IN MEMORIAM

Beyond the rainbow's farthest end,
there lies

A land that's always filled
with love and light.

Where shadows never fall
and dim the skies.

For in this lovely land
there is no night.

In this celestial place
of joy and peace

There is no time or space
no doubt or fear

For those who come to it
All troubles cease.

All worldly difficulties disappear.

And though the loss of loved ones
or of friends

Brings sorrow and is hard
for us to bear,

If we could see beyond
the rainbow's end

We know that we would find them
waiting there

In that celestial dwelling place above —
The land of peace and joy
of light and love.

NAOMI CATHERINE BARTLETT

February 18, 1985

Catherine was born and educated in Kingston, graduating from Kingston High School in 1922. She was active in church work and was a trustee of the Kingston Evergreen Cemetery. Catherine served the Town for thirty-eight years before retirement in 1975 and never missed a day because of illness. In 1936 she was employed by the WPA to rewrite the old Town records, including the vital statistics for the Town Clerk. She then moved to the assessing department typing the poll tax, excise tax, and real estate tax books. Starting in 1963 she was employed full time by the Town Clerk, Treasurer, and Tax Collector, and in 1971, she transferred to the Assessors' Office.

She was the widow of Lincoln C. Bartlett, who served the Town for many years as the Superintendent of the Water Department. Those who were privileged to enjoy her friendship can never forget her quiet cordiality, her smile, her kindness and her gracious good will.

On Saturday, September 7, 1985, there was a dedication at the Town House. Linc and Catherine's two daughters had given a memorial case, in their parents' names, to house the "Kingston Quilt" which was so lovingly made by eighteen women of our Town.

PRESTON B. EASTERBROOKS

April 4, 1985

"Easie" was born in Scranton, Pennsylvania, and was a 1936 graduate of Tufts University College of Engineering; he also attended Boston University. As a lieutenant commander with the Navy Seabees during World War II, he was instrumental in building a naval facility for 3000 men and a 3000 bed hospital on Tulagi in the Solomon Islands. He and his wife Thelma (Chapin) moved to Kingston in 1970 from Warren, RI, and he served as a water commissioner from 1973 to 1980. His character showed us responsibility, friendliness and good living.

IRVIN WILLIAM EDDY

June 25, 1985

Irvin William Eddy, the husband of Pauline (Freyermuth) Eddy, was known as "Snapper" by his many friends and associates. Educated in the Plymouth and Kingston schools, he was a Kingston resident for the past fifty-five years and served with the Army during World War II. Snapper started work for the Tree Department in 1970 and eventually became Foreman, a position he held until his death. He was a good worker, and he looked forward to quiet times fishing.

CYNTHIA BAILEY GUIMARES

July 3, 1985

Cynthia Bailey Guimares was born in New York on September 30, 1896, the daughter of a sea captain, and accompanied her parents to Kingston when she was very young. Although to our knowledge Cynthia was never a Town official,

she did enjoy the distinction of being the eldest citizen in Town when the search began anew for a recipient for the Boston Post Cane. She was presented "The Cane" on March 4, 1985, by the Chairman of the Board of Selectmen and the Town Clerk; our visit was tremendous. She was a fine person and the memory of her friendship will remain with us always.

MICHAEL JOSEPH RICCIARDI

August 28, 1985

Michael Ricciardi was appointed by the Moderator on February 15, 1983 to a three year term on the Capital Outlay Committee. He was attentive in his responsibilities as a member. He was chief auditor for the Commonwealth of Massachusetts, a quiet family man, and a good citizen.

ARTHUR WILLIAM ROBART, JR.

September 24, 1985

Bill served on the Board of Health and the Fish Committee. During World War II, he was a staff sergeant and served his country for four and one half years. Bill was a self-employed carpenter and was always willing to extend a "helping hand". During snow storms, Billy would be at the highway barn with delicious goodies for his friends. His passing leaves sadness in our hearts, but the memory of his friendship will remain with us forever.

George W. Cushman — Town Clerk, C.M.C.

TOWN OF KINGSTON COMMONWEALTH OF MASSACHUSETTS WARRANT FOR ANNUAL TOWN MEETING

To any of the Constables of the Town of Kingston,
Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are hereby directed to notify and warn the Inhabitants of Kingston Qualified to vote in Town affairs and elections to meet at the KINGSTON INTERMEDIATE SCHOOL, 150 Main Street, on

SATURDAY, the FOURTH day of MAY, 1985, for meeting at 10 o'clock in the forenoon and on SATURDAY, the ELEVENTH day of MAY, 1985, for the elections at 7 o'clock in the forenoon in the Elementary School for PRECINCT I and in the Faunce School for PRECINCT II.

Article 1. To hear and act upon the reports of the Town officers.

Article 2. To see if the Town will vote to amend certain sections of the Wage and Personnel Bylaw, or to take any other action relative thereto.

Article 3. To set the salaries of elected officers.

Article 4. To see if the Town will vote to transfer from the Revenue Sharing Fund a sum of money for the purpose of ordinary and necessary maintenance and operating expenses for public safety, environmental protection, public transportation, health, recreation, libraries, social services for the poor or aged, financial administration and any ordinary and necessary capital expenditures authorized by law, or to take any other action relative thereto.

Article 5. To see if the Town will vote to transfer for Library purposes from the account entitled "State Aid for Libraries Reserved for Appropriations," the sum of said funds having been received from the Commonwealth of Massachusetts during 1984 and any other amount that has been or will be received during the fiscal year ending June 30, 1985, or to take any other action relative thereto.

Article 6. To raise and appropriate such sums of money as may be necessary to defray town charges.

Article 7. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the fiscal year beginning July 1, 1985, in accordance with the provisions of the General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17, as amended, or to take any other action relative thereto.

Article 8. To see if the Town will vote to accept recommendations of the trustees for the purpose of appropriating from the income of the Elizabeth B.

Sampson Memorial Fund for various purposes, or to take any other action relative thereto.

Article 9. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the payment of certain unpaid bills of prior years.

Article 10. To see if the Town will vote to raise and appropriate and/or transfer and appropriate from available funds in the Treasury a sum of money for the purchase of two motor vehicles for the Police Department, or to take any other action relative thereto.

Article 11. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase of a motor vehicle for the dog officer, or to take any other action relative thereto.

Article 12. To see if the Town will vote to authorize the Board of Selectmen to sell the property located as shown on the Kingston Assessor's Map #6, Lot Number 379, which lot contains a building, and Lot Number 377B, which lot contains a right-of-way; which property is known as the Railroad Station, either at a public sale or auction, upon a minimum priced fixed by the voters, and upon such condition or further actions that will be in the very best interest of the Town, or to take any other action relative thereto.

Article 13. To see if the Town will vote to amend the Zoning By-Law as follows.

SECTION J: MOBILE HOME PARK

In paragraph 3, Definitions, subsection A, after the words "a dwelling unit built" to add the words "or delivered on a chassis."

In paragraph 5, General Requirements, subsection C, be modified to read as follows: "Minimum lot area, continuous lot frontage, yard dimensions, and maximum lot coverage including accessory buildings. See Section IV-B, Schedule of Intensity Regulations. Screen and roofed porches and open decks may be constructed in side and rear yard, but not closer than ten (10) feet of said lot lines."

In paragraph 5, General Requirements, subsection P, to delete said section and to add in its place thereof: Mobile home stands shall be provided with a minimum of twelve (12) piers resting on a six (6) inch concrete pad slab. There shall be no storage of any material whatsoever underneath the perimeter of the mobile home. Approved anchoring must be provided to be attached to the concrete slab.

In paragraph 5, General Requirements, subsection R, be modified to add after the words "uniformly constructed" the following phrase:

"Must be approved by the Town Building Official as to construction, must be erected on a six (6) inch concrete slab with approved anchoring and the

outside dimensions must be a minimum of six (6) feet by eight (8) feet or a maximum of eight (8) feet by twelve (12) feet along the sides and eight (8) feet in height. Such storage buildings shall be located in the rear corner of the unit space and shall be located ten (10) feet from any side yard and shall be five (5) feet from any rear lot line."

In paragraph 5, General Requirements, subsection S, to add the following sentence at the conclusion thereof: Screen and roofed porches and open decks may be constructed in side and rear yard, but not closer than ten (10) feet of said lot lines.

In paragraph 5, General Requirements, to add the following subsection at the conclusion thereof:

V. Community building must be constructed for the exclusive use by the residents before fifty-one percent (51%) of the dwelling units are occupied. Parking must conform to parking by-laws for public buildings. See Section 5, Paragraph D, Off Street Parking requirements.

In paragraph 5, General Requirements, to add the following subsection after subsection V:

W. Before occupancy is allowed a certified "as built" plot plan showing the exact placement of the mobile home on the lot (and all its related appurtenances) must be given to the building inspector.

Or to take any other action relative thereto

Article 14. To see if the Town will vote to amend the Zoning By-Law by adding thereto in Section V — Special Regulations, Subsection K as follows:

K. Automotive Regulations

I. Unregistered Motor Vehicles. No more than one unregistered car, bus, truck, or other registerable motor vehicle shall be permitted ungaraged on any premises in any district, except such as are clearly incidental to the lawful conduct of a nonresidential activity permitted in a Business or Industrial District, or except where such vehicles are in operating condition and regularly used on the premises of a farm, boatyard, or comparable activity. In no event shall any unsightly unregistered vehicle be stored in the front yard.

Or to take any other action relative thereto.

Article 15. To see if the Town will vote to amend the Zoning By-Law to delete Section V, Subsection H, Conservation Restrictions, paragraph D, or to take any other action relative thereto.

Article 16. To see if the Town will vote to amend the Zoning By-Law by adding thereto in Section V — Special Regulations, at the conclusion thereof the

following subsection; said subsection to be labelled appropriately and sequentially:

MAJOR PLAN REVIEW

I. Purpose.

The purpose of the Major Plan Review is to ensure that the design and layout of certain developments permitted as a matter of right or by Special Permit will constitute suitable development and will not result in a detriment to the neighborhood or the environment. In considering a site plan the Planning Board shall assure:

- a. Protection of adjacent areas against detrimental or offensive uses on the site by provisions of adequate surface water drainage, buffers against lighting, sight, sound, dust, vibration, and allowance of sun, light, and air;
- b. Convenience and safety of vehicular and pedestrian movement within the site and in relation to adjacent areas;
- c. Adequacy of facilities for handling and disposal of refuse and other production by-products; and
- d. Protection of environmental features on the site and in adjacent areas.

II. Applicability.

Any development or change in use which would require five (5) or more parking spaces, regardless of the number of parking spaces existing on the premises, shall be subject to Major Plan Review by the Planning Board, irrespective of whether the number of parking spaces to be created shall be reduced by action of the Board of Appeals or otherwise.

III. Procedure.

Applications for building permits for construction subject to Major Plan Review shall be accompanied by four (4) prints of the plans of the proposal. The Building Inspector shall forward three (3) copies to the Planning Board for its review and shall not approve any application subject to this section without receipt of written plan approval by the Planning Board or its designated agent, unless thirty (30) days elapse from the date of transmittal of plans to the Board without receipt of such review from the Planning Board.

IV. Drawing Requirements.

Plans subject to Major Plan Review shall be prepared by a Registered Architect, Landscape Architect, or Professional Engineer. The site plan shall be prepared at a scale no greater than 1"=40', and shall show all existing and proposed buildings, existing and proposed contour elevations, structures, parking spaces, driveway openings, driveways, service

areas, facilities for sewage, refuse and other waste disposal and for surface water drainage, wetlands, surface water, areas subject to the 100-year flood, and landscape features, such as fences, walls, planting areas, walks and lighting, both existing and proposed. The site plan shall also show the relation of the above features to adjacent ways and properties, and contain a locus map at a scale not greater than 1" = 2,000'. The site plan shall also show all contiguous land owned by the applicant or by the owner of the property.

The applicant shall submit such material as may be required regarding measures proposed to prevent pollution of surface or ground water, soil erosion, increased runoff, change in groundwater level, and flooding.

The applicant shall submit such material as may be required regarding design features intended to integrate the proposed new development into existing landscape, to enhance aesthetic assets, and to screen objectionable features from neighbors.

The applicant shall submit such material as may be required regarding the projected traffic flow patterns into and upon the site for both vehicles and pedestrians and an estimate of the projected number of motor vehicles to and from the site for an average day and for peak hours.

V. Decision.

Plans shall be approved provided that the Planning Board determines that no other conflicts between the proposal and the Zoning By-Laws have been observed.

VI. Performance Requirement.

Off-street parking must be provided to service the net increase in parking demand created by new construction, additions, or change of use.

VII. Special Permits.

The total off-street parking required to service retail, business, or professional use(s) of the lot may be reduced in the following manner:

0-20 spaces	--	no reduction
21-30 spaces	--	10% reduction
31-40 spaces	--	15% reduction
41-50 spaces	--	20% reduction
over 50 spaces	--	25% reduction

The area preserved by the above reduction shall be planted. The required number of spaces may be reduced upon the Board's determination that special circumstances, such as shared use of the parking lot by activities having different peak demand times, render a lesser provision adequate for all parking needs. For uses allowed only on a Special Permit, the Special Permit Granting Authority may similarly require a larger

number of parking spaces to be provided than indicated if necessary to service anticipated demand.

VIII. Location.

Required parking shall be either on the same premises as the activity it serves, or located within three hundred (300) feet of the building entrance on a separate parcel, not separated by a street having right-of-way width of sixty (60) feet or more, and in a zoning district allowing the activity it serves.

IX. Surface.

All required parking areas, except those serving single family residences, shall be paved, unless exempted on Special Permit from the Board of Appeals for cases such as seasonal or periodic use where an alternative surface will prevent dust, erosion, water accumulation, or unsightly conditions.

X. Backing.

Parking areas with five (5) or more spaces shall be designed and located so that their use does not involve vehicles backing onto a public way.

XI. Egress.

There shall be not more than two driveway openings onto any street from any single premises unless each opening centerline is separated from the centerline of all other driveways serving twenty (20) or more parking spaces, whether on or off the premises, by two hundred (200) feet (measured at the street line) in a Business District or by three hundred (300) feet if in any other District. No such opening shall exceed twenty four (24) feet in width at the street line unless necessity of greater width is demonstrated by the applicant, and the opening is designed consistent with Massachusetts DPW regulations Section 10A-9 or subsequent revisions. No driveway sideline shall be located within twenty (20) feet of the street line of an intersecting way. All driveways serving five (5) or more parking spaces shall be constructed with a minimum edge radius of five (5) feet on both sides. All driveways serving forty (40) or more parking spaces must have not less than two hundred fifty (250) feet visibility in each travel lane entering a state-numbered or maintained highway, and not less than one hundred fifty (150) feet visibility on other streets.

XII. Parking Lot Plantings.

Parking lots containing ten (10) or more parking spaces shall have at least one (1) tree per eight (8) parking spaces, such trees to be located either within the lot or within five (5) feet of it. Such trees shall be at least two (2) inches trunk diameter, with not less than forty (40) square feet of unpaved soil or other permeable surface area per tree. At least five percent (5%) of

the interior of any parking lot having twenty five (25) or more spaces shall be maintained with landscaping, including trees, in plots of at least four (4) feet in width. Trees and soil plots shall be so located as to provide visual relief and sun and wind interruption within the parking area, and to assure safe patterns of internal circulation.

XIII. Bicycle Racks.

For parking areas of forty (40) or more spaces, bicycle racks facilitating locking shall be provided to accommodate one (1) bicycle per twenty (20) parking spaces required or fraction thereof.

XIV. Site Design.

Any new building construction or other site alteration shall provide adequate access to each structure for fire and service equipment, and shall be so designed that for the given location and type and extent of land use, the design of building form, building location, egress points, grading, and other elements of the development could not be easily altered to.

1. improve pedestrian or vehicular safety within the site and egressing from it;
2. reduce the visual intrusion of parking areas viewed from public ways or abutting premises;
3. reduce the volume of cut or fill;
4. reduce the number of removed trees 4" trunk diameter and larger, or the area of wetland vegetation displaced;
5. reduce the extent of storm water flow increase from the site;
6. reduce soil erosion;
7. reduce hazard or inconvenience to pedestrians from storm water flow and ponding; and
8. reduce glare from headlights or area lighting.

Or to take any other action relative thereto.

Article 17. To see if the Town will vote to amend the Zoning By-Law by adding thereto in Section V — Special Regulations, at the conclusion thereof the following subsection; said subsection to be labelled appropriately and sequentially:

FLOOD PLAIN DISTRICT

I. Purpose.

The purposes of the Flood Plain District are to protect the public health, safety, and general welfare, to protect human life and property from the

hazards of periodic flooding, to preserve the natural flood control characteristics, and the flood storage capacity of the flood plain, and to preserve and maintain the ground water table and water recharge areas within the flood plain.

II. District Delineation.

The general boundaries of the Flood Plain District are shown on the Kingston Flood Insurance Rate Map (FIRM), to be dated August 5, 1985, as Zones A, A 1-30 to indicate the 100 year flood plain. The exact boundaries of the District are defined by the 100 year water surface elevations shown on the FIRM and further defined by the Flood Profiles contained in the Flood Insurance Study, to be dated August 5, 1985. The floodway boundaries are delineated on the Kingston Flood Boundary Floodway Map (FBFM), to be dated August 5, 1985, and further defined by the Floodway Data Tables contained in the Flood Insurance Study. These two maps, in preliminary form, as well as the accompanying Study are incorporated herein by reference and are on file with the Town Clerk, Planning Board, Building Commissioner and Conservation Commission.

III. Development Regulations.

A. Within Zone A, where the 100 year flood elevation is not provided on the FIRM, the developer/applicant shall obtain any existing flood elevation data and it shall be reviewed by the Conservation Commission. If the data is sufficiently detailed and accurate, it shall be relied upon to require compliance with this By-Law and the State Building Code.

B. Located within the Flood Plain District are areas designated as coastal high hazard areas (Zone V). Since these areas are extremely hazardous due to high velocity waters from tidal surges and hurricane wave wash, the following provision shall apply:

1. All new construction shall be located landward of the reach of the mean high tide.

IV. Use Regulations.

The Flood Plain District is established as an overlay district to all other districts. All development, including structural and non-structural activities, whether permitted by right or by special permit must be in compliance with Chapter 131, Section 40 of the Massachusetts General Laws and with the requirements of the Massachusetts State Building Code pertaining to construction in the flood plains (currently Section 744).

A. Permitted Uses.

The following uses of low flood damage potential and causing no obstructions to flood flows shall be allowed provided they are permitted

in the underlying district and they do not require structures, fill, or storage of materials or equipment.

1. Agricultural uses such as farming, grazing, truck farming, horticulture, etc.

2. Forestry and nursery uses.

3. Outdoor recreational uses, including fishing, boating, play areas, etc

4. Conservation of water, plants, wildlife.

5. Wildlife management areas, foot, bicycle, and or horse paths.

6. Temporary non-residential structures used in connection with fishing, growing, harvesting, storage, or sale of crops raised on the premises.

7. Buildings lawfully existing prior to the adoption of these provisions.

Or to take any other action relative thereto.

Article 18. To see if the Town will vote to amend the Zoning By-Law, Section III, Schedule of Use Regulations, by deleting the following:

The keeping of domestic animals not raised for commercial sale by residents of the premises provided any stable or enclosure shall be not more than fifty (50) feet from any lot line.

and by adding in place thereof the following:

The keeping of domestic animals not raised for commercial sale by residents of the premises provided any stable enclosure or fence shall be in rear yard and not less than Fifty (50) feet from any lot line.

Or to take any other action relative thereto.

Article 19. To see if the Town will vote to amend the Zoning By-Law, Section III, Schedule of Use Regulations, to allow all *permitted* uses under "B Business" to also be *permitted* uses under "I Industrial". Said use to be limited to a distance into said industrial areas of two thousand (2,000) feet from state highway bounds, or to take any other action relative thereto.

Article 20. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury, or raise and appropriate by borrowing, a sum of money for the purpose of purchasing a computer for the Town House, including all applicable software and support documentation and installation as well as all applicable environmental changes to house said system, and to authorize the Board of Selectmen to so contract and take all other action necessary to carry out said project, or to take any other action relative thereto.

Article 21. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury or raise and appropriate by borrowing, a sum of money, to be used in conjunction with the sum of Thirty

four thousand, one hundred ninety six dollars (\$34,196.00) previously appropriated, for the purpose of acquisition by gift, purchase, or eminent domain, portions of the following lots:

Kingston Assessor's Map #16, Lot 1

Kingston Assessor's Map #15, Lots 7, 17B, and 18

Or to take any other action relative thereto.

Article 22. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for an appraisal and land survey of certain property located as shown on Kingston Assessor's Map #9, portions of Lots #88 and 87A for future eminent domain proceedings for a future water reservoir, or take any other action relative thereto.

Article 23. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money and authorize the Board of Fire Engineers to enter into a lease purchase agreement for a term of five (5) years for the acquisition of a new fire engine to replace a 1959 fire engine, or to take any other action relative thereto.

Article 24. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for repairs to and replacement of equipment at the Maple Street Fire Station, or to take any other action relative thereto.

Article 25. To see if the Town will vote to approve and authorize the Board of Selectmen to execute on behalf of the Town an agreement between the Towns of Duxbury and Kingston substantially in the form of the proposed agreement, a copy of which is on file in the office of the Town Clerk, which agreement provides generally for Duxbury to retain special counsel and technical advisors to advise and represent the Towns of Duxbury and Kingston jointly in the ongoing regulatory and appeal process relating to the discharge of the Plymouth municipal sewage treatment plant, the expansion of such plant and matters relating thereto; to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purpose of carrying out such agreement; said appropriation to be expended upon the condition that two (2) Kingston residents be appointed as members of the Ocean Sanctuaries Act Study Committee, or to take any other action relative thereto.

Article 26. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to be used in the renovation of the Town House, said sums to be expended by the Board of Selectmen, or to take any other action relative thereto.

Article 27. To see if the Town will vote to approve the indebtedness authorized by the Silver Lake Regional School District Committee on February 14, 1985, for the purpose of renovating and equipping the science facilities at the Silver Lake High School, Kingston Campus. The foregoing authorization of indebtedness shall be implemented by the amendment of the Regional School District

Agreement, relating to assignment of pupils at the High School, at the Silver Lake Kingston Campus, which Agreement is on file in the office of the Kingston Town Clerk, or to take any other action relative thereto.

Article 28. To see if the Town will vote to authorize the Treasurer to act as Tax Collector, at the expiration of the term of office of the present Tax Collector, combining the duties of each office into one full-time position, said Town Treasurer/Collector to be elected for a term of three (3) years beginning in May of 1987; said vote to be subject to approval as required of the Legislature, or to take any other action relative thereto.

Article 29. To see if the Town will vote to petition its legislators in the following manner.

-AN ACT PROVIDING FOR THE APPOINTMENT OF THE TREASURER-TOWN COLLECTOR IN THE TOWN OF KINGSTON

Be it enacted as follows:

SECTION 1. Notwithstanding the provisions of Section 1 of Chapter 41 of the General Laws or of any other contrary provisions of law, commencing on the second Saturday of May, Nineteen Hundred and Eighty Seven, the Treasurer-Town Collector of the Town of Kingston shall be appointed by the Board of Selectmen. The person so appointed shall have all the powers and duties now or from time to time vested by law in the office of Treasurer and the office of Town Collector.

SECTION 2. This act shall take effect upon its passage "

Or to take any other action relative thereto.

Article 30. To see if the Town will vote to authorize the Board of Selectmen to convey the property located on the Southwesterly side of Brookdale Street in the Town of Kingston containing 41,947 square feet of land and known as Lot 30A, to Frederick A. Carlson and Richard L. Carlson upon consideration of Seventeen thousand, eighty seven dollars and twenty nine cents (\$17,087.29), or to take other action relative thereto.

Article 31. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for Phase One of a three year project for the refurbishing and restoration of the REED BUILDING, to include as Phase One an appropriation of money for the purpose of obtaining plans and a feasibility study for said restoration; said sums to be expended under the direction of the Playground Commission, or to take any other action relative thereto.

Article 32. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to meet the Town's share, and to borrow or transfer from available funds, in anticipation of

reimbursement, a sum of money as the State's share of the cost of work under Chapter 90, Section 34 (2A) of the General Laws, being funded by Chapter 234, Acts of 1984, or to take any other action relative thereto.

Article 33. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury, a sum of money for the purchase of a fully equipped dump truck to be used by the Highway Department and authorize the Selectmen to turn in the present 1975 Model 6500 GMC dump truck and apply the allowance thereof to the purchase price of the new dump truck, or to take any other action relative thereto.

Article 34. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury, a sum of money for the purchase of a fully equipped pick-up truck to be used by the Highway Department and authorize the Selectmen to dispose of the present 1979 Chevrolet pick-up truck, or to take any other action relative thereto.

Article 35. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase and installation of Two-Way Radio Equipment to be utilized by the Board of Health and tied into the Town's Municipal Radio system, said sums to be expended by the Board of Health, or to take any other action relative thereto.

Article 36. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase of Earth Materials and Engineering Services required for the capping of the Town's Sanitary Landfill, said sums to be expended by the Board of Health, or to take any other action relative thereto.

Article 37. To see if the Town will vote to authorize the Board of Health to dispose of excess earth materials located on Map 11, Lot 133A-2, commonly referred to as the Town's Sanitary Landfill expansion area for the purpose of expanding the present landfill, or to take any other action relative thereto.

Article 38. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to expand the present Sanitary Landfill into the Expansion area. Such work to include but not be limited to Engineering design, site preparation, and the purchase of necessary materials needed in the construction of the site, said sums to be expended by the Board of Health, or to take any other action relative thereto.

Article 39. To see if the Town will vote to amend the zoning map of the Town by changing from "B" Business to "I" Industrial the following listed properties located on the south and westerly side of Joseph Street from Pembroke Street (Route 27) in a southerly direction. Such location includes the following properties as shown on Map 5 of the Assessor's plans: Lots 23-10; 23-16; 23-17; 23-18; and 23-19. (BY PETITION)

Article 40. To see if the Town will vote to amend the zoning map of the Town by changing from "RB" Residential to "B" Business the following as shown on the Kingston Assessor's maps:

In Lot 150, on Map 6, that portion of the said Lot Southerly of Mill Pond and Stony Brook.

