should be used to accumulate funds. In this way, the Town, by putting aside funds regularly, will be able to use them in later years when the cost of capital items is expected to increase substantially.

# REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission processed 23 Notices of Intent this past year. This is more filings that all other years combined. The Commission also issued 3 Cease and Desist Orders and 4 Certificates of Compliance.

The Conservation Commission has had some very important projects to consider such as Kingsbury Mall and Perlund Industrial Park.
Kingsbury Mall is proceeding on schedule and should be ready for

occupancy in April with the Grand Opening sometime in June. We have released 5 lots for construction in the Perland Industrial Park.

This spring we will be sprucing up Sampson Park with the money received at last year's Town Meeting. Associate Member, Robert Multiken will be directing the operation. We will be requesting some additional funds this year to continue work in the park. A survey of the park should be done as some of the boundary lines are not clear. New fencing and road repair are also needed.

Mrs, Sheila Killourhy of 10 Barbara Road was appointed by the Conservation Commission as a part-time secretary. The increased number of filings and the additional correspondence with the Board of Assessors, due to revaluation, has made it necessary to have a part-time secretary.

#### REPORT OF THE COUNCIL ON AGING

The Kingston Council was available to serve 1158 seniors in 1978.

Each Thursday at the Reed Community Building a hot lunch is served to the elderly. 1845 persons attended in 1978, resulting in \$1845,00 returned to the town treasury.

Among the services we offer are transportation and hot lunches, plus clinics, information and referral, S.S.I. and Veterans' benefits Social Security, food stamps, education and employment. We are also here for housing, tax assistance, CHORE and escort service, friendly visits to the confined, recreation and a monthly newsletter.

Our newsletter will now be a regular service to Al.I. Kingston seniors.

Two special bus trips were provided by the Council this past year.

The Council received two State Grants from the Department of Elder Affairs in the amount of \$2,525 for office equipment to enhance our newsletter. The grants provide money for Councils on Aging and encourage towns to support their local councils with local appropriations. The State Legislature appropriated the funds in accordance with General Law Chapter 19A, Section 4(n).

# INTERIM REPORT OF THE FINANCE COMMITTEE

Over the past year, the Finance Committee has been meeting regularly with various Departments. Boards and Committees to help develop guidelines for upcoming budgets and reports. Two major area need to be addressed. I. The Committee agrees that the salary of toke employees must be adjusted to more nearly help them meet the thing cost of living. 2. At the same time, it is apparent that town expense budgets will have to be adjusted to meet the increased costs of materia, and contracted services. Both of these areas will eost more money it apparent then that all efforts to cut out unnecessary expenditures must be made. A close examination of each item in every budget must be made by the responsible department.

Part of the function of the Finance Committee is to review requests for transfer of funds to meet unforeseen circumstances. In all such cases the requesting department must meet with the Finance Committee is discuss the transfer. Several requests were denied this year after consutation with the department. From the end of Town Meeting through January 15, 1979 eight (8) requests for transfer were approved.

DEPARTMENT	REASON	AMT,	DAIF
Police Department	New cruisers-bid higher than appropriation	\$ 610,00	8 14
Park Commission	Reimburse Concessionaire fire loss	872.30	8 14
Water Commission	State required water samples	425.00	9 11
Park Commission	Material for new concession stand	1300.00	9 11
Fire Department	Repair water tank on pumper engine	2000.00	11 8
Town Treasurer	Interest on Assessor's maps	367.35	12:4
Wiring Inspector	Fees for additional inspections	800.00	1 8
Town Treasurer	Interest on 1974 Water Loan	460.00	1:8

#### REPORT OF THE FIRE DEPARTMENT

The Annual Report for the year 1978 of the Board of Fire Engineers and the Forest Fire Warden is herewith submitted.

During 1978, the demand for the services of the Fire Department reached an alltime high for a one year period. Because of the increase in emergency calls, the growth both residential and commercial of the Town, the action of the Town Meeting in holding funds to a past year's level, and the advanced age and condition of the apparatus and equipment, the Board of Fire Engineers has spent a great deal of time reviewing plans for upgrading the Department to meet the demands of the community it serves. As presently staffed, funded and equipped, the Fire Department in 1978 found itself struggling to maintain the same level of service as it has in past years and relying heavily on assistance from surrounding Towns during emergencies.

Engines 1 and 2 continue to be a serious problem due to their age and use. This year, Engine 1, which is 20 years old, had to have a new tank installed and the pump repaired. Engine 2, which is 25 years old, needs a new pump, a new tank and a complete overhaul of the electrical system. Because of the age and condition of this unit, the Board of Fite Engineers will be requesting funds for replacing this vehicle in 1979. If a new pumper is purchased, the tank truck assigned to the Forest Fire Department will also be phased out of service, its duties being assumed by Engine 1.

Equipment used by the Department is being maintained as best as possible, but many items such as air paks and protective clothing for the men are outdated or of such condition that replacement is the only alternative. Funds for this were requested at Town Meeting, but were cut back and now will have to be replaced at a higher cost.

The fire station on Maple Street remains in fair condition, but in constant need of repairs and maintenance. The building, a remodelled garage and repair shop, was purchased by the Town in 1942 and was ideally located at the time. However, due to increased building in the Northwest and Southwest areas of the Town and the heavy increase in motor traffic on all major routes, rapid response to emergencies has become extremely difficult and the time element from receipt of a call to arriving on the scene becomes even more critical.

The number of safety inspections conducted by the Department in 1978 was below the number of the previous year. This was due mainly to the increase in emergency calls, more time spent on investigations and maintenance and lack of available personnel on duty.

The Department has the same number of firefighters on duty in 1978 as it did in 1968. Considering in this 10 year period the increase is population and building, a 250% increase in calls and a 100% increase in inspections with the same number of firefighters on duty, the ability of the Department to carry out one of its most important functions, code enforcement, is severely restricted.

Training sessions and time spent on training was increased this year. A properly trained force is not only a basic requirement of any Fire Department, but an absolute necessity to meet today's demands. Training emphasis on not only the "routine emergency" but the possibility of any emergency, be it fire, medical or rescue, demands constant training. The lack of training facilities and materials is a severe handicap, but the Department will continue to upgrade and expand training during 1979.

A Safety Education Program was started by the Department this year. Using the theme that safety starts in the home, the program was presented to over 1,400 children of the elementary school level. In addition, training lectures on the use of fire extinguishers were presented to students of the Regional Vocational School.

With the cooperation of the Building Department, the requiring of the installation of smoke detectors in all homes converted from summer to year round use was instituted. Residences that are being converted to multi-family use or rebuilt or extensively remodelled are also being required to install smoke detectors. While the benefits of these devices are well proven, conversions being done without the knowledge of the Building or Fire Department make enforcement difficult.

Two retirements from the Department during the year. Wallace C Holmes retired on June 30. For the first time in its history the Department roster is void of the name Holmes. Wally followed a long family thistory with the Department, retiring as the 4th member of the Holmes serving 37 years. Wet joined the Department in 1941 and served as Lieutenant and Forest Warden for many years.

Fire Engineer Robert Merry passed away this spring. Bob served as a Call Firefighter, a Permanent Firefighter and was appointed to the Board of Engineers in 1973.

#### CLASSIFICATION OF CALLS:

Fires-Rescue-Misc. calls:	487
Medical Emergencies:	322
Inspections/Investigation:	542
Permits Issued:	141
Safety Programs/Lectures:	20

#### REPORT OF THE HARBORMASTER

New mooring regulations and specifications have been adopted and approved by the Board of Selectmen.

There were 32 non-resident stickers issued this year, for launching boats at the Town Landing, resulting in fees collected of \$800.

The application for dredging the silt in the river and launching area is still in progress and waiting for the Army Corps of Engineers to issue a permit.

Four hundred fourteen calls were received and answered during the year.

#### REPORT OF THE HIGHWAY DEPARTMENT

As in the past two years, your Highway Department continued the use of low cost paving methods to partially offset increases in asphalt prices and insufficient funding.

At this time your Highway Department is responsible for maintaining and improving 43.21 miles of Town road. With an approximate surface life of ten years we should resurface or treat over 4.3 miles of road each year in order to keep our roads in their present condition. Our present budget allows us to resurface or treat approximately 2.5 miles using methods which allow us to pave the most miles for the least cost

No Type I paving was used this year with the exception of newly accepted streets. Instead the following lower cost methods were used:

Cold Mix Overlay: Prospect Court, Hilltop Avenue, a portion of West Street, Second Brook Street, and Indian Pond Road.

Stone Seal: Ring Road, Chestnut Street, Park Street, and Prospect Court; a portion of Tarkiln Road and the balance of Brookdale Street

Type I Berms were installed where needed as the budget allowed

Installation of paving and berms completed construction of St. Francis Avenue and Brentwood Drive voted at the 1977 Town Meeting

Drainage was installed on portions of Pine Street, Jones River Drive, and Home Park Court.

Delivery was taken on an Automatic Sander voted at the 1978 Town Meeting.

In addition to our regular duties, other projects undertaken by your Highway Department were: paving and berms on Surrey I are and berms on Brookings Drive for the Planning Board.

