IN MEMORIAM

ELMIR C. MARGESON

Died February 2, 1986

Elmir served as a caretaker at the landfill where, with a joyful smile, he tried to be most helpful to those who needed assistance. He will be missed by the many who knew him. He is survived by his wife, Barbara.

WILLIAM H. PAUL

Died March 1, 1986

"Willy" was known in his youth as one of the best baseball players in the area. He graduated from Kingston High School and worked as a painter with his father, and then with General Dynamics for ten years, gathering sea moss as a side job. Willy served the Town as Precinct One Warden for many years with distinction and honor.

JOHN L. GALLERANI

Died June 13, 1986

John spent most of his life as a resident of Kingston after graduating from Bentley College. He was most interested in sports and was respected by all who knew him. He served on many Town Boards, especially Finance. John is buried in Vine Hills Cemetery, Plymouth, and is survived by his wife, Frances.

JOHN C. VAZ

Died July 5, 1986

John was taken from us at a young age. He was born in Plymouth and graduated from PHS, also attending the Academy of Aeronaut Engineering in New York and Boston University. He played football for Boston University and the semi-pro Plymouth Rockets. A respected citizen, he willingly served on many committees, among them FinCom. "Java" was buried in the Evergreen Cemetery and is survived by his wife, Sylvia.

MARY E. HOLLISTER

Died October 3, 1986

Mary probably was not known to too many people in Kingston, having moved from Brockton to the Baptist Home, but she was 98 years old and had been presented the Boston Post Cane as the eldest citizen on October 10, 1985. She was a fine lady who was always interested in carrying on conversation with those who visited her at the Home.

CHARLES S. RIORDAN

Died December 2, 1986

Charles was born and educated in Boston, retiring as street lighting inspector for the City of Boston in March. He moved to Kingston 17 years ago and had been serving as a member of the Zoning Board of Appeals until his untimely death. He is survived by his wife, Margaret.

Heart's Flowers

*Deep within the sanctuary
Of ourselves there is a glade,
Where the grass is always greenest,
And the flowers never fade.
Nowhere is a garden sweeter,
Than the one love's own hands tend,
Where affection falls like sunlight,
Warming and awakening.*

*Everlasting are the blossoms,
That are nourished in the heart,
Little lights and little shadows,
Who can tell the two apart?
He who plants the smallest kindness,
Sows indeed a mighty seed,
For through years, like little acres,
... Only love uproots the weed!*

ARTICLE 31. To see if the Town will vote to accept the provisions of Section 3A, of Chapter 64G, of the Massachusetts General Laws allowing the Town to impose a local room occupancy excise tax at the rate of four (4%) percent, or to take any other action relative thereto.

ARTICLE 32. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purpose of obtaining architectural plans, specifications and estimates for repairs and improvements to the Reed Building, said sums to be expended under the direction of the Reed Building Renovation Committee, or to take any other action relative thereto.

ARTICLE 33. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase and installation of a radio communications system for use by all Town departments, said sums to be expended by the Board of Selectmen, and to authorize the Board of Selectmen to trade or otherwise dispose of the present communications system, or to take any other action relative thereto.

ARTICLE 34. To see if the Town will vote to amend the Zoning By-Laws of the Town as follows: in Section II - USE DISTRICTS, A. Classes of Use Districts, before the line R-A Residential - (40,000 square feet), to insert a new class of Use District as follows:

R-R Residential - (minimum lot area 80,000 square feet);

and under Schedule III - USE REGULATIONS, by re-heading column R-A to read "R-R or R-A", or to take any other action relative thereto.

ARTICLE 35. To see if the Town will vote to amend the Zoning By-Laws of the Town by adding the following new district to Section IV-B, SCHEDULE OF INTENSITY REGULATIONS by inserting after the line beginning with the word Conservancy, and under the established columnar headings:

DISTRICT	MIN. LOT DIMENSIONS		MIN. YARD DIMENSIONS			MAX. HEIGHT BUILDING		MAX. % COVERAGE INCLUDING ACCESSORY BUILDINGS
	AREA SQUARE FEET	CONTINUOUS FRONTAGE	FRONT	SIDE	REAR	STORIES	FEET	

the following words and numerals:

Residential--R 80,000 300' 50' 50' 40' 2 1/2 35 25

Or to take any other action relative thereto.

ARTICLE 36. To see if the Town will vote to amend the Zoning Map of the Town by re-zoning certain land now zoned R-A to R-R, which land lies south of and is contained within the following boundaries: starting at a point on Elm Street at the Plympton/Kingston Town line, continuing up Elm Street to Pond Street, thence right onto Pond Street to Indian Pond Road to Elm Street, going north on Elm Street, taking a right on Brook Street to Main Street, continuing south on Main Street to Route 3, continuing on Route 3 South to the Kingston/Plymouth Town Line, proceeding Southwesterly along the Plymouth Town Line to the Carver Town Line, thence turning and proceeding in a Northwesterly direction to and along the Carver Town Line, thence continuing and proceeding in a Northwesterly direction to the intersection of the Town Line of Kingston at Elm Street, to the point of beginning, or to take any other action relative thereto.

ARTICLE 37. To see if the Town will vote to amend the Zoning By-Laws as follows: in Section V - SPECIAL REGULATIONS, to delete Section H, Conservation Restrictions, Paragraph d, and to add in place thereof the following new Paragraph d:

In an R-A, R-B, and R-R zone, on a parcel of land that cannot be subdivided under the provisions of Massachusetts Laws Chapter 41, Section 81P the Planning Board may approve a single back lot under said section when such lot can be laid out with at least twenty (20) feet frontage on an existing way, and the lot shall contain three (3) times minimum lot area as described in Section IV-B, Schedule of Intensity Regulations, for the class of district that currently is in effect for the lot. The back lot, even though complying with area requirements, must not be distorted in configuration as to be detrimental to public health, safety.

welfare and convenience. Primary access to such back lot should be via an existing way over the lot itself. The submission of said plan shall show the boundaries of the proposed lot and shall also show the abutting lots as they appear on the Assessors Maps. In case of a subsequent redivision of any such lot, the twenty (20) foot access strip shall not be deemed a way, public or private, furnishing access to any lots in the subdivision unless all the provisions of these by-laws and the subdivision regulations applicable to lots and ways in a subdivision have been complied with.

Or to take any other action relative thereto.

ARTICLE 38. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purpose of acquiring engineering plans incidental to the layout of certain public ways, said sums to be expended by the Board of Selectmen and/or the Planning Board, or to take any other action relative thereto.

ARTICLE 39. To see if the Town will vote to amend the Zoning By-laws of the Town in Section V - SPECIAL REGULATIONS, Subsection G. Cluster Development, as follows:

in Subparagraph 1, delete the phrase "A Residence 'A' District Only" and insert in place thereof the phrase "A Residence 'A' and Rural Residential District Only";

in Subparagraph 2a. to delete the period after the word "more" and to insert after the word "more" the following phrase: "In Residence 'A' and 20 Acres or more in Rural Residential";

in Subparagraph 2b. to delete the period after the word "feet" and to insert after the word "feet" the following phrase: "in an R-A Zone and 30,000 square feet in an R-R Zone";

in Subparagraph 2c. to insert after the words "of at least 120 feet" the phrase "in an R-A Zone and 150 feet in an R-R Zone";

in Subparagraph 2d. to insert at the beginning of said paragraph the following phrase: "Calculations or minimum area requirements shall not include land encumbered by utility or other easements or wetlands as enumerated in Section V - SPECIAL REGULATIONS, I. Suitability of the Land";

Or to take any other action relative thereto.

ARTICLE 40. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase of a tractor mower for the Park Department; said sum to be expended by the Park Commission, or to take any other action relative thereto.

ARTICLE 41. To see if the Town will vote to accept as a gift a certain parcel of land situated in the Town of Kingston, containing 14 acres, more or less, and shown as Lot 40, Block 10, on the Assessors Maps and further described in Book 5025, Pages 469-471, at the Plymouth County Registry of Deeds, or to take any other action relative thereto.

ARTICLE 42. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase of a fully equipped motor vehicle for use by the Animal Control Officer, said sum to be expended by the Board of Selectmen, or to take any other action relative thereto.

ARTICLE 43. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase of a fully equipped tractor for the Playground Commission, said sum to be expended by the Playground Commission, or to take any other action relative thereto.

ARTICLE 44. To see if the Town will vote to accept an Equal Educational Opportunity Grant for the Silver Lake Regional School District for the Fiscal Year 1987 pursuant to the provisions of Massachusetts General Laws, Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985, said funds to be expended by the Silver Lake Regional School District Committee for direct service expenditures, or to take any other action relative thereto.

ARTICLE 45. To see if the Town will vote to accept an Equal Educational Opportunity Grant for the Kingston School Committee for the Fiscal Year 1987 pursuant to the provisions of Massachusetts General Laws, Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985, said funds to be expended by the Kingston School Committee for direct service expenditures, or to take any other action relative thereto.

ARTICLE 46. To see if the Town will vote that the Town's Zoning Map be amended by changing from residential B to Business the following listed property located on the easterly side of Tarklin Road, including that portion of Lot 36G which is presently zoned residential, and Lot 36B, both of which are shown on Assessors Map 3, or to take any other action relative thereto. (BY PETITION)

ARTICLE 47. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to be contributed to the South Shore Women's Center for the purpose of providing services to victims of domestic violence and sexual assault, or to take any other action relative thereto. (BY PETITION)

ARTICLE 48. To see if the Town will vote to raise and appropriate a sum of money for the purpose of extending the water main along Indian Pond Road, also known as Route 80, to Elm Street, for a distance of approximately three hundred forty (340) feet from the fire hydrant on Pine Brook Drive, or to take any other action relative thereto. (BY PETITION)

ARTICLE 49. To see if the Town will vote to change the zoning of the remaining portion of Lot 151, Map 6, containing 3.4 acres, more or less, on Maple Street from Residential (RD) to Business (B), or to take any other action relative thereto. (BY PETITION)

ARTICLE 50. To see if the Town will vote to change the zoning of Lot 148B, Map 11, containing 35,741 sq. ft., more or less, on 117 Main St. from Residential to Business, or to take any other action relative thereto. (BY PETITION)

ARTICLE 51. To see if the Town will vote to amend the protective Zoning By-Laws of the Town and the Zoning Map by changing from R-B (Residential) to B (Business) the following parcel of land:

A portion of the premises known and numbered as 14 Main Street, Kingston (being a portion of Lot 64 on Assessors Map 11) and being shown as Parcel 3B on a Plan entitled "Plan of Land in Kingston, MA, prepared for Grossman's, 200 Union Street, Braintree, MA, by BSC Loring H. Jacobs Co.", dated February 3, 1986, a copy of which plan is on file at the office of the Town Clerk of the Town of Kingston,

Or to take any other action relative thereto. (BY PETITION)

ARTICLE 52. To see if the Town will vote to authorize the Planning Board to disapprove an otherwise proper subdivision on the grounds that the subdivision will adversely affect traffic patterns and/or municipal services in the streets or ways adjacent to the subdivision.

As distinguished from present subdivision regulations which have no provision for the Board to review and address traffic patterns and conditions in adjacent ways and streets, this article would allow the Board to review all proposed projects, take into consideration the safety of the streets and ways adjacent to the subdivisions, and if the Board considers the effect of the subdivision will be to cause dangerous traffic conditions, the Board may then disapprove the plans.

With this regulation in place, the Board shall then be able to better do its duty of protecting the life and limb of Kingston citizens.

Or to take any other action relative thereto. (BY PETITION)

ARTICLE 53. To see if the Town will vote to amend its Zoning By-Law and Maps as follows:

1. By adding a new Use District in Section II, Subsection A, by inserting in the first sentence thereof after the colon, the words "RR-Residential (minimum lot area 60,000 square feet)."

2. By amending the Map entitled "Zoning Map of Kingston, Massachusetts" as most recently amended, by delineating thereon as the "RR-Residential Zone" the area bounded substantially as follows:

WESTERLY SOUTHERLY and SOUTHEASTERLY EASTERLY NORTHERLY and NORTHEASTERLY NORTHWESTERLY and NORTHERLY EASTERLY NORTHERLY and NORTHWESTERLY	by the Town of Plympton and the Town of Carver, by the Town of Plymouth, by the South Industrial Area Zone, by Raboth Road, by Indian Pond Road, by State Route 80, and by Elm Street.
--	--

3. By adding to Section III of the Zoning By-Law, Schedule of Use Regulations, a column entitled R-R with the same notations of Use Regulation as specified for the R-A zone.

4. By adding to Section IV-B "Schedule of Intensity Regulations" before the words "Residential A" a schedule providing for a new District entitled "Residential RR" having: Minimum Lot Dimensions of 60,000 square feet with 200 feet of continuous frontage; Minimum Yard Dimensions of 50 feet Front, 30 feet Side and 40 feet Rear; Maximum Height of Buildings of 2 1/2 stories, 35 feet, and Maximum Percent of Lot Coverage including Accessory Buildings of 25%.

5. By adding to Section V, Subparagraph G-1, in the first sentence thereof, after the words "Residence A" the following "or R-R".

Or to take any other action therein or relative thereto. (BY PETITION)

ARTICLE 54. To see if the Town will vote to authorize the enactment of a rent control law in the town, especially on behalf of the residents of Conifer Green Mobile Home Park and the other Mobile Home Parks in the town — whereas the three rental increases in two years total 35%. Also to request a roll-back of rental increases not to exceed a total of each annual tax increase (1/79 of tax for each home in Conifer Green) and the inflation rate of each year, or to take any other action relative thereto. (BY PETITION)

ARTICLE 55. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to be added to the Stabilization Fund, or to take any other action relative thereto.

ARTICLE 56. To see if the Town will vote to transfer a sum of money now available in the unreserved fund balance (free cash) to be applied against appropriated expenditures, or to take any other action relative thereto.

To transact any other business that may legally come before said meeting.

**TOWN OF KINGSTON
COMMONWEALTH OF MASSACHUSETTS
KINGSTON INTERMEDIATE SCHOOL
150 MAIN STREET
ANNUAL TOWN MEETING
MAY 3, 1986**

The annual Town Meeting was called to order at 10:16 A.M. by the Moderator, Lawrence I. Winokur. The meeting was delayed due to technical discussions being held with the Moderator. The Moderator commended the Finance Committee, the Wage and Personnel Board, and the Board of Selectmen for the early distribution of the "orange" booklets containing the warrant articles and the budget. Mr. Winokur informed the voters of the rules and guidelines for the conduct of this meeting and mentioned that the meeting was being recorded (by David R. Buhl).

The warrant was not read by unanimous consent.

The oath of office was given to the following tellers: James C. Judge, Gerald V. May, William J. Twohig, and Nancy L. Carvalho.

The vote checkers were: Phyllis P. Ponte, Maureen E. Twohig, Marie A. Ruel, Robert A. Mulliken, Mary E. Boutin, and Irma A. Ruffini.

The doorkeeper was Antonio P. Fortini, also Irma A. Ruffini, after the voters were checked in.

The mike carrier was Jane Sturtevant.

On the motion of Joseph M. Palombo, voted to admit the following non-residents to be present at and address the Town Meeting:

- Karen Brown Gattozzi, Town Counsel
- Daniel A. Welch, Chief of Police
- John Alcorn, Building Inspector
- Robert Hertel, Evans Products/Petition
- Richard Halverson, Evans Products/Petition
- Renwick Chapman, Evans Products/Petition
- Peter G. Brown, Brown & Lindquist
- Linda Rudnick, South Shore Womens Center/Petition
- Allen J. Hinard, Executive Director, Evanswood
- Joseph Oliansky, Library Director.

The following opening statement was presented by Edward H. Valla, Chairman of the Board of Selectmen:

"I would like to welcome everyone to the 1986 Annual Town Meeting. We appreciate your interest and concern and willingness to participate in the important matters before us. As you all know, the issue of Water is about to come to a head very soon. The Water Commissioners, the Conservation Commission and the Board of Selectmen, under the direction of counsel, have been working very hard on this issue.

We are currently preparing to make official presentations to the Water Resources Commission in Boston on May 12, 1986, but what we need is the support of as many citizens as possible at a public hearing to be held in this auditorium on May 22, 1986, at 7:00 P.M. This will be your chance to show the officials from Water Resources that we are united in our effort to protect and preserve our water resource. It is your chance to have a voice in this important matter. We hope to see you there and look forward to a successful annual meeting."

ARTICLE 1. On the motion of Edward H. Valla voted unanimously that the reports of the several Town Officers, Boards and Committees, as printed in the 1985 town report or on file with the Town Clerk, be accepted.

ARTICLE 2. Marie F. Shea moved that sections of the Wage and Personnel By-Law be amended as recommended by the Wage and Personnel Board and as printed in the 1986 Town Meeting Warrant Booklet.

Prior to a vote, Mr. Winokur read the proposed changes and stated that any item questioned would be discussed at the conclusion of the reciting of the changes. The items questioned were: #3, #4, #6, #7, #8, #19, #24, and #25.

John K. Miller moved to delete #25 from the Wage and Personnel Board Recommendations for 1986-1987.

Roscoe A. Cole of the Finance Committee moved that paragraph #25 of the Wage and Personnel Board Recommendations for 1986-1987, as printed in the warrant booklet, be amended by deleting all after the word "to" and inserting in place thereof the amount "\$9,360 annually".

Then a vote was taken on the motion of Mr. Cole and

THE AMENDMENT WAS CARRIED.

THE MOTION MADE BY MR. MILLER WAS DEFEATED.

Roscoe A. Cole of the Finance Committee moved that the hourly rate for the position "casual part-time worker" as printed in the wage and personnel by-law section designated "schedule C, miscellaneous compensation schedule, July 1, 1986 - June 30, 1987", be amended by striking amount \$3.90" and inserting in place thereof "6.00".

THE AMENDMENT WAS CARRIED.

Kenneth R. Heise of the Planning Board moved to reclassify the Executive Secretary to the Planning Board from Executive Secretary (part-time) annual salary \$1,575 to the new position of Executive Secretary Planning Board (part-time) under Schedule A, Administrative Group and Schedule C at an annual salary of \$3,000. This will be done by adding in Schedule A under Administrative Group, Executive Secretary - Planning Board, Misc. Adding in Schedule C, Executive Secretary - Planning Board Annually \$3,000.

**THE AMENDMENT WAS CARRIED.
THE FINANCE COMMITTEE RECOMMENDED
FAVORABLE ACTION.**

Robert L. Arnold, Jr., of the Playground Commission moved to amend Schedule C of the Wage and Personnel By-Law, Supervisor — Playground (Seasonal), weekly, from \$120 to \$180.

THE AMENDMENT WAS CARRIED.

Henry R. Vieira moved to delete #6 of the Wage and Personnel By-Law.

THE MOTION WAS DEFEATED.

Then the vote was taken on the motion as amended and it was voted unanimously:

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 5. On the motion of Joseph M. Palombo voted unanimously that the Town transfer for Library purposes from the account entitled "State Aid for Libraries Reserved for Appropriations", the sum of \$5,816.00 received from the Commonwealth of Massachusetts.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Prior to Article 6, as is the custom, there were opening remarks by the Chairman of the Finance Committee, Roscoe A. Cole, Jr.

ANNUAL TOWN MEETING

May 3, 1986

Opening remarks — Roscoe A. Cole, Jr., Chairman, Finance Committee

Mr. Moderator, Ladies and Gentlemen ... Good morning.

I'm Roscoe Cole, privileged this year to be chairman of the Kingston Finance Committee — the committee charged with recommending an annual budget, and charged with advising you as Town Meeting members on all questions to come before you.

Since this year's warrant gives us a lot of ground to cover I'll try to be brief.

This year, the Committee's approach to developing an operating budget and other spending recommendations continues the policy of keeping within the limits of Proposition 2½. This year the task has been somewhat easier because of an improved financial outlook — by that, I mean one that looks better than last year, but still falls short of enough to buy everything that's wanted.

As you well know, improved is a relative term and its use here recognizes that part of the improvement is due to the exclusion of nearly \$300-thousand in debt service from the limits imposed by 2½ for the fiscal year 1987 — that is, annual payments for water projects and for the police station which were voted to be funded by borrowing in 1983 and 1984. And — should you approve Article 20, the water storage project, you will need to approve the exclusion of that debt when you mark your ballots next Saturday.

Today we are recommending a total money package of near \$8.2-million, about 16% higher than last year — up nearly \$1.2-million over last year — and, up sharply over the 8-9% average increases we saw in the previous 4-year period.

About 90% of this package is in Article 6, the budget, and, not surprisingly, so are the major contributors to the increase. These are displayed in the numbers before you in the yellow covered booklet. The remaining increase are due, in part, to additional costs due to a court award in a case over prior land taking, and due also to an increase in the amounts recommended for other warrant articles.

However, despite the near \$1-million increase in money requirements, we are also in better shape to deal with it. Increased Cherry Sheet receipts of \$349-thousand (this includes the State Aid programs), more local revenue, and a better free cash position, which is near double that available last year, will fund about 60% of the rise. The rest, of course, will come from property taxes.

Additionally, we will recommend using some of the surplus capacity under the 2½ limit for stabilization — looking to the rainy day.

Since January 1 the Finance Committee members have given freely of their time to consult with departments, attend meetings of other committees and boards, tour buildings, inspect equipment, survey shore lines, look at parks, review each requested salary and expense item, examine and discuss the articles and their impact on the Town — all in the interest of making recommendations to help your decisions.

We believe these recommendations, not always unanimous nor without some tough compromises of different viewpoints, add up to sensible, fair and economically sound programs. We believe they address the needs of the people of Kingston and respect the burden carried by the property owner.

We respectfully request your thoughtful consideration of these recommendations.

Thank you.

Before Mr. Cole moved the motion, he revised several figures so that they would not have to be amended from the floor.

# 3, General Government - Other Expenses	\$ 263,633.
#16, Collector Salaries	48,246.
Total General Government	\$1,040,820.
#30, Career Incentive Pay	\$ 78,000.
#31, Expenses	66,958.
#40, Shellfish Salaries	1,981.
#41, Shellfish Expenses	1,235.
Total Public Safety	\$1,468,170.
#75, Parks & Public Beaches, Salaries	\$ 9,722.
#76, Parks & Public Beaches, Expenses	10,665.
#79, Interest in Anticipation, Expenses	10,000.
Total Debt Service	\$ 544,531.
#83, Water Maintenance, Salaries	\$ 106,809.
Total Enterprise	\$ 258,534.
Total Budget	\$7,342,863.
Adjusted Budget Totals	\$7,127,558.

ARTICLE 6. Roscoe A. Cole, Jr. moved that budget items 1-85, inclusive, be raised and appropriated as recommended by the Finance Committee in the Town Meeting booklet, and be recited individually, and those items questioned, if any, be tabled, and discussed separately from the floor after the entire budget has been read.