In Lot 149, on Map 6, that portion of the said Lot Southerly of Stony Brook. (BY PETITION)

Article 41. To see if the Town will vote to amend the zoning map of the Town by changing from "B" Business to "I" Industrial the following as shown on the Kingston Assessor's maps:

In Lot 150, on Map 6, that portion of said Lot Northerly of Mill Pond and Stony Brook.

In Lot 149, on Map 6, that portion of said Lot Northerly of Stony Brook

In Lot 129C, on Map 6, all of said Lot.

In Lot 130, on Map 6, all of said Lot. (BY PETITION)

Article 42. To see if the Town will vote to change the zoning from Residential (RB) to Business Lot 79A and 80 situated on South Street, comprising three acres more or less, or to take any other action relative thereto, said lot being the property of Arthur and Marianna Forcier. Said lot being the property located on Plat 9 of Kingston Assessor's Map. (BY PETITION)

Article 43. To see if the Town will vote to change the ZONING from RESIDENTIAL to BUSINESS - Lot 11 on Map 11 (located on Main Street opposite May Avenue, a vacant lot comprising 1.8 acres more or less), or to take any other action thereto. (BY PETITION)

Article 44. To see if the Town will vote to amend the zoning by-law as follows:

Delete Section H, Conservation Restrictions, paragraph D. (BY PETITION)

Article 45. To see if the Town will vote to authorize and instruct the Board of Selectmen to petition the General Court for the passage of legislation providing recall elections in the Town of Kingston as follows:

SECTION 1. Any holder of an elected office in the Town of Kingston may be recalled therefrom by the qualified voters of the town as herein provided.

SECTION 2. Any ten qualified voters of the town of Kingston may initiate a recall petition by filing with the town clerk of said town an affidavit containing the name of the officer sought to be recalled and a statement of the grounds of recall. Said town clerk shall thereupon deliver to the voter making such affidavit a sufficient number of copies of petition blanks demanding such recall, printed

forms of which he shall keep on hand. The blanks shall be issued by the town clerk with his signature and official seal attached thereto; they shall be dated and addressed to the selectmen of said town, shall contain the name of the person to whom issued, the number of blanks so issued, the name of the person sought to be recalled, the grounds of recall as stated in said affidavit, and shall demand the election of a successor to such office. A copy of the petition shall be entered in a record book to be kept in the office of the town clerk. Said recall petition shall be returned and filed with the town clerk within twenty days after filing of the affidavit. Said petition before being returned and filed shall be signed by fifteen percent of the qualified voters and to every signature shall be added the place of residence of the signer, giving the street and number. The said recall petition shall be submitted, to the town clerk by three o'clock p.m. On the Friday preceding the day which it must be filed, to the registrars of voters in said town, and the registrars shall forthwith certify thereon the number of signatures which are names of voters of said town.

SECTION 3. If the petition shall be found and certified by said town clerk to be sufficient, he shall submit the same with his certificate to said selectmen without delay and said selectmen shall forthwith give written notice to said officer of the receipt of said certificate and shall, if the officer sought to be recalled does not resign within five days thereafter, thereupon order an election to be held on a date fixed by them, not less than sixty days and not more than seventy days after the date of the town clerk's certificate that a sufficient petition is filed; provided, however, that if any other town election is to occur within sixty days after the date of said certificate, said selectmen may, in their discretion postpone the holding of said recall election to the date of such other election. If a vacancy occurs in said office after a recall election has been so ordered, the election shall nevertheless proceed as in this section provided. (BY PETITION)

Article 46. To rescind the action of the 1955 Annual Town Meeting Article #22, thereby causing the Park Commission to be dissolved as an elected Board for the Town of Kingston, this change to take effect at the 1986 Annual Election of Town Officers, and to take any other action relative thereto.

AND

To combine the responsibilities, duties and budget of the Park Commission with the Playground Commission, such action to become effective at the 1986 Annual Town Election of Officers and to take any other action relative thereto. (BY PETITION)

Article 47. To see if the Town will vote to transfer a sum of money now available in free cash to be applied against appropriated expenditures, or to take any other action relative thereto.

To transact any other business that may legally come before said meeting.

FURTHER, you are hereby required to notify and warn the inhabitants of the Town of Kingston qualified to vote in elections to meet in the adjourned session at the

KINGSTON ELEMENTARY SCHOOL FOR PRECINCT I AND THE FAUNCE SCHOOL FOR PRECINCT II ON SATURDAY, THE ELEVENTH DAY OF MAY, NEXT, 1985.

for the following purposes:

To choose all necessary Town officials. The following officers are to be chosen on one ballot -- viz:

One (1) Moderator;
One (1) Assessor;
One (1) Tree Warden;
One (1) Library Trustee;
All for One (1) year

One (1) Library Trustee;
One (1) Park Commissioner;
All for Two (2) years

One (1) Selectman;
One (1) Assessor;
One (1) Member of the Board of Health;
One (1) Member of the Silver Lake Regional School District;
One (1) Member of the School Committee;
One (1) Water Commissioner;
Two (2) Members of the Playground Commission;
Two (2) Members of the Library Trustees;
One (1) Member of the Park Commission;
All for Three (3) years

One (1) Member of the Planning Board;
One (1) Member of the Housing Authority;
All for Five (5) years.

AND

TO RESPOND TO THE FOLLOWING QUESTIONS:

1. Shall the Town of Kingston be allowed to assess an additional \$350,000.00 in real estate and personal property taxes for the fiscal year beginning July 1, nineteen hundred eighty five?

YES _____ NO _____

2. Shall the Town of Kingston be allowed to assess an additional \$98,625.00 in real estate and personal property taxes for the fiscal year beginning July 1, nineteen hundred eighty five?

YES _____ NO _____

The polls will be opened at 7 a.m. on Saturday, the eleventh day of May, and shall be closed at 8 p.m. on Saturday, the eleventh day of May, 1985.

And you are directed to serve the Warrant by posting up attested copies thereof at the main entrance to the Town House and at the Post Office in said Town, seven (7) days at least before the time of holding said meeting.

HEREOF FAIL NOT and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

GIVEN under our hands this Seventeenth day of April, in the year of Our Lord One Thousand Nine Hundred and Eighty-Five.

THE SELECTMEN OF KINGSTON

THOMAS D. LAWTON, *Chairman*

EDWARD H. VALLA

JOSEPH M. PALOMBO

Plymouth, ss.

Pursuant to the within warrant, I have notified and warned the inhabitants of the Town of Kingston by posting up attested copies of the same at the Post Office in the town and at the entrance of the Reed Community Building and at the entrance of the Town House seven days before the date thereof, as within directed.

(signed) James R. Goonan, *Constable, Kingston, MA.*

**TOWN OF KINGSTON
COMMONWEALTH OF MASSACHUSETTS
ANNUAL TOWN MEETING
MAY 4, 1985**

The annual town meeting was called to order at 10:20 A.M. by the Moderator, Lawrence I. Winokur, the reason for the delay in starting the meeting was due to the fact that there was not a quorum present. The warrant was not read by unanimous consent.

Mr. Winokur, the Moderator, informed the voters of the rules and guidelines for the conduct of this annual town meeting.

The Moderator informed the voters that David R. Buhl is making a recording of this meeting.

The oath of office was given to the following tellers: Lawrence B. Westgate, Joseph F. Glass, Mary E. Boutin, Edward H. Holmes, and the alternates were Irma A. Ruffini and Robert M. Jones.

The vote checkers were: Phyllis P. Ponte, Maureen Twohig, Lynn Conley, Robert A. Mulliken, Marie A. Ruel, and Lydia J. Fernandes.

The doorkeepers were: Charles Ladd and Antonio Fortini.

The mike carrier was Jane Sturtevant.

On the motion of Joseph M. Palombo, voted to admit the following non-residents to be present at and address the Town Meeting:

Karen Brown Gattozzi, Town Counsel
Daniel A. Welch, Chief of Police
Robert G. Millar, Chairman, Ocean Sanctuaries Study Committee
Richard A. Godfrey, President, C. Drew Co., Inc.
Souther Barnes, Trustee and Chairman of the Board of Investment,
Plymouth Five Cents Savings Bank
John Alcorn, Building Inspector
Joseph Oliansky, Library Director

Article 1. On the motion of Edward H. Valla voted that the reports of the town officers as printed in the 1984 town report or on file with the Town Clerk be accepted.

Article 2. Allan B. Cleveland moved that sections of the Wage and Personnel by-law be amended as recommended by the Wage and Personnel Board and as printed in the 1984 town report.

Mr. Cleveland read the following recommended changes for 1985-1986:

1. that the words "thirty weeks service" in Section 5, paragraph (c), subsection 1 be changed to "twenty-six weeks service";

2. that the position of full-time building inspector be created under Schedule B at S-10;

3. that the salary of the part-time building inspector be increased to \$14,000 per year (with no percentage of the fees received);

4. that the position of "Alternate Building Inspector" be created at an annual salary of \$600;

5. that the hourly rate of the senior groundskeeper be increased from \$4.50 to \$5.25;

6. that the title of the dog officer be changed to "Animal Control Officer";

7. that the annual salary of the full-time animal control officer be set at \$14,000;

8. that the position of "Assistant Animal Control Officer" be created and classified under Schedule B, S-3, Step I;

9. that all employees under Schedule B receive a 5% salary increase (unless otherwise voted);

10. that Section 17, Longevity Compensation, be changed to reflect the same payment schedule as in the current AFSCME contract;

11. that a sick leave "buy-back" clause be added to the By-Law;

12. that a list of holidays be specified under Section 12, Paid Holidays;

13. that employees under Schedule C receive a 5% salary increase (unless otherwise voted);

14. that the position of "Executive Secretary — Finance Committee (part time)" be created under Schedule C at an annual salary of \$1,875;

15. that the position of health agent be reclassified from Schedule C to Schedule B, S-6, Step II;

16. that the position of library director be reclassified from Schedule C to Schedule B, S-9, Step II;

17. that the union positions be removed from the By-Law;

18. that S-8, Step IV of Schedule B be increased to \$9.00; and

19. that Section 13, Vacation Leave, paragraph (h) be changed to reflect the AFSCME contract.

Changes Needed to the By-Laws as Printed in the Annual Report

1. Put back in Administrative Assistant, A-5, under Administrative Group, Schedule A.

2. Change the he in Section 5, paragraph (c), subsection (1) to he/she.

3. Put back in the position of Dog Officer under Administrative Group, Schedule A and in Schedule C at an annual salary of \$2226 if the full-time position of animal control officer is not voted.

4. Put back in the part-time Health Agent in Schedule C at an annual salary of \$4599 if the full-time position is not voted.

5. Put in the position of full-time inspector of Buildings under Administrative Group, Schedule A at S-10.

Further changes may be examined in the 1984 Town report.

After much discussion, James S. Matatall moved to table Article 2 until there was further information available. This required a 2/3's vote. The vote was:

YES 60 -- NO 46

This did not meet the 2/3's requirement and THE MOTION IS DEFEATED.

Paul A. Tura moved to remove the position of Health Agent from the Administrative Group, Schedule A, S-6, to the Miscellaneous Group, Schedule C, at an annual salary of \$12,000.

THE AMENDMENT WAS DEFEATED BY A VOICE VOTE.

Edward H. Valla moved to remove the Clerk, Board of Selectmen from the Clerical Group, Schedule A, to the Administrative Group, Schedule A, S-9, Step 1.

THE AMENDMENT WAS CARRIED.

Edward H. Valla moved to remove the Town Accountant, in the Supervisory Group, from S-9, Step 4, to S-10, Step 1.

THE AMENDMENT WAS NOT CARRIED.

Thomas D. Lawton moved to amend the salary of the part-time building inspector from \$14,000 to \$15,200 annually.

THE MOTION WAS DEFEATED.

Then a vote was taken on the motion as amended and it was voted that sections of the Wage and Personnel by-law be amended as recommended by the Wage and Personnel Board and as printed in the 1984 town report.

Paul Tura moved for reconsideration of Article 2 and at the suggestion of the Moderator, it was withdrawn.

Before Article 3 was presented, Mr. Daniel Murphy, Chairman of the Finance Committee made some comments to those present.

ANNUAL TOWN MEETING

May 4, 1985

Opening remarks — Daniel J. Murphy, Chairman, Finance Committee

Mr. Moderator, Ladies and Gentlemen... For those of you who might not know who I am, my name is Dan Murphy, and I chair the Finance Committee

Today we are all assembled here to decide just how the town of Kingston will spend its monies in the upcoming fiscal year. This in itself is nothing new, but this year the total amount of dollars appropriated at this town meeting could very well force an override of Proposition 2½. Now overriding 2½ for a particular purpose, say a police station or sewage system, is not unusual. What is unusual is the prospect of overriding 2½ simply for an operating budget. This is the question we have before us today, and one that must be answered.

The Finance Committee brings before you today recommendations on the various warrant articles that will keep us within the confines of 2½ and will make an override unnecessary. The warrant as recommended is in our best estimates right at that magic number known as the allowable levy limit. This figure is arrived at by taking last year's levy limit, multiplying it by 102.5 adding to that a figure which represents new growth, and finally to this figure adding any debt which the town has seen fit to exclude from Proposition 2½. This works out this way:

1. FY85 Levy Limit (allowable)	\$4,041,894
+ 2½ increase allowed	101,047
2. FY86 Growth Limit	4,142,941
+ New Construction (4.7M @ 19.25/1000)	90,475
3. FY86 Growth + New Limit	4,233,416
+ Debt Voted to be Excluded:	
1983 ATM Water Mains	78,255
1984 Police Station (STM)	45,053
1984 Rocky Nook Sewer (ATM)	0
4. FY86 Growth + New Const. + Debt Excl. Limit	4,359,754 final
NTBR OVER (UNDER) LIMIT (4)	(2,746)

If that seems like a mouthful, then you are getting an idea of what the Finance Committee has to contend with in trying to get a total appropriation figure before you, the voters.

We certainly do not expect all of you to agree with us on everything. Within our own committee we have had many a disagreement on how the money should be spent. However, it is because of this sorting out process, which some newspaper articles saw fit to call a "war", that we are able to bring before you what we consider to be sound and fiscally smart recommendations. We feel we have at the very least maintained the level of service which the townspeople are accustomed to, and have been able to do so without the laying off of any personnel. We have

actually added one new full-time fireman, a position which we feel has been made necessary by the increase in new structures in town. However, along this same vein, we do not feel that the town is in a position where it can upgrade a couple of part-time jobs and make them full time, namely those of dog officer and health agent.

As a group we have put a great deal of time and effort into these recommendations, and are united in the belief that the town can operate, and operate efficiently, within this budget. We do wish to point out that any additional monies over and above what is recommended, without corresponding deletions of like amounts, will in effect require us to go to town elections next Saturday and vote for one of two override questions. Question #2 would authorize the town to spend up to an additional \$98,625 over the allowable limit of \$4,359,754. This can be done with a simple majority vote. Question #1, however, would empower Kingston to exceed the allowable levy limit up to a maximum of \$350,000. This is a sizable amount of money, and figures out to be approximately 6% of the recommended total expenditures before this meeting today, and thus would require a 2/3 favorable vote on election day to authorize its use. If Proposition 2 1/2 is exceeded today, and neither one of the overrides receives a favorable vote on Saturday, May 11, we may get a chance either to come back to an adjourned session of this town meeting and reconsider some of our votes; or, if this meeting closes without an adjournment, then we possibly may have to start all over again.

I personally do not wish to have to do so, and hope that my fellow townspeople will put their special interests aside if in fact this will benefit the town as a whole. Staying within the guidelines of Proposition 2 1/2 for an operating budget is in my mind, good sense, and I think is the basic philosophy behind the legislation.

In closing, I wish to thank my committee for their time and dedication to this budgetary process, and also give special thanks to two ladies without whose constant efforts this meeting could not have gone forward. They are Anita Hadley, secretary to the Selectmen, and Lois Mulliken, secretary to the Finance Committee, who I think are perhaps the epitome of what concerned citizens should be. Thank you.

Article 3. On the motion of Roscoe A. Cole, voted that the salaries of the several elected officers of the Town be set as follows, effective July 1, 1985:

Moderator	
Treasurer	\$ 100.00
Alfred T. Turner moved to amend the salary of treasurer from \$5,896 to \$11,792. The AMENDMENT WAS DEFEATED.	
Tax Collector	5,896.00
Town Clerk	15,829.00
Chairman, Board of Selectmen	6,722.00
Other Selectmen, Each	1,500.00
	1,200.00

Chairman, Board of Health	1,100.00
Other Health Members, Each	900.00
Chairman, Board of Assessors	1,500.00
Other Assessors, Each	1,200.00
Chairman, Water Commission	450.00
Other Water Commissioners, Each	400.00
Tree Warden	5,924.00

Article 4. On the motion of Thomas D. Lawton voted that the sum of \$211,694.00 be transferred from the Revenue Sharing Accounts as follows:

From the account entitled "Public Law 92-512,"

the sum of \$211,694.00 to the account entitled "Police Maintenance: Salaries and Wages", to reduce the amount needed to be appropriated for Police Maintenance: Salaries and Wages.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Article 5. On the motion of Joseph M. Palombo, voted that the Town transfer for Library purposes from the account entitled "State Aid for Libraries Reserved for Appropriations," and "Dog Licenses — County," the sum of \$5,816.00 received from the Commonwealth of Massachusetts and \$3.56 received from the County.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Before Article 6 was acted on, it was voted to take Article 23 out of order.

Article 23. On the motion of Chief Jon Alberghini, it was voted that the Town authorize the Board of Fire Engineers to enter into a lease purchase agreement for a term of five (5) years for the acquisition of a new fire engine to replace a 1959 fire engine.

THE VOTE WAS YES 127, NO 4. THIS MET THE 2/3 REQUIREMENT.
FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Article 6. Daniel J. Murphy moved that budget items 1-79 inclusive be raised and appropriated as recommended by the Finance Committee, and be recited individually, and those items questioned, if any, be tabled, and discussed separately from the floor after the entire budget has been read.

Prior to the vote the following budget items were discussed briefly with questions asked:

Item	Department
1. Selectmen — Salaries	
7. * Reserve Fund	
10. Accountant — Salaries	
14. Treasurer — Salaries	
28. Insurance — Sundry — Expenses	
29. * Police — Salaries	

Item	Department
36.	Tree Warden — Expenses
47.	Dog Officer — Salaries
51.	*Silver Lake Regional School Assessment
51A.	*Conditional Funding for School Assessment
57.	Conservation Commission — Expenses
59.	Health and Sanitation — Salaries
60.	Health and Sanitation — Expenses
68.	*Library — Expenses
76.	Interest on Debt
82.	Water — Maintenance — Lease-Purchase

Item 7. The Reserve Fund. Mr. Murphy, Chairman of the Finance Committee gave the voters an explanation of the increase in this item. The answer was satisfactory.

Item 10. Accountant — Salaries. Joseph M. Palombo moved to amend item 10 from \$36,966 to \$38,091. The Finance Committee disapproved this increase.

THE AMENDMENT WAS DEFEATED.

Item 14. Mr. Jessup raised a question and after some discussion there was no motion made.

Item 28. Insurance — Sundry — Expenses; Mr. William J. McElligott, attorney-at-law, representing a client or clients, moved to amend item 28 from \$275,800 to \$287,803. Colleen P. Costa moved to table item 28 of the budget, this motion was UNANIMOUSLY DEFEATED. The AMENDMENT of Mr. McElligott WAS DEFEATED.

Item 29. It was noted that the amount to be raised for Police-Salaries is \$353,306.

Item 36. Tree Warden — Expenses; No amendments were offered.

Item 47. Dog Officer — Salaries. Luann McAuliffe moved to amend item 47 from \$2,226 to \$14,000. The Finance Committee does not recommend this increase.

THE AMENDMENT WAS DEFEATED.

Item 51. Silver Lake Regional School Assessment — Mr. Murphy spoke on the figure of \$900,143 which was requested by the Regional School Committee. Mr. Murphy also suggested that a new item, 51A, be inserted in the budget with an asterisk. The asterisk means that payment of the assessment is conditional upon favorable approval by the remaining towns.

Roscoe A. Cole moved to reduce item 51 to "0" and add item 51A, Proposed assessment conditional upon favorable approval by remaining towns — \$900,143.

THE AMENDMENT WAS CARRIED.

Item 57. Conservation Commission — Expenses. Pine DuBois moved to amend item 57 to read \$3,820. The Finance Committee stated that cuts were necessary.

THE AMENDMENT WAS DEFEATED.

Item 59. Health and Sanitation — Salaries. Alan S. McKim moved to amend item 59 to read \$39,839. Finance Committee was unfavorable to this amendment.

THE AMENDMENT WAS DEFEATED.

Item 60. Health and Sanitation — Expenses. No comment made.

Item 68. Library — Expenses. It was noted that the correct amount to be raised is \$29,505.

Item 76. Interest on Debt. The new figure, given in the original discussion, was \$104,628.

Item 82. Water — Maintenance — Lease-Purchase Expense. No comment was made under this item.

Pine DuBois inquired of the Tree Warden how much of his expense budget was designated for pesticides and what kind are they. Mr. Nava answered approximately \$1,800.

The budget under Article 6 was voted unanimously as amended in the amount of \$6,226,219.

During the discussion of Article 6, a recess was called at 1:00 P.M. to 1:45 P.M. for lunch. At 1:50 P.M. the meeting was again called to order with an actual count of the voters present, total 115.

Article 7. On the motion of Alfred T. Turner, voted that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the fiscal year beginning July 1, 1985, in accordance with the provisions of the General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17 as amended.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Article 8. On the motion of Thomas D. Lawton, voted that the following sums of money be allocated from the income account of the Elizabeth B. Sampson Memorial Fund and that all expenditures be under the supervision of the respective departments:

Water Dept., Leak Detection	\$ 1,600.00
F.C. Adams Library, Carpeting	5,000.00
Police, Typewriters	1,000.00
Fire Dept., Medical and Rescue Equipment	4,122.00
Reed Comm., Playground Comm., Equipment	5,000.00
Elementary School, Lawn Tractor	8,790.00
TOTAL	\$ 25,512.00

And for renovations and equipment at the Town Hall:

Professional Planner	\$ 2,000.00
Copier Machine	3,700.00
Alarm System	2,800.00
Renovations and Equipment	13,910.00
TOTAL	\$ 22,410.00
GRAND TOTAL	\$ 47,922.00

MANY QUESTIONS WERE RAISED REGARDING THE WORDING OF THE TRUST FUND, THE DECISION OF HOW TO DISBURSE THE FUNDS, THE NEGLECT OF SAMPSON PARK, AND THE POSSIBILITY OF SAVING THE INCOME FOR A MAJOR PROJECT.

Article 9. On the motion of Edward H. Valla, voted unanimously that the sum of \$3,139.69 be transferred from the unencumbered fund balance for the payment of certain unpaid bills of prior years for the following:

Insurance, Sundry, Exp.	
Pilgrim Health Care Membership	\$ 1,239.02
Harbormaster, Exp.	
Long Point Marine, Inc.	85.02
Conservation Commission, Exp.	
G.H.R. Engineering Corp.	585.00
Sealer, Weights and Measures	
A.F. German Co., Inc.	85.50
Selectmen, Other	
Perenyi and Klein, P.C.	1,145.15
TOTAL	\$ 3,139.69

Article 10. On the motion of Thomas D. Lawton, voted that the sum of \$23,332.00 be raised and appropriated for the purchase of two motor vehicles for the police department and to dispose of two cruisers.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Article 11. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase of a motor vehicle for the dog officer, or to take any other action relative thereto.

THERE WAS NO MOTION MADE UNDER THIS ARTICLE.

Prior to Article 12, the Moderator asked to step down for personal reasons, and Thomas D. Lawton moved to nominate Joseph F. Glass as Moderator Pro Tem for Article 12 and it was so voted and Mr. Glass was sworn in by the Moderator.

Article 12. Thomas D. Lawton moved that the Town authorize the Board of Selectmen to sell the property located as shown on the Kingston Assessor's Map #6, Lot Number 379, which lot contains a building, and Lot Number 377B, which lot contains a right-of-way; which property is known as the Railroad Station, either at a public sale or auction for a fixed price of not less than \$175,000.00 and upon such conditions or further actions that will be in the best interest of the Town.

June Ballinger moved to insert after the word conditions, "and to require the buyer to restore as near as possible to the original appearance of the building thereon."

THE AMENDMENT WAS CARRIED.

Edward H. Lubke moved to table the entire article.

THE AMENDMENT WAS NOT CARRIED.

James S. Matatall moved to lower the minimum price to \$100,000.

THE AMENDMENT WAS NOT CARRIED.

John C. Veracka, Jr. moved that the Town authorize the Board of Selectmen to obtain proposals for the sale of property located as shown on Kingston Assessor's Map #6, Lot Number 379, which lot contains a building, and Lot Number 377B, which lot contains a right-of-way; which property is known as the Railroad Station; said proposal to be evaluated by the Board of Selectmen and brought back for approval at a Special or an Annual Town Meeting and to accept the proposal to be in the best interest of the Town.

THE AMENDMENT WAS NOT CARRIED.

Philip R. Burnham moved to delete the words "of not less than \$175,000.00" from the motion.

THE AMENDMENT WAS CARRIED.

On the motion of Thomas D. Lawton, as amended, was voted that the Town authorize the Board of Selectmen to sell the property as shown on the Kingston Assessor's Map #6, Lot Number 379, which lot contains a building, and lot Number 377B, which lot contains a right-of-way; which property is known as the Railroad Station, either at public sale or auction and upon such conditions and to require the buyer to restore as near as possible to the original appearance of the building thereon or further actions that will be in the best interest of the Town.

THE VOTE WAS YES 101 — NO 11

THIS MEETS THE 2/3 REQUIREMENT.

On the motion of Thomas D. Lawton, voted to take Article 25 out of order. It was voted to allow Rep. Peter Forman to address the meeting.