On August 1, 1978, Marion Arruda retired from the Highway Department, after more than 21 years of service and will be missed by all.

We hope our expenditures for snow removal in 1979 will be far lower than 1978 when nearly twice our \$30,000 appropriation was expended.

# REPORT OF THE EXTENSION SERVICE DIRECTOR

The Plymouth County Co-operative Extension Service is located on High Street, Hanson, 293-3541.

The Staff is comprised of a Director. Two Regional Agricultural Specialists, a Community Resource Development Specialist, two Home Economists, four 4-H Agents, and three on the clerical staff.

This past year the Expanded Food and Nutrition Program was expanded to all of Plymouth County's twenty-six towns and was made possible through the use of C.E.T.A. funds.

In our traditional 4-H program there are 1,129 members with 24,460 other youths participating in short-term and school programs. In Kingston, there were 801 youths who participated in the programs.

This past year, an Energy Conservation Program through the Plymouth Manpower Consortium was conducted, and in Kingston 17 homes participated in this Program.

Free bulletins are on display at our office on Lawn Care, Gardening, Nutrition, Home Canning and Freezing, to name just a few We continue to test soil free of charge to Plymouth County residents

In Kingston, the 4-H Town Committee Chairman is Manuel Cavacco and the Town Committee is always looking for new leaders Financial assistance is provided for educational materials and awards.

# REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

During the past year, we have been primarily concerned with the formation of an independent, non-profit corporation which will have as its goal the financing, acquisition, development and sale of land in the South Industrial Park. We have made some progress in this endeavor and wish to thank those interested citizens who have met with us in this effort which should produce beneficial development with small cost to the Town if Federal and State funding continues to be available for these purposes. The renewed emphasis on industrial development in Massachusetts reflects a positive approach in which we should participate.

It should be obvious that Kingston is becoming of interest to commercial and industrial concerns as is shown by recent projects—the completed Bechtel facility, the Kingsbury Shopping Plaza and the R. S. Means Company building are evidence of this favorable consideration which should generate further favorable growth. We also note the progress made by Sealund Industrial Properties, Inc. as this area nears completion, and we hope that the remaining phases of landfill and landscaping will soon be realized as originally planned and approved. One new firm, the Liddell Company, has already been established in this area, and we understand that several other businesses will start construction in the near future.

We hope that our efforts will help to make possible an orderly and desirable growth of commercial and industrial activity in Kingston and thus provide employment and financial benefits. We will be pleased to receive suggestions from any citizen to assist us in this pursuit.

# REPORT OF THE INSPECTOR OF ANIMALS

Recent years have witnessed a decrease in the number of cattle, with a corresponding rise in the number of riding horses and pets in town. This reflects a change in the basic makeup of our community from what was formerly semi-tural to exurbanite.

As an accompaniment of this trend, there has been a striking increase in the incidence of heartworms in our dog population which is transmitted by the bite of an infected mosquito.

Twenty-one dogs were quarantined during the year on suspicional rabies because of bites imposed. All were released after the customary ten-day observation period. Reports of the foregoing cases were forwarded to the State authorities.

As a public service, this office organized and conducted, througtown auspices, a successful Rabies Clinic for dogs and an Equipe Encephalitis Clinic for horses in town. The clinics were well attended and have important public health considerations.

The annual census of farm animals was completed and the report forwarded to the Division of Animal Health.

# REPORT OF THE BUILDING INSPECTOR

Electrical Permits Issued by this Office 20	4
24	1
TOTAL PERMITS ISSUED BY THIS OFFICE 58	

Building Permit Fees	INCOME
Plumbing Permit Fees	<b>\$</b> 7,836.00
Electrical Permit Fees	1,773.00
	2,979.50
TOTAL RECEIPTS	\$12,588,50

Building applications may be obtained at the office of the Selectmen or the office of the Building Inspector daily. Office hours are Monday through Friday from 9 A.M. to 12 noon, clerk only. I will be available evenings, Tuesday, Wednesday and Thursday from 7 to 9 P.M. or after 4 P.M. by appointment.

### REPORT OF THE GAS INSPECTOR

I hereby submit my report starting January 1, 1978, to December 31, 1978.

Number of Inspections - 92.

It is important that applications for permits be made prior to commencing the work, and that the Inspector be notified when work is ready for inspections.

#### REPORT OF THE PLUMBING INSPECTOR

The following permits were issued and inspections made during 1978:

Permits Issued	90
nspections	192

#### REPORT OF THE INSPECTOR OF WIRES

The following inspections were made during 1978.

Total number of permits issued	205
Total number of inspections	297

#### REPORT OF THE POLICE DEPARTMENT

There were 569 persons brought before the court in 1978 and charged with 796 offenses. Of these, there were 474 men and 95 women. One hundred sixty-seven were residents and 402 were non-residents.

In the major crime category, there was one Murder, 2 Arson, 3 Kidnapping, and one Rape of Child complaints, along with 26 charges of Breaking and Entering, 36 complaints of Larceny, 7 Assaults by means of a Dangerous Weapon, and eight charges of Illegal Possession of a Firearm.

Eight complaints of Simple Assault and Battery, 27 of Disturbing the Peace, and 21 of Incapacitated Persons were the larger numbers in the misdemeanor category of offenses. Speeding (297) Oper: Under Infl. of Liquor (27) Oper. MV so a might Endanger (53) and Failure to Keep Right (30) were the greatest number of incidents in the Motor Vehicle Violation classification

There were several other misdemeanors and Motor Vehicle Violations that were before the court which constituted the balance of the particular offenses that were recorded in 1978.

The dispositions by the court: There were 297 fines imposed which amounted to \$7450.00 Eleven cases were bound over to the Grand Jurysix were sentenced to the House of Correction, and 21 were placed in Probation. Twenty-nine cases were Dismissed, (wenty-three were lifed, 62 were continued without finding, eight were found Not-Guilty, and 45 were assessed Court Costs. Nineteen defendants who were charged with Operating Under the Influence of Liquor were allowed to participate in the DUIL, program by the Court.

Miscellaneous Data as follows:

There were 9273 complaints received by the department, 257 M V accidents were investigated, one of which was a fatality (Evergreen St.) Thirty vehicles were stolen from Kingston, and this department recovered 33 which were stolen from this town and other cities and towns. There were 481 parking violation tags issued which realized \$895.00 in fines to the town. Total Value of property recovered by this department was \$92,550.00.

The following amounts of money were turned in to the Town

Pistol Permits issued Firearms L.D. Cards	\$1050.00
Police Reports to Insurance Co.	166.00
Gun Dealers Licenses	811.00
- aniets tricenses	40.00

# REPORT OF THE SHELLFISH CONSTABLE

This past year the Department of Environmental Quality Engineering closed some of our shoreline due to contamination from the Jones River. Our Board of Health is now working on this program.

A total of 118 Bushels of quanog seed was planted on our three flats this year. An increase of blue-mussels taken by permit holders was shown this year.

# OF VETERANS' SERVICES

Thereby submit the ANNUAL REPORT of the Office of Veterans' Services for the year ending June 31st, 1979.

Active Cases	.\$
New Cases	12
Reopened Cases	ý
Closed Cases	15
Most Cases (January)	7
Widows' Pensions Processed	8
Non-Service Disability Pension Applications	
Veterans Hospitalized	10
Veterans' Admin. Cases Aided	236
Mass. Veterans Services Cases Aided	109

This office aided veterans and their widows and dependents by rendering the following services:

On-the-Job Training applications, Housing for the Elderly, Educational Benefits, tracing overdue pension checks, various medical problems and referrals, obtaining SSI Benefits, Photocopies of Discharge Papers and other military and medical records, marriage license, buth, and death certificates, obtaining construction and mortgage loans, supplying insurance coverage, obtaining psychiatric counseling and alcohol rehabilitation assistance, providing wheelchairs and walkers, submitting income reports to V.A., obtaining transportation to clinics and hospitals.

The Office of Veterans' Services is presently located in the Maple Avenue School, and hours are 9 to 5 Tuesdays and 9 to 12 Friday mornings. The office phone number is 585-4341, and my residence phone number is 585-3773.

# REPORT OF THE WAGE AND PERSONNEL BOARD

The personnel file which the Wage and Personnel Board began compiling three years ago is now fairly complete.

In the course of its meetings, the Board has given its attention to numerous items of concern to non-elective town positions. Salaries have been evaluated with a view to making compensation equitable in terms of responsibility, longevity, and current economic trends. The results of this study will be published in the "Wage and Personnel By-Law" wheel will list salary scales from the period of July 1, 1979 to June 30, 1980, as well as itemize additional benefits for town employees, procedures for job classifications and other information affecting salaried positions.

