### ANNUAL TOWN MEETING May 1979

May 5, 1979

The annual town meeting was called to order at 10:07 A.M. by the Moderator, Lawrence I. Winokur. The warrant was not read. (By unanimous consent.)

Mr. Winokur made reference to the town report and Mr. Cronin read Section 49 of Chapter 40 which reads, in part, as follows:

"The selectmen, before the annual town meetings, shall at the expense of the town print the annual town report, for the use of the inhabitants, containing the report of the selectmen for the calendar year preceding said meeting, the report of the school committee, and, except as otherwise provided by vote or by-law of the town, of such other officers and boards as consider it expedient to make a report, the jury list as required by chapter two hundred and thirty-four, and such other matters as the law, or the town by vote or by-law, requires, or as the selectmen consider expedient."

Mr. Charles L. Farrington moved that this meeting be postponed to Saturday, May 19, 1979 at 10:00 A.M. at the Intermediate School.

June Ballinger moved an amendment that this meeting be adjourned to Thursday, May 10, 1979 at the Kingston Intermediate School at 7:30 P.M.

#### AMENDMENT WAS DEFEATED

A vote was then taken on Mr. Farrington's motion and it was voted that this meeting be postponed to Saturday, May 19, 1979 at 10:00 A.M. at the Kingston Intermediate School.

Total voters present — Precinct 1 — 28; Precinct 2 — 57; total — 85.

Meeting adjourned at 10:18 A.M.

Tellers were: Catherine J. Bartlett and George A. Walsh.

### ANNUAL TOWN MEETING MAY 1979

May 19, 1979

The adjourned annual town meeting was called to order at 10:15 A.M. by the Moderator. Mr. Winokur, the Moderator, reviewed with the voters the rules and regulations he would use in conducting the annual town meeting and asked the voters for their cooperation. The Moderator appointed the following persons as tellers and administered the oath of office to them:

Edward H. Holmes Joseph Franklin Glass Suzanne M. Galletti Antonio P. Fortini

James Raymond Goonan was appointed to replace Suzanne M. Galletti in the afternoon. Ms. Galletti had to leave the meeting early.

Article 1. The following officers were chosen:

Measurers of Wood and Bark: W. Chadwick Maurer, John E. Ruprecht and Michael F. Cavicchi.

Director of Plymouth County Extension Service: George E. Fraser.

Nominations made by Richard A. Ottino.

Article 2. On the motion of William B. Martin, voted that the reports of the town officers as printed in the 1978 town report be accepted.

Article 3. William E. Twohig moved that sections of the Wage and Personnel Bylaw be amended as recommended by the Wage and Personnel Board and as presented to voters present in a written report.

Director of Youth Programs Librarian	to	\$11,062 annually	
Veterans' Agent	to .	\$10,728 annually	
Health Agent	to .	\$ 2,900 annually	
ricann Agent	to	\$ 3,500 annually	

B. The following position be inserted:

Senior Lifeguard — Swimming Instructor	\$3,55 hourly
--	---------------

C. The following position be decreased:

Conservation Officer	to	\$1,171 annually

D. The salaries of those employees presently beneath minimum wage guidelines be increased to minimum wage guidelines during the 1979-1980 fiscal year.

### UNDER SECTION 13. VACATION LEAVE.

The following paragraph be inserted:

A full-time employee who has completed twenty (20) continuous years of service shall, in the year during which this length of service has been completed, be granted five (5) weeks — twenty-five (25) days of vacation with pay.

### UNDER SECTION 16. OTHER LEAVE.

Paragraph (c) be amended to read "Three (3) personal days..."

Article 4. Elaine Cravenho moved that the salaries of the several elected officers of the Town be fixed as follows, effective July 1, 1979:

MODERATOR	S 100·
TREASURER	4,883
COLLECTOR	8,140
TOWN CLERK	3,075
CHAIRMAN, BOARD OF SELECTMEN	1,500
OTHER SELECTMEN, EACH	1,200
CHAIRMAN, BOARD OF HEALTH	1,065
OTHER HEALTH MEMBERS, EACH	852
FULL-TIME ASSESSOR	10,500
OTHER ASSESSORS, EACH	1,598
CHAIRMAN: WATER COMMISSION	426
OTHER WATER COMMISSIONERS, EACH	399
TREE WARDEN	3,248

Lawrence B. Westgate moved an amendment that the salary of the full-time Assessor be increased from \$10,500 to \$11,062.

#### AMENDMENT WAS CARRIED

Then a vote was taken under Article 4, as amended, and it was voted that the salaries of the several elected officers of the Town be fixed as follows, effective July 1, 1979:

MODERATOR	5 100
	4.883
TREASURER	8,140
COLLECTOR	
TOWN CLERK	3,075
CHAIRMAN, BOARD OF SELECTMEN	1,500
CHAIRMAN, BOARD OF SELECTION	1,200
OTHER SELECTMEN, EACH	1.065
CHAIRMAN, BOARD OF HEALTH	
OTHER HEALTH MEMBERS, EACH	852
	11,062
FULL-TIME ASSESSOR	1.598
OTHER ASSESSORS, EACH	- 1-
CHAIRMAN, WATER COMMISSION	426
CHAIRMAN, WATER COMMISSIONERS FACIL	399 .
OTHER WATER COMMISSIONERS, EACH	3.248
TREE WARDEN	

Article 5. Charles L. Farrington, Jr., a member of the Board of Selectmen and former chairman, made brief remarks regarding the budget. Mrs. Elaine Cravenho, vice-chairman of the Finance Committee, spoke

briefly of the work put into the budget this year, Phillip S. Cronin, Town Counsel, explained the new tax cap law and what it means to the voters.

Under the motion of Richard A. Ottino, voted unanimously that the Town Accountant (a nonvoter) be allowed to address this meeting and all subsequent meetings.

Elaine Cravenho moved that budget items 1-103, inclusive, be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled, and discussed separately from the floor after the entire budget has been read, and these items not questioned be voted upon as one group and one vote.

The following budget items were tabled and discussed separately:

ITEMS	DEPARTMENTS
12.	Assessors: Salaries and Wages
29.	Police: Salaries and Wages
33.	Police: Career Incentive Pay Programs
48.	Trimming Shade Trees: Salaries and Wages
49.	Trimming Shade Trees: Expenses
59.	Health: Salaries and Wages
75.	Kingston Elementary School: Salaries
80.	and Wages, Expenses, Maint
85	Playground: Salaries and wages

Selectmen - Other

Library: Expenses

85.

79.

Then a vote was taken on the motion and all budget items not questioned were voted:

### THIS REQUIRED A 4/5's VOTE

Article 11. On the motion of James R. Goonan, voted unanimously that the sum of \$5,500 be raised and appropriated for the purchase of a cruiser to be used by the Police Department and that the Selectmen be authorized to turn in one police vehicle, applying the allowance thereof to the purchase of the new vehicle,

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 12. On the motion of William B. Martin, voted unanimously that the sum of \$6,500 be raised and appropriated for the purchase of a 79 pick-up truck for the Highway Department and that the Selectmen be authorized to trade the present 1974 pick-up truck, applying the allowance thereof to the purchase of the new vehicle.

### FAVORABLE ACTION

Article 13. On the motion of Richard A. Ottino, voted that the sum of \$17,546 be raised and appropriated and used for State Aid Construction for improvement in conjunction with State Funds of \$13,159 reimbursement received therefrom to be returned to available funds.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 14. On the motion of Charles L. Farrington, Jr., voted unanimously that the town transfer for Library purposes from the account entitled "State Aid for Libraries - Reserved for Appropriations," the sum of \$2,541 received from the Commonwealth of Massachusetts during 1978 and any other amount that has been or will be received during the fiscal year ending June 30, 1979.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 15. On the motion of James S. Matatall, voted unanimously that the town accept from the Kingston Girl Scouts a compressor for use by the Fire Department.

Article 16. On the motion of Jon H. Alberghini, voted unanimously that the sum of \$62,465.50 be taised and appropriated for the purchase and equipping of a pumping engine for the Fire Department and that the Selectmen be authorized to dispose of a 1954 pumping engine and a 1954 pumper/tanker.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 17. On the motion of Jon II. Alberghini, voted unanimously that the following sums be raised and appropriated for the purchase of any part or all of the following equipment for the Fire Department:

Total Fire Equipment	\$8,680.00
1 resuscitator	350.00
55 gaflons Aqueous Film Forming Foam	825.00
500 feet of 3" water supply hose	1,875.00
4 Scott Air Paks	2,630.00
20 Nomex Protective Coats	00.000,62
8 1	

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 18. On the motion of Richard J. Arruda, voted unanimously that the sum of \$4,500.00 be raised and appropriated for the Board of Health for repairing, reconstructing, and cleaning the sewage pits.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 79. On the motion of Richard W. Loring, voted unanimously that the sum of \$6,500.00 be raised and appropriated for cleaning and painting the water tank at Smith's Lane.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 20. On the motion of Richard W. Loring, voted unanimously that the sum of \$6,800,00 be raised and appropriated to acquire by gift, purchase, or eminent domain certain parcels of land shown on the Kingston Assessors' plans as Lot 7 on Map 15, Lot 1 on Map 16 and Lot 18 on Map 15 for the development of a well site.

Article 21. On the motion of Richard W. Loring, voted unanimously that the sum of \$4,250.00 be raised and appropriated and that the sum of \$450,000.00 be borrowed under the authority of Chapter 44 of the General Laws as amended, for installing a 12" main from the gravel-packed well site off Smith's Lane to the Kingston/Plymouth line.

## FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION THIS REQUIRES 1 2 2 2

THIS REQUIRES A 2/3's VOTE

Yeas — 150; Nays — 5

THIS MEETS THE 2/3's REQUIREMENT

Article 22. Lawrence B. Westgate moved that the sum of \$4,800.00 be raised and appropriated to obtain the services of McGee and Magane. Inc., for the purpose of processing maintenance changes to the Real Estate Appraisal File and the Cross Index Name and Address Tax Billing File of the Town.

### MOTION WAS DEFEATED

Following Article 23, on the motion of Joseph F. Glass, voted for reconsideration of Article 22.

On the motion of Joseph F. Glass, voted that the sum of \$4,800.00 be raised and appropriated to obtain the services of McGee & Magane, Inc. for the purpose of processing maintenance changes to the Real Estate Appraisal File and the Cross Index Name and Address Tax Billing File of the Town.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 23. On the motion of James Butters, voted that the sum of \$2,800,00 be raised and appropriated for the installation of an alarm system at the Reed Community Building.

### FINANCE COMMITTEE RECOMMENDED UNFAVORABLE ACTION

Article 24. On the motion of Charles L. Farrington, Jr., voted that the sum of \$6,900.00 be raised and appropriated for the installation of a school zone under the provisions of Chapter 616 of the Acts of 1967, as amended, and Chapter 85, Section 2, of the General Laws, as amended, in the area of the Sacred Heart School complex and to accept any available state funds for reimbursment.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 25. On the motion of William B. Martin, voted that a five member committee be appointed; two members to be appointed by the Moderator, three by the Selectmen, to study the condition of the Railroad Station and to make recommendations to the next annual town meeting.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 26. This article acted upon following Article 5.

Article 27. On the motion of Richard A. Ottino, voted that the Selectmen be authorized to use appropriated available funds in the "Sewerage Facilities Planning Requirements" account in conjunction with available Federal and State grant funds for the purpose of completing the Facilities Planning Requirements (Step 1) preliminary report relative to the Town's water pollution and preliminary report relative to the Town's water pollution abatement program.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 28. On the motion of Charles L. Farrington, Jr., voted unanimously that the sum of \$15,000.00 be raised and appropriated for revision and printing of the Town's bylaws and zoning bylaws.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

On the motion of William B. Martin, voted to take Article 49 out of order.

Article 49. On the motion of William B. Martin, voted unanimously that the town vote to exceed the appropriations limit established under Chapter 151 of the Acts of 1979; and that the town vote to exceed the levy limit established under Chapter 151 of the Acts of 1979.

### THIS ARTICLE REQUIRED A 2/3's VOTE

Mrs. Cravenho of the Finance Committee announced appropriations made at this time would effect the tax rate approximately \$1.45.

Article 29. To see if the town will appropriate a sum of money for necessary repair projects in connection with the storm disaster of 1978 and to see if the town will authorize the Treasurer to borrow such sum under the provisions of Chapter 74 of the Acts of 1945 or to take any other action relative thereto.

### NO MOTION MADE UNDER THIS ARTICLE

Article 30. On the motion of Richard A. Ottino, voted that the Select-

men be authorized to file a special act in substantially the following form:

"AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE IOWN OF KINGSTON SHALL, BE EXEMPT FROM CIVIL SERVICE LAW AND RULES, BE IT ENACTED, ETC., AS FOLLOWS:

Section 1. The Office Of Chief Of Police Of The Town Of Kingston Shall Be Exempt From The Provisions Of Chapter Thirty-one Of The General Laws And All Rules Adopted Thereunder: Provided, However, That The Present Incumbent Of Said Office Who Is Subject To Said Office Who Is Subject To Said Chapter Thirty-one Shall Continue To Be Subject To Said Chapter.

Section 2. This act shall be submitted for acceptance to the voters of the Town of Kingston at an annual town meeting in the form of the following question which shall be placed upon the official ballot to be used for the election of Town Officers at said Meeting: — "Shall an act passed by the General Court in the year nineteen hundred and seventy-nine, entitled: 'An Act Providing That the Office of Chief of Police of the Town of Kingston Shall Be Exempt From Civil Service Laws and Rules,' be accepted?" If a majority of the votes in answer to said question is in the affirmative, this Act shall thereupon take full effect, but not otherwise."