Article 25. On the motion of Thomas D. Lawton, voted that the Town approve and authorize the Board of Selectmen to execute an agreement between the Towns of Duxbury and Kingston as described in Article 25 of the Annual Town Meeting Warrant, and that the sum of \$20,000.00 be raised and appropriated for said purpose and expended upon the condition that 2 Kingston residents be appointed as members of the Ocean Sanctuaries Act Study Committee.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

THE VOTE WAS YES 90 NO 8

THIS MET THE 2/3 REQUIREMENT.

Article 25. To see if the Town will vote to approve and authorize the Board of Selectmen to execute on behalf of the Town an agreement between the Towns of Duxbury and Kingston substantially in the form of the proposed agreement, a copy of which is on file in the office of the Town Clerk, which agreement provides generally for Duxbury to retain special counsel and technical advisors to advise and represent the Towns of Duxbury and Kingston jointly in the ongoing regulatory and appeal process relating to the discharge of the Plymouth municipal sewage treatment plant, the expansion of such plant and matters relating thereto; to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purpose of carrying out such agreement; said appropriation to be expended upon the condition that two (2) Kingston residents be appointed as members of the Ocean Sanctuaries Act Study Committee, or to take any other action relative thereto.

Following Articles 12 and 25, on the motion of Edmund J. King, Jr., voted to postpone this annual town meeting to Monday, May 6, 1985, at 7:30 P.M. at the Kingston Intermediate School, 150 Main Street. The number of voters registered for this town meeting was: Precinct One — 84; Precinct Two — 113; Total of 197.

The meeting adjourned at 4:50 P.M.
George W. Cushman, Town Clerk, C.M.C.

MONDAY, MAY 6, 1985

The adjourned annual town meeting was called to order at 7:40 P.M. at which time a quorum of 100 was present.

The Moderator reappointed the following counters: Joseph F. Glass, Lawrence B. Westgate, Mary E. Boutin, Edward H. Holmes, the alternate was Louise Hatch.

The checkers were: Phyllis P. Ponte, Maureen Twohig, Lynn Conley, Robert A. Mulliken, Marie A. Ruel, and Lydia J. Fernandes.

The doorkeeper was Antonio Fortini.

The mike carrier was Lucy S. Cushman

Action on Article 13, Article 14, Article 15, Article 16, Article 17, Article 18, and Article 19 was deferred because they are zoning articles which require a quorum of 150.

Article 20. Louise B. Hatch moved that the sum of \$175,000 be raised and appropriated and that to raise this appropriation the Treasurer with the approval of the Board of Selectmen is authorized to borrow the sum of \$175,000.00 pursuant to the provisions of Massachusetts General Laws, Chapter 44, Section 7, Subparagraph 28, for the purpose of purchasing a computer for the Town House including all applicable software and support documentation and installation as well as all applicable environmental changes to house said system, and to authorize the Board of Selectmen to so contract and take all other action necessary to carry out said project.

FINANCE COMMITTEE RECOMMENDED NO ACTION.

THE VOTE WAS YES 20 — NO 100

THE MOTION WAS DEFEATED.

The following requests for reconsideration were made on May 4, 1985:

Finance Committee: Articles 10 and 25

June Ballinger: Article 2 of the Wage and Personnel By-Law
Article 3 of the Annual Town Warrant

Article 21. On the motion of George D. Cravenho voted unanimously that the Board of Selectmen be authorized to acquire by eminent domain for water purposes, certain parcels of land being portions of the following lots:

Kingston Assessor's Map #16, Lot 1

Kingston Assessor's Map #15, Lots 7, 17B, and 18

all as delineated on a plan entitled Plan of Land in Kingston, MA for the Town of Kingston Water Department dated August 24, 1979, revised October 11, 1979 by Associated Engineers of Plymouth, Inc. and as additionally delineated in an appraisal of properties for Water Department — Town of Kingston Well Site — various owners Trackle Pond, Off Route 80, Kingston, MA prepared by Dewitt, Duncan and DeCastro Co. and the sum of \$32,950 be raised and appropriated for the purpose of said acquisition, said appropriation to be used in conjunction with the sum of \$34,196.00, the balance remaining from the sum previously appropriated for said purpose.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 22. On the motion of Richard W. Loring, Jr. voted that the sum of \$5,000.00 be raised and appropriated to be expended for an appraisal and land survey of certain property located as shown on the Kingston Assessor's Map #9, portions of Lots #88 and 87A for future eminent domain proceedings for a future water reservoir.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 23 was acted on Saturday, May 4, 1985.

Article 24. On the motion of Chief Jon Alberghini voted that the sum of \$20,000 be raised and appropriated for the purpose of repairs to and replacement of equipment at the Maple Street Fire Station to be expended under the direction of the Board of Fire Engineers.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 25 was taken out of order and acted on May 4, 1985.

Article 26. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to be used in the renovation of the Town House, said sums to be expended by the Board of Selectmen, or to take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 27. On the motion of Marjorie F. Cadenhead voted that the Town approve the indebtedness authorized by the Silver Lake Regional District Committee on February 14, 1985, and further voted on March 14, 1985, the amount of \$488,077.00 for the purpose of renovating and equipping the science facilities at the Silver Lake High School, Kingston Campus, said authorization to be implemented by the amendment of the Regional School District Agreement, relating to assignment of pupils at the High School, at the Silver Lake Kingston Campus.

FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 28. Thomas D. Lawton moved that the Town authorize the Treasurer to act as Tax Collector, at the expiration of the term of office of the present Tax Collector, combining the duties of each office into one full-time position, said Town Treasurer/Collector to be elected for a term of three (3) years beginning in May of 1987; said vote to be subject to approval as required of the Legislature.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Daniel J. Murphy moved to add after Legislature, "provided that this vote shall not take effect unless the town takes favorable action on Article 29."

THE AMENDMENT WAS NOT CARRIED.

Then a vote was taken on the original article as presented by Mr. Lawton.

THE MOTION WAS DEFEATED.

Article 29. To see if the Town will vote to petition its legislators in the following manner:

"AN ACT PROVIDING FOR THE APPOINTMENT OF THE TREASURER-TOWN COLLECTOR IN THE TOWN OF KINGSTON

Be it enacted as follows:

SECTION 1. Notwithstanding the provisions of Section I of Chapter 41 of the General Laws or of any other contrary provisions of law, commencing on the second Saturday of May, Nineteen Hundred and Eighty Seven, the Treasurer-Town Collector of the Town of Kingston shall be appointed by the Board of Selectmen. The person so appointed shall have all the powers and duties now or from time to time vested by law in the office of Treasurer and the office of Town Collector.

SECTION 2. This act shall take effect upon its passage."

Or to take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 30. On the motion of Joseph M. Palombo voted unanimously that the Town authorize the Board of Selectmen to convey the property located on the Southwesterly side of Brookdale Street in the Town of Kingston containing 41,947 square feet of land and known as Lot 30A, as described in a Taking recorded at the Plymouth County Registry of Deeds on December 8, 1977, in Book 4376, Page 488, to Frederick A. Carlson and Richard L. Carlson upon consideration of Seventeen thousand eighty seven dollars and twenty nine cents (\$17,087.29).

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

AT THIS TIME THERE ARE NOW 137 VOTERS PRESENT AT THE MEETING AS DETERMINED BY AN ACTUAL COUNT

Article 31. Jason Potrykus moved that the sum of \$5,000 be raised and appropriated for the purpose of completing Phase One of a three year project for the restoration and refurbishing of the REED BUILDING; Phase One to include obtaining plans and a feasibility study for said restoration and refurbishing, said sum to be expended under the direction of the Playground Commission.

John Veraeka, Jr. moved to delete the words "the Playground Commission" and insert "a Reed Building Renovation Committee to consist of seven members, two to be appointed by the Selectmen, two by the Finance Committee, two by the Playground Commission and one by the Moderator."

THE AMENDMENT WAS CARRIED.

Then a vote was taken on the motion as amended and it was voted that the sum of \$5,000 be raised and appropriated for the purpose of completing Phase One of a three year project for the restoration and refurbishing of the REED BUILDING; Phase One to include obtaining plans and a feasibility study for said restoration and refurbishing, said sum to be expended under the direction of a Reed Building Renovation Committee to consist of seven members, two to be appointed by the Selectmen, two by the Finance Committee, two by the Playground Commission and one by the Moderator.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 32. On the motion of Edward H. Valla voted that the Town raise and appropriate the sum of \$32,171 to meet the Town's share and in anticipation of reimbursement, of the State's share of the cost of work under Chapter 90, Section 34 (2A) of the General Laws, being funded by Chapter 234, Acts of 1984.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 33. On the motion of Joseph M. Palombo voted unanimously that the sum of \$27,000 be transferred from the Stabilization Fund and that the sum of \$13,000 be raised and appropriated for the purchase of a fully equipped dump truck to be used by the Highway Department and the Selectmen be authorized to turn in the present 1975 Model 6500 GMC dump truck and apply the allowance thereof to the purchase price of the new dump truck.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 34. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury, a sum of money for the purchase of a fully equipped pick-up truck to be used by the Highway Department and authorize the Selectmen to dispose of the present 1979 Chevrolet pick-up truck, or to take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 35. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the

purchase and installation of Two-Way Radio Equipment to be utilized by the Board of Health and tied into the Town's Municipal Radio System, said sums to be expended by the Board of Health, or to take any other action relative thereto

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 36. Alan McKim moved that the sum of \$15,000.00 be raised and appropriated for the purchase of Earth Materials and Engineering Services required for the capping of the Town's Sanitary Landfill, said sum to be expended by the Board of Health.

FINANCE COMMITTEE DID NOT RECOMMEND FAVORABLE ACTION.

THE MOTION WAS DEFEATED.

Article 37. On the motion of Alan McKim voted that the Board of Health be authorized to dispose of excess earth materials located on Map 11, Lot 133A-2, commonly referred to as the Town's Sanitary Landfill expansion area, for the purpose of expanding the present landfill.

THE FINANCE COMMITTEE RECOMMENDED NO ACTION.

Article 38. Alan McKim moved that the sum of \$50,000.00 be raised and appropriated for the purpose of expanding the present Sanitary Landfill into the Expansion area. Such work to include but not be limited to Engineering design, site preparation, and the purchase of necessary materials needed in the construction of the site, said sum to be expended by the Board of Health

THE FINANCE COMMITTEE RECOMMENDED NO ACTION

THE MOTION WAS DEFEATED.

Charles E. Wehner moved to postpone this meeting until Monday, May 13, 1985, at 7:30 P.M. at the Intermediate School, 150 Main Street.

Joseph F. Glass moved an amendment and it was voted to postpone this annual town meeting to Wednesday, May 8, 1985, at 7:30 P.M. at the Kingston Intermediate School, 150 Main Street. On the motion of Mr. Wehner, as amended, it was voted to adjourn until Wednesday, May 8, 1985, at the Kingston Intermediate School at 7:30 P.M. The meeting adjourned at 10:15 P.M. The number of voters recorded was: Precinct I 76; Precinct II 84; Total 160.

The following requests for reconsideration were made on May 7, 1985.

Paul A. Tura: Article 6, Board of Health Salaries

The Rev. George S. Buhl substituted for his son, David, this evening in the recording of the minutes.

GEORGE W. CUSHMAN, Town Clerk, C.M.C.

WEDNESDAY, MAY 8, 1985

The adjourned annual town meeting was called to order at 7:37 P.M. at which time a total of 101 voters was present.

The Moderator reappointed the following counters: Joseph F. Glass, Lawrence B. Westgate, Mary E. Boutin, Edward H. Holmes.

The checkers were: Phyllis P. Ponte, Maureen Twohig, Lynn Conley, Marie A. Ruel.

The doorkeeper was Antonio Fortini.

The mike carrier was Robert S. Mulliken.

The action on the zoning by-law articles was deferred because of the lack of a quorum of 150. This involved articles 39-44 inclusive.

Rev. George S. Buhl is recording this meeting.

Article 45. Harley S. Cadenhead moved that the Town authorize and instruct the Board of Selectmen to petition the General Court for the passage of legislation providing recall elections in the Town of Kingston as printed in the warrant for the Annual Town Meeting in Article 45.

Article 45. To see if the Town will vote to authorize and instruct the Board of Selectmen to petition the General Court for the passage of legislation providing recall elections in the Town of Kingston as follows:

SECTION 1. Any holder of an elected office in the Town of Kingston may be recalled therefrom by the qualified voters of the town as herein provided.

SECTION 2. Any ten qualified voters of the town of Kingston may initiate a recall petition by filing with the town clerk of said town an affidavit containing the name of the officer sought to be recalled and a statement of the grounds of recall. Said town clerk shall thereupon deliver to the voter making such affidavit a sufficient number of copies of petition blanks demanding such recall, printed forms of which he shall keep on hand. The blanks shall be issued by the town clerk with his signature and official seal attached thereto; they shall be dated and addressed to the selectmen of said town, shall contain the name of the person to whom issued, the number of blanks so issued, the name of the person sought to be recalled, the grounds of recall as stated in said affidavit, and shall demand the election of a successor to such office. A copy of the petition shall be entered in a record book to be kept in the office of the town clerk. Said recall petition shall be returned and filed with the town clerk within twenty days after filing of the affidavit. Said petition before being returned and filed shall be signed by fifteen percent of the qualified voters and to every signature shall be added the place of residence of the signer, giving the street and number. The said recall petition shall be submitted, to the town clerk by three o'clock p.m. On the Friday

preceding the day which it must be filed, to the registrars of voters in said town, and the registrars shall forthwith certify thereon the number of signatures which are names of voters of said town.

SECTION 3. If the petition shall be found and certified by said town clerk to be sufficient, he shall submit the same with his certificate to said selectmen without delay and said selectmen shall forthwith give written notice to said officer of the receipt of said certificate and shall, if the officer sought to be recalled does not resign within five days thereafter, thereupon order an election to be held on a date fixed by them, not less than sixty days and not more than seventy days after the date of the town clerk's certificate that a sufficient petition is filed; provided, however, that if any other town election is to occur within sixty days after the date of said certificate, said selectmen may, in their discretion postpone the holding of said election to the date of such other election. If a vacancy occurs in said office after a recall election has been so ordered, the election shall nevertheless proceed as in this section provided. (BY PETITION)

THE FINANCE COMMITTEE RECOMMENDS NO ACTION

THE MOTION WAS DEFEATED.

Article 46. June Ballinger moved that the Town rescind the action of the 1955 Annual Town Meeting Article #22, thereby causing the Park Commission to be dissolved as an elected Board for the Town of Kingston, this change to take effect at the 1986 Annual Election of Town Officers:

AND

That the Town combine the responsibilities, duties, and budget of the Park Commission with the Playground Commission, such action to become effective at the 1986 Annual Town Election of Officers.

THE FINANCE COMMITTEE RECOMMENDS NO ACTION.

THE PLAYGROUND COMMISSION AND THE PARK COMMISSION
RECOMMEND NO ACTION ON THIS ARTICLE.

THE MOTION WAS DEFEATED.

Article 47. On the motion of Daniel J. Murphy voted that the sum of \$213,232.00 now available in free cash be applied against appropriated expenditures.

At 8:25 P.M. the Moderator announced that there were now 154 voters present as reported to him by the Town Clerk. The meeting could now act upon the zoning by-laws, and proceeded to Article 13.

Article 13. Kenneth R. Heise moved that the Town Zoning By-Law, Section J: MOBILE HOME PARK, be amended as printed in the warrant for the Annual Town Meeting in Article 13.

Article 13. To see if the Town will vote to amend the Zoning By-Law as follows:

SECTION J: MOBILE HOME PARK

In paragraph 3, Definitions, subsection A, after the words "a dwelling unit built" to add the words "or delivered on a chassis."

In paragraph 5, General Requirements, subsection C, be modified to read as follows: "Minimum lot area, continuous lot frontage, yard dimensions, and maximum lot coverage including accessory buildings. See Section IV-B, Schedule of Intensity Regulations. Screen and roofed porches and open decks may be constructed in side and rear yard, but not closer than ten (10) feet of said lot lines."

In paragraph 5, General Requirements, subsection P, to delete said section and to add in its place thereof: Mobile home stands shall be provided with a minimum of twelve (12) piers resting on a six (6) inch concrete pad slab. There shall be no storage of any material whatsoever underneath the perimeter of the mobile home. Approved anchoring must be provided to be attached to the concrete slab.

In paragraph 5, General Requirements, subsection R, be modified to add after the words "uniformly constructed" the following phrase:

"Must be approved by the Town Building Official as to construction, must be erected on a six (6) inch concrete slab with approved anchoring and the outside dimensions must be a minimum of six (6) feet by eight (8) feet or a maximum of eight (8) feet by twelve (12) feet along the sides and eight (8) feet in height. Such storage buildings shall be located in the rear corner of the unit space and shall be located ten (10) feet from any side yard and shall be five (5) feet from any rear lot line."

In paragraph 5, General Requirements, subsection S, to add the following sentence at the conclusion thereof: Screen and roofed porches and open decks may be constructed in side and rear yard, but not closer than ten (10) feet of said lot lines.

In paragraph 5, General Requirements, to add the following subsection at the conclusion thereof:

V. Community building must be constructed for the exclusive use by the residents before fifty-one percent (51%) of the dwelling units are occupied. Parking must conform to parking by-laws for public buildings. See Section 5, Paragraph D, Off Street Parking requirements.

In paragraph 5, General Requirements, to add the following subsection after subsection V:

W. Before occupancy is allowed a certified "as built" plot plan showing the exact placement of the mobile home on the lot (and all its related appurtenances) must be given to the building inspector.

Or to take any other action relative thereto.

Charles V. Ladd moved an amendment to Article 13. In paragraph 5, General Requirements, to add the following subsection at the conclusion thereof:

V. Community building must be constructed for the exclusive use by the residents and their guests before fifty-one percent (51%) of the dwelling units are occupied. Parking spaces shall be provided as per Section V, D, 7, of the Town of Kingston, with an adjacent area available should the need arise

This would delete in paragraph 5, General Requirements, the proposed subsection "V" as stated in article 13.

THE AMENDMENT WAS CARRIED.

Harley S. Cadenhead moved, in paragraph 5, General Requirements, subsection R, to insert the words, "not less than" after the word "located" and before the word "ten".

THE AMENDMENT WAS CARRIED.

Harley S. Cadenhead moved, in paragraph 5, General Requirements, in the proposed subsection W, to insert the words "porches and sheds" after the phrase "mobile home".

THE AMENDMENT WAS CARRIED.

Harley S. Cadenhead moved, in paragraph 5, General Requirements, subsection R, to insert the words, "not less than" after the words "from any side yard and shall be" and before the words "five (5) feet from any rear lot line."

THE AMENDMENT WAS CARRIED.

Charles W. Pickett moved to delete the proposed subsection W from the by-law.

THE VOTE WAS YES 41 NO 78

THE AMENDMENT WAS NOT CARRIED.

Chief Jon Alberghini proposed an amendment that would limit the total length of accessory buildings, but upon clarification from the Planning Board and Town Counsel, he withdrew his amendment.

At 9:25 P.M., Charles W. Pickett requested a count of the voters present. The Moderator announced after the count, that there were 134. No further action of zoning by-law changes could be made. The Moderator, Mr. Winokur, explained to the voters the direction they could go in the matter of adjournment.

Mr. Lawton moved to dissolve this meeting. THE MOTION WAS DEFEATED. Lawrence B. Westgate, moved and it was voted, to adjourn this meeting to Wednesday, May 15, 1985, at 7:30 P.M. at the Kingston Elementary School, 150 Main Street.
(9:35 P.M.)

GEORGE W. CUSHMAN, *Town Clerk, C.M.C.*

Absentee Voter Ballots, Precinct I -- 9; Precinct II -- 18; Total 27. One was not returned.

At the close of the polls at 8:00 P.M. the total on the ballot boxes was: Precinct I -- 1606; Precinct II -- 1308; Total -- 2914. The total number of persons voting was 1457 with two ballots each. The Town Clerk's office was open all day to handle any problems which might arise. Both precincts met at the Reed Community building at 8:30 for the counting of the votes. A representative from LHS Associates was present to assist in the event of any problems. The members of the Board of Registrars present were: Rene J. Bouchard, Jr., Chairman, John J. Goslin, and George W. Cushman, Clerk. Mrs. Colleen Costa was not present in her capacity as a registrar because her husband was running for a contested office. The results of the election were announced at 10:00 P.M. by the Chairman of the Board of Registrars, Mr. Rene J. Bouchard, Jr.

The usual telephone calls were made by Mr. George Cushman.

GEORGE W. CUSHMAN, *Town Clerk*

Addendum:

In Precinct II, at 2:07 P.M., Deputy Warden, Bruce Langlan told a candidate to move to an area outside of the 150-foot mark if he wanted to continue to hand out campaign material.

I, having been elected to assess taxes and estimate the value of property for the purpose of taxation for the Town of Kingston for the ensuing three years, do swear that I will truly and impartially according to my best skill and judgment assess and apportion all such taxes as I may during that time assess; that I will neither overvalue nor undervalue any property, subject to taxation, and that I will faithfully perform all the duties of said office.

DATE: May 21, 1985

JAMES C. JUDGE

I, having been elected to assess taxes and estimate the value of property for the purpose of taxation for the Town of Kingston for the ensuing ** years, do swear that I will truly and impartially according to my best skill and judgment assess and apportion all such taxes as I may during that time assess; that I will neither overvalue nor undervalue any property, subject to taxation, and that I will faithfully perform all the duties of said office.

DATE: May 21, 1985

WILLIAM R. FAIRWEATHER

** Term to expire the second Saturday of May 1986.

WEDNESDAY, MAY 15, 1985

The adjourned annual town meeting was called to order at 7:50 P.M. At 7:30 P.M. there were 58 voters present; at 7:46 P.M. there were 92 voters present; and at 8 P.M. there were 101 voters present.

At 8:15 P.M., the meeting was again called to order.

The Moderator reappointed the following counters: Lawrence B. Westgate, Mary E. Boutin, Edward H. Holmes, and appointed Ellen B. Drew.

The checkers were: Phyllis P. Ponte, Marie A. Ruel, Maureen Twohig, Lucy S. Cushman, Robert A. Mulliken served as mike carrier.

The doorkeeper was Antonio Fortini.

Rev. George Buhl is recording this meeting.

R. Newton Heston moved to adjourn to Thursday, May 23, 1985, at 7:30 P.M. at the Kingston Intermediate School, 150 Main Street.

THE MOTION WAS DEFEATED.

Joseph A. Palombo moved that the 1985 Annual Town Meeting be dissolved.

THE MOTION WAS CARRIED.

Then seven stood to question the voice vote as declared by the Moderator.

THE VOTE WAS YES 37 - NO 49

THE MOTION WAS DEFEATED.

R. Newton Heston moved to adjourn to Tuesday, May 28, 1985, at 7:30 P.M. at the Kingston Intermediate School, 150 Main Street.

THE MOTION WAS DEFEATED.

Other dates were discussed from the floor, and many reasons were given for several dates not being available.

On the motion of Lucy S. Cushman voted to adjourn to Saturday, June 1, 1985, at 10 A.M. at the Kingston Intermediate School, 150 Main Street.

The meeting adjourned at 8:30 P.M.

The total number of voters at the close of the postponed meeting was Precinct I — 63, Precinct II — 42 for a total of 105.

The purpose of this adjourned meeting was to act on the zoning articles (13-19 inclusive; 39-44 inclusive) which require a quorum of 150 voters

GEORGE W. CUSHMAN, *Town Clerk, C.M.C.*

SATURDAY, JUNE 1, 1985

The adjourned Town Meeting was called to order at 10:10 A.M. by the Moderator, Mr. Winokur, but as there were only 97 voters present, the Moderator called a recess.

At 10:00 A.M. there were 73 voters present; at 10:10 A.M. there were 97, and at 11:15 A.M. there were 150 voters present.

The vote checkers were: Phyllis P. Ponte, Maureen Twohig, Marie A. Ruel, and Lucy S. Cushman.

The doorkeeper was Antonio Fortini, and the mike carrier was Robert S. Mulliken.

David S. Buhl is recording this meeting.

The Moderator reappointed the following counters: Joseph F. Glass, Edward H. Holmes, Lawrence B. Westgate, and Mary F. Boutin. Ellen B. Drew was the alternate.

The Moderator called the meeting to order at 11:20 A.M.

Article 13, which was not completed at the last adjourned meeting on May 15, 1985, was explained by the Moderator with regards to the amendments which had been approved and the present reading of the motion as amended.

John C. Yeracka moved to amend subsection W by inserting after the word "allowed" the phrase "for any mobile home with on site sewerage and/or a water well".

THE AMENDMENT WAS CARRIED.

Harley S. Cadenhead moved to amend the amendment in paragraph 5, General Requirements, by adding the words "Zoning By-Law", after the words: "Parking spaces shall be provided as per Section V, D. 7, of the Town of Kingston . . ."

THE AMENDMENT WAS CARRIED.

Article 13. Voted unanimously, as amended, that the Town amend the Zoning By-Law, Section J: Mobile Home Park as follows:

SECTION J: MOBILE HOME PARK

In paragraph 3, Definitions, subsection A, after the words "a dwelling unit built" to add the words "or delivered on a chassis."

In paragraph 5, General Requirements, subsection C, be modified to read as follows: "Minimum lot area, continuous lot frontage, yard dimensions, and maximum lot coverage including accessory buildings. See Section IV-B, Schedule of Intensity Regulations. Screen and roofed porches and open decks may be constructed in side and rear yard, but not closer than ten (10) feet of said lot lines."

In paragraph 5, General Requirements, subsection P, to delete said section and to add in its place thereof: Mobile home stands shall be provided with a minimum of twelve (12) piers resting on a six (6) inch concrete pad slab. There shall be no storage of any material whatsoever underneath the perimeter of the mobile home. Approved anchoring must be provided to be attached to the concrete slab.

In paragraph 5, General Requirements, subsection R, be modified to add after the words "uniformly constructed" the following phrase:

"Must be approved by the Town Building Official as to construction, must be erected on a six (6) inch concrete slab with approved anchoring and the outside dimensions must be a minimum of six (6) feet by eight (8) feet or a maximum of eight (8) feet by twelve (12) feet along the sides and eight (8) feet in height. Such storage buildings shall be located in the rear corner of the unit space and shall be located not less than ten (10) feet from any side yard and shall be not less than five (5) feet from any rear lot line."