The Board has met with various departments of the Town to discuss all requests made of it in regard to salaries, reclassification of jobs, and other forms of financial remuneration. It has attempted in its consideration to achieve a balance between what is equitable as a just wage and what is equitable for the taxpayers of the town. The Board by recommended some non-monetary revisions to the By-Law in order to clarify those nebulous areas which have caused problems in the past

### REPORT OF THE WATERFRONT COMMITTEE

The Waterfront Committee members respectfully submit the following list of accomplishments for 1978:

- 1. Complete rebuilding of main wooden floats
- 2. Repairs to racks
- 3. Replacement of chain
- 4. Additional new channel markers
- 5. Repairs to tamp
- 6. Repairs to smaller floats
- 7. Repair of old channel markers
- 8. Placement of new mooring blocks where necessary
- 9. Purchase of two aluminum prams for residents' use
- 10. Enforcement of mooring regulations

In addition to the above, working closely with the Harbormaster. we were able to keep a close check on all activities and strictly enforce the safety regulations along the entire waterfront. We have been able to advise the Harbormaster on law pertaining to state and federal

### REPORT OF THE KINGSTON YOUTH COMMISSION

During the past year, the members of the Youth Commission have sought to provide a variety of programming for the families of Kingston. We have provided an avenue for community participation in social. psychological and recreational programs.

Our Director, Deena Strauss, and Outreach Worker, Bonnie Idlis, have worked closely with the school system and human service agencies to provide coordinated services to youths. As well as direct counseling, our staff acts as a referral agency to other social services available to our community.

Throughout the year, we have arranged trips to provide cultural education.

The Department of Mental Health, Division of Drug Rehabilitation, granted the Youth Commission monies to provide outreach services to the youths of our community. Our Outreach Worker has provided Drug Education for students at the Silver Lake Regional Schools. The grant has also enabled us to staff a Drop-In Center at the Recd Community Building.

We encourage your participation in determining the direction of our programs.

### REPORT OF THE YOUTH DIRECTOR

The Kingston Youth Commission has successfully completed another year of diversified programming for the youth of our community. Our recreational activities continue to run, although some programs were suspended due to the lack of gym facilities when the Elementary School became unavailable for recreational purposes.

A greater emphasis has been placed on educational programming this year, with high priority given to Drug Abuse education. Bonnie Idlis, Outreach Worker, taught classes in the High Schools and It High on Drug Abuse, as well as providing workshops to teachers on the subject.

Workshops on Job Seeking Skills were facilitated in the High School for interested youths. Other Educational programs sponsored by the Youth Commission were: Teacher Education on Child Abuse Community Education on Chapter 766, and Parent Workshops on Drug Information.

Individual and Family Counseling continue to be a major function of the Youth Commission. Referrals are received from many sources within the community, in addition to the many individuals who seek our assistance on their own.

Social Service projects have again been implemented through our office, such as the Youth For Hire Program, and Bike-A-Thon for Cystic Fibrosis.

We look forward to meeting the needs of Kingston youth and their families in the coming year.

#### WAGE-AND PERSONNEL BOARD

#### PERSÓÑNEL BY-LAW

#### Section 1. Authorization

Pursuant to the authority contained in Sections 108A and 108C of Chapter 41 of the General Laws, there shall be established plans, which may be amended from time to time by vote of the Town at a Town Meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work—or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan; (c) providing for the administration of said classification and compensation plans; and (d) establishing certain working conditions and fringe benefits for employees occupying positions in the classification plan.

#### Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

"Town," The Town of Kingston.

"Civil Service Law," Chapter 31 of the General Laws of the Commonwealth, as amended and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

"Classification Plan," class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference,

"Class," a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity, "Position

Class," same as class (a class may include only one position, in which event it is defined as a "single position class");

"Group," an occupational group of classes appearing in Schedule  $\Lambda$  of Section 8;

"Department Head," the officer, board or other body having immediate supervision and control of a department;

"Employee," an employee of the Town occupying a position in the classification plan;

"Department," a department, board, committee, commission or other agency of the Town subject to this by-law;

"Fiscal Year," 7-1 to 6-30 within the year of this by-law;

"Administrative Authority," the elected official or board, or the appointed official having jurisdiction over a function or activity,

"Full-time employment," employment for not less than seven hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, be reavement leave and other leave of absence;

"Part-time employment," employment for less than full-time employment, as defined above;

"Continuous employment," employment, uninterrupted except for required military service and for authorized vacation leave, sick leave bereavement leave, or other leave of absence:

"Full-time employee," an employee retained in full-time employment;

"Part-time employees," employment for a minimum of twenty hours a week on a regular basis;

"Position," an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof:

"Permanent position," any position in the Town service which has without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis:

"Permanent employee;" (1) an employee retained on a continuing basis in a permanent position, as defined above; (2) any employee deemed permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

"Temporary position," or "seasonal position," any position in the Town service which requires or which is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work of its occupation group shall be considered as part-time;

"Temporary employee," (1) any employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

"Intermittent service," personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required according to the demands for such service; "Casual service," personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor:

"Compensation Plan," Schedules B through C in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B and B-I and B-2 of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services.

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

"Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar differences between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in a range of compensation grade;

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

#### Section 3. Personnel Board

(a) There shall be a Personnel Board to be known as the Wage and Personnel Board, composed of three (3) unpaid members, who shall not be employees or elected officials of the Town, responsible for the administration and maintenance of classification and compensation plans. One member of the Board shall be appointed by the Moderater, one member by the Finance Committee and one member by the Board of Selectmen. The three members of the Board shall be appointed for terms of one year, two and three years respectively and upon the normal expiration of these terms their successors shall be appointed by the same appointing authorities for terms of three years.

Original appointments to the Wage and Personnel Board under this by-law shall be made not later than thirty days following the effective date of the by-law; and subsequent appointments shall be made within thirty days following the expiration of the term of the Board member who is to be replaced.

The Board shall draw up and recommend to the Town a proposal for classification and compensation plans for consideration as a Town by-law; and shall from time to time recommend to the Town any action deemed necessary to maintain a fair and equitable pay level.

The Board shall make an annual report in writing to the Finance Committee and the Board of Selectmen 60 days prior to the annual town meeting.

- (b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.
- (c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof
- (d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary and clerk. A majority of the Board shall constitute a quorum for the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.
- (e) The Board may employ assistance and incur expenses as a deems necessary subject to the appropriation of funds thereof.
- (f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request.

- (g) The Board shall maintain written job descriptions of specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be of as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.
- (h) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for a position, and or such other variance in the compensation plan as it may deem necessary for the proper functioning of the services of the Town. No variance shall become effective unless, or until, the necessary funds have been appropriated therefor.

#### Section 4, Classification Plan

- (a) All positions in the service of the Town except those excluded in Section 1 are hereof classified by the title appearing in Schedule A of Section 8 which is made a part thereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.
- (b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.
- (c) The Title in each class, as established by the Classification Plan, shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.
- (d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification and compensation plans.

(c) In filling any vacant position which comes under the By-12x such positions must be advertised for at least two weeks in the newsyspers which the Town customarily uses for legal notices. If the open position can be filled by promotion from within the department, they the vacancy need not be advertised. The last vacancy, however, which results from such promotion or promotions, must be advertised as indicated above.

### Section 5. Compensation Plan

- (a) The Compensation Plan shall consist of Schedules B through (in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of position class shall be the salary range of all positions allocated to the class.
- (b) All employees shall continue to be paid on an hourly, weeks semi-monthly, annual or other basis, as at present, except as provided in the compensation plan, unless otherwise authorized by the Personne Board.
- (c) No department head shall fix the salary of any employee in a position so classified except in accordance with the compensation plan
- (d) No person shall be appointed, employed or paid as an employed in any position subject to the provisions of the classification plan under any title other than those appearing on Schedule A of Section 8
- (e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:
- 1. On January first or July first provided he has completed that weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.
- 2. Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of compensation grade to which his position class is assigned.
- 3. Employees in continuous part-time employment eligible for increments under the provision of this sub-section shall be those occupy-B, or B-1 or B-2 or Section 8.
- (f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B, or B-1 or B-2 of Section 8 shall

receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year

- (g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4(b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, or B-1 of B-2 the adjustment shall be to the recond rate above the existing rate but within the compensation grade of the vacant or new position.
- (h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January or July first following complexion of thirty weeks at the rate resulting from the promotion.
- (i) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B, or B-1 or B-2 of Section 8 this rate shall not be reduced, but shall become a personal rate applicable only to said employee as defined in Section 2.
- (j) Each department head of a department to which is assigned an employee occupying a position in the classification plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing fiscal year and shall furnish a copy thereof to the Board
- (k) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

#### Section 6. Amendment of the Plans

(a) The Classification Plan and/or the Compensation Plan and/or other provisions of this by-law may be amended by vote of the annual Town Meeting. The Compensation Plan may be amended at a special Town Meeting. Requests for such amendments shall be made to the Board in writing. All written requests of amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this by-law must be submitted to the Board no later than three months and fifteen days prior to the annual Town Meeting. Any written requests of amendments of the Compensation Plan must be submitted no later than thirty days prior to the special Town Meeting following the annual

Fown Meeting at which this plan was defeated. Whenever such a petition is received the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days written bulge Prior to the next annual Town Meeting the Board shall file with the Selectmen for insertion in the warrant for the next annual Town  $M_{\rm eff}$ ing an article sufficiently stated to permit the Town to to act upon  $\hat{\eta}_2$ subject matter or any such petition, provided that the subject matter or petition be recommended by an affirmative vote of 2 of the 3 members; the Board. Any subject matter or petition which was submitted to be Board within the presembed time limits as stated above which the  ${\rm H}_{\rm eff}$ did not act favorably upon may be presented at the annual last Meeting. At the same time, the Board shall file with the Finance Counmittee a final report; with recommendations, pertaining to any 1933. petition, provided that no recommendation in favor of a proposiamendment shall be made except by an affirmative vote of 2 of th3 members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is supported by an affirmative vote of 2 of its members; the Board shall proceed according to the preceding subsection to insert an article in the Warrant and to report its recommendations to the Finance Committee.