The following items were questioned:

Item	Department
3.	Selectmen — Other Expenses
27.	Care of Municipal Property
29.	Police — Salaries
39.	Harbor Master — Expenses
44.	Scaler of Weights & Measures — Salaries
46.	Civil Defense — Salaries
47.	Civil Defense — Expenses
48.	Dog Officer — Salaries
60.	Health & Sanitation — Salaries
61.	Health & Sanitation — Expenses
62.	Solid Waste Disposal — Salaries
63.	Solid Waste Disposal — Expenses

Item 3. The total amount of legal expenses was questioned and there were recommendations made. Edward H. Valla moved to amend the figure of \$253,633 to \$263,633.

THE AMENDMENT WAS CARRIED.

Item 27. Edward H. Valla moved to amend the figure of \$69,430 for Care of Municipal Property to \$76,430.

THE MOTION WAS DEFEATED.

Item 29. The question was how much of the \$626,142 would be raised and how much from revenue sharing. The answer was satisfactory.

Item 39. The question of the boat purchases and trade-in was acceptable.

Item 44. The questions were: Who is the Scaler and what does he do? No motion was made.

Item 46. Mr. Robert Mulliken was asked, that in light of the proximity of Pilgrim Nuclear Plant to Kingston, does he as Civil Defense director, feel he has enough money for his budget? The answer was yes.

Item 47. Same response as item 46.

Item 48. There was much discussion on the hours for the full-time dog officer, whether he would work seven days, where would you put the extra dogs, since the present pound can only handle ten or so dogs? Would he be on call for 24 hours? After much discussion, Joseph M. Palombo moved that the salary of the dog officer be amended from \$2,315 to \$14,000.

THE AMENDMENT WAS CARRIED.

YES 74 — NO 44

Item 60. Paul A. Tura moved to amend Health and Sanitation Salaries from \$31,289 to \$31,889.

THE AMENDMENT WAS CARRIED.

Items 61, 62, and 63, all dealt with the landfill and the caretakers. After much discussion about duties and privileges, the matter was closed.

Then the budget items as amended were voted as follows unanimously:

At 1:25 P.M., it was voted unanimously to adjourn for lunch until 2:15 P.M. The records show that 203 voters attended the morning session; 98 from Precinct I, 105 from Precinct II.

The adjourned meeting was again called to order by the Moderator at 2:20 P.M.

ARTICLE 7. On the motion of Alfred T. Turner voted unanimously that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the fiscal year beginning July 1, 1986, in accordance with the provisions of Massachusetts General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17, as amended.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 8. Alfred T. Turner moved that the Town authorize the Treasurer and/or Collector of Taxes to enter into a compensating balance agreement of agreements during Fiscal Year 1987, pursuant to Massachusetts General Laws, Chapter 44, Section 53F.

FINANCE COMMITTEE RECOMMENDED NO ACTION.

THE MOTION WAS DEFEATED.

ARTICLE 9. On the motion of Edward H. Valla voted that the following sums of money be allocated from the income account of the Elizabeth B. Sampson Memorial Fund and that all expenditures be under the supervision of the respective departments:

Robert A. Mulliken	Generator	\$ 1,650
Civil Defense		
Fire Department	Restoration of old fire station on Main Street	2,700
Sampson Memorial Park	Gate and Maintenance	3,000
Elementary School	Drapes and Gym Equipment	3,368
Playground	Baseball field fencing	8,061
Douglas Fleming	Lighting at Little League Field	2,000
Shellfish Commission	Propagation of shellfish	1,000
Town Hall	Renovation	10,000
Conservation Commission	Establishment of Fund	5,000
Trustees' Bond		210

TOTAL EXPENDITURES: \$36,989

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

This year there were comments made about the uses of the fund. The discussion mentioned the possibility of letting the fund accumulate for some major project. Mr. Cole suggested that some items should be appropriated in department budgets rather than making a request from the Sampson Fund. These comments seemed to mirror the same thoughts which were expressed at last year's Annual Town Meeting.

ARTICLE 10. On the motion of Joseph A. Costa voted unanimously that the sum of \$1,629.97 be transferred from the unencumbered fund balance for the payment of certain unpaid bill(s) of prior years for the following:

Planning Board — Expenses	
"Independent Voice"	\$1,629.97
TOTAL	\$1,629.97

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Prior to presenting Article 11, the quorum was questioned. The time was 2:40 P.M., and by actual count by the tellers, there were 125 voters present.

ARTICLE 11. On the motion of Joseph M. Palombo voted that the sum of \$24,081.00 be raised and appropriated for the purchase of two motor vehicles for the Police Department and to authorize the Board of Selectmen to trade or otherwise dispose of two (2) police vehicles.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 12. On the motion of Joseph M. Palombo voted that the sum of \$12,509.00 be raised and appropriated for the purchase and installation of six (6) two-way radios for use in the Police Department cruisers and to authorize the Board of Selectmen to trade or otherwise dispose of the present radios.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Chief Jon Alberghini explained to the voters the background to the gift to the Fire Department in Article 13. He did this after moving the article, and during the discussion period. The letter which he read is inserted here for record purposes.

The following describes why the Kingston Fire Department was selected as the 1986 recipient of the Manuel F. Pacheco Memorial Fund.

Mannie Pacheco had a life-long love affair with boats and the water: it was in his blood, his grandfather was a Portuguese whaler. Mannie moved his family and business from Needham in 1968 in order to live here and give his boat a permanent berth by the sea. Depending on the weather and tide, he always had a boat either in or under the water, in his driveway, on the Jones River or on a sandbar.

His life centered around this community and he was proud to be a friend of this town. He was a businessman and a fisherman. Once Mannie discovered Kingston, he never let go. His enthusiasm for this town was infectious; he loved being here. His business took him to foreign lands, but it was Kingston that held his heart.

His love for this town encouraged us to leave Needham, relocating our homes and business, and raise our families here. He happily lived out the seven best, and last, years of his life surrounded by his family and friends.

ARTICLE 13. On the motion of Chief Jon Alberghini voted unanimously that the Town accept as a gift a fully equipped boat, trailer, and accessories to be used by the Fire Department and to authorize the Board of Fire Engineers to trade or otherwise dispose of the present 1960 boat and trailer.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 14. On the motion of Chief Jon Alberghini voted that the Town authorize a Fire Station Building Study Committee consisting of seven members: two to be appointed by the Board of Selectmen, two to be appointed by the Moderator, two to be appointed by the Finance Committee, and one to be appointed by the Board of Fire Engineers and said committee to report to a Special or next Annual Town Meeting.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 15. On the motion of Chief Jon Alberghini voted that the sum of \$15,000 be raised and appropriated for the purpose of obtaining site review, preliminary plans, estimates, and working drawings for the constructing and equipping of a new fire station; said sums to be expended by the Fire Station Building Study Committee, and said Committee to report to a Special or the next Annual Town Meeting.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 16. George A. Cappola moved that the sum of \$155,000 be raised and appropriated for the purpose of purchasing a computer system for the Town House including software, hardware, support documentation and training, maintenance, as well as installation and applicable environmental changes to house said system, and to authorize the Board of Selectmen to enter into a contract and take all other action necessary to carry out said project.

**FINANCE COMMITTEE RECOMMENDED NO ACTION.
THE MOTION WAS DEFEATED.**

At 3:40 P.M. a quorum was questioned and the Moderator called for a count of the house. It was reported that 154 voters were present, and the Moderator declared that there were sufficient voters present to proceed to Article 17.

Irene Dwyer Emerson requested permission to address the Town Meeting, although not a voter. Joseph F. Glass moved that Irene Dwyer Emerson be allowed to speak.

THE MOTION WAS CARRIED.

ARTICLE 17. On the motion of Pine Dubois voted that the Town Zoning By-Laws and Zoning Map be amended for the purpose of protecting the quality of water in Silver Lake and in recognition of the need to control growth pending the completion and evaluation of an Environmental Impact Study for this purpose, by adding at the conclusion of the current Zoning By-Laws the following additional Zoning By-Law to be appropriately and sequentially enumerated by the Town Clerk:

That for a period of twenty-four (24) months from the effective date of this By-Law, no building permits on new lots created as of May 3, 1986, shall be issued in the Town of Kingston within the Silver Lake Watershed, which, for the purposes herein, is defined as that area located on the Kingston Assessors Maps #1 and #4, bounded and described as follows:

Beginning at a point on the Northeasterly sideline of Silver Lake at the Town Boundary; thence

Running Northeasterly along the Town Boundary; thence

Northeasterly and Easterly to a point at the Northwest side of Station Street; thence

Southwesterly and Southerly along the Southeast sideline of Station Street and Lake Street to a point at the Northerly side of Grove Street; thence

Westerly to the Plympton Town Line; thence

Northerly and Northwesterly by said Plympton Town Line through Silver Lake to the point of beginning.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

PLANNING BOARD RECOMMENDED FAVORABLE ACTION 4-1

AS AMENDED FROM PUBLIC HEARING (not from the floor).

YES 120 - NO 19

THIS MET THE 2/3 REQUIREMENT.

Edmund J. King, Jr. moved to take Articles 34, 35, and 36 out of order. The matter of a quorum was questioned, and after the tellers had reported a count of the house to the Moderator, it was announced that there were only 127 voters present, and then Mr. King withdrew the motion.

ARTICLE 18. On the motion of Richard W. Loring, Jr., voted that the sum of \$50,000.00 be transferred from the unexpended fund balance appropriated under Article #21 of the May 1979 Annual Town Meeting remaining in an account entitled "WATER - 12" main off Smith's Lane to Kingston, Plymouth Line"; said funds to be expended by the Board of Water Commissioners to conduct Prolonged Pump Tests at certain properties located as shown on the Town of Kingston Assessors Map #14. Parcels #13, #24, #26, and #27 for consideration as a future well site; and further, to transfer the net balance remaining in account after said expenditure to the General Fund.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 19. On the motion of George D. Cravenho voted that the Town authorize the Board of Selectmen to acquire by gift, a certain parcel or parcels of land shown on the Assessors Plan as Map #12, a portion or portions of Lot #3, bounded and described as follows:

A parcel of land situated on the westerly side of Elm Street at the junction of Route 80 and Elm Street.

Beginning at a point 130.87 feet N65-46-10-E from a County Bound on the sideline of Elm Street;

thence N-24-13-50W 200.00 feet;

thence N65-46-10E 200.00 feet;

thence S24-13-50W 200.00 feet;

thence by the sideline of Elm Street S65-46-10E 200.00 feet to the point of beginning.

Containing an area of 40,000 square feet, and being a portion of Lot #3, Map #12, to be used for the installation of a water storage tank and appurtenances.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

The adjourned session of the 1986 Annual Town Meeting was called to order at 7:40 P.M. by the Moderator, Lawrence I. Winokur. Interesting facts about the attendance of the voters: 7:30 P.M. - 73 voters; 7:37 P.M. - 106 voters; 7:40 P.M. - 110 voters; 7:53 P.M. - 155 voters; 8:00 P.M. - 170 voters; 8:14 P.M. - 180 voters; and 8:40 P.M. - 195 voters.

The oath of office was given to the following tellers: James C. Judge, William J. Twohig, Nancy L. Carvalho, and Mary B. Jessup.

The vote checkers were: Phyllis P. Ponte, Maureen E. Twohig, Marie A. Ruel, Robert A. Mulliken, Mary E. Boutin and Irma A. Ruffini.

The doorkeeper was Antonio P. Fortini, also Irma A. Ruffini, after the voters were checked-in.

The mike carrier was Charles V. Ladd.

Rev. George S. Buhl was recording this session of the Town Meeting.

Article 20 was by-passed because there were not enough voters at 7:40.

ARTICLE 21. To see if the Town will vote to close various appropriation balances to the Unreserved Fund Balance, or to take any other action relative thereto.

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

ARTICLE 22. On the motion of Edward H. Valla voted that the sum of \$7,000.00 be raised and appropriated for the purchase and installation of a heating system for the Maple Avenue School, said sums to be expended by the Board of Selectmen.

FINANCE COMMITTEE RECOMMENDED NO ACTION.

At 8:00 P.M. an actual count of the house was 151 voters and the Moderator declared a quorum present and stated that the Bond issue may be presented.

ARTICLE 20. On the motion of George D. Cravenho voted that the sum of \$1,207,000.00 be borrowed for the construction of water storage facilities on a certain parcel of land located as shown on the Assessors Plan as Map #12, a portion or portions of Lot #3, bounded and described as follows:

A parcel of land situated on the westerly side of Elm Street at the junction of Route 80 and Elm Street;

Beginning at a point 130.87 feet N65-46-10E from a County Bound on the sideline of Elm Street;

thence N24-13-50W 200.00 feet;

thence N65-46-10E 200.00 feet;

thence S24-13-50W 200.00 feet;

thence by the sideline of Elm Street S65-46-10E 200.00 feet to the point of beginning.

Containing an area of 40,000 square feet, and being a portion of Lot #3, Assessors Map #12; for the relocation and construction of necessary pipe lines from Jones River Village to the new storage facilities, for the construction of additional pipe lines on South Street from the existing terminal point of the pipe to Elm Street and on Indian Pond Road from the proposed storage facilities to the entrance of Jones River Village and for the purchase and installation of necessary appurtenances including but not limited to hydrants and valves; that to raise this appropriation the sum of \$29,753.84 shall be transferred from the unexpended fund balance remaining in the account entitled "installing gravel packed well on land situated off Smith's Lane, Article #24, July 1978 Annual Town Meeting" and the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$1,207,000.00 under Massachusetts General Laws, Chapter 44, Section 8 as amended; and that the Board of Water Commissioners is authorized to take all other action necessary to carry out the project; provided, however, that this vote shall not take effect until the Town votes to exempt from the limitations on total taxes imposed by Massachusetts General Laws, Chapter 59, Section 21C, amounts required to pay the principal of and interest on the borrowing authorized by this vote.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

YES 158 -- NO 5

THIS MET THE 2/3 REQUIREMENT.

Edmund J. King, Jr. moved to take Articles 34, 35, and 36 out of order.

THE MOTION WAS CARRIED.

At 8:17 P.M., the Moderator declared a quorum present. Mr. Winokur stated that since the three articles, 34, 35, and 36, were interrelated, discussion on all three would be in order at this time, but there would be a vote on only one at a time.

ARTICLE 34. Edmund J. King, Jr. moved that the Town Zoning By-Laws be amended as follows: in Section 11 -- USE DISTRICTS. A. Classes of Use Districts, before the line R-A Residential -- (40,000 square feet), to insert a new class of Use District as follows:

R-R Residential — (minimum lot area 80,000 square feet);
and under Schedule III — USE REGULATIONS, by re-heading column R-A
to read "R-R or R-A".

PLANNING BOARD VOTED FAVORABLY UNANIMOUSLY.

YES 110 — NO 57

THIS DID NOT MEET THE 2/3 REQUIREMENT.

THE MOTION WAS DEFEATED.

ARTICLE 35. To see if the Town will vote to amend the Zoning By-Laws of the Town by adding the following new district to Section IV-B, SCHEDULE OF INTENSITY REGULATIONS by inserting after the line beginning with the word Conservancy, and under the established columnar headings:

DISTRICT	MIN. LOT DIMENSIONS		MIN. YARD DIMENSIONS			MAX. HEIGHT BUILDING		MAX. % COVER AGE INCLUDING ACCESSORY BUILDINGS

The following words and numerals:

Or to take any other action relative thereto.

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

ARTICLE 36. To see if the Town will vote to amend the Zoning Map of the Town by re-zoning certain land now zones R-A to R-R, which land lies south of and is contained within the following boundaries: starting at a point on Elm Street at the Plympton/Kingston Town Line, continuing up Elm Street to Pond Street, thence right onto Pond Street to Indian Pond Road to Elm Street, going north on Elm Street, taking a right on Brook Street to Main Street, continuing south on Main Street to Route 3, continuing on Route 3 south to the Kingston/Plymouth Town Line, proceeding Southwesterly along the Plymouth Town Line to the Carver Town Line, thence turning and proceeding in a northwesterly direction to and along the Carver Town Line, thence continuing and proceeding in a northwesterly direction to and along the Plympton Town Line, thence to the intersection of the Town Line of Kingston at Elm Street, to the point of beginning, or to take any other action relative thereto.

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

Kenneth R. Heise moved to take Article #37 out of order.

THE MOTION WAS CARRIED.

ARTICLE 37. On the motion of Kenneth R. Heise voted that the Town Zoning By-Laws be amended as follows: in Section V — SPECIAL REGULATIONS, to delete Section H, Conservation Restrictions, Paragraph d, and to add in place thereof the following new Paragraph d:

In an R-A and R-B zone, on a parcel of land that cannot be subdivided under the provisions of Massachusetts Laws, Chapter 41, Section 81P the Planning Board may approve a single back lot under said section when such lot can be laid out with at least twenty (20) feet frontage on an existing way, and the lot shall contain three (3) times minimum lot area as described in Section IV-B, Schedule of Intensity Regulations, for the class of district that currently is in effect for the lot. The back lot, even though complying with area requirements, must not be distorted in configuration as to be detrimental to public health, safety, welfare and convenience. Primary access to such back lot shall be via an existing way over the lot itself. The submission of said plan shall show the boundaries of the proposed lot and shall also show the abutting lots as they appear on the Assessors Maps. In case of a subsequent redivision of any such lot, the twenty (20) foot access strip shall not be deemed a way, public or private, furnishing access to any lots in the subdivision unless all the provisions of these by-laws and the subdivision regulations applicable to lots and ways in a subdivision have been complied with.

Before the vote was taken, A. Daniel Sapir moved to amend by deleting the number three (3) and inserting the number two (2) in place thereof.

THE MOTION WAS DEFEATED.

FINANCE COMMITTEE RECOMMENDED NO ACTION.

PLANNING BOARD RECOMMENDED FAVORABLE ACTION.

YES 108 — NO 42

THE MOTION WAS DEFEATED.

ARTICLE 29. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for furnishing, landscaping, and equipping the Police Station located at 244 Main Street, said sums to be expended by the Police Station Building Construction Committee, or to take any other action relative thereto.

THERE WAS NO MOTION GIVEN.

ARTICLE 30. On the motion of Elaine Cravenho voted that the Town authorize a Town Government Study Committee consisting of five members; one to be appointed by the Moderator, two to be appointed by the Board of Selectmen, and two to be appointed by the Finance Committee, for the purpose of studying the organization of Town Government, considering the option of establishing a Charter Commission, and providing recommendations, if any, for changes in the present Town Government; and said Committee to report to the next Annual Town Meeting.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 31. On the motion of James C. Judge voted that the Town accept the provisions of Section 3A, of Chapter 64G, of the Massachusetts General Laws allowing the Town to impose a local room occupancy excise tax at the rate of four percent (4%) effective Fiscal Year 1987, July 1, 1986.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 32. On the motion of John C. Veracka, Jr. voted that the sum of \$28,000.00 be raised and appropriated for the purpose of obtaining architectural plans, specifications and estimates for repairs and improvements to the Reed Building, said sums to be expended under the direction of the Reed Building Renovation Committee.

FINANCE COMMITTEE VOTED 3 IN FAVOR AND 3 OPPOSED.

ARTICLE 33. On the motion of Joseph A. Costa voted that the sum of \$15,000.00 be raised and appropriated for the purchase and installation of a radio communications system for use by all Town departments, said sums to be expended by the Board of Selectmen, and to authorize the Board of Selectmen to trade or otherwise dispose of the present communications system.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 38. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purpose of acquiring engineering plans incidental to the layout of certain public ways, said sums to be expended by the Board of Selectmen and/or the Planning Board, or to take any other action relative thereto.

THERE WAS NO MOTION GIVEN.

ARTICLE 39. To see if the Town will vote to amend the Zoning By-Laws of the Town in Section V — SPECIAL REGULATIONS, Subsection G. Cluster Development, as follows:

in Subparagraph 1, delete the phrase "A Residence 'A' District Only" and insert in place thereof the phrase "A Residence 'A' and Rural Residential District Only";

in Subparagraph 2a, to delete the period after the word "more" and to insert after the word "more" the following phrase: "In Residence 'A' and 20 Acres or more in Rural Residential";

in Subparagraph 2b, to delete the period after the word "feet" and to insert after the word "feet" the following phrase: "in an R-A Zone and 30,000 square feet in an R-R Zone";

in Subparagraph 2c, to insert after the words "of at least 120 feet" the phrase "in an R-A Zone and 150 feet in an R-R Zone";

in Subparagraph 2d, to insert at the beginning of said paragraph the following phrase: "Calculations of minimum area requirements shall not include land encumbered by utility or other easements or wetlands as enumerated in Section V — SPECIAL REGULATIONS, I. Suitability of the Land";

Or to take any other action relative thereto.

THERE WAS NO MOTION GIVEN.

ARTICLE 40. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase of a tractor mower for the Park Department, said sum to be expended by the Park Commission; or to take any other action relative thereto.

THERE WAS NO MOTION GIVEN.

ARTICLE 41. On the motion of Joseph A. Costa voted unanimously that the Town accept as a gift a certain parcel of land situated in the Town of Kingston, containing 14 acres, more or less, and shown as Lot 40, Block 10, on the Assessors Maps bounded as follows and as further described in Book 5025, Pages 469-471, at the Plymouth County Registry of Deeds:

Northerly by land formerly of Walter H. Faunce;

Westerly by Furnace Brook;

Easterly by land formerly of Joseph Beal and Lucy Cook; and

Southerly by land formerly of Eleazer Faunce.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

ARTICLE 42. Joseph M. Palombo moved that the sum of \$11,500.00 be raised and appropriated for the purchase of a fully equipped motor vehicle for use by the Animal Control Officer, said sum to be expended by the Board of Selectmen.

FINANCE COMMITTEE RECOMMENDED NO ACTION.

THE MOTION WAS DEFEATED.

ARTICLE 43. On the motion of Jason J. Potrykus voted that the sum of \$12,500.00 be raised and appropriated for the purchase of a fully equipped tractor for the Playground Commission, said sum to be expended by the Playground Commission.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

ARTICLE 44. On the motion of James D. Pratt voted that the Town accept an Equal Educational Opportunity Grant for the Silver Lake Regional School District for the Fiscal Year 1987 in the amount of \$484,735.00 pursuant to the provisions of Massachusetts General Laws, Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985, said funds to be expended by the Silver Lake Regional School District Committee for direct service expenditures.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION

ARTICLE 45. On the motion of Barbara A. Devlin voted that the Town accept an Equal Educational Opportunity Grant for the Kingston School Committee for the Fiscal Year 1987 in the amount of \$30,025.00 pursuant to the provisions of Massachusetts General Laws, Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985, said funds to be expended by the Kingston School Committee for direct service expenditures.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 46. Richard E. Dennehy moved that the Town's Zoning Map be amended by changing from residential B to Business the following listed property located on the easterly side of Tarkiln Road, including that portion of Lot 36G which is presently zoned residential, and Lot 36B, both of which are shown on Assessors Map 3.