In paragraph 5, General Requirements, subsection S, to add the following sentence at the conclusion thereof: Screen and roofed porches and open decks may be constructed in side and rear yard, but not closer than ten (10) feet of said lot lines.

In paragraph 5, General Requirements, to add the following subsection at the conclusion thereof:

V. Community building must be constructed for the exclusive use by the residents and their guests before fifty-one percent (51%) of the dwelling units are occupied. Parking spaces shall be provided as per Section V, D. 7, of the Town of Kingston Zoning By-Law with an adjacent area available should the need arise.

In paragraph 5, General Requirements, to add the following subsection after subsection V:

W. Before occupancy is allowed for any mobile home with on site sewerage and/or a water well, a certified "as built" plot plan showing the exact placement of the mobile home porches and sheds on the lot (and all its related appurtenances) must be given to the building inspector.

THE PLANNING BOARD RECOMMENDED FAVORABLE ACTION

On the motion of Joseph M. Palombo voted to take Article 17 out of order.

Article 17. On the motion of Paul L. Armstrong voted unanimously to amend the Zoning By-Law by adding thereto in Section V -- Special Regulations, at the conclusion thereof the following subsection K, said subsection to be labelled appropriately and sequentially:

FLOOD PLAIN DISTRICT

I. Purpose.

The purposes of the Flood Plain District are to protect the public health, safety, and general welfare, to protect human life and property from the hazards of periodic flooding, to preserve the natural flood control characteristics, and the flood storage capacity of the flood plain, and to preserve and maintain the ground water table and water recharge areas within the flood plain.

II. District Delineation.

The general boundaries of the Flood Plain District are shown on the Kingston Flood Insurance Rate Map (FIRM), to be dated August 5, 1985, as Zones A, A 1-30 to indicate the 100 year flood plain. The exact boundaries of the District are defined by the 100 year water surface elevations shown on the FIRM and further defined by the Flood Profiles contained in the Flood Insurance Study, to be dated August 5, 1985. The floodway boundaries are delineated on the Kingston Flood Boundary Floodway Map (FBFM), to be dated August 5, 1985, and further defined by the Floodway Data Tables contained in the Flood Insurance Study. These two maps, in preliminary form, as well as the accompanying Study are incorporated herein by reference and are on file with the Town Clerk, Planning Board, Building Commissioner and Conservation Commission.

III. Development Regulations.

A. Within Zone A, where the 100 year flood elevation is not provided on the FIRM, the developer/applicant shall obtain any existing flood elevation data and it shall be reviewed by the Conservation Commission. If the data is sufficiently detailed and accurate, it shall be relied upon to require compliance with this By-Law and the State Building Code.

B. Located within the Flood Plain District are areas designated as coastal high hazard areas (Zone V). Since these areas are extremely hazardous due to high velocity waters from tidal surges and hurricane wave wash, the following provision shall apply:

1. All new construction shall be located landward of the reach of the mean high tide.

IV. Use Regulations.

The Flood Plain District is established as an overlay district to all other districts. All development, including structural and non-structural activities, whether permitted by right or by special permit must be in compliance with Chapter 131, Section 40 of the Massachusetts General Laws and with the requirements of the Massachusetts State Building Code pertaining to construction in the flood plains (currently Section 744).

A. Permitted Uses.

The following uses of low flood damage potential and causing no obstructions to flood flows shall be allowed provided they are permitted in the underlying district and they do not require structures, fill, or storage of materials or equipment.

1. Agricultural uses such as farming, grazing, truck farming, horticulture, etc.
2. Forestry and nursery uses.
3. Outdoor recreational uses, including fishing, boating, play areas, etc.
4. Conservation of water, plants, wildlife.
5. Wildlife management areas, foot, bicycle, and/or horse paths.
6. Temporary non-residential structures used in connection with fishing, growing, harvesting, storage, or sale of crops raised on the premises.
7. Buildings lawfully existing prior to the adoption of these provisions.

FINANCE COMMITTEE RECOMMENDS NO ACTION.

PLANNING BOARD RECOMMENDS FAVORABLE ACTION.

Article 14. Edmund J. King, Jr. moved that the Town Zoning By-Law be amended by adding thereto in Section V — SPECIAL REGULATIONS, Subsection L as printed in the warrant for the Annual Town Meeting in Article 14.

Article 14. To see if the Town will vote to amend the Zoning By-Law by adding thereto in Section V — Special Regulations, Subsection L as follows:

L. Automotive Regulations

1. Unregistered Motor Vehicles. No more than one unregistered car, bus, truck, or other registerable motor vehicle shall be permitted ungaraged on any premises in any district, except such as are clearly incidental to the lawful conduct of a nonresidential activity permitted in a Business or Industrial District, or except where such vehicles are in operating condition and regularly used on the premises of a farm, boatyard, or comparable activity. In no event shall any unsightly unregistered vehicle be stored in the front yard.

Or to take any other action relative thereto.

Kenneth R. Heise moved to amend Article 14 by removing the word "unsightly" from the last sentence.

THE AMENDMENT WAS CARRIED.

Article 14. On the motion of Edmund J. King, Jr., it was voted unanimously, as amended, that the Town Zoning By-Law be amended by adding thereto in Section V — Special Regulations, Subsection L as follows:

L. Automotive Regulations

1. Unregistered Motor Vehicles. No more than one unregistered car, bus, truck, or other registerable motor vehicle shall be permitted ungaraged on any premises in any district, except such as are clearly incidental to the lawful conduct of a nonresidential activity permitted in a Business or Industrial District, or except where such vehicles are in operating condition and regularly used on the premises of a farm, boatyard, or comparable activity. In no event shall any unregistered vehicle be stored in the front yard.

THE PLANNING BOARD RECOMMENDS FAVORABLE ACTION.

Article 15. Harley S. Cadenhead moved that the Town Zoning By-Law be amended by deleting therefrom Section V, subsection H, Conservation Restrictions, paragraph D.

FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

PLANNING BOARD RECOMMENDS FAVORABLE ACTION.

THE VOTE WAS YES 28 NO 93

THIS DOES NOT MEET THE 2/3 REQUIREMENT.
THE MOTION IS DEFEATED.

Article 16. On the motion of Paul L. Armstrong, it was voted unanimously that the Town Zoning By-Law be amended by adding thereto in SECTION V — SPECIAL REGULATIONS, subsection M, as printed in the warrant for the annual town meeting in Article 16.

Article 16. To see if the Town will vote to amend the Zoning By-Law by adding thereto in Section V — Special Regulations, at the conclusion thereof the following subsection; said subsection to be labelled appropriately and sequentially:

MAJOR PLAN REVIEW

I. Purpose.

The purpose of the Major Plan Review is to ensure that the design and layout of certain developments permitted as a matter of right or by Special Permit will constitute suitable development and will not result in a detriment to the neighborhood or the environment. In considering a site plan the Planning Board shall assure:

- a. Protection of adjacent areas against detrimental or offensive uses on the site by provisions of adequate surface water drainage, buffers against lighting, sight, sound, dust, vibration, and allowance of sun, light, and air;
- b. Convenience and safety of vehicular and pedestrian movement within the site and in relation to adjacent areas;
- c. Adequacy of facilities for handling and disposal of refuse and other production by-products; and
- d. Protection of environmental features on the site and in adjacent areas.

II. Applicability.

Any development or change in use which would require five (5) or more parking spaces, regardless of the number of parking spaces existing on the premises, shall be subject to Major Plan Review by the Planning Board, irrespective of whether the number of parking spaces to be created shall be reduced by action of the Board of Appeals or otherwise.

III. Procedure.

Applications for building permits for construction subject to Major Plan Review shall be accompanied by four (4) prints of the plans of the proposal. The Building Inspector shall forward three (3) copies to the Planning Board for its review and shall not approve any application subject to this section without receipt of written plan approval by the Planning Board or its designated agent, unless thirty (30) days elapse from the date of transmittal of plans to the Board without receipt of such review from the Planning Board.

IV. Drawing Requirements.

Plans subject to Major Plan Review shall be prepared by a Registered Architect, Landscape Architect, or Professional Engineer. The site plan shall be prepared at a scale no greater than 1"=40' and shall show all existing and proposed buildings, existing and proposed contour elevations, structures, parking spaces, driveway openings, driveways, service areas, facilities for sewage, refuse and other waste disposal and for surface water drainage, wetlands, surface water, areas subject to the 100-year flood, and landscape features, such as fences, walls, planting areas, walks and lighting, both existing and proposed. The site plan shall also show the relation of the above features to adjacent ways and properties, and contain a locus map at a scale not greater than 1" = 2,000'. The site plan shall also show all contiguous land owned by the applicant or by the owner of the property.

The applicant shall submit such material as may be required regarding measures proposed to prevent pollution of surface or ground water, soil erosion, increased runoff, change in groundwater level, and flooding.

The applicant shall submit such material as may be required regarding design features intended to integrate the proposed new development into existing landscape, to enhance aesthetic assets, and to screen objectionable features from neighbors.

The applicant shall submit such material as may be required regarding the projected traffic flow patterns into and upon the site for both vehicles and pedestrians and an estimate of the projected number of motor vehicles to and from the site for an average day and for peak hours.

V. Decision.

Plans shall be approved provided that the Planning Board determines that no other conflicts between the proposal and the Zoning By-Laws have been observed.

VI. Performance Requirement.

Off-street parking must be provided to service the net increase in parking demand created by new construction, additions, or change of use.

VII. Special Permits.

The total off-street parking required to service retail, business, or professional use(s) of the lot may be reduced in the following manner:

0-20 spaces	—	no reduction
21-30 spaces	—	10% reduction
31-40 spaces	—	15% reduction
41-50 spaces	—	20% reduction
over 50 spaces	—	25% reduction

The area preserved by the above reduction shall be planted. The required number of spaces may be reduced upon the Board's determination that special circumstances, such as shared use of the parking lot by activities having different peak demand times, render a lesser provision adequate for all parking needs. For uses allowed only on a Special Permit, the Special Permit Granting Authority may similarly require a larger number of parking spaces to be provided than indicated if necessary to service anticipated demand.

VIII. Location.

Required parking shall be either on the same premises as the activity it serves, or located within three hundred (300) feet of the building entrance on a separate parcel, not separated by a street having right-of-way width of sixty (60) feet or more, and in a zoning district allowing the activity it serves.

IX. Surface.

All required parking areas, except those serving single family residences, shall be paved, unless exempted on Special Permit from the Board of Appeals for cases such as seasonal or periodic use where an alternative surface will prevent dust, erosion, water accumulation, or unsightly conditions.

X. Backing.

Parking areas with five (5) or more spaces shall be designed and located so that their use does not involve vehicles backing onto a public way.

XI. Egress.

There shall be not more than two driveway openings onto any street from any single premises unless each opening centerline is separated from the centerline of all other driveways serving twenty (20) or more parking spaces, whether on or off the premises, by two hundred (200) feet (measured at the street line) in a Business District or by three hundred (300) feet if in any other District. No such opening shall exceed twenty four (24) feet in width at the street line unless necessity of greater width is demonstrated by the applicant, and the opening is designed consistent with Massachusetts DPW regulations Section 10A-9 or subsequent revisions. No driveway sideline shall be located within twenty (20) feet of the street line of an intersecting way. All driveways serving five (5) or more parking spaces shall be constructed with a minimum edge radius of five (5) feet on both sides. All driveways serving forty (40) or more parking spaces must have not less than two hundred fifty (250) feet visibility in each travel lane entering a state-numbered or maintained highway, and not less than one hundred fifty (150) feet visibility on other streets.

XII. Parking Lot Plantings.

Parking lots containing ten (10) or more parking spaces shall have at least one (1) tree per eight (8) parking spaces, such trees to be located either within the lot or within five (5) feet of it. Such trees shall be at least two (2) inches trunk diameter, with not less than forty (40) square feet of unpaved soil or other permeable surface area per tree. At least five percent (5%) of the interior of any parking lot having twenty five (25) or more spaces shall be maintained with landscaping, including trees, in plots of at least four (4) feet in width. Trees and soil plots shall be so located as to provide visual relief and sun and wind interruption within the parking area, and to assure safe patterns of internal circulation.

XIII. Bicycle Racks.

For parking areas of forty (40) or more spaces, bicycle racks facilitating locking shall be provided to accommodate one (1) bicycle per twenty (20) parking spaces required or fraction thereof.

XIV. Site Design.

Any new building construction or other site alteration shall provide adequate access to each structure for fire and service equipment, and shall be so designed that for the given location and type and extent of land use, the design of building form, building location, egress points, grading, and other elements of the development could not be easily altered to:

1. improve pedestrian or vehicular safety within the site and egressing from it;
2. reduce the visual intrusion of parking areas viewed from public ways or abutting premises;
3. reduce the volume of cut or fill;
4. reduce the number of removed trees 4" trunk diameter and larger, or the area of wetland vegetation displaced;
5. reduce the extent of storm water flow increase from the site;
6. reduce soil erosion;
7. reduce hazard or inconvenience to pedestrians from storm water flow and ponding; and
8. reduce glare from headlights or area lighting.

THE PLANNING BOARD RECOMMENDED FAVORABLE ACTION.

Article 18. On the motion of Edmund J. King, Jr. voted that the Town Zoning By-Law be amended by deleting therefrom in SECTION III, SCHEDULE OF USE REGULATIONS, the following:

The keeping of domestic animals not raised for commercial sale by residents of the premises provided any stable enclosure or fence shall be in rear yard and not less than fifty (50) feet from any lot line.

and by adding in place thereof the following:

The keeping of domestic animals not raised for commercial sale by residents of the premises provided any stable enclosure or fence shall be in rear yard and not less than fifty (50) feet from any lot line.

THE VOTE WAS YES 121 NO 3

THIS MET THE 2/3 REQUIREMENT.

THE PLANNING BOARD RECOMMENDED FAVORABLE ACTION.

Article 19. On the motion of Ellen B. Drew voted unanimously that the Town Zoning By-Law be amended in SECTION III, SCHEDULE OF USE REGULATIONS, by allowing all *permitted* uses under "B" Business to also be *permitted* uses under "I" Industrial. Said use to be limited to a distance into said industrial areas of two thousand (2,000) feet from state highway bounds.

THE PLANNING BOARD RECOMMENDED FAVORABLE ACTION.

Article 39. On the motion of Lawrence B. Westgate, voted unanimously that the Town's zoning map be amended by changing from "B" Business to "I" Industrial the following listed properties located on the south and westerly side of Joseph Street from Pembroke Street (Route 27) in a southerly direction. Such location includes the following properties as shown on Map 5 of the Assessor's plans: Lots 23-10; 23-16; 23-17; 23-18; and 23-19.

THE PLANNING BOARD RECOMMENDED FAVORABLE ACTION.

Article 40. To see if the Town will vote to amend the zoning map of the Town by changing from "RB" Residential to "B" Business the following as shown on the Kingston Assessor's maps:

In Lot 150, on Map 6, that portion of the said Lot Southerly of Mill Pond and Stony Brook.

In Lot 149, on Map 6, that portion of the said Lot Southerly of Stony Brook. (BY PETITION)

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 41. On the motion of Lawrence B. Westgate voted that the Town's zoning map be amended by changing from "B" Business to "I" Industrial the following as shown on the Kingston Assessor's maps:

In Lot 150, on Map 6, that portion of said Lot Northerly of Mill Pond and Stony Brook. In Lot 149, on Map 6, that portion of said Lot Northerly of Stony Brook. In Lot 129C, on Map 6, all of said Lot. In Lot 130, on Map 6, all of said Lot.

THE VOTE WAS YES 105 — NO 7
THIS MET THE 2/3 REQUIREMENT.

THE PLANNING BOARD RECOMMENDED FAVORABLE ACTION.
THE FINANCE COMMITTEE HAD NO RECOMMENDATION.

Article 42. To see if the Town will vote to change the zoning from Residential (RB) to Business Lot 79A and 80 situated on South Street, comprising three acres more or less, or to take any other action relative thereto, said lot being the property of Arthur and Marianna Forcier. Said lot being the property located on Plat 9 of Kingston Assessor's Map. (BY PETITION)

NO MOTION WAS MADE UNDER THIS ARTICLE.

Article 43. On the motion of John Hamilton voted unanimously that the Town change the zoning from RESIDENTIAL to BUSINESS Lot 11 on Map 11 (located on Main Street opposite May Avenue, a vacant lot comprising 1.8 acres more or less).

THE PLANNING BOARD RECOMMENDED FAVORABLE ACTION.

Article 44. To see if the Town will vote to amend the zoning by-law as follows:

Delete Section H, Conservation Restrictions, paragraph D. (BY PETITION)

NO MOTION WAS MADE UNDER THIS ARTICLE.

At the conclusion of all the articles, the Moderator, Mr. Winokur thanked the various boards for the time which they had given in preparing for this extended Town meeting, including the Town Accountant, the Town Clerk, the tellers, counters, and all others who had helped in any way.

On the motion of Harley S. Cadenhead and seconded by Joseph M. Palombo, it was voted unanimously with cheer and applause to adjourn this annual town meeting, the time 12:51 P.M. The number of voters who checked into this adjourned meeting was Precinct I — 80; Precinct II — 75; Total 155.

THE PLANNING BOARD FILED THEIR REPORT UNDER THE
STATUTE OF ALL ZONING BY-LAW ARTICLES.

TOWN OF KINGSTON
COMMONWEALTH OF MASSACHUSETTS
SPECIAL TOWN MEETING
JULY 22, 1985

The special town meeting was called to order at 7:50 P.M. by the Moderator, Lawrence I. Winokur.

Mr. Winokur made many preliminary comments for this meeting. He gave several rules and regulations under which this meeting would be conducted and asked for the cooperation of all. Mr. Winokur also mentioned that there were many non-voters present who were to be seated in specified non-voting sections only. He now announced that there were 365 voters present.

The Moderator announced that David R. Buhl is making a recording of this meeting.

The oath of office was given to the following tellers: Mary E. Boutin, Ellen B. Drew, Joseph F. Glass, Louise W. Hatch, Edward H. Holmes, Charles V. Ladd, Arthur Vantangoli, and Lawrence B. Westgate.

The vote checkers were: Phyllis P. Ponte, Maureen Twohig, Lydia T. Fernandes, Robert A. Mulliken, Marie A. Ruel, and Lucy S. Cushman. The doorkeepers were: George F. Wager and Antonio Fortini. At 7:30, Mr. Cushman assigned Robert Mulliken as the mike carrier.

The warrant was not read by unanimous consent.

On the motion of Joseph A. Costa, voted to admit the following nonresidents to be present at and address the Town Meeting:

Karen Brown Gattozzi, Town Counsel
Daniel A. Welch, Chief of Police
Paul P. Ullo, Town Accountant
John Alcorn, Building Inspector
John Hannigan, Whitman & Howard
Charles Rizzo

Article 1. On the motion of Joseph A. Costa voted unanimously that the sum of \$22,331.01 be transferred from the unreserved fund balance for the payment of certain unpaid bills of prior years as follows:

Unpaid Bills for S.T.M. July 22, 1985

Roscoe A. Cole, Chairman of the Finance Committee, scolded the Town Departments, naming none in particular, for overspending their budgets and stated that reluctantly.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.
THIS VOTE MET THE 9/10'S REQUIREMENT.

Article 2. On the motion of Joseph M. Palombo voted that the sum of \$6,400.00 be transferred from the unreserved fund balance to be added to the appropriation entitled: "Insurance-Sundry".

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 3. On the motion of Joseph M. Palombo voted that the sum of \$4,591.58 be transferred from the unreserved fund balance to be added to an account entitled "Land Damages — Grassy Hole".

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.

Article 4. Edward H. Valla moved that the Town amend the Town of Kingston General By-Laws by adding thereto at the conclusion of the current General By-Laws a BY-LAW REGULATING HAWKERS, PEDLERS AND TRANSIENT VENDORS, as printed in the Warrant in Article 4 of the July 22, 1985 Special Town Meeting.

June A. Ballinger moved to amend paragraph 2 by inserting the words "or flowers" after the phrase "sells fruits or vegetables" and before the phrase "raised or produced by himself or his family."

THE AMENDMENT WAS CARRIED.

On the motion of Edward H. Valla it was voted as amended that the Town amend the Town of Kingston General By-Laws by adding thereto at the conclusion of the current General By-Laws a BY-LAW REGULATING HAWKERS, PEDLERS AND TRANSIENT VENDORS, as printed in the Warrant in Article 4 of the July 22, 1985 Special Town Meeting.

Article 4. To see if the Town will vote to amend the Town of Kingston General By-Laws by adding the following Article at the conclusion of the current General Town By-Laws, said Article to be labelled appropriately and sequentially:

BY-LAW REGULATING HAWKERS, PEDLERS
AND TRANSIENT VENDORS.

1. For the purpose of this by-law the definition of hawkers, pedlers, and transient vendors shall be the same definitions as those contained in Chapter 101 of the Massachusetts General Laws.
2. No person shall hawk, peddle, or barter any goods or merchandise the limits of the Town of Kingston, except as authorized by law, without first obtaining a license to do so from the Board of Selectmen upon payment of a license fee, said fee to be in conformity with Chapter 101 of Massachusetts General Laws. This license requirement shall not apply to any resident of the Town who sells fruits or vegetables or flowers raised or produced by himself or his family.
3. Any person licensed under this by-law shall keep said license in his/her possession which shall be readily available for display. The license shall indicate the license number, and shall include the Licensee's signature and date of the license expiration. The Licensee shall display such license when requested to do so by any officers of the Police Department of the Town of Kingston, the Health Agent of the Kingston Board of Health, or the Sealer of Weights and Measures of the Town of Kingston.
4. No person licensed under this by-law shall conduct business in such a manner as would impede foot or vehicular traffic along or to a public way or public street or public sidewalk or access road or driveway.
5. No hawker or pedler, while engaged in such activities, shall remain stopped or standing in any one place or within three hundred (300) feet thereof for more than fifteen (15) minutes unless continuously engaged in transactions.
6. No hawker or pedler shall sell or offer for sale any goods, wares or merchandise on any street of the Town within five hundred (500) feet of any public school or the grounds thereof on days when the public schools are in session, nor on any day between May 1 and November 1 within five hundred (500) feet of the beach concession located on Grays Beach. In addition, the Chief of Police or his agents may restrict sales in any location within the Town that is determined to be a safety hazard to pedestrians or vehicular traffic.
7. No hawker or pedler shall expose for sale any foods, beverages, fruits, vegetable, fish, meats, dairy products, ice cream, frozen desserts or confections until the vehicle or receptacle has been inspected and approved by the Health Agent of the Board of Health of the Town of Kingston. Vehicles utilized for the selling of frozen desserts or confections must have installed on said vehicle an amber flashing light visible from the front and rear of the vehicle and such light must be flashing when the vehicle is stopped for the purpose of transacting business.

8. People doing business as transient vendors may conduct their trade only on property that is business zoned. Prior to commencing business, the transient vendor shall submit to the Selectmen of the Town of Kingston a signed and notarized statement from the property owner granting permission to the vendor to so use the property.

9. Failure to comply with this by-law may result in suspension or revocation of licenses and or permits granted hereunder. Any persons committing an unlawful act in violation of Massachusetts General Laws Chapter 101, or in the case of this by-law, Massachusetts General Laws Chapter 272, Section 59, may, after notice, be subject to arrest.

10. The Board of Selectmen may adopt, and from time to time amend and modify rules and regulations governing the aforementioned activities which are not inconsistent with the by-law, federal laws or the laws of the Commonwealth of Massachusetts.

Before the vote on Article 5, the Moderator called for a count of the house it was reported to the Moderator that a total of 411 voters were present at 9:10 P.M.

Article 5. On the motion of Edward H. Valla voted that the sum of \$2.3 million be raised and appropriated for the design and construction of sewers, sewerage systems, and sewerage treatment and disposal facilities in those areas of the Town recommended by the Sewerage Facilities Planning Project; that to raise this appropriation the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow a sum of money under Massachusetts General Laws Chapter 44, Section 8 (15) as amended; that while it is anticipated that the principal of and interest on such borrowing will be paid through betterment assessments, such borrowing shall be a general obligation of the Town; that the Board of Selectmen is authorized to contract for federal or state aid which shall be spent for the project in addition to the amount appropriated above; and that the Board of Selectmen is authorized to take all other action necessary to carry out the project; provided, however, that no part of the above appropriation shall be borrowed or expended for any portion of the project until the Town has entered into an agreement with the Commonwealth of Massachusetts or the United States Government providing that a portion of the eligible costs of the project shall be paid from federal or state aid; and provided, further, that this vote shall not take effect until the Town votes to exempt from the limitations on total taxes imposed by General Laws Chapter 59, Section 21C amounts required to pay the principal of and interest on the borrowing authorized by this vote.

THE FINANCE COMMITTEE RECOMMENDS FAVORABLE ACTION.
THE VOTE WAS YES 369 NO 14
THIS MET THE 2/3 REQUIREMENT.

Article 6. Catherine M. Macy moved that the Town amend the Protective Zoning By-Laws of the Town in order to create a Solid Waste Disposal District by adding the following:

1. At the end of Paragraph A (Classes of Districts) of Section II (Use Districts), the words:

SWD Solid Waste Disposal District

2. After the second sentence under Section III -- Use Regulations and before the words Schedule of Use Regulations, the words:

In a Solid Waste Disposal District, no building, structure or parcel of land shall be erected or used except pursuant to the provisions of Paragraph N of Section V -- Special Regulations.

3. After Paragraph M of Section V -- Special Regulations, the words:

N. Solid Waste Disposal District

In a Solid Waste Disposal District, the following are permitted uses: resource recovery incinerators, residual waste storage or treatment plants, sanitary landfills or other facilities necessary for the treatment, handling, and disposal of solid waste, provided that any such use is in conjunction with the development and operation of resource recovery incinerators.