#### Section 7. Continuing Review

The Board, from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

(a) "As Required" shall mean the total number of hours in the week needed to perform the duties of the position, as determined by the appropriate administrative authority.

<sup>\*\*</sup>To increase to \$3.10 hourly as of January 1, 1980

### Section 10, Overtime Compensation

- (a) Clerical Group in an employee shall be compensated at one are one-half times his regular rate for hours in excess of thirty-five 135. hours per week.
- (b) Library Group --- an employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess & thirty-five (35) hours weekly.
- (e) Custodial and Labor Groups -- an employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of forty (40) hours weekly. A minimum of two hours of overtime pay shall be guaranteed on call back.
- (d) Police Department as specified by contract between the Town and the Police Association.
- (e) Fire Department as specified by contract between the load and the Fire Association.
- 1. A uniformed employee in Compensation Grade F-1 in full-time employment who is required to work beyond his normal tour of duty. responds to a box alarm when off duty, or is called back for standback duty, forest fire fighting, snow shoveling or forest fire patrols shall be compensated at one and one-half (11/5) times his regular rate of pay. A minimum of two hours of overtime pay shall be guaranteed on call back
- 2. The hourly rate of overtime pay for personnel covered in Section 10 (e)(1) shall be one forty-second (1/42) of the employee's regular week's pay times one and one-half (1%).

## (f) Administrative Group:

- I. An employee normally is not entitled to overtime, but shall be granted compensatory time at the convenience of his department head for hours worked in excess of forty weekly, or whatever constitutes his
- 2. The Deputy Fire Chief is not entitled to any overtime work involving recalls and inspections. The annual salary under F-2, Step IV of Schedule B-2 is considered compensation for this work.

# (g) Supervisory Group:

An employee is not entitled to overtime, as he has the authority to approve overtime compensation for his subordinates. He is entitled to tkae compensatory time which he shall report to the proper administrative authority if requested. He shall also make adequate provisions for the supervision of his department in his absence.

#### (h) Water Department:

'Any employee of the Water Department who becomes certified under the Department of Public Health to operate the water system shall be eligible for an additional compensation of \$250 per year

#### (i) Highway Department and Tree Department:

Any employee of the Highway Department or the Tree Department who requires a hydraulic operator's license from the Commonwealth of Massachusetts for the operation of equipment in these departments shall be eligible for an additional compensation of \$250 per year

#### Section 11. Clothing Allowances

- (a) Police Department -- as agreed by contract
- (b) Fire Department -- as agreed by contract
- (c) Highway, Tree and Water Department a full time member shall receive a clothing allowance to be paid by the town for the purchase or rental of work clothes and safety shoes for members of the department as designated by department head and approved by Wage and Personnel Board.
- (d) Rental Work clothes allowances to be made for other fulltime employees on individual recommendations of department heads to the Wage and Personnel Board

#### Section 12. Paid Holidays

Legal holidays within this By-Law will be holidays specified by State Legislature, on which days employees shall be excused from all duty not required to maintain essential town services.

- (a) Changes to State Law for long weekends (Mondays) as required.
- (b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:
- 1. If paid on an hourly basis, he shall receive one and a half times times his regular rate based on the number of hours actually worked on the day on which the designated holiday occurs;
- 2. If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.
- (c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly

scheduled working day prior to and his next regularly scheduled working day following such holidays, or was in full pay status on such preceding and following days in accordance with other provisions of that

- (d) An employee in continuous employment occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in sub-section (a) shall be paid atha regular rate for such a day or fraction thereof in addition to the amount to which he is entitled under sub-section (b).
- (e) At the request of the employee, he may be granted compensetory time off at the convenience of the departments in lieu of payment provided under sub-section (d).
- (f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off in excess of the number of holidays in that year falling on Saturday, additional days of
- (g) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday, and if on a Saturday the preceding day shall be the legal holiday.

Section 13. Vacation Leave

Police Department - as agreed by contract

Fire Department - as agreed by contract

- (a) A full-time employee in continuous service shall be granted two weeks vacation with pay at the completion of one year of service.
- (b) A full-time employee who terminates employment after less than one year of service shall be granted one day of vacation with paylor each full month of continuous service completed, but not to exceed one
- (c) A full-time employee who has completed five (5) continuous years of service shall, in the year during which this length of service has been completed, be granted three (3) weeks -- fifteen (15) days of
- (d) A full-time employee who has completed ten (10) continuous years of service shall, in the year during which this length of service has been completed, be granted four (4) weeks twenty (20) days of

- (e) A full-time employee who has completed twenty (20) continuous wears of service shall, in the year during which this length of service has been completed, be granted five (5) weeks - twenty-five (25) days of vacation with pay.
- (f) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee dies up to the time of his separation from the payroll.
- (g) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no faults or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as carned, and not granted, in the vacation year prior to such dismissal, retirement, or entrance into the armed forces. In addition, payments shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement, or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.
- (h) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under other leave may, at the discretion of the department head, be charged to vacation leave.
- (i) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.
- (j) Vacation allowances provided under the terms of this section will be calculated on a 12-month period commencing on the employment date and these allowances must be taken in the 12 months period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

(k) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay without approval of the department head and the Personnel Board.

#### Section 14. Sick Leave

Police Department - as agreed by contract

Fire Department - as agreed by contract

- (a) An employee in continuous employment shall be allowed one day for each month worked, provided such leave is caused by sickness or injury or by exposure to contagious disease.
- (b) An employee in continuous employment shall be credited with the unused portion of leave granted under sub-section (a) without hims and may be accumulated as additional sick leave benefit.
- (c) An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.
- (d) If the amount of leave credit provided under sub-section (b) has been or is about to be exhausted, an employee may make application for advance sick leave to be deducted from future leave credits to the extent provided under sub-section (a). Such application shall be made to the Board which is authorized to grant such advance sick leave as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the advance sick leave.
- (e) Sick leave must be authorized by the Department head and must be reported on forms as provided. These records will be maintained by the Town Accountant for the Wage & Personnel Board and Town Accountant's use.
- (f) A physician's certificate of illness shall be submitted by the employee after five days' continuous absence to his department head before leave is granted under the provisions of this section. This certificate shall be forwarded by the department head to the town accountant for the Wage and Personnel Board's and the town accountant's use.
- (g) The Board or Department Head may, of its own motion, require a medical examination of any employee who reports his inability to expense of the Town by a physician appointed by the Town.

- (h) Injury, illness or disability self-imposed, or resulting from the buse of alcohol or the use of drugs that are classified under the Federal Narcotics Act or Drug-Abuse Control Act, shall not be considered a proper claim for leave under this section.
- (i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.
- (j) In the event of payments made to an employee under the preceding sub-section the Board or Department Head may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.
- (k) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

#### Section 15. Bereavement Leave

Emergency leave up to five days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

#### Section 16. Other leave

Police Department - as agreed by contract

Fire Department - as agreed by contract

- (a) Absences for personal reasons may be charged to vacation leave upon application by the employee and approval by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.
- (b) Members of the military reserves on brief tours of military duty such as the annual two-week tour of duty shall be compensated by the Town for the difference between the employee's regular pay and that received on military duty. Such tours of duty shall not be counted against vacation allowance.
- (c) Three (3) personal days are allowed each year to full-time employees on request to, and approval of, supervisor and department head. Personal days are defined as days needed to attend weddings, funerals of relatives, family needs, etc., not otherwise provided for by the by-laws.

### Section 17. Longesity Compensation

The Town agrees to reward faithful service by full-time employees by providing additional compensation each year on the basis of length of service as follows:

- A At completion of twenty-five (25) years service \$500.00
- C At completion of thirty-five (35) years service \$1.000 in 18, position 18, position 18, position 18, position 19, posi

### Section 18, Physical Examination

Before appointment to a position in the classification plan requiring continuous service, or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Department Head. The examining physician shall be at the expense of the Town and the examination shall be at the expense of the Town. The examining physician shall advise the Department Head as to whether, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made, and the applicant shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be forwarded as soon as possible by the Department Head to the Foun Accountant for the Wage and Personnel Board's and the Foun countant's use

# Section 19. Operation of By-Law - Grievance Procedure

Police Department - as agreed by contract

Fire Department - as agreed by contract

(a) This by-law shall be operative only as to employees whose positions are classified hereunder and for which positions minimum and maximum salaries, or single-rated miscellaneous salaries as established under Section 8.

PERSONNEL BOARD TO ADMINISTER — The Personnel Board of the Town shall constitute the Personnel Relations Review Board of the Town, and in that connection shall have the powers and duties, and perform the functions, assigned to such Personnel Relations said Board shall, in the performance of its duties as Personnel Relations Review Board, be subject to the limitations imposed by said Section 21B and by the by-laws of the Town.