Before there could be a vote on the motion, at 11:15 P.M., the quorum was questioned and a count of the house by the tellers, which was reported to the Moderator, revealed 132 voters present. Since a quorum was not present to act on the Zoning article (#46) which Mr. Dennehy was presenting, he moved to adjourn the meeting to Wednesday, May 7, 1986, at 7:30 P.M. at the Intermediate School.

THE MOTION WAS CARRIED.

The meeting was adjourned at 11:20 P.M. There were 105 voters from Precinct I and 98 voters from Precinct II, for a total of 203 voters.

George W. Cushman, *Town Clerk, P.A., C.M.C.*

WEDNESDAY, MAY 7, 1986

Thomas R. Van moved for reconsideration of Article #42, and entered this request at 10:35 A.M., on May 6, 1986.

The adjourned session of the 1986 Annual Town Meeting was called to order at 7:48 P.M., by the Moderator, Lawrence I. Winokur.

The oath of office was given to the following tellers: James C. Judge, Nancy L. Carvalho, Mary B. Jessup, and Joseph F. Glass.

The vote checkers were: Phyllis P. Ponte, Maureen E. Twohig, Marie A. Ruel, Robert A. Mulliken, Mary E. Boutin.

The doorkeepers were: Antonio P. Fortini and Irma A. Ruffini.

The mike carrier was Charles V. Ladd.

Rev. George S. Buhl was recording this session of Town Meeting.

The Moderator explained that at the time the previous session had been adjourned, Article #46 had been moved, but since there still was not the necessary quorum of 150 voters for zoning changes, the meeting would move on. (A quorum did not develop, so no further action on this article.)

Roscoe A. Cole, Jr. moved that Articles 55 and 56 be taken out of order.

THE MOTION WAS CARRIED.

ARTICLE 55. On the motion of Roscoe A. Cole, Jr. voted that the Town will raise and appropriate the sum of \$150,000.00 to be added to the Stabilization Fund.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 56. On the motion of Elaine Cravenho voted that the sum of \$550,000.00, now available in the unreserved fund balance (free cash) to be applied against appropriated expenditures.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

It was reported to the Town Clerk that there were 119 voters present at 5:19 P.M., still not enough for action on zoning by-laws.

Mr. Winokur explained to the voters present that Mr. Thomas R. Van had requested reconsideration of Article #42 within the required time frame and we would now move to the matter of reconsideration.

Thomas R. Van moved to reconsider Article #42.

THE MOTION WAS CARRIED.

ARTICLE 42. On the motion of Joseph M. Palombo voted that the sum of \$11,500.00 be raised and appropriated for the purchase of a fully equipped motor vehicle for use by the Animal Control Officer, said sum to be expended by the Board of Selectmen.

FINANCE COMMITTEE RECOMMENDED NO ACTION.

YES 62 — NO 44

The original voice vote was questioned by in excess of seven (7) voters when the Moderator declared that the motion had not carried. A count of hands reversed the announced voice vote.

ARTICLE 47. On the motion of Barbara L. Cotti voted that the sum of \$1,500.00 be raised and appropriated to be contributed to the South Shore Women's Center for the purpose of providing services to victims of domestic violence and sexual assault.

Barbara L. Cotti moved to admit Joan Stiles to speak as a non-voter.

THE MOTION WAS CARRIED.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 48. To see if the Town will vote to raise and appropriate a sum of money for the purpose of extending the water main along Indian Pond Road, also known as Route 80, to Elm Street, for a distance of approximately three hundred forty (340) feet from the fire hydrant on Pine Brook Drive, or to take any other action relative thereto (BY PETITION).

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

ARTICLE 50. To see if the Town will vote to change the zoning of Lot 148B, Map 11, containing 35,741 sq. ft., more or less, on 117 Main St. from Residential to Business, or to take any other action relative thereto. (BY PETITION)

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

ARTICLE 51. To see if the Town will vote to amend the protective Zoning By-Laws of the Town and the Zoning Map by changing from R-B (Residential) to B (Business) the following parcel of land:

A portion of the premises known and numbered as 14 Main Street, Kingston (being a portion of Lot 64 on Assessors Map 11) and being shown as Parcel 3B on a Plan entitled "Plan of Land in Kingston, MA. prepared for Grossman's, 200 Union Street, Braintree, MA, by BSC Loring H. Jacobs Co.", dated February 3, 1986, a copy of which plan is on file at the office of the Town Clerk of Kingston,

or to take any other action relative thereto. (BY PETITION)

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

ARTICLE 52. To see if the Town will vote to authorize the Planning Board to disapprove an otherwise proper subdivision on the grounds that the subdivision will adversely affect traffic patterns and/or municipal services in the streets or ways adjacent to the subdivision. As distinguished from present subdivision regulations which have no provision for the Board to review and address traffic patterns and conditions in adjacent ways and streets, this article would allow the Board to review all proposed projects, take into consideration the safety of the streets and ways adjacent to the subdivisions, and if the Board considers the effect of the subdivision will be to cause dangerous traffic conditions, the Board may then disapprove the plans.

With this regulation in place, the Board shall then be able to better do its duty of protecting the life and limb of Kingston citizens.

Or to take any other action relative thereto. (BY PETITION)

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

ARTICLE 53. To see if the Town will vote to amend its Zoning By-Law and Maps as follows:

1. By adding a new Use District in Section II, Subsection A, by inserting in the first sentence thereof after the colon, the words "R-R Residential (minimum lot area 60,000 square feet)."

2. By amending the Map entitled "Zoning Map of Kingston, Massachusetts" as most recently amended, by delineating thereon as the "R-R Residential Zone" the area bounded substantially as follows:

WESTERLY by the Town of Plympton and the Town of Carver.

SOUTHERLY and SOUTHEASTERLY by the Town of Plymouth.

EASTERLY by the South Industrial Area Zone.

NORTHERLY and NORTHEASTERLY by Raboth Road.

NORTHWESTERLY and NORTHERLY by Indian Pond Road, by State Route 80, and

EASTERLY and NORTHWESTERLY by Elm Street.

3. By adding to Section III of the Zoning By-Law, Schedule of Use Regulations, a column entitled R-R with the same notations of Use Regulation as specified for the R-A zone.

4. By adding to Section IV-B "Schedule of Intensity Regulations" before the words "Residential A" a schedule providing for a new District entitled "Residential R-R" having: Minimum Lot Dimensions of 60,000 square feet with 200 feet of continuous frontage; Minimum Yard Dimensions of 50 feet Front, 30 feet Side and 40 feet Rear; Maximum Height of Buildings of 2 1/2 stories, 35 feet, and Maximum Percent of Lot Coverage including Accessory Buildings of 25%.

5. By adding to Section V, Subparagraph G-1, in the first sentence thereof, after the words "Residence A" the following "or R-R".

Or to take any other action therein or relative thereto. (BY PETITION)

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

ARTICLE 54. To see if the Town will vote to authorize the enactment of a rent control law in the Town, especially on behalf of the residents of Conifer Green Mobile Home Park and the other Mobile Home Parks in the Town whereas the three rental increases in two years total 35%. Also to request a roll-back of rental increases not to exceed a total of each annual tax increase (1/79 of tax for each home in Conifer Green) and the inflation rate of each year, or to take any other action relative thereto. (BY PETITION)

THERE WAS NO MOTION GIVEN UNDER THIS ARTICLE.

At 8:30 P.M., the only articles remaining required 150 voters. It was reported to the Town Clerk that there were 126 present. Mr. Winokur called for a recess at 8:30 P.M. for 15 minutes, hoping that more voters would arrive during that period. The meeting was again called to order at 8:50 P.M., by the Moderator. He asked the tellers to come forward at 8:52 P.M. The tellers reported there were 122 voters present. Apparently some voters left.

On the motion of Harley S. Cadenhead, voted to adjourn this meeting at 8:55 P.M.

The Moderator expressed his thanks to the tellers for a job well done; the Town committees and boards for being well prepared; and thanked the citizenry for a good town meeting. At 8:55 P.M., he said, "Good night".

The total number of voters present were: Precinct 1 - 76, and Precinct 11 - 55, for a total of 131 voters.

Absentee Voter Ballots, Precinct I - 10; Precinct II - 17.

At the close of the polls at 8:00 P.M. the total on the ballot boxes was: Precinct I - 768; Precinct II - 628; Total - 1396. The numbers agreed with the check lists. A representative from LHS Associates was present to assist in the event of any problems. There were none when the counting was done at the Reed Community Building, to where the ballots had been transported by the Wardens, Officers, and Police Officers. D. Charles Wusenich operated the PEPS Counter. The results of the election were announced at 9:52 P.M., and completed in five minutes, by Rene J. Bouchard, Jr., Chairman of the Board of Registrars.

There were no phone calls made.

George W. Cushman, *Town Clerk, P.A., C.M.C.*

I, having been elected to assess taxes and estimate the value of property for the purpose of taxation for the Town of Kingston for the ensuing three years, do swear that I will truly and impartially according to my best skill and judgment, assess and apportion all such taxes as I may during that time assess; that I will neither overvalue nor undervalue any property, subject to taxation, and that I will faithfully perform all the duties of said office.

TOWN OF KINGSTON COMMONWEALTH OF MASSACHUSETTS WARRANT FOR SPECIAL TOWN MEETING

To any of the Constables of the Town of Kingston, in the County of Plymouth, Commonwealth of Massachusetts:

GREETINGS;

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in elections and in Town affairs, to meet at the KINGSTON ELEMENTARY SCHOOL, 150 Main Street, on Tuesday the twenty-fourth day of June, 1986, at 7:30 p.m.

To Act on the Following Articles:

ARTICLE 1. To see if the Town will vote to authorize the Treasurer and/or Collector of Taxes to enter into a compensating balance agreement or agreements during Fiscal Year 1987, pursuant to Massachusetts General Laws Chapter 44, Section 53F, or to take any other action relative thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to supplement the Fiscal Year 1987 Municipal Salary Accounts, or to take any other action relative thereto.

ARTICLE 3. To see if the Town will vote to amend the protective Zoning By-Laws and the Zoning Map of the Town by changing from Residential R to Business Lot 36B and Lot 36G, which properties are located on the easterly side of Tarklin Road, and shown on Assessors Map 3, or to take any other action relative thereto.

ARTICLE 4. To see if the Town will vote to amend the protective Zoning By-Laws and the Zoning Map of the Town by changing from Residential to Business Lot 148B, shown on Assessors Map 11, which property is located at 117 Main Street and contains 35,741 square feet, more or less, or to take any other action relative thereto.

ARTICLE 5. To see if the Town will vote to amend the protective Zoning By-Laws of the Town and the Zoning Map by changing from R-B (Residential) to B (Business) the following parcel of land:

A portion of the premises known and numbered as 14 Main Street, Kingston (being a portion of Lot 64 on Assessors Map 11) and being shown as Parcel 3B on a Plan entitled "Plan of Land in Kingston, MA prepared for Grosman's, 200 Union Street, Braintree, MA, by BSC Loring H. Jacobs Co.", dated February 3, 1986, a copy of which plan is on file at the office of the Town Clerk of the Town of Kingston,

or to take any other action relative thereto.

ARTICLE 6. To see if the Town will vote to change the zoning of the remaining portion of Lot 151, Map 6, containing 3.4 acres, more or less, on Maple Street from Residential (RB) to Business (B), or to take any other action relative thereto. (BY PETITION)

AND

To transact any other business that may legally come before said meeting.

AND you are directed to serve this Warrant, by posting up attested copies thereof, at the main entrance to the Town House and at the Post Office in said Town, fourteen (14) days at least before the time of holding said meeting.

HEREOF FAIL NOT, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of Meeting as aforesaid.

Given under our hands this 9th day of June in the year of our Lord One Thousand Nine Hundred and Eighty Six.

SPECIAL TOWN MEETING
JUNE 24, 1986

The Special Town Meeting was called to order at 7:45 P.M., by the Moderator, Mr. Lawrence I. Winokur. There were 103 voters present at this time. The warrant was not read by unanimous consent. Mr. Winokur made a brief statement as to the rules of conduct of this meeting.

The oath of office was given to the following tellers: Lawrence B. Westgate, Joseph F. Glass, Edward H. Holmes, and Corinne B. Ladd.

The vote checkers were: Phyllis P. Ponte, Maureen E. Twohig, Marie A. Ruel, and Mary E. Boutin.

The doorkeeper was Antonio P. Fortini.

Mr. Paul Armstrong, Chairman of the Planning Board, presented to the Town Clerk the Planning Board recommendations for the zoning articles to be presented this evening. They are as follows:

- Article 3 — Favorable Action
- Article 4 — Favorable Action
- Article 5 — Favorable Action
- Article 6 — Unfavorable Action.

On the motion of Joseph M. Palombo, voted to admit the following nonresidents to be present at and address the Town Meeting:

- Karen Brown Gattozzi, Town Counsel
- Daniel A. Welch, Chief of Police
- Paul P. Ullo, Town Accountant
- John Alcorn, Building Inspector
- Robert Hertel, Evans Products
- Richard Halverson, Evans Products
- Renwick Chapman, Evans Products
- David Nagle, Esq.

ARTICLE 1. On the motion of Richard E. Dennehy voted that the Town vote to authorize the Treasurer and/or Collector of Taxes to enter into a compensating balance agreement or agreements during Fiscal Year 1987, pursuant to Massachusetts General Laws, Chapter 44, Section 53F.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 2. On the motion of Joseph M. Palombo voted that the Town vote to raise and appropriate the sum of \$38,743.00 to supplement the Fiscal Year 1987 Municipal Salary Accounts as follows:

ACCOUNTANT: SALARIES	
ASSESSORS: SALARIES	\$ 862
BUILDING, WIRING, PLUMBING & GAS	862
INSPECTION: SALARIES	
CARE OF MUNICIPAL PROPERTY: SALARIES	440
COLLECTOR: SALARIES	964
COUNCIL ON AGING: SALARIES	1,706
FIRE & FOREST FIRE: SALARIES	996
HEALTH & SANITATION: SALARIES	4,280
GENERAL HIGHWAYS: SALARIES	660
LIBRARY: SALARIES	10,805
PLAYGROUND COMMISSION: SALARIES	2,701
POLICE: SALARIES	3,107
SELECTMEN: SALARIES	187
TOWN CLERK: SALARIES	1,044
TREASURER: SALARIES	844
TREE WARDEN: SALARIES	899
WATER-MAINTENANCE: SALARIES	2,536
TOTAL	5,850
	\$38,743

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

At 7:55 P.M., the Moderator suspended the meeting because the following four articles required a quorum of 150 voters and it was obvious that no such quorum existed. He suggested that the meeting stand to recess to give others a chance to arrive.

At 8:15 P.M., the Moderator again called the meeting to order. The official count at this time was Precinct I - 52, Precinct II - 62, Total - 114. Since there was still no quorum for zoning articles, the Moderator inquired as to the "pleasure" of the meeting.

On the motion of Joseph F. Glass voted to adjourn this meeting.

The meeting adjourned at 8:17 P.M.

The articles which were not acted upon are as follows:

ARTICLE 3. To see if the Town will vote to amend the protective Zoning By-Laws and the Zoning Map of the Town by changing from Residential B to Business Lot 36B and Lot 36G, which properties are located on the easterly side of Tarkiln Road, and shown on Assessors Map 3, or to take any other action relative thereto.

ARTICLE 4. To see if the Town will vote to amend the protective Zoning By-Laws and the Zoning Map of the Town by changing from Residential to Business Lot 145B, shown on Assessors Map 11, which property is located at 117 Main Street and contains 35,741 square feet, more or less, or to take any other action relative thereto.

ARTICLE 5. To see if the Town will vote to amend the protective Zoning By-Laws of the Town and the Zoning Map by changing from R-B (Residential) to B (Business) the following parcel of land:

A portion of the premises known and numbered as 14 Main Street, Kingston (being a portion of Lot 64 on Assessors Map 11) and being shown as Parcel 3B on a Plan entitled "Plan of Land in Kingston, MA prepared for Grossman's, 200 Union Street, Braintree, MA, by BSC Loring H. Jacobs Co.", dated February 3, 1986, a copy of which plan is on file at the office of the Town Clerk of the Town of Kingston,

or to take any other action relative thereto.

ARTICLE 6. To see if the Town will vote to change the zoning of the remaining portion of Lot 151, Map 6, containing 3.4 acres, more or less, on Maple Street from Residential (RB) to Business (B), or to take any other action relative thereto. (BY PETITION)

Respectfully submitted

George W. Cushman, Town Clerk, P.A., C.M.C.

TOWN OF KINGSTON
COMMONWEALTH OF MASSACHUSETTS
WARRANT FOR SPECIAL TOWN MEETING

To any of the Constables of the Town of Kingston, in the County of Plymouth, Commonwealth of Massachusetts:

GREETINGS;

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in elections and in Town affairs, to meet at the KINGSTON ELEMENTARY SCHOOL, 150 Main Street, on Thursday the ninth day of October, 1986, at 7:30 p.m.

To Act on the Following Articles:

ARTICLE 1. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the payment of certain unpaid bills of prior years, or to take any other action relative thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to supplement certain annual appropriations for the Fiscal Year 1987 Municipal Salary and Expense Accounts, or to take any other action relative thereto.

ARTICLE 3. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to fund a new position for the Assessors' Office, or to take any other action relative thereto.

ARTICLE 4. To see if the Town will vote to accept the provisions of Section 21A of Chapter 59 of the Massachusetts General Laws which allows for additional compensation to be paid to any Assessor or Assistant Assessor who becomes a Certified Massachusetts Assessor, or to take any other action relative thereto.

ARTICLE 5. To see if the Town will vote to accept the provisions of Chapter 597 of the Acts of 1982 which amends Section 1 of Chapter 60A of the Massachusetts General Laws which allows for the exemption of motor vehicle excise for prisoners of war, or to take any other action relative thereto.

ARTICLE 6. To see if the Town will vote to authorize the creation of a Kingston Fire Department Centennial Committee consisting of seven members: two to be appointed by the Board of Selectmen, two to be appointed by the Moderator, and three to be appointed by the Board of Fire Engineers, and to see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury, a sum of money for necessary expenses of said Committee, such funds to be expended by said Committee, or to take any other action relative thereto.

ARTICLE 7. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purpose of obtaining professional consultation and assistance for a study of Kingston's Town Government, such funds to be expended by the Town Government Study Committee, or to take any other action relative thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for necessary expenses of the Town Government Study Committee, such funds to be expended by the Town Government Study Committee, or to take any other action relative thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purchase and equipping of a rescue ambulance for use by the Kingston Fire Department, such funds to be expended by the Board of Fire Engineers, or to take any other action relative thereto.

ARTICLE 10. To see if the Town will vote to authorize the Board of Selectmen, on behalf of the Council on Aging, to join the Greater Attleboro-Taunton Regional Transit Authority (GATRA) pursuant to the provisions of Section 3 of Chapter 161B of the Massachusetts General Laws, as amended, or to take any other action relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for the purpose of obtaining professional consultation and other services in relation to the development and documentation of the "Open Space Plan" which, it is anticipated, shall be filed with the Commonwealth of Massachusetts by the Conservation Commission on or before June 30, 1987, such funds to be expended by the Conservation Commission, or to take any other action relative thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to obtain appraisals, land surveys and necessary professional services in conjunction with the planning and enactment of the "Open Space Plan", such funds to be expended by the Conservation Commission, or to take any other action relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for use in the acquisition and protection of properties in furtherance of the "Open Space Plan", such funds to be expended by the Conservation Commission, or to take any other action relative thereto.

ARTICLE 14. To see if the Town will vote to petition the General Court for a Special Act of the Legislature to read substantially as follows:

Notwithstanding the provisions of Section 53 of Chapter 44 of the Massachusetts General Laws, or any other General or Special Law to the contrary, the Town of Kingston Conservation Commission shall be authorized to establish a Guaranteed Deposit Fund by adding the following to Section 1 of the Town of Kingston Wetlands Protection By-Law.

In addition to the fees authorized by Section 1, applicants filing Notices of Intent for business, commercial, industrial and/or subdivision projects shall reimburse the Town for certain costs incurred by the Town in processing the application. The applicant shall, with submission of a Notice of Intent, deposit with the Treasurer of the Town funds equal to one percentum (1%) of the estimated cost of the project or five hundred dollars (\$500), whichever is greater. For business, commercial and industrial filings "estimated cost" shall mean the estimated cost of the entire project, including building construction. For subdivisions "estimated cost" shall mean the estimated cost of land preparation, grading, placement of utilities, and construction of roads and drainage systems.

The Conservation Commission shall direct the Treasurer to expend such funds to pay for all reasonable design review by its consulting engineer, or by other professional persons required to assist the Conservation Commission to determine as to the adequacy of the submitted plan(s) with regard to H.G.L. C.131, s.40 and this By-Law. However, no such payment shall be directed until fourteen (14) days after a photocopy of the bill purporting to represent charges for such services and review has been sent, by first class mail, to the applicant. If the applicant disputes the amount, the bill shall be reconsidered by the Conservation Commission, and the Commission's decision will prevail. The balance of this Account shall at no time be less than one-half the initial deposit; upon notice from the Commission by first class mail, the Applicant shall deposit with the

Treasurer such additional funds as are required to restore the account to the amount of the initial deposit. Within twenty one (21) days of issuance of a Certificate of Compliance, all remaining funds shall be returned to the Applicant.

The Conservation Commission may require similar deposits for other classes of filings if the submitted plan(s) require design review by its consulting engineer or other professional persons. If a deposit is required for a request for Determination of Applicability, all remaining funds shall be returned to the Applicant within twenty one (21) days of the issuance of an Occupancy Permit by the the Building Inspector.

Or to take any other action relative thereto.

ARTICLE 15. To see if the Town will vote to amend its protective Zoning By-Laws by adding at the conclusion thereof the following By-Law; said By-Law to be appropriately sequentially labeled by the Town Clerk:

WATER RESOURCE DISTRICT

Purpose

The purpose of these regulations is, in the interest of public health, safety and general welfare, to preserve the quality and quantity of the Town's groundwater resources in order to insure a safe and healthy public water supply.

Creation

Water Resource Overlay Districts are hereby created covering the areas described on the map to be entitled Water Resource Districts and to be filed with the office of the Town Clerk. That Map and all explanatory matter thereon shall be made part of this By-Law. Such Water Resource Districts shall be considered to be superimposed over any other districts established in this By-Law. Land in a Water Resource District shall be subject to the requirements of this By-Law as well as to all other requirements of this Zoning By-Law which apply to the underlying districts.

Definitions

For the purpose of this By-Law, the following will define terms used within:

"Process wastewater" shall include all wastewaters disposed on site other than sanitary wastewater.

"Recharge Area" shall mean the area encompassing land and water surfaces through which precipitation enters the groundwater body, and from which groundwater flows naturally, or is drawn by pumping, into a water supply well.