### FINANCE COMMITTEE RECOMMENDS NO ACTION Yeas - 91; Nays - 80 MOTION IS CARRIED

Article 31. On the motion of Richard A. Ottino, voted that the sum of \$1,000.00 be raised and appropriated to be used by the Board of Health for services rendered to Kingston residents at the Half-Way House in Plymouth, a cooperative facility for alcoholics.

#### FINANCE COMMITTEE RECOMMENDED NO ACTION

Article 32. On the motion of Francis E. Seybolt, voted that the town accept the way known as Standish Avenue, located on the westerly side

of Bagnell Street and running in a westerly direction of 820 feet more or less as laid out by the Board of Selectmen—plans thereof having been filed with the Town Clerk in accordance with the General Laws; and the sum of \$14,000.00 be raised and appropriated for the construction thereof, including engineering services and for acquiring titles.

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

PLANNING BOARD RECOMMENDED FAVORABLE ACTION Yeas — 153; Nays — 9
THIS MEETS THE 2/3'S REQUIREMENT

Article 33. On the motion of Kathleen Murphy, voted unanimously that the town accept the way known as Rocky Nook Avenue Extension for a total distance of 220 feet, more or less, from its intersection with Cole Street and to accept the way known as North Street for a total distance of 267 feet, more or less, from its intersection with Rocky Nook Avenue Extension and that the sum of 59,500.00 be raised and appropriated for the construction thereof, including engineering services and for acquiring titles.

# FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION PLANNING BOARD RECOMMENDED FAVORABLE ACTION

Article 34. On the motion of Charles W. Pickett, voted that the town amend the Zoning Map of the Town by designating as R-M Residential Mobile Home Park, approximately thirty-one acres, more or less, and being a portion of Lot 4, Block 3, which is presently zoned as R-A Residential, a plan of said land being filed with the office of the Town Clerk.

# FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION PLANNING BOARD RECOMMENDED FAVORABLE ACTION

Before the vote was taken, Joseph Robinson moved the question and it was so voted.

Yeas — 127; Nays — 30 THIS MEETS THE 2/3's REQUIREMENT Article 35. Marjorie F. Cadenhead moved that the town vote to amend the Protective Zoning bylaw by amending Section V. Paragraph J. Mobile Home Park Court, Section 5. General Requirements, Paragraph a. so as to read as follows:

### 5. General Requirements

a. For every five thousand (5,000) persons resident in the Town of Kingston, one (1) mobile home park may be permitted. For this purpose the latest accurate census of the Town of Kingston shall be used if certified as such by the Town Clerk. In the absence of such certification, the latest U.S. Census shall govern. In no case shall the total aggregate number of mobile homes in all complexes exceed fifteen (15) per cent of the total number of dwelling units in existence in the Town of Kingston at the time of application. For this purpose, the most recent figures of the Kingston Board of Assessors shall govern. Maximum number of mobile homes permitted in all mobile parks shall be three hundred and fifty (350).

#### Yeas = 27; Nays 105 MOTION WAS DEFEATED

Article 36. Marjorie F. Cadenhead moved that the town amend the Protective Zoning Bylaw by amending Section IV-B Schedule of Intensity Regulations by changing:

"MINIMUM AREA" "MINIMUM CONTINUOUS FRONTAGE"

FROM . 8,000 sq. ft. 70 ft. TO 16,000 sq. ft. 90 ft.

#### Yeas --- 34; Nays -- 96 MOTION WAS DEFEATED

Article 37. Forrest M. Everson, Jr. moved that the town amend the Zoning map of the town by designating as R-M Residential - Mobile Home Park.

Lot 2, Block 9 Lot 6, Block 9, a portion of which lies in Block 8 A portion of Let 19, Block 8

A portion of Lot 20, Block 8

A portion of Lot 21, Block 8

A portion of Lot 22, Block 8

Lot 23, Block 8, a portion of which lies in Block 9

Now shown on the Kingston Zoning Map as R-A Residential.

Mr. Everson asked for permission for Mr. Gardiner of Hingham to address the meeting.

Yeas — 109; Nays — 38 MOTION IS CARRIED

### PLANNING BOARD RECOMMENDED FAVORABLE ACTION

Vote on the original motion: Yeas -- 63; Nays -- 81 MOTION WAS DEFEATED

Article 38. Mary O'Donnell moved that the town amend the Protective Zoning Bylaw of the town by designating as R-M Residential, Mobile Home Park:

Map 1, Lots 32, 37, 41, 42, 43, 44

now shown on the Kingston Zoning Map as R-A Residential.

Mary O'Donnell asked permission for David Piper to address the meeting. It was so voted.

PLANNING BOARD RECOMMENDED FAVORABLE ACTION

Yeas — 16; Nays — 121

MOTION WAS DEFEATED

Article 39. R. Newton Heston moved that the town amend the Protective Zoning Bylaws of the Town by establishing a new class of use district to be designated N-B (Neighborhood Business).

On the motion of R. Newton Heston, voted unanimously to table Article 39.

Article 40. To see if the town will vote to amend the Protective Zoning bylaws of the town by adding to Section II. Use Districts, the class to be known as N-B (Neighborhood Business), or to take any other action relative thereto.

#### NO MOTION MADE UNDER THIS ARTICLE

Article 41: To see if the town will vote to amend the Protective Zoning Bylaws of the town by adding a column entitled N-B to the Schedule of Use Regulations, Section III, such column to indicate the same uses as now under column B, except for the following:

USE .	NB
Single family detached dwelling	Y
Multiple Dwellings	P
Renting of one or two rooms by a resident family to not more than three non-transient persons	Y
Nursery-school or other use for the day care of children	Y
Hospital, sanitarium, nursing, rest or	
convalescent home, charitable institution or other non-correctional institution use	p
Hotel, motel or over-night cabin	N N
Service or "filling" station	S
Commercial parking lot or parking garage storage of junk or scrap material	N
Salesroom for motor vehicles, trailers.	
farm implements of machinery, with repair services and storage permitted	N
Repair garage for motor vehicles	N
Auto body, soldering, or welding shop Wholesale office or showroom, including indoor	N
warehouse facilities	N

Commercial indoor or outdoor amusement or recreation place or place of assembly, not including outdoor movie theater, providing that the building is so insulated and maintained as to confine the noise to the premises and is located not less than one hundred feet from a residential district

Riding Stable

Outdoor movie theater

Drive-in or open-air business and appurtenant buildings or structures

or take any other action relative thereto,

### NO MOTION MADE UNDER THIS ARTICLE

Article 42. To see if the town will vote to amend the protective Zoning Bylaws of the town by adding to Section IV-B. Schedule of Intensity Regulations, a District named Neighborhood Business having the same intensity regulations as the Business district now on said schedule, or take any other action relative thereto.

### NO MOTION MADE UNDER THIS ARTICLE

Article 43. To see if the town will vote to amend the Protective Zoning Bylaws of the town by adding to Section V, Special Regulations, a paragraph entitled "Structural alterations -- Neighborhood Business District", as follows: No building permit shall be issued for any structural alterations to an existing building in the District that would change its roof lines or sidewall lines other than by an addition of the same architectural style as the original building, or take any other action relative thereto.

### NO MOTION MADE UNDER THIS ARTICLE

Article 44. To see if the town will vote to change the lots zoned R-B (Residential) having frontage on the northerly side of Main Street from the Route 3 bypass to May Avenue, and having frontage on the southerly side of Main Street from the Route 3 bypass to Lot 12B, all of said lots

being located on Block 11, to N-B (Neighborhood Business), or take any other action relative thereto.

#### NO MOTION MADE UNDER THIS ARTICLE

Article 45. To see if the town will vote to extend the business zone on Main Street to include all lots on Block 11 having frontage on the northerly side of Main Street from the Route 3 bypass to May Avenue, and all lots on Block 11 having frontage on the southerly side of Main Street from the Route 3 bypass to Lot 12B, or ake any other action relative thereto.

#### NO MOTION MADE UNDER THIS ARTICLE

Article 46. R. Newton Heston moved that the town vote the following Bylaw: The annual town meeting may not be held unless two weeks have clapsed from the distribution of the annual town report as provided under General Laws, Chapter 40, Section 49.

Joseph L. Robinson moved to amend that the article read one week.

#### AMENDMENT WAS CARRIED

It was then voted that the town vote the following Bylaw: The annual town meeting may not be held unless one week has clapsed from the distribution of the annual town report as provided under General Laws, Chapter 40, Section 49.

#### FINANCE COMMITTEE RECOMMENDED NO ACTION

Article 47. To see if the town will vote the following Bylaw: that all budget items showing an increase over the previous year of  $7C_{\ell}$  (seven percent) or more to be voted upon at the annual town meeting will be by secret ballot, or take any other action relative thereto.

#### NO MOTION MADE UNDER THIS ARTICLE

Article 48. To see if the town will vote that a sum of money now

available in Free Cash be appropriated for the use of the Assessors in the reduction of the tax levy.

### NO MOTION MADE UNDER THIS ARTICLE

Article 49 was acted upon after Article 28.

On the motion of Charles L. Farrington, Jr., voted to adjourn (5:15 P.M.).

Vote checkers were: Catherine J. Bartlett, George A. Walsh, Phyllis P. Ponte, Marie A. Ruel and Jane Sturtevant acted as speaker carrier.

Number of voters present: From 10:00 A.M. to lunch — Precinct 1—91 and Precinct 2—137; total—228.

In the afternoon an additional 71 voters checked in, making a total for the day — Precinct 1 - 140 and Precinct 2 — 159; total — 299.

Town Clerk	317.51
Election & Registration	317.51
Library	572,40
Council on Aging	1,492,40
Water Department	1,566.80

### FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

Article 2. Richard A. Ottino moved that the sum of \$4,000,00 be raised and appropriated and added to the Fiscal Year 1980 Selectmen's Expense Account for the hiring of a personnel consultant.

James C. Judge moved an amendment that the sum of \$1,000.00 be raised and appropriated and added to the fiscal year 1980 Selectmen's Expense Account for the hiring of a personnel consultant to review and expand job descriptions submitted by the Selectmen to that consultant.

#### AMENDMENT WAS DEFEATED

A motion was then taken on the original motion and it was voted that the sum of \$4,000.00 be raised and appropriated and added to the Fiscal Year 1980 Selectmen's Expense account for the hiring of a personnel consultant.

Article 3. On the motion of William B. Martin voted that the town vote to exceed the appropriations limit established under Chapter 151 of the Acts of 1979 by the sum of \$20,040.22; and that the Town vote to exceed the levy limit established under Chapter 151 of the Acts of 1979.

### YEAS - 137: Nays - 2 THIS MEETS THE 2/3'S REQUIREMENT

On the motion of Joseph L. Robinson, it was voted that this meeting be adjourned. (8:10 P.M.)

Number of voters present: Precinct 1 — 68 and Precinct 11 — 84; Total — 152.

Tellers: Catherine J. Bartlett and Phyllis P. Ponte.

# REPORTS OF ELECTED OFFICIALS

# ASSESSORS REPORT FOR 1979

The Board would like to thank the voters at the May, 1979 Annual Town Meeting for their support of the most necessary funding requests submitted to operate in Fiscal Year 1980. As you know, since the implementation of full, fair cash value for Real Estate Taxes, it has become very important to be able to acquire the proper computer services.

The system employed by the board to value property is flexible and will be used to upgrade values of property so that the Town can remain in compliance with the voter mandated "One Hundred Per Cent" valuation program. The cost to do the updating in Fiscal year 1981 will be kept at a minimum. The Board is planning to ask for these funds in May, 1980.

The total valuation of the Real and Personal Property for Fiscal Year 1980 was just slightly under \$113,000,000. The Tax Rate was \$32.00 per thousand and it was necessary to raise some \$3,500,000 by local taxation to operate the Town for the year.

Applications for the Statutory Exemptions allowed to Widows, Over Seventy and Veteran Taxpayers must be in by December 15. Other requests for abatements are due thirty days from the mailing date of the bill. Further, requests for Motor Vehicle Excise Tax abatements must be filed by December 31 of the following year.

The Board would like to thank all those who were so patient and understanding of our efforts during the year. We do appreciate the positive attitudes we encountered. If we can be of assistance, please feel free to call upon us.

## REPORT OF THE LIBRARY DIRECTOR FISCAL YEAR 1978-1979

During this busy fiscal year memorial funds were established in the names of Elspeth Saunders Hardy and Ruth Forbes Chandler. These funds are being used for the benefit of the young people of Kingston.

Mrs. Hardy was a beloved teacher in the Kingston Elementary School system for 39 years, and served as a substitute after her refirement.

Mrs. Chandler, also a teacher, during her retirement years spent in Kingston, was author of several books for young teenagers. The funds have been accumulated by generous donations from their many friends and relatives.

A wide selection of books designated by special bookplates has been added to the children's collection, as well as some audiovisual materials.

The oil painting of Delano's wharf, by Marshall Joyce, which hangs in the main reading room is in memory of former Trustee Janet Cronin Giammarco, who served for 27 years, most of that time as Secretary to the Board. Books acquired from the Giammarco Memorial Fund are chosen with Mrs. Giammarco's varied interests in mind.

The Library collection of books is estimated at 35,800, with the addition of 1,351 books during this Fiscal Year.

Recordings and cassettes have become an important addition to the materials available and now number more than 1000 items.

Statistics indicate that more than  $47C_i$  of the adult voting population, in addition to high school students over the age of 14, have library eards. In the Children's Department,  $96.6C_i$  of those

in grades one through eight have their Library membership cards, and use them extensively.

it's been a good year!

