Advisory #70

Thursday, May 21, 2020

To the Residents of Kingston,

This afternoon the Massachusetts Department of Public Health (DPH) announced that there were 7,366 confirmed positive cases of COVID-19 in Plymouth County. This represents an increase of 86 from yesterday's count of 7,280. **As of this afternoon the Town's total number of confirmed positive cases remains at 85.** Of the Town's total number of confirmed positive cases, 46 are from one facility. Our Health Agent and Public Safety Officers will continue to monitor these local cases. Due to privacy requirements, the demographics of these cases will remain anonymous.

These graphs are a visual companion to the numbers that we have been reporting each day.

Kingston Cases

Plymouth County Cases

Due to COVID-19, Kingston’s Memorial Day Parade has been cancelled. The Memorial Day Parade Committee will be laying wreaths at all War Memorials and will hold a small ceremony on the Town House lawn. The ceremony will be aired on PACTV in the days following Memorial Day. A Town of Kingston Veterans’ Services Facebook page has been created and will be live streaming the day’s events starting at 10:00 AM. The Memorial Day Parade Committee invites you to join the Town of Kingston virtually as we find a new way to honor those Veterans we have lost.

In addition to releasing its reopening plan for the Commonwealth (www.mass.gov/reopening), the Baker-Polito Administration has also issued a “Safer-at-Home Advisory,” which replaces the previous recommendations made in its “Stay-at-Home Advisory.” In an effort to reopen while still fighting COVID-19, the following recommendations are listed in the “Safer-at-Home Advisory”:

- People over the age of 65 and people who have underlying health conditions – those who are high risk for COVID-19 – should continue to stay home except for essential errands such as going to the grocery store and attending healthcare needs.
- All residents are advised to leave home only for healthcare, worship, permitted work, shopping and outdoor activities.
- When going to the pharmacy, ask if you can fill your prescriptions for 90 days if possible; for some medications this is not allowed. If you are high-risk, try to use a mail-order service.
- Don’t participate in close contact activities such as pick-up sports games.
- All residents are **REQUIRED** to cover their face when they cannot maintain six feet of social distance in public.
- Parents should limit play dates for children.
- Refrain from visiting nursing homes, skilled nursing facilities, or other residential care settings.
- All residents are advised to wash their hands frequently and for at least 20 seconds with soapy water.
- All residents are advised to vigilantly monitor symptoms and stay home if they feel sick.
- Use remote modes of communication like phone or video chat instead of visiting friends or family who are high risk for COVID-19.

Thank you for your continued efforts to mitigate the spread of COVID-19,

 Joshua A. Warren, Chairman
 Board of Selectmen