"Toxic or Hazardous Materials" are any substance or mixture of such physical, chemical or infectious characteristics as to pose a significant actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this Town. Toxic or hazardous materials include, without limitation, organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids and alkalis, and include products such as pesticides, herbicides, solvents, and thinners. Wastes generated by the following activities, without limitation, are presumed to be toxic or hazardous:

Airplane, boat and motor vehicle service and repair;
Chemical and bacteriological laboratory operation;
Cabinet making;
Dry cleaning;
Electronic circuit assembly;
Metal plating, finishing and polishing;
Motor and machinery service and assembly;
Painting, wood preserving, and furniture stripping;
Pesticide and herbicide application;
Photographic processing;
Printing; and
Chlorination of wastewater.

Use Regulations

Prohibited uses - Within the Water Resource District the following uses are prohibited: underground storage of fuel or gasoline or any toxic or hazardous materials, sanitary landfills, junk yards, municipal sewage treatment facilities, car washes, road salt stockpiles, dry cleaning establishments, metal plating, chemical and bacteriological laboratories, fuel or gasoline storage as a principal use, any use which includes retention of less than forty (40%) percent of lot area in its natural state with no more than minor removal of existing trees and ground vegetation, or creation of impervious surfaces covering more than twenty (20%) percent of lot area, any use involving generating of toxic or hazardous waste materials incidental to the principal use; boat and motor vehicle service and repair; and any other use which involves as a principal activity the manufacture, storage, use, transportation or disposal of toxic or hazardous materials.

Performance Standards

To preserve the natural land surface providing high quality recharge to the groundwater, to limit sewage flow and fertilizer application to amounts which will be diluted adequately by natural recharge, to prevent the formation of plumes of contamination in the groundwater system, and to prevent the discharge or leakage of toxic or hazardous substances into the groundwater, all uses other than single family dwellings shall meet the following performance standards:

1. The concentration of nitrate nitrogen resulting from wastewater disposal and from fertilizer application, when diluted by rainwater recharge on the lot shall not exceed seven (7) parts per million (ppm).
2. For dwelling and non-dwelling uses, sewage flow as determined by Title 5 of the State Environmental Code shall not exceed three hundred thirty (330) gallons per day (gpd) per acre of lot area, or exceed twenty thousand (20,000) gpd regardless of lot area, and less than ten (10%) percent of the lot area shall be maintained as cultivated lawn.
3. All toxic or hazardous materials shall be stored in product tight containers protected from corrosion, accidental damage or vandalism and shall be used and handled in such a way as to prevent spillage into the ground or surface waters. A product inventory shall be maintained and reconciled with purchase, use, sales, and disposal records at sufficient intervals to detect product loss.
4. No toxic or hazardous materials shall be present in wastes disposed on the site. Wastes composed in part or entirely of toxic or hazardous materials shall be retained in product tight containers for removal and disposal by a licensed scavenger service or as directed by the Board of Health.

5. With the exception of the seven (7) parts per million (ppm) nitrate nitrogen limit as stated in paragraph 1, contaminant levels in groundwater resulting from disposal of process wastes from operations other than personal hygiene and food for residents, patrons and employees or from wastewater treatment and disposal systems greater than ten thousand (10,000) gallons per day capacity shall not exceed those levels specified in tables C and E of the "Drinking Water Regulations of Massachusetts" (DEQE, June 15, 1977) and as same may be amended, after allowing for dilution by natural recharge on the premises.

6. All runoff from impervious surfaces shall be recharged on the site, diverted toward areas covered with vegetation for surface infiltration to the extent possible. Dry wells shall be used only where other methods are infeasible, and shall be preceded by oil, grease and sediment traps to facilitate removal of contaminated solids. In the vicinity of chemical or fuel delivery points, provision shall be made for spill control.

7. Sand gravel removal operations shall be limited in depth so that the water table will not be exposed at any time. Land area exposed at any one time shall be minimized and land shall be returned to a natural vegetative state within one year of completion of operations.

8. Where the premises are partially outside of the Water Resource District such potential pollution sources as on-site waste disposal systems shall, to the degree feasible, be located outside the District.

Water Quality Review Committee

1. There is hereby established a Water Quality Review Committee (WQRC), which is comprised of the members of the Board of Water Commissioners or their designees.

2. Certificate of Water Quality Compliance. A Certificate of Water Quality Compliance shall be obtained by the owners of the premises from the WQRC a) For erection of any new principal structure other than a single family dwelling or b) For change in occupancy requiring a Certificate of Use and Occupancy under the State Building Code.

No building permit or Certificate of Use and Occupancy shall be issued by the Building Inspector unless a Certificate of Water Quality Compliance, if required, has been obtained.

3. Requirements

A certificate of Water Quality Compliance shall be granted only as follows:

For new construction or additions or new activities not involving structures, or for changes in occupancy or operation on previously developed premises, only if in full compliance with all Performance Standards hereinabove enumerated.

4. Submittals

In applying for a Certificate of Water Quality Compliance, five (5) sets of application materials shall be submitted to the Building Inspector who shall forward one set to each member of the WQRC.

All information necessary to demonstrate compliance must be submitted including but not limited to the following:

a. A complete list of all chemicals, pesticides, fuels and other potentially toxic or hazardous materials to be used or stored on the premises in quantities greater than those associated with normal household use, accompanied by a description of measures to protect from vandalism, corrosion and leakage, and to provide for control of spills.

b. A description of potentially toxic or hazardous wastes to be generated, indicating storage and disposal methods.

c. Evidence of compliance with all requirements of Performance Standards as hereinabove enumerated.

All multi-family development which will have one or more dwelling units, hotels and motels, clustered developments, planned developments, nursing homes and hospitals, and any project resulting in a wastewater discharge of greater than one thousand (1,000) gallons per day (gpd) on any single site shall be required to submit the following:

1) a water table contour map and a geologic description of the area in the vicinity of the proposed project to determine groundwater flow directions;

2) projections of nitrogen levels in downgradient groundwater, simulation of contaminant movement in groundwater and delineation of plumes; and

3) a projection of the impacts on downgradient drinking water (public and private wells; existing, future and potential), on lakes and ponds, and on coastal waters.

4) The information submitted to the WQRC must demonstrate that no significant impact to downgradient water resources will occur as a result of the project.

5. Action

The WQRC shall act within forty five (45) days of acceptance of a complete application, approving it by issuing a Certificate of Compliance if a majority determine that the applicant has adequately demonstrated compliance with the requirements of the Water Resource District, and rejecting the application otherwise. Failure to take final action by the WQRC in either accepting or rejecting such an application shall not in any circumstance be deemed a constructive approval and shall not be interpreted to create any rights in the applicant.

6. Certificate Review

Each three (3) years the WQRC shall review compliance with this By-law and the Certificate of Water Quality Compliance. Upon request, Certificate holders shall submit the following:

a. Description of any changes from the originally submitted materials;

b. Certification that the waste disposal system has been inspected by a licensed septic system installer or treatment plant operator within the preceding ninety (90) days and found to be properly maintained and in proper operating condition.

c. Results from analysis of leachate or wastewaters as may be required by the Board of Health.

Evidence of non-compliance shall be reported to the Building Inspector and the Board of Health for enforcement action.

ENFORCEMENT

1. Inspection

These provisions shall be enforced by the Building Inspector or Agent of the Board of Health. The Inspector of Buildings or Agent of the Board of Health may enter upon the premises at any reasonable time to inspect for compliance with the provisions of this By-Law. Evidence of compliance with approved waste disposal plans may be required by the enforcing officers. All records pertaining to waste disposal and removal shall be retained.

2. Violations

Written notice of any violations shall be provided to the holder of the Certificate of Water Quality Compliance, specifying a time for compliance including cleanup of any spilled materials which is reasonable in relation to the public health hazard involved and the difficulty of compliance, but in no event shall more than thirty (30) days be allowed for either compliance or finalization of a plan for longer term compliance, approved by the WQRC.

The WQRC shall be authorized to establish and require payment of such fees, costs, and fines as may be reasonably required to investigate, document, or abate violations of this By-Law.

Or to take any other action relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money in order to obtain Hydrological Studies of municipal well sites, such funds to be expended by the Board of Water Commissioners, or to take any other action relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to pay obligations of the Town for costs, including principal and/or interest costs of temporary borrowing, in excess of reimbursements for the design phase of the Sewerage Construction Project voted in Article 5 of the July 22, 1985, Special Town Meeting, or to take any other action relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to be added to the Stabilization Fund, or to take any other action relative thereto.

ARTICLE 19. To see if the Town will vote to amend the protective Zoning By-Laws of the Town and the Zoning Map by changing from R (Residential) to B (Business) certain property shown as Lot 148B, Map 11 of the Kingston Assessors Map and containing 35,741 sq. ft., more or less, which property is known as 117 Main Street, Kingston, or to take any other action relative thereto.

ARTICLE 20. To see if the Town will vote to amend the protective Zoning By-Laws of the Town and the Zoning Map by changing from R-B (Residential) to B (Business) the following parcel of land:

A portion of the premises known and numbered as 14 Main Street, Kingston (being a portion of Lot 64 on Assessors Map 11) and being shown as Parcel 3B on a Plan entitled "Plan of Land in Kingston, MA prepared for Grossman's, 200 Union Street, Braintree, MA, by BSC Loring H. Jacobs Co.", dated February 3, 1986, a copy of which plan is on file at the office of the Town Clerk of the Town of Kingston,

Or to take any other action relative thereto.

ARTICLE 21. To see if the Town will vote to amend its protective Zoning By-Laws in Section III, Schedule of Use Regulations, by adding the following paragraph:

USE REGULATIONS FOR INDUSTRIAL DISTRICTS

In Industrial District, no buildings or structures shall be erected, altered, enlarged, extended or reconstructed and no buildings, structures, land or parts thereof shall be used for any purpose which may be injurious, obnoxious, or offensive to such a

neighborhood by reason of noise, smoke, odor, gas, dust, or similar objectionable features, or dangerous to the neighborhood on account of fire or any other cause; and no building, structure, land or parts thereof, without limiting the generalities of the foregoing, shall be used for any of the following purposes:

1. Bituminous Asphalt batching plants;
2. Cement batching plants.

Or to take any other action relative thereto.

(BY PETITION)

AND

To transact any other business that may legally come before said meeting.

AND you are directed to serve this Warrant, by posting up attested copies thereof, at the main entrance to the Town House and at the Post Office in said Town, fourteen (14) days at least before the time of holding said meeting.

HEREOF FAIL NOT, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of Meeting as aforesaid.

Given under our hands this twenty third day of September in the year of our Lord One Thousand Nine Hundred and Eighty Six.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 10. Leroy Folmsbee moved that the Town authorize the Board of Selectmen to join the Greater Attleboro-Taunton Regional Transit Authority (GATRA) pursuant to the provisions of Section 3 of Chapter 181B of the Massachusetts General Laws, as amended.

Mr. Francis J. Gay, Administrator of GATRA, addressed the meeting and answered questions from the voters.

FINANCE COMMITTEE RECOMMENDED NO ACTION.

MOTION WAS DEFEATED.

Mr. John R. Hamilton moved that Article #21 be taken out of order.

THE MOTION WAS CARRIED.

ARTICLE 21. On the motion of John R. Hamilton voted that the Town amend its protective Zoning By-Laws in Section III, Schedule of Use Regulations, by adding the following paragraph:

USE REGULATIONS FOR INDUSTRIAL DISTRICTS

In Industrial District, no buildings or structures shall be erected, altered, enlarged, extended or reconstructed and no buildings, structures, land or parts thereof shall be used for any purpose which may be injurious, obnoxious, or offensive to such a neighborhood by reason of noise, smoke, odor, gas, dust, or similar objectionable features, or dangerous to the neighborhood on account of fire or any other cause; and no building, structure, land or parts thereof, without limiting the generalities of the foregoing, shall be used for any of the following purposes:

1. Bituminous Asphalt batching plants;
2. Cement batching plants.

PLANNING BOARD RECOMMENDED FOUR VOTES FAVORABLE.
ONE VOTE ABSTAIN.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.
THE VOTE WAS YES 191 — NO 1
THIS MET THE 2/3 REQUIREMENT.

At this time the Moderator stated a total of 224 voters had checked-in for Town Meeting so far this evening.

ARTICLE 11. On the motion of Pine DuBois, voted unanimously that the sum of \$4,000.00 be raised and appropriated for the purpose of obtaining professional consultation and other services in relation to the development and documentation of the "Open Space Plan" which, it is anticipated, shall be filed with the Commonwealth of Massachusetts by the Conservation Commission on or before June 30, 1987, such funds to be expended by the Conservation Commission.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.
Ms. DuBois presented a short slide show before the vote was taken.

ARTICLE 12. On the motion of Pine DuBois, voted unanimously that the sum of \$15,000.00 be raised and appropriated to obtain appraisals, land surveys and necessary professional services in conjunction with the planning and enactment of the "Open Space Plan", such funds to be expended by the Conservation Commission.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money for use in the acquisition and protection of properties in furtherance of the "Open Space Plan", such funds to be expended by the Conservation Commission, or to take any other action relative thereto.

THERE WAS NO MOTION MADE UNDER THIS ARTICLE.

ARTICLE 14. On the motion of Pine DuBois voted unanimously that the Town petition the General Court for a Special Act of the Legislature the intent of which shall be generally as follows:

Notwithstanding the provisions of Section 53 of Chapter 44 of the Massachusetts General Laws, or any other General or Special Law to the contrary, the Town of Kingston Conservation Commission shall be authorized to establish a Guaranteed Deposit Fund by adding the following to Section 1 of the Town of Kingston Wetlands Protection By-Law.

In addition to the fees authorized by Section 1, applicants filing Notices of Intent for business, commercial, industrial and/or subdivision projects shall reimburse the Town for certain costs incurred by the Town in processing the application. The applicant shall, with submission of a Notice of Intent, deposit with the Treasurer of the Town funds equal to one percentum (1%) of the estimated cost of the project or five hundred dollars (\$500), whichever is greater. For business, commercial and industrial filings "estimated cost" shall mean the estimated cost of the entire project, including building construction. For subdivisions "estimated cost" shall mean the estimated cost of land preparation, grading, placement of utilities, and construction of roads and drainage systems.

The Conservation Commission shall direct the Treasurer to expend such funds to pay for all reasonable design review by its consulting engineer, or by other professional persons required to assist the Conservation Commission to determine as to the adequacy of the submitted plan(s) with regard to M.G.L. C.131, s.40 and this By-Law. However, no such payment shall be directed until fourteen (14) days after a photocopy of the bill purporting to represent charges for such services and review has been sent, by first class mail, to the applicant. If the applicant disputes the amount, the bill shall be reconsidered by the Conservation Commission, and the Commission's decision will prevail. The balance of this Account shall at no time be less than one-half the initial deposit; upon notice from the Commission by first class mail, the Applicant shall deposit with the Treasurer such additional funds as are required to restore the account to the amount of the initial deposit. Within twenty-one (21) days of issuance of a Certificate of Compliance, all remaining funds shall be returned to the Applicant.

The Conservation Commission may require similar deposits for other classes of filings if the submitted plan(s) require design review by its consulting engineer or other professional persons. If a deposit is required for a request for Determination of Applicability, all remaining funds shall be returned to the Applicant within twenty-one (21) days of the issuance of an Occupancy Permit by the Building Inspector.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 15. On the motion of George D. Cravenho voted unanimously that the Town amend its protective Zoning By-Laws by adding at the conclusion thereof a Water Resource District By-Law to be appropriately sequentially labeled by the Town Clerk:

WATER RESOURCE DISTRICT

Purpose

The purpose of these regulations is, in the interest of public health, safety and general welfare, to preserve the quality and quantity of the Town's groundwater resources in order to insure a safe and healthy public water supply.

Creation

Water Resource Overlay Districts are hereby created covering the areas described on the map to be entitled Water Resource Districts and to be filed with the office of the Town Clerk. That Map and all explanatory matter thereon shall be made part of this By-Law. Such Water Resource Districts shall be considered to be superimposed over any other districts established in this By-Law. Land in a Water Resource District shall be subject to the requirements of this By-Law as well as to all other requirements of this Zoning By-Law which apply to the underlying districts.

Definitions

For the purpose of this By-Law, the following will define terms used within:

"Process wastewater" shall include all wastewaters disposed on site other than sanitary wastewater.

"Recharge Area" shall mean the area encompassing land and water surfaces through which precipitation enters the groundwater body, and from which groundwater flows naturally, or is drawn by pumping, into a water supply well.

"Toxic or Hazardous Materials" are any substance or mixture of such physical, chemical or infectious characteristics as to pose a significant actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this Town. Toxic or hazardous materials include, without limitation, organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids and alkalies, and include products such as pesticides, herbicides, solvents, and thinners. Wastes generated by the following activities, without limitation, are presumed to be toxic or hazardous:

Airplane, boat and motor vehicle service and repair;
Chemical and bacteriological laboratory operation;
Cabinet-making;
Dry cleaning;
Electronic circuit assembly;
Metal plating, finishing and polishing;
Motor and machinery service and assembly;
Painting, wood preserving, and furniture stripping;
Pesticide and herbicide application;
Photographic processing;
Printing; and
Chlorination of wastewater.

Use Regulations

Prohibited uses — Within the Water Resource District the following uses are prohibited: underground storage of fuel or gasoline or any toxic or hazardous materials, sanitary landfills, junk yards, municipal sewage treatment facilities, car washes, road salt stockpiles, dry cleaning establishments, metal plating, chemical and bacteriological laboratories, fuel or gasoline storage as a principal use, any use which includes retention of less than forty percent (40%) of lot area in its natural state with no more than minor removal of existing trees and ground vegetation, or creation of impervious surfaces covering more than twenty percent (20%) of lot area, any use involving generating of toxic or hazardous waste materials incidental to the principal use: boat and motor vehicle service and repair; and any other use which involves as a principal activity the manufacture, storage, use, transportation or disposal of toxic or hazardous materials.

Performance Standards

To preserve the natural land surface providing high quality recharge to the groundwater, to limit sewage flow and fertilizer application to amounts which will be diluted adequately by natural recharge, to prevent the formation of plumes of contamination in the groundwater system, and to prevent the discharge or leakage of toxic or hazardous substances into the groundwater, all uses other than single family dwellings shall meet the following performance standards:

1. The concentration of nitrate nitrogen resulting from wastewater disposal and from fertilizer application, when diluted by rainwater recharge on the lot shall not exceed seven (7) parts per million (ppm).
2. For dwelling and non-dwelling uses, sewage flow as determined by Title 5 of the State Environmental Code shall not exceed three hundred thirty (330) gallons per day (gpd) per acre of lot area, or exceed twenty thousand (20,000) gpd regardless of lot area, and less than ten percent (10%) of the lot area shall be maintained as cultivated lawn.

3. All toxic or hazardous materials shall be stored in product tight containers protected from corrosion, accidental damage or vandalism and shall be used and handled in such a way as to prevent spillage into the ground or surface waters. A product inventory shall be maintained and reconciled with purchase, use, sales, and disposal records at sufficient intervals to detect product loss.
4. No toxic or hazardous materials shall be present in wastes disposed on the site. Wastes composed in part or entirely of toxic or hazardous materials shall be retained in product tight containers for removal and disposal by a licensed scavenger service or as directed by the Board of Health.
5. With the exception of the seven (7) parts per million (ppm) nitrate nitrogen limit as stated in paragraph 1, contaminant levels in groundwater resulting from disposal of process wastes from operations other than personal hygiene and food for residents, patrons and employees or from wastewater treatment and disposal systems greater than ten thousand (10,000) gallons per day capacity shall not exceed those levels specified in tables C and E of the "Drinking Water Regulations of Massachusetts" (DEQE, June 15, 1977) and as same may be amended, after allowing for dilution by natural recharge on the premises.
6. All runoff from impervious surfaces shall be recharged on the site, diverted toward areas covered with vegetation for surface infiltration to the extent possible. Dry wells shall be used only where other methods are infeasible, and shall be preceded by oil, grease and sediment traps to facilitate removal of contaminated solids. In the vicinity of chemical or fuel delivery points, provision shall be made for spill control.
7. Sand or gravel removal operations shall be limited in depth so that the water table will not be exposed at any time. Land area exposed at any one time shall be minimized and land shall be returned to a natural vegetative state within one year of completion of operations.
8. Where the premises are partially outside of the Water Resource District such potential pollution sources as on-site waste disposal systems shall, to the degree feasible, be located outside the District.

Water Quality Review Committee

1. There is hereby established a Water Quality Review Committee (WQRC), which is comprised of the members of the Board of Water Commissioners or their designees.
2. Certificate of Water Quality Compliance. A Certificate of Water Quality Compliance shall be obtained by the owners of the premises from the WQRC
 - a) For erection of any new principal structure other than a single family dwelling or b) For change in occupancy requiring a Certificate of Use and Occupancy under the State Building Code.

No building permit or Certificate of Use and Occupancy shall be issued by the Building Inspector unless a Certificate of Water Quality Compliance, if required, has been obtained.

3. Requirements

A certificate of Water Quality Compliance shall be granted only as follows:

For new construction or additions or new activities not involving structures, or for changes in occupancy or operation on previously developed premises, only if in full compliance with all Performance Standards hereinabove enumerated.

4. Submittals

In applying for a Certificate of Water Quality Compliance, five (5) sets of application materials shall be submitted to the Building Inspector who shall forward one set to each member of the WQRC. All information necessary to demonstrate compliance must be submitted including but not limited to the following:

- a. A complete list of all chemicals, pesticides, fuels and other potentially toxic or hazardous materials to be used or stored on the premises in quantities greater than those associated with normal household use, accompanied by a description of measures to protect from vandalism, corrosion and leakage, and to provide for control of spills.
- b. A description of potentially toxic or hazardous wastes to be generated, indicating storage and disposal methods.
- c. Evidence of compliance with all requirements of Performance Standards as hereinabove enumerated.

All multi-family development which will have one or more dwelling units, hotels and motels, clustered developments, planned developments, nursing homes and hospitals, and any project resulting in a wastewater discharge of greater than one thousand (1,000) gallons per day (gpd) on any single acre shall be required to submit the following:

- 1) a water table contour map and a geologic description of the area in the vicinity of the proposed project to determine groundwater flow directions;
- 2) projections of nitrogen levels in downgradient groundwater, simulation of contaminant movement in groundwater and delineation of plumes; and
- 3) a projection of the impacts on downgradient drinking water (public and private wells; existing, future and potential), on lakes and ponds, and on coastal waters.
- 4) The information submitted to the WQRC must demonstrate that no significant impact to downgradient water resources will occur as a result of the project.

5. Action

The WQRC shall act within forty-five (45) days of acceptance of a complete application, approving it by issuing a Certificate of Compliance if a majority determine that the applicant has adequately demonstrated compliance with the requirements of the Water Resource District, and rejecting the application otherwise. Failure to take final action by the WQRC in either accepting or rejecting such an application shall not in any circumstance be deemed a constructive approval and shall not be interpreted to create any rights in the applicant.