# REPORT OF THE FREDERIC C. ADAMS PUBLIC LIBRARY

The Fiscal Year 1978-1979 Library operating expense from Town appropriation was divided as follows:—

Books, Periodicals &	
Audio-visual Materials	\$16,101.48
Equipment & Supplies	2,233,32
Repairs	290.22
Heat & Electricity	2,499.48
Telephone & Alarm	592.75
Association Expenses & Travel	130.83
•	\$21,848.08
Salaries & Wages	\$39,213.97
Total	\$61,062.05
For the benefit of the Public Library, the Tow	n received:
From Dog Licenses	\$ 3,413.00
Book Charges	135.31
State Aid to Libraries	2,541.00
Total	<b>\$6,089.3</b> 1

From endowed funds, the income is accounted as follows: -

From previous year		RECEIVED	PAID	OUT
Interest from funds		\$10,088.96	. \$	
Tont fullds	1.	2,548,47		

Treasurer's bond and salary	٠.	120.00
Postage & Supplies		95.00*
Returned to principal		00.000,1
Balance forward		11,422.43
Total	\$12,637.43	\$12,637,43

## REPORT OF THE BOARD OF HEALTH

The operation of the sanitary landfill requires a major portion of the operating budget of the Board of Health. As this method of disposal of solid waste is proven to be the most economical of all, the Board is constantly looking for ways to further reduce the cost of the operation to the taxpayer. A schedule of fees instituted this year returned in excess of ten thousand dollars to the town. We were very fortunate in having the Kingston Boy Scouts and us in our land clearing efforts, and at no cost to the town they have cleared all trees from our next area of operation. By selling the wood, the Scouts were able to buy equipment and finance their summer camp for next year. A number of articles will be placed before the annual town meeting for the purchase of equipment and building at the landfill. We are presently in our second year of a three year contract for the rental of equipment at the landfill. With projected increases in the cost of renting equipment, we feel that owning our own equipment will not only be more economical, but will allow us to perform other maintenance projects and be available to other town departments. A report by the Old Colony Planning Council stated that the town of Kingston was in excellent condition in regards to the disposal of solid waste. We have both the land and the cover material to operate by this method for many years to come.

The maintenance project at the offal pits is nearly complete. We have reduced the number of licenses for the use of the pits to three. We feel that this is a sufficient number of vendors to care for the needs of the town. This also makes it a great deal easier to control the use of the pits. It may be of interest to note that of the surrounding towns of Carver, Plympton, Halifax, Pembroke. Duxbury and Plymouth, only the towns of Plymouth and Kingston have municipally-operated disposal areas.

Attendance at the clinics conducted by the Community Nurse has been good during the past year. We hope more residents will avail themselves of this free service.

Our Health Agent is continuing his program of semi-annual inspections of all stores and restaurants. All water samples taken at bathing areas were above acceptable levels.

The new ULV mosquito spraying machine has been put into operation. We have found it so be much more economical and safer than the old fogging method. The machine had to be placed on a trailer this season, making it impossible to spray some streets in town. Hopefully, we will be able to mount it on a pick-up truck this coming season, which will make it a safer operation and give access to all the streets in town

The Board wishes to express our sadness at the passing of our clerk. Florence Donovan. Florence will be fondly remembered by all that knew her.

### REPORT OF THE HOUSING AUTHORITY

The Kingston Housing Authority is presently filled to its capacity. There are 55 tenants residing at "Meadowerest."

Because of the large number of applicants on the waiting list, Board members feel the need for additional low-income elderly housing a Kingston is still very much present and on the increase. One of the main objectives of the Authority Board Members is to attempt to obtain funding to meet present and future needs.

Residents of "Meadowcrest" have had an extremely active year, using the Leroy Peck Commons Room for their functions. The greenhouse was used to grow the many flowers that beautified "Meadowcrest" during the Spring and Summer months. The Housing Authority has been pleased to have been able to provide the opportunity for its elder citizens the use of its facilities whenever they have so requested, and will continue to do so in the future.

The Authority wishes to thank the American Federation of Musicians for the concerts they have provided our citizens. The Authority also wishes to thank the Kingston Elementary students, Sacred Heart students, and the Kingston Boy Scouts of America and their leaders for their concern for our elderly citizens of "Meadowcrest."

Applications and information may be obtained from the Executive Director at the office of the Kingston Housing Authority on Hillcrest Road. All applicants are placed on a waiting list until vacancies occur.

The Authority wishes to express its gratitude to all Town Departments for their cooperation during the past year

# REPORT OF THE PARK COMMISSION

The 1979-summer season at Gray Beach was very successful. It is satisfying to see the large number of Kingston residents taking advantage of our fine facility at the beach. Under the auspices of highly qualified water safety instructors, the free Red Cross swimming lessons were well received. We presented 198 ribbons to winners. The fourth annual "Gray's Beach Day" a day of family fun and water sports was well attended and successful. As is our tradition, geraniums were planted at all town memorials. We still have large amounts of vandalism at the beach.

We collected parking fees from outside guests at \$5,00 per car. We collected \$1,565,00 for the town treasurer to help reduce taxes.

In summary, we would like to thank all residents of the town and town employees for their help, and ask for your continued support for the coming year.

# REPORT OF THE PLAYGROUND COMMISSION

During the year 1979 the Reed Community Building and the Captain Fred L. Bailey Playground received maximum use. It is rewarding to see so many town organizations using the facilities.

In keeping with our continuing policy of building improvements we have had the building completely rewired. To safeguard the facility a burglar alarm system is being installed to protect the building for future

generations. Thanks to the Elizabeth P. Sampson Fund, the lower half is now equipped with 225 new metal chairs and 25 new tables.

The summer program, under the able direction of Kevin McAuhffe had another successful season with many children involved for its eight-week program. The children enjoyed many programs and field trips under the direction of Russell Benassi, Noranne Teets, Mike McPherson, Annette Lopes, Kevin Benassi and Michelle Candim.

The four fields were in constant use as the 10 different leagues scheduled their practices and games. The flooding of the Little League field in the spring of 1978 has been corrected. The embankment between the children's playground and the tennis courts has been improved to correct the erosion problem.

The commission would like to note the retirement of Chairman John J. Goslin who gave many hours of service. His dedication to the committee and the playground has been greatly appreciated.

## REPORT OF THE PLANNING BOARD

The Planning Board during this year concerned itself with the following:

Rescission of the Independence Industrial Park approval at Mr. Davis' request, Mr. Davis plans to lease the land to Beehtel Corp.

The Planning Board approved the third phase of the Perelund Industrial Park.

The Planning Board concerned itself with the center of Town which is adversely affected by the new shopping center and consulted with numerous engineering and architectural firms.

Two plans submittd by the Water Dept, for water wells for the Town one located on Route 80 and the other at Grassy Hole were approved by the Board; also several other Form A plans were submitted and accepted by the Board.

# REPORT OF THE TREE WARDEN AND MOTH SUPERINTENDENT

Baying received no comments in regard to combining the reports of the departments of which I am in charge, I will repeat it for the second year.

The increase in the cost of trees has been the main factor in not planting as many as I would like to have done. For the benefit of the new residents in town, the program instituted several years ago of planting our own nursery is not feasible, as the theft and vandalism thereto prohibits the continuation of such an operation. Overhead and roadside trimming was, as usual, performed as needed. This is a never ending chore but a very necessary one, as it is a protection for the traveling public. The Ash tree leaf rust, which runs in cycles, was extremely prevalent this year and necessitated constant attention thereto, Also, the Fall Web Worm has remained in town and, as previously reported, is extremely difficult to control.

It became a necessity this year to borrow a hydraulte sprayer from a neighboring community so that the most effective means of infestation control could be conducted. I am most grateful to this town for their cooperation at a time when it was sorely needed. A request will be made to the voters at the next annual town meeting to purchase a new sprayer. Unless this needed equipment is replaced, the department will be hard pressed to function in the manner needed to protect and keep the trees now established.

My appreciation and thanks is expressed to the members of my departments and to all officials, departments and citizens for their assistance when needed.

# REPORT OF WATER COMMISSIONERS

Our 1979 fiscal year was marked by a record of the water pumped of 414,252,100 gallons, up 3,961,300. The income showed improvement although the cost of operating the water department is increasing at an all time high. Energy costs are a big item in the operation of your water department. Due to the energy related problems your water commissioners will find it necessary to study the present water rates which may require the commissioners to recommend an increase in your water bill

#### STATISTICS

Water pumped	1977	1978	1979
(gallons) Greatest amt. in any one day Greatest amt. in one week	361,212,500	410,290,800	414,252,166

## REVIEW OF THE PROPOSED WELL

Rids were opened for the development of a new well in the "Grassy Hole", so-called, off Smith's Lane, and it is anticipated that a contract will be awarded early in January for this well. Following will also be the award of a contract for pumping equipment and pump house. During this construction we will lay a new main from this well along Smith's Lane to the Kingston-Plymouth line.

#### PROPOSED ARTICLES FOR 1980

- 1. Trench pump :
- 2. New truck to replace the GMC truck
- 3: Additional funds will be necessary to purchase additional land for the proposed well site on Route 80.

Our Superintendent, Richard W. O'Brien, retired December 31, 1979. After 16 years of faithful service. Dick, as he was known to us, also served as a water commissioner prior to his appointment as the superintendent. He valued his affiliations and was a credit to the town. He was a great influence and a leader in this community. We wish Dick many happy years of retirement.

We wish again to express our sincere thanks to all our citizens of Kingston for their continued cooperation and support, and to our employees, our thanks for their loyalty.

## REPORT OF THE CIVIL DEFENSE DIRECTOR

Until recently, Civil Defense evacuation planning has focused on the movement of people from major target areas to places considered safe from enemy missile attack. The accident at Three Mile Island, however, has caused a change in priorities; emphasis now is on evacuating people from the vicinity of nuclear power stations in the event of radioactive emission. Since approximately two thirds of Kingston has within a 10-mile radius of Pilgrim I, the last several months of 1979 required an intensive evacuation planning program which is continuing into 1980.

Planning sessions under the direction of State Civil Defense officers

have been held in Braintree, Plymouth, Middleboro and Hyannis, representing Kingston CD at these sessions were Marlene Resnick, shelter officer; Fred Woodworth, special communications officer; and the director and deputy director.

A two-weekend course to train radiological defense officers was given at the Governor Carver Motor Inn in Plymouth, with Marlene Resnick and Richard K. Bonney attending from Kingston. In addition, four science teachers from the Silver Lake Regional school system enrolled through Kingston CD. Marlene Resnick, Fred Woodworth, and the director and deputy director also attended nine monthly Area II meetings at the headquarters in South Braintree.

Kingston CB'ers participated for six weeks in a special nightly anticrime patrol. This agency is grateful to those who volunteered their time to this effort.

Vernon Cushman, for another year, has remained faithful to his radio contact with Area II headquarters, and has established a fine reputation for reliability in the monthly radio drills.

We have continued to acquire shelter necessities, including cots and blankets, which are stored both at Kingston Elementary School and at the highway barn on Evergreen Street. We now feel we can provide comfortable emergency shelter for 75 persons before contacting the American Red Cross for additional equipment.

The civil preparedness information booklet, "In Time of Emergency" has been well received; as a result we have acquired 500 more copies and distribution has begun. We are grateful to Butterfield Insurance Agency for its assistance in distributing these booklets.

We also thank the town departments and support organizations for their assistance in the basic evacuation planning.

# INTERIM REPORT OF THE CAPITAL OUTLAY COMMITTEE

The Capital Outlay Committee has heard, and is continuing to hear. requests from various town departments and committees for proposed

capital expenditures. These requests range in size from \$5,000 to very substantial sums. We are again pleased to report that the various departments have been most cooperative in discussing their requests.

The Committee is in the process of revising the schedule of capital improvements to be considered by the town over the next ten years. Approval of the expenditures as scheduled should enable the town to stabilize the taxpayer's burden, while allowing the various departments to efficiently continue the services required by the townspeople

# REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission issued 10 orders of Conditions, 4 Cease and Desist Orders and 3 Certificates of Compliance. The Commission also extended the Order issued to Kingsbury Mall which is now complete. This was one of the largest projects the Conservation Commission has been involved with. The Commission also issued an Order for the Mobile Home Park located off Summer Street at the Duxbury line. Construction of the park will be starting early this Spring. An Order of Conditions will soon be issued to Pyramid Companies of New York for the construction of a large Mall located on Arons Way off Smith's Lane. This will be a very large Mall with some 80 stores. Ground breaking will take place sometime in January.

This past year Sampson Park was given a much needed face bifung. Under the direction of our associate member, Mr. Robert Mulliken, the roads were improved with gravel and stone and the shrubbety was pruned and fertilized. A new fence was put along the front of the park to replace the original fence which had seen better days. The Plymouth County Conservation Corps spent 2 weeks at the park cleaning the nature trails and cutting the brush from the edge of the river to allow better access for fishing and boating. We would like to thank the young people involved in this project, as it was a great service to the town. We hope to continue to improve Sampson Park so that it can be used for recreational purposes.

# REPORT OF THE COUNCIL ON AGING

During the past year the Council has made an increasing number of

services and programs available to the 1142 elderly in Kingston.

A monthly newsletter keeps seniors in touch with Council activities and legislation affecting their lives.

Weekly hot lunches at the Reed Community Center have provided an avenue of sociability and nutrition to seniors. Attendance at the lunches totalled 2558 during the year.

The Senior Shuttle Bus provided transportation for medical appointments, shopping and trips to 250 seniors each month.

Three six-weeks-long Humanities Courses were given by the Council

The Council on Aging acts as an information and referral center for social security, employment, food stamps, housing, tax assistance, and homemaker services. The Council also provides friendly visiting to the confined elderly, monthly health clinics, and has a drop-in center where courses and activities are held.