4. To Section IV -- B Schedule of Intensity Regulations, after the line beginning with the word Conservancy, and under the headings, words and numerals thereof, the following:

District	Min. Lot Dimensions		Min. Yard Dimensions			Max Height Building			Max % Coverage Including Accessory Buildings
	Area Square Feet	Continuous Frontage	Front	Side	Rear	Stories	Feet		
Solid Waste Disposal	40,000	200'	50'	50'	50'	3	100'	25	

THE FINANCE COMMITTEE RECOMMENDED UNFAVORABLE ACTION.
THE PLANNING BOARD VOTED 2-1 IN FAVOR.
THE BOARD OF HEALTH HAS NOT VOTED.
THE VOTE WAS YES 82 -- NO 222
THE MOTION IS DEFEATED.

Article 7. To see if the Town will vote to amend the Protective Zoning By-Laws of the Town and the Zoning Map of the Town by changing from "I" Industrial to "SWD" Solid Waste Disposal District, a certain parcel of land containing 90.0

acres more or less, situated westerly of Route 3 in the southerly part of Kingston, Plymouth County, Massachusetts, bounded and described as follows:

Beginning at the southwesterly corner of the premises to be described at a point situated North 52°-55'-38" East, 186.36 feet from an iron pipe at Raboth Road;

Thence North 52°-55'-38" East, 455.66 feet to a stake and stones;

Thence North 33°-13'-20" West, 133.26 feet to an iron pipe;

Thence North 35°-50'-19" East, 1631.27 feet to a stone bound;

Thence South 55°-03'-19" East, 81.96 feet to a stake and stones;

Thence North 35°-24'-54" East, 919.00 feet to a point;

Thence South 55°-16'-25" East, 1459.10 feet to a stake and stones;

Thence South 43°-40'-39" East, 232.00 feet to a point;

Thence South 36°-25'-51" West, 1334.38 feet to a point;

Thence South 79°-42'-38" West, 460.21 feet to a point;

Thence South 58°-55'-20" West, 356.48 feet to a point;

Thence North 75°-59'-35" West, 194.43 feet to a point;

Thence South 80°-14'-57" West, 372.89 feet to a point;

Thence South 81°-37'-55" West, 206.44 feet to a point;

Thence South 77°-51'-13" West, 213.51 feet to a point;

Thence North 85°-36'-43" West, 384.87 feet to a point;

Thence South 88°-04'-00" West, 301.58 feet to the corner first mentioned and the point of beginning.

The above-described premises are comprised of a portion of Lots 27 and 36 of Map 13 and Lot 150, a portion of Lots 149, 151, and 152 of Map 10 of the Kingston Assessor's Plats.

Said premises being shown on a plan entitled "Plan of Land in Kingston, MA of Proposed Assignment of Sanitary Landfill - Resource Recovery Scale 1" = 200' June 18, 1982 revised on March 21, 1983 to show property line based on actual ground survey owner: O'Donnell Family Realty Trust prepared by: GHR Engineering Corporation, 75 Tarkiln Road, New Bedford, MA", a copy of which is on file in the office of the Town Clerk of the Town of Kingston, or to take any other action relative thereto.

NO MOTION WAS MADE UNDER THIS ARTICLE.

On the motion of Joseph M. Palombo voted to adjourn at 10:45 P.M.

There were 306 voters present from Precinct I and 121 voters present from Precinct II for a grand total of 427 voters.

Respectfully submitted,
George W. Cushman,
Town Clerk

SPECIAL TOWN ELECTION JULY 27, 1985

Then met the inhabitants of the Town of Kingston qualified to vote in the Special Town Election, Precinct I at the Kingston Elementary School, Margaret R. Wallace, Warden. Precinct II at the Faunce School, Ines A. Zoccolante, Warden. The polls were opened at 10:00 A.M., for the following purpose:

TO RESPOND TO THE FOLLOWING QUESTION:

Shall the Town of Kingston be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the bond issued in order to design and construct sewers, sewerage systems and sewerage treatment and disposal facilities as authorized by the Vote passed under Article 5 of the Warrant for the July 22, 1985, Special Town Meeting?

YES _____

TOWN OF KINGSTON COMMONWEALTH OF MASSACHUSETTS SPECIAL TOWN MEETING OCTOBER 28, 1985

The special town meeting was called to order at 7:45 P.M. by the Moderator, Lawrence I. Winokur.

Mr. Winokur made many preliminary comments for this meeting. He gave several rules and regulations under which this meeting would be conducted and asked for the cooperation of all.

David R. Buhl was present to record this meeting.

The vote checkers were Phyllis P. Ponte, Maureen E. Twohig, Lydia T. Fernandes, Robert A. Mulliken, Marie A. Ruel, and Lucy S. Cushman. The doorkeepers were: George F. Wager, and Antonio P. Fortini. Mr. Robert A. Mulliken also served as the mike carrier.

The oath of office was given to the following tellers: Joseph F. Glass, Edward H. Holmes, Marjorie F. Cadenhead, and William J. Twohig.

The warrant was not read by unanimous consent.

On the motion of Joseph M. Palombo voted to admit the following nonresident to be present at and address the Town Meeting: Karen Brown Giattozzi, Town Counsel.

The following numbers of voters were present: At 7:38 P.M., 74; at 7:45 P.M., 77; at 7:58 P.M., 86. At the close of the evening, the vote checkers reported that there were a total of 92 voters present this evening, 49 from Precinct I and 43 from Precinct II.

The Moderator called the meeting to order at 7:45 P.M. Mr. Winokur announced that because there were not 100 voters present, no action could be taken on Articles #1, 2, 6, 7, & 8. However, Articles #3, 4, and 5 would be voted on because they did not require appropriations.

Article 3. On the motion of James D. Pratt voted that the Town Accept an Equal Educational Opportunity Grant for the Fiscal Year 1986 in the amount of \$274,621 pursuant to the provisions of Massachusetts General Laws, Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985, said grant to be expended by the Silver Lake Regional School District for direct service expenditures.

Article 4. On the motion of James D. Pratt voted that the Town accept a Professional Development Grant for the Fiscal Year 1986 pursuant to the provisions of Massachusetts General Laws, Chapter 70A, Section 13, as inserted by Chapter 188 of the Acts of 1985, said grant to be expended by the Silver Lake Regional School District for direct service expenditures.

Article 5. On the motion of Barbara A. Devlin voted that the Town accept a Professional Development Grant for the Fiscal Year 1986 pursuant to the provisions of Chapter 70A, Section 13, as inserted by Chapter 188 of the Acts of 1985, said grant to be expended by the Kingston School Department for direct service expenditures.

THE ARTICLES 3, 4 AND 5 WERE RECOMMENDED BY THE FINANCE COMMITTEE WITH RESERVATIONS.

The Articles not acted on were:

1. Transfer of funds for a certain unpaid bill
2. Transfer of funds in the amount of \$1,739.00 (Energy)
6. Transfer of funds in the amount of \$20,000.00 (Containers)**
7. Transfer of funds in the amount of \$5,000.00 (Survey-Fire)
8. Transfer of funds from existing account, \$50,000.00 (Water)

**6. scales and/or containers in order to obtain refuse tonnage data.

At the conclusion of the action on Article #5, the Moderator requested a hand count of voters present (8:50 P.M.). The tellers reported that there were 82 voters present.

Mr. Edward H. Valla, Chairman of the Board of Selectmen, moved to adjourn this meeting to Monday, November 4, 1985, at 7:30 P.M.

MOTION WAS DEFEATED.

On motion of Joseph F. Glass, voted to dissolve this meeting.

The meeting was adjourned at 8:50 P.M.

Respectfully submitted,
George W. Cushman,
Town Clerk

BY-LAWS APPROVED IN 1985

On September 12, 1985, Francis X. Bellotti, Attorney General of Massachusetts, issued the following approvals:

"The foregoing amendments to zoning by-laws adopted under Articles 13, 14, 16, 17, 18, 19, 39, 41, and 43 of the warrant for the Kingston Annual Town Meeting that convened May 4, 1985 are hereby approved.

and

The foregoing amendment to the general by-laws adopted under Article 4 of the warrant for the Kingston Special Town Meeting held July 22, 1985, is hereby approved."

In accordance with law, James R. Goonan, Constable for the Town of Kingston, certified that the above by-laws were posted in five public places in the Town, including one posted in each precinct on September 16, 1985.

George W. Cushman, P.A.-C.M.C.
Town Clerk

Town Clerk of Kingston

JURY LIST

Jury list is available for inspection during business hours in the Town Clerk's office.

REPORT OF THE BOARD OF SELECTMEN

This past year was another active one for the Board. In addition to the annual licensing of businesses in Town, a number of public hearings which were held, the Board also made numerous appointments to various boards, committees, and commissions. We request that citizens who have the time, interest, and community spirit contact our office.

The Board welcomed Joseph A. Costa as a new Selectman.

The Board spent a considerable amount of time on two projects which were before the town — the SEMASS contract and the sewerage project. As you know, the signed SEMASS contract is subject to ratification at the 1986 Annual Town Meeting. The town's engineering firm is currently working on the design phase of the sewerage project. The Board appointed a Sewerage Advisory Committee to oversee this important project.

We expect in the next few months to begin renovation of the lower level of the Town House and relocate some of the town offices once the Police Department moves to their new building.

We would like to thank our office staff — Anita J. Hadley, our Clerk and Phyllis Ponte — all committee and board members, and our Town employees for their dedication and cooperation throughout the past year.

REPORT OF THE BOARD OF ASSESSORS

The Board of Assessors updated property values in town to meet the requirements of state laws for 1985. We have also started the process of recertification for fiscal year 1986.

This lengthy process involves revaluation of all property within the town. The state then checks the values set by your assessors and their consultants and then allows setting of the tax rate.

There are a number of requirements which have to be met on a certain timetable which we were unable to meet due to a lack of ability to make changes in our records ourselves. These changes must be made by our consulting computer company which has caused delays, therefore increasing the workload at the office. We hope that this problem can be rectified this coming year via our own computer system.

Because of the work load, the office is now closed to the public on Tuesday mornings, giving the office staff time to work without interruption. The office has regular hours on all other weekdays. The regular meeting time is each Tuesday at 4:00 P.M. Also, we will meet other times if necessary.

The Board of Assessors is most anxious to reassert its policy of being accessible to the Taxpayer at any time to explain or assist in making information available.

REPORT OF THE TRUSTEES OF FREDERIC C. ADAMS PUBLIC LIBRARY

The trustees would like to thank the Director, the Staff and the volunteers for an exceptionally fine year.

We feel our new director is doing very well with his new programs and in presenting the use of the library to the public. We do hope more residents will use the library this year.

Our long-range plans call for (1) additional parking facilities which we believe will help both the library and the Reed Community Building, (2) the addition of a Director's Office and a meeting room which would be used by the trustees and others and (3) the construction of a ramp for the handicapped.

We want to thank the Trustees of the Elizabeth B. Sampson Fund for the new rug in the children's library. We were pleased to repair and paint the front of the building which had not been done for about thirty years. This year we hope to complete the work by doing the sides.

We appreciate the help of the people of Kingston and ask for their continued support. We would also like at this time to express our sincere thanks to our dedicated treasurer, Mr. Roland S. Bailey, for the many years of service he has given the library.

REPORT OF THE DIRECTOR OF FREDERIC C. ADAMS PUBLIC LIBRARY

1985 was a very busy year for Frederic C. Adams Public Library. In March we had a huge celebration to mark the twentieth anniversary of our Children's Room. The day was a long and happy one complete with a puppet workshop, a ventriloquist, a storyteller, films, games, and punch and cookies. It was a great way to start the year's full slate of activities.

All of our summer activities were filled to capacity and our reading program attracted eighty children. We ended the year with a Christmas party highlighted by a visit from the jolly old elf himself who arrived by firetruck. In between the major events, the library presented many workshops, contests, and other fun and educational activities. Our regularly scheduled preschool story hour took on a new look as Theresa McRae, director of the Growth Unlimited Preschool, volunteered to read and conduct related activities. The program has never been more popular as we attracted as many as forty children each Thursday morning.

Our adult patrons, too, enjoyed programs ranging from a gardening workshop to valuable consumer advice to classic films. Our excellent collection of best sellers and other new books remains as popular as ever. Our new adult and young adult paperback collections have both received heavy use but our new stock of video cassettes has been something less of a success.

The library underwent some much needed physical changes as the facade and columns were repainted after many years of withstanding the elements. Rotted gutters were replaced at the same time. The rug in our Children's Room was replaced after twenty years of heavy use and we took advantage of the opportunity to rearrange the bookcases to create a more spacious atmosphere. The library remains one of Kingston's most beautiful buildings but it is too small to best serve the town's needs. The upstairs reading room was long ago taken over by two large bookcases, there is no meeting room, the local history room is badly overcrowded because it does double duty as the director's office, and there is almost no storage space.

Kingston's public library would be the envy of many small towns, but it must grow along with the community.

REPORT OF THE BOARD OF HEALTH

In the year 1985, many proposals for new houses and septic systems were brought before the Health Board, which appeared to be a record year for the town. Alan McKim was elected to the board, Mando Aldrovani was appointed Health Agent, and Catherine Macy as Chairperson. The Town held a household hazardous waste collection day that was very successful. The Board of Health appointed several town officials and townspeople to a board to discuss the implementation of the SEMASS Contract as it relates to the Health Board. The Health Board generated \$34,439.33 in fees, the most in its history. These fees were deposited directly in the town coffers.

1985		No. Issued	Fee Received
Type of Permit			
Retail Food Service Establishment	12 @	\$ 50.00 each	\$ 600.00
Food Service Permit	30 @	50.00	1,500.00

REPORT OF THE KINGSTON HOUSING AUTHORITY

Kingston Housing Authority facilities were used during 1985 by Meadowcrest residents, the Council on Aging, the Senior Choral Group, and Friends of the Council on Aging. The Authority encourages use of the facilities for Senior Citizen functions.

42 tenants currently reside at Meadowcrest. Vacancies will be filled as soon as the Modernization/Remedial Construction Program, to begin in January of 1986, is completed. Applications and information may be obtained from the Executive Director at the Housing Authority Office on Hillcrest Road.

Kingston Housing Authority was awarded a grant in the amount of \$240,000.00 under the Chapter 689 Handicapped Housing Program. The funds will be used for the development of two staffed apartments for mentally retarded adults, to be planned in conjunction with the Plymouth Department of Mental Health.

Richard Scanlon was elected to the Kingston Housing Authority for a 5 year term in May, 1985.

The Authority wishes to thank the Youth Organizations who have provided entertainment and gifts to Meadowcrest residents.

The Authority wishes to express its gratitude to all town departments for their cooperation during the past year.

REPORT OF THE PARK COMMISSION

Gray's Beach Park enjoyed a very successful season during the summer of 1985. Approximately forty Kingston children were involved in the Red Cross swimming program; many passed the requirements to advance to the next skill level. The people of the town fully utilized this recreational area during the spring, summer, and fall. A highlight of the summer season was two extremely successful music concerts given for young and old alike. They were very well attended and thoroughly enjoyed by all.

The playground equipment at the beach was greatly improved by the addition of new swings and infant swings, along with a fresh coat of paint. Boulders were once again placed around the perimeter of the beach for the winter months in order to deter vandalism. We thank Carl Atwood and the staff from the Highway Department for their help. We would also like to thank the Police and Fire Departments for their cooperation in making this past season a safe one at the beach.

Geraniums were planted at all town memorials in observance of Memorial Day. Daffodil bulbs were also planted at many of the memorials to enhance these areas each spring.

The Park Commission looks forward to another productive year.

REPORT OF THE PLANNING BOARD

The past year has been an extremely busy one for the Board. The Town has entered a period of rapid growth, the likes of which Kingston has never seen. Numerous subdivisions are proposed, along with continued growth in the Town's two mobile home parks. The Board has been attempting to update the Town's zoning by-laws to provide for more controlled growth. The past year has seen the adoption of the Site Plan Review which has also increased the workload of the Board. The Board will continue to strive for excellence when reviewing and planning for the future growth of Kingston.

REPORT OF THE PLAYGROUND COMMISSION

In 1985 the Playground Commission was very pleased to re-start the summer playground program at the Reed and hopefully expand next year.

The Commission also purchased aluminum seating for all the stands and a major reconstruction of the stands behind the minor league field is under way.

As far as the Reed building itself is concerned, the Commission has just tried to maintain and keep the building open to the public. A major restoration is needed and a committee has been formed for that purpose. We feel we are very lucky to have a Community Center and four nice fields and think it would be a terrible crime not to bring the building back to its once proud appearance. With a total effort of the town we can all enjoy this great facility.

REPORT OF THE TREE WARDEN AND MOTH SUPERINTENDENT

It is with deep regret that our town lost one of its long time employees. A member of this department for fifteen years, Irvin W. Eddy, known as "Snapper" to his close friends, passed away this year. He was a loyal and dependable person and always gave his best efforts to his work and to those who needed assistance. He is very sadly missed.

The chipper that was purchased with funds from the F.B. Sampson Fund, which at the beginning appeared to be satisfactory, finally did not produce as it should have. After continued complaints the company allowed us \$9,000.00 in trade. This, with the \$3,000.00 transferred by the Finance Committee, enabled us to get a heavier duty chipper. So far it has proven to be far superior to the one replaced.

Hurricane 'Gloria' in September caused considerable damage and annoyance to practically everyone. The clean-up in the town was accomplished remarkably fast. However, with all due respect, this could have not been done without the cooperation of the Fire, Police and Highway departments. Their quick response to the needs of this department was without question, most generous. My sincere thanks for the assistance and for a job well done. Still remaining are some areas where trees fell and need to be removed. We are attempting to clear these out in conjunction with the routine duties.

REPORT OF THE WATER COMMISSIONERS

This year the Water Department will celebrate its 100th birthday and 1986 promises to present many challenges. There are many new homes and other developments planned for Kingston, and the Water Department must, by State Law, provide for these if it is within our capabilities. This year warrant articles for the Annual Town Meeting will be seeking a new well site, storage facility and extension of the water system. Water Department revenues have increased steadily but so have the number of gallons pumped and the age of our system in place, which is requiring maintenance. The cost, of course, does not go down. Expansion of the water system and maintaining the high quality of water and service do not come cheaply, although our rates are among the lowest in the Commonwealth.

Boundary Street has had the new water mains installed at a great savings over the original estimates, thanks to the efforts of your Water and Highway Departments. The Rocky Nook and Landing Road rehabilitation projects are for the most part complete and all State reimbursements have been approved. The Trackle Pond well site approved last year has been taken and is a valuable asset for future use.

The Water Commissioners have been extremely busy reviewing plans and applications for water service, rewriting the "Rules and Regulations" of the department and adjusting the water rates. The backhoe recently lease-purchased has performed admirably putting in services and repairing leaks. It is an invaluable addition to the Town's capital equipment.

We present the following statistics for your examination:

STATISTICS

	1983	1984	1985
Water pumped (gallons)	394,067,600	331,746,400	364,828,300
Greatest amount used in one day	2,424,100 7-17-83	1,858,200 7-13-84	1,929,700 8-17-85
Greatest amount used in one week	13,650,100 7-10 to 7-16	9,675,700 8-24 to 8-30	10,842,500 7-19 to 7-25
Services connected to the system	2,746	2,884	2,879
New services added	59	101	62
Services in Mobile Home Parks	61	145	150
Services discontinued	4	5	3
Services renewed	31	188	57

New Mains added to the system for 1985, 7810 linear feet (8 inch).

INCOME

	1984	1985
Commitments	\$254,250.79	\$272,568.24
Water applications	18,825.00	23,075.00
Swimming Pool	700.00	550.00
Engineering fees	2,536.77	4,090.53
Water services at the time of the application		1,465.00
After hours charges		250.00
Miscellaneous income	3,090.89	1,724.85
Old Colony Railroad Refund Escrow Account	0	2,500.00
TOTALS	\$279,403.45	\$306,223.62
Income increased		\$ 26,820.17

We would like to express our gratitude to all those who contributed to the operation of the Water Department: employees, engineers, suppliers, and most of all, you, the water takers of Kingston. We look forward to serving you in the future and hope that you will support us by attending Town Meeting on May 3, 1986, and voting for the Water Department articles that will enhance your water system.

REPORT OF THE BOARD OF REGISTRARS

In January 1985, the Board of Registrars contracted with LHS Associates to computerize the voting records and tabulate the 1985 street list/census. This involved using the data from the 1984 street list and the new voter registration cards, and mailing a state census form to everyone listed therein. This being the first year that listers were not sent door to door, the Registrars appealed through the newspapers for anyone who had not received a form to call for one to be sent.

The installation of this system has relieved the Town Clerk's office of the burden of producing new voting lists and/or supplements for each new election or town meeting. It has also enabled us to mail census forms quickly. We used to be subject to the weather and the availability of reliable listers to contact the citizens each January.

It should be noted that this computer system is independent of the companies which serve the assessors and the treasurer. Information which is recorded for one department is not automatically available to another. By entering information received from birth certificates, marriages, deaths, dog licenses and especially occupancy permits issued by the Building Inspector, we have been able to broaden our mailing list.

After submitting our final tallies to the Secretary of State's office last year, we were instructed to redraw our precinct lines and to correct our figures accordingly. It should be noted here that the new lines will not take effect until 1988 but the census results had to be based on those lines. The final tabulation for Kingston showed 7,338 citizens, but of those, 129 lived away from Kingston most of the week, so our grand total was 7,209. There were 4,237 registered voters.

The following breakdown is provided for your information:

	Total	Males	Females
Precinct I	3,443	1,671	1,772
Precinct II	3,766	1,810	1,956
	7,209	3,481	3,728

This year saw the initiation of the new jury system. A computer in the office of the jury commissioner selects a random set of numbers which in turn coincide with a numerical list of residents submitted by the Town. These individuals are then eligible to be called to serve for "One day or one trial." This new system allows for no class exemptions and distributes the responsibility of jury duty more equitably for a period of one year. A copy of this list is open for inspection by the public in the office of the Town Clerk.

The Board of Registrars would like to take this opportunity to thank the citizens of Kingston for their cooperation and understanding while we undergo this transition period from manual compilation to the computer age.

REPORT OF THE CIVIL DEFENSE

Once again the Kingston Civil Defense is pleased to report a year of activity with positive results. This would not have come about without the services of nearly 20 volunteers.

Training activities included a community defense drill over Monday night, beginning promptly at 7:00, and monthly planning sessions.

Major contributions included providing communications for several road races, one parade, and the Kingston Elementary's Music.

The Plymouth One Nuclear Power Station Emergency Drill is a mandatory part of each year's activity. Our volunteers and representatives from the various town departments engaged in emergency planning, and the drill was conducted in accordance with procedures set forth by the Nuclear Regulatory Commission.

Overall, the most important event of the year was the emergency operation associated with hurricane Gloria. A Kingston Elementary School was transformed into a shelter and remained open for a twelve-hour period. For the County Chapter American Red Cross provided supervisory personnel and nearly 20 storm evacuees and Kingston's support personnel stationed at the shelter.

Volunteers during 1985 included Allen Borghesani, Barbara Borghesani, Robert Borghesani, Robert Fadi (Carver), Fred Hixon, Joseph Hixon, John Gomes, Roland Jasmin, Lois Meliken, Fred Newcomb, Robert Piro, Mark Feldt, Patricia Prokop (Carver), Dennis Savaris, Jay Thomas, Alan T. T. Steven Valler, Ann White.

REPORT OF THE CONSERVATION COMMISSION

This committee has put in many hours this past year, surveying and checking pieces of property which abut the wetlands. Some were approved and others were disapproved because they were too close to the wetland area.

I feel that at this time it would be very good to clear up a misconception that arises frequently. (No person shall alter, fill, dredge or build within 100 feet of any marsh, meadow, bog or swamp.) This is in your town By-Law and also the Mass. Wetlands Protection Act MGL c.131 s.40.

The term alter when undertaken in areas subject to this By-Law would include destruction of plant life, cutting of trees, placing of obstructions to impede the flow of water, burying of stumps, and the changing of water temperature, etc.

Among the many filings we have had this past year, were requests for the rejuvenation of cranberry bogs that were old and covered with weeds and scrub growth.

We are faced with a very serious situation at present and that is the emergency use by the city of Brockton of the water of Pine Brook for transfer to Silver Lake under the provision of Sect. 40 of Chap. 40 of the General Laws. They are trying to make this a permanent water conveyance structure.

I have tried to give you just a short report of some of our troubles and to say we are working very hard for the people of Kingston.

REPORT OF THE DOG OFFICER

The leash law in the town is not being obeyed very well. In some way this law benefits some people. You can save money on leash law offenses.

This year, fifty-four animals of various types were picked up and buried after being killed by cars on Kingston's streets. Problems could be avoided by leashing your dogs.

In the last year we have:

- Returned 82 lost dogs
- Found homes for 23 stray dogs
- Disposed of 9 unwanted dogs.

REPORT OF THE COUNCIL ON AGING

The steady increase in the senior population of Kingston is reflected in the Town Reports of the past two years, listing 1,181 seniors in 1983, 1,200 plus in 1984, and 1,382 according to the 1985 Board of Registrars Listing. The utilization of COA services has increased accordingly.

The Senior Shuttle has carried 2,959 persons for a total of 17,220 miles. Average attendance at the Thursday Hot Lunches rose to 78 per week. COA Volunteers delivered a total of 4,843 Meals On Wheels, an average of 19 meals each weekday.

Two major service activities were inaugurated in 1985. Warren Axford became the volunteer COA counselor for SHINE (Serving Health Information Needs of Elders), and provides assistance to seniors concerning Medicare/Medex, Medicaid, and other health insurance problems. Marion Jeddry was appointed Outreach Coordinator for the COA. She is working on a regular basis as a Senior Aide through the auspices of the Old Colony Elderly Services.

1985 saw the completion and dedication of "The Kingston Quilt". The quilt is now at the Town House, in a display case donated to the COA, and dedicated to the memory of Lincoln C. and Naomi Catherine Bartlett.

The COA and Evanswood Center for Older Adults cooperated in a number of projects, including the Senior Olympics at the Reed Community House and a traditional Hawaiian Luau at Evanswood. Planning was initiated to provide expanded and shared services of the COA and Evanswood vans.

A grant from the Kingston Arts Council enabled us to establish a Senior Singing Society. Activities for the year included theatre trips, a Salisbury Beach outing, a trip on the Cape Cod & Hyannis RR, as well as blood pressure clinics and the annual flu shots. The COA Newsletter is now distributed to over 900 senior homes each month.