6. Certificate Review

Each three (3) years the WQRC shall review compliance with this By-Law and the Certificate of Water Quality Compliance. Upon request, Certificate holders shall submit the following:

- Description of any changes from the originally submitted materials;
- Certification that the waste disposal system has been inspected by a licensed septic system installer or treatment plant operator within the preceding ninety (90) days and found to be properly maintained and in proper operating condition.
- Results from analysis of leachate or wastewaters as may be required by the Board of Health.

Evidence of non-compliance shall be reported to the Building Inspector and the Board of Health for enforcement action.

ENFORCEMENT

1. Inspection

These provisions shall be enforced by the Building Inspector or Agent of the Board of Health. The Inspector of Buildings or Agent of the Board of Health may enter upon the premises at any reasonable time to inspect for compliance with the provisions of this By-Law. Evidence of compliance with approved waste disposal plans may be required by the enforcing officers. All records pertaining to waste disposal and removal shall be retained.

2. Violations

Written notice of any violations shall be provided to the holder of the Certificate of Water Quality Compliance, specifying a time for compliance including cleanup of any spilled materials which is reasonable in relation to the public health hazard involved and the difficulty of compliance, but in no event shall more than thirty (30) days be allowed for either compliance or finalization of a plan for longer term compliance, approved by the WQRC.

The WQRC shall be authorized to establish and require payment of such fees, costs, and fines as may be reasonably required to investigate, document, or abate violations of this By-Law.

PLANNING BOARD UNANIMOUSLY RECOMMENDED FAVORABLE ACTION.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

Before the vote on Article #15, it was pointed out that in paragraph seven (7), the word "or" had been omitted between the words "sand" and "gravel". It has been inserted for these records.

ARTICLE 16. On the motion of Richard W. Loring, Jr. voted unanimously that the sum of \$60,000.00 be raised and appropriated to obtain Hydrological Studies of municipal well sites, such funds to be expended by the Board of Water Commissioners.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds in the Treasury a sum of money to pay obligations of the Town for costs, including principal and or interest costs of temporary borrowing, in excess of reimbursements for the design phase of the Sewerage Construction Project voted in Article 5 of the July 22, 1985, Special Town Meeting, or to take any other action relative thereto.

THERE WAS NO MOTION MADE UNDER THIS ARTICLE.

ARTICLE 18. On the motion of Roscoe A. Cole, Jr. voted unanimously that the Town raise and appropriate the sum of \$80,000.00 to be added to the Stabilization Fund.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

ARTICLE 19. R. Newton Heston moved that the Town amend the protective Zoning By-Laws of the Town and the Zoning Map by changing from R (Residential) to B (Business) certain property shown as Lot 148B, Map 11 of the Kingston Assessors Map and containing 35,741 sq. ft., more or less, which property is known as 117 Main Street, Kingston.

PLANNING BOARD VOTED FAVORABLE ACTION -- NO VOTES.

UNFAVORABLE ACTION -- FOUR VOTES.

Mr. David Nagle, representing Mr. Heston, spoke in favor of the article.

FINANCE COMMITTEE RECOMMENDED NO ACTION.

At 10:10 P.M., the quorum was questioned and a count of the house showed that there were one hundred fifty-five (155) voters present. The Moderator declared that the proceedings may continue. And then a vote was taken on Article #19.

YES 28 — NO 85

THE MOTION WAS DEFEATED.

ARTICLE 20. On the motion of Attorney Michael Dunphy voted that the Town amend the protective Zoning By-Laws of the Town and the Zoning Map by changing from R-B (Residential) to B (Business) the following parcel of land:

A portion of the premises known and numbered as 14 Main Street, Kingston (being a portion of Lot 64 on Assessors Map 11) and being shown as Parcel 3B on a Plan entitled "Plan of Land in Kingston, MA prepared for Grossman's, 200 Union Street, Braintree, MA, by BSC Loring H. Jacobs Co.", dated February 3, 1986, a copy of which plan is on file at the office of the Town Clerk of the Town of Kingston.

PLANNING BOARD VOTED FAVORABLE ACTION — FOUR VOTES.
ABSTAIN — ONE VOTE.

FINANCE COMMITTEE RECOMMENDED FAVORABLE ACTION.

YES 134 — NO 1

THIS MET THE 2/3 REQUIREMENT.

ARTICLE 21 was taken out of order, following Article 10, see page 287*.

On the motion of Edmund J. King, Jr., voted to adjourn at 10:20 P.M.

The number of voters present in Precinct I was 128; Precinct II the number was 102; total 230 voters present.

JURY LIST

The jury list is available for inspection during business hours in the Town Clerk's office.

REPORT OF THE BOARD OF SELECTMEN

This past year was another active one for the Board. In addition to the annual licensing of businesses in Town and the various public hearings that were held, the Board also appointed interested citizens to a number of boards, committees, and commissions. We were particularly pleased to appoint a full-time Dog Officer to enforce the Town's leash law.

This was a year that saw the SEMASS contract rejected by Town Meeting and the police move into a new station. Plans to renovate the Town House and relocate various boards to better serve the Town have stalled due to increased costs. We intend to ask for additional funds at Town Meeting. We are continuing our efforts to make the sewerage project a reality.

Due to the increased cost of the Town's insurance coverage, we have begun a study of all our policies.

With the unprecedented growth of the Town, the Board is very interested and concerned on its impact to the community and the services we provide. We are working with the other boards to obtain their input.

We would like to thank our office staff — Anita J. Hadley, our Clerk and Phyllis Ponte — all committee and board members, and our Town employees for their dedication and cooperation throughout the past year.

REPORT OF THE BOARD OF ASSESSORS

The Board of Assessors has appointed Cheryl A. Robertson as Assistant Assessor. She replaces Louise W. Hatch, who also served on the Board for 3 years before accepting the appointment of Assistant Assessor in May of 1984. Louise will be missed by the Board and Staff.

The Office also has a new Clerk, Jean Loverro, to help with the increasing workload. She comes to Kingston with 5 years experience. Because of the impact of growth on our community, the office will continue to be closed to the public on Tuesday mornings, giving the office staff time to work without interruption and to help keep them on the strict timetable necessary to maintain the yearly tax cycle. The office has regular hours on all other weekdays. The regular meeting time for the Board is Tuesdays at 4:00 P.M. Also, we will meet at other times if necessary.

The Board has updated property values in Town to meet the requirements of State Laws for 1986. The next scheduled mandated revaluation for FY 1989 will require that each home be visited. To accomplish this task, the Board has implemented a 3-year program where 1/3 of all parcels will be inspected. The first year of this program has been completed.

The Board would like to reassert its policy of being accessible to the Taxpayer at any time to explain or assist in making information available.

REPORT OF TRUSTEES FREDERIC C. ADAMS PUBLIC LIBRARY

We are again pleased to report that your library has been the center of many activities this past year. Highly-deserved thanks are due the staff and the director, Mr. Oliansky. He has presented many varied programs for the children, young adults and senior citizens. Because of his efforts, the library has been the recipient of many grants which nearly total his annual salary. We are indeed very pleased with all that has been accomplished.

We feel at this time there is need for a committee to be appointed to look into long-range planning for the future of your library. The increase in attendance and activities warrants the need for an addition which will give us the additional space for the children's area and the adult library. We must be realistic and consider our growth and the future; however, we must face the future now!

We ask for your support for this appointed committee. Please come visit. Use your library.

REPORT OF THE LIBRARY DIRECTOR

Adams Library was a busy place to be in 1986 as we presented storytellers, singers, a bus trip to the Children's Museum in Boston, antiques experts, a bridge workshop, a Pilgrim, Kingstonian Walter Birge's stories of intrigue in the Foreign Service, an April picnic and Swing Teens concert in honor of Library Trustee Roland Bailey, and a whizz-bang cheer- and sing-along Christmas tree lighting ceremony and party. And that's just for beginners.

In addition to numerous other workshops and programs, the library also provided passes for free admission to Plimoth Plantation and Boston's Museum of Fine Arts and Museum of Science. The Museum of Science pass was made possible through generous donations from the Lions Club, the Knights of Columbus, the Hilltop Athletic Association and the Library Trustees. The Plimoth Plantation pass was paid for with a grant from the Kingston Arts Council.

The Arts Council was an important resource for the library again this year as they also provided funding for children's folksinger Bill Harley's August concert held in August at the Reed Community Building to mark the end of our tremendously successful summer reading program: storytellers "West of the Moon" enchanted listeners in October thanks to the Arts Council; and we received approval at the end of the year of grant requests for a New England Aquarium pass and a chartered bus to a Boston cultural event.

We also benefited indirectly from an Arts Council grant to local artist Lynn Pauley who received a grant enabling her to mount her first show. Fortunately, she chose the library for her exhibit space and after a well-attended opening reception, her beautiful pastel portraits brightened the adult reading room in September and October.

The library received major grants from two other sources in 1986. Early in the year, L. Knife and Son matched a Mellon Foundation grant of \$500 enabling the library to receive the entire "Library of America," an award-winning series of classic American literature with a retail value of over \$1,600. In November, the Massachusetts Board of Library Commissioners approved our requests of nearly \$7,000 for videocassettes and equipment and \$1,200 for a series of "how-to" and self-improvement programs during National Library Week in April, 1987.

Kingston's library is a busy and vital community treasure but, since our adult section was built nearly 90 years ago and has not been enlarged since, our growth is severely restricted by physical limitations. In order to remain a modern, capable institution we must begin to consider expanding the library building to a size that will more adequately serve the needs of the people of this town.

REPORT OF THE BOARD OF HEALTH

This past year has been a very busy year for the Board. We have seen a tremendous increase in percolation tests indicative of the building boom hitting Kingston, which we predicted earlier would be happening. Associated with each percolation test is the follow-up installation inspection and its paper work.

Our health agent is working three full days each week, with one day reserved for witnessing percolation tests, and the two remaining days for our routine scheduled inspections, paper work, answering complaints, etc.

Our part-time secretary, Dorothy Smith, has informed the Board that she will be retiring on August 1, 1987. In light of the increased office workload, and retirement of our secretary, the Board recommends that the secretary's position be changed to that of a full-time administrative assistant to meet the increased demands on the Board of Health.

Presently, GHR Engineering is working on modifying the already state-approved landfill expansion plans to conform to the current regulations, as these plans were approved back in 1978. In the interim the Board is seeking state approval for vertical expansion of the present site, with the costs associated with this expansion included in our proposed FY 88 budget.

After a public hearing last year the Board issued a "site assignment" for landfill purposes on the donated lot Philips Land off Raboth Road for further future expansion of solid waste disposal for the Town of Kingston.

REPORT OF THE KINGSTON HOUSING AUTHORITY

Kingston Housing Authority facilities were used during 1986 by Meadowcrest residents, the Council on Aging, and the Friends of the Council on Aging for various meetings and social functions. The Authority encourages use of the facilities for Senior Citizen functions.

Forty-seven tenants currently reside at Meadowcrest, with only one vacancy scheduled to be filled by March 1, 1987. Applications and information may be obtained from the Executive Director at the Housing Authority Office on Hillcrest Road.

During 1986 the Modernization/Remedial Construction Program was started and completed giving Meadowcrest a completely new look with vinyl siding as well as badly needed insulation, structural corrections, new windows, doors, carpets and roofs.

Kingston Housing Authority is in the process of trying to secure a site for the development of Chapter 689 Housing for mentally retarded adults to be planned in conjunction with the Plymouth Department of Mental Health.

The Authority wishes to thank the Youth Organizations who have provided entertainment and gifts to Meadowcrest residents.

The Authority wishes to express its gratitude to all Town Departments for their cooperation during the past year.

REPORT OF THE PARK COMMISSION

The year 1986 began in an unfortunate way for the Park Commission due to the malicious destruction by fire to the Gray's Beach concession stand and restrooms. But through the generosity of the Kingston Lions Club and many townspeople the concession stand was rebuilt. The Park Commission would also like to thank all those who volunteered their time and labor and to all the local businesses who donated the building material.

Gray's Beach Park provided a good recreation spot for local residents during the summer months. A music concert was scheduled by the commission and was thoroughly enjoyed by all who attended.

The gates at the beach were greatly improved in the hope of deterring any vandalism. Boulders were also placed around the perimeter of the beach for the winter months to prevent access.

Once again geraniums were planted at all Town memorials and parks in observance of Memorial Day.

The Park Commission would like to thank the Police, Fire, and Highway Departments for their much needed help and assistance during the past year.

REPORT OF THE PLANNING BOARD

The past year has been an extremely busy one for the Planning Board. The Town is entering a period of growth, the likes of which has never been experienced before. The Board has been reviewing numerous subdivisions of various sizes in the past 12 months. In addition, the Board now has a major site plan review process that is time-consuming, however, we feel greatly benefits the Town. Once again the Board has voted to propose 2-acre zoning for certain areas of Town at the Annual Town Meeting. Commercial development is active once again with the proposal of a shopping mall at the old Kingston Drive-In site and Pyramid Corporation is once again interested in building in the south area of Town. The Board will strive for excellence when reviewing these and other proposals in an effort to keep the increases in traffic and demand on Town services to a minimum.

REPORT OF THE PLAYGROUND COMMISSION

In 1986 the Playground Commission was happy to see the summer program expanded from 150 children in 1985 to 250 in 1986 and expect an even more of an increase in 1987. The program went extremely well under the guidance of the Commission and Supervisor Kevin McAuliffe. The addition of an Arts & Craft Specialist was a big plus.

The Commission also installed all new aluminum bleachers and a complete reconstruction behind the minor league baseball field was completed. With the Sampson Fund money, we are replacing all the old baseball backstop fencing to be completed in the Spring of 1987. In regard to the Reed Community House, we did many minor repairs and kept the building safe and available to the people of Kingston.

The Commission would like to thank Carl Atwood and the personnel of the Highway Department for their help.

REPORT OF THE TREE WARDEN AND MOTH SUPERINTENDENT

These departments have been kept extra busy this year in complying with the required necessary duties combined with the usual requests made by Town inhabitants. It is regrettable that often times, such requests are beyond the limits allowed by law and, therefore, cannot be fulfilled.

Through the foresight and generosity of those voters at Town Meeting, funds were appropriated for the purchase of a pick-up truck. The low bidder was accepted and a GMC 3/4 ton truck was obtained. This vehicle has proven to be satisfactory for the work intended. However, it is my duty to inform you that the International dump truck with the boom is 10 years old and has over 100,000 miles of use. It is of the utmost importance that this piece of equipment be replaced in the near future.

The new employee for the Tree Department is working out extremely well and funds will be requested in my budget to retain him permanently.

Finally, the departments have done the usual tree and brush trimming along the sides of Town accepted roads; also making replacement of trees where needed with the allotted funds therefor.

I sincerely thank the personnel of my departments for their support and conscientious work during the year. I also extend my appreciation to the Town Officials and the various Town Departments without whose cooperation and assistance this department would be more difficult to operate.

REPORT OF THE WATER COMMISSIONERS

On the 100th Anniversary of the Water Board, it is our pleasure to be serving the Town, have the opportunity to express our feelings, and to report on the year 1986. The challenges facing the department were many, requiring numerous long and hard decisions. There were several appointments at every Board meeting to deal with new developments, various water taker's problems, and future growth of the system.

In early November, our Winthrop Street pumping station was destroyed by fire. As this report goes to print, no settlement has been made with the insurance company.

Happily, the water department revenues showed a steady increase helping to offset the tremendous cost in maintaining and improving the system.

Mr. Carl G. Atwood retired on November 1, 1986, from the Water Department after serving for six years in the dual role of Water and Highway Superintendent.

Mr. Michael G. MacPherson was promoted from within the Water Department to the position of Superintendent of Water. He had obtained the Commonwealth of Massachusetts Board Certification of Operators of Drinking Water Supply Facilities, Grade 3, surpassing the minimum requirement for the advertised position.

The Water Commissioners will have four articles to be considered at Town Meeting: 1) a new truck for the superintendent; 2) the Winthrop Street well must be rebuilt; 3) land must be acquired for future well sites; and 4) the overlay district (that was denied by the Attorney General last fall) will now include the necessary maps.

The Water Department has increased the frequency and type of the on-going water quality testing which has been a matter of policy for years and been instrumental in the superiority of Kingston Water.

This year's Town Report will show a report of the Water Department from its inception to the present. We hope you will enjoy learning our history and reading the statistics and income report which follow.

We have enjoyed serving the citizens of Kingston and hope that you will join us at the Annual Town Meeting to meet and vote favorably on the needs of the Department.

REPORT OF THE ANIMAL CONTROL OFFICER

The Leash Law is being obeyed very well by many people. I am doing my best to enforce this law.

In the past five months from August through December, I have picked-up 67 dogs in the street.

40 dogs — collected fines for and returned to owners

14 dogs — adopted

5 dogs — disposed of — ill or unwanted due to age

5 dogs — stolen or released from pound

3 dogs — in pound at present time

REPORT OF THE BOARD OF REGISTRARS

The Board of Registrars met throughout the year, holding registration sessions, giving instructions to election workers prior to the elections, and certifying petitions. This year saw the following petitions certified:

TYPE	NO. PAPERS	NO. CERT. SIGS.
Initiative	26	171
Annual Town Meeting	9	117
Special Town Meeting	18	352
State nomination	92	1359
County nomination	7	205

For the second year, the Town Census was done by mail with the help of LHS Associates of Andover, who also produced a new voting list for each election and Town Meeting.

The following comparisons of population and voters for 1985 and 1986 are given:

REPORT OF THE CIVIL DEFENSE

This agency maintained a close schedule of Monday night CB radio drills plus monthly staff meetings, all held at the Emergency Operations trailer adjacent to the Fire Station.

Our staff provided communications for the Plymouth Fourth of July Parade and the Plymouth Philharmonic outdoor concert the same evening. We also provided communications for the Carver Cranberry road race, the Kingston Hilltop race, and the Michael Miller Memorial race in Halifax, as well as public address for the Kingston Fire Department Muster.

For the first time we provided communications and traffic control for the Evanswood Clambake and Summer Festival.

The following volunteered their time and services throughout the year:

Al Borghesani
Barbara Jo Borghesani
Robert Borghesani
Henry Bradford
Pine DuBois
Bob and Pat Ead (Carver)
Fred Elder
Joseph Glass
John Gomes
Roland Jasmin
Chet and Anita Mitchell
Lois Mulliken
Dick Paget (Marshfield)
Dennis Tavares
Steve Valler

REPORT OF THE CONSERVATION COMMISSION

This past year has been one of the busiest on record for the Conservation Commission. Hearings came before the Commission which resulted in approvals for subdivisions on Wapping Road, West Street, Smith's Lane and Hilltop Avenue.

Through legal counsel and engineer, Walter Amory, the Commission was able to contribute to the denial by the Water Resources Commission of Brockton's request for a permanent Inter Basin Transfer of the Pine Brook.

The Conservation Commission proposed a two-year moratorium on building within the Silver Lake watershed in order to provide time to study the impact of development on the watershed and make recommendations for preservation of water quality. This was upheld by the Attorney General.

At the October Special Town Meeting the Commission presented an article which was passed by the Town and approved and signed by the General Court and the Governor to establish a Guaranteed Deposit Fund which will insure that the Commission has the needed monies to pay for professional consulting services. The monies are to be held on deposit from the applicants.

The Conservation Commission initiated the process for Open Space Planning. A \$5,000 grant was received from the Department of Environmental Management to hire a planner and money was appropriated at the Special Town Meeting for maps, surveys and appraisals. The Open Space Plan is underway.

For its efforts the Conservation Commission was designated Conservation Commission of the Year and received a plaque from the Plymouth County Conservation District.

REPORT OF THE COUNCIL ON AGING

Central to the activities of the Council for the past year has been the development of Project Outreach. Through grants from the Executive Office of Elder Affairs and the Old Colony Planning Council we were able to develop a volunteer program to provide home visits, telephone outreach, and other services for seniors who may be confined to their homes. There continues to be a growing need for volunteers to assist our Project Outreach coordinator.

The statistics for the year continue to reflect a growing senior population. The 1986 listing indicates a total of 1,403 individuals aged 60 or over at the end of 1986.

The Senior Shuttle mileage increased, from 17,220 in 1985 to 18,674, as did the number of Meals On Wheels delivered; from 4,843 to 5,083. Again in 1986 the Thursday Hot Lunch program gained in popularity, as the attendance reached an average of 88 each week.

Regular programs of the COA have included the Senior Singing Society, the Line Dancing, the Humanities Group, Bowling and the regular Health and Blood Pressure clinic each month. One hundred and fifty-seven seniors took advantage of the Flu Shots provided by the Board of Health and Plymouth Community Nurse Association.

Special events included the Third Annual Senior Olympics and Cookout, shared with the Evanswood Center for Older Adults and Adult Day Health participants. At the annual Awards Day luncheon COA volunteers and members of RSVP received recognition for their community service.

The COA and Evanswood have begun sharing their shuttle service, as the new Evanswood van has installed a two-way radio system compatible with the COA system. Mutual aid in meeting individual needs is being expanded, as are shared trips to special events.

The COA received grants totalling \$7,184. \$2,807 was returned to the Town from Thursday luncheon contributions.

REPORT OF THE OLD COLONY PLANNING COUNCIL

As your representatives to the Old Colony Planning Council we are pleased to present this report of the Council's activities for 1986.

In 1986, the Council's planning district was expanded to include the town of Halifax as a member. The town of Halifax, by vote of its town meeting, became the 14th member community of the Council and was previously only one of three communities in Massachusetts not affiliated with a regional planning council. The Council officially voted to accept Halifax as a member in May of 1986.

The activities of the Council were focused in three major areas in 1986: Community and Economic Development Planning; Transportation and Transit Planning; and, Area Agency on Aging Planning including the coordination and implementation of elders service programs.

The issue of future water supply and the allocation of resources continued to dominate the agenda of the Council and be the most important community development issue. A series of meetings and seminars on future water supply were sponsored by the Council in an effort to provide local officials with the opportunity to become better informed on the nature of the water supply allocation problem and what might be done to satisfy the present and future needs for water in resource deficient communities. It was clear from these meetings that the Commonwealth's Water Supply policy is deficient in the sense that it does not facilitate communities working together to address their problems cooperatively, but fosters independent and individual community approaches. Consideration must be given to revising the current State Water policy to create the proper atmosphere to encourage communities to join together to determine how they can best meet their future water supply requirements and to sustain future growth in the region.

Other community development planning activities of the Council involved working with the Town of Stoughton on a Strategic Planning Grant program that includes open space planning, housing needs and the planning for the future use of developable land; providing the towns of Avon and Abington with professional planner services on local development issues under an EOCD innovative grant program; and, providing planning services to the towns of Halifax, East Bridgewater and Whitman on local planning and development concerns as part of another EOCD innovative grant program.