A new director, Margaret Bittinger, came to the Council in November, to broaden the base of services and programs through Outreach to all the elderly in Kingston.

# INTERIM REPORT OF THE FINANCE COMMITTEE

The Finance Committee has met regularly and will be reviewing budgets for the forthcoming Town Meeting.

With the rising costs of energy and inflation, it will be difficult to remain within the Tax Cap without cutting services. It is anticipated that all efforts to cut unnecessary expenditures will be made. Close examination of each item, in every budget, must be made by the responsible department heads. It is the responsibility of the Finance Committee to review the budget as submitted and to make recommendations to the respective departments and Town Meeting. In making these recommendations, it is sometimes necessary to suggest unfavorable action with respect to expenses which may, on their face value, seem beneficial.

However, with the overall budget in mind, they may not be financially feasible at this time.

Part of the function of the Finance Committee is to review requests for transfer of funds to meet unforeseen circumstances. In all such cases the requesting department must meet with the Finance Committee to discuss the transfer. From the end of Town Meeting through January 15, 1980, eight (8) requests for transfer were approved.

# REPORT OF THE FIRE DEPARTMENT

The Annual Report for the year 1979 of the Board of Fire Engineers and Forest Warden is herewith submitted.

During 1979, the calls for assistance answered by the Fire Department increased by 10% over the previous year. As in the past, the annual increase in calls is much greater than the annual increase in the population of the Town.

The first phase of the Department's 10 year program to upgrade equipment and apparatus was implemented with funds approved at the

Annual Town Meeting. A new pumping engine was delivered in October and 2 pieces of apparatus were phased out of service. New equipment and hose were purchased for the fire apparatus and even though the Department has less apparatus than in previous years, the less of protection has not been reduced and the existing apparatus in being condition and better equipped. New breathing apparatus and protective equipment for the firefighters was also purchased and the men in the field are better equipped and protected to do their job. A medical radio unit was put into operation in the emergency ambulance to give direct communication from the scene of an incident to the doctors in the emergency room at the hospital.

The fire station on Maple Street continues to be a problem due to a location and condition. The Board of Fire Fighters will ask the 1969 Town Meeting to appoint a study committee to investigate and recommend to the town steps to correct this situation.

The acceptance at a previous Town Meeting of legislation required smoke detectors and fire alarm systems in certain buildings was finally implemented. Challenges to the legislation in Superior Court resulted a several delays, but the court upheld the legislation and the Department proceeded in late 1979 with enforcement. Eventually, all motels, lodging houses and apartment houses will be required to have this important protection system installed.

The energy crisis has affected the Department in 2 areas this year and will continue to be a problem in the future. The operating budget for the Department has increased dramatically due to the costs of fuel and the price of products made from petroleum-base materials such as hose. The increased use of alternative energy for heating by homeowners, such as wood stoves and fireplaces, has resulted in an increase in the number of fires associated with the use of wood as a heating source.

Labor problems from employee unions due to State mandated hudget limitations and the changes in the Department that are necessary to modernize and upgrade the Department and still maintain a good level of protection for the Town, have consumed a great deal of time this year. This will continue to be a problem, but the Department will continue to provide the best possible protection to the Town as it has in the past.

### CLÁSSIFICATION OF CALLS

Fires - Rescue - Misc. calls	520
Inspections/Investigations	362
Medical Emergencies	366

# REPORT OF THE HARBORMASTER

This year over 230 hoats were moored in Kingston Waters, with Kingston residents having first preference to racks and mooring space.

There were 26 non-resident stickers issued this year,

The application for a permit for dredging the silt in the river and launching area is still pending

The following is a summary of calls received and answered during this year: —

Coast-Guard	75	
Police calls	7	
Boats Stolen	3	
Stolen Boats recovered	1	
Boats Missing	10	
Missing Boats recovered	10	
Boats Disabled and Towed	25	
Boats Checked for Safety Devices	[4]	
Boat Violations and Warnings	10	
Tickets Issued for Illegal Parking	25	4
Complaints from Smelt Pond Residents	2	
Harbor Patrols	67	
Night Patrols	ĸ	

All my thanks for the cooperation and help extended to me by the Highway Department, Waterfront Committee, and the Police and Fire Departments for their assistance.

Also my thanks to all boaters, who made the Kingston waters a safe and enjoyable place for boating this season.

# REPORT OF THE HIGHWAY DEPARTMENT

Rising asphalt prices have again played a major part in preventing your Highway Department from paying or treating the necessary amount of roads required to keep our roads in the condition the citizens of this community expect. Because our roads are presently deteriorating at a faster rate than they are being improved, this department will request at the 1980 town meeting that we embark on a road improvement and paying program using gas tax monies collected by the state and returned to the town.

The following roads were paved during 1979:

Type I .... Evergreen Street
Cold Emulsion Mix ...... Bradford Avenue (portion)
West Street (portion)
Indian Pond Road (portion)

Insufficient funding prevented this department from applying any sand or stone sealing in 1979.

Berms were installed where needed as the budget allowed.

Construction of Rocky Nook Avenue extension, North Street, and Standish Avenue voted at the 1979 town meeting, were undertaken and will be completed in 1980.

State Aid Construction of Wapping Road continued and the portion from Main Street to the Jones River should be completed in 1980. The remainder of Wapping Road, from the Jones River to the Plympton town line, is expected to be reconstructed by the State DPW with federal funds in 1981.

The mild winter of 1978-79 resulted in savings on snow removal costs and funds were returned by this department. It is hoped another mild winter this year will result in expenditures as low or lower.

Drainage was installed on a portion of Howlands Lane and will be extended in 1980.

Delivery was taken on a 4-wheel drive pick-up truck voted at the 1979 town meeting.

I wish to thank all Highway Department personnel, other departments and town officials for their cooperation and assistance

# TRUSTEES FOR PLYMOUTH COUNTY COOPERATIVE EXTENSION SERVICE

The Plymouth County Cooperative Extension Service Office is located on High Street, Hanson, and can be reached by calling 293-3541 or 447-5946.

This is repetitious, but for the information of new residents, we are the educational arm of the University of Massachusetts, and the United States Department of Agriculture at the county level. This is where the name, "Cooperative Extension" is derived.

#### STAFF:

Our staff is comprised of a Director, two Regional Agricultural Specialists, a Community Resource Development Specialist, two Home Economists, four 4-H Agents and three clerical staff.

In addition to our County Staff, we administer a Nutritional educational Program for limited-income families in the city of Brockton (Expanded Food & Nutrition Educational Program). We have one professional nutritionist and eight aides. This office is located at 32 Belmont Street, Brockton, and is funded by Federal Nutrition Funds through the University of Massachusetts, our Land-Grant College. This is for both a 4-H and Adult Program.

We have many new and varied educational programs for you. Areas in which our staff have expertise are

Agriculture
Community Resource Development
Home Economics
4-H Youth Program
Nutrition
Energy Conservation.

Our Expanded Food and Nutrition Program (EFNEP) has expanded to all of Plymouth County's 26 towns. This was made possible through the use of C.E.T.A. Funds.

In the 4-H youth phase of the program, Nutrition Assistants and volunteers work to provide education to youth, which will contribute to personal development and improvement of diets and nutrition of their families. In 1978-1979 there were 43,779 youth involved in our 4-H EFNEP Nutrition Program. You can obtain information about current programs, as well as up-to-date consumer information, by requesting the free monthly newsletter. This newsletter can be sent to you by calling the Brockton Office at 583-2545.

Through C.E.T.A., we also have two ECAP Teams - Energy Conservation Auditing Programs.

Since May of 1979, we have been performing energy audits for home owners and completed 340 audits on June 30th. With oil at 90c per gallon, this has meant a savings of approximately \$350 per year, if 25% of the recommended improvements have been performed. Last year (1978), over 400 homes had such an audit, so over 750 homes in Plymouth County have had an energy audit.

In the town of Kingston, 36 homes participated in this savings.

In our traditional 4-H Program, we have 1,097 members with 36,480 other youth participating in our short-term and school programs. The 1977 population of Plymouth County schools was 96,287. This means 38.9% of Plymouth County youth have been involved in our programs.

In Kingston, there were 1,619 youth that participated in these programs.

Free bulletins are on display at our office on lawn care, gardening nutrition, home canning and freezing, to name just a few. If you pass our office on your travels, please stop and get to know us. We continue to test soil, free of charge, for Plymouth County residents.

# REPORT OF THE INDUSTRIAL DEVELOPMENT COM-MISSION

This past year (1979) was a progressive year for development and potential development of the Kingston Industrial lands.

Kingsbury Shopping Plaza has been completed with the exception of the new bank building now under construction; the assessed value of the Plaza is nearly \$3,000,000.

Scalund Industrial Properties are continuing with their project and have sold six lots, two of which now have going businesses on them.

R. S. Means Company is now a reality and is a great addition to the Town. We thank them for their determination and patience.

Pyramid Corporation has progressed with its plans for a new Shopping Mall in the South Industrial Park, and has approximately ninety-six acres under option.

Bechtel Corporation of California has leased approximately thirtyfive acres in the North Industrial Park for storage of components for Filgrim II.

We are also sponsoring an article to change the zoning of the Barnes Worsteds Property on Wapping Road (three acres more or less) from Business to Industrial use to correct what appears to have been an oversight when Industrial Zoning was established.

In view of the depletion of Industrial land by use or option, the Commission is submitting an article for consideration by the Town to rezone an additional 147 acres from R. A. Residential Zoning to Industrial Zoning. This 147 acres is located directly to the west of the present South Industrial Park, and would border the Plymouth Industrial Park.

Industry and business are an important part of every Town and contribute greatly to the tax and employment structure.

We wish to thank all Town Officials and others who cooperated with us so fully during the year, proving that the majority of Kingstonians are aware of what industrial development means to the Town.

We hope to continue on this progressive note for 1980 and welcome visitors to our meetings, and appreciate any assistance or suggestions

### REPORT OF THE INSPECTOR OF ANIMALS

Recent years have witnessed a profound change in the makeup of our animal population. There has been a marked decrease in the number of cattle, with a corresponding rise in the number of riding horses and pets in town. This reflects a change in the basic makeup of our communay from what was formerly semi-rural to exurbanite.

As an accompaniment of this trend, there has been a striking increase in the incidence of heartworms in our dog population which is transmitted by the bite of an infected mosquito.

Twenty-four dogs were quarantined during the year on suspicion of rabies because of bites imposed. Fortunately, all of these dogs were released after the customary ten-day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the state authorities.

As a public service, this office organized and conducted, through town auspices, a Rabies Clinic for dogs and an Equine Encephalitis Clinic for horses in town. The clinics were well attended, and have important public health considerations.

The annual census of farm animals was completed and the report forwarded to the Division of Animal Health.

I wish to thank the members of the Board of Health for their cooperation in organizing the inspections and clinics.

# REPORT OF DOG OFFICER

I would like to thank the Dog Pound Committee and the people who donated time and materials for the new building.

A new state law reads that all dogs must have a rabies shot before they can be licensed, so try to make it to the clinic in the spring. Also try to restrain dogs from gardens during planting time and from bus stops.

118 lost dogs were returned to owners.

29 unwanted dogs were placed in homes.

9 unwanted dogs were destroyed.

# ANNUAL REPORT OF THE GAS INSPECTOR

It is important that applications for permits be made prior to commencing the work, and the inspector should be notified when work is ready for inspection.

I wish to express my appreciation to the Alternate Gas Inspector, Robert C. Kirkland, and to the Selectmen's Office and personnel in that office for their assistance in issuing permits for this department.

# REPORT OF THE SHELLFISH CONSTABLE

Due to the resignation of the Shellfish Constable and the time required to find a replacement, no shellfish were seeded this year. The shore was opened for shellfishing for a limited time. The shellfishing area was policed by the constable and his assistant to ensure a continued supply of this resource for the town.

# REPORT OF THE DIRECTOR OF VETERANS' SERVICES

Thereby submit the Annual Report of the Office of Veterans' Services for the year ending June 31, 1980;

	10

State Veterans Services Processed	234
Miles Traveled — Visits & Assistance Miles Traveled to Seminars & Meetings	196

In addition, this office aided veterans, their widows and their dependents in the following areas:

On-The-Job-Training, Elderly Housing applications, Educational benefits, Burial financial assistance, Referring medical problems, Obtaining medical payments, Obtaining Social Security and SSI benefits, Obtaining copies of Marriage, Divorce, Birth and Medical Records, Veterans Administration Annual Income Reports, Medical Expenses, and Nursing Home payments.

The Veterans' Agent's Office is located in the Maple Avenue School at 6 Maple Avenue, and the office is open Mondays from 10:00 A.M. to 2:00 P.M., and Fridays from 10:00 A.M. to 12:00 Noon. Also, the office is open from 6:00 P.M. to 9:00 P.M. on Tuesday and Thursday evenings. The office phone number is 585-4341, and the Agent's home phone number is 585-3773.

## REPORT OF THE YOUTH COMMISSION

The primary focus of this office over the past year has been individual and family counseling. Our role as Youth Advocates has made this office a liaison with many other social service agencies in addition to providing direct service. Referrals continue to come to this office through a variety of community resources, and individuals are welcome to seek our assistance at any time on youth or parent related issues

Community Education continues to be a major priority of this office A lecture series, including such topics as Child Abuse, Chapter 766. Nutrition, and Drug Abuse was sponsored and a course on Parent Awareness is slated to be an ongoing program.

Our recreational activities continue to flourish, and new activities, i.e.; guitar lessons, arts and crafts, and macrame have been added to our existing list of programs. Trips to such exciting places as the Plymouth Airport (for a plane ride), the Circus and the Ice Follies were made possible for many children during school vacations. During the summer, free weekly trips were provided for children of low income families. These trips were funded totally by grant monies. This year, for the first time, we brought some great performances to our town. Among these were the Boston Children's Theater and the wonderful storyteller. Jay O'Callahan.