Grants received totaled \$8,963.00. The Hot Lunch Program contributions returned to the town totaled \$2,960.00

REPORT OF THE OLD COLONY PLANNING COUNCIL

To the Honorable Board of Selectmen and residents of the Town of Kingston:

As your representatives to the Old Colony Planning Council we are pleased to present this report of the Council's activities for 1985.

During the year, the program of the Council was concentrated in three major areas: Economic and Community Development; Transportation and Transit Planning; and, Area Agency on Aging Planning including the coordination and implementation of elder service programs.

The Economic Development activities of the Council involved the preparation of the annual update of the Overall Economic Development Program report which includes a listing of local capital improvements important to economic growth and development. The Council also acts on Industrial Revenue Bond applications which are initiated within the planning district to assist firms in financing new or expanded facilities. In 1985 the Council acted upon 23 Industrial Revenue Bond applications totalling almost 51 million dollars for area businesses. The total compares with the 41 million dollars approved in 1984 and 24 million dollars approved in 1983 for a three year total of well over 115 million dollars of economic development investment in the area. The communities benefiting under the program in 1985 were: Avon — \$21,300,000; Bridgewater — \$3,300,000; Brockton — \$8,000,000; Easton — \$5,000,000; Plymouth — \$9,000,000; Stoughton — \$3,600,000; and, Whitman — \$650,000.

Other Economic Development activities of the Council included the coordination of regional development activities through the Overall Economic

Development Program (OEDP) Committee chaired by Mr. Joseph Joseph, Executive Director of the Brockton Area Private Industry Council. At the request of the OEDP Committee the Council conducted an employer/employee transportation needs survey of the Avon and Easton Industrial parks. The results of the survey are expected to be available in early 1986. Other activities included assistance with the Regional Job Fair and providing technical assistance to local communities in their efforts to attract industry.

Assistance to local communities in their various community development activities included: grant management for the Community Development Block Grant for the Avon Industrial Park-West; grant preparation and assistance with proposed zoning changes for the town of Abington; Whitman grant preparation; Stoughton grant preparation and the completion of a local water study; East Bridgewater grant preparation and assistance with local Community Development Action Grant (CDAG); Halifax grant preparation; Pembroke assistance with local water study; and Plymouth assistance with preparation of proposed Economic Development Administration grant for waterfront expansion.

Staff was also involved with the preparation, receipt and administration of a State supported Energy Grant which provides energy assistance to local industrial firms in OCPC area. To date ten firms have taken advantage of the grants and have received the engineering analysis for their companies. The OCPC staff was successful in obtaining two (2) tri-town grants from the Executive Office of Communities and Development (EOCD) under the Incentive Aid Program. The first, a planning study involving the Towns of Abington, Avon and Stoughton is underway and nearing completion. The second, also a planning study, involves the Towns of Whitman, Halifax and East Bridgewater and will be starting early next year.

The transportation and transit planning activities of the Council during the year required the preparation of a number of documents necessary for the area communities to continue to remain eligible for transportation improvement program funds from the federal and state governments. Among these were the Transportation Plan update; Transportation Improvement Program and a Prospectus of the Region. During the past year the Council also completed studies on three long-standing and unresolved transportation issues identified in the Transportation Plan Refinement. These issues included: The Route 123 Traffic Study; The Bridgewater Center Traffic Study; and the Plymouth, Kingston, Carver and Plympton Rural Transit Survey.

The Traffic Counting Program of the Council was in full swing this past year. OCPC conducted approximately 160 traffic counts for member communities. The traffic counts also provide accurate up-to-date information for OCPC technical reports such as: The Bridgewater Center; Route 123 and Route 53 Traffic Studies.

In 1985, OCPC completed the first year of the Accident Data recording system. The communities participating in the program now have available at OCPC a full year of accident statistics on computer that can be quickly and accurately retrieved and sorted at their request.

During the past year the Council prepared and submitted to the Department's newly established Transportation Operation Problem Solving (TOPS) Team a list of problem intersections within the OCPC Region. The TOPS program effort is a pilot project aimed at developing immediate results for minor intersection problems. Three problem intersections will be given attention: Route 123 at Route 18, in Abington; Route 139 at Route 18, in Abington; and Reynolds Memorial Highway (Route 27) at Pearl Street in Brockton.

The Council also completed the Easton-Raynham Commuter Rail Feasibility Study. The study explored the feasibility of extending the Stoughton Commuter Rail Service to Easton-Raynham. Other long-term strategies of the Council included restoring commuter rail service to the Old Colony region as part of a cooperative effort with the Plymouth County Development Council and the Brockton Regional Chamber of Commerce.

The Council also continued its work in monitoring and planning for the Brockton Area Transit (BAT) System. During the past year Bridgewater joined BAT and is currently working toward a goal of establishing Dial-A-BAT service in January. In addition, BAT also signed an agreement with the architectural firm of Louis Berger and Associates to prepare design and construction documents for restoration of the Stoughton Commuter Rail Station. During the past year the Council also assisted local public and private agencies in filing applications for 16(h)(2) vehicles.

The Council acting as the Area Agency on Aging was responsible for administering Older Americans Act monies allocated to the region. The Area Agency funded and coordinated a wide range of community, in-home, and nutritional services for elders.

District communities directly benefiting from Title III grants from the Area Agency include: Avon, Nutritional Program; Brockton, Dorn Davies Senior Center; Hanson, Social Day Care Program; Kingston, Nutritional Program; Pembroke, Communication Equipment; Plymouth, Senior Center Staffing.

In addition to the direct funding to these communities, several other programs are administered regionally for the benefit of elders in the entire service area. These programs include the Volunteer Transportation Program and Nursing Home Ombudsman Program administered by the Area Agency. Old Colony Elderly Services administers the Emergency Assistance Program for elders and the Six Town Minibus Program for the communities of Avon, East Bridgewater, West Bridgewater, Halifax, Hanson and Whitman. Other programs administered regionally include the Senior Law Project, home health aide and respite care, and several hospice programs.

Nutrition services in the form of congregate and home delivered meals are made available through Title III-C monies in many communities in the service area. Several communities including Avon, Carver, Kingston, Middleboro receive assistance to prepare meals locally. Many other communities participate in the nutrition program administered by Old Colony Elderly Services receiving prepared meals from a caterer.

In 1985, Charles A. Pickering of West Bridgewater was elected as President of OCP; John J. DeMarco of Avon was elected as Council Secretary; and James A. Kassos of Brockton was elected as Council Treasurer for the year.

The Council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of members of the Joint Transportation Committee chaired by Mr. John Yaney; the Overall Economic Development Committee chaired by Mr. Joseph Joseph and the Area Agency on Aging Advisory Committee chaired by Mr. John Mather. The Council also recognizes the work of local boards and commissions and the many government agencies, public and private institutions and individuals who have assisted the Council.

REPORT OF THE PLYMOUTH COUNTY COOPERATIVE EXTENSION SERVICE AND DIRECTOR

The County Extension Service is the educational outreach component of the United States Department of Agriculture, the University of Massachusetts in Amherst, and Plymouth County government.

The main office is located on High Street, Hanson on the grounds of the Plymouth County Hospital and can be reached by telephoning 293-3541 or 447-5946. (In the telephone book under Plymouth County.)

A federally funded Nutrition Education Program, designed to assist young families with limited resources, is located in Brockton at 32 Belmont Street. Under the guidance of Andrea Gulezjan, 9 nutrition assistants (6 FTE's) worked with 320 homemakers. In addition they offered a week-long nutrition summer camp for youth and over 60 food demonstrations to improve family diets. As a cooperating agency they received 3/4 of their referrals from WIC, Project Good Health and Food Stamp offices. In schools (with nutrition education programs that reach 5,000 youth) 357 volunteers worked with the nutrition program.

Cooperative Extension Agents are specialists in the area of 4-H, Home Economics, Community and Natural Resource Development and Agriculture. Agents service all towns in Plymouth County through lectures, phone call assistance, field visits and county-wide programs.

In our 4-H program last year 15,178 youth were enrolled. Of that number 959 were enrolled in traditional club programs and 14,219 were exposed to 4-H

short term projects, school enrichment or individual study programs. 786 volunteers assisted in conducting the county 4-H program.

Newsletters . . . free for the asking

The Home Economics department recently made available to residents a newsletter "Creative Living" which covers areas of Consumer Economics, Human Development, Nutrition and Clothing & Textiles.

"Garden Clippings", the extension newsletter for the backyard gardener has a circulation of 3,400, doubling in size since last year.

Agriculture and Resource Development agents service clients by reporting needed agriculture events as they happen, essential to produce growers and communities. A computer links our office to U/MA research.

Cooperative Extension works through a variety of ways to reach Plymouth County residents. 20,000 publication listings were distributed to all libraries and town halls this past year. Radio PSA and news releases are sent out weekly to ensure program coverage. Presently there are 10,800 names on our mailing lists who receive monthly newsletters in wide areas of interest.

To learn more about the Plymouth County Extension Service contact your Town Director George Fraser or the Extension Service office.

REPORT OF THE BOARD OF FIRE ENGINEERS AND FOREST FIRE WARDEN

During 1985, the Board of Fire Engineers attempted to have the town meeting act on a prospective location for a second fire station. Due to the lack of a quorum, the article was never presented and another delay in this important project was incurred.

Emergency calls responded to by the Fire Department continue to increase as the Town continues to grow, with a 20% increase over 1984. This is the second consecutive year that emergency calls have increased 20% over the previous year and it appears this trend will continue in 1986.

Several preliminary plans for both residential and commercial development were reviewed with building scheduled to start during 1986. Many of these plans were in areas where there is no water supply for fire protection or where water supply is marginal. This will present a serious problem for the Department in the future. Additionally, many of the developments planned are in the south and southwest portions of Kingston; an area already a problem due to congestion and distance from the Fire Station.

During 1985, the Department was granted an Advanced Life Support License by the Commonwealth to further upgrade the emergency medical service. Kingston is the only Fire Department in the area to be granted such a

license, and this is a credit to the Firefighter/EMT's who must not only meet the increased demand for service, but also must meet the stricter training requirements that go along with this license.

Additional rescue equipment was purchased with money from the E.B. Sampson Fund and the first phase of replacing all protective breathing equipment used by Firefighters was completed. Funds for completing the replacement of protective breathing equipment as well as upgrading Firefighters protective clothing have been budgeted in 1986. The need for this equipment has been demonstrated many times for as the number of alarms increases, so does the complexity and hazards faced by Firefighters.

Town Meeting authorized the Board to lease/purchase a pumper to replace the 1959 pumper and also authorized funds for repairs to the fire station. By the end of the year, the roof, heating, plumbing and sewerage systems were repaired or replaced and modifications were started on the fire alarm radio system. The lease/purchase contract for the pumper was signed with the FMC Corporation and delivery of the pumper is expected soon.

One Firefighter/EMT was added to the Department and this allows us to have 3 persons on duty during the week days, the time when the availability of personnel is at its lowest. This was the first Firefighter/EMT added to the Department since 1978 and with the increase in the number of calls and growth of the Town, additional personnel will be necessary in the future.

The Forest Fire Department has requested an all wheel drive chassis from the State Division of Land Management surplus property program. The need for a large tanker vehicle to aid in forest fire control is becoming a necessity as residential construction spreads into the heavily wooded areas of Kingston. The southwest area is recognized as part of the portion of Massachusetts that has the highest forest fire spread potential and the ability to have a mobile water supply to backup the brushbreakers is extremely important. Small ponds and water holes that were formerly used for water supply have been very low or completely dried up due to the lack of a normal rainfall in the past year.

STATISTICS:

Emergency calls:	1985 -- 1,121	1984 -- 930
Fire calls:	1985 -- 503	1984 -- 423
Rescue calls:	1985 -- 122	1984 -- 123
Medical calls:	1985 -- 486	1984 -- 388

REPORT OF THE HARBORMASTER

The floats and channel markers were put in the water in May of 1985 with assistance because the Harbormaster's boat was still being repaired. They were removed from the water beginning October and completed in November, 1985.

There were many repairs made on the Harbormaster's boat this season. The cost was \$3,500.

We were hit with Hurricane Gloria this season in which the Harbormaster was on twenty-four hour watch for two days. During the hurricane, Plymouth and surrounding areas used our Kingston Jones River for shelter for their fishing boats, draggers, and lobster boats.

There were twelve complaints made this season on waterskiing at Rocks Nook. All calls were followed up and warnings were given.

The following summary of calls received and answered this year

Assists to Duxbury and Plymouth Harbormasters	10
Patrols with Harbormaster's boat	25
Trips to Smelt Pond	25
Boats towed	25
Police calls	18
Boat violations	4
Boat warnings	15
Parking violations	-
Stolen boats recovered	6

Overall, the Kingston boating season was a safe and good one for Kingston residents and guests. We had a season free of accidents and other disruptions. We can only hope that every season will be as safe and fun for the Town of Kingston as 1985 was.

I would like to thank the Kingston Police and Fire Departments and the Waterfront Committee for their prompt assistance.

REPORT OF THE HIGHWAY DEPARTMENT

This department again exceeded the snow removal budget for the winter of 1984-1985 despite the fact that plowing was required for only three (3) storms. I expect this trend will continue due to increased development and increased prices for sand and salt.

State Aid Construction Funds were used again on Pembroke Street for the placement of non-woven fabric and a surface wearing course from Brookdale Street to School Street and crack filling from School Street to the Pembroke Town Line. This department will complete resurfacing of this road upon receipt of sufficient additional State Aid Funds.

Resurfacing of Winter Street was completed and after sealing in 1986 should provide many years of use with a minimum amount of maintenance.

Resurfacing of Elm Street commenced and will continue each year as funds allow until completed.

Parting Ways Road received an oil penetration and sand seal this year. After an additional sand seal in 1986 this should cure a continued maintenance problem for this department as well as relief from equipment damage during snow removal operations.

Minor drainage repairs were made on Wapping Road, Sheridan Drive, and Bay Farm Road. Availability of the back hoe prevented this department from any major drainage installation this year due to nearly continual use by the Water Department because of one major installation (Off Boundary Street) and increased service requirements due to the volume of development and building.

Slope granite edging was installed on Elm Street to replace old concrete curbing that has deteriorated and will continue yearly in advance of resurfacing.

Sidewalk resurfacing commenced on Pembroke Street from Tura's Corner to Grove Street and will follow road resurfacing yearly as funds allow.

One condemned house on West Street was demolished and disposed of by this department at the request of the Board of Selectmen, thereby saving the Town the expense of contracting this service. It is expected the other condemned house will be demolished and removed during the winter of 1986 after being used for a fire training exercise.

This department also assisted the Water Department in the installation of water mains and services on Off Boundary Street and installation of drainage at Smith Lane Tank and repairs and patching throughout Town.

Berms were installed on sections of Indian Pond Road, Second Brook Street, Elm Street, and Grove Street.

Two new Dump Trucks, one voted at the 1984 Town Meeting and the other at the 1985 Town Meeting were received and put into service in time for use for Snow Removal for the winter of 1985-86.

My thanks to the personnel of the Highway Department and to the other Town employees and officials for their cooperation and assistance.

REPORT OF THE HISTORICAL COMMISSION

The Kingston Historical Commission has met on a monthly basis through the year. We said goodbye to three of our members, Ed Valla, Ted Holmes, and Marge LaPlante. We wish them all the best, and many thanks. The Selectmen appointed three new members to the board, Kathleen Walker, Albion Holmes, and Dennis Olsen. Welcome.

We have worked all year with the ongoing town survey for the Mass. Historical Commission. We also are working on Date Boards for homes already surveyed. This is being accomplished with the help of the Silver Lake Junior High carpentry classes.

Our many thanks to all members of the board and all who helped us over this past year.

Budget for fiscal 1985-1986	\$250.00
Balance	\$250.00

REPORT OF THE INSPECTOR OF ANIMALS

Recent years have witnessed a profound change in the makeup of our animal population. There has been a marked decrease in the number of cattle with a corresponding rise in the number of riding horses and pets in town. This reflects a change in the basic makeup of our community from what was formerly semi-rural to exurbanite.

As an accompaniment of this trend, there has been a striking increase in incidence of heartworms in our dog population which is transmitted by the bite of an infected mosquito. This makes it increasingly advisable for every dog in the area to participate in an annual diagnostic blood test each spring followed by preventive medication to be administered for several months.

There was a disturbing increase in the number of reported dog bite cases last year as a result of which 41 dogs were quarantined on suspicion of rabies. Fortunately, all of these dogs were released after the customary ten-day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the state authorities.

Throughout the country, there has been a striking increase in the incidence of rabies, particularly in the wild animal reservoir and in cats.

These two events emphasize the increasing necessity to have all pets (cats as well as dogs) immunized against rabies. To that end, the town has conducted an annual clinic to provide such immunization, aside from those administered privately. Similarly, it becomes imperative to increase public awareness toward the avoidance of attempts to domesticate wild animals, especially skunk and raccoon.

The annual census of farm animals was completed, and the report forwarded to the Division of Animal Health.

I wish to thank the members of the Board of Health for their cooperation in organizing these inspections.

REPORT OF THE BUILDING INSPECTOR/ ZONING ENFORCEMENT OFFICER

It was another record year for construction activity in Kingston. Residential construction accounted for 149 new residential units, including 20 condominiums. There were 32 commercial permits issued that included the new police station, McDonald's restaurant, Colonial Saw addition, Firestone, Baybank, Royal Gardens addition, C. Drew Co. addition, White Realty building as well as new commercial buildings on Joseph Street.

As a result of fee increases the income was \$31,901.00 more than the 1984 receipts, for a total of \$62,258.00 annual income. This was based on \$13,091,085.00 of estimated construction costs.

Listed below is a recap of the 1985 activity.

Types of Permits	Estimated Cost
New Dwellings -- 20 Condos	\$ 8,722,035.00
Commercial Buildings	1,610,117.00
Repairs & Alterations	1,781,646.00
Swimming Pools	110,714.00
Garages	106,521.00
Barns	44,280.00
Town Building (Police Station)	657,772.00
Tennis Court	26,000.00
Boy Scouts of America	32,000.00
Buildings Razed	none
Change of Use	none
Revised Bldg. Permit	none
Certificate of Inspection	none
TOTALS	\$13,091,085.00

Number of Inspections

	Permits	Fees
Building Permits Issued by this Office	446	\$41,429.00
Wiring Permits Issued by this Office	356	8,462.00
Plumbing Permits Issued by this Office	296	8,431.00
Sign Permits Issued by this Office	23	345.00
Gas Permits Issued by this Office	328	3,591.00
TOTAL RECEIPTS	1,449	\$62,258.00

REPORT OF THE GAS INSPECTOR

It is important that applications for permits be made prior to commencing the work and the Gas Inspector should be notified when work is ready for inspection.

I wish to express my appreciation to the Alternate Gas Inspector, Norman E. Bouchard.

Number of inspections 257

REPORT OF THE PLUMBING INSPECTOR

The total number of Plumbing Permits issued for the year 1985 were 296 with a total of \$8,431.00 in fees collected.

REPORT OF THE WIRING INSPECTOR

The total number of Wiring Permits issued for the year 1985 were 356 with a total of \$8,462.00 in fees collected.

REPORT OF THE OCEAN SANCTUARIES ACT STUDY COMMITTEE

1985 House Bill 5744 (similar to 1984 HB 5900 purporting to grant the Town of Plymouth an exemption under the Ocean Sanctuaries Act for increased harbor discharge of sewage treatment plant effluent) was not enacted into law by the 1985 legislature, but a similar bill has been refiled for 1986. The Federal Environmental Protection Agency is still considering certain aspects of both land and ocean disposal and; therefore, has not yet issued the Draft Environmental Impact Statement for the proposed expansion of the Plymouth sewage treatment plant. A State Task Force, including representatives of Duxbury, was formed in 1985 to study possible changes to the Massachusetts Ocean Sanctuaries Act and is expected to make its report to the legislature in 1986. The 1985 Annual Town Meetings of Duxbury and Kingston each authorized funding of \$20,000, matched by a like commitment from Duxbury Beach Reservation, Inc., for legal and engineering expenses of the Ocean Sanctuaries Act Study Committee. A total of \$3,085 of these funds was expended during 1985.

REPORT OF THE POLICE DEPARTMENT

The year 1985 has proven itself to be an increasingly busy one for your police department. Because of the increased growth factor within our town, various new developments have placed additional strain on the department. Increased traffic flow in the area of the Kingsbury and Cranberry Malls have become problematic. In conjunction with the Board of Selectmen and the town Highway Department, we have been in contact with the Old Colony Planning Council/State Department of Public Works to take corrective action in these areas. Records have shown that 66% of arrests within the town of Kingston, are non-residents. This coincides with the increased traffic flow on the various State Highways that dissect our town. An example of increased traffic problems occurred this summer when a tractor-trailer unit pulled down 5 telephone poles on Main Street, near Howard Johnson's, creating a traffic tie-up which lasted 8 hours.

Other problems facing the department in 1985 were increased crime in the areas of drug traffic, armed robberies and house breaks.

We are pleased to welcome Jeffrey Ponte to the regular force replacing Richard Bocash who retired this year.

As I write this report, the department eagerly looks forward to moving into our new station at 244 Main Street. The officers and myself wish to express our gratitude to the citizens of Kingston for making this long awaited move possible.

Total	\$61,813.52

REPORT OF THE POLICE STATION BUILDING CONSTRUCTION COMMITTEE

In March, 1985, general bids for the construction of the new police station were received and the contract was awarded in the amount of \$687,989, to Robert Cook & Sons, Inc. of Braintree, MA. Ground-breaking ceremonies were held in May, 1985, and were attended by many state and local dignitaries. In an attempt to maintain fiscal balance, the committee decided not to hire a Clerk of Works, but, rather, to monitor the construction itself, relying upon the expertise of its various members. The committee met often throughout the construction phase, working with Mr. Peter Brown, Architect, of Brown & Lindquist, Yarmouthport, MA, to address the many and varied aspects of design and construction. A new 100' radio tower was erected on site, a greatly appreciated donation from the Boston Edison Company. On January 22, 1986, the Kingston Police Department became fully operational in its new facility on Main Street. A formal dedication is anticipated in mid-February.

The committee will submit an Article for the 1986 Annual Town Meeting to obtain funds for landscaping, exterior lighting, furnishings and equipment to complete the facility. The original appropriation was insufficient because of escalating construction costs.

REPORT OF THE REED BUILDING RENOVATION COMMITTEE

In accordance with the vote of the 1985 Annual Town Meeting, the Committee was organized at a meeting called by the Selectmen on January 7, 1986.

The Committee is in the process of selecting an Architect in accordance with State Law. The Architect will prepare preliminary cost estimates for restoring the Building, which will be presented in an Article at the 1986 Town Meeting.

REPORT OF THE SEWERAGE ADVISORY COMMITTEE

The Sewerage Advisory Committee was formed this year by the Selectmen to monitor the design phase of the sewer system being done for the town by the engineering firm of Whitman and Howard. As of this writing, the design is scheduled for completion in March. This will allow the state time for review of the plans and will enable Kingston to apply for the funds which have been earmarked for the construction of the system.

There have been a few changes in the design from those proposed in the preliminary plan which was published at the end of Step 1 of the project. Among the most significant is the use of grinder pumps to be placed in tanks located on public property in the collection system. How and where the sewage from the center of town will be treated is presently being reviewed by the state.

When completed, the system will service the Rocky Nook area, portions of Main Street and its side roads, Smith's Lane and the center of town, with the possible inclusion of Maple Street, Landing Road, and a small portion of Brook Street.

REPORT OF THE SHELLFISH ADVISORY COMMITTEE

In our first year as an advisory group, we have tried to establish guidelines for the shellfishing of Kingston shores with the cooperation of the Selectmen and the Shellfish Constable.

The past year we have spent reviewing the status of the commercial musseling in the town. A mussel transplant program was initiated and seeding of the flats and shore was discussed and reviewed. Recommendations were made to limit the number of commercial mussel licenses to prevent overfishing and allow all shellfish to replenish.

We are making continued efforts to guarantee this valuable resource.

REPORT OF THE SHELLFISH CONSTABLE

Yellow warning signs were placed in all areas closed due to pollution. We have started our program for the moving of mussels from polluted areas to clean areas to purge. So far, it has been a success. We seeded 100 bushels of quahogs on Gray's Flats. Also, 50 bushels at Delano's Wharf.

REPORT OF THE DIRECTOR OF VETERANS SERVICES

I hereby submit the annual report of the "Office of Veterans Services" for the year ending December 31, 1985.

Active Cases	16
New Cases	21
Re-opened Cases	11
Month with the Most Cases	November
Widow's Pensions Processed	5
Non-Service Connected Disability Pensions	8
Service-Connected Disability Claims	5
Veterans Hospitalized	6
Veterans Administration Forms Processed	42
State Veterans Services Cases Processed	135
Miles Traveled — Housebound Veterans, Widows, and Children of Veterans	1198
Burial Arrangements of Veterans	4

This office has become increasingly busy as the veteran population becomes more elderly and requires a greater amount of medical care, hospitalization, and admission to nursing homes. This necessitates a great deal of time in processing forms, home visits, and coordination with the Veterans Administration, Social Security, Medicare, and Medicaid offices, and also involves more funds being expended. However, the Commonwealth of Massachusetts now reimburses the Town 75% of the expenses of this office instead of the previous 50%.

We have recently acquired a long-needed copying machine which has proved to be extremely useful and time-saving. We no longer have to depend on other Town agencies for this important function.

The office hours at 6 Maple Ave., Kingston, MA, are from 9 A.M. to Noon, Monday and Friday. The phone number for the Veterans Office is 585-4341. We are here to serve all veterans, their widows, and dependents.

REPORT OF THE WAGE AND PERSONNEL BOARD

The Wage and Personnel Board has endeavored to respond to numerous requests from department heads and governing bodies with regard to salaries and interpretation of the Wage and Personnel By-Law. Requests have been reviewed in preparation for recommended changes at the annual town meeting. The Board has attempted to fulfill its duties in an equitable and responsible manner, and questions regarding financial remuneration are being carefully evaluated due to the financial constraints of the Town. The Wage and Personnel Board is concerned that a balance be achieved between appropriate wages for town employees and equity for town taxpayers.