Economic Development activities of the Council were guided during the year by the Overall Economic Development Program (OEDP) Committee chaired by Mr. Joseph P. Joseph, Executive Director of the Brockton Area Private Industry Council. The OEDP Committee is the principal economic development coordinating mechanism in the region and is responsible for recommending Council action on applications for Industrial Revenue Bond (IRB) financing. This past year the OEDP Committee processed four applications for IRB funding in the amount of \$7,750,000. The number of applications and amount of IRB financing was down dramatically from 1985 when \$50,850,000 in IRB financing was approved for funding by the Council. The decline in the use and availability of this important economic development financing mechanism is the result of U.S. Treasury Department restrictions capping bond monies that can be issued. A meeting on changes in the Massachusetts Industrial Finance Authority program was sponsored by the committee in the early fall to keep economic development organizations in the region informed.

The Transportation and Transit planning activities of the Council required the preparation of a number of documents during the year for OCPC member communities to remain eligible for state and federal transportation improvement program funds. These included the Transportation Plan update; the Transportation Improvement Program and a Prospectus of the region. In addition, three major traffic improvement studies were relied on during the year: the Route 3A Traffic Study in Kingston and Plymouth; the Route 27 Traffic Study along a one-half mile section of Central Street in Stoughton where it intersects with Canton Street, Tosca Drive, Island Street and West Street; and, the Route 53 Traffic Study along a nine mile section in Pembroke, Duxbury and Kingston.

The Council staff completed approximately 170 traffic counts for member communities and the Mass. DPW using traffic recording devices to note existing traffic volumes at these locations. Traffic counts have been made in almost every OCPC community during the year.

As part of the MDPW Energy Refund Signal Improvement Program (ERSIP), OCPC sponsored a workshop for local officials to demonstrate the capabilities of the latest highway engineering micro-computer software packages. The objective of this program was to provide local communities with the capability to analyze congestion problems at signalized intersections and to evaluate the effectiveness of possible solutions. In addition, the accident data recording system began its second year of operation on January 1, 1986 and has proven to be a success. To date, eight communities are participating in the program. During the past year the Council provided printed Accident Summary Reports for each community participating in the program. The information developed from the above sources is essential to the transportation planning activities of the Council and to local officials in developing solutions to traffic and transportation problems.

Other transportation activities included an evaluation of the Brockton Area Transit (BAT) Ashmont Expressway Service during the reconstruction of the Southeast Expressway and monitoring and planning for the entire BAT system. During the year, the town of East Bridgewater became a member of BAT primarily to obtain Dial-A-BAT Service.

The Council was also involved in efforts to restore rail lines in the region and participated in several local public involvement meetings held in area communities. During the past year the Council also assisted local public and private agencies in filing applications for 16 (b) (2) vehicles under the Mobility Assistance Program.

The Council, acting as the Area Agency on Aging, was responsible for administering Older Americans Act monies allocated to the region. The Area Agency funded and coordinated a wide range of community, in-home and nutritional services for elders. District communities directly benefiting from Title III grants from the Area Agency in 1986 include: Avon, Nutrition Program; Brockton, Dorn-Davies Senior Center; Easton, transportation for handicapped elders; Kingston, Nutrition Program and Outreach Program; and, Plymouth, Senior Center Programs.

In addition to the direct funding to these communities, several other programs are administered regionally for the benefit of elders in the entire service area. These programs include the Volunteer Transportation Program and Nursing Home Ombudsman Program administered by the Area Agency. Old Colony Elderly Services administers the Emergency Assistance Program for elders and the Six Town Minibus Program for the communities of Avon, East Bridgewater, West Bridgewater, Halifax, Hanson and Whitman. Other programs administered regionally include the Senior Law Project, home health aide and respite care, and several hospice programs.

Nutrition services in the form of congregate and home delivered meals are made available through Title III-C monies in many communities in the service area. Several communities including Avon, Carver, Kingston, and Middleboro receive assistance to prepare meals locally. Many other communities participate in the nutrition program administered by Old Colony Elderly Services receiving prepared meals from a caterer.

In 1986 John J. DeMarco of Avon was elected as President of OCPC; Robert W. Smith of East Bridgewater was elected as Council Secretary; and James A. Kassos of Brockton was elected as Council Treasurer for the year.

The Council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of members of the Joint Transportation Committee chaired by Mr. John Yancy; the Overall Economic Development Committee chaired by Mr. Joseph Joseph and the Area Agency on Aging Advisory Committee chaired by Mr. John Mather. The Council also recognizes the work of local boards and commissions and the many government agencies, public and private institutions and individuals who have assisted the Council.

REPORT OF THE PLYMOUTH COUNTY COOPERATIVE EXTENSION SERVICE AND DIRECTOR

The County Cooperative Extension Service is located on High Street, Hanson (on the grounds of the County Hospital). Cooperative Extension is a partnership of the United States Department of Agriculture, the land-grant college — the University of Massachusetts, Amherst, and county government.

County Agents are specialists in Agriculture, Community Resource Development, Home Economics, 4-H, and Nutrition Education, and deliver programs in these areas to local residents.

Staff consists of a director, two regional agricultural specialists, a community resource development specialist, two home economists, three 4-H agents and a split position, 4-H/home horticulture. In addition, Cooperative Extension administers a federally funded nutrition education program, the Expanded Food and Nutrition Education Program (E.F.N.E.P.), located in Brockton. This is staffed by a nutrition specialist and program assistants (six full-time equivalents) who deliver the educational program to families with limited resources.

Cooperative Extension serves the public through educational conferences, workshops, phone call assistance, field visits and timely newsletters.

In our 4-H program last year 16,649 youths were enrolled, of that number 725 were enrolled in club programs, and 15,924 were exposed to 4-H through short-term projects. 821 volunteers assisted in conducting the county 4-H program.

Newsletters, free for the asking, are *Garden Clippings*, a monthly horticulture fact-filled publication; *So-Sew*, informational "how-to" letter for the serious home sewing; *Creative Living*, provides current information in the areas of clothing and textiles, human development, housing and home management. Newsletters for commercial agricultural enterprises are available (Small Fruit, Vegetables, Tree Fruits, Small Farms and Livestock).

Your County Cooperative Extension office can be of service to you by calling 293-3541 Monday through Friday, 8:30 a.m. — 4:30 p.m.

REPORT OF THE BOARD OF FIRE ENGINEERS AND FOREST WARDEN

During 1986, the Fire Department worked to meet the increased demand for services presented by the continued building expansion and increased population of the Town.

A new pumper with increased pumping capacity and capabilities of carrying extra water and equipment was placed in service replacing a 1959 pumper.

Members of the department are in the process of building a combination pumper/tanker for use in areas not served by Town water and for forest fires. The chassis for this truck was obtained at no cost through the State Bureau of Fire Control.

A rescue ambulance was approved by Town Meeting and delivery is expected soon. This unit will be placed in service along with the existing unit and provide better coverage for rescue and medical calls.

The engineers' request for a study committee and funding for plans for a sub-station were approved and the committee formed. The engineers feel this should be given a high priority, as the ability to properly serve the Town from one overcrowded facility has become nearly impossible.

Five probationary call firefighters finished their one-year probation and were added to the department to fill vacancies caused by retirements. Town Meeting approved funds for one full-time firefighter/EMT and this person will be added to the day shift, the period of lowest available manpower.

Nineteen eighty-six marks the 99th year the Fire Department has served the citizens of Kingston. A committee comprised of active and retired members of the department, their families and volunteers was established to prepare a celebration of the 100th year of service in 1987.

REPORT OF THE FIRE STATION STUDY COMMITTEE

The Kingston Fire Station Study Committee, authorized by the 1986 Annual Town Meeting, has been meeting on a weekly basis since October 1, 1986.

The Committee has been reviewing Town records and statistics concerning emergency response and new development.

The Committee decided that the area on both sides of Main Street from Ho Jo's to the Plymouth line is in the most serious need of immediate improvement of Fire and Rescue service.

Further study revealed that this area consists of approximately 10% of the Town's land mass and accounts for more than one-third of its emergency calls.

The Committee is recommending a site off Smith Lane opposite the water tank, which is Town-owned property.

This site allows rapid access to the Main Street, Rocky Nook, and Route 3 areas and also allows better access to the southwest area of Town. This area includes Indian Pond Road and Elm Street and has over 250 new homes built or approved for building in the last five years.

The Committee also recommends the Town give consideration to an additional site in the area of Pembroke and Grove Street to serve the west area of Kingston.

The Committee has retained the services of Travers Associates Architects, a company with considerable experience designing fire stations.

The Committee and Travers Associates have been working toward the design of a fire station to meet our current needs, while not forgetting the future needs of the Town.

Complete plans and cost estimates will be ready for consideration at the 1987 Town Meeting.

REPORT OF THE HARBORMASTER

The slips were put in the water on May 15, 1986 and taken out of the water on November 7, 1986 by the Harbormaster with the Highway Department assisting.

The channel markers were also removed by the Harbormaster.

The following is a summary of calls received and answered this year:

Boating Violations	4
Boating Violation Warnings	18
Parking Violations	11
Parking Violation Warnings	9
Cars Towed from Ah-de-Nah Parking Lot	2
Boats Towed	22
Complaints from Smelt Pond	4
Calls from Kingston Police Department	12
Calls from Coast Guard	28
Calls from Plymouth Harbormaster	16
Calls from Duxbury Harbormaster	12
Calls about overdue boats	22

The Harbormaster would like to thank the Kingston Police, Fire, and Highway Departments for their prompt assistance.

REPORT OF THE HIGHWAY DEPARTMENT

During 1986 this department continued its resurfacing program and Type I resurface overlay was installed on Elm Street, from Jones River Village to Indian Pond Road, Leigh Road, Sunset Road, Peck Street, and a portion of Home Park Court. This department also resurfaced and installed berms on streets for the Water Department in lieu of so-called permanent patching in conjunction with their water main rehabilitation projects. Included in these projects were Landing Road, Linden Street, East Avenue, West Avenue, Rocky Nook Avenue, Oak Street, Chilton Avenue, Bay View Avenue, Page Avenue, and Alden Street as well as portions of Cole Street, Cedar Street, and Spruce Street.

Sand seals were applied to Winter Street, a portion of South Street, Parting Ways Road, Cross Street, Center Street, and Second Brook Street. Although these seals were technically successful, many complaints were received from residents because of dust and this process will not be used again by this department in a residential area.

Cold mix resurfacing was applied to Mazzilli Avenue and a portion of Ring Road.

Drainage installations were made on Landing Road, Pembroke Street, Mazzilli Avenue, and Ring Road. Again, this year, drainage installation was limited due to availability of the backhoe, which was used by the Water Department.

This department also assisted the Water Department in the replacement of the Peck Street water main.

Berms were installed on Prospect Street, Brookdale Street, Indian Pond Road, and Ring Road.

The second condemned house on West Street was disposed of after a fire training exercise and the foundation holes of both houses filled and graded, thereby ending many years of complaints regarding these two houses.

Two pick-up trucks voted at the 1986 Town Meeting were received and put into service, as well as a new sander, also voted.

This department also constructed Handicap parking and access ramps at the Faunce School and Elementary School polling places.

My thanks to the personnel of the Highway Department and to the other Town employees and officials for their cooperation and assistance.

REPORT OF THE HISTORICAL COMMISSION

The Kingston Historical Commission has met on a monthly basis throughout the year. We said good-bye to two of our members, Kathleen Walker and Dennis Olsen. We wish them all the best, and many thanks. The Selectmen appointed to the Board, Fred Elder... welcome!

The Commission members have worked all year on the Town survey for the Massachusetts Historical Commission. We also are working on Date Boards for homes already surveyed. The paperwork is into the Mass. Historical Commission for placing the Bradford House on the National Register. The Commission is also undertaking the painting of the Faunce School.

Our many thanks to all members of the Board and all who helped us over this past year.

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

The number of inquiries which we have received regarding industrially zoned areas has increased considerably in the past year. It seems obvious that results of this increasing interest in Kingston will become evident in the near future.

We were pleased to actively support the additions to our zoning by-laws which were so overwhelmingly voted at the October Town Meeting and thank the voters for their interest.

REPORT OF THE INSPECTOR OF ANIMALS

Recent years have witnessed a profound change in the makeup of our animal population. There has been a marked decrease in the number of cattle with a corresponding rise in the number of riding horses and pets in town. This reflects a change in the basic makeup of our community from what was formerly semi-rural to exurbanite.

As an accompaniment of this trend, there has been a striking increase in incidence of heartworms in our dog population which is transmitted by the bite of an infected mosquito. This makes it increasingly advisable for every dog in the area to participate in an annual diagnostic blood test each spring followed by preventive medication to be administered for several months.

There was a disturbing increase in the number of reported dog bite cases last year as a result of which 40 dogs were quarantined on suspicion of rabies. Fortunately, all of these dogs were released after the customary 10-day observation period, inasmuch as no signs of rabies appeared. Reports of the foregoing cases were forwarded to the state authorities.

Throughout the country, there has been a striking increase in the incidence of rabies, particularly in the wild animal reservoir and in cats.

These two events emphasize the increasing necessity to have all pets (cats as well as dogs) immunized against rabies. To that end, the town has conducted an annual clinic to provide such immunization, aside from those administered privately. Similarly, it becomes imperative to increase public awareness toward the avoidance of attempts to domesticate wild animals, especially skunk and raccoon.

The annual census of farm animals was completed, and the report forwarded to the Division of Animal Health.

I wish to thank the members of the Board of Health for their cooperation in organizing these inspections.

REPORT OF THE BUILDING INSPECTOR/ ZONING ENFORCEMENT OFFICER

It was another record year for construction activity in Kingston, with over \$16,000,000 worth of building permits issued. Residential construction accounted for 163 new dwelling units including 90 multi-family or condominium units. This accounted for record department income of \$69,169.

Senior Clerk, Mrs. Gladys Malone, retired on September 26th after completing 12½ years of continuous employment for the department.

Listed below is a recap of the 1986 activities.

The total number of Wiring Permits issued for the year 1986 were 335 with a total of \$7,529.00 in fees collected.

REPORT OF THE OCEAN SANCTUARIES ACT STUDY COMMITTEE

There was no definitive change in the status of the proposed Plymouth sewage treatment plant expansion during 1986. Additional land application sites are being studied by Plymouth and state agencies. The state Task Force on possible changes to the Massachusetts Ocean Sanctuaries Act met eleven times during 1986 but has not yet issued a report. No action was taken by the Legislature on 1986 House Bill 1900 (purporting to grant the Town of Plymouth an exemption under the Ocean Sanctuaries Act for the increased harbor discharge of sewage treatment plant effluent) and no similar legislation has been filed for 1987.

REPORT OF THE POLICE DEPARTMENT

Nineteen eighty-six has been a busy year for your Police Department. The highlight of our year was moving into our new station at 244 Main Street. After much planning and diligent work done by many, the move was accomplished in January of 1986. A note of thanks must be expressed to each and every one of you who voted to make this beautiful building a reality. The Town of Kingston should be proud of its newest municipal building.

Among 1986's occurrences was the retirement of Officer Donald Elwell. Don has been a well-known figure within the department as well as the Town, and his retirement was much deserved. A new face, Alan Cabral, has been added to the ranks. Alan, a long-time resident of Kingston, has completed his basic training and will begin as Patrolman in January.

In order to keep up with the population growth within the Town, and increasing demands for service, this past year we have adopted a new reporting, dispatching, and indexing system. Hopefully this will allow the department to keep up with our increasing calls for service. In the past five (5) years, Kingston has been witness to new growth — a mall, many housing developments as well as business expansion. And yet, your department has remained the same. Plans for the future must include new officers to adequately serve the Town of Kingston.

REPORT OF THE POLICE STATION BUILDING CONSTRUCTION COMMITTEE

The new Police Station was formally dedicated on February 17, 1986, an open house ceremony attended by over six hundred (600) people and local and state officials. The Registrar of Motor Vehicles, Alan A. Mackey, was the keynote speaker.

The Committee is still in the process of completing the project and is pursuing remedial work by the General Contractor, in particular, replacement of the roof covering which has exhibited defects since first installed. Outside lighting and landscaping remain to be completed under separate contracts. The Harold F. Govoni Post of the American Legion donated the flag pole at the front of the facility.

The Town received reimbursement from the State in the amount of ten thousand eight hundred dollars (\$10,800.00) for suicide prevention features in the lockups as mandated by law.

REPORT OF REED BUILDING RENOVATION COMMITTEE

The Committee, as authorized by Article 32 of the 1986 Annual Town Meeting, has met on a regular basis and will present to the 1987 Annual Town Meeting, Articles which will provide for certain renovations to the Reed Building. The Committee has had an independent review performed on the original architectural study as required by law. It was determined that the cost estimates prepared by Brown and Lindquist, Architects, and presented at the 1986 Annual Town Meeting were proper and reasonable. The intention of the Committee is to formulate a multi-year plan for the rehabilitation of the Reed Building.

The Committee accepts the reality of fiscal restraints and as such, intends to present a program that assumes the Town's desire to save the Reed Building while operating within the Town's financial limits.

REPORT OF THE SHELLFISH CONSTABLE

This year has been a rather busy one for the Shellfish Department.

Early in the summer, we seeded quahogs along the outer shoreline from Delano's Wharf to the Association Beach with the hope that we can get a good seed base.

In October of this year, with the help of the Kingston Boy Scouts and the Shellfish Advisory Board, we transplanted seed clams from Gray's Beach to the north side of Delano's Wharf. We used a new system called the Hydraulic method.

The mussel beds have been depleted to such an extent that we requested that the beds be closed for at least a year.

The pollution in the bay is still of great concern and if something isn't done to protect our natural resources, we stand a good chance of losing it all.

Our thanks again to the Boy Scouts, the Shellfish Advisory Board and to the Selectmen's Office staff, Anita Hadley and Phyllis Ponte for their help.

Also, our thanks to the Fire Department for the use of their equipment.

REPORT OF THE TOWN GOVERNMENT STUDY COMMITTEE

The 1986 Town Meeting established the Study Committee to study the organization of Town Government, to consider the option of establishing a Charter Commission and to provide recommendations for changes in the present Town Government. Said report is due at the next Annual Town Meeting.

The Study Committee administered a questionnaire to Town Officials, held extensive public interviews with Town Officials and board members and is working with the Massachusetts Municipal Association to prepare the Study. The Massachusetts Executive Office of Communities and Development funded the study for \$10,000 through its Incentive Aid Program.

The Study Committee has found a strong consensus amongst Town Officials relative to Town Government needs and will present its recommendations, based on this consensus, in the form of five articles to appear on the Town Meeting Warrant for members to consider. The final report will present a comprehensive look at Kingston Town Government to be used as a tool for decision-making.

Committee members include: John Jessup, Miriam MacInnis, Daniel Sapir, and Kenneth Stevens. The Chair is Clive Beasley.

Due to the increased amount of paper work and number of veterans and widows requesting assistance, the hours of this office have been extended. We are now open every Monday and Friday from 9 a.m. to 1:30 p.m.

May 18, 1986 saw the dedication of the William C. Gould Memorial in front of the Faunce School on Green Street. This was a very impressive ceremony, and we wish to thank those who participated. Our special appreciation is expressed to the members of the Veterans of Foreign Wars whose untiring efforts made this memorial possible.

REPORT OF THE WAGE AND PERSONNEL BOARD

The Wage and Personnel Board has endeavored to respond to numerous requests from department heads and governing bodies with regard to salaries and interpretation of the Wage and Personnel By-Law. Requests have been reviewed in preparation for recommended changes at the Annual Town Meeting. The Board has attempted to fulfill its duties in an equitable and responsible manner, and questions regarding financial remuneration are being carefully evaluated due to the financial constraints of the Town. The Wage and Personnel Board is concerned that a balance be achieved between appropriate wages for Town employees and equity for Town taxpayers.

WAGE AND PERSONNEL BOARD

PERSONNEL BY-LAWS

Section 1. Authorization

Pursuant to the authority contained in Sections 108A and 108C of Chapter 41 of the General Laws, there shall be established plans, which may be amended from time to time by vote of the Town at a Town Meeting: (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan; (c) providing for the administration of said classification and compensation plans; and (d) establishing certain working conditions and fringe benefits for employees occupying positions in the classification plan.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

"Town," the Town of Kingston;

"Civil Service Law," Chapter 31 of the General Laws of the Commonwealth, as amended, and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

"Classification Plan," class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

"Class," a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

"Position Class," same as class (a class may include only one position, in which event it is defined as a "single position class");

"Group," an occupational group of classes appearing in Schedule A of Section 8;

"Department Head," the officer, board or other body having immediate supervision and control of a department;

"Employee," an employee of the Town occupying a position in the classification plan;

"Department," a department, board, committee, commission or other agency of the Town subject to this by-law;

"Fiscal Year," 7-1 to 6-30 within the year of this by-law;

"Administrative Authority," the elected official or board, or the appointed official having jurisdiction over a function or activity;

"Full-time employment," employment for not less than seven hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave and other leave of absence;

"Part-time employment," employment for less than full-time employment, as defined above;

"Continuous employment," employment, uninterrupted except for required military service and for authorized leave, sick leave, bereavement leave, or other leave of absence;

"Full-time employee," an employee retained in full-time employment;

"Part-time employee," an employee retained in part-time employment;

"Position," an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

"Permanent position," any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

"Permanent employee," (1) an employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

"Temporary position," or "seasonal position," any position in the Town service which requires or which is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work of its occupation group shall be considered as part-time;

"Temporary employee," (1) any employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

"Intermittent service," personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service;

"Casual service," personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through C in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

"Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar differences between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in the range of compensation grade;

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

Section 3: Personnel Board

(a) There shall be a Personnel Board to be known as the Wage and Personnel Board; composed of three (3) unpaid members, who shall not be employees or elected officials of the Town, responsible for the administration and maintenance of classification and compensation plans. One member of the Board shall be appointed by the Moderator, one member by the Finance Committee and one member by the Board of Selectmen. The three members of the Board shall be appointed for terms of one year, two and three years, respectively, and upon the normal expiration of these terms their successors shall be appointed by the same appointing authorities for terms of three years.

Original appointments to the Wage and Personnel Board under this by-law shall be made not later than thirty days following the effective date of the by-law; and subsequent appointments shall be made within thirty days following the expiration of the term of the Board member who is to be replaced.

The Board shall draw up and recommend to the Town a proposal for classification and compensation plans for consideration as a Town by-law; and shall from time to time recommend to the Town any action deemed necessary to maintain a fair and equitable pay level.

The Board shall make an annual report in writing to the Finance Committee and the Board of Selectmen 60 days prior to the annual Town meeting.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary and clerk. A majority of the board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions of specifications of the classes in the classification plan, each consisting of a statement describing the

essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for a position, and/or such other variance in the compensation plan as it may deem necessary for the proper functioning of the services of the Town. No variance shall become effective unless, or until, the necessary funds have been appropriated therefor.

Section 4: Classification Plan

(a) All positions in the service of the Town except those excluded in Section 1 are hereof classified by the title appearing in Schedule A of Section 8 which is made a part thereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title in each class, as established by the Classification Plan, shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification and compensation plans.