A major accomplishment this past year was the establishment of youth soccer in Kingston. Permanent goal posts were creeted behind the Kingston Elementary School. This facility is now used extensively during the warmer weather. The soccer program is now under the direction of interested parents, who volunteer their time.

Last April many children participate in our Bike-A-Thon for Cystic Fibrosis. With the assistance of community volunteers, we raised \$1,266.00 for this cause.

Our annual Christmas party was a fabulous success with nearly 200 children in attendance. We are grateful to the businesses that donated food and decorations.

# REPORT OF CAMP NEKON COMMITTEE

The Camp Nekon Committee met on the third Tuesday of each month during the year. Many plans were discussed, but it was the teching of the Committee that future development of the camp property should not take place without first securing the buildings. With that initial plan in mind, the committee set out to advertise for a caretaker for a portion of the property. With the appreciation of the committee, Paul Armstrong, a local resident and contractor, at no expense to the town, put together bid specifications and a floor plan for the renovation of a building to house the caretaker. All bids for this work, however, had to be rejected due to lack of sufficient funds.

Another plan discussed during the year was the development of the beach area and the operation of a summer swimming program. This plan will be given more attention in the near future.

In summary, the town's purchase of the Camp Nekon property is an excellent investment and the future development and utilization of the property can provide many recreational hours for the people of Kingston.

# REPORT OF THE DOG POUND COMMITTEE

The final report of the Kingston Dog Pound Committee is submitted here and we are happy to inform you that the project has been a success, due largely to the help of many generous people in the community. With the exception of the landscaping, which might have to be postponed until spring, the new pound is ready and we of the committee turn over the responsibility of maintenance to the Town of Kingston and the Dog Officer.....(A complete report is on tile with the Town Clerk).

# REPORT OF THE RAILROAD STATION STUDY COMMITTEE

The Kingston Railroad Station, built in the mid-1800's, sits on approximately three-quarters of an acre of land with frontage on Summer

Street. The building and land were purchased by the town in 1962 for \$12,500. An additional parcel of land, actually the former railbed of the Old Colony Line to Duxbury, connects the site to Maple Street and is also owned by the town. In the eighteen years of ownership, the town has derived little benefit from the building although the adjacent land has been used as a parking lot.

Today the Railroad Station is in poor condition. The slate roof is damaged in several areas and is probably leaking significantly. The handsome exterior brickwork appears to be sound for the most part, however, further deterioration of the roof could cause water damage in these walls. The original wood canopies to the east and north have been removed for some time. The original wood windows for the most part are securely boarded up. Inside, much of the main floor has collapsed into the cellar due to rotted floor framing. This was caused by standing water in the cellar, apparently a somewhat recent condition. Very few distinguishing architectural features remain inside the building. All mechanical and electrical systems appear to the unsalvageable. In the fall of 1979 the building was condemned.

Soon after our committee organized, we discovered that we all shared a belief that the Railroad Station should be preserved if at all possible. Its handsome architectural form as well as its historical significance in the development of the commercial center of the town warrants that it somehow should again be made an intergral part of the community.

A preliminary cost estimate was prepared that indicated that renovation costs could well exceed \$100,000, depending on its future use. It was learned that a septic system involving pumps (rather than a conventional gravity-feed system) could probably be designed to service the building.

The Massachusetts Historical Commission, and our State and Federal Representatives, were contacted concerning any funds that might be available for renovation or restoration. Funds could be made available in two general catagories: Historic Preservation and Social Services. Any kind of historical preservation grants or loans would be dependent on the building being declared a National Historic Place. Certain state and federal agencies can make funds available to programs or facilities offering various social services. There are also numerous private foundations that might offer grants or loans; however, any funding source would only consider a specific program or use for the building.

It was determined that there is presently no need for additional office of meeting space within our town departments that would warrant renovation by the town. In view of the fact that there is now discussion of a possible downtown revitalization project the railroad station could play an important role. The town has invested eighteen years of ownership, and demolition of the building at this time does not seem like a sensible option.

The Railroad Station Study Committee makes the following recommendations:

The town should appropriate a small sum of money for temporary repair of the building to guard against further deterioration.

Application should be made to the National Register of Historic Places. If the building is granted such status, this in no way assures the future preservation of the building. However, listing in the National Register makes owners (municipal or private) eligible to be considered for historic preservation grants-in-aid through state programs and eligible for federal tax benefits (private owners).

The town should investigate the possibility of leasing or selling the property to a party interested in renovating the building for commercial purposes. A lease would have to be structured for 25 years or more, to make the property attractive to a would-be investor. If the property were sold, the town could retain ownership of the parking area, or control of it through deed covenants. Additional deed covenants would attempt to control renovation to protect the architectural character of the building and coordination with the intent of any downtown revitalization project that might emerge.

# REPORT OF THE WAGE AND PERSONNEL BOARD

The personnel file which the Wage and Personnel Board began compiling four years ago is now fairly complete, and we hope that it will prove to be of benefit both to the Town and to the employees of the Town in the coming years. If any employee has not yet filled out the form or has come into the service of the town in the past year, would they

please get in touch with the Board and complete a form so that we may keep our files as up-to-date as possible. It is only in this way that the Board can provide the service of storing personnel information for Town employees.

In the course of its meetings, the Board has given its attention to numerous items of concern to non-elective town positions. Salaries have been evaluated with a view to making compensation equitable in terms of responsibility, longevity, and current economic trends. The results of this study will be published in the "Wage and Personnel By-I aw" which will list salary scales from the period of July 1, 1980 to June 30, 1981, as well as itemize additional benefits for town employees, procedures for job classifications and other information affecting salaried positions.

The Board has met with various departments of the Town to discuss all requests made of it in regard to salaries, reclassification of jobs, and other forms of financial renumeration. It has attempted in its consideration to achieve a balance between what is equitable as a just wage and what is equitable for the taxpayers of the Town.

The Board has recommended some non-monetary revisions to the By-Law in order to clarify those nebulous areas which have caused problems in the past. In this connection, the Board wishes to thank the Board of Selectmen, the various heads of town departments, the Finance Committee, and Town Counsel for their invaluable assistance in these matters.

## WAGE AND PERSONNEL BOARD

#### PERSONNEL BY-LAW

#### Section 1. Authorization

Pursuant to the authority contained in Sections 108A and 108C of Chapter 41 of the General Laws, there shall be established plans, which may be amended from time to time by vote of the Town at a Town Meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which

# Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

"Town," The Town of Kingston.

"Civil Service Law," Chapter 31 of the General Laws of the Commonwealth, as amended, and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

"Classification Plan," class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

"Class," a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity; "Position Class," same as class (a class may include only one position, in which event it is defined as a "single position class");

"Group," an occupational group of classes appearing in Schedule A of Section 8:

"Department Head," the officer, board or other body having immediate supervision and control of a department:

"Employee," an employer of the Town occupying a position in the classification plan;

"Department," a department, board, committee, commission of other agency of the Town subject to this by-law;

"Fiscal Year," 7-1 to 6-30 within the year of this by-law;

"Administrative Authority," the elected official or board, or the appointed official having jurisdiction over a function or activity:

"Full-time employment," employment for not less than seven hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave and other leave of absence;

"Part-time employment," employment for less than full-time employment, as defined above;

"Continuous employment," employment, uninterrupted except for required military service and for authorized vacation leave, sick leave, bereavement leave, or other leave of absence;

"Full-time employee," an employee retained in full-time employment:

"Part-time employees," employment for a minimum of twenty hours a week on a regular basis;

"Position," an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

"Permanent position," any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

"Permanent employee," (1) an employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law; "Temporary position," or "seasonal position," any position in the Town service which requires or which is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work of its occupation group shall be considered as part-time;

"Temporary employee," (1) any employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

"Intermittent service," personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service; "Casual service," personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through C in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B, B-1 and B-2 of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services:

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

"Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar differences between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in a range of compensation grade:

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

#### Section 3. Personnel Board

(a) There shall be a Personnel Board to be known as the Wage and Personnel Board, composed of three (3) unpaid members, who shall not be employees or elected officials of the Town, responsible for the administration and maintenance of classification and compensation plans. One member of the Board shall be appointed by the Moderator, one member by the Finance Committee and one member by the Board of Selectmen. The three members of the Board shall be appointed for terms of one year, two and three years, respectively, and upon the normal expiration of these terms their successor shall be appointed by the same appointing authorities for terms of three years.

Original appointments to the Wage and Personnel Board under this by-law shall be made not later than thirty days following the effective date of the by-law; and subsequent appointments shall be made within thirty days following the expiration of the term of the Board member who is to be replaced.

The Board shall draw up and recommend to the Town a proposal for classification and compensation plans for consideration as a Town by-law; and shall from time to time recommend to the Town any action deemed necessary to maintain a fair and equitable pay level.

The Board shall make an annual report in writing to the Finance Committee and the Board of Selectmen 60 days prior to the annual Town meeting.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws:

- (c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.
- (d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary and clerk. A majority of the board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.
- (e) The board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.
- (f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request
- (g) The Board shall maintain written job descriptions of specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.
- (h) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for a position, and, or such other variance in the compensation plan as it may deem necessary for the proper functioning of the services of the Town. No variance shall become effective unless, or until, the necessary funds have been appropriated therefor.

#### Section 4. Classification Plan

(a) All positions in the service of the Town except those excluded in Section I are hereof classified by the title appearing in Schedule A of

Section 8 which is made a part thereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

- (b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.
- (c) The Title in each class, as established by the Classification Plan shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.
- (d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification and compensation plans.
- (e) In filling any vacant position which comes under the By-law such positions must be advertised for at least two weeks in the newspapers which the Town customarily uses for legal notices. If the open position can be filled by promotion from within the department, then the vacancy need not be advertised. The last vacancy, however, which results from such promotion or promotions, must be advertised as indicated above.

## Section 5. Compensation Plan

- (a) The Compensation Plan shall consist of Schedules B through Cin Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.
- (b) All employees shall continue to be paid on an hourly, weekly, semi-monthly, annual or other basis, as at present, except as provided in the Compensation Plan, unless otherwise authorized by the Personnel Board.

- (c) No department head shall fix the salary of any employee in a position so classified except in accordance with the Compensation Plan.
- (d) No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the Classification Plan under any title other than those appearing in Schedule A of Section 8.
- (c) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:
- 1. On January first or July first provided he has completed thirty weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.
- Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of compensation grade to which his position class is assigned.
- 3. Employees in continuous part-time employment eligible for increments under the provision of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedule B. or B-1 or B-2 of Section 8.
- (f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B, or B-1 or B-2 of Section 8 shall receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year.
- (g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4(b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, or B-1 or B-2, the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.
- (h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the

next increment of his compensation grade effective the next January or July first following completion of thirty weeks at the rate resulting from the promotion.

- (i) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B, or B-1 or B-2 of Section 8 this rate shall not be reduced, but shall become a personal rate applicable only to said employee as defined in Section 2.
- (j) Each department head of a department to which is assigned an employee occupying a position in the Classification Plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing fiscal year and shall furnish a copy thereof to the Board.
- (k) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

#### Section 6. Amendment of the Plans

(a) The Classification Plan and/or the Compensation Plan and or other provisions of this by-law may be amended by vote of the annual Town Meeting. Requests for such amendments shall be made to the Board in writing. All written requests of amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this by-law must be submitted to the Board no later than three months and fifteen days prior to the annual Town Meeting. Whenever such a petition is received the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days written notice. Prior to the next annual Town Meeting the Board shall file with the Selectmen for insertion in the warrant for the next annual Town Meeting an article sufficiently stated to permit the Town to act upon the subject matter or any such petition, provided that the subject matter or petition be recommended by an affirmative vote of 2 of the 3 members of the Board. Any subject matter or petition which was submitted to the Board within the prescribed time limits as stated above which the Board did not act favorably upon may be presented at the annual Town Meeting. At the same time, the Board shall file with the Finance Committee a final report, with recommendations, pertaining to any such petition, provided that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of 2 of its 3 members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is, supported by an affirmative vote of 2 of its members; the Board shall proceed according to the preceding subsection to insert an article in the Warrant and to report its recommendations to the Finance Committee.

## Section 7. Continuing Review

The Board, from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions to the provision of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

### Section 9. Work Week

The work week for full-time or seasonal employment in each occupational group shall be as follows:

	Work Week
Group	35 hours
Clerical	22 hours to 35 hours
Library	(as required)
a . * .	40 hours
Custodial	40 hours
Labor	40 hours
Police	42 hours
Fire	As required (a)
Administrative	As required (a)
Supervisory	As required (a)
• •	As required (a)
Others	•

(a) "As Required" shall mean the total number of hours in the week needed to perform the duties of the position, as determined by the appropriate administrative authority.

## Section 10. Overtime Compensation

#### (a) Clerical Group:

An employee shall be compensated at one and one-half times his regular rate for hours in excess of thirty-five (35) hours per week.

#### (b) Library Group:

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of thirty-five (35) hours weekly.

## (c) Custodial and Labor Groups:

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of forty (40) hours weekly. A minimum of two hours of overtime pay shall be guaranteed on call back.

### (d) Police Department:

As specified by contract between the Town and the Police Association,

## (e) Fire Department:

As specified by contract between the Town and the Fire Association.

- 1. A uniformed employee in Compensation Grade F-1 in full-time employment who is required to work beyond his normal tour of duty, responds to a box alarm when off duty, or is called back for standby duty, forest fire fighting, snow shoveling or forest fire patrols shall be compensated at one and one-half (1½) times his regular rate of pay. A minimum of two hours of overtime pay shall be guaranteed on call back.
- 2. The hourly rate of overtime pay for personnel covered in Section 10 (e)(1) shall be one forty-second (1/42) of the employee's regular week's pay times one and one-half (1½).