GRIEVANCE PROCEDURE — There shall be a grievance procedure available to those employees of the town whose rights under the wage and personnel classification plan have, in their opinion, been prejudiced and covering all other grievances except those that would properly be under the jurisdiction of the Civil Service Commission or other duly established appeal board. As used in this section, the word "grievance" shall be construed to mean dispute between an employee and his supervisors arising out of an exercise of administrative discretion by such supervisor or supervisors.

STEP I. The employee shall take up his grievance orally with his immediate supervisor who shall reach a decision and communicate it orally to the employee within two (2) working days.

STEP II. If the grievance is not settled at Step I, the employee shall within five (5) working days present his grievance in writing to his supervisor who shall forward it to the department head who shall hold a hearing within five (5) working days, or if the Department Head is a Board, at its next regularly scheduled meeting, the grievance will be presented and a hearing will be held within ten days of that meeting.

STEP III. If the grievance is not settled at Step II, all records and facts in the case shall be referred to the Grievance Board for adjudication. Those present at Step II shall appear at this hearing. Within twenty (20) working days of the hearing, which shall be the next regular meeting of the Board except in cases of emergency, the employee shall be notified in writing through the department head as to the decision of the Board which shall be final.

#### Section 20. Civil Service Law

Nothing in this By-Law shall be construed to conflict with Chapter 31 of the General Laws.

#### Section 21. Effect of Partial Invalidity

The invalidity of any section of this By-Law shall not invalidate any other section or provision thereof.

#### Section 22. Publication of Personnel By-Law

The Personnel Board hereby is authorized and directed to compile and publish Personnel By-Law to be known as the Town of Kingston Wage and Personnel By-Law. Corrections to be made as necessary with amendments subject to authorization as stated in Section 1 herein. Authorized changes will be published and added to this Wage and Personnel By-Law as endorsements to the section, page or paragraph Last dated endorsement becomes the effective correction or amendment of these By-Laws.

Section 23. Contract Agreements

### REPORT OF THE ELIZABETH B. SAMPSON MEMORIAL FUND

During the year 1978 there were changes made in the trustees. Charles L. Farrington, Jr., was elected chairman of the Board of Selectmen, he automatically became a trustee of the Elizabeth B. Sampson Fund and in May of 1978 Lawrence I. Winokur was elected Moderator which made him a trustee of the Elizabeth B. Sampson Fund as well as the Town Treasurer.

The Boston Safe Deposit and Trust Co. has continued to handle our funds for the second distribution under the Elizabeth B. Sampson Fund, We hope within the very near future to combine these two funds.

As this report goes to the printer the trustees have not made any recommendations for the use of the Fund during the fiscal year 1980. Letters have been sent to all the departments and this year we have many requests. The trustees will make recommendations, forwarding them to the Finance Committee for their approval and the information will be available to you prior to the town meeting.

Again we wish to thank the citizens of Kingston for their fine cooperation in helping us administer the fund and we would again like to mention Miss Sampson, remembering her for the fine bequest she gave the Town of Kingston. As we have said before, she was a great citizen and a great philanthropist and was loved by everyone who knew her.

The Trustees wish again to bring to your attention in preparing your Will that you remember the Educational Fund; and gifts from individuals and organizations are most welcome.

In May of 1978 we received from the Executors of the Estate of Frances Leach Bagnell a final distribution of \$7,656.63, making a total of \$11,656.63.

Mr. Francis M. Moran was appointed a trustee for a term of five years.

May we extend again our thanks to our loyal friends for their support.

# ANNUAL REPORT KINGSTON SCHOOL COMMITTEE

Town of Kingston, Massachusetts
Including a Report of the
SILVER LAKE REGIONAL SCHOOL DISTRICT

For the Year Ending June 30, 1978

#### School Committee

Mr. Paul W. Reed, Chairman	Term expires 1979
Mr. Thomas F. Bailey, Jr., Vice Chairman	Term expires 1980
Mrs. Winona Moeller (resigned 5/78)	
Mrs. Barbara A. Balboni, Secretary (5/78)	Term expires 1981
Mrs. Marilyn A. Başler	Term expires 1980
Mr. A. Daniel Sapir (resigned 5/78)	
Mr. James S. Matatall (5/78)	Term expires 1981

The School Committee meets at 7:30 p.m. on the second Monday of each month in the Conference Room of the Elementary School.

#### Administration Office

Dr. Paul A. Squarcia
Dr. Albert F. Argenziano
Mr. Christopher J. Gregory
Mr. John W. Burke
Mr. Daniel W. Gibbs, Jr.

Supervisor of Programs - Special Needs
Business Manager

#### School Calendar

Fall Term September 6 thru November 10, 1978
Winter Term November 13 thru January 26, 1979
Second Winter Term January 29 thru April 6, 1979
Spring Term April 9 thru June 22, 1979

In addition to all legal holidays, schools will be closed on Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio stations WHDH, WBET, and WPLM between 6:35 and 8:00 a.m. In addition, the fire alarm signals will indicate no-school as follows:

6:30 a.m., no-school all schools, including junior and senior high schools

7:00 a.m., no-school elementary only

The signal will be 4 short double blasts, repeated 3 times.

# REPORT OF THE KINGSTON SCHOOL COMMITTEE

To the Citizens of the Town of Kingston:

No school year is uneventful — the dynamic business of educating young people is always full of exciting events. The year 1978 held many fine and positive experiences as the maturity and education of almost 900 Kingston children proceeded through the weeks and months of this year. Several special performances were held during the year to commemorate important events and to provide the children an opportunity to demonstrate their development. The final assembly in June gave staff, parents and friends a chance to view the culmination of six grades of effort.

The 1978 report must include reference to the July 15 deback which took place at town meeting; with evaluation impact notices in-hand and no tax rate set, the town meeting voted to reduce the school budget by \$136,000. As a result of this emotional (rather than rational) act, the school system had to attempt to operate with a minimal disruption of the educational process. The year 1978 closed with the staff reduced and many educational and maintenance projects postponed. Fortunately, the School Building Committee came forward to provide help with the problems in the heating system — we are most grateful to them.

The Staff and the School Committee are dedicated to providing the best possible education for all Kingston children. We look forward to 1979 with renewed optimism that each day will be utilized to the fullest in positive, constructive educational endeavors. As long as the spirit prevails, Kingston will be able to look at their school system with pride

For the Committee.

Paul W. Reed, Chairman Thomas F.Bailey, Jr. Barbara A. Balboni Marilyn A. Basler James S. Matatall

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and the Citizens of Kingston:

經濟不能亦是是不可以不是世代等官院亦以其亦以其衛子等以及此

The annual report of the Superintendent of Massachusetts Superintendency Union #31 and Silver Lake Regional School District will highlight the activities within the school departments of Halifax, Kingston, Pembroke and Plympton. This, my second annual report as the Superintendent, will provide concise data relative to various segments of the organization. Since my selection as Superintendent of Schools on January 30, 1978, the following changes within the organization have occurred:

Following a thorough analysis of the School District, the five school committees, upon the recommendation of the Superintendent, eliminated the position of Assistant Superintendent for Superintendency Union #31 and the Silver Lake Regional School District. The results of the administrative restructuring are three directors of education, two directors established seven years ago at the elementary level, and a newly created position of Director of Secondary Education for Silver Lake Regional School District.

This tripod approach to administrative restructuring was designed to eliminate repetition and duplication of efforts of the administrative staff. After eleven months of experience with this modality of operation; the expectations of the theory have been clearly established in actual practice. This change reduced by one the number of administrators serving the children, at no loss of effectiveness, but at a financial saving to the four towns.

My efforts to date have been focused upon not only the administrative restructuring of the school district, but also on upgrading the levels of expectation of our administrative and teaching staff. As was expressed at the opening of school meeting for all staff of the school committee, being a service organization, it is the desire of everyone associated with the school department to provide more services, at a higher qualitative standard. Curriculum Coordination for grades K-12, through the reading assessment project for the 1978-79 school year, has been instrumental in initiating the first program assessment involving all five segments of the organization.

These coordinating efforts have led to a more effective method of communication with the various segments within our complex organivational structure. It it were not for the very capable assistance of the teaching staff, the administrative staff, non-teaching staff, and the cooperation of parents and students; the beginning of many of the activities involved within our school district would not have been made possible. For this, I am most appreciative and thankful.

# SILVER LAKE REGIONAL SCHOOL DISTRICT:

The Silver Lake Regional School District comprises grades 7-12 The October 1, 1978 enrollment for these grades was 3318 students Administratively, the following changes occurred at the secondary level: Albert F. Argenziano was named Director of Secondary Education, grades 7-12. Dr. Argenziano was the former high school principal, a position he held for seven years. Douglass L. Coupe was named principal of Silver Lake Regional High School. Mr. Coupe previously held the following positions: Housemaster, Silver Lake Kingston. Assistant Principal, and Guidance Counselor. Robert J. Cunniff was named Housemaster, Silver Lake Pembroke, Mr. Cunniff was formerly an assistant principal at the high school. The new administrative set-up has received the support and loyalty of the community, staff and student body.

At this time I would like to highlight the curriculum aspects of our program, grades 7-12.