(e) In filling any vacant position which comes under the By-Law, such positions must be advertised for at least two weeks in the newspapers which the Town customarily uses for legal notices. If the open position can be filled by promotion from within the department, then the vacancy need not be advertised. The last vacancy, however, which results from such promotion or promotions must be advertised as indicated above.

Section 5. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through C in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly semi-monthly, annual or other basis, as at present, except as provided in the Compensation Plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any employee in a position so classified except in accordance with the Compensation Plan.

(d) No person shall be appointed, employed or paid as an employee in any position to the provision of the Classification Plan under any title other than those appearing in Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

1. On January first or July first provided he/she has completed twenty-six weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.

2. Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of compensation grade to which his position class is assigned.

3. Employees in continuous part-time employment eligible for increments under the provision of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedule B of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B of Section 8 shall receive increments as provided in the preceding sub-section on the basis of twenty-six weeks employment constituting one year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4 (b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, the adjustment shall be to the second rate above the existing rate, but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January of July first following completion of twenty-six weeks at the rate resulting from the promotion.

(i) If an employee's rate at the time of adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B of Section 8 this rate shall not be reduced, but shall become a personal rate applicable only to said employee as defined in Section 2.

(j) Each department head of a department to which is assigned an employee occupying a position in the Classification Plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing fiscal year and shall furnish a copy thereof to the Board.

(k) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The Classification Plan and/or the Compensation Plan and/or other provision of this by-law may be amended by vote of a Town Meeting. Requests for such amendments shall be made to the Board in writing. All written requests of amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this by-law must be submitted to the Board no later than three months and fifteen days prior to a Town Meeting. Whenever such a petition is received the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days written notice. Prior to a Town Meeting the Board shall file with the Selectmen for insertion in the warrant for the next Town Meeting an article sufficiently stated to permit the Town to act upon the subject matter or any such petition, provided that the subject matter or petition be recommended by an affirmative vote of 2 of the 3 members of the Board. Any subject matter or petition which was submitted to the Board within the prescribed time limits as stated above which the Board did not act favorably upon may be presented at a Town Meeting. At the same time, the Board shall file with the Finance Committee a final report; with recommendations, pertaining to any such petition, provided that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of 2 of its 3 members.

b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is

supported by an affirmative vote of 2 of its members; the Board shall proceed according to the preceding subsection to insert an article in the warrant and to report its recommendations to the Finance Committee.

Section 7. Continuing Review

The Board from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions to the provision of this by-law. Such reviews shall be made by such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

Section 9. Work Week

The work week for full time or seasonal employment in each occupational group shall be as follows:

Group	Work Week
Clerical	35 hours
Liberal	22 hours to 35 hours
Library	(as required)
Custodial	40 hours
Labor	40 hours
Police	42 hours
Fire	As required (a)
Administrative	As required (a)
Supervisory	As required (a)
Others	

(a) "As Required" shall mean the total number of hours in the week needed to perform the duties of the position, as determined by the appropriate administrative authority.

Section 10. Overtime Compensation

(a) Clerical Group:

An employee shall be compensated at one and one-half times his regular hourly rate for hours in excess of thirty-five (35) hours per week.

(b) Library Group:

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of thirty-five (35) hours weekly.

(c) Custodial and Labor

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of forty (40) hours weekly. A minimum of two hours of overtime pay shall be guaranteed on call back.

(d) Police Department:

As specified by contract between the Town and the Police Association.

(e) Fire Department:

As specified by contract between the Town and the Fire Association.

1. A uniformed employee in Compensation Grade F-1 in full-time employment who is required to work beyond his normal tour of duty, responds to a box alarm when off duty, or is called back for standby duty, forest fire fighting, snow shoveling or forest fire patrols shall be compensated at one and one-half (1½) times his regular rate of pay. A minimum of two hours of overtime pay shall be guaranteed on call back.

2. The hourly rate of overtime pay for personnel covered in Section 10(c)(1) shall be one forty-second (1/42) of the employee's regular week's pay times one and one-half (1½).

(f) Administrative Group:

1. An employee normally is not entitled to overtime, but shall be granted compensatory time at the convenience of his department head for hours worked in excess of forty weekly, or whatever constitutes his normal work week.

2. The Deputy Fire Chief will receive overtime compensation for working hard-to-fill shifts after all union employees have refused to work these shifts.

3. The Deputy Fire Chief shall receive the sum of \$4.90 to be made available on the first pay day of the new fiscal year and every fiscal year thereafter, providing that he has been recertified as an Emergency Medical Technician by the National Registry of Emergency Medical Technicians.

(g) Supervisory Group:

A supervisor is not entitled to overtime, as he has the authority to approve overtime compensation for his subordinates. He is entitled to take compensatory time which he shall report to the proper administrative authority if requested. He shall also make adequate provisions for the supervision of his department in his absence.

(h) Water Department:

Any employee of the Water Department who becomes certified under the Department of Public Health to operate the water system shall be eligible for an additional compensation of \$250 per year.

Section 11. Clothing Allowances

(a) Police Department:

As agreed by contract.

(b) Fire Department:

As agreed by contract.

(c) Highway, Tree and Water Department:

A full-time member shall receive a clothing allowance to be paid by the town for rental of work clothes for members of the department as designated by department head and approved by Wage and Personnel Board.

(d) Rental:

Work clothes allowances to be made for other full-time employees on individual recommendations of department heads to the Wage and Personnel Board.

Section 12. Paid Holidays

Legal holidays within this By-Law will be holidays specified by State Legislature, on which days employees shall be excused from all duty not required to maintain essential town services. The following days shall be considered as paid holidays for all employees:

New Year's Day
Martin Luther King Day
Washington's Birthday
Patriots Day
Memorial Day
Independence Day

Labor Day
Columbus Day
Veterans Day
Thanksgiving Day
One-Half Day Before Christmas
Christmas Day

(a) Changes to State Law for long weekends (Mondays) as required).

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

1. If paid on an hourly basis, he shall receive one and one-half times his regular rate based on the number of hours actually worked on the day on which the designated holiday occurs.

2. If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.

(c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holiday, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.

(d) An employee in continuous employment occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in subsection (a) shall be paid at his regular rate for such a day or fraction thereof in addition to the amount to which he is entitled under subsection (b).

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the department in lieu of payment provided under subsection (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) Whenever one of the holidays set forth in subsection (a) falls on a Sunday, the following day shall be the legal holiday, and if on a Saturday the preceding day shall be the legal holiday.

Section 13. Vacation Leave

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

(a) A full-time employee in continuous service shall be granted two weeks vacation with pay at the completion of one year of service.

(b) A full-time employee who terminates employment after less than one (1) year of service shall be granted one (1) day of vacation with pay for each full month of continuous service completed, but not to exceed one (1) week of vacation. Termination to be defined as "for whatsoever reason."

(c) A full-time employee who has completed five (5) continuous years of service shall, in the year during which this length of service has been completed, be granted three (3) weeks — fifteen (15) days of vacation with pay.

(d) A full-time employee who has completed ten (10) continuous years of service shall, in the year during which this length of service has been completed, be granted four (4) weeks — twenty (20) days of vacation with pay.

(e) A full-time employee who has completed twenty (20) continuous years of service shall, in the year during which this length of service has been completed, be granted five (5) weeks — twenty-five (25) days of vacation with pay.

(f) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee dies up to the time of his separation from the payroll.

(g) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as earned, and not granted, in the vacation year prior to such dismissal, retirement or entrance into the armed forces. In addition, payments shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement, or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

(h) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under the other leave may, at the discretion of the department head, be charged to vacation leave.

(i) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.

(j) Vacation allowances provided under the terms of this section will be calculated on a 12-month period commencing on the employment date and these allowances must be taken in the 12-month period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by

the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

(k) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay without approval of department head and the Personnel Board.

Section 14. Sick Leave

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

(a) An employee in continuous employment shall be allowed one day for each month worked, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under subsection (a) without limit and may be accumulated as additional sick leave benefit.

(c) An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond this current period of employment.

(d) If the amount of leave credit provided under subsection (b) has been or is about to be exhausted, an employee may make application for advance sick leave to be deducted from future leave credits to the extent provided under subsection (a). Such application shall be made to the Board which is authorized to grant such advance sick leave as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the advance sick leave.

(e) Sick leave must be authorized by the department head and must be reported on forms as provided. These records will be maintained by the Town Accountant for the Wage and Personnel Board's and Towns Accountant's use.

(f) A physician's certificate of illness shall be submitted by the employee after five days' continuous absence to his department head before leave is granted under the provisions of this section. This certificate shall be forwarded by the department head to the Town Accountant for the Wage and Personnel Board's and the Town Accountant's use.

(g) The Board or Department Head may, of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by physician appointed by the Town.

(h) Injury, illness or disability self-imposed, or resulting from the abuse of alcohol or the use of drugs that are classified under the Federal Narcotics Act or Drug-Abuse Control Act, shall not be considered a proper claim for leave under this section.

(i) Maternity Leave — A leave of absence without pay will be granted for a period up to four (4) months after delivery and the employee may work as long as her physician permits.

(j) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.

(k) In the event of payments made to an employee under the preceding subsection the Board or Department Head may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(l) Unused sick leave shall be credited and shall accumulate from year to year without a limit. An employee who leaves the employment of the Town for other than disciplinary action, shall be compensated at fifty per cent (50%) of his/her rate of pay for all unused accumulated sick leave over thirty (30) days at termination, providing an employee has a minimum of five (5) years of service, such compensation to be based on base salary only. In the event of an employee's death, such compensation shall be awarded to his/her estate.

(m) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

Section 15. Bereavement Leave

Emergency leave up to five days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

Section 16. Other Leave

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

(a) Absences for personal reasons may be charged to vacation leave upon application by the employee and approval by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

(b) Members of the military reserves on brief tours of military duty such as the annual two-week tour of duty shall be compensated by the Town for the difference between the employee's regular pay and that received on military duty. Such tours of duty shall not be counted against vacation allowance.

(c) Three (3) personal days are allowed each year to full-time employees on request to, and approval of, supervisor and department head. Personal days are defined as days needed to attend weddings, funerals of relatives, family needs, etc., not otherwise provide for by the by-laws.

Section 17. Longevity Compensation

The Town agrees to reward faithful service by full-time employees by providing additional compensation each year on the basis of length of service as follows:

A -- At completion of ten (10) years of service	\$ 200.00
B -- At completion of fifteen (15) years of service	300.00
C -- At completion of twenty (20) years of service	500.00
D -- At completion of twenty-five (25) years of service	1,000.00
E -- At completion of thirty (30) years of service	1,500.00
F -- At completion of thirty-five (35) years of service	2,000.00

Section 18. Physical Examination

Before appointment to a position in the classification plan requiring continuous service, or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Department Head. The examining physician shall be appointed by the Town and the examination shall be at the expense of the Town. The examining physician shall advise the Department Head as to whether, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made, and the application shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be forwarded as soon as possible by the Department Head to the Town Accountant for the Wage and Personnel Board's and the Town Accountant's use.

Section 19. Operation of By-Law -- Grievance Procedure

Police Department:

As agreed by contract.

Fire Department:

As agreed by contract.

(a) This by-law shall be operative only as to employees whose positions are classified hereunder and for which positions minimum and maximum salaries, or single-rated miscellaneous salaries as established under Section 8.

PERSONNEL BOARD TO ADMINISTER -- The Personnel Board of the Town shall constitute the Personnel Relations Review Board of the Town, and in that connection shall have the powers and duties, and perform the functions, assigned to such Personnel Relations Review Boards by Section 21B of Chapter 40 of the General Laws; and said Board shall, in the performance of its duties as Personnel Relations Review Board, be subject to the limitations imposed by said Section 21B and by the by-laws of the Town.

GRIEVANCE PROCEDURE -- There shall be a grievance procedure available to those employees of the town whose rights under the Wage and Personnel classification plan have, in their opinion, been prejudiced and covering all other grievances except those that would properly be under the jurisdiction of the Civil Service Commission or other duly established appeal board. As used in this section, the word "grievance" shall be construed to mean dispute between an employee and his supervisors arising out of an exercise of administrative discretion by such supervisor or supervisors.

STEP I. The employee shall take up his grievance orally with his immediate supervisor who shall reach a decision and communicate it orally to the employee within two (2) working days. The employee may request a written statement of contemplated actions and related reasons.

STEP II. If the grievance is not settled at Step I, the employee shall within five (5) working days present his grievance in writing to his supervisor who shall forward it to the department head who shall hold a hearing within five (5) working days, or if the department head is a board, at its next regularly scheduled meeting the grievance will be presented and a hearing will be held within ten days of that meeting.

STEP III. If the grievance is not settled at STEP II, all records and facts in the case shall be referred to the Grievance Board for adjudication. Those present at Step II shall appear at this hearing. Within twenty (20) working days of the hearing, which shall be the next regular meeting of the Board except in cases of emergency, the employee shall be notified in writing through the department head as to the decision of the Board which shall be final.

Section 20. Civil Service Law

Nothing in this By-Law shall be construed to conflict with Chapter 31 of the General Laws.

Section 21. Effect of Partial Invalidity

The invalidity of any section of this By-Law shall not invalidate any other section or provision thereof.

Section 22. Publication of Personnel By-Law

The Personnel Board hereby is authorized and directed to compile and publish Personnel By-Law to be known as the Town of Kingston Wage and Personnel By-Law. Corrections to be made as necessary with amendments subject to authorization as stated in Section 1 herein. Authorized changes will be published and added to this Wage and Personnel By-Law as endorsements to the section, page or paragraph. Last dated endorsement becomes the effective correction or amendment of these By-Laws.

Section 23. Contract Agreements

Section 24. Other Benefits

For the purpose of establishing a more equitable compensatory package, employees of the town working no less than twenty hours a week, fifty-two weeks per annum would be eligible for all benefits equivalent to full-time employment calculated on a pro-rated basis (i.e., if a full-time employee receives two weeks (eighty hours) of vacation, then a part-time employee (twenty hours a week) would receive two weeks of vacation totalling forty hours).

WAGE AND PERSONNEL BOARD

REPORT OF THE WATERFRONT COMMITTEE

The Waterfront Committee held a number of meetings for the purpose of approving expenditures and contractual services as well as developing plans for future projects. The committee meetings are held at the building at the Town landing.

The Committee as a group has a varied and extensive background in the marine field with a combined experience factor hard to duplicate. In addition to money allocations the committee oversees all land-based operations and acts in an advisory capacity for water related projects both recreational and environmental.

Expenditures provided for paint, supplies and labor for maintenance of floats, mooring racks, aids to navigation and the Waterfront Committee building which houses the Harbormaster's office, lighting of the area for convenience and security as well as facilities to keep the area clean.

The Waterfront Committee is open to any suggestions or ideas to improve the Town's waterfront facilities. Please feel free to contact any member of the committee with your problems or suggestions.

We especially want to thank the Town's Highway Department for the cooperation that they have given this committee.

REPORT OF THE YOUTH COMMISSION

The Youth Commission continues to grow and meet the needs of the community. We sponsored over 11 trips which were well attended. For the first time, nearly all trips were filled to capacity. We traveled to New York City to see the renovated Statue of Liberty. This certainly was an event to remember. The Christmas trip to New York filled two buses!

The Youth Commission has continued to provide after-school activities including Arts & Crafts, Swimming, Computer Awareness, Gymnastics, boy's physical fitness and tennis. We also sponsored our annual Halloween party which everyone agrees was the best ever.

Director, Fran Fitzgerald, was appointed Co-Chairperson of the Silver Lake Regional Schools/Community Health Council. She will work to improve the health education of our children.

The Youth Commission is dedicated to providing comprehensive services to all Kingston Youth throughout the year. Any suggestions from the community are welcome.

REPORT OF THE ZONING BOARD OF APPEALS

The Zoning Board of Appeals respectfully submits the following report for the year ending December 31, 1986:

	Variances	Special Permits	Earth Removal Renewal Permit	Review of Actions of Building Inspector/ Planning Board
Granted	7	13	6	2
Denied	8	10	0	2
Withdrawn	6	6	0	0
	21	29	6	4

The Board had an extremely busy year dealing with the various patterns of growth and changes within our community.

Lee Alfieri, Dennis O'Brien and Charles Riordan continued as members of the Board, and Alan Ballinger and Sheila Killourhy as alternates. Upon the untimely death of Mr. Riordan in December, Mr. Ballinger was appointed as a member of the Board and Robert Frazier as an alternate. The Board will sadly miss the services of the late Mr. Riordan.

The Board wishes to thank Town Clerk George W. Cushman and his staff and the Assessor's Office for their assistance and cooperation throughout the past year.

REPORT OF THE TOWN COLLECTOR

The Tax Department through the 1986 Fiscal Year ending June 30, 1986 continued to lower its outstanding delinquent accounts, although due to the loss of its bookkeeper for approximately six months, we could not accomplish what was planned. Also, the 1986 Real Estate bills came out back-to-back in March and April, causing confusion to the taxpayers as to which was due first and many calls to the Tax Office by taxpayers for clarification of same.

However, we expect to continue lowering of all delinquent accounts by collection with all interest and penalties due the Town.

Again, we wish to thank you for the continued use of the Lock Box set-up for the Town with Rockland Trust Company, Kingston (or any of its branches). This insures the Town will be accruing interest immediately and not causing a tie-up of the monies due to hand posting each account in the Tax Office.

Board of Selectmen
Town of Kingston
Kingston, Massachusetts

We have examined the financial statements of the various funds and account groups of the Town of Kingston for the year ended June 30, 1986 listed in the following table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Pension costs are provided on a pay as you go basis, as discussed in Note 5 rather than on an actuarial basis as required by generally accepted accounting principles. The cost relative to the actuarial method has not been determined at this time.

A record of fixed assets is not maintained by the Town, accordingly a statement of fixed assets, as required by generally accepted accounting principles, is not included in the financial statements.

In our opinion, subject to the foregoing exceptions, the aforementioned financial statements present fairly the financial position of the various funds and account groups of the Town of Kingston at June 30, 1986 and the results of operations of such funds and the changes in financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental schedules and related information presented on pages 19 to 28 are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. This information has been subjected to the tests and other auditing procedures as set forth above, and in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

TOWN OF KINGSTON

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 1986

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies for financial reporting purposes of the Town of Kingston conform to generally accepted accounting principles for local governmental units except as indicated in Note 2. The following is a summary of the significant accounting policies.

A. FUND ACCOUNTING

The town reports its financial activities in several funds and one account group in order to comply with the limitations and restrictions placed on both the resources made available to the town and the services provided. The various funds are groups in the financial statements in this report into three fund categories as follows:

i. GOVERNMENTAL FUNDS

GENERAL FUND: The General Fund is the general operating fund of the town. It is used to account for all financial resources except those required to be accounted for in another fund.

REVENUE SHARING: This special revenue fund is used to account for the proceeds of the State and Local Fiscal Assistance Act and their expenditures as prescribed by the Office of Revenue Sharing.

ii. FIDUCIARY FUNDS

TRUST FUNDS: Trust funds are used to account for assets held by the town in a trustee capacity. These include expendable trust, and nonexpendable trust funds. Nonexpendable trust funds are accounted for in a manner that permits the periodic measurement of revenue earned, expenses incurred and/or net income in order to demonstrate maintenance of capital. Expendable trust funds are accounted for in essentially the same manner as governmental funds.

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1986

iii. LONG TERM DEBT

LONG TERM DEBT: Long term liabilities expected to be financed from governmental funds are accumulated in the general long term debt group of accounts. This account group is not a fund. It is only concerned with the measurement of financial position and therefore is not involved with a measurement of the results from any operations.

B. BASIS OF ACCOUNTING

The accompanying financial statements have been prepared principally on the modified accrual basis of accounting. This method recognizes revenues when they become measurable and available. Expenses are recognized under this method as they are incurred.

REVENUE RECOGNITION: Property tax revenues are recognized when they become available. Available means then due or past due and receivable within the current period or expected to be collected soon enough thereafter to be used to pay liabilities of the current period.

All other revenues are recognized throughout the year when cash is received. Receipts of real estate and personal property taxes during the sixty days immediately following the close of the fiscal year are recognized as available revenue.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues: In one, monies must be expended on the specific purpose or project before any amounts will be paid to the town, therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria is met.

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1986

DEFERRED REVENUE: Property taxes and other revenues that are measurable but not available have been classified as deferred revenue on June 30, 1986 as follows:

Outstanding Real Estate and Property Taxes June 30, 1986		\$549,325
Less: Collections 7/1/86 to 9/1/86	\$112,013	
Provision for Abatements	<u>199,650</u>	
		<u>311,663</u>
Net Property Taxes		237,662
Other Receivables:		
Tax Titles		105,488
Motor Vehicle Excise		124,883
Boat Excise		4,361
Water		17,761
Other		<u>260,042</u>
Deferred Revenue		<u>\$750,197</u>

EXPENSES: Expenditures are recorded during the year on a cash disbursement basis. In addition, as required by Massachusetts General Laws, disbursements made during the fifteen days immediately following the close of each fiscal year and which pertain to the prior year are recorded as Warrants Payable and Expenses as of June 30th of that year.

Purchase orders outstanding at June 30th related to annual operating expenses are recorded as encumbrances and accordingly as a reservation of fund balances at that date.

The significant departures from GAAP included in the financial statements are:

- Retirement benefits are provided for on a "pay-as-you-go" basis rather than an acceptable actuarial cost method.
- General fixed asset acquisitions are recorded as expenditures at the time purchases are made rather than being capitalized in a general fixed assets group of accounts.
- Purchases for materials and supplies inventories are recorded as expenditures rather than assets at the time of purchase.

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1986

2. REVOLVING FUNDS

Certain accounts are maintained on a revolving basis within which are credited to the account and expenditures charged thereto. The unexpended balances, while generally restricted to purpose are available for subsequent years expenditures, not requiring the vote of town meeting.

3. RESERVE FOR PROPERTY TAX ABATEMENTS AND EXEMPTIONS

Provisions for property tax abatements and exemptions are established for each annual tax levy as prescribed by statute. The primary intent is to provide for these potential refunds or allowances during the year in which the tax would otherwise be due and collected. Excessive amounts no longer necessary are to be transferred to a reserve account to be used for extraordinary or unforeseen expenses as prescribed by the Massachusetts General Laws.

Statutory provision for abatements and exemptions not in excess of the outstanding property tax levies on June 30, 1986 are as follows:

Tax Levy of 1986	\$61,837
Tax Levy of 1985	54,393
Tax Levy of 1973-1984	83,419
	<u>\$199,649</u>

4. UNRESERVED-DESIGNATED

This represents budget amounts for fiscal year June 30, 1987 to be provided for from previously unreserved funds.