# (f) Administrative Group:

1. An employee normally is not entitled to overtime, but shall be granted compensatory time at the convenience of his department head for hours worked in excess of forty weekly, or whatever constitutes his normal work week.

- 2. The Deputy Fire Chief is not entitled to any overtime work involving recalls and inspections. The annual salary under F-2, Step IV of Schedule B-2 is considered compensation for this work.
- 3. The Deputy Fire Chief shall receive the sum of \$450 to be made available on the first pay day of the new fiscal year and every fiscal year thereafter, providing that he has been recertified as an Emergency Medical Technician by the National Registry of Emergency Medical Technicians:

### (e) Supervisory Group:

A supervisor is not entitled to overtime, as he has the authority to approve overtime compensation for his subordinates. He is entitled to take compensatory time which he shall report to the proper administrative authority if requested. He shall also make adequate provisions for the supervision of his department in his absence.

### (h) Water Department:

Any employee of the Water Department who becomes certified under the Department of Public Health to operate the water system shall be eligible for an additional compensation of \$250 per year.

### Section 11. Clothing Allowances

#### (1) Police Department:

As agreed by contract.

### (b) Fire Department:

As agreed by contract.

### (c) Highway, Tree and Water Department:

A full-time member shall receive a clothing allowance to be paid by the town for rental of work clothes for members of the department as designated by department head and approved by Wage & Personnel Board.

#### (d) Rental:

Work clothes allowances to be made for other full-time employees on individual recommendations of department heads to the Wage and Personnel Board.

#### Section 12. Paid Holidays

Legal holidays within this By-Law will be holidays specified by State Legislature, on which days employees shall be excused from all duty not required to maintain essential town services.

- (a) Changes to State Law for long weekends (Mondays) as required
- (b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms.
- 1. If paid on an hourly basis, he shall receive one and a half times his regular rate based on the number of hours actually worked on the day on which the designated holiday occurs,
- 2. If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.
- (c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holidays, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.
- (d) An employee in continuous employment occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in sub-section (a) shall be paid at his regular rate for such a day or fraction thereof in addition to the amount to which he is entitled under sub-section (b).
- (e) At the request of the employee, he may be granted compensator time off at the convenience of the departments in lieu of payment provided under sub-section (d).
- (f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.
- (g) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday, and if on a Saturday, the preceding day shall be the legal holiday.

# Section 13. Vacation leave

### Police Department:

As agreed by contract.

### lire Department:

As agreed by contract.

- (a) A full-time employee in continuous service shall granted two weeks vacation with pay at the completion of one year of service.
- (b) A full-time employee who terminates employment after less than one year of service shall be granted one day of vacation with pay for each full month of continuous service completed, but not to exceed one week of vacation.
- (c) A full-time employee who has completed five (5) continuous years of service shall, in the year during which this length of service has been completed, be granted three (3) weeks fifteen (15) days of vacation with pay.
- (d) A full-time employee who has completed ten (10) continuous years of service shall, in the year during which this length of service has been completed, be granted four (4) weeks—twenty (20) days of vacation with pay.
- (e) A full-time employee who has completed twenty (20) continuous years of service shall, in the year during which this length of service has been completed, be granted five (5) weeks twenty-five (25) days of vacation with pay.
- (f) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee dies up to the time of his separation from the payroll.
- (g) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delin-

quency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as carned, and not granted, in the vacation year prior to such dismissal retirement, or entrance into the armed forces. In addition, payments shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement, or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

- (h) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under other leave may, at the discretion of the department head, be charged to vacation leave.
- (i) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if while on vacation leave, a designated holiday occurs which falls on or legally observed on Monday, Tuesday, Wednesday, Thursday or Fnday.
- (j) Vacation allowances provided under the terms of this section will be calculated on a 12-month period commencing on the employment date and these allowances must be taken in the 12 months period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.
- (k) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay withour approval of the department head and the Personnel Board.

Section 14. Sick Leave

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

- (a) An employee in continuous employment shall be allowed one day for each month worked, provided such leave is caused by sickness or injury or by exposure to contagious disease.
- (b) An employee in continuous employment shall be credited with the unused portion of leave granted under sub-section (a) without limit and may be accumulated as additional sick leave benefit.
- (c) An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.
- (d) If the amount of leave credit provided under sub-section (b) has been or is about to be exhausted, an employee may make application for advance sick leave to be deducted from future leave credits to the extent provided under sub-section (a). Such application shall be made to the Board which is authorized to grant such advance sick leave as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the advance sick leave.
- (e) Sick leave must be authorized by the Department head and must be reported on forms as provided. These records will be maintained by the Town Accountant for the Wage & Personnel Board and Town Accountant's use.
- (f) A physician's certificate of illness shall be submitted by the employee after five days' continuous absence to his department head before leave is granted under the provisions of this section. This certificate shall be forwarded by the department head to the town accountant for the Wage and Personnel Board's and the town accountant's use.
- (g) The Board or Department Head may, of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by a physician appointed by the Town.
- (h) Injury, illness or disability self-imposed, or resulting from the abuse of alcohol or the use of drugs that are classified under the Federal Narcotics Act or Drug-Abuse Control Act, shall not be considered a proper claim for leave under this section.

- (i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate:
- (j) In the event of payments made to an employee under the preceding sub-section the Board or Department Head may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.
- (k) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

#### Section 15. Bereavement Leave

Emergency leave up to five days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

#### Section 16. Other leave

#### Police Department:

As agreed by contract.

### Fire Department:

As agreed by contract.

- (a) Absences for personal reasons may be charged to vacation leave upon application by the employee and approval by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.
- (b) Members of the military reserves on brief tours of military duty such as the annual two-week tour of duty shall be compensated by the Town for the difference between the employee's regular pay and that received on military duty. Such tours of duty shall not be counted against vacation allowance.
- (c) Three (3) personal days are allowed each year to full-time employees on request to, and approval of, supervisor and department head. Personal days are defined as days needed to attend weddings, funerals of relatives, family needs, etc., not otherwise provided for by the by-laws.

## Section 17. Longevity Compensation

The Town agrees to reward faithful service by full-time employees by providing additional compensation each year on the basis of length of service as follows:

A - At completion of twenty-five (25) years service	\$5(0),00
B - At completion of thirty (30) years service	\$1,000.00
C - At completion of thirty-five (35) years service	\$1,500.00

### Section 18, Physical Examination

Before appointment to a position in the classification plan requiring continuous service, or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Department Head. The examining physician shall be appointed by the Town and the examination shall be at the expense of the Town. The examining physician shall advise the Department Head as to whether, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made, and the applicant shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be forwarded as soon as possible by the Department Head to the Town Accountant for the Wage and Personnel Board's and the Town Accountant's use.

#### Section 19, Operation of By-Law - Grievance Procedure

#### Police Department:

As agreed by contract.

### Fire Department:

As agreed by contract.

(a) This by-law shall be operative only as to employees whose positions are classified hereunder and for which positions minimum and maximum salaries, or single-rated miscellaneous salaries as established under Section 8

PERSONNEL BOARD TO ADMINISTER – The Personnel Board of the Town shall constitute the Personnel Relations Review Board of the Town, and in that connection shall have the powers and duties, and perform the functions, assigned to such Personnel Relations Review Boards by Section 21B of Chapter 40 of the General Laws; and

said Board shall, in the performance of its duties as Personnel Relations Review Board, be subject to the limitations imposed by said Section 218 and by the by-laws of the Town.

GRIEVANCE PROCEDURE — There shall be a grievance procedure available to those employees of the town whose rights under the wage and personnel classification plan have, in their opinion, been prejudiced and covering all other grievances except those that would properly be under the jurisdiction of the Civil Service Commission or other duly established appeal board. As used in this section, the word "grievance" shall be construed to mean dispute between an employee and his supervisors arising out of an exercise of administrative discretion by such supervisor or supervisors.

STEP I. The employee shall take up his grievance orally with his immediate supervisor who shall reach a decision and communicate it orally to the employee within two (2) working days.

STEP II. If the grievance is not settled at Step I, the employee shall within five (5) working days present his grievance in writing to his supervisor who shall forward it to the department head who shall hold a hearing within five (5) working days, or if the Department Head is a Board, at its next regularly scheduled meeting, the grievance will be presented and a hearing will be held within ten days of that meeting.

STEP III. If the grievance is not settled at Step II, all records and facts in the case shall be referred to the Grievance Board for adjudication. Those present at Step II shall appear at this hearing. Within twenty (20) working days of the hearing, which shall be the next regular meeting of the Board except in cases of emergency, the employee shall be notified in writing through the department head as to the decision of the Board which shall be final.

# Section 20, Civil Service Law

Nothing in this By-Law shall be construed to conflict with Chapter 31 of the General Laws.

# Section 21. Effect of Partial Invalidity

The invalidity of any section of this By-Law shall not invalidate any other section or provision thereof.

### Section 22. Publication of Personnel By-Law

The Personnel Board hereby is authorized and directed to compile and publish Personnel By-Law to be known as the Town of Kingston Wage and Personnel By-Law. Corrections to be made as necessary with amendments subject to authorization as stated in Section I herein. Authorized changes will be published and added to this Wage and Personnel By-Law as endorsements to the section, page or paragraph. Last dated endorsement becomes the effective correction or amendment of these By-Laws.

Section 23. Contract Agreements.

WAGE AND PERSONNEL BOARD William J. Twohig, Chairman William E. Ruel Dexter L. Gasper

# REPORT OF THE ELIZABETH B. SAMPSON MEMORIAL FUND

The trustees of the Elizabeth B. Sampson Memorial Fund for the year 1979 consist of Richard A. Ottino, Chairman of the Board of Selectmen; Lawrence I. Winokur, Moderator, and George W. Cushman, Treasurer. These trustees serve in accordance with the act under which the trustees administer this Fund.

Due to the recent audit, it is possible that the expenditure of the income in the fund will be changed. Recommendations for these changes will be undoubtedly made at the annual town meeting.

As this report goes to the printer, the trustees have not made any recommendations for the use of the Fund during the fiscal year 1981. Letters have been sent to all the departments, and this year we have many requests. The trustees will make recommendations, forwarding them to the Finance Committee for their approval and the information will be available to you prior to the town meeting.

Again we wish to thank the citizens of Kingston for their fine cooperation in helping us administer the Fund and we would again like to mention Miss Sampson, remembering her for the fine bequest she gase the Town of Kingston. As we have said before, she was a great citizen and a great philanthropist, and was loved by everyone who knew her.

Your trustees are very happy to submit a financial report for the calendar year 1979.

The Trustees wish again to bring to your attention in preparing your Will that you remember the Educational Fund; and gifts from individuals and organizations are most welcome.

Mr. Phillip S. Cronin was appointed a trustee for a term of five years. May we extend again our thanks to our loyal friends for their support.

The report of the trustees of the Educational Fund is for 6 months only, because we found it necessary to have our reports coincide with the Joun Accountant's report, and as the fiscal year is now July 1st to June 30th, and whereby we have in the past presented to you the educational report from January 1st to December 31st, is another reason why this is only a six month report. Beginning with the 1980 report it will be for a melve month period from July 1st to June 30th. There were scholarships awarded in 1979; however, they were not made available until after July 1st and those scholarships will show in the 1980 report.

## ANNUAL REPORT KINGSTON SCHOOL COMMITTEE Town of Kingston, Massachusetts Including a Report of the Silver Lake Regional School District For the Year Ending June 30,1979

### School Committee

Mr. Paul W. Reed, Chairman Mr. Thomas F. Bailey, Jr., Vice Chairman Mrs. Barbara A. Balboni, Secretary Mrs. Marilyn A. Basler Mr. James S. Matatall	Term expires 1987 Term expires 1980 Term expires 1980 Ferm expires 1980
mr. James S. Matatall	Term expires 19

The School Committee meets at 7:30 P.M. on the second Monday of each month in the Conference Room of the Elementary School.

### Administration Office

(resigned 2/79)	Supervisor of ProgramsSpecial Needs Business Manager
Mr. Alton E. Zaniboni (3/79	Rusiness Manager

School Calendar

**Business Manager** 

Fall Term Winter Term Second Winter Term Spring Term	September 5 thru November 9, 1979 November 13 thru January 25, 1980 January 28 thru April 3, 1980
	April 7 thru June 18, 1980

In addition to all legal holidays, schools will be closed on Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio stations. WHDH, WBET, and WPLM between 6:35 and 8:00 A.M. In addition. the fire alarm signals will indicate no-school as follows:

6:30 A.M., no-school all schools, including junior and senior high schools

7:00 A.M., no-school elementary only

The signal will be 4 short double blasts, repeated 3 times.

### REPORT TO THE TOWN OF KINGSTON SCHOOL COMMITTEE

The Kingston School System endured 1979 with perhaps more than the average allotment of difficulties. The close of a decade is accepted gratefully. The problems of the 70's are past and we look hopefully toward the 80's for the support of an enlightened public, renewed staff dedication, and strong, intelligent leadership from administrators and 3chool Committee members.

The full impact of the 1978 budget slash was felt in the first half of 1979, No librarian was hired to fill an existing vacancy. The school was without most teacher aides and custodial help was reduced. The latter necessitated virtual elimination of building use by large segments of the town. The fiscal problems were not made easier by ongoing heating problems in the new school and more of the same in the primary section. Despite the continued attempts of the School Building Committee to help overcome shortcomings in the newest building, some remain stubbornly and frustratingly unresolved. Fortunately, the professional staff closed ranks as superior organizations do in response to adversity, and good education was provided for the 880 students of the elementary school.