Junior High School - Arthur T. Hand, Principal Special Education

Through the provisions of a Federal grant we were able to add two aides in Special Education to provide additional tutoring. The special needs areas are obviously too small and inadequate, so the additional assistance allows the program to function more successfully.

# Arts/Industrial Arts

Art programming during the past year resulted in several students being awarded Blue Ribbons in the Boston Globe statewide

Industrial Arts programming in woodworking, metal and technical drawing continued to provide the student with valuable experience in these craft areas. All students must have exposure to these areas if they are to make intelligent, meaningful choices when they elect courses

#### Foreign Language

When students complete the language program at the junior high they are considered on a par with level I at the high school. Upon entering the high school they can continue at level II. The same approach is used in the junior high as in the senior high with the same textbook and program to ensure continuity.

#### Mathematics

At the seventh grade level a three week introduction on the use of the calculator in the solution of mathematical problems was implemented. The new unit of instruction is supported by new curriculum material and new hand-held calculators. The purpose of instruction is to give the students a working knowledge of the application of calculators to the solution of mathematical problems.

To further develop the students' growing awareness of the impact of technology, a three week unit on the computer was implemented this year in the eighth grade. Instruction in this area is based upon printed curriculum material, filmstrips and the TRS-80 mini computer. While students will write simple computer programs in level I basic, the aim of the unit is not to teach programming, but rather to develop computer literacy.

#### Science

The acquisition of additional balances and microscopes has greatly increased students' laboratory experiences this year. The addition of a magnetizer has enabled the school to avoid the expense of replacing wornout magnets. All outdated textbooks have been replaced. Large classes, especially during the time when both seventh and eighth graders are in the building, represent the program's major handicap.

#### Social Studies

Further progress was made in strengthening the five basic units of the seventh grade program. We were able to acquire badly needed supplementary materials, such as simulation games, work sheets and audio-visual kits in the area of geography, basic skills and economics. A special thanks should be extended to Rand McNally, publishers, for donating fifty copies of The Encyclopedia of American History to the junior high library.

#### Reading

The most significant development this year has been the commitment initiated by the Educational Subcommittee, and supported enthusiastically by the entire Silver Lake Committee, to improve the reading program. The assistance, support and advice rendered by Dr. John Savage will have a lasting, positive effect for our program.

#### UNION #31 - TRITOWN - Halifax, Kingston, Plympton

Director of Elementary Education, Tritown Division, Christopher J. Gregory, is responsible for the direction and guidance of people and programs in this subdivision. The following highlights reflect the educational activities that are part of the cooperative efforts of this segment of the organization.

#### A. Testing

- 1. The Metropolitan Achievement Test was administered in April to all children in grades 1-6. As in the past several years, the results indicate that the reading and mathematics achievement of our children is above the national norm by slightly more than one-half year. This represents a steady increase each year since we first administered the tests in 1973.
- 2. In October, the Tritown schools along with the Pembroke and Silver Lake Schools administered the Gates-MaeGinitic Reading Tests to all children. This is the first step in our involvement with the Grades K-12 reading assessment under the guidance of Dr John Savage of Boston College. Dr. Savage is scheduled to spend seven days in the Tritown schools over the next few months. He will interview staff members, observe children, and study our reading materials to determine whether any programmatic changes should be made to improve our reading program.

#### B. Curriculum

We are in the first full year of implementing a new mathematics program in Grades 1-6. The program selected by the teachers and administrators is published by Scott-Foresman, and it is proving to be extremely popular with teachers. An integral part of the series is a management system called "Charting the Course". This system allows the teacher to individualize the program with very little extra effort.

#### C. Special Programs

 We are in the fifth year of our ESEA Title 1 program called Operation HELP! This program which is funded in its entirety by the federal government, provides mathematics and reading tutorial

- services to approximately 200 children in Grades 1-6 in the three towns. Operation HELP! is recognized as one of the most successful and comprehensive Title I programs in Massachusetts.
- 2. This past year saw the introduction of another federally-funded program in the Tritown Schools. This program, called "Project CHILD", was funded by CETA and it was designed to provide activities for gifted/talented children and for children with short-term academic difficulties. In addition, Project CHILD was extended through the summer, offering library experiences to all interested children, reinforcement for children with academic problems, and interesting activities for gifted/talented children. A proposal has been submitted to CETA for funding a follow-up program which would continue the services provided by the original program and extend it to include Career Awareness and Consumerism for all children in Grades 4-6.
- 3. ESEA Title IV B is another federal program which provides direct funds for innovative projects with library orientations. We have combined the allocations of the three towns to enable us to purchase videocassette equipment which makes it possible to record Educational TV programs for playback at convenient and appropriate times. The current grant has provided one recording deck and three monitors; next year's grant will be used to purchase two additional decks, making it possible for all three schools to use the equipment at will rather than having to schedule its use

# KINGSTON - Donald F. Ford, Principal Highlights

The Kingston School Department was affected greatly by the action of the Town Meeting held in July, appropriating \$136,000 less than what was deemed necessary to operate the school during this current fiscal period. A considerable amount of time, effort and energy has been expended to resolve the problem, but unfortunately no adequate solutions have been discovered. This action by the town meeting resulted in dismissing, at least temporarily, fifteen non-teaching personnel. We have, through the cooperation of our teaching staff and remaining non-teaching staff, been able to maintain within manageable bounds the daily operational aspects of our school, without directly affecting the educational opportunities to students.

The Home School Association continues to serve as the liaison between the school and community. It is the desire of the people involved to improve communication and to have a better understanding

of the school department's goals and objectives and the community's expectations.

Students continue to score well on the Language Arts segment of the Metropolitan Achievement Tests. However, to further improve in this area, students will be doing more and varied work in writing skills Writing folders for each student have been maintained and will progress with the student as each passes. We are anticipating the results of this writing activity, the efforts should improve the child's ability to read, to observe and to write.

#### ACKNOWLEDGEMENT

My personal thanks to members of the school committees that I have worked closely with during the past months, for their support of the administrative staff and their genuine concern for improvement of instruction for the young people of our school district.

I would also like to thank the directors of education, the principals, the teaching staff, and non-teaching staff for their efforts and performance during the past year. Without their conscientious effort and commitment for their tasks at hand, our school system would not have progressed in a positive trend.

As in the past, my efforts will continue to be devoted to creating an educational climate that will be beneficial to all students by providing for them a concept of pride, commitment and integrity. I stand willing and eager to assist any citizen in providing information on behalf of the school department enabling improvement to take place.

Dr. John Savage, Reading Consultant, in his report to the School Committee, said, "With schedule, space and crowded conditions, the way in which the school is run is a credit to administrators, teachers and other staff members, and to the pupils themselves." This is an endorsement that I enthusiastically support. This is the sixth year of double and overlap schedules due to overcrowded conditions. One must have this experience to fully appreciate the extraordinary demands that such scheduling places on all students and personnel. Without their complete cooperation it would be impossible to function in the manner reported by Dr. Savage. The Silver Lake Committee has taken the initial steps in addressing themselves to this issue, and hopefully a solution will be forthcoming in the not too distant future.

High School - Douglass L. Coupe, Principal

The year just concluded has been one of continued growth and

transition. Growth throughout the year was demonstrated by the success of our students in both curricular and extra curricular areas.

Increased student participation was predominant in programs offered at both campuses. In addition, a more serious commitment to education was demonstrated time and again by our students through their involvement in school and community activities.

Transition within the high school was accomplished in July when Mr. Douglass L. Coupe was named Principal and Mr. Robert J. Cuniff was named Housemaster at Silver Lake-Pembroke Campus.

Both of our educational facilities continue to function at the optimum level. With a continued commitment on the part of the region to staff, supply and equip, we can continue to offer our students the quality education they so richly need and deserve.

The support of the students, staff, parents, community, school committee and central office has made the recently concluded year a good one in all respects.

Residents of the four towns can look with great pride upon their high school, its programs, and students and be confident that its future commitment to basic educational values is a sound one.

#### Special Education

The newly enacted Federal Special Education Law P.L. 94-142, has not had a severe impact upon the Special Education Programs because its requirements are similar to the State Chapter 766 Law which is now in its fifth year of operation.

During the last year, the statewide Special Education average reimbursement was 56% with our systems receiving: Halifax 89.18%, Kingston 102.6%, Pembroke 70.93%, Plympton 59.26%, Silver Lake 87.3%.

The Union and Regional School System received in excess of \$125,000 in Federal Special Education funding which was used to provide the mandated services required by P.L. 94-142 and Chapter 766.

The P.L. 89-313 Grant of \$42,160 provides for additional Speech Therapists, teachers of the Learning Disabled, part-time Special Needs aides, and In-service Training Programs.

The P.L. 94-142 Grant of \$62,317.20 provides for a School Psychologist, Alternative High School Program, class for Emotionally Disabled students, and Special Needs aides and tutors.

A third Grant for \$31,500 (P.1., 94-142) provides for a program for Autistic children and a half-time Learning Disabilities teacher at the Silver Lake-Kingston High School.