Special consideration has been given in an attempt to equalize the salary and benefits discrepancies between union and non-union employees. Although this may be a temporary hardship for the Town taxpayers, we feel that it will be beneficial to the Town in the future.

WAGE AND PERSONNEL BOARD

PERSONNEL BY-LAWS

Section 1. Authorization

Pursuant to the authority contained in Sections 108A and 108C of Chapter 41 of the General Laws, there shall be established plans, which may be amended from time to time by vote of the Town at a Town Meeting: (a) classifying positions in the service of the Town, other than those filled by popular election those under the direction and control of the School Committee, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan; (c) providing for the administration of said classification and compensation plans, and (d) establishing certain working conditions and fringe benefits for employees occupying positions in the classification plan.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

"Town," the Town of Kingston;

"Civil Service Law," Chapter 31 of the General Laws of the Commonwealth, as amended, and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

"Classification Plan," class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

"Class," a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

"Position Class," same as class (a class may include only one position, in which event it is defined as a "single position class");

"Group," an occupational group of classes appearing in Schedule A of Section 8;

"Department Head," the officer, board or other body having immediate supervision and control of a department;

"Employee," an employee of the Town occupying a position in the classification plan;

"Department," a department, board, committee, commission or other agency of the Town subject to this by-law;

"Fiscal Year," 7-1 to 6-30 within the year of this by-law;

"Administrative Authority," the elected official or board, or the appointed official having jurisdiction over a function or activity;

"Full-time employment," employment for not less than seven hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave sick leave, bereavement leave and other leave of absence;

"Part-time employment," employment for less than full-time employment, as defined above;

"Continuous employment," employment, uninterrupted except for required military service and for authorized leave, sick leave, bereavement leave, or other leave of absence;

"Full-time employee," an employee retained in full-time employment;

"Part-time employee," an employee retained in part-time employment;

"Position," an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

"Permanent position," any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

"Permanent employee," (1) an employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

"Temporary position," or "seasonal position," any position in the Town service which requires or which is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work of its occupation group shall be considered as part-time;

"Temporary employee," (1) any employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

"Intermittent service," personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service;

"Casual service," personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through C in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

"Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar differences between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in the range of compensation grade;

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

Section 3. Personnel Board

(a) There shall be a Personnel Board to be known as the Wage and Personnel Board, composed of three (3) unpaid members, who shall not be employees or elected officials of the Town, responsible for the administration and maintenance of classification and compensation plans. One member of the Board shall be appointed by the Moderator, one member by the Finance Committee and one member by the Board of Selectmen. The three members of the Board shall be appointed for terms of one year, two and three years, respectively, and upon the normal expiration of these terms their successors shall be appointed by the same appointing authorities for terms of three years.

Original appointments to the Wage and Personnel Board under this by-law shall be made not later than thirty days following the effective date of the by-law, and subsequent appointments shall be made within thirty days following the expiration of the term of the Board member who is to be replaced.

The Board shall draw up and recommend to the Town a proposal for classification and compensation plans for consideration as a Town by-law, and shall from time to time recommend to the Town any action deemed necessary to maintain a fair and equitable pay level.

The Board shall make an annual report in writing to the Finance Committee and the Board of Selectmen 60 days prior to the annual Town meeting.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary and clerk. A majority of the board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the

essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for a position, and, or such other variance in the compensation plan as it may deem necessary for the proper functioning of the services of the Town. No variance shall become effective unless, or until, the necessary funds have been appropriated therefor.

Section 4. Classification Plan

(a) All positions in the service of the Town except those excluded in Section 1 are hereby classified by the title appearing in Schedule A of Section 8 which is made a part thereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title in each class, as established by the Classification Plan, shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification and compensation plans.

(e) In filling any vacant position which comes under the By-Law, such positions must be advertised for at least two weeks in the newspapers which the Town customarily uses for legal notices. If the open position can be filled by promotion from within the department, then the vacancy need not be advertised. The last vacancy, however, which results from such promotion or promotions must be advertised as indicated above.

Section 5. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through C in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly semi-monthly, annual or other basis, as at present, except as provided in the Compensation Plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any employee in a position so classified except in accordance with the Compensation Plan.

(d) No person shall be appointed, employed or paid as an employee in any position to the provision of the Classification Plan under any title other than those appearing in Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

1. On January first or July first provided he/she has completed twenty-six weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.

2. Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of compensation grade to which his position class is assigned.

3. Employees in continuous part-time employment eligible for increments under the provision of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedule B of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B of Section 8 shall receive increments as provided in the preceding sub-section on the basis of twenty-six weeks employment constituting one year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4 (b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, the adjustment shall be to the second rate above the existing rate, but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January of July first following completion of twenty-six weeks at the rate resulting from the promotion.

(i) If an employee's rate at the time of adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B of Section 8 this rate shall not be reduced, but shall become a personal rate applicable only to said employee as defined in Section 2.

(j) Each department head of a department to which is assigned an employee occupying a position in the Classification Plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing fiscal year and shall furnish a copy thereof to the Board.

(k) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The Classification Plan and/or the Compensation Plan and/or other provision of this by-law may be amended by vote of a Town Meeting. Requests for such amendments shall be made to the Board in writing. All written requests of amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this by-law must be submitted to the Board no later than three months and fifteen days prior to a Town Meeting. Whenever such a petition is received the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days written notice. Prior to a Town Meeting the Board shall file with the Selectmen for insertion in the warrant for the next Town Meeting an article sufficiently stated to permit the Town to act upon the subject matter or any such petition, provided that the subject matter or petition be recommended by an affirmative vote of 2 of the 3 members of the Board. Any subject matter or petition which was submitted to the Board within the prescribed time limits as stated above which the Board did not act favorably upon may be presented at a Town Meeting. At the same time, the Board shall file with the Finance Committee a final report, with recommendations, pertaining to any such petition, provided that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of 2 of its 3 members.

b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is

supported by an affirmative vote of 2 of its members: the Board shall proceed according to the preceding subsection to insert an article in the warrant and to report its recommendations to the Finance Committee.

Section 7. Continuing Review

The Board from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions to the provision of this by-law. Such reviews shall be made by such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

Warden Election	annually	3,340.00
	hourly	4.75

Section 9. Work Week

The work week for full time or seasonal employment in each occupational group shall be as follows:

Group	Work Week
Clerical	35 hours
Library	22 hours to 35 hours
Custodial	(as required)
Labor	40 hours
Police	40 hours
Fire	40 hours
Administrative	42 hours
Supervisory	As required (a)
Others	As required (a)

(a) "As Required" shall mean the total number of hours in the week needed to perform the duties of the position, as determined by the appropriate administrative authority.

Section 10. Overtime Compensation

(a) Clerical Group:

An employee shall be compensated at one and one-half times his regular hourly rate for hours in excess of thirty-five (35) hours per week.

(b) Library Group:

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of thirty-five (35) hours weekly.

(c) Custodial and Labor

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of forty (40) hours weekly. A minimum of two hours of overtime pay shall be guaranteed on call back.

(d) Police Department:

As specified by contract between the Town and the Police Association.

(e) Fire Department:

As specified by contract between the Town and the Fire Association.

1. A uniformed employee in Compensation Grade F-1 in full-time employment who is required to work beyond his normal tour of duty, responds to a box alarm when off duty, or is called back for standby duty, forest fire fighting, snow shoveling or forest fire patrols shall be compensated at one and one-half (1½) times his regular rate of pay. A minimum of two hours of overtime pay shall be guaranteed on call back.

2. The hourly rate of overtime pay for personnel covered in Section 10 (e) (1) shall be one forty-second (1/42) of the employee's regular week's pay times one and one-half (1½).

(f) Administrative Group:

1. An employee normally is not entitled to overtime, but shall be granted compensatory time at the convenience of his department head for hours worked in excess of forty weekly, or whatever constitutes his normal work week.

2. The Deputy Fire Chief is not entitled to any overtime work involving recalls and inspections. The annual salary under F-2, Step IV of the Fire Schedule is considered compensation for this work.

3. The Deputy Fire Chief shall receive the sum of \$450 to be made available on the first pay day of the new fiscal year and every fiscal year thereafter, providing that he has been recertified as an Emergency Medical Technician by the National Registry of Emergency Medical Technicians.

(g) Supervisory Group:

A supervisor is not entitled to overtime, as he has the authority to approve overtime compensation for his subordinates. He is entitled to take compensatory time which he shall report to the proper administrative authority if requested. He shall also make adequate provisions for the supervision of his department in his absence.

(h) Water Department:

Any employee of the Water Department who becomes certified under the Department of Public Health to operate the water system shall be eligible for an additional compensation of \$250 per year.

Section 11. Clothing Allowances

(a) Police Department:

As agreed by contract.

(b) Fire Department:

As agreed by contract.

(c) Highway, Tree and Water Department:

A full-time member shall receive a clothing allowance to be paid by the town for rental of work clothes for members of the department as designated by department head and approved by Wage and Personnel Board.

(d) Rental:

Work clothes allowances to be made for other full-time employees on individual recommendations of department heads to the Wage and Personnel Board.

Section 12. Paid Holidays

Legal holidays within this By-Law will be holidays specified by State Legislature, on which days employees shall be excused from all duty not required to maintain essential town services. The following days shall be considered as paid holidays for all employees:

New Year's Day
Martin Luther King Day
Washington's Birthday
Patriots Day
Memorial Day
Independence Day

Labor Day
Columbus Day
Veterans Day
Thanksgiving Day
One-Half Day Before Christmas
Christmas Day

(a) Changes to State Law for long weekends (Mondays) as required).

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

1. If paid on an hourly basis, he shall receive one and one-half times his regular rate based on the number of hours actually worked on the day on which the designated holiday occurs.

2. If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.

(c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holidays, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.

(d) An employee in continuous employment occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in subsection (a) shall be paid at his regular rate for such a day or fraction thereof in addition to the amount to which he is entitled under subsection (b).

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the department in lieu of payment provided under subsection (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) Whenever one of the holidays set forth in subsection (a) falls on a Sunday, the following day shall be the legal holiday, and if on a Saturday the preceding day shall be the legal holiday.

Section 13. Vacation Leave

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

(a) A full-time employee in continuous service shall be granted two weeks vacation with pay at the completion of one year of service.

(b) A full-time employee who terminates employment after less than one (1) year of service shall be granted one (1) day of vacation with pay for each full month of continuous service completed, but not to exceed one (1) week of vacation. Termination to be defined as "for whatsoever reason."

(c) A full-time employee who has completed five (5) continuous years of service shall, in the year during which this length of service has been completed, be granted three (3) weeks — fifteen (15) days of vacation with pay.

(d) A full-time employee who has completed ten (10) continuous years of service shall, in the year during which this length of service has been completed, be granted four (4) weeks — twenty (20) days of vacation with pay.

(e) A full-time employee who has completed twenty (20) continuous years of service shall, in the year during which this length of service has been completed, be granted five (5) weeks — twenty-five (25) days of vacation with pay.

(f) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee dies up to the time of his separation from the payroll.

(g) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as earned, and not granted, in the vacation year prior to such dismissal, retirement or entrance into the armed forces. In addition, payments shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement, or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

(h) Absences on account of sickness in excess of that authorized under the rules thereof or for personal reasons as provided for under the other leave may, at the discretion of the department head, be charged to vacation leave.

(i) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.

(j) Vacation allowances provided under the terms of this section will be calculated on a 12-month period commencing on the employment date and these allowances must be taken in the 12-month period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by

the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

(k) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay without approval of department head and the Personnel Board.

Section 14. Sick Leave

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

(a) An employee in continuous employment shall be allowed one day for each month worked, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under subsection (a) without limit and may be accumulated as additional sick leave benefit.

(c) An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond this current period of employment.

(d) If the amount of leave credit provided under subsection (b) has been or is about to be exhausted, an employee may make application for advance sick leave to be deducted from future leave credits to the extent provided under subsection (a).

(e) Such application shall be made to the Board which is authorized to grant such advance sick leave as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the advance sick leave.

(f) Sick leave must be authorized by the department head and must be reported on forms as provided. These records will be maintained by the Town Accountant for the Wage and Personnel Board's and Towns Accountant's use.

(g) A physician's certificate of illness shall be submitted by the employee after five days' continuous absence to his department head before leave is granted under the provisions of this section. This certificate shall be forwarded by the department head to the Town Accountant for the Wage and Personnel Board's and the Town Accountant's use.

(g) The Board or Department Head may, of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by physician appointed by the Town.

(h) Injury, illness or disability self-imposed, or resulting from the abuse of alcohol or the use of drugs that are classified under the Federal Narcotics Act or Drug-Abuse Control Act, shall not be considered a proper claim for leave under this section.

(i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.

(j) In the event of payments made to an employee under the preceding subsection the Board or Department Head may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(k) Unused sick leave shall be credited and shall accumulate from year to year without a limit. An employee who leaves the employment of the Town for other than disciplinary action, shall be compensated at fifty per cent (50%) of his/her rate of pay for all unused accumulated sick leave over thirty (30) days at termination, providing an employee has a minimum of five (5) years of service. Such compensation to be based on base salary only. In the event of an employee's death, such compensation shall be awarded to his/her estate.

(l) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

Section 15. Bereavement Leave

Emergency leave up to five days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister, mother-in-law and father-in-law).

Section 16. Other Leave

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

(a) Absences for personal reasons may be charged to vacation leave upon application by the employee and approval by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

(b) Members of the military reserves on brief tours of military duty such as the annual two-week tour of duty shall be compensated by the Town for the difference between the employee's regular pay and that received on military duty. Such tours of duty shall not be counted against vacation allowance.

(c) Three (3) personal days are allowed each year to full-time employees on request to, and approval of, supervisor and department head. Personal days are defined as days needed to attend weddings, funerals of relatives, family needs, etc., not otherwise provide for by the by-laws.

Section 17. Longevity Compensation

The Town agrees to reward faithful service by full-time employees by providing additional compensation each year on the basis of length of service as follows:

A - At completion of ten (10) years of service	\$ 200.00
B - At completion of fifteen (15) years of service	300.00
C - At completion of twenty (20) years of service	500.00
D - At completion of twenty-five (25) years of service	1,000.00
E - At completion of thirty (30) years of service	1,500.00
F - At completion of thirty-five (35) years of service	2,000.00

Section 18. Physical Examination

Before appointment to a position in the classification plan requiring continuous service, or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Department Head. The examining physician shall be appointed by the Town and the examination shall be at the expense of the Town. The examining physician shall advise the Department Head as to whether, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made, and the application shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be forwarded as soon as possible by the Department Head to the Town Accountant for the Wage and Personnel Board's and the Town Accountant's use.

Section 19. Operation of By-Law - Grievance Procedure

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

(a) This by-law shall be operative only as to employees whose positions are classified hereunder and for which positions minimum and maximum salaries, or single-rated miscellaneous salaries as established under Section 8.

PERSONNEL BOARD TO ADMINISTER — The Personnel Board of the Town shall constitute the Personnel Relations Review Board of the Town, and in that connection shall have the powers and duties, and perform the functions, assigned to such Personnel Relations Review Boards by Section 21B of Chapter 40 of the General Laws; and said Board shall, in the performance of its duties as Personnel Relations Review Board, be subject to the limitations imposed by said Section 21B and by the by-laws of the Town.

GRIEVANCE PROCEDURE -- There shall be a grievance procedure available to those employees of the town whose rights under the Wage and Personnel classification plan have, in their opinion, been prejudiced and covering all other grievances except those that would properly be under the jurisdiction of the Civil Service Commission or other duly established appeal board. As used in this section, the word "grievance" shall be construed to mean dispute between an employee and his supervisors arising out of an exercise of administrative discretion by such supervisor or supervisors.

STEP I. The employee shall take up his grievance orally with his immediate supervisor who shall reach a decision and communicate it orally to the employee within two (2) working days. The employee may request a written statement of contemplated actions and related reasons.

STEP II. If the grievance is not settled at Step I, the employee shall within five (5) working days present his grievance in writing to his supervisor who shall forward it to the department head who shall hold a hearing within five (5) working days, or if the department head is a board, at its next regularly scheduled meeting the grievance will be presented and a hearing will be held within ten days of that meeting.

STEP III. If the grievance is not settled at STEP II, all records and facts in the case shall be referred to the Grievance Board for adjudication. Those present at Step II shall appear at this hearing. Within twenty (20) working days of the hearing, which shall be the next regular meeting of the Board except in cases of emergency, the employee shall be notified in writing through the department head as to the decision of the Board which shall be final.

Section 20. Civil Service Law

Nothing in this By-Law shall be construed to conflict with Chapter 31 of the General Laws.

Section 21. Effect of Partial Invalidity

The invalidity of any section of this By-Law shall not invalidate any other section or provision thereof.

Section 22. Publication of Personnel By-Law

The Personnel Board hereby is authorized and directed to compile and publish Personnel By-Law to be known as the Town of Kingston Wage and Personnel By-Law. Corrections to be made as necessary with amendments subject to authorization as stated in Section 1 herein. Authorized changes will be published and added to this Wage and Personnel By-Law as endorsements to the section, page or paragraph. Last dated endorsement becomes the effective correction or amendment of these By-Laws.

Section 23. Contract Agreements

Section 24. Other Benefits

For the purpose of establishing a more equitable compensatory package, employees of the town working no less than twenty hours a week, fifty-two weeks per annum would be eligible for all benefits equivalent to full-time employment calculated on a pro-rated basis (i.e., if a full-time employee receives two weeks (eighty hours) of vacation, then a part-time employee (twenty hours a week) would receive two weeks of vacation totalling forty hours)

WAGE AND PERSONNEL BOARD

REPORT OF THE WATERFRONT COMMITTEE

The Waterfront Committee held a number of meetings for the purpose of approving expenditures and contractual services as well as developing plans for future projects. The committee meetings are held at the building at the town landing.

The Committee as a group has a varied and extensive background in the marine field with a combined experience factor hard to duplicate. In addition to money allocations the committee oversees all land based operations and acts in an advisory capacity for water related projects both recreational and environmental.

Expenditures provided for paint, supplies and labor for maintenance of floats, mooring racks, aids to navigation and the Waterfront Committee building which houses the Harbormaster's office, lighting of the area for convenience and security as well as facilities to keep the area clean.

The Waterfront Committee is open to any suggestions or ideas to improve the town's waterfront facilities. Please feel free to contact any member of the committee with your problems or suggestions.

We especially want to thank the town's Highway Department for the cooperation that they have given this committee.

REPORT OF THE YOUTH COMMISSION

The Youth Commission has undergone many changes this year. Most notably there is a new director and secretary, and many new members. Along with change in staff is a shift in focus providing services and activities for Kingston's adolescents. The first trip for teens was a Summer teen night at the Red Sox. Other opportunities for this group were a Rock Concert and a trip to NY City. We continue to explore new avenues to reach this group. Much of the money for activities was provided by a grant from L. Knife & Sons.

The Youth Commission has continued to provide after school activities including — judo, Arts and Crafts, gymnastics, computers, swimming and tennis. We also sponsored our annual Halloween Party which was a success. More than 7 trips were sponsored during this fiscal year and were all well attended. Counseling is available through the Youth Commission and evening appointments are available for the convenience of families or individuals needing help.

The Youth Commission will look to expanding services to meet the needs of all youth including teenagers in the coming year. Any suggestions from the Community are welcome.

REPORT OF THE ZONING BOARD OF APPEALS

The Zoning Board of Appeals respectfully submits the following report for the year ending December 31, 1985:

	Variances	Special Permits	Renewals	Reviews
Granted	10	11	2	2
Denied	13	7	0	0
Withdrawn	4	2	0	2

The Board had another busy year dealing with the various patterns of growth and changes within our community.

Lee Alfieri and Dennis O'Brien continued as members of the Board; and Alan Ballinger continued as an alternate member. Charles Riordan was appointed a member of the Board and Sheila Killourhy was appointed an alternate member in 1985.

The Board wishes to thank Town Clerk George W. Cushman and his staff and the Assessor's Office for their assistance and cooperation throughout the past year.

REPORT OF THE TOWN COLLECTOR

The Tax Department through the 1985 Fiscal Year ending June 30, 1985 continued to lower the backlog on old taxes and expects to have no outstanding Real Estate taxes which exceed the current year and previous year as they will either have been collected or placed under Tax Title and turned over to the Treasurer by June 30, 1986.

This also would include cleaning up of old MV Excise, Personal Property and Boats. The Water Accounts have already been kept relatively under control with only a few going beyond one year, and these accounts are being turned over to the Water Department for action, as the Tax Department has no way of penalizing if not paid.

By your continued use of the Lock Box System set up with Rockland Trust Company in Kingston and any of its branch banks, your tax money will be on deposit drawing interest rather than accumulating at the Tax Office before it can be recorded and turned over to the Treasurer.

Your balances on the figures can be located under the Audited Financial Statements which appear elsewhere in the Town Report.

REPORT OF THE TOWN TREASURER

Greetings from the office of the Town Treasurer. It has been a year of building and growth for the Town and in all likelihood we will experience much more. The Treasurer's office has been very busy putting the mechanisms in place for financing the new police station and the waste water treatment facility. Owing to the Town's excellent credit rating with the financial institutions here in Town and Boston we have been able to secure financing at very reasonable rates and have realized considerable savings to the Town and will continue to do so.

The Town's treasury balances have been invested for maximum interest income and will continue to earn maximum income.

Considerable work has been done on the tax title accounts and a considerable amount has been collected in interest this past year. These accounts, or a majority of them, have been cleaned up and are back on the books generating tax revenues for the Town which is the lifeblood of the Town.

After two and a half years in office the Treasurer's office is functioning in an orderly and efficient manner. I wish to thank everyone I have been in contact with for their cooperative and courteous help and the friendly manner of our dealings with each other.

The Treasurer's cash balances of the Town's regular and Federal revenue and trust funds are included in another section of the town report.

I wish you all good health and happiness for this coming year.

see note "I"

Since our report to you, we have received two additional funds. The Doris B. Cushman, R.N. Memorial Fund was established in her memory by her many friends following her death on October 25, 1984. It was the intent of the donors to make the interest of the fund available to a person who has the desire to enter the nursing profession.

The Naomi Catherine Bartlett Fund was established in her memory by family and friends. This fund will be considered with other funds for continuing education.

Since our last report, we suffered the loss of one of our members, Philip Sheridan Cronin, who was very much interested in our Educational Trust Fund and helped us to establish it a few years ago. On February 12, 1985, the Board of Selectmen appointed Michael S. Mehrmann to replace Mr. Cronin.

The Trustees welcome additional funds and gifts. Because of the high cost of education today, financial assistance is needed. You may help to do this by your gift and remembrances in your will.

May we extend again our thanks to our loyal friends for their support and interest.

AUDITOR'S REPORT

We have examined the financial statements of the various funds and account groups of the Town of Kingston for the year ended June 30, 1985 listed in the following table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Pension costs are provided on a pay as you go basis, as discussed in Note 6 rather than on an actuarial basis as required by generally accepted accounting principles. The cost relative to the actuarial method has not been determined at this time.

A record of fixed assets is not maintained by the Town, accordingly a statement of fixed assets, as required by generally accepted accounting principles, is not included in the financial statements.

In our opinion, subject to the foregoing exceptions, the aforementioned financial statements present fairly the financial position of the various funds and account groups of the Town of Kingston at June 30, 1985 and the results of operations of such funds and the changes in financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental schedules and related information presented on pages 19 to 28 are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. This information has been subjected to the tests and other auditing procedures as set forth above, and in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS

JUNE 30, 1985

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies for financial reporting purposes of the Town of Kingston conform to generally accepted accounting principles for local governmental units except as indicated in Note 2. The following is a summary of the significant accounting policies.

A. FUND ACCOUNTING

The town reports its financial activities in several funds and one account group in order to comply with the limitations and restrictions placed on both the resources made available to the town and the services provided. The various funds are groups in the financial statements in this report into three fund categories as follows:

i. GOVERNMENTAL FUNDS

GENERAL FUND: The General Fund is the general operating fund of the town. It is used to account for all financial resources except those required to be accounted for in another fund.

REVENUE SHARING: This special revenue fund is used to account for the proceeds of the State and Local Fiscal Assistance Act and their expenditures as prescribed by the Office of Revenue Sharing.

ii. FIDUCIARY FUNDS

TRUST FUNDS: Trust funds are used to account for assets held by the Town in a trustee capacity. These include expendable trust, and nonexpendable trust funds. Nonexpendable trust funds are accounted for in a manner that permits the periodic measurement of revenue earned, expenses incurred and/or net income in order to demonstrate maintenance of capital. Expendable trust funds are accounted for in essentially the same manner as governmental funds.

iii. LONG TERM DEBT

LONG TERM DEBT: Long term liabilities expected to be financed from governmental funds are accumulated in the general long term debt group of accounts. This account group is not a fund. It

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1985

is only concerned with the measurement of financial position and therefore is not involved with a measurement of the results from any operations.

B. BASIS OF ACCOUNTING

The accompanying financial statements have been prepared principally on the modified accrual basis of accounting. This method recognizes revenues when they become measurable and available. Expenses are recognized under this method as they are incurred.

REVENUE RECOGNITION: Property tax revenues are recognized when they become available. Available means then due or past due and receivable within the current period or expected to be collected soon enough thereafter to be used to pay liabilities of the current period.

All other revenues are recognized throughout the year when cash is received. Receipts of real estate and personal property taxes during the sixty days immediately following the close of the fiscal year are recognized as available revenue.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the town, therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria is met.