Outside forces applied additional pressures. The Ten Taxpayers Suit to restore budget funds caused emotions to run high. It was finally resolved late in the year. Although the town was required to raise the entire amount of the court judgment, the School Committee expects to return about 75% of it at final close-out time. Meanwhile, the state imposed a 4% tax cap (on all municipal spending). A very unrealistic lay in the light of our current 14-15% inflation rate and 85% state mandated costs.

In sharp contrast to 1978, this year's budget received town approach without any real opposition. Work has begun on heating repairs, and with the staff at full strength, things are at or near "normal". Then undoubtedly will never be a school year without its share of problems; hopefully, less severe than what has transpired in 1979.

Our physical plant is adequate and well maintained; our staff is excellent, and with trust in the Lord, we look forward to a successful decade in the 80's.

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

The Annual Report of the Superintendent of Massachusetts Superintendency Union #31 and Silver Lake Regional School District will highlight the activities within the school departments of Halifax, Kingston, Pembroke, Plympton and the Silver Lake Regional District. This is my third annual report and it will provide an overview of the various aspects of each of the five different segments of our operation.

In my report to you last year I indicated that the restructuring of the school district resulted in the elimination of the position of an assistant superintendent. I am pleased to report that the Directors of Education have performed at such a level that it has been an educationally-sound restructuring decision as well as a financially feasible one for the taxpayers of the towns.

During the past twelve months a considerable amount of effort has been expended in developing administrative styles and operations. Summer workshops, monthly meetings, and building level visitations have resulted in an improved method of communication of a K-12 basis.

Coordination continues to be a major focus of responsibility emanating from my office. The three Directors have been given responsibilities in growing and horizontal articulation of people and to enhance both vertical and horizontal articulation of people and programs from the five different segments of the school districts. Last pear's projected and anticipated projects have resulted in various segments of implementation. At the regional level, the Reading Coordination's position has been established which was a major outgrowth from the reading assessment program that took place within our school district. Considerable effort is being devoted to the basic skills minimum competency test movement. Our school district must provide the and design with which we are going to effectively implement the basic skills requirements to the State Department of Education.

The following highlights are gleaned from the Administrative Staffs' reports reflecting the educational aspects of each of our programs in the appropriate segment of the report. This past year has found that all schools within Massachusetts, but more specifically within our school district, have had constraining and restraining impositions placed upon them by outside forces that reflect the financial and educational climate of our school district. These restrictions would not have been handled as efficiently and effectively as they had been if it were not for the perception of the key administrative staff within our school district. I am confident that the levels of efficiency displayed by the Directors of Education will continue to grow as stability and credibility becomes more prevalent in our daily operations within Superintendency Union 231 and Silver Lake Regional School District.

# SILVER LAKE REGIONAL SCHOOL DISTRICT

The Silver Lake Regional School District comprises grades seven through twelve. The October 1, 1979 enrollment for these grades is 3363.

Administratively, Mr. Alton E. Zaniboni was named as the new Business Manager in March of 1979. The Administration Building had an addition added to its present site. This project was completed by our freshman carpentry students at the high school.

At the junior high school level two important items have taken place during the 1979 year, 1) Under a maintenance summer project the total

roof was re-surfaced and 2) A Junior High School Addition Sub-Committee was named and headed up by School Committee member George Collins, who was named as Chairman.

Numerous meetings have been held between School Committee members, Selectmen, and Finance Committee members of the four towns. The major emphasis is to make an honest attempt at providing educational opportunities for the Junior High School youngsters on a normal, daily schedule and do away with staggered/overlapping 505. sions.

At the Regional High School level the two campuses are moving into their fourth year of operation with Mr. Douglass L. Coupe as the High School Principal, ably assisted by Mr. Robert J. Cunniff, Housemaster at Silver Lake Pembroke, A new Assistant Principal, Mr. Barry L. Parker, was hired for the Silver Lake Pembroke Campus. The High School, in preparation for the New England Association evaluation, which will be held in 1980, is vigorously going through the self-evaluation process.

At this time I would like to highlight the curriculum aspects of our program grades seven through twelve.

### HIGH SCHOOL - Mr. Douglass L. Coupe, Principal - Highlights

The year has been one of stability, punctuated by preparation on the part of the staff and administration for an evaluation in 1980 by the New England Association of Secondary Schools and Colleges.

Highlighted throughout the year was the continued growth shown by our students in both curricular and extra-curricular areas. Student participation at both campuses of our high school continued to grow. which reflected a gravitation back to some of the basic principles which made our system a solid one.

Demands for greater productivity on the part of all students was fostered by a strong commitment on the part of the administrative. teaching and non-teaching staff in all facets of school life.

Community support for our school and its programs was again in evidence throughout the year. This continued support made our year a most positive one in all respects.

As we approach a new decade, the residents of the four towns can hope to see a continued commitment on the part of the high school and its staff toward providing all students with the basic educational skills which they will need to make them solid, productive citizens.

# Adult Education and Evening Practical Arts

Our Evening Practical Arts and Adult Education Program, as well as our High School Diploma Program, was again extremely successful in serving the residents of our four towns.

Involvement in all faceis of our program offerings included approximately 2000 people. In addition, 21 people satisfactorily completed the requirements for their diplomas through our High School Diploma Program.

All of our Evening Programs continue to be a vital resource for the residents of the four towns. It is hoped, as we face the uncertainties of the new decade, that all aspects of our Evening Programs will continue to be an integral part of our total educational offerings.

### Art/Industrial Arts

Art and Industrial Arts programs during 1979 showed continuous and on-going achievement in all areas of programming, equipment installation and operations, student growth in skill development, and relative achievement amongst their peers in other communities.

Art students were particularly successful garnering many prizes in competition while Industrial Arts students displayed high technical achievement and expertise in Rocketry competitions. furniture and metal fabrication, and in the drafting studios.

Meanwhile, as a result of winning a federal grant from the Division of Occupational Education, the Industrial Arts department has continued to replace and refurbish aging machinery in certain Industrial Arts facilities, completing long-term goals for updating.

### English

During the past year, the program of the English Department had been as it has for the past several years, sequential instruction by levelsing fundamental language skills, together with enrichment of those skills when applicable. From grade seven through grade twelve the emphasis has been on development and mastery of spelling, vocabulary, grammar, usage, writing, and the reading skills to the fullest extent each student's talents and interests allow. Special emphasis has been placed upon instruction in writing, for this sub-skill is one of the basic competencies the Commonwealth has emphasized, and on development of vocabulary skills, since this is an area of equal concern to our depanment.

### Foreign Language Department

During the past year, a well-qualified staff of nine teachers, four in Kingston and five in Pembroke, have been promoting, enhancing and enriching programs already established in French, Spanish and Latin which are offered in a four-year sequence. We continue to use the visual-audial-lingual method, in general, which is based on the latest findings in the fields of linquistics, psychology and methodology of language learning. The goal is proficiency in comprehension, speech reading, and writing. We have always been involved in the basic skills of proper speech, reading and writing. Besides class sessions, students take advantage of cultural offerings through foreign language clubs as well as the opportunity to visit the foreign country being studied. Our programs are opened to all students, be they academic, college or non-college bound, in order to prepare them to live in a world in which our country's increasingly involved in international affairs, as well as becoming increasingly multinational in character.

### Guidance

In addition to the more than 16,500 individual student counseling interviews, 2,500 parent conferences, and 184 class group counseling sessions involving the nine counselors in grades 7-12, many other services were provided, including bi-monthly Career Conferences, visits by 65 college admissions personnel, Grade Seven Parent Coffee Hours. Armed Forces Day, student field trips to Financial Aid Conferences and six different Evening Parent Programs. A new Massachusetts Occupational Inventory System (MOIS) was received on a federal grant, and microfilming was completed for student records, including those of the original individual high schools. Over 75 organizations presented 121 Scholarships totaling \$23,274.00 to 1979 graduates. In addition, \$375,460.00 in scholarship grants and loans were offered by colleges spread over a 4-year basis. Of the 395 members of the Class of 1979, 184 continued their education in some form, 147 entered the job market, 32 spined the armed servces, and 32 were unsure of their plans. Group counseling in large and small groups and parent group counseling has developed further this year as an important way of reaching more students with the high counselor-pupil ratio that is mereasing each year.

### Music

The programs of the various levels of the music department continue to serve a large body of students, especialy at the junior high level. In grades seven through twelve, performance classes such as band, chorus, and guitar are the ones most frequently elected by students who seem to and the greatest satisfaction from making music rather than learning to talk about it. This, of course, is one of the primary objectives of the music program at the secondary level. At the same time, the content of music courses, including performance classes, is both subjective and qualitative. The purpose is to assist students in understanding the process of communication which is involved in the presentation of every musical performance.

The general music class, which is offered at the junior high, has shown to be very worthwhile due to the reorganization and design in content which was implemented four years ago. It consists of units of instruction which are taught in class with the involvement of students in deciding what and how learning will take place. Another attraction is the fact of having a broad base of selections from which to choose.

On the whole, however, the music program remains stable, vital and important to a major segment of our student body.

### Occupational Programs

During the year of 1979 progress within the occupational department was made in the following areas:

- 1) A new program in graphic arts got underway at the Kingston Campus.
- 2) The pre-school centers at both the Pembroke and the Kingston campuses are operating at full capacity with two sessions of preschoolers attending two days per week.
- 3) The Culinary Arts program is becoming quite professional serving luncheons for various groups.
- 4) Throughout the year, all vocational programs have progressed in training students to take their place in industry.
- 5) Since the opening of the new facility, more and more students are showing an interest in vocational education as a career option

### Reading

The reading program has been strengthened through the addition of two formal reading courses to the high school's program of studies, a course for students who are reading below grade level, and a course for above-average students who want to improve their study skills. The reading department is pleased with the extent of student participation in these courses during their first year of operation,

New diagnostic reading tests have been administered to all reading students in grades 7-12. Based on the results of these tests, individual and group instruction is occurring in the reading classes.

Student and teacher enthusiasm about this year's new curriculum material is high. Many of these materials are literature-oriented, emphasizing vocabulary and comprehension skills.

#### Science

The Science Department currently consists of twenty-four teachers. eight at Silver Lake Regional High School-Pembroke, seven at Silver Lake Regional High School-Kingston, and nine at Silver Lake Regional Junior High School.

At the Junior High School, curriculum guides for the eighth grade Physical Science course were completed. The curriculum guides for the seventh grade Life Science program have been undergoing major revisions. Equipping of both the seventh grade and the eighth grade science programs was completed prior to the beginning of the 1979-80 school

hear. The process of purchasing specialized materials for Level 3 students was completed. New laboratory table tops and new chairs have replaced worn out table tops and stools in one science classroom.

At Silver Lake Regional High School, the curriculum guide for the Introductory Physical Science course was completed. Course enrollment in many science programs continues to increase. Several new pieces of equipment were ordered for the science program, and major overhauls were performed upon a number of pieces of equipment including balances and a force table. The gas lines in the chemistry room at Silver Lake Regional High School-Kingston were replaced for safety reasons.

All courses in the science curriculum are laboratory oriented.

### Social Studies

The year 1979 brought many program changes within the Social Studies Department at Silver Lake Regional Junior High and High School. A complete evaluation of our seventh grade program emphasited the need to develop a new approach to teaching Geography. In September of 1979, we instituted a team-teaching concept incorporating over two dozen units with the major emphasis on skill development.

At the high school level, we adopted a team-teaching approach to Geography in grade ten and Basic United States History in grade eleven.

Our overall student enrollment is very high, averaging approximately twenty-four students per class. I feel that our curriculum continues to offer a wide and relevant variety of courses to fit the needs of our students. We are now engaged in a more complete self-evaluation, which will further enable us to assess our program and provide for increasing student needs in the near future.

### Special Education

There have been two laws passed during the 1970's which require expanded Special Education Services. The State Law known as Chapter 766 is almost identical to the newly enacted Federal Law P.L. 94-142.

The Union and Regional School Systems received \$185,725 in Feder al Funding to provide additional mandated services as required by P.L. 94-142 and Chapter 766.

The P.L. 89-313 grant of \$57,800 provides for an additional Speech Therapist, Teachers of the Learning Disabled, Part-time Special Needs Aides and Support Staff, as well as In-service Training Programs.

The P.L. 94-142 grant of \$127,925 provides for School Psychologists. Alternative High School Program, classes for the Emotionally Daabled, Part-time Learning Disabilities Teacher and Tutors, six aides and a part-time secretary, a Collaborative Program, and supplies all materials to support grant-funded programs.

The Region and Union are part of the ten school systems that formile Pilgrim Area Collaborative which provides services to low incidence handicapped children.

The Collaborative presently conducts Special Needs Programs for preschool-aged children, programs for language disorders (Autistic). and classes for severely developmentally disabled students.

Where appropriate, Special Needs students participate in all regular mainstream subject areas, thirty-seven percent of all high school aged Special Needs students were also enrolled in regular vocational programs.

### JUNIOR HIGH SCHOOL - Mr. Arthur T. Hand, Principal - Highlights

The report submitted last year ended on a note of pessimism, lt appeared that the communication gap between elementary and secondary divisions was widening. This year I am pleased to report that, on a more optimistic note, the two areas are in constant communication. I can foresee the day in the near future when all disciplines will be coordinated and all students coming to the junior high school will have similar academic background.

### Mathematics

As reported last year a unit in computer literacy was introduced. With the introduction of additional software the program has been expanded. The mini-computer is housed in the library during the morning session and is used constantly by those eighth graders who show a special interest and talent in this area.

### Music

This year more students have elected performance classes, such as band, chorus, recorder, and guitar. Student preference appears to be away from music discussion to performance.