The Department of Education attempts to visit school systems twice each five years to thoroughly evaluate the Special Education Program. Two staff members from the Department of Education visited the Silver Lake Regional School System for several days in November 1978 and determined that the programs were in good order.

The Region and Union are part of the Pilgrim Area Collaborative which provides services to preschool age Aphasic, Autistic and Severely Developmentally Disabled Special Needs students.

# Adult Education and Evening Practical Arts

Our Evening Practical Arts and Adult Education Programs as well as our High School Diploma Program were again successful in serving the residents of the four towns.

Approximately 2,000 people were again involved in all facets of our evening programs. In addition, 13 people satisfactorily completed the requirements for their diplomas through our High School Diploma Program.

The schools continue to be a vital resource for our residents through our Evening Program, and as a result many people have discovered new and productive leisure time activities.

#### Art and Industrial Arts

The past year has been most productive for Art and Industrial Arts teachers and pupils. New shops at Pembroke enjoyed continued success in a broad spectrum of student activities in the Industrial Arts areas of Cabinet Making, Manufacturing, Graphics, Technical Drawing and Power Technology. A Small Engine Repair Program was added to existing Woodworking and Technical Drawing Programs at Kingston. Art personnel were highly gratified that a score of students were given recognition in statewide and national competition.

#### English

During the past year the English Department has continued to work to strengthen its offerings in the areas of reading and of basic language skill development. The addition of three reading specialists to the staff, the completion of the secondary school reading assessment, and the creation of a reading department have done much to expand our capabilities in developing the reading program. English classes continue to work on acquisition and refinement of basic skills, particularly in the areas of vocabulary, spelling, and composition. Continued emphasis on these facets of our program has resulted in improved scores on both SATs and on achievement tests, at least over the past year. In light of the fact that basic competency exams will be required by the Commonwealth within a year, this direction we are pursuing seems to be the right one for our students.

# Foreign Language

With the growing involvement of the United States in international business and the increasing multinational character of our American society, our community gives evidence, in the number of students enrolled in our courses, that they realize the importance of foreign languages in nearly every kind of occupation. The list of Americans who use a foreign language in their work is virtually unlimited.

To prepare our students to meet the challenges of the future, the Foreign Language Department offers a four-year sequence in Latin, French and Spanish. We use the most recently published textbooks and programs applying the advances made in the linguistics, psychology and methodology of foreign language reading. The goal is proficiency in comprehension, speech, reading and writing. The approach is functional and eclectic with emphasis on the visual, audio-lingual aspects of the learning process. A well-qualified staff at both campuses promote the programs for the academic and university bound students as well as for the non-college bound students who realize the importance of a foreign language in today's culture.

#### Music

All aspects of the music curriculum continue to function well within the Silver Lake School District. As before, there are currently eight music teachers serving grades seven through twelve who are of excellent qualifications and regularly and consciously continuing their education for self-improvement.

There has been no change in the programs being offered to students and presently, courses being offered at the junior high include band. chorus, general music, guitar class, violin class, vocal and instrument lessons, jazz band and several satellite programs such as concerts, music festivals, field trips to Symphony Hall and bi-annually a music production for junior high students. Courses at the senior high include band. freshman band, chorus, stage band, chamber choir, music theory and appreciation, recorder class, musical instrument repair and electronic music composition. Members of the staff have recommended several new courses which are under consideration for the future. In addition, several satellite programs include concerts, music festivals, field trips and a bi-annual musical.

#### Science

In science, courses in Introductory Physical Science, Earth Science, College Biology, Biology, Practical Biology, Botony, Biology II, College Chemistry, Chemistry, Project Physics, and PSSC Physics are offered.

Enrollment in science programs continues to increase significantly New science tables have replaced worn out tables in the biology rooms at Silver Lake Regional High School — Kingston; the greenhouse in this building has been repaired and placed back into operation; but the science facilities at Silver Lake Regional High School — Kingston, remain totally inadequate and in need of major repairs if they are to remain in use. At Silver Lake Regional High School — Pembroke, floor tiling and improved ventilation have corrected major problems which previously existed in the science area.

#### Social Studies

Social Studies staff was increased to fourteen teachers, seven at each site, offering identical programs at Kingston and Pembroke Emphasis was placed on skill development; raising educational standards, and basic competency. A course on Ancient/Medieval History was re-instituted to prove an appreciation for classical learning and the contributions of the past. A significant increase in the use of community involvement was accomplished as well as attempts to develop global perspectives.

# Occupational Programs

During the year of 1978 progress was made in the following areas:

- 1. A federal grant allowed us to purchase equipment for a graphics program for yocational training as well as improve the Distributive Education program through the construction of a student store at the Kingston campus.
- The data processing system has been up-dated by the replacement of our present computer system with a new Digital PDP 11/34.
- 3. In order to inform the eighth grade students about the opportunities available in vocational education, an Open House was held on December 13, from 7-9 p.m. for the purpose of previewing the various shops before selecting their high school programs.

- 4. Throughout the year all vocational programs have progressed in training students to take their place in industry.
  The carpentry students were involved in building an addition to the district administration building.
- 5. There has been more and more student interest in vocational education as a career option. Enrollment in all vocational programs has increased since the opening of the new shops.

## Report of the Regional School District Committee to the

Citizens of the Silver Lake Regional School District

The Silver Lake Regional School District began the 1978-79 sehiool year, for the first time in three years, with the same superintendent who was present when schools closed in June. The first six months of our new superintendent's tenure initiated administrative restructuring of our school system. The position of Assistant Superintendent was eliminated and a position of Director of Secondary Education was established, the end result being that there is one less administrator at the secondary level, at a saving to all member towns. The reorganization has produced fine results thus far.

The Committee's major undertaking this year has been to encourage and financially support a reading assessment of our school district. This activity began at the secondary level and extended to all of our elementary schools. The assessment was conducted by Dr. John Savage and the written report resulted in some major developments within our reading program in grades 7-12.

The Regional Committee is cognizant of the ever pressing financial status of our member towns. The Committee is faced with increased student enrollment and inflation. These factors result in maintaining our present programs at a higher cost. The Superintendent and his staff have presented realistic, operational budgets, and with this cooperative effort, through our budget subcommittee, have presented member towns with a reasonable school budget.

Chapter 70 Aid to Education reimbursements were dispersed for the first time directly to Regional School Districts. This is a result of the new legislation regarding school financing adopted by the Commonwealth of Massachusetts. As a result this current fiscal period warranted an unusually lower assessment to member towns than what is considered to be normal.

The school organizational patterns for all students, grades "-12 have been soundly developed and effectively implemented. Students in grades 9-12 have two fine facilities involving a normal school day Students assigned to our Junior High School, grades "-8, are continuing with a staggered "overlapping" schedule. The School Committee efforts will begin to focus upon trying to resolve the overcrowdro conditions at the Junior High School facility.

The School Committee membership was expanded to its present sixteen membership. Mrs. Barbara Balboni, Kingston, Mr. James Hannon, Pembroke (terms expired as of June I), and Mr. Edward Birchmore resigned from the Committee. These members were replaced by Mrs. Martha Brocklesby, Pembroke, Mrs. Elaine Crawford, Pembroke and Mr. Robert Powers, Kingston, The entire Committee continues to work effectively through its subcommittee structure, and this year special commendation should be expressed to the Educational Subcommittee and its chairman, William Billingham, the Liaison Committee and its chairman, Alan Vautrinot, and the Budget Committee and its chairman, George Cushman.

The Regional School District would like to publicly thank Paul A. Squarcia, Superintendent, and his staff for creating an atmosphere most conducive to sound educational practices. The direction, leadership, and consistency emanating from his office has had a very positive effect upon the entire District.

The Committee would like to thank town officers, citizens, parents, students and staff for their concern and efforts in making our school district an attractive and exciting place to learn.

Footnotes: Assessments as shown on Baiance Sheet were adjusted September 20, 1978.

Surplus Revenue was determined and adjusted as a result of an audit of the Books and Accounts by personnel of the Bureau of Accounts. Department of Revenue as shown on the Balance Sheet - March 31, 1978.

# FINANCE COMMITTEE RECOMMENDATIONS FOR 1979 ANNUAL TOWN MEETING WARRANT

The Finance Committee has reviewed all Town Budgets and Warrant Articles making adjustments and recommendations in consection therewith in the best interests of good government and the taxpayers of the town. In the event the Commonwealth enacts a so called "tax cap" legislation it will be necessary to make appropriate adjustments to bring the total appropriation for FY 1980 within the requirements of same. The Finance Committee will be prepared to make an impact statement at the beginning of the Annual Town Meeting.

ARTICLE 1. To hear and take action on such officers as are to be nominated from the floor.

Recommend favorable action.

ARTICLE 2. To hear and act upon the reports of the Town officers.

Recommend favorable action.

ARTICLE 3. To see if the Town will vote to amend certain sections of the Personnel Bylaw as printed in the town report or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 4. To fix the salaries of elected officers.

Recommend favorable action.

ARTICLE 5. To raise and appropriate such sums of money as may be necessary to defray town charges.

Recommend favorable action.

