RE: COVID-19 Update 5pm

Today we participated in a conference call with Massachusetts Department of Public Health regarding reported cases of COVID-19 and preventive measures being take in the Town of Kingston.

We are happy to report that as of 4:00pm today March 11, there are no presumptive or confirmed cases of COVID-19 in the Town of Kingston or in Plymouth County. However, we remain vigilant. Accordingly, we have cancelled several programs at the Kingston Public Library for Thursday, March 12th and Friday, March 13th. During that time, highly used sections of the Library will be disinfected. The same will be done at the Reed Building on Tuesday, March 16th. Work at the Council on Aging has already been completed.

It is important to understand that this situation is fluid. The Board of Health Agent, Arthur Boyle will receive daily updates from the Department of Public Health and our team will reconvene appropriately as the situation evolves.