### Reading

For the first time a developmental reading program for eighth grades is a part of our curriculum. This addition has significantly increased the number of students served by the reading department. Currently fiftyeight percent of all students enrolled at the junior high participate in some aspects of reading.

#### Science

The seventh curriculum guide was completely updated and a level three program added. A new physical science curriculum guide that includes all lab experiments, problem sets, and tests is completed. All science equipment necessary for the implementation of both programs has been purchased. This was a five-year plan and except for some replacement of equipment it will not be necessary in the future to purchase new equipment.

The most exciting event of this year has been the formation of a subcommittee to study and report on the need for a junior high addition. The proposal has been received by various town officials with a high degree of enthusiasm. After seven years on an abnormal schedule the future, for a normal day and better programming, looks promising.

### Social Studies

A complete evaluation of our seventh grade program emphasized the need to develop a new approach to the teaching of Geography. In September, 1979, we instituted a team-teaching concept incorporating over two dozen units with the major emphasis on skill development.

### Special Needs

Through the provisions of a Federal Grant we were able to add one full-time teacher and an aide to provide additional tutoring. Lack of classroom space continues to be a problem in the special needs area.

# UNION #31 - TRITOWN — Halifax — Kingston — Plympton

The Director of Elementary Education, Christopher J. Gregory, is responsible for the coordination and guidance of people and programs in this subdivision. The following highlights are gleaned from his report and reflect the efforts of many people.

### A. Testing

The Metropolitan Achievement Test was administered in April to all children in Grades 1-6. As in the past several years, the results indicate that the reading and mathematics achievement of our children is abow the national norm by approximately one-half year. In the case of language arts, our children performed up to a year and one-half above the national norm; this is an indication of exceptional excellence in the areas of writing, composition, grammar, and language usage.

### B. Curriculum

We are in the second year of implementing a new mathematics program in Grades 1-6. The program, published by Schott-Foresman, continues to be extremely popular with most teachers. An integral part of the series is a management system called "Charting the Course". This system allows the teacher to individualize the program with very little effort, and in cases where this individualization has been implemented, performance on the standardized achievement test has been markedly better than in more conventional situations.

### C. Special Programs

1. We are in the sixth year of our ESEA Title I program called Operation HELP! This program, which is funded in its entirety by the federal government, provides mathematics and reading tutorial services to approximately 200 children in Grades 1-6 in the three towns. Operation HELP! is recognized as one of the most successful and comprehensive Title 1 programs in Massachusetts. This year we were able to add a component to the program devoted to helping parents of Title 1 children

improve their relationship with their children. The program, called Systematic Training for Effective Parenting, consists of a series of ten discussion meetings led by a psychologist. The parents who have taken the ourse are extremely pleased with the results and feel that they have gained some valuable insights into the process of parenting.

- 2. This past year saw the continuation of another federally funded program in the Tritown Schools. This program, called "Project CHILD", was funded by CETA and it was designed to provide activities for gifted/talented children, including conversational French, and for sall children in Grades 4-6 in the areas of Career Awareness and Consumerism. In addition, Project CHILD was extended through the summer offering remedial services for children with academic problems. Because of the severely limiting CETA funding regulations, it appears that Project CHILD cannot be extended beyond this school year. Consequently, I am searching for alternative means of funding which will enable us to continue to provide these services.
  - 3. ESEA Title IVB is another federal program which provides direct funds for innovative projects with library orientations. We have combined the allocations of the three towns to enable us to purchase video cassette equipment which makes it possible to record Educational TV programs for playback at convenient and appropriate times. The 1978 and 1979 grants were used to purchase three record-decks and three monitors making it possible for all three schools to use the equipment at will rather than having to schedule its use. Next year's grant will be used to purchase video cassettes in the areas of basic skills development for both teachers and children.
  - 4. With funding and support from the Economic Educational Council of Massachusetts and the Center for Economic Education at Boston University, we have been able to schedule a comprehensive and timely course in economics for elementary teachers for the 1980 spring semester. The course will be conducted over a fourteen-week period in one of our elementary schools, making it unnecessary for teachers to travel to Boston.
  - 5. Each of the three towns continues to provide excellent alternative programs such as the individualized, child-entered programs known as PACE in Kingston, and SPROUT and SPIRAL in Halifax. In addition,

Plyinpton offers two combination-grade classes as alternatives for children who are capable of self-actualization. It is also significant to note that many teachers are engaged in informal team-teaching and modified-departmentalization situations in all three towns.

### KINGSTON - Donald E. Ford, Principal - Highlights

The "ten taxpayer suit" was settled in favor of the school department, but the curtailing of services during the 1978-79 school year did have as effect upon the total school operation. The effects of the loss of aides two custodians and the delay in purchasing materials did have an effect upon the educational climate of the school.

Progress continues in the improvement of children's writing Nine teachers attended workshops on Individualized Language Arts and their efforts are reflected with children having the responsibility to write more. Efforts are made to encourage initiative and personal growth with all members of the staff and they have responded very well.

The Home and School Association continues to function as an organization that assists communication between home and school, and provides services for the children. The Steering Committee meets on a monthly basis while full membership meetings are held less frequently. Their support of school activities is greatly appreciated and as a result the students receive beneficial educational services.

#### ACKNOWLEDGMENT

There are many people that I would need to thank, but I especially acknowledge the three Directors of Education — Dr. Albert F. Argenziano, Mr. Christopher J. Gregory and Dr. Thomas M. Delmonaco and their staffs for their efforts and cooperation during this twelvementh period of time. My efforts will continue to reflect a commitment to develop and create an educational climate and atmosphere that will be beneficial to all students, as well as financially feasible for all citizens within the community.

I eagerly anticipate any feedback that members of the community may have regarding our school district, and stand willing and ready to personally assist or have school department personnel assist any citizen in having a greater understanding of our school programs.

s. Significant to leaching and so leaching and so leaching and so of aides are an effert with with the control of an effert with with the control, and meets on a frequently as a result a

# SILVER LAKE REGIONAL SCHOOL COMMITTEE ANNUAL REPORT

The Silver Lake Regional School District began the 1979-80 school year with a great deal of anticipation and enthusiasm regarding the educational climate within all of our schools.

Mr. Alton Zaniboni was elected as the Business Manager for the system; thus, the only change in the Central Office. Superintendent Squarcia has taken the responsibility to coordinate effectively his administrative and teaching staff within the Region; thus, we have initiated stability and continuity for our educational programs in Grades 7 through 12.

The initial phases of the reading assessment, as was reported in last year's annual report, resulted in some final implementation of that particular assessment project. The results, as of this time, have been beneficial to our system. A Reading Coordinator has been selected and we are developing and articulating a vertical and horizontal reading program.

The Committee's major emphasis this eyar will be placed upon trying to resolve the physical-space problems at the Junior High School in an attempt to eliminate the current overlapping sessions that are occurring in Grades 7 and 8. Mr. George Collins, a Committee member from Plympton, has been named Chairman of this subcommittee. A considerable amount of work has already taken place explaining the possible options to resolve the problem. Meetings with local Boards of Selectmen and Finance Committees have taken place. Hopefully, a financially feasible and educationally sound solution will be forthcoming prior to the conclusion of this current academic year.

The Regional School Committee is faced with increased enrollment, inflation, and energy costs; thus, presenting greater burdens upon the budget process within the School District. A greater need to look more closely at all of our school programs has taken place with the impetus being generated by members of the School Committee to be sure that the taxpayers of our four towns are presented with a reasonable school budget. These financial factors plus the State mandate of presenting a

budget within the four percent tax cap make the Committee's task and the administrative burden even more encumbering based upon factors or burden even more encumbering based upon factors or burden even more encumbering based upon factors or burden even more encumbering based upon factors.

This current operating year has resulted in the initial phases of coordinating programs in Grades 7 through 12 with those educational programs in Grades K through 6. Under the direction of Superintendent Squarcia, the various educational components of our system have been meeting on a regular basis and the results have been positive thus far, with a considerable amount of communication and interaction.

The School Comittee membership saw the following people leave the Committee: Mrs. Martha Brocklesby, Mr. Bruce Lessard, Mr. Joseph McGlone, Mr. Thomas Nielsen, and Mr. Robert Powers — their terms either expired or they resigned from the Committee during the 1979 year. These members were replaced by: Mr. George Collins of Plympton, Mrs. Marjorie Cadenhead of Kingston, Mrs. Katherine Barrett of Pembroke, Mr. Harry Kent of Halifax, and Mr. Sam Erbe of Pembroke. The Committee continues to work effectively through the subcommittee structure, and special commendation should be expressed to the Education Sub-Committee and its Chairman, Edward Uburtis; the Liason Committee and its Chairman, Alan Vautrinot; the Budget Committee and its Chairman, George Cushman; and the Junior High Addition Committee and its Chairman, George Collins.

The Silver Lake Regional School District wants to thank publicly the town officers, citizens, parents, students and staff for their concerns and efforts during this past year. The Committee also extends an invitation to all residents of the four towns to provide input in the operation and direction of our School District.

### REPORT OF AN AUDIT

### THE SILVER LAKE REGIONAL SCHOOL DISTRICT FOR THE PERIOD FROM JULY 1, 1976 TO MARCH 31, 1978

Made in Accordance with the Provisions of Chapter 44, General Laws

Inaccordance with your instructions, I have made an audit of the books and accounts of the Silver Lake Regional School District for the period from July 1, 1976 to March 31, 1978, and submit the following report thereon:

The records of the financial transactions of the departments receiving or disbursing money for the district or committing bills for collection were examined and checked in detail.

Considerable detailed checking and a compilation of the ledger accounts was made necessary for the period covered by the audit, due to the failure of the accounting officer to properly record the necessary entries and balance the ledger accounts. It is almost inconceivable that the accounting officer would leave the employ of this district for a position in another regional school district and leave his records in such an incomplete condition.

The receipts were checked with the district treasurer's books, the payments were compared with the treasury warrants, and the appropriations and transfers were compared with the district clerk's records of district meeting proceedings. A trial balance was taken off, and a balance sheet showing the financial condition of the district on March 31, 1978 was prepared and is appended to this report.

The appended balance sheet shows a balance in the surplus revenue account on March 31, 1978 amounting to \$976,155.01. In this connection it is pointed out that there is no authority for a regional school district to plan the build-up of a substantial surplus revenue account from taxes which are levied against the taxpayers of the member towns of the district. It is urged that the district committee give greater consideration to the taxpayers of the district by utilizing surplus revenue as far as possible to

reduce future assessments against the member towns. In a Supreme Count decision, Dowling vs Board of Assessors of Boston, 268 Mass. 490 the court ruled that:

"Taxes cannot be levied for the mere purpose of enriching the public treasury or in excess of the amount required to satisfy the needs of government."

The books and accounts of the district treasurer were examined and checked. The receipts, as recorded and compiled, were analyzed and compared with the records of the several departments collecting money for the district and with other sources from which money was paid into the district treasury, while the payments were compared with the district committee's warrants authorizing the treasurer to disburse district funds. The cash balance on March 31, 1978 was proved by reconciliation of the bank balances with statements furnished by the banks of deposit, by verification of the balances in the savings accounts, and by verification of the certificate of deposit.

Considerable detailed checking and compilation work was necessary, and a great deal of time was spent in order to properly balance and prove the treasurer's cash balances from July 1, 1974, the date of the previous audit, to March 31, 1978, due to the failure on the part of the treasurer to effect proper reconciliations of his cash and bank accounts.

It is urged that the treasurer prove the balances in the banks and the cash in the office with the cash balance as shown in the accounting officer's ledger, and that the bank accounts be promptly reconciled with the bank statements upon their receipt. In this connection it is also urged that the district school committee recognize its responsibility for the financial management of the district by requiring the treasurer, who is an appointee of the committee, to furnish them with monthly reports and a certification showing a proof of the treasury balance, including reconciliations of the bank accounts, so that the committee will have some assurance that a proper accounting is being made of district funds.

The records of payroll deductions for Federal and State taxes, the county retirement system, Blue Cross and Blue Shield, and group insurance were examined and checked, the deductions were compared with the treasurer's receipts, and the payments to the proper agencies were verified.

The payments on account of maturing debt and interest were proved with the amounts falling due and checked with the cancelled securities on file. The outstanding coupons were listed and reconciled with a statement furnished by the depository.

The records of assessments apportioned against the member towns to provide funds for operating and capital expenditures of the district were checked with the articles of agreement. The payments to the treasurer were verified, and the outstanding accounts were listed.

The charges for tuition and other miscellaneous charges were examined and checked, the payments to the district treasurer being verified

The records of receipts from school funches, athletic activities, vocational education, driver training, lost books, and practical arts were examined and checked, the payments to the treasurer being verified.

The various advances for petty cash were verified by actual count and by listing memoranda in the office.

The surety bond filed by the district treasurer was examined and found to be in proper form.

There are appended to this report, in addition to the balance sheet, tables showing a reconciliation of the treasurer's eash and summaries of the assessment and departmental accounts.

On behalf of my assistants and for myself, I wish to express appreciation for the cooperation received from the district officials while engaged in making the audit.

Respectfully submitted. Robert M. Crosby Assistant Chief of Bureau

### TOWN OF KINGSTON COMMONWEALTH OF MASSACHUSETIS WARRANT FOR ANNUAL TOWN MEETING

(with Fincom Recomendations 1980-1981)

To any of the Constables of the Town of Kingston, Commonwealth of Massachusetts: GREETINGS

In the name of the Commonwealth, you are hereby directed to notify and warn the Inhabitants of Kingston qualified to vote in Town affairs and elections to meet at the KINGSTON INTERMEDIATE SCHOOL, 150 Main Street,