ARTICLE 6. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the fiscal year beginning July 1, 1979, in accordance with the provisions of the General Laws, Chapter 44, Section 4, as amended and to renew any note or notes as, may be given for a period of less than one year in accordance with the General Laws, Chapter 44, Section 17, as amended, or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 7. To see if the Town will vote to accept recommendations of the Trustees for the purpose of appropriating from the income of the Elizabeth B. Sampson Memorial Fund for various purposes, or to take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury a sum of money to be used in conjunction with the income of the Lucy P. Ames Memorial Fund for the purpose of maintaining the Old Burial Ground, or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 9. To see if the Town will vote various appropriation balances be closed to Surplus Revenue or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the payment of certain unpaid bills of prior years. Recommendation to be made at Town Meeting.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury a sum of money for the purchase of a motor vehicle for the Police Department and to authorize the Selectmen to trade one of the present vehicles, applying the allowance to the price of the new vehicle, or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 12. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury a sum of money for the purchase of a motor vehicle for the Highway Department and to authorize the Selectmen to trade one of the present vehicles, applying the allowance to the price of the new vehicle, or to take any other action relative thereto.

Recommend favorable action with turn-in of 1974 four wheel drive Chevrolet.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury a improvement in conjunction with available state funds and in addition to transfer from available funds in the treasury an additional sum of money to meet the state share of cost of work, reimbursement therefor action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 14. To see if the Town will vote to transfer for Library purposes from the account entitled "State Aid for Libraries Reserved

Recommend favorable action.

ARTICLE 15. To see if the Town will vote to accept from the Kingston Girl Scouts a compressor for use by the Fire Department, or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury or to borrow under the authority of Chapter 44 of the General Laws, a sum of money to purchase and equip a pumping engine for the Fire Department, and that the Selectmen be authorized to dispose of a 1954 pumping engine and a 1954 pumper/tanker, or to take any other action relative thereto.

Recommend favorable action to be paid from FY 80 tax levy in full.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury or to borrow under the authority of Chapter 44 of the General Laws, a sum of money to purchase equipment for the Fire Department or to take any other action relative thereto.

Recommend favorable action to be paid from FY 80 tax levy in full.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money to be used by the Board of Health for repairing, reconstructing, and cleaning the sewage pits, or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury a sum of money for cleaning and painting the water tank on Smith's Lane, or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 20. To see if the Town will vote to authorize the Selectmen to acquire for water purposes by gift, purchase, eminent domain, or borrowing under the authority of Chapter 44 of the General Laws, certain parcels of land to be used as a well site, or to take any other action relative thereto.

Recommend favorable action to be paid from FY 80 tax levy in full.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, or by borrowing under the authority of Chapter 44 of the General Laws, a sum of money for installing a 12" main from the gravel-packed well site off Smith's Lane to the Kingston/Plymouth line, or to take any other action relative thereto.

Recommend favorable action; bond issue term recommendation at Town Meeting.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury a sum of money to obtain the services of McGee & Magane, Inc., for the purpose of processing maintenance changes to the Real Estate Appraisal File and the Cross Index Name and Address Tax Billing File of the Town, or to take any other action relative thereto.

Recommend favorable action.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for the installation of an alarm system at the Reed Community Building, or to take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury a sum of money for the installation of a school zone, under the provisions of Chapter 616 of the Acts of 1967 and Chapter 85, Section 2 of the General Laws, in the area of the Sacred Heart School complex, to accept any available state funds for reimbursement, or to take any other action

Recommend favorable action.

ARTICLE 25. To see if the Town will vote to authorize the appointment of a five-member committee, two members to be appointed by the Moderator, three by the Selectmen, to study the condition of the Railroad Station and to make recommendations at the next annual town meeting, or to take any other action relative thereto.

Recommend favorable action; no appropriation.

ARTICLE 26. To see if the Town will vote to transfer from the Revenue Sharing Fund a sum of money for the purpose of ordinary and necessary maintenance and operating expenses for public safety, environmental protection, public transportation, health, recreation, libraries, social services for the poor or aged, financial administration and any

ordinary and necessary capital expenditures authorized by law or to take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 27. To see if the Town will vote to authorize the Selectmen to use appropriated available funds in the "Sewerage Facilities Planning Requirement" account in conjunction with available Federal and State grant funds for the purpose of completing the Facilities Planning Requirements (Step 1) preliminary report relative to the Town's water pollution abatement program, or to take any other action relative thereto.

Recommend favorable action; no appropriation.

ARTICLE 28. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury a sum of money for revision and printing of the Town's bylaws and zoning bylaws, or to take any other action relative thereto.

Recommend favorable action not to exceed \$10,000.

ARTICLE 29. To see if the Town will appropriate a sum of money for necessary repair projects in connection with the storm disaster of 1978 and to see if the Town will authorize the Treasurer to borrow such sum under the provisions of Chapter 74 of the Acts of 1945 or to take any other action relative thereto,

Recommendation to be made at Town Meeting.

ARTICLE 30. To see if the Town will vote to approve the filing of a special act in substantially the following form:

"AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF KINGSTON SHALL BE EXEMPT FROM CIVIL SERVICE LAW AND RULES, BE IT ENACTED, ETC., AS FOLLOWS:

SECTION 1. The office of Chief of Police of the Town of Kingston shall be exempt from the provisions of chapter thirty-one of the General Laws and all rules adopted thereunder: provided, however, that the present incumbent of said office who is subject to said chapter thirty-one shall continue to be subject to said chapter.

SECTION 2. This act shall be submitted for acceptance to the voters of the Town of Kingston at an Annual Town Meeting in the form of the following question which shall be placed upon the official ballot to be used for the election of Town Officers at said meeting: 'Shall an act passed by the General Court in the year nineteen hundred and seventynine entitled: "An Act Providing That The Office of Chief of Police of the Town of Kingston Shall Be Exempt From Civil Service Laws and

Rules," be accepted If a majority of the votes in answer to said question is in the affirmative, this Act shall thereupon take full effect, but not otherwise.", or to take any other action relative thereto,

Recommend no action.

ARTICLE 31, To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be used by the Board of Health for services rendered to Kingston residents at the Half-Way House in Plymouth, a cooperative facility for alcoholics or to take any other action relative thereto.

(BY PETITION)

Recommend no action.

ARTICLE 32. To see if the Town will vote to accept the way known as Standish Avenue, located on the Westerly side of Bagnell Street, and running in a westerly direction of 820 feet more or less as laid out by the Board of Selectmen - plans thereof having been filed with the Town Clerk in accordance with the General Laws; and the sum of \$14,000 be raised and appropriated for the construction thereof, including engineering services and for acquiring titles.

(BY PETITION)

Recommendation to be made at Town Meeting.

ARTICLE 33. To see if the Town will vote to accept the way known as Rocky Nook Avenue Extension for a total distance of 220 feet, more or less, from its intersection with Cole Street, and to accept the way known as North Street for a total distance of 267 feet, more or less, from its intersection with Rocky Nook Avenue Extension, and to raise, appropriate or transfer from unappropriated available funds a sum of money for the construction thereof, including engineering services, and for acquiring titles, or to take any other action relative thereto.

Recommendation to be made at Town Meeting.

ARTICLE 34. To see if the Town will vote to amend the Zoning Map of the Town by designating as R-M Residential Mobile Home Park, approximately thirty-one acres, more or less, and being a portion of Lot 4, Block 3, which is presently zoned as R-A Residential, a plan of said land being filed with the office of the Town Clerk, or take any other action relative thereto.

(BY PETITION)

Recommendation to be made at Town Meeting.

ARTICLE 35. To see if the Town will vote to amend the Protec-

live Zoning bylaw, by amending Section V, Paragraph J. Mobile Home Park Court, Section 5. General Requirements, Paragraph a. so as to read as follows:

5. General Requirements

a. For every five thousand (5,000) persons resident in the Town of Kingston, one (1) mobile home park may be permitted. For this purpose the latest accurate census of the Town of Kingston shall be used if certified as such by the Town Clerk. In the absence of such certification, the latest U.S. Census shall govern. In no case shall the total aggregate number of mobile homes in all complexes exceed fifteen (15) per cent of the total number of dwelling units in existence in the Town of Kingston at the time of application. For this purpose, the most recent figures of the Kingston Board of Assessors shall govern. Maximum number of mobile homes permitted in all mobile parks shall be three hundred and fifty (350).

(BY PETITION)

Recommendation to be made at Town Meeting.

ARTICLE 36. To see if the Town will vote to amend the Protective Zoning Bylaw amending Section IV-B Schedule of Intensity Regulations by changing:

"MINIMUM \*AREA"

大学を表示される。 大きなななる。 大きななる。 大きなななる。 大をなる。 大をなる。 大をなる。 大をなる。 大をなる。 大をなる。 大をなる。 大をなる。

"MINIMUM CONTINUOUS FRONTAGE"

8,000 Sq. Ft. From To 16,000 Sq. Ft. 70 Ft. 90 Ft.

(BY PETITION)

Recommendation to be made at Town Meeting.

ARTICLE 37. To see if the Town will amend the Zoning Map of the Town by designating as R-M Residential - Mobile Home Park,

Lot 2, Block 9

Lot 6, Block 9, a portion of which lies in Block 8

A portion of Lot 19, Block 8

A portion of Lot 20, Block 8