5. PENSION PLANS

Substantially, all employees of the town, except school teachers and certain other school department employees are members of the Plymouth County Contributory Retirement System. The pension plan provides retirement benefits for members who have obtained a certain age and for periods of service. Members contribute certain percentages of their salaries or wages to the plan. In addition, the Massachusetts Department of Banking and

TOWN OF KINGSTON
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 1986

Insurance determines an amount, each year, that the town must contribute to the system in order to meet the year's projected benefits payments.

This so called "pay-as-you-go" method does not provide for the funding of any unfunded liabilities that might exist as a result of an actuarial determination of the fiscal condition of the plan. The amount of the unfunded liability of the Plymouth County Contributory Retirement system is actuarially determined periodically and reported to the County by the Massachusetts Retirement Law Commission. However, the amount of such liability directly related to the members from the County of Plymouth has not heretofore been separately determined and remains unknown.

The school teachers and other nonmember school department employees participate in a plan administered by the Massachusetts Teacher's Retirement Board. The town does not directly contribute to this plan.

6. SUBSEQUENT YEAR AUTHORIZATIONS

The financial statements for the Town of Kingston as of June 30, 1986 do not reflect the fiscal 1986 Town Meeting held in May 1986. The town has authorized a fiscal 1987 operating and capital budget totaling \$9,044,303. These funds will be provided from 1987 levies, grants, borrowings, and other funds.

7. UNEMPLOYMENT COMPENSATION

The town is on the reimbursable method for paying unemployment compensation. Under the reimbursable method, the Massachusetts Employment Security Division sends a list monthly to the community of who has received benefits. The community then reimburses the Massachusetts Employment Security Division for these claims against the town.

8. VACATION AND SICK PAY

All full time permanent employees are entitled to vacation leave based on the length of continuous town service as follows:

TOWN OF KINGSTON

NOTES TO FINANCIAL STATEMENTS - CONTINUED

JUNE 30, 1986

One year through five years: 2 weeks
 Six years through twelve years: 3 weeks
 More than twelve years: 4 weeks

Upon termination without cause; retirement or death of a full time permanent employee who has been continuously employed for a period of at least one year, the Personnel Board shall determine whether, and in what amount, vacation pay shall be paid the employee on his estate. On June 30, 1986 vacation benefits have not been determined.

All permanent employees of the town will earn one day sick leave per month. An employee may accumulate his sick days without limitation. No accrued sick leave will be paid at the time of separation from service. The accumulated sick leave benefits on June 30, 1986 have not been determined.

9. ANNUAL DEBT SERVICE

Principal and interest payments due in future years relating to debt outstanding on June 30, 1986 are listed below:

FISCAL YEAR OF MATURITY	AMOUNT	INTEREST
1987	\$455,000	83,874
1988	360,000	53,977

OVERLAPPING DEBT

The town is a member of the Silver Lake Regional School District. The district's outstanding long term debt at this time is \$4,620,000 for which the town is partially responsible.

11. CONTINGENT LIABILITIES

The Contingent liability is made up of unexplained variances in the Treasurer's and Collector's records and the general account records and dispute as to state tax withholding liability for a previous period

As of June 30, 1986, various claims and lawsuits were pending against the town. No accruals have been made as the cases are not resolved to that degree at this point in time.

AUDIT PROCEDURES

JUNE 30, 1986

In accordance with the requirements of the Massachusetts Bureau of Accounts, summarized below are the significant procedures applied to taxes and water rates. The commitments were compared to and found to be in agreement with the Assessors' and Water Department records; abatements and adjustments were tested by reference to supporting documentation and Assessors' records; collections were compared to and found to be in agreement with both the Treasurer's and Accountant's records; the tax titles were compared with the records of the Treasurer, Accountant, and the Registry of Deeds; and requests for confirmation of uncollected taxes and water rates as of June 30, 1986 were mailed directly to certain taxpayers on a test basis. Also, the reconciliations of the uncollected taxes and water rates as of June 30, 1986 per the Collector's commitment books to the Accountant's general ledger were tested and no significant differences were noted.

Board of Selectmen
Town of Kingston
Kingston, Massachusetts

Dear Sirs:

We have examined the financial statements of the various funds and account groups of the Town of Kingston for the year ended June 30, 1986, listed as shown in the accompanying financial statements. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the various funds and account groups of the Town of Kingston at June 30, 1986, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental schedules and related information presented on pages 19 through 26 are not necessary for a fair presentation of the financial statements, but are presented as additional supplementary data. This information has been subjected to the test and other auditing procedures applied in the examination of the financial statements mentioned above and in our opinion is fairly stated in all material respects in relation to the financial statements taken as a whole.

In connection with our examination, we also (1) made a study and evaluation of the Town's system of internal accounting control, (2) performed tests of compliance with the Revenue Sharing Act and regulations as required by Sections II.C.3. and III.C.3. of the "Audit Guide and Standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients (Guide)" issued by the Office of Revenue Sharing, U.S. Department of the Treasury and (3) compared the data on Bureau of Census Form RS-8 to records of the Town of Kingston as required by Section II.C.4. of the "Guide" for the year ended June 30, 1985; we did not, however, compare the report for the period ended June 30, 1986, as those reports are generally not available until the subsequent January of each year.

Based on these procedures, we noted no instance of noncompliance with the regulations for the year ended June 30, 1986, and no differences (material differences) between Census data on Form RS-8 and the records of the Kingston for the year ended June 30, 1985.

Very truly yours,

Anthony V. Sulmonte

REPORT OF THE TRUSTEES OF THE KINGSTON EDUCATIONAL FUND

Annie C. Woodward Fund
Edward H. Dandeneau Scholarship Fund
Harold J. Weston Fund
Anthony M. Monish Fund
Lucy M. Stein Educational Fund
Doris B. Cushman Memorial Fund
Naomi Catherine Bartlett Memorial Fund

A detail report of the assets of the several Educational Funds are part of the Town Treasurer's report. However, new funds were received or additions to funds were received during 1986. A new addition to the Harold J. Weston Fund was received through the kindness of Horace C. Weston, one of your trustees of this fund.

Plymouth Five Cents Savings Bank, Account #93-169
\$2,101.69 @ 7.75% maturing 7-25-89, term deposit certificate.

The Trustees extend our sincere thanks to Horace for this nice addition to his father's fund who was a great citizen of the Town.

The Isaac J. Pimental Educational Fund, which was given in his memory by his sister and brother, Emilia R. and Alfred Pimentel of Kingston.

Rockland Trust Company, Certificate #055961
\$10,000 @ 7.10% maturing 12-19-90

The income of this fund is to be divided equally between one male and one female resident of Kingston graduating from Silver Lake Regional High School who has achieved a high scholastic standing, is in need, and will be attending a degree granting institution.

To Amelia and Alfred, a wonderful gift. Your interest in the educational programs for our children is appreciated.

REPORT OF THE KINGSTON SCHOOL COMMITTEE

This has been another very active year for the Kingston Elementary School and its Committee. Mrs. Barbara Devlin finished her term as chairperson and did not seek re-election; our thanks and best wishes are extended to her for her years of service to the community. Mrs. Susan Winokur was re-elected and Mr. William McElligott was elected to the vacant seat. Mr. Christopher Gregory, Principal of Kingston Elementary School, retired in June, 1986; his many years of contribution to Kingston and the Silver Lake District are warmly appreciated. Mr. John Bastoni was appointed Principal and we enthusiastically welcome him to Kingston.

Staff at the school has been strengthened via additions of a half-time teacher for a new extended learning program as well as a half-time library-media specialist. A new Social Studies program is being put in place and a number of similar programs in Reading and Language are being developed.

With implementation of Chapter 188 a school improvement council was appointed which resulted in the purchase of new copy machines for the school with these new state funds. In the coming year other sections of Chapter 188 will financially benefit Kingston Elementary School. In 1986 money from the Sampson Fund was made available for the purchase of new gym equipment and drapes for the primary area. New three year contracts were negotiated with AFSCME Council 1700 and the Teachers Association and employees.

Kingston Elementary School now houses a district-wide program for Special Needs preschool students and the Union 31 Behavior Modification Class.

A wide range of improvements were made to the physical facility including a comprehensive Energy Management System. This system is being installed at no initial cost to the school and paid for by guaranteed savings in utility bills. Major repairs have been made; i.e., new blacktop, window replacements, bathroom refurbishment, new carpets, improved lighting, etc.

The Committee extends a thank you at this time for the support the community has given to these efforts and to the staff and volunteers at Kingston Elementary without which none of these programs would be as successful as they are.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

As I submit my eleventh annual report to the citizens of our district a consistent effort to improve and expand our educational offerings to the students of the district is evident.

The results of the Massachusetts Assessment Testing Program indicated areas of relative strengths in specific curriculum areas and a need to improve upon relative weaknesses in other curriculum areas. The academic gains were the direct results of the efforts of the entire staff and the cooperative and committed efforts of the students to attain higher levels of expectations. Continued assessment will occur and as a result further curriculum improvements will bear the fruits of the staff's labor.

As a result of our socio-economic standing throughout the Commonwealth, four of our five segments received funds for equal educational opportunity grants. The Kingston School Department did not receive E.E.O. funds while all of their sister communities utilized the funds to maximize the financial benefits. These funds enabled the school departments to restore positions lost because of Proposition 2½ and to purchase new textbooks, needed materials and general upgrading of direct services to students.

The administrative staff spent many hours in preparation for and expenditure of these state-wide financial incentives. With the support of the various school committees, the interdependence developed with the E.E.O. funds and local appropriated funds led to a very sound administrative method of financing educational programs within our district.

Unlike what has occurred in previous years, the school department did not experience many administrative changes. However, the Kingston School Department found it necessary to replace the retiring Mr. Christopher J. Gregory after 14 years of serving the youngsters in our district. The continuity of our administrative staff has created a positive attitude and atmosphere in the school department. Mr. John Bastoni has accepted his new challenge as the Kingston Elementary School Principal well and has sought and received assistance from a variety of sources.

Upon reflection of the 1986 educational happenings, it bears the mark of improvement of services to students and commitment by the staff to continue to upgrade their professional skills. These activities also imply that we must plan ahead and strive to become better. The four towns are continuing to experience growth and as a result the increase in population will impact the school department. Efforts are underway to begin the preliminary investigatory activities for facility expansion in Halifax, Plympton and Silver Lake Regional Junior High School. While school facilities in the remaining segments of the school department can operate smoothly with an increased enrollment, the school department must continually assess our physical and programmatic requirements.

The following reports highlight the information received from the appropriate administrators. I want to publicly commend our administrative staff for their conscientious effort and genuine concern displayed toward the staff and students of our district. The results indicate a positive and conducive educational environment within our educational facilities.

ACKNOWLEDGEMENT

I would like to thank publicly the members of the school committees for their interest and support as their Superintendent of Schools. The citizens of our communities should feel comfortable that they are being represented in such a way that the results of continued improvements will occur at Silver Lake Regional School District and Superintendency Union #31.

Schools throughout the country are being asked to improve and our school district is no different. Schools throughout the country are being asked to do more and our school district is no different. The school department's responsibilities will continue to expand to provide a variety of services to the "whole" child and we accept the challenge. However, we cannot nor should not do it alone and thus we are asking all of you to assist us in this vital mission.

This aim has always been a major goal that my Superintendency embraces and it will continue to deserve my utmost priority. We should all ask ourselves what we can do for the benefit of someone and not at the expense of someone. The citizenry should be assured that ~~my~~ energies in the future as they have been in the past will continue to make our district an educational institution that we may all be proud of.

KINGSTON ELEMENTARY SCHOOL

John S. Bastoni, Principal

In August, 1986, I assumed the Principalship of the Kingston Elementary School after the retirement of Christopher J. Gregory. In the past few months it is obvious that Mr. Gregory and the staff have developed an excellent overall program with excellent support from the parents and the public at large.

The welcome and support that I have received since coming to Kingston Elementary School is very gratifying and is evidence of the high regard in which the school is held. The Kingston School Committee, administration of the School District, and the staff have given their support and efforts to maintaining the quality of education and, in fact, to work to continually improve the quality of education at Kingston Elementary School.

ENROLLMENT, PERSONNEL

The enrollment at Kingston Elementary School has been at a consistent level the past several years. This year's enrollment is 721 students. The pupil-teacher ratio for the school is 23 to 1. The enrollment breakdown by grades is as follows:

Grade	No. of Students	Teachers	Approx. Ratio
K	108	2.5 (5 — 1/2 sessions)	21:1
1	105	5	21:1
2	94	4	23:1
3	105	5	21:1
4	122	5	24:1
5	88	4	22:1
6	99	4	25:1

CURRICULUM

This year, a great deal of emphasis has been placed on our Social Studies Program. A new program has been adopted and incorporated for use within the school. This is the result of a great amount of time and effort on the part of staff members and our Assistant Superintendent, Dr. Karen Mazza. In addition to the Social Studies Program, curriculum guides for Social Studies have been prepared and are available for staff. There is a greater cohesion in Social Studies from grade to grade for the benefit of students and teachers.

During the current school year, curriculum review on a number of fronts has been ongoing. A review of Reading, Language Arts, Science and Health and Early Childhood Education has been underway. Results of these studies and the efforts of so many staff will be realized in the very near future.

Plans are being formulated for the review and updating of other curriculum areas on an ongoing basis. Among the next to be reviewed are Mathematics, Spelling and Penmanship. Through this entire process, the aim is to produce curricula that is relevant and beneficial to all students.

The staff continues to participate in our Professional Development Program during inservice training days. Staff involvement is critical to curricula success and to students' overall and increasing achievement.

BUILDING

The School Committee and Administration are committed to making improvements within the building. Among these commitments is a plan for Energy Management recently completed to better control the heating and ventilation throughout the building. Various projects to maintain and improve the building and grounds are underway. These activities can only add to the well-being of everyone housed at Kingston Elementary School.

GENERAL

As the new Principal of Kingston Elementary School, I want to express my gratitude to the School Committee, the Superintendent, the Assistant Superintendent, the parents and the students for the confidence placed in me and their support and encouragement.

I also want to express my pleasure at the associations I have with these people, and particularly, the teaching and non-teaching staff. I am encouraged every day knowing that together we are working toward goals that will result in KES becoming better at meeting the needs of our students.

JUNIOR HIGH SCHOOL

William J. Pepper, Principal

The enrollment at the Junior High School has remained constant over the past few years. Because of this, the lack of space has loomed as an ever-present problem. Last February, two new modular classrooms were opened and had a tremendous impact on the school community. We were able to add new staff members, initiate new programs and lower class size as a result. This was a very important first step and I would hope that in the future additional classroom space may be procured.

As mentioned, several individuals have joined the faculty over the past year. Mrs. McDonough became a member of the English Department. Ms. Sullivan a member of the Guidance staff and Mr. LaFreniere was appointed to replace Mr. Robert Reagan who retired. Also, several teachers, new to the Junior High, Mr. Brennan, Mrs. Reed and Mrs. Schluter are currently shared with the High School.

Several new programs at the Junior High have been initiated. A health course, an English skills course and expansion to our foreign language offerings. I am happy to report that all of these programs have been very successful and will be continued.

The receipt of Equal Educational Opportunity grants last year enabled us to purchase many new textbooks and to update our library collection. In November, we received final confirmation from the state that we had been awarded an Essential Skills Grant. This will make it possible for us to establish a remedial math lab to provide individual assistance to students having difficulty in that area.

During the past year a great deal of emphasis has been placed on strengthening our relationships to the elementary schools in the region. The transition process from Grade 6 to Grade 7 is critical and requires the cooperation of all. We have held several meetings with the staffs at the elementary schools and conducted orientation sessions for both parents and for students entering Grade 7.

The faculty and staff at the Junior High have begun to explore the Middle School concept. Inservice workshops have been conducted to study new ideas relative to the needs of early adolescents and how school programs can best respond to those needs. Substantial research will be done during the next few months with the middle school concept.

This past summer several building renovations were undertaken, most of which were designed to provide for greater space utilization. This was the first step in a planned schedule to complete some needed repairs to the facility. Several workshops were held during the summer for teachers and administrators to develop, revise and update curriculum offerings.

A strong activities program is a vital component of any successful school. In addition to the Program of Studies offered at the Junior High, we have an extensive intramural and extracurricular program. This year we have added several new clubs including a health club, a Chapter of SADD, Jr., an adventure club and a builders club which is the Junior High School version of the Kiwanis Club. Without the dedication and commitment of many teachers, these programs would not be possible.

The Parent Advisory Council has continued to play a very active role in the life of the Junior High. I would encourage all parents of Junior High students to become involved with this group in support of their school. We have also formed a School Improvement Council which has been meeting regularly since September. This group has conducted a needs assessment through the faculty and will be prepared to make recommendations in the near future.

I express my sincere thanks to the faculty, students and parents of the Silver Lake Region for their continued support and encouragement.

HIGH SCHOOL

Charles F. Thibodeau, Principal

The 1986 school year at Silver Lake Regional High School was exciting and rewarding. This report will highlight some of the many accomplishments achieved by our students and staff.

It was pleasant to recognize that our building level housemasters, assistant principals, and all of the departmental coordinators would return for this school year. Their return and the experiences they have shared have increased the consistency and stability in our school.

During the summer of 1986, many individuals were interviewed for a variety of teaching positions which were created due to resignations, new positions supported by Equal Educational Opportunity funds from the Commonwealth; and two retirements, that of Phyllis Anderson of the Foreign Language Department and Mary Cherry, English Department.

Erin Clasby and James Myers received Letters of Commendation for placing in the top five percent of all students nationally who took the National Merit Scholarship Qualifying Test.

Massachusetts Superintendent of School Awards for Academic Excellence were given to Erin Clasby and Carrie Bowen.

Many members of the Class of 1986 were recipients of scholarships and other honors and awards that were bestowed last May during the Annual Senior Awards Night.

The extracurricular program at Silver Lake Regional High School remains an integral part of a student's total school experience. Numerous activities attract students of varied interests and abilities, and student involvement remains very high. A few notable accomplishments were:

- Drama Club — Presentation of "The Man Who Came to Dinner." Also competed in the final competition of the State Drama Festival with our production of "Mike's Case".
- Senior Class Musical — "Grease" played to sell out audiences and drew great reviews from those in attendance.
- Boys' Basketball — The boys qualified for State Tournament play again. The conclusion of this season was marked by the coaching retirement of Richard Arieta who has experienced success in his 17 years at Silver Lake.
- Ice Hockey — The Lakers captured a share of the Old Colony League Championship and then proceeded to State Tournament play where they became the only public school team to compete in the semi-final. Goalie Fred Abraham was named to the Boston Globe All-Scholastic Team.
- Music Groups — The Marching Band, Stage Band, Concert Choir and Madrigal Singers presented the wonderful spring and winter concerts which so many people appreciate.

The Silver Lake Parents Advisory Council has again been most active in developing monthly presentations of interest to parents. Past President Ruth Carpenter and President-Elect Glenna Cappola have been exceptional in their leadership.

The most significant event that occurred during this past year was the renovation of our science laboratories at the Silver Lake Kingston Campus. After many years of planning and unsuccessful attempts to have the project accepted, it finally became a reality. Students housed at the Kingston Campus can now become involved in a positive laboratory experience in their area of interest. The renovated Biology, Physics and Chemistry labs plus other rooms that are utilized by the Science Department have been a major improvement and on behalf of everyone affected, I thank everyone for their support in this project.

In summation, I would extend my sincere thanks to the students, teachers, staff and administration for their outstanding effort and support in making Silver Lake Regional High School an institution which brings a sense of pride to its communities.

REPORT OF THE REGIONAL SCHOOL DISTRICT COMMITTEE

To the
Citizens of the Silver Lake Regional School District

The 1986-87 school year began with a great deal of enthusiasm. The Committee was able to restore some positions as funds were available through state grants. The Committee was very pleased to be able to attract outstanding staff.

Leaving the Committee:

From Kingston — Joseph O. Brennan and Sandra J. Bradley
Replacing Mr. Brennan was Mr. Wayne G. Bouley and replacing Miss Bradley was Mr. George Cappola.

From Pembroke — Elaine Crawford. Replacing Mrs. Crawford was Mrs. Joyce Schmid.

The vacancy in Plympton was filled by Mr. David Mullins.

The following change has taken place with the administrative staff. Mr. Raymond Lally resigned as Director of Guidance after having served with distinction for two and one-half years of service. Ms. Aurella Levesque, a long-time counselor at the High School, was appointed to the position of Director of Guidance.

The Committee would like to acknowledge the retirement of the following teachers, who have faithfully served the students of the Region for many years:

Mrs. Phyllis Anderson
Ms. Mary Cherry
Mr. Robert Reagan

Foreign Language Teacher
English Teacher
Science Teacher

The renovated and relocated Science facilities at the Kingston Campus opened on schedule. The educational gains for students who have access to these modern facilities are already being seen with increased student interest and achievement in Science. The installation of the two portable classrooms at the Junior High School was completed in February of 1986.

A number of important outcomes have happened due to funds made available by Chapter 188, the Education Reform Act of 1985. The District has been able to add badly needed professional and support staff. We have also increased funds spent on supplies and textbooks. School Improvement Com

cils have been established at the Junior and Senior High Schools. Seventeen (17) Horace Mann Teachers were appointed to engage in curriculum and professional development activities. Their labors will have a positive impact on instruction. Competitive grants have been awarded to enable the District to establish both an Essential Skills Math Remedial Program, Vocational Occupational Programs and Administrative Leadership Seminars.

The curriculum development activities have focused on the following areas:

- Basic Level Course Offerings
- Advanced Sequence Programs
- Junior High Foreign Language Offerings
- Modern Office Practice
- Computer Education
- Expansion of Guidance Support Services for Students and Parents

The Commonwealth has mandated several testing programs. The Basic Skills Improvement Test was given to all students in the ninth grade in October. This test is designed to identify individual students needing assistance in mastering basic skills in Reading, Writing and Mathematics. The tests in the Educational Assessment Program were administered to Grades 7 and 11 students last spring. The results of these tests will be used to focus in on program areas that appear to need improvement.

It is EXTREMELY IMPORTANT to realize that the funds from Chapter 188 (Equal Educational Opportunity) Grants are not limitless but are for six years. The purpose of this legislation is to urge communities whose per pupil expenditures are below the state average to increase their per pupil expenditures to be in line with other communities across the state. The Silver Lake Regional School District presently spends substantially below the state average. In fact, the District spent 65.9% of the state average per pupil cost. We must realize that communities that accept these funds MUST make a good faith effort to increase their per pupil expenditures to bring them into line with the state average.

The Committee wishes to express its appreciation and thanks to Superintendent Squarcia for his talented leadership in meeting the needs of the District. The Committee also wishes to thank Assistant Superintendent John Aherne for his commitment to the students of the District. The Committee wishes to applaud every member of the staff of the District for their continued efforts to make the Silver Lake Regional School System live up to its full potential.

We invite all citizens of the District to attend the open meetings of the Committee. The regularly scheduled meetings are held in the Cushman Library on the Kingston Campus of the High School, the second Thursday and fourth Monday of every month.