DEFERRED REVENUE: Property taxes and other revenues that are measurable but not available have been classified as deferred revenue on June 30, 1985 as follows:

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1985

Outstanding Real Estate and Property Taxes June 30, 1985		\$424,802
Less: Collections 7/1/85 to 9/1/85	\$153,713	
Provision for Abatements	<u>142,191</u>	
		<u>295,904</u>
Net Property Taxes		128,898
Other receivables:		
Tax Titles		87,255
Motor Vehicle Excise		113,055
Boat Excise		3,308
Water		11,628
Other		<u>241,887</u>
Total Deferred Revenue		<u>\$586,031</u>

EXPENSES: Expenditures are recorded during the year on a cash disbursement basis. In addition, as required by Massachusetts General Laws, disbursements made during the fifteen days immediately following the close of each fiscal year and which pertain to the prior year are recorded as Warrants Payable and Expenses as of June 30th of that year. Purchase orders outstanding at June 30th related to annual operating expenses are recorded as encumbrances and accordingly as a reservation of fund balances at that date.

The significant departures from GAAP included in the financial statements are:

- Retirement benefits are provided for on a "pay as you go" basis rather than an acceptable actuarial cost method.
- General fixed asset acquisitions are recorded as expenditures at the time purchases are made rather than being capitalized in a general fixed assets group of accounts.
- Purchases for materials and supplies inventories are recorded as expenditures rather than assets at the time of purchase.

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1985

2. REVOLVING FUNDS

Certain accounts are maintained on a revolving basis wherein receipts are credited to the account and expenditures charged thereto. The unexpended balances, while generally restricted to purpose are available for subsequent years expenditures, not requiring the vote of town meeting.

3. RESERVE FOR PROPERTY TAX ABATEMENTS AND EXEMPTIONS

Provisions for property tax abatements and exemptions are established for each annual tax levy as prescribed by statute. The primary intent is to provide for these potential refunds or allowances during the year in which the tax would otherwise be due and collected. Excessive amounts no longer necessary are to be transferred to a reserve account to be used for extraordinary or unforeseen expenses as prescribed by the Massachusetts General Laws.

Statutory provision for abatements and exemptions not in excess of the outstanding property tax levies on June 30, 1985 are as follows:

Tax Levy of 1985	\$56,368
Tax Levy of 1984	61,644
Tax Levy of 1973-19	<u>24,179</u>
	<u>\$142,191</u>

4. EXPENDITURES UNPROVIDED FOR:

State and County over/under assessments, net, result from an excess of actual expenditure over amounts raised in the tax levy for such purposes, or assessments in excess of expenditures subsequently required. These amounts will be raised by the 1986 tax levy. They are comprised of the following:

Old Colony Planning Council	\$1
Special Education	4,680
State Recreation Areas	<u>(9)</u>
	<u>\$4,672</u>

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1985

5. UNRESERVED/DESIGNATED

This represents budget amounts for fiscal year June 30, 1986 to be provided for from previously unreserved funds.

6. PENSION PLANS

Substantially, all employees of the town, except school teachers and certain other school department employees are members of the Plymouth County Contributory Retirement System. The pension plan provides retirement benefits for members who have obtained a certain age and for periods of service. Members contribute certain percentages of their salaries or wages to the plan. In addition, the Massachusetts Department of Banking and Insurance determines an amount, each year, that the town must contribute to the system in order to meet the year's projected benefit payments.

This so called "pay as you go" method does not provide for the funding of any unfunded liabilities that might exist as a result of an actuarial determination of the fiscal condition of the plan. The amount of the unfunded liability of the Plymouth County Contributory Retirement System is actuarially determined periodically and reported to the County by the Massachusetts Retirement Law Commission. However, the amount of such liability directly related to the members from the County of Plymouth has not heretofore been separately determined and remains unknown.

The school teachers and other nonmember school department employees participate in a plan administered by the Massachusetts Teachers' Retirement Board. The town does not directly contribute to this plan.

7. SUBSEQUENT YEAR AUTHORIZATIONS

The financial statements for the Town of Kingston as of June 30, 1985 do not reflect the fiscal 1985 Town Meeting held in May 1985. The town has authorized a fiscal 1986 operating and capital budget totaling \$6,673,247. These funds will be provided from 1986 levies, grants, borrowings, and other funds.

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1985

8. UNEMPLOYMENT COMPENSATION

The town is on the reimbursable method for paying unemployment compensation. Under the reimbursable method, the Massachusetts Employment Security Division sends a list monthly to the community of who has received benefits. The community then reimburses the Massachusetts Employment Security Division for these claims against the town.

9. VACATION AND SICK PAY

All full time permanent employees are entitled to vacation leave based on the length of continuous town service as follows:

One year through five years:	2 weeks
Six years through twelve years:	3 weeks
More than twelve years:	4 weeks

Upon termination without cause; retirement or death of a full time permanent employee who has been continuously employed for a period of at least one year, the Personnel Board shall determine whether, and in what amount, vacation pay shall be paid the employee on his estate. On June 30, 1985 vacation benefits have not been determined.

All permanent employees of the Town will earn one day sick leave per month. An employee may accumulate his sick days without limitation. No accrued sick leave will be paid at the time of separation from service. The accumulated sick leave benefits on June 30, 1985 have not been determined.

10. ANNUAL DEBT SERVICE

Principal and interest payments due in future years relating to debt outstanding on June 30, 1985 are listed below:

FISCAL YEAR OF MATURITY	AMOUNT	INTEREST
1986	\$286,600	\$36,532
1987	360,000	20,773
Total	<u>\$646,600</u>	<u>\$57,305</u>

TOWN OF KINGSTON

LEGAL DEBT

Statute allows the Town to issue bonds up to 1% of its equalized valuation of real and personal property and up to 10% by application to the Commonwealth. The following is a computation of the legal debt limit as of June 30, 1985:

Equalized valuation - real and personal property	<u>\$271,865,696</u>
Debt limit at 5%	<u>\$13,590,285</u>

At June 30, 1985, the following status exists with regard to existing indebtedness and authorized but unissued indebtedness:

	OUTSIDE DEBT LIMIT	INSIDE DEBT LIMIT	TOTAL
Outstanding indebtedness, see Statement	<u>\$621,600</u>	<u>\$25,000</u>	<u>\$646,600</u>
Authorized, unissued indebtedness:			
(a) May 1983 ATM, Art. 19	172,000		172,000
Art. 20	121,000		121,000

OVERLAPPING DEBT

The town is a member of the Silver Lake Regional School District. The district's outstanding long term debt at this time is \$5,200,000 for which the town is partially responsible.

11. CONTINGENT LIABILITIES

The contingent liability is made up of unexplained variances in the Treasurer's and Collector's records and the general account records and dispute as to state tax withholding liability for a previous period.

As of June 30, 1985, various claims and lawsuits were pending against the town. In the opinion of Town Counsel, the potential loss on all uninsured claims when resolved could be in excess of \$200,000. No accruals have been made as the cases are not resolved to that degree at this point in time.

TOWN OF KINGSTON

AUDIT PROCEDURES

JUNE 30, 1985

In accordance with the requirements of the Massachusetts Bureau of Accounts, summarized below are the significant procedures applied to taxes and water rates. The commitments were compared to and found to be in agreement with the Assessors' and Water Department records; abatements and adjustments were tested by reference to supporting documentation and Assessors' records; collections were compared to and found to be in agreement with both the Treasurer's and Accountant's records; the tax titles were compared with the records of the Treasurer, Accountant, and the Registry of Deeds; and requests for confirmation of uncollected taxes and water rates as of June 30, 1985 were mailed directly to certain taxpayers on a test basis. Also, the reconciliations of the uncollected taxes and water rates as of June 30, 1985 per the Collector's commitment books to the Accountant's general ledger were tested and no significant differences were noted.

KINGSTON SCHOOL COMMITTEE
Town of Kingston, Massachusetts**

**Including a Report of the
SILVER LAKE REGIONAL SCHOOL DISTRICT
For the Year Ending June 30, 1985**

School Committee

Mrs. Barbara Devlin
Mr. Charles J. Conway
Mr. James S. Matatall, Secretary
Mrs. Joan M. Ward
Mrs. Susan J. Winokur

Term expires 1986
Term expires 1987
Term expires 1987
Term expires 1985
Term expires 1986

The School Committee meets at 7:30 P.M. on the second Monday of each month in the Conference Room of the Kingston Elementary School.

Administration Office

Mr. Paul A. Squarcia
Mr. John J. Aherne
Dr. Karen A. Mazza
Mr. John W. Burke
Mr. Alton E. Zaniboni

Superintendent of Schools
Assistant Superintendent for Secondary Education
Assistant Superintendent, K-8
Administrator of Special Education
Business Manager

School Calendar

Fall Term
Winter Term
Second Winter Term
Spring Term

September 4 thru November 8, 1985
November 12 thru January 31, 1986
February 3 thru April 11, 1986
April 14 thru June 25, 1986

In addition to all legal holidays, schools will be closed on Friday following Thanksgiving.

"NO SCHOOL" announcements will be given by radio stations WATD, WBET, WEEL, WHDH, and WPLM between 6:35 A.M. and 8:00 A.M. In addition, the fire alarm signals will indicate no-school as follows:

6:30 A.M., no-school all schools, including junior and senior high schools
7:00 A.M., no-school elementary only

The signal will be 4 short double blasts, repeated 3 times.

**KINGSTON ELEMENTARY SCHOOL
SCHOOL REPORT FOR 1985**

The Committee had a challenging and productive year. Member Joan Ward was re-elected to serve her second term; we welcome her continued knowledge and enthusiasm to the Committee.

The year opened with the school being used to full capacity. Two programs are now being housed with us: The Pilgrim Area Collaborative Preschool and the Union 31 Behavior Modification Class.

With the apparent growth of our Special Needs Program a half-time teaching position was established to provide better service for the children involved.

To implement a recently passed House Bill into our school system a negotiator was hired. This position will assist and advise the Committee on Chapter 188, which affects our teacher contracts that are under negotiations this year. Also under the new House Bill a School Improvement Council was set up and approved to be chaired by Principal Chris Gregory to decide how state funds would be spent on school improvement.

A great deal of time and effort that proved to be beneficial to the Committee and Administration was spent on our Policy Manual. It was decided not to change our policy on early release days from 21 to 29 days. Classroom time for our students outweighs the time that would have been spent for inservice workshops for the staff. Still under advisement is a change in the age requirements for our Kindergarten and first grade admission policy.

The Committee has been looking into improving the efficiency and economy of the present heating system.

The Committee would like to extend a special Thank You to Principal Chris Gregory, the teaching and non-teaching staffs and the volunteers for working together to give our students an enriching year for learning and growing in all directions.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Kingston.

My tenth annual report to the citizens of our district reflects a continuing effort to improve the educational services to the students of our district.

The emphasis establishing higher expectations of students and staff is now becoming evident in our academic offerings. Increased academic requirements for graduates and more demanding requirements of our undergraduates have

had a positive effect upon our entire school system. It is our desire and intention to solidify and expand, when appropriate, these academic challenges to students within our system.

The improvements that have occurred would not have been possible without the conscientious efforts of the staff and the willingness and cooperation of our student body. The staff because of the diversity of our student body and their desire to improve their skills have continued their education in a variety of environments. Formal course work, inservice training programs and federal grant opportunities have broadened the perspective of the staff.

Several administrative changes occurred during the 1984-85 school year. Mr. Arthur Hand, Principal of Silver Lake Regional Junior High School, retired after serving the youth of our communities for thirty-six years. Mr. William Pepper, former Housemaster at the Silver Lake Regional High School, Pembroke Campus, was named Principal of the Junior High School, effective July 1, 1985. The Dennett Elementary School's principalship also experienced a change when Principal Edwin W. Peterson retired after serving the students of Plympton for 18 years. Unfortunately Mr. Peterson's recent death leaves a void in our profession. Those of us who worked with him and came to know him on a personal level recognized his love of children specifically and education in general.

Chapter 188, School Improvement Act was enacted and will have far reaching implications on the educational community throughout the Commonwealth. One phase of the law mandates that each elementary school in our district form a school improvement council consisting of seven members and this has been completed. It has been the department's posture to work closely with parent advisory councils, parent/teacher organizations and home school associations and this will enable all facets of the organization to expand upon its positive community support. Equal Education Opportunity Grant monies are available and these monies will help to improve programs at little or no cost to our local citizenry.

A significant majority of professional and non-teaching staff members continue to display pride, commitment and integrity by their performance in making each school a pleasant, polite and productive environment to learn.

The report that follows highlights information received from the appropriate administrators. May I publicly thank each of them for their efforts and commitment to the students of their respective schools.

KINGSTON ELEMENTARY SCHOOL,
Christopher J. Gregory, Principal — Highlights

A. PERSONNEL/ENROLLMENT

On October 1, 1985, the Kingston Elementary School had 29.5 classroom teachers and 724 children in Grades K-6. This results in an overall pupil/teacher ratio of approximately 23 to 1, and the breakdown of classes is as follows:

Grade	Students	Teachers	Approx. Ratio
K	101	2.5 (5 - 1/2 sessions)	20/1
1	97	4	24/1
2	103	5	21/1
3	121	5	24/1
4	89	4	22/1
5	104	4	26/1
6	109	5	22/1

B. CURRICULUM

1. With support from the Kingston Home and School Association and the Kingston Council on the Arts, we are able to provide many enrichment programs for the children, ranging from a live presentation on the life and music of Mozart to an upcoming vaudeville-type program entitled "Aesop's Follies". In addition, we have participated in the Heritage Plantation's Outreach Program, involving as many as fifty-five classroom visits and exhibits by Heritage Plantation personnel on such topics as "Toys of American Childhood", "Native American Art", and "The First Americans". The cost of these programs is absorbed fully by the Home and School Association.

2. The second annual Science Fair for all students in Grades 4-6 was extremely successful, with projects of outstanding quality. The winners, three at each grade level, were selected by a panel of secondary teachers who acted as judges. Many of the projects were of sufficient sophistication to have been appropriate for competition at a higher level.

3. Under the guidance of the new Assistant Superintendent, Dr. Mazza, the Kingston Elementary School, along with all other elementary schools in our Union 31 towns, embarked on a comprehensive professional development program. Teachers participated in a series of "minicourses" of several weeks duration to share information and learn more about computer software, the teaching of reading, providing for the special needs of children in the classroom, science education, and gifted/talented programs. In addition, the Kingston teachers established a set of Teacher Teams to investigate educational areas that are of specific interest and significance to the Kingston Elementary School. Teams were formed and have become active in developing guidelines in the areas of substance abuse, library skills, grant seeking, peer assistance, enrichment, and computer support.

4. The Union 31 and Silver Lake Regional School District computer committee, composed of teachers and administrators representing all schools and grades, completed its work on the development of a comprehensive scope and sequence for computer education in Grades K-8. It is our expectation that this scope and sequence will form the basic structure of a detailed, carefully planned computer curriculum to be implemented in all Union 31 schools next year.

5. In the spring of 1985, we conducted our annual standardized achievement testing of all children in Grades 1-6. As in the past, the results were very positive, with Kingston students performing well above the national norms. In the fall of 1985, we introduced a new testing cycle by testing children with a completely new version of the Metropolitan Achievement Tests. This was done to make it possible for classroom teachers to analyze the results of the tests and devise or modify programs and instructional techniques that take into account each child's level of performance and that can be used during the current school year. In this way, the test results become an integral part of our diagnostic prescriptive procedures rather than simply statistical documents.

C. GENERAL

As in the past, I am grateful to the School Committee, the teaching and non-teaching staffs, the school volunteers, the Kingston parents, and the children. All have made it possible for me to provide effective leadership in the pursuit of a sound education for our children in an environment that is stimulating, friendly, and supportive. I am extremely proud of the Kingston Elementary School and of all those who have contributed to its well-deserved reputation as an excellent school that places children first.

JUNIOR HIGH SCHOOL — William L. Pepper, Principal — Highlights

The student enrollment at the Junior High School dropped slightly this year; however the overcrowding of the building and the restrictions that this places on the staff and programs remains a major problem. We will be fortunate to have two new modular classrooms in place by January 1, 1986 but this can only begin to address a situation that has been in existence for some years. I would hope that this is only a first step in a much needed plan to resolve this issue.

Perhaps the most significant personnel change at the Junior High School was the retirement of Mr. Arthur Hand after many years of faithful service. Mr. Hand was an integral part of the organization and program of the Junior High. His influence on the countless thousands of students with whom he has come in contact will be his legacy.

Several new programs were added to the Junior High School curriculum in September of 1985. Included in the above are a new health course and a new English enrichment course for Grade Eight students, the addition of Spanish in both Grades Seven and Eight and the expansion of the French curriculum to Grade Seven. A computer course was also added for all Grade Seven students. We are very excited about these programs and the significant impact that they may have on the students at the Junior High.

Several changes were made in the building over the summer of 1985. One classroom was converted into a computer center and new equipment was

ordered consisting mainly of Apple II's and appropriate software to provide for the new computer course. Also over the summer, several workshops were held in which teachers and administrators spent considerable time developing, revising and updating curriculum. In addition to the program of studies offered at the Junior High School, there are many extracurricular activities available to students that include the ski club, science club, newspaper, student council, literary magazine, and yearbook. Without the dedication and commitment of many teachers, these programs would not be possible. We have received great support from our Parent Advisory Council this year. Their interest in the school has been most gratifying. I would encourage all parents of Junior High School students to become involved with this group in support of their school.

My sincere thanks to the students, faculty, administrators and parents of the Silver Lake Region. Your continued confidence, trust and encouragement are greatly appreciated.

HIGH SCHOOL, Charles F. Thibodeau, Principal — Highlights

The 1984-85 school year was a very busy, exciting, and successful one for our students and staff. This report will highlight some of the accomplishments and the changes which have occurred.

The sudden death of beloved Chemistry teacher Robert Coakley rocked the Silver Lake community in April of 1985. Bob was known as a dedicated teacher, devoted coach, and loving family man. His absence from Silver Lake has saddened all of us. Also in April, Donald Randall, the dean of our Mathematics Department, was taken ill in school and spent the remainder of the year convalescing. Don's subsequent retirement created a void in our Mathematics Department. We at Silver Lake wish him good health and all possible happiness in his retirement.

During the summer, the retirement of Arthur Hand as Junior High School Principal created an opening which was subsequently filled by William L. Pepper who has left his position as Housemaster at Silver Lake's Pembroke Campus. Mr. Pepper brings to his new position a wealth of experience both at the middle school and high school levels and we wish him success in his new undertaking. Frank A. Sambucetti, Coordinator of Social Studies in the Sandwich Public Schools, was appointed to fill the Housemaster position.

Summer activities saw an extensive recruiting effort led by our departmental coordinators as we sought people to fill positions vacated in a number of departments. I would be remiss if I did not recognize at this time the efforts of Jon Cucinatio, Leo Egan, Paula Sennett and Richard Shattuck who have given time and effort in their roles as academic coordinators. We also welcome Ralph Frazier as the Coordinator of Health, Physical Education, Student Activities and Athletics. Mr. Frazier is coordinating the Health and Physical Education

Departments while also serving as our Athletic Director. Silver Lake Regional High School recruited sixteen new members to its teaching staff who have filled openings due to retirements, resignations and leaves of absence. These people have brought with them a wealth of professional experience that is already having a positive impact on our students and expanding the breadth of our curriculum.

The success of our program has become quite evident in the performance of a number of our students in the National Merit Scholarship qualifying tests. This year we were fortunate to have two students named as National Merit Finalists, and they are Lara Miletta and David Primmer. These two individuals are eligible for corporate scholarships for their fine performance on this examination. Three other students were recognized with Letters of Commendation for placing in the top five percent of all students nationally who took this examination. These three students are Todd Gilmartin, Kevin Guilfooy and Patricia Hamilton.

Massachusetts Superintendent of Schools Awards were given to Jennifer Noris and David Primmer for their records of outstanding academic achievement. These two individuals are ranked second and first in the senior class respectively. This is certainly a credit to their academic potential and ability. At the Annual Senior Awards Night held in May, many members of the Class of 1985 were scholarship recipients. Silver Lake's diverse extracurricular program remains an integral component of a complete school experience for our students. There are numerous activities for students of all interests and student involvement has never been higher.

Our Music program has been superb and has produced exciting winter concerts during December and spring concerts in May. The Silver Lake Marching Band and Drill Team have grown in number and in skill under the capable direction of Mr. Stephen Dziekonski. Credit is also given to Mr. Dziekonski for the wonderful musical production, *Godspell* that was presented last spring. Many of our students are currently auditioning in District and State competitions for choral and instrumental music honors.

Last winter, we were fortunate enough to place all three athletic teams into State Tournament competition. The boys basketball team under the capable leadership of Richard Arieta won the Old Colony League Championship and provided us with exciting moments in the State Tournament. Our girls basketball team tied for the Old Colony League Championship, and later performed well in tournament play. Under new coach Richard Mills, the ice hockey team captured second place in the Old Colony League and qualified for State Tournament play. I am certain the success of these teams will continue and we look to our newly organized winter sport of wrestling to eventually achieve the same success that has been experienced by these other established teams. An active Silver Lake Parents Advisory Council has been supportive of the efforts of the school. This group has provided a forum for parent and administrative discus-

sion to further the understanding of our curriculum and our day-to-day procedures.

I would like to take this opportunity to extend my sincere thanks to the student body, faculty, staff and administration in both building and central office levels for their continued support. I extend the same thanks to the communities which comprise the Silver Lake Region. Without your trust and support our job is made so much more difficult.

ACKNOWLEDGEMENT

I would like to thank publicly the members of the school committees for their interest and support as their Superintendent of Schools. Silver Lake Regional School District and Superintendency Union #31 schools would not have been capable of making the progress as they have without the conscientious representation of its citizenry.

I would also like to thank the staffs for their commitment to education and for their interest and dedication to children. Jerome S. Bruner said, "If all students are helped to the full utilization of their intellectual powers, we will have a better chance of surviving as a democracy in an age of enormous technological and social complexity." This aim has been my goal for some time and it will continue to be pursued to its fullest. I reassure the citizens of our district that my energies will be spent on the improvement of our school district in attempting to make it one of the very best.

Report of the REGIONAL SCHOOL DISTRICT COMMITTEE to the Citizens of the Silver Lake Regional School District

The 1985-86 school year began with a great deal of enthusiasm and with the restoring of some positions within the school district. The Committee was pleased in having attracted some very outstanding staff members to serve the students of our district.

Leaving the Committee:

From Kingston, Marjorie F. Cadenhead and replacing Mrs. Cadenhead was Ms. Karen D. Haley.

From Pembroke, Albert Dello Russo, and replacing Mr. Dello Russo was Mrs. Marie L. Strothers.

From Plympton, Allan C. Vautrinot, Jr.

The Committee wants to express publicly their utmost gratitude and appreciation to all members who have served but especially to Mr. Vautrinot for his many years of outstanding service as a member of the Committee. He has served as Chairman of the Committee for a number of years but the demands of his personal commitments made it necessary for Mr. Vautrinot to submit his letter of resignation. The Committee and the community should be extremely pleased with the commitment of its members' willingness to serve the youth of our district.

Once again the administrative staff at Silver Lake found changes that were necessary due to the retirement of Mr. Arthur Hand, Principal of the Junior High School, who served our district for thirty-six years. Mr. Hand's replacement was Mr. William Pepper, formerly Housemaster of the Silver Lake Pembroke Campus. This necessitated the hiring of a new person for our administrative staff. Mr. Frank Sambucetti was appointed Housemaster at the Silver Lake Pembroke Campus. The Committee acknowledges the retirement of Mr. Arthur Hand, Junior High School Principal, and would publicly like to commend him for serving the district for thirty-six years. The Committee regretfully acknowledges the death of Mr. Robert J. Coakley, a Science teacher within our school district. Mr. Coakley's manner of dealing with his peers and students reflected the utmost compassion for his fellowman. He touched the lives of many students and anyone who has ever associated with Mr. Coakley recognizes the warmth and compassion that he so continuously and capably displayed. The Committee also acknowledges the retirement of Mr. Donald H. Randall as a Mathematics teacher and professional educator for over fifty years. Mr. Randall's love of geometry and his unique style of teaching have been felt by a large number of students during the years that he so capably served.

The hours of planning and preparation for the eventual approval at member town meetings for our Science Renovation Project at the Silver Lake Kingston Campus was successfully implemented. The architectural firm of Strekalovski and Hoyt, Inc. was selected to serve as the catalyst in seeing that the renovation project is completed on time. It is the intention of the Committee and desire to have the renovation project completed for the beginning of the school year in September of 1986. In attempting to provide additional spaces at the Junior High School, the Committee also voted to utilize existing funds to add two portable classrooms. Recognizing that this is a short-term solution to a significant space problem at our Junior High School, the Committee did feel, however, that the additional two spaces would alleviate some of the overcrowding at the Junior High.

On behalf of the entire Committee, we would like to express our note of thanks to Superintendent Squarcia for his demonstrated diligence in performing his duties as Chief Executive Officer. The Committee would like to express a note of thanks to Assistant Superintendent John J. Aherne for serving as a key resource person to the Superintendent and the Committee as a whole. The Committee also extends a note of thanks to the many professional and non-teaching staff members who have demonstrated through a variety of activities their commitment in serving the students of our district. As the newly appointed Chairman of the Regional School Committee, I would like to thank my colleagues for their time, effort and assistance while serving on a variety of sub-committees for our school district. The sub-committee structure has been effectively involved in many of the details with the operation of the district and thus they are able to inform the Committee as a whole and assist in the decision-making process.

The new legislation in Massachusetts, Chapter 188, the Educational Reform Bill, will have a financial and programmatic impact on the Silver Lake Regional School District. Our district was eligible to be awarded \$274,612. This is most appreciative but also indicative of the fact that our Regional School District spent 65.9% of the per pupil expenditure on the state average. Thorough analysis and assessment of program development and improvement must be directed to the utilization of that sum of money during the next six years. Other important aspects of the legislation will be addressed by the Committee and it is our intent and desire to implement the law to the best of our ability, keeping in mind what the primary purpose is and that is to focus upon providing equal educational opportunities for all students throughout the Commonwealth; more specifically, those residing in our school district.

The regularly scheduled meetings are held on the second Thursday and fourth Monday of every month and we encourage the public to participate in these activities.

As another year comes to a close, the Silver Lake Regional School District Committee is pleased to offer a diversified educational program serving the

youth of our school district. The Committee would publicly like to thank the staff, students, parents and citizens of our towns for providing the cooperation and financial resources in making Silver Lake Regional School District a very positive learning environment to enhance the skills that will last a lifetime.
